My SACRED HEART has done wonders for you in these Twenty Years of Our Apparitions Here, raising you to an immense height of knowledge of My will, of knowledge of the truth, of knowledge of My Sacred Heart, the Heart of My Mother and My Father San Jose. And they also filled you with a great and profound meditation and knowledge of your own misery, of your own nothingness, always putting you on guard against yourselves and always putting you on guard against all the temptations of My enemy who, under deceitful appearances of well they intend to infiltrate your souls and hearts to begin to undermine the spiritual edifice of holiness that Our THREE SACRED HEARTS have begun to build in you. So, always being on your guard against yourselves and against all the insidiousness of Satan We made you strong warriors, sentinels always awake, always faithful, vigilant, ready to recognize the enemy, the temptation as soon as he begins to emerge over the mountains wanting to get closer to your souls. So that we could banish him, defeat him, expel him and overthrow him before he could reach you, wound your souls, infiltrate them with sin until the Spiritual Building of your conversion collapses.

and sanctification that Our THREE SACRED HEARTS for Twenty Years are here building in you.
Thus My Children, We teach you to always watch and to keep always on guard against yourselves, against your self-love, against the devil, temptations and the world. So that nothing could shake the foundation, the foundation of the spiritual edification that We are building in you.
My SACRED HEART has done wonders for you in these Twenty Years Here, making you ever more fragrant flowers of purity, innocence, prayer, virtues, divine grace. So that your perfume could reach the Throne of My Heavenly Father in Heaven and please His Most Holy Heart, fill Him with joy and satisfaction, console Him in His great sadness for so many sins and disobedience of humanity and also transform you in a beautiful temple for My Holy Spirit, where He can dwell, where He can act, where He can perform in you the greatest wonders of His Love and His Grace always, at all times, without resistance, nor finding any rival against He within you.
My SACRED HEART has done wonders for you here in these Twenty Years, giving you ever more a taste for the things of Heaven, a taste for Prayer, making you understand My Words, making you ever more love these Words, making you ever more deplore the world, sin and your self-love and seek ever more My will, My Love to live ever more according to My spirit, according to My divine pleasure and design.
Thus, My SACRED HEART, My Heart inflamed with Love for you, made you come closer and closer to Himself, to the Heart of My Mother, to the Heart of My Father Saint Joseph, until making you burn with the flames of love that They come out of them, to inflame you, to burn you, to consume in you everything that is earthly, everything that is carnal, everything that is low to elevate you to everything that is sublime, high and worthy of Me. Thus, in you the most extraordinary works of grace were done and My Name is finally glorified in you in the sight of all the Angels and Saints in Heaven.
To all of you at this moment My SACRED HEART gives Peace, gives the Plenary Indulgence and I say to you: Continue in the school of Holiness of Our THREE SACRED HEARTS UNITED, doing everything that We here teach and command you. So that truly the work we started in you may soon be completed with praise for the greater glorification of My Name and for the greater exaltation of Catholic truth over all peoples, over all humanity.

To all of you at this moment, I bless you generously from PARAY-LE MONIAL, from DOZULÉ and from JACAREÍ.

Peace My children. Peace Marcos, My most hardworking and dedicated son."

MESSAGE FROM THE LOVING HEART OF SÃO JOSÉ

"-Beloved My children, My Most Loving Heart rejoices with you also today, for the Twenty Years of Our Apparitions Here and give you Our Peace
! light that every day illuminated your souls through My Messages and My HOLY HOUR every Sunday, guiding you more and more along the path of perfect love for the Lord, of imitation of My virtues and of perfect love, of perfect correspondence to the divine favor of the Most High.
My MOST LOVING HEART was the luminous Sun, which illuminated you in difficult moments, giving you peace in afflictions, serenity in tribulations, confidence in uncertainties, hope against all contrary appearances, against all lack of hope. Giving you joy in sadness, relief in suffering, light in doubts, courage in the face of the challenges and sacrifices you had to make. So that, truly, on every day of your life, the divine will of the Most High could have been carried out, as He wanted and expected of you, and so that your souls could overcome everything, conquer everything, achieve everything and in everything be faithful to the Sir.

My MOST LOVELY HEART was the luminous Sun, which comforted you in the moment of abandonment, loneliness, misunderstanding, persecution, doubt, affliction of spirit and discouragement. And it made you walk more and more: fast, firm, decisive, constant and persevering along the 'road to holiness' which Our Three Sacred Hearts have called you Here In These Apparitions. And so, truly, in you and through you the plan of the Lord has always been carried out.

My MOST LOVING HEART was your refuge at all times, feeding you more and more with the bread of the Holy Heavenly Word, resting you when you were tired of the struggle for the salvation of souls and for the salvation of your own soul.

My HEART was an oasis to quench your immense thirst for love, to refresh you, to refresh you ever more with the sweetness of My Paternal Love when so many times you were on the verge of fading and succumbing under the weight of the cross. So My Heart was always a luminous, warm Sun that warmed you, enlightened you, loved you and accompanied you in every moment of your life in these Twenty Years of Our Apparitions Here!

My LOVING HEART was the luminous Sun, which shone indiscriminately for everyone, and although some did not want to follow the brightness of My light and walk along the road to which I called them, many other My children consoled Me with their 'yes', with your total surrender to Me and with your total dependence on My Paternal Providence, on My Love, leaving yourself always more: to be formed by My Messages, to teach through My Beloved Heart, to carry in My Arms and always more mold yourself by My loving action! Thus, Here In this 'Sacred Place', My Most Loving Heart shone and will shine even more for the greater Triumph of Our SACREDEST HEARTS for the good of your souls and for the good of all humanity. And in you in whom I delight, in whom I find welcome, answer, docility and obedience My MOST LOVELY HEART will still do great wonders for the 'time' that is to come. That is why My children, always continue to be firmer, always more persevering on the road to which I have called you to follow Me next to Heaven, towards God.

Continue with all the Prayers that We have given you Here, because they are a true, perfect, complete and most sublime 'School of Holiness', which Our UNITED SACRED HEARTS has given to the world.

Here In This Sacred Place Our THREE SACRED HEARTS will triumph and In this Place, which is what We love most of all humanity, We will set Our Three Most Glorious Thrones that will overthrow the impious thrones of the devil, sin and the world, with their anti- Christian and contrary to Our THREE SACRED HEARTS.

And here Our THREE SACRED HEARTS will cry victory and sing the Hymn of Triumph before all peoples and all humanity.

WAIT AND TRUST! WHO LIVES WILL SEE! AND WHOEVER IS AT MY SIDE WITH OUR THREE SACRED HEARTS WILL TRIUMPH!

I bless everyone at this moment generously and especially to you My little son Marcos, the most dedicated, the most hardworking of My children."

153rd ANNIVERSARY OF THE APPARITIONS OF JACAREÍ/SP

MESSAGE FROM OUR LADY

"-My children, today, when you celebrate the Anniversary of my First Apparition in Lourdes to My daughter Bernadette, I invite you all to lift your eyes for Me, your Immaculate Mother, who in the chosen Grotto of

Massabielle confirmed the Dogma of My Immaculate Conception and called the whole world to the penance that generates the perfect love for the Lord.

I said to My daughter Bernadette, because she was preserved from all the stain of sin, to be worthy of the Mother of God, a perfect abode, without any stain of sin so that He could live in Me and receive from Me human nature and thus accomplish the great work of salvation of humanity.

I AM THE IMMACULATE CONCEPTION

Because destined was I truly to be the new garden of the Holy Trinity, the new Eve, the new creation of God, His second Eden, His second Heaven, where He could truly rest and be entertained in sweet conversations of love with His creature and finally delight in Him.

I AM THE IMMACULATE CONCEPTION

because I was predestined and prophesied as the One who should crush the serpent's head until I definitively defeat it. And so I could not be under the yoke of the 'common' bondage of mortals to sin and this cursed serpent, but truly be free from all satanic guilt and bondage. So that I could with My power free my children from the tyrannical slavery of sin and the devil. And so to cooperate powerfully and effectively in the Work of Redemption of my divine Son Jesus Christ. That is why I revealed to you and confirmed My Dogma of the

Immaculate Conception in the Grotto of Massabielle so that you truly believe in My power and truly entrust yourselves all to Me without reservation, so that I free you more and more from the slavery of sin and Satan. and make you come to the Lord by a perfect Penance.

PENANCE... PENANCE... PENANCE

I said it to My little daughter Bernadette, to lead you to the perfect renunciation of yourselves, of the world and of the false and illusory glories of this world. And so you can always live a true life in God, for God and with God.

PENANCE... PENANCE... PENANCE

So that you could truly empty yourselves until all the disordered love of yourself died in you, and then you could live in you the true love of God, which only pours out in purified souls for the Penance that I asked for in the Grotto of Lourdes.

Only Penance generates the perfect mortification and purity of soul that reaches for you the perfect Love of God, and may He always live in you and remain in you forever.

I continue Here in these My Apparitions of Jacareí, which are the continuation and conclusion of Lourdes, to lead you to this perfect Penance that will generate in you the spiritual purity necessary for you to achieve perfect union and perfect love for the Lord and for Me. My little daughter Bernadette, who was in everything a perfect copy of My purity and of My most perfect Love for the Lord, so that She may also help you and lead you to perfect love for the Lord.

If you are as she was, you will be sources of pure water, just as was the Miraculous Fountain that I caused to sprout in the Grotto of Massabielle by the hands of Bernadette. And just as through Her, through the fountain and through Bernadette I performed the greatest wonders of Graces, so also through you I will perform the greatest conversions of hearts for the greater glory of the Lord and the triumph of His Grace in the world.

I bless you all today with love, from La Salette, from Lourdes and from Jacareí.

Peace Beloved Marcos and my son. Peace My children.”

CENÁCLE CELEBRATING THE 153rd ANNIVERSARY OF THE APPARITIONS OF LOUDES - ANNIVERSARY OF SÃO JOSÉ FEBRUARY 10 - ANNIVERSARY OF THE APPARITIONS OF LOUVEIRA

MESSAGE FROM OUR LADY

"-My beloved children, today, when you are still celebrating the My APPEARANCE IN LOURDES, THE ANNIVERSARY OF MY FIRST APPEARANCE IN LOURDES to My poor little daughter BERNADETTE in the MASSABIELLE CAVE, I come once more from Heaven to call you: to PRAYER, to PENANCE and to answer 'YES' to the call of My IMMACULATE HEART inflamed with love for you, made in the Grotto of Massabielle 153 years ago, so that I can truly fulfill My Maternal Plan of Love in you!

Therefore, answer 'yes' to the call that I made from the Grotto of Massabielle in Lourdes, always following the path of prayer, of penance, of sacrifice to which I have called you, following the example of My little daughter SANTA BERNADETTE who is My A living message for all of you! So that God can also do great works in you, that is, transform you into true souls: sacrificing, expiatory, victims, humble, holy, generous and completely docile to the action of His Holy Spirit. So that through you many souls can be saved, many can be rescued from the slavery of sin and can be brought back to God. If you offer this mystical force: of expiation, reparation, generosity and love, many souls will still be able to be saved by the force of your offering of life, of your sacrifice and your generous love. And so the Lord will be able to accomplish the great Triumph of His Love on Earth and in souls.
Answer 'yes' to the call I made from the Grotto of Massabielle in Lourdes, giving up ever more of yourselves and your will, putting aside what you want, to accept what God wants, what I want from you and what I ask you in My Messages. So that you don't waste any more time, precious time, running in search of the satisfaction of your personal will and the fulfillment of the satisfaction of your desires. But so that you may spend the rest of the time that you still have left in a holy way, truly fulfilling the will of God, without delay, without delay and without restrictions. So that the Lord's Plan that has already been so spoiled in your lives by your ill will, resistance, slowness and attachment to yourselves and to your disordered will, this 'plan' can finally be realized. And so may the Lord obtain his greatest Triumph,
Answer 'yes' to the call I made to you from the Grotto of Massabielle in Lourdes, giving Me your Hearts, giving Me your whole life, following the example of My little daughter Saint Bernadette who gave herself entirely to Me, who always said 'no ' herself and 'yes' to Me, who was always generous in her giving and giving to Me, never denying Me anything, never measuring sacrifices for Me, never counting how much she had already given to Me. So that, truly enflamed by the fire of 'true love', you like her can fulfill the Lord's plan and through you, as My little daughter SANTA BERNADETTE did, God can show the world through you and in you the His Face adorable, benign,

kind, merciful and beautiful. And so many souls can convert and return to the Lord.
Answer 'yes' to the call I made to you from the Grotto of Massabielle in Lourdes, being continually a love song sung to My IMMACULATE HEART, that is: living always more in love, living only to love Me, to serve Me , make Me known and loved. Why, is there any greater grace greater than this? Live for Me and through Me? Oh no! No greater life than this! There is no greater grace than this! And this life, this grace, had My little daughter BERNADETTE, because She made Me the treasure of her Heart. Therefore, where She was, I who was Her treasure was always with Me Her heart. And so too, if I am the treasure of your heart, if I am the only love, the only desire of your heart, where I am your hearts will be with Me too. And then, we will always live together in peace, in the love and happiness of the Lord. And nothing, not suffering, not crosses, not the devil, not the world, not men, not persecution, not sickness, not anything, will ever be able to separate us and never be able to break the circle of love and peace. in which we live.

Therefore, little children, answer 'yes' to the call I made to you from the Grotto of Massabielle so many years ago, so that in your life I can produce the Triumph of My Heart, transforming you into so many Saints Bernadettes, that is, into other so many well-loved daughters of Mine, in so many generous souls, precious as crystallized gold, as was the soul of My little daughter Bernadette. So that we can offer the Lord as the most precious gift, as the most beautiful, purest, highest and most sublime gift, so that the Holy Trinity can finally be pleased with you!

I am always with you here In this Place which is My New Grotto of Massabielle, which is My new Sanctuary of Lourdes, where I will finish the Work begun in LA SALETTE, PARIS, LOURDES and FÁTIMA. Here My Immaculate Heart came to look for souls who, like My little daughter Bernadette, love Me, serve Me and correspond fully to My Plan of Love, to My Design of Love.

If you become these souls, My Heart will quickly triumph in you and in the world. And so I will be able to bring a new period of Peace, for all of you, so that the world can live in harmony with God, with each other and also with Me.

My Heart follows in the footsteps of each one of you and I am for all of you a 'Spiritual Grotto', where you can always find the light of grace, divine strength, the love of the Lord, heavenly wisdom and science like Mine little daughter Bernadette met in the Grotto of Massabielle every time she went there to meet Me.

Come to Me by prayer, come to Me by meditation, come to Me by your perfect love and by your perfect consecration and I will fill you with all these Heavenly Gifts and Treasures.

To all of you at this moment, I bless you generously from LA SALETTE, from LOURDES and from JACAREÍ.

Peace My children. Peace Marcos, My most hardworking and dedicated son, stays in My Peace."

MESSAGES FROM OUR LADY AND SANTA THAÍS

MESSAGE FROM OUR LADY

"-My children, today, when you are still celebrating the ANNIVERSARY OF MY APPARITIONS HERE and also in LOURDES, all of them in this beautiful, favorite and beloved month of February, so dear to My IMMACULATE HEART, I again bless you and I give Peace!

Be My dear children the garden of rest of your Heavenly Mother, giving Me your heart always more beautified by prayer, fervent by meditation, purified by penance and personal mortification, always more turned and turned towards the will of the Lord and towards Me , always attentive to everything I ask of you. So that, truly in your hearts, I can enter, I can dwell, I can reign and I can, above all, rest, that is, to delight in you, to see Me loved, to see Me obeyed, to see Me followed. , to see Me imitated, to see Me always more loved by all of you.

Be the Heavenly Mother's garden of rest, giving me your 'yes' more and more, denying yourself more and more accepting My will, carrying the cross with Me every day behind Jesus, in the perfect fulfillment of the Lord's will. , of His 'Plan of Salvation'. So that his grace can truly act in you and through you, to save and rescue many lost souls on the way to conversion and salvation.

Be My Garden of rest, of the Heavenly Mother's rest, spending every moment you can with Me in the sweet intimacy of prayer, in recollection, in silence, in love, in the continuous reflection of My Messages. So that, truly, I can rest in you and you in Me. And so, We, together, united, can rest in the Lord and in Him fill Our Hearts with His divine Love, drink always more from the source of His Grace and so I can fill you so much with the Grace of the Lord until it overflows and fill the world whole.

I am full of grace, Immaculate, full of the fullness of the Grace of the Lord! I want to fill you with that fullness and each time you will be able to draw from the source of My IMMACULATE HEART, because the more I receive from God, the more I want and can give you. Therefore My children, come to Me, for I have an unlimited portion of the Grace of God to give you to drink and to fill you more and more until I make you overflow.

Be the Heavenly Mother's Garden of Rest, seeking ever more to give Me your pure love, without interests, your unrestricted love without imposing conditions, without reservations, without distrust, without doubting, without hesitating for a moment to give yourself and surrender. turn to Me, because it is only in these hearts that I can rest. The souls who love Me with reservations, with doubts, hesitating, distrusting Me, resisting My Love, placing conditions for Me to act in their lives, measuring how much they will serve Me, how much they will love Me, how much they will give themselves to Me, these souls wear Me out and I won't take long to throw them away!

I invite you, therefore, My children, not to be of these souls, because I tell you: these souls already have someone who condemns them. These souls who rejected Me, who did not give Me their hearts and their lives In these Apparitions in Jacareí, there are already those who condemn them, My Word will condemn them on the last day, My Love will condemn them on the Day of Judgment, because they did not want to to give a place of rest, they did not want to make room for the Mother of God, just as those inhabitants of Bethlehem formerly did not make room for My coming with My divine Son Jesus Christ, and likewise, as those people of the time of Jesus did not they gave their hearts, they didn't give him their lives, they didn't want to love him.

It will be horrible to go with the devil My children! For anyone who is not a garden of rest for Me is actually a swamp of sin where the devil reigns. Whoever does not give Me a home in his heart gives to the devil and it will be horrible to go with him to the eternal flames to live by his side and be tormented for all eternity, in the infernal flames, because he did not want to give Me a place in his hearts.

I invite you to persevere in obedience to My Messages, in prayer, especially in the Holy Hours that I have given you here to do every day, in reading My Messages. And, above all, that you continue spreading My Messages to the whole world, that you continue going from house to house taking My Messages and My Prayers, My Cenacles, no matter if many hearts do not respond to My call, if they reject the dissemination what do you do Keep moving forward My children! Because souls of good will exist, I know them and I want to reach them, and I want to reach them and I will reach them through you! If your hands and your feet serve Me without weariness, My Heart will

reach them, My grace will convert them, My power will save them and make in them great and extraordinary conversions, great works of grace!

FORWARD MY CHILDREN! I AM WITH YOU!

The Twenty Years of My Presence Here, of My Messages, of My Apparitions is the great proof of the immense love I have for each of you and that I consecrate to each of you.

To all at this moment, with love, I bless generously from LOURDES, PONTMAIN and JACAREÍ.

Peace, My beloved children!”

MESSAGE FROM SANTA THAÍS

"-My beloved brothers, I, THAÍS, servant of the Lord and of the Holy Virgin, bless you today!

Be you, My beloved brothers, the white lilies of the Lord and of the Immaculate Virgin, for a perfect life and for love of Them.

Be the white lilies of the Lord, living ever more in prayer, ever more in search of God's will, ever more in the pursuit of knowing His divine will and fulfilling it. So that, like a white and fragrant lily, your soul may please the Lord, enchant His eyes and gladden His divine Heart.

Be the white lilies of the Lord, living ever more in purity and innocence, fleeing the occasions of sin, fleeing this seductive and fatal world that kills the life of grace in all souls that love Him, that seek Him and that do not flee from Him. So that, truly, your souls may keep themselves pure and immaculate to please the Heart of the Lord!

Be the white lilies of the Lord, seeking ever more to die to yourselves, to renounce your will and to do what the Lord asks of you. So that the divine 'Plan' of the Lord is truly fulfilled in your life and that your heart does not become the cause of your own loss, but that your heart totally turned, turned towards the Lord and loving Him alone, be truly the artificer of your salvation.

Be the white lilies of the Lord, seeking to make ever more of your life a continuous hymn of love for the Lord, a constant, continuous offering to Him, giving you more and more to Him, consecrating yourselves to His service, doing more and more to will of the Lord even if it costs you. So that, truly, from you there may be a sweet supernatural mystical perfume: of virtue, of purity, of love, of faith, of hope, of fidelity, of loyalty to the Lord. And so the souls attracted by this mystical and supernatural perfume find the living God, find the Mother of God alive, living and reigning in all of you.

Be the white lilies of the Lord, always trying to say 'yes' to all that the Mother of God asks of you here In these Apparitions, in this 'School of Holiness', so that you can be great and true students of Her, and so you can in a little while time to grow in holiness until it reaches fullness for the greater glory of God.

I am with you in every moment of your life! I live here In this place day and night since forever! And to all the souls who ask Me for help to sanctify themselves I will help, all those who ask for My help to all here I will extend My Hands, I will support everyone and I will help everyone to walk in Holiness.

I, THAIS, now bless you generously, with all My Love and I place My Mantle of protection over you."

JACAREÍ, FEBRUARY 19, 2011

ANNIVERSARY OF THE ACQUISITION OF THE SANCTUARY OF JACAREÍ

MESSAGE FROM THE BELOVED HEART OF JOSÉ

"Beloved My children! My BELOVED HEART blesses you this afternoon and says with love: Great is the favor He has done for the world by giving you this Place, this Holy Place, this Shrine of the Apparitions so many years ago and whose Feast you are celebrating today.

Yes, on the day this Place was finally acquired and consecrated to Our Sacred Hearts, so many years ago, there was a very great Feast of Heaven, there was great joy among souls Purgatory and there was great exultation in the Bosom of the Most Holy Trinity, because finally here the Blessed Virgin could definitively make Her Throne and here pour out Her Graces and the Graces of the Most Holy Trinity to all Her children.

Great grace resides in this place and even many saints of the past knew him in the hidden and divine mysteries of the Lord. How many martyrs would like to endure a thousand more martyrdoms than they have endured, just to be able to have the grace to see the day of this place, that is, to be born in this time to be able to be here In this holy place listening to Our Messages. And yet this grace they had not. This grace has been reserved for you, who so ungratefully forget this Place, despise this Place, do not love and value this Place, placing it first in your hearts, coming here to visit Us and pray to Us in all the free moments that you can. You are not capable of making sacrifices to walk here to pray here, to be here with us in prayer, in continuous meditation,

How ungrateful you are My children! How wicked you are! How unhappy are you who do not see, who do not understand how great is the grace that resides In this place that is allowed to be found, that is revealed to the pure in heart, to those who have true love, to those who are truly thirsty for God, for His Word. and the knowledge of eternal truth.

How wicked, how ungrateful you are My children! You don't love this Place because you don't love Us. You do not love this place very much because you do not love Our Three Sacred Hearts very much, because whoever loves us truly loves this place that we have chosen and that we have chosen and which is like the extension of Our Three Sacred Hearts, which is Our new Nazareth, which is our second Heaven, Our second Paradise, Our second Throne.

The one who puts us first, also puts this place and everything related to it. Therefore, those who truly love Us with all the strength of their heart, are interested in the problems of this Place, worry about them, pray to solve them, fast to prevent Satan's attacks against this Place and to obtain new favors. for Him, for those who work in Him.

Who truly loves us lives with his heart Here, always, even when he tends to be absent for work. This is how it is when two people love each other, even when one tends to go to work, their thoughts are continually united with the loved one, never to be separated from him. Also in such a way, so is he who loves Us. The one who loves us is always with his eyes, with his thoughts, with his heart turned towards this Holy Place, where We teach souls and the world the perfect way of supernatural love, of love in pure transformation, of truth, of grace, holiness and peace!

Here Our United Sacred Hearts reside day and night and we are

always open to grant lights and riches of Our Grace to all those who want to receive them, it is enough for them to open their hearts, it is enough for them to have faith, it is enough for them to have a true thirst and hunger to know Our

will, to renounce themselves and do what they We want, which We ask in Our Messages. Therefore My children, open your hearts today to praise and thank God for having given you this great grace that is our SANCTUARY OF THE APPARITIONS, which, as I said before, many martyrs would wish to suffer a thousand martyrdoms to spend a single day here. whatever. But this grace was not given to them but to you, and how little love you have for this holy place.

How ingratitude of you!

What a difference between the Saints and you!

They endured all the work and suffering that came to them in order to remain united with God and to have the hope of one day hearing the voice of the Lord, knowing Him face to face and you My children without going through death, without going through any martyrdom. You received the grace to hear Our messages transmitted through the mouth of Our servant Marcos, to know Our eternal truth without having to die to know it there in the eternal Arcana of Heaven. And yet how ungrateful you are My children! How evil are you My children! How cold and indifferent you are My children! How insensitive and brutish of heart are you My children!

That is why so often Our Hearts are pierced by sharp swords that cause Us so much pain, so much! Because your hearts are colder than blocks of ice, more hardened than marbles, than granites, and so often they are more brute than wild beasts.

I ask you My children, to truly raise to the Lord today the true and sincere hymn of gratitude for His so much goodness in giving you this Place to pray, meditate and spend so many hours in union with Us, to have the Cenacles, to have the Our Messages, so that your Messages could be saved and could thus be taken from the road that took you to Hell, where you walk before with rapid steps.

In this way My children, God will congratulate you, take pleasure in you and seeing the gratitude that springs up in your hearts, He will pour out on you even greater and abundant graces of His Love, revealing to you even more His will, His will, revealing that praise more and more, revealing more and more to you His holy will, which makes you true children and servants of the Most High.

My Heart will be with you to help you, to thank and bless the Lord, to do the will of the Lord always, to help you more and more to die to yourself and live for God and in God.

My LOVING HEART will always continue to be the radiant sun that will illuminate your path so that you never fall into any abyss, any precipice.

Here in this Place our Hearts shine brighter than a thousand lamps, a thousand suns together. And everyone who is truly hungry, thirsty, truly loving for Us, truly thirsting for Us, those who truly want to love Us and give their heart to Us, will have Our Light, who will let themselves be guided by Us and their steps. they will no longer be vacillating or wandering, but they will be alive, they will be firm, they will be strong, decisive and swift in the direction of holiness.

In this Place where Our Hearts rest, rest, every soul will be able to find rest with Us too, just open your heart, just call us with faith, just want to join Us, renouncing yourself first, so that in your heart there is space for Our Grace to act. Then, there will be the union, the meeting, the fusion of Our Hearts and We will be one in Love. And this soul will overflow with peace as rivers overflow with flood.

To all My dear children, who love this Place, who watch over Him, who pray for Him, who fast for Him, who sacrifice themselves for Him, who consume their strength for Him, who dedicate their whole lives for His good, at this moment I bless you with the abundant graces of My Most Loving Heart. And especially to you Marcos, the most striving, the most dedicated of My children for this Place, the most sacrificed for this Place, the one who works the most for this Holy Place, which is the pupil of Our Eyes, which is the intimate fiber of Our Sacred Hearts. On you, at this moment, I pour out a river of blessings."

JACAREÍ, FEBRUARY 20, 2011

MESSAGE FROM SANTA ADÉLIA

"- My beloved brothers! I, ADÉLIA or ADELINA, servant of the Lord and of the Most Holy Mary, greet you and give you Peace!

In My life I loved the Lord with all My Heart, with all My strength, with all My

soul and to the Lord I gave Myself with all that I was and had to serve Him, to make Him known and loved by all souls. And so that with My efforts I might, beyond My soul, produce in souls a garden of rest for the Lord, so that in all of Us He might rest, be pleased, and abide in Us forever. Therefore, I invite you to be a retreat for the Lord, where He can truly rest, rest, entertain with you, stay with you in the perfect union of soul and heart, communicating to you His riches and His divine and celestial beauties. .

Be the perfect retreat for the Lord, living more and more the life of intense prayer, penance, meditation, continuing to say all the prayers that the Mother of God has sent you here. For these prayers have the faculty and the power to transform your souls into perfect places of retreat for the Lord and for the Lady of Heaven, where they can enter, remain with you, rest in you and find their delights in you, that is, , find in you the love that quenches the thirst and hunger for love that They have for souls, they can find in you the reflections of Their light, they can find in you their gifts and talents bestowed multiplied in the fruits of good works and sanctification and of more souls won for Them. So in you God can truly rest, rest,

Be the perfect retreat for the Lord, seeking ever more to separate your heart from the fleeting and illusory things of this world that distance you from God, that compete with the love of God within your heart. So that your love, unmixed with anything earthly, unmixed with any earthly love, may be pure, pure for the Lord, pure for Mary Most Holy, pure as they want, pure as they hope to receive from you. And so, They may also surrender Their pure love totally to you until they fill you and make you overflow to other souls.

Be the perfect retreat for the Lord, answering your 'yes' to Him so that He can transform the desert of your souls into a garden, an oasis, a place of rest where He can rest in the shade of your love, drinking from the water of your generosity and your faith, eating the fruits of your good works, of your complete surrender to Him. And so, may the Lord fix his definitive abode in you and transform you into that 'Royal Garden' where He, the King of Heaven, can come to meet you, talk and entertain with you as He did at the beginning of creation, walking in the Garden of Eden in the afternoon looking for Adam and Eve to entertain with them. So too, God will be able to come and live with you, he will be able to entertain himself with you, he will be able to unite with you and you will be able to live in true friendship with him.

I, ADÉLIA, promise to help you with My powerful intercession and prayer with the Lord and Mary Most Holy, so that you may become this beautiful place of retreat and rest for the Lord. I recommend that you use all the MEDALS that the Blessed Virgin gave you in Her Apparitions, especially the MEDAL OF PEACE and the MEDAL OF TEARS that She gave here in your Land, in the Brazilian Land, so that through these two Medals the grace of the Lord may ever more transform you into a place of retreat and rest for Him and for Mary

Most Holy. And so, you may receive in you a great influx of graces attracted by those Celestial Medals that you must wear with all your love, with all your devotion and your faith.

Through these Medals many graces of the Lord are drawn to your souls to purify them, to beautify them, to perfume them and to incense them with the heavenly grace of Heaven.

Through these Medals many temptations of the devil are removed from you and the Angels are drawn to you with hands full of the Lord's blessings to pour out on you many times a day. Therefore, My beloved brothers, use these Medals with confidence and never be separated from them, so that God's grace, its influx, will never be interrupted in your soul and in your life either!

God has given you these shields, God has given you these celestial magnets, which are these Sacred Medals, to attract to you all good and all grace, for the salvation of your souls. Use this grace, which is great and which the Lord has given you, for your salvation and render to Him and to the Most Holy Mary glory and praise.

If this grace had been given to Me in My time... Oh! What thanks and praise I would have given to the Lord! What wonders of conversion and sanctification would not have been wrought in My day. But this great grace was given to you for these final times and you do not know how to give thanks, you do not know how to recognize the great good, the great gift that the Lord and Holy Mary have given you.

Open your heart, expand it in hymns of love, praise, gratitude to God and His Most Holy Mother who have favored you so much, who have enriched you so much in these blessed APPARITIONS OF JACAREÍ, which are the greatest proof of the love of the Lord and of the Blessed Virgin after the incarnation for all humanity.

Open your hearts and give them honor, glory and praise for a holy life, for the perfect fulfillment of the will of the Lord. I will be with you in every moment of your life and I will never, ever leave you.

To all, in this blessed, special and so favorite month of Heaven, the month of February, of great graces and gifts for humanity from the Lord and His Mother.

To all of you in this blessed month, I bless you generously now. And especially to you Marcos, the most hardworking, the most dedicated of the children of the

Mother of the Lord, the most hardworking and dear of My brothers.

Peace to all of you."

MESSAGE FROM THE ANGEL DANIEL

"-My beloved brothers, I, DANIEL, servant of the Lord, again invite you to true Peace, to true Love, to true Conversion. And, above all, to fight more and more against the attacks of Satan, who wants to weaken you on the path of true Love, fervor and prayer and drag you more and more on the low ground of sensitive things and attachment to the transient loves of this Earth. .
Therefore, I come to invite you more and more to wield the shield of Faith against the attacks of Satan.

Wield the shield of faith against the attacks of Satan, closing the door of your spiritual senses more and more to his suggestions, to temptations, to all ideas contrary to the will of the Lord and His Law of Love. So that, keeping your spiritual senses closed to the suggestions of the enemy, your hearts always remain pure, immaculate, free from all stain and contamination of idea, thought or inclination that could lead you away from the Lord and His Grace. As far as it is possible for you also to close the door of your bodily senses to the suggestions of the enemy, fleeing from occasions of sin, fleeing from the things and places that can make any type of temptation, evil thought, enter through the door of your ears, eyes or mouth. ,

Always keep your heart in continuous prayer, even during the work of your day, doing everything for God and with love for God, always trying to offer your work, your obligations and activities as a continuous hymn of love and prayer to the Sir.
So in this way you close the doors of your senses to the enemy and he will not be able to distort, distort, tarnish or affect, whether it be your inner purity, whether your heart's intention, whether your thoughts and feelings are, and he will not be able to steal your merit of your good works, your prayers and your activities.

Take up the shield of true love for the Lord, seeking ever more to live in continuous prayer, in the sense that I have already explained to you above: trying to do everything for God, for God and with the sole purpose of praising

Him, making Him known and loved. for all His children and to give Him glory. In this way, you close the doors of your hearts to every stain of self-love, of the desire for self-glorification, of the desire to satisfy your corrupt desires and desires, and thus you kill more and more the vanity within you. And so your works, free from all stains of sin or unrighteous intention, will truly ascend to the Lord as a precious gift that will be pleasing to Him and that He will receive with great joy, converting all this into a grace of conversion and sanctification. for so many souls.

Wield the shield of true love, to fight against the attacks of the enemy of God, making more and more of your life a continuous offering, a continuous sacrifice, a continuous giving of yourself, a continuous giving of yourself, a continuous giving of yourself. ever more in the arms of the Mother of God, in the arms of this maternal Love who loved you, who chose you and who called you from all over to be members of Her family, of Her army of salvation. So that, always more docile to the Celestial Love that chose you, always more generous in responding to this love, you can defeat the enemy with love and in this way, through the victory of love, you will be able to conquer the Devil, the world, yourselves and the meat. And then you will be true champions of God through love, in love and with love!
I, Daniel, am with you all the days of your life, I accompany you, I keep you, I love you and I help you without ceasing. Without My help, without My continuous presence, you would have already fallen a thousand times into Satan's temptations and snares. I have freed you from his bonds, I have sustained you
so that you do not grow weak, nor grow weary, nor lose heart. I have held your hands, so that you do not let yourselves be stumbled and I will continue to hold you and lead you as long as you continue to do the HOUR OF THE HOLY ANGELS, Our Hour, every Tuesday, that you continue to meditate on Our Messages and always trusting them more. you, giving yourselves, consecrating yourselves to Us. If you continue to be docile to what We ask of you, we will continue to guide you safely and correctly along the path of sanctification, which is difficult, almost impossible for those who have not chosen to empty themselves completely and surrender completely to the Love of God.

I bless you all at this moment, with love, together with all the Angels and Saints of Paradise."

MESSAGE FROM THE ARCHANGEL SAINT RAFAEL

"- My beloved brothers, I, RAFAEL, servant of the Lord, of the Most Holy Mary,

greet you with all My Love and I give you Peace again.

Come to Me and I will heal you of all spiritual ills and I will heal you even of bodily ills that are the will of the Lord that I heal in you, for the greater glory of Him, of the Lord, for the greater edification of souls and for your greater good and benefit. And so, you can enjoy true spiritual health to be the valiant fighters of the Lord and of the Mother of God, who without fatigue, weakness or fatigue fight for Them to spread on Earth the light of Their Love, of Their grace, of Their Peace, of Their Salvation.

Come to Me and I will heal you from all the blows you received from Satan throughout your life, that is, from those wounds that Satan inflicted on your souls, through the temptations you consented to and that even after your conversion and repentance left in your souls. deep marks that weakened your will, preventing you from making a firm decision for the Lord, for His Love, for conversion. So that I can once again give you a firm, decided, ardent will to love the Lord alone and to be uniquely and completely His, so that in you, in your will, there is no weakness, no hesitation, no indecision in serve the Lord, in loving Him alone with all the strength of your heart and soul.

Come to Me and I will heal you from the blows you received from the world and which opened in you so many wounds. You as human beings thirst and hunger for love, but you sought love in creatures, in the world, you sought love where it did not exist, you sought love where it could never be found. And from creatures you received only ingratitude, betrayal, malice, indifference, ice and coldness and so your souls were wounded by this great rejection and refusal to love you, by this rejection of your person. And this has opened up deep wounds in your souls that so often make you suffer, make you bleed spiritually, that is, feel so often alone, unloved, not accepted and so you easily fall into the whirlwind of sadness, loneliness and of discouragement. I also want to heal you of these wounds,

In this way, the soul enjoys a deep joy, a deep interior joy that nothing can destroy or stop, because it believes and sees itself loved by God from all time, it sees itself enveloped by the love of God and then a prey to this love, she rejoices and there is no longer room in her for solitude, for sadness, or for discouragement. In this way, she finds the strength to fight and continue walking in faith even though she does not find in the creatures the love, welcome or understanding she wanted. And she doesn't get tired on the way, because she is moved by the love of God and not by human love. In this way, what was said in Sacred Scripture is fulfilled in her:

'They will fly like wings, they will not grow weary, but they will walk and not be weary.'

Who are these souls? They are the souls that are already full of God's love, that no longer seek the love of creatures and because of that, because they only seek God's love and because they are full of Him because they asked Me and because I gave them the balm of the love of God, they don't get tired, they don't get tired and therefore they never stop walking. I will pour this balm into your souls more and more, just ask Me, just pray to Me, just call Me and I will come as a Heavenly Nurse to heal and close all these wounds in your souls.

Come to Me and I will also heal you of the wounds that you yourselves have caused in you, that is, by seeking the satisfaction of your desires and your sensitive appetites, the wounds that you yourself have opened in yourself by seeking evil, drinking the poisoned waters of sin. , Satan and the pleasures of this world. And so you killed the life of grace in your soul, or else you opened deep wounds in your soul, you opened cancers and deep ulcers in your soul that until today kill your soul little by little and rob it of the strength to be brave, ardent, faithful. in the service of the Lord and of the Most Holy Mary.

I will heal the wounds caused by your self-love, by your vanity, by your attachment to your disordered will, to your way of thinking, of judging, to your human criteria with which you so often try to shape God's will to yours, and who thus open fatal wounds in your souls that will kill the life of sanctifying grace in you more or less. So that, being totally free from these wounds, your souls may enjoy total and perfect spiritual health and with this health you can serve the Lord, without any stain of self-love, of attachment to yourself and your will, to your way of thinking. and judging things. So that, believing faithfully, lovingly and perseveringly obeying the Lord and the Most Holy Mary, in you the plan of the Lord and the Mother of God may be fulfilled,

I, RAFAEL, will heal you all, if you just give yourselves to deep prayer, meditation and union with Me and I will little by little make you return to that interior purity, to that fullness of grace and life that you had when you left the waters of baptism and even more because the more the Lord gives, the more he wants to give himself to you!

I, My dear brothers, bless you all at this moment with all My love and I say to you:

CONTINUE TO DO THE HOUR OF THE HOLY ANGELS EVERY TUESDAY AT 9 PM.

Pray a lot to Us the Angels during your day, raise your thoughts to Us, call Us and We will guide you, take care of you, enlighten you, help you in your difficulties and show you more and more the best way to serve the Lord , the

Mother of God and to help your brothers and sisters in the salvation and conversion.

To all, at this moment, I bless you generously and especially to you Marcos, the hardest and dearest of My brothers. Peace."

81st ANNIVERSARY PARTY OF THE APPARITIONS OF OUR LADY OF TEARS AND JESUS HANDLED IN CAMPINAS TO THE SEER AMÁLIA AGUIRRE

MESSAGE FROM OUR LADY OF TEARS AND FROM SISTER AMÁLIA AGUIRRE

MESSAGE FROM OUR LADY OF TEARS

"-My beloved children! Today, when you celebrate the 81st anniversary of MY APPARITION to My little daughter AMÁLIA AGUIRRE, whom I brought with Me today to bless you and teach you the path of true love, the day on which I gave you the CROWN OF MY TEARS and I explicitly revealed to him that I wanted to be known as the VIRGIN OF TEARS, I invite you all today to dry My Tears with the handkerchief of your love and I invite you all to be the doves of love of My Immaculate Heart.

Be the doves of love of My Immaculate Heart, being as doves are and as My Son Jesus has so advised you in the Gospel to be: simple as doves, that is, without cunning, without malice, without malice, without hatred, without no inner darkness that can stain, stain the innocence of your heart. I want you to be innocent doves, that is, souls who know nothing of this decaying, corrupt and corrupting world. I want you to be immaculate doves who know nothing about this perverted and perverted world so that you can then be those immaculate doves, those souls that seek heavenly things more, that seek more what is from above, what is of the Lord and leave that to the crows. that belongs to crows, who leave to those who love the world what is of the world.

Be the little doves of perfect love for Me, making your life more and more a hymn of love to the Immaculate Heart, a handkerchief that dries My Tears, making your life a continuous offering with Me to obtain Mercy from the Lord for so many lost souls and at the same time to be those little doves, in whose

beak I can put My seeds, that is, My Messages and these little doves go out into the world spreading all these seeds so that the vine, the garden of the Lord, then grows. So, I want you to be My immaculate doves, who spread throughout the world the seed of My Messages so that I can finally see the vine grow, the flowery garden that I want to cultivate and offer as the most precious gift to My Lord.

Finally, I invite you to be cities, holy cities for Me, holy cities for God. You have been the Lord's cities since the moment you became God's children, since the Lord gave you life, and in your soul the Lord and I want to dwell like two Kings who dwell in a royal city and reign in it, dominate and see the His orders and wishes promptly carried out, for the good of all, for the peace of all, for the greater edification and glorification of the city itself and the kingdom itself, and also for the greater exaltation of the truth and eternal wisdom that rules and governs it. .

Be holy cities for Me and for the Lord, expelling from the city of your soul all the love of the world, all attachment to creatures, all the disordered desire for vain glories, vain honors, the vain riches of this world, the fleeting illusions of this world. world so that in your heart the only wealth that exists, the only love that exists, the only light and beauty that exists be the beauty of grace, be the beauty of love, be the beauty of prayer, be the beauty of penance, of holiness, of virtues. May the houses of your city, that is, may all the corners of your entire soul be covered with precious stones: sapphires, rubies, emeralds, topaz, tourmalines, gold, silver and bronze, of the most varied, most diverse, most beautiful virtues. and sublime, cultivated by you day by day, in penance, in prayer, in meditation, in the exercise of the virtues and,

You are My holy cities and I want to live in the city of your souls as the absolute Queen of your hearts. But this will only be true when you expel My adversary, My enemy, from the city of your soul, who is none other than yourself, your own 'I', the disordered love of yourselves, attachment to your will, your way of thinking and judging. When you put out of your hearts every seed of rebellion against Me and against God and against what we say to you; when you finally subjugate your corrupted and evil-inclined human nature and subject it to My Empire, to My Love, I say to you that I will truly reign in the city of your soul fully. And then I say to you, in the city of your soul there will never be night again,

Oh My cities! My cities (My souls) that are in ruins, in ruins, for the sins you committed, for the world you so avidly loved and sought! Oh My cities, which are now transformed into nests of serpents and scorpions, of vices and countless crimes against the love of God! I call on you all, all oh My cities, to let Me rebuild you, to let Me beautify you, to let Me reinforce your walls again to make them unbreakable, indestructible so that My enemy, that is, : you yourselves, your corrupt 'I', the world and the devil can no longer transform you

into brooding places of serpents and sins, of vices and evils, but, so that I can then transform you into a true nest of pure doves , innocent and immaculate,

that you fight with Me in the midst of an atheistic society, enemy of God and already turned pagan, to make the rays of My light shine and dispel the darkness of families, nations and peoples. For you I am comforted, for you I am glorified and for you, from My Eyes, only tears of happiness fall.

To all of you today, with My little daughter AMÁLIA AGUIRRE we bless and give My peace, the peace of the Lord, Our peace!"

MESSAGE FROM SISTER AMÁLIA AGUIRRE

"-My beloved brothers! I, Amália, AMÁLIA AGUIRRE, seer of the LADY OF TEARS OF CAMPINAS, greet you and bless you all now.

Be the shelter of the Senhora das Lágrimas, be the abode of the Senhora das Lágrimas, be the place of rest and rest of the Senhora das Lágrimas as I myself was.

Be the shelter of the LADY OF TEARS, welcoming more and more all the Messages that She gave to Me in Campinas, more than 80 years ago and that She continues to give to you here in Jacareí and in so many parts of the world until today, so that truly in you, in your soul, may she find a holy city where she can stop, may she find a shelter where she can finally dwell, dwell and rest in you.

Be this abode, this shelter of the LADY OF TEARS, through a life of intense prayer, of communion with Her, truly allowing Her to exchange your sinful heart for Her heart, that is, causing your heart to die for himself every day, at every moment and then she can put her Immaculate Heart in the place of yours, for the perfect fulfillment of her will and for the perfect surrender of your soul, of your will, for the perfect conformation of your will to the will Her. So the Immaculate Heart of Mary will beat in your place, so will he love the Lord for you, will he serve the Lord in you, will he will glorify the Lord in you, will he will perform the greatest wonders of the Lord for you. the salvation of the world in you. And you will no longer live in yourselves, but you will live in Mary and living in Mary Immaculate you will live in Christ because she always lived in Christ and Christ always lived in her. And so, all of us, will be one in Love.

Be the shelter of the LADY OF TEARS, praying and spreading the CROWN,

the THIRD OF TEARS, as much as possible to all souls, spreading the MEDAL OF THE LADY OF TEARS to all you can, because through this Medal many will be freed from the power of the demon, many sinners will be converted, many afflicted and distressed will regain hope, many sinners who had lost the grace of God, the faith, will find them again, will become in love with the Lord and will never be separated from Him again.

Be the shelter of the LADY OF TEARS, making Her Messages that Marcos, My most industrious brother, the dearest ever made and given to you, making these Messages known, loved, observed, kept by all so that as much rather the infernal empire of Satan, sin, the world and the enemies of the Lord be brought down by the power, the merits, the glories and the light of the Blessed Tears of Mary, the Lady of Tears!

Finally, be the shelter of the LADY OF TEARS, becoming what I became: a living sacrifice that collaborates with the Lord and the Lady of Tears, suffering all that They allow and offering for the conversion and salvation of sinners, drying this Lady's Tears with prayers, works, with love every day and trying to be ever more faithful to everything she says in spite of the world, men, Satan, the forces of darkness so that your life truly be a copy of Mine and so, together by the power of these Blessed Tears of the Mother of God, day after day, let us open the way for the Lord's return, for the return of the Lady Mother of God who returns to you in Love, with Love and for love.

Love is everything! My life was pure Love. I did not deny everything that the Lord and the Lady of Tears asked of Me. My whole life was a single, living and intense flame of Love! If your lives are the same for the Lord and for the Most Holy Mary, then also through you the Lord will draw many souls to himself and lead them back to the path of eternal life!

I am with you all the days of your lives and I never leave you. The Apparitions that I have made here in this place in previous years are proof of the great love that I consecrate to all of you and of how much I want to help you reach Heaven, where one day I will embrace you one by one and together with you I will sing the hymns forever. of the glories of the tears of the blessed Mother of God.

To all, at this moment with love I bless with the LADY OF TEARS, from FÁTIMA, from NAJU, from CAMPINAS and from JACAREÍ... Peace!”

MESSAGES FROM OUR LADY AND SÃO JOSÉ DE CUPERTINO

MESSAGE FROM OUR LADY

"-My most beloved children! My Immaculate Heart today, again blesses you and gives you peace.
Today, which is the Thirteenth, a day dedicated to Me, the day that I asked in My Apparitions of Montichiari and also Here, that My children of the whole world to make amends to My Heart, to console My Heart, to surround My Heart with love. Sorrowful of your Heavenly Mother be closed, be healed and I be comforted.

Be a constellation of stars of love around My Immaculate Heart, consoling Me with your prayers made with the heart, coming from the depths of your soul, full of true desire to give yourself completely to Me, to be Mine, to to fulfill My will and to follow the road that I have been pointing out to you for twenty years. So that I can truly communicate My light to you more and more, so that with this light you can illuminate the whole world, with the light of grace from My Immaculate Heart.
Be a constellation of stars of love around My Immaculate Heart, for the perfect penance, for the perfect daily mortification of each one of you, where you increasingly renounce your will to do Mine, where you always more put aside what you want. and which is almost always contrary and offensive to the Lord, for you to truly accept what I want, which is always in accordance with what the Lord wants, which is the Lord's own will. So that, truly, your love, your mortification, your interior purity can be transformed into a very living, mystical and very powerful light to illuminate and enlighten the whole world!
Be a constellation of love around My Immaculate Heart, a constellation of stars, for your total consecration to Me, that is, your renunciation of yourselves and your total surrender in My arms to be one with Me, so that I can put My Immaculate Heart in the place of your heart. And so be I always living, reigning, loving, acting through you and in you, for the salvation of the world and the souls of My children, especially the most distant. If you do this My children, My most powerful light will break (1) in you and through you as a super nova. And then, all darkness will be banished, all darkness will be quelled and the light of glory, of the love of the Lord will triumph in all hearts and in all the Earth.
Be constellations of stars, be a constellation of stars of love around My Immaculate Heart, living ever more with Me and through Me, being for Me a holy city, that is, may your soul be for Me an abode, a mystical and spiritual city: where I can live, where I can reign, where My love is the Law, where divine truth is the Law that governs this city, that governs your soul. So that, truly, this city that is your soul may always be more: beautified, perfumed, purified, enriched by Me with the gold of virtues, with the gold of love, with the gold of holiness, so that when the King of the Universe to return, to sit on the Throne, on His Throne, on the Throne of this city that is your soul, may He find His city, your soul enriched with walls of the gold of virtues, with walls of the gold of your mortification and of your love. And so may the King rejoice, congratulate

you, and give you his reward.
I am with you everyday! My Apparitions Here for all these 20 Years are the greatest proof of the love I have for all of you My children. Do not disappoint My Heart! do not defraud My Heart! Respond with all your love to everything I say to you, so that on the day of My Triumph I do not shed Tears of Blood because I see that some of you will be missing in the midst of My children, My flock, My fold, because wanted to hear My words and because they loved themselves more than Me.
I beg you: Give yourselves completely to Me and make the cenacles that I have commanded you to make from house to house. Continue to pray My prayers and spread My Messages to all My children throughout the world, without ever stopping, because I still have many My children who are far from My Heart to reach. You are My Hands, you are My Feet, it is through you that I want to make My Messages reach all My children. Go, therefore, and never stop, nor be discouraged, because

'FULLY MY IMMACULATE HEART WILL TRIUMPH...'

To all of you on this day, I generously bless you from FÁTIMA, MONTICHIARI, MEDJUGORJE and JACAREÍ.

Peace My children, peace to you too Marcos, My most hardworking and dedicated son and friend of Mine. Peace..."

(1) Erupt: to spring up, arise, suddenly appear
MESSAGE FROM SAINT JOSEPH OF CUPERTINO

"-My beloved brothers! I, JOSÉ, JOSÉ DE CUPERTINO, bless you today and call you all to be around the Hearts of Jesus, Mary and Joseph the most perfect, the best, the greatest source of love for God, for the Most Holy Lady and for the salvation of souls. So that from within you, a river of living water can spurt and flow to quench the thirst for salvation that so many souls have and to transform the arid deserts of this world into gardens flowers and perfumes for the greatest joy of the Lord and the Mother of God.

Be pure and crystalline sources of prayer, of a continuous life, of constant prayer and dialogue with God, of union and intimacy with Him in recollection, in silence, in peace, in reading the lives of the saints, the Messages, the words and meditations. of the Saints of God, that your souls may be continually watered with the wisdom from above, with the grace of the Holy Spirit. And so, may your souls never risk becoming a parched desert, a cracked earth where no good plant, where no good seed can grow. If you are truly those clear and crystalline sources of prayer, meditation and recollection, of love, your souls will always be green gardens and then many sheep of the Lord and the

Blessed Virgin that wandered astray, lost on Earth, will finally be able to find in you , the good pasture, the food of grace, virtue, holiness, truth, goodness, love and prayer. And they will eat this good grass, which is born, which grows, which lives in you and they will recover their strength and then they will be able to run again fast, vigorous after the Good Shepherd and the Divine Shepherdess, who calls everyone to follow them along the path of love and holiness.

Be crystalline and pure sources of goodness, of generosity, of unlimited donation to God and to the Most Holy Mary and also the salvation of souls, working and praying night and day, for your own sanctification, salvation and edification and for the edification, salvation and sanctification of all your brethren. You have a large field in front of you, which is the world, and the sheep are lost, lost, they are so weakened and have already eaten so much poisoned grass, so many plants poisoned by errors, sins, false doctrines that they no longer have the strength to return. . They were deceived by the world, they were deceived by the devil, by the false philosophies and theologies that exist today that deny the value of the Saints, the value of the Mother of God, of devotion to Her, of the Rosary, of the Miracles of Our Lord, of the very Catholic truth. And these sheep will only be able to recover their strength, they will only be able to recover their vigor if they find in you the good pasture: of truth, holiness, love and prayer. And then yes, they will strengthen and find the strength to return to the fold, to the flock of the Sacred Hearts of Jesus, Mary and Joseph. Give them yourselves this good herb to eat, living in great holiness, obeying all the Messages that the Sacred Hearts have given you Here so that many souls may eat this herb in you and be strengthened.

I also call you to be cities, living cities for the Lord and for the Mother of God. I call you to be these cities whose walls, walls, streets and houses are not made of stones, but of virtues, they are made of love, they are made of a true desire to follow the Lord, they are made of a true donation of your soul to Our Lord.

Be a beautiful city for the Lord, trying every day to eliminate your flaws, fighting them, fighting them, denying yourself and resisting the easy temptation that the world offers to affirm you in front of others, that is, , of wanting to be something in order to win the love of creatures. Oh no! Seek only the love of God, seek only the love of the Most Holy Mary so that you are truly free, interiorly free and your soul can then enjoy a deep and unalterable peace, where all the souls who approach you will also feel this peace. , they will know this peace, they will desire this peace and they will ask you for the way to find and possess this peace.

Be cities fair to the Lord, cities without blemish, without spot, without blemish, without hole or cleft in the streets. May the streets of your soul be completely straight, correct, straight, well paved, firm, may they give security to all those who come after you, imitating your good examples, following the same path

that you follow the Mother of God. So that your brothers and sisters will always find a safe, smooth and straight path to reach God and the Mother of God in Heaven!

Be cities beautiful for the Lord, with vast and beautiful gardens in the center and in the heart of the houses, in the corner of the houses. So that, truly, the birds can rest on the branches of these trees in these gardens and thus find shelter, rest and food there, that is, that your souls may be beautiful gardens, of virtues, of love, of prayer and holiness. So that the birds, the souls of your brothers and sisters, may find in you shelter, welcome, understanding, help, support, friendship, company and, above all, intense prayer and mystical love. So that they can move forward on the path of prayer, holiness, Christian perfection and everyone can reach the Father's house where He awaits all His children with His Heart open.

Finally, proceed, obeying all the Messages that the Mother of God has given you here and do not stop for anything. Fear nothing! Do not be afraid because I am with you, I watch over you, I accompany you, I am with you and I take your hands to lead you every day, safely along the path of holiness!

I am your beloved brother, I arrived in Heaven with enormous sacrifices, because I was always discredited, considered a fool and incapable of learning. And although I was very small, very humble and insignificant, God and the Most Holy Mother did great things in Me, because in Me they found a very great and a very pure love without self-interest, without any stain of attachment to My own 'I'. Therefore, in Me, They poured out Their grace in an overwhelming way and I was a sign for the men of My time and I continue to be today for all those who want to reach Their Hearts in Heaven.

Let yourselves be guided by My light! Follow My shining light of holiness and I promise that I will lead you safely to the harbor of salvation.

I bless this Place, which for Us in Heaven is dearer and dearer than the whole world!

I bless you Marcos, My beloved brother, the most strenuous, the most dedicated of My brothers and I bless you all today with all My love together with My Lady, the Mother of God, My life, My joy and My reward. . Peace!"

CHAPEL OF THE SANCTUARY OF THE APPARITIONS OF JACAREÍ/SP

MESSAGE FROM OUR LADY

"-My beloved and dear children! Today, I invite you again to continue on the path of conversion, penance and holiness that I have for twenty years years I pointed to you and showed you Here.

Follow the path of good, obeying all My Messages, always trying to make your life a continuous 'yes' to the Lord, collaborating to the maximum with His grace. So that the sanctification and salvation of your souls and the salvation of the souls of the whole world may truly take place.

Walk on the road of good, always seeking to be more in conformity with My Immaculate Heart, having the same feelings that I have, having the same desires and thoughts that I have, trying to do what I do and work with Me so that My Messages come to know. of all My children so that they can all be saved!

Walk on the road of good, moving further away from the world, from the vain and fleeting things of this Earth, from the easy seductions of evil, from the easy opportunities to sin. So that, truly, keeping yourselves safe from evil, collected and protected by prayer, by meditation, by escaping from occasions of sin, your souls may always be able to grow in virtues, grow in the practice of good, in the observance of all the Commandments of God and the faithful fulfillment of all the Messages I have given you. In this way, you will truly be My children, children of the Lord, My true apostles of the last times, who bring My Grace to the whole world and make My Light shine on the entire world.

PUNISHMENT IS VERY NEAR MY CHILDREN!

Punishment is at the doors like never before. The Reaper Angel will pass through many Nations and woe to those who have become deaf to My voice, to My Messages, to My Apparitions. The warning will be almost as terrible as the Punishment My children! He will give death to many who did not want to listen to My calls, because many have already surpassed the tolerable and tolerable limit even by Heaven, even by divine Mercy. How many have betrayed My Heart! How many have betrayed My love! How many have worked effectively for the destruction of My Apparitions, to prevent My Messages from reaching the souls of My children, to prevent My work, My effort, My sacrifice from succeeding. How many... how many have unfortunately done this and gone beyond all the tolerable limit that divine Mercy can tolerate.

If you do not want to be among these unfortunate ones, listen to My appeal, listen to My voice, give Me your hearts without reservation, give Me your 'yes' so that I can transform you and mold you according to the My will, the will of the Lord until you take that shape that God wants you to have, the shape of great saints, of souls on fire with love in pure transformation for Him, for Me and also for the salvation of your poor sinful brothers!

In this way My children, come to Me! While I am still here calling you, because soon, very soon My voice will be silenced and then, the Punishments, the thunder of God's Justice, rumbled.

I bless you all at this moment and say: Continue praying all the Prayers that I have given you. Wear My Medal of Peace and Tears that I have revealed to you Here in this Brazilian Land. Use them because they are a gift from God to Brazil, to defend you from the great evils and the great demons that are loose Here looking for the perdition of souls. Use My MYSTIC ROSE MONTCHIARI MEDAL, use My MIRACLE MEDAL on and all the SCAPULARIES I have given you.

Keep doing the ROSARY CRUSADE* every Sunday, this extra Rosary that you pray for Me on Sundays is extremely important and with Him I have done great things in the silence and hidden from the eyes of the superb and worldly humans that exist on this Earth! One day you will know these wonders, these wonders and you will bless the Rosaries of My Crusade that you prayed.

To all of you at this moment, I bless you generously from SAN DAMIANO, from MEDJUGORJE and from JACAREÍ.

Peace My children! Go in the Peace of the Lord." * Note: Our Lady

asked everyone to pray one more Meditated Rosary on Sundays (from 00:00hs to 23:59hs).

JACAREÍ, MARCH 27, 2011 Feast of the ANNOUNCEMENT

OF MARY HOLY

MESSAGE FROM OUR LADY

- My beloved children! Today, when you are still celebrating the FEAST OF THE ANNOUNCEMENT, when you are still celebrating the FEAST OF MY YES, I, the Lady of the Yes, the Mother of God, invite you once again to give your complete, total, generous and loving the Lord through Me, in imitation of My Yes and, as it were, becoming an echo of My own Yes, a continuation of My own maternal Yes on Earth.

Be the echo of My Yes, be the continuation of My Yes on Earth, giving your complete 'yes' to the Lord, renouncing your will and accepting His, throwing out of your heart everything that still holds you, enslaves you to things from the earth. So that you may be completely free and be able to love the Lord as I have loved, with all the vehemence of heart, will and soul, with all your strength, with all your ardor and zeal. So that, in imitation of My own Maternal Yes, you My children, may be the perfect continuation of My Yes and My Love over the entire Earth.

Be the echo of My Yes, be the continuation of My Yes on Earth, always living more as I lived: in deep, total and perfect prayer. Living more and more immersed in divine transcendence, seeking more and more everything that is celestial and leaving behind everything that is purely earthly, everything that is purely animal and that makes you crawl more and more on Earth, wallowing in the mud of vices, the satisfaction of your sensitive appetites. So that, flying ever higher like swift eagles, you may reach the highest peaks of holiness to which I call you and to which I desire to lead each one of you.

Be the echoes of My Yes, be the continuation of My Yes on Earth, doing what I did: completely forgetting your plans to accept the Lord's plans. Although My plans were always to do the Lord's will and not Mine, I thought I would continue in the Temple as a consecrated Virgin of the Lord, without ever becoming a Mother, and when the will of the Most High was manifested to Me, I immediately renounced My will to do the will of the Lord, even in spiritual matters, even in matters pertaining to the soul. The same thing I desire from you My children, a perfect, complete and total docility to the Lord and to Me, so that in everything and for everything you renounce your will to do the will of the Lord, which is always infallible, sure and victorious.

I am with you every day of your life, if you are the continuation of My Yes on Earth, if you are the echo of My Yes on Earth, I will truly be able to make My Grace reach the hearts of My furthest children and bring them them close to My Heart, to also teach them to give their 'yes' to the Lord, for the greatest, most perfect and complete glorification of the Holy Trinity.

When you obey My Messages, when you divulge My Messages with your word and with your life, you become the continuation of My Yes, the continuation of

My Maternal Yes, you are the echo of My Maternal Yes on Earth and in you then it can be fulfilled. without hindrance, delay or imperfection whatsoever, the will of the Lord.

That's why I say to you, little children, keep following the road to which I called you, to which I invited you Here, so that, in this way, your life truly becomes the continuation of the Heavenly Mother's Song of Love, which at all times continues always repeating down through the ages and through the centuries His Maternal Yes to the Lord and also to you, My children whom I love so much and want to save so much.

Hasten your conversion! The punishments are happening before your eyes and you continue to sleep in the sleep of your indifference, thinking that you will still live on this Earth forever.

Wake up My children while you can still wake up and open yourselves to the Sun of God's love like sunflowers that always seek the light of the sun, to be turned towards it. I wish that your hearts and your souls do the same: that they turn more and more to the sun of God's love, while it is still shining and lets itself be seen, felt, found by you!

Go fast! This time is a unique time of grace given to you. Enjoy it by opening your heart, obeying all the Messages I have given you and allowing you to be guided docilely by Me, so that I may lead you to the most consummate holiness.

Time is short and soon the great Warning for humanity will come, many will die in the Warning, it will seem that Heaven will be on fire, the bodies of many will also seem to be on fire as they see all their life lived without God pass before them , the evil they did and the good they could have done and didn't do because they were unwilling or languid. Many will die burning in these flames, in these flames of Divine Justice, in this fire that God will kindle in the soul, in that moment when the soul sees its life, its own existence with the eyes with which God sees you and many will die scorched and burned. in these flames that Divine Justice will kindle in the souls of all men at once and at the same time.

Woe to the languid soul! Woe to the soul deaf to My voice! Woe to that soul that knew what I wanted from her and did not do what I wanted. These souls will suffer a despair as great as there has never been since the world has existed.

Therefore, I ask you, little children, to free yourselves from the great pain that

sinners will suffer within them at that moment, live a holy life as I have asked you so much and as I have begged you so much Here that you had and that you lived.

I am with you always! Continue praying all the prayers that I have sent you, because through them: I purify you, I free you more and more from yourself, I fill you more and more with a taste for the things of Heaven and I help you more and more to deplore what is vile, what is illusory and transient of this Earth. And I make you more and more take the shape of My Immaculate Heart, molding your heart according to Mine.

I bless you all at this moment generously, from NAZARÉ, BELÉM and JACAREÍ.

Peace My beloved children!"

Jacareí, April 1, 2011. Message from the Angel Manuel

“-Mark, peace. Dear brothers, praise God. Glorify the Lord with me, for he has given you victory over your enemies and over all those who lay snares under your feet. Yes, despite being beaten and wounded so many times in the battles you fight against the forces of evil in your life, against the principalities of this world of darkness, the Lord has crowned you with resounding victories and has shown you His love in a thousand ways. Exalt him with me and love him even more from now on, serving him with greater joy and dedication all the days of your life.

I come to you once more, because your generation is in desperate need of true devotion to Us, the Holy Angels. Souls will only possess the true joy from which true peace springs when they know true devotion to us, the Holy Angels, and surrender completely to us without hesitation. The world will only have peace when it turns with confidence to Us, the Holy Angels and when it accepts our messages and our love.

Imitate more and more the trust of the young Tobias (Tobit) in the Archangel Raphael, always having an unlimited trust in us, the Holy Angels, so that we can take you by the hand and lead you on the safe road to the Hearts of Jesus, Mary and Jose.

Do not be shy to tell us about your afflictions and anxieties, because we have an immense desire to help you always and to comfort you in your crosses so

that, with the virtue of holy patience, you can overcome everything.

I, Manuel, am always with you and I never leave you. My eyes are on you.

To all, at this moment, with love, I bless generously."

Jacareí, April 2, 2011. Message from Saint Joseph.

"- I am very close to you. I never leave you. Come to Me to be comforted and consoled. My most loving Heart is attentive to the voice of your prayers. Contemplate My Heart more and It will be the sun of your soul. I bless all My children right now."

JACAREÍ, APRIL 3, 2011

MESSAGE FROM OUR LADY

"-My beloved children! My Immaculate Heart again today blesses you and gives you peace.

Continue to pray, only a great force of prayer will be able to save the world now from the great abyss towards which it is heading. Only with prayer can you reach holiness. Only with prayer can you obtain from the Lord the graces you need for your salvation.

Prayer is not an optional thing, prayer is a vital thing without which the channels that make divine grace descend from Heaven upon your souls are cut. That is why prayer must be done well, it must be done with the heart, it must be done with love, it must be done with the true desire of God, that is: the desire to know Him, to love Him, to understand the will of God. of Him concerning you and after having understood His will to fulfill it faithfully, even if this requires sacrifices from you. Only in this way will your prayer truly be from the heart and will be heard by the Lord in Heaven, and only in this way will He release the necessary graces that you ask for the salvation of your souls and your loved ones.

I have been calling the whole world to conversion for so many centuries, but I have not been heard. I have called you in so many places where I have appeared to you to live a true, deep and intense life of prayer, but there were few, very few who answered Me, very few who followed My voice.

I invite you now My children to finally follow My Maternal Voice and to live a life of deep and total prayer. Only with prayer can your souls be enlightened by the Lord. I wish you to be like the sunflowers, which always face the light of the Sun. I want your souls to turn to God, to live turned to Him constantly, incessantly through prayer.

Only in this way, My children, will I be able to illuminate you with the rays of My maternal grace in order to help you to grow well in holiness and in that spiritual perfection that God and I desire from all of you.

I am the MOON for you, in the night of sin's darkness, in which you so often live. I shine for you to light your way in the midst of so much darkness. So that your steps My children do not trip over any stone and you do not fall into any hole. I am a STAR for you, a star that illuminates and clarifies your life more and more with the light of eternal Truth, Love and Divine Wisdom. And, for you during the day I am the SUN that illuminates your existence more and more, filling you with the divine radiance of the Holy Trinity, of eternal Love and eternal Truth, so that you My children understand perfectly the will of God for your respect and you may follow it and fulfill it faithfully as the Lord desires of you!

I ask you at last in this Message for today:

TRUST IN MY LOVE!

TRUST in My goodness and in My care on Earth, that I am with you always! I know the way that leads you to the Father and I will lead you safely through it, as long as you faithfully: trust yourselves, give yourselves to Me and that you renounce your own will to do whatever I tell you. If you do this My children, I will take you to the Port of Salvation and I will lead you to the arms of the Father who awaits you with great Love in Heaven!

I ask you to continue to wear My MEDAL OF PEACE and My MEDAL OF TEARS, these two Medals that I have given here for you and for the whole world in this land of Brazil. Because through these Medals I will defend you from the attacks of Satan, I will divert from you many fiery rays that Satan projects against you: from temptations, from evil thoughts, from discouragement and even physical evils, preserving you My children from all evil, preserving you from the evil one. Also use My MIRACLE MEDAL that I gave to My daughter CATHERINE LABOURÉ, the MYSTIC ROSE MEDAL and all the Medals and Scapulars that I offered you in My Apparitions as a shield, safeguard, shelter, refuge and defense. So that My little children, I can always keep you under My Maternal Mantle safe from all the assaults of Satan.

Continue to do all the HOURS OF PRAYER that I have commanded you, to pray the ROSARY, to do the ROSARY CROSS, because with these prayers I have saved many souls and I will save even those that you entrust to Me with particular and special care and love while pray. Pray THREE, say SETENA, say these prayers that enchant My Immaculate Heart and bring Me so close and unite Me to you.

I bless you all at this moment generously, from GARABANDAL, from BELLUNO*, from ANSE-AUX-GASCONS** and from JACAREÍ.

Peace My children! Peace Marcos My hardest and most dedicated son, remain in peace. To all I leave My peace!"

Jacareí, April 6, 2011. Private message from Our Lady.

Jacareí, April 7, 2011. Message from the Blessed Virgin Mary.

"-My most beloved children, today, when one more month has passed since My Apparition here, I come once again to bless you and give you PEACE.

I am the Queen and Messenger of PEACE. I am the Star of your consolation and your PEACE.

I am the Star of your consolation and of your PEACE, and that is why throughout My prolonged Apparitions here I have always called you to PEACE through intense and continuous prayer, persevering and always done with the heart, so that you could always more follow Me along the path of true PEACE that you can find only in God, so that you could always live in PEACE, remain in PEACE and rest in Divine PEACE. If you listen to Me, if you follow Me along the path that I have shown you, then you can truly possess this PEACE and give this PEACE to all the souls that approach you.

I am the Star of your consolation and of your PEACE, therefore I have always led you on the path of true PEACE, teaching you to renounce yourself and to accept more and more the Will of the Lord that is revealed to you incessantly in My Messages.

Only those who renounce themselves, who completely empty themselves and their will have space in their hearts for Me to fill them with My Maternal PEACE. On these empty hearts I pour My PEACE like a true deluge until I make them overflow, so that true rivers of PEACE can flow through this world without PEACE. These My children who have My PEACE live completely immersed in it and, despite suffering much in these times of tribulation, they hope in Me and remain in Me always with the trust of little children in their Mother. For these souls I do everything and I will always do everything.

I am the Star of your consolation and of your PEACE, that is why I have remained here with you for more than 20 years to give you and preserve PEACE, to comfort you always and to help you to remain firm on the path I have traced for you, and to which I have called you since My first Message. It was My great Love that made Me come down here and it is this great Love that I have for all of you that made Me keep appearing here for more than 20 years, giving you My Messages incessantly. It is My great desire to convert, save and gather all My children under My mantle that makes Me keep fighting for all of you with My Apparitions, Messages, Lachrymations and Signs.

So accept My Love. Let him enter your lives and transform them completely. My Love will only enter you and transform your lives when you begin to actually obey My Messages and do not offer Me any more resistance. Then the power of My Love will transform your lives into a small Heaven already on earth, where you will live in the warmest, sweetest and deepest PEACE of My Immaculate Heart. Then will My Kingdom be in you. Then it will be My Triumph in you.

Pray. Only through prayer can you understand and accept what I say. Only through prayer can you open your hearts to all that I want to accomplish in you.

Use My Medal of PEACE with confidence. Through her, I will give you many Graces and I will comfort your afflicted and tired hearts, filling them with My PEACE.

Today, on the monthly anniversary of My Apparitions here, to all My children who faithfully fulfill all that I have said here and especially to you, Marcos, My most hardworking and dedicated son, I bless you with Love from La Salette,

Lourdes, Fátima and Jacarei. PEACE."

MESSAGE FROM SANTO ANDRÉ BESSETTE

"-My beloved brothers! I, ANDRÉ BESSETTE, servant of Saint Joseph, servant of the Mother of God, servant of the Most High, bless you now and give you peace.

I built for Saint Joseph in Canada, the great Basilica, the great Sanctuary in honor of Him and today I come to call you to build with Me inside your hearts, a Sanctuary for Saint Joseph, a Basilica for Saint Joseph, a place of rest and a throne for Saint Joseph.

I built a Sanctuary for Saint Joseph in your hearts, living more and more as true devotees of Him, imitating His virtues, following Saint Joseph on the path of holiness on which He preceded you in Heaven, always seeking to assimilate more of the features, that is, the virtues , the qualities of Saint Joseph in you. So that your heart can become a perfect copy of the Heart of Saint Joseph, and so you truly become a living Sanctuary for Saint Joseph.

Build a Sanctuary for Saint Joseph within your hearts, obeying more and more all the Messages that He, that the Mother of God, that the Angels, the Saints, that all of Heaven gave you here. So that, stone by stone, that is, virtue by virtue, step by step, the great Sanctuary of Saint Joseph may be lifted up

within you by the grace of God in collaboration with you... his glorious throne, where He can sit, rule, govern and command the life, soul and heart of each one of you. So that you may be perfect Temples, perfect Sanctuaries of Him.

Be those living temples of love for St. Joseph, giving more and more of your life to Him, ever more renouncing your corrupt will and ever more accepting of what St. Joseph commands you to do here in His Messages.

I built a Sanctuary for Saint Joseph within you, your hearts and your souls, through your total, unrestricted, unconditional, unreserved obedience to Saint Joseph, putting aside your will, what you want, your dreams , to accept the Plans of Saint Joseph, His will, so that you do all that the Most High desires of you through Saint Joseph.

Imitate My obedience to Saint Joseph! Imitate My burning love for Saint Joseph, because I loved him with all the strength of My heart and not only did I make Him a majestic concrete, material Sanctuary, but I did it first in My heart. I made for Saint Joseph the greatest Spiritual Sanctuary in the world in My heart, having towards Him a true devotion, a true love and a true trust of a child in His Father: totally dependent on Him, totally united to Him, totally obedient and docile to Him .

If you imitate this My love and this My obedience to Saint Joseph, you will also make for Him a great Sanctuary within your heart and then the material Sanctuary Here, made Here for Him, will be the consequence of that spiritual Sanctuary that will already exist within you.

I am here to help you build this Sanctuary for Saint Joseph within your hearts! I am the builder of God! The Holy Builder of Saint Joseph! And it is My mission to build within your hearts this Sanctuary for Him.

Be docile to Me! Be obedient to Me! Let yourselves be formed, educated, taught, led by Me and I will then build within your hearts this great Sanctuary in honor of Saint Joseph for His greatest joy, for the greatest exultation of His Most Loving Heart and for the greatest knowledge and glorification of His name throughout the earth!

I love you so much! I am with you unceasingly and I never leave you. Come and give Me your afflictions and I will take care of them all for you. And come deliver your affairs to Me and I will take care of them all for you!

Pray! Continue to pray the Rosary every day, the MEDITTED ROSARY that

Marcos, the great builder of the Sanctuary of Saint Joseph in the hearts and souls of your time, made for you. Pray the HOUR OF SAINT JOSEPH, which will quickly and easily build within you the great Sanctuary, the great Basilica of Saint Joseph within you. Help My action, My work, and Marcos' action and work. And then this great mystical Sanctuary for Saint Joseph will truly be built in you, inside your souls.

Continue with the HOUR OF SAINT JOSEPH, continue with all the HOURS OF PRAYER that you were given here, which transform you into so many mystical Sanctuaries of the SACRED HEARTS UNITED.

Spread the Messages of this Holy Place, because these Messages, with the Prayers, the films of the lives of the Saints and the Apparitions, with everything that the Mother of God has given you here: they will transform the world and so many millions of souls scattered by so many Nations into very great Sanctuaries of the Most Sacred Hearts of JESUS, MARY and JOSEPH, beautiful Sanctuaries, Golden Sanctuaries, Luminous and sublime Sanctuaries of love and holiness.

To all of you at this moment, with Saint Joseph and with the Mother of God, I bless you generously and copiously."
JACAREÍ, APRIL 17, 2011

ANNIVERSARY PARTY OF THE DEATH OF SANTA BERNADETE SOUBIROUS

MESSAGE FROM OUR LADY

"-Beloved children! Today My Heart invites you to truly contemplate Jesus who gives His life for you, so that from your hearts and souls My Son always receives more from you: the love, gratitude and the perfect correspondence that He deserves and that He hopes to receive from all of you.

Correspond to the Love of JESUS, giving Him your hearts ever more open to His Love, ever more docile to His holy will, so that He may carry out in you the divine plan of Love of His MOST SACRED HEART and in your life always fulfill more what He there in the Ab Aeterno* decreed for you. And may your life become ever more a living flame of Love for JESUS, for Him, for His divine Heart and every day of your existence become a heavenly music of love sung more and more to please and please the divine HEART OF JESUS.

Correspond perfectly to the Love of JESUS, embracing your daily cross, those sufferings that My Son allows you, sends you, so that together with Him,

participating in His cross, you can effectively help in the work of salvation of the world, of so many souls that are still far from My Son and Me and that only a great force of sacrifice, of expiation and penance offered together with a lot of prayer, will be able to make these My children return to the divine Heart of Jesus and to My Heart. And so they can find Our Love, the Truth and thus reach salvation. Every suffering that you bear with love, meekness and patience becomes a redemptive, powerful and effective suffering that frees many souls from the prisons of sin and Satan and makes these souls find the way of salvation.

Always respond more to the Love of Jesus, fleeing from everything that displeases you, renouncing everything that is contrary to the will of My Son Jesus and the teachings of My Son Jesus. So that your life, ever more in accordance with what My Son Jesus desires of you, may become for Him like an incessant hymn of love, which rejoices His divine Heart crushed by so many of Our children, who are ungrateful to Our Love, who reject all the proofs of love that We give them throughout their lives without ceasing to attract them to Our Hearts.

Thus My children, you become those flowers of reparation, of love, of gratitude to My Son Jesus and Me. And so you dry many tears from Our eyes and also close many wounds of Our United Hearts that the world opens with its sins and with its ingratitude to Our so great love for you!

Corresponding in this way to the Love of Jesus, you will truly be His disciples, His children, His servants, His smallest children that He will guard with jealousy, with love, within the safe fold of His Most Sacred Heart.

I am with you always, at all times, to help you to follow the path of true love and true correspondence to My Son JESUS.

Continue to pray the meditated Rosary that My son Marcos prays for you every day, because this Rosary is the most pleasing to My Heart, it is what makes Me most happy, it is what most closes the wounds of My Heart opened by the ingratitude of men, this Rosary is a burning incense that rises every day to My Heart, in My eyes, filling My soul with great joy, with great exultation and making it ever more dilate with love and mercy for you My children, who pray it daily with fidelity.

Continue to pray all the prayers that I have given you and sent you here, because with these prayers My dear children, MY IMMACULATE HEART WILL TRIUMPH in your life and in the world at the moment you least expect it and in the way you least expect it.

HURRY YOUR CONVERSION BECAUSE THE WARNING IS VERY NEAR! THE WARNING WILL BE VERY PAINFUL FOR THOSE WHO HAVE NOT WANTED TO RENOW THEMSELVES AND COMPLETELY DELIVER THEMSELVES TO ME, AS I HAVE ASKED YOU SO MANY TIMES THROUGHOUT THE YEARS! THOSE WHO HAVE LIVED ATTACHED TO THEMSELVES AND TO THEIR WILL WILL SUFFER SUCH GREAT PAIN IN THE WARNING THAT THEY WILL PREFER THE PAIN OF DEATH THEMSELVES TO SUFFER THAT PAIN WHICH THEY WILL FEEL IN THE SOUL BECAUSE THEY HAVE PREFERRED THEMSELVES, FOR LOVED THEMSELVES MORE THAN THAT TO GOD AND ME, FOR HAVING PREFERRED THEIR OWN WILL TO DOING THE WILL OF GOD AND MINE. HOW TERRIBLE THAT PAIN WILL BE MY CHILDREN, EVEN THE DEMONS WILL BE AMAZED WITH SIMILAR PUNISHMENT THAT WILL BEAT THE SOUL OF ALL THE WICKED, OF ALL SINNERS. THEREFORE, HURRY YOUR CONVERSION, OTHERWISE, YOU WILL DIE OF PAIN, DESPAIR AND ANXIETY ON THE DAY OF WARNING.

PRAY! PRAY A LOT! BECAUSE THE WARNING IS AT THE DOORS, IT WILL SHAKE ALL HUMANITY! THERE WILL BE NO LIVING BEING THAT CAN DODGE OR ESCAPE IT.

I bless you all at this moment generously, with My daughter BERNADETE and through Her from LOURDES, TURCZOVKA** and JACAREÍ.

Peace My beloved children! Peace Marcos, My most strenuous, dedicated of My children. Peace!"

** Ab Aeterno: from eternity

**Turczovka: Apparition in Slovakia in 1964.

1st MESSAGE FROM SAINT GABRIEL OF THE

DOLOROUS VIRGIN "- My beloved brothers, I, GABRIEL OF THE DOLOROUS VIRGIN, bless you today and give you peace

. watering water of your charity, of your faith, of your generosity, so that their parched lips can finally be watered down and refreshed and you can give them the refreshment of your fidelity, obedience, purity and generosity.

Yes, beloved brothers, be the comforters of OUR CRUCIFIED LORD and of the DOLOROUS VIRGIN, ever more renouncing yourselves and the world, putting ever more aside: your vanities, your stubborn, arrogant, proud, corrupted will, inclined to evil. and that which is contrary to the Lord and the Mother of God. So that your will, ever more docile, ever more obedient, ever more conformed to the holy will and to Their Commandments, may make you advance more and more each day on the path of holiness, perfection, love and grace.

Be the comforters of OUR LORD and of the DOLOROUS VIRGIN, be a spiritual bouquet that comforts Their Sorrowful and United Hearts with your life, ever more fragrant with prayer, fragrant with meditation on Their Messages, on the life of the Saints, on the Holy Word of the Lord so that each day of your existence may be a great and beautiful rose garden that replaces the very tough thorns with which they were crowned in His Passion and still continue to be crowned today, by this world that wounds them more and more with the thorns of disobedience, of refusal in loving and obeying Them, from lovelessness, indifference, coldness and sin. In this way, you will truly dry Their Tears, close every wound and put in place the purest and brightest flowers of your love, of your faith, of your fidelity.

Be the comforters of OUR CRUCIFIED LORD and of the DOLOROUS VIRGIN, being for Them a hymn of vibrant love that ever more enchants Them, gladdens Them, making ever more of your life a continual copy of Theirs, practicing all Their virtues, imitating the Their most holy examples, following them along the path of goodness, truth, holiness, purity, love. Make Their Messages known to all souls, because when this happens you will have given the greatest consolation that Their United Hearts desire.

Love the Sorrows of the Mother of God very much as I did, because it was these Sorrows that kept Me in grace, it was these Sorrows that taught Me the secret of holiness that is hidden to those who do not love the Sorrows of the Blessed Virgin. It was these Sorrows that made Me, that always gave Me the grace to love God and to love the Sorrowful Virgin with all the strength of My Heart, with all the intensity of My soul, so that in Me the fire, the furnace of Love never went down, never lessened, never cooled down.

If you imitate Me, you will also have the same grace in you, the grace of a love that is always on fire, always incandescent, always burning, burning for God and for the Blessed Virgin that will never diminish, never cool, never go out.

I, Gabriel of the Sorrowful Virgin, love you very much! I am always here in this Holy Place day and night. I have helped many to grow in love even before they knew it. And I will continue to help all of you, if you pray to Me, if you ask Me, if you beg Me for help, if you call Me to live with you, if you become My friends by following Me along the path of holiness, which I have pointed out to you in this Message. I will have My hands outstretched to everyone to help you to grow ever more in love and to arrive at that eternal bliss, which I arrived at because of the great love I had for the LORD and for the DOLOROUS VIRGIN and which awaits each one of you, and where I I also wait for each of you to sing with you the eternal hymns of heavenly glory.

Pray the Rosary of Sorrows daily. Pray the Rosary of Tears, pray with lots of love consoling the DOLOROUS VIRGIN, drying her Tears every day.

Be yourselves My continuation on Earth, spreading ever more love for the Sorrows and Tears of the DOLOROUS VIRGIN. And so My beloved brothers, I promise you that I will prepare for you a beautiful, luminous and great abode in Heaven, very close to the Throne of the DOLOROUS VIRGIN and there together we will praise, bless Her and the Lord's name forever with the Angels and Saints.

I bless everyone at this moment and pour out on you with the DOLOROUS VIRGIN the effective graces of Her Sorrows and Tears, as well as the indulgences to all those who do not forget the Sorrows and Tears of the Mother of God every day, praying the THIRD OF PAINS or the THIRD OF TEARS, to all who on every Saturday of the year remember to dedicate Saturday afternoon to Her to console Her and who comfort her by living, obeying and spreading Her Messages with love.

I bless you all right now."

HOLY SATURDAY OF SOLEDADE OF MARY HOLY

MESSAGES FROM OUR LADY AND SAINT GABRIEL DA VIRGIN DOLOROUS

MESSAGE FROM OUR LADY OF DOORS

"- My beloved children, I am the MOTHER OF PAIN and SOLITUDE. On this day, Holy Saturday, I remained alone without My Son Jesus Christ who lay dead in the Sepulcher, John, Veronica, Mary Magdalene and the other saints consoled Me women who watched with Me: in prayer, in continuous supplication and in the hope of the Resurrection of My Divine Son JESUS CHRIST

Today, in your time, when you are once again on Holy Saturday, on the new Holy Saturday, I continue to be the same Mother of Sorrow and of Solitude, of supplication and of incessant Prayer, so that the Father may soon hasten the moment of the glorious resurrection of your time, which will be the Triumph of My Immaculate Heart with the coming of the Kingdom of Jesus to Earth.

I am the Mother of Supplication and Intercession on your Holy Saturday, on the Holy Saturday of these times. And that is why I have appeared in so many places on Earth to call all My children: to continuous, incessant, burning, deep prayer, always done by Me and through Me. So that, forming ever more My great army of prayer, supplication and intercession, I could obtain the suppliant and praying strength necessary to reach from the Father the haste of that great hour that My Immaculate Heart anxiously awaits, when finally, He with the of His great power and His great Mercy will plunge Satan into the infernal abysses and free this world from the darkness of evil, sin, violence, hatred, wars and apostasy in which it is plunged.

I continue to be the Mother of prayer and intercession on the Holy Saturday of your time. And that is why I have called you from everywhere to be part of My army: of purity, of prayer, of love and of holiness, so that with you My children I could always spread the flame of My love on Earth. , the flame of My goodness, of My grace, of My Mercy. And so, once again lead to the safe fold of My Heart and the Heart of Jesus innumerable sheep of Mine, innumerable souls of My children who are lost in sin.

In this way, I can always fulfill the Father's plan, who wants more and more to make His divine love triumph on Earth and make the light of His grace triumph and crush the darkness of evil, sin and Satan.

I continue to be the Mother of prayer and intercession on Holy Saturday in these times of yours. That is why I remain with you during all this time here that My Apparitions have already lasted in Jacareí and in so many places, to lead you by the Hand, to guide you more and more along the path of holiness, to make you grow more and more like fragrant flowers. and cultivated by myself. So that I can give My Heavenly Father and My divine son great contentment, satisfaction and joy in seeing the flowers cultivated by My own Hands for His greater glory. And then, the Holy Trinity can finally pour over the whole earth: the dew of His grace, the dew of His love, the dew that renews everything, restores everything, that resurrects everything and makes everything live.

I continue to be the Mother of prayer and intercession on the great and long Holy Saturday of these times of yours, when apostasy, evil, lack of faith, hatred, lack of love, violence have already taken over everything and everything. And now at this moment, when everything seems lost, I make My Immaculate Light shine for you in the great darkness of your long Holy Saturday, which will become all the stronger the greater the darkness that covers this world.

And just as on that Holy Saturday Jesus seemed defeated before the world, so now, the good, the grace of God, His Law, the Catholic faith seem defeated by the evil of this world, by apostasy, by the forces of darkness and Satan. But

just as Jesus came out of the tomb at an unexpected hour, triumphant and immortal, so also at an hour not expected by this world the light of the new resurrection, of grace, of love, of the holy Catholic faith, of My Immaculate Heart will dawn, and then, all that seemed lost will be saved.

I therefore invite you, my little children, to live this long Holy Saturday of your time with Me: in intense, constant, persevering, patient, suffering, yes, but in anticipation of the great hour, of the great moment of the triumph of the divine mercy of the Lord that has already been decreed for this humanity.

Before that time, however, the GREAT WARNING will come: this warning will be like the particular judgment that each one has right after he dies, but that each one will experience before passing through death, without having to go through death. It will be so painful, so terrible for sinners that they wish they had not been born. The interior suffering that will affect the souls of sinners will be so strong that many will not bear it and will die, others will cry out to the mountains and hills: Cover us! Hide us! And they envied the fate of those who died long ago and who did not have to go through this painful WARNING coming from God's hands. This WARNING will surprise all humanity, it will happen at the same time to all men and no one will escape it, because it will be a grace, a phenomenon and a work produced directly by the HOLY SPIRIT.

That's why I've been teaching you for so long to die to yourself, to renounce yourself, so that you could purify yourselves throughout these years so that on the day of this WARNING you will be in God's grace, fulfilling one hundred percent the will His. And so My children, the suffering of the WARNING for you will not be atrocious, but it will even be sweet because it will finish purifying you of the last stains of self-love that remain in you, of the love of the world that still remain in you and you will come out of them better, more purified, more sanctified, more heavenly than earthly. And so in you I will finally see the image of myself reflected without stain, without any blemish.

Pray! I prayed a lot! I did a lot of penance! Only in this way will you purify your souls, sanctify your body and your heart and will you truly be worthy of the grace of the Lord.

I generously bless everyone at this moment, and I give my indulgence to My children who, during every Saturday of the year, remembered Me, to console Me, to repair Me and to make amends to Me, and to all those who have come here in this sacred place, in this chapel that is My second home, My second Heaven, every Saturday to console Me and dry My maternal Tears. I now pour out My blessing on everyone: from CALVARY, from the CENÁCLE and from JACAREÍ.

Peace My children. Peace Marcos, My most dedicated, sacrificed and hardworking little son, son of My Sorrows and My Tears, have My Peace always...”

I am at your side, to transform you into a grain of wheat, which falls to the ground and dies, that is, which dies for itself and for the world, so that it can finally: sprout, grow and bear much fruit. I take your hands and lead you more and more along the path of perfect love and perfect correspondence to the Lord and to the Most Holy Sorrowful Mary.

My Immaculate Heart experienced as never before the Flame of My Son's Divine Love that engulfed Me entirely in his Love and Our two Hearts, as metal melts in fire, melted into a single mystical flame. And there, My children, I experienced one of the happiest moments of all My life. If the Heavenly Father had not sustained Me with his grace, right there I would have died from so much happiness, love and consolation that My soul was experiencing.

Rejoice with Me, little children, because this blazing flame of divine love I want to pour out on each one of you, in order to scorch you and transform you into

FESTIVAL OF THE DIVINE MERCY

MESSAGE FROM THE SACRED HEART OF

OUR LORD JESUS CHRIST

"-My children, My Sacred Heart blesses you today and gives you Peace again!

My Mercy is great, it has been waiting for the world for many centuries to return and return to Me. My patience you have been waiting for men to respond to My calls, to give Me their 'yes' for a long time, but now My children you must hasten your return, your conversion to Me, because there is little time for Mercy that remains for you.

There is little time for Mercy that remains for you, so I call you all to return to My Sacred Heart, through the Immaculate Heart of My Mother and the Heart of Saint Joseph, My adoptive, nourishing and most beloved Father. So that I can truly pour into your lives the Ocean of My Mercy, My Grace and My Love. And may it truly transform your existence into a perfect reflection: of My glory, of My grace, of My holiness, of My love, of My goodness. So that every creature that looks at you, glorifies My Name, glorifies My Mercy, may he also surrender his heart to Me and become a living reflection of My glory, of My love, of My goodness.

There is little time for Mercy that remains for you, so I say to you My children: purify your souls immediately through PENANCE, so that truly your works are no longer works of darkness, but works of light, of holiness, of purity and perfection. So that when I return soon, My Sacred Heart will not have to throw you into outer darkness, where there will be weeping and gnashing of teeth. But for your works may I give you that reward which has been promised from the beginning of the world to the blessed children of My Father. Thus, making My children, yourselves, you will seal for you a happy eternity in My glory, in My friendship, in My love and in the eternal happiness that I have prepared for you in Heaven.

There is little time for Mercy that you have left, so I call you all to change your lives, to turn your hearts to Me, to live only for Me, seeking always and at all times to accomplish what I, who My Most Holy Mother, that My Father Saint Joseph has indicated to you and shown you in Our Messages here, throughout all these years. So that, truly, living in My will, obeying and fulfilling My will, you may soon receive from My Hands the crown of victory, the prize that I have prepared for you.

Turn your lives towards Me while you have time, while you still have the extraordinary aids of that time in which you live, that I have given at that time aids never given before in the history of humanity with this profusion that has now been given to you. These aids are the Apparitions of My Mother, the Messages that She, that I, that Our Sacred Hearts have given you in so many places on Earth for so many years, the prayers that We have given you, that We have taught you. These treasures of grace, of knowledge, of peace and of love that We have given you in Our Appearances in abundance, these aids that were given to you in such great depth in those times, will soon cease for you, and then your conversion will become much more difficult. And for those who didn't answer Our calls, who did not want to renounce their own will to accept Ours, for them it will be almost impossible. So, quickly turn to Us, quickly turn to Us saying 'yes' to Our United Hearts, accepting what We say to you in Our Messages, accepting the flow of My Mercy while I can still pour it out on you at this time .

The time of Mercy is short for you, and very close to you is the great WARNING that I will send to the whole Earth, no soul, no human being will escape this WARNING, it will shake your consciences, it will be like a small JUDGMENT that happened in your life , it will be like going through the private judgment after death even before dying. Each one will see his life, each one will see his whole existence, but not with his own eyes, but with the Eyes of God, as God sees your life, as God sees your sins. Each one will see the evil he has done and the good he has not done and for each evil, for each sin he has committed he will suffer, he will suffer the weight of My Justice, he will suffer the crushing weight of My pain, of the pain that your sins have caused Me, of the pain that caused Me the good that you could have done and you didn't because you were walking behind seeking only the satisfaction of your

will, your interests, your pleasures. You will suffer the weight of the pain that every good that you could have done and did not do caused in My Heart and in the Heart of My Mother, you will feel the pain that your sins have caused Us, you will feel the weight of the responsibility for your actions, you will feel the great sorrow that your sins caused Me and My Mother and that made Us shed so many tears, even of blood. And this crushing weight for many will be so great that some will not be able to bear it and will die, but they will die not from physical pain, but from a spiritual pain, in the soul, which will be so strong in many that it can lead to death. You will suffer the weight of the pain that every good that you could have done and did not do caused in My Heart and in the Heart of My Mother, you will feel the pain that your sins have caused Us, you will feel the weight of the responsibility for your actions, you will feel the great sorrow that your sins caused Me and My Mother and that made Us shed so many tears, even of blood. And this crushing weight for many will be so great that some will not be able to bear it and will die, but they will die not from physical pain, but from a spiritual pain, in the soul, which will be so strong in many that it can lead to death. You will suffer the weight of the pain that every good that you could have done and did not do caused in My Heart and in the Heart of My Mother, you will feel the pain that your sins have caused Us, you will feel the weight of the responsibility for your actions, you will feel the great sorrow that your sins caused Me and My Mother and that made Us shed so many tears, even of blood. And this crushing weight for many will be so great that some will not be able to bear it and will die, but they will die not from physical pain, but from a spiritual pain, in the soul, which will be so strong in many that it can lead to death. you will feel the great grief that your sins have caused Me and My Mother and that have made Us shed so many tears, even of blood. And this crushing weight for many will be so great that some will not be able to bear it and will die, but they will die not from physical pain, but from a spiritual pain, in the soul, which will be so strong in many that it can lead to death. you will feel the great grief that your sins have caused Me and My Mother and that have made Us shed so many tears, even of blood. And this crushing weight for many will be so great that some will not be able to bear it and will die, but they will die not from physical pain, but from a spiritual pain, in the soul, which will be so strong in many that it can lead to death.

This WARNING will be sent to you soon, on a day and hour that you do not know and that you do not expect and that will surprise everyone in the state they are in. At that moment, good souls will also see the good deeds they did, the many prayers they prayed, the obedience they had to My Mother's Messages, the souls they converted and saved with their effort, all the good they produced with Her work. intense and laborious fulfilling all that We send you in Our Messages. And for those souls, all this at that moment will be the greatest comfort, they will see that their time was not wasted, they will see that the time dedicated and consecrated to their lives, to Me and My Mother was the best thing, it was the most blessed thing what they have done throughout their lives, and at that time, for those souls, great will be the peace, great will be the consolation that I will give.

This WARNING that is very close to you will come soon My children, it will shake the face of the Earth, no man will ignore the truth after him, everyone will know that I exist, everyone will know the truth, everyone will know the 'yes' that they must give Me . But as many will still not change, they will keep saying no to Me and saying yes to themselves, to the world and to sin, after the warning I will send the MIRACLE, it will be the last anchor of salvation that I will cast to the whole world and if after if they don't want to say 'yes' to me then I'll send the PUNISHMENT. This punishment will be the worst that ungrateful and sinful humanity has ever seen.

That is why My children, there is little time for Mercy that remains for you. Convert without delay! Change your hearts. My eyes are exhausted from crying so much to see that I sent My Mother and I myself went with Her to many places on Earth, calling to PRAYER and PENANCE, but almost no one wanted to respond to Our calls. Therefore, My children, I say to you: long ago I gave you the day of Mercy and I sent My servant Faustina, My servant Marcos, My servant Lucia, Jacinta, Francisco, Bernadette and so many others, to call you to CONVERSION and PENANCE. Now, soon, I will send to Earth no longer these prophets calling you to conversion, but the Angels Reapers of the justice of God, so that I can cut the tares among the wheat and throw the tares into the fiery furnace so that the evil seed do not suffocate and no more kill the wheat.

You who are My cities, My holy cities, turn to Me, for I want to dwell in you, I want to fill you with My great Love, I want to fill you with My great Peace, with My great Mercy I want truly make the rivers of My Grace and Mercy overflow in you. I want to rebuild My cities that were demolished and razed by My adversary, by My enemy. I want to expel from My cities all serpents, scorpions: from sins, vices, apostasy from this world. I want to banish all darkness and darkness from her and make her shine once again the sun of My Justice, My Love and My Grace.

I want to make shine in all of you My children, who are My cities, this light of mine, which knows no setting* and which will make it so that in you there will be neither day nor night, but everything will be a single luminous day of grace, holiness, glory and perfection and love!

I want to rebuild your walls again, raise them high, build in you these walls made of bricks of virtues, good works, perfection and holiness. so that you may be well fortified cities against every type of enemy and adversary of your salvation and of My Empire in you, in your souls. I want to rebuild My Sanctuary in you again, I want to rebuild My Throne, My Holy Altar in you and once again rekindle My flame in you so that it burns on My altar night and day. You are My altars and I want to rekindle in you the flame of My Love, the flame of My Holy Spirit which is truth, which is love, which is charity. So that, with this flame of divine love, you can love Me, adore Me, serve Me all the

days of your life, and I can take pleasure in you, giving you more and more to prove My great love,

Turn while there is time My cities, because your King is already on his way back to you. You can already see your King over the hills, coming to dwell in you again. Prepare My city, clean it, rebuild it, open the doors to your King who arrives. Open the doors of your soul, of your spiritual city to Me, so that I, your King, may enter and rule there again, fill it with joy and the songs of life, happiness, joy and jubilation may be sung in it again. .

Behold, I have sent My Mother, the Queen before Me as My Messenger, to prepare My way back to you. She came and shouted in your squares, in your streets, in your gardens and in the corners of your houses, calling you, calling you to PRAYER and PENANCE. But you did not hear it, rather, you closed your ears, the doors and windows of your houses to the voice of My Mother.

Do not remain so hardened to the voice of My Mother, if you do not want Me to harden My Heart later on and be harsh with you. Open your ears to the voice of My Mother who cries out in your squares, calling you to PRAYER and PENANCE. Open your hearts to her, so that I may be merciful and forgiving with you on the day of My return.

Return to Me, because there is little time for Mercy that you have left. Yes, here, in this sacred place of My Mother's Apparitions, with My Saints and Angels I continue and I will finish the great work of My Mercy begun with My daughter FAUSTINA KOVALSKA, I will finish this work and bring it to full success, to its full fulfilment. You all, you are the soldiers of My Mercy, you are those who must carry the water of My Mercy to the whole world, which you must make reach everyone, as aqueducts, the rivers of My Mercy. You must bring the mystical light of My Divine Mercy to everyone, you must be the reflectors of My light, of My Mercy for the whole world. Only in this way will My Merciful Heart triumph in every soul, in every home, in every nation.

Forward My children! Don't be discouraged! We still have a lot to fight, a lot to do, a lot of souls to conquer. My Mercy will not rest until it rescues the last soul, the last of My lost sheep that I want to lead back to the safe fold of My Sacred Heart.

Go ahead! Speak! Announce more and more Our Messages. Pray! Bring to everyone the flame of Our Love.

Continue praying all the prayers that We have given you here, announcing above the roofs and also below them from house to house, making the

Cenacles that Our, Mine and your Mother commanded you to make, taking Our Messages to all souls and hearts. So that, as soon as possible, all souls may know the ocean of My Mercy and take the path back to Me!

To everyone at this moment, with My Immaculate Mother, I generously bless... And I also give the plenary indulgence of My Sacred Heart to everyone who prays My Mercy Chaplet, who spreads My Messages given to My daughter FAUSTINA, My Messages given Here and who are the apostles of My Mercy"

REVELATION OF THE MEDAL OF THE BELOVED HEART OF SAINT JOSÉ

MESSAGE FROM THE BELOVED HEART OF SAINT JOSÉ TO THE SEER MARCOS TADEU TEIXEIRA

MESSAGE FROM THE BELOVED HEART OF SAINT JOSÉ

"-Marcos, My Beloved Son, I come today to give you a great grace from My Heart! I come to give My children a great Blessing and a great gift of My love, to help them in their afflictions and difficulties and also to defend them from all evil.

This Gift is My MEDAL, the MEDAL OF MY HEART!
Take a good look at what I'm going to show you now and engrave it in your heart.

(Words of the seer Marcos Tadeu:) "- I saw His Most Loving Heart appear in the chest of Saint Joseph in flames of love like a radiant sun of light. Then, around Saint Joseph, the following words appeared in golden and luminous letters:

AMANTÍSSIMO HEART OF SAINT JOSÉ

Under the cloud where Saint Joseph's feet rested, today's date appeared:

MAY 07, 2011

Around from the head of Saint Joseph, there were also many splendours, many rays of light.

The oval frame turned, and on the reverse I saw two lilies that climbed on either side of the Medal to the top. At the bottom, the luminous words:

PRAY FOR US AND GIVE PEACE TO THE WORLD

In the center there was a Cross. More or less in the middle of this Cross, was the Sacred Heart of Jesus Crowned with Thorns. Further down, on the right, the Immaculate Heart of Mary surrounded by thorns; and further to the left, the Loving Heart of Saint Joseph, surrounded by flames of love and also with thorns, but not around it, but stuck in it. skewered on it. Then Saint Joseph said to me:

(St. Joseph) ”- Son for many centuries I have kept this great grace. This revelation of My Medal to the world to give and reveal to you at this time. This Grace, no one else has received or will receive it in the world but you. This is due to the great love I have for you Marcos, the most strenuous and dedicated of My children, and also to the great love I have for this place that is so dear to My Most Loving Heart and to the Lord.

This place, Blessed and chosen by Our United Sacred Hearts, is the place where we pour out the riches of Our Love and where we manifest the greatest mercies of Our United Hearts inseparably: In love, in pain, and in glory.

Therefore, order a Medal to be minted according to the model you saw so that everyone can wear it around their neck, and thus receive great graces from My Heart.

It will be a very powerful sign of My love in the midst of My children and will attract the Lord's blessings upon them. Also tell My children that I promise them that: “

(MARCOS): And finally Saint Joseph said that through this Medal the true devotion to Him, to His Heart will quickly spread throughout the whole world, that through this Medal he will be placed in a place of honor from where He was taken over the centuries, until it almost fell into oblivion on the part of the Christian people, the Catholic people. Saint Joseph will shine with a glory with which He never shined before, thanks to this Medal.

Saint Joseph also said that this Medal was revealed here in this place, due to the immense love that He has for this place that is more dear and dear to His Heart than the whole world and that this Medal will greatly accelerate the triumph of His Heart , of Our Lady, of Our Lady the triumph of God in souls, in families and in nations. And therefore, I had the mission to order this Medal to be minted as quickly as possible and to make it accessible to all souls, all of His children as quickly as I can.

MESSAGE FROM CONSOLATA BETRONE

“-Mark, I CONSOLATA BETRONE I am very happy to be able to come here to give My first Message. How I love you! And how I love all those who are here, who pray the Rosary of love and who help you to spread the Messages that I received from Our Lord and from the Immaculate Virgin.

Yea! I love you and all those who with you give their lives here to the United Sacred Hearts too. I love everyone who loves the THIRD OF LOVE, who are very small souls, who are souls who truly live as children in the love of the Heart of Jesus, the Heart of Mary, the Heart of Joseph. To all of you today I solemnly say:

BE SMALL SOULS, ALWAYS LIVING IN THE HEARTS OF JESUS AND MARY!

Be very little souls, living your true spiritual childhood, depending totally on the United Sacred Hearts, trusting them completely, letting yourselves be guided, carried in their arms by Them as a little child lets himself be carried in the arms of his father and mother confidently. So that, truly, you may be led by Them quickly to that perfection of holiness, to that beauty, to that interior purity that

They desire so much of you and that you alone with your weak forces may never be able to achieve. Thus, letting yourself be carried in Their arms, you will arrive at that sublime and consummate holiness, which The Sacred Hearts want from you, and you will then truly grow in grace, in spiritual perfection before God and men.

Be very little souls, praying a lot, having the complete confidence that in prayer you are heard by God who loves you, you are heard by Holy Mary your Mother who loves you so much. And so, you can truly grow in trust, in prayer, in love, in total surrender and above all, grow in the hope that your prayers are heard by Hearts that love you, that know what you need and what you need. And who will always do the best for you, will provide for you the grace most suitable and most necessary for your state of life, for your moment of tribulation and suffering and the needs of your soul. And that you are always, always very loved, loved beyond what you can imagine, by God and by Mary Most Holy. And therefore your soul must rest in the certainty of possessing Their love!

Be very little souls, seeking ever more to live in grace and holiness, fleeing from sin, fleeing from the pride of life, from greed and from everything that the world offers you and that can corrupt your spiritual childhood. Always seeking to walk the path of humility, smallness, simplicity, having no other love in your hearts than God and His Most Holy Mother and loving souls in God. So that your charity may truly be heavenly, be sublime, and so that in you the flame of love, the light of true love, may never be dimmed by any disordered affection. In this way, living inwardly free from all the slavery of the world and of creatures, your tiny soul may become, day after day, a giant in love for the Lord, in love for the Most Holy Mary and in love for the salvation of souls.

I am always with you! I never leave you! I will help you to be truly tiny souls. For that, pray a lot the BLOOD OF LOVE! Let your souls be carried in your arms. Let yourself be carried, let yourself be led by Me along the path of true spiritual smallness. So that, truly entrusting yourself with all your being to the arms of Jesus and Mary, I can help you to grow ever more in their love, and to become ever freer inwardly and ever more filled with the love of God.

Disclose all the Messages that Our Lord and Holy Mary gave Me, along with the Messages from here in Jacareí and from all the other Apparitions that you know here and that Marcos makes known to you. So that, truly, the Hearts of Jesus and Mary may triumph in the whole world as soon as possible. And through the Heart of Saint Joseph may their Kingdom be established soon for all souls, in all hearts.

I am always attentive to the voice of your supplications. I am with you at all times, especially in times of suffering, even though you do not see Me. You will

feel My presence comforting you as much as your faith and trust in Me is great. I love you so much! I have followed you, accompanied, protected and defended you for a long time.

Never stray from the Lord, from the Most Holy Mary or from Me. Remain in God. Remain in Jesus always, even when you feel down, discouraged, prostrate by the sufferings of your lives. Remain in Jesus, remain with your will, with your hope in Him and I promise you that I will always help you to overcome your sufferings, tribulations and difficulties. And I will help you to move forward and one day reach the crown of eternal life.

Abide in Jesus! Remain in His Love, even with your weaknesses, even with your continually repeated defects, it doesn't matter. Do not be discouraged! Do not turn away from Jesus because of this. Stay with Jesus! Remain in Jesus, always seeking Jesus, always seeking Jesus, always thirsting for Jesus, always seeking to improve for the love of Jesus! And I promise you that you will achieve your salvation and that of all those with whom you meet and whom you love in this life.

To all of you at this time, I bless you generously with love."

94TH ANNIVERSARY OF THE APPARITIONS OF FATIMA

MESSAGE FROM OUR LADY

"Beloved children! Today, when you are still celebrating the ANNIVERSARY OF MY FIRST APPARITION IN FATIMA, to My three most favorite children, the Little Shepherds LUCIA, FRANCISCO and JACINTA. perfection and the true love to which I have called you here In these Apparitions of Jacareí which are the continuation and conclusion of Fatima and where each day I lead and guide you in the direction of God, Heaven and salvation.

With My favorite Little Shepherds, I followed the path of prayer, praying more and more as they prayed, making your life a continuous and intense prayer, offering together with the prayer of the Rosary, the Rosaries and Holy Hours that I taught you: your own life , your works, your works as an act of incessant

prayer to God through My Immaculate Heart. So that every day I can offer to the Lord a great strength of prayer coming from your souls and offered in My Hands so that I can present it to God. So that every day I can reach even more time of divine justice for sinners to convert, I can stop so many plans that Satan wants to unfold and carry out in the world to lead it to perdition.

With My most favorite little shepherds, I followed the path of penance, doing as they did, accepting all the sufferings that Our Lord allows you, carrying your daily cross with patience and meekness, certain that your sufferings are redemptive, help in the work of salvation of the world, spy out many sins, obtain for many souls the grace of contrition and conversion. And above all, they purify your souls from so many stains of sins that you have contracted throughout your lives.

In this way My children, following me more and more with My little shepherds along the path of penance every day, I can transform you into red roses of sacrifice to offer to God, with prayer I transform you into white roses always fragrant and open to offer the sweet and sweet perfume of your souls to please the Most High. And at the same time to perfume this swamp of sin that the world has become and transform it into a fragrant garden of holiness.

With My most beloved Little Shepherds, follow the path of penance, making ever more of your life a continual supplication to God for forgiveness, not only for your sins but also for those of the whole world, ever more renouncing your will, mortifying yourselves in what most pleases you and what your corrupt nature wants most. So that I can transform you into 'yellow roses' of penance, which every day exhale the sweet perfume of mortification, of a continual dying to yourselves and your will. So that, crucified like Christ, you may one day also rise with Him and through your life, totally mortified, may by your offering, your holocaust to God, be born in the souls of so many of your brothers who are fallen in sin to the new life of grace, of salvation and the love of God.

With My most favorite Little Shepherds, I followed the path of true love, loving the Lord and Me as they loved, giving their hearts completely into My Hands, always renouncing their will to do Mine, immolating themselves without ceasing for Me and With me for the salvation of all mankind. If you do so, as My most favorite Little Shepherds of Fatima did by donating, offering their lives more and more in sacrifice to Me, I will truly be able to transform you into living copies of Them for the greater glory of the Lord, of My Immaculate Heart, triumph of faith Catholic in the world and of My Heart on all peoples.

Then My promise made at Fatima on the 13th of July 1917 and repeated here so many times over these years will come true. My Immaculate Heart will triumph, first in you, then in other souls through you and finally in the whole world. And the flame of My Love will erupt powerfully, scorching the whole

world and transforming it into a single mystical and burning form of love. What I said in Fatima I repeat to you My Children:

CONVERT!

Do not offend God Our Lord anymore, who has already been offended too much, prepare yourselves because the great warning is at hand, it will shake the entire Earth, it will shake even the most obscure, indifferent and hard consciences. All men will know that God is alive, that He exists, that He is the truth and only in Him is the fullness and meaning of life. With the WARNING you yourselves will become better, you will love the Lord and Me more, you will be more faithful.

Prepare yourselves because:

My Immaculate Heart will finally, by unimaginable and surprising means, triumph!

I bless you all at this moment, through My Three Most Preferred Little Shepherds of Fátima... of FÁTIMA in the Cova da Iria, of HEEDE and of JACAREÍ.

Peace My beloved children. Go in the peace of the Lord."

Peace Marcos, My hardest-working son, remain in peace, dearest to My children!”

MESSAGE FROM SANTA RITA

"-Beloved brothers and sisters, I, RITA DE CÁSCIA, am very happy to be able to come and give you one more Message, in order to help you to reach that perfect holiness and that love more burning for God, which God desires of you, which the Most Holy Mary expects of you and which I also want for you and

which I want to bring you to without delay, for the greater joy of the Most High and of the Mother of the Lord

! I truly desire that you allow yourselves to be cultivated by Me like a flower, as the flower is allowed to be cultivated by the gardener, the gardener who cultivates it and that you do not offer resistance either to My pruning or to My cultivation.

Let yourselves be cultivated by Me, allowing each day that I take you in My Hands, that I water you more and more with My Love, with the water of My graces and also teaching you more and more through prayer regarding your souls. parched as a desert, so that they can be transformed into green and flowery gardens for the greater glory of the Lord and the exaltation of His Holy Name.

Let yourselves be cultivated by Me, allowing Me to lead you more and more in the prayer of the heart that is so pleasing to the Lord and that consists in renouncing yourself, opening your heart to God and His will and accepting it more and more in your lives. In this way, praying with your heart, your souls will grow more and more in love, in joy, in grace and they will become lush and vigorous flowers that will resist both the winds of temptations, as well as those of the tribulations and sufferings of this life. And so, your ever stronger souls will become firm in the garden of perfect love for the Lord.

Let yourself be cultivated by Me, allowing Me to prune you every day, cutting out of you everything that is contrary to the will of the Lord, all the disordered love of yourselves and of creatures. So that, as is done with flowers, pruning and pulling out all the dry branches from them so that it can grow better and develop more, so I can always prune you, so that your souls grow more and better and develop more rapidly on the path of perfect love for the Lord and holiness.

If you allow Me to prune you every day, I will soon rip out all the disordered love of you, of the world and of creatures and make you grow ever more in holiness, I will make your souls beautiful, I will perfume your souls. with the virtues most dear to God and the Most Holy Virgin and to the highest and most sublime virtues, I will lead you to a great spiritual perfection and I will make you truly blameless in the eyes of the Most High.

By pruning you every day, I will pull out from you every dry branch of attachment to yourself, to the world and to creatures, which prevent you from growing more vigorously, I will also pull out from you all the weeds that suck the sap from you. spiritual strength. So that you can dedicate all your strength only to the service of the Lord and to the holy office, to the holy task of saving

your souls and the souls of your brothers, without wasting time on the vain things of this world.

I desire more and more to lead you, to guide you along the path of perfect love, but much of what I can do for you also depends on you, on your answer, on your 'yes', on how much you allow Me to act in you. and in your favor. Therefore, allow Me, dear brothers and My little children, that I can work in your souls, that I can prune you, that I can guide you every day.

That's why I always ask you more: greater docility to My voice, to My advice and that you let yourselves be carried in My arms so that I can deliver you, holy and purified, in the arms of Jesus and Mary.

I bless you all at this moment, I bless your roses, I bless your rosaries, I bless all the sacred objects that you now have with you. And I always ask you more: say 'yes' to the call of divine love, choose the Heaven that has already chosen you. Love Heaven, which first loved you and called you to be here so that you may learn true love here, the holiness that pleases the Lord, to walk the true road that leads to God!

I, RITA DE CASCIA, am your defender, I have told you so many times! I am your intercessor, protector, advocate and your teacher on the path of perfect love for Jesus and Mary. I come from heaven to take your hand and lead you along the true path that leads to life. Happy is he who listens to My advice. Happy is he who heeds the voice of wisdom, which calls you from the heights of heaven, for he will not die, but will live eternally and will attain the crown of eternal life.

I bless you all at this moment generously, from CÁSCIA, from ROCCA PORENA and from JACAREÍ...

Peace Marcos! Peace My dearest and most strenuous of My brothers. Have My Peace. May you all rest in the Peace of the Lord. See you soon Mark."

Message from the Most Loving Heart of Saint Joseph

"-My beloved children! My MOST LOVING HEART blesses you again and gives you Peace.
My MOST LOVING HEART is your always safe shelter. Therefore My children, do not fear anything. In moments of suffering remember Me and My Messages and your heart will immediately calm down, calm down and have peace.

Can a child despair knowing that His Father sees him, watches over him, watches over him and has the power to help him and to deliver him from any and all suffering? Well then, you have this Father My children, who I am. In My Hands the Most High has placed all His possessions, all His possessions, so I have in My Hands all the graces of the Most High to be able to pour out on each one of you, guide you, protect you, watch over you, lead you safely to the harbor of salvation.

As I have already told you, I repeat: between you and the devil, between you and the world, between you and suffering, My Mantle is placed, like a wall, like a barrier of light. Evil will not be able to advance against you any more than what has already been determined by the Most High and by Me. My Mantle stops evil! You must pray only and pray a lot, so that the more evil recedes in the world and souls have the grace to be able to find My Heart full of love for them and through My Heart to find the love of God and the love of the Virgin holy.

My Heart is your home, so you must always seek to live in Me, to remain in Me. I don't care about your sins and your miseries, I don't demand from you a perfection already accomplished from the beginning to give you shelter in My Heart. I just want confidence! I only want docility to My voice! I just want you to let yourself be carried by Me, so that I can take you safely along the path that is your life on Earth, until I deliver you safely into the arms of Jesus and Mary.

The more you trust Me, the more I will carry you serenely in My arms towards God!
The more you love Me the more I will love you! The more you give to Me, the more I will give all My love to you!
I like to give myself entirely to those souls who give themselves entirely to Me too, and I don't usually deny anything to these souls, everything they ask of Me is always according to My will and to give Me greater joy, pleasure and satisfaction. That is why I like to favor these souls, the little souls, the souls that throw themselves into My arms like a little child into His Father's arm, this soul My Heart usually favors widely and the limit is simply the limitless, that is,

everything I grant to those souls who trust in My goodness.

My love for you My children is so great that not all the wisdom of the Angels, Archangels and the blessed can understand it all. Only in Paradise will you understand how much I loved you, how much I love you, how much good I have done for you!
Come to My Heart always! This Heart that I showed you here is inflamed, burning in flames of love like a sun, which almost explodes, expelling flames throughout the universe. So that My children, I can always fill you with My love, fill you with My Peace, fill you with My grace.

The Most High has entrusted you to Me. The Most High gave you to Me so that I could protect you. The Lord has given you to Me and He has given Me to you. Let that therefore which God has joined together, let not men put asunder. Therefore, children, come to Me, I am very united to you at all times, conform your will to Mine, so that My Plan of Love may finally be fulfilled in the lives of all of you.
Continue to pray My HOLY HOUR of Prayer every Sunday, through it I imprint My sign on your soul, I pour out many blessings and graces upon you, I remove many evils from you and your families, I remove from the world many punishments, I reduce Satan's influence in your life and neutralize his plans to lose your souls.

Continue with My HOLY HOUR OF PRAYER, through which a great and generous shower of blessings descends from Heaven every Sunday over the entire Earth!
I bless you all at this moment generously with all the effective graces of My Most Loving Heart."

Message from Most Holy Mary and from St. Joseph

Message from Most Holy Mary

"-My beloved children! My Immaculate Heart again calls you with all love to enter, remain and persevere ever more in the school of My Immaculate Heart where every day I form you in perfect obedience and fulfillment of the Lord's will, in unreservedly responding to what He asks of you, and above all, in the practice and growth of all the virtues so that you may always be greater in holiness and big in love.
In the school of My Immaculate Heart, I call you to enter there every day, so that I can give you My maternal lessons in prayer, sacrifice, penance, purity, docility, obedience to the will of the Lord, self-forgetfulness, personal mortification, fortitude in suffering, perseverance in good, flight from evil and sin, faithfulness to the grace of the Lord. So that, every day, as students formed and guided directly by Me, I may make you ever more climb the grades of the school of holiness into which I introduce you every day and in which I myself am your Master, I am your guide and I am your light.

In the school of My Immaculate Heart I train all My children who answered yes, making them know more and more God's wisdom, His will, His divine plan of love for each one, so that you, fully formed and taught by Me, you can carry out correctly and quickly, effectively and with fruit the holy will of the Lord, so that your life always produces good fruits and good results of salvation, that is, your daily conversion and conversion of so many of your brothers and my children every day. In this way, I build every day a better world for you and through you, a world where God and I reign in all hearts and where Our Commandments, the Commandments of the Lord are always more the rule, the law and the way through which you all walk towards God every day.

In the school of My Immaculate Heart, I invite all those My children who are far from Me to enter, so that here they too can be formed by Me, educated by Me, led by Me, nourished with the grace of God through Me, so that your life is not a continuous mistake, but a continuous success, that is, a continuous approach to God, a continuous search for God, a continuous and incessant hymn of love to God.

Through you My children, who already know Me, who already obey My Messages and who have already given Me your 'yes', I want to make all My children who still do not know Me to know Me and to love Me.

So go! Take My Messages to them, make Cenacles from house to house, spread My Messages by all the means you can. Witness, show with your word and with your life, that you are Mine, that I am alive and that I am calling all My children Here, in My Apparitions in Jacareí, to know Me, to love Me and to live with Me and through Me and through Me, to reach God.
Continue with all the Prayers that I have given you and commanded you to do, especially with the Holy Rosary , with the Hour of Peace , with the Rosary Crusade, because through these prayers I destroy more and more Satan's plans and bring you closer to Triumph of My Heart.

To all of you at this moment, I bless you generously from LA SALETTE, from TURIN and from JACAREÍ.

Peace! Peace Marcos, My most hardworking and dedicated son. Remain all in My Peace!"

Message from Saint Joseph
"-My beloved children! My LOVING HEART greets you and gives you Peace.
Grow more and more in perfection, in love and holiness for the greater glory of God.

Come to My Most Loving Heart and I will show you the safe path that leads to God and to the Immaculate Virgin. So that, every day, I make you ever closer to Them, to know Their Will and Their Love, to draw from Them the strength, grace and peace that you need. And so, you can always live filled with divine love.
Come closer to My Most Loving Heart, so that every day I may purify you,

beautify you, perfume you and free you from all evil, from all stains of sin and make you always more: grow in virtues, in good and in love. So that your soul may become the abode of God, His holy house, where He and the Immaculate Virgin can dwell and rest forever.
Come to My Most Loving Heart and I will make you holy cities for God, for Mary Immaculate, so that there, within you, They may dwell night and day, fill you ever more with His grace and mercy and give you ever more of His peace, salvation and eternal happiness!

You are holy cities of the Lord, holy cities of Mary Immaculate and you must not and must not allow anything to dirty this city, stain, destroy, make this city impure. For this, always keep active within you: the flame of prayer, the flame of love, good, grace and peace. For this, pray at least 3 hours a day, meditate on all Our Messages, make the Holy Hours of prayer that We have given you, seek ever more to move away from evil and to come closer to the good.
Always try to walk the path that We have drawn for you, despite the weight of the cross that you have to carry every day in these times of great tribulation.

If you do what we told you, you will arrive triumphant in Heaven and through you many thousands of souls will also arrive there. The decision is yours, everything is in your hands. On your act of good will, docility and complete donation to Us depends the salvation of many souls, of many hearts.

Answer 'yes' to Our call! Do not cast into the abyss of perdition so many souls that through you can be saved, if you forget yourself and give yourself as the Saints did for their salvation, working for their salvation, praying for their conversion.

Come to My Most Loving Heart and I will fill you with so much love and so much grace that you will cry with joy.
I am your Father, I am always by your side and no suffering of yours is strange or escapes My gaze. As soon as My Medal is ready, use it. Use My Medal, the Medal of My Heart with confidence and I will transform your life into a sea of graces, of blessings. And, above all, I will enclose you in My Most Loving Heart as never before and there I will give you: peace, affection and protection.

I bless you all at this time generously. I also bless these loaves, I bless all your religious objects, your families and the whole world.

Peace My children, peace Marcos, the most dedicated of My children."

Jacareí, June 19, 2011

Message from Saint Juliana"- Beloved My Brothers! I, JULIANA, servant of the Lord, am very happy to be here with you and to be able to give you My

Message.
You are the holy cities of the Lord, and that is why you must increasingly welcome the Lord who will soon return to you in love and through love. And you must now receive the Lord in your midst, He who comes to you every day in prayer and through the Messages that all Heaven gives in this Place, to take up residence in your heart.
You are the holy cities of the Lord, so you must keep both your streets and your houses always pure and immaculate for the King of Grace and Glory, the Lord. To do so, you must flee from all sin, from all evil and from everything that can soil, stain your soul with the stain of sin. Your soul is a holy city for God and as such it must always be pure and clean.

Cast out of your heart, from your soul, all kinds of garbage, mud and impurity that soil it, that contaminate it. Cast away every kind of attachment to the world and to creatures, all inordinate love for yourselves, for material goods and for the things of this world. So that, truly your intimate, your heart, may be a city always pure, without stain and worthy of the King of Grace, the King of Glory, Our God!
You are holy cities, and therefore you must always keep your soul perfumed, the inner city of your soul perfumed with the sweet and fragrant perfume of all the virtues, cultivating more and more in you: love, purity, kindness, generosity. , charity, patience, fortitude and all those virtues that make your soul most precious in the eyes of God. That transform it into a city whose walls, whose walls, whose walls are made of true mystical gemstones of the most varied virtues, so that the King of Glory, when contemplating your beauty, falls in love with your beauty and delights in cohabiting with you and in the midst of you.

You are the holy cities of the Lord, and for that you must always keep them illuminated, keep the inner city of your soul always illuminated, full of light. And this light you can only keep burning within you through a life of intense prayer, of at least three hours of prayer a day, a lot of meditation on the Messages that Heaven here gives you, the lives of the Saints, His Meditations and examples . So that all darkness, all darkness, may be banished from the city of your soul and it may always be illuminated with the light of eternal truth, grace, love and the presence of the Holy Spirit.
If you do this, you will be true mystical cities, holy cities for God and He and the Blessed Virgin will descend to dwell within you, to live with you, to unite with you and to become one in love with you.

I, JULIANA, am at your side to help you to always be these holy cities, these mystical cities for God and the Mother of God. I will help everyone who turns to Me. I will lead everyone who lets himself be led by Me. I will teach everyone who wants to learn from Me. I will carry in My arms everyone who lets himself be carried by Me. I want to lead you ever further, ever higher on the path of true love for God and the Mother of God!
The Apparitions of Jacareí, these holy and sacred Apparitions of the Sacred United Hearts, of the Angels and Ours of the Saints Here, are for you the great school, the great means that God gives you to learn to become Saints, to become holy cities for God. To become truly new Jerusalems for the Lord,

where He dwells, lives and reigns sovereignly and forever.

We the Saints managed in Our lives to become these holy cities for God, where He always dwelt and reigned with His Mother day and night. We can, we want and we know how to help you also become these holy cities. Therefore, come to Us! We will help you! We will lead you! Therefore, meditate on the Messages we give you Here, make Our Holy Hour of prayer with perseverance every week so that We always lead you on the path of holiness until you become beautiful, holy and precious cities for the Lord.
Continue praying all the prayers given to you here, spreading all the Messages, apparitions and life of the Saints to all souls who still do not know all this spiritual treasure. So that many souls may be touched by grace, converted and finally be able to be saved by the Mercy of God.

These Apparitions of Jacareí are the last sign of God given to the world, they are the last call, the last warning, for everyone to convert before the GREAT WARNING that will come soon, which will shake the consciences of every human being, make everyone see all your sins of your past life without God and that will make many feel such horror at their own sins that they would rather not have been born. Many of these people will see themselves as if they were burning in fire, a fire as terrible as that of hell, but it will not yet be a natural fire, it will be the fire of truth, the fire of the Holy Spirit, the fire of Divine Justice that will show them the their sins as God sees them and these people, these souls, will burn, they will feel an inner pain much worse than if they were inside a big burning oven, burning.
You My brothers, purify yourselves for the day of the WARNING and how should you purify your souls, your consciences? Truly converting yourselves, obeying all the Messages of the Mother of God, living in a state of grace, so that on that unexpected day you will not suffer or even expire from so much suffering that will affect the souls of sinners and those who are not in grace all over the world.

I JULIANA, I love you, I bless you and I give you more and more My peace. Count on Me in all your sufferings, difficulties and doubts. I will be by your side to help you and to protect you always.
I bless everyone at this moment and especially you Marcos, the most dedicated, the most industrious and the dearest of My brothers. Peace Marcos, see you soon!”

Message from the Most Holy Mary
"-My beloved children! Today, on the DAY OF THE BODY OF MY SON JESUS, I come to invite you once again to trust in the promise of My Immaculate Heart that I told you so many times that it will triumph.
YES, MY HEART IT WILL TRIUMPH AND WITH MY HEART THE EUCHARISTIC HEART OF JESUS WILL
TRIUMPH in My Apparitions Here, to make amends to the Heart of My Son

Jesus and Mine, so offended by the sins that are committed every day by ungrateful humanity, as well as to encourage you in the hope that after this time of the great apostasy in which you live, and that covers humanity and the church with wounds, OUR HEARTS WILL TRIUMPH. And then a new time of peace, happiness and grace will come for you, where all of you My children, who love Me, who obey Me, who suffer because of Me, because of the truth, you will all be crowned with victory, crowned with happiness. and of joy.

THE TRIUMPH OF THE EUCHARISTIC HEART OF JESUS WILL MATCH THE GREATEST TRIUMPH OF MY IMMACULATE HEART!
At the most appropriate moment and determined by divine wisdom, at the moment least expected by blind humanity, My Heart will triumph and with Him the Eucharistic Heart of My Son will triumph, making the splendors of Our Grace, Our Love and Our Glory shine. the whole world!
The Eucharistic Heart of Jesus will triumph united to My Heart, and this Triumph is and will be prepared every day by the HEART OF MY VERY CHESTY HUSBAND JOSEPH, who makes you grow ever more: the flame of love, the flame of faith, of generosity, obedience and the complete donation of yourselves to Me, to My Immaculate Heart and to responding to everything I have asked of you.

By the hands of Joseph, every day Our Triumph is prepared, anticipated and built and it already begins in you, especially in the moments when you, ever more renouncing your disordered will, accept everything that We tell you in Our Messages, you renounce yourselves to accept Our Plan of Love. Then, in you, Our Hearts triumph, truth and Our Heart triumph, Our Hearts are truly enthroned within your heart and Our Triumph takes place, happens and is anticipated in time.

THE EUCHARISTIC HEART OF JESUS WILL TRIUMPH.
And that Triumph every day will grow more and more within you until it reaches its fullness, if you continue to obey Our Messages, to carry the cross of persecution, of misunderstanding, of loneliness and abandonment of the world and even of those you are most expectable love, help and support.
Thus My children, suffering in union with Me and through Me offering your suffering to the Lord every day, you help Me to anticipate the Hour of the Triumph of the Heart of Jesus. When then by His divine power He will overthrow all backsliders, all traitors, all those who have turned His House into a den of serpents. All bad priests, religious and bishops will be expelled from His Holy Church, which will finally be healed from the open wound of apostasy that makes it bleed and agonize. And then, the Church will finally be freed from the errors that now weaken her and make her crumble and she will be beautiful, luminous, pure, completely transfigured with light in imitation of your Heavenly Mother.
If you My children, every day, follow Me along the path of goodness, love, prayer, sacrifice and penance that I have pointed out to you and to which I have called you, then you will triumph with Me and with the Eucharistic Heart of Jesus. And then My children, I will be able to safely introduce you into the new time, into the new era of the Triumph of Our United Hearts.

I'VE TOLD YOU MANY TIMES THAT THE WARNING IS NEAR, BUT THE WORLD DOESN'T PAY ATTENTION TO THE WARNINGS I GIVE ABOUT EVERYTHING THAT MUST HAPPEN.
FOR THE BAD PRIESTS WHO RUINED THE HOLY THINGS, WHO TEACHED THE MISTAKES AND DRAGGED MILLIONS OF SOULS AFTER THEM, THE DAY OF WARNING WILL BE A DAY OF DREAM AND DESPERATION MY CHILDREN! THEY WILL PULL THE HAIR OUT OF YOUR HEAD, THEY WILL CURSE YOUR BETRAYAL TO GOD, BUT IT WILL BE TOO LATE FOR THEM. THE TIME OF MERCY VISITED THEM, BUT THEY DID NOT WANT TO ACKNOWLEDGE HIM AND WITH THEM ALL WHO FOLLOWED THEM WILL NOT BE FORGIVEN, ALL WHO LOVED THEM MORE THAN ME, WHO LOVED THEIR EVIL WORDS MORE THAN MY WORDS , WHO PREFERRED TO BELIEVE IN THEM THAN BELIEVE IN ME, WHO AM YOUR MOTHER.
THEREFORE, MY CHILDREN, IF YOU DO NOT WANT TO SUFFER THE BIGGEST PAINS OF YOUR SOUL ON THE DAY OF THE WARNING, I SURPRISE YOU:
CONVERT WITHOUT DELAY!
LISTEN TO MY VOICE WHILE IT IS STILL LETTING IT BE HEARD BY YOU.
Come to me! Return to My Heart, let yourself be formed by Me in the direction of holiness and I will take you in My arms and lead you.
To My children who cannot receive Communion because they are persecuted because of My Apparitions, I repeat what I said in Erechim:
MY CHILDREN WILL MAKE SPIRITUAL COMMUNIONS AND THIS WILL BE ACCEPTED BY MY DIVINE SON JESUS CHRIST, WHO DOES NOT COMPACT, WHO IS NOT COMPLIANCE AND DO NOT PARTICIPATE IN INJUSTICES DONE TO MY LITTLE CHILDREN WHO LOVE ME, OBEY ME AND FOLLOW MY VOICE. THEREFORE, MY CHILDREN, BE QUIET BEFORE GOD, YOU ARE IN PEACE AND IN FRIENDSHIP WITH HIM AND WITH HIM.

GO FORWARD, BY THE ROSARY WE WILL TRIUMPH, BY PENITENCE AND BY LOVE WE WILL TRIUMPHATE.
I AM WITH YOU AND HAVE HOPE MY CHILDREN! YOUR CALVARY IS ABOUT TO END, AND SOON THE GLORIOUS DAWN OF THE RESURRECTION AND FREEDOM FROM ALL THE CURRENT EVILS OF THE WORLD THAT NOW HAS OPPRESSED YOU WILL RISE.
I bless you all at this moment generously, from GARABANDAL, from MEDJUGORJE and from JACAREÍ.
Peace My children! Beloved Marcos Peace."

COMMEMORATION OF THE 30TH ANNIVERSARY OF THE APPARITIONS OF MEDJUGORJE

Message from the Blessed Virgin Mary

“- My dear children, today you contemplate and celebrate the 30th anniversary of My Apparitions in Medjugorje. You are still celebrating yesterday's great feast, the feast of the whole of Paradise, the feast of the children of My Immaculate Heart, of all the souls of good will who are still on this world. Feast of all those who have already answered YES and who walk with Me along the path of love, goodness, grace and peace.

The thirty years of My Apparitions, of My Apparitions in Medjugorje, are the greatest proof of the love of My Immaculate Heart for you My children whom I love so much and whom I so desire to save and lead to Heaven.

The thirty years of My Apparitions in Medjugorje are the greatest proof of how much I have given myself entirely to rescue all My children from the path of death and sin, eternal death and sin. To call them and lead them back to the Father's house on the path of conversion, prayer, love, grace, purity, penance and peace.

In these thirty years of My Apparitions in Medjugorje, I have not missed a single day of calling you every day to conversion, of showing you every day how much I love you and how much I desire to lead each one of you on the path of peace. , of happiness already on this Earth and later, with Me in Paradise.
The thirty years of My Apparitions in Medjugorje are the URGENT CALL, the LAST WARNING that God sends to the World for its conversion through Me.
AFTER THE APPARITIONS OF MEDJUGORJE END, I WILL NEVER RETURN TO THIS WORLD AGAIN! THEREFORE, MY CHILDREN, THIS TIME IN WHICH I AM APPEARING IN MEDJUGORJE AND HERE IN JACAREÍ, IS A TIME OF GRACE, UNIQUE, SINGULAR, UNREPEABLE THAT WILL NEVER BE GIVEN TO HUMANITY AGAIN.
Take advantage of it so that you can truly convert yourselves sincerely and advance on the path of love, grace, conversion, holiness and peace. Otherwise My children, on the day of the Warning and the Punishment, your despair will be great because you have seen that you have thrown away the precious days of this time in which I am with you and that you have misused all the graces that I have given you throughout My Apparitions. .
The thirty years of My Apparitions in Medjugorje are the ardent sign of how much My Immaculate Heart has already done for all of this humanity, for My children, for Catholics, for Christians of the chosen race of My Divine Son Jesus Christ and how much My Heart it has ceased to give, day after day, countless opportunities for regeneration and conversion to all My children. Therefore, little children, this time, which is a time of great grace for all of you, is also a time of great responsibility for all of you and He will be charged from you day by day and grace by grace that you did not take advantage of to put My Messages in practice in your lives and to truly become saints.
Think how much My Immaculate Heart over these thirty years has struggled and struggled to save each one of you and for My Messages to reach each one of you. And see My children, if anyone could love you more than I do and if anyone could do more for you than I did...
I therefore call you My children, to respond to the love of My Immaculate Heart

and not to linger any longer in your indifference, in your indecision, in your sin, still remaining attached to the things of this world, of the earth... disordered will, but I call you to give yourselves unreservedly and unconditionally to Me so that I can carry out in you the great plan of the Lord and of My Immaculate Heart that encompasses Medjugorje, Jacareí, My Apparitions spread throughout the Earth and each one of you too My dear children.
Finally, today, I invite you to imitate the perseverance of My beloved children, My visionaries of Medjugorje, My Medjugorjan people who have been faithful to Me for thirty years, and the perseverance and fidelity of My Little Son Marcos who has remained for twenty years: imperturbable, zealous, ardent in My school of holiness and love so that, little children, My plan may also be carried out in you without any obstacles or delay and I can make My Flame of Love erupt in you and through you POWERFULLY with His effective graces of conversion and salvation for the whole world.
Today, on the 30th anniversary of My Apparitions in Medjugorje, which you are still celebrating, I bless you all with the love of FÁTIMA..., of MEDJUGORJE..., and of JACAREÍ.

Our Plans, THE PLANS OF OUR SACRED HEARTS ARE PLAYING OUT PERFECTLY everywhere on Earth despite the devil, despite the ill-willed souls, the traitors, the infidels, the undesirables, the lazy, the languid, the hard-hearted .
Our Plans are always advancing and those souls who are of the truth, hear Our Messages, recognize Our Voice and approach Us, they give themselves completely to Us and in the lives of these souls, We are performing great holy works, works of grace, transforming them into a beautiful and wonderful garden to offer to the Holy Trinity.
Our Plans unfold perfectly in all the places of Our Apparitions despite the obstacles that the devil and men of ill will put in his way because Our Hearts, already predicted all this and were aware of everything and Our Hearts, therefore, they will know how to triumph with glory and power over all the forces of darkness.

From you My children, I ask for ever more prayer, docility and obedience to Our Voice so that, in you, Our Grace will never find any obstacle, rival or wall, any barrier that prevents the influx of Our love from flowing into you and through you. from you to the whole world.
If you do not put resistance to Our Messages in your hearts, then Our grace will erupt powerfully and all souls will be carried away by your good example of holiness, prayer, love and peace and they will all want to follow you on the path of salvation. by which We call you and are guiding you throughout all these years...
My Most Loving Heart Will Triumph! And with Him, with this Triumph, I will bring you all a new time of joy, happiness and Peace.

I bless you all at this time generously."

EARLY PARTY FOR THE 64TH ANNIVERSARY OF THE APPARITIONS OF MONTCHIARI
Message from the Divine Holy Spirit
"-My chosen souls! I THE HOLY SPIRIT, Spirit of JESUS, Third Person of the Holy Trinity, come to you today with MARY IMMACULATE, My divine Spouse, to call you once more to My Love, to accept My Love and to let yourself be guided and led by My Love to Heaven.

You are My cities, you are My abodes and in you I desire to dwell to fill you with My Grace, with My holiness, with My purity and My love, in order to transform you into a beautiful work of glorifying My Name, of exaltation of the Trinity, and, above all, of great salvation for yourselves.

You are My holy cities, and this is what I desire: I desire to perfume you, to perfume your streets, that is, your hearts, your souls, until they truly become fragrant gardens, very pure gardens where My grace , where the perfume of My grace and My holiness spreads more and more and replaces the stench of sin, exchanging it for the sweet odor of all the virtues, which are so dear to Me, especially the virtue of Love!

You are My holy cities, which are now in ruins... My adversary has ruined you... This corrupt and corrupting, perverse and perverting world has ruined you, for it has laid your walls on the ground, has torn down your houses a one by one, he split all your wells, turned you into deserts where only scorpions and vipers live, that is, where only sins, miseries and vices grow. But I, the LORD, come

to rebuild your cities, to rebuild your walls, to rebuild your houses, to make your wells overflow with pure, crystalline water until your streets are transformed into rivers. I come to transform your souls from arid and parched deserts into new gardens of grace, beauty and holiness.

You are My holy cities and I will rebuild you, says the Lord. I will blow on you strongly, I will pour out My Spirit of life on you and you will then live. I will make your corpses, you, O sinners, who died a long time ago spiritually for your sins. I will make your corpses rise, I will give them new life by breathing on you, breathing on you with My Spirit, My breath of life and you will live again! You will be a holy people to Me your God. You will praise Me, you will love Me again and you will truly live for Me. I will turn your hearts to Me and your whole life will be for Me, with Me and in Me. I will make the ancient flowers of your virtues bloom again and I will transform you into a garden of rare beauty. I will make your lands that were dry and arid, now turn into beautiful vines,

You are My holy cities, which you were ruined and destroyed by sin, but My power, which is greater than all evil, will revive you again. I will heal your wounds, I will close all the wounds that sin and that My adversary, the devil, has opened in your souls, and I will give you a new and effulgent beauty. I will transform your rags into royal garments of astonishing beauty and exceedingly pleasing to Me, in the eyes of your God. I will give you a new inner beauty that will surpass even the beauty of the stars in Heaven. If you are docile to Me, if you allow yourself to be transformed by Me, through the Messages of My Heavenly Spouse, the VIRGIN MARY, I will perform in you this work of grace, love, salvation, beauty and the glorification of My Name.

You are My cities, but you have replaced My Throne that was at the highest point of your city, of your soul, and you have put in its place an impious throne: of love for yourselves, of love for the world, of sin, of love for the devil , who hides behind sin. You have replaced My presence, the presence of My divinity in your soul, with the presence of evil, sin, disorderly love for yourselves and for creatures. But behold, I come strong and mighty, to overthrow that wicked throne to the ground, to break it down until there is no stone left upon it, and to rebuild My Throne, My Royal Throne, in your souls, so that I can sit there as the only Lord, as the only Love, as the only good for your souls...
If you are docile to MARY, My most preferred wife, I will perform in you this great miracle of love, grace and salvation, restoring My Throne to the highest point of your soul, from where I will shed My divine light on all your being, illuminating it and filling it more and more with the influxes of My grace, My Love and My own real divinity.
I am the Spouse of your souls, I am a jealous Spouse and I do not admit sharing. I do not admit that you love Me and that you have other loves within you, cohabiting with My Love.
I want you only for Me! I want you only Mine!
Therefore, I will destroy within you everything that I am not, everything that is different, contrary or opposite to My Love, so that you are uniquely and exclusively Mine for all eternity, because I love you so much! I love you with a love that if it were fire, if it were natural fire, it would melt all created elements, melt the entire universe, consume, dilute the entire universe in the fire of My

Love.

I LOVE YOU SO MUCH! AND I WANT YOU COMPLETELY AND EXCLUSIVELY FOR ME.
COME TO ME THROUGH MARY, THROUGH MARY AND I WILL NEVER REJECT YOU.
COME TO ME THROUGH MARY AND I WILL GIVE MYSELF TO YOU!
COME TO ME THROUGH MARY AND I WILL GIVE YOU ALL THE TREASURES OF MY POWER AND MY GRACE, CUMULATING AND ENRICHING YOU, BECOME A PART OF MY OWN REAL FAMILY AND PARTICIPANTS IN MY ETERNAL HAPPINESS.
COME TO ME BY MARY! COMPLETELY GIVE YOURSELF TO ME THROUGH MARY AND I WILL COMPLETELY GIVE YOURSELF TO YOU TO LIVE WITH YOU FOREVER!
I, THE HOLY SPIRIT, CHOSE THIS PLACE, THIS HOLY AND SACRED PLACE TO BE MY THRONE, MY TABERNACLE, TO BE MY HOLY OF HOLY PLACES.
AS MOSES TAKE OFF HIS SANDALS BEFORE THE BURNING SARSA WHERE MY DIVINITY WAS MANIFESTED TO HIM, SO ALSO THIS PLACE, WHICH IS AS HOLY AS THAT OF MOUNT SINAI, IS FOR YOU THE PLACE WHERE I WANT TO FEED YOUR SOULS, CUMULATE YOUR SOULS MY LOVE, FILL THEM UNTIL THEY FULL OVERFLOW WITH THE FIRE AND GRACE OF MY LOVE.
THIS PLACE CHOSEN BEFORE ALL CENTURIES TO BE ENTIRELY MINE, TO BE ENTIRELY HOLY MARY'S, IS SACRED AND NO BLASPHEMY AGAINST HIM WILL BE FORGIVEN, BECAUSE IT WILL BE A BLASPHEMY MADE ENTIRELY TO ME, THUS I CHOSE AND PREPARED IT.
NO BLASPHEMY AGAINST MY APPARITIONS HERE, AGAINST THE APPARITIONS OF MY FAVORITE WIFE MARY HERE, WILL NEVER BE FORGIVEN! BECAUSE IT IS A BLASPHEMY MADE DIRECTLY TO ME THE AUTHOR OF THESE APPARITIONS, THE AUTHOR OF THIS WORK OF SALVATION THAT I HERE PERFORM FOR THE WHOLE WORLD.
BEWARE OF BLASPHEMING AGAINST ME, BECAUSE THESE BLASPHEMIES WILL NEVER BE FORGIVEN, THEY WILL NEVER BE CLEANED FROM THE BOOK OF LIFE AND THE BOOK OF JUSTICE AND SOON I WILL SEND THE GRIEF ANGEL TO HARVEST ALL THOSE WHO HAVE SINNED AGAINST ME, WHO HAVE SINNED AGAINST MY DEAREST WIFE IN THIS HOLY PLACE.

You My children, do not be like these wicked ones, praise Me, bless Me, glorify Me, thank Me, because I chose this place beforehand and here I poured out My grace as a true deluge for you. Here I have taught you justice, equity, righteousness, holiness, the true love that you must have for Me and that I expect from you. Here I teach you to save your souls and the souls of your brothers. Here I teach you My Laws, My commandments, what truly pleases Me. Here I have given you to taste a singular sip of My Love, which I have not given to many generations, which so many kings and nations have wanted to taste and have not tasted. And yet, I have given you to taste the sweetness of My Love, I have made known to you the depths of My goodness.

DON'T BE UNGRATEFUL! DO NOT REJECT SO MUCH LOVE THAT I GAVE YOU AND THAT I OFFER YOU HERE. OPEN ME THE DOORS OF YOUR HEART, LET ME ENTER IT, TRANSFORM IT COMPLETELY, BECAUSE I LOVE YOU SO MUCH, BECAUSE I CHOOSE YOU AND CALL TO ME BEFORE YOU LEFT YOUR MOTHERS WOMBS.
TO YOU, TO WHOM I GAVE SO MUCH, SO MUCH MORE LOVE I ASK AND I HOPE FROM YOU!

I bless you all, at this moment, with My most favorite Spouse, MARY, all of you My children that I love so much, your religious objects, your Rosaries and everything that you are taking from here in this holy place to be made known. And I especially bless you Marcos, the most dedicated, the most hardworking and hardworking of My children.
Peace to all of you My beloved children."

Message from Saint Joseph
"-Dear children, My most loving Heart today blesses you once more and gives you peace. My Most Loving Heart calls you close to Him, to Me, your Father, who I love you so much and invite you to follow more and more along the road that I have pointed out to you in My Messages.
My Most Loving Heart teaches you today how you must do to please the Most High and be heard by Him in your prayers: being exactly as I was, completely conforming to the will of the Lord and totally docile to His will. In this way, the Lord will be pleased with you, seeing you well disposed inwardly to fulfill his divine will, which is always just, right and holy. When the Lord finds a soul fully according to His will, He gives the soul the fullness of inner peace and the perfect joy of the spirit. That is why I was always in complete inner peace and joy even in the greatest sufferings and trials, because my will and My Heart were always conformed to the divine goodwill of the Most High in all circumstances. It is to this fullness of inner peace and to this perfect joy that I wish to bring you through My Apparitions here in Jacareí. Let yourself be led by Me and I will fill you with the peace of Heaven.
Pray. Pray. Pray. I bless everyone today with love, and especially you Marcos, My beloved son."

Message from the Angel Manuel

"-Marcos, My beloved friend, today, I bless you again and give you the My peace. True devotion to Us, the Holy Angels, leads the soul to true devotion to Saint Joseph through a sure path of love, trust, generosity, total donation and

complete obedience to Saint Joseph.
The more the soul loves us and lets itself be led by Us, the more it grows in this true love for Saint Joseph. Through Our Hour, the Hour of the Angels, and the perfect imitation of Our virtues, We teach the soul how it must love Saint Joseph, how it must obey Saint Joseph in everything to fulfill God's will perfectly. If the soul is docile to Us, We help it to grow more and more in the virtues that are most dear to Saint Joseph, especially that of love, and we make it advance more and more towards the perfect holiness that pleases Him. In order to please Saint Joseph, the soul must be completely purified from its own 'I', that is, from the disordered love of its own will, in order to be entirely as Saint Joseph was: according to the will of the Lord always. I started saying 'no' your small attachments and you will more easily be able to overcome the big disordered attachments. I, Manuel, promise to help everyone who, with trust and docility, trusts Me and asks for My heavenly help.
I bless you all at this moment with love."

Message from Saint Joseph

"-My children, My MOST LOVELY HEART blesses you today once again and gives you peace.
Grow more each day in true devotion to My MOST LOVELY HEART, living each day more in My presence, in My love, responding with all your heart to My call and growing more and more in true trust and dependence on My Love, exactly as ISAAC did with his father ABRAHAM.
Isaac loved his father ABRAHAM so much that he did not challenge him, not even when the father asked his son where was the sacrifice to be offered to the Lord and the father replied: 'The Lord will provide. '
Isaac trusted his father, trusted that his father knew perfectly well everything he was doing and what he was going to do. And when Isaac saw that the sacrifice would be himself, he did not resist his father, he did not object, he did not resist what the father should do. He trusted him, even though it was against all his principles, against his very nature, against his understanding. He trusted his father and the Lord gave the prize to ABRAHAM and ISAAC blessing them and making them patriarchs of all the people of God.
If you too have true trust with Me, true love, true dependence, true filial love, such as ISAAC had for his father. If you trust that what I do for you, that the work that I do in you through My Messages is holy and that I know where I am leading you. And if you let yourselves be guided, docilely lead by Me, even if that means leading you, through sacrifices, in the midst of sacrifices and sufferings, which you do not understand, which you do not understand. If you trust, if you let yourself be led by Me, you too will be rewarded with the blessing of the Most High, with the blessing of the Lord, just like ABRAHAM, just like ISAAC were.
See that I call you to complete trust in My Love, that I call you to complete, unrestricted trust in My Love. I want from you a confidence identical to that which ISAAC had for his father. Only in this way will I be able to guide you and lead you along the road: of Love, of goodness, of grace and peace.
Today, I bless you, all of you who hear My Message through the hoarse voice

of My son Marcos, who has a cold, who has resisted until now so that I could transmit My Message to you.
See, little children, that My Love never tires of teaching you the true devotion to Me that I expect of you and that you must have. From you to whom I teach so much, I expect more and more the perfect practice of My lessons of love.
Onward, My little students! Practice what I teach you! Because in My words is contained great wisdom that is withheld from the proud in heart, but that is revealed and taught to the pure, the humble, the simple in spirit.
I bless you all at this moment with love."

Message from Santa Ana

"-My beloved children, this week when you will celebrate My day, I, ANA, Mother of the Virgin Mary, servant of the Lord, come once again to bless you, to give you My Peace and to call you to grow ever more in the Love of God, being true lilies and lilies of the Lord, where He can feel the soft and pleasant perfume of love, purity, goodness and all virtues in you.

Be the lilies of the Lord, growing ever more in the virtue of love, which pleases the Lord and which gives eternal value to all your works and prayers. So that every day your soul exhales the sweet and fragrant perfume of divine love, of supreme charity, to perfume this world filled with the stench of hatred, sin, rebellion against God. So that your perfume of love spreads more and more and goes further, transforming the rotten swamps of the souls of so many Our children who are in sin, to become again: beautiful, flowery and fragrant gardens to please the Lord Our God.

Be the lilies and the lilies of the Lord, growing ever more in the virtue of the purity that so pleases the Lord, above all, the purity of the heart, fleeing ever more from occasions of sin and from everything that disgusts, hurts, offends the Lord, to may the Holy Spirit truly dwell in your souls, may he always dwell within your hearts and never leave your souls saddened by your sins. So that, day by day, all the virtues and all the fruits of the Holy Spirit may grow in you. And may He ever more delight you with His holy Gifts, performing in you holy works of great value that give satisfaction, joy and contentment to the Most High.

Be the lilies and the lilies of the Lord, trying every day to obey more and more the Messages that My BLESSED Daughter MARY has given you here, so that each day you get closer to the Lord and to Her, you always move further away from the swamp of sin where stable stuck before. And more and more may your souls become luminous stars of perfection, holiness and love before the Lord.

If you are these lilies and lilies that I invite you to be, you will every day give My Daughter MARY a spiritual mystical crown of many lilies and lilies, which will

please her very much and which will make her pour out on you the most abundant blessings and graces from Her Immaculate Heart.
All my life I have been a lily and a very pure lily of the Lord, seeking in everything and for everything to do the will of the Most High, cultivating in myself the most varied and rich virtues, always trying to make my life a perfect hymn of love to the Lord!

If you imitate My life, you will follow the same path that I walked, and then you will surely arrive at that perfect holiness, which the Holy Trinity so desires and expects from you.
I am with you, My little children! You who are the children of My daughter Mary. I am your Mother too, I take care of you! I am by your side at all times to help you to overcome not only your defects and your interior miseries, but also to overcome all the trials and difficulties of this life and be able to be faithful to the Lord until the end, and together with the My daughter Mary the IMMACULATE CONCEPTION, may you crush ever more the head of Satan and sin with your holiness, with your love and with your life ever more hidden and immersed in Her Immaculate Heart.
I, ANA, extend My Mantle of protection and love over all of you at this moment and I pour out on you the most abundant blessings of My Maternal Heart... (Big Pause)

I have already blessed you My children!
This Sanctuary, this holy place, is the place where Heaven has made His throne and pours out abundantly the graces of salvation and peace for all!
Here is My throne! Here is My second home in Nazareth , where I, where My daughter Mary, where My husband Joaquim, where God Himself dwell day and night.
Come here to pray always!
Come here in procession!
Come here for meditation and prayer!
Come here to meditate Our Messages!
Come here to meditate on the pains of My Most Holy Daughter Mary, which are so forgotten.
Come here and here you will find Me forever loving, protecting and comforting you...
To all I leave My peace. Peace Marcos, My most beloved son that I love so much. You, who work so hard for My Daughter MARY, who are so dedicated to Her, I pour out on you at that moment a particular blessing from My Heart."

Message from the Most Holy Mary

"-My beloved children, today, when the day of My Birthday, which you will celebrate this week, is approaching, I want to tell you that you are the precious gift that My Immaculate Heart received from the Hands of My Divine Son and that bring so much love and joy to MY HEART!

Here, in these Apparitions of Jacareí, where I am ardently loved by My son Marcos, who did great things for Me, an immense work summarized in all the MEDITTED ROSES he made, in all the HOURS OF PRAYER , in all the FILMS OF MY APPARITIONS, of the LIFE OF THE SAINTS and in everything else that he will still do, and in you who correspond to Me, who obey Me and who follow Me every day with love and docility, I received from Hands of My

divine Son Jesus Christ the most precious birthday present ever!

Here, in these Apparitions of Jacareí, where My son Marcos has already performed, he will not perform yet, he has already accomplished the greatest of all works which was to make My Meditated Rosary with My Messages prayed, loved every day by so many of My children ! He made My Messages of Peace, the Messages of My husband SAINT JOSEPH and His glories known to Our children in Our Hours of Prayer, as never before in the history of mankind. He, My son Marcos, who made the glories of the Saints, with the most high teachings of the Saints, become known to all My children in the HOURS OF THE SAINTS .

He who made the courage, the power, the imminence of the Holy Angels known, to be loved by all My children in HOUR OF THE HOLY ANGELS .
He made the Heart of My Divine Son JESUS CHRIST to be loved and known as never before by the HOUR OF MY SACRED HEART .
He who made the HOLY SPIRIT known, sought, loved and served with a faithful heart by all who pray the HOUR OF THE HOLY SPIRIT.

He who made the THIRD OF MY TEARS known, loved and prayed for by My children with ardent love every day... Who made My Apparitions and Messages to My little daughter AMÁLIA AGUIRRE in which I revealed the devotion of My blessed Tears to be known as never before for My Brazilian children and even outside Brazil.

He who has made all My Appearances, especially that of LA SALETTE , from FÁTIMA , from LOURDES , from MONTCHIARI and all the others, until the most unknown are known, loved by all My children.

This beloved son of Mine who has already accomplished the greatest work of all times, has already given Me the greatest birthday present of all times for humanity, giving Me what I most wanted: that I be known and loved by all My children. , through these films, these Holy Hours of Prayer, the dissemination of My Messages, giving Me hearts, hearts that were conquered by the work of this My son Marcos. Hearts that are now surrendered at My feet and in which I have already begun to reign as sovereign Queen and absolute Empress of them all.

In this My son who has already accomplished this great and magnificent work for Me, I see myself loved, glorified, consoled, exalted, fully responded to. And in it I place all My complacency, all My benevolence and all My love! And the same, the same love, the same affection I also have for all My children who have heartily responded to My call here throughout all these years, who have helped My little son Marcos to divulge the treasures that I have here in My Apparitions given to the whole world. Who have been industrious little bees and along with him have made Me better known, more loved, responded to and obeyed by all My children.

To all these My children who fight for this My Sanctuary, who help this Chapel of Mine, who help this work of salvation of Mine to come to the knowledge of all

My children in order to convert and save them, I give all benevolence, I give all the predilection and all the complacency of My Heart. And in these My children I am fully consoled, fully loved, fully reciprocated, and from these My little children I have already received the most precious and valuable gift that I wanted to receive from My children and that I sought in men, peoples and nations for My Apparitions all over the face of the earth:

THE GIFT OF LOVE, OF TRUE LOVE, OF FAITHFUL, LOYAL,
JUST, WARM AND HOLY LOVE.

Here, where I received from My son Marcos and from My children who loved Me with him and answered yes and gave Me their whole heart, I received the greatest praise fulfilling what My divine Son said: `From the little ones and from those who still mamam you took the most perfect praise. '
Yes, from My tiniest children, from the most humble, from the simplest and most unknown in the world, I have here received the highest and most perfect love and praise. To you whom I love so much and to whom I have given so much, I ask:

PERSEVERE IN THIS LOVE!
Continue praying all the Prayers that I have given you and asked for. I continued making Me known and loved by all My children who still do not know Me, so that they all feel My love, know My love and come to the arms of the Mother of Heaven who calls them without ceasing. To you who are My family, who are the guests at My table, in My house, who are those My children whose clothes are lined inside and out, that is, to whom I review the virtues proper to My Heart, to that in imitation of Me you may be perfect, holy and burning with love for the Lord as I was. Today, at this moment, I bless you generously from MONTCHIARI , from HAROLDSBACH, from MEDJUGORJE and from JACAREÍ.
May your joy be full My children! Rest in the Peace of the Lord. Your Heavenly Mother
loves you very much, never forget it:

YOU ARE MINE AND I AM ALL YOURS.

Peace!"

MESSAGE FROM MARIA DE ÁGREDA (Elected Seer of the Most Holy Mary to whom the hidden life of the Virgin Mother of God was revealed and transcribed into the Book Mystic City of God in the years 1655-1660)

“-My beloved brothers, I, MARY OF AGREDA, servant of the VIRGIN MARY, your sister, servant of the Lord, come to give you on this day the blessing of peace, the graces of the IMMACULATE HEART OF MARY and the Mystery of the IMMACULATE CONCEPTION OF THE MOTHER OF GOD, and also to say to you:
Be the true children of Mary Immaculate, imitating her virginal purity, imitating her burning love for the Lord, imitating her complete obedience to the Most High in all her hidden and mysterious designs, following her more and more along the path of prayer, of penance , of the conversion and of the perfection pointed out by her to you here throughout all these years. In this way you will be true children of Mary Immaculate, you will truly be of the blessed race of Her who is the Woman clothed with the Sun, and in you there will be no resemblance to the race of the serpent, which is the race of sinners, of the enemies of God, of those who with their bad life offend and do everything against God, contrary to God's will. And then, I My brothers, will also be able to help you every day,
Be the true children of Mary Immaculate, making every day of your life a continuous, total, profound and unrestricted yes to God and to Her, following in the footsteps of Mary Immaculate, Her most holy examples left by her to you as a path sure and sure way by which you can reach God in Heaven. This path, whose examples shine for you like the stars of Heaven and which I very well left written and recorded for you in the books of Her life:

MYSTIC CITY OF GOD

So that you can truly walk along the path of holiness, purity, goodness, the friendship of God, and the perfection of all virtues in the highest degree all the days of your life.
Whoever follows the example of Mary Immaculate by reading the books Mystic City of God, which contains all Her life revealed to Me, will not get lost, will not err on the way. In these souls Satan will have no influence and these souls will fly swift as eagles in the Heaven of True Love for God and the Immaculate Virgin. If you collaborate with grace, if you pray a lot, if you do not offer an obstacle to the action of the Mother of God and to the formation that She offers the MYSTIC CITY OF GOD in the books of Her life, then this soul will truly fly like a free bird and not it will never be tied to the misery of the Earth by a bond of love or any disordered attachment, it will fly yes, the flight of grace with agility, lightness, smoothness and speed. And soon he will arrive at the abode of the Most High, at the Sanctuary of the eternal God, where only those who have clean hands, a pure heart, who are not vain, can enter.

Be true children of Mary Immaculate, seeking ever more to imitate her supernatural love for God, the love she had for God in pure transformation and which made her do everything, suffer everything, bear everything, accomplish everything and hope in this love in pure transformation. for God.
Mary Immaculate had this love in pure transformation, this love in finished and sublime perfection. So that she was always immersed in God, immersed in divine transcendence, in His grace, in His divine will. And so all her actions had unlimited, incalculable, almost infinite supernatural value to the pure

creature. And so everything she did was extremely pleasing to God and beneficial for the salvation of humanity.
And if you, though miserable mortals, also have love in pure transformation in you, all your works will acquire great value before the Most High, both for your salvation and for the salvation of the world. And the Blessed Virgin herself will unite her love and her merits with your love and your merits, making all this before God of a value, of a weight, of an unparalleled beauty that will enchant the Heart of the Most High Lord even more. than what charmed the beauty of Queen Esther the heart of King Ahasuerus.

You My brothers, imitating this love of the Blessed Virgin, will live longer in Heaven than on Earth, more among the Celestial Arcana than among the misery of terrestrial things. And although you still live in mortal flesh as travelers, you will already live with your heart immersed in that bliss that We the elect enjoy in Heaven, and from your whole being will sprinkle the peace of Heaven, the happiness of Heaven, the grace of Heaven. Heaven and even the glory of Heaven. Souls will see in your whole being emanate a mysterious and unknown peace, unknown grace and unknown happiness that the mortals of this world, so obtuse, so hard of heart, so rebellious to God, do not know and cannot possess.

MESSAGE FROM BLESSED MARY

“- Beloved children of mine, today, when you are still celebrating MY BIRTHDAY here, I come once more to bless you, to fill you with My grace, with My love, with My Mercy and tell you:
You, My children who love Me, are the most precious gift you can give Me on My Feast day.
You are My most precious gift because every day of your life you have made an effort to love Me, to obey Me, to make Me known and loved by all My children. And that is why in you I find My delights, I find My rest, I find My rest, I find My own features in your souls, you are already beginning to resemble Me, your heavenly Mother, and to take on My features, or that is, you have the same virtues that I had and you begin to have a little of that love with which I have always lived on fire. Therefore, in you who strive every day to resemble your Heavenly Mother, I am consoled, I am loved, I am glorified and in you I find and from you I receive the greatest and most beautiful gift.
You are the most beautiful birthday gift for your Heavenly Mother, because you have accepted My maternal requests: for PRAYER, for SACRIFICE and for PENANCE.

Yea! Thanks to My little son Marcos, who has always obeyed Me in everything and who is the hardest and most dedicated of My children, you have received THREETEN, SETENA, My MEDITTED ROSARY with the Messages of My Apparitions from all over the world, the TIME OF PEACE , of My husband SAINT JOSÉ, all the other Hours of Prayer. And now you do what I want, you pray a lot every day, thanks to these Hours of Prayer.

There is now so much prayer! So many THREETENS! So many SEVENTS! So many ROSES! So many Holy Hours that you spend with Me,

with My husband JOSÉ, with My son Jesus and also with all the Angels and Saints, contemplating the Love of God, contemplating the Word of God, learning here the holiness that pleases God, learning from Me , of My Maternal Messages the perfect way to serve the Lord, to avoid evil and to save your souls. There is now so much... so much prayer! And this is what I always wanted, this is what I wanted from the beginning of My Apparitions here, to give you a solid, powerful prayer program to convert and save you, ardent, exquisite. And this was all done for your salvation and given to you by My little son Mark, of whom I am enormously proud today and who has been a precious gift,

In this My son I am pleased! In this My child I see myself fully reciprocated, loved, obeyed, followed, served and glorified. And through the works of his hands that will remain until the end of the world, I will continue to guide generations and generations, even after My Appearances end here every day. And these generations nourished, nourished directly and personally by Me, by My Messages recorded in these Holy Hours, My Heart will always produce saints and more saints, whose resounding holiness of their lives will give incessant eternal glory to the Lord God for all the centuries of centuries.

In you My children and in My son Marcos, I receive the most beautiful and precious gift because you have listened to Me, because you have renounced yourselves, your will, the world, even your way of thinking in order to conform yourself, to shape yourselves. to My maternal will, to My maternal will. And so in you I can continue the work of conversion and salvation every day, tearing down obstacle by obstacle, rival by rival, attachment by attachment, disordered love by disordered love that still exists within you. And I can every day in your heart, plant the flag of My greatest victory and the victory of the Lord.
In you, who correspond to Me every day, I am glorified, I am comforted, I am loved and I proclaim My greatest victory over My eternal adversary, over Satan.

This place of the Apparitions of Jacareí, which is dear to Me as the apple of My eyes, as the deepest and most intimate fiber of My Heart and which I love with all My truth, is the sign of My great love for the whole world. It is a great sign of how much I fight to save all My children, of how much I favored the ungrateful and sinful humanity in these evil times of rebellion against God and His Law of Love, of how much I forgot the hurts and offenses I received from you, I unfolded even more to love you, to save you, to benefit you in every way, to pull you out of the clutches of sin and Satan and to return you to God who is your Father who loves you and wants to your salvation at all costs.

My Apparitions here, this dear place, My son Marcos, My slaves of love and all My pilgrim children who truly love Me with all the strength of their heart, here My Immaculate Heart already proclaims His victory because although the world around is a cold, icy desert, full of hate, sin and lack of love for God and Me. But here in this oasis of love, which I planted in this place thanks to a docile heart, thanks to an open heart, thanks to a pure and crystalline heart that answered me yes 20 years ago, here, I perform the greatest wonders of

grace of My IMMACULATE HEART.

I am very happy, I am very happy here! Because in My son Marcos and in the other My children who correspond to Me with love, I already have in their hearts a beautiful, magnificent, luminous throne on which I sit as Queen, Empress and absolute Sovereign.
To everyone on this day, when Heaven and Earth celebrate the BIRTH OF YOUR HEAVENLY MOTHER, which is the dawn of your salvation announcing the arrival of the rising sun, Christ, the Savior, the Redeemer. I bless you all generously now from FÁTIMA, MEDJUGORJE and JACAREÍ.
Peace Marcos, peace to all of you, My beloved children."

FEAST OF THE ASSUMPTION OF BLESSED MARY INTO HEAVEN
Message from the Most Holy Mary

"-My dear children, today, when you celebrate here the FEAST OF MY ASSUMPTION INTO HEAVEN in body and soul, I come once again to tell you:
I AM THE WOMAN CLOTHED WITH SUN.
I AM THE IMMACULATE CONCEPTION.
I AM THE TERRIBLE LADY AS AN ARMY IN BATTLE ORDER.

And in these final times of the great apostasy and the great tribulation in which you live, I shine for you as a sure sign in the stormy sea of your lives, to lead you all victorious over the infernal serpent to God, Our Lord, to be happy at last with He forever in Paradise.
You must follow after My radiance, so that you can walk safely all the days of your life, towards the consummate holiness that God desires for you and expects from each one of you.
I followed after My maternal radiance, every day praying at least three hours a day, as since the beginning of My Apparitions Here I asked you, doing all the HOLY HOURS OF PRAYER that I have given you, meditating deeply on My Messages and always cultivating the your interior life, reading the lives of the Saints, reading the meditations of the Saints, reading the book Imitation of

Christ, the books of My Afonso Maria de Ligório, My Luiz Maria Grignion de Montfort and the Saints who loved Me the most. So that, every day, I can lead you more and more along the path of goodness, of holiness, of burning love for God, so that I can carve My image, My likeness, in your soul. So that as the Mother is immaculate, holy and beautiful, so may her children be holy, pure and immaculate.

Follow after My maternal radiance, letting Me guide you every day, always with docility, never offering Me resistance, renouncing yourself and letting Me lead you along the path of love, sacrifice, penance, purification. , from love and generosity, to your total gift to God. So that, in your life, the divine goodwill of the Most High and My maternal designs of love may be truly fulfilled. And in you, My Plan is carried out without delay, without delay and without any obstacle.

Follow My maternal splendor, letting you be ever more formed by My Messages, letting you ever more enclose within My Immaculate Heart, so that there in My Celestial Garden you can be cultivated, pruned, fertilized more and more, so that you can grow until you become leafy trees full of good fruits, which can finally quench the thirst for God, the hunger for God that so many souls have. And so, in you I can glorify Myself and glorify the Lord more and more.

In these times of the great tribulation in which you live, when the darkness of apostasy, of lack of faith has ended up taking over the world, the church, wounding it, covering it with wounds, making it like a leper... you must follow behind My maternal splendor so that you do not stray from the true faith, from the Catholic faith, to keep in your hearts always immaculate the seed of faith, the treasure of faith. So that the moths and thieves of errors and false teachers that exist today cannot rob you of the treasure of faith, nor corrode the precious treasure of your faith. That's why I show up. That's why I manifested Myself in so many places on Earth, in a new, extraordinary, unprecedented, daily and continuous way for so many years, to keep intact,
You must follow behind the maternal splendor of your Heavenly Mother, fleeing ever more, therefore, from all those who say that it is not obligatory to obey My Messages, that those who do not obey My Messages do not commit mortal sin, that what matters is only the word contained in the Bible. Oh no My children!
I come to remind you of what My divine Son Jesus Christ said!
I come to renew love in you!
I come to renew grace in you!
I come to awaken you from the sleep of sin!
I come in your time to save you from the dangers that threaten you and to reveal to you what God wants you to do in this time, so that you may have the victory in His name.

That's why I show up so much! I even shed tears of blood on My images, to call you all back to the Lord and to show you how much I love you, how much I desire the salvation of all My children.
I have made the radiance of My Glorious Body, of My Name, be perceived by

all My children in My Apparitions spread throughout the world. That is why My children, here, where I shine with a special splendor, with great power and glory. And where I manifest in nature and through My son Marcos, who has already accomplished for Me the greatest work of all times, propagating My Meditated Rosary with My Messages from My Apparitions from all over the world, especially the most unknown, forgotten and despised. He who made My will, My maternal appeals and My tears known to all My children. He who manifested to the world the beauty of the Saints, the beauty of the virtuous life, who manifested to the world how great is the love and mercy of God and of My Heart, of the Heart of My Spouse Joseph with His glories and the charity of the Angels and Saints for all of you. In this My son who has already accomplished this most magnificent work, I manifest My power, I manifest My glory and here in this place where I shine with Great Glory, with great splendor, like a blazing dawn, I show all My children how great, how immense it is My love and how much I desire to have each of My children safe, happy, saved, with Me in Heaven.

That's why I continue here, every day, fighting for you, calling you, always begging you to listen to the echoes of My Immaculate Heart that are My Messages given to you here, with an immense profusion like never before in the history of humanity.
Come My children! Come, for the night falls, the night of the great tribulation, of the predominance of evil and of Satan falls on the world and I desire to gather My sheep, My flock, in My maternal fold. Enter My Immaculate Heart while its door is open and lets itself be found by you.
Come, do not delay any longer! Give me your yes! Because those who are undecided between Me and the world are already with the devil.
Come My children! Because the hour runs fast, the night falls and after the night comes the already glorious day of the new era, of the resurrection, comes the day of the glorious Kingdom of the Heart of My Son Jesus and of My Immaculate Heart.

SOON THE WARNING WILL FALL SURPRISE ON THE WHOLE WORLD. EVERY MAN WILL SEE HIS LIFE, ALL HIS PAST SINS WITH THE LOOK OF GOD AND GREAT WILL BE THE CRYING AND GRINDING OF TEETH THAT WILL BE HEARD IN ALL THE NATIONS OF THE EARTH. A TRIBULATION LIKE NEVER HAS BEEN BEFORE, AND WILL NEVER BE AFTER. THEREFORE, MY CHILDREN, CONVERT YOU WITHOUT DELAY, SEE THAT THE LADY OF THE HOUSE, THE LORD OF THE VINEYARD IS ALREADY TO RETURN. THE NIGHT GOES AHEAD AND IF HE SURPRISES YOU SLEEPING OR DEMOLITING HIS HOUSE, OR EVEN MALTREAT YOUR BROTHERS, THE OTHER SERVANTS OF THE LORD, WITHOUT DOING HIS WILL, WITHOUT BEING FAITHFUL TO HIM. HE WILL SEND HIS FAITHFUL SERVANTS TO BIND YOU HANDS AND FEET AND THROW YOU INTO GEHENA AND INTO THE DARKNESS OUTSIDE, WHERE THERE WILL BE CRYING AND GRINDING OF TEETH FOR EVERY CENTURY OF CENTURY.
CONVERT YOURSELVES, THEREFORE, REFORM YOUR LIFE, REFORM YOUR CUSTOMS, REFORM YOUR WAY OF LIVING. SO THAT IN YOU GOD SEES HIMSELF REFLECTED AS THE SUN IS REFLECTED IN THE

CLEAR AND CLEAR LIGHT OF A LAKE OF PURE WATER. HER LOVE.
COME MY CHILDREN! FAITH IS EXTINGUISHED ON THE EARTH, LOVE COLD AND CRACKS FOREVER...
I CALL THE TRUE APOSTLES OF THE LAST TIMES, WHO I CONCLAIMED IN MY APPEARANCE IN LA SALETTE! THIS IS THE LAST TIME!
LEAVES! BRING MY LIGHT TO ALL MY CHILDREN WHO LAY IN DARKNESS. DON'T WASTE AN HOUR, A MINUTE, A DAY.
SPEAK! RUN! WALK! TAKE MY WORD IN EVERY WAY TO ALL MY CHILDREN! I COUNT WITH YOU MY APOSTLES OF THE LAST TIMES, MY APOSTLES OF THE LAST MINUTE! FOR SOON THE LORD WILL COME TO GIVE EVERY SERVANT ACCORDING TO HIS WORK AND HOW MUCH HAS WORKED.

To all, at this moment I say:
Follow, follow the radiance of My Glorious Body to Heaven, so that every day you can be healed, purified, beautified, enlightened and saved by your Heavenly Mother.

I bless everyone at this moment generously, from LA SALETTE, from HEROLSDSBACH, from SAN DAMIANO and from here in My SANCTUARY OF THE APPARITIONS OF JACAREÍ, who is the apple of My eyes and whom I love with all the truths of My Heart. Peace!"

Message from Holy Mary

“My beloved children! Today, when you commemorate My APPEARANCE IN THE CITY OF KNOCK in IRELAND, so many years ago and on the eve of My Feast as QUEEN OF HEAVEN AND EARTH. I invite you to lift your eyes and your hearts again to Me, your Heavenly Mother, the WOMAN DRESSED WITH SUN, the terrible crusher of the infernal dragon and all the heresies of the world. That your hearts may be consoled, comforted, refreshed and filled with a new and intense joy from Heaven with which I want you to walk every day of your life, along the path of prayer, penance and holiness to which I I called and told you.

I am the QUEEN OF THE UNIVERSE, the LADY of KNOCK, and that is why I appeared with My husband JOSEPH and SAINT JOHN, with the LAMB OF GOD and with the ANGELS, brighter than the sun, to show you that you live in the times of the great battle between Me, the Lady clothed in the Sun and the infernal dragon, as it is written in Revelation 12. And in these times you are called to be My true soldiers, who with impeccable docility must listen to what I say, obey what I command you and follow the direction I am pointing out to you, if you want to win with Me this great war against the devil and the forces of evil, and if you want to save your souls and be happy in Heaven forever!

That is why I call you every day to listen to the voice of your Heavenly Mother, who here in these Apparitions of Jacareí 20 years ago does not cease to echo in your hearts and to call you back to God, along the path of good, of the true

love and holiness.

Come to Me My children! So that I can transform you into My true soldiers who, with the Rosary in your hand, with My Son's cross and My Messages, have the mission of fighting to win more souls for God, through My Immaculate Heart. Thus, truly following My orders, we will advance invincibly against the army of My adversary, which is made up of all demons and all sinners, all those who perfidiously reject the Lord, offend Him, despise His holy Law of Love and His Gospel, despise the Catholic faith and do everything against the name of the Lord. So that, My children, fighting with the weapons of love, peace and prayer, we can dismantle all the snares and strongholds of Satan,

I am the QUEEN OF THE UNIVERSE, the LADY of KNOCK and of JACAREÍ, and Here as in KNOCK, I come with the Saints and with My Angels, the Angels of light of My Immaculate Heart. So that you My children can be helped, comforted, protected, illuminated by the light of the entire heavenly court, which fights, struggles and battles with Me every day for your salvation. Thus, fighting with JOSÉ, fighting with JOHN, fighting with the SANTOS ANGELS and with all the CELESTIAL COURT, every day you carry out a part, a precious part of My great Plan of salvation for humanity, always climbing one more step in the ascent to the top, of the ladder of the great battle that I wage against My enemy, until I reach My greatest Victory.
With the Rosary in your hands and in your heart, with My Messages engraved by fire on your souls, loving Me and loving the salvation of souls with all the truths of your hearts, together every day, we defeat a precious and grandiose part of the plans of Satan, blinding him, neutralizing his forces, putting to the ground all that he built and conquered in souls, in hearts and in the bosom of nations and so we achieve the greatest victory for the Lord, the greatest triumph!

Following Me along the road I have pointed out to you, you every day sing with Me the hymn of perfect love for the Lord, the hymn of victory that we will soon sing solemnly and universally in the TRIUMPH OF MY IMMACULATE HEART.

I am the QUEEN OF THE WORLD, the LADY of KNOCK and JACAREÍ, and Here and there where I came coated with a light, stronger than the sun, like a Golden Rose, like the invincible Lady and the winner of all battles of the Lord. I call you and invite you to lift your trusting eyes to Me, your Immaculate Mother, certain that since My Appearance in KNOCK I have already guaranteed you My greatest victory. For there where My splendor shines to this day, with an incomparable brilliance, there I show you that I am the mighty Queen of Heaven and Earth, who lifts up where Satan has thrown down, who builds where Satan has destroyed, who heals where Satan has wounded and who always surprises the world and My eternal adversary with APPARITIONS, which he cannot foresee, which he cannot stop, which he cannot win. Therefore My children, trust in My Immaculate Heart! Raise your eyes to

your Mother, who shines like a luminous star in the midst of the storm you are now going through, the great tribulation, the loss of faith on the part of many Catholics, of many bishops and priests, on the part of so many of My children who no longer they believe more, they no longer pray, they no longer live according to the Law of the Lord.

That storm that came when I appeared in KNOCK, was the perfect picture of this storm that you are going through in these times: of the GREAT APOSTASY, of the loss of faith, of the destruction and of the persecution of the holy things of the Catholic faith. And also from the violence that grows more every day, always increasing the disrespect for the life of the next and their goods, the freedom of the neighbor is no longer respected, their goods are taken, they are stolen, they are confiscated, the life of the neighbor is no longer regarded as sacred. All these are just some symptoms of the GREAT APOSTASY you are going through, which I spoke about in LA SALETTE to My Little Shepherds MAXIMINO and MELANIE and also to My Little Shepherds in FATIMA.

You My children, are called in these times of the great storm that you are going through to be light in the midst of darkness, to be the reflections of My light, the light of My husband JOSEPH and the light of JOHN who shows you the Commandments of God in the APPEARANCE OF KNOCK, like shining stars that you must follow so you don't get lost!

To all of you My children, whom I have loved so much, to whom I have benefited so much, I ask:
CORRESPOND WITH MORE LOVE TO THE CALL OF MY HEART, SO THAT MY TRIUMPH IS REALIZED AS SOON AS POSSIBLE, PUTTING TO ASH THE WHOLE INFERNAL EMPIRE THAT SATAN HAS ALREADY SPREAD AND BUILT IN THIS WORLD.

THE APPARITION OF KNOCK will be deeply known, deeply loved, understood and followed now, thanks to My APPARITIONS OF JACAREÍ, thanks to the disclosure that My little son Marcos, the most striving of My children, has made for everyone to know Me, for everyone to know Me honor as the GOLDEN ROSE OF KNOCK, the LADY OF KNOCK, the LADY OF THE LAST TIMES, the LADY OF THE APOCALYPSE 12. Thanks to the video that My son Marcos made, so many hearts now know Me, already love Me and already honor the My name as LADY OF KNOCK, LADY INVINCIBLE and the winner of all battles against Satan.

To all of you, My dear children, who continue My Heart's Plan of Love, which began with My little daughter CATHERINE LABOURÉ, with My little daughter APOLLINE ANDREVEAU, with My little shepherds MAXIMIN and MELANIE, BERNADETTE de LOURDES and My CHILDREN of KNOCK, passing through

My SHEPHERDS OF FATIMA and My SEERS OF ALL MY APPARITIONS.
You, who continue this My Plan of Love, I ask everyone at this moment:

OBEDIENCE TO MY MESSAGES, DOCILITY TO MY VOICE AND COMPLETE DELIVERY INTO MY HANDS, SO THAT I FULFILL IN YOU ALL THAT I HAVE STARTED, ALL THAT I PLANNED.

To all of you at this moment, I bless you generously from KNOCK, PONTMAIN and JACAREÍ.

Peace My children.
Peace to you Marcos, the most valiant of My children."

Message from the Loving Heart of Saint Joseph

"-My beloved children, today My LOVING HEART blesses you again with the IMMACULATE HEART OF MARY and gives you peace!

I call every soul, every child Mine, to come into My Most Loving Heart, to find in it all peace, all light, all grace and all the good that you need to reach salvation and finally reach the arms of the Heavenly Father who awaits you with loving eagerness in Heaven

. Come My son! You who hear Me now! Come to My Most Loving Heart so that I may fill you with the favors of the Most High, so that I may give you more and more the grace and peace you seek, so that I may lead you as the Father leads your little child safely on the right path that leads to happiness.

Come to Me My child! I don't care that you are covered with wounds like a leper, covered with sins and guilt that taint your soul.
Come to Me with these wounds, with these sins and miseries that you have, that I, your Father, will heal them all, I will pour balm on each one of them, I will take care of them until they close completely and you recover that beauty you had when you came out of the baptismal fonts. .

Yes, I will give you that beauty! I'll give you that initial purity and more! Giving you My child,
My soul, always more, grace on grace and good on good, so that your holiness may be immense and complete.

I, my son, am your Father who always wants to give you more, the love of the Lord. I want to give you more and more the blessing and grace of the Most High that will make you rejoice in God.

Come to Me My child, you who walk in the darkness of the night, you who walk in the darkness of this world that has turned away from the Lord, that has

denied His law of Love and that now lives under the direction of Satan.

Come to Me My child, and I, I your Father, will make you find salvation, light, grace, so that your whole life will be filled with the Holy Spirit and you will produce His fruits of salvation, of joy. , of peace and you will be a leafy tree in whose branches the birds will come to settle and seek food in you, that is, the other souls that roam the world, thirsty for God, hungry for the truth, in you will finally find the good food of truth, they will be satisfied and in you and with you they will finally find salvation, the God of Love that these poor souls so much seek.

I will do this wonderful work in you, by the power of My MOST LOVELY HEART, if you, My child, are
docile to My voice, if you allow yourself to be guided, if you allow yourself to be formed and modeled by Me. And then, I will make you a wonderful work in the eyes of all nations and every tongue will then proclaim the praise of the Lord for all that He has done in you.

Come to Me My child, My soul, you who are far from My MOST LOVELY HEART, you who are wandering in a desert already on the verge of fainting, dying of hunger and thirst, wasting away step by step more and more...
Come to Me and I will quench your hunger for love, I will quench your thirst for love, I will give you all My love, I will give you all My predilection, I will give you all My caresses and I will fill your soul with divine nectar of God's love. And with this love, your soul will overflow a river of love and peace over the whole earth, transforming even the deserts into fertile valleys.

I, your Father, will pour on you the spikenard of the love of the Most High, and then your soul, your soul, will exult, your withered bones will recover and you will sing the praises of the Lord.
I want to transform you My son, into a great, unshakable, impregnable fortress against which the adversary cannot, cannot prevail. His fiery darts will bounce off your strong walls and turn against himself. I want to transform you into this fortress and this I will do, if you let yourself be guided, if you let yourself be guided by Me.

Come, learn from Me how to overcome the adversary, with patience, closing the senses of your soul more and more to his suggestions. Increasingly opposing his temptations, the contrary virtues to the vices he suggests to you. Rejecting more and more their nefarious advice, seeking more and more to renounce your will to do the will of the Most High, so that, day after day, the adversary loses a little more power over you, and the beneficial influence of the Holy Spirit increases in you. of God, producing in you every kind of good fruit and holy works!

My MOST LOVING HEART will guide you along this path, until it leads you to the perfect holiness that the Most High expects of you.
Come to Me soul! Come to Me My flower! Flower that My adversary trampled underfoot and covered with the mud of sin and the vices of this world.
Come to Me, and I will transform you into a new flower: beautiful, fragrant,

luminous, fresh to please the Holy Trinity and the Mother of God.

I myself will cultivate you in the garden of My MOST LOVELY HEART and I will transform you into a flower of rare beauty that will make all Heaven and Earth exult with joy when smelling your perfumes.

My MOST MASSIVE HEART wants you My child! My MOST LOVELY HEART seeks you, calls you.
Respond quickly to My call while you can still hear My voice, while you can still find me, while you can still find my trace because I say to you:
VERY SOON OUR APPARITIONS WILL END ALL THE WORLD, AND YOU WILL NO LONGER BE ABLE TO
FIND MINE TRAIL!

He comes! While it is still day, because the night is already falling and if you, My child, have not entered through the open door of mercy and salvation, you may be suddenly surprised by the darkness of the night that will fall on you, will envelop you in such a way that you will be will suffocate in their blackness.

Come My son! Come to My Heart so that I truly enlighten you, I feed you, I strengthen you and keep you in the safe fold of My love, My charity, My goodness.

Continue with My HOUR OF PRAYER every Sunday, so that I can always keep the flame of faith lit in your souls, in your families and wherever you are, My MOST LOVELY HEART will save you and your families through My HOLY HOUR OF PRAYER.

To all of you at this moment, I bless you generously, with all My Love!"

Message from the Loving Heart of Saint Joseph

"My beloved children! Today, the first Sunday of the month, My MOST LOVELY HEART blesses you and gives you His Peace.

Peace to your hearts! You must not fear My children, because your Father is with you. I am with you and the Eternal Father is also with you.

You are not orphans, you have Father and Mother in Heaven, you have so many Saints, so many Angels who are your brothers in grace to protect you, to guide you and to lead you. Therefore, may peace reign in your hearts always. I have called you to be the children and heirs of My MOST LOVELY HEART, to

whom I want to inherit happiness on this Earth and in Heaven and in which I want to reproduce My own virtues more and more, so that you may be recognized and truly be My true children, who imitate Me, who follow Me and who continue what I have been throughout the centuries, filling the world with true love
for the Lord, for the Immaculate Virgin, for Jesus!

I want to give you as an inheritance the love of My MOST LOVELY HEART, so that with this love your heart can burn for God, for the Blessed Virgin and also for the salvation of your brothers. So that every day you work without ceasing for the salvation of all of them, spreading the light of love, truth and grace throughout the world and calling all hearts to conversion, so that the joy of the Lord and the salvation of souls be complete.

I want to inherit to My children that mystical love, in pure transformation that I had within My Heart. So that with this love, each day you follow the path that I have pointed out to you here, which is that of holiness, which is that of perfection, which is that of the total donation of yourselves to God and to his plan of love.
So that, truly, every day in you the divine good pleasure of the Most High may be fulfilled, His holy will may be fulfilled. And so, in you and through you, may the Holy Trinity be glorified ever more before the world.

I want to inherit to each one of you My children, My virtues in such a perfect degree, so that, day after day, you can resemble Me, your Loving Father. And in this way you can reproduce in you the fruits of holiness that I myself gave to the Lord and the Blessed Virgin, so that in your souls always
more beautiful, always more fragrant, always more perfect through the exercise and practice of all the virtues, may I present to you the Most Holy Trinity and offer it to you as a most precious gift from My Most Loving Heart, to Her greatest praise, for His greater glory. For this, let Me lead you ever more along the path of conversion, penance and holiness.

So that each day of your life here on Earth that passes I can transform you more into a copy
of Myself, until you assimilate all My features, that is, all My virtues.

In this way, My Most Loving Heart will glorify and rejoice in you and in you it will exult and give glory to the Lord and through you I will make My Mystical Light shine before all souls and that all will see it, know it and come closer. of me.

My Most Loving Heart, whose devotion has been revealed to you here, this Heart whose image I commanded to be made here in these Apparitions. This Heart wants to reign in you, wants to love in you, wants to live again, this time in you and through you. And with you, through you He wants to serve the Lord, He wants to glorify the Lord, He wants to proclaim the Mercies of the Lord and He wants to bring light, comfort, peace, grace and love to all My children who do not yet know Me and who are far from God, from the Blessed Virgin and from Me.

It is, therefore, in your heart that My Heart wants to live, it is through your love that My heart that loves, it is through your hands and your feet that My Most Loving Heart wants to make its light reach everyone my children.

Come, therefore, My children! Do not delay any longer! Accept in your hearts My flame of Love, so that with it I can make the flames of the Sacred Hearts of Jesus and Mary spill over the whole world, transforming it into a living and mystical fire of love.

The flame of Love of My Most Loving Heart will make the flame of the Heart of Jesus and the Immaculate Heart of Mary triumph. Therefore, My children, PROPAGATE MY DEVOTION, THE DEVOTION TO MY MOST LOVELY HEART as I revealed to you here, so that as soon as possible the flame of My Love may burst powerfully throughout the world and over all hearts, bringing the greatest triumph of the Hearts of Jesus and Maria.

DISCOVER MY MEDAL! THE MEDAL OF MY HEART, so that through It My flame of love may engulf all hearts and make them burn ever more in the mystical furnace of the love of the Hearts of Jesus and Mary.

Continue doing My Hour every Sunday, because through it I pour more and more My flame of Love over you, merging you in Me, that is, making your “I” disappear and My Most Loving Heart can live, I bless you generously at this moment."

Message from Mary Most Holy Queen and Messenger of Peace

"- My beloved children, today, you celebrate another month of My Apparitions Here in this city, with My Son Jesus, with Saint Joseph, with the Celestial Court, to call you ever more to prayer, conversion, penance, to live a true life in God.

Here, where the HOLY SPIRIT himself came to give Messages with Me, you are called to turn to the Holy Spirit and be His TRUE, PERFECT and PURE TEMPLES OF LOVE, making your life truly bear all the fruits that the Holy Spirit it produces in the hearts of those who possess it for greater joy, for greater rejoicing, and for greater glory.

BE THE TRUE TEMPLES OF THE HOLY SPIRIT, opening your hearts to Him. Allowing Him to work in you completely, so that your heart, from a swamp of sin and darkness, becomes a luminous, flowery and fragrant garden of all the virtues, so that the Lord may be entertained with you, the Holy Spirit may dwell in you as in your own little earthly Paradise. And so, in you, all the fruits of love, beauty, grace and holiness that He wants to make grow in you.

Be the true Temples of the Holy Spirit, renouncing yourselves, leaving your will more and more to one side in order to do so, the will of the Lord. In this way, the Holy Spirit will find no rival or obstacle in you and his grace will burst POWERFUL into your hearts as a fountain of life. And so, not only your souls, but the souls of so many of your brothers and sisters will be transformed from an arid, cold and lifeless desert into another garden of grace, beauty and love...

Without your self-denial, without dying to yourself and truly leaving space for the Holy Spirit to work within you, you cannot be reborn of water and the Spirit, as My Son Jesus said in the Gospel (Jn 3,5). And so, the Holy Spirit will not be able to perform in you the holy works that He performed in all the Saints, in the lives of all the Saints of God who loved Him and who did not put resistance to His love.

Be the true Temples of the Holy Spirit, fleeing from everything that grieves the Holy Spirit, from all the sins that offend Him and renouncing in a special way all those sins that can be committed directly against the Holy Spirit, driving away from your souls and depriving Him not only from His companionship and assistance, but also from the grace of Salvation. Especially the sin of envying the favors and graces that the Holy Spirit bestows on others. No My children. Do not be envious of those Heaven has chosen. From those whom the Holy Spirit has chosen and benefited, because this sin drives the Holy Spirit away, grieves Him and deprives you of His friendship!

I invite you rather to praise the Lord. To thank the Holy Spirit who favors whoever he wants, how he wants and where he wants for His greater glory, and who performs wonderful works that the Lord has always done, throughout the entire history of humanity. He remains the same. He never changed! He continues to resist the proud and to give His grace to the humble. He continues revealing his Wonders to the little ones and hiding these wonders from the wise, from the experts, from those who think they know everything and assume positions of professors about God. Yes My children, God continues to

act in smallness to show in it the potency of His Love and His Arm.

Renounce everything that grieves the Holy Spirit. Renounce everything that offends God. Flee from sin and the devil will also flee from you. Resist evil and evil will flee from you!

I have been here for so long, to help you to overcome all evil, all sin, all personal misery of each one, so that you, living free as true children of God, not enslaved to evil or any sin, you you can sing with Me the perfect hymn of love and praise to the Lord.

I have come, to prepare the SECOND PENTECOST. As I prepared the Apostles to receive the Holy Spirit the first time, I am here to prepare the APOSTLES OF THE END TIMES, which is you, to receive the Holy Spirit the second time. HE WHO WILL COME TO RENEW HEAVEN AND EARTH. TO END TO THIS SAD AGE OF SIN IN WHICH YOU LIVE, TO THIS SAD TIME IN WHICH YOU LIVE WHEN GOD IS NO LONGER LOVED, His Name, His Commandments, His Law of Love are vilified, disobeyed, attacked and denied ever more by this humanity that has already lost all sense of the Divine, of the spiritual, of God...

I come My children to smooth the way for the Lord who comes. To prepare the way for the Holy Spirit, who comes to you full of love, returning to you as Love.

Therefore, following the example of the Apostles, LET YOURSELF BE FORMED BY ME. Let yourself be prepared by Me. Listen to My advice, pray with Me as He has always prayed more by doing the Cenacles of prayer that I have commanded you to do, both in your own homes and in the homes of others, so that My children, I can take you all together with Me, to the encounter of the Holy Spirit who comes like a devouring fire to consume all things in his fire, to reduce to ashes every sin, every work of sin and to make sure that even you, can definitely be purified as gold is purified in the crucible and so, may you rise again as purer, more beautiful and more luminous gold for greater joy and glory of the Lord, of the Holy Spirit.

I am with you every day. You must not fear anything because My Heart is always with you.

Do not fear sufferings, therefore, your daily cross. I always turned to Me more. Seek help in My Heart and you will feel My love, you will feel My presence, you will feel that I carry you in My Arms and lead you ever more safely to God.

To everyone today, on the monthly anniversary of My Apparitions Here in Jacareí, in this place by Me so loved, so preferred and which is the apple of My eyes, I bless you all from FÁTIMA, BANNEUX and JACAREÍ.

Peace My beloved children. Peace Marcos, the most strenuous of My children!”

Jacareí, September 11, 2011 - video

Message from the Queen and Messenger of Peace and Santo Antão
"-My beloved children, today, I again invite you to conversion and to the true love that pleases God.
I call you My children, to be the garden of the Lord, where He can truly rest, rest and live with you and in you.
Be the Garden of the Lord, living always more in prayer, following the path of penance, conversion, meditation, taking more care of your interior life, so that in the garden of your soul, the flowers of virtues, the seeds of well never die, never wither and you be flowery gardens, green gardens where the Lord can find in you: beauty, softness, harmony and love.
If you are that garden, God will truly rejoice with you, he will be satisfied to see you giving all the flowers of the virtues that are most dear to them and in you the Lord will establish His abode living with you forever, sharing with you His eternal happiness. and joy.

Be the garden of the Lord, living each day more with Me and through Me. I, who Am the sealed garden of the Holy Trinity, for in this way I will sow My seeds in you, I will make you give the flowers of My virtues and I will make every holy tree grow in you and bear fruit in you. For that, I want your total, unconditional, unrestricted, complete 'yes'. So that I can carry out My plan of love in you and transform you into those beautiful gardens, which I want to give to the greatest honor and joy of the Most Holy Trinity.

Be the Gardens of the Lord, living with Joseph each of your lives, imitating what My Holy Spouse did, His obedience to the Lord, His readiness in divine service, His unshakable faith, His conformity to the Holy Will of God, His strength, His temperance, His courage, His justice. So that in you JOSEPH may also bring forth his garden. And together we can give to the Holy Trinity, each of your souls like the lush and mimosas flowers cultivated directly by each of us.
Be the Garden of the Lord, living ever more true devotion to the Saints and Angels. Letting you be led by Them, formed by Them, imitating their virtues,

fulfilling all the Messages that They have already given you here in the name of the Lord and in My Name. So that the life of divine grace may grow day after day in you until it reaches its fullness. And may your heart, which was once a cold, arid and loveless desert, become a great green garden of love, beauty and peace!

I am with you My children! I do not leave you at any time, I accompany you in all your steps, I know everything you suffer, your suffering is also Mine. I am attentive to every one of your groans and for all of them I will give medicine in due time. Have confidence! All suffering passes, all the cross and all the pain passes, only God and His love lasts forever, only My love will remain forever and I will never, never leave you because I love you, because My children, you are My children given to Me by Jesus on top of Calvary and I have the mission to lead you and guide you every day in safety to the Lord in Heaven. Therefore, entrust yourselves to Me, let yourself be guided by Me always and I will take you to your Heavenly Father who loves you and awaits you with loving eagerness to hold you in His arms.

HURRY YOUR CONVERSION! THE WARNING IS VERY NEAR MY CHILDREN. IT WILL FALL LIKE A COVER OF NIGHT OVER ALL HUMANITY. EACH MAN WILL SEE HIS WHOLE LIFE SPENT WITHOUT GOD AND THE PAIN HE WILL FEEL IN HIS SOUL, THE TERROR OF RECOGNIZING HIMSELF A DEFENDANT OF THE FIRE OF HELL WILL BE SO GREAT THAT MANY WILL LOSE THEIR LIVES. AT THAT TIME THE HOLY SPIRIT WILL SHOW EVERYONE HIS SIN, HOW MUCH EACH ONE LOVED HIMSELF MORE THAN GOD, HOW MUCH EVERY MAN WORSHIPED HIMSELF MORE THAN GOD, HOW MUCH EVERY MAN REPLACED GOD WITH A NEGLECTED IMITATION OF THE GOD, HOW MUCH EACH ONE REPLACED THE TRUE GOD FOR HIMSELF, FOR THE WORLD AND BEHIND EVERYTHING FOR SATAN. AND THE TERROR OF THESE CHILDREN OF MY CHILD WILL BE SO GREAT THAT DEATH FOR THEM WILL BE A LESS PUNISHMENT THAN THE PAIN THEY WILL FEEL INSIDE THE SOUL, FOR SEEING THE GRAVITY OF THEIR SINS.

CONVERT QUICKLY, THEREFORE. HURRY YOUR CONVERSION, THOSE WHO LEAVE THEIR CONVERSION TO THE LAST MOMENT MAY NOT HAVE THE NEXT DAY TO BE ABLE TO LOVE GOD.

You live My children, in a time worse than the flood, let the one who is in grace take care not to lose it, let the one who is in the light take care not to lose sight of it and not fall into the blindness of sin. To help you always keep in the light of God, I have been here for more than twenty years continually calling you to conversion and to the true love of God.

To My children who are tormented by Satan with temptations and find it difficult to resist him I say: close the door of your senses, both spiritual and bodily, to the temptation of My enemy. Flee from sin and the devil will flee from you. Turn away from occasions of sin and the devil will lose his power over you in temptations. Do not talk to the devil, do not argue with him after you have committed a fault, or even when he tries to show you that such a thing will not

be such a serious sin or such a great fault. Do not parley with him, flee from temptation by praying more and more, meditating on My Messages and, above all, praying for self-denial and for your will. So that every day I can free you more and more from yourself, from your corrupt will, which is Satan's prison without walls where he imprisons most of My poor children. In this way, I will be able to preserve you from its clutches and I will be able to lead you along the path of salvation.

Continue with all the prayers that I have commanded you to make here, by these prayers I diminish the empire of Satan over your souls, I increase the influence of God's grace on you and I unite you more and more with the HOLY THIRTY, WITH ME and with all the COURT HEAVENLY.
Rejoice My children, now at the end of this Apparition, when I return to Heaven, I will take with Me 13,480 souls that you with your prayers here today, throughout this day, helped Me to save.
To all of you at this moment, I bless you generously from LA SALETTE, from LOURDES, from FÁTIMA and from JACAREÍ.

Peace! Peace Marcos, My most valiant of My children, rests in My Peace."

MESSAGE FROM SAINT ANTONY

"-My beloved brethren, I, ANTONY, servant of the LORD, servant of the VIRGIN MARY, bless you and say to you:
PEACE! Peace to your hearts! Peace to your souls! Let nothing disturb, let nothing take away, nor destroy your peace!

You are called today to be the new world, the new creation of the Lord, you are called to gather the love of the Lord in your hearts, to collaborate with Him until you are transformed into the new world of love that the Lord wants to spread over the entire Earth starting with each one of you, with yourselves.

Be the new world of the Lord, welcoming Him into your Hearts, opening the door of your souls to Him, responding to His grace, living His Commandments. So that in your souls the Lord finds His second Heaven, His second Paradise, His little world of love where He can reign, where He can finally accomplish everything that the power of His Love wants to accomplish in men but not he does it because he cannot do it, because the man endowed with free will does not give his 'yes' to the Lord, he does not give him his will, he does not surrender his life totally as Saint Teresa D'ávila said, giving to God not only income and fruits, but giving God the capital, so that He may be the Lord of everything, of your whole life and do in it and with it what He wants.

If you give the Lord your 'yes', if you give the whole capital of your soul and your life to Him, He will truly be able to make His flame of love burst powerfully within you and spread around you, transforming and renewing everything and everyone with the overwhelming force of His love.

You are called, therefore, to give your 'yes' to the Lord, to give all your freedom and free will to the Lord, so that not what you want, but what the Lord wants, may be fulfilled in your life.

Prayer is only pleasing to the Lord when the will of the man who accompanies it is conformed to the will of the Most High and does what the Most High wants. That is why, My beloved brothers, it is so important that your will turn to the Lord today, so that He can illuminate you as the Sun illuminates the Earth. So that your souls are truly filled with light, live in the light and enlighten all those who live in darkness.

Be the new world of the Lord, living more and more with Mary, through Mary and in Mary, in the spirit of Mary, imitating Her virtues, living completely dependent on Her love, obeying Her Messages, living the Consecration to the IMMACULATE HEART OF MARY , which is nothing other than dying to yourselves, so that Mary can live in you, so that this Queen can finally occupy your whole heart and reign in it. For that, empty yourself of yourself, of your will, so that she can reign in you.

You are holy cities, mystical cities, cities of the Lord where He wants to dwell. Therefore, to receive the love of the Lord, give yours to Him, and in this way He will give Himself to you completely until you are so united to Him that you will live with the Lord much more united than a little child is united to its mother, in your mother's womb.

Be the new world of the Lord, renewing your spirit every day more, praying more and more, opening and expanding your spirit always to greater generosity, greater self-giving, greater love, living more and more for the Lord, doing everything for His glory and helping your brothers and sisters to do the same.

You My brothers, who still carry within you so many miseries, who still carry so many defects, faults and sins. Do not be discouraged! Because the flesh can easily be conquered by those who struggle to free themselves from it. The secret is in dying to yourself, the secret is in starting to renounce yourself in the little things, and then you will be able to renounce the big ones, because only those who are faithful in the small things are faithful in the big ones.

Begin, therefore, to deny yourself this or that little pleasure. This or that other sensitive taste, and then you will begin to be stronger than your nature, than the flesh. And soon you will conquer sin, the world and the devil. The key to victory is in your hands, the Lord has given it to you and you must now only use it well to achieve the great victory, which begins with the victory over yourself and then you conquer sin and the devil.

I, ANTONY, who am well known as the protector of animals, want today, again, to give all of you the blessing, the blessing of the LORD, the blessing of the IMMACULATE VIRGIN, not only to you, but also to your pets and to the whole world. , for every creature that came out of God's hands proclaim His praise, each in his own way and in the post, in the place given by God.

Let every tongue bless the Lord! Let everything that breathes proclaim Your praise! And may all hearts live for Him, exalt His Name and bless His eternal Mercy.

I bless you all at this time generously."

Jacareí, September 18, 2011 – EARLY PARTY OF OUR LADY OF LA SALETTE (video)

Message from Our Lady Queen and Messenger of Peace

"-My beloved children, today, when you already commemorate My APPEARANCE on the high Mountain of LA SALETTE to My two Little Shepherds MAXIMINO and MELANIE, where I appeared crying and communicated My great MESSAGE and the great SECRET of recent times to the whole world, I come to invite you once again to look at My Tears and to respond to these Tears with your Love, with your total, generous, unrestricted 'yes' to the call of My Immaculate Heart that on the High Mountain of LA SALETTE summoned all My children, all My true soldiers, My apostles of the last times to go out taking My Mystical light to the whole world.

Answer 'yes' to My Tears, with your ever greater love, ever more scorching, ever more complete, total, unrestricted, unconditional. So that you, with your complete docility to My Messages, can be signs of My love for the whole world,

so that all My children who are far from Me and who lie in darkness enslaved by Satan through sin, can finally be freed from the chains that bind them and can finally come to meet Me, who await them full of love to love them, to heal them, to set them free, to renew and forgive them, to reconcile them with God, who as a loving Father calls and waits for all His children to return to His loving arms.
In this way My children, you will be the echo of My maternal voice that resounded on top of that mountain of LA SALETTE so many years ago, so that the whole world can truly hear My voice and go towards the sound of My voice, so that may you find Me and in finding Me find eternal life.

Answer yes to My Tears, with your prayers made more and more with Me and through Me. The roses that I wore in My Apparition in LA SALETTE around My feet, My heart, My chest and My head were the symbol of the Joyful, Sorrowful and Glorious Mysteries of the Rosary. They were also the symbol of your PRAYER, SACRIFICE and PENANCE, ever more done with generosity of soul, body and heart, as did My Little Shepherds of LA SALETTE, My little daughter Bernadette of Lourdes, My Little Shepherds of Fátima, the My little son Marcos and all those My children who, in response to My call, answered yes to My request for prayer and penance when I appeared to them all over the face of the Earth.

If you answer yes to My call to prayer, truly, you can offer Me every day mystical white roses of prayer, whose strength will be gathered by Me, so that I can present to the Eternal Father to beg the conversion of sinners in a way that is a great power.
A great power to stop the advance of Satan and the evil forces in the world. A great power to stop the damage and the damage that the wicked, that sinners, that those who do not love God, speak day after day against the good, the righteous and the work of the Lord.
A great power to put down all Satan's efforts and neutralize everything he does for the destruction, not only of your souls and of the Catholic faith in the world, but also of the very planet on which you live.

If you answer yes to My call to prayer every day with Me, you will block a large part of Satan's efforts and make good, with the divine force of the Lord and the Love of My Immaculate Heart ever more advanced and convert the sinners transforming them into new servants of the Most High, into new instruments of grace for the salvation of the world.

If you answer yes to My call of sacrifice and penance, you offer Me every day many red roses of sacrifice, yellow roses and mystics of penance so that I offer all this to the Lord to hasten the hour of His greatest Triumph, to hasten the hour of the miracle of His grace, which will transform this perverted world in which you live in the new garden of the Holy Trinity. It will transform this world into the Kingdom of Our United Sacred Hearts.

Answer yes to My Tears, giving Me your lives so that I can direct them, so that I can use you as I want, for My plans for the salvation of humanity, to take you wherever I want to go. want, wherever My Immaculate Heart in union with the

Holy Spirit wants to blow, so that through your Hands I can lift up what Satan has thrown down, I can heal the souls that Satan has wounded, I can build where Satan has wreaked havoc and can there proclaim the greatest victory of the Lord.

If you help Me, if you collaborate with My Plan of Love as My Little Shepherds of LA SALETTE did, then you dry My Tears, you truly make the flame of My Love burst out powerfully and spread from heart to heart scorching the whole world.

Just as I asked for the collaboration of two humble and tiny, poor children in LA SALETE, so today I ask you, My poor and unknown children, unknown to the world and little ones, so that through you I can carry out My Plan of Love and reach my greatest triumph.

I am with you! You must not fear anything! I know that you suffer, I know that you are persecuted and wronged by the wicked and by sinners, who cause you countless sufferings every day. But I, your Mother, am with you, I am at your side and I fight for you.

WITH YOU IS WHO HAS ALREADY WON THE WORLD!

And that is why you My children will triumph in the end, because the strength of My maternal and merciful love can never be overcome by the devil. He cannot penetrate My designs, he cannot penetrate the unfathomable plans of My Immaculate Heart. Therefore, he will never be able to reach Me or overcome Me.

MY HEART WILL TRIUMPH!

And you My children, who every day obey Me with docility and who now carry the cross with Me. You will arrive at the resurrection. You will triumph and by My side you will sing the anthem of victory, when the Lord in union with My Heart brings Our KINGDOM OF LOVE to the whole world.

To you alone, I ask now: PATIENCE, PERSEVERANCE, VALUE, COURAGE, COURAGE AND HOPE.

PRAYER, MUCH PRAYER! SHE IS THE ONLY ANSWER! IT IS THE ONLY SOLUTION. SHE IS THE LIGHT THAT LIGHTS YOUR WAY EVERY DAY. PRAY A LOT! PRAY INTENSELY AS I IN ALL MY APPARITIONS I ASKED YOU AND YOU IN PRAYER YOU WILL BE ILLUMINATED, YOU WILL BE COMFORTED, YOU WILL BE GUIDED AND EVEN CARRIED BY ME IN FULFILLING THE WILL OF THE LORD TO PERFECT VICTORY.

Answer yes to My Tears by consecrating your whole life to Me, so that it belongs to Me, is Mine and I, through it, make a true rain of light descend on the whole world that can banish all the darkness, all the darkness that Satan has spread. on the entire Earth.

You live under My SECRET OF LA SALETTE, which is still being fulfilled, which is not yet completely finished. You live under those mysteries that I revealed to the whole world on that high mountain through My two poor chosen children and in the end, as you have already heard:

MY IMMACULATE HEART WILL TRIUMPH! GOD WILL AGAIN BE SERVED, LOVED, WORSHIPED AND GLORIFYED.

Therefore, My children, you walk more and more in the light of this encouraging promise that I have given you:

MY HEART WILL TRIUMPH AND MY TRUE APOSTLES OF THE LAST TIMES WILL BE GLORIOUS AT MY SIDE IN MY TRIUMPH, LIKE MANY OTHER STARS, LIKE A VERY BRIGHT CONSTELLATION CROWNING ME IN MY BIGGEST VICTORY.

I bless you all at this moment generously from LA SALETTE, PONTMAIN and JACAREÍ.

Peace My children! Peace Marcos, the most industrious of My children."

JACAREÍ, SEPTEMBER 25, 2011

MESSAGE FROM OUR LADY COMMUNICATED TO THE SEER MARCOS TADEU TEIXEIRA IN THE CHAPEL OF THE SANCTUARY OF THE APPARITIONS OF JACAREÍ/SP
http://pt.gloria.tv/? media=199162

MESSAGE FROM OUR LADY QUEEN AND MESSENGER OF PEACE

“- Beloved children of mine, today I invite you once again to return to MY IMMACULATE HEART and truly give your 'yes' to the Plan of Love that the Lord has for so many years , has been revealing to you here in My APPARITIONS.
You, with your PRAYERS, with your SACRIFICES, with your ROSARY, with the THREETENS, with the SEVENTHS, with everything you do, you help Me, you effectively help Me to bring down to Earth, so many and so many plans of Satan. You help to carry out a precious part of My Plan. You are Earth's only and last hope. You, with your Meditated Rosaries, with all that you pray and that I have asked you here, are the last alternative on Earth to escape the great punishments that the Eternal Father will soon send to the world and to escape the final destruction that Satan will bring. with the bad men they want to finally carry out in this world.
You, with your prayers, prevent so many evils. You receive from the Lord for the whole Earth an intense shower of Mercy every day and you truly help Me to convert many hearts, to open them to divine grace, to make God's Love triumph in them. So, as I asked on the MOUNTAIN OF LA SALETTE, where I

appeared to My Little Shepherds MAXIMIN and MELANIE, so I ask you today:

GO, CHILDREN OF LIGHT, LIGHT THE WORLD, WITHOUT FEAR. DO NOT FEAR THE EVIL OF THIS WORLD, BECAUSE WITH YOU IS HE WHO HAS OVERCOME THE WORLD AND WHO IS YOUR EVERYTHING.
TAKE MY WORD ALWAYS FARTHER, ALWAYS MORE TO ALL HEARTS, SO THAT ON ALL THE LIGHT OF ETERNAL TRUTH SHINE, THE LIGHT OF GOD'S GRACE, THE LIGHT OF LOVE.

I am with each one of you and your sufferings are also Mine! I suffer for you, I suffer for what awaits you in the future, if you do not obey My Messages and if you do not make everyone else obey it too.
If families would obey My Messages fully, they would have Peace and would not go through so much suffering, through so many difficult times and through the destruction they are now going through and everyone would be blessed by God.
I call each one of you to help Me even more from now on, not only by praying and not just spreading My Messages, but above all by living them and thus setting an example for everyone. As I have said so many times, words are only useful for those who do not obey, you must speak more with attitudes and in this way everyone will perceive in you a new life, a new peace and a new happiness unknown to this world. And those who then want to obtain this peace will obtain it by imitating your example.
My children, short It's the time left! the punishment is at hand, the warning is very close! I have already told you that the warning will be worse than death for many and today My children, I tell you a new thing:

PUNISHMENT WILL BE WORSE THAN DIE A hundred times in a row.

BECAUSE IN THE WARNING EACH ONE WILL BE PENETRATE WITH THE LOOK OF GOD'S JUSTICE, AND EACH ONE WILL SEE HIS SINS AS GOD SEES THEM, AS GOD SEES THEM. EACH ONE WILL SEE WHAT HE DID TO MY SON JESUS CHRIST ON HIS PASSION'S DAY. EACH ONE WILL ALSO SEE THE SOULS THAT HAVE ALLOWED TO BE LOST BECAUSE THEY DIDN'T PRAY, BECAUSE YOU DIDN'T SPREAD MY MESSAGES TO THEM, BECAUSE YOU DIDN'T WORK FOR THEIR SALVATION. EACH ONE WILL SEE THE SOULS THAT YOU HAVE LOST BECAUSE, INSTEAD OF OBEYING ME WHO TOLD THEM TO SPREAD MY MESSAGES, THEY PREFERRED TO OBEY THE MEN WHO DENIED MY MESSAGES AND SAID NOT TO GIVE MY MESSAGES CREDIT.
EVERYONE WILL SEE WHERE EVERY SOUL IS WHO LET LOST ITSELF, BECAUSE IT DIDN'T WITNESS, BECAUSE IT DIDN'T SPREAD MY MESSAGES WITH LOVE.
EVERYONE WILL SEE THE DEGREE OF PERDITION IN WHICH THESE SOULS ARE, AND THAT IS WHY MANY PRIESTS, MANY BISHOPS WILL

DIE ON THE DAY OF THE WARNING OF PAIN AND HORROR, BECAUSE THEY SEE HOW GREAT THE NUMBER OF SOULS THAT ARE LOST BECAUSE THEY HAVE THEY DENIED MY APPARITIONS, DISMISSED MY MESSAGES, DISMISSED AND EMPTY ALL MY MATERNAL AUTHORITY OVER THE SOULS OF THE FAITHFUL AND BECAUSE THEY WILL SEE THAT MANY SOULS ARE IN HELL BECAUSE OF THEM, BECAUSE THEY ARE RESPONSIBLE.
I invite you My children, not to put yourself in the dock for your own fault and responsibility, so I say to you:

OBEY MY MESSAGES AND HAVE A RESPONSIBLE FAITH BEFORE GOD, BEFORE ME AND BEFORE THE WHOLE WORLD! BECAUSE YOU WILL BE ASKED TO ACCOUNT FOR EVERY SOUL YOU FAIL TO SAVE BY YOUR OWN FAULT, BY NOT WORKING TO MAKE MY MESSAGES REACH THEM.

I tell you My children: Satan is cunning, he wants to deceive you, sometimes making you fall into vanity, sometimes into laziness, sometimes into discouragement, sometimes into self-complacency. Renounce him, all his suggestions, seeking ever more to live on the path of prayer, penance, work, love, zeal, commitment, dedication, to which I have called you throughout all the years of MY APPEARANCES Here. So that Satan does not paralyze you in this way, so that Satan does not stop you on the path of perfection and holiness, and that he cannot stop on this path of holiness those souls that have been entrusted to you and that depend on your example, your prayer and of your work so that they too can advance.
I am with you My children! And I will never let you remain too long trapped in Satan's nets, I will always take you out, and I will always make you, I will always drive you forward, I will always make you go ahead, to advance. Therefore, be docile to My maternal voice, let yourself be led by Me and I will always lead you further along the path of perfection.
I also invite you to practice the virtue of MAGNIFICENCE, seek ever more to undertake great and arduous things for the Lord and for the salvation of your neighbor as the Saints did. So that, My children, your life may truly be transformed into a true act of gratitude at the height of the Majesty of the Lord. He has given you life, he has given you existence, he has given you so many talents with which you can glorify him, spread and increase him even more, expand his kingdom on earth and bring ever more new souls to know him and to love him. Lo.
That is why My children, always seek to give yourselves to God with generosity and you will see the promise that My divine Son made in your life:

That whoever devoted himself to the cause of the Kingdom of God would be given a hundred times in this life, plus in this life and in the age to come, eternal life.

You, My children, are My apostles, go, take My word to everyone,

communicate everything, to all My people, so that on the day of My TRIUMPH I can truly see them all gathered under My Mantle where I I will cover with the graces and blessings that the Most High grants Me to give you and that He will give you as a universal deluge of grace on the day of My victory.
Continue with all the prayers, with all the Rosaries, with all that I asked you to pray here. As I have already told you, you with your MEDITTED ROSES, with your PRAYERS that you make here are the last hope of the Earth, of humanity. Fulfill your mission well My children, the mission I entrusted to you so that one day I can give you the crown of glory as a prize.

I bless you all at this time generously."

JACAREÍ, OCTOBER 02, 2011

MESSAGES FROM OUR LADY QUEEN OF ANGELS AND ANGEL BRUNIELCOMMUNICATED TO THE SEER MARCOS TADEU TEIXEIRA IN THE CHAPEL OF THE SANTUÁRIO DAS APARIÇÕES DE JACAREÍ/SP
MENSAGEM DE NOSSA SENHORA RAINHA DOS ANJOS

"- Meus filhos, hoje, vós comemorais a FESTA DOS VOSSOS SANTOS ANJOS DA GUARDA. Os ANJOS DA GUARDA vos guiam, vos protegem, vos iluminam, vos conduzem todos os dias sempre mais pelo caminho do bem, da graça, da santidade e do cumprimento da vontade do Senhor. Deixai-vos conduzir por Eles, porque não há homem mais feliz do que aquele que se deixa conduzir pelo seu ANJO DA GUARDA e seguem as Suas inspirações.

Oh! No momento em que estáveis diante do bem e do mal, do pecado e da virtude, sentistes o apelo do vosso ANJO DA GUARDA, que através da vossa consciência vos impelia a rejeitar o pecado e escolher a virtude. Assim Meus filhos, vós podeis identificar a todo o momento as moções que o vosso ANJO DA GUARDA vos dá para vos afastar sempre mais, de tudo aquilo que é contrário à vontade do Senhor, para vos conduzir sempre mais àquilo que agrada a Ele. Sede dóceis a essas moções! Deixai-vos conduzir pelo vosso ANJO DA GUARDA, pela estrada que Eu vos apontei Aqui há tantos anos, que é: a da CONVERSÃO, da ORAÇÃO, da PENITÊNCIA e da SANTIDADE.

Quando rezais o vosso ROSÁRIO todos os dias, o vosso ANJO DA GUARDA reza convosco, une a vossa oração com a Dele e oferece tudo ao Senhor, pela vossa santificação e pela vossa salvação. REZAI O ROSÁRIO, portanto, sempre mais, com os ANJOS, tendo sempre consciência de que o vosso ANJO DA GUARDA está rezando convosco, e, portanto, vós deveis colocar toda a diligência do vosso coração na oração.

O vosso ANJO DA GUARDA conhece-vos melhor do que vós mesmos vos conheceis, sabe quais são as vossas fraquezas, sabe quais são as vossas inclinações para o mal, sabe todos os defeitos que há em vós. E é por isso que Ele sempre vem ao vosso auxílio trazendo para vós a benção de DEUS, trazendo de DEUS para vós todas as graças necessárias que vós precisais, para serdes mais fortes que a vossa natureza corrompida, que o pecado que está em vós, de forma que vós possais ser verdadeiramente vencedores de vós mesmos, da carne e do mundo.

O vosso ANJO DA GUARDA conhece também as vossas inclinações para o bem, as vossas virtudes. Por isso, Eles sempre vos inspira, sempre vos move a procurardes fazer o bem, a procurardes por em prática as virtudes cristãs, sempre procura inclinar-vos às obras santas. De modo que assim, vós possais cada dia crescer mais e mais nas virtudes estimulando em vós a prática do bem.

Deixai-vos levar! Deixai-vos conduzir pelas suaves inspirações que o vosso ANJO DA GUARDA vos dá. De modo que assim, possam sempre mais acontecer nas vossas vidas o divino PLANO DE AMOR DO SENHOR!

Eu Sou a RAINHA DOS ANJOS, e os enviei todos para vos guardarem, para vos protegerem e para vos conduzirem. O Exército Celeste luta ao vosso lado contra todas as forças do mal, do Meu adversário, que nesses tempos saiu para conquistar o mundo todo para seduzi-lo e afastá-lo de DEUS. Vós, com os Meus ANJOS DE LUZ lutais contra o Meu adversário e todas as forças das trevas, espalhando sempre mais a luz do Meu amor no mundo inteiro.

Ide em frente meus filhos! Segui adiante e não desanimeis porque ao vosso

lado lutam os ANJOS DO SENHOR que valorosamente, pelejam convosco dia e noite pela vitória do bem, pela vitória do meu CORAÇÃO IMACULADO e dos vossos corações juntamente Comigo.

Continuai a rezar todas as orações que Eu vos dei Aqui, pois através delas se realizará não somente o maior TRIUNFO DO MEU CORAÇÃO IMACULADO na vossa vida e no mundo, mas também o TRIUNFO DOS SANTOS ANJOS em vós, nas vossas famílias e na Terra inteira.

A todos neste momento abençôo com Amor."

MENSAGEM DO ANJO BRUNIEL

"- Marcos, Eu, BRUNIEL te abençôo hoje e abençôo todos estes Meus irmãos.

Queridos amados! Sou um dos Anjos do Senhor, dos Anjos da Senhora Rainha dos Anjos que muito vos ama, que vos protege, que vos cobre com as Suas asas para proteger-vos de todo mal e para conduzir-vos no caminho do bem.

Nós os Anjos, estamos convosco diariamente, embora não nos vejais. Nós vos cercamos com as Nossas asas e os Nossos escudos, para proteger-vos de todas as investidas de satanás.

Nos momentos difíceis de sofrimento, provação e tribulação estamos ao vosso lado para recolher as vossas lágrimas, para apresentá-las diante do Trono do Senhor a fim de alcançar para vós misericórdia e graça.

Estamos ao vosso lado continuamente quando sois esmagados pelo peso da cruz, do sofrimento. E quando estais caídos no caminho do calvário, Nós com Nosso Amor vos ajudamos a levantar-vos e a carregar a vossa cruz com paciência, todos os dias da vossa vida até a vitoriosa ressurreição que vos espera no fim da vossa jornada terrestre.

Quais bons Samaritanos, Nós, muitas vezes vos recolhemos caídos à beira da estrada, derramamos bálsamos sobre as vossas feridas espirituais interiores e muitas vezes até sobre os vossos males físicos, vos aliviamos dos vossos sofrimentos, vos damos nova consolação, força e ânimo. E sempre mais vos colocamos de pé em ponto de continuardes a vossa batalha, com a Senhora vestida de Sol contra o dragão infernal e o seu exército que querem nestes tempos dominar toda a Terra.

Sim, curando-vos, fortalecendo-vos, animando-vos, auxiliando-vos todos os dias, Nós avançamos convosco sempre mais na direção do Triunfo, da vitória definitiva do Coração da Senhora vestida de Sol a VIRGEM MARIA, sobre o

mundo todo.

Deixai-vos conduzir por Nós! Deixai-vos levar por Nós no caminho do Amor, para que Nós possamos a cada dia fazer-vos avançar sempre mais na estrada da perfeição cristã e na prática exemplar de todas as virtudes.

Usai a MEDALHA DA SENHORA DAS LÁGRIMAS com mais amor!

Nós os Anjos protegemos a todos que usam esta Medalha que a Mãe de Deus revelou à sua Serva AMÁLIA AGUIRRE, bem como também protegemos todos que usam a MEDALHA que Ela revelou Aqui a SANTA MEDALHA DA PAZ, a MEDALHA DA ROSA MÍSTICA, a MEDALHA MILAGROSA e todas as outras. Onde quer que essas MEDALHAS cheguem Nós, os SANTOS ANJOS, lá estaremos, com o Nosso Amor, com a Nossa presença, confortando, consolando, curando e reconstruindo tudo aquilo que satanás feriu, demoliu, destruiu e arrasou. O Nosso Amor cercará as pessoas que usarem essas MEDALHAS como um campo de força, como um circulo de proteção que jamais permitirá que o inimigo prevaleça sobre a alma que usa estas SANTAS MEDALHAS.

Therefore, My brothers, use these sacramentals, use these sacred medals that the Blessed Virgin gave you here with much more love. Because the soul that does this, gives glory to God, gives glory to the mother of God and puts to the ground the efforts of Satan.

I am with you every day and I protect you always more with My prayers, with My supplications and with My blessing.

I bless you all at this moment with all My love and generosity."

MESSAGES FROM OUR LADY QUEEN AND MESSENGER OF PEACE

AND FROM SAINT LUÍS MARIA GRIGNION DE MONTFORT

COMMUNICATED TO THE SEER MARCOS TADEU TEIXEIRA IN THE CHAPEL OF THE SANCTUARY OF THE APPARITIONS OF JACAREÍ/SP

Message from the Most Holy Mary

"-Meus amados filhos! Eu, Sou a SENHORA DO ROSÁRIO, Sou a SENHORA DA PAZ, Sou a IMACULADA CONCEIÇÃO, SOU a vossa Celeste comandante que vos guia a todos nestes tempos da grande tribulação, da grande apostasia, do grande pecado, por meio do mar revolto desta vida,

levo-vos sempre mais em segurança até o porto da salvação onde Deus, Nosso Senhor vos espera a todos com Seus braços amorosos sempre estendidos para vós, os Seus filhos, para vos receber, vos perdoar, vos purificar, vos santificar e vos tornar sempre mais cheios do Seu Amor e da Sua Graça.
Eu Sou a vossa Celestial Comandante, que com passo firme e decidido por meio das muitas Aparições que Eu realizei em toda a face da Terra, principalmente as deste tempo, quando apareço de modo novo, extraordinário, diário, profundo e intenso, conduzo-vos seguramente pelas vias da santidade, do amor, da paz, da penitência, da oração e, sobretudo, do perfeito cumprimento da vontade do Senhor.

Levo-vos todos os dias sempre a um maior amor, de forma que dos vossos corações saia sempre o mais puro e perfeito nardo do amor pelo Senhor. Para que todos os dias das vossas almas se eleve até o Céu o hino do perfeito amor pelo Senhor, para que Ele possa verdadeiramente ser glorificado por vós, ser exaltado por vós, ser amado por vós e em vós Ele possa comprazer-se, satisfazer-se tendo em vós o Seu jardim, onde florescem todas as virtudes e onde Ele pode finalmente sentir o suave odor de toda a santidade da vossa alma.

Levo-vos sempre mais a uma maior confiança no Senhor e em Mim, fazendo-vos cada vez mais viver do amor divino, depender deste amor, seguir sempre mais pela estrada desse amor, de forma que na vossa vida em tudo e por tudo vós busqueis sempre mais fazer a vontade do Senhor, confiando sempre que Ele está convosco, que Ele conhece os vossos sofrimentos, que Ele vê as vossas dificuldades, bem como também a fé que vos anima. E assim o Senhor pode sempre mais vir ao vosso encontro para vos conduzir pela estrada do cumprimento do Seu divino beneplácito.

Levo-vos sempre a uma maior esperança, de que o Amor de Deus, de que o Meu Amor, triunfarão neste mundo de pecado e que Satanás que já foi esmagado por Mim na Minha IMACULADA CONCEIÇÃO, que já foi esmagado pelo Meu divino Filho JESUS CRISTO quando Ele morreu na cruz, que Satanás que já foi derrotado pelo Meu divino Filho na Sua gloriosa Ressurreição, o será novamente, mais uma vez, quando vier o TRIUNFO DO MEU CORAÇÃO IMACULADO.

Então, todas as obras de Satanás serão lançadas por terra, todas as grandes fortalezas do pecado que Satanás criou neste mundo produzindo e estimulando uma sociedade sem Deus, ruirão por terra transformando-se em montões de cinzas. E o Meu CORAÇÃO IMACULADO, que durante todo este tempo trabalhou com os Meus filhos pequeninos, humildes e desconhecidos deste mundo, finalmente refulgirá com grande esplendor esmagando tudo aquilo que Satanás levantou e construiu com tanto barulho, soberba, alarde e orgulho. Então Meu CORAÇÃO IMACULADO proclamará a Sua Vitória e os Meus filhos também vencerão Comigo. Todos os que Comigo carregaram a cruz da perseguição, da incompreensão, da exclusão, da solidão e do sofrimento, naquele dia glorioso Comigo vão exultar de alegria e cantar mil louvores ao Senhor!

Por isso, animo-vos sempre mais, encho-vos sempre mais de uma firme esperança de que todas as Minhas promessas vão cumprir-se.
E POR FIM TRIUNFARÁ MEU IMACULADO CORAÇÃO!
Conforme Eu prometi em FÁTIMA, conforme reafirmei em todas as Minhas Aparições: em LA SALETTE, em MEDJUGORJE e também AQUI.

Levo-vos todos os dias sempre a uma maior fé, fazendo com que a vossa alma sempre mais, confie no Senhor, entregue-se ao Senhor, viva sempre mais na amizade do Senhor, seguindo pelo caminho dos Seus Mandamentos, do Seu Amor e exercitando-vos sempre mais na fé, purificando-a, livrando-a de todo o interesse pessoal, de todo o interesse humano e carnal, levando-vos a enxergar sempre mais além das aparências contrárias de vossa vida.

Levo-vos a acreditar contra tudo aquilo que vos diz para não credes no Senhor, fazendo assim com que a vossa fé sempre mais firme, sempre mais resistente cresça a cada dia, purificada pelas provações e pelos sofrimentos que o Senhor vos permite, mas dos quais a vossa fé sai sempre mais provada, temperada e fortalecida. Assim, como torres fortes a vossa fé cada dia mais vos sustenta, vos dá força para vencerdes todos os sofrimentos e tribulações que surgem no vosso caminho.

Levo-vos também sempre a uma maior vida de oração e de sacrifício, ajudando-vos sempre mais a rezar com o coração, a procurar a vontade do Senhor, a vos entregardes nas mãos do Senhor para cumprirdes o Seu Plano com generosidade sem impor condições. E também a cada dia a fazer-vos crescer no sacrifício, oferecendo muitas, muitas e pequenas florzinhas de pequenos sacrifícios diários, que junto com as Minhas Dores e com o sofrimento do Meu filho crucificado irão atrair uma copiosa chuva de misericórdia, de graça e de conversão sobre o mundo inteiro.

Por fim, levo-vos sempre a um maior amor, ensinando-vos sempre a viverdes no perfeito amor, ensinando-vos sempre mais que o amor é aquilo que Deus procura nos vossos corações, que é o amor aquilo que Eu venho procurando há vinte anos nos corações dos Meus filhos. De fato, Eu vim aqui procurar filhos prontos, dóceis, corajosos, de grande valor, filhos verdadeiramente ardentes no amor pelo Senhor e por Mim, para com eles fazer a Minha mística luz chegar a todos os corações dos Meus filhos, especialmente dos mais afastados.

Assim, Meus filhos, levo-vos sempre a um amor mais profundo pelo Senhor e pelo Meu próprio CORAÇÃO IMACULADO ajudando-vos todos os dias a crescerdes no verdadeiro amor, que não é outra coisa se não o morrerdes sempre mais para vós mesmos, para o mundo e para as criaturas. Para que assim, possais viver sempre mais para Deus, para o Senhor, para o cumprimento da Sua santa vontade, por meio de Mim.

Deste modo as Minhas APARIÇÕES AQUI, são um contínuo levar-vos a todas estas coisas, para que a vossa vida seja uma verdadeira vida em Deus, seja

uma vida completa na paz divina, seja um vibrante hino de amor pelo Senhor todos os dias da vossa vida.

Vinde Meus filhos, entregai-vos completamente a Mim! Dai-Me o vosso 'sim', para que finalmente o Meu Plano de Amor possa ser concretizado, realizado em cada uma das vossas vidas.
As Minhas Aparições Aqui em Jacareí, são o último chamado que Eu vos faço, é a última vez que Eu venho do Céu à Terra para pedir o vosso 'sim', para receber o vosso 'sim' e para conduzir o vosso 'sim' até Deus.
Se vós Meus filhos, Me recusais o vosso coração, se não me entregais a vossa vida, se não Me dais o vosso 'sim', então, o Meu CORAÇÃO IMACULADO não poderá agir em vós, não poderá realizar em vós o Plano do Senhor.

Vinde! Deixai-vos conduzir por Mim enquanto Eu Me deixo encontrar por vós! Vinde entregai-vos a Mim, enquanto Eu nas Minhas Aparições Aqui estou ainda Me entregando toda a vós!
Vinde! Amai-Me agora com todo o vosso coração, enquanto Eu ainda estou Aqui, amando-vos com todo o meu CORAÇÃO IMACULADO.

Vinde e rezai o ROSÁRIO! É pelo ROSÁRIO que Eu triunfarei em vós, nas vossas famílias e no mundo inteiro!
Continuai com todas as orações que Eu vos dei aqui. Continuai usando a Minha MEDALHA DA PAZ, pois por meio Dela, afugentarei sempre mais o demônio de perto de vós e de vossas famílias. Usai também a MEDALHA que Eu revelei à Minha filhinha AMÁLIA AGUIRRE, a MEDALHA DAS MINHAS LÁGRIMAS, pois através daquela MEDALHA Eu farei descer todos os dias sobre as vossas almas, sobre as vossas famílias, sobre o mundo inteiro, graças eficacíssimas das Minhas Lágrimas. E vós então, podereis finalmente caminhar mais velozmente pela estrada da santidade e da salvação a qual Eu vos chamei Aqui.

A todos neste momento, abençôo generosamente de POMPÉIA, de HEROLDSBACH, de CRAVEGGIA e de JACAREÍ.

A Paz, Meus filhos muito amados, a Paz a ti Marcos o mais querido e esforçado dos Meus filhos."

Mensagem de São Luís Maria Grignion de Montfort

"-Amados irmãos Meus! Eu, LUÍS MARIA GRIGNION DE MONTFORT, vos saúdo e vos abençôo hoje com a Mãe de Deus.
Amai o CORAÇÃO IMACULADO DE MARIA, com todas as veras dos vossos corações, de modo que vós possais ser os verdadeiros apóstolos deste CORAÇÃO IMACULADO, dos últimos tempos.

Sede os apóstolos dos últimos tempos da Mãe de Deus, fazendo tudo o que

Ela vos tem mandado fazer Aqui. Procurando sempre mais fazer da vossa vida, uma contínua e fervorosa oração, um vibrante hino de amor a Deus, Nosso Senhor e a Ela e sempre mais um facho luminoso para que os vossos irmãos, que jazem nas trevas do pecado, possam enxergar a luz, vir para luz e voltarem ao Senhor Nosso Deus.

Sede os apóstolos dos últimos tempos da Mãe de Deus, fazendo cada vez mais da vossa vida um contínuo eco da eterna verdade, anunciando sem medo as Mensagens da Mãe de Deus ao mundo inteiro, ensinando todos a rezarem o SANTO ROSÁRIO, dando a todos as HORAS SANTAS DE ORAÇÃO que Ela vos deu Aqui, fazendo sempre mais de toda a vossa vida um contínuo e profundo 'sim' a tudo o que Deus e Ela vos solicitam nas Aparições Deles Aqui. Para que então a vossa vida transformada num verdadeiro sol luminoso, possa iluminar todos aqueles que definham dia-a-dia, mais e mais nas trevas do pecado e assim, todos possam receber a luz, todos possam conhecer a luz do amor e da graça de Deus e todos possam finalmente, encontrar a Deus, dar-se a Deus e viver uma verdadeira vida em Deus.

Sede os verdadeiros apóstolos dos últimos tempos da Mãe de Deus, entregando aquilo de mais precioso que tendes nas mãos Dela, que é o vosso coração. Vivendo numa completa dependência Dela, procurando sempre mais fazer tudo com Ela, por Ela e Nela, no espírito de MARIA, ou seja, com os Seus sentimentos, com as Suas intenções e as Suas santíssimas finalidades, ou seja, dar glória a Deus e torná-Lo conhecido e amado por todos os homens levando-os assim à salvação do Senhor.

Desta forma, vós vivereis aquela verdadeira devoção que Eu tanto vos ensinei, que Eu tanto recomendei e que Eu deixei como o Meu mais precioso dom e testamento aos Meus filhos e ao mundo inteiro contido no TRATADO DA VERDADEIRA DEVOÇÃO DA SANTÍSSIMA VIRGEM.

Eu, LUÍS DE MONTFORT, quero ajudar-vos a serdes os verdadeiros apóstolos dos últimos tempos, os verdadeiros apóstolos da Mãe de Deus vivendo sempre mais como rosas místicas. Rosas brancas de oração, rosas vermelhas de sacrifício, rosas amarelo-dourada de penitência, para que assim, toda a vossa vida se transforme num imenso Rosário, num imenso Roseiral em honra da Mãe de Deus onde Ela pode se congratular, se comprazer convosco e em vós ver-Se imitada, ver-Se seguida, ver-Se obedecida e perfeitamente correspondida.

Estas APARIÇÕES DE JACAREÍ são o maior dom que Deus deu ao mundo nestes últimos tempos! É uma graça que ainda que vós tivésseis mil vidas e mil corações para dar ao Senhor como gratidão, agradecimento a Ele por este bem que Ele vos faz, ainda não seria o suficiente. Pois aqui todo o Céu, toda a corte celeste se abriu para derramar sobre vós, palavras de luz, vozes do céu, palavras de amor e vida eterna. E aqui toda a corte celeste desceu para vos ajudar, para vos amparar, para vos conduzir, para vos formar e guiar sempre mais no caminho da santidade, da salvação e da paz.

Por isso, correspondei com todo o vosso amor, com toda a vossa alma e com todo o vosso coração a este dom que tantas gerações quiseram ter e não tiveram, a tantos homens que quiseram ouvir e não ouviram aquilo que vós ouvis. Por isso, que do vosso coração rebente, brote uma fonte inesgotável, perpétua e generosa de amor, de fidelidade e de profunda entrega de vós mesmos ao Senhor e à Mãe de Deus.

Eu estou convosco sempre quando rezais, sempre quando sofreis, sempre quando a vossa alma está em grande aflição. Eu estou ao vosso lado para recolher as vossas lágrimas, para enxugá-las, para dar novo ânimo, nova força ao vosso coração para seguir adiante.

Não temais! Eu estou convosco todos os dias, conheço tudo aquilo que Satanás faz contra vós, conheço tudo aquilo que sofreis também por parte dos homens que vos perseguem, que não vos compreendem, que não vos ajudam, que vos julgam e condenam. E Eu, estou sempre ao vosso lado para ajudar-vos a carregar a cruz até a vossa gloriosa ressurreição, até a vossa vitória.

Eu vos cobrirei sempre mais com o Meu manto de luz, para vos defender de todos os ataques de Satanás e do mundo e para vos dar sempre mais a vitória em nome do Senhor!

Viveis agora no tempo da grande tribulação e por isso é impossível que não sofrais nada. É impossível que a vossa fé não seja provada, mas Eu estarei convoco para vos ajudar a vencer todas estas provas e para vos fazer chegar triunfantes na grande vitória que o Senhor prepara para vós quando vereis novos Céus e novas Terras, vereis um novo Reino descendo das alturas sobre vós, vossos olhos contemplaram maravilhas, que os olhos humanos jamais verão, Terras antigas corroídas pelo pecado desaparecerão e novas Terras puras e belas surgirão diante dos vossos olhos. Todas as vossas lágrimas serão enxugadas, todo o vosso sofrimento passará como uma noite que cede lugar ao dia, como folhas levadas pelo vento, assim as vossas tribulações num instante serão varridas da vossa vista e do vosso coração sairá o mais vibrante hino de louvor e de alegria pelo Senhor, para o Senhor e para a Virgem Maria.

Eu, Luís vos abençôo agora neste momento, com todo o Meu amor e especialmente a ti Marcos, o mais esforçado dos Meus irmãos, dos Meus filhos, que tanto propaga a verdadeira devoção à Santíssima Virgem que Eu ensinei, e que tem cultivado com santo zelo em todas as almas este verdadeiro e sagrado Amor!”

FESTA DE NOSSA SENHORA DA CONCEIÇÃO APARECIDA
MENSAGEM DE NOSSA SENHORA COMUNICADA AO VIDENTE MARCOS TADEU TEIXEIRA
MESSAGE FROM OUR LADY

"-My dear children! Today, when you celebrate MY Feast as the QUEEN AND PATRON OF BRAZIL, of your nation, I come to you once again to tell you: I am the Lady Aparecida in Heaven, in the waters of the Paraíba River and in the firmament of the Lord.
I am the Woman clothed in the Sun, the great sign that appeared in this Country and that appears in so many nations of the Earth, calling all My children to conversion, to prayer, to happiness and to peace!

I am the Woman dressed in Sol Aparecida, and that is why I manifested Myself in this Country almost three centuries ago, through the Image of My Immaculate Conception to tell you that I am the Woman of Genesis promised by God to crush the head of the infernal serpent and bring you the Redeemer. I am also the Lady of the Apocalypse, who will crush and hold the infernal dragon in the eternal abyss with a thick iron chain, from where it will no longer be able to leave to harm the Earth and My children.

I am, therefore, terrible like an army in battle array, I advance each day with My army of prayer, made up of My little children, who obey Me, who listen to Me, who follow Me, who love Me and who tread more and more along the road. of love, faith, conversion, holiness and the practice of all the virtues that I have taught in My Apparitions and that with My own life I make known, imitated and practiced by all My children who follow Me.

Day after day I continue with My army, taking firm and decisive steps towards the great victory of My Immaculate Heart. To belong to this army of Mine, I do not demand consummate holiness from the start, I only ask: good will and docility to My voice! The rest I will do and I will lead you to an ever more sublime, ever higher, ever more consummated and perfect holiness for the greater glory of the Most Holy Trinity.

Follow My voice! Listen to My call, walk along the road that I pointed out to you three hundred years ago here in this country, with My Hands placed on the image that I made emerge from the waters of My Paraíba do Sul River.
PRAY, PRAY AND PRAY!
By praying you will always follow the path that I have traced for you, you will fulfill the will of the Lord correctly and you will always succeed in dying to yourself, renounce your will and do the will of the Lord.
I AM THE WOMAN DRESSED WITH THE SUN, who appears to you with a very bright sign in the midst of the darkness of your night.

What I did in the Miracle of Candles while My little children were praying the Rosary to Me in their poor house so many centuries ago and what My little son Marcos explained to you before the Apparition is very true, it is through the prayer of the ROSARY, it is through the prayer of the Thirdly, that I will illuminate your lives, that I will fill your souls with the light of the Lord and that is why your steps will no longer be errant, vacillating, but will be right, decisive, firm and fast steps on the path of fulfilling the will of God. Sir.

The great grace of My IMMACULATE HEART are the engraved MEDITTED ROSES that My little son Marcos has already made and given to you. Through

these Rosaries I enlighten your lives, your souls, I lead you more and more along the path of perfect love. I always lead you to a deeper, more perfect, more total, unconditional and unrestricted surrender of yourselves to God, to His will and to My Plan of Love. I fill you more and more with My own feelings, I incline you to all the virtues, I bring you closer to God, to My Heart and I perform in you great graces, making you true torches, true flames of mystical love. that will warm this icy and loveless desert that this poor fallen humanity has become. And through which I will be able to illuminate this world that has now ended being dominated by darkness, sin,

I am the Lady dressed in the Sun APARECIDA and as such I always want to lead you more along the path of goodness, grace, peace, love, complete holiness, for three hundred years ago what I came to look for in this Land of Brazil , in this Land of Santa Cruz they were saints. I came to raise up saints and to hand them over to the Lord as a great, beautiful and wonderful fishery which I myself take care of every day and try to accomplish every day giving My Son Jesus, the Most Holy Trinity, always more and more fish. , more and more souls caught by My Love and captive in the net of My Love and My Mercy.
I want to give you all to the Most Holy Trinity as a gift, as the firstfruits of this great Nation, which the Most Holy Trinity itself has given Me and entrusted to My maternal care.

Be docile to My voice, so that now everything I planned for three hundred years ago will finally be fulfilled and I can carry out My maternal plan of Love in you until its glorious conclusion with the TRIUMPH OF MY IMMACULATE HEART!
USE ALL THE SACRAMENTALS, ALL THE MEDALS THAT I HAVE GIVEN YOU HERE.
PREPARE YOURSELVES TO RECEIVE THE MEDAL FROM THE HEART OF MY HUSBAND JOSEPH, THROUGH WHICH YOU WILL HAVE EVEN MORE INJURY OF GRACES ON YOUR SOULS.

WEAR MY MEDAL OF TEARS THAT I REVEALED TO MY DAUGHTER AMÁLIA AGUIRRE, RIGHT HERE, IN THIS LAND OF SANTA CRUZ, BRAZIL, TO BE A GIFT TO THE WHOLE WORLD, BUT ESPECIALLY TO YOU MY CHILDREN.
I, FROM TODAY, I GRANT ALL MY CHILDREN WHO WEAR THIS MEDAL OF MY MEDAL PLENARY INDULGENCE EVERY SATURDAY, EVERY WEEK, THAT IS, THE COMPLETE REMISSION OF GUILTS FOR ALL MY CHILDREN WHO WEAR MY MEDAL WITH LOVE AND DEVOTION ON THE NECK. THIS INDULGENCE WHICH YOU WILL PROFIT EVERY SATURDAY IS ANOTHER GIFT OF MY LOVE THAT I HAVE REACHED FROM THE HOLY TRINITY FOR THE GREAT LOVE THAT IT HAS FOR ME FIRST, AND SECONDLY, FOR THE GREAT LOVE THAT WE HAVE FOR THIS SANCTUARY, FOR MY SON MARCOS AND TO EACH ONE OF YOU WHO LISTEN TO ME NOW IN PARTICULAR.

Keep saying all the prayers that I have given you here, the THIRTEEN, the SEVENTH, the HOUR OF PEACE and all the others. So that I can finally fulfill

and finalize My Salvation Plan initiated with My manifestations in APARECIDA and that Here in the APPARIÇOES DE JACAREÍ will have their glorious and successful conclusion.

To all of you, at this moment, I generously bless you from FÁTIMA, APARECIDA and JACAREÍ.

Peace My children, stay in Peace. Peace to you Marcos, the most hardworking and dearest of My children."

MESSAGE FROM OUR LADY QUEEN AND MESSENGER OF PEACE (VIDEO)

"-Beloved children, today I again invite you to Love!

Open your hearts to the perfect love of the Lord, letting His grace enter it, letting His Peace enter it, allowing Him to completely change your lives, transform them until they become according to His Divine Good Pleasure.

Yes My children! I come to call you to true love, which knows no fatigue, no delay, no measure. True love is not petty, it does not regulate how much you give to the Lord and to Me, but on the contrary, it is generous, it gives more and more and the more you give, the more you want to give yourself because your happiness consists precisely in sharing, in giving, in sharing the grace, mercy and love of the Lord with everyone.

The love that is true, does not know how to linger, it is ready, quick and decisive in the fulfillment of the Divine Will of the Lord, it forgets itself, it despises itself because of the greater love of the Lord. That is why the soul that has true love is quick, ready and firm in fulfilling the will of the Lord, this will and its fulfillment is its strength, it is what moves it, drives it forward and it has no other joy or satisfaction. greater than if not, fulfill this will.

I call you to this generous love that never tires. The soul that truly loves the Lord, although loaded with many tribulations, trials and sufferings, sometimes does not get tired, because its strength comes from the very furnace of Divine Love that never diminishes nor grows cold. That is why she is always at peace, she is always confident and serene, although the vessel of her soul is sometimes tossed by a thousand winds and a thousand waves of suffering. The soul, however, does not sink, does not succumb, does not sink, because it is confident in the one who directs it and who leads it each day who is the Lord with his immense LOVE!

I invite you My children, to learn from Me, the Mother of True Love, the Mother

of Beautiful Love, the perfect love for the Lord, for your neighbor, so that, in this way, the love of the Lord truly triumphs in this world. full of hatred, violence and sin, when each day more attacks are made against the life of others and their possessions.

I truly invite you to seek this love through prayer, above all My Rosary, the victory of DIVINE LOVE in the world will take place through My Rosary and it is through the souls that pray My Rosary every day that I will spread the flame of DIVINE LOVE, My Flame in all hearts.

IT IS BY THE ROSARY THAT I WANT TO LIVE, REIGN AND TRIUMPH ON EARTH!

IT WILL BE BY THIS PRAYER THAT MY HEART WILL TRULY SHUT RIVERS OF LIGHT INTO THIS WORLD TO DISSIPE
ALL THE DARKNESS OF SIN, OF WICKEDNESS, AND OF EVIL.

THROUGH MY ROSARY, ONE DAY I WILL SING:

HOSANA, VICTORY, VICTORY OF MY LORD, OVER ALL PEOPLE, OVER ALL NATIONS AND IN ALL HEARTS!

AND YOU MY CHILDREN, WHO LOVE ME, WHO LISTEN TO ME, WHO FOLLOW ME, WILL ALSO SING WITH ME:

VICTORY, VICTORY, HOSANA!

I love you so much! And because I love you so much, I never tire of granting you new graces. So I reiterate what I said last Wednesday:

I GOT A GREAT MERCY FROM MY LORD, FOR ALL MY CHILDREN WHO WEAR MY MEDAL OF TEARS, WHICH I REVEALED TO MY DAUGHTER AMÁLIA AGUIRRE. THIS GRACE IS INDULGENCE, COMPLETE FORGIVENESS OF BLAME EVERY SATURDAY, FOR MY CHILDREN WHO WEAR MY MEDAL OF TEARS WITH LOVE AROUND THEIR NECK FOR THEIR WHOLE LIFE.
THIS GREAT GRACE I REACHED FROM MY DIVINE SON, THROUGH THE MERITS OF MY PAIN AND TEARS. AND MY SON GRANTED IT TO ME FOR THE GREAT LOVE HE CONSECRATES ME AND FOR THE GREAT MERCY AND GOODNESS HE HAS TOWARDS ALL OF YOU MY CHILDREN, ESPECIALLY TO THIS SANCTUARY WHICH IS SO DEAR TO ME, IS THE MOST LOVED, IS THE GIRL OF MY EYE, TOWARDS MY SON MARCOS, THE MOST EFFICIENT OF MY CHILDREN, SO THAT MY GREAT KINDNESS, MY GREAT PREDILECTION FOR THIS PLACE, MAY BE ETERNALLY PATENT FOR MY SON MARCOS, FOR YOU WHO LISTEN TO ME NOW AND THAT YOU WEAR MY MEDAL OF TEARS WITH LOVE!

I bless everyone at this moment with the merits of My Sorrows and Tears, with the virtues of the Mysteries of the Most Sacred Rosary and with all the effective graces of My Immaculate Heart:

POMPÉIA, FÁTIMA and JACAREÍ.

Peace My children. Peace Marcos the most valiant of My servants."

MESSAGE FROM HOLY HAPPINESS

Here, the WATER OF GRACE flows without ceasing for everyone, what is asked is only good will and that each of you extend your hand to take this water and drink it in abundance. The more you drink of this water, the more it will flow for you, because it springs from the Fountain of Eternal Love that never runs out.

And you, already on earth in mortal flesh, you will be able to exult with joy in God, you will be able to sing his praises and even transform your life into a vibrant hymn of love, which every creature will be able to hear, will be able to understand. And then, with you, they will also be able to sing for the greater glory of the Lord, of the Holy Virgin, and for the greater Triumph of the truth.

I take your Hands each day to lead you on the path of truth, grace and peace, I unite My prayer with yours, picking the roses that come out with each bead of your Rosary that you pray, in order to present your most luminous roses , your most intense, deepest, most trusting prayers in the Throne of the Most Holy Trinity and the Mother of God, to obtain for you all sorts of graces.

I cover you with My Mantle of Light to hide you from the evil eyes of Satan, so that he cannot see you, cannot hurt you, cannot bring you down. I cover you more and more with My Mantle of Light, to defend you from all sorts of attacks by Satan.
In times of suffering I am closer to you than ever, so remember Me so that you do not fall into sadness or despair. Call on Me and I will come immediately to console and comfort you and little by little I will lead you to the solution of all your problems and suffering and to victory.

So come to Me, in all your needs, sufferings and afflictions. Come to Me, above all, so that I can teach you true holiness. MESSAGES FROM SAINT JOSEPH AND THE ANGEL KENIEL
COMMUNICATED TO THE SEER MARCOS TADEU TEIXEIRA

MESSAGE FROM THE LOVING HEART OF SAINT JOSEPH

"-My beloved children, My LOVING HEART pours out on you today the more abundant blessings from the Lord and says to you:

Come and be My new home in Nazareth, where Love, Concord, Harmony, Fidelity and Peace reign. So that I can truly make My new home in you and in you and with you I can accomplish great things until I transform all souls into My new abode, into My new House of Nazareth.

Be the new home of Nazareth for Me, living with Me as I lived with Jesus and the Immaculate Virgin: in total love, in the perfect union of hearts and in continuous and complete collaboration with the Divine Plan of the Lord, for the salvation of the world. Living like this with Me, I will truly be able to dwell in your hearts as in My house in Nazareth of old, and I will be able to fill your souls with those graces proper to living with Me, with Jesus and the Immaculate Virgin, making your souls overflow with complete peace, with love totality, of beauty, holiness and purity for the greater glory of the Holy Trinity.

Be My new home, My new home in Nazareth, living in your hearts the perfect consecration, the perfect devotion to Me, letting you be led, letting you be carried in My arms exactly as the Child Jesus left Himself, letting you teach and educate for Me as the Child Jesus himself let Me teach him. So that I may also make you grow more and more each day in wisdom, grace and stature before God and men. So that every tongue that contemplates the admirable work that I am going to do in you every day, can give glory to the Lord, can give glory to the Immaculate Virgin and to My Heart, proclaiming that what is done in you is truly My work, it's our work. And so, all peoples and nations know the Lord, believe in the Lord, love the Lord and serve the Lord.

Be My new home, My new abode in Nazareth, letting you be more and more modeled by Me, until the perfect copy of Our Lord Jesus Christ appears and appears in your souls, the perfect copy of the Blessed Virgin with all Her virtues. . And so, truly, you can be the temple where the Holy Trinity, where Our Holy Family, where Our Three Sacred Hearts truly live, dwell and reign.

I, your Father, am with you, in these dark times in which you live from the great apostasy, from the great sin, from the great wickedness that now devastates the world. You see how everything crumbles to the ground, society, families and the church itself crumble under the weight of so many sins and of such a great rebellion against God, against the truth, against Our Messages, against Our continuous calls, for your conversion and salvation.

Therefore, in these times, when all humanity staggers like an ungoverned pawn, I come to be your luminous beacon that will safely lead you to the port of salvation and in the midst of the agitated waves of this world you will sail safely to the Heavenly Port of Paradise .

In these times when so many betray the truth like Judas, when so many deny Our Lord Jesus Christ, when so many turn their backs on Him preferring the errors of this world, I come to transform you into the House of Nazareth, where the Master can always return after fighting for the salvation of souls and where he can find: warmth, welcome, affection and rest.

If your souls are docile to Me, they will be just that for Our Lord: rest, comfort, comfort. In this way, Jesus and Mary will be able to rest in you and congratulate you and your soul will be a sweet refreshment to them and at the same time they will also be to your souls.

I am with you always, fear not! My Mantle covers you and defends you every

day. Have trust, love and, above all, great courage, that is, great courage. So that, one day, I can be holy proud of the strong, courageous, decisive and courageous children that I formed with the effective graces of My Love, of My MOST LOVING HEART.

I am with you at all times and always, call Me and I will come to receive your prayers.

I bless you all at this moment generously, from NAZARÉ, BELÉM and JACAREÍ.

Peace My children. Peace Marcos, the hardest of My little children."
MESSAGE FROM THE ANGEL KENIEL

"-My beloved brothers, I, ANGEL KENIEL, come in the name of Our Lord Jesus Christ, of the Blessed Virgin, together with Saint Joseph, to say to you: Draw

near to Us, the ANGELS OF THE LORD, who we have the mission to lead you more and more towards the THREE SACRED HEARTS of JESUS, MARY and JOSEPH, so that your souls truly are the living reflections of those THREE SACRED HEARTS, to shine powerfully in the midst of so much darkness that descended today about the world.

You are called to walk in this great darkness, so that souls who still don't know the Lord, can see the way to Him, can see the true road, the road of conversion and so, they can also reach salvation, Heaven, to Paradise.

Shine in the darkness, living a life of intense prayer, of intense surrender of yourselves to the Lord, of complete fidelity of consecration that you have made to the Immaculate Heart of Mary. And, above all, obeying all Her Messages, so that the mystical Light of the Immaculate Heart of the Mother of God, shines powerfully in you and through you and the whole world knows the path of repentance, conversion, holiness and peace. And so she can find her Lord who awaits her with open arms to give her salvation.

Shine in the darkness, being true witnesses of the Lord and of the Mother of God, of the truth and of His Love, living correctly, faithfully living your vocation to holiness, for all of you are called to holiness, all of you must be saints and that is the purpose for which the Lord created you, took you out of nothing and called you into existence. Therefore, live according to your holy and sublime vocation to be saints, perfect, similar to Our Lord Jesus Christ and the Blessed Virgin. So that their mystical light may shine in you and through you for so many souls that are ugly, dominated and subjugated by sin. How many of them are actually already spiritually dead, are trapped inside the cold and icy tomb of mortal sin and will only be able to come out of it resurrected to come to grace,

Just as the Angel of the Lord rolled away the stone from the tomb of Christ, so that He would then emerge in glory, risen, so you must also roll away the stone

from the tomb of your brothers and sisters, from so many souls that are dead in sin, imprisoned within the tomb of slavery. of sin. Open these tombs for them, make them all come out, resurrected to a new life in God, giving them not only your prayers, but also your example of holiness, your courageous witness of faith, of love, so that so may all these souls finding the truth, knowing the truth, may they be freed from the darkness of death and may they come out into the glorious day of a new life, of the resurrection of the soul in God.

I am with you all! I never abandon you! I come by order of the Lord to teach you to love, to help you to pray, to lead you along the path of perfect consecration to the Hearts of Jesus, Mary and Joseph.
I, KENIEL, want you to increase even more the intensity of your prayers and your desire to live united with Us, the ANGELS OF THE LORD.
The Measure of Our union with you will be the measure of your desire to also unite with Us.
The measure of Our help and of Our action in your life is also related and conditioned to the measure of your love, your docility and your fidelity, your obedience to Our Messages, to Our inspiration and to Our will.

Come, therefore, entrust yourselves completely into My arms, so that I may lead you more and more towards the Kingdom of the Lord, towards the perfect realization and fulfillment of the will of the Lord. With My wings I will protect you, I will cover you and I will warm you always, whenever you feel the blows that satan throws against you, whenever you feel the ice of this world that has already turned into a cold, arid desert, without love, without God, without peace and without salvation.

I am with you, always, My arms will be your refuge and the instrument that will lead you to God.

I bless you all at this time generously."

Through the ROSARY, I will always accomplish great things in your life and in the world, I will always nullify Satan's plans. And for that reason, I call you to be more and more the zealous, devout, propagators and knights of My ROSARY.

Be the knights of My ROSARY, fighting with it the forces of evil, fighting more and more against satan and all kinds of sin, propagating this devotion that extinguishes vices, that conquers sin and that forms truly holy souls, mortified and detached from the world. , thus transforming the world into a beautiful and holy garden, for the greater joy and enjoyment of the Most Holy Trinity, for the greater joy and victory of My Immaculate Heart.

MESSAGE FROM SANTA CATARINA DE SENA (VIDEO)

"-My beloved brothers! I, CATARINA, servant of the Lord, servant of the Mother of God, come once again to bless you with all My love and all My heart.

You know Me as CATARINA DE SENA and I am the one who comes today to say to each one of you:

Give your hearts to Love, so that Love gives its heart to you.

Give your heart to the Love that is Jesus himself, who is the Lord God, so that He can give His divine heart to you, filling you with ever more graces, with blessings so that your life becomes a great and mystical rose garden of love, where the roses of all virtues, of all the good fruits of holiness, bloom. So that love may rejoice in you, rejoice with you, rejoice and congratulate your soul.

Give your hearts to Love, to Jesus, making your life a perfect hymn of love to Him, living every day as Jesus lived, loving as He loved and, above all, fulfilling the will of the Eternal Father as Our Lord did. So that your life is more and more hidden and Christ and conformed to Christ, be a copy of His and then the truth, the love of God can triumph in this world of darkness and sin and good overcomes evil and so the Most Holy Trinity have His greatest Triumph.

Give your hearts to love Jesus, making your life a vibrant hymn of love, hiding your life in Christ, that is, renouncing more and more the world, its fashions, its dictates and its pomps and conforming your life more and more in the way of Christ and His Most Holy Mother. So that your conversation may be in Heaven with the Saints and not with creatures, may your heart be in Heaven with the Lord and not with the things of this world that are fleeting, and may your love be all of Christ and not this passing world and the devil that behind the things of this world, the passing illusions, the pleasures of this world, wants to deceive you, wants to lead you to perdition, to lose the love of Jesus, the love of God, to salvation.

Give your hearts to Love, to Jesus, living a life of deep prayer, of authentic practice of all the virtues, of the fulfillment of God's will for you, each one in the vocation to which the Lord has called you so that your life can become a luminous witness of the presence of God, of His love, of His grace, of His Law, of the truth in the midst of this world that denies the truth of the Lord to replace it with the darkness of lies, sin and evil . Thus, truly your lives will be as my life was, a hymn of eternal, perennial love that never ceases to proclaim the glories and wonders of the Lord.

Follow the path of prayer, follow the path of penance, follow the path of the Messages that the Mother of God gave you here, because this path is sure and safe and will lead you to Heaven, I, Catarina, will be by your side every day for help you, to support you, to cover you with My Mantle in order to prevent Satan from hurting you, from Satan winning you and to lead you safely along the path of holiness that the Mother of God has opened for you here and to which called you.

I, CATARINA DE SENA, also promise My special protection to all those who wear the Holy Medal of Peace, the Medal of Our Lady of Tears and the Medal of the Heart of Saint Joseph, with all the other Medals that the Mother of God gave you in His APPEARANCES. These Medals attract the Saints from Heaven to the soul that wears them, make them pour out on the soul that wears them, great and plentiful blessings from God every day. The soul who wears these Medals can be sure of Our eternal company, presence and help at all times of their life, whoever wears this Medal has the Saints with us, a very special connection and we will deny this soul nothing to ask of us in Your prayers as long as it is not contrary to God's will. To the souls who wear the Medals of the Mother of God, who say the Rosary and the Prayers that She has given you here, who faithfully obey Her Messages, We the Saints give Our constant protection in every moment of life. And these souls are our sisters, we guard them, we accompany them and we never leave them alone. Therefore My beloved brothers, use with confidence these MEDALS that the Mother of God has given you, the SCAPULARS, and follow faithfully on the path of the MESSAGES that She has given you here and to which she has invited you until you reach the fullness of holiness in Heaven.

To everyone at this time, I also bless with generosity and love."

My gaze in this photograph that I have given you of My Maternal Face is, for you, a special gift, it is a gift from My Immaculate Heart to comfort you in these very difficult times in which you live on apostasy, on the revolt of all humanity against God. and of such great violence, injustice and lack of love that now dominate the whole Earth.

Times are bad and that is precisely why My true children, the children of My Immaculate Heart, faithful to My Messages were suffering so much and would suffer a lot over the years, it was precisely for this reason that I gave you this My miraculous Face so that through the contemplation of My Maternal Gaze, My Maternal Smile, My children could feel My Love, feel My Goodness, feel My Peace, receive from My Gaze all the love and all the comfort that need in the midst of so much suffering that they have to go through and endure every day in this time of the great apostasy.
Turn your gaze to My Maternal Gaze so that I can My children, heal in your hearts all the wounds that satan has opened. All the blows that throughout the world, on you, on your souls, he dealt. So that I can give you the joy, the Peace of My Immaculate Heart, so that you do not get discouraged in suffering, do not stop in the face of difficulties that so often seem impossible to overcome and overcome. But, so that you, My children, can always go forward, follow the path that I have pointed out to you here over the years and which I have called you, the path of holiness, so that you do not become paralyzed on the path of your sanctification, but as the Saints did, may you grow more and more every day,
Turn your gaze to My Maternal Gaze, which in the photo of My Face, of My Maternal Face revealed Here, conveys to you all the Peace of which I am full and full. So that I can pour over your souls a river of Peace and this river through you, can flow among the people of this time full of hate, full of violence and evil and can thus transform the whole world from a cold, arid, icy desert without love for God in a Garden of holiness, of love for the Lord, of fidelity to his Commandments, and of Peace where all hearts love God, serve God and

are My true and obedient children.
If you My children help me, if you respond to my call, if you answer yes to everything I have asked you in my Messages, you will reflect this beauty, this sweetness, this softness and this grace that in my miraculous face that I gave you here so many years ago, I show you, I reveal to you. You will be the copy of My Holy Face, you will have a beauty similar to Mine and everyone seeing My Beauty reflected in you will also want to love the Lord, love Me to be beautiful as I Am Beautiful, to be beautiful as you are beautiful!
In the world, there is no one who does not want to be beautiful! When souls perceive, see the reflection of the Beauty of My Maternal Face in your souls and in you, then everyone will want to be beautiful also like Me, like you! And then, we will destroy the ugliness that the devil has placed and introduced into this world through sin, violence, addictions, and rebellion against God and His Law of Love to which he has led all mankind lately. And this ugliness will finally be overcome by the beauty of Love! For the Beauty of the Love of My Immaculate Heart that made Me so beautiful and so pleasing to God!
Keep praying the rosary, praying all the prayers that I have given you here. So that My children, the world can be transformed from an ugly swamp of sin, lack of faith and darkness of rebellion to God, into a beautiful garden of love and fidelity to the most holy trinity.
Here in my Apparitions in Jacareí where I gave you so many treasures, where I gave you one of the greatest gifts of My Heart, which is Myself photographed and revealed to you, whom I favored so much, My children, I ask today:

More love and correspondence to My Immaculate Heart!
Together, day after day, let us walk united on the path of love, prayer and holiness so that soon, the Triumph of My Immaculate Heart will be realized and My Beauty, the beauty of My Maternal Face will finally annihilate the ugliness of Satan's face and of sin, freeing everyone from their tyrannical bondage.

To all of you at this moment, I bless you generously from Kerizinen, from San Damiano, and from Jacareí.

Peace My children! Peace to you Marcos, the most valiant of My children, to whom I gave, like few mortals, the grace to possess My Sacred and Immaculate Face."

And when you contemplate His SECOND COMING promised by Him already two thousand years ago in the Gospel, I invite you to launch the your trusting gaze towards Me, your Most Holy Mother, who is also the MOTHER OF THE SECOND ADVENT, of the SECOND RETURN OF JESUS

. in other places too, which have lasted for so many decades.

I come to prepare you for the SECOND RETURN OF MY SON JESUS, which is getting closer every day. This return, which will put an end to the reign of Satan, of sin, of evil in this world and that will bring you a new kingdom of grace, holiness and love, which has been prepared for the righteous since the beginning of the world.

That's why I manifested myself so much! That's why I sent so many signs in My Apparitions to the world. Therefore, I have called My children from all parts of the world to enter the refuge of My IMMACULATE HEART, through My extraordinary, prolonged and daily Apparitions. So that I could in this way form a holy people for My Son Jesus, to give him at His Second Coming as a precious gift from My IMMACULATE HEART.

As a MOTHER OF THE SECOND ADVENT, I have been preparing each one

of My children for that glorious and definitive encounter with My Son Jesus. Revealed to Saint Catherine Labouré-França-1830
Message from the Blessed Virgin Mary communicated to the seer Marcos Tadeu

MESSAGE FROM OUR LADY (VIDEO)

"-My beloved children! Today, when you commemorate My APPEARANCE to My little daughter CATHERINE LABOURÉ which took place in the year 1830, exactly when I revealed My MIRACLE MEDAL to Her, I come today once again to tell you:

TRUST MY LOVE MATERNO, who already 170 years ago, gave you the powerful shield that is My Miraculous Medal, to defend you from all the attacks of Satan, from all the evils that in these final times Satan unleashed
in the world, with the objective of taking all humanity to sin, perdition and final condemnation. So that, My children, through the MEDAL that I have given you, I can always protect you, defend you and deliver you from all the evil that Satan wants to do. -you.

My MIRACLE MEDAL is truly a priceless gift from My Heart to all My Children and through It I have accomplished so many wonders throughout the world throughout the centuries! The number of souls that I took from the clutches of the infernal dragon cannot be counted, for through My MIRACLE MEDAL.

Trust, therefore, in My Maternal Love, which has given you this Medal as a lifeline in the midst of the general shipwreck where all humanity is now sinking: from sin, apostasy, violence, hatred and rebellion against God and His Holy Law. of Love. So that My children, you can always be helped, helped, consoled and supported by your Heavenly Mother.

Trust in My Maternal Love, which in My MIRACLE MEDAL has shown itself powerfully to you! Yes, in your Heavenly Mother who holds in Her Hands the golden globe, which symbolizes each one of you, the world, France, the Nations, you can see the Love of the Mother of Heaven who continually watches over Her Children, who never forgets them. , never leaves them and will never allow Satan to triumph over them.

Since I gave My Miraculous Medal to the world through My little daughter CATHERINE LABOURÉ, truly I tell you that Satan no longer has the last word over souls, over the destiny of the world and Nations. Because through this Medal I crush your head more and more, I pour out more and more on My children the graces that My Lord has given Me and that, like a mighty river, never cease to flow over the souls that trust in My power as Mediatrix of all. Thanks!

Yes My children, in this Medal My Triumph is always more assured and confirmed. And that is why you must trust in My Maternal Love, which more than 170 years ago gave you a powerful weapon in the fight against Satan and his kingdom and has already given you a pledge, a sure guarantee of the VICTORY, of the TRIUMPH OF MY IMMACULATE HEART .

Your IMMACULATE MOTHER, terrible as an army in battle array, powerful, possessor of all the graces of GOD represented in the MIRACLE MEDAL is the great sign that the Apostle JOHN saw appear in Heaven: THE WOMAN DRESSED WITH THE SUN, CROWNED WITH TWELVE STARS , POWERFUL, TERRIBLE AS AN ARMY IN BATTLE ORDER, THAT CRUSHES THE SERPENT'S HEAD, THAT CRUSHES THE GREAT DRAGON.

Yes, My children! I am your CELESTIAL COMMANDER and you must now follow Me with complete docility to My voice, obeying everything I have told you in My Messages for the greatest triumph of My IMMACULATE Heart.

IN DIFFICULTIES, DO NOT BE DISCOURAGED! DO NOT DESPERATE IN THE SUFFERINGS! IN THE TEMPTATIONS OF THE DEMON DO NOT GIVE HIM A PLACE IN YOUR SOUL, BUT BUT SHALL ALL THE DOORS OF YOUR SENSES, SO THAT YOUR HOUSE MAY ALWAYS BE GUARDED FROM EVERY EVIL, FROM ALL SIN, THAT IS, YOUR SOULS MAY BE FREE FROM ALL SIN.

AFTER A SIN COMMITTED, OF A FAULT, DO NOT BE ARGUING WITH SATAN, THAT IS, WHY THAT HAPPENED AND HOW IT HAPPENED. BUT BEFORE, TURN HIMSELF INTO MY ARMS, TAKE MY MIRACLE MEDAL, HOLD IT WITH CONFIDENCE, PRAY THE PRAYER THAT IS ENGRAVED ON IT AND THAT I TAUGHT TO MY DAUGHTER CATHERINE LABOURÉ AND I PROMISE YOU: I WILL LEAD YOU AGAIN TO WAY TO HOLINESS AND I WILL ALWAYS SMASH THE HEAD OF THE INFERNAL SERPENT IN YOUR LIVES AND IN YOUR SOULS.

I followed the example of My Little Daughter CATHERINE LABOURÉ who

loved Me so much and who was so obedient to all My desires. Who suffered so much for My Love, for My sake and who gave Me so much glory, seeking by all means to make Me known through My MEDAL.

If you follow Her example, praying the HOLY ROSARY with love every day and spreading My MIRACLE MEDAL to all My children, then you will greatly hasten the coming of the GLORIOUS KINGDOM OF JESUS and MY HEART to the whole world, being the apostles of My Miraculous Medal, being the apostles who increasingly spread My Messages to the whole world, you shorten the ADVENT, this SECOND ADVENT that you are living, which still separates you from the glorious coming of my Son Jesus.

Therefore, My little children: FORWARD! CONFIDENCE! CONTINUE TO PRAY THE MEDITTED ROSARY THAT MY SON MARCOS SAYS FOR YOU, AS WELL AS ALSO ALL THE PRAYERS THAT I HAVE GIVEN YOU HERE, BECAUSE THROUGH THEM, THROUGH YOU, EVERY DAY I RESCUE MANY SOULS FROM THE CLAWS OF SATAN. AND IN THE SILENCE AND HIDING OF THE WORLD I AM EVERY DAY BUILDING MORE AND MORE THE GREAT WORK OF SALVATION OF ALL MY CHILDREN!

I bless all of you who wear My MIRACLE MEDAL, who spread it with such love to all My children, who spread the Apparitions and Messages that I gave to My daughter CATHERINE LABOURÉ and I especially bless you Marcos, Apostle of My MIRACLE MEDAL, Apostle of My Messages to My little daughter CATHERINE LABOURÉ. You, who are one of those who most glorified My APPEARANCE TO MY DAUGHTER CATHERINE AND MY MIRACLE MEDAL.

I bless all of you from PARIS, LA SALETTE and JACAREÍ.

Rest in the Peace of the Lord.”

MESSAGE FROM THE ANGEL MIRIEL COMMUNICATED TO THE SEER MARCOS TADEU

MESSAGE FROM THE ANGEL MIRIEL

"-My brothers, I come to call you once again to conversion and true love for the Lord and for His Mother. Have true devotion to Us, the Holy Angels, which is a sure sign of salvation, for We will always obtain all the graces necessary for salvation to Our devotees and we will always help those who love Us to have the same virtues that We possess.
Be obedient as We are to the Lord and to Mary Immaculate, the Our Queen and We will guide you along the path of spiritual perfection. Pray the Holy Rosary every day. Be faithful to the Lord and keep His commandments.
I bless you all today with love.
Peace, Marcos, My favorite friend, I bless you abundantly now too."

(Marcos): Then he spoke to me privately and disappeared. My brothers, the Angel Miriel calls us today to a profound change of life, of thought and of attitudes. God wants from us a conversion so profound that it changes us permanently, not a superficial conversion that only lasts for a while and then ends. For this, He gives us the precious help of the Guardian Angels, who want to help us achieve this profound conversion. But for the Angels to be able to help us, we need to be docile to Them, fulfilling Their Messages and having an absolute trust in Them as young Tobias had in the Angel Raphael. In this way devotion to Them will be a sure sign of predestination and salvation in our lives. Let's give ourselves completely then into Their hands so that they can lead us to God. Now is the time for our yes. Today is the day of conversion and salvation that the Lord has made for us. Save Mary!

MESSAGE FROM HOLY MARY

“- My beloved children, today, I call you again with the Virgin Saint Barbara, to true love for the Lord and to place your feet again on the path of My Son Jesus so that you can all reach salvation and perfect holiness for the greater glory of God.

Walk on the Road of Jesus following My Son Jesus and Me every day, in deep prayer, in a life of intense prayer, in meditation on Jesus' teachings, in the perfect imitation of all His virtues and My virtues. So that truly every day the road you walk is the road of truth, of love, of peace, of grace, so that this world completely shrouded in darkness can be illuminated by the light of the Sacred Heart of Jesus and so the darkness of Satan be completely overcome and crushed under the feet of My Divine Son.

Walk on the Road to Jesus every day, carrying your cross with patience, with love, as my son Jesus carried it. Knowing that at the end of the way of the Cross there is Resurrection! And may all those who die with Christ, rise in glory with Christ! And that all the servants of God, after the trials they go through in

this life, have an immensely more beautiful, profoundly, infinitely more luminous and happy life waiting for them in the glory of paradise together with all the angels and saints and with Me, your Heavenly Mother. ! And that is why all My children must always keep the flames of hope, faith and joy burning in their hearts. From the certainty that in the end My Son Jesus will triumph and that those who are his true disciples will also triumph!

We are with you! And on the way of Jesus no one goes alone. I and all the Saints who love you so much, your Guardian Angels and the Angels of Light of the Lord will always follow you, always accompany you, always protect and support you at all times!

Walk on the Road to Jesus, renouncing more and more the evil of this world, the sin of this world, following the path of virtues, love, goodness. So that your life may become a very clear mirror where the Holy Trinity can reflect its power, its love and its glory to save this world already completely dominated by the darkness of evil, sin and Satan.
In this way, you will help many souls to walk with you on the path of Jesus and reach God together in Heaven and in My maternal lap.

I am with you My children, do not be afraid! Your Mother is always attentive to the voice of your prayers! My gaze does not deviate from you for a moment. I know you by name! I know what each of you needs and I will always be by your side to comfort you, help you to overcome all trials!

Keep praying all the prayers that I have given you because through them, I create around you as a 'Wall of Light' that prevents Satan from striking your souls and bringing you down on the path of Jesus.
With Me, with the prayers that I have given you Here, you will walk firmly on the path of Jesus and you will reach My Son Jesus in the glory of Heaven, Certainly!

Whoever gives the Medal of My husband Saint Joseph, whoever gives My Messages, My prayers from here with My Medal, the Medal of Tears and all the others that I have given you Here, in predestinating the souls of others to Heaven, will also yours!

To all of you at this moment, I bless you generously from FÁTIMA..., from SAN DAMIANO..., and from JACAREÍ.

Peace My children! Peace Marcos, the dearest and most dedicated of My children."

“- Beloved My brothers! I, BARBARA, am glad to be here with you on My Feast day! I bless you from the bottom of My heart and I say to you:

BE SAINTS! Be saints for the greater glory of the Lord, of the Most Holy Mary! For the greatest triumph of the good, the truth and the love of God in this world that has finished turning away from Him and being dominated by the forces of evil.

BE SAINTS, because your holiness crushes satan and his evil forces! Because your holiness crushes every kind of sin. Your holiness cancels out so much evil that there is in the world and makes good, finally, have a chance to win and triumph in hearts.

BE SAINTS, because your holiness consoles the Lord, consoles Holy Mary, They who are so sad for the sins of the world as the little shepherds of Fatima said. Yea! Your holiness consoles the Heart of the Lord. Your holiness ascends to them like a most fragrant incense! It falls like a balm on Their Sacred Hearts so wounded and crowned with thorns for the sins with which men pierce Them at all times.
Your holiness removes the thorns from the United Hearts of the Lord, His Mother and Saint Joseph!
Your holiness glorifies the Lord! Your holiness rejoices, makes all of Paradise exult with joy. It makes the souls in purgatory sweet relief from their torments. It causes the demons to fall petrified to the ground without being able to harm souls. Your holiness makes the Light of the Lord shine in the world!

BE SAINTS, because your holiness makes the Angels happy. It makes the Saints tremble with joy in God our Savior. Your Holiness makes the Most Holy Trinity congratulate you. Makes the Heart of the Blessed Virgin consoled for so much suffering that She has to see the loss of souls. Your holiness dries the Tears that the Mother of Heaven sheds for the loss of souls.

BE SAINTS, for your holiness hastens the hour of the Lord's coming. Your holiness makes the Lord hasten the hour of His GLORIOUS MANIFESTATION when he will finally deliver the whole world, all creation that groans under the yoke of sin.
Your holiness makes the Lord hasten the moment when love will return to you with love.

Your holiness hastens the hour of the miracle of divine mercy on the whole world, when at last it will be poured out abundantly and then the triumph of Our Lord Jesus Christ, of His Mother and of Saint Joseph will be verified throughout the Earth.

Your holiness makes it possible for us, the Saints, to pour out over the whole earth, together with the Blessed Virgin, a copious shower of graces and blessings that converts so many sinners, that nullifies so much evil.

BE SANTOS, so that your life may be like mine, an eternal, immortal hymn of love for the Lord, for the Mother of God and an indestructible witness to the presence of God, the strength of His Love and the truth of the Holy Catholic Faith for the whole world.
Then, in your holiness, the greatest triumph of God's goodness, love, grace and truth will be seen.

And then your life will truly be an immortal and indestructible sign of God's presence in the midst of men.

I bless everyone at this moment with the Blessed Virgin, generously and I cover everyone with My Mantle. Never forget:

I AM YOUR PROTECTOR, I LOVE YOU AND I WILL NEVER LEAVE YOU!

To all, now, I leave My Peace. “

MESSAGE FROM THE BLESSED MARY

"-My little children! Today, when you celebrate the Feast of MY IMMACULATE CONCEPTION, I come again to you to bless you, to fill you with the graces of Heaven and to say to you:
In the light of My IMMACULATE CONCEPTION you must walk every day of your life, following Me along the path of prayer, love, holiness, grace, so that together one day, My children, we can praise God in eternal glory and bless the holy name. of the Holy Trinity.

In the light of My IMMACULATE CONCEPTION, you must walk each day,

being docile to My Messages, doing all that I have commanded you, following Me along the path of prayer and spiritual perfection, seeking with all your heart to carry out the will of God. , My will, and thus to give the world a sign, a witness of the presence of the Lord, of My presence in the midst of men so full of evil, hatred and sin. So that again the grace of the Lord can restore all humanity and bring you new Heavens and Earth, a new Earth of holiness, a new Earth of grace, a new Earth of love, where everyone will love God, where everyone will will love in God. And so, your supernatural love will transform the world into a great garden of grace and holiness.

In the light of My IMMACULATE CONCEPTION, you must walk each day, following Me along the path that My daughter BERNADETTE and all the Saints followed Me: which is the path of renunciation of oneself, of the world, of the false and illusory joys of this world, of humility, of meekness, of love, of faithfulness to the Lord. So that, in you and through you, the grace of the Holy Spirit may enlighten this world shrouded in darkness and may make all hardened hearts soften, open to God and accept his saving grace. If you do this, My Heart will act powerfully through you, filling the whole world with the light of the SACRED HEART OF MY SON JESUS, and so the spirit of darkness, Satan will be more and more crushed under My Immaculate and Virgin Feet. .

Follow the splendor of My IMMACULATE CONCEPTION, follow in the light of My IMMACULATE CONCEPTION every day of your lives, letting yourself be formed by Me, letting you be taught by Me, letting you be modeled by Me, so that each day more I can reproduce in you the features of My Divine Son JESUS Christ and My own features. So that you may be more and more similar to Us, more and more similar to My Spouse JOSEPH for the greater glory, joy and contentment of the HOLY TRINITY.

This Sacred Place of My APPARITIONS IN JACAREÍ, is always under the light of My IMMACULATE CONCEPTION, that's why I showed you in so many Signs, the light of My Heart descending from Heaven over this place, because here truly, I, the IMMACULATE CONCEPTION , I am loved, I am obeyed, I am followed, I am glorified first by My little son Marcos, the most dedicated and hardworking of My children, secondly by My Children Marcos Augusto and Marcos de Paula and then by all My children, who here for so many years they follow Me, they love Me, they pray, they fulfill with love all that I have asked of them, even though they have difficulties, they never tire of serving Me and walking after Me on the path of holiness. And to all My children who from the first moment believed in the Messages that My son Marcos transmitted to them from Me,

In you My children, who pray the prayers I have given you, who spread My Messages by all the means you can, you who give your heart to Me every day, in you I am truly glorified, loved and served. And that is why here I never tire of

showering you with the efficacious graces of My IMMACULATE CONCEPTION, purifying your bodies, sanctifying your souls, healing you from all the spiritual and bodily wounds that you have acquired throughout your life, to that you may enjoy perfect health of body and soul and that you may be My living mirrors, where I increasingly reflect My light, My presence, My love and My purity.

CONFIDENCE!

My Immaculate Foot has already crushed Satan's head once at the moment of My IMMACULATE CONCEPTION. At that moment when I was conceived without the stain of original sin, GOD already made Me crush the head of the proud adversary, the arrogant adversary, and he never had any power in Me, he never had any influence over Me. Like a Closed Garden, like a Sealed Fountain, the serpent could never taint My purity with the poison of its perfidy, in Me, in this Garden the evil serpent never crept. That is why My children, I who am the conqueror of sin, the conqueror of Satan, say to you:

SOON BY THE LIGHT OF MY IMMACULATE CONCEPTION, I WILL CRUSH SATAN A SECOND TIME AND THIS TIME FOREVER! AND THEN, MY CHILDREN WHO NOW groan in the midst of so many sufferings caused directly by him or through the evil men who are part of his army, will finally be freed and will know a new time of peace, which my immaculate heart prepares for each DAY, TO ALL THOSE WHO LOVE ME, ALL THOSE WHO SERVE ME AND ALL THOSE WHO ARE FAITHFULLY ALWAYS WITH ME.

To everyone, at this moment, who wear My MIRACLE MEDAL, who wear My PEACE MEDAL, who pray the THIRD OF MY IMMACULATE CONCEPTION, to all those who spread My Messages, especially those I gave in LOURDES, to My daughter BERNADETTE, to My little daughter CATHERINE LABOURÉ as the IMMACULATE CONCEPTION, I now give a plenary indulgence, I also give all effective graces to those who every year on the 8th of DECEMBER always made My HOUR OF GRACE as I asked in MONTCHIARI, to all who spread the appeals I made to My little daughter PIERINA GILLI and here too, and who spread My HOUR OF GRACE with love and who are always here every year faithfully, I bless you generously now, from LOURDES, from the CHAPEL OF RUE-DU- BAC DE PARIS and JACAREÍ.

Peace My beloved children! I bless you all at this moment with love.”

Heaven with all your heart.

If you are daisies of interior purity, of docility, of obedience to the Lord and to His Mother, through you They will spread over the whole world filthy with sin, to the whole world that has already become a dark swamp of sin, God will be able to spread the perfume of His grace, of His presence and of His love among men. And so from a swamp of sin the world will turn into a new garden of beauty, grace and holiness.

that never dries up. You, My brothers, must be those sapphires of extreme beauty, of extreme spiritual value, having in your souls the virtues that the IMMACULATE CONCEPTION, the Mother of God, had: BROADING LOVE, HER INNER AND SOUL PURITY, HER CANDURE, HIS READY OBEDIENCE, HIS READINESS TO FULFILL THE WILL OF THE LORD, HIS FIRM HOPE, HIS EXTREMELY PERFECT TEMPERANCE AND ALL THE VIRTUES THAT THE IMMACULATE CONCEPTION HAD.

That is why She is called SAPPHIRE, because the blue color of the sapphire, which is that of the IMMACULATE CONCEPTION, is also the perfect figure of that beauty, of that divine and heavenly life that was in the soul of Holy Mary, which so enchanted the Holy Trinity, that she so enchanted the Angels and that she also loved so much all those who knew her and who had the privilege of seeing her speak with her. There was no one who looked at her, who spoke to her, who heard her voice, who did not have his heart melted, touched by holy feelings of love, of veneration, of imitation of her virtues. So too, if you imitate the virtues of the IMMACULATE CONCEPTION, all men will see Her presence, they will feel Her presence in you and they will also want to serve this Mother, love this Mother,

I CLOTILDE, beseech you: be these precious sapphires. And then, through you, the beauty and splendor of the light of the IMMACULATE CONCEPTION of BLESSED MARY will shine for all.
I am with you in every moment of your life, I never leave you, I accompany you at all times, I know everything that happens to you, I know your difficulties, I know everything that weighs you down, everything that makes you suffer, but I say to you:

DO NOT BE DISCOURAGED! IF YOU KNEW HOW MANY SAINTS ARE TWENTY-FOUR HOURS A DAY WITH YOU, PRAYING FOR YOU, HELPING YOU, GUARDING YOU, YOU WOULD CRY NO MORE! BECAUSE OUR PRESENCE WITH YOU IS AS CERTAIN AS THE AIR YOU BREATHE NOW. AND OUR PRESENCE RUNS OUT ALL EVIL, ALL THE INFLUENCE OF SATAN AND FILLS YOUR LIFE ALWAYS MORE WITH THE GRACES, LOVE AND PEACE OF THE LORD GOD.

I CLOTILDE cover you with My Mantle at all times. I am always close to you to help you to walk forward, towards that crown of glory that awaits you in Heaven and that the Mother of God prepares for you. This place that is most favorite, that is most beloved of Mine is always in the sight of My eyes, all His difficulties and problems are Mine and I pray that the miracle of Divine Mercy descends more and more to this holy place every day, and so too in the lives of all who come here to pray, with true love and the desire to be saints and to obey the Messages of the Mother of God.

I am with you, fear not! I, CLOTILDE, place My shield over you to defend you more and more from all kinds of evil and at this moment I bless you generously together with Mary Most Holy.”

MESSAGE FROM OUR LADY

"-My little children, today I come again to bless you, I your Heavenly Mother, and say to you:

LIVE MORE AND MORE IN THE GRACE OF GOD.

Be you My new Grotto of Massabielle, where I can truly manifest My Love, My Mercy and My peace, giving you more and more the grace of the Lord, the light of the Holy Spirit to transform you into great saints as I did with My little daughter Bernadette .

Be My new Grotto of Massabielle, living more and more in deep prayer, in deep attention to My Messages, docility to My voice, correspondence to My maternal call, so that in you I can always more manifest My grace, acting through among you for the salvation of My children. And through your words, examples and works I can give to all of them, especially My children who are farthest from Me, My Love that saves, My sweetness that heals, My Word that rebuilds and rebuilds everything that Satan has destroyed. So that I can once again rescue My children from the quagmire of sin where they are and lead them all back along a new path, that of conversion, grace and holiness until they reach God.

Be My new Grotto of Massabielle, letting My Peace flow from your hearts, exactly as I made My miraculous source guzzle in the Grotto of Massabielle in Lourdes. So My children, if you let My Messages, transformed into love and life, flow from your hearts, many souls who are wandering in the desert of this world with a parched soul, without love, without peace and without faith will be able to find in you the water that thirsts , the water of grace that purifies, the grace of God's love that heals and saves the souls of My sinful children. Then I

will be able to live in you and remain forever in you, just as I remained forever in My Grotto of Massabielle. Finally, be My new Sanctuary where I can truly reign, love, heal and save all My children through you.

Be My new holy cities, where I can reign as the absolute Lady of your entire life, I can be with you always and you can follow Me along the path of holiness that I have pointed out to you.

Throughout this year I have been with you at every moment of joy and suffering and I will continue with you My children, because I am your Mother and I came to lead you to My Son Jesus on the path of holiness and salvation that is narrow and narrow. , but that is the way of life. I will continue with you to teach you to love more and more, to pray more and more, to overcome all sufferings with faith in God and to arrive victorious on the glorious day of the TRIUMPH OF MY IMMACULATE HEART.

I am with you always! Continue to pray all the prayers that I have given you here and I will accompany you more and more on the path of life, grace and virtue.

I bless you all at this moment, from LOURDES, from MONTCHIARI and from JACAREÍ.

Peace My children! Peace Marcos, the most industrious of My little children."

MARCOS: What a joy to be able to see you again!

MESSAGE FROM SANTA LUCIA OR LUZIA OF SYRACUSE

Marcos, I, LUCIA, LUZIA of SYRACUSE, came with the Mother of God today to bless you more I

have favored you a lot, even with physical miracles throughout this year and I will continue to help, support and bless you always.

You are My true devotee, My true student and disciple and you have truly become much loved, known and imitated by the souls who see the video you made of My life. How many and how many souls, for knowing Me now, for the

love of Me, also want to give their hearts to Jesus and Mary as I did and to follow the path of holiness, love, purity, spiritual perfection, charity, and thus ascend day after day the steps of the ladder of holiness.

I come to say to each one of you:

OPEN YOUR EYES!

Open your eyes to the love of God, which from the heights of Heaven is poured out for you here with such abundance, that if the generations of the past could live today just to be here as you are, they would give everything, they would accept to suffer everything in order to be able to have the grace to be here only once and you have the grace to be able to be here with Us the Saints, with the Mother of God, with Our Lord as much as you wish.
Look at this love of God that has favored you so much, that has benefited you so much. Look how many wonderful treasures you have known here, you have learned here and how much light and peace the Lord has thrown into your souls here. Give Him glory for it, praise Him and love Him, because His goodness to you was immense and limitless.

Open your eyes to the love of God, who here did not look at your sins, your defects and your unworthiness, but rather looked at your misery with love, attracted you to His Heart, His Divine Heart through Mary Most Holy, of Her love, of Her Messages. And here God our Lord has made you so rich in His grace, so rich in His love, wisdom, light and with Me give Him praise and glory because truly in this SCHOOL OF HOLINESS the Lord has made you learn what pleases, what He loves, has taught you to deplore, to hate what He doesn't like, what He doesn't want. And you, continuing to be docile to his will, will arrive at that consummate holiness, which he wants for you, which he expects of you, which will make you a perfect reflection of the Holy Trinity,

Open your eyes to the Mercy of God, who never tires of lifting you from the swamp of sin where you so often throw yourselves voluntarily for your sins, who always lifts you up when you stumble, who heals you whenever Satan strikes you, always that evil men strike you and make you feel the sting of pain and Here the Lord and the Mother of God have always healed you, always relieved you, always given you new health and spiritual joy.

So, My beloved brothers, Here you walk every day in holiness and love, in grace and in peace. And every day you can taste, feel, as I felt while I lived on Earth every day how good the Lord is, His Mercy is eternal and how much the Mother of God loves each one of you and has never abandoned you.

I, LUCIA, LUZIA, am with you to always open your eyes, to make you see more and more the greatness of God's love and to help you always to be those holy, mystical, pure cities of burning holiness in which God lives. , God acts, God reigns, God can always see himself loved, followed, obeyed, listened to, adored. In you the Mother of God is comforted and I am always very close to you, to help you to be those consoling angels that I myself was of the PAINFUL AND IMMACULATE HEART OF MARY.

I, LUCIA, cover you with My mantle every day and accompany you every step of the way, to protect you, guard you, lift you up when you suffer or fall. With your hands firmly placed in My Hands you will never be lost, you will never perish.
Continue with all the prayers that the SACRED HEARTS UNITED have given you here. I thank you for remembering Me, for having come today to celebrate My Feast. As I bless the people of SYRACUSE who 1700 years ago never forgot Me, I also bless you who never forget Me generously and say:

LOVE! LOVED! LOVED!

PRAY! PRAY! PRAY!

PRAYER AND LOVE WILL NEVER END.

To everyone at this moment, I bless you generously and especially to you Marcos, one of the most ardent of My devotees, perfect disciple and imitator of Mine, and to all who are listening to Me at this moment I bless you generously, from SIRACUSA and from JACAREÍ.

Peace!"

THE ROSARY, My favorite prayer, together with all the Rosaries that I have given you, with the HOLY HOURS of Prayer that I have given you Here, will once again be the salvation of all humanity.

MESSAGE FROM SANTA HILDA

"My beloved brothers! Mark, my most favorite friend, I HILDA servant of the Lord, servant of the Most Holy Mary, I came today with Her and with Our Lord Child to give you peace and say:

GO FORWARD APOSTLES OF LIGHT!

Illuminate the world with the light of Christ, of His Most Holy Mother, banishing the darkness of sin wherever you go, wherever you go, so that, in this way, Satan is truly trampled under the feet of Jesus and Mary every day. truth triumphs over lies, good over evil, light over darkness.

Go ahead apostles of light, carry the light of the Lord and of the Most Holy Mary, always living a profound life of prayer, a profound interior life, a profound life of intimacy with God, with the Mother of Heaven, with the Angels, with the Saints, living continually in meditation on the Messages, on the Word of the Lord, so that it may always be the light of truth, the light of wisdom, the light of the Holy Spirit, the one that enlightens you and guides you all the days of your life. So that, having this light from Heaven in you, you can illuminate the lives of all those who walk in darkness and you can help everyone to reach salvation, even the Lord in Heaven who awaits all His children with open arms to fill you with His Graces and His Love.

Go ahead apostles of light, bringing ever more light from the Hearts of Jesus, Mary through the HEART OF SAINT JOSEPH, spreading Their Messages with love, for you are the temples of the Lord, the holy cities of the Lord and of the Mother of God and therefore you must keep the city of your soul always clean, always beautiful, always illuminated and perfumed with a life of intense prayer, sacrifice, penance, love and help all your brothers and sisters to also have this heavenly life and angelica. Therefore, go, bring to them the light of Heaven that you knew here, that you were given here to taste, to feel. Go and take God's love to everyone, show how sweet, gentle, happy living with God is and that in God and in the Mother of God there is no bitterness. Go, take to them this love that has favored you so much here, that has raised and enriched you here so much,

Go, apostles of light, bring the light of the Child Jesus, bring the light of Mary Immaculate to the Lady of Bethlehem, bring the light of the Heart of Saint Joseph to all those who have not seen her yet do not know her. So that the darkness of hell may be banished more and more from the lives of all men and the KINGDOM OF THE HEARTS OF JESUS, MARY AND JOSEPH may come to the world and be established in the world in every soul, in every family, in every heart, in each nation. For that, go make the Rosary Prayer Groups, the Cenacles that the Mother of God sent you, the Cenacles that the Mother of God sent you, taking Her Messages, taking the Hour of Peace, taking all the Treasures that She gave you these powerful means to enlighten souls, for in these engraved prayers of this place resides great light. When you pray them from your mouth, from your eyes, from your heart comes a light so intense and so powerful that it blinds the demons and they can no longer see the souls they wanted to lose before and drag with them into sin. So go, take this light to all sinners, so that everyone can see it, so that Satan cannot harm souls and so, the greatest number of them return to the arms of the Lord and the Mother of Heaven.

You are the holy cities of the Lord and of the Mother of God, take care that the oil of your lamp never runs out, that is, that the ardor of your faith, of your love, never diminishes, never ends, feed your lamps with oil. with ever-deepening and continuous meditations on the Messages, on the lives of the Saints, on

what all Heaven makes known to you here, on the life of Our Queen and Lady Mary Most Holy in the books Mística Cidade de Deus. So that, keeping your souls in this way, your lamps filled with the good oil of heavenly things, the flame of your love, the flame of your faith, will never go out.

Feed this flame with the videos of the Apparitions, Messages, of the Life of the Saints, that Marcos made and gave to you, because there resides great grace, great light from Heaven and great spiritual anointing of the Holy Spirit to give you more and more grace , wisdom, love and heavenly life, sanctifying life for the soul.

I, HILDA, am with you always, I bless you, I keep you, I cover you with My Mantle at all times and I never leave you alone. I love you so much! I have been praying for you for a long time and I have been suffering for a long time seeing that so many of you are taking time to give yourselves completely to the IMMACULATE HEART OF MARY Here and to give your life to Her.

I pray for you every day before the Hearts of JESUS, MARY and JOSEPH asking that They do not abandon you for your delay, your slowness in answering YES to Their call and for so much ingratitude towards Them even after so much love, so many Messages from so many thanks they have given you. I have obtained a little time for you, but I ask you to hasten your conversion! Hasten your yes! Say your yes to the Hearts of Jesus and Mary so that through the Heart of Saint Joseph now, so that the Lord does not abandon you and so that His Plan of Love may be fulfilled without delay in each and every one of you.

I, HILDA, now cover you with My Mantle and shower you with the most abundant graces of the Lord.

Peace to all, peace to you Mark, the most valiant, the most beloved of My brothers.”

Messages communicated in the Apparitions of Jacareí, year 2012

January

FIRST MESSAGE OF THE YEAR 2012
JACAREÍ, JANUARY 01, 2012
http://pt.gloria.tv/?media=235191

MESSAGE FROM OUR LADY

"-My beloved children, I am the MOTHER OF GOD, I am THEOTOKOS, the your Mother.
At the beginning of this new year that begins, I come to tell you that I AM THE MOTHER OF THE NEW TIME, of the new time of grace that God grants you with the dawn of this new year.

I am the Mother of the new time of grace and that is why I call you to a profound conversion, to a profound change of life and to truly reformulate your whole life in accordance with God's will, with His Law of Love, with the My Messages so that your life may always be a sign of God's love and My love in the world, among men and that you may be light in the midst of so much darkness that has now descended on humanity.

I am the Mother of the new time of grace and that is why I call you all to an urgent return to God. I came to call the world to conversion for the last time, after these My Apparitions here in Jacareí are over, I will never return to this world.
Therefore My children, this is the last chance that God and I give to all humanity and to each one of you. Do not throw away your salvation, do not play with something as serious as this time of grace that God has given you while My Apparitions last here.

While I am here giving My Messages to the whole world and to you too, I can help you to convert you, to save you, I can bring you closer to God, I can always bring you closer to God. The time will come when My Apparitions will cease and then those who cry out for Me, calling Me, those I will no longer be able to help, for them I will not be able to do anything else because the time of Mercy and clemency will have passed. Know therefore how to recognize the time of My visitation and do as Saint Elizabeth, Zacharias and little John the Baptist did, know how to rejoice in God for My presence here, know how to listen to the word I say to you, know how to recognize Jesus, know how to recognize the Lord that I bring with Me in My Apparitions to give you, to make reign in you and in your life.

I welcomed him! Accept it! To May! Follow Him! Listen to My maternal voice which commands you to open all the doors of your hearts to Christ. In this way, you will truly value the grace of My Appearance and presence here and you will truly give Me what I came from Heaven to look for here and that for 20 years I never get tired of asking you: LOVE! True love, supernatural love,

profound love in pure transformation for God and for Me, for the salvation of souls and also for yourselves. Save your souls by praying, doing penance, spreading My Messages, because by helping Me to save the souls of others, you will predestine your own souls to Heaven, to salvation.

My children, I am the Mother of the new time of grace that the Lord has given you with this new year and that is why I want to continue with you in your conversion, I want to continue the process of your sanctification, bringing you always higher, always closer to the Lord always so that you may become holier and more identical to My Son Jesus and to Me. For this, I ask you for greater docility, greater trust, greater surrender into My Hands, a greater renunciation of yourselves and of the world so that you can be docile instruments in My Hands so that I can carry out My Plans of Salvation of humanity.

I am the Mother of the new time of grace that the Lord has given you and that is why this year I will pour out on you as never before the effective graces of My Immaculate Heart. And if you cooperate with My grace, if you help My grace I will truly do extraordinary things in you.

In these times of the great apostasy, of the great tribulation in which the darkness of sin, wickedness, lack of faith, loss of faith, apostasy ended up covering the whole world and even the Church which, although it is the only true one, the only way of salvation, the Catholic Church, this daughter of Mine is disfigured, the Church is covered with wounds, because many of her pastors and faithful no longer pray, they do not have the true faith, they have assimilated the errors of the world that are now taught and propagated as truth, as a good.

In these times when everything collapses and ends, I come to call you to be My faithful children, to be My good workers, My good workers who with Me rebuild the Holy Church, defend the holy Catholic faith, save the souls of My children and lead them all to the safe refuge of My Immaculate Heart before it gets dark and the night of the great tribulation ends. Therefore, I send you My children, not to the comforts of the world, but to the struggle, to the work, to the struggle for the salvation of the souls that I love so much and that cost all the blood of My Son Jesus. So that, helping Me to save these precious souls, I can hasten in the world the glorious and miraculous hour of the TRIUMPH OF MY IMMACULATE HEART.
Trust My children in this new time of grace, in this new year that God gives you, because your Mother already has everything planned and traced, already has Her victorious, successful plan, completely traced by Her and the Holy Trinity in its smallest details. Do not lose hope, do not lose heart and confidence, go on in peace because the Mother of Heaven knows how many hairs you even have, she knows how many times your heart beats and will not allow the enemy to prevail over you. Therefore my little children, go forward because I am with you together with Jesus and with Joseph as My Son promised you until the consummation of the world AND FINALLY MY IMMACULATE HEART WILL TRIUMPH, because in My IMMACULATE CONCEPTION, in My YES I have already overcome the world, I have already overcome Satan.

I bless you all at this moment generously, from FÁTIMA, from KERIZINEN and from JACAREÍ.
Rest in the Peace of the Lord. Peace Marcos, the most industrious of My children."

MESSAGE FROM SAINT JOSÉ

"- Beloved My children, My MOST LOVELY HEART blesses you today in this new year that is born and gives you Peace. Fear not! My Most Loving Heart is with you, He is your shield, He is your refuge and in this refuge you will be protected and defended from all evil.
Just as I did not fail to care for the BOY JESUS and the IMMACULATE VIRGIN, the two greatest Treasures of the Father, so I will not fail you, who are the blessed race of the Lamb of God and the Woman clothed with the Sun.
I will guard you, protect you and defend you always! And today I come to call you to grow more in love, in trust and in docility towards Me, so that My Flame of Love descends and triumphs powerfully in you.

MY FLAME OF LOVE MUST DESCEND AND TRIUMPH IN YOU, in this new year that is born and that is why you must turn now with all your love to My Paternal Heart, because this My Heart wants to pour out its Flames on you of Love, burning you ever more with love for the Lord and making you grow in virtues and holiness. For that, I want your total yes without reservations to My call of love today, so that I can light My Flame today to transform you into luminous torches that lighten this world wrapped in so much darkness of sin, evil, apostasy and hatred.

My Flame of Love must descend on your hearts and triumph in you and therefore I want you to intensify your prayers asking more and more for the outpouring of My FLAME OF LOVE that will prepare the Second Pentecost that is getting closer to you every day.
WHEN THE FLAME OF LOVE FROM MY MOST LOVING HEART IS KNOWN AND PROPAGATED THEN THE SECOND PENTECOST, THE SECOND DESCENT OF THE HOLY SPIRIT WILL POWERFULLY OCCUR IN THE WHOLE WORLD, CAUSING ALL SOULS TO RISE TO THE GRACE OF GOD, THAT THE DESERTS BE TRANSFORMED INTO FLOWERING GARDENS AND BEAUTIFUL AND SO THE WHOLE WORLD MAY KNOW A NEW ERA, A NEW TIME OF PEACE, HOLINESS AND LOVE!

My flame of love must descend and triumph in you and that is why I ask you to imitate the love that the Saints had for Me, especially My daughter TERESA D'AVILA, ANDRÉ BESSETTE and so many other My children who loved Me so much. strength and intensity. So that through you I can also do wonderful things, I can convert many sinners and make the world shine more and more the glory that the Holy Trinity has given Me, so that sinners are not afraid to approach the Lord through Me, because I am the loving, merciful and sweet Father and in Me there is nothing terrible, nor severe, I love sinners and I desire to lift them from the mire of sins in which they are fallen, for that I extend My hands a thousand times if it is I need every day the sinner who invokes Me,

My Heart will never reject, it will never say no to the one who asks me: My Father, Beloved José, save me! The sinner who invokes Me even though his sins are darker than the night, if he invokes Me with confidence and love I will not reject him, I will not abandon him, but I will take him in My arms as I did with the Child God and then I will carry him again to the Father's house, I will reconcile him with the Lord and with the Holy Virgin, I will cleanse him, I will heal his wounds opened by his sins and I will give him a new beauty and a new life in God.

My MOST LOVING HEART will pour out its flame OF LOVE copiously on you, as you open your heart to Me and give Me access to your heart. So expand it, open it wide for Me and this year I will pour My FLAME OF LOVE on you so much that you will merge with God as metals melt in fire.

I want to lead you to extreme holiness, so I want your yes, I open the door of My MOST LOVELY HEART which is and will always be your refuge. Enter it and I will guard you, nourish you, teach you and lead you ever more to the HEART OF JESUS.
To all, at this moment, I bless you generously from Belém, Nazaré and Jacareí. Peace My beloved children, rest in the peace of the Lord, I cover you with My Mantle."

MESSAGE FROM THE DIVINE HOLY SPIRIT

"-My beloved ones! I the LORD, your God, the HOLY SPIRIT, bless you today through the IMMACULATE HEART OF MARY and I give My Peace!

I AM THE ETERNAL!
I call all My creatures to know My Love, to prove My goodness, to respond to My holy will and to fulfill what in these times here in Our Apparitions in Jacareí, I come to say to the whole world for their complete salvation, restoration and peace.

Men have no peace, because they have ignored the continuous calls of My Mystical Spouse to the Virgin Mary for conversion to Us. For this reason, your days are filled with tribulations, disorders, violence and evils from all sides, because in answering no to the insistent call of My Immaculate Spouse, to return to Me, you yourselves attract all the fate of evils, you yourselves become the causers, the creators of all the evils that exist in the world.

I AM HOLINESS, and therefore I AM GOODNESS, I AM LOVE, I AM CONCORD, HARMONY and PEACE.

And everyone who lives in Me, everyone who loves Me, everyone who follows Me, who obeys Me, receives from Me this Peace that exceeds everything you can imagine and know, this peace that I give to those who truly possess Me. , Love me. Many souls come to Me, they ask Me for graces, but they do not want to empty their hearts of the things of this world, of attachments to passing things. And that is why in your hearts there is no room for My love, there is no room for My grace to act, I cannot give My love to a soul that wants to love My enemy and Me at the same time, that wants to love the world and love Me within your heart, because this is one thing, an irreconcilable union. That is why I call you all to give your hearts completely in this way, for only in this way will I be able to pour myself on you like an abundant rain, that makes even the driest and driest desert turn green and come back to life. If you give Me space, an opening in your hearts, I will enter and perform in them so many transformations, so many graces that you will truly be a flame of living love in this world.

My love does not get tired of looking for you, you who are My cities, you who are those that I chose to live in you, but you have soiled this city, you have destroyed this city that I have created for Me, filling the streets of this city. city of debauchery, sin, disorder and evil of every kind. Therefore I come to restore you, to restore My cities, to cleanse their streets, to rebuild where the adversary, My enemy from the beginning destroyed and caused ruin, to lighten these My cities, to perfume them and to establish in them My Throne of glory, from whose throne My light comes forth, which illuminates these cities, so that in them, in those cities, there is neither darkness nor darkness, nor any shadow of sin, but everything is always a clear day, bright, glorious and holy.

You My cities have allowed the destroyer to enter you, to cause destruction and ruin, pillage and kindle his consuming fire in your souls, filling you with sin, perfidy, malice, impurity, hatred, rebellion and everything that displeases you. in My eyes. But behold, I, the Lord, the Sanctifier, come now to restore you, I will build in you My cities, walls so high that My adversary will no longer be able to pass through to enter your house and there to cause robbery and destruction, damage and irreversible damage.

I will strengthen your gates and set guards on them, that is, so many graces and virtues that My enemy will not be able to penetrate your walls and I, the Lord, will make a river of living water flow in you right in the middle. of the city, where everyone will be able to drink, they will be able to restore their strength, they will be able to find new life again and the desert will finally be transformed into a garden.
Through you I will transform many souls parched by sin, by the distance from Me, into gardens attracting them, attracting these souls, these sinners back close to Me, close to My love and these souls will also be transformed into so many others. holy cities, where I will dwell and reign and where I will be glorified.

Come My cities! Open the doors to your God, to your Lord who is already being announced to you in so many ways! Know how to look at the signs of the times that are already happening, everything that My Immaculate Spouse told

you in the past in her Apparitions, is now being verified literally and this is the sign that I send you that I am already at the door.

YEA! THE SECOND WORLD PENTECOST IS HERE! THAT EXACTLY HOUR OF GRACE WHEN I descended upon my immaculate wife and upon my beloved apostles at the first pentecost and with my fire I will burn you all, I will produce in you burns so strong that you will be reborn as a phoenix from the ashes. YOU WILL BE REBORN SAINTS, YOU WILL BE REBORN PURE, YOU WILL BE REBORN COURAGEOUS, BURNED WITH LOVE FOR ME YOUR GOD. I WILL PLACE IN YOUR MOUTH A WORD SO POWERFUL THAT THE WICKED CAN NOT RESIST. AND THAT IS WHY CROWD AND CROWD OF PEOPLE WILL BE CONVERTED, THEY WILL BEAT THE BREAST WITH SO STRONG PROCLAIMING ME THE ONLY GOD, THE TRUE LORD AND THEY WILL GLORIFY TO US THE HOLY TRINITY BY GIVING US THEIR HEARTS MORE AND MORE AND WORSHIP US IN SPIRIT, TRUTH AND LIFE.
I WILL PLACE IN YOUR HEARTS A FIRE OF LOVE SO GREAT THAT THIS FLAME WILL SET THE FIRE OF MY DIVINE LOVE IN THE WHOLE WORLD AND THERE WILL BE NO PEOPLE, RACE, OR NATION THAT WILL NOT KNOW ME, THAT WILL NOT BLESS ME, THAT WILL NOT PRAISE ME AND THAT WILL NOT BE ME. COMPLETELY RENDER WORSHIP AND PRAISE.

IN THIS SECOND PENTECOST I WILL MAKE YOU, MY CHILDREN, OPEN YOUR LIPS AND PROCLAIM MY PRAISE SO LOUDLY AND SO SOUNDINGLY AND ELOQUENTLY THAT EVEN THE MOST UNKNOWN AND MOST HIDDEN SOUL WILL HEAR THE TESTIMONY YOU GIVE OF ME AND THEN IN YOURS ardently, IN YOUR FERVENT PRAYERS I WILL PERFORM MIRACLES AS EXTRAORDINARY AND STUNNING AS THOSE THAT MY FIRST APOSTLES PERFORMED. I WILL CONVERT INnumerable sinners, I will perform miracles in heaven and on earth that my children will see and then all will have the knowledge of the truth, that the catholic faith is the only true way, the only way to salvation. AND THEN I WILL HAVE MY HOLY PEOPLE, WHO WILL SERVE ME IN MY PRESENCE, BEFORE MY FACE EVERY DAY, THEY WILL BE MY PEOPLE AND I WILL BE THEIR LORD AND GOD.

HEAR WHAT MY IMMACULATE WIFE SAYS TO YOU IN HER MESSAGES, FOR IN HER SCHOOL OF HOLINESS YOU WILL BE FORMED FOR ME, YOU WILL BE PREPARED FOR ME, EXACTLY AS SHE PREPARED MY FIRST APOSTLES DURING SO MANY DAYS IN THE CENTURY TO RECEIVE ME AFTER. I ONLY DESCEND ON SOULS PREPARED BY MY DIVINE WIFE, I ONLY COMMUNICATE MY DIVINE SECRETS, I ONLY COMMUNICATE MY LIVING FLAME OF HOLINESS AND LOVE TO THE HEARTS THAT I SEE PREPARED, FORMED AND LEADED TO ME, BRING TO ME BY HER.

IT WILL BE BY A MIRACLE OF HER IMMACULATE HEART THAT THE WORLD WILL BE RENEWED, IT IS BY HER GREAT SUPPLICATIONS THAT I WILL HURRY THE HOUR AND THAT I WILL COME SOON TO CONSUME THIS SINKING WORLD WHICH YOU LIVE IN TO TRULY

TRANSFORM IT INTO A GARDEN OF GRACE AND HOLINESS.

YOU MY HOLY CITIES, LET YOURSELF BE BEAUTIFUL AND PREPARED BY MY HOLY WIFE FOR ME, SHE AS A MESSENGER, AS MY AMBASSADOR, WAS SENT BY ME SO MANY YEARS AGO TO WARN YOU, TO PREPARE YOU, TO BRING YOU MORE BEAUTIFUL TO ME. SOON I WILL COME TO HARVEST THE FRUITS OF THE VINEYARD OF MY HOLY WIFE, TO TASTE THE FRUITS THAT SHE HERSELF GROWN FOR ME, AND THOSE TREES THAT HAVE NOT BEARED FRUITS, THAT ARE BARREL, THAT HAVE NOT SANCTIFY, THAT HAVE NOT GROWN IN HOLINESS AND LOVE. , IN MY HOLY WIFE'S SCHOOL, THESE TREES I WILL CUT WITH MY AXE, I WILL THROW THEM INTO THE BURNING CAMPFIRE WHERE FOR ALL ETERNITY THEY WILL GRIN AND CRY WITHOUT RELIEF OR CONSOLATION FROM ANYONE.

THE SOULS THAT DIDN'T WANT TO CLOSE TO ME THROUGH MY HOLY WIFE IN HER APPEARANCES, THESE SOULS, EVEN IF THEY SAY THAT THEY ARE MINE, THAT THEY ARE MY FRIENDS, THAT THEY ARE MY SERVANTS, WHO FIGHT FOR ME, THEY ARE MY ENEMIES, THEY ARE MY ENEMIES THESE SOULS, BECAUSE THEY WERE NOT WITH MY WIFE WORKING IN MY VINEYARD, BECAUSE I GAVE THE ADMINISTRATION, I GAVE THE MISSION TO CULTIVATE MY VINEYARD ONLY TO MY IMMACULATE WIFE IN THESE TIMES, IN HER APPEARANCES. THEREFORE, THOSE WHO DO NOT GATHER WITH HER ONLY SCATTER, THOSE WHO DO NOT BUILD WITH HER ONLY DESTROYS, WHOEVER DOES NOT FIGHT WITH HER, FIGHTS HER AND ME, WHO IS NOT WITH HER IS NOT WITH ME, EVEN THOUGH HE DECEIVES OTHERS AND MAKES OTHERS THINK THE OPPOSITE.

For this My souls, for this My holy cities, grow, grow in My Wife's School of Love so that I may find you pure and holy, immaculate and beautiful, strong and great in holiness and love when I descend upon the world , like a gale of charity, like a gale of love bringing the fire, light and burning flame that will come out of My Eyes to purify this world contaminated by sin. And to lead you to a new time of love and peace that My Most Holy Spouse with Me prepares every day for you, to give you soon.
I bless everyone at this moment with all My love, giving you ever more grace, peace and light from above.
Peace My children! Peace Marcos, the most dear, dedicated and hardworking of My servants. Peace My children, I love you with an endless love.”

MESSAGE FROM OUR LADY

“-My beloved children, you have heard what My DIVINE HUSBAND has said to you, the HOLY SPIRIT, I, the IMMACULATE SPOUSE OF THE HOLY SPIRIT, say to you:

Prepare yourselves for the SECOND PENTECOST, with love every day of the your lives obeying My Messages, fulfilling everything I say to you, keeping faithful to the catechism of the Holy Catholic Faith, of the Holy Catholic

Church. So that, truly, I can lead you along the path of love, peace, grace, holiness, so that My Divine Spouse, the Holy Spirit, always finds your souls which are His holy cities: pure, illuminated and prepared to always receive His word, His will, His grace, His rays of light.

Prepare yourselves for the SECOND PENTECOST, fleeing this sinful world and surrendering to the power of darkness, renouncing everything that does not come from God, that does not come from the Holy Spirit, that does not come from Me your Mother, fleeing more and more from all occasions of sin, resisting the easy seductions of this world to attract the love of God, His holy Law, His Word. So that every day you can save yourself more and more from the general shipwreck in which all the souls of My poor children have now sunk.

So that I may lead you safe and sound as Noah was led with his family inside the Ark safe and sound to the new earth to the new world purified by the flood. May I also take you My children safely to the Port of Salvation, to the new time of grace and peace that I will soon bring to you from the Lord. To do so, flee more and more from evil, renounce everything that Satan suggests to you and, above all, do not look to anything other than the Lord, besides Me, do not take your eyes off Me, your Luminous Star, so that you do not lose yourselves. in the midst of so much darkness that now exists in this world and has dominated this world. So that I may lead you on the path of salvation ever more towards God.

Prepare for the Second Pentecost, doing as My apostles did at the beginning of the Holy Church, pray with Me as they prayed, meditate with Me, seek to know God through Me, through My Word, through My formation and maternal teaching. So that I can prepare you well for the second descent of the Holy Spirit, on that happy day when all of you, as it were, will be born again, you will be new creatures in God. You My children must now advance your preparation, accelerate your own sanctification so that you are prepared for the Holy Spirit who comes to you as Love, as an impetuous wind that no one knows where it comes from, nor where it goes and that as in the FIRST PENTECOST filled the house where we were and His tongues of fire landed on Us and We were then truly filled with His Love, with His grace,

You My children must now truly, like the sunflowers, turn to the Sun, to the Lord, to God, to receive His light, His grace, His very powerful influences that in these almost 21 years of My Apparitions here do not cease to descend on you continuously. through Me. Therefore, intensify your love in prayer, in meditation, in penance, in reading My Messages, the lives of the Saints, so that you can truly grow and be ever closer to that holy preparation that the Lord expects from you soon. come down and unite your souls with a bond of love, which nothing and no one can ever destroy.

I, THE IMMACULATE SPOUSE OF THE HOLY SPIRIT, HAVE BEEN HERE FOR SO MANY YEARS TO PREPARE YOU FOR THIS GREAT GRACE, THE WARNING WILL PRECEDE THE SECOND PENTECOST, IN IT EACH ONE OF YOU WILL SEE YOURSELF WITH THE GAZE OF THE HOLY SPIRIT,

WITH THE GLOW OF HIS POWERFUL LIGHT ON YOUR SOULS, YOU WILL BE ABLE TO SEE EVEN THE MOST HIDDEN BACKGROUNDS OF YOUR SOUL, YOU WILL SEE EVEN THE SMALLEST IMPERFECTION, THE SMALLEST BLACK. AND THIS WILL CAUSE YOU PAIN AND SUFFERING BECAUSE YOU WILL SEE HOW UNGRATEFUL YOU WERE TO THE LORD, HOW UNWORTHY YOU WERE OF THE LORD, EVEN AFTER SO MANY GRACES. AND THAT SUFFERING WILL PURIFY YOU, THAT SUFFERING WILL PURGE IN YOU THE LOVE OF THE WORLD, THE LOVE OF YOURSELF, THE DISORDERED LOVE OF THE CREATURES. AND THEN YOU WILL COME OUT OF IT MUCH MORE PURIFIED, MUCH MORE AWARDED AND INclined UPWARDS, TO HEAVENLY THINGS, TO GOD.

Take My Word to My children, which heals, which relieves, which gives peace, which gives love, there are so many My little children who lie in sadness, suffering, darkness, lost without God and who need the love of the Heavenly Mother to to find the way of salvation, to have a true encounter with the Lord, to approach His grace, to truly enter the path that leads to Him. And you, therefore, must be My continuation on Earth, you must be the extension of My arms, of My feet, of My Heart, bringing to all My children My Love, My Peace, My presence, My Messages . Living like this, in perfect charity, you will truly be My children, you will be My true apostles of the last times, those who truly make Me known and loved and carry out the Lord's plan for the end times, as My servant, My LUIZ MARIA GRIGNION DE MONTFORT, told you. By doing so, you help a lot to hasten, to anticipate the coming into the world of My reign, of the Kingdom of My Immaculate Heart where the head of Satan, My eternal enemy, will be definitively crushed under My Feet.

I count on you My beloved children! Go, don't be afraid of anything! I am with you at all times and I cover you with My Mantle. Even the number of your hairs is known to Me beforehand and I know even when the smallest of them falls from your head. So have confidence, I am with you, I know what you need and I know how to solve all your problems. Wait on Me and you will see grace.

I bless you all at this moment generously, from FÁTIMA, from PELEVOISIN and from JACAREÍ.
Go in Peace My children!
Peace Marcos, the dearest of My children and the one who has glorified Me so much over all hearts, over all souls and all peoples.”

(MARCOS): “-Yes (Pause) Yes, I already wanted to do it, but now that you asked me to, I'm going to hurry up. (Pause) Yes Ma'am, I'll find a way I'll do it. (Pause) See you soon...”
(The two Slaves ring the bell in reverence at the end of the Apparition)

COMMENT FROM THE SEER MARCOS TADEU:

“Well, today, to my great surprise, the Holy Spirit came with Our Lady, I didn't know that the Holy Spirit was coming today. And He appeared first as a light in

the form of a dove, then changed into a tongue of fire, the light in the form of a dove as He descended as He descended on Jesus at the Baptism in the Jordan River, the tongue of fire He descended on Our Lady and the Apostles gathered in the cenacle, then He appeared in that corporeal form that He had already come in other times very similar to Jesus, very similar to Our Lord, with blue eyes, yellow hair, blond, His Face shining powerfully and from Him like that. a fire came out, but a fire so great, a heat that, although it burned me, didn't burn me, but warmed my whole soul to the deepest points of it, that usually not even my prayer can touch there, can move there. And that heat that He emanated from His Divine Person, that Light that He radiated penetrated inside me and touched me so deeply within my soul, that at certain moments I could not even breathe properly, it was a divine presence that conquered me, that filled me, that dominated me, that enveloped me completely. But it was a very sweet thing at the same time, something full of love, which communicated an incredible love that I have no words to describe.

The Holy Spirit had a very long white robe going down to his feet, he had his hands extended down, for me and Our Lady is dressed as in Her Image here on the altar as Queen and messenger of peace, with the gray dress, white sash and the all-white robe too. While the Holy Spirit spoke Our Lady stood looking at Him as He gave me the Message and at the same time conveyed the message to you by inner locution and vision at the same time. Then when Our Lady spoke to Me She turned to Me and gave the Message to Me that you all saw today was a scorching Message from the Holy Spirit.

“Yes dear Lady!”

MESSAGE FROM BLESSED MARY

“- My beloved children, today, when you celebrate the ANNIVERSARY OF MY FIRST APPEARANCE IN BANNEAUX, My little daughter MARIETTE

BECCO , I come again from Heaven to tell you:

I AM THE MOTHER OF THE SAVIOUR, I AM THE MOTHER OF THE LORD. I AM THE TRUE MOTHER OF GOD!

I came to alleviate suffering. I prayed a lot! Believe in Me and I will believe in you!
Trust in My Messages, obey My Messages, believe in My Messages and then, when I see true fruits of conversion and holiness in your life, I will believe in you, I will perform in you great graces of My Immaculate Heart and I will recognize you for My true children, worthy of My Love, worthy of My Mercy, worthy of My help and My help!

Live in such a way that you truly are like My little daughter Mariette Becco was: obedient, docile, ready, persevering, generous, courageous, truly God-fearing, loyal, faithful and completely, completely filled with love for Me

... ! As My little daughter Mariette was so that I could truly delight in you, rejoice in you, rest in you, be glorified in you for your works of love.

I came to Banneaux to call My children from all over the world to ever more ardent, profound, pure prayer, made with Me and through Me, that everything can reach from the Lord, even the conversion of the hardest of heart. That's why I carried out the conversion of the father of My little daughter Mariette Becco, to show the whole world that Mariette's prayers, together with Mine, achieved the conversion of her father who had been away from God and Me for so long.

NO ONE IS LOST! IF YOU PRAY, IF YOU PERSIST IN PRAYING FOR THE CONVERSION OF SINNERS, YOU WILL SEE THE CONVERSION OF MANY OF THEM! YOU WILL SEE THE SALVATION OF MANY SOULS, MANY EVEN OF YOUR LOVED ONES!

That's why, little children, I confidently continued in prayer, PRAYING MANY ROSES A DAY like My little daughter Mariette, who even prayed six Rosaries a day for My love in the midst of snow, rain and cold.

Pray! Do penance! And so, I will be able to convert a true multitude of souls of My poor children who are in mortal sin and who need the help of your prayers in order to be saved.

My Heart, My Maternal Love, wants to reach those My furthest children, most victimized by Satan in these times of the great apostasy. That's why I ask you: Pray a lot! Go each at home. Praying, making the Cenacles that I sent you! so that, through your prayer, your intercession, your example, My Messages that you must take WITHOUT FEAR to all My children, I can convert them, I can bring them back into the arms of My Son Jesus as I did with the father of My little daughter Mariette Becco and with so many sinners who in Banneaux, over the years, found Me, opened their hearts to My Grace and through them I was able to bring so many souls back together with them themselves, for the

Heart, for the Sheep of My Son Jesus....

I came to Banneaux to teach the world how to do PENANCE, so I subjected My little daughter Mariette to a test of penance, not appearing to her for many days, leaving her to pray alone, on her knees in the snow and in the cold, so that she, together with prayer and penance, could achieve the conversion of so many sinners and so, from Banneaux, from My little daughter Mariette, I could give the world an example of prayer, perseverance, fidelity to My love and true penance.

So, in Banneaux, you learn to be poor in spirit as I was, as My little daughter Mariette was.
You learn to let go of everything that still enslaves you, separates you from God and Me, drags you in the dust of the earth of vices, of the spiritual prisons of this world where creatures drag you away from God and where you lie captive. all those who have despised the love of God, who have despised My love, which makes you free to prefer the love of creatures. That under the false appearance of 'freeing yourselves from God and His Commandments', makes you slaves of sin, of the world, of yourselves and of Satan.

How great is your spiritual misery in these times My children! How great and vast is your slavery!

You, in proclaiming your 'independence', your liberation from God, His Commandments and the Catholic Faith, you have become the slaves of Satan, slaves of everything that human nature has that is lowest, most vile, must more cruel and violent. Therefore, the men of this time are the most inhuman, the most impure, the most disloyal, the most dishonest, the most violent, the most bloodthirsty and give vent to all kinds of baseness that Satan inspires and suggests to them.

I come, therefore, to call you, from Banneaux, from Jacareí, from Medjugorje, from El Escorial, to have a heart similar to mine, poor from the attachments of this world, poor from the material slavery of this world to have your heart filled with the treasures of grace , of the love and wisdom of God.

In Banneaux, as here, as in Lourdes, as in El Escorial and elsewhere, I blessed a Fountain for you to alleviate your suffering! A Fountain for all Nations, to convert sinners.

In these My Blessed Sources , I grant you all kinds of graces. I pour you all kinds of favors and blessings from My Heart for body and soul.

Those who trust in Me, those who believe that I have blessed these Sources and who truly trust in My Word find in these waters that I have blessed, all relief for their suffering, all peace for their souls, all good, all remedy for the ills of that time.

Those who do not trust Me, those who do not seek Me, who do not seek My Mercy in My Apparitions, in the Sources that I have blessed in these Sacred

Places, continue to be desperate, bitter, afflicted, they still truly do not know where to go

... great lack of faith in Me, is turning to other things, places and people to find relief in their sufferings, to find the answer to their problems, when instead of My Apparitions Here, in Banneaux, in El Escorial, in Lourdes, in Fatima, in La Salette and in so many places, I gave the SOURCE OF GRACES OF MY HEART where you receive all the Blessings, all the help from Heaven and from My Immaculate Heart.

Come to Me with confidence! Drink this Water with confidence and I will always give you more peace, grace, love, joy!
I came to Banneaux to call all My children to be part of My great army, of My great plan of salvation that now, Here, in these Apparitions of Jacareí, must be carried out and its full and perfect realization.

THE TRIUND OF MY IMMACULATE HEART WILL BE GIVEN SOON and Banneaux himself is the proof that I and My Immaculate Heart will triumph over all unbelief, over all skepticism, indifference, coldness and opposition of atheist men to Me and My plan of salvation .

MY IMMACULATE HEART HAS NEVER KNOWN DEFINITIVE DEFEAT TO SATAN, and that is why soon My Foot will crush you, trample your head and the whole World will leave the great slavery in which you live to know a new era of peace, grace, divine love and holiness.

From you My children, I ask only docility, complete obedience to My Messages, trust and hope in My Immaculate Heart. Just as I never abandoned My little daughter Mariette Becco throughout her entire life, I will never abandon you! I will always be with you My children!

You already have your names engraved in My Immaculate Heart and soon the Mother of Heaven will bring you a new life and a new time that humanity has never seen or ever known.
I am with you in all your sufferings, I cover you with My Mantle and I will always be attentive to the voice of your supplications.

Continue with all the prayers I gave you here, continue to spread My Messages, for through Them I will save many souls for the greater glory of God and the exaltation of devotion to My Immaculate Heart and the truth of My Appearances Here.

I love you very much, all of you who stayed here during all these hours praying, meditating, listening to the Meditations of my little son Marcos, through whose mouth I spoke to your hearts, I enlightened your souls this day.

Upon all of you now descends My generous Blessing from BOHAN, BANNEAUX and JACAREÍ.

Rest in the Peace of the Lord My children. Peace to you Marcos, the hardest

and dearest of My children!”

(Mark:) “Yes My Lady! I have already started it and would like you to tell me if there is anything special that you want me to put in it...” (pause) “See you soon!”
The Apparition ends, the slaves ring the bells in reverence to the Beautiful Lady of Heaven.

MESSAGE FROM OUR LADY

“-My dear children, today I again invite you to conversion. I came to call the world to conversion in these APPARITIONS OF JACAREÍ for the last time! After these Apparitions are over I will never return to this world.

CONVERT WITHOUT DELAY! FOR THE WARNING IS AT THE DOORS, THE PUNISHMENT IS IMMINENT AND YOU CONTINUE SLEEPING TORPORIZED IN YOUR SINS AND DEFECTS WITHOUT LOOKING FOR YOUR CONVERSION, YOUR SANCTIFICATION AND YOUR SPIRITUAL IMPROVEMENT.

I come to invite you again to listen to the beats of My Heart and to let the fire of love of My Heart enter your hearts and transform them completely.
Let My Flame of Love enter your hearts and transform you completely from a swamp of sin and into a garden of grace, beauty and holiness.

Let Me uproot all the bad plants that exist in your souls, the attachments, the sins, the evil that is still in you. Let Me also remove from you My little children those residues of evil and sin, about which the Saints spoke so much to you and which still remain in you even after your conversion, because evil always leaves its trace in the soul that practiced it.

Just as someone cannot walk in a swamp, get out of it without getting their feet dirty, so also a soul cannot have committed sin without remaining traces of evil in its soul, and I want My children to rid you even of these remnants of evil. Allow, therefore, that My Flame of Love burns you, purifies you, burns you in such a way as to reduce to ashes all the residue of evil, sin, love for the world and bad inclinations that still remain within your hearts.

I want to transform you into flowers of great purity, great love, great beauty and holiness, so that I can offer them to the Most Holy Trinity. For this you must truly let yourselves be burned ablaze in My Flame of Love, so that I can purify you in such a way that not a stain, not a single stain of sin and evil remains in you.
That is why I ask you for unlimited docility, an unreserved obedience to everything I have asked of you here, so that I can complete in you the work that I have already begun.

Great thing, great instrument in My Hands to carry out in you this work that I mentioned of purification and sanctification are the prayers that I gave you here, and that my son Marcos recorded for you. Through these prayers I purify you a lot, I burn in you the seeds of evil that still remain in you, I make the seeds of good, goodness, love and holiness germinate I purify and cleanse even the most hidden recesses of your souls and so My children, every day I make you go further and further to bring you closer to that extreme beauty, that consummate holiness that I so want and expect from you.

Let yourself, let yourself be purified, let yourself be ignited by My Flame of Love so that every day I can lead you more and more to a greater mortification of your will, of your own will, so that you can free rid yourselves of all the servitudes and chains that still bind you to this world, to things contrary to God and transient, so that, in this way, always freer, you can grow in the love of God more and more until you reach the fullness of love that the saints attained. .

I want to lead you to live in divine transcendence already in this life, guiding you along the perfect path of love, of true love for God, of which the Saints are your friends, masters and older brothers who can help you so much to advance and to grow on this path of love.

I will also be by your side to help you and if you do not put obstacles to My Flame of Love in your hearts, if you do not resist My will and My Messages I will take you to this great perfection in Love, I will take you a lot, very far on the path of perfect love.

Accept My Flame of Love! Embrace My Flame of Love! Answer yes to My Flame of Love! Let her work in you, let her burn in your heart everything that is not of Jesus, everything that is not mine, does not come from me and let her transform the ice stone of your heart into a true furnace where everything that is contrary to God is burned and consumed and where everything that comes from the Holy Spirit, from the purifying and sanctifying fire of the Holy Spirit, grows and burns ever more!

My children, prepare yourselves with much prayer for the Anniversary of My Apparitions Here, thanking God with me for allowing Me to remain here with you in this school of holiness that I opened 21 years ago and of which the first student is My little son Marcos and then all of you because this School of Holiness is destined to give much glory to God and to generate many saints for Heaven.

Thank God with Me for allowing me to do My School of Salvation, of prayer, of Conversion and sanctification, from where I will draw the greatest glory and the most perfect praise for the Holy Trinity of all times!

I bless you all at this moment generously from LOURDES , PONTMAIN and JACAREÍ .

Peace My children, Peace Marcos, the most hardworking and dedicated of My

children, go ahead in your dedication without worrying about those who are against you because they are not against you, but in fact they are against Me and I will know how to place them. them all at My footstool.

Go forward warrior of My Immaculate Heart and take more and more souls into the Safe Sheep of My Immaculate Heart! Peace, My Children."

(BIG PAUSE)

(Mark:) "-Oh! What a joy to be able to see you! There is so much that I admire her, that I love her, that I pray to her! There is so much!

MESSAGE FROM SAINT HILDEGARDA

"-My beloved brothers! I, HILDEGARDA, servant of God, of the Most Holy Mary, of Saint Joseph, come today to bless you and give you Peace.
Live always more in the Spirit of God, seeking holiness, seeking what is heavenly rather than what is earthly, so that the seed of true life in the Lord may truly grow in you, divine love may grow in you, holiness, may the light of the Most Holy Trinity grow in you.

Live always more in the spirit of God, trying to flee from everything that is contrary to the Holy Spirit, flee from everything that saddens him, that hurts him, that offends him and always looking more for what pleases him, what pleases him, what that truly makes you worthy temples of the Holy Spirit.

Seek, therefore, the virtues, practicing always more: FAITH, HOPE, CHARITY, JUSTICE, TEMPERANCE, STRENGTH, LOVE, so that you may be honorable temples of the Holy Spirit, so that He may reproduce the works in you. of grace that first produced, in the HOLY VIRGIN Herself, Her greatest, most sublime and incomparable temple, then in the most great Saint Joseph in whose soul the Holy Spirit performed works and wonders of graces so great that only in Heaven Saint Joseph will be able to reveal you all that the Holy Spirit has accomplished in Him, for in mortal mind, in mortal flesh, such a knowledge would be so great for you, so immense, that it would not be possible for you to know these greatness in mortal flesh. You could not understand even if you were Angels, the great wonders that the Almighty performed in the soul of Saint Joseph! And then,

If you live in the Holy Spirit, maintaining a deep and very powerful union with Him, if you live in the Holy Spirit, always seeking what pleases Him, obeying the Messages He has given you here, following the advice that We the Saints together with the Mother of God, Saint Joseph and the Angels we have given you here in these Apparitions, the Holy Spirit will descend upon you in power. He will burn in your hearts everything that is still mundane, everything that is contrary to His love, a living flame of love will ignite in you that will burn more and more each day, more and more until it reaches its fullness.
And then you will be copies, living reflections of what I was, a living flame of

the Holy Spirit, a fiery furnace that walked the Earth, scorching everything and everyone who had contact with Me. Then the fire of the love of the Holy Spirit will spread from heart to heart and so this world will be transformed into the kingdom of the Holy Spirit, where everyone will be burning stars, flames of living love for Him and everyone will give Him honor, glory and praise.

Live in the Holy Spirit, praying more and better each day, trying to pray with your heart, making room in your hearts for the Holy Spirit to enter and act and carry out His great work of sanctification and salvation there. In this way, you will live every day as temples of the Holy Spirit, where He dwells, rests, rests and delights in Him. Seek to cultivate a life of true union with Him, renouncing your will and accepting His, giving your hearts completely to Him so that He can fill you with His Peace, His Love, His Joy, His Happiness, His Presence.
Then every word that comes out of your mouth will be spirit and life, because your mouth will overflow with what your heart is full of, that is, with the Holy Spirit himself.
Pray to Him more, adore Him more day by day, giving Him fervent prayers from your hearts. Then, He will cover you with His great and luminous wings of Love, He will envelop you with His infinite light that knows no sunset and in your soul there will never be a night of sin, sadness or any confusion, but everything will be a day of joy, day of light, day of grace.

I, HILDEGARDA, am with you, in these times of the great Apostasy, of the loss of the true faith, which like a cancer has corroded all the pure faith that was inside the Church, in these evil times in which you live: of violence, selfishness, impiety, evil and cruelty, I come to call you to the true conversion that leads to God and that will be able to save this world by attracting to you new days of Peace.

Times are bad My brothers, so:
THOSE WHO PRAY LITTLE PUT THEMSELVES IN GREAT DANGER OF CONDEMNATION, THOSE WHO DO NOT PRAY IS ALREADY CONDEMNED AND ONLY THOSE WHO PRAY A LOT WILL BE ABLE TO ARRIVE IN THE TRIUMPH OF THE IMMACULATE HEART OF MARY, PURE AND HOLY, TO RECEIVE THE CROWN OF VICTORY.

I, HILDEGARDA, offer you My hand, My help, My protection to help you in these bad times in which you live, to lead you safely to victory, to salvation and to Heaven.
If you accept My Hand, My help, if you allow yourself to be guided by Me, I will lead you without error, without delay, without any misunderstanding to the safe fold of the United Hearts of Jesus, Mary and Joseph.

come! I now open my Mantle to all those who want to enter Him and live under My protection, My protection and My Love!

If you are like My true disciples, I will guide you and lead you along the path of perfect love, where I myself followed and walked before you and which made Me reach a beautiful abode, one of the most exalted and elevated that exist in Paradise, in the kingdom of Sky.

To all of you at this moment, I ask you to continue with all the prayers that the MOTHER OF GOD, which the SACRED HEARTS have given you here, especially the Rosary of TEARS OF BLOOD, which is so powerful to drive away demons, free sinners imprisoned in sin. mortal, in the grip of Satan and to obtain for you potent miracles of the Mercy of the Most High.

WEAR, WEAR THE MEDAL OF THE HEART OF SAINT JOSEPH WITH MUCH LOVE! FOR I TELL YOU IF IN MY TIME, IF SAINT JOSEPH HAD REVEALED TO ME THE MEDAL OF HIS HEART, WHICH HE REVEALED TO MARCOS HERE IN THESE APPARITIONS TO GIVE TO YOU, I WOULD GIVE MY LIFE A THOUSAND TIMES TO THANK YOU FOR THE GRACE OF RECEIVING HIS MEDAL. AND IF SAINT JOSEPH HAD TOLD ME THAT I MUST SPILL ALL MY BLOOD TO ACHIEVE THE GRACE OF RECEIVING HIS MEDAL, I WOULD GIVE MY LIFE WITHOUT EXACTATION TO RECEIVE THIS GRACE WHICH IS GREAT, IMMENSE AND THAT LEAVES HEAVEN AND EARTH ASTONISHED, AMAZED WITH THE GREATNESS OF THE MERCY AND LOVE THAT SAINT JOSE HAS FOR THIS HOLY PLACE, FOR MARCOS AND ALSO FOR YOU MY BROTHERS, MY DEAR FRIENDS.

I, HILDEGARDA, promise to reach from the HEART OF SAINT JOSEPH for all who wear HIS MEDAL copious graces, copious blessings and, above all, protection against all their spiritual and temporal enemies.
I bless you all at this time generously."

MESSAGE FROM OUR LADY

"-My beloved children! My IMMACULATE HEART again calls you to PEACE !

PEACE! PEACE! PEACE!

Only praying for PEACE, only protecting PEACE with fervent prayers,
first in your hearts, then in the hearts of the whole world, you can truly live in PEACE, spread PEACE, make PEACE reign in all humanity.

A person who does not pray, a family who does not pray, a people who do not pray cannot be in PEACE. Therefore, return to prayer, so that PEACE can return to you.

God only gives PEACE to those who pray and who pray a lot! Without prayer, living in sin, offending God every day, men will never have PEACE. Therefore, may all men put the Rosary back in His Hands, return to prayer and PEACE will return to them.

In these bad times, in these troubled times of the great tribulation, of the great apostasy in which you live, in which your hearts are afflicted every day by

painful events that so often make you suffer, I come to bring you the divine remedy, the heavenly remedy: PEACE FOR YOUR HEARTS, WHICH I GIVE generously to all those who answer 'yes' to the call to prayer, penance and sacrifice that for 21 years I have been making every day here through My little son Mark, to the whole world.

The soul that answers yes to the prayer call I made Here, I promise to bring PEACE back into your life little by little, until it reaches fullness and overflows like a mighty river over your family and over the entire world.

Those who answer 'yes' to Me, even though they suffer, even though they are misunderstood even by their dearest ones, even though they are persecuted and hindered in every way and everywhere, enjoy a deep PEACE in their hearts, a PEACE that the world does not know, PEACE that the world does not have, because it does not pray My Rosary, because it does not walk in My School of Prayer, Penance and Holiness. PEACE that I give only to My obedient students, who following Me along the path of prayer, conversion, self-denial, holiness, follow Me
every day along the path of true PEACE and TRUE LOVE.

This army of peaceful souls that I lead each day with My Messages, along the path of prayer, is the army of true children of God who will be called and will be known in fact as true children of God and true children of Mine.

Therefore, little children: PRAY, PRAY MORE AND MORE, because only with a great power of prayer, you will be able to make PEACE triumph in your lives, in your families and in the whole world. With arguments you will achieve nothing, only with prayer you will achieve PEACE, CONVERSION OF SINNERS, HARMONY IN FAMILIES, CONCORD BETWEEN PEOPLES OF THE WHOLE WORLD.

With prayer you defeat Satan and all hell, with prayer you
you also defeat your greatest and worst enemy: sin, your evil inclinations, your own rebellious 'I', which resists the will of God and thus, you become conquerors of yourselves, conquerors of the devil and conquerors of the whole world !

With prayer you conquer sin, with prayer you achieve all good and all grace. That's why I called you so many times to prayer for Peace, that's why I invited you so many times to defend Peace with many and ardent prayers, because only then can you find that Peace that since the beginning of My Apparitions Here, I promised and offered you.

Go forward, do not be afraid, I am with you! Take the Messages that I give you here through My little son Marcos, My most dedicated servant to the knowledge of all My Children, so that everyone converts and everyone can finally find true peace.

Here, in this holy place, where I Am most glorified, most comforted, most
exalted, more obeyed and served, especially and in the first place by My little

son Marcos, the most hardworking, hardworking and dedicated of My servants and then by so many My children who, responding to My call and imitating the example of My little son Marcos, made their whole lives prayer and sacrifice, work, love and generosity towards Me for the salvation of souls. Here, My Immaculate Heart finds His delights, finds His rest, His rest, His glory and His most perfect praise. Here I will accomplish with you what I accomplished in the life of My son SAINT JOHN BOSCO, whom you celebrate these days, I will be the Teacher for you who will give you a wisdom that will surpass all other wisdom.

In all those who love Me here, respect Me as a Mother, as a Teacher, in all those who are docile to My direction, who are docile to My teaching, as My little son SAINT JOHN BOSCO was, I promise to perform as many wonders as I did in His life . I will give you the divine wisdom of Heaven, I will give you divine love, I will give you strength, I will give you temperance, I will give you final perseverance, I will give you all the gifts of the Holy Spirit, so that in you My name may be glorified. and from here may My Glory also go out to the whole world.

I want to form here the great Saints that My son LUIZ MARIA DE MONTFORT prophesied that I would raise up at the end of time. For this, I ask you for more prayer, docility and unreserved surrender into My Hands.

TRUST, HOPE, DOCILITY AND LOVE!

And I will perform in you the extraordinary works that I have done in the lives of My Saints for the greater glorification of the HOLY TRINITY.

Forward! My warriors, My knights. Go, take My Word, My Messages to all My children who still do not know Me, for I still have sheep strayed from My fold to recover, to rescue and to bring back to the Safe Fold of My IMMACULATE HEART.

Time is short, don't waste time! go! I will speak, I will act, I will do everything through you.
Go and take only the Messages I give you Here and the rest, My IMMACULATE HEART will do, complete, in you, in your fragility I will show My strength.

Continue to pray all the prayers I have given you here. I love you very much! And I never leave you. I am your Mother and I am by your side every day.

See that all the prophecies that I gave you in LA SALETTE, in FÁTIMA, in HEROLDSBACH, in EL ESCORIAL and in so many places, also here are already fulfilled in the world. Enter soon the refuge of My IMMACULATE HEART, because there the Mother of Heaven will always give you more protection, peace, affection and love.

I bless everyone at this moment generously, from LA CODOSERA, UMBE and

MESSAGE FROM OUR LADY

“- My beloved children..., now that the 21st ANNIVERSARY OF MY APPARITIONS HERE has arrived, I invite you to renew your love, your faith, your fidelity and your obedience to My Immaculate Heart, giving Me anew your yes and trying to be the little 'Cyclames of love' of My Immaculate Heart. Be the little Cyclamen of love of My Immaculate Heart, obeying Me totally in everything I ask of you in My Messages so that finally My plan of love can be fulfilled in all of you and finally My Immaculate Heart obtains Its greatest Triumph in your souls, in your hearts, in your families, in society, in the Church and throughout the world.
Be the Cyclamen, living in true spiritual smallness, trusting completely in your Heavenly Mother, living completely dependent on her, on her love and on her grace, that is, always doing everything with Me and through Me, following Me along the path of true humility and true love, and above all, always expecting more from Me, the light for your souls, the help for your hearts in all sufferings and above all, turning more and more to Me, so that you can receive all the spiritual help necessary to salvation of your souls.
Be the Cyclamen of My Immaculate Heart, living like My smallest children who look to their Mother in everything, to imitate what she does, to do as she does, and to live as she lives so that you can imitate her my examples and my most eminent virtues and I may, in this way, live in you, reproduce my life, my grace, my own perfection in your souls, and then, may My Immaculate Heart truly raise the banner of the victory of grace of God in your souls and in your hearts.
See, My Immaculate Heart throughout all these 21 years has guided you Here, it has led and taught you until you reach that spiritual perfection so that you may be the little Cyclamen of My Heart, where I can truly pour out the dew of My Peace , of My love, of My mercy, of my goodness, of my purity and of my own holiness.
Being the Cyclamen of My Immaculate Heart, I will be able through you to spread My sweet perfume and My mystical light of holiness throughout the world, which has now turned into a fetid swamp of sin, horror, and rebellion against the Lord, of coldness, of evil...
Continue with all the prayers that I commanded you to do here, because these prayers are already transforming and will transform you even more into the

little Cyclamen of love of My Immaculate Heart. And then in you, in your smallness, in your spiritual childhood, in your complete dependence, love and union with Me, the whole world will see My glorious, loving and maternal face that wants to save all My children, wants to bring them back to the Father. , wants to fill with grace, peace, light and salvation. I bless you all at this moment generously with all the love of My Heart."

FROM PERFECT OBEDIENCE TO THE MESSAGES THAT THE SACRED HEARTS HAVE GIVEN YOU HERE.

In this way, truly my dear brothers, I will be able to give the Lord in you and in your souls a beautiful garden, a beautiful bouquet of flowers to gladden the Heart of the Lord who is so saddened by the sins of this world that he has ended up sinking into the abyss of rebellion against His Law of Love, against His Word, against everything that is good and Holy and comes from Heaven to embrace all the illusions, all the temptations, all the impurities that Satan has introduced in the world, in the bosom of families and even in the bosom of the Church through the APOSTASY of the Church pastors. So, letting you cultivate for me, lead by me on the path of perfection, I will transform the desert that has become this world, once again into a garden of grace, beauty and glory!

sinful world. This beauty I will give to you! I will clothe your souls with it and make it grow each day more within you if you allow yourselves to be led by Me, guided by me, formed by me. If you truly let yourself be pruned by Me. If you let yourself be carried by Me as a little child is carried by the mother who takes care of him, who knows the safe path that will lead him to the arms of the Father.
I, AGUEDA OF CATANIA, offer daily on the Throne of the Most High My sufferings, My martyrdom, My shed blood: for you, for My people of Catania, for this Sanctuary which is so dear and dear to Me and which is the PUPIL OF MY EYES!
Here, where I am so loved, so glorified, exalted and made known to souls, every day I pour out a true flow of graces. Especially about My dearest brother and the one most dedicated to spreading My devotion – MARCOS – who, through his works and everything he produces, made Me loved, known, followed and imitated by so many souls and so many hearts. On this young man I pour out all my blessings, I show, I reveal the radiance of my glory, of my holiness in Heaven. And through the disclosure he makes of my life, I touch the hearts of so many of my brothers and sisters, especially the young ones, so that they follow me along the path of prayer, holiness, purity, goodness, fidelity to the Lord. Yes, Here I will form a host of young saints who, like Me, will glorify the Lord with His pure love,
Therefore, continue following me on the path of prayer, on the path of penance. Continue to fulfill all that Heaven, which the heavenly court here IN THESE APPARITIONS, has commanded you to do.
CONTINUE DOING SAINT HOUR EVERY WEDNESDAY! I AM NEVER AS CLOSE TO YOU AS DURING THE HOUR OF THE SAINTS! I COLLECT EVERY PRAYER, EVERY WORD, EVERY BEAT OF YOUR HEARTS. I JOIN MY BLOOD SPILLED BY THE LORD, TO MY MARTYRITY, AND I OFFER EVERYTHING ON THE THRONE OF THE TRINITY FOR YOUR SALVATION, FOR YOUR SANCTIFICATION AND THE SALVATION OF YOUR LOVED ONES!
Come my beloved brothers. Fear not! I am with you and I guide you along the path of holiness. Let me guide you. Let me lead you and I will introduce you, victorious, into those most wonderful abodes, where I, where LUCIA DE SIRACUSA, SEBASTIÃO, BERNADETE, DONATA and all the SAINTS, dwell in heavenly glory.
I bless you all at this moment. Especially to you Marcos, the most beloved and dear of my brothers. The most hard-working and dedicated in spreading My life, my examples and my glory. And to all of you who hear me now I bless from CATANIA... From SYRACUSE... with LUCIA (Luzia)... and from JACAREÍ. Peace!"

21st ANNIVERSARY OF THE APPARITIONS OF JACAREÍ
(Video of this Apparition: http://gloria.tv/?media=255007)

(Marcos) “- Dear Most Holy Mother, I thank you in the name of all for these 21 years that the Lady stayed with us here, and still remains, I thank you in the name of all for all the graces, all the blessings, all your love, all your messages, all your protection, all the holy work of conversion and sanctification that you

are carrying out in our souls..."

MESSAGE FROM OUR LADY

"- My dear children, today, when you together with all of PARADISE, with all souls of good will celebrate the 21st ANNIVERSARY OF MY APPARITIONS HERE, again I come to bring you PEACE, LOVE, GRACE AND SALVATION!
In these 21 years of My Apparitions Here, I have performed holy, extraordinary works in the souls that answered 'YES' and filled with great and immense gifts of grace all those souls who responded to my call and who followed me along the path of prayer, sacrifice, of penance, love and holiness.
In these years, my Heart has done wonders Here in all those who, imitating my little son Marcos, have opened the doors of their hearts and their lives to Me, let themselves be guided by Me docilely, perfectly modeling by Me until I could build in their souls a holy, wonderful, perfect and beautiful work for the greater glory of the Holy Trinity.
Continue to follow me on this path of PRAYER and HOLINESS, living every day with Me and through Me in perfect union with Me in prayer, in meditation, in the imitation of My virtues, in the complete and total surrender of yourselves to Me. in the perfect consecration to My Immaculate Heart, seeking in everything and at all times to let you be carried and led by Me.
Continue to follow me along the path of PENANCE, dying every day to yourself, renouncing your own will, putting aside your disordered inclinations, disordered desires, and following me more and more along the path of love, of responding to divine call, of fidelity in the fulfillment and will of the Lord, so that I can finish in you the holy work that I started and I can give to the whole world, your souls as a sign, as a model to be imitated so that all can know and walk correctly on the path of holiness, love, truth, salvation...
Continue to follow me on the road of DAILY CONVERSION, trying every day to improve as people, as Christians, as my children that you are, so that every day, overcoming your defects, taming your bad inclinations, you can be more and more willing, open, docile, meek and above all profoundly faithful to the divine grace that chose you, that called you here, that brought you close to Me, to My maternal love, where I perform in your souls so many wonderful works of thanks.
My love called you, brought you here, chose you as you are, and I want to lead you to a very great, very deep, very beautiful holiness for the greater glory of God. Therefore, little children, let yourself be guided more and more by me, every day of your life, until you reach the FULLNESS OF HOLINESS.
Here, where I am most glorified, most loved, most exalted, My Immaculate Heart already has its triumph in the hearts that have been praying my prayers, the prayers that I have given here, that have fulfilled my messages with love. Especially my Immaculate Heart already finds its triumph in the Heart of my little son Marcos who 21 years ago answered me YES, followed me, set aside his own will, his plans, his dreams and consecrated all his youth, all his life only to Me.
This unlimited, complete, unreserved, unrestricted donation of my beloved son is a gift from my Heart. It is a sign of My presence, of the strength of my love, of the potency of the grace of my Immaculate Heart poured out Here in these Apparitions, in these Messages to the whole world.

In the person and work of this beloved son of mine, I reflect more and more my maternal light, which will become all the stronger the more dense the darkness that envelops all things in humanity.
And also in my little children slaves of my Heart, who together with my little son Marcos gave their yes and in all my children who, taking My Messages as the most precious treasure of their hearts, loved me, followed me and imitated me, In these children of mine I already find my triumph every day and from these children of mine rises to the throne of the Holy Trinity always more the most perfect and beautiful hymn of praise and love.
That's why my little children, today, when Heaven and Earth rejoice with me on the anniversary of my presence here with my son Jesus, with my husband Jose, with all the angels and saints, I invite you to raise with me the hymn of gratitude. , of perfect love for God for having been so kind and merciful to you, because where sin abounded more, grace now abounds all the more. Where the malefic presence of my enemy graced, now, grace ever more the breath of the Holy Spirit, the strength of divine love and the Peace of the Heart of My Son Jesus.
That's why my Immaculate Heart Here, already has its victory and its greatest triumph, because here, where I was glorified with such wonderful works, so great, made by my son Marcos, where I was glorified by the YES that they gave me, they also gave me so many souls , my Heart raises the banner of the greatest victory of the Lord and proclaims his perpetual and immortal HOSANA.
To all of you at this moment, to you my children whom I love so much and especially to you my little son Marcos, to whom I have given so much, to whom I have trusted so much and have not been disappointed, I give my SPECIAL and maternal BLESSING on this day that will remain with you for all of your life.
And to you Marcos, I say in a special way, do not worry about anything or anyone who has already lost love for me, who has not opened himself to my love and has not responded generously to my love and who comes to you to contradict you or attack you. Remain steadfast on the path of my Heart, of my love, of holiness, of grace and of peace to which 21 years ago, on this very day, I came to invite you to enter and follow me like a gentle little lamb and you my son , you answered such a generous YES AS A LONG TIME I HAD NOT FOUND IN ANY OF THE MORTALS. Go forward my beloved warrior, go forward! Take my love, my Light and My maternal Peace to all My children. I bless you now, from LOURDES... from FÁTIMA... from LA SALETTE... and from JACAREÍ."

MESSAGE FROM SISTER JOSEFA MENENDEZ

"-Marcos, beloved of My Heart! My beloved brothers, who on this day, today you are here with HOLY MARY THE QUEEN AND MESSENGER OF PEACE celebrating the 21st anniversary of her messages. I, JOSEFA MENENDEZ, am very happy to be able to be here on this so blessed, to bless you, to fill you with the graces that the Lord has bestowed on Me to bestow upon you. On this day when the Saints in heaven, in which the Seraphim and the Angels in heaven, the Saints in paradise and all blessed souls tremble, exult with love and joy.

I followed Our Lord and the Virgin Mary along the narrow, narrow, difficult path that leads to Heaven, the path of the Cross, but which is the only path that truly leads to eternal life and peace. And I come to invite you to follow this path with Me, renouncing ever more to the world, to yourselves and responding to the call of the Eternal Love that allows itself to be found by you here today as never before in the entire history of humanity after the word rose. to Heaven.
Follow the narrow path of prayer, penance, conversion, the incessant search for God's grace, holiness, His Will, His Love, so that more and more in your souls Christ may reign, the Holy Trinity may reign, May the grace of God and sin be ever more banished from your heart, from your souls, from your entire being, so that you may grow every day like the most beautiful flowers for the greater glory of the Lord!
I followed the narrow path of penance, of fleeing from the occasions of falling into mortal sin, of self-denial and contempt for the world as vain and illusory things, glories and joys, to follow with me with all the Saints in Heaven, the path of perfect Love, of generosity, of the immolation of yourselves to the Father for the salvation of all humanity, and, above all, following Me along the path of exercising and practicing all the virtues, especially LOVE, KINDNESS, GENEROSITY, PURITY, of INNER DOCILITY, so that every day your souls, like flowery and fragrant gardens, can make all the flowers of virtues bloom to turn this world that has become a swamp of sin and evil again into a garden of beauty, of grace and holiness.
Follow Me on the path of love for Jesus crucified, embracing for Jesus' sake all the crosses that He allows in your lives as I myself did, uniting your sufferings to His, to those of Senhora das Dores and São José, so that we can achieve the conversion of so many hardened sinners who without this offering of life from each of you would never be saved. In this way, we will be able to save them, lead them back to the path of holiness and love and thus reach so many souls who run the risk of condemning themselves to the grace of salvation, the grace of sanctification.
I, JOSEFA, am with you all the days of your lives. I love you so much! And I never leave you. I am always with you and especially in the HOUR OF THE SAINTS I am very close to you to collect your prayer, to collect your suffering, to collect all the prayers of your souls and present them to God united with Mine to obtain superabundant grace for you!
I now put My mantle over you and I cover you, especially you too Marcos, I cover you with My Mantle of Light, to guard, protect, bless and do the same with all of you who are a precious part of the ARMY OF THE MOTHER OF GOD, of the THREE SACRED HEARTS, who are a most favorite portion of the flock of the divine shepherdess, who in these times throughout the world gathers His sheep, the sheep of truth to lead them along the path of salvation, holiness, good and peace. .
THE SOULS THAT WELCOME THE MESSAGES THAT HEAVEN GIVES HERE, ARE SHEEP OF THE TRUTH, THEY ARE SHEEP OF THE LORD. THOSE WHO DON'T HOST ARE THE DEVIL'S SHEEP, IN FACT, THEY ARE NOT SHEEP, THEY ARE HUNGRY WOLVES THAT WITH THEIR TREASURY ONLY SERVE, ONLY LIVE, ONLY WORK TO BE ABLE TO KILL THE SHEEP OF THE MOTHER OF GOD AND DESTROY HER FLOCK. FLEE FROM ALL THOSE WHO DO NOT HAVE THE TRUE DEVOTION, THE TRUE LOVE FOR THE BLESSED MARY, A LOVE, A

DONATION SIMILAR TO WHAT MARCOS HAS FOR HER, TO WHAT HE GAVE TO HER. FOR ALL THOSE WHO DO NOT LOVE THE MOTHER OF GOD ARE NOT OF GOD, THEY ARE NOT CHILDREN OF THE WOMAN DRESSED WITH SUN, BUT CHILDREN OF THE INFERNAL SERPENT.
THEREFORE, MY BROTHERS, MOVE FORWARD IN THIS NEW PHASE OF THE HOLY MARY'S PLAN WITH LOVE AND TRUST! YOU WILL STILL DO GREAT THINGS FOR HER, YOU WILL DO THINGS FOR HER THAT YOU WOULD NEVER THINK OF DOING, YOU WILL CONQUER MANY SOULS AND HEARTS FOR THE ARMY OF THE MOTHER OF GOD.
SO FORWARD! WITHOUT FEAR I AM WITH YOU AND I ACCOMPANY YOU WITH MY INTERCESSION AND WITH MY PROTECTION ALWAYS!
To all, to Marcos, My dearest and most beloved brother, who so divulged My life, the Messages that the Lord entrusted to Me, resurrecting everything that humanity and ungrateful and impious men buried in oblivion. And to all of you who also help Marcos to spread the Messages that Our Lord gave Me, at this moment I bless you generously with all My Love!

(Video of this Apparition: http://www.youtube.com/watch?v=zj22VukCWgQ&sns=fb)
MESSAGE FROM OUR LADY

so that, together with her, you can walk every day along the path of fulfilling the will of the Most High, which is always the right path that leads you to salvation, to eternal happiness and where you can truly enjoy the true peace of heart that only exists in a soul and heart that faithfully fulfills the Lord's will every day and responds yes to His loving call. I followed the path of purity, prayer and love, which I pointed out to you in My Apparitions of Lourdes. Do this by renouncing

yourself every day, and, above all, trying to be the holy cities where the Lord, where I can always dwell and reign forever, making your souls true caves of Massabielle where I, your Mother, can truly emerge,
If you are this My cave of Massabielle carrying, offering these My children the water of My Love, of My Messages, of Prayer, of a true example of life, I will be able to truly purify this Earth and the souls of My children, giving them back them the spiritual health they so desperately need. Then the cancer of sin will regress until it completely disappears from the face of the Earth and through you I will be able to obtain in souls my greatest and most stupendous Triumph! My Sanctuary of Lourdes, true pupil, apple of My eyes, is the Sanctuary where for more than 150 years I have made the potency of My maternal love shine, the effective force of the Flame of My Immaculate Heart. It is where I reveal to the eyes of all My children the infinite tenderness of My Immaculate Heart and it is where I give you a sure, certain sign, a pledge,
In My Shrine of Lourdes, in the life and work of My little daughter BERNADETTE and in the lives
of all My children who went to My SHRINE OF LOURDES and there gave Me their hearts, in all of them I make My motherly light shine, which in those times of great darkness and darkness of sin throughout the world, the light of My Heart shines like a luminous beacon to illuminate your path and lead you safely through the darkness to the luminous day of the TRIUMPH OF MY IMMACULATE HEART and the liberation of this world of Satan's bondage. This bright day that is already approaching you and is at the door!
Today, from My SHRINE OF LOURDES I bless you generously... and also from FÁTIMA... from KERISINON... and from JACAREÍ. Peace My children! Go in the Peace of the Lord!!”

MESSAGE FROM SANTABERNADETTE SOUBIROUS

"- My beloved brothers, I, BERNADETTE, with the MOTHER OF GOD, also bless you today and bring you Peace! how Mine becomes a new song of love for the Lord, for the Mother of God, where all humanity can finally know the sweetness of God, the sweetness of Holy Mary and in this sweetness find the love that saves, the love that transforms, the love that frees, the love that gives life, that lives and that makes people live.
Walk on the path of true love with me every day, praying the ROSARY as I myself have prayed, praying all the prayers that the MOTHER OF GOD has given you here so that the seed of prayer, holiness, a taste for heavenly things grows ever more in your souls day by day until it reaches fullness.
Take care that your soul does not become an arid desert, but that it is always a flowering garden of much prayer, of much meditation. To this end, I flee more and more from easy compromises with the world that can consume too much of your time and thus kill the seed of spiritual life and holiness in your soul.
Seek as I sought recollection, silence, meditation, interiorization, so that your souls can be dewy every day by that heavenly dew from Heaven, which is piety, which is fervor, which is the love that it only descends, the dew that only descends on the flowers of souls that open like morning flowers to the dew of Heaven.
By doing so, your souls will grow every day and become fragrant and fresh

flowers of holiness, love and perfection for the greater glory of the Most High, for the greater exaltation of His Name and the greater Triumph of the Blessed Virgin.
Walk on the path of true love, doing as I did. Carrying the daily Cross with Jesus and Mary, accepting and truly believing that true happiness is not in this world but in the next. And so offer with Me every day the little crosses that the Lord allows you in an act of expiation for the sins with which He is offended and also of supplication for the conversion of sinners. So that, in this way, we can stop so much evil that is committed in the world every day and we can make good advance and triumph and the definitive victory of the Blessed Virgin is more and more hasty and becomes a reality in peoples, in families, in souls, in all humanity!
I deeply love this place! He is like My second Lourdes cave. Here I am always praying at the feet of the Mother of God as I prayed in the Grotto of Massabielle and just as and as I remain to this day invisibly, spiritually in the Grotto of Massabielle, praying for all who go to LOURDES, to the SANCTUARY OF LOURDES, I also remain Here , praying for all pilgrims, who come to this place to pray with love so that the grace of God, love, holiness, goodness and peace may grow in everyone! I am with you every day of your lives! I love you, I bless you and in your sufferings I am closer to you than you can imagine! Today, from the Sanctuary of Lourdes and from My Incorrupt Body in Nevers, I pour out on you abundantly the blessings of the Most High, the blessings of the Immaculate Heart of Mary,
JACAREÍ, FEBRUARY 12, 2012 - MESSAGE FROM OUR LADY

“ – Beloved children of mine, today, when you are still celebrating My Apparitions in LOURDES to my little daughter SANTA BERNADETTE, and also the 21 years of My Apparitions Here in Jacareí, I come , with all the love of My Immaculate Heart, to bless you and give you Peace!
THE ANNIVERSARY OF MY APPARITIONS HERE IN JACAREÍ is for you a sign of My Immaculate Heart. A sign of how much I have loved you and have loved you! How much I have done for you and for your salvation. How much here in this place I have favored you, blessed you, raised you from the dust of sin to the great heights of prayer, meditation, conversion, the pursuit of holiness, the knowledge of God that you already possess, the knowledge of heavenly things. .. This sign should move your heart forward every day, towards holiness, towards perfect love for God, for Me, for the plans and for the Law of the Lord, so that every day you walk with a much better step, much better. firmer on the path of Holiness to which I invited you here.
THE 21 YEARS OF MY APPARITIONS HERE ARE THE GREATEST PROOF OF MY HEART'S LOVE FOR YOU, MY CHILDREN. WHY IF I HAVE STAYED HERE FOR SO MANY YEARS, IT'S BECAUSE I LOVE YOU INFINITELY, WITH AN IMMEDIATE, VERY WARM LOVE...
AND ALTHOUGH MANY OF YOU HAVE STRESSED ME WITH YOUR RESISTANCE, WITH YOUR DISOBEDIENCE, SLOWNESS , LITTLE GOOD WILL IN CORRESPONDING TO MY MESSAGES, I NEVER DROPPED UP, I NEVER GIVEN UP THE FIGHT FOR YOUR SALVATION AND YOUR CONVERSION...

And now I can pick many, many flowers of true love, true conversion, true

penance , of true desire for God in the souls and hearts of so many My children who, over the years, have responded to My call.
I still expect many My children who still need to give me their “YES”, their heart! For this, I ask each of you to pray even more so that everything I have planned regarding My Apparitions Here is fulfilled and all the souls that must be saved by My Immaculate Heart may soon come and join you. within the fold of My Immaculate Heart.
Therefore, PRAY..., PRAY..., PRAY WITHOUT CEASING!!!
THE ANNIVERSARY OF MY APPARITIONS HERE IN JACAREÍ is the great proof of God's love for all of you, for it was He who sent Me to you, My children, to save you, to call you to conversion, to the path of prayer and penance. Therefore, lift your hands with me to Heaven today to thank the Lord for having loved you so much, for having benefited you so much. For choosing you and drawing you close to His Most Holy Heart through Me. Then your souls will open to a new capacity to love... To a new capacity to serve the Lord...
YOUR SOULS MUST NOW OPEN TO A NEW AND MORE INTENSE COMPLETE DELIVERY INTO MY HANDS, SO THAT THE PLAN THAT THE LORD HAS DRAWN WITH ME FOR YOUR GOOD AND THE GOOD OF ALL HUMANITY MAY BE ACHIEVED IN YOUR LIFE!
THE ANNIVERSARY OF MY APPARITIONS HERE IN JACAREÍ is for you an APPEAL, a CALL TO AN EVEN GREATER HOLINESS OF LIFE, to a more INTENSE, PURE prayer, freer from mixing with your intentions and your personal will. To an ever deeper, ever more contrite PENANCE. To an ever more improved, stronger, more enlightened and robust FAITH!
To this end, this year I wish to intensify My action even more in you and among you, communicating to you many new lights from the Lord, many new blessings from the Lord, which I received from Him to pour out on all of you. Therefore, I ask you today:
More docility, more obedience, more faith, more trust in My Immaculate Heart!
Continue with all the prayers that I have given you here, because it is through them that every day I shape your souls, I shape your hearts, I shape your hearts so that they become every day more similar to Jesus, Mine, Mine husband Joseph, more in accordance with the will of the Eternal Father.
I am going to perform in the whole world soon, THE GREAT PENTECOST, the universal outpouring of the Holy Spirit, which will correct the consciences of men. It will make every man truly know the truth, look into the eyes of the true God and know that He exists, that He IS, and that only in Him is true joy and the fullness of life!

Each man, in that Second Pentecost, will see his own evil, he will see his life spent without God, he will suffer intense pain for it and this “burning of the fire of truth” will make each man better come out of the encounter with the living God and true, holier, more purified, more inclined to good and heavenly things than earthly things.
Truly in many peoples a vibrant hymn of praise to the Lord will arise after men have passed through this grace and recognized the truth. Then My Immaculate Heart will cause multitudes and multitudes of men from all nations to return to God and once again become sheep of
his flock!

A great people of the East WILL BE CONVERTED and the innumerable multitude of souls that will come from there to My Immaculate Heart and to the Lord's fold will be so great that you will not be able to count them nor imagine how many conversions will be carried out on the day of that great prodigy. !
I, your Mother, ask you to continue praying every day for the SECOND PENTECOST, so that that happy hour of MASS CONVERSIONS throughout the world may come, so that I can raise up a holy people, a people faithful to the Lord, to My divine son who said in DOZULÉ that he is coming soon on the clouds of Heaven and who confirmed it even here, that he is already at the gates.
Yes, Love is returning to you with love. O Lord, LOVE LETS YOURSELF FIND! Love is close to you. Seek Him all you who are far from My Son, far from true Love...
SEEK HIM, FIND HIM WHILE HE LETS HIMSELF BE TOUCHED BY YOU, FIND HERE...
I, the Mother of the Second Pentecost, the Mother of According to Advent, I prepare you all for the encounter with the one who is your everything, who loves you and who even knows the exact number of cells you have in your body!
Come to Me, My children, because I am your star! I am the DAWN OF NEW TIMES that are coming for you.
To you, to whom I have given so much love, today, I ask so much more.
I bless you all generously from LOURDES..., from DOZULÉ..., and from JACAREÍ..."

JACAREÍ, FEBRUARY 19, 2012 - MESSAGE FROM SAINT GABRIEL ARCHANGEL
(Video of this Apparition: http://pt.gloria.tv/?media=259318)

"-Beloved Marcos… Beloved My brothers! I, GABRIEL, servant of the Lord and of the Blessed Virgin, come again today to bless you and give you Peace!
I am the ANGEL OF THE FORTRESS, of the Fortress of God.
It is My mission to strengthen you every day in the fight you have to wage against the devil, against the sins of the world, against yourselves, against your inclination to evil, against your 'corrupted self'. That is why I am closer to you than ever in these bad times in which you live, but which are also times of unprecedented, immense grace... And you are invited today by the Lord, by the Mother of God through Me, to be strong. in the fight against the forces of evil, against the world and yourselves!
Be strong in the fight against your corrupt self, denying yourself, your own self, everything it wants and requests, following the path of penance, of contempt for the world and for yourself and walking ever more along the path of docility, from interior mortification, from the renunciation that makes you truly free from all the chains and shackles that you carry in your souls. And so, you walk in the way of the Lord, in the way of holiness, in the way of the Mother of God with a firm, decisive and speedy step, every day growing more and more in spiritual perfection.
Be strong in the fight you have to wage against the world, against its bad fashions, bad precepts and bad customs. So that, following the path of Christ and not the wide and spacious path of perdition, where most people enter, you can truly follow every day along the path of fulfilling the Law of the Lord, the Gospel, the Divine Word, the Messages that Here all Heaven has given you so admirably and so greatly. And so, every day, rays of light come out of your soul, rays of holiness to illuminate this world shrouded in darkness. And from your soul may truly arise the hymn of perfect love to the Lord, to the Mother of God, for the greater glory of the name of the Lord and of the Holy Trinity.
Be strong in the fight you have to fight against the devil, Our great adversary, adversary of the Lord and of the Most Holy Mary, refuting all the temptations that he suggests to you, opposing the vices that he presents to you, the virtues. So that, every day, growing more and more in good works, in purity, in humility, in generosity and love, you can, together with Me, together with the Mother of God, crush the head of this cruel, this perfidious enemy.
I, GABRIEL, am by your side to help you at all times. When you feel weak, without strength, come to Me and I will console you, help you and strengthen you through deep prayer, through the deep union of your souls with Me.
I will impart to you My own strength, My own strength and I will make you grow ever more in the love of the Lord, in His grace, in the exact fulfillment of His commandments, in ever more perfect obedience to the Mother of God. I know all your weaknesses, I know all your miseries and I know very well where the

adversary strikes you to make you fall. I know your weaknesses one by one and I see when you are slipping into sin before you even realize it. The traps that satan, that the world presents to you, are identified by Me before you even realize it. And that's why I can, and a lot, help you to escape from the snares of satan, the world and your own personal misery.
I want to help you by covering you with My wings, covering you with My mantle, with My protection. For this, I ask you for love, docility, prayer. Pray more with Me and through Me, surrender yourselves docilely into My Hands so that I can clothe you more every day with GOODNESS, STRENGTH, PURITY, with LOVE.
I, GABRIEL, bring you every day from Heaven the grace of the Lord and I also take your prayers to present before the THRONE OF THE SACRED HEARTS UNITED. You must love Me more every day, spend more time with Me in prayer and, above all, let yourself be formed by Me.
In the moment of temptation, in the moment of weakness, if you take your gaze from yourselves, from what your corrupt self wants, requests,... From the suggestions that the evil one presents to you, and fix your gaze on Me, I I promise to give you strength to resist Satan's snares. If you have fallen, come back to Me as quickly as possible, so that I may lead you to the Lord and reconcile you with the Lord.
Then I will make your souls stronger and closer, closer, more united with the Lord, so that little by little you will overcome all your weaknesses. I want to be by your side to teach you every day to say no to yourselves and yes to the will of God. I will teach you what the TRUE RENUNCIATION that leads to SPIRITUAL STRENGTH is, which is CONTINUOUSLY SAYING NO TO YOUR WILL AND YES TO THE DIVINE WILL. I will teach you that true renunciation is born from a heart that loves the Lord, from a heart that loves its master more than itself, that loves its Mother in Heaven more than itself. I will teach you that true renunciation springs from the heart that does not seek itself in prayer, but seeks the will of God. And that perfect renunciation will lead you to the TRUE STRENGTH that consists in being master of yourself, master of your emotions, feelings, desires and thoughts, and that makes the soul truly become an ivory tower, a strong tower, as was the Blessed Virgin herself, Saint Joseph and there were so many Saints, like Ourselves, the Angels , we were at the moment of the test of fidelity to which the Lord submitted us at the beginning of Creation. And We love the Lord more than Ourselves, so we remain faithful to Him, while the Angels who wanted to love themselves, like Lucifer, more than God, fell and were banished by the Lord from Heaven. . We are, therefore, models of fidelity to you, We, the Angels of the Lord, and this fidelity I want to teach, I want to communicate to each one of you! as was the Blessed Virgin herself, Saint Joseph and there were so many Saints, as We, the Angels, were at the moment of the test of fidelity to which the Lord submitted us at the beginning of Creation. And We love the Lord more than Ourselves, so we remain faithful to Him, while the Angels who wanted to love themselves, like Lucifer, more than God, fell and were banished by the Lord from Heaven. . We are, therefore, models of fidelity to you, We, the Angels of the Lord, and this fidelity I want to teach, I want to communicate to each one of you! as was the Blessed Virgin herself, Saint Joseph and there were so many Saints, as We, the Angels, were at the moment of the test of fidelity to which the Lord submitted us at the beginning of Creation. And We love the Lord more

than Ourselves, so we remain faithful to Him, while the Angels who wanted to love themselves, like Lucifer, more than God, fell and were banished by the Lord from Heaven. . We are, therefore, models of fidelity to you, We, the Angels of the Lord, and this fidelity I want to teach, I want to communicate to each one of you! while the Angels who wanted to love themselves, like Lucifer, more than God, fell and were banished by the Lord of Heaven. We are, therefore, models of fidelity to you, We, the Angels of the Lord, and this fidelity I want to teach, I want to communicate to each one of you! while the Angels who wanted to love themselves, like Lucifer, more than God, fell and were banished by the Lord of Heaven. We are, therefore, models of fidelity to you, We, the Angels of the Lord, and this fidelity I want to teach, I want to communicate to each one of you!
COME TO US AND WE WILL STRENGTHEN YOU! COME TO US AND WE WILL MAKE YOU SO STRONG THAT SOMETHING CAN OVERCOME YOU!
Continue with the HOUR OF THE HOLY ANGELS every Tuesday with fidelity. Through Her and In Her We will strengthen you and make you invincible in FAITH, in LOVE, in HOLINESS, in GENEROSITY.
THIS HOLY PLACE CHOSEN BY US, THE HOLY ANGELS, TO BE OUR Abode, OUR SECOND HEAVEN, IS FOR YOU AN UNEXHAUSTED FOUNTAIN OF GRACES, PEACE, STRENGTH. COME HERE AND WE WILL TRY ALL THESE GRACES!
I bless you all at this time generously with love."

JACAREI, FEBRUARY 21, 2012 - FEAST OF THE HOLY FACE OF OUR LORD JESUS CHRIST
(Video of this Apparition: http://gloria.tv/?media=260340)

"-My children, My SACRED FACE is the Sun that illuminates your life, It is the mirror that reflects the light of My own SACRED HEART. Every soul that walks in the light of My DIVINE FACE will not perish, nor will it walk in darkness because the light of My FACE makes the soul always walk in the light of truth, grace and love, growing ever more in true love, fidelity, total surrender and self-giving to Me that leads ever more to holiness and makes you perfect in My eyes.
Today when you celebrate the FEAST OF MY HOLY FACE, this Feast that I myself with My Mother asked of My daughter MARIA PIERINA DE MICHELI, I invite you to make amends to My Face more and more, this Face despised for the sins of all men, outraged , wounded by all the sins of men, outraged and despised by all those who forget My Love, who are ungrateful to My Love, who do not respond to My Love and who do everything against My Love, against Me. So that I can truly receive from you every day: love, comfort, welcome, understanding, correspondence and generosity. By repairing and making amends to My SACRED FACE, you make amends and make amends to My SACRED HEART as well. To console My face is to console My Heart.
That's why I call you My children: come close to Me! come close to My Face and console It, console My Heart by not giving Me the kiss of Judas: that of betrayal, that of lack of love, that of insensitivity and indifference. But give Me a

kiss of true love like those that My Most Holy Mother imprinted on My SACRED FACE, like those that My Father Nutricius Saint Joseph imprinted on My Face. Kiss Me with love, with true love and I truly promise you My beloved children to make You feel, make you know the depths of My Love. LOVE ME, KISS MY FACE LOVINGLY AS MY DEAR APOSTLE JOHN DID, AND THEN I WILL REPLY YOU ON MY BREAST ON MY HEART AND I WILL MAKE YOU FEEL THE BEATS, THE THROWS OF HIS LOVE FOR YOU AND FOR ALL OF ME CHILDREN OF THE WHOLE WORLD. This way,
MY HOLY FACE IS A REFUGE FOR YOU, FOR IN MY LOOK YOU WILL FIND ALL PEACE, ALL JOY, ALL CONSOLATION, ALL COMFORT, ALL THE LOVE FOR WHICH YOUR SOULS HUNGRY AND THIRTS.
COME TO MY HOLY FACE, ADORE IT, LOVE IT, CONTEMPLATE IT MANY TIMES DURING THE DAY AND I PROMISE TO COMMUNICATE TO YOUR SOULS SO MUCH PEACE, SO MUCH LOVE. I promise to infuse into your spirit so much light, so much divine wisdom and science that you will truly know me, love me and serve me as never before has anyone served me, loved me, known me.
In MY HOLY FACE you will find all the strength that your souls need to resist in these evil times, from the great apostasy, from the great tribulation to sin, to the general shipwreck, in the lack of faith where the majority of humanity now sinks.
IN MY HOLY FACE you will find all encouragement in your sufferings and in your crosses.
In MY HOLY FACE you will find all inspiration to pray, you will find all strength and generosity to love, you will find all hope and all firmness, all constancy to persevere to the end, until you come to Me to receive the crown of eternal life.
IN MY HOLY FACE you will find all your good, all your joy and all your peace.
COME TO ME, because to come to My SACRED FACE is to come to My SACRED HEART.
My children, continue to pray all the prayers that I have given you Here, this Sacred Place of My Apparitions with My Mother, with My Father Nutrício José, with all My Angels and My Saints, this place is the Throne of My SACRED FACE and here you can find her, you can come to her whenever you want. To all those who come here to comfort and make amends to MY FACE, to all those who come here to shed tears of love before Her, I promise to illuminate these souls with the light of MY HOLY FACE all the days of their lives.
I promise to always look at them, always watch over them and their families and I promise to lead them on the safe road of salvation to Heaven and at the time of death they will see MY smiling FACE at them and then they will remain for eternity in Heaven, well close to MY SACRED FACE loving It, adoring It, seeing It and receiving from It the divine Celestial influences and the eternal joy and glory for all eternity.
To everyone today and especially to you Marcos, My beloved son who has divulged My Medal of the SACRED FACE, the Messages I gave to My daughter Pierina di Micheli, to you and these My children who here love MY SACRED FACE and they do everything to make themselves known and loved, at this moment I pour out My Blessing the Blessing of MY SACRED HEART generously and I give you peace!”

Through you, I am preparing My Kingdom of Love in hearts and I am always bringing into hearts the Light of My Heart that puts an end to all darkness of sin. Through you, Marcos, I have given the world the Medal of My Heart that will make souls feel the need to love and repair Our Three Sacred Hearts United and in this way we will form for Us throughout the world a great army of holy souls who will live more and more in our Love and in our Friendship.
Go forward My child, and may all My children rise up to help you in this holy mission, because for all of them the reward in Eternity and the Crown of Eternal Glory is already prepared. I also ask you to spread the Medal that Our Lady of Tears gave to Our little daughter Sister Amália Aguirre, and that you made Marcos with such perfection and beauty, faithfully following the model shown to her.
To all those who use and propagate this Medal We will keep it at all times and especially we will protect their souls from the dangerous temptations of this bad time in which you live, and we will guide you always more along the path of holiness. The devil will be paralyzed before her and will not be able to harm you. Leave the things of the world because they are not for you. You were created only for the Celestial Things and you must seek them. Pray more Rosaries of Tears for the salvation of souls. Less wasted time and more prayer to save sinners. JACAREI, FEBRUARY 26, 2012 - MESSAGE FROM OUR LADY

“-My beloved children, today again, I invite you to open your hearts to My Love in this time of conversion and penance that for you must be an increase in faith, an increase in prayer, love in your souls and a return more perfect, more decisive and more complete to God, to His Love, to the Light of His

truth. Come to My Heart! Open the doors of your hearts to Mine and I will pour into your hearts an ocean of love, peace, graces and light that will transform your life into a great, beautiful and wonderful garden of joy, of beauty and holiness where all the flowers of virtues grow and develop every day. My Heart loves you so much! With each passing day I love you more! When your hearts are tired, discouraged, afflicted and downcast, then I become even more present, closer, more attentive to all your pains, to all your afflictions. And as a Mother, I bend over you, over your souls to help you, to support you, to lift you up and to make you go more and more forward, to grow in the love of God, to grow in the grace of God.
MY CHILDREN, I, AT THIS TIME, ASK YOU TO PRAY THE THIRD OF MY TEARS EVEN MORE, BECAUSE THROUGH IT I WANT TO DO GREAT THINGS IN YOUR SOULS, GIVE THEM TO KNOW AS SOON AS POSSIBLE AND AS POSSIBLE TO ALL MY CHILDREN SO THAT THEY CAN USE THIS POWERFUL PRAYER THAT I GIVEN MY DAUGHTER AMÁLIA AGUIRRE. SO THAT MY CHILDREN CAN GET OUT OF SIN, RECOVER THE GRACE OF GOD, TURN BACK TO THE LOVE OF GOD AND THEN, OVERCOME SATAN IN THEIR OWN SOULS, IN THEIR LIVES AND SO I MAY ALSO OVERCOME SATAN IN THE WHOLE WORLD. I COUNT ON YOU APOSTLES OF MY TEARS, MESSENGERS OF MY TEARS, TO BRING THE THIRD OF MY TEARS AND ALL THAT I REVEALED TO MY DAUGHTER AMÁLIA AGUIRRE TO THE KNOWLEDGE OF ALL AS SOON AS POSSIBLE!
Therefore, little children: PRAY, WORK, FIGHT!
The Holy Angels, the Saints of Paradise and Myself, I am fighting with you too. Here in this Sacred Place, chosen by Me, where My IMMACULATE HEART has done and does so many wonderful things in you, I am glorified, I am loved as never before. And in you I delight! Therefore, little children, be glad and happy that the Mother of Heaven is so consoled and satisfied with you.
Go ahead! Don't stop! Always go further, taking My Love to all My children who still do not know Me. I will be with you in this holy mission.... And I bless you all at this moment generously from FÁTIMA, from SAN DAMIANO and from JACAREÍ... JACAREÍ, FEBRUARY 27, 2012 - MESSAGE FROM THE ANGEL MANUEL

“- Mark, Peace. Today I come once again to give you My Peace and tell you: pray, pray, pray. Prayer is the salvation of the world. Prayer is the salvation of your souls. Prayer is the only way to reach Peace. Prayer is the only way to reach God. In this holy time, pray more, especially the Rosary of the Tears of the Mother of GOD and that of the Tears of Saint Joseph, because the Lord GOD Omnipotent is willing to pour out copious Graces on all those who pray these Rosaries and also wants to touch the hearts of many sinners, leading them back to the path of goodness and salvation. So I prayed a lot. I, Manuel, together with all the Angels of GOD, am at your side to pray with you and keep you always. Our Lord Jesus Christ knows you by name and knows everything you need. Therefore, in difficult and confusing moments, do not be afraid, for HE takes care of you and always sends Us, His Holy Angels, to guard and help you. I bless everyone at this moment with LOVE and cover with My Mantle. Peace to all. Peace, Mark.”

Message from Our Lady to Brother Valdemar of São Gabriel de Nossa Senhora das Dores
(Our Lady): "-My son, My Immaculate Heart wishes to give you a new grace today, and for that I want to your assent to such a favor bestow on you."
(Marcos): At this moment, Our Lady sent me to ask Brother Valdemar de São Gabriel the following:
(Our Lady): "-Valdemar, My chosen son, do you accept that I give you a private Message every Wednesday, through which I will guide you along the path of holiness?"
(Mark): I turned to him and asked what the Blessed Virgin Mary ordered me to do. Brother Valdemar from São Gabriel de Nossa Senhora das Dores answered yes and then the Lady continued:
and since yesterday I have kept you in a special place in My Immaculate Heart and I am already preparing for you one of the closest abodes to My Throne in Heaven. From now on, every 28th of each month I will give you a plenary indulgence and particular blessings in memory of your religious vows. I bless you today with love and I cover you with My Mantle. Rest in the peace of the Lord, My beloved child."
(Marcos): The Mother of God gave this Message to Brother Valdemar of São Gabriel de Nossa Senhora das Dores through me during the 6:30 pm Apparition. She was very happy, she blessed us by letting luminous rays come out of Her hands on us and had the name of Brother Valdemar de São Gabriel das Dores written in golden letters on Her Immaculate Heart. He made his final religious vows in the Order of the Little Slaves of the Mother of God the day before at the request of the Mother of God herself and solemnly professed the vows in Her presence in Her daily Apparition.

Message from Holy Mary

“- My children, today, I, your Heavenly Mother, bless you again and give you peace.
PEACE! PEACE! PEACE! With the THIRD OF TEARS you will achieve Peace for your hearts and for the whole world. Times are bad. Souls are rapidly degenerating into serious and deep wounds, spiritual and moral sins, and society itself rapidly degenerates into sin.
To stop so much evil in the world, I ask you, My children: PRAY MORE! Pray with me! Pray deeply through Me that the Lord may then pour out His Mercy and at the same time His Justice on the wicked, saving the just and the innocent with the strength of His power!

With prayer, we can even mitigate the punishments of nature, wars... And we can also mitigate the injustices that the bad commit against the good!
With prayer we can surround Satan, corner him in such a way that he is powerless. So pray! Pray more and more, My children! Pray, pray a lot, because only with prayer can I intervene in your lives and bring graces where sin seems to dominate everything.
This week, when you will celebrate My Apparitions to My little daughter Amália Aguirre, when I have given her the Crown of My Tears, the THIRD OF MY TEARS, for the first time, you must meditate deeply on the treasure of these My Tears. These Tears that I shed out of love for you, My Children, throughout My life, especially at Calvary, at the death of My Jesus, are the greatest proof of My great and immense love for all My children. These Tears are also a call to all souls of good will throughout the world to rise up to dry these Tears, to console My heart, giving Me their lives full of love, prayer, fidelity and especially docility.

And finally, these My Tears are precious treasures that you, My dear children, must take to all My souls, to all My children, giving them without ceasing to know MY THIRD OF TEARS, the messages that I gave to My little daughter Amália Aguirre and also here, which reveal to you the greatness of the value of My blessed Tears, so that My children, in these Tears, find all consolation, all strength, all light and all medicine for their souls!
I count on each one of you for this holy task, My children. Continue to pray all the prayers I have given you here with confidence. And I bless everyone at this moment with the fruit of My Blessed Tears, of LOURDES...., of LA SALETTE..., and of JACAREÍ.
Peace My children, I leave you my Peace! Peace to you Marcos, My most beloved son! All your words were in accordance with My Heart. Exhort My children, admonish My children, correct My children, open the eyes of My children, form My children for Me.
Peace!"

CENÁCLE CELEBRATING THE FEAST OF OUR LADY OF TEARS

MESSAGE FROM HOLY MARY

"-My beloved children, today when you are celebrating the FEAST OF MY TEARS, My FIRST APPEARANCE to My Daughter AMÁLIA AGUIRRE, I come again to tell you:
I AM THE LADY OF TEARS. TO MY BELOVED DAUGHTER AMÁLIA AGUIRRE.

With the CROWN OF MY TEARS, I wanted to give the world a very powerful help for the salvation of the souls of all My children, to stop all forms of evil and sin and to lead all humanity safely: back to God, to conversion, to true peace and, above all, to that extreme holiness that God desires and expects from you in these evil and troubled times in which we live.

In My APPEARANCE IN CAMPINAS, giving the world through My daughter AMÁLIA AGUIRRE My Title of LADY OF TEARS, I gave all My children the effective way in which they could find Me, by which they could always have Me present by their side. in their lives and the means by which I would support them in every moment of suffering, pain and anguish.
By praying the CROWN OF MY TEARS and invoking Me with the TITLE of LADY OF TEARS, My children receive great graces from My Heart, very powerful aids from My Maternal Hands, and, above all, I free them more and more from all the influence of Satan to that they may walk safely on the path of holiness. I just can't do anything for those souls who don't pray the CROWN OF MY TEARS or if they pray it, they don't renounce themselves and their will. I cannot help these souls alone, because the soul that is rebellious and wants to do their will, whatever the cost, even if it hurts My Maternal Heart, I cannot favor this soul, rather, I abandon it because its sin keeps Me away from her and closes the doors of the graces of My Maternal Heart for her.
That is why I ask you: Children, pray the Crown of My Tears, but at the same time cultivate within you a great interior docility to all that I have said to you in My Messages, and above all, renounce your will, once and for all so that I can finally fulfill in you the Plans of My Immaculate Heart and fill you with the graces of the Treasures of My Blessed Tears.
In My APPARITION IN CAMPINAS, when I gave My daughter AMÁLIA AGUIRRE My CROWN OF TEARS and My Title of LADY OF TEARS, I also revealed to you, little children, that purity that I expect from you, symbolized by the white veil that I wore around My head. This purity must be in your actions, in your thoughts, in your words, but above all, in the intentions of your hearts.
After you have known Here, in My APPARITIONS IN JACAREÍ, so many Messages, so many Graces from My IMMACULATE Heart, your life must be much more than earthly but angelic. That is why I want from you such purity that your soul is similar to that of the Angels, similar to that of My little daughter

AMÁLIA AGUIRRE who never sinned, I also want your humility represented by My violet dress with which I presented Myself to My little daughter AMÁLIA AGUIRRE and also may your meekness be so great that you may be like luminous stars that give this proud world full of insolence and rebellion to the Lord a shining example: of humility, docility, meekness and submission to the Lord God as was My submission, as it was the submission of My little daughter AMÁLIA AGUIRRE.
I also want that in your souls there are the most varied and numerous virtues symbolized in the countless stars that I wore stamped on My Mantle, in My APPEARANCE to My little daughter AMÁLIA AGUIRRE. You must be those luminous stars that, with so many and so brilliant virtues in their souls, can illuminate this world: full of darkness, sins, scandals, bad examples and betrayals of men to the love of God. In this way, your light will put an end to the dense darkness, to the night of darkness that now dominates the world and we will then be able to show the way together, to light the way for so many of Mine who wander in darkness, who lie in darkness, so that they may find the sure way that leads to God.
I also want from you an unlimited trust in My Maternal Love and Mercy, symbolized by the veil, by the Mantle that I wore in My APPEARANCE to My Daughter AMÁLIA AGUIRRE. Those fibers of trust, love and hope that I desire from you must also be woven into your souls and they must be your strength every day of your life, moving you ever further forward, ever more in fulfillment of the will of the Lord and My maternal will expressed for you in My Messages. These fibers of trust should make you ever more united with Me by the bonds of Perfect Love that will lead you to have a life of perfect union with Me based: on trust, on love, on fidelity, on holiness.

If you do this My children, you will be the true children of MY TEARS, the true apostles of MY TEARS and through you I will make My blessed Tears triumph over all your enemies and thus establish in the world the KINGDOM OF LOVE OF MY HEART IMMACULATE.

Mark, My Apostle, APOSTLE OF MY TEARS, you who after My little daughter AMÁLIA AGUIRRE are the mortal being who loved My blessed Tears the most and worked the most to make them known and loved. To you My dear son, who have divulged the MEDAL OF MY TEARS that I gave to My little daughter AMÁLIA AGUIRRE, who have divulged the CROWN OF MY TEARS, the MESSAGES that I gave her to My little daughter AMÁLIA, too, you who have My Image with the Title of LADY OF TEARS has been made known to all My children, I thank you today from the bottom of My IMMACULATE HEART and I pour out on you a special, particular and singular grace of My IMMACULATE HEART.

You are the Knight of My Tears, you are the Apostle of MY TEARS and therefore to those who serve Me the most I always give more, to those who love Me the most and dedicate themselves to Me the most I always give more

and more. Therefore, My child, I now pour out a copious special blessing to you, the fruit of the treasures of My Tears and I promise in eternal glory, to make known to you a unique taste of the knowledge of the mystery of My Tears, which I only gave to My little daughter AMÁLIA AGUIRRE and I won't give it to anyone else. You must be happy, My child must rejoice with Me in God Our Saviour.

AND YOU ARE VERY HAPPY BECAUSE WHAT I WANTED TO DO IN CAMPINAS AND I COULDN'T BECAUSE MY APPARITIONS WERE DENIED, FORBIDDEN AND THROWN INTO Oblivion, I WILL DO HERE IN THE EYES OF ALL AND ALSO IN YOU MY SON. HERE I WILL REALIZE THE WONDERS OF THE TREASURES OF MY BLESSED TEARS THAT WILL CULMINATE WITH THE GREATEST TRIUMPH OF THEM AND OF MY IMMACULATE HEART.

I now bless you all with love... from CAMPINAS... from LA SALETTE... and from JACAREÍ.
Peace My beloved child."

(MARCOS): "-Beautiful Prince of Heaven who are you?"

MESSAGE FROM SAINT SOPHRONIO

"-Mark, I SOPHRONIO, servant of GOD and of the IMMACULATE VIRGIN, I bless you and I give you Peace!

Serve the Lord with fear and trembling all the days of your life, seeking ever more to do not only what pleases Him, but above all what pleases Him most, so that in this way you may be able to give Him greater contentment, greater glory and also be able to grow more and more in holiness and justice in His eyes and so you can climb the steps of holiness quickly and promptly until you reach the top of the high mountain of holiness that God desires for you and on top of which He awaits you with His Heart loving, full of love.

Serve the Lord every day with trembling and fear, seeking ever more to examine your conscience, to recognize your sins and weaknesses, to deplore and detest them, to flee from occasions of sin, never being haughty and trusting too much in your own strength. , in your own strength, but always distrusting yourselves and saying to yourselves at all times: Lord, give me your grace, strengthen me and keep me, otherwise by the end of the day I will have you. I will have betrayed.

Thinking in this way, you will base your trust in God, in his grace and not in you. And so you will escape from one of the main temptations of the devil, which is to make you fall into sin due to excessive confidence in yourself. Fleeing from occasions of sin, fleeing from situations and people that can make you betray the love of God and of the holy Virgin who chose you to be Theirs, you will tread with the IMMACULATE CONCEPTION on the head of the infernal serpent and triumph from the hell that every day plots your ruin and your eternal damnation and in this way you will come closer and closer to that ideal, to that model of holiness that God has traced for you and determined for you, and in this way your soul will grow greatly in love, in the perfection of the virtues and in the holiness.

Serve the Lord all the days of your lives with trembling and fear, always having the thought that God sees everything, knows everything, knows your insides, knows you inside and out and knows all the evil thoughts and desires that are born. of your hearts and thus truly seek to annihilate them, to kill them by ever more intense prayer, by the practice of penance, sacrifice, corporal mortification and above all the mortification of your will, saying more and more no to yourselves and yes God's will. Also make use of meditation on the lives of the saints, on the Messages that all Heaven has given you here, on the meditation on the appeals of the most holy virgin, because by meditating on them, you will grow every day in trembling and in the holy fear of God who is more made with care not to hurt the Heart of the Lord and of the Holy Virgin,

The thought of SANTA TERESA D'AVILA must never leave your heart: “-Oh God, even if there were no Heaven for you to give me I would love and even if there were no hell for you to punish me I would fear you.”
May this thought always dwell within your hearts and be the compass that guides you each day.
This Holy Place, chosen by the Lord, by the Holy Virgin and which is also very much loved by Us from the heavenly Court, is your School of Holiness, it is your gateway to Paradise, it is your bridge through which you can reach God and the Virgin Saint in Heaven. Do not lose all this through your sin, through your ill will and through the folly of your rebellion. But first, cultivate in your hearts that docility, that obedience, that pure love that We the saints had for the Lord, for the Holy Virgin who gave us the grace to be in Heaven today singing praises of God, in ecstasy immersed in the love of Him and the Virgin Holy for all eternity.
I SOPHRONIUS love you very much! I have been praying and interceding for

all of you who believe in the APPARITIONS OF THE SACRED HEARTS here in Jacareí and truly fight to fulfill Their will and I also bless you today Marcos, I give you My Peace, My Love today, you who are the great friend of the Saints of God, my great friend and who have done so much to serve and love them and thus give all souls a safe, sure and smooth road to reach holiness.

I, at this moment, generously bless you all."

MESSAGE FROM OUR LADY

"-My beloved children, today I invite you again to come to My Heart which is the source of all Peace, all Love and all the happiness that you seek for your lives.

My Heart is a source of Love, which never runs out, therefore, you must all come to My Immaculate Heart so that I can fill you and fill you with this Peace that exceeds everything you know and that will give you all the days of your life: joy, trust and the constant and continuous certainty of My Maternal Love that cares for all of you, that guides you, that leads you ever further on the path of true love.

My Heart is a source of Love, and in it you will find the true love that you all hunger and thirst for in this life. Only in My Heart will you quench your immense thirst and hunger for Love and you will be able to receive that Joy, that Peace, that Love and that Happiness that your soul needs. And only in My Heart, your souls will rest in the Peace of the certainty of being deeply loved by Me, your heavenly Mother, who at no time leaves you.

My Heart is a source of Love, so you must come to Him for Him and learn from Him the true love with which God wants to be loved by each one of you My children. I will teach you that Love for the Lord: it is ready, it is determined, it is

firm, it is faithful, it is tender, it is deep, it is constant, it is disinterested, it does not seek itself, but only seeks to please the Lord for itself.

In My Heart, I will teach you true love for the Lord: who believes everything, supports everything, hopes everything, suffers everything for Him.
In My Heart you will learn this love and you will grow with Me in this true love. I will grow you like flowers of love to offer the Lord as a precious gift to make Him happy and glorify Him.

COME MY CHILDREN, HURRY YOUR CONVERSION! THE TIME IS COME, THE TIMES FULFILL! SOON ALL MY SECRETS WILL BE FULFILLED AND FOR THOSE WHO DIDN'T WANT TO ANSWER MY CALLS TO CONVERSION IT WILL BE TOO LATE.
CONVERT NOW! NOW WHICH IS THE PROMISE TIME FOR YOUR CONVERSION AND IN WHICH GOD GIVES YOU THROUGH MY APPARITIONS SO MANY GRACES.

Come to My Immaculate Heart full of Love while His doors are still open for you! Soon these doors will close, My voice will be silent and you My children will no longer be able to find the path that leads to life if you are not by My side.

That is why I call you from all parts of the Earth to enter the fold of My Heart and to obey My Messages faithfully. I want from you a very intense life of prayer. I want you to cultivate SILENCE, MODESTY, that you preserve in your souls: PURITY, INNOCENCE, that you have within your souls a great DOCILITY to the Lord and to My maternal voice, so that every day I can lead you on the road which leads to holiness, which leads to Heaven.

I want you to be very mortified in your language, in your sight, that you be very mortified, above all, in your self-love and in your will. A soul that rebels, that revolts when it hears a rebuke from Me, shows that it has nothing to be a saint, but a 'hollow stick'. That is why in your souls there is true humility that makes you recognize the authority of those who speak to you, obey it and follow it, recognize My Maternal authority. And that with this docility you can grow more every day in true love for Me without putting any resistance to My voice.

Imitate the docility of My little daughter Bernadette, of My Little Shepherds of Fatima, of My little daughter Gemma Galgani, of My little son Marcos who always obeyed everything I said to Them, without hesitation, without placing any restrictions or conditions on Me.
This unreserved love of these My children must be your love My children and must be the road that leads you every day in your life, always more towards the perfect fulfillment of the Lord's plan.

I, your Mother, want you to continue to pray the MEDITTED ROSARY that My little son Marcos makes and gives to you every day and also every HOLY HOUR that I asked you here and that My son Marcos made for you. So that, growing every day more and more in the prayer and spirituality that pleases Me, you may always shine more like luminous stars for this world that lies in darkness.

I count on you and I invite you to always follow Me on the path of Love.

I bless you all from this Sacred Place that is immensely dear to Me and loved by Me, I bless you generously from FÁTIMA , from HEEDE and from JACAREÍ .
Peace My beloved children! Go in the peace of the Lord."

MARCOS: "-See you soon, my life..."

FESTIVAL OF THE HAPPY TRANSIT OF SÃO JOSÉ ASSISTED BY JESUS AND MARY

Message from Saint Joseph

"-My children, today, when you celebrate My Feast, I bless you again and I cover you with My Mantle. My Life was all a Hymn of Love for the Lord and for all of you, My children, and you must follow the path that I opened to you of Love, Prayer, Obedience to the Lord, Purity and Holiness, to please God as I do and to do His Will. Be docile to My Heart and let Me guide you along the path of true Love, until I perfectly reproduce My Virtues and My Holiness in you, to illuminate this world wrapped in darkness and sin.
My whole life was a continuous martyrdom beside Jesus and Mary, suffering in union with them all their sufferings until the moment that the Lord predisposed, and the countless Tears that I shed out of love for them, these blessed tears of mine, constitute a Treasure of Great Value and Power before the Lord, and this Treasure I want to give to you, My children. For this reason, you must always pray the Rosary of My Tears with much Love, so that, together with the Tears of My Most Holy Spouse, I may enrich you more and more with this Heavenly Treasure and raise you more and more to the heights of holiness that the Lord desires from you. you. With the Rosary of My Tears all the enemies of your souls will be defeated and nothing will be able to defeat you. I am with you and I promise to pour out the abundant Graces of My Heart on you. I promise you that with each prayer of the Rosary of My Tears a soul will be saved. This Grace I obtained from the Lord through the Merits of My Sufferings and Tears, and I give it to you today.
I bless you all with Love, from Belém, Nazaré and Jacareí."

MESSAGE FROM OUR LADY

(video of this Apparition: http://pt.gloria.tv/?media=272284)

"-My dear children, today, on the day of the Feast of the ANNOUNCEMENT, when you contemplate the YES of your HEAVENLY MOTHER given to GOD and all humanity and who brought you the SAVIOR and the REDEEMER making possible the salvation of the entire human race, I bless you again and I give you Peace!

Be the continuation of My Yes on Earth, giving your Yes to the Lord so that through you My Maternal Love may continue to bring Christ into the world, giving birth in hearts, growing in souls until it reaches its fullness, until He reigns in all the hearts of men, so that humanity can finally find divine peace and can live in the lasting peace of God.

Be the continuation of My Yes, surrendering your lives to Me as did My little children AFONSO MARIA DE LIGÓRIO, LUIZ MARIA GRIGNION DE MONTFORT, as did My SHEPHERDS OF FATIMA, My little daughter BERNADETTE, My little son MARCOS and so many holy souls who, responding to My call, answered Yes with all their hearts and allowed themselves to be guided by Me docilely on the path of love, holiness, purity, prayer and obedience to the holy will of the Lord. By doing so, My Immaculate Heart will build in your souls a citadel of holiness, love, goodness, purity where all virtues will grow and will be an enchantment and the joy of the Holy Trinity and the Most High.

Be the continuation of My Yes on Earth, following My Maternal footsteps along the path of purity, of self-giving to God, of contempt for the world and for yourselves, leaving behind all the disordered love of creatures and trying to have and cultivate in your hearts the true love of God, the true divine love, which will make you beautiful, holy, luminous and pleasing to God in Heaven like the Angels!

You My children who are My offspring, the offspring of the Woman clothed with the Sun, are called by Me today, to walk every day along the road that I have traced for you, certain that soon MY IMMACULATE HEART WILL TRIUMPH, THE WARNING IS VERY NEXT, also the GREAT MIRACLE and the GREAT PUNISHMENT.

THE MIRACLE WITH WHICH I WILL AWARD EVERYONE WHO PRAYED MY ROSARY, WHO OBEYED MY MESSAGES AND ANSWERED ME YES AND THE GREAT PUNISHMENT WITH WHICH GOD WILL SEPARATE THE BAD FROM THE GOOD FOREVER, SENDING THEM TO THE ETERNAL DARKNESS OF HELL AND THE GOOD YOU WILL FINALLY LIVE A NEW ERA OF PEACE, LOVE AND HAPPINESS THAT WILL HAVE NO END.
My IMMACULATE HEART is speeding up the days so that your liberation may come soon. Rejoice that this deliverance is near! You will see wonderful things that your eyes have never seen. You will know a holiness, a spiritual beauty within and without you that you never imagined you could ever see. All this grace and all this beauty is very close to you My children! So do not be discouraged MY IMMACULATE HEART WILL TRIUMPH and in your smallness, in your fragility and even in your poverty, it will show the power of His Love and the power of the Lord making His Glory shine throughout the whole world!

Continue with all the prayers I have given you Here! To My little children Dina, Manoel and Liliana who came from so far, I now give a very special blessing from My Immaculate Heart, extended to all their families. To you My little children who are with Me here all year consoling Me, loving Me, helping Me, living My Messages and giving My love, to all My children, I also give My special blessing today because you have answered Me yes and your yes remains My Yes on Earth. And to you Marcos, the most dedicated of My children, whose yes given to me 20 years ago gave Me over your person and over your life all the power, all the right to dispose of you as I do, your Mother of Heaven wanted it and it pleased Me,
Peace My beloved children, Peace to you Mark!”

MARCOS: “-It's so good to be here with you, please stay longer! (Pause) Yes... Yes... See you soon...”

MESSAGE FROM OUR LADY

"-My beloved children, today I call you again to perfect love and especially to correspond with this perfect love to the Love of My Son JESUS who gave His life for you and that in these days of Holy Week you will contemplate on the Cross to save you.

Love gave His life for you. Love redeemed you. Love freed you from slavery from the sin and tyranny of Satan, Love has shed all His most precious Blood to the last drop for you, for your salvation.

You must respond to this Love with all the love of your heart, with the most perfect, unreserved and unrestricted love of your soul. Since Love has given you everything, since Love has given itself entirely to you, since Jesus has given you all of His Love and all of His life for you, it is not fair that you give less to Him than all your love. , than all your soul, than all your life!

I came here in Jacareí, to teach you through My Apparitions to give this love to My Son JESUS, to give Him your whole heart, to give Him your whole life, without reservation... teach how to give JESUS the government, the direction of your lives so that He can do and accomplish in you what His Holy Will wants.

You must learn from Me, to respond with all your heart to this Love of JESUS. I call you to be a living flame of love to JESUS, to the Imitation of Myself who was a mystical and burning flame of love every day of My life and at every moment towards My Son JESUS.

In this way, you will be like a beacon of light in this world wrapped in darkness that does not know how to love JESUS. In this evil time when souls love only themselves and love themselves more than God, more than JESUS and when souls are so rare who say yes and give all their heart, all their soul to Mine son JESUS.
I call you to listen to My requests to love JESUS, to respond to His so high and sublime Love made in all My Apparitions, especially in MONTCHIARI where I invited you to be the mystical roses: white of prayer, red of sacrifice and love, golden yellow with penance. So that your souls could give to JESUS the sweet fragrance of pure love, of perfect obedience, of complete fidelity so that His SACRED HEART in you can truly rejoice, be pleased and rest in you.

I CALL YOU ALSO, WITH YOUR PRAYERS, SACRIFICES AND PENANCES TO HELP ME TO REPAIR SO MANY SINS WITH WHICH HUMANITY OFFENDS MY SON JESUS, ESPECIALLY TO REPAIR FOR THE BETRAYALS OF THE JUDAS PRIESTS, OF THE JUDAS CATHOLICS, WHO BETRAYING THE LOVE OF MY SON JESUS, THEY SELL HIM, DENY HIM, REPUBUTE HIM, DESTROY HIM, DESPISE HIM, CRUCIFY HIM AGAIN, PREFERRING THE CREATURES AND THINGS OF THIS WORLD THAN MY JESUS.

HOW MANY SOULS ARE WHO, BECAUSE OF THE PLEASURES OF THIS WORLD, DENY MY JESUS, BEAT HIM, CRUCIFY HIM AND PASS HIM AGAIN. I INVITE YOU IN THESE DAYS TO RETURN TO THE SPIRIT OF PRAYER AND OF PENANCE, OF REPAIR AND REGRET TO THAT I INVITED YOU IN MY APPEARANCES IN MONTICHIARI AND ALSO HERE. YOU MUST BE REPAIRING SOULS, YOU MUST BE CONSOLING ANGELS OF THE HEART OF JESUS AND OF MY HEART.
IN THIS WAY YOU WILL BE MY PERFECT MYSTIC ROSES THAT I WILL CULTIVATE WITH MY OWN HANDS AND THAT I WILL GIVE TO THE HOLY TRINITY FOR HER GREATER JOY AND GLORY.

Here in this favorite Place of My Heart, where all My children who come to look for Me Here they find Me, they find My Peace, they find My consolation, My maternal comfort, Here, I will perform in you immense works of perfection and holiness. If you answer Me yes, if you do not oppose My Maternal Action, I will transform you into gems of great beauty, of great spiritual beauty in Heaven.

Come My children! Do not delay, for here I have an inexhaustible source of

graces of salvation and holiness to give to all of you to each one of you!

Happy are the feet that come to this Sacred Place and Here they shed Tears of true love for the Lord and for Me, for these souls I will take in My arms, I will introduce them into the depths of My Immaculate Heart and there I will nourish, form and create as great saints to offer to My Lord and God.

I bless you all at this moment with love, from LA SALETTE... from the CHAPEL OF THE MIRACLE MEDAL IN PARIS and from JACAREÍ.
Peace My beloved children! Peace Marcos, the most hardworking and dearest of My children."

PASSION FRIDAY OF OUR LORD JESUS CHRIST
MESSAGE FROM OUR LADY AND SAINT BRIGIDA

MESSAGE FROM OUR LADY

"-My beloved children, stay with Me today at the feet of the CROSS OF MY SON JESUS who dies to save all humanity and each one of you.

Stay with Me at the foot of the Cross of JESUS, giving Him your hearts together with Me, and above all, your 'yes', your sincere desire to love Him with all your strength, with all your soul, with all your heart and making Him the true and only King and Lord of your lives and your hearts. JESUS will only be the King of your hearts when your will turns completely to Him and you renounce what your corrupted will wants to accept what JESUS wants from you.

Make Him the King of your hearts, thus giving Him your full right: your freedom and full government of your whole life, so that then truly JESUS CRUCIFIED, be your only love, be your life, be your your wealth and the only light that illuminates your souls.

Stay with Me at the foot of the Cross of JESUS in continuous prayer, that is, living a life of intense prayer, intense union with Jesus, seeking ever more to meditate on His sufferings, to meditate on His Word, to know His holy will and to carry it out with love and dedication every day of your life.

Stay with Me at the foot of the Cross of JESUS, being a mystical consoling handkerchief that wipes and dries My Tears, through your obedience to My Messages, through your life full of prayer every day, in accordance with what I have asked you so many times, to so that you may be My new JOHNS, My new favorite children, faithful, persevering and full of love who console Me, who love Me and who give Me, to your Sorrowful Mother, at the foot of the Cross, the most perfect consolation, the most perfect happiness.

WEAR THE PASSION SCAPULAR THAT MY SON JESUS REVEALED TO MY LITTLE DAUGHTER APOLLINE ANDRIVEAU.

This Scapular will be very powerful against hell: it
will destroy heresies, it will lead many sinners back to the path of conversion, it will fill those who use it with love with heavenly graces and it will lead these souls to a great and profound knowledge of the love of Jesus, of the Mystery of love of Most Holy Trinity, and above all, it will give these souls a unique knowledge of the Passion of Jesus, the Sorrows of My Immaculate Heart and the Mystery of My Blessed Tears.

This Scapular will put to flight from the places where it is: the demons with their seductions, snares and temptations and those who, together with the flight from occasions of sin, use it devoutly every day, I promise to keep them from all evil of the body and of the soul and lead them safely to the glory of heaven.

As My Son has already promised you: every Friday those who wear this ESCAPULARY will receive a plenary indulgence. And every year on GOOD FRIDAY I also promise to free from purgatory the souls of 30 relatives of those who wear this ESCAPULARY of their choice and at the same time I also promise to keep their souls and their loved ones in a state of grace that I myself I will choose and so will I keep them.

I, your IMMACULATE MOTHER, never tire of granting you new favors Here, for Here I am truly loved, glorified, exalted, obeyed and served, first by My little son Marcos, the most hardworking and dedicated of My children, then by My other little children who together with him they consecrated to Me their lives, their youth, they gave Me their freedom, their will, they gave Me everything Here and then for My children who with love in their families obey My Messages and seek with all their heart to help Me in My Plan of Salvation for souls.

I, your Mother here in this place, am truly consoled and although I am the Lady of Sorrows because of so many of My children who pierce My Heart with the

daily sword of contempt, denial of My Messages, disobedience to Them and obstinacy in your sins.

Here I am the consoled Mother, I am also the joyful Mother of the Resurrection, the Victorious Queen of Hearts, of souls and of the whole world.

I bless everyone at this moment generously with the merits of My Sorrows, with the graces of the merits of My Maternal Sorrows and Tears."

MESSAGE FROM SAINT BRIGIDA

"- My beloved brothers, I BRIGIDA, servant of the Lord and of the Mother of God, I am very happy to be returning today, this GOOD FRIDAY, after so many years to this place to bless you and give you Peace!
May the PASSION OF JESUS be your great love as was Mine.
May the PASSION OF JESUS be for you the comfort of your souls, as it was for Me.
May THE PASSION OF JESUS be for you the radiant Sun that illuminates you every day as it illuminated My life. And follow Me My beloved brothers along the royal road of the HOLY CROSS which is made up of abnegation, renunciation, which is made of detachment from oneself in order to be able to love Jesus Crucified and to love Him with all the strength of the Heart.
Love JESUS CRUCIFIED with all the strength of your heart, having within your hearts no other King but Him, no other love than Him, having no other light within you than His, having no other heart within you to reign other than His Most Sacred Heart.
In this way, you will be able to follow with Me along the royal road of the HOLY CRUZ, which is easy for those who know how to say no to themselves and renounce the world, but which is difficult for those who have attached themselves to the vain things of this Earth and who will pass along with them. soon, because they loved them more than the LOVE that allowed itself to be nailed to the Cross for the salvation of all.
Love JESUS CRUCIFIED with all your soul, giving Jesus all the time you still have Here on Earth, so that this time may be put at the service of the Lord, of Mary Most Holy and of the salvation of souls, so that many may find the way of life, grace and salvation through you.
Love Jesus Crucified by giving Him all your freedom, all your will and even your thoughts, your way of thinking and judging, detaching yourselves from yourselves and molding yourselves, conforming yourselves to feelings, to thoughts and with the will of JESUS CHRIST so that your soul may be a copy of the beauty of the MOST SACRED HEART OF JESUS, so that you can give to this ugly world, dominated by sin, a shining and shining example: of grace, holiness and love.
I invite you My beloved brothers to intensify the love of Jesus crucified in your hearts by giving Him the greatest proof of the love He wants from you: your yes! Give him the greatest proof of your love by crucifying in yourselves: your corrupt will, the evil desires of your hearts and beginning a new life of conversion, prayer and penance in grace, in love, in fidelity to our God.
In this way you will follow Me along the royal road of the Holy Cross, which is

the road on which all true friends of CHRIST walk, have walked and will walk, all true friends of the LADY OF PAIN.
I, BRIGIDA, am with you in every moment of your life and I never leave you, I protect with a particular love the devotees of the PASSION OF OUR LORD, the PAIN and the TEARS of BLESSED MARY. Of these souls so friendly and so dear to the HEARTS OF JESUS and MARY, I am a special and unveiled protector, I never leave them, I never leave them, I never abandon them and I always fight to lead them to greater holiness, to greater fidelity. and a greater love for God.
I also protect with special affection the devotees of the PAIN AND TEARS OF SAINT JOSEPH, this devotion that was reserved for these APPARITIONS HERE so that the PAINFUL AND CORREDENT, VERY LOVING AND PURE HEART OF SAINT JOSEPH would be known and loved here and through HIS HEART , from this DEVOTION everyone could reach the TRUE DEVOTION TO THE HEART OF THE LORD AND HIS BLESSED MOTHER and thus THEY WILL TRIUMPH IN ALL SOULS!
I, BRIGIDA, cover with My Mantle, I protect with special care the pilgrims of this SACRED PLACE, of this SANCTUARY OF THE APPARITIONS OF JACAREÍ, which I love so much. And so I also protect those who for various reasons could not be here, but who love this place, work for the good of this place, defend it, love it and pray for it and spread it, in these souls who give to Heaven, who give to Hearts of JESUS and MARY so much joy, so much consolation, I also pour out the blessings that the Lord has given Me so that these souls may become ever more: into mystical flowers, of love, purity, beauty and holiness, for the greater glory and joy of Holy Trinity and the Mother of God.
To all of you at this moment I, BRIGIDA, bless and I also bless your PASSION SCAPULARS, which from today onwards become a very special and very powerful link of union of your souls with JESUS CRUCIFIED, with the LADY OF SORROWS, WITH ME and with all the ANGELS AND SAINTS OF PARADISE."
MARCOS: "-See you soon!"

HOLY SATURDAY OF SOLEDADE OF MARY HOLY
MESSAGE FROM OUR LADY OF DORES
video of this Apparition: http://gloria.tv/?media=277396

Lecture of this day by the seer Marcos Tadeu
after the film Tears of Jesus and Mary 3

"-My most beloved children, today, on the SATURDAY OF MY GREAT SORROW, OF MY GREAT SOLITUDE, when between copious TEARS I remained in prayer and in the expectation of the next Resurrection of My Divine Son JESUS CHRIST, you contemplate the sea of anguish and afflictions in which My PAINFUL HEART plunged with longing and compassion

for the sufferings of My Son. I invite you to unite with Me, DOLOROUS MOTHER OF SOLEDADE, in waiting for the next Resurrection of My Son Jesus, that is, in His glorious return when He will renew the whole face of the Earth with His power, so that together we can truly give to the whole world: the light of love, prayer, grace, peace and to spread throughout the Earth the power of love, of the grace of the Holy Spirit, in order to illuminate this world shrouded in darkness.

Join Me, the MOTHER OF SOLEDADE, on this great HOLY SATURDAY in which you live now and which precedes the Triumph of My IMMACULATE HEART, when JESUS, My Divine Son, with the strength and power of His Love and His authority will the great miracle of the spiritual renewal of the whole world. It will be like a Glorious Resurrection, this time of the Mystical Body of My Son, which is the Church itself that is now dying, which is you, My children, the people of God.

This resurrection will happen unexpectedly, suddenly and never, never known or even understood by Satan and the enemies of My Most Holy Son. That is why, as if by magic, Satan will find himself without what he worked so hard to imprison, the souls of so many My children and what he so much intended to definitively destroy on Earth, every trace, every sign of the presence of God, of His Law. Holy and My own presence, all this Satan will not finally be able to obtain or see realized. Because I, together with My Son JESUS, unexpectedly, suddenly and surprisingly, We will perform the great Miracle of the Resurrection of the Mystical Body of My Son, which is the Church that is now dying through apostasy, errors, denial of truth, of My Messages, of My Lacrimations. The Resurrection of the Christian society and family, today also dying for so many errors and so many evils that plague the world today. This Resurrection will take place in a miraculous way and performed directly by My Son JESUS through My Immaculate Heart.

Remain, therefore, with Me, the MOTHER OF SOLEDITY AND PRAYER, in continuous intercession, so that the Lord, as He hastened the hour of My Son's Resurrection due to My incessant prayers, He also sees again My intercession united with yours, also hasten the hour of this great spiritual resurrection of the world, so that soon you can enjoy a new time of Peace that My Heart is preparing and eagerly desires to bring to you My children.

Stay close to Me, the MOTHER OF SOLEDADE, on this great Holy Saturday of your time, when darkness envelops everything, sin and Satan dominate the entire face of the Earth. So that we may be burning lamps of love and prayer, whose oil never runs out or diminishes and so Our light, our clarity can banish the darkness that now envelops so many souls and allow them to see again the light of the Love of the Lord and the path of conversion and holiness that they must follow in order to be saved.

If you My children unite with Me the MOTHER OF SOLEDADE in this holy mission. If you as My Apostle JOHN did when I told him to go in search of the Apostles who were astray and bring them back to Me. If you, like Him, obey Me, if you My children go and seek your brothers who are also astray and bring

them back to My IMMACULATE HEART, I say to you: THE LORD SEEING OUR UNION, OUR PRAYER, THE LORD SEEING THAT WE TRULY WE ARE TOGETHER PRAYING THAT YOUR RESURRECTION, THE SPIRITUAL RESURRECTION OF THE WORLD, BE HURTED. THE LORD WILL HEAR US AND THE TRIUMPH OF MY IMMACULATE HEART WILL HAPPEN.
I COUNT ON EACH ONE OF YOU MY CHILDREN.

COME TO ME AND I WILL WELCOME YOU ALL INTO MY IMMACULATE HEART, GIVING YOU ALWAYS MORE MY PEACE, MY LOVE, MY PROTECTION AND MY CONTINUOUS HELP.

AS I SAID YESTERDAY, YOU SHOULD WEAR THE RED SCAPULAR OF PASSION, PUBLISH IT AND MAKE IT KNOWN TO THE WHOLE WORLD, BECAUSE THIS ESCAPULAR GIVEN IN ADVANCE TO MY DAUGHTER APOLLINE BY MY SON JESUS, WILL HURRY VERY MUCH THE TRIUMPH OF THE DIVINE HEART AND FROM MY IMMACULATE HEART. SOULS WHO WEAR THIS SCAPULAR WILL FEEL IN THEMSELVES THE NEED TO LOVE AND REPAIR OUR UNITED AND PAINFUL HEARTS.
SOULS WILL FEEL THE NEED TO WORK SO THAT JESUS IS NOT CRUCIFIED AGAIN FOR SO MANY SINS THAT MEN COMMIT.

AND IN DOING SO, WORKING FOR THE CONVERSION OF SINNERS SO THAT MY CHILDREN DO NOT CRUCIFIED MY JESUS AGAIN, THEY WILL ALSO REMOVE FROM MY HEART THE SWORDS OF PAIN WITH WHICH SO MANY OF MY CHILDREN PASS ME WITH THEIR SINS.

THEREFORE, TO GIVE MY SCApulario, to give the scapular of the passion of my son, who is also mine, to the souls of sinners, so that they may be converted, is to take the swords from my heart, is to unplug Jesus from the cross, is to give to our painful hearts: new GARDENS OF GRACE, PERFECTION AND HOLINESS IN SOULS, WHERE WE FINALLY: WE WILL REST, REST AND FIND OUR DELICIES.

MY CHILDREN THIS IS NOW THE MISSION THAT I ENTRUST YOU AND THAT I ENTRUSTED FIRST TO MY SON MARCOS UNTIL THE END OF HIS LIFE:

TO MAKE THE SCARPULAR OF PASSION KNOWN, LOVED AND WEAR WITH LOVE BY ALL MY CHILDREN, SO THAT THE TRIUMPH OF OUR PASSED AND PAINFUL HEARTS MAY BE REALIZED MORE QUICKLY AND THE WORLD FINALLY KNOW THE NEW AGE: OF PEACE, GRACE AND HOLINESS OUR PAINFUL HEARTS WILL BRING TO YOU SOON.

May you today come out of the darkness of sin and death into the light of life and salvation. Make your Easter, abandon the life of sin forever and enter the new life of grace and holiness, the true life in God: who is Love and who comes to you in Love, as Love and for Love.

I bless all of you at this moment generously with the merits of My Maternal

Pains and Tears."

(Big Pause)
MARCOS: "-In this blessing, then, have the Lady already given the grace of the Plenary Indulgence to all those who honor the Lady by consecrating Saturday afternoon every Saturday of the year? (Pause) Yes... Yes... Thank you so much Ma'am! "

(Long pause)

Seer Marcos Tadeu extends his arms and closes his eyes and stays in this position for a few minutes.

(Big Pause)

MARCOS: "-Your Flame of Love gives me new strength to fight over and over again! (Big Pause)

MARCOS: "-Yes, I understand, I already know what I have to do. (Big Pause)

MARCOS: "-Thank you, beautiful lady. See you tomorrow, see you soon!..."

EASTER SUNDAY - RESURRECTION OF OUR LORD JESUS CHRIST
MESSAGE FROM OUR LADY AND SANTA ROSA GATTORNO

(Video of this Apparition: http://gloria.tv/?media=277543)

(Excerpt from this Cenacle: http://www.youtube.com/watch?v=qKeBFsUizx0&feature=relmfu)

MARCOS: "-Yes... Yes ... (Pause) Yes (Pause) He is truly risen, Alleluia!" (Pause)

MESSAGE FROM OUR LADY

"-My beloved children, today, SUNDAY OF THE RESURRECTION OF MY DIVINE SON JESUS CHRIST, I come to invite you once again to be resurrected with Christ to a new life in God.

My Divine Son, who had been lying dead in the tomb since the afternoon of GOOD FRIDAY, today, by His divine power, has once again united His Most Holy Soul to His Body, leaving the Sepulcher more effulgent than a thousand suns, brighter than all constellations of the universe, mighty, immortal, invincible and terrible to demons and all His enemies.

He is the conqueror of death and sin, only in him and by him can you be saved and outside of him there is no one who can be saved, there is no one who can find the true divine life, there is no one who can find peace and grace of the

LORD.

Therefore, I invite you to resurrect with My Divine Son JESUS CHRIST, to a new life in GOD, of grace and holiness, so that the Resurrection of My Son truly transforms you into His living reflections, into His apostles who spread to the the whole world the light of His grace, the truth of His Resurrection.
Resurrect with Christ to a new life in GOD, leaving once and for all the life of sin, the life that you My children until the present moment had without GOD, without Him, outside His Commandments, living according to your own dictate, according to your own judgment. Renounce this life My children, which is darkness, which is death and which is not life. To truly live a new life in GOD, fulfilling all that His Word tells you, fulfilling all that I have taught you, so that in this way, you too can one day reach GOD in Heaven, live happily with HIM in His Glory forever and at the end of the world may your bodies rise in glory to go and share in the eternal prize that the Lord prepares for all who love Him,

Rise with Christ to a new life in God, leaving the works of sin and death behind and taking up the works of life, conversion, prayer, holiness, spiritual improvement. So that your life may become more and more similar to the life of My Son JESUS and My own life, imitating My own virtues and reproducing in you Our Love, Our Charity and Our Own Presence in a way that May all souls who still do not know our love meet us, know us and love us through your example, through the sign of your holiness.

Rise with Christ to a new life in God, leaving all your sins in the tomb of conversion, of perfect contrition. Repenting of them with all your heart, truly starting a new life, starting a new life, which is completely turned: towards the fulfillment of the will of the Lord and His Divine good pleasure. And so, your souls grow every day like the freshest flowers of holiness that I myself lovingly cultivate in My Immaculate Heart.

In the joy of the Risen One you must walk, in the joy of the Risen Jesus you must live in trust in the Risen Jesus, you must continue to fight in this world shrouded in darkness and sin and seek with your word, with your example, to spread fearlessly the Word of the Lord, My Messages, My Holy Hours of Prayer, My Apparitions and My Seers so that all My children: know Me, love Me and serve Me. For when I am perfectly loved, known and served, CHRIST will also be perfectly loved, known and served.

To you My children, who come to this holy place of My Apparitions to pray always and to those who with their hearts remain here with Me. I know you all by name, I know the immense sacrifices and fatigues you have made and had to get here at My feet. So to My children from the United States and Canada, from Bahia, Minas Gerais, from all the States of My Brazil, from Uruguay who are here and all My children who with their love, with their lamp, the lamp of faith , prayer, fidelity and love for Me are always spiritually Here, watching over and consoling My Heart with their prayers and with their love. I cover all these My children today with My Mantle, I look with My eyes full of love, I extend My Hands over all of you to bless you. Nobody feels forgotten,

In My IMMACULATE HEART your names are engraved forever and hence they will never be erased unless you, yourselves, want it with your sin, with your rebellion against GOD and against Me and with your obstinacy in sin. Otherwise your names will always be Here, in this MATERNAL HEART, which beats, which pulsates with Love for you over and over again throughout the day. And even when you are sleeping your Heavenly Mother is watching over you and her IMMACULATE HEART beats without ceasing for you, out of Love for you. And every beat of THAT MOTHER'S HEART is a supplication that she gives to the HOLY TRINITY, which She makes to the HOLY TRINITY for each of her Children.

I, your Joyful Mother of the Resurrection, wish that you truly make Easter, the passage from darkness to light, from the death of sin to the life of grace. May you truly My children begin a new life in the Love of God, because the new Resurrection of My Son JESUS is approaching, which will be the resurrection of His Mystical Body which is now dying and the renewal and resurrection that to all humanity, which now it finishes dying and dying dominated by Satan, by sin, by apostasy and by so many evils that in these evil times of sin have spread and devastated the whole Earth.

Your Resurrection is near, your liberation is near and just as I, in the Resurrection of My Son two thousand years ago, just as I watched in prayer, in continuous meditation on His Passion, in the expectation of His Resurrection, so also now your Heavenly Mother in prayer, with Her Appearances and Her Messages, with Her continual vigilance over Her children, gathering them under Her Mantle, as I once came in search of the misguided Apostles to gather them back under My Cloak after they abandoned their Master. So also your heavenly mother now gathers you all under her Mantle, to keep you with her and prepare you well for the resurrection of the whole world and yours which is at hand.

I bless everyone at this moment with Love, pouring out on you the abundant graces of My Risen Son."

MESSAGE FROM SANTA ROSA GATTORNO

"-Mark, I am ROSA GATTORNO, servant of the LORD, of the VIRGIN MARY and I am very happy to come here the first time to give you My first Message.

LOVE IS NOT LOVED!

And that is why His Heart is pierced every day by the contempt, ingratitude, blasphemies and betrayals of all men. And you are called to: love LOVE, to respond to the call of Eternal LOVE and to give your life to LOVE, for LOVE.

LOVE IS JESUS!
LOVE IS NOT LOVED!

LOVE in these times of yours, in these evil times of apostasy, LOVE suffers like never before. LOVE is abandoned. LOVE is betrayed as it once was by

Judas, even today by many of his disciples. How many Pastors, Priests, Bishops, how many Christians, how many Catholics have become Judas priests, Judas consecrated souls, Judas Catholics, who with their lack of love, with the betrayal of the Lord's commandments, with the distortion of His Word, with the denial of His Word and Truth, betray Jesus again in order to please the Pharisees of your times, the men of your time and this completely atheistic world, given over to the sin of your times.

To please today's society and not be persecuted and criticized by it, how many of the disciples of the Love of Jesus still today meanly betray Him and how many still today deliver the truth, deliver the holy things, deliver the honor and glory of the Lord to His enemies to be trampled and trodden down by them.

LOVE is still not loved today! And that is why, as it was once denied by PETER, it is also denied today by so many of His apostles, his disciples. How many deny him with their bad way of life, how many deny him with his words, how many deny him with their way of thinking, obstinate in their own opinion and dictates wanting to govern themselves and rule in themselves despising the Word of Love and the Commandments of Love, living as if they didn't need Him or as if He didn't exist.

How many are those who also walked the road of LOVE and denied Him, exchanged Him, despised Him vile, with all vileness, preferring the loves of this world, the love of creatures, honors, glories and public esteem than friendship of the TRUE LOVE that is JESUS.

LOVE is not loved, because not even among its friends, LOVE often finds pure love, a love capable of giving of itself, of sacrificing itself, of being generous, of renouncing itself and of itself. to forget completely to think only of Him, to love Him, to serve Him and to adore Him with all the truth of your heart.
The good, the good friends of the Lord have not always been like the VIRGIN MARY was, that Mother and Friend of LOVE who was always faithful, who never stopped loving Him for a single moment and whose LOVE never, never took the sights of His His gaze to focus His gaze on oneself or on creatures.

LOVE IS NOT LOVED...! LOVE SEEKS LOVE! LOVE HAS THIRSTY OF LOVE.
AND THAT IS WHY YOU ARE CALLED TO LOVE LOVE WITH LOVE, TO LOVE JESUS WITH TRUE AND PURE LOVE!
THEREFORE, ALWAYS RENOW YOURSELF, FLEE FROM THE OCCASIONS OF SIN, SEEK THE OPPOSITE OF WHAT YOUR CORRUPTLY WILL ASKS AND SEEKS. DEDICATE YOURSELF ALWAYS MORE: TO PRAYER, TO MEDITATION. FOR, WHO PRAYS A LOT IS SAVED, WHO DOES NOT PRAY IS CONDEMNED.
PRAY A LOT! FOR WITHOUT PRAYER LOVE WILL DIE IN YOU IN A SHORT TIME AND YOUR STATE WILL BE MUCH WORSE THAN THAT FIRST YOU HAD BEFORE YOUR CONVERSION.

TAKE CARE OF THE FIRST FALL, FOR AFTER THE FIRST FALL YOUR STATE WILL BE MUCH WORSE THAN THAT WHICH YOU HAD BEFORE

YOU WERE CALLED AND CHOSEN BY LOVE. BY CLOSING THE DOOR TO THE FIRST TEMPTATION, YOU WILL BECOME STRONGER AGAINST OTHERS. BY BEING INDOLENT AND WELCOME TO THE FIRST SUGGESTION, THE FIRST TEMPTATION OF THE DEMON, YOU WILL PUT YOURSELVES IN HIS HANDS SO THAT HE WILL THROW YOU INTO DEEPER AND MORE DARKER CHAPS: OF SINS, OF OFFENSES AND OF CRUELTY AGAINST THE SACRED HEART OF LOVE , AGAINST THE HEART OF JESUS.
I, ROSA GATTORNO, TOGETHER WITH THE BLESSED VIRGIN, HAVE COME HERE TO OFFER YOU MY INTERCESSION, MY PROTECTION AND MY HELP TO HELP YOU LOVE LOVE.

Be vigilant sentinels, who always close the doors of your city tightly so that no enemy can penetrate it, that is, be those vigilant souls who constantly watch over their own defects, who always take care to remove the trunk of their own eye before wanting to remove the splinter from the eye of the next. Those vigilant souls that at the slightest sign of fire start to scream: Fire! Fire in the city! That at the slightest sign of temptation, of demonic suggestion, as soon as they realize the entrance of temptation, they already take up arms; of prayer, of mortification, of penance, of reading, of escaping from occasions of sin. In order to combat temptation, the fire of the devil, with the fire of the Holy Spirit, the fire of prayer, the fire of penance.

I, ROSA GATTORNO, am always with you and I will never leave you! I cover you with My Mantle to guide you along the path that leads to life.
Continue with the HOUR OF THE SAINTS , I am never as close to you as during the HOUR OF THE SAINTS. At that moment, I and all the Saints of Paradise descended to hear, to welcome your prayer and each prayer, each supplication that comes from your mouth, We received it like a globe of light, like a globe of so much light that We took to the and we present, united to Our prayers, to the Throne of the HOLY TRINITY, to obtain for you: mercy, peace, conversion and the graces of sanctification.
I bless you all at this moment, I bless this Sacred Place, which is Our Paradise on Earth, which is the abode of the Saints. And I especially bless you Marcos, the most industrious of My brothers, the dearest friend of the Saints of God."
(Big Pause) MARCOS: "-Yes... Yes... Thank you very much! Peace... See you soon!"

CENÁCLE OF THE FESTIVAL OF THE DIVINE MERCY
MESSAGE FROM THE SACRED HEART OF OUR LORD JESUS CHRIST AND SANTA FAUSTINA KOWALSKA
(Video of this Apparition: http://pt.gloria.tv/?media=279808)

MESSAGE FROM THE SACRED HEART OF OUR LORD JESUS CHRIST

“-My beloved children, today, at the Feast of MY DIVINE MERCY, MY SACRED HEART comes to bless you and give you Peace!
THE OCEAN OF MY MERCY is so big that a soul, even if it had a thousand lives, could know the entire extent of the OCEAN OF THIS MERCY. I could not even understand, much less receive within myself the full extent of My MERCY, which exceeds the Heavens and the Earth and puts in ecstasy all the billions of Angels and all the millions of Saints that I have in Paradise.

Yea! No soul will ever be able to comprehend neither the depth, nor the extent, nor the breadth of the OCEAN OF MY MERCY. And this OCEAN OF MY MERCY, I want to pour out on all of you, making your souls, enfeebled by sin, darkened by your sins, regain that beauty, that beauty and that grace of when I created you, of when you became children of the Lord. So that your soul may shine in the light of My love and give this world, darkened by the darkness of sin and evil, also the luminous sign: of My Love, of My presence in your midst and of My Mercy.

THE OCEAN OF MY MERCY is so great, that a soul in an existence could never contain this ocean in itself, with rippling waves this MERCY gushes to you and descends to you. Bathe in this Sea My children, of My Mercy! Allow yourselves to be truly absorbed in the waters of MY MERCY and you too, absorb these waters in you as much as possible, accepting with an open, loving and generous heart: My Holy Will, renouncing your personal will and truly allowing grace to divine triumph in you, act in you, transform your life according to My will until you become what I desire of you.

THE OCEAN OF MY MERCY is such a sea that your minds, even if they were similar to that of the highest Seraphim, could never appreciate its grandeur, its extension, its sweetness, nor its beauty.

Blessed are the souls who, like My little daughter FAUSTINA KOWALSKA and who, like so many My Saints, open their hearts for My SACRED HEART to pour out on them the OCEAN OF HIS MERCY.

Yea! The soul that asks Me, the soul that begs Me to pour out on it THE OCEAN OF MY MERCY, I will pour out, even if it is a sinner! But if you have in your heart the true desire to get out of your sins, the true desire to be holy, to please Me and to love Me... To that soul I will not deny the Sea of My Mercy, but rather like a Sea that rises and invades the Earth, I will invade it with the waters of MY MERCY, flooding it and submerging it in the copious Sea of MY MERCY.

My children, you who follow Me, who follow My Mother's Messages Here in these Holy APPARITIONS OF JACAREÍ, you are the target of MY MERCY, you are the beloved of My Mercy, you are the dearest of My Mercy. And I never tire of favoring you, I never tire of blessing you and granting you the graces of THE OCEAN OF MY MERCY.

Do not waste so many graces from this Ocean, which I make daily for you! Take advantage of these graces, renouncing evil and yourselves, opening

yourselves ever more to the fulfillment of My Will, so that your tongue sings the praises of MY MERCY, intones the greatness of MY MERCY and your soul itself becomes the reflection of MY MERCY, of My mercy, of My Love for this world without love, without justice for the good and innocent and without charity.

I, your GOD, love you! I gave My life for you on the Cross, I shed all My Blood to the last drop for you, to show you how great is MY MERCY and the desire I have to save you.

I persecute sinners with My Love, I persecute you every day with My Mercy. But if you harden yourselves and persist in your evil and corrupt will, I will begin to tire Me, I will be angry with you and in the end I will abandon you, giving you what you want, allowing for you what you want and which will kill your soul.
This is why I ask you My children, I appeal to you:

CONVERT! ESCAPE FROM EVIL! FLEE FROM SIN! FLEE FROM EVERYTHING THAT HURTS MY HEART AND CLOSE THE DOORS OF MY UNEXHAUSTED MERCY FOR YOU.
HERE I GAVE YOU THE BRIDGE OF MERCY, WHO IS MY MOTHER, WHO IS MY FATHER SAINT JOSEPH.

THE TWO ARE THIS BRIDGE OF PITY, THAT WILL LEAD YOU TO ME, THAT WILL MAKE YOU CROSS THE CAUDALOSO RIVER, THE STORMY RIVER OF THIS WORLD, OF THIS LIFE, WITH ITS SINS, ILLUSIONS, TEMPTATIONS AND SCAMS. AND HE WILL LEAD YOU SAFELY TO ME, WHERE I WILL CUMULATE YOU WITH THE ENDLESS GRACES OF MY MERCY.

YOU WHO ARE IN THIS SCHOOL OF HOLINESS OF MY BLESSED MOTHER, WHO ARE OUR APPARITIONS HERE, YOU ARE THE STUDENTS OF MY MERCY. BE THESE GOOD STUDENTS GROWING MORE EVERY DAY IN HOLINESS, GROWING EACH DAY MORE IN TRUE LOVE, GROWING MORE EVERY DAY IN FULFILLING THE PLAN OF OUR ETERNAL FATHER WHO WANTS YOU ALL TO BE HOLY AND IMMACULATE IN HIS PRESENCE.

MY HEART WILL TRIUMPH IN THIS PLACE, MY MERCY RESTS IN THIS PLACE! HERE IS THE THRONE OF MY MERCY, BECAUSE HERE THE MESSAGES THAT I GAVE TO MY DAUGHTER SANTA FAUSTINA ARE: BELIEVED, DISCLOSED, FOLLOWED AND OBEYED WITH LOVE FOR MY SON MARCOS AND FOR SO MANY OF MY CHILDREN WHO TRULY GLORIFY MY MERCY WITH THE WORD AND WITH LIFE.

I bless all of you at this moment generously, with the inexhaustible graces of MY MERCY HEART.”

MESSAGE FROM SANTA FAUSTINA KOWALSKA

“-My beloved brothers! I, FAUSTINA, Servant of the LORD and BLESSED MARY, am glad to be here with you again today!

Be the Apostles of Divine Mercy, living every day to make the MERCY OF GOD better known, more loved, more glorified. Dedicate your life to glorifying more this attribute of the Lord, which is so great, so beautiful, but for so many, especially for the most sinners, is so unknown.

By word, example and life, make the MERCY OF GOD known and loved. And so give to the whole world the MERCY OF THE LORD, which will heal all the spiritual and even temporal wounds of this humanity that suffers and that groans under the yoke that it has put on itself, the yoke of sin, the yoke of rebellion against God and His Law of Love, which opened painful and profound wounds: in souls, in families, in society and in Nations.

Only when the DIVINE MERCY is truly and deeply, widely and abundantly known to all souls, will these wounds be closed and healed and the world will finally be able to have constant peace and complete happiness.

Be the Apostles of the Divine Mercy of the Lord, making known to all the souls that you can: THE MESSAGES THAT THE LORD and His Mother gave Me, the THOUGHT OF MERCY, THE IMAGE OF THE MERCY JESUS, the Feast of MERCY and all the others forms of DEVOTION TO THE MERCY OF GOD, which the Lord asked of Me.

A powerful way to do this is to widely publicize the VIDEO that Marcos made of the DIVINE MERCY IN MY SOUL and also the MEDITTED MERCY THROUGHTS, through which souls know the wonders of Jesus' love and like flowers in the Spring Sun they open to the radiant light of the MERCY HEART OF JESUS. By doing this you give Jesus the greatest glory, you give Jesus the greatest consolation, because you bring sinners closer to HIS DIVINE HEART, and thus the DIVINE MERCY can be poured out more and more on those who need it most.

If you follow this path, bringing the DIVINE MERCY to the knowledge of all, you yourselves will one day be crowned by this DIVINE MERCY in Heaven and you will receive the prize that the Lord prepares for all the true apostles and disciples of His MERCY.

When you divulge the DIVINE MERCY OF THE LORD in the way I explained, I am very close to you, I am very close to you and you give Me, FAUSTINA, great joy and great consolation for finally seeing all the things that Our Lord had asked of Me and that I, hindered and hindered by men, could not divulge, could not make known and loved by souls. In this way, you make My heart rejoice in God and I, for My part, begin to implore and intercede for you before the Merciful Lord to obtain for you the effective graces of the OCEAN OF HIS MERCY and to obtain for you help for the your sanctification of His Adorable Heart. And Jesus, who loves Me very much, always willingly grants Me all the inexhaustible Graces of HIS MERCY that I ask of Him for you.

MY BELOVED BROTHERS, TIME IS SHORT, THE TIME OF CONVERSION AND MERCY IS ENDING AND SOON OUR LORD WILL BRING THE GREAT DAY OF JUSTICE.

HURRY YOUR CONVERSION, BECAUSE THESE APPARITIONS OF JACAREÍ ARE THE LAST WORK OF GOD'S MERCY ON EARTH AND THOSE WHO DESPISE IT WILL DESPISE THE LAST SALVATION TABLE THAT THE LORD THROWS TO HUMANITY, SO THAT IT MAY CLAIM TO IT AND ESCAPE THE GENERAL WRECKAGE IN APOSTASY , IN SIN AND IN THE DOMINION OF SATAN.

GRAB TO THIS SALVATION TABLE MY BROTHERS! Cling to these apparitions and messages so that the flame of faith will never go out in you, but rather it will grow and become a great fire of mystical love. HOLD ON TO THAT SALVATION TABLE THAT THE MOTHER OF GOD WITH SO MUCH LOVE HAS THROWN FOR YOU, TO SAVE YOU FROM THIS TROOFYING AND STORMY SEA OF THE BAD TIMES IN WHICH YOU LIVE.

I, FAUSTINA, am very happy and pray for all the good students of the DIVINE MERCY, who have become pilgrims to this SANCTUARY OF THE APPARITIONS and who here learn, know and love everything about the MERCY OF THE LORD. Upon all of you, who are the apostles of Divine Mercy in these last times and who continue the Work that the Lord began with Me, I now pour out the most abundant blessings, above all, upon you Marcos, My dearest brother, friend, defender and propagator of THE DIVINE MERCY OF THE LORD, THE APOSTLE OF THE LAST TIMES OF THE DIVINE MERCY, who is dearest to My heart and the HEART OF MERCY JESUS."

MESSAGE FROM HOLY MARY

Video of this Apparition: http://gloria.tv/?media=281997

"- My beloved children! I invite you today to lift up with Me to the Lord the Hymn of praise and gratitude, for continuing to allow Me to be with you Here, for so long and daily, to lead you on the path of prayer, penance and holiness.
I love you so much! I called you all Here by name. I have written your names in My Immaculate Heart, and from My Heart they will never be erased unless you yourselves erase them from it with your NO to My love, with your sin and your refusal to follow the path that I have pointed out to you. .

I love you so much! I want to make My FLAME OF LOVE radiate through you to the whole world. But as long as your hearts are full of attachments to the world and to creatures, to yourselves and to your corrupted will, my FLAME OF LOVE will not be able to burn in you nor will it be able to radiate through you to other hearts. For My FLAME OF LOVE to truly communicate through you, you

must purify your heart, cleanse it so that it can be like the Upper Room was in the days before the descent of the Holy Spirit.

Truly, may your heart be the Upper Room, the place of sweet intimacy, union and prayer of your souls with Me so that finally MY FLAME OF LOVE, the HOLY SPIRIT, may descend upon you as in a small Pentecost, and so, his flame, my FLAME OF LOVE, may radiate through your heart to all other hearts.

I promise, that whoever gives his heart to Me, who purifies his heart and offers it to Me as an OFFERING OF LOVE, to that one, I WILL GIVE MY FLAME OF LOVE in profusion and abundance! I will turn your heart into a real brazier of love! In an incandescent furnace of love and wherever this soul goes, wherever it talks about me or my Messages, my FLAME OF LOVE will be transmitted through it, igniting hearts and making the grace of conversion and renewal of the spirit happen. of all those who meet her.

The true devotee of my FLAME OF LOVE will never perish! He will never suffer spiritual aridity, nor the misery of the soul. Because my FLAME OF LOVE dwelling inside him, will always keep him like a living flame that the more it consumes, the more it burns. It produces light and heat to illuminate this world in darkness and so many souls today are already transformed into great blocks of ice due to the great apostasy that took hold of their souls.

This does not mean that the soul that is truly devoted to my FLAME OF LOVE, does not go through suffering, anguish and prostrations in this life. But the flame of true love for me, and for the Lord in it, will never go out because I take care of the soul that loves my flame of love, with special care. And in this maternal concern of mine, I provide for her all the graces, all the necessary aids so that she can get up if she has fallen. So that she may be rejoicing if she has cooled down a little in sensitive love and, above all, I greatly increase the gifts of grace and love in her so that she can move forward imperturbably, courageously, carrying ever further the flame of My love.

Pray the Rosary of My FLAME OF LOVE so that this flame of mine descends more and more powerfully upon you and through you spreads to the whole world, until transforming it into the furnace of love that I want so that then, the HOLY SPIRIT, MY FLAME OF LOVE, reigns and triumph over all the hearts of My children, preparing all humanity for the return of My Son Jesus, the King of Love, who is already at the door!

Here, in this place of My APPARITIONS IN JACAREÍ, where my FLAME OF LOVE is loved, where She found in the heart of my little son Marcos, first of all, total welcome. And where it was never obstructed, it was never suffocated nor was it ever erased in any way, and then, in the hearts of My children who with it answered YES to Me and gave all their lives to Me, consecrating themselves to Me in My Religious Order. And thirdly, IN My PILGRIM CHILDREN who answered YES to me, who seek, according to their possibilities, to obey everything I have asked of you here, Here, in all these souls, MY FLAME OF LOVE HAS FOUND its atrium, found its altar, found its refuge, truly found its welcome.

And that's why here, this FLAME OF LOVE of mine always burns more and always produces more and more fruits of holiness.
I want this flame of mine to break out even more powerfully. So I ask you: A GREATER ENLARGEMENT OF YOUR HEARTS, A GREATER DILATATION OF YOUR SOULS AND AN EVEN MORE INTENSE AND GENEROUS YES TO MY CALL. In this way, MY FLAME OF LOVE will truly triumph in all My children as in the heart of my little son Marcos has already triumphed.

The works that Here were produced by My son Marcos. All the prayers, all the videos of My Apparitions and the Saints that he made, all this is the result of the power of my FLAME OF LOVE that burns in him, that dwells in him.
It was she who moved him, it was she who impelled him to serve me so much, to glorify me so much, to make me so known and loved and to produce so many holy works in My praise.

This same FLAME OF LOVE will produce in you effects of holiness, salvation and good works if you also allow it to triumph in you and work in you the will of the Lord without resistance.
I welcomed My FLAME OF LOVE with docility, with faith, generosity and love without putting up any resistance as my little daughter Bernadete de Lourdes did. As My little shepherds of Fatima did, as my little son Marcos did. So that My Heart may triumph in you without the threat of any rival, without delay and without opposition. And then, the glory of the Lord, who sent me Here to Jacareí, WILL SHINE IN THE EYES OF ALL, raising high THE FLAG OF THE TRUTH OF LOVE AND VICTORY.
To all of you, My children, I now generously bless you with the love of KERIZINEN..., of LOURDES..., and of JACAREÍ.
Go in the Peace of the Lord."

MARCOS: (Long pause) "-Who art in heaven, hallowed be thy name, thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread, forgive us our trespasses as we forgive those who trespass against us and lead us not into temptation but deliver us from evil. Amen.

MESSAGE FROM OUR LADY

"-My beloved children! Today, I invite you again to renew prayer in your hearts, in your souls, in your families.

PRAY MORE AND MORE! PRAY ALWAYS! PRAY AND PRAY AND PRAY!

Because only in prayer there is your victory and you will be able to achieve victory in all situations of your life.

PRAY! PRAY! PRAY!

Always seeking to put your heart in PRAYER, that is:

PRAY WITH YOUR HEART. PRAY WITH GREAT DESIRE AND WILLING EVEN IF YOUR HEARTS, YOUR MINDS, YOUR SOULS ARE DISTURBED BY CONCERNS, AFFLICTIONS, DIFFICULTIES OR SUFFERINGS.

If the desire to pray is true and sincere, during prayer the Lord will visit you, the Lord will come to your help and He will give you Peace! Renounce all disturbance during prayer, because disturbance comes only from Satan, only Peace comes from Heaven!
Therefore My children:

PRAY!

Prayer will bring you back to Peace again.
Prayer will make you return to confidence and hope and in this way, your heart will rest in God.

PRAY! PRAY! PRAY!

For your life to be truly a hymn of vibrant prayer to the Lord, renounce the temptation to think that prayer is worthless, or that if you dedicate yourself to prayer, you are not doing anything useful, concrete or significant for the good of humanity. Oh no!

PRAYER IS THE GREATEST WORK OF ALL WORKS.
PRAYER IS THE MOST PRECIOUS JEWEL THAT THE LORD WANTS TO RECEIVE FROM YOU AS A GIFT.

And that is why I have called you here to such an intense life of prayer, so that by truly praying with all your heart, with all the intensity of your soul and with all your love, you could help Me in what today is most necessary for all humanity: PRAYER.

PRAY FOR YOURSELF! PRAY FOR YOUR FAMILY WHO DO NOT PRAY! PRAY FOR ALL MEN WHO DO NOT PRAY! PRAY FOR ALL THE SOULS WHO DO NOT WANT TO PRAY, WHO DO NOT LIKE TO PRAY! BECAUSE THEY ARE EASY TOOLS IN THE HANDS OF SATAN. SATAN EASILY TAKES OVER ALL WHO DO NOT PRAY. EASILY USE EVERYONE WHO DOES NOT LIKE TO PRAY.

Therefore, I ask you for so much prayer to neutralize the action of Satan in these souls until he is paralyzed and can no longer do anything, can no longer destroy anything in this world.

PRAY! PRAY AND PRAY!

Because if you don't pray a lot, Satan will also end up using you for his plans

and then all the work of God can be destroyed in your lives.

NEVER DOWNLOAD PRAYER! NEVER DECREASE PRAYER! PRAY EVERYWHERE AND ALWAYS.

May prayer be the most important thing in your lives, may it be first in your lives. Before rest, before work, before leisure, before anything else is prayer. Less hobbies and entertainment, more prayer, more meditation, more Rosaries, because that's what the world needs.

PRAY! PRAY! PRAY!

So that your life may be more and more in accordance with the will of the Most High, so that the Lord's plan may be more and more fulfilled in your life and not find in you: slowness, hesitation, delay or any obstacle in its fulfillment. And so truly the TRIUMPH OF MY IMMACULATE HEART in your lives be hastened and come to pass as soon as possible for the greater glory of God and the exaltation of the holy Catholic faith.
To everyone at this moment, I bless you generously and especially to you Marcos, the most hardworking and dedicated of My children... of FÁTIMA, of MONTCHIARI, of LA SALETTE and of JACAREÍ.

CENÁCLE OF THE 95TH ANNIVERSARY OF THE APPARITIONS OF FÁTIMA, COVA DA IRIA, PORTUGAL, TO THE SHEPHERDS LUCIA, FRANCISCO AND JACINTA.
MESSAGE FROM OUR LADY AND HOLY MENA

MESSAGE FROM OUR LADY

"-My dear children, today, when you celebrate the 95th anniversary of my apparitions in the poor grave of Iria de Fatima, in Portugal, in the year 1917, to my three little children LÚCIA, FRANCISCO And JACINTA, I come once more to call you: to PRAYER, to CONVERSION, to PENANCE and to PEACE.

Listen to the call I gave you in the Cova da Iria, open your hearts to My maternal call and follow the road that I then I have pointed out to you: the return to God, the escape from the occasions of falling into sin, the seductions of the world, to follow the path of good, love, joy and grace.

Listen to My maternal appeal that I gave you in the Cova da Iria, walking every day on the path of contempt for the world and for yourself, so that you love God with a truly pure heart and free from all slavery to vain and fleeting things. So that your hearts, then full of light, joy, peace, happiness, can give the whole world a true witness to how much a heart that truly loves the Lord, despite suffering in this life, enjoys perfect peace, that is, , from that peace that comes from the certainty of the love of your God, from the certainty of loving your God with all your heart, the peace that surpasses all human understanding.

I listened to the maternal appeal I made to you in Cova da Iria, following the path of penance, trying every day to repair the evil that you have already

committed in the past throughout your life, doing good, trying to spy out your sins, accepting with peace and meekness of spirit the sufferings which the Lord allows you to purify you.
And at the same time, seeking to sanctify you more and more each day by the heroic practice of sacrifices and efforts, to help in the salvation of the world and of your brothers.
I heard the maternal appeal that I made to you in the Cova da Iria on that occasion, consecrating you to My Immaculate Heart and living as truly consecrated by Him, that is, living in My spirit, imitating My virtues, loving God as I loved, loving neighbor as I myself have given you the example and following in My footsteps of holiness and perfection, so that you may in fact be the race of the Woman Clothed in the Sun, My offspring, the children in whom I delight and in whom I find My rest and My delights.

If you live the true Consecration to My Immaculate One as I asked you in Fatima, obeying My Messages and living ever more with Me and through Me, then soon the world will be converted, a new time of Peace will come for you, where your eyes will see the great wonders that the Lord prepares for those who persevere steadfastly in these end times in His love. For those who do not betray His love for the sake of the world's love, for such the Lord reserves a crown of imperishable glory, reserves such wonderful things that the very Saints in Heaven would wish to give a thousand lives to be able to see even in mortal life that which the Lord prepares for you soon.

In the Triumph of My Immaculate Heart, you will know happiness, you will know peace, you will know joy, you will know a new life completely different from the one you now have.

Your life will be a transcendental life, it will be a heavenly life, you will live immersed in a profound union with God and in this union you will live each day of your existence being one with the Lord in Love. Such a life awaits you soon, but in order for you to arrive at it now, you must fight the good fight, persevere steadfastly in prayer and in all that I have asked of you, and, above all, you must be courageous to suffer the tribulations of these final times that the Lord still allows you.
Do not be afraid! I am with you! You are not alone!
Not a tear, a groan of your hearts escapes My maternal vigilance, I am aware of everything and for everything in due time I will have a remedy and solution to give you My children.
Trust in My Love! It has never been heard that a mother has seen her child in pain and she has remained inert, doing nothing for him. Your Mother in Heaven, who is much more Holy than the mothers of Earth, will also never be able to fail to comfort you, to console you, to love you and to bring you the good news of Victory at the moment set by the Lord.

In front of! Continue to pray for the conversion of the world, Russia and the Nations that are in great danger today with the advance of apostasy, violence, hatred, atheism and rebellion against the Law of the Lord. Because only a great force of prayer, only a great barrier of ardent prayer can stop the advance of the forces of Satan, of My adversary.

In the ROSARY that you pray each day you place in My Hands a great mystical spiritual force, with which I save many souls, I unite the strength of your prayer to Mine and this Prayer returns to Earth as a true deluge of fire, the deluge of My FLAME OF LOVE with which I touch and open so many hearts of My sinful children every day.

Go ahead! Never think that your prayer is barren and that it bears no fruit. I do not always make your Prayer return close to you, within the reach of your eyes, but I always make it come down to Earth, like an abundant flood of love that transforms and saves so many millions of souls.
Therefore, little children, move forward confidently following My voice and fulfilling all that I ask of you.
Here in this place of My Apparitions in Jacareí, which is My last Cova da Iria, the continuation and conclusion of the Plans I started in FÁTIMA, I feel in this very simple Place, I feel happier than if I were in the richest and greatest palace on the face of the earth. Because here I am truly loved, I am truly served, I am truly obeyed by so many My children who in the silence and hiding of their day-to-day: They love Me, they serve Me and they fulfill everything I have told them. To these My children and especially to you Marcos, the most dedicated and hardworking of My children, My little children at this moment I bless you generously, from LOURDES... from FÁTIMA... and from JACAREÍ.

MARCOS: “-Beautiful princess of Heaven who are you?”” (Pause)

MESSAGE FROM SANTA MENA

“-My beloved brothers, I, MENA, servant of the Lord, servant of the Most Holy Mary, come today to give you My first Message, to give you Peace and to cover you with My mantle of Love!
Give your hearts to the Holy Virgin, with love, generosity and perseverance every day, seeking ever more to resist your corrupt and rebellious will, denying her everything she wants and giving to the LADY OF FATIMA, to the WOMAN DRESSED WITH SUN, the LADY OF PEACE your yes, your love, your heart, your entire life so that everything serves the Plans of Salvation that She made for all humanity and you can be in the hands of the Blessed Virgin a skillful, effective tool and always ready, which She can use to carry out Her Works of Grace in the midst of Her children.
Give your heart to the Mother of God, to the Lady of Fatima, trying every day to do not only what pleases God most, but also trying to do everything that you can with your strength accomplish for the Lord, for the Mother of God, for the salvation of souls, so that your life may truly be a vibrant hymn of love to the Lord and to Her. And the souls listening to this hymn of love in your lives, that is, seeing the love of God, the presence, the grace of the Lord and the Lady in your lives and in your souls, may they also follow like you on the path of love, by the way of grace, by the way of holiness.
Give your hearts to the Mother of God, always trying to love her more with all

the strength of your heart, without fear of loving her too much, for you will never love her more than Jesus loved her. Follow the example of the Master who for thirty years was submissive and docile to her and you too obey her because in doing so you will follow the path of perfect love, grace, salvation and Christ will grow in you every day in your souls more and more until it reaches fullness.

I, MENA, will be at your side to help you. Do not be afraid! Because holiness is not as impossible a path as so many think. Holiness is difficult only for those who refuse to let go of themselves and the world. But for those who have already let go, who have taken the first fundamental, primordial step, holiness becomes light, it becomes sweet, it becomes a real life of joy every day.
I will be with you to help you grow in holiness, persevere in the love of God and of the Holy Virgin, because the Punishment is very close, the Warning is at the door and now you cannot go back any further because you are already a few steps away from the great renewal of the world, to receive the great prize that the Lord and the Mother of God have reserved for all those who have followed Him on the road of life, on the road of prayer, love and purity until now.
Stand firm, because the enemy wants to overthrow the servants of God now in the last meters, in the last stretches of the great journey. Do not allow Satan to overthrow you, therefore, resort more and more: to prayer, meditation, silence, reflection, union with God. Turn to Us the Saints and Angels who can and want to help you so much.
Try also to cultivate Christian virtues in your souls: kindness, generosity, truth, sincerity, humility, obedience to the Lord, readiness in His service so that the virtues that will make you ever more pleasing to God, to the Mother of God, and you will receive the prize, the crown of eternal life that the Lord and the Mother of God have promised you. Following the path of virtues, you will have the crown of glory guaranteed for you.
This crown is reserved for you. Come brothers! Run to meet the Lord and the Mother of God who comes to you to give peace to the whole world! Give Him your hearts and go always further in the Peace of the Lord.

I, MENA, now extend My Mantle of love over you and I cover you more and more with the blessings of the Lord."
"MARCOS: "-See you soon! See you soon dear Santa Mena!

CENÁCLE OF THE EARLY PARTY OF SANTA RITA DE CASCIA OR CASSIA
MESSAGE FROM THE BELOVED FATHER SAINT JOSEPH

"-My Beloved Children! BELOVED HEART blesses you again today and gives you Peace!

My MOST LOVING HEART is the safe Ark that the Holy Trinity gives you in

these times of the great tribulation, when you have to navigate the turbulent sea, whether of temptations, or of sufferings, or of the pains and problems that beset you, that strike you and bring you down. every day. Just as Noah's Ark was the safe refuge for him and his family, and this ark was the perfect figure of the Virgin Mary, of true devotion to her who does not allow to perish, who does not let shipwreck, whoever to this Ark, to Mary gather, so also Noah's ark is also a figure of My MOST LOVELY HEART and of TRUE DEVOTION TO ME.

Whoever enters that ark, whoever takes refuge in that ark, will not perish in the turbulent and treacherous sea of this world. It will not perish, either by the waves of temptations, by the waves of evils that at this time rage over the whole earth, nor will it perish in despair and affliction due to the great sufferings through which you now have to go through to arrive at your eternal glorification in Heaven and in Heaven. Triumph of the Immaculate Heart of Mary.

My Heart is the precious ark that the Holy Trinity has given you, so you must enter this ark fully trusting Me, letting yourself be led by Me, through My Messages and also through prayer, so that I may always take you more to a very high holiness, to the spiritual perfection that pleases the Lord and makes you grow more and more in your friendship, in your union with Him, so that at last the Lord is pleased with you and through you radiates His light to the whole world!

My Heart is the precious chest that I open and offer to all of you My children! Enter this ARK, for there you will be helped, healed, supported, protected, raised from the misery of sin and there I will have medicine for all your ills and I will pour balm on all your wounds.

Entering the ARK OF MY HEART, I will truly be able to feed you there, guard you, nourish you, teach you, form you until you reach the fullness of holiness and Christ grows more and more in you for the greater glory of the Father.

Entering the ARK OF MY HEART, you will be protected from this evil world that seeks at all times to swallow the souls of the elect, of the predestined of the Lord, to make even these lost. Therefore, whoever wants to escape the general spiritual death that has now befallen the whole world, whoever wants to escape the fires of hell and an entire eternity of indescribable torments, must enter the ARK OF MY MOST LOVELY HEART to be kept there, be protected and defended by Me.

Against the ARK OF MY HEART, the waves of the devil's temptations can do nothing.
Against the ARK OF MY HEART even the hatred, the persecution, the contempt of the world cannot make the souls kept within MY HEART discouraged.
Against the ARK OF MY HEART the flood of sin that now submerges and engulfs everything, cannot pull from the interior of My Heart, from the ARK OF MY HEART the children, the souls that I kept there.

Against the ARK OF MY HEART, the world, the devil cannot do anything.
Once a soul enters the ARK OF MY HEART and is there united with Me, it will never be lost! She will only be damned if she opens the door by herself and throws herself out of the ARK OF MY HEART, into the flood, into the sinful sea of this world. If not, I'll keep it, I'll keep it there well warmed, well nourished, well protected and sheltered from this world that has now ended being dominated by Satan and evil spirits.

Whoever cultivates TRUE DEVOTION FOR ME, TRUE LOVE FOR ME, who is docile and obeys My Messages will be able to be sure of always dwelling in the ARK OF MY HEART and there he will be kept and taken safely by Me to the port of eternal salvation.

I invite you all to enter the ARK OF MY HEART and set your abode there. Say your yes to My call and I will put you in the depths of the ARK OF MY HEART and from there you will never leave and together with me you will sing the hymn of perfect love to the Lord. You will also give the world the true witness of children of the Lord, children of Mary Immaculate, children of Mine, so that many souls may also enter the ARK OF MY HEART and be saved.

Continue with all the prayers that I have given you, because through them I will introduce you more and more into the ARK OF MY HEART and there I will keep you, protect you, support you and nourish you.
I bless you all at this moment generously."

THE SECOND PENTECOST IS NEAR, and that is why I have multiplied My extraordinary interventions and manifestations throughout the world to call you to prayer. To awaken you from the sleep of materialism, indifference, coldness and lethargy in which you My children were fallen, for ever more, to encourage you to prayer, to penance, to personal holiness so that the Holy Spirit, seeing your desire to love him, to serve him, seeing your holiness, may HURRY up

the hour of his second decision on the whole world to renew it and free it from the dominion of satan and the forces of evil.

For this reason, I have not tired of calling you over these last two centuries, more and more, through My Apparitions: to prayer, to penance, to the return to God and the incessant search for His will so that you, as a people, saint of God, that you could always prepare yourselves more for His second descent and thus receive the most powerful influx of the Holy Spirit who already comes to you with power and glory.

THE SECOND PENTECOST IS NEAR, so from all parts where I appeared, I called My children through powerful and vehement Messages, Tears even Blood and portentous signs so that all hearts could unite with Me in a great cenacle of prayer, intercession and supplication so that the Holy Spirit may once again descend upon this wicked and perverted world that has consciously given itself over to satan and the forces of evil, to sin, in open and conscious rebellion against the Lord and Your law of love. And so, My children, gathered with Me in prayer, could be a beacon of light in the midst of so much darkness, a burning furnace of love in the midst of a desert so great and so icy in which this humanity has become that has completely lost love. , charity, and kindness. And to be a true source of purity,

My children, gathered in prayer with Me in the Upper Room, following the example of the Apostles, are My offspring that daily with their prayers, sacrifices, penances and with their sufferings, hasten their daily martyrdom, the coming of the Holy Spirit to renew the whole world and transform it into the garden of My Immaculate Heart, into the garden of the Holy Trinity.

REJOICE WITH ME BECAUSE THE SECOND PENTECOST IS CLOSER THAN EVER and then you will know a new time of peace that My Immaculate Heart has planned, prepared and for which it has worked and fought tirelessly for you for so long.
Thus, you will know a new era of holiness in which God will again be served and worshiped.

Prepare yourselves for the SECOND PENTECOST My children, leaving behind everything that distances you from the love of the Holy Spirit. Everything that hinders his action in you. Everything that obscures His light of love in you, everything that truly delays your spiritual growth, so that, following firmly and decisively with Me on the path of holiness each day, I can beautify you, perfume you, prepare you more and more to give you to the Holy Spirit as a gift of My Immaculate Heart to My Divine Spouse.

REJOICE WITH ME BECAUSE I CALLED YOU SO LONG AGO AND CHOSE YOU TO BE PART OF MY LAST CENTURY, OF MY LAST GROUP OF FAITHFUL CHILDREN WHO WILL KNOW THE SECOND WORLD PENTECOST AND SEE THE NEW HEAVEN AND THE NEW EARTH RENEWED AND TRANSFORMED BY HE AFTER SO MUCH SUFFERING, PAIN SUPPLICATES AND ANXIOUS AND LOVING WAITING OF MY IMMACULATE HEART AND THE RIGHTEOUS THAT WITH ME HAVE

PREPARED WITH THEIR SUFFERINGS AND PRAYERS THE NEW ERA OF THE DIVINE HOLY SPIRIT, THE TRIUMPH OF MY IMMACULATE HEART.

Continue with all the prayers that I have given you here. The prayers of this Sanctuary hasten the coming of the Holy Spirit. The holy hours , the THIRTEEN and SEVENTH that I have given you are the GREAT SPIRITUAL CENTURY that every day greatly speeds up the coming of the Holy Spirit on the whole world. Move forward My children, do not be discouraged! With the Rosary and through the Rosary we will defeat Satan and make My Immaculate Heart and the love of the Holy Spirit triumph throughout the world.

To all of you who are here today in this Sanctuary, place of My Apparitions, My great and last Cenacle, to all My children who now listen to Me and who give Me the sincere and deepest yes of their hearts, I bless you all now from PELEVOISIN , CRAVEGGIA and JACAREÍ. Peace My beloved children...!"

MESSAGE FROM HOLY MARY

"- Beloved My children, today My Immaculate Heart wishes to say to you once again:
I love you! I love you so much! You My children do not know nor can you imagine how much I love you!
The first great proof of My love for you was My YES given at the Annunciation of the Angel, because in accepting to be the Mother of Jesus, I accepted Him not only for love of God, but also, for love of the whole human race, redemption of all humanity. I accepted it for the salvation of all of you My children.
Then, another proof of the greater love that I gave you, was My whole life of so much suffering, pain and tears at the side of Jesus and Joseph, suffering everything for love of you. Offering everything with Jesus for your salvation. And as if that were not enough, I also gave you the great proof of love of My Immaculate Heart appearing on Earth after My Assumption into Heaven in body and soul, so many thousands of times to call you My children: to conversion, to salvation , back to God. To warn you of the dangers that humanity has always run over the centuries, to awaken you from the sleep of sin, of indifference, of the spiritual blindness in which My children have so often found themselves running the risk of being condemned forever in hell.
And the other final proof of love that is immense from My Immaculate Heart for all of you,
are MY RECENT AND LAST APPEARANCES HERE IN JACAREÍ.

These are the last Appearances that I make to all humanity.
AFTER THEY ARE OVER, I WILL NEVER GO BACK TO THIS WORLD AGAIN.
That is why they are long, prolonged, intense, where I communicate to you great, deep and extensive Messages, to show you My children, not only with the unparalleled strength of My presence Here... Not only to call you with vehemence and energy to the path of conversion, of the prayer of penance, but also to show you the great love, the immense love that I have for all of you My children. That is why I give you the longest, deepest, most intense Messages of My Apparitions, to show you the great urge I have for each one of you and the great desire I have to save you all My children.
My love for you is so great that if you knew it, if you felt it in all its fullness, even if only for a few seconds, you would die of happiness!
Yup. My love with an overwhelming force runs after you. Do not deny receiving this love of mine! Do not close the doors of your hearts to this great love of Mine. But open yourselves more each day in prayer to receive the powerful influxes of My love in your souls so that My children, in the strength of My love and with the strength of My love, may follow each day the path of holiness which I I called and appointed you here, loving God always more with all your soul, with all your being, and also being My TRUE APOSTLES OF THE LAST TIMES in this world, giving all My children the witness of My love and My maternal presence in the midst of you.
My Heart loved you so much and gave you a grace that so many Nations and so many generations wanted to have and did not have:
THE PRESENCE OF THE MOTHER OF HEAVEN DURING SO MANY DECADES IN HER APPEARANCES AMONG MEN. You My children, who have been distinguished by God and by me with such great privilege, with such high favor, respond to the immensity of this grace with a purer, more energetic, stronger, more determined and more ardent love, giving the best of you, everything of you in obedience to My Messages. In the fulfillment of all that I have asked of you and in the complete correspondence to the plan of love of My Immaculate Heart where all of you have been inscribed and are included to help Me in the task of saving the world and to prepare it for the Triumph of My Heart Immaculate with the return of My Son Jesus in His glory.
To you, to you My dear children to whom I have given so much, today an even greater love, a purer love I ask and I hope!
Continue to pray all the prayers that I have given you here, because only the souls that persevere in them will be able to have the strength to reach the end of the period of the great tribulation and remain standing before My Son who will return to you in glory.
I, the Queen and Messenger of Peace here in My Apparitions of Jacareí, love you so much, so much and at this moment I cover you all with My mantle of love and I bless you generously from LA TALAUDIÈRE, from MONTCHIARI and from JACAREÍ.
Peace My beloved children. I bless you all now.”

MESSAGE FROM OUR LORD JESUS CHRIST

“My children, today, when you celebrate the Feast of MY BODY AND MY BLOOD SACROSSANTS, I, JESUS, come to solemnly say to you:
MY EUCHARISTIC HEART WILL TRIUMPH!
My Eucharistic Heart will soon triumph, and this Triumph, which will also be the Triumph of the Immaculate Heart of My Most Holy Mother, will bring you new Heavens, a new Earth and will truly make you know a new time of holiness, grace and peace on the whole Earth. !
My Eucharistic Heart will triumph, and in this triumph I will crush all My enemies, all the enemies of My Holy Catholic Faith, placing them as a footstool for My Feet, reducing them to nothing and transforming their works of death into nothing before all Nations, these enemies of Mine will be banished forever from My presence and the righteous who have suffered so much under the evil yoke of the wicked will finally be freed, will have true peace and true joy and will finally find the beginning of a new time of a new life of grace, holiness, and joy to them.
My Eucharistic Heart will triumph, and will reduce to nothing, to a heap of ruins, the kingdom of Satan and everything that evil men have built in this world without Me. From one moment to the next Satan will see his kingdom crumble to the ground, his throne will finally be shaken and it will crumble, it will crumble and in the place of His wicked throne I WILL PLACE TWO GLORIOUS THRONES: THE ONE OF MY HEART AND THE HEART OF MY BLESSED MOTHER, AND WITH US WILL ALSO BE MY FATHER SAINT JOSÉ, WHO WITH HIS MOST LOVING HEART HAS ALWAYS WORKED AND WORKS FOR THE CONSTRUCTION OF OUR KINGDOM OF LOVE IN SOULS, HEARTS AND NATIONS. Satan who with so much arrogance, pride and ostentation built his kingdom in this present society and humanity, who banished Me from their lives, from their families,
And MY SACRED HEART, which will then be the only true winner, will raise the Flag of His Victory in all hearts, in all families, in the bosom of the Church itself and of humanity.
The Church will be purified by My devouring fire and all its rotten members will be consumed by this fire.
My church will finally be free from the influence of the wicked who have entered its interior and it will be holy, beautiful, pure and immaculate like My Most Holy Mother in all its members.
Therefore, My little children, have confidence, because the time of this apostasy, the time of Satan's dominance in the world and in today's society, is about to end. The Triumph of My Eucharistic Heart is near and when the day of My Victory dawns for you, great will be the joy and joy of those who remained faithful to Me, to My Mother and endured the contempt, persecution, rejections and misunderstandings of the world, of people and those closest to us because of Our Messages. These souls, like little martyrs, will surround My Throne and the Throne of My Most Holy Mother like the most precious flowers and will form the most beautiful crown of jewels that will adorn Our heads.
Yes My children, My Eucharistic Heart will soon triumph! And it will bring you a time of joy where your eyes will see things, wonders never seen before and your hearts will experience and feel a happiness that you have never tasted before.
Stand firm, persevere in My Love, and, above all, cast out of your hearts the world with its illusory works, with its passing illusions, and, above all, cast out

of your hearts every seed, every spark of attachment to these things that will pass and turn your hearts definitively to heavenly things that will never end.
Yes My children, My Heart chose you, elected you and called you Here to make you great saints, but without docility, obedience to My voice, to the voice of My Mother and My Servant Marcos, no one will be able to do so. That is why I invite you to listen to the appeals that we make to you here through the mouth of Our Servant, do everything that we have told you throughout all these years, so that when I come to establish among you THE KINGDOM OF MY HEART EUCHARISTIC, I find you standing pure and holy before Me. At this moment I bless you all with My Most Holy Mother of PARAY-LE-MONIAL, of DOZULE and of JACAREÍ...
Peace My Children. Peace to you Marcos, the most hardworking and dedicated of the children of My Sacred Heart."

MESSAGE FROM OUR LADY AND SANTA CAMILLA BAPTISTA DA VARANO

MESSAGE FROM OUR LADY

"-My beloved children, today I again invite you to the LOVE OF GOD, to turn your hearts to God and to give him the definitive answer in your hearts, your yes to the call of love that he made, that he makes through me to you in these final times.
Love never tires of calling you through me. Jesus , Love, never tires of calling you back to His Sacred Heart through Me. Therefore, today I renew My appeal: answer yes to the call of eternal love, because time is pressing, decisive events are approaching and now is the time for your great decision and your great response to the Lord.
My Heart calls you to give this great answer now that the Lord still allows himself to be found by you and that he still wants to welcome and receive your yes.
Answer yes to the call of Love, to the call of the Lord, turning your lives completely to Him, trying to throw out of your heart, out of your life everything that displeases Him, everything that disgusts Him, everything that prevents the action of His Love in you, so that the Plan of the Lord, the Plan of the Most High, is always more fulfilled in your life and in your existence.
Answer yes to the call of eternal love, to the call of the Lord with generosity, not to be just good, good children, good Catholics, but to be great saints, who live, who fulfill the virtues of faith, morals, Christian virtues. to a heroic degree and so you can give the world a great and shining example of holiness, of love for God and also of giving the world a perennial witness of how great God's love is, how beautiful, wonderful, estimable beyond all and the how much serving the Lord is sweet, good and wholesome.

Answer yes to the call of eternal Love, to the call of the Lord who did not get

tired over these two thousand years, to continually prove to the world his great love through his son Jesus the Incarnate Word. If already in the Old Testament God did not tire of showing His tenderness to His chosen people, after the Word became flesh and came into the world through Me, no mortal, no creature will ever be able to doubt the greatness of God's love for itself and in particular and for the whole world in general.
And after the Ascension of My Son Jesus to Heaven and My Assumption, God did not stop showing humanity how much He loves them by sending Me in My Apparitions throughout the world to show men and My children how much I love them, how much We we want to save them all and how much we have prepared for all those who answer yes to a holy life here on Earth and then a happy and glorious life forever in Heaven.
So, God is still waiting for your yes, it's time to give Him, the time has come! For in this serious hour that weighs on humanity, in which the darkness of evil and sin envelops everything, the time has come to make the light of the Lord shine through your yes to dispel the darkness of all hearts and thus make the grace of the Holy Trinity and the Flame of Love of My Immaculate Heart.
I count on you My children, because you who here in My Apparitions of Jacareí have already been formed by Myself directly for so long, you can no longer delay your yes, you must give Him to the Lord through Me today, in an unrestricted way, unreservedly and thus finally give the Lord permission to act in your life, to change your life, transform you, purify you and sanctify you, and so through you to make His grace pour out on the whole world.
I, your Mother, will help you to always give your yes more, so that it is similar to Mine, profound, perennial, unreserved, unconditional and so, My YES with your yes, your yes with My YES, My YES in your yes and your yes in My YES will finally give the Most Holy Trinity all the honor, all the glory and the victory of the Lord will be evident in hearts and in the whole world!
Continue to pray all the PRAYERS that I have given you here, because through them I will open your hearts more and more to a great and unlimited capacity to love the Lord myself and to give your final, faithful and complete yes to the Lord. call of the Lord of eternal Love.
Today, I bless you all generously from KERIZINEN, from LITMANOVA and from JACAREÍ.
Peace My beloved children. Peace Marcos, the most hardworking and dedicated of My children."

MESSAGE FROM SANTA CAMILLA BAPTISTA DA VARANO

"-Mark, beloved My brother, I am CAMILLA servant of the Lord, servant of the Mother of God who came with the Mother of the Lord today to give you My first Message.
My beloved brothers, listen to what I say to you from the Lord together with the Blessed Virgin:
Make your hearts the city of the Most High, build that city in your hearts daily, from the foundations to the towers, seeking to build for the King of Kings and the Lord of Lords a worthy dwelling in you, for I say to you, although He is the King of humility He is the Lord of glory and cannot dwell in places unfit for His holiness, much less in impure lands that have not been prepared, straightened

and edified to receive Him, the Lord and the King of Angels. .
Begin to build these cities of the Lord in your souls by the foundations, the foundations of this city must be:
- pure faith,
- humility,
- detachment from yourself,
- the renunciation of your will and your disordered self.
So that then the foundations may be firm, deep, resistant to all the gales of temptation, to all the flood currents of the trials and tribulations of this life, and so the city of the Lord in your soul will never fall into ruins.
Then begin to build the walls that will have to be made of:
- the desire to love the Lord more and more,
- the search to know him always better through prayer, spiritual reading, meditation, and the application to know the holy catholic faith.
So that the walls are built every day in your souls, ever higher, ever stronger and more resistant, ever more straight and ever more rising to new heights, so that the enemies of your salvation cannot cross them to invade. the city of your souls, and thus harm and ruin you and jeopardize your salvation.
Then you must make the streets of this city, the streets of your city, of the city of your soul:
- they must be straight,
- they must be leveled so that the King of Kings, when entering through them, does not find any crookedness.
That is why you must correct your faith, you must correct your behavior by uprooting from within you both exaggerations and lukewarmness, both imbalances and insensitivity.
You must have an upright, balanced, ardent, deep, living faith, a holy desire, a deep and ardent love, but that does not degenerate into personal exaggeration. You must also have in you a perfect obedience to all trials to the Lord, to the Holy Virgin, and also heeding the voice of those He has placed before you to direct you further into His Sacred Hearts.
YOU ARE NOT OBLIGATED TO OBEY THE VOICES THAT SAY THAT YOU MUST DISOBEY THE MESSAGES FROM THE MOTHER OF GOD, THAT YOU MUST DENY THE MESSAGES FROM THE MOTHER OF GOD, BECAUSE IF YOU DO THAT YOU WOULD BE ATTENDING A SINKING COMMAND. BUT MY BELOVED BROTHERS YOU MUST ANSWER THE VOICE OF THOSE WHO COMMAND YOU TO BE SAINTS, BE PURE, OBEY THE MESSAGES OF THE MOTHER OF GOD, PRAY THE ROSARY, DO PENANCE WITH BALANCE, WITH LOVE, WITH SERENITY. SO THAT YOUR LIFE TRULY PLEASES THE LORD, IT MAY BE A hymn of PERFECT LOVE TO THE LORD AND YOUR WHOLE WELL ORDERED BEING TURNED INTO A JEWEL OF RARE BEAUTY, THAT WILL ATTRACT THE HEARTS OF ALL WHO DO NOT YET KNOW THE LORD AND THE VIRGIN HOLY FOR THEM.
I, Camilla, have come to help you build within yourselves these holy cities for the Lord, I will help you even to build towers, yes tall and strong towers, where you will watch night and day, whether against temptations or against suggestions of the devil, who are against fashions and all kinds of worldly things that want to destroy your holiness, your interior purity. So that your city will always be clean, it will always be well ordered so that the Lord of Lords, the

King of Kings will enter and take pleasure in it, and then there will be a great feast, the joy of the Lord with you.
I will also help you to make within the city of your soul the most beautiful gardens where all the flowers of good qualities, of good virtues and good works will bloom, so that these flowers will delight the eyes of the King and Queen of Heaven and at their table. never lack the sweetest flowers of your love, of your holiness, of your total and complete consecration of love to Them.
Accept My help, take My Mother and I will lead you to this great holiness, I will transform you into Holy Cities as I myself was for the greater glory of God, for the greater exaltation of His Most Holy Mother and the Triumph of the Holy Catholic Faith.
Continue to pray all the prayers that They have given you here, also live in complete trust that the United Hearts of Jesus, Mary and Joseph have traced the entire plan of salvation for the world until His Triumph and that you are only following in the footsteps slings that They leave you along the way, you are not walking aimlessly without direction and direction, you are following the footprints that They leave you, as long as you do not leave following their footprints, you will never get lost and you will surely arrive at the great victory that They prepare all those who obey Their Messages and wait on Them with love.
Here in this School of Holiness that They opened in these blessed APPARITIONS OF JACAREÍ, your souls will be by Us the Saints well prepared to receive the Lord of Glory together with His Mother when They will soon come with great power to crush Satan and all His known enemies. and hidden and so the world will finally be freed from the tyranny of the serpent, from the domination of Satan and you will know a new era of peace and happiness without equal.
I now bless you all generously and I leave My peace, especially to you Marcos who, although so depressed, you fought, you fought your fight today and you arrived victorious at another term of the Cenacle.
To all I leave My Peace."

JACAREÍ, JUNE 24, 2012
31st ANNIVERSARY OF THE APPARITIONS OF MEDJUGORJE
(Video of this Cenacle : http://gloria.tv/?media=304195)

MESSAGE FROM OUR LADY

“-My children, today when you are already celebrating the ANNIVERSARY OF MY APPARITIONS IN MEDJUGORJE and also the day of the PRECURSOR SAINT JOHN THE BAPTIST, I come again to bless you and give you Peace.
Like SAINT JOHN, you too must prepare the ways of the Lord, you must be like Him, a voice that rises in this great desert that has become this perverted, atheistic humanity, rebellious to God and given over to the power of Satan.
In this desert, you must be a voice that cries out loud, that calls everyone to CONVERSION and PENANCE, as JOHN THE BAPTIST did. And just like him, you must live more and more in the grace of God, in His Love, in fidelity to the Mission to which you were called, that is, to be the Apostles of the last times, to be My true Apostles, My true children, those who make Me more and more known and loved, who make My Messages more and more known and loved so that Christ may be truly more known and loved and His Kingdom of love will come more quickly to install itself, to be established in the world, in souls, in the nations.
Like JOHN THE BAPTIST you must tell everyone that the ax is already laid at the root of the trees, every tree that does not bear good fruit will be cut down and thrown into the fires of hell, into the blazing fire that will never be quenched.
You must call souls to urgent conversion, saying like Saint John that the Kingdom of God is at hand, it is at the door and anyone who is not purified, who is not truly converted, turned to the Lord, will not enter it, will not see the kingdom of God. And as Saint John the Baptist was not afraid to tell the truth, no matter how painful it was, even if it cost him his life, as in fact happened between him and Herod, so you too must not fear the Herods of your time, you must tell the truth. ever more, defend it, spread it so that souls can be freed from darkness, error, apostasy, rebellion against the Lord and in this way ever more live in the truth, love the truth, follow the truth and so on. be saved by the light of eternal truth.
Today, My beloved children who truly obey Me throughout the world following My Messages of peace and conversion from Medjugorje rejoice with Me for the 31 YEARS OF MY APPARITIONS, of My continuous, extraordinary, daily presence in that small town in Bosnia and Herzegovina.
Yes My children, the 31 YEARS OF MY APPARITIONS IN MEDJUGORJE are the great proof of My love for all of you, for all My children, for the whole world. Because I love you so much, I appear there for so many years, every day, in a new, extraordinary, daily, intense way, as never before in the history of the world.
I came from Heaven in Medjugorje, Here, in El Escorial, Oliveto Citra and in so many places to call you to prayer, to penance, to live the true life of the children of God, which He desires for you: which is love, which is concord, which is harmony, peace and serenity.
In your days when violence, malice, hatred among men, when the enemy sows division even among God's workers and among His elect, I come with My Message of peace to pacify you, to unite you, to lead you all under My sign, under My Maternal Mantle, towards heaven, towards holiness, towards the perfect fulfillment of the will of the Lord.
In My Apparitions in Medjugorje, which are the last sign of My Love and the

last invitation I make to the world to conversion, I show you the greatness of My maternal mercy, the goodness of the Most High and how much We all want to help you and save you.
ANSWER YES TO OUR CALL TO LOVE DEFINITELY NOW, BECAUSE THIS IS THE TIME FOR YOUR DECISION, THIS IS THE TIME FOR YOUR YES, THIS IS THE TIME TO GIVE THE FINAL PROOF OF YOUR LOVE TO THE LORD. ANSWER YES, THEREFORE, NOT WITH WORDS, BUT WITH DEEDS AND WITH YOUR LIFE TO THE CALL OF THE LORD AND TO ALL THAT I HAVE FOR SO MANY YEARS IN MEDJUGORJE AND HERE I ASKED AND REVEALED YOU, SO THAT MY IMMACULATE HEART TRULY TRIUMPH IN YOU WORLD WITHOUT DELAY AND I CAN BRING YOU THE NEW TIMES OF PEACE, WHICH I PREPARE EVERY DAY IN THE SILENCE AND SECRET OF MY IMMACULATE HEART.
To all of you My beloved children I now bless you generously from MEDJUGORJE, EL ESCORIAL and JACAREÍ.
Peace My children, Peace Marcos, the most strenuous of My children.
Onward My knight fights for Me as I fight for you."

I bless everyone at this moment and especially you, my beloved son Marcos, at this moment generously."
of the perfect correspondence to My maternal Love and also of the mysteries contained in the Holy Rosary, of My Life and the life of My Son Jesus.
By meditating more and more on the Holy Rosary, contemplating also the Messages that I gave in all the Places of My Apparitions and that are engraved in these Rosaries that My son Marcos made for you, you grow more and more every day in the knowledge of the examples of holiness of My son JESUS and of Mine, you also know more and more My maternal appeals and My requests made in so many of My Apparitions in addition to the requests I made to you Here, and so in you love, true love can always grow every day more until it reaches its fullness.
I come to call you to renew your love for the Holy Rosary so that it becomes and is ever more for you the lighthouse that illuminates your path every day of your life, leading you ever more to God. Renew your love for the Holy Rosary, praying it ever more with your heart, that is, making your soul ever more open to the Will of God, to know it and to fulfill it promptly as the Saints did to so that your prayers are not sterile and fruitless, but so that they truly produce fruits of conversion, sanctification and salvation in your lives.
Renew your love for the Meditated Holy Rosary, so that by meditating every day on My examples, on the examples of Christ and also on My Messages, you can grow every day a little more in your true love for the Lord and for Me and you can give to all souls throughout the world a vibrant and luminous example of love, faithfulness and obedience to the Lord.
Renew your love for the Holy Rosary, giving more and more the meditated Holy Rosary that My son Marcos made known to everyone, so that all My children can leave the darkness into the light, they can leave the quagmire of sins to enter on the path of PURITY, until they become more Angels than men, so that they can truly come out of eternal death and enter the life of sanctifying grace. In this way, My children, all the souls of the world will enter My School of Holiness and I will be able to guide you all safely to Heaven and to the perfection that the Lord wants from you.

I love you so much, My children! And here where I have made My Holy Rosary more known and more loved, more spread and more prayed than ever before, I desire more and more that your souls, that your hearts become propagators and apostles of the devotion of My Holy Rosary throughout the whole world , for as I said to My servant, to My SUNDAYS OF GUSMÃO: "Whoever serves Me through My Rosary every day will not be lost... Whoever loves Me through the Holy Rosary will not know eternal disgrace, eternal damnation." Therefore, little children, the world will be saved through the Holy Rosary.
I love you so much! And when you pray the Holy Rosary you become even more dear, more dear to My Immaculate Heart. Therefore, little children, never be discouraged, for whoever does not lose heart in praying the Holy Rosary, but who perseveres in it every day until the end of his life, will receive from Me the crown of eternal life.
This Holy Place of My Apparitions here in Jacareí where My Rosary is so loved, so prayed and so propagated, mainly by My little son Marcos who has already made more than 270 Rosaries so far for My children and then also who is so loved, prayed and propagated by My children, who pray it, who love it and who make it known to others, here, My Heart is already beginning to obtain its triumph through My Rosary in souls, hearts and families.

Keep going, keep going, keep going forward. Yea! praying My Rosary, spreading it with all your heart to all souls! Continue because Here My dear children, I, as in the battle of Lepanto, will be the great victor and I will save Brazil, I will save your families and your souls by virtue of My Holy Rosary.
I bless you all at this moment and invite you to great and joyful joy. Through My Meditated Rosary from My Apparitions in Jacareí, one day, soon, I will save the world.
I bless you all from FÁTIMA, MONTCHIARI, LOURDES and JACAREÍ. Peace My beloved children."

LARGE MONTHLY CENÁCLE OF THE MONTH OF JULY
EARLY CELEBRATION OF THE 65TH ANNIVERSARY OF THE APPARITIONS OF OUR LADY ROSA MISTICA IN MONTICHIARI - ITALY
MESSAGE FROM OUR LADY

"-My beloved children, today, when you are already celebrating in advance the ANNIVERSARY OF MY APPARITIONS IN MONTICHIARI, I come once again to call you to
PRAYER, to PENITANCE, and to CONVERSION.
YOU MUST BELIEVE MORE IN THIS APPEARANCE OF ME!
YOU MUST LOVE THIS APPEARANCE OF ME MORE AND CORRESPOND MORE TO EVERYTHING THAT IN MY APPEARANCE TO MY DAUGHTER PIERINA GILLI I ASKED THE WHOLE WORLD:
PRAYER – SACRIFICE – PENANCE
To save sinners, to give Peace to the world, to put an end to this time of evil

and the predominance of sin and to inaugurate a new time of holiness, of love and worship of God, of grace and faithfulness to His Commandments.
PRAYER, SACRIFICE and PENANCE, to once again transform this swamp of sin that is the world into the new garden of grace, beauty and holiness. Where the flowers of purity, generosity, love, charity, holiness and kindness bloom and bloom everywhere. Only with PRAYER, SACRIFICE and PENANCE can this be done and souls uglier by sin can finally be freed from the bondage of Satan and their ugliness will give way to a new beauty of grace and holiness in the souls of My children.
PRAYER, SACRIFICE and PENANCE, to put an end to so many wars, conflicts, disorders and discords that happen in the world. The current violence and evil in which men find themselves will only end when everyone returns to the PRAYER, to the SACRIFICE and to the PENANCE that I asked in MONTCHIARI in MY APPARITIONS to My little daughter to PIERINA GILLI.
Complaints, claims, protests, or discussions and debates will be of no use. Only PRAYER, SACRIFICE and PENANCE can give Peace to the world, can give Peace to your hearts, can give Peace to all humanity.
PRAYER, SACRIFICE and PENANCE to expiate and repair the sins of so many Judas priests, of so many Judas bishops, of so many Judas consecrated souls, who with their sins and daily betrayals pierce the HEART OF MY CHILDREN JESUS AND MINE, AND RENEW ALL SUFFERINGS FROM THE PASSION AND DEATH OF MY SON.
Only PRAYER, SACRIFICE and PENANCE can put up a barrier, can put up a barrier, a dam to the wave of sins of souls consecrated to God, which every day advances relentlessly and ever more causing so many flowers consecrated to the Lord that were once beautiful to wither and wither. and fresh and are now spiritually dead.
Only with PRAYER, SACRIFICE and PENANCE can a barrier be put up to stop the advance of apostasy, the loss of the true Catholic faith, the errors that are increasingly taught and disseminated by so many of My children, inside and outside the Holy Church and especially by His shepherds, so that the splendor of the TRUTH can come again upon the world, of fidelity to the COMMANDMENTS OF GOD and of the sound CATHOLIC DOCTRINE that you My children, all of you, must know, love and teach everyone with the word and for example.
PRAYER, SACRIFICE and PENANCE, to finally attract to the whole world the TRIUMPH OF MY IMMACULATE HEART with a time of lasting Peace for all humanity.
MY MONTCHIARI APPARITIONS were the continuation of the plans of My IMMACULATE HEART initiated according to the SECRETS OF LA SALETTE, FATIMA and ALL MY PRECEDING APPARITIONS.
MONTCHIARI was truly the splendorous work of MY IMMACULATE HEART that fighting tirelessly to save all My children, has called them for so many decades to PRAYER, CONVERSION, PENANCE and RETURN TO GOD.
And now HERE is My new and last MONTCHIARI where I also blessed a Source just like there, to heal My children in the body and especially in the soul, purifying them from the mud of vices, defects and even sins that uglify their souls. HERE where I again with tears and with vehement Messages called My children to PRAYER, to SACRIFICE and to PENANCE, I come again to finish what I started in LA SALETTE on RUE DU BAC in PARIS, in LOURDES, in

PONTMAIN and FÁTIMA and that passing by MONTCHIARI and all MY APPEARANCES I will finally conclude HERE.
Much prayer is what I ask of you, docility, obedience to My voice so that My Maternal Plans may be carried out in you.
I am with you! And you must seek Me every day in Prayer, in Meditation, in silence, in the deep encounter with Me and I live in prayer, in the temple of your heart, of your soul.
In this way I will truly be able to cultivate you as MYSTIC ROSES:
- WHITE: OF PRAYER
- RED: OF SACRIFICE
- YELLOW: OF GENEROSITY AND PENITENCE
And so with you and through you, truly give the Lord the greatest hymn of love, of glorification and of exaltation.
Today, I bless you all generously, from MONTCHIARI, from SAN DAMIANO and from here in JACAREÍ, where I am extremely loved, glorified and exalted by the THREE OF TEARS, by My TREZENA, by the FILM OF MY APPEARANCE IN MONTICHIARI and by all that My little son Marcos did and does to make Me, MARIA ROSA MÍSTICA and MY APPARITION OF MONTCHIARI better known and loved in all humanity.
Peace My children! Peace to you Marcos My little Mystic Rose, the most ardent of the Apostles of MY APPEARANCE IN MONTCHIARI!
Peace to you My Children!”

MESSAGE FROM SAINT

GERMAN “-My beloved brothers! I, GERMAN, Servant of the LORD and of the MOTHER OF GOD come to give you My first Message.
LOVE THE LORD AND THE MOTHER OF GOD with all your soul, trying to imitate His virtues, His examples of holiness and thus be true rocks of love and holiness in this world where souls are shipwrecked in ever greater numbers in sin and disgrace of losing the love of God.
Be firm rocks of love and holiness, trying ever more to exercise all the Christian virtues with courage, determination and willpower, so that the virtues grow in you every day, so that your soul becomes strong, resists the Satan's attacks, the seductions of the world and everything that is contrary to God's love, to His holy will. So that your souls may become strong so that you may even help your brothers who are weaker than you to strengthen themselves and become rocks of love and holiness.
If your soul is full of true divine love, if it is full of holy virtues, then your soul will resist all the attacks of its enemies, whether spiritual or temporal. And then, everything will be subject to you, everything will be under your feet, your souls will be lord of everything that exists, you will be masters of the world and you will overcome everything with the strength of the Love of Jesus, with the strength of Faith.
Be rocks of love and holiness, seeking to grow each day more in true love for the Lord and for the Mother of God, which is generosity, which is made of self-denial and your will always and of profound docility to the Lord's will, of the Mother of God, so that your love may not be a love divided between God and the world, between God and you, between good and evil, but that your soul, courageously and always renouncing sin, may be truly decided for the GOOD ,

by HEAVEN, by the TRUTH, by the LAW OF LOVE OF THE LORD. If so, your soul will be an unshakable rock against which the waves of this world, the waves of sin, of seductions, of vices, will crash against it and will not be able to destroy it because it will be as firm as the Rock of the Sacred Hearts. of JESUS, MARY and JOSEPH.
So, My beloved brothers, every day try to grow more and more, in everything that the Mother of God has told you HERE IN HER MESSAGES, ALL THAT OUR LORD ASKED YOU IN HIS HOLY WORD. So that your soul, becoming a strong and unshakable rock, may be a good foundation, a good foundation for the DIVINE HOLY SPIRIT to come to build in you His Holy City, His Royal Palace where He dwells, where He reigns, where He lives constantly in union with you and drawing ever more the other hearts of men to His love.
I, GERMANO, am with you in all your afflictions and sufferings. And I always pray for you and I cover you with My Mantle in all dangers! Meditate ever more on all that I taught you about the HOLY VIRGIN and that Mark compiled for you in the HOURS OF PEACE, for there you will find great food for your souls, great light for your hearts and then your heart like a fiery furnace of love, more and more will be consumed and burned for the SACRATIC HEARTS OF JESUS, MARY AND JOSEPH!
I bless everyone at this moment with love and especially you Marcos, my very dear and faithful brother and friend. Peace!"

CENTURY OF THE EARLY CELEBRATION OF THE FESTIVAL OF OUR LADY OF MONTE CARMELO – APPARITION TO SAINT SIMÃO STOCK – REVELATION OF THE SAINT ESCAPULARY OF CARME
MESSAGE FROM OUR LADY

“-My beloved children, today, when you are already celebrating the Feast, My Feast as the Virgin FROM MOUNT CARMELO, on the day I gave my SCAPULAR to my favorite son, SAINT SIMÃO STOCK, I come again to call you to greater love and greater devotion to my ESCAPULARY OF CARMO, which is the source and channel of so many graces for you. My sons!
WEAR MY CARMO SCApulario WITH GREATER LOVE, DEVOTION AND PIETY, ALWAYS BRINGING IT WITH YOU. ALWAYS DOING MORE SO THAT MORE SOULS KNOW AND USE IT, SO THAT MY CHILDREN CAN HAVE MY PROTECTION, MY MATERNAL ASSISTANCE AND MY CONSTANT HELP AT ALL MOMENTS OF THEIR LIFE. AND IN THIS WAY, EVERY DAY, DRINK FROM THE SOURCE OF THE PEACE OF MY IMMACULATE HEART AND RECEIVE A RAIN OF BLESSINGS AND MERCY FROM THE LORD TO HELP YOU IN YOUR CONVERSION AND YOUR SANCTIFICATION.
Love more and use with more love my ESCAPULARY OF CARMO, always bringing it with you, kissing it continuously, praying My ROSARY intensely, so that I, the VIRGIN OF CARMO, can truly cover you with My Mantle of Love more and more, extend My protection to My children in all areas and moments

of their lives and in this way also give all of you peace from the heart, to give the world the Peace that it needs so much and has so little.
Through my ESCAPULARY OF CARMO I will give My Peace to hearts, Peace to families, Peace to the Nations of the whole world. If My children bring Me with them in this SCOPE, pray My ROSARY and are My true devotees, My true 'Apostles of the Last Times', I promise to give peace to all hearts, to all peoples, to all Nations.
Bring My CARMO SCAPULAR with you always! Also place it next to My Image on the altar of your houses, so that not only you, but also your entire house may be guarded and protected by Me from all the attacks of Satan and so I can lead you every day in peace towards Heaven.
You must also love and use all the other SCAPULARS that I have given you: the GRAY , the GREEN , the BLUE , the PURPLE , the RED OF THE PASSION OF MY SON JESUS, so that wherever these My SCAPULARS are, I and My Son JESUS and also My Spouse SAINT JOSE may be there together with you My children, pouring out abundant blessings and graces on all of you and pushing away more and more all evils from you.
Love My IMMACULATE HEART even more, which has given you all these treasures, because this MATERNAL HEART that never tires of benefiting its children is only paid with sins, offenses and ingratitude.
Make My IMMACULATE HEART more loved and known and I promise to write your names in the BOOK OF LIFE and thus also to lead you with all your loved ones to Heaven, to eternal salvation.
My little children, you must practice the CHRISTIAN VIRTUES more! Study the CHRISTIAN VIRTUES! Meditate on the Messages that I have given you in previous years that speak of these VIRTUES so that you can be true Christians, true children of God, not only in your mouth but also in your deeds and in your daily behavior.
Practice the virtue of PURITY, GENEROSITY, GOODNESS, FORGETTING YOURSELF, TEMPERANCE, PRUDENTITY, FORTITUDE, SOBRIETY, PATIENCE.
So that your life can truly be consistent with your Baptism, with your Faith that you profess, with your Prayer and in this way you can be a witness, a living sign of the Love of God among men in words and deeds.
Then everyone will see in you the truth of God's existence, of His love, of His presence and souls will be drawn to love the Lord and also to love Me through you.
May your language always be pure and holy! Let your speech be 'yes, yes', 'no, no', let there be no falsehood or duplicity in your language My children. Don't be two-faced either, have only one, one face, let it be sincere, true and pure before God and before all men. So that from your life, from your heart, from your entire being, My Mystical Light may burst and shine, illuminating all hearts with the word of truth, with the force of truth, so that the whole world may then be illuminated by the radiance of eternal truth.
CONTINUE WITH ALL THE PRAYERS THAT I HAVE GIVEN YOU HERE MY CHILDREN, BECAUSE YOU ARE THE ONLY AND LAST HOPE OF HUMANITY!
You who obey My MESSAGES, you who pray the PRAYERS I have given you Here, you who help Me by spreading My appeals to the whole world together with My little son Mark, you are the last hope of humanity! In My PRAYERS

recorded Here, in the VIDEOS OF MY APPARITIONS that My little son Marcos made for Me here, I placed all My hope, that is, the last hope on Earth. Go My children! Do not weaken, do not become discouraged, bring to the knowledge of all My children these treasures that I have given you here, because only in this way will My children be able to be illuminated by the light of My heart, rescued from the clutches of Satan by My Maternal Mercy and brought back from again in the arms of My Son JESUS who wants to love and save everyone.
go! You are the last hope of the Earth, do not disappoint My Mother's Heart. Forward! I am with you and as long as you are fighting for Me I will always fight more for you.
I bless you all at this moment generously with all the love of My IMMACULATE HEART of LA SALETTE, PELLEVOISIN and JACAREÍ.
Peace My children, Peace My son Marcos!"

5th MESSAGE FROM SANTA IRENE

"-My beloved brothers, I, IRENE, servant of the LORD and the HOLY VIRGIN, am happy to be able to come back here once again to bless you, give you Peace and give you a new Message from the LORD!
FIGHT FOR PEACE, sowing it everywhere you go, to everyone and in every heart you meet along your way. And so, making Peace truly triumph over hatred, over anger, over war and over evil. And may the hearts of men today so full of hate and evil be filled with new feelings of GOODNESS, GENEROSITY and PEACE. And so the whole world becomes a great garden of Peace and Holiness for the greater glory of the HOLY TRINITY.
FIGHT FOR PEACE, taking it where it was destroyed, planting it where Peace was totally withdrawn and sowing it in all the hearts of men you meet and whom you can reach by the WORD, by the EXAMPLE, by your TESTIMONY, and above all, for your DISSEMINATION OF MESSAGES, RECORDED PRAYERS and EVERYTHING ELSE THAT THE MOTHER OF GOD HAS GIVEN YOU HERE, for only then will this world full of hate, discord, division and evil be able to finally transform itself into a world of LOVE, of PEACE, HARMONY and HAPPINESS for you and your loved ones.
FIGHT FOR PEACE, with your Prayers every day, praying a lot, because with your Prayers you make an abundant rain of graces from Heaven fall on the whole world, which remove from the hearts of men the feelings of hatred, of evil , of sin and replace them with feelings of LOVE, FAITH, HOLINESS, PURITY, GOODNESS and GRACE. And so you increase on Earth the KINGDOM OF PEACE of the HEARTS OF JESUS, MARY and JOSEPH, making ever more the Peace of the THREE SACRED HEARTS triumph over hate, the evil of hell, which in those times spread in souls, in families and in the hearts of the whole world.
FIGHT FOR PEACE, keeping it first of all in you, always trying to calm yourselves in moments of suffering and tribulation, remembering that all Heaven is with you! That in Heaven you have a Mother who has promised you thousands of times Her protection, Her help, Her assistance, Her grace, and, above all, Her maternal protection. And that you have in Heaven a Master and Lord who has told you so many times: "COURAGE! I WON THE WORLD!" So in your heart there will always be lasting Peace.

KEEP PEACE IN YOUR HEARTS, TRYING TO REMOVE FROM YOU EVERYTHING THAT DESTROYS YOUR PEACE, IE: THE DISORDERED ATTACHMENT TO CREATURES AND THE ILLUSORY AND VAIN JOYS OF THIS WORLD. TAKE AWAY FROM YOU ALL SINS, BECAUSE SIN IS THE TRUE AND GREAT DESTROYER OF THE PEACE OF THE WHOLE WORLD. IN A HEART THAT SINS THERE CAN BE NO PEACE AND IN THE HEART THAT HAS LOST PEACE BECAUSE IT HAS SINNED THERE CAN BE GRACE, LOVE, PRESENCE, JOY AND THE LIGHT OF THE HOLY SPIRIT.
THEREFORE, renounce sin more and more, so that your souls can always be immersed in the peace of the Holy Spirit, in the peace of God, and in this way your life may be led, guided and enlightened by him every day!
FIGHT FOR PEACE, always being more the messengers, the sowers of Peace.
I, IRENE, will always be by your side to help you fight for Peace, to keep Peace in you.
In the world you will have tribulation, as I myself have.
In the world you will have tribulations, as I and My sisters had.
But with PATIENCE and CONSTANCE you will overcome everything and reach ETERNAL PEACE, CELESTIAL PEACE!
I will be by your side step by step, beat by beat of your hearts, breath by breath of your bodies, to always help, support and defend you.
Count on Me! Trust yourselves and give yourselves to Me!
Let yourself be led by Me along the road of Peace and I will take you to DIVINE PEACE, to ETERNAL PEACE, where We all the SAINTS OF HEAVEN are waiting for you to put on your heads with the MOTHER OF GOD and the LORD, we put the crown of victory!
I PARTICULARLY LOVE THIS PLACE! THIS PLACE OF THE APPARITIONS OF JACAREÍ THAT IS SACRED.
I ESPECIALLY LOVE MARCOS AND EACH ONE OF YOU.
I LOVE MARCOS TADEU, THIS APOSTLE OF PEACE, WHO HAS FIGHTED SO MUCH FOR IT AND HAS SPREAD THIS PEACE IN SO MANY HEARTS AND SO MANY SOULS.
I LOVE YOU ALSO, MY BELOVED BROTHERS, WHO HELP IN THE GREAT TASK OF SPREADING THE MESSAGES OF THE LADY QUEEN AND MESSENGER OF PEACE, OF THE THREE SACRED HEARTS UNITED, BECAUSE YOU ARE ALSO MESSENGERS OF PEACE, WORKERS OF PEACE, SOWERS OF PEACE.
Upon you today I pour out abundantly the blessings of the LORD and of the UNITED SACRED HEARTS. I stayed in Peace.
Rest in Peace Marcos, the most industrious of My brothers..."

REVELATION OF THE HOUR OF THE TEARS OF OUR LADY -

CELEBRATION OF THE BIRTH ANNIVERSARY PARTY OF SANTA AMÁLIA AGUIRRE - SAINT MARY MADALENA'S DAY

MESSAGE FROM
“- Beloved My children, I come again today to call you to My IMMACULATE HEART, so that I may enkindle you within It with My great and immense LOVE, so that you may have a true, sincere, deep, great love for My Son and for Me. So that your lives become luminous rays that transmit to all those with whom you meet the SPLENDOR OF THE ETERNAL TRUTH, THE LOVE OF GOD and HIS HOLY LAW, which everyone wants and can save!
Be the luminous rays of the HEART OF JESUS, for this world shrouded in darkness, making the Light of His Grace, the strength and splendor of the Truth shine more and more all over the world, and with great, with great power the TRUTH can then triumph over lies, GOOD over evil, the LIGHT over darkness and through you the LIGHT OF THE LORD, the light of the HOLY SPIRIT, the LIGHT OF SALVATION may always reach all hearts!
Be the luminous rays of the HEART OF JESUS, seeking to fulfill all the CHRISTIAN VIRTUES of which I have already spoken to you and which I have also constantly reminded you of in My Messages. So that, from your whole life, from your whole being, a vibrant, powerful and luminous example emerges that everyone will be able to see, understand, imitate and follow the path of HOLINESS, CONVERSION and SALVATION.
Practicing the CHRISTIAN VIRTUES, you will be luminous rays that will make the darkness of so many errors, defects and sins be dissipated. And so, the LIGHT OF TRUTH, THE LIGHT OF GRACE, OF THE PERFECTION OF THE SAINTS, shine in this world filthy with sin and it returns to be a GARDEN OF GRACE, OF BEAUTY AND OF LOVE for the greatest praise of the HOLY TRINITY!
Be the luminous rays of the HEART OF JESUS, leaving sin, vices, your disordered attachments to your will and to creatures forever, so that your whole life may be, in fact, a great luminous sun that radiates light and heat to all souls, light and grace of the Lord to all hearts. And so this icy, cold, arid, loveless desert dominated by sin and Satan that has become this world, becomes again that PARADISE where GOD was initially truly loved, praised and served by all His creatures.
Today, you also celebrate the BIRTH ANNIVERSARY OF MY LITTLE DAUGHTER AMÁLIA AGUIRRE.
How that My daughter loved God and also loved Me with all her heart. How she pleased Me with her life so full of PRAYER, SACRIFICE, ABUNDATION, PENANCE.
If all the convents followed the example of My little daughter AMÁLIA AGUIRRE, there wouldn't be so many relaxed convents, so many withered flowers that were once lush for the virtues they practiced and are now rotten for having let the spirit of the world with its vices of relaxation into the their religious communities.
So many souls consecrated to God became Judas priests, they became Judas consecrated souls and that is why I showed My little daughter PIERINA GILLI in MONTCHIARI, My chest, My Heart pierced by THREE HUGE SWORDS. And how many of My Catholic children too, who no longer pray, who have replaced prayer with amusements and pleasures and who have

been transformed by their bad way of living into swamps of impurity. It is because of them that I showed My HEART here, pierced by THREE HUGE SWORDS, above all, because they do not accept My Messages, they deny them, they deny My Apparitions and they join the souls consecrated to God, the priests and religious who deny , who persecute My Apparitions,
THAT'S WHY MY HEART IS ALWAYS STRETCHED BY SHARP SWORDS OF PAIN AND MY HEART IS COVERED WITH SADNESS, FULL OF BITTERNESS.
THEREFORE I CALL YOU TO IMITATE MY DAUGHTER AMÁLIA AGUIRRE WHO ON EARTH WAS A PERFECT SERAPHIM OF LOVE FOR MY IMMACULATE HEART.
IMITATE HIS LOVE AND HIS GOODNESS, HIS PURITY.
IMITATE HIS OBEDIENCE, ALWAYS READY TO EVERYTHING I SAID IN MY MESSAGES!
She fought like never before to make me loved and known with the TITLE with which I appeared to HER:
THE LADY OF TEARS.
It was impeded and hindered and so many of its efforts came to naught. But behold, here in My APPARITIONS IN JACAREÍ I raised up a new APOSTLE OF MY TEARS which is My little son MARCOS to resurrect all that I had said and entrusted to my little daughter AMÁLIA AGUIRRE so many decades before.
AS I AM ETERNAL, IMMORTAL, INVINCIBLE ALONG WITH GOD. THE DEMON CANNOT DESTROY MY WORKS.
SO HERE AFTER SO DECADES WITH MY NEW APOSTLE, I WILL FINALLY MAKE MY BLESSED TEARS TRIUMPH IN THE SOULS, IN THE FAMILIES, IN THE HEARTS OF ALL MY CHILDREN!
(REVELATION OF THE HOUR OF THE TEARS OF OUR LADY)
THAT'S WHY I WANT IT, I WANT IT FOR ALL MY CHILDREN ON SATURDAY, AT 7 PM:
THE TIME OF MY TEARS.
FOR AT THAT TIME OF MY GREAT SOLEDADE I SHED MANY, MANY TEARS FOR THE DEATH OF MY SON.
YOU WILL PRAY THE CROWN OF TEARS AS I TAUGHT IT TO MY DAUGHTER AMÁLIA AGUIRRE:
- MEDITTING MY MESSAGES,
- CONSOLING MY IMMACULATE HEART
- AND CONSECRATE YOU TO ME THROUGH AND VIRTUE OF MY BLESSED TEARS.
IF YOU DO THIS I TRULY PROMISE MY CHILDREN, TO PERFORM IN YOUR LIVES GREAT WONDERS AND WORKS OF GRACE.
I PROMISE TO GIVE YOU ALL THAT YOU ASK ME THROUGH THE CROWN OF MY TEARS. AND IF YOU ARE FAITHFUL IN SAYING IT EVERY DAY I PROMISE:
- THAT I WILL LEAD YOU SAFELY TO HEAVEN AND THAT YOU WILL NEVER KNOW WHAT THE TORMENTS OF HELL AND THE DEVOURING FLAMES OF INFERNAL FIRE ARE.
- THROUGH THE CROWN OF MY TEARS I WILL SUPPORT YOU IN EVERY MOMENT OF YOUR LIFE.
- I WILL BE PRESENT IN ALL YOUR SUFFERINGS.

- GIVE YOU PROTECTION AGAINST ALL YOUR ENEMIES.
- AND I WILL LEAD YOU ON THE WAY TO PERFECTION AND HOLINESS, MAKING ALL THE MYSTIC FLOWERS OF CHRISTIAN VIRTUES GROW IN YOUR SOULS!
I GIVE YOU A LOT BECAUSE HERE I AM MUCH LOVED, VERY CONSOLIDATED, VERY OBEYED AND VERY SERVED FIRST BY MY SON MARCOS THE GREAT APOSTLE OF MY TEARS, and then by you my children, who love me, who console me, who obey my messages , THAT YOU DISCOVER AND PRAY THE CROWN OF MY TEARS EVERY DAY.
I bless you all at this moment generously... from CAMPINAS, from MONTCHIARI and from JACAREÍ.
Peace My children!
Peace My son Marcos, APOSTLE OF MY TEARS, and My most devoted Servant!"
JACAREÍ, JULY 29, 2012 - MESSAGE FROM SANTA ANA

"-Marcos, My Peace I give you today , Peace I give to all of you, children of My BLESSED MARY, I give you My Peace!
I, ANA, Mother of MARY IMMACULATE, today pour out on you again the graces of the ALMIGHTY.

Be furnaces of love for MARY IMMACULATE, praying the ROSARY every day with greater love, seeking ever more to spread the ROSARY to everyone and to ignite the hearts of all with love for this HOLY PRAYER that so pleases the IMMACULATE HEART of My BLESSED DAUGHTER and also my. Be furnaces of love for My IMMACULATE DAUGHTER, trying every day out of love for Her to renounce yourselves, your evil will and always inclined to what is not the Will of the Lord for you, trying to detach yourselves from the vain and illusory things of that world and also trying every day to fight to overcome your personal defects so that, at the end of each day, you can offer to My Most Holy Daughter together with the Crown of Roses of the Rosary, a crown of small sacrifices and personal efforts to sanctify yourselves , to convert and also to help in the conversion and sanctification of your brothers.
Be furnaces of love for My IMMACULATE DAUGHTER, trying every day to give her small MYSTIC ROSES:
WHITE OF PRAYER,

RED OF SACRIFICE,
GOLDEN YELLOW OF PENANCE,
so that every day of your Heart may rise to her the perfect love, rise to her the perfect desire of your hearts to be like the LORD, as she wants you to be. And so every day with these little WHITE ROSES OF PRAYER, RED OF SACRIFICE, YELLOW-GOLD OF PENANCE, may she truly convert many souls, bring them closer to the LORD, unite them with the HEART OF JESUS and ever more crush Satan and his infernal empire in the world.
I, ANA, WANT YOU TO BE ALWAYS MORE ACTIVE IN PRAYER, THAT IS, THAT YOUR PRAYER NEVER BE A COLD PRAYER, BUT ALWAYS WARM, ALWAYS FERVENT, ALWAYS INTENSE AND MADE OF A PURE DESIRE TO UNITE YOU ALWAYS MORE WITH GOD AND WITH IMMACULATE MARY.
AS SOON AS YOU CAN START DOING:
THE TIME OF THE BLESSED TEARS OF MY BLESSED DAUGHTER.
WITH THIS HOUR, YOU WILL ACHIEVE THE CONVERSION OF MANY SOULS! YOU WILL ALSO BE ABLE TO ADVANCE A LOT ON THE PATH OF YOUR PERSONAL SANCTIFICATION. WITH THIS HOUR OF PRAYER MANY POSSESSES OF THE DEMON WILL BE RELEASED AND MANY WORKS OF SATAN WILL BE REDUCED TO RUINS IF YOU ARE PERSEVERANT, ZEALOUS AND FAITHFUL IN THIS HOLY HOUR OF PRAYER EVERY SATURDAY.
IF THEN IT NEED TO BE DONE ON ANOTHER DAY OF THE WEEK, MY BLESSED DAUGHTER WILL ASK YOU.
For the time being, DO IT EVERY SATURDAY AND I PROMISE TO BE WITH YOU AT YOUR SIDE WHEN YOU DO IT, TO HELP YOU AND FOR YOU TO PRESENT TO THE SACRED HEART OF JESUS THE BLESSED TEARS OF MY MOST HOLY DAUGHTER UNITED TO MY PRAYERS, IN ORDER TO REACH FROM HIM YOU A RAIN OF GRACE AND MERCY!
THIS NEW AND GREAT GRACE HAS BEEN GIVEN TO THIS PLACE, IT WAS GIVEN TO THIS LITTLE SANCTUARY OF THE APPARITIONS, BECAUSE OF THE GREAT LOVE THAT THE HOLY TRINITY, THAT THE SACRED HEARTS, THAT MY MOST HOLY DAUGHTER AND THAT WE ALL IN HEAVEN HAVE FOR HIM, TO OUR FAVORITE SON MARCOS AND TO YOU WHO FAITHFULLY OBEY US AND DO WHAT WE SAY.
I bless you all at this moment generously with My BLESSED DAUGHTER and with SAINT JOSEPH."

CENÁCLE OF NATIVITY, OF OUR LADY'S BIRTHDAY - MESSAGE FROM

OUR LADY

“-My beloved children, today, when you celebrate the Feast of MY NATIVITY, OF MY BIRTH, once again I come to call you all to TRUE LOVE FOR THE LORD, through My IMMACULATE HEART and to truly be the warm blanket for your BLESSED MOTHER, always giving Me more: your love, your affection, your complete obedience and docility to My IMMACULATE HEART.
Be My blanket, My maternal blanket, warming Me every day with your PRAYER, warming Me for so many cold and icy hearts that don't love Me, that don't love My Son JESUS, that live far from Us and everything doing to offend and hurt Us. In this way, you will be the warmest blanket, which will give your newborn Celestial Mother the comfort and affection of your pure love, your fidelity, your burning devotion and also your complete docility to everything that She as CELESTIAL COMMANDER, while your GENERAL tells you and asks you to do. With this DOCILITY you warm Me with the Mystic Blanket, the Mystic Blanket of your love, your obedience and fidelity and you give My Heart unprecedented joys!
Be My warm maternal blanket, giving Me every day small flowers of PENANCE, of SACRIFICE, above all, of ACCEPTANCE of the crosses that the Lord allows you each day, so that, in this way, offering Me this great mystical and spiritual strength, I can convert many sinners, many souls around the world and so can My Heart be warmed by the love of My children, who from everywhere I want to call for CONVERSION and RETURN to GOD, to the safe fold of My HEART IMMACULATE.
Be My maternal blanket, warming Me every day with the PRACTICE OF THE VIRTUES, especially those I love the most:
- LOVE,
- GENEROSITY,
- CHARITY,
- PURITY,
- INNOCENCE,
- HUMILITY,
- THE MANSIDENESS.

SO THAT, MY CHILDREN, YOU, TRULY EVERY DAY WITH YOUR WORKS AND WITH YOUR LIFE, CAN GIVE TO THE LORD THE PERFECT GLORIFICATION AND TO ME YOUR BLESSED MOTHER THE WARMTH OF THE PUREEST, TRUTHFUL AND BURNING LOVE THAT COMES OUT OF YOUR SOULS .
I WAS BORN IN TIME AND IN SPACE, TO BE THE DAWN OF SALVATION AND TO BRING YOU THE REDEEMER, THE ONE WHO WOULD REDEEM THE WHOLE WORLD AND BRING SALVATION TO HIM.
I WAS BORN TO BE A SIGN OF HOPE FOR YOU.
I WAS BORN TO BE THE CAUSE OF YOUR JOY.
I WAS BORN TO BE THE STAR THAT LIGHTS YOUR WAY EVERY DAY, TO LEAD YOU TO GOD AND TO HEAVEN.
I WAS BORN TO BE FOR YOU A PURPOSE OF HOPE AND A GUARANTEE THAT IN THE END GOD WILL TRIUMPH AND MY IMMACULATE HEART WILL BRING TO THE WHOLE WORLD THE KINGDOM OF THE SACRED HEART OF JESUS WITH THE GREATEST VICTORY OF MY IMMACULATE HEART.

I WAS BORN TO BE YOUR COMFORT, TO BE YOUR PEACE, TO BE YOUR REFUGE, TO ALWAYS BE YOUR MOTHER WHO EMBRACES ALL HER CHILDREN AND SHAKES HER IMMACULATE HEART WITH LOVE.
Move forward My children along the road that I have pointed out to you. Yea! Move on, because following Me you will not lose yourselves, being docile to My voice you will not err, obeying Me you will do the will of the HOLY TRINITY and one day in Heaven you will be crowned with the Crown of Victory.
Here, in this place, where I am completely loved, glorified, obeyed and followed firstly by my little son Marcos, the most striving of all My children, and then by you My children who love Me and obey Me, Here, My Triumph has already begun. and the defeat of Satan in hearts and in many souls. I went on praying all the HOLY HOURS that I gave you, doing everything that I have asked you in My Messages and always trying to bring to all My children, to all your brothers My love and the maternal light of My Heart Immaculate.
In this way, We will drive out the darkness, neutralize the force of Satan in the world and make the TRIUMPH OF GOD and MY TRIUMPH increasingly come true on this Earth and among you.
I am with you My children and there is no time when I feel happier than when I appear Here to speak to My little son Marcos and to be with you.
Go forward with all your PRAYERS, because they console me a lot and comfort the Heart of My Son.
I, your Mother, bless you now giving you My SPECIAL BLESSING from LA SALETTE, from PELLEVOISIN, from MEDJUGORJE and from JACAREÍ.
Peace My beloved children, stay in the Peace of the Lord!”

“-My beloved brothers, I, TERESA MARGARIDA OF THE HEART OF JESUS, Servant of God, of the Mother of God, come today to bless you and give you Peace.
My beloved brothers, be truly sparks of the SACRED HEART OF JESUS, in this world that has turned away from God, that has become a slave of the devil and of sin and that has given itself completely to evil and is walking with great strides towards the abyss of eternal perdition.
Be sparks of the SACRED HEART OF JESUS, lighting His fire in all the hearts you can, in all the families where you can reach and to all the corners of the world where you can take the FLAME OF THE SACRED HEART OF JESUS. So that the whole world may be scorched by these flames and may truly become a furnace of perfect love for the Lord, for the Mother of God and also for love among men.
Be the sparks of the SACRED HEART OF JESUS, bringing light where there is darkness, faith where there is disbelief, love where there is hate, concord where there is discord, truth where there is a lie. CENACLE OF THE FESTIVAL OF GOD ETERNAL FATHER - MESSAGE FROM OUR LADY

"-My beloved children, today with great love in My IMMACULATE HEART, I come again to call you to be My little violets, which truly are mystical flowers

that adorn My Immaculate Heart, perfuming it with the perfume of your LOVE, of your SACRIFICE, of your HUMILITY, and, above all, of your PATIENCE.
Be My Mystic Violets of love, giving Me your prayers every day that are always purer, always more alive and always more burning with love. Therefore, you must cultivate the spiritual life within you every day and at all times, for it, like a small violet, like a flower, if not watered every day, soon withers, dries up and dies.
YOU CANNOT LIVE A SINGLE DAY WITHOUT A LOT OF PRAYER, WITHOUT SPIRITUAL READING OF MY MESSAGES, OF MY LIFE, OF THE LIFE OF THE SAINTS, BECAUSE IN THIS WAY MY CHILDREN, YOUR SOUL WILL WITHDRAW AND DIE SPIRITUALLY IN A SHORT TIME.
Cultivate, therefore, the Mystic Violet of spiritual life in your soul, always trying to nourish it with many, many prayers, many meditations, and, above all, with your heart always desirous, eager to find GOD.
FOR TO WANT GOD IS ALREADY TO LOVE HIM,
TO WANT HIM IS ALREADY TO OWN HIM.
THINKING ABOUT LOOKING FOR HIM IS ALREADY CALLING HIM BY THE FATHER'S PRAYER.
Be My little Mystic Violets, giving Me every day of your life your courageous sacrifice, which in the first place must be the fulfillment of all your duties, then the serene, resigned and calm acceptance of the sufferings that the Lord allows you , always bearing in mind that your sufferings are not in vain, they all serve for the salvation of humanity, of souls and therefore you must understand My dear children that your sacrifices change the world, move away from you and of humanity so many punishments, so many wars, so many evils, so many pestilence, hunger, famine and bring you new days of happiness, peace and joy.
With your sacrifices, many souls that are prisoners in the chains of sin, are freed and converted and many other souls that are possessed by the devil, are freed immediately from the shackles by which he drags them wherever he wants.
With your sacrifices you can even free entire families, entire regions, entire nations from the yoke of slavery to sin and from so many things that it has introduced into the world through sin in order to imprison souls more and more to its tyrannical and satanic dominion.
With sacrifices, therefore, you can obtain immense graces and wonders from God.
For this reason, I call you every day My Mystical Violets of sacrifice, who with their small sufferings and also with their small courageous voluntary acts as the Saints did, as small abstinence, small renunciations added to your sufferings in this way, you can offer all to the HOLY TRINITY through Me, a great mystical force of sacrifice, which will attract so many graces, so many blessings to you and to the whole world!
Be My Mystic Violets, giving Me your faithful yes every day, renewing ever more your consecration to My Immaculate Heart and living like My true Apostles of the Last Times, who lead to all hearts and souls always more My Messages, the knowledge of My Apparitions that My little son Marcos, the most diligent of My children, made known to you Here, either through the HOLY HOURS OF PRAYER or through the VIDEOS he made for you, giving all these My treasures to the knowledge of all souls, you truly help Me to

triumph in hearts, to reign in families and to make My Son JESUS soon better known, more loved and reign in all hearts!
Be My Mystic Violets, giving Me every day your service, your work, your dedication and always keep in mind My little children that I will reward you here on Earth and later also in Heaven, giving you all My Love , giving you all My protection, giving you all My affection, giving you a very special place in My Immaculate Heart, engraving your names on it from where they will never be erased. And in Heaven I will give you the crown of eternal life, I will give you a particular and unique knowledge of My Privileges, My Glory, My Love, which I will not give to others who have not served Me SPREADING MY MESSAGES, MY HOLY HOURS OF PRAYER and EVERYTHING I HAVE GIVEN HERE. And I will give you for all eternity to be always immersed and immersed in the depths of My Maternal Love, of My Peace,
FORWARD MY CHILDREN!
TIME RUNS FAST!
THE TIME IS ENDING!
THE TIME GIVEN BY GOD FOR THE CONVERSION OF HUMANITY IS FINISHED!
And now it is necessary that as never before, like swift eagles, you fly everywhere carrying My Messages, making known to My children all that I have entrusted to you Here, so that we can save all those who can still be saved and I may give to My Son a third of humanity that is truly converted, sanctified, purified and prepared to receive Him at His Glorious Second Coming, at His Glorious Return that is already approaching you.
YES MY CHILDREN! EVERYTHING I HAVE PROPHECIZED TO YOU, FROM LA SALETTE, FÁTIMA, MEDJUGORJE, MONTICHIARI, GARABANDAL UNTIL I GET HERE, WILL HAPPEN.
HEAVEN AND EARTH SHALL PASS, BUT NOT ONE 'A' OF MY MESSAGES SHALL PASS UNFULFILLED.
IN THIS HOUR WHEN THE DEMON SEEMS TO BE THE SECURE WINNER OF THE WORLD AND ALL THINGS, I INVITE YOU TO RAISE YOUR LOOK, FULL OF CONFIDENCE TO ME, SURE THAT YOUR MOST HOLY MOTHER, WHO HAS ALREADY DRAWN OUT THE WHOLE STRATEGY OF THE GREAT WAR, THAT SHE IS FIGHTING HER ADVERSARY, SHE ALREADY KNOWS THE RIGHT TIME OF ITS FINAL VICTORY OVER SATAN AND ALSO THE TIME OF YOUR FINAL VICTORY.
Therefore, onward, My little children!!! Forward, being My Mystic Violets, giving Me every day the sweet perfume of your prayer, of your fidelity, of your docility, of your obedience to My Voice, also giving Me the sweet perfume, the sweet fragrance of your sacrifices , of your sufferings borne with love and offered with love to Me, so that I can reach for you and for the whole world a new era of peace.
Thus, every day the ETERNAL FATHER, looking at you and contemplating you in the Garden of My Immaculate Heart as lush Mystic Violets LOVE, PRAYER and PENITENCE, He will pour over the whole world a new shower of Mercy, converting so many hearts, illuminating so many souls that are in darkness and leading all My children, all Our children to the New Heaven, the New Earth, the Road to Holiness.
HERE, where I will fulfill all that I have said, all that I have prophesied, from LA SALETTE, FATIMA until I arrive HERE and where I am perfectly loved,

glorified, served and obeyed, I want to accomplish even more profound and greater things in you.
Continue to study the CHRISTIAN VIRTUES, which in some of My MESSAGES, I explained to you, JOSEPH explained to you, the ANGELS explained to you. So that My children, knowing well what you should practice, you can then correctly live these VIRTUES, practice these VIRTUES and give the world a true and solid example and witness of holiness.
I bless everyone at this moment with love and especially to you Marcos, the most devoted of My children... from LA SALETTE, from the CHAPEL of RUE-DU-BAC in PARIS, from HEROLDSBACH and from JACAREÍ."
2nd MESSAGE FROM SANTA
GENEROSA "- My beloved brothers, I, GENEROUS, come with the MOTHER OF GOD today to bless you and give you My Peace!
I come to call you to be truly today, incandescent flames that carry the Divine Love of the Lord everywhere, scorching all souls with this Love and letting this love set the whole world on fire.
Be incandescent flames, which kindle the fire of divine love in all hearts with whomever you may speak, wherever you may reach. Carrying the flame of the HEARTS OF JESUS MARY AND JOSEPH, which is the HOLY SPIRIT himself, and lighting this flame in souls, you give the THREE UNITED HEARTS joys every day. You give to all the ANGELS and to Us the BLESSED ones of Paradise an accidental joy that is simply incredible to express to you, impossible to explain in words. You give the HOLY TRINITY such glory that you cannot imagine!
Every day, therefore, you must seek the souls of the most distant, the most distant from the LORD and the Mother of GOD, and try to ignite, in all the ways you can, in these hearts, the Flame of Divine Love. This flame must first burn in your hearts, burning you day and night.
This flame, which is the HOLY SPIRIT itself, which is the LOVE OF GOD, will only be able to live in you, burn in you and grow in you if you every day, through PRAYER, MEDITATION, SILENCE, INTIMACY WITH GOD. , of the CONFIDENT DELIVERY OF YOURSELF TO GOD, of the PERFECT CONSECRATION, of the PERFECT RENUNCIATION OF YOURSELF, to be perfectly docile and free for God to act.
Only then will this flame be able to exist within your heart, grow within your heart and from your heart spread to all other hearts!
Therefore, beloved brothers, do not waste time with vain things, seek heavenly things, dedicate yourself to them, seek to grow and always more to feed your souls with the meticulous study of the CHRISTIAN VIRTUES, of the MESSAGES that you have already received here. , so that you may know about yourself the Will of the Lord.
This flame, this flame of Divine Love, which wants to grow in you until it completely consumes you and gives birth to the new man in you, the man transfigured into God, the sanctified man, the spiritual man that overcomes the carnal man, this flame now it wants to act and work in you like never before, it wants to break out within you like never before and from your hearts it wants to spread itself over the world like never before!
Therefore, now, LEAVE YOURSELVES, that is:
put aside your wills, put
aside your attachments, even the spiritual ones,

and conform yourself to what the Mother of God Here throughout all these years proposed to you, asked you.
Take the shape desired by Her.
Shape your will according to the Will of the Lord and Hers.
So that finally in your souls the flame of the Holy Spirit can now work wonders and wonders, launching you to heights of wisdom, love and grace that you never imagined reaching until today.
I, GENEROUS, am with you to help you reach this great degree of holiness.
The Lord and the Mother of God expect great things from you, that's why Here They have given you such great help, such great Messages, such great Prayers, such great incentives to propel you towards holiness.
Come My brothers, take My hand!
Do not defraud the Lord! Do not defraud the Mother of God!
Do not let them down with your ill-will by making useless so many treasures, so much effort, so many goods that they have given you here.
Let's put all this into practice so that the glory of the Lord, the glory of the Mother of God, who here in these Apparitions are so great, will shine over the whole world.
I, GENEROUS, want to help you in this arduous mission. To all the hearts that you speak of the MESSAGES OF THE MOTHER OF GOD, I will be right there by your side to help you, to anoint your prayers, to anoint your words with the anointing of the Holy Spirit so that hearts are softened and touched .
I promise to be between your souls and GOD, begging you for so much help, to help you win hearts for the Lord.
Continue with all the prayers given to you here.
Continue with the ROSARY which is so well accepted by the Lord. What light each ROSARY bead, each HAIL MARY, each ejaculation, each supplication of the THREE OF TEARS, of the THIRD OF PEACE and all the others that the Mother of GOD gave you or asked you to pray!
This light penetrates Paradise, fills all of Heaven, touches the Heart of the HOLY TRINITY and attracts so many graces to you!
If you could see how many lights come out of the prayers of your rosaries and rise to Heaven and at the same time how many lights, how many blessings, how many graces fall upon you from Heaven, you would not stop praying even for a moment!
I, GENEROUS, am here to support you, encourage you in PRAYER and tell you:
PRAY!
For with PRAYER you will make all the sufferings, all the difficulties pass in your life and you will soon reach the NEW HEAVENS, the NEW EARTH, which will come to all of you as a reward for all those who obey the MESSAGES FROM THE MOTHER OF GOD who loved her with all their strength and who left everything out of love for her.
I bless everyone at this moment with love, especially you Marcos, the most beloved of Our brothers, the dearest of Our friends and also this Place that We in Heaven love so much and for which we watch so much night and day.
Peace!"

MESSAGE FROM THE LOVING FATHER SAINT JOSÉ

"-My beloved children! Today I, JOSEPH, call you to open your heart to My MOST LOVELY HEART. Deposit in them My Love, My Grace, My Peace, My Joy, My Light.
So that you may be My luminous mirrors in this world in darkness, making the Light of Heaven shine in it, in this world.
Be My luminous mirrors, reflecting My Love, My Goodness, My Purity to all souls, through your own purity, goodness and love. Trying to make each day more of your life a continuous act of love, a constant giving of yourself to the Lord and to the salvation of souls, and thus to give the world a shining witness of true love, of divine love.
If you are these luminous mirrors that I want, your whole person will reflect Mine, your whole soul will reflect My Holiness, all your actions will reflect Mine. And then, souls, when they see My luminous presence in you, My luminous reflection, will walk towards this Light and will embrace this Light, banishing forever the darkness of their being and their lives and in this way you will walk every day more and more in towards the Light of the Lord.
Be My luminous mirrors, giving all My children ever more: the light of Prayer, the light of the Virtues practiced by you and ever more exercised, giving everyone the Light of My Peace, which drives away all affliction, all despair . And so, My children, in the world, we will make My Light, the Divine Light, triumph over the darkness of Satan, the world and sin and all souls will grow like lush flowers, receiving the Light of My Heart, which as a sun makes all the flowers bloom.
If you are the luminous reflections, the luminous mirrors of My Heart, it will be easy for us to overcome the darkness and shed My Mystical light in so many hearts, in so many families and in so many nations!
Continue to pray all the PRAYERS that I have given you Here, that We have given you Here, because through these PRAYERS My children, we are performing in your souls great holy works: conversion, sanctification, spiritual improvement. You must put all your zeal and fervor in this, for your spiritual progress and that of so many souls depend on it.
My LOVING HEART that chose this Holy Place, that chose My little son MARCOS first and then you, to transform you into extraordinary works of holiness so that the world can see the glory of God and finally give Him his heart, in you, I want to do wonders, in you My Heart wants to do even greater works.
Therefore, from you: greater docility, greater correspondence and even greater obedience, I ask.
I bless everyone at this moment with love and especially you Marcos, the dearest son of My MOST LOVELY HEART."

MESSAGE FROM THE QUEEN OF HEAVEN AND EARTH

“-My children, I am the QUEEN FROM THE UNIVERSE!
Heaven, Earth and even hell are subject to My Empire, where are the demons who are forced, willingly or unwillingly, to obey Me and to flee when I order them to rush to the depths of their infernal caves and leave in peace so My beloved children.
As QUEEN OF THE UNIVERSE, I have in My Hands all the Graces of GOD, because He made Me the SUPREME MEDIATOR of all of them and therefore I can give these Graces to whoever I want, as much as I want and however I want.
With this supreme power that the HOLY TRINITY has given Me, I will soon produce the GREAT MIRACLE OF THE TRIUMPH OF MY IMMACULATE HEART, which will coincide with the SECOND DESCENT OF THE HOLY SPIRIT to the world to renew it and transform it from hell and hate, sin and violence, in a tranquil and serene GARDEN of grace, love and holiness.
This swamp, this desert of sin and evil that you now see, will very soon disappear and will be replaced by a NEW HEAVEN AND A NEW EARTH that are already arriving, that are already emerging on the horizon and that already indicate to you that the time for the greatest TRIUMPH is near. OF GOD that I prophesied in LA SALETTE in My GREAT SECRET given to My little children MAXIMINO and MELANIE and with that to My children, to the faithful servants of GOD, those who have walked the path of PRAYER, PENANCE, HOLINESS, ESCAPE FROM EVIL and of IMPIITY throughout all these years, these My children, these faithful servants of Mine will finally receive the Promised Land, the Promised Peace, the Promised Victory!
I am with you My children! And every day you must look at My Crown as the Queen of Heaven and Earth, at My Hands full of rays of grace, so that you will never forget that I am the QUEEN OF THE UNIVERSE, that I am the Mediatrix of all THANKS OF GOD and that all things are subject to Me, to My Empire, including the tragedies, sufferings, pains and crosses that the Lord allows in your lives.
I am by your side always and as QUEEN OF THE UNIVERSE I know how to moderate your suffering and the weight of your tribulations so that they do not crush you.
I also know when to increase the VIRTUE OF FAITH in you, so that you can stand firm and withstand every test. I know all the graces you need so that you, My children, can continue forward even carrying the weight of the cross.
Therefore, you will never lack graces because I am the QUEEN of them all and I have them all in My power. Only the timid will not persevere, that is, those who do not accept GOD'S WILL concerning them and therefore lose the aid of divine grace and My blessings that were prepared to be given to them to make them strong, suitable for their mission.
Therefore, little children, trust in Me and also respond to the Love of God, to the call of God and to My call so that you do not become unworthy of further aid from the grace of God and My Maternal Love.

Look also at My feet that crush My adversary's head in the MIRACLE MEDAL, which I revealed to My little daughter CATHERINE LABOURÉ on Rue Du Bac in Paris and which I also showed Here in My MEDAL OF PEACE to My little son Marcos.
My Immaculate and powerful Foot that crushes the head of the infernal serpent

is the guarantee, the pledge for you that in the end I will only triumph, I will only be victorious.
I've always known, I'll always know where and when to step on this serpent's head. Therefore, little children, do not be afraid! Do not despair if for now the infernal serpent still stirs around you and still tries, still tries to strike you and devour you. Oh no! Because the Mother of Heaven is close to you and at the right time determined by the Lord I will step on her head and this time, forever. Therefore, continue with all the PRAYERS that I have given you here, because through them every day, every day, I annihilate a little more the works of Satan in the world, I neutralize the evil perpetrated and committed by him with the help of men. wicked and ungodly, and I always obtain new and great favors from the Lord for all of you.
With the PRAYERS that you make, with the PRAYERS that I gave you Here, with the HOLY HOURS OF PRAYER, every day we reconquer more and more ground that My adversary conquered to restore My divine Son JESUS CHRIST as a precious part of His Reign, of the Your Empire of Love. And with these PRAYERS, every day we speed up the GLORIOUS HOUR OF THE TRIUMPH OF MY IMMACULATE HEART.
Satan now turns in fury, he stirs, he launches himself against you, he attacks you like a serpent that sees that he is about to have his head crushed by the aggressor, by his enemy, so My children do not be afraid of him, because his days, his days are already numbered, the days of his evil reign of wickedness and sin, of darkness and evil over the world are numbered and MY IMMACULATE HEART WILL SOON TRIUMPH.
PRAY I... PRAY I... PRAY I...
PRAYER is the only solution to all things, the only answer, the light that never goes out, the sun that never sets, the star that never disappears in the darkness of the night of pilgrimage on this Earth.
PRAYER is the guide, the faithful friend who never leaves the foreign traveler.
PRAYER is and will always be the rock that will never be shaken under the feet of My children.
I bless you all at this moment generously, from LA SALETTE, from KERIZINEN and from JACAREÍ...
Peace My beloved children!”

MESSAGE FROM OUR LADY

“-My dear children, in this month in which you will celebrate My APPEARANCE IN LA SALETTE, I want to truly invite you to be songs of joy for My IMMACULATE HEART, to replace the great sadness of My Heart for the loss of souls by songs of joy and for a perfect and supreme interior joy in My Heart,

giving Me more and more your PRAYERS, your SACRIFICES, your PENITENCES, thus becoming MYSTIC ROSES of PRAYER, of SACRIFICE and of PENANCE, that around My IMMACULATE HEART replace the thorns that pierce It with the freshest flowers that give My Heart joy and contentment.
I call you to be the MYSTIC ROSES that I wore in My APPEARANCE IN LA SALETTE around My Head, My Heart, My Chest and also around My Feet. If you truly live a life of intense, profound PRAYER, SACRIFICE and PENANCE, you will crown My head with these ROSES OF LOVE, you will surround My Breast, My Immaculate Heart with the most perfect roses of the purest love and you will also surround My Feet tired of traveling the whole Earth, calling sinners, calling My children to conversion, giving Me rest and relief in your hearts.
You My children must now pray more than ever and offer sacrifices more than ever to My Heart, so that My Heart thus completes in you, in the Nations and in the whole world, the Plans that began since My APPEARANCE IN LA SALETTE and the SECRET OF THE LAST TIMES that I entrusted to My little daughter MELANIE CALVAT there, can truly now be fully fulfilled and so the TRIUMPH OF MY IMMACULATE HEART comes to you, comes to My children, transforming the entire face of the Earth and establishing in it the KINGDOM OF THE SACRED HEART OF MY SON JESUS where everyone will love and adore the Lord.
Therefore, I call on My children, I call on My souls to rise throughout the world as the WHITE, RED AND YELLOW ROSES of PRAYER, SACRIFICE and PENANCE, to now spread the sweet perfume of the VIRTUES, of PRAYER and of the SACRIFICES that transform the soul of the sinner in Angel of Heaven, more than ever so that we may overcome the darkness and the mystical light of My Heart may now shine in the world and triumph over all the darkness of sin, violence, hatred and disobedience to God .
I keep moving forward My children! I remain at the head of My army. I continue to walk ahead of you. It is not you who carry Me, it is I who lead you, so have confidence in Me, I will guide you on a safe path, even if you are often hit by the blows of My enemy or tribulations, have confidence, the path along which I I lead you is the path that will make you reach the Safe Harbor of Eternal Salvation in Heaven and the TRIUMPH OF MY IMMACULATE HEART in time and in this world.
I bless you all generously now: from LA SALETTE, from POINTMAIN and from JACAREÍ.
Peace My children! Peace to you Marcos, the most strenuous and dedicated of My servants."

MESSAGE FROM OUR LADY

"-My children, today, when you celebrate another month of MY APPARITIONS HERE with My Son Jesus, with JOSEPH, with the ANGELS and SAINTS of

Heaven, I come again to tell you:
I AM THE QUEEN AND MESSENGER OF PEACE!
I AM THE ONE WHO CAME TO BRING YOU THE PEACE OF THE LORD FROM HEAVEN AND I CAME TO SPREAD THIS PEACE TO THE WHOLE WORLD!
This PEACE, the DIVINE PEACE, the ENDURING PEACE I will give to all those who strive to obey My requests, to carry out what I have asked for in My Messages and in this way to make My appeals known to the whole world. .
Many want PEACE, but they do not want to obey My Messages. So it is impossible for Me to give PEACE to your hearts, to your families and to all humanity, because without PRAYER, without SACRIFICE, without PENANCE, without fulfilling what I say in My Messages, it is impossible to have PEACE.
ONLY WHERE THERE IS PRAYER, ONLY WHERE THERE IS FULL AND PERFECT CORRESPONDENCE TO MY MESSAGES CAN HEAVENLY PEACE BE.
Therefore, as QUEEN AND MESSENGER OF PEACE I say to you:
Open your hearts to Me, accept My Love, fulfill everything I ask in My Messages and little by little you will see Peace return to your lives.
Only when My Messages are accepted in the hearts of men, they are truly fulfilled, will the PEACE of Heaven descend through the ANGEL OF PEACE and then it will spread over the entire world.
If people, if My children, if families pray the ROSARY every day, if they do the HOLY HOURS OF PRAYER that I have given you and asked for Here, if you fulfill My requests, then the ANGEL OF PEACE will soon descend to Earth to give PEACE to the world. Otherwise, if My Messages are not obeyed, if the Prayers that I asked for are not made, the ANGEL of JUSTICE, of the Justice of God, will not take long to strike this world with the punishments to punish the sins of the world, with war, with famine, with famine, with mysterious, incurable and resistant diseases, with pestilence and with all the bad luck of sadness and misfortunes.
Sin is an evil that cannot go unpunished or unpunished. Therefore, if men continue to sin and offend the Lord, they themselves will attract new and greater punishments. On the other hand, with PRAYER, PENANCE and CONVERSION, men remove punishment from themselves and attract new and great graces.
That is why My children I call you today again to increase, to renew prayer in your lives and in your families and also to renew your love in SACRIFICE and in PENITENCE so that we can reach for the whole world the grace of a new time of PEACE.
Today, which is the day of your homeland, the day of Brazil, I call you to increase your prayers and sacrifices for this Country that is so loved by Me, but which is also so under siege by my adversary, by Satan, who unfortunately has conquering more souls, more families and sowing sin, destruction and spiritual death in so many of My children.
ONLY A GREAT ROSARY CRUSADE CAN SAVE BRAZIL. That's why I asked it so many years ago for you here and I want you to get more and more new people to join the CRUSADE OF THE ROSARY to save Brazil, to pray for the conversion of Brazil.
Satan knows about the BIG PLANS I HAVE FOR BRAZIL ESPECIALLY REGARDING MY APPEARANCES HERE.

That's why he acts so much in Brazil, causes so much harm, so much damage and drags so many souls, seducing them to the path of death and sin.
That's why, to annihilate his strength, to nullify his satanic action I always ask you more:
PRAYER... PRAYER... PRAYER...
Don't waste time with chatter and arguments , you will achieve nothing with this, take the ROSARY and PRAY, PRAY, PRAY.
Do the HOLY HOURS of prayer that I have given you for the conversion of Brazil, for it is the only thing that can take it out of the great abyss into which it has fallen.
I WILL TRIUMPH IN BRAZIL!
This country so loved by Me but so under siege by Satan and which now knows the predominance of evil and sin, this country, this swamp of sin, will be reborn, will rise again and will be the Garden of MY IMMACULATE HEART for which I will have a special predilection and solicitude. , therefore My children I say to you, have confidence in MY IMMACULATE HEART, that in the end He will triumph and you with Him will also triumph. Because of the Love I have for My son Marcos, because of the love I have for this Place, because of the Love I have for everyone who sincerely obeys My Messages Here, I will save all of Brazil, the entire world and I will make the glory of MY IMMACULATE HEART may shine over the whole Earth.
PRAY! PRAY! PRAY!
Pray My MEDITTED ROSARY, which My son Marcos recorded for you is the most perfect and the one that most touches My Heart.
PRAY! PRAY THE HOUR OF MY TEARS, by the power of this PRAYER and of MY BLESSED TEARS I will save Brazil, I will save the whole world.
I bless you all at this moment with love from FÁTIMA, LA SALETTE and JACAREÍ.
Peace My beloved children!"

MESSAGE FROM OUR LADY

"-My beloved children, today, when you are approaching the day of the ANNIVERSARY OF MY APPEARANCE IN LA SALETTE, I come again to call you to truly be the ANGELS who dry My Maternal Tears, who release JESUS from the Cross and who truly are The Apostles of the Last Times, the Apostles that My Immaculate Heart came to Earth to look for in My Appearance in LA SALETTE, in all My subsequent Appearances and especially in My Appearance Here in JACAREÍ.
In My Appearance in LA SALETTE I showed the SHEPHERDS MAXIMINO AND MELANIE in My Breast My Son JESUS CRUCIFIED. On one side there was a hammer, on the other side there was the pincer on the cross, symbol of reparation, of reparation, of the conversion that all of you must do and have in your lives in order to take My Son from the cross and relieve Him in His great Suffering.

Detach JESUS from the Cross, with your daily conversion, trying every day to defeat your defects in yourselves, try to practice the virtues more, exchange bad habits for holy habits: of PURITY, of PRAYER, of MEDITATION, of PENITENCE, of GENEROSITY, HUMILITY, MAGNANIMITY and all other VIRTUES, cultivating in you STRENGTH, TEMPERANCE, JUSTICE so that your souls, perfectly filled with the VIRTUES and GIFTS of the ALMIGHTY, can give the whole world a shining example of HOLINESS, of LOVE TO GOD and PERFECT FIDELITY TO HIS LAW OF LOVE.
Detach JESUS from the Cross, with your daily, continuous, persevering, profound PRAYER, ever more burning with love for the Lord, ever more conformed to His Will, so that then God can carry out His Holy Will in you and your life may become a living sign of His Love and His presence in the world.
Untie JESUS from the Cross, untie JESUS from the Cross surrendering yourselves, donating yourselves with all your being to the SACRED HEART OF JESUS, living as true consecrated persons of His Heart, of My Heart, of the Heart of JOSEPH, so that, being the Apostles of the Last Times, take Our Messages by word and example to all Our children who still do not know them so that the world truly knows the truth and can be freed from slavery, sin and the domination of Satan by the power of the TRUTH .
Be the wreaths of roses that I showed to MY LITTLE SHEPHERDS IN LA SALETTE that encircled My Head, My Chest and My Feet.
If you are the mystical roses of PRAYER, SACRIFICE and PENANCE that in LA SALETTE and HERE I came to seek, you will remove the thorns that pierce My Heart, replacing them with the most perfect, softest, fragrant and sweet roses of love, of fidelity , in correspondence with My Maternal Love, you will also remove from My head the thorns of the outrages, blasphemies and contempt that I receive every day from the proud, proud and rebellious men of My Messages and you will give relief to My Feet so tired of traveling the world calling My children to conversion, fighting alone for their salvation, trying to touch their hearts, trying to open their hearts through My extraordinary Apparitions and My Lacrimations, even of Blood,but seeing with sadness that most of the time My great maternal efforts to warn you and call you all to conversion were frustrated by your hardness of heart, your blindness, your insensitivity, your attachment and love to sin, your rebellion to My called.
If you are these mystical roses, you will give Me relief and rest in your souls and I will truly make in you My Heavenly Garden where I will sow the seeds of VIRTUES, PURITY and HOLINESS that will produce the most beautiful, most fragrant flowers for the greatest enchantment of Holy Trinity.
In LA SALETTE I appeared over a Fountain that dried up from time to time and then started running again. That Fountain is the figure My children of your so often inconstant heart, which sometimes wants God, sometimes doesn't, sometimes prays, sometimes no longer prays, sometimes wants Heaven, sometimes wants sin, sometimes loves Me, sometimes is indifferent to me.
Your heart, your souls so often dry for lack of prayer, for lack of love, meditation, care for the spiritual life, your heart so often fickle, hesitant, is often a desert for Me where I seek in vain for water of your love and I cannot find it.
Be the Fountains that never dry up, fountains of love that flow perennially, always gushing the water of holiness, of prayer, of obedience to My maternal Voice, of fidelity to the Lord.
Therefore, I want you to be like the FOUNTAIN OF LA SALETTE that after My

Apparition never stopped flowing and healed so many people with the water of your Faith, of your Prayer, of your Holiness, of your Love to heal the souls of so many of your brothers and sisters who have been sick for so long with mortal sin and many are already dead and decaying.
You, being this salutary water, will revive the desert of this world, you will cause many souls of My children who are dead by sin to resurrect and return to the life of grace.
If you are like My FOUNTAIN OF LA SALETTE, I will bless you, I will fill you with My graces and in you I will produce the greatest Triumph of My Immaculate Heart.
Continue with all the Prayers that I have given you Here, because through them I will triumph in the whole world, making the HOLY HOURS OF PRAYER that I have given you Here, the MEDITTED ROSARY that My Son Marcos made for you, you give Me unprecedented joys, pray the THOUSAND HAIL MARIES, where My ROSARY is prayed I am present with many graces, but where the THOUSAND HAIL MARIES are prayed I am present with all My Graces.

THEREFORE, MY BELOVED CHILDREN:
PRAY, PRAY AND PRAY.
THIS IS THE MOST IMPORTANT MESSAGE THAT I COME FROM HEAVEN TO BRING YOU.
BECAUSE WITH PRAYER YOU WILL HAVE THE STRENGTH TO FAST.
WITH THE FASTING YOU WILL HAVE THE STRENGTH TO RENOW ALL SIN, YOUR ATTACHMENTS. WITH RENUNCIATION YOU WILL BE ABLE TO PURIFY YOUR HEARTS AND WITH YOUR HEARTS PURIFIED YOU WILL REACH GOD.
EVERYTHING STARTS WITH PRAYER.
PRAYER IS DECISIVE FOR EVERYTHING, FOR YOUR SALVATION, FOR ALL YOUR SANCTIFICATION.
I bless everyone at this moment and especially you Marcos, the most industrious of My children, and I also bless this Place of My Apparitions, this My Sanctuary that for Me is most beloved, most favorite and that makes Me as happy as everything that is done Here in My honor and for My greatest triumph and to all My children who truly love Me, obey Me and fulfill My requests, now descend the abundant blessing of the Lord and MY IMMACULATE HEART FROM LA SALETTE, LOURDES and JACAREÍ.
Peace Mark!”

MESSAGE FROM SAINT VALÉRIA

“-Mark, I, VALÉRIA, servant of the Lord, Servant of the Mother of God, am happy to come and give you My first Message today.

Be truly little petunias of love for the Mother of God, who every day give the perfume of virtues, of holiness, of love, to console Her Heart, to give the Heart of Jesus reparation, love and correspondence and thus, the Sacred Heart of the Lord can come and establish His kingdom of love on Earth as soon as possible and make Peace triumph.

Be petunias of love, giving every day to the Hearts of Jesus, Mary and Joseph small crowns of hidden, humble and simple sacrifices that, although unknown to the world, produce a chain reaction for the enormous, gigantic good, producing the conversion of many souls, including of your own souls.
So that, every day, a great force of expiation rises to Heaven, for so many sins with which the Divine Majesty of the Lord is offended, and also of supplication for the conversion of sinners, causing the Divine Mercy to truly rain on Earth.

Be petunias of PENANCE, trying every day to convert yourself a little more, trying to defeat your personal defects, overcome your limitations, overcome your languor, that is, leave once and for all your self-indulgence and spiritual laziness and ever more advance in the practice of the VIRTUES, in the service of the Lord and His Most Holy Mother and in your spiritual improvement.
WHO DOESN'T ADVANCE REGRESS!
WHO DOES NOT GO FORWARD WALK BACK!
Therefore, you should never stop in the way of your spiritual progress, because if you have the illusion that you will stay in the same place, you are very wrong, you will soon turn back and the state of your soul will be much worse than before. of your conversion.
I walked forward. Fight to advance each day. I conquered you! I conquered you! Praying more and more, meditating more and more and saying no to everything that your corrupt nature wants and asks of you.
Mortify your nature and your soul as a swift eagle will fly high on the path of sanctification.
Be petunias of humility, generosity and self-giving, seeking ever more in your life to know the Will of the Lord, to put it into practice even if it costs you to sacrifice, even if the whole world abandons you because of this, because the Lord will be with you, the happiness of the certainty of fulfilling the Will of the Lord will be in your heart and with this certainty no enemy will be able to defeat you.
Finally, you must truly be like the LITTLE SHEPHERDS MAXIMINO AND MELANIE were in LA SALETTE, pure souls, crystalline hearts who receive the orders of the Mother of God and promptly communicate them and make them obeyed by all her people.
If you have a crystalline, pure heart, without stains, without stains of self-love, distrust and atheistic rationalism, the Lady will constantly visit your heart, pouring PEACE, JOY, LOVE in your heart and making the seed of all virtues grow in your heart. .
Finally, you, be the big handkerchief that the Lady brought in HER APPEARANCE IN LA SALETTE.
Be the great scarf that She brought, covering Her Heart, warm Her with your love by being this great scarf, this great spiritual shawl, giving her every day: obedience, docility, correspondence, reverence, respect, love!
I, VALÉRIA, will be with you to help you in every moment of your lives. I will never leave you and with you I will walk until I introduce you triumphant, conquerors in Paradise.
I bless everyone at this moment and especially you Marcos, our dearest friend, the favorite of the Saints in Heaven, who work so hard and struggle to make Us better known, more loved and Christ and His Mother better known and loved through We.

To you who have done so much for Us, to you who have given so much to Us, we now give Our Special and abundant Blessing and to all of you who love Us and who do OUR HOLY HOUR every Wednesday with love, may the blessing descend now of the entire Celestial Court."

JACAREÍ, SEPTEMBER 16, 2012
(Video of this Apparition: http://www.youtube.com/watch?v=ng2WJBgPC0w&feature=g-all-u)

"-My beloved Children, today when you are already celebrating the ANNIVERSARY OF MY APPARITION IN LA SALETTE, to My two Messengers and most favorite Sons MAXIMINO and MELANIE, I come again to call you to truly be: imitators of the VIRTUES OF MY IMMACULATE HEART, Apostles OF THE LAST TIMES AND TRUE SERVANTS OF THE LORD who, together with Me, give Him perfect Love, perfect praise and perfect obedience all the days of your lives.
IN LA SALETTE, I APPEARED WEARING AN APRON, to show you that I am the Servant of the Lord always ready to serve Him, obey Him and promptly carry out all His Orders.
And so, too, you must be, you must gird yourselves with an apron of perfect love, of perfect charity, of perfect obedience and submission to the Divine Will, to fulfill it at all times and places, seeking not only to please God, but do what pleases Him most and in the best possible way. So that every day the hymn of Love rises to the Lord from your life, and from your soul it rises to the Eyes of the Lord, to the presence of the Lord, the purest incense of the perfect love and perfect adoration that He desires from you. .
You must gird yourselves with the apron of conformity to the will of the Lord and obedience to Him, seeking every day to die to yourselves and to your own will, in order to carry out the will of the Lord. So that in you and through you, his mystical light can still shine to this world wrapped in darkness and so, the TRIUMPH of His Kingdom of Love truly happens in all souls and in all nations.
Be as My LITTLE SHEPHERDS MAXIMINO AND MELANIE were: pure, humble and simple of heart, because only in souls like this can I carry out the will of the Lord and Mine, that I can communicate the light of My Immaculate Heart, is that I can dwell with all My Graces so that in these souls I can raise the Mystical cities of God, the citadels of Holiness and Love that I wish to build in all men, in all My children and in all of you.
I call you to be the APOSTLES OF THE LAST TIMES that I asked so much in LA SALETTE. Self-forgetful apostles who live only to serve and glorify the Lord through Me.
My son JESUS and I traveled the whole world looking for souls of true love, souls of pure love, but with great sadness we did not find even ten souls full of true love. We don't find brave souls, we don't find souls made of pure fire, full of zeal, love, courage, detachment and abnegation. That's why Our Hearts bleed, that's why from Our Eyes so many TEARS OF BLOOD come out, that I showed you, in so many of My Images, BLESSED TEARS that I also showed to My LITTLE SHEPHERDS, MAXIMINO AND MELANIE, in My Appearance in LA SALETTE, to My little daughter AMÁLIA AGUIRRE, to My little son MARCOS and to so many of My FAVORITE SEERS throughout the world.

These Tears flow from My Heart, which looked for souls full of Love and did not find them. Here, where I am most loved, most glorified, most served and welcomed by My little son Marcos and by some of My children who truly love Me, I want all of you My children to be these souls of pure love, of pure fire that I came to ask for.
Yea! Souls of burning prayer. Souls of boundless generosity. Unreserved souls of love. Souls of perfect humility. Total trust souls. Souls of complete forgetfulness of themselves to think only of GOD, in her glory, in making Him known and loved by all men and making Me Queen of all Hearts! Souls that have nothing of themselves, but that only have within them the Spirit of Christ, My Spirit that is a Spirit of Holiness, Spirit of Love, of donation, of total oblation, Spirit of purity, of perfection, Spirit of in truth.
I call you to be these Apostles of Mine:
- renouncing impurity,
- renouncing lies,
- renouncing covetousness,
- pride,
- selfishness.
So that your hearts do not have any stain that prevents the Divine Holy Spirit from descending on your souls, unite with you and perform holy works of grace in your souls.
If you are docile to My voice, the Holy Spirit will descend on you and accomplish in you what I came to ask on the HIGH MOUNTAIN OF LA SALETTE. He will perform in you the perfect conversion that will lead the whole world to transform itself into the glorious and Love-filled kingdom of the Sacred Heart of Jesus!
GO FORWARD MY CHILDREN! I AM WITH YOU! WHAT I PROMISED YOU ON THE HIGH MOUNTAIN OF LA SALETTE WILL BE FULFILLED. IN THE END THE LORD WILL TRIUMPH AND BE AGAIN GLORIFIED, LOVED, ADORED AND SERVED BY ALL OF HIS CHILDREN!
MY IMMACULATE HEART WILL TRIUMPH! AND AFTER SAINT MICHAEL THE ARCHANGEL HAS PRECIPATED INTO THE ETERNAL FIRE THE DEMON, THE ANTI-CHRIST AND HIS AFFILIATES, WILL REIGN OVER THE WORLD A WHOLE TIME OF PEACE, OF COMPLETE HAPPINESS THAT MY OBEDIENT, DOCIL AND FAITHFUL CHILDREN WILL RECEIVE AS REWARD AND PRIZE FOR SO MANY PRAYERS, FOR SO MANY SERVICES AND WORKS OFFERED TO ME AND FOR SO MUCH SUFFERING SUPPORTED WITH SO MUCH PATIENCE.
MY HEART WILL TRIUMPH!
That is why you must now pray, you must fight, you must work and walk more than ever because there are still so many of My children who do not know Me, who do not know My Love and who need to receive My Light that only you can make reach They.
As for you Mark, stand firm in your path. Yes always! I am present, I am with you every step you take. Every step of your painful journey is closely followed by My Maternal Gaze, by MY IMMACULATE HEART that is your refuge and all your strength.
A little more time and your journey will be over. Work today, work tomorrow, work so that this world knows My Love and becomes My Kingdom of Love.
Yes, my child! Your weariness will serve for the greatest TRIUMPH OF MY

IMMACULATE HEART and for the greatest resurrection of souls.
Yea! Many souls that were dead have already revived, they have already been resurrected thanks to everything you have done for My Love and many others will return to the life of grace, through your work, through your total donation to Me. So onward! With trust and love, because My Immaculate Heart, which has traced its entire strategy until its complete victory, knows how to lead you in the midst of darkness, the turbulent waves of this world and all kinds of storms.

Remember My children, that My IMMACULATE HEART, victorious already in His Immaculate Conception over all satanic dominion, is your lighthouse. He is the Sun that illuminates you and leads you each day closer to the Lord, closer to the port of eternal salvation.
Here where My Heart rests, rests, finds correspondence, love and faith like the smallest and purest children in His Mother, here My Heart has already accomplished and will still perform great wonders in the souls and in the lives of all who answer Me yes.
Therefore, to you to whom I give so much love, to whom I have given so much love, I now ask the most generous and complete YES.
I bless you all generously, from LA SALETTE, from LOURDES and from JACAREÍ.
See you soon My children! See you soon Marcos, the hardest of My little children."
(MARCOS) "Our Lady told me today at the very end of the Apparition, in particular for me, that I would not forget to tell all Her children present here that Her Heavenly Mother loves them very much and that She wants them very well. And as far as it depends on her, she will do everything to take you, to lead you to Heaven."
"May they open their Hearts, may they let My grace enter them and the rest I take care of, I take care of…"

CENTER OF THE 166TH ANNIVERSARY OF THE APPARITION OF LA SALETTE

- MESSAGE FROM OUR LADY

"-My beloved children, today I come again to call you to respond to My Appeals of Love that I made to you in My APPEARANCE IN LA SALETTE, through My TWO LITTLE SHEPHERDS MAXIMINO AND MELANIE.
I come to ask you to quench My thirst for Love with the water of your love.
Give Me the water of your pure, true Love, your love always faithful to the Commandments of the Lord, so that My Heart, thirsty for love, can find in you: correspondence, welcome, affection and thus My Maternal Tears that I showed to My TWO SHEPHERDS ON THE HIGH MOUNTAIN OF LA SALETTE can be dried by you.

THOSE TEARS THAT I SHED WERE NOT JUST BECAUSE OF THE OFFENSES DONE TO MY DIVINE SON, BUT ALSO BECAUSE I LOOK FOR LOVE IN MY HEARTS, TRUE LOVE FOR MY SON AND ME AND I CAN'T FIND THIS LOVE! AT LEAST IN YOU, MY SO BELOVED CHILDREN, MAY THE WATER OF TRUE LOVE NEVER LACK IN THE MIDDLE OF THIS IMMENSE DESERT THAT HAS BECOME HUMANITY.
MAY IN YOUR HEARTS BE PURE, TRUE, SINCERE, FAITHFUL AND LOYAL LOVE FOR THE LORD AND ME, SO THAT IN YOU MY HEART FIND RELIEF, WELCOME AND AFFECTION.
Give Me the water of your true love, praying more every day, meditating on My Messages, doing penance and always trying to respond more and more to the will of the Lord that was clearly and clearly expressed and revealed to you in My Apparitions Here, so that , following the path that He desires for you, then, every day in your heart, in your soul I can find the perfect welcome to the Plans of the Lord and thus receive from you the perfect love to offer the HOLY TRINITY for His greater glorification .
Give me the water of your love, walking ever more along the road of GOOD, PURITY, GENEROSITY, CHARITY, TEMPERANCE, JUSTICE and ALL VIRTUES. So that in your souls I can always water My soul thirsty for LOVE, for VIRTUES, for PURITY in the midst of this fetid and tenebrous swamp that this world has become.
Times are bad and vices, sin and wickedness cover the entire Earth, obscuring it and transforming the world into an immense, dark and dangerous desert.
That is why in these times of great darkness I come to call you to truly be the SOURCES OF PURE WATER that, in addition to purifying the world, can give souls the WATER OF SALVATION, conversion and HOLINESS, so that as soon as possible this immense desert return to what it was before original sin: a PARADISE OF PERFECT GRACE, BEAUTY AND HOLINESS for the greater glory and joy of the Lord our God.
IN LA SALETTE AS ALSO HERE I CAME TO LOOK FOR SOULS OF TRUE LOVE, SOULS OF PURE AND INTENSE LOVE THAT YOU GIVE TO MY HEART TOGETHER WITH ALL THE VIRTUES, THAT BROUGHT LOVE THAT MY SON AND I HAD IN OUR SACRED HEARTS AND THAT YOU ALL OWE HAVE ALSO IN YOU.
ONLY WITH THIS LOVE WILL YOU BE ABLE TO ENTER HEAVEN, BECAUSE IN HEAVEN ONLY THE VIOLENTS ENTER, THAT IS, THOSE WHO HAVE A BROADING LOVE AND THAT IS SO STRONG THAT IT DOES NOT CONTAIN ITSELF BUT RUNS ON THE WHOLE WORLD AND EVEN OPENES THE DOORS OF THE WHOLE WORLD. HEAVEN FOR THE SOUL THAT OWNS IT.
ONLY THOSE WHO HAVE THE HOLY VIOLENCE OF LOVE WITHOUT LIMITS THE LORD, CAN ENTER PARADISE.
THEREFORE, MY CHILDREN, I DESIRE EVERY DAY TO SPILL ON YOU MY FLAME OF LOVE, SO THAT WITH THIS LOVE YOU CAN SANCTIFY YOURSELF, PURIFY YOURSELF AND ONE DAY REACH HEAVEN.
DO NOT DENY THEREFORE RECEIVING THIS FLAME.
DO NOT RESIST MY FLAME OF LOVE IN YOU, SO THAT I CAN LEAD YOU EVERY DAY ON THE ROAD OF THE MOST CONSUMED AND PERFECT HOLINESS.
Today, I bless you all with love, from LA SALETTE, from PELLEVOISIN and

from JACAREÍ.
Peace My beloved children, Peace to you Marcos, the most hardworking and dearest of My Angels."

JACAREÍ, SEPTEMBER 30, 2012
On this day Our Lady made a great and new promise to those who devoutly wear the Holy Medal of Peace
(Video of this Cenacle: http://www.youtube.com/watch?v=obg7gMApIl8&feature=youtu.be)
MESSAGE FROM OUR LADY

"My beloved children, today I call you again to TRUE LOVE.
WITHOUT LOVE YOU CANNOT LIVE, YOU CANNOT WALK THE ROAD TO HOLINESS, YOU CANNOT PLEASE GOD AND YOU CANNOT LIVE WITH HIM FOREVER IN HEAVEN! THEREFORE, OPEN YOUR HEARTS FROM NOW ON TO THE LOVE OF GOD, SO THAT HE ENTERS YOUR SOULS AND COMPLETELY TRANSFORM YOU.
What I came to look for in My APPEARANCE IN LA SALETTE, in LOURDES, PONTMAIN, PELLEVOISIN, FÁTIMA, MONTICHIARI and also HERE is TRUE AND PERFECT LOVE.
I desire from all of you this PERFECT LOVE, which gives the HEART OF THE LORD and MINE so much joy, so much contentment, so much rest and Peace!
I want to rest in your souls as in a garden of rest, but this will only be possible if there is PERFECT LOVE in your souls.
The souls that have TRUE LOVE rest Me, while the soul that does not tire Me, because My Love struggles in every way to help, purify, sanctify, perfect it, but it cannot do anything because the soul WITHOUT LOVE does not allow Me and so it resists My Action in it and spoils My Plan for it.
The soul that is dry, arid, without love, for Me is like a desert that tortures Me and scourges Me together with My Son JESUS CHRIST.
That is why I come to seek in your souls the refreshing water of pure love, of a love that never tires, that never ceases, that never runs out!
YOU CAN ONLY RECEIVE THIS LOVE IN YOUR SOULS THROUGH A LIFE:
- OF INTENT PRAYER,
- OF SEARCHING FOR THE TRUTH,
- OF THE WILL OF GOD.
So that, knowing what He wants from you, you can carry out His Will and then the LOVE OF GOD can truly work in you and act in you.
TODAY, THEREFORE, I WANT YOU TO ACCEPT MY LOVE, MY FLAME OF LOVE IN YOUR HEARTS, WHICH IS THE HOLY SPIRIT ITSELF AND THAT YOU LET THIS FLAME WORK IN YOU, TRANSFORM YOU, WORK YOUR SOULS UNTIL THEY MAKE THEM LIKE ME SAME, TO MY SON JESUS.
TODAY, I ALSO WANT TO CALL YOU TO A GREATER LOVE FOR MY HOLY MEDAL OF PEACE.
THIS MEDAL THAT I GAVE YOU HERE IN THE YEAR 1993 AND TO WHICH I CONNECTED SO MANY PROMISES, IS THE EXTREME GIFT OF MY

MATERNAL HEART TO HELP AND BENEFIT MY CHILDREN IN THESE TIMES OF THE GREAT TRIBULATION, WHEN THE SUFFERINGS FOR YOU ARE SO GREAT, THEY ARE SO HARD.
THROUGH THIS MEDAL I WILL RELIEVE YOUR SUFFERING, I WILL COMFORT YOUR SOULS, I WILL GIVE LIGHT TO YOUR HEARTS, I WILL FULL YOU WITH ALL THE GRACES OF THE LORD, ESPECIALLY GIVING YOU THE PEACE OF MY IMMACULATE HEART IN YOUR HEART, SO THAT YOU MAY BE STRONG IN TRIBULATION, IN DIFFICULT TIMES AND THUS KEEP YOUR FAITH INTACT, YOUR FAITHFULNESS TO THE LORD.
THERE ARE SO MANY WHO DON'T LOVE THIS MEDAL!
THERE ARE SO MANY WHO DON'T SPREAD IT!
THERE ARE STILL SO MANY WHO DO NOT ACCEPT IT!
PRAY FOR THESE HARD HEARTS, FOR THESE SOULS FULL OF INNER EVIL, THAT THEY, THAT THESE HARD HEARTS WILL OPEN TO RECEIVE THIS PRECIOUS GIFT THAT MY IMMACULATE HEART HAS GIVEN TO THE WHOLE WORLD, THROUGH MY APPEARANCES HERE IN JACAREÍ.
(NEW PROMISE OF THE HOLY MEDAL OF PEACE GIVEN BY OUR LADY:)
IN TRUTH I PROMISE:
THAT EVERY DAY OF EACH MONTH, THE SOULS WHO WEAR MY MEDAL OF PEACE WILL RECEIVE FROM MY IMMACULATE HEART SPECIAL GRACES, AMONG THEM THE GRACE OF MAY YOUR FAMILIES UP TO THE FOURTH GENERATION ALL BE SAVED AND RELEASED FROM PURGATORY ON THE ANNIVERSARY OF THE REVELATION OF MY PEACE MEDAL, EVERY YEAR.
I My dear children will always remain with you!
Give Me your Hearts. Pray My ROSARY with even more love.
Continue with all the prayers that I have given you HERE, because through them I will lead you more and more along the path of holiness and I will incline the benevolence of the HOLY TRINITY to fill you with all the luck of His Blessings.
I bless everyone generously at this moment and especially you Marcos, My little singer, singer of My Glories and the most faithful of My servants and to all those who love Me, make My HOLY HOURS of PRAYER and propagate My Messages, I bless now from MONTCHIARI, SAN DAMIANO and JACAREÍ.
Peace My beloved children, stay in the Peace of the Lord!”

MESSAGE FROM SAINT JOSEPH

“-My beloved children, today MY MOST LOVELY HEART blesses you together with MARY IMMACULATE and gives you Peace!
These are the times of the Great Mercy, therefore, your hearts must open up more and more to the DIVINE DESIGN OF THE LORD who called you HERE to make you HOLY, to make you more and more filled with the HOLY SPIRIT, with GRACE, PURITY and LOVE, so that you can bring to this world the LIGHT of SALVATION, GRACE, and PEACE!
These are the times of the Great Mercy, so every day I call My children to open their hearts to OUR SACRED HEARTS, receiving Our Light in them and letting It completely illuminate your entire being. So that, completely illuminated by the light of PRAYER, CONVERSION, DAILY PENANCE, you can bring to all those who are in darkness also the LIGHT OF SALVATION that purifies

everything, saves everything and sanctifies everything.
These are the times of the Great Mercy, therefore, you must open, you must open wide the doors of your hearts, so that the Divine Spirit truly fulfills HIS DIVINE WILL in you, so that MARY IMMACULATE together with the HOLY SPIRIT perform in you His MATERNAL WANT, and thus in your lives and in your souls the PLAN OF THE ALMIGHTY may always be fulfilled, without any obstacle, delay, or slowness.
But if you don't pray a lot, your “I” will not stop creating problems for the Grace of God.
In order to overcome your own “I”, you must, therefore, immerse yourself more and more in deep Prayer so that you will have the strength to do the FASTING and SMALL ABSTINENCES, which will give you the SPIRITUAL ENERGY necessary to renounce yourself and your corrupt will. .
Only in this way will your disordered, wild “I” be tamed by your soul and then it will be able to walk with a firm step on the ROAD OF PERFECTION AND SANCTIFICATION.
These are the times of Great Grace and Mercy, a time like never before, before the INCARNATION OF THE VERB nor after, nor will there ever be again! In fact, after the INCARNATION OF THE HUMAN VERB CHRIST Jesus, this is the time of greatest Mercy, Grace and Heavenly Help in the entire history of humanity. And if you, if you frustrate all this, through your negligence, ill will, resistance to the love of God, you will no longer be able to expect any other Grace from above to lift you up and save you. Therefore, My children, open wide the doors of your hearts, of your lives, of your families, so that OUR SACRED HEARTS may perfectly carry out in you the PLAN OF SALVATION AND SANCTIFICATION that OUR HEARTS traced for each one of you. of your souls.
This time of unlimited grace is soon to end with the end of Our Apparitions. Then the GREAT PUNISHMENT will fall on the whole world, the HOUR OF JUSTICE from which no one can escape and where everyone will receive according to his works, not according to his words. I will be seated beside the LORD JESUS and the QUEEN OF HEAVEN AND EARTH, to judge all men and all of you My children and if you have not proved your perfect love for the Lord like ABRAHAM, I will not be able to help you in that decisive hour.
Therefore, My children, cultivate LOVE, work to cultivate in yourselves the PERFECT LOVE without which no one can be saved!
MY MOST LOVING HEART which is the master of PERFECT LOVE wants to teach you, wants to give you this Love, wants to cultivate this LOVE in yourselves. Be docile to My Heart and let yourselves be guided, led by Me on the path of PERFECT LOVE.
I love you very much and I love this place with tender love, both this place and My favorite little son MARCOS, as well as all those who sincerely love Me, listen to Me and obey My Messages. Follow Me even more deeply on the path of OBEDIENCE then MY MOST LOVING Heart will truly triumph in you and your heart will be the THRONE OF THE MOST ALMIGHTY.
I generously bless THIS PLACE, to all of you and especially to you MARCOS, the most valiant of My children, and to the whole world.”

EARLY CENÁCLE OF OUR LADY OF THE VICTORY OF THE ROSARY IN THE BATTLE OF LEPANTO ON OCTOBER 07, 1571
MESSAGE FROM HOLY MARY THE QUEEN OF THE HOLY ROSARY

"-My beloved children, today, when you are already commemorating the Feast of MY MOST SACRED ROSARY, remembering the resounding Victory that I obtained in the BATTLE OF LEPANTO, I invite you once again to RENEW your love for the HOLY ROSARY, especially for the MEDITTED HOLY ROSARY, that by My order, My little son Marcos has engraved for you many, many times over the past few years and has given it to you so that through this Rosary you may grow more every day, on the path of prayer, on the path of spiritual elevation to God, of perfect correspondence to My maternal Love and also to the mysteries contained in the Holy Rosary, of My Life and the life of My Son Jesus.
By meditating more and more on the Holy Rosary, contemplating also the Messages that I gave in all the Places of My Apparitions and that are engraved in these Rosaries that My son Marcos made for you, you grow more and more every day in the knowledge of the examples of holiness of My son JESUS and of Mine, you also know more and more My maternal appeals and My requests made in so many of My Apparitions in addition to the requests I made to you Here, and so in you love, true love can always grow every day more until it reaches its fullness.
I come to call you to renew your love for the Holy Rosary so that it becomes and is ever more for you the lighthouse that illuminates your path every day of your life, leading you ever more to God. Renew your love for the Holy Rosary, praying it ever more with your heart, that is, making your soul ever more open to the Will of God, to know it and to fulfill it promptly as the Saints did to so that your prayers are not sterile and fruitless, but so that they truly produce fruits of conversion, sanctification and salvation in your lives.
Renew your love for the Meditated Holy Rosary, so that by meditating every day on My examples, on the examples of Christ and also on My Messages, you can grow every day a little more in your true love for the Lord and for Me and you can give to all souls throughout the world a vibrant and luminous example of love, faithfulness and obedience to the Lord.
Renew your love for the Holy Rosary, giving more and more the meditated Holy Rosary that My son Marcos made known to everyone, so that all My children can leave the darkness into the light, they can leave the quagmire of sins to enter on the path of PURITY, until they become more Angels than men, so that they can truly come out of eternal death and enter the life of sanctifying

grace. In this way, My children, all the souls of the world will enter My School of Holiness and I will be able to guide you all safely to Heaven and to the perfection that the Lord wants from you.
I love you so much, My children! And here where I have made My Holy Rosary more known and more loved, more spread and more prayed than ever before, I desire more and more that your souls, that your hearts become propagators and apostles of the devotion of My Holy Rosary throughout the whole world , for as I said to My servant, to My SUNDAYS OF GUSMÃO: “Whoever serves Me through My Rosary every day will not be lost... Whoever loves Me through the Holy Rosary will not know eternal disgrace, eternal damnation.” Therefore, little children, the world will be saved through the Holy Rosary.
I love you so much! And when you pray the Holy Rosary you become even more dear, more dear to My Immaculate Heart. Therefore, little children, never be discouraged, for whoever does not lose heart in praying the Holy Rosary, but who perseveres in it every day until the end of his life, will receive from Me the crown of eternal life.
This Holy Place of My Apparitions here in Jacareí where My Rosary is so loved, so prayed and so propagated, mainly by My little son Marcos who has already made more than 270 Rosaries so far for My children and then also who is so loved, prayed and propagated by My children, who pray it, who love it and who make it known to others, here, My Heart is already beginning to obtain its triumph through My Rosary in souls, hearts and families.
Keep going, keep going, keep going forward. Yea! praying My Rosary, spreading it with all your heart to all souls! Continue because Here My dear children, I, as in the battle of Lepanto, will be the great victor and I will save Brazil, I will save your families and your souls by virtue of My Holy Rosary.
I bless you all at this moment and invite you to great and joyful joy. Through My Meditated Rosary from My Apparitions in Jacareí, one day, soon, I will save the world.
I bless you all from FÁTIMA, MONTCHIARI, LOURDES and JACAREÍ. Peace My beloved children.”

MESSAGE FROM OUR LADY

“-My beloved children, today, when you celebrate YOUR HEAVENLY MOTHER'S DAY AS THE QUEEN AND PATRON OF ALL BRAZIL, I come again to bless you and give you Peace.
Almost 300 years ago, I came to the Paraíba River through My Miraculous Image, which I made appear in the nets of the three fishermen who loved Me so much and were devoted to Me, so that through that Miraculous Image of Me, I would give to My children throughout the world, not only from Brazil, a sign of comfort, consolation and hope.
In fact, My Image Appearing in the Waters of the Paraíba River is the Image of My Immaculate Conception, of the Woman of the Apocalypse, Chapter 12, as My little son Marcos explained to you previously. I am the terrible Sign that appears in Heaven, the Woman clothed with the Sun, with the Moon under Her Feet with a Crown of Twelve Stars on her head, who carries in Her womb the

immortal God, the invincible God, who at last, together with Me , will crush the head of the serpent, the infernal dragon and will surely bring you Peace.
My Image, the Image of My Immaculate Conception Aparecida in the waters of the Paraíba River is for you, therefore, a sign of joy, of hope, of trust in the sure Victory of the Mother of Heaven.
The Image of My Immaculate Conception Aparecida in the Waters of Paraíba, shows you my power as Queen of Heaven and Earth, as the invincible Lady and the victorious Queen of all the Lord's battles.
My Heart, foreseeing all that the infernal dragon wanted to accomplish in the world and in Brazil, already anticipated and 300 years before it came through this Image to give you solace, comfort, breath, light, peace, strength and hope.
Turn your eyes to Me and you will be filled with hope, you will be filled with trust and peace in the days of tribulation that you are going through now. My Maternal gaze is attentive and sees everything that happens to you, it knows all the pains, all the crosses that you carry in your lives and I am always ready to give you comfort, encouragement, help and consolation in every moment of your life. your life
Come to Me as did my little son Zacarias, My little daughter Marcelina and also all those who turned to Me like the fishermen who found My Image in the Paraíba River and for all of you I will give comfort, I will give peace, I will give relief, I will give hope, I will give affection and I will change your sadness into holy joy.
The Image of My Immaculate Conception, which I made appear in the Waters of the Paraíba River, is a sign of love for you. The Mother of Heaven has sent you a powerful sign that She is in your midst. In fact, through this image, I manifested My presence in the midst of My children, in a clear, powerful, extraordinary, resounding way, showing all My children how much I love them, how much I want to benefit everyone who comes close to Me and that even the most unworthy sinner who approaches Me, if he turns to Me with trust and a sincere desire to amend his life, to convert from Me, he will not leave empty-handed.
That tiny Image is the sign of how much the Mother of Heaven loved and loves all her children, how much She has filled and fills Brazil with endless graces and all those who invoke Me with love and trust.
My Little Hands placed and united in Prayer in this Image, repeat to you without ceasing the Message that Here in My Apparitions in Jacareí I came no longer through an Image, but personally in flesh and blood, to bring you. PRAY! PRAY! PRAY! I prayed a lot! Pray three hours a day. Pray the Holy Rosary every day! Pray the Rosary of Tears and all the others that I have given you every day, so that your life, being a continuous, fervent, intense and incessant prayer, may be a sign of My loving presence as a Mother throughout the world and in the midst of My sons.
Here in My Apparitions in Jacareí, where I will finish what I started in My work of salvation in Aparecida more than 300 years ago, I will completely carry out all the divine designs that the Providence of the Most High has predisposed for Brazil.
My Immaculate Foot that traveled this land of Brazil from North to South, from East to West like the celestial pilgrim, carrying the Message of Prayer and Penance, this same Foot will crush the head of the infernal serpent in this

Country and in the whole world.
Trust My children! Confidence! Because your Heavenly Mother knows the hour when she will have to manifest herself powerfully and bring forth Her great Love and power to save this Earth.
Yea! Soon you will see a great light, a very brilliant shine over all of Brazil and My Immaculate Heart that so loved this land and My children Here, but that was so forgotten by them, so disobeyed in My Messages, of My current and former Apparitions. , this Heart that was paid with so much ingratitude, will soon overcome evil, overcome the ingratitude and rebelliousness of men and finally, finally, will triumph!
I bless you all at this moment generously, pouring out on all of you the effective graces of My Immaculate Heart. I bless all those present, all the Rosaries, religious objects, all the films, all the Meditated Rosaries that My little son Marcos made for you.
I bless this Place that is as dear to Me as My Sanctuary of Aparecida. I bless My little son who is My 4th fisherman who in the nets of His Heart and His Love also caught Me, drew Me from Heaven to Earth and who through him as a Celestial Fisherman I have fished the souls of My children to lead them all safely to My Son Jesus in Heaven.
I generously bless this Place that is dearer to Me than the most intimate fiber of My Heart, which is the pupil of My Eyes.
I bless you all, with love, from APARECIDA, RESERVA, CAMPINAS, MONERAT and JACAREÍ.
Peace My beloved children, be in Peace. Peace, my beloved Mark."

- (Builder of the Old Basilica of Aparecida)

"-Beloved and beloved Mark, dear brothers, I, JOAQUIM DO MONTE CARMELO, servant of the Mother of God, come with the Mother of God, I come once again with her to greet you and give you Peace.
I made for the Mother of God that Church that you know as the Old Basilica, in this, in this holy mission, I consumed My life, My strength, My youth and even all My personal inheritance to give her a beautiful and worthy throne that I could welcome it and keep it over the years and centuries.
Now I am in Heaven, victorious, glorious and happy forever together with the Queen and the Mother that I have loved so much and whom I have served so much throughout My life. And I come to call you to also be a throne for her, just as the Basilica that I made is for her until today, a throne of love.
Be a throne of love for the Immaculate Conception Aparecida, living more and more in Her Love, in Her Grace, in the Love of God, praying a lot and doing everything that She asks you in Her Messages regarding Prayer, that is, pray with your heart, pray with love, pray truly opening your soul to the rays of Her Light, of Her Love, of Her Grace, of Her Peace, of Her Light and trying to unite you more and more with Her through the Prayer of love, for the prayer made with the heart and with love.

everything She asks of you in Her Messages, letting yourself be completely transformed by Her, flooded by Her Love, transformed by Her Flame of Love until your souls become copies May her live and so in you May she make ever more her Throne of Love and reign in you and from you spread the light of Her grace to all other hearts, transforming them also into Her thrones of love and grace.
Be the thrones of the Immaculate Conception Aparecida, converting yourselves every day, leaving the life of grace, fighting your defects and trying to practice, exercise the virtues, above all, that of perfect love, divine charity, purity, generosity, of the complete donation to God, to her and to souls so that you may truly be a throne worthy of her to come to live in you and come to rest in you.

JACAREÍ, OCTOBER 13, 2012 - MESSAGE FROM OUR LADY
(Video of this Cenacle: http://www.youtube.com/watch?v=Nzu4PQdOrw0&feature=relmfu)

"-My beloved children, today, when you celebrate MY BIRTHDAY LAST APPARITION IN FATIMA IN THE COVA DA IRIA, confirmed by the MIRACLE OF THE SUN, I come to call you once again to turn your eyes to Me, your Celestial Commander, so that your steps may be guided together with Me towards fulfillment of God's Will for you in these times, so that the greatest Triumph of the Sacred Heart of Jesus and My Immaculate Heart in the world may be accomplished.
My LAST APPEARANCE IN FATIMA, confirmed by the Sign of the Sun and also by the clothes of the crowd that dried instantly, confirm to you the greatness of the Message that in the poor Cova da Iria I addressed to the whole world and how much you are living in My times and in the times of great struggle between Me, the Woman clothed in the Sun, and the great infernal dragon, which will culminate in its complete annihilation and the greatest

Triumph of My Immaculate Heart.
The great Miracle of the Sun tells you that you are in My time, in the times of the Woman clothed in the Sun who fights against the great infernal dragon and his followers in this world.
In fact, with My APPEARANCE IN FATIMA I began My final offensive against the great enemy of the salvation of all souls, Satan, and also to combat his forces in the world that have joined together to make the name of Christ disappear, the Holy Catholic Faith and to establish in the world its tenebrous kingdom of darkness, apostasy, violence, sin and atheistic materialism.
With My Apparitions that from Fatima to Here in Jacareí, which are the last for humanity, I never ceased to call the world to conversion, I warned My children in different ways and with portentous signs to warn them of the dangers they face and at the same time how much God desires the salvation of all souls. I have increased My extraordinary presence among you through so many and countless Apparitions, Lachrymations even of Blood and continuous signs to warn you and call you.
In fact, My Immaculate Heart in this century, from Fatima to Here, has not ceased to continually invite you to conversion and to show you the way that leads you all to God, all to salvation.
It is now necessary that your hearts decide once and for all for Me, for My Messages and for your own salvation, because whoever decides on My Messages actually decides for the salvation of his own soul and whoever despises the My Messages actually despises your own soul, your own salvation and puts your soul's salvation at risk.
The moment has come for the final fight between Me, the Woman clothed with the Sun and the great infernal dragon, and that is why you now feel much more deeply and strongly the clashes between good and evil in your life, between light and darkness, between the servants of God and the servants of Satan, between those who belong to the Lord and those who belong to the devil.
Therefore, in these times when the battle becomes more fierce, it becomes more intense and deeper, you must keep the faith, you must pray a lot, you must keep the lamp of your faith, your love and your prayer ever more lit. for continual prayer, for frequent meditation on My Messages, seeking to increase ever more the union of your souls with God and with Me through the perfect Consecration of your lives to My Immaculate Heart and the fulfillment of this Consecration in your daily life.
The great Miracle of the Sun that I showed to all that immense crowd in My favorite Cova da Iria in Fátima shows you that you are truly in the final times, in the apocalyptic times, of the struggle between good and evil, of light and darkness and in this great struggle, you My children who love Me and who love My Messages occupy a role, you occupy a simply indispensable and extremely important place.
Without you, the Lord's plan cannot be carried out perfectly for the salvation of souls, that is why your yes is required, that is why your love is required, without reservations and without limits, for God, for Me and for the salvation of the souls of the world. whole world. That's why pray, work, spread My Messages, call all My children to conversion saying to them: That the mother of heaven wants to save everyone, wants to take everyone to Heaven and wants to free everyone from eternal damnation!
Cultivate love and prayer in your souls, never allowing them to fall into

dissipation because of disorderly agitation. Pray always more! Pray always more and work, taking everything forward with balance and temperance and in this way My Immaculate Heart will act powerfully in your souls and through you it will conquer many hearts for My Jesus transforming souls that were once dark swamps of sin into flowery gardens and luminous with virtues and sanctifying grace.
I, THE LADY OF THE ROSARY, who in Fatima called the whole world to Prayer, say to you: Now is the time of grace, now is the time of Mercy, it is the favorable time for your return to the Lord. Convert without delay, while you still have time and while the grace of the Lord lets itself be found by you through Me Here. Soon the door of Mercy will be closed and woe to those who have become deaf to My Voice, because on the day of God's Wrath I will also become deaf to their appeals and will not hear them.
Pray, pray a lot! But pray with the heart, because only prayer with the heart is heard by the Lord. Even in suffering pray, because Prayer with love ascends to the throne of the Most High and reaches Mercy. The prayer of one who bears his cross with Christ, with patience, redoubles its value. That's why My children, even suffering, open your hearts and pray with love.
I, the Mother of God today, bless you generously from FÁTIMA, SAN DAMIANO and JACAREÍ.
Peace My children! Peace Marcos, My Knight, Knight of My Rosary, Knight of Fatima who did a great, great work, a great work, a great service to God and to Me, making My Apparitions in Fatima so known and so loved by all My sons. Peace."

MESSAGE FROM SAINT GERALDO MAGELA

"- My beloved brothers, I, GERALDO MAGELA, come today for the first time to give you My message and to greet you with the peace of the Lord. I come because your love attracted me Marcos, your devotion to Me attracted me. And here I am! To bless you today and bless everyone because of you. Yea! For the great friendship that you already have for me and I have for you, I will bless all those, all who are here, all those who, like you, also love me, become My friends, My devotees and My imitators.
I call you today to love Jesus Crucified, to love love, to love the Most Holy Mary, loving beautiful love with all the fibers of your heart, with all your soul, so that in this way you may truly be Palaces of the Lord, Palaces of the Mother of God, His second Heaven on Earth.
Be the second Heaven of Jesus and Mary, loving them with all the strength of your heart. Giving them your soul completely, your generous yes and giving yourself, offering your life every day to Them so that the Holy Will of the Lord and the Mother of God may be fulfilled in it. In this way, you will truly be signs of His presence and His love in the world. And then, all souls will finally be enlightened and saved by the grace of God that will spread through you on all souls.
Be the second Heaven of Jesus and Mary, trying every day to fulfill their holy will and despising yours. Growing in true love, giving yourself more and more to the love of God and trying at all times to respond to this love. Let yourselves be scorched by this love! Let yourselves be filled by that love! Let yourselves grow in this love that chose you, that chose you to know the Messages of the Apparitions of Jacareí and thus, become great saints and save your souls.
I lived for this love. Give your whole life for this love. Love this love and this love will love you. Choose this love and it will choose you. Prefer this love, and it will prefer you to all others and will fill you with the abundance of its gifts and graces and will make you exceedingly beautiful in the eyes of the Lord and in the eyes of men.
Be the second Heaven of Jesus, Mary and Joseph, trying to imitate Jesus, Mary and Joseph in His virtues, in His love, in His generosity, in His purity, innocence and goodness, and so your souls, like fresh spring flowers, will grow and will truly become a beautiful garden to enchant their Sacred Hearts and the Holy Trinity. I, Geraldo, will help you to grow more and more in virtues, in perfect love. But I need your faithful yes, total, without reservations without

limits given to Jesus, his Blessed Mother and Saint Joseph so that I can lead you on this path of perfection.
May young people say yes as I did to Jesus embracing him and embracing his cross, having no other wife than the Holy Cross, the Holy Passion of Our Lord Jesus Christ. Having no other bride than the Blessed Virgin, heavenly bride of all souls who love Jesus and give their lives completely to Jesus through Her. Loving nothing other than the Holy Redeemer in whom redemption abounds.
To all, at this moment, to this place so dear to My heart into which I longed to descend for a long time now, and today, finally, the Lord Here sent me with His Mother to bless it, to pour out on it the graces that I I bring it from the Lord. To pour out on you the graces of My heart. To pour out on My dearest friend Marcos the effective graces of my most powerful intercession. I bless all of you today generously with all My love, with all My heart at this moment...
I will be back soon. And upon you all now descend the abundance of the heavenly blessings of the Almighty and of the Mother of the Lord."

1st MESSAGE FROM SANTA MARCELINA

(Marcos): "-May they be praised forever.
Beautiful Princess of Heaven who are you? (Pause) Yes... Yes..." (Pause) Yes... Yes...

MESSAGE FROM SANTA MARCELINA
"-MARCEL, I, MARCELLINA, servant of the Lord, of the Blessed Virgin, am very happy to come today for the first time give you My Message
, My first Message to the world Here and for being able to come and bless you with the graces that the Lord and the Mother of God have granted Me to give you. living abodes of the Lord, so that He may live in you and you in Him and thus His love will radiate and expand to the whole world, and then, every creature may know Him, know the truth and be saved for the truth.
Be the living abodes of the Lord, saying your yes to the Lord every day, letting yourself be modeled by the Lord, fleeing more and more from the occasions of falling into sin, and above all, averting your eyes from all that is evil and contrary to the will of Jesus, for, as Mark wisely told you before the Apparition: 'Where your eyes are set, there your heart will also be fixed.' Therefore, turn your eyes away from the things of this world, for you were not made for them; turn away from the lust of the flesh, from the pride of life, from the covetousness of the eyes, from fashion, from sensuality, from greed, from avarice, take your eyes from slavery to material things, take your eyes from everything that distances you from Jesus and place your eyes on His Sacred Heart, so that your eyes being there, your heart also be fixed there. Yes, you must truly turn to the Lord and look only to Him, wait only in Him, trust Him, love Him, seek at all times, please Him in the best way you can so that, in this way, it is truly fulfilled in your life. His divine design.
Be living abodes of the Lord, trying every day to climb one more step on the

ladder of perfection and holiness, putting into practice all the virtues: GENEROSITY, DOCILITY, OBEDIENCE to the Lord and the Mother of God, MAGNANIMITY, LONG-ANIMITY, of TEMPERANCE, of JUSTICE, so that every day God increases in your souls the intensity of His Grace, His Light and His Love and you become a sign of His Love for the whole world!
Be the living abodes of the Lord, living ever more in deep and intense Prayer, so that your life may be more angelic than human, more celestial than animal, more divine than human. Thus, doing all things well, not ceasing to work, nor leaving your earthly occupations, you will live with your heart in Heaven and transmit to everyone an immense, inscrutable peace, an infinite love that will captivate and convert even the hardest hearts.
I love you so much! And I have been praying for you for a long time. I have listened to your prayers, I have listened to the supplications that you make to Us, the Saints Here, that you make to us at the HOUR OF THE SAINTS every Wednesday and I have taken your supplications to the Throne of the United Sacred Hearts. I have already obtained many blessings from them for you and you will achieve many more if you persevere in the HOUR OF SAINTS every Wednesday, if you persevere in obedience to the Messages of the Mother of God and if you continue walking and following the path of Good, of Love and of Peace!
My desire is to hold you all in My arms and safely introduce you to the eternal glory of Heaven! I want and will do this, if you collaborate with Me letting yourself be guided and led by Me. I, have been lifting your souls silently, working occultly with you every day to improve you, to bring you closer to God and the Blessed Virgin and I will continue to do so and the denser the darkness of evil, of sin and Satan enveloping the world and even your lives, much more intense, strong, luminous and extraordinary will be My action in your midst and in your lives.
I, have My gaze fixed on each one of you, by the mercy of the Lord I know your pains, I know your afflictions, your sufferings, I even know the evil that is kept inside you, I know your weaknesses, vices, I know your your evil inclinations, your evil inclinations, that is, I know the sinful person that you are and that you have within you and I say to you: I can set you free! I can help you to become great saints! It is enough for you to respond to the grace of the Lord, it is enough for you not to resist, it is enough for you to take the means that your Mother has given you: Prayer - Sacrifice - Penance - Meditation - Intimacy and Union with Her in the life of Prayer, Total Consecration, renunciation of yourselves and at your will and I will lead you safely along the path of existence in this life and make you arrive triumphant in Heaven!
See, dear brothers, that in this struggle for your eternal salvation in this life the Lord did not leave you orphans, he gave you His own Mother as a Mother and Teacher, He gave you Saint Joseph as your adoptive Father, as your guard and protector, he gave you the We the Saints and the Angels to be your protectors, your guardians, your models, your beacons that light the way in the middle of the dark night of this life. We are together with you! You must rejoice in the Lord who is so good to you, that he has given you the whole Heavenly Court to prevent Satan from triumphing over you and mocking you. We are with you always, to give you comfort, relief, hope, security and love. You lack nothing!
Glorify the Lord, give him your heart, consecrate him once and for all your lives,

because this is what he desires for you, this is what you were born for, this is what you exist for and this is what you are for. called: to the high life in God, to the true life in God.
I, Marcelina, bless you now and say to you: Persevere in the Prayer of the ROSARY, in the HOUR OF TEARS, of the SAINTS and in all the other Prayers that the Mother of God here has commanded you to pray, because through them We, the Saints, will your souls reach high holiness.
Remember: the true saint is the one who obeys and who does not do what pleases him, but what is unpleasant for him out of love, to please God he does whatever he is commanded, this is where the true saint is recognized. .
I bless you all at this moment with love."

APPEARANCE OF THE ANGEL JULIEL AND ANGEL MARIEL - MESSAGE FROM OUR LADY QUEEN AND MESSENGER OF PEACE

"-My children, I am the QUEEN AND MESSENGER OF PEACE, I come today to tell you: That the true saint is the one who loves, loves the Lord without limits, loves Me without limits, fulfills the Will of the Lord above all things and puts nothing above it or puts an obstacle, difficulty or condition to fulfill it in his life.
The true saint does not postpone the will of the Lord until tomorrow or when it suits him best to do it, but he does the divine will when God wants, as he wants and in the way he wants.
The true saint expands his heart more and more so that God can perform in him all the operations of grace that he desires, he yearns to unite himself more and more with God, despising the vain and illusory things of this earth in order to better unite himself with his Lord and his only love and so in His love to live, suffer, die and rise with Him to eternal life.
The true saint puts God's interests before his own, he puts God's judgments before his own, and even in the way of carrying out the will of the Lord, he puts the way of carrying it out according to the Lord before his own. There, the true saint will be recognized and the one who truly seeks to do God's will and not his own, and in everything he does, he seeks only the good pleasure of his eternal Lord, and to please and glorify Him.
I am the Mother and Queen of all Saints, in all of them are reproduced and transformed into visible acts the virtues that I myself practiced in My life.
In the lives of the Saints, divine love is found in action, imitating them you too will put the love of the Lord in your lives and remember My children: where your heart is, your treasure is and where your eyes, there your heart and your treasure will be.
Continue with all the prayers that I have given you Here, they will make you take your eyes off sin, from what displeases Jesus and which is against His holy will and they will help you to place your eyes only on the Sacred Heart of Jesus, to seek Him, to obey Him, to praise Him and to love Him.
I, the QUEEN OF ALL SAINTS, am with you and will help you."

MESSAGE FROM OUR LADY

“-My beloved children, today I come to call you again to holiness and to think more about the eternity that awaits you.
The true saint is the one who loves the Lord with all his heart, this I have already told you here many times, but few were those who understood this truth.
Loving God with all your heart is not just loving Him for His goodness, for His glory, for His graces, not even for fear of being punished by Him. To love Him is to love the Lord more than life itself, it is to put the love of God before every other kind of love, it is to put the Lord's will before all other will, it is to put the honor of the Lord before all other honor, it is to put the name of the Lord to every other name.
To love Him is to do what pleases Him and to deplore what we know we know displeases Him. To love Him is to try not to offend Him so as not to hurt Him. To love Him is to return His favors with unlimited and unreserved love. To love Him is to fight for Him, to serve Him, to work for His glory without ever counting how much we have worked, how much we have served and how much we have given to Him. To love Him is to be wholly and completely His without reserving anything for yourself or for creatures. To love Him is to be entirely as He Is, Pure Love, Love in pure transformation.
You will only be able to arrive at this great and perfect love through the paths I have given you here: union with God, meditation, prayer, reading, self-denial, escaping from the occasions of falling into sin. Only by cultivating in yourself a deep and intense love will you be able to unite with God until you are one with Him. I have been Here for so long to help you with My Messages to reach this perfect union. Think of Heaven! Think of the eternity that awaits you! Begin this life of perfect union with God, who exists in Heaven already on Earth, living in profound union with Him.
Renew your love, renew your faith, your prayer, trying every day to grow in love, to grow in intimacy, to grow in your complete surrender to Him. Open your hearts more and more so that the Lord in you may accomplish great things. The measure of the works that God will do in you will be proportionate to the measure of the opening of your hearts to Him. My AMBROSIO said very well: “Man is what he loves.” If He loves God with a pure heart, then man will be pure love in God, man will be one in love with God and God will come to him and live in him as My Son Jesus said. If man loves sin, if man loves darkness, if man loves that which belongs to the father of darkness, the devil, that's what he will be: darkness, sin, devil.
May your hearts choose to be pure love as God is. May your hearts choose to

be like My Son Is, may your hearts choose to be like My Immaculate Heart is: sinless, pure, pure and unlimited source of divine love for all who thirst for God.
I am with you My children and every step you take in your lives is closely monitored by Myself, no pain, suffering or sadness in your hearts goes unnoticed in My Gaze, I am always by your side and I will never leave you.
Continue to say all the PRAYERS that I have given you here. Follow in the footsteps of the Saints, they are luminous, firm and sure signs that show you the path you must travel to safely reach Paradise.
In this month when you will celebrate the Anniversary of My Medal of Peace, as well as the Day on which I gave you My Maternal Face Here, I promise to shower you with an abundant rain of many graces, and above all, I promise to renew the flame of love divine in your hearts if you also renew your love for My Medal of Peace, for My Maternal Face and also for the Medal that I gave to My Daughter Catherine Labouré, and then I also promise to convert sinners by showering them with effective graces of My Immaculate Heart. I bless you all at this moment generously from PARIS, PELLEVOISIN and JACAREÍ.
Peace to you all."

MESSAGE FROM OUR LADY

"-My dear children, today I call you again to the true love that is pleasing to God and that opens for you the doors of Heaven. Only through true love will you be able to please God with holy works, gather merits for eternal life and find the doors of Paradise open for you.
Love is the key that opens the door of Heaven to man, love is what truly touches the heart of My Son and that is what He seeks in souls incessantly without, however, finding it. How I desire souls of true love, of pure love, of pure fire that, ignited in the furnace of the Lord's love, carry this fire to all corners of the world, lighting it in souls and thus causing the Kingdom of Our Lord to be established on Earth. Sir.
Only for true love will your works have eternal value before the Lord, meritorious value and so only that your works will produce perennial fruits of holiness, good and transformation of the face of the Earth. That is why I call you My children to pure, disinterested, unconditional, unlimited love for the Lord, so that this divine love grows in you each day and transforms you more and more each day, until you reach the fullness of love, the holiness.
Perfect holiness is nothing but the fullness of love. That is why I always call you to a love that is more ardent, more intense, deeper, more generous, which gives itself and gives itself even more than it has done so far, so that you can all grow more and more in love without ever paralyzing. you, nor to park you in the middle of the way.
As Queen of Love, I call you to imitate the love that was in My Heart for the Lord and for all souls, a love that led Me to give myself completely to the Lord

at an early age and to offer myself voluntarily for the salvation of all humanity. suffering everything the Lord wanted me to suffer, sacrificing myself in everything and for everything, for everyone and for everyone, so that redemption could truly be realized and the Divine Word could come into the world. With this love you will also do admirable works for the Lord and for the salvation of souls, because to him who has divine love everything is possible.
Only with true love and through true love will you truly be children of God, you will see God, you will know God as He is in His essence and truth and you will no longer speak of Him as of a person you have heard of or of whom you have read anything. thing, but you will speak of God as someone you truly know, with whom you live and with whom you are deeply united.
It is to this love that I call you My children and that is why from My oldest Apparitions such as LA SALETTE, PARIS, LOURDES, PELLEVOISIN, COTIGNAC, until arriving HERE, I never get tired of inviting you to true love, showing it you the sweetness of My Love that like a honey, like a honeycomb, is poured over you like a drop of honey is poured over you to fill your souls with My sweetness and My Maternal Love.
Here in these APPARITIONS OF JACAREÍ, where I revealed My sweetness, My Love, My goodness as never before, I want today once again to fill your hearts with Divine Love, fill them with this Peace and with this Love that I bring, fill them the grace and joy of the Holy Spirit until your hearts overflow, so that it may flow over all people and over the world so full of evil, sin, violence, darkness and dryness, spiritual aridity, so that it may flow in the midst of My children a river of grace, life, love, peace, devotion, faith and true life in God.
I am with you My children! What I said to My little daughter ESTELLE I also say to you “Do not fear the wicked, do not fear the wickedness of this world because I am with you and I call you all to come to My right, to the group of My good, obedient children, loyal and faithful who take My light to every part of the earth to dispel the darkness, spreading My Messages, My Apparitions, My visionaries, the lives of the Saints and so together we can flood the world with the mystical light of the Lord and the My Immaculate Heart that will soon triumph.
All My Apparitions point to My sure victory and the complete annihilation of Satan at the end of the tribulation times. Therefore, trust My children! Pray! Don't waste time with hobbies, arguments or vain things. Pray!!! Every extra Rosary you pray a day makes a big difference, just as a single third makes a lot of difference when you stop praying out of indolence with yourself.
I count on your prayers, I need them to save so many souls that without your prayers will be hopelessly lost. But if you pray, there is still hope and I promise to turn this game against My enemy and to turn this game around, in a triumphant, surprising, charming and sudden way, the great Triumph of My Immaculate Heart over the forces of Satan.
Pray! In prayer you will find all the answers, all the peace and happiness you are looking for. In prayer you will find the meaning of your life, new inspirations about what you must do, new strength to fight, you will find in prayer the light, the peace, the truth that the world does not know, because it does not pray, because it does not like My ROSARY, because you don't love the Lord.
I now bless you all generously, from PELLEVOISIN, from LOURDES and from JACAREÍ.

Peace My beloved children! Peace to you Marcos, the most strenuous of My children. I leave you, I give you a special thanks for the immense and even superhuman effort that you made in the midst of your great and painful sufferings, to finish the VIDEO OF MY COTIGNAC APPEARANCES, by PELLEVOISIN, which I so want to see known, loved and obeyed by all My children. Upon you, today, it descends like a great rain, a particular blessing from My Immaculate Heart."

MESSAGE FROM SAINT CLEMENTE MARY HOFBAUER

"-Mark, I, CLEMENTE HOFBAUER, member of the Congregation OF THE SS REDEEMER OF SAINT AFONSO MARY OF LIGORIO, servant of Jesus and Mary, am glad to be able to come today for the first time to give you the My Message and to bless you with the blessing that the Lord has given Me to give it to you today.
Be living, shining, precious stones, be emeralds from the great mystical city of the King of Heaven, from the palace of the Lord Jesus Christ, cultivating ever more in you the virtue of FAITH, hope, love, so that then your beauty enchants souls from the whole world and they too want to transform themselves into holy emeralds of faith and love like you.
Be emeralds of faith, imitating the faith of the Blessed Virgin, who was strong on the way to Bethlehem and finding herself without resources or place to welcome her divine newborn Son, still she believed that He was the King of Heaven, the Lord and owner of everything that exists.
Imitate the faith of the Mother of God, who, even seeing Her Divine Son crying from the cold in the Cave of Bethlehem and needing to be wrapped, that He was the King of Heaven and Earth who maintains everything, preserves everything and clothes everything with its beauty, with life, with joy and with the harmony of colors, of life, of every being, of every man that exists.
Imitate the faith of the Blessed Virgin, who throughout the life of Her Divine Child who grew up with Her and with Saint Joseph in the house of Nazareth saw Him grow in time as a man and believed that He was the Eternal God without beginning, without middle and without end.
Be emeralds of faith imitating the faith of the Mother of God, who during the Passion of Her Divine Son, especially when she saw Him nailed to the Cross, with his miraculous powers disappeared, suffering all kinds of outrages, insults, offenses and reproaches, yet he believed that He was the King of Kings, the Lord of Lords, and that He had all power in Heaven and Earth to save Himself and all.
Be emeralds of faith, imitating the faith of the Mother of God, who, even seeing Her Divine Son dying on the Cross and dying as a man, continued to believe that He was God, that He was alive with the Father and that on the third day He would rise in glory, victorious over the sin and death.
Imitate the faith of the Mother of GOD, who, even seeing the Apostles persecuted, the nascent Church persecuted, humiliated, despised by so many, still firmly believed that She was the mystical body of Christ, the beloved bride of the Lamb, the firm rock on the which whoever leans on it will not perish, will not be lost.
Be diligent in your faith, imitating the faith of the Mother of God, who at every

moment of Her life, even in the flight to Egypt, seeing Her Son having to flee from a mortal king, still believed that He was the Lord of Lords, the God to whom everything is subject, even the wicked, even those who govern this world and who hold human power.
Therefore, imitating the faith of the Blessed Virgin and being emeralds of faith, you will not be paralyzed by the sufferings of this life, you will not be perplexed by the tragedies that happen in this world, you will not be discouraged before the sufferings that strike you every day of this time of great tribulation and you will always go forward on the path of holiness, courageous, valiant, full of faith, shining like emeralds of faith crossed by the rays of the Sun of Justice which is the Lord himself, who is also His Holy Spirit.
I, CLEMENT, love you very much, I know your pains and difficulties and I will always be with you in every moment of your life. Trust Me with your difficulties and I will unite My Prayers to yours, My merits to yours and I will obtain from the Lord and from the Mother of God for you what you need and the grace of Peace and Mercy.
I want you to be deeply enflamed with love for the Mother of God, because true devotion to her has made Me climb to the summit of holiness and the glories of Paradise, and so too, this devotion will also make you become great saints and to have endless happiness, without measure in Heaven.
I bless everyone at this moment with love and especially you Marcos, who has been praying to Me for many years, who has such great affection for Me and whom I always love, defend and protect. Peace."

MESSAGE FROM OUR LADY

“-Dear children, today I call you once again to live the true love for God, for Me and also for the souls who so need conversion and salvation.
Live true love for the Lord, a love that is proved by deeds more than by words, a love that impels the soul to serve God more and more, to dedicate itself more and more to God and to immolate itself, to sacrifice itself. more and more for God to please Him, to make Him better known and more loved, to give more and more His Love to prove to all souls.
The soul that truly has the love of God, lives in this love and lives this love is known for its tireless life of prayer, work, service and dedication to the Lord. The love that is in that soul makes her fight more and more for the Lord and never tire of working for Him.
The soul that has true love, never tires of praying and even after having prayed a lot, even more wants to pray to be with the Lord to bless Him, to praise Him, to spend moments, hours of intimacy and union with Him. to thus give to the Lord: joy, satisfaction, and holy pleasure.
The soul that has the true love of God, is known for being tireless in the practice of virtues, for loving heavenly things more than earthly things, for being occupied more with holy things than with vain things, than with things of darkness and purely earthly.
The soul that truly has the love of God, knows itself by being always immersed

in God, that is, in its thoughts, in its desires, in its feelings and even in its conversations, everything tends towards God, everything leads to God, everything brings her even closer to God.
The soul that truly has the true love of God, that lives this love and spreads this love is known for being invariably always united to God by the bonds of love, prayer, meditation, work and action in favor of the establishment of the Kingdom. of God on earth and in souls. Whereas the soul that does not know the true love of God and that does not possess it, that is not united to God, likes vain and earthly things more than heavenly things. In heavenly things, in holy things, it only feels boredom, boredom and annoyance, while in the things of this world it finds pleasure, it dedicates itself to the maximum and even if it has to suffer to obtain the things of this world, the soul is ready to lose everything and everything. suffer to achieve what she wants in this world, while for heavenly things she is not willing to make the least sacrifice, the least effort,
The soul that likes the world better than God takes pleasure and contentment in worldly conversation, its thoughts and desires are full of vain and sinful things all day long, while it only needs to hear something from God, something concerning the Lord, Me, to the Saints or to heavenly things, to soon feel sleepy, bored, tired, bored and bored. She clamorously refutes any and all appeals of grace to pray more, to meditate, to spend more time with God and with Me in Prayer, in reading, in meditation or in attending any of My Apparitions, My Messages, the knowledge of My maternal interventions throughout history and her heart is always, always against and averse to everything that can improve and sanctify her,
I call you My children, to true love, which leads you to love holy things, to love what is divine and heavenly and to despise everything that is vain, sinful and that poisons your souls. Only in this way will you be signs of My love and of My presence in the world, and then I will be able to reflect in you the beauty and light of MY MATERNAL FACE, Face that so many years ago I gave you here in My APPARITIONS IN JACAREÍ and that last fifteenth you celebrated the Feast with particular love and joy in your families and in your hearts. Only by tending to and seeking more for what purifies, sanctifies and elevates you from the earth than what binds you and prostrates you in the dust of this world, will your souls be truly reflections of My Maternal Face and then you will be able to spread the mystique throughout the world. light of My loving Face.
Therefore, little children, in this time that is given to you, which is unique, singular: PRAY, LOVE MORE, dedicate yourselves more to the Lord and to Me so that your life may then become a bridge that leads all My children to God, until Heaven, until salvation.
This place of My Apparitions Here, which I love so much, which is so dear to My Heart, was chosen to be a SCHOOL OF HOLINESS for all My children. Come here all My children, with love and with an open heart so that I can transform you into great saints for the greater glory of the Lord. Continue with all the prayers that I have given you here. Continue to come here so that I can continue your conversion.
I bless you all at this moment with love from PELLEVOISIN, MONTCHIARI and JACAREÍ.
Peace! Peace to you Marcos, the most dedicated of My children.”

MESSAGE FROM OUR LADY

“-Beloved children, today, when you are already celebrating the Anniversary of My Apparition to My daughter Catherine Labouré, in which I revealed My MIRACLE MEDAL to you, I come once more to tell you:
I am the Woman clothed in terrible Sun like an army in battle array. And so it was that I appeared to My daughter Catherine, most powerful, brighter than the Sun, radiating mighty rays from My Hands to show the whole world that I am the Mediatrix of all graces, the Queen of Heaven and Earth, Sovereign and Empress of Seraphim, Cherubim, Angels, Saints who are in Paradise and also Celestial ruler of Heaven and Earth and everything that exists in them. And that is why My Son Jesus, King of Heaven and Earth, out of love for Me, has given Me all the power to do whatever I want anywhere on Earth and to perform portents and wonders for the salvation of all My children, to convert sinners and to awaken faith in those who are drowsy in the sleep of indifference and sin.
All power has been given to Me in Heaven and Earth and that is why there is nothing that I cannot accomplish and that is also why I will soon perform the greatest Triumph of My Immaculate Heart in the entire world. The conversion of My son Alfonso Ratisbone, who was a Jew, an enemy of the Catholic faith and who after My Apparition to him became not only a good Catholic, but a fervent Apostle of My Son and My holy Apostle, proves to you that for Me there is no there is nothing impossible, no conversion is impossible, no work is difficult.
Therefore, in the Triumph of My Immaculate Heart, I will convert many sinners, many men with a hard heart, who, like My little son Alfonso Ratisbone, rejected Me and who on that blessed, glorious and happy day, will sing with Me praises to the Lord and will bless My Name for the four corners of the Earth.
My power extends to everything that God created and there is no wall that is impossible for Me to tear down, so: Trust My children! Continue to pray for the conversion of sinners, as I asked you and as the good Baron did, who prayed for the conversion of Alfonso Ratisbone, soon your prayers will be heard and I will convert those for whom you pray and sacrifice so much on this Earth.
Your prayers are not falling on deaf ears, as My son Baron's Prayers did not fall and just as I heard his pleas making Alfonso's conversion, I will also make the conversion of many sinners and this will be the great Triumph of My Heart Immaculate.
This Miracle will take place because of My power and the prayers of so many My children, who intercede with Me, suffer and sacrifice themselves for the conversion of their most sinful brothers. Peace will then reign on Earth and an era of Peace will come for all of you, for My good children throughout the world!
I am the Woman clothed with the Sun, terrible as an army in battle order and

that is why I appeared to My little daughter Catherine Labouré crushing the head of the infernal serpent, to show you that the time of My enemy which was about to begin shortly after My Appearance to My Daughter Catherine, this time that extends to your days is about to end and soon I will crush your head and rid the whole world from the satanic yoke of his evil power. For now the serpent still struggles, turning its tail furiously against you, hitting you every day with attacks, insidiousness, impure and criminal temptations, seductions and often also with persecutions brought against you by the wicked, the impious, the henchmen. her. But fear not My children! I am with you and soon My Foot will crush you,

Here where I also appeared crushing the head of the infernal serpent in the Medal that I gave and that I revealed to My little son Marcos, I confirm to you all that I told you: Soon My Immaculate Heart will triumph and the world will finally have peace.

In Rue-du-Bac I revealed to you the first prophetic Medal of My Immaculate Heart and here I revealed the last to you and in both I crush the head of the infernal serpent to show you that I will only be the winner of all forces of evil and that finally, those who followed Me, who obeyed My Messages and who consecrated themselves to My Immaculate Heart, living according to My Spirit, that is, according to My Will and not according to their own will, these My truly obedient and docile children will triumph with Me. and you will enter with Me into the new Heaven and the new Earth, which are rapidly approaching all of you.

Love more My Miraculous Medal that I gave to My daughter Catherine Labouré for all of you, because in this Medal I will give you consolation, relief, comfort, peace and always protection.

Love It, propagate it and spread it to the whole world, especially to My children who do not know it, because because they do not know My Medal, they suffer in vain, without consolation and more.

With My Miraculous Medal My children will have breath, faith and hope in the midst of the tribulations of this life and many times of many sufferings. My love in the depths of your hearts correspond to Me, obey My Messages and become Apostles of My Heart taking My Messages to the whole world.

Love more the Miraculous Medal that I gave to My little daughter Catherine Labouré for you, for the whole world, because in this prophetic Medal of My Immaculate Heart are the signs of My imminent victory, so that all My children have hope, trust and faith in Me and so that every day My children, looking at Me, the Immaculate Virgin, the sinless conceived, the Woman clothed with the Sun, terrible as an army in battle array, become more and more aware of their duty to be saints like Me, immaculate like Me and also become My soldiers marching with Me every day: in prayer, in penance, in the dissemination of My Messages so that the whole world may be converted and have peace.

To all of you My children, whom I love so much and to whom I showed so much love in My Apparition in Paris to My daughter Catherine Labouré and to whom I also showed so much love Here in this Sacred Place of My Apparitions in Jacareí that I love so much and where I will end up the plans I started in My Apparition in the Chapel on Rue-Du-Bac.

To all of you, at this moment, I bless with love, from PARIS, from LOURDES, from COTIGNAC and from JACAREÍ.

Peace to all of you My children! Peace to you Marcos, apostle of My

Miraculous Medal who, like My daughter Catherine Labouré, spread it so much, propagated it and made it loved by all My children, according to my desires, upon you now descends an abundant rain of heavenly blessings from the My heart.

MESSAGE FROM SAINT TIRSO

“-Mark, I, TIRSO, servant of God, servant of the Immaculate Virgin, am glad to be able to come and transmit My first Message to you today.
Love the Immaculate Lady with all your heart, giving her your yes and letting her love burn in your hearts. When the soul approaches the Immaculate Virgin, it opens its heart to her, at least a crack, the rays of light that She showed to Saint Catherine in Her Apparition in Paris enter into their hearts and thus the soul is filled with light. of the Lord, filled with the Immaculate Virgin, experiences within her the gentle sweetness of the love of the Mother of God. And then, the things of the world that once seemed so pleasant to you, so coveted, which seemed so attractive to you, now have not only a bitter taste, but even a poisonous taste that makes the soul deplore them, reject them and seek everything. that which is heavenly, which I did not seek before, I did not seek because I did not esteem it.
The light of the Mother of God when it enters a soul makes it see all the things of God as precious. What before it seemed impossible to want, desire or like, now becomes like a gentle, sweet manna from Heaven, which fills the soul with sweet pleasure and spiritual ecstasy, makes the soul overflow with joy, happiness and contentment, awakens in the soul. hunger and thirst for God and makes her seek to know God, seek to know the Blessed Virgin more and more and with more thirst. By this sign you will recognize the soul that truly loves the Lord and His Mother, if it is ever more thirsty to know God, to know the Blessed Virgin, to seek to understand His will, His holiness, in order to better serve and please them. them.
The true saint is the one who has an implacable thirst for God and the Holy Virgin and the more he reads about the Saints, about God in His mercy and goodness, the more he knows the life of the Blessed Virgin, Her Virtues, knows Her Love, Its Manifestations and Its Messages, the more the soul desires to know, the more the soul desires to taste and taste.
The true saint is known by the one who also renounces his will and does the will of the Lord and the Mother of God, even if it costs him effort and sacrifice.
The true saint is known by the one who has no spiritual laziness, who does not have relaxation, who also does not have a brute and hardened heart for the things above and so ready, so happy and so careless for the things of the earth.
The true saint is the one who lives more like an angel than a man. And even in the daily obligations of each day that you have to fulfill and of which God will ask you to account for, down to the last detail, this soul that is holy, fulfills the will of the Lord, spreads the love of the Lord, spreads on the souls around him the the light with which it is full, the love with which it is full, the water of grace

of the Holy Spirit with which it is flooded.
The true saint is known for being more and more with his thought, his will and his action turned to please the Lord and not to please men or himself. Therefore, I come to call you to love the Immaculate Lady more and more, the terrible Virgin like an army in battle array, who gave you the Miraculous Medal, who gave you the Medal of Peace, who gave you all the Medals and Scapulars that you have here and that you know, who gave you His Messages in every corner of the Earth, calling you to conversion, to love it with all your heart. So that the mystical light of the Mother of God may radiate from your souls and hearts, as it did from the person and entire life of Saint Catherine Labouré, so that you too may be a perennial sign of love, presence,
I, TIRSO, am with you at all times, in all your difficulties, I accompany you, I protect you and I pray always more for you.
To everyone, at this moment, I generously bless and especially to you Marcos, who did not know My existence, but whom I have protected and guarded for a long time and who I know that now you will become a true friend of Mine and a true propagator of the devotion to Me that so many souls will take to Heaven and so much good will they do for the whole earth! I bless you all at this moment generously."

MESSAGE FROM OUR LADY

"- My beloved children, today, when you are already celebrating the feast of My little daughter Bárbara, SANTA BÁRBARA, I come again to bring you Peace and to call you the true holiness that pleases God which is Love in perfection that He desires from all you and in all of you.
Love Love! Love the Lord who is Love itself with all your heart, giving Him your whole life as My little daughter Barbara did. Allowing you to be led by Him, by the Holy Spirit, along the paths of holiness, perfection, justice, purity, charity and generosity, so that your life will always be exactly like the life of My little daughter Barbara, a garden of holiness where all the flowers of virtues grow, bloom and perfume everything with the sweet odor of perfection and divine love.
Love Love! Love the Lord with all your heart, witnessing with courage, faithfulness and perseverance to the faith as My little daughter Barbara did, without fearing the wicked or being ashamed before those who are contrary to Christ and his love. So that your life, always being a reflection of the life of My little daughter Barbara, may become a vibrant hymn of love for the Lord so that all humanity can hear him, can unite with you and in a single choir all can sing the same hymn of love to the Lord by living in His love, serving Him and

worshiping Him with all their hearts.
The flame of divine love that My little son Marcos spoke to you about so beautifully earlier in today's Cenacle, was what moved My little daughter Barbara ever further, ever higher in the ascent of the high mountain of holiness. If you have this flame within you, it will also move you forward, always higher, seeking more and more the spiritual perfection that God desires from all of you and from each one of you.
With this flame, you will be able to do everything. You will be able to give everything to the Lord, to leave everything for Him and to accomplish everything with Him. When the soul is filled with this flame of love, it practically flies like eagles in search of the sun, in search of the will of the Lord, in search of the fulfillment and accomplishment of His holy design. When the soul has this flame, it does not contain itself, but it seeks more and more to please its beloved, to please Jesus and to seek in itself and in others to change everything out of love for Him, to transform everything and to purify and perfect everything to offer Him as a precious gift to Her Sacred Heart.
When the soul has this true love, it never, ever gets tired and doesn't tire those around it because love makes it become more and more fuel for itself and for others to walk, grow more and more in the true Love of God.
I, your mother and the Queen of all Saints say to you: Imitate My Little Daughter Barbara and you will become great saints like her. Imitate her love and you will be giants in the true love of God. Follow her on the path of true love and one day you too will be by her side in the midst of the highest, purest and most sublime Seraphim in Paradise singing the glories of the Holy Trinity.
Continue with all the prayers I have given you here. These prayers tend to lead you towards true love and if you put into practice everything that is contained in them, you will truly know divine love, you will grow in this love and you will become great saints.
I bless everyone at this moment through My little daughter Barbara and I especially bless you Marcos who loves this My favorite daughter so much and who for twenty years has been constantly spreading true devotion to Her by word and example and I also bless this Holy Place who is so loved by My Immaculate Heart and loved by all the Saints and Angels of Paradise.
Peace to you all at this moment. And also to you Marcos, the most industrious of My children and the true devotee of My little daughter BARBARA."

JACAREÍ, DECEMBER 08, 2012 - UNIVERSAL GRACE HOUR 12:00h
MESSAGE FROM OUR LADY
(Video of this Cenacle: http://pt.gloria.tv/?media=370190)

"-Beloved My children, today, when you celebrate the SOLEMNITY OF MY IMMACULATE CONCEPTION, I come once more to bless you and say to you:
I AM THE IMMACULATE CONCEPTION! I am the Lady clothed in the Sun with the Moon under her feet crowned with stars brighter than the Sun, terrible as an army in battle array.
These mysterious words that I said for the first time to My little daughter Bernadette, Saint Bernadette in Lourdes and which I later repeated in My

Apparitions in Montichiari, Here, and in so many other places, indicate to you that truly I Am the Lady who fights the great infernal dragon and leads you all along the path of conversion, of sanctification and also of the fight against Satan and all the forces of evil. Therefore, today I come to you as a Woman Clothed in the Sun to tell you:
Come out of the darkness My children and come to the light that My Immaculate and Glorious Body sheds on you from the heights of Heaven!
Leave every path of sin, leave every path of self-love, leave every path of slavery to the disordered love of yourselves, the world and creatures and come to the luminous path of conversion, prayer, holiness that is path illuminated by the light of My Glorious and Immaculate Body, so that I may lead you more and more to perfect holiness, to the perfect fulfillment of the will of the Lord, so that He may receive from you the perfect glory, the perfect adoration that He deserves from all His children, of all His creatures.
I am the Immaculate Conception. I am the terrible Lady like an army in battle array that leads you further along the road of self-denial, along the road of denying your own disordered will and of the ever more constant search for the will of the Lord, for the fulfillment of His Plan and His Holy Law of Love.
I lead you on a true path that truly changes you internally, changes you permanently and not only produces a temporary change in you. I lead you along the path of truth, therefore, what my little son Mark told you is true: it is necessary, together with prayer, to bring about an interior change. It would be of no use to you to be elated in prayer, to be elated before the Lord, if you live in peace with your defects.
That is why I have always demanded a radical, profound, true and permanent conversion here, because I tell you, those who do not have this conversion will not enter the Kingdom and God nor will they be able to follow Me for a long time, because although I am the Mother of Mercy that welcome all sinners, I am the Mother and Queen of all Saints, I am the Mother of the Holy of Holies who demands true holiness from her children, because nothing impure and tainted will enter the Kingdom of Heaven.
For this My children, I call you today again to the profound and true conversion that leads you to truly become the new humanity realized, the perfect humanity realized in God, which is when man truly makes his thoughts, feelings, desires and his will come together. for the Will of the Most High, for his thoughts and thus, God and man become one in love. If you do not become this perfect humanity realized as I Am, you will not enter the Kingdom of Heaven. Therefore, take My children from now on, try to convert yourselves truly and seek to become the new creature in GOD.
I am the Immaculate Conception, the Woman clothed with the Sun with the Moon under her Terrible Feet, powerful as an army in battle array and therefore I descended in all the Apparitions on Earth from Rue Du Bac, PARIS, Lourdes, La Salette , Fátima, Casanova Staffora, Garabandal, San Damiano, Montichiari until arriving Here, in Jacareí, to call you all to enlist in My army of Prayer, Penance, Trust, Faith, and above all, Courage.
Go ahead My children! Fear nothing, because I am with you! Be brave warriors of Mine, always defending the truth, defending My Messages and bringing them to the knowledge of all My children as quickly as possible so that everyone can convert, everyone can finally be saved.
I came from Heaven to call you to enter the path of true happiness on Earth,

but no one will be able to find that happiness if he does not conform his will and his thoughts to God. Therefore, give your yes to the Lord today! When man gives him prayers, when man gives the Lord his small sacrifices, when he gives him a good work, man gives him part of himself. But when man gives man all his freedom and his will, then man gives himself, he gives everything. And that's what I came from Heaven Here to look for; souls who give everything, who give themselves entirely to God through My Hands. Say your yes today and today the way will be opened for you, the way to true happiness on Earth.
Here where I am perfectly loved, glorified, served, magnified, praised and reciprocated by my little son Marcos who, very obedient to Me, made Me known and loved by thousands and millions of My children, in every possible way and means that he could, that He had within His reach, making My Apparitions, making My Messages, the extraordinary Graces that I performed throughout the history of humanity, making My THIRTEEN, My SEVENTH, the THIRD OF MY TEARS and all My PRAYERS known and loved by all. This child of Mine who has made My Messages known and loved by so many of My children who already have My Messages as their treasure and have already become My true Apostles,
I bless all of you who have prayed My HOLY ROSARY all year long, who have made My HOURS OF PRAYER, who have been Here in person or at least spiritually, you who have spread My Messages, you who have loved Me so much and fought so much for Me throughout this year, to you at this moment, I bless you abundantly and generously, from LOURDES, from CASANOVA STAFFORA, from GHIAIE DI BONATE, from MONTICHIARI and from JACAREÍ. Peace My beloved children."

MESSAGE FROM SANTO EXPEDITO

"Mark, I, EXPEDITO, servant of the Lord, servant of the Most Holy Mary, come today in this HOUR OF UNIVERSAL GRACE that you made with so much love and affection for the Mother of God to say to you: HODIE! OR BE, TODAY! CONVERTED TODAY, NOT TOMORROW, TOMORROW WILL BE TOO LATE, TOMORROW THE LORD WILL NO LONGER LET HIMSELF BE FOUND BY YOU! TOMORROW LOVE WILL HAVE GONE AWAY FROM YOU! CONVERT YOURSELVES TODAY WHILE LOVE LETS YOURSELF FIND.
Convert yourselves today, while Love allows itself to be found by you in these Apparitions of Jacareí, saying your yes to the Lord, giving your life completely to Him, conforming your will, your thoughts, your desires and feelings to those of the Lord, so that, truly in your life, His Holy Will may be done and fulfilled.
TODAY, TODAY! Convert today, not tomorrow! Tomorrow will be too late for you. Convert yourselves today, because today love, maternal love, love in the form of a Mother is found here by you every day with His Messages to lead you ever more along the path of perfect and true happiness on Earth. Welcome this love, let this love enter your heart, let your soul change, your life to the

very foundations, so that within you, no stone is left unturned upon stone. Let your being be completely enflamed by her love, by the love of the Holy Spirit, the flame of Mary's love, so that, in your souls, what the Blessed Virgin did and was: that you become perfect humanity realized, humanity divinized, that is,
TODAY, TODAY! Convert today, not tomorrow! Because tomorrow you don't know if the door of Mercy will be open for you. For now while the Mother of God is Here, She and all the graces of Her Heart are within your reach. Ask and you will receive, seek and you will find, knock and it will be opened to you.
Have a pure heart, purify your mouth, your mind, your hands and your heart, for your being and your body were not made for the rottenness of this world. Be pure, be holy as the Heavenly Father is Holy, as the Immaculate Conception is Holy. May you be found Immaculate with the Immaculate when the Lord returns.
Blessed are the souls who can follow Her wherever She goes, who can follow along with Her and the Immaculate Lamb wherever They go, because these pure, candid and chaste souls will sing in the midst of Heaven's most exalted Cherubim, dust perfect praise of the Holy Trinity and they will receive the singular and particular draughts of knowledge of the holiness of God that will not be given to other souls, even those who manage to save themselves after rigorous penance in this life. Therefore, My beloved brothers, purify the body and the heart so that you may truly be as white as the lilies of the field and may be a true and perfect bouquet, worthy of the Immaculate Conception.
HODY! TODAY! Convert today, not tomorrow! Because time is pressing, the time given by the Lord for the conversion of humanity is running out and woe to those who leave their conversion to the last moment, they will cry out, but as the Lord said in EL ESCORIAL He will be deaf to their cries and lamentations and will say to them: I do not know you! Because when I was with My Mother pilgrimage on Earth, from place to place of the Apparitions, calling you to conversion, asking you for a drop of your love, you denied Me your love, you closed the doors of your heart to Me, behold, now I also close the doors of Mine for you. You turned your back on Me and now I give Mine to you.
Convert quickly because the Lord is already at the door, Love is returning to you with Love and for Love. Pray, have a perfect and profound conversion, have an act consistent with what you say in your prayers and what you profess to believe, so that you are not called by the Lord Jesus, hypocritical Pharisees, whitewashed tombs, which are beautiful on the outside. and beautiful and inside they are full of rottenness.
May your souls truly be an image of the Immaculate Conception, pure lilies where the Lord was always able to be pleased and there he found the most perfect, sweet and sweet perfume of all the virtues.
This month I watched again all the videos that Marcos made and gave to you. Prepare for the new year by remembering the lives of all the Saints and all the Apparitions of the Mother of God, one a day so that you can enter the new year renewed, renewed, inflamed and enflamed in the holy Love of God and with the decision firm to truly begin to walk the path of true happiness on Earth, conforming your thought and your will to the Lord's and thus beginning the new and perfect humanity realized in you.
I bless you all at this moment with love, showering you with the abundant blessings of the Most Holy Trinity.”

MESSAGE FROM SAINT GERALDO MAJELLA

“-Mark, I, GERALDO, come again today to bless you.
Your love attracted me amico Mio. Si, amico Mio, Il tuo amoré Mi ha chiamato! Your love called me, your love attracted me, and behold, here I am to bless you once more and pour out on all who are Here today the abundant blessings of the Immaculate Conception, My heavenly bride to whom I gave myself in the same today, on the Feast of the Immaculate Conception, when I was still living in Italy, on Earth when I was young. I gave myself all to her so that I would not have another wife in My life other than the Sacred Passion of Our Lord Jesus Christ and His Immaculate Mother. To her, to the Mother of God, I gave myself entirely to be Christ's. To her I gave myself completely to be perfectly Christ's, because only by being completely of the Immaculate one can one be all of Christ and only by totally surrendering to the Immaculate one can one be totally surrendered to Christ.
Whoever does not know the Immaculate does not know Christ, whoever does not love the Immaculate does not love Christ, whoever did not give himself completely to the Immaculate did not give himself all to Christ and can never be all of Christ.
That is why I say to you: all of you give yourselves to the Immaculate who here loved you so much, privileged you so much, bestowed on you so much and with so many blessings ended every day of your life and of this holy year.
Give yourself completely to the Immaculate, giving her your life, giving her more than just prayers, give her your thought, your will and your freedom, conforming them to her thought, to her will, which it is always the same thought and the will of the Lord, so that you may become like her, perfect humanity realized in God, you may become new creatures in God and be able to live the true life in God.
Give yourself completely to the Immaculate, with all the time you still have on Earth to serve her, make her more known and loved and give all your brothers and sisters who are still in the darkness of sin and ignorance the knowledge of love. so great of the Lord and the Immaculate Virgin for all of them so that they too can find the way to true happiness on Earth and can reach the glory of Heaven with the Immaculate.
Give yourselves completely to the Immaculate Conception, being her true apostles and soldiers, seeking in every way in your life to radiate the love of God, to bring the light of eternal truth to the knowledge of all souls and to establish the Kingdom of Her Immaculate Heart. and from the Sacred Heart of the Lord in all souls, in all families and in all nations.
Give thanks to the Lord for the Immaculate One, who loved you so much, who chose you to be here in her apparitions and to know so many beauties and wonders that were hidden from so many generations and only to you, only now, were they manifested. Glorify the Lord because he was more than good with you, he was more than generous, the Lord was truly mad with love for you. Therefore, with Me today, lift up the hymn of perfect gratitude and of perfect glory to the Lord for the Immaculate One, because in you the Lord has done and will still do many wonders.

Here in this Holy place of the Apparitions of Jacareí where the Lord, where the Immaculate Conception were glorified and exalted as never before! And where His Love and His Glory are manifested as never before and where His love was reciprocated as never before by My dear and beloved brother, friend and favorite companion Marcos Tadeu, and now by souls who have already understood the meaning of true love and of perfect conversion.
Here, the Lord today delights, rejoices, feels comforted and pours out on you the abundant graces and blessings of His Love, where the Immaculate is perfectly glorified and loved by this servant of the Lord and by those who have already given her perfectly. your heart, Here truly the Mother of God pours a veritable deluge today, an abundant rain like the one she poured on the Seer Estelle in the Pellevoisan Apparitions.
And I also, upon all of you now pour out the blessings that the Holy Trinity has given Me to fill you with all good things, with all the benefits of body and soul, upon all of you who hear Me now may the solemn blessing of the Lord descend and of the Immaculate and especially about you Marcos, My dearest friend, My most beloved brother."

FEAST OF SAINT LUCIA OF SYRACUSE - SAINT LUZIA - VIRGIN AND MARTYR
MESSAGE FROM SAINT LUZIA

"-My beloved brothers, I, LUCIA OF SYRACUSE, your sister, your protector, I come again today to bless you, to give you peace and also to say to you:
Follow me on the path of holiness, trying every day to give the whole world a true witness of authentic Christians, of sincere and fervent Catholics and true children of God and of the Immaculate Virgin, so that, as I was, you too may be an intense, brilliant light for this world that walks in darkness.
Be light! Be the light for this world that walks in darkness, trying every day to pray, to pray with more intensity, depth and love so that, growing in sweet intimacy with the Lord and with the Immaculate Virgin, your life may be enlightened, become radiant like a sun so that all those who do not yet know the Lord looking at you, looking at the peace that reigns in you, looking at the joy, at the divine love that is in your souls can then also want peace, can they also want to follow Christ, to follow the Immaculate Virgin along the path of holiness which is the path of happiness on Earth.
Be the light illuminating this world with your word, may it be like mine: courageous, firm, true, fearless, imperturbable in the defense of the truth, in the defense of the glory of God, in the defense of His house, in the defense of His interests , in defense of all that is of the Lord, so that your word, becoming a two-edged sword, cuts on both sides, that is, defeats the enemies of God, reducing them to inertia and at the same time may good souls be stimulated, encouraged and emulated (committed) even more to sanctify themselves and to become more and more pleasing to the Lord.

Be the light for your attitudes, for the acts of your life, trying with practice to prove with the acts that you love Christ, that you love the Immaculate Virgin, so that from all your irreproachable actions a mystical light of truth, authenticity, sincerity and holiness that makes all men recognize the existence of God, the greatness of His Love and at the same time, knowing the truth, be freed from the slavery of this world, from the slavery of Satan and from the sin that is nothing more than slavery to lie that apart from God, apart from God, man can be happy. Satan's lie, Satan's work, consists in making man think that by putting other things in the place of the Lord or by loving them outside of the Lord, man can be happy.
With this Satan has dragged multitudes and multitudes of souls over the centuries into the eternal fire from which they will never come out and where they will suffer to the point of breaking their teeth for all eternity.
I invite you, I invite you to come after Me along the path of truth, becoming light for all those who lie in darkness. Take care of your soul My beloved brothers because the body already has a certain destination, it will be put in the tomb, in less than a week it will be completely eaten by worms and shortly after that nothing will be left but bones and dust. Come after Me, walking, therefore, on the path of prayer and holiness, because when you die from this world, nothing more is taken than prayer and love.
THE WARNING IS VERY NEAR AND WHEN IT HAPPEN THE SINNERS WILL PULL THE HAIR OUT OF THEIR HEAD, MANY WILL THROW THEMSELVES ON THE PRECIDES WHILE OTHERS WILL THROW THEMSELVES INTO THE NEAREST CAMPFIRE BECAUSE THEY WILL SEE THE WHOLE TIME OF THEIR PAST LIFE WITHOUT GOD OFFENDING GOD AND WORKING AGAINST GOD WITH HIS BAD EXAMPLES, SINS, AND BAD THOUGHTS, WORDS AND DEEDS.
That is why I invite you to convert immediately, HODIE (TODAY) as Saint Expeditus told you yesterday, so that your life at that time is not a reason for remorse, despair and tragedy for you, but a reason for joy. , happiness and to rejoice, rejoice in the Lord.
The great Punishment will be worse than being cut more than a hundred times by fire, it will be so terrible that those who survive will incessantly call death and on the other hand death will be their martyrdom, because from the fire and from the sufferings of this earth they will be thrown into the fire. eternal that will never be erased. That's why I CONVERTED, not out of fear of punishment, but out of love for the Lord, for the holy fear of hurting and offending him, let this be the motive of your conversion so that it may be pleasing to the Lord.
I, LUCIA, love you so much! I love this place so much, I love Marcos so much because he loves me very much, the love of his heart attracts me, calls me and holds me to this place, that's why here I pour out so many and so copious thanks and on all of you to whom I have already given many blessing in whom I am doing great graces, I will do even more if you do what I tell you with docility, obedience and love. Therefore, follow me along the path of holiness, being like me lights, Lucias for the whole world.
Continue with the prayers that the Mother of God has given you here, because through them your souls every day become lights and spread so many other mystical lights of conversion, salvation, peace and life on the whole Earth.
To all, at this moment, I bless you generously and especially to you Marcos who loves Me so much and who holds Me so much to this Holy Place.”

MESSAGE FROM OUR LADY

“-My dear children, today I call you once again to hear the call of the Eternal Love that from the heights of Heaven invites you to the Road to Holiness.
You are called to great holiness by the Lord and also by Me, but no one can be a saint attached to sin, so I invite you, before the coming of My Son Jesus, to sincerely repent with all your heart and change your life, so that your life is completely new and completely conformed to the Will of My Son Jesus.
This is what I asked in Montichiari, showing My little daughter Pierina Gilli with the golden yellow rose that I bring over My Heart, prayer is not enough, sacrifice is not enough, there must also be penance, that is, sincere repentance for sins and life change. Without this your prayer will not take you far, so change your lives completely so that My Son Jesus can truly be born in your hearts on Christmas Day.
Open your hearts to Love, God expects great things from you, I expect from you a great love, a great holiness, do not limit yourselves to the common mortals, but love Jesus without limits, seek to love Him with all your strength from your heart, with all your soul, with all your being, trying to please Him and do His Will in the best possible way.
Renounce laziness, renounce languor, renounce envy, renounce arrogance, pride, falsehood of heart, because those who have all these will not enter the Kingdom of Heaven.
Be good, be perfect, as Jesus is perfect, as I am perfect and as the Saints after struggling hard all His life became perfect and Saints. The battle of the Saints to reach perfection, to reach Holiness was hard, it was immensely difficult, but the love they had in their hearts for God and also for the salvation of souls made them leave everything, everything, everything to renounce for love of My Son Jesus and give everything for Everything, that is, to give their whole life, put all their efforts, consume all their strength for Everything, for My Son Jesus, to love Him, to please Him , to please and respond to His Will for them.
May this also be your life, may this be your desire, may this be your only ideal, so that you too can walk, follow and grow on the path of true holiness.
I want many flowers of holiness to grow Here, but this will not be possible if you do not yield yourselves docilely into My Hands and if you do not renounce your plans to accept Mine. There are many souls who do not renounce their will to want Mine, and there is also a large number of souls who say they want My will but in their own way, not the way I want it. In this way you will never be saints, you will never enter Heaven, so if you want to save your souls, do all this: surrender yourselves into My Hands, leave your will aside, accept Mine as My daughters Barbara, Lucia, Bakita did. , My children Geraldo, Luiz Maria Grignion de Montfort, Afonso de Ligório, Ambrósio and all My children and then I will lead you along the road to TRUE HOLINESS.
What the world needs most at this time is true saints who, with the example of their lives, with their words, their prayers and their true and burning love for

God, help to enlighten the face of the earth and banish the darkness of Satan from all over. the world, of all nations, of all souls.
Rise up soldiers of Christ! Rise soldiers of My Immaculate Heart! Rise up and walk swiftly towards holiness! May the ROSARY in your Hands always be the most powerful weapon which you will wisely use to reach spiritual depth and true holiness in your souls.
Continue to say all the Prayers that I have given you Here, because through them I want to carve in your souls every day the perfect Image of My Immaculate Heart: pure, without blemish, full of love, completely consecrated to the Lord. Only in this way will you please the Heavenly Father and be recognized by Him as His true children.
Hasten your conversion! I don't want conversions for fear of punishment, but I tell you: the time is near and you are still paralyzed in the same weaknesses, in the same miseries, in the same mistakes repeatedly made.
This Christmas and in the new year that is born, convert yourselves truly, make use of it, undertake a true search for the Lord, a true search for His Will, undertake a new, decisive and constant journey towards the Lord. May your life from now on be no longer the same and may you finally be able to embark on the true path of conversion that leads to God.
In this place where I am perfectly loved, glorified and served by My little son Marcos, by My slaves of love who are Here at My Feet and by so many of My children who have given Me their yes and seek to follow Me along the path I have shown them. Every day, Here I find My good pleasure, Here you find My pleasure, although there are still some hearts that hurt Me, that hurt Me because they don't want to say their yes to Me. To these children today I say again: Leave yourselves, leave yourselves and your will, accept Mine and you will see what wonderful works of holiness I will perform in all of you from now on.
Be converted! The time of God's Justice will sound soon and when the trumpets of the Angels of Justice sound the entire Earth will shake, entire families will be buried and many others will be swallowed and disappear into the abysses of the Earth full of fire from where they will never return, because they rejected to Christ and His Gospel, because they despised the Law of the Lord and because they despised Me, His Mother, who came to earth so many times in My Apparitions with My Messages of Pain and Love to save everyone.
At that time, there will be no more remedy, there will be no more chance of appeal and I myself will be deaf to the cries of all those who despised Me while I visited Earth with My Apparitions and who, even though they could, did not want to listen to My calls.
Time is short My children, soon you will be taken up into the air with the Angels and this world to which you now love so much and to which you cling so much with all your strength will already have passed and will no longer exist and in the new Heaven and on the new Earth that you will come you will be like the Angels and you will sing with Me and with the Saints, with the Martyrs and the Confessors eternally the praises of the Lord. Everything will be new, every tear will be wiped away, new Heavens and a new Earth will unfold before you. Violence, sin, wickedness, the river, the vomit of the infernal serpent will be precipitated together with it into the eternal abysses and the Lord, My Son Jesus Christ will be served, adored, loved and glorified by all men and side of

Him,
Therefore My children, forward! I prayed a lot! Without prayer your soul will die in a short time, because prayer is the oxygen of your souls. Stop praying and your souls will quickly die. Pray a lot and your soul will be full of good oxygen, the grace of God and the Holy Spirit and light and soft, strong and full of spiritual health, it will run with a quick and swift step to meet the Lord who comes.
To all of you, at this moment, I bless you generously, from LA SALETTE, from MARPINGEN, from HEROLDSBACH and from JACAREÍ.
Peace My children! Peace to you Marcos, the most dedicated and hardworking of My children whom I never tire of favoring through My Holy Servant LUCIA OF SYRACUSE and all the Saints in Heaven."

MESSAGE FROM SANTA OLIMPIA

Marcos: "Oh beautiful princess of Heaven, who are you?"
"-My beloved brothers, I, OLYMPIA, Servant of the Lord, of the Mother of God, of the Spirit of the Lord, come now once more to bless you and give you Peace.
I say 'one more time' even though this is My first Message Here, because Here I am continually to give the blessing every day to those who come devoutly to pray in this place.
I love you so much! And I want to call you the true conversion of heart that pleases the Lord, that attracts his benevolence to you and that makes you truly heirs of the Lord.
You want to be heirs of the Lord, heirs of Heaven, but you want to keep sin within you. So the only thing you will inherit when you leave this world will be eternal fire. Therefore, CONVERT YOURSELF SINCERELY! So that after your life you may receive the crown of eternal life and inherit that heavenly kingdom where I and all the Saints of the Lord sing his glory and bless his name.
Therefore I say to you: truly convert your hearts, renouncing your wickedness, your violence. Making war on your defects and miseries, so that every day your soul may become more beautiful, purer, more luminous and more full of love to please the Lord and the Mother of God.
Truly convert your hearts, renouncing everything in your path that opposes the will of the Lord and his law of love. So that, without embarrassment or delay, you set yourself to fulfill that will in your life.
Truly convert your hearts, living a life of intense, deep prayer, continually meditating on the words that come to you from Heaven and also those that millennia ago were sent to you by the Lord and that are in Sacred Scripture; so that you, every day, growing more and more in the knowledge and in the Divine wisdom, can also grow more in the love for the Lord that you can only know through his word, prayer and meditation.
I Olympia am always with you. In your needs I defend and protect you. From how many snares of Satan have I freed you and you didn't even know it. I loved you first, first and before you loved me, knew me and could ask me for help. This proves to you how much I love you and how much I want to help you

get to Heaven.
Here, in this blessed place of the Apparitions, where the whole of Heaven is present and where Divine Mercy is poured out as never before on the face of the Earth, I come today to tell you: Love is not loved! This great love that has poured out so many mercies, so many graces here, which has given itself here, has given itself so much to you, is not loved enough by you. Therefore, open your hearts! Respond more closely to this love that has chosen you so that from your whole life, every day the incense of true love rises to the Lord, which is the only thing that can appease His Justice, His Wrath against you!
I, Olympias, will take the hands of all those who entrust themselves to Me and allow themselves to be guided by Me on the path of holiness. Together with all the other Saints, I want to lead you on this path that is full of stones and thorns, embers and suffering, but which is the royal road that leads to Heaven. And at the end of it, you will find a wonderful heavenly garden waiting for you to recreate and rejoice for all eternity.
Flee from the enemy's path, which is sown with many roses of pleasures, facilities and benefits in this life. But inside each rose is the number of the enemy engraved: the number 666. And all those who go along this path of roses have his mark on their souls and his name is already scratched in the book of life.
Beloved brothers, Life goes by soon! Do not let the grace that now passes through you pass, without you embracing it and being able to draw from it, to draw the holy benefit that the Lord expects and desires from all of you. At this moment I bless you all with love and say: Pray... Pray..., Pray...
Peace! Peace to you Marcos, the most hardworking and dearest of my friends and brothers of the Saints in Heaven!"

JACAREÍ, DECEMBER 25, 2012 - CHRISTMAS OF THE LORD JESUS
(Video of this Cenacle: http://gloria.tv/?media=376406)
MESSAGE FROM OUR LADY

"-Dear children, today, I come with the King of Peace in My arms to bless you and to say again: Prepare yourselves because this same JESUS that today you contemplate in My arms, little one in the Crib of Bethlehem, will soon return to you as Judge and the Supreme King of all things.
He will return to you and the world will not be prepared to receive him, he will return to you and the world will rebel against him, he will return to you and with him he will bring the fire that will consume everything and everyone who opposed him and who did not want to live. under His Law of Love.
Jesus will return to you in Glory in all the splendor of His Glorious Body, with His Wounds brighter than a thousand you are together and at a single gesture of His Arm the undesirables, the reprobates, the rebels, those who do not submit to Him, those who do not submit to His Commandments and who today trample His Holy Name under their feet, all these will be thrown with Satan and his angels in a single moment into the infernal flames where they will burn for centuries of centuries without ever having a single drop or minute of relief.
Jesus will return to you in all the splendor of His Glory and all those who mock Him, who despise Him, even those who crucified Him will see Him and hear

from Him that terrible final sentence: Go you cursed into the eternal fire that is prepared for the devil and his angels. And at the same time he will say to all those who obeyed His Law of Love, to the Saints, who were despised for His Name's sake, who were persecuted for His Name's sake, who were humiliated and trampled underfoot for His Name's sake, of Truth and Good, they will hear from Him that wonderful sentence: Come, blessed ones, into the kingdom of My Father, which has been prepared for you since the creation of the world! And then, great will be the joy among the saints, great will be the joy among the righteous.

Jesus will return to you in glory, in all the splendor of His Glorious Body and those who mock Our Messages today, mock Our Messages will gnash their teeth, pull the hair out of their heads, look for the cliffs to throw themselves from them, they will say to the hills and to the mountains: Cover us! And to the mountains they will say: Fall on us! They will throw themselves into the fire begging the fire to burn them and consume them and the death that on the one hand would be their relief, in fact will only be the beginning of even greater torments in eternity.

Prepare yourselves, therefore, for the return of the Lord who returns to you in glory, because now is the day of Mercy, now is the propitious time for your conversion. The Lord has sent Me to so many Nations on Earth, to so many countries and places to prepare the way for his return and together with Me the Lord has placed at your disposal all the graces to make you Holy and Immaculate in His eyes. If you now despise grace, if you now refuse what the Lord offers you, then for you, for your final impenitence, there will only remain the punishment of all those who have committed the sin against the Holy Spirit of final impenitence, the eternal fire in the company of demons and their dragons.

The sin of this humanity for not having heeded My Message of Fatima, for not having obeyed all the Messages that I have given you from Paris, La Salette, Lourdes, Pontmain until arriving Here in Jacareí, is a sin that cries out to Heaven for revenge . And behold, vengeance is at your doors and all will be punished, from the representatives of the Church to the smallest of the people, because all with one voice rejected Me, rejected Me and treated Me harshly, with ingratitude and fury, fighting so many times against Me and making My Name disappear in many places where I appeared and in others leaving Me completely abandoned and alone.

That is why My Son's arm will fall on all humanity and when He weighs on the world Entire nations will be torn apart, they will disappear, swallowed by the oceans, others will be swallowed by fire and many others will simply be disintegrated by the great fire that will fall from Heaven and will consume entire regions of the face of the Earth.

That is why I ask you My children, convert while there is still time, listen to the living appeal of the Mother of the Lord who comes once again to say to you: Convert, prepare the way of the Lord because the King of Heaven and Earth has already it appears over the mountains, it already appears on the horizon and you who are His heralds and His messengers have the mission to prepare the way for His return, to smooth the way for His glorious and imminent return. Now, it is no longer time for hobbies and vain things, truly dedicate yourselves to this holy task that will earn you a reward, an immortal reward in the Kingdom of Heaven.

Publish, therefore, My Messages. Spread My Hours of Prayer, My Meditated Rosary that My Marcos made and gave to you where My Messages from all over the world are recorded, because this Rosary, in addition to making My Messages known and obeyed by My children, still takes away My swords of pain that the world has engraved in My Heart for having disobeyed or let these Messages fall into oblivion. Now My children, it is time for the great battle, prepare yourselves to truly fight the last fight.
I am with you, I walk by your side and I never leave you alone. Today I bless you with the King of Peace by pouring out upon you the efficacious graces of Our Most Sacred Hearts United and also giving you today an abundant outpouring of the love of the Holy Spirit upon you."

So that, truly, from your hearts and all your souls, the most perfect hymn of gratitude and praise that He desires from you may rise to God, that your sincere desire to change your life in this new year may also rise to Him. that starts, that your conversion My children do not delay any longer, that each one begins to purify his own soul, fighting his defects, his vices, bad inclinations, bad habits in them. So that, day after day, you can always improve as people, as Christians, as My children, until you become completely similar to Me, to My Son Jesus, to Saint Joseph and to the Angels and Saints of Heaven.
I truly desire that in your souls there is a great love, a great purity, a great perfection. That's why I keep appearing day after day here to lead you on the road to perfection. While humanity always gives itself up at the end of the year to dissipation, amusements and vain things, you must give yourselves completely to the Lord and to Me so that I may bring about in your souls the transformation so desired by God and Me to launch you. truly on the path of sanctification and in it you may advance ever more with firm step towards the fulfillment of the will of the Most High.
During this year I have been with you in all your trials, tribulations, difficulties and sufferings. I was by your side at all times when everything seemed lost and it seemed that no hope remained for you. I was by your side to be a sign of hope, a sign of love, a sign that in the end the Lord will triumph and this world that already seems now completely dominated by the darkness of Satan and completely lost, this world will finally be purified, it will finally be freed from the yoke of Satan and the souls that are now in darkness will see My great light

and when they see this My great light they will know the truth and they will all have the opportunity to choose the truth.
Therefore, do not be discouraged My children... Pray, pray, pray, because in the end My Immaculate Heart will triumph. My Immaculate Heart will triumph in you, in your life, as much as you answer Me yes today and open the door of your hearts to Me widely.
I bless all of you at this moment generously and I say to you: I love you! I love you! I love you! I will continue to appear Here next year for you, for you, My children that I love so much to lead you safely along the path of salvation to Heaven.
I bless everyone at this moment and especially you Marcos, the most dedicated and hardworking of My children, of LOURDES, of My SANCTUARY OF GUADALUPE, of MONTICHIARI and of JACAREÍ.
Peace My beloved children, stay in the Peace of the Lord."

MESSAGE FROM OUR LADY

"-Dear children, in this new year is born I invite you once again to turn your hearts to God and to begin a new path of conversion. Begin a new path of conversion, truly redoing all your intentions and vows to be saints, seeking from now on to go deeper into Prayer, in the knowledge of God, of His word, of His love, seeking to escape ever more from things in the world and seeking to please the Lord by a beautiful, pure and fragrant life of prayer.

Have a true conversion, seeking ever more to know the Lord's will for you through deep prayer, through meditation on My Messages, on His Word and also through attentive observation of the events that happen every day in your life through which God So speak, thus, traveling ever more along the path of seeking to please the Lord with your acts and your holiness, you will truly grow this year like beautiful and fragrant flowers to give Him honor, praise and glory.

I love all of you My children and this year I will increasingly help you to grow in holiness. Be docile flowers in My Hands that allow Me to cultivate them and allow Me to truly pour over all of you the gentle water of God's grace that purifies you, that gives you life and vigor to grow ever more in the perfection of the Saints, in the perfection Christian.

My Immaculate Heart will follow this year every step you take on the path to holiness and will be by your side in all your sufferings, anguish and pain.

During this year the Reaper Angel, the Angel of Justice of God will pass through many nations of the Earth and woe to those who are in guilt before the Lord. The Reaper Angel will also look for all those who sowed corruption in the midst of souls and woe to the souls that are inscribed in the Book of Justice. That is why My children, convert yourselves, each one renounces the sin of the heart and that practices with their hands, so that, in this way, you are truly visited by the Angel of Peace instead of the Angel of Justice.

If you are converted, if you pray the Holy Rosary, the Prayers that I have given you every day, if families pray the Holy Rosary, then the Angel of Peace will descend and give Peace to the world.

Leave the sins of the past year behind, start a new life today, the past no longer matters, now what I want from you is LOVE, PRAYER, HOLINESS and a TRUE DESIRE TO SERVE GOD. May each one of you follow in the footsteps of the Saints, God placed them as luminous stars in the dark night of your time so that all of you could see the path that leads to Him to Our Most Sacred Hearts and so, even in the midst of darkness, you could follow on the road to salvation, grace and holiness.

I will grant everything to those who ask Me through the intercession of My Saints and who are truly striving to follow their example.

I bless everyone at this moment with love, especially you Marcos, the most industrious of My children, I bless My Slaves of Love who have donated their

whole lives to Me throughout the past year and in previous years and who are the pupil of My Eyes. And I bless all of you My children, who strive to faithfully follow the example of the Saints and fulfill My Messages.
I bless you from LA SALETTE, from LOURDES and from JACAREÍ. Peace My children, Peace Marcos, I love you very much."

JACAREÍ, JANUARY 6, 2013 - MESSAGE FROM OUR LORD JESUS CHRIST
(Video of this Cenacle: http://pt.gloria.tv/?media=381289)

"-My beloved servants, My beloved children, I, JESUS, bless you today and give you the Peace of My Sacred Heart.
Glorify My Sacred Heart with a holy life as the Saints glorified Me. May your life be all pure, immaculate, full of prayer, of good works so that My Sacred Heart may be glorified in you. Glorifying Me, worshiping Me in Spirit and Truth means praising Me, serving Me with works, with holy attitudes, so repent of your bad habits, your sins, your bad inclinations and bad works, live holy in My eyes by doing good works of charity, holiness, love, prayer and purity. So that your works become a true hymn of love to My Sacred Heart to glorify Me in the midst of all men.

Glorify My Sacred Heart by making Me better known and loved, make Me better known and loved by word and example by giving all My children who do not yet know Me to know My Most Holy Mother first and then My Sacred Heart because by making My Mother known, you will make Me more known and loved, because My Mother is the way, she is the blessed bridge that takes all men into My Heart, that brings all men to the knowledge of My Sacred Heart and true love for Me.
By making My Mother known, you glorify My Name, because She and I are inseparable in LOVE, just as we were inseparable on the Cross, in the redemption of the world.

Work tirelessly to make Our Sacred Hearts known, making Our Messages known to the whole world, for only in this way can this impious and perverse generation have any hope of salvation. The world has become worse than at the time of the flood of Sodom and Gomorrah, sins and more sins are piling up before Me every day and although My Arm has already punished the world many times for its crimes, hearts do not changed. With the punishments, hearts did not change, soon after the punishment passed, they returned to offend Me with the same sins as before and even worse. Therefore, I desire a profound conversion for all of you My children, before I end up casting My fire from the heights of Heaven on Earth until I reduce it to a ball of ashes.

Convert from the depths of your hearts, weep over your sins and do not put off your conversion until tomorrow, for you do not know if I will tolerate you until tomorrow, if I will wait until tomorrow. Convert now and turn your hearts to My Sacred Heart which has been waiting for you for so many years with such longing and such a desire to unite with your hearts.
Glorify My Sacred Heart by responding to My love, giving Me LOVE FOR LOVE. I have done so much for you and you have done so little for me. I have given you so many proofs of My Love and you have not given Me any proof.
Finally, give Me your Heart now, responding to My Love, answering yes to the call that I am making to you from the heights of Heaven Here in this Place for

almost 22 years now with My Most Holy Mother, with My Angels and My Saints.

I have proved to you all these years My great Love Here, giving you grace upon grace, Mercy upon Mercy, Message upon Message to lift you up from the quagmire of sins into which you are fallen, to lift you up and lift you up to Heaven, but you what have you done? What do you do for Me? What works of love do you present Me to prove to Me that you love Me? You fail in everything My children, you fail so many times in prayer, you fail in the practice of virtues, you fail to prove your love for Me even in suffering, because so many times you rebelled against Me when I allowed you a small cross. You are not able to prove your love to Me with anything, your hands are empty! You are not even able to make the Prayer Groups,

How do you expect to be saved in this way? In this laziness, aridity and spiritual lukewarmness in which you find yourself? In this way you will only obtain eternal fire, so I say to you My children: convert because now My Sacred Heart is ready to forgive you, it is ready to wait for you, it is ready to have Mercy on you.

Cast sin out of your lives forever, because sin separates you from Me, cuts the link of grace that I have with your souls, deprives you of My lights, breaks the connection of My Sacred Heart with you and makes you every day more slaves of Satan and evil.

Be converted! Return to My Sacred Heart and I promise that I will not repel you. come to Me through My Most Holy Mother, through Joseph My faithful servant, come to Me, beseeching Me through My Angels and My Saints and I promise you that My Heart will look favorably on you.

Continue to come here in this place so that I can continue your conversion. Continue to pray all the Prayers that I, My Most Holy Mother and My Saints ask you here, because through these Prayers My Sacred Heart will triumph in you and will be more glorified by you.

I bless you all at this moment generously, from PARAY-LE-MONIAL, from TURIN where I appeared to My little daughter Consolata Betrone and from JACAREÍ.

Peace My children, Peace to you Marcos, the most strenuous and dedicated of the Servants of My Sacred Heart."

JACAREÍ, JANUARY 8, 2013 - MESSAGE FROM SÃO GERALDO MAJELLA

"-Marcos, I, Geraldo Majella, greet you and give you My peace.

My great friend, transmit this Message to all the children of the Lord: Pray! Pray more! Prayer is the breath of the soul. As the body without the breath dies, so the soul quickly dies without prayer. The soul that does not pray will surely fall into mortal sin, because without prayer, which is the only means by which Grace of the Most High is communicated to the soul, it will not have the strength to resist temptations and will soon betray the Lord God. Pray, pray a lot therefore, because without prayer no one will be faithful to Jesus nor will they have the grace of final perseverance.

Imitate My purity to that you please Jesus and be worthy of seeing the Mother of God in Paradise.

I renounced sin. If you do not renounce all kinds of sin, God will do

nothing in you. If you live in peace with your sins, you will not only lose all the graces of Heaven, but you will also lose the sanctifying grace and if you thus reach the end of life or are surprised by death, you run the risk of losing your eternal salvation, for final impenitence throws the soul in hell forever.

Renounce sin definitively! Just as all falls into sin begin because you do not pray sincerely, so all conversions do not take place because you do not sincerely renounce the sin that is in you and in which you live. Renounce sin and your souls will live in the Grace of God and you will be saved.

Imitate My modesty, My spiritual circumspection, My silence, My life of deep and burning prayer, My ardent devotion to the Mother of God.

May young and single people imitate My chastity and they will be deeply loved by God and His Mother. I have banished from your lives all immorality, vice, fornication, blasphemy, envy, laziness and every kind of sin against the commandments of God.

Imitate My profound love for God and His Immaculate Mother, for this love is what transforms man into an Angel and makes him unite with his Creator until he becomes one with Him in love.

Marcos, My favorite friend, I bless you now and everyone who hears My voice with love and I cover you with My protective mantle."

JACAREÍ, JANUARY 13, 2013 - MESSAGE FROM OUR LORD JESUS CHRIST

(Video of this Cenacle: http://www.youtube.com/watch?v=fUwrWjqMaXM)

"-My beloved children, today, I, JESUS, come with My Sacred Heart to bless you with My Most Holy Mother and My Father Nutricio José and to say to you: Glorify My SACRED HEART, giving it LOVE FOR LOVE . Giving Him contentment, answering yes to the call that for so many years in this Place I have made you to convert and to draw closer to Me so that you can truly be converted and saved.

Glorify My Sacred Heart, giving it more and more: honor, glory and praise through a pure and holy life, through holy works that truly prove your love for Me and trying to make your lives a hymn of constant love. to My Sacred Heart, so that, through you, I can also spread My light and My love to all the souls who do not yet know Me, calling them back to the fold of My Sacred Heart, so that then all May My sheep know Me, love Me and be saved by My Sacred Heart, through the knowledge of the truth of Me who Am the Eternal Truth.

Glorify My Sacred Heart by giving ALL FOR EVERYTHING, since I have given you all My life, give Me yours, since I have given you all My Heart, give Me all yours, because I only give all My Love to the souls who give Me all their love and I only give all My Heart and My predilection to those souls who also prefer Me to all other loves, to all other things and give Me their Heart completely.

Be the burning sparks of My Sacred Heart, carrying the flame of My Love to the whole world, lighting this flame in all souls, every day of your life, bringing My Word to them, bringing My Love to them, bringing them the knowledge of the truth that saves, so that the whole world can be ignited again in the flames of My Sacred Heart and can be transformed into a fire of love.

Be the sparks of My Sacred Heart, lighting My Sacred Fire in hearts and souls

through your word and your example, so that the fire of My Heart which is My Holy Spirit, makes the fire of sensuality, envy, avarice, laziness, lust, blasphemy and sin and so, the souls scorched in the fire of My Sacred Heart, burn with Me, with My Mother, with My Father Nutrício José to be one flame of love in My Holy Spirit to the glory of the Father.
I chose you from before you were born so that one day you would be Here, so that today you would be Here and know My great Love, hear My Message and be the bearers, the Messengers of My Message to the whole world. My Heart places its trust in you. You are the last hope of the Earth, therefore, take My salvation, take My Love to every creature so that every creature knows Me, loves Me, praises Me and blesses Me.
Hasten your conversion because the time of My Mercy is running out and soon the time of My Justice will come and I say to you: no one will be able to escape from My Arm which is long and extensive enough to reach you to the ends of the Earth and I say to you, woe to the mockers, woe to those who throughout all this time have been haughty and have closed their ears to My Voice, for I say to you, the inhabitants of Sodom and Gomorrah will be sorry for the Punishment of this generation. And I say unto you, that the Sodomites will consider their Punishment a soft and fresh breeze compared to the fire that I will bring down on this wicked and perverse generation. Therefore, convert without delay! no longer pierce My Sacred Heart with the spear of your sin. Come to Me, I wait for you with My Arms open and I am ready to forgive, love and save you.

To everyone at this time, I bless with love generously."

JACAREÍ, JANUARY 20, 2013 - MESSAGE FROM OUR LORD JESUS CHRIST

(Video of this Cenacle: http://gloria.tv/?media=388393)

“- Beloved My children, I JESUS, today I bless you again and I give you My Peace. I come today to call you to be the always perfumed, illuminated and holy altars of My Sacred Heart, where My Heart can truly reign and perform Its

wonders of love in your souls.

Be the altars of My Sacred Heart, always perfumed by the virtues of GOODNESS, PURITY, LOVE, TEMPERANCE, GENEROSITY, HUMILITY, so that My Sacred Heart comes to rest in your heart, you can find many flowers of the most varied virtues to delight in them, and so your heart, exhaling a sweet perfume of all virtues, may by My grace spread to other souls, to the whole world, transforming My altars destroyed by the action of My enemy and by sin. and reduced to ruins on altars again perfumed, beautiful and pure, in order to replace the stench of sin that took over so many of My altars and in them, once again replace the sweet perfume of holiness and virtues.

Be the altars of My Sacred Heart, altars always illuminated by the light of prayer, of meditation, of the continuous search for My Word, of My Will, of the knowledge of Me so that the light of your altars will not be darkness, but truly lamps. burning and luminous that with His light dispel all darkness and fill the world with the light of the Holy Spirit, with the light of the true knowledge of Me that frees the soul from all sin, from all the darkness of evil and ignorance and makes so that everyone grows more and more and arrives at salvation, which I generously offer to everyone in My Sacred Heart.

Be the altars of My Heart, always beautiful and pure, always precious and adorned with the most varied gemstones of Virtues and especially true charity and love. If you are altars where the flame of true love, where the rubies of true love are present, then My Heart will descend to your altar, to your soul, it will enter it, it will dwell with you, it will reign within you, it will fill your entire interior. with the fire of My divine love until I completely consume you and give birth to a new creature in you and from you, the sanctified creature, the sanctified spouse of the Divine Lamb, the ideal soul, the truly suitable soul of My Sacred Heart.

I want to do this great work in you, but in many of you I see nothing but ruins. The altars of your souls were destroyed by the action of sin and My enemy, the devil, which you yourselves allowed to enter within you. How great is your ruin! Your altars nest no more than serpents and scorpions, than sins, vice, falsehood and vileness... I come to put to flight, to drive these serpents and scorpions out of you and to restore the ancient beauty of the altar of your soul. I come to make her go back to the way she was at Baptism, pure, and even more, to take her to the highest heights of holiness. For this, give Me your yes, let My grace truly enter your soul, renew it, transform it, purify it and elevate it.

Without your renunciation of sin I cannot do anything in you, I cannot save your souls as much as I want to, because I myself instituted and decreed: THAT THE SOUL TO SAVE ITSELF HAS TO RENOW SIN AND HAS TO WANT GRACE. Therefore, today, totally renounce yourselves, your corrupt will, and every form of sin that offends Me and that separates Me from you forever, so that I can truly perform My wonders in you and become you great saints.

I love you so much! I want you so much! And My love has already been proved and demonstrated to you a thousand times Here, in these My Apparitions with My Mother, with Saint Joseph, with the Angels and Saints and I never get tired of calling you back to My Sacred Heart. But hasten your conversion because soon, My Heart will put an end to the time of Mercy, to the deadline for the conversion of the world and then I will make My fire fall by

surprise on your homes and on the nations, and woe to those who in a state of grace are not!

I warn you in advance so that no one later throws Me in the face that I was unjust and warned no one. I warn you: THAT TRULY TIME IS FINISHED AND YOU ARE PARALYZED IN ATTACHMENT TO YOUR SIN. RENOW EVERYTHING FINALLY, AND ALL THAT IS FROM HEAVEN SHALL BE GIVEN TO YOU.

To all, at this moment, I bless you generously and especially to you Marcos, the most ardent of the devotees of My Sacred Heart, the servant of My Sacred Heart, the temple of My Sacred Heart."

"-My beloved brothers, I Sebastião, servant of the Lord and His Martyr, come today once again, for the second time, to bless you and give you My Message.

I love you with all My Heart! I cover you more and more with My protection every day of your life. I come to you today to truly call you to be carnations of love for the Lord and the Mother of God.

Be nails of love for the Lord and for the Mother of God, making your life a great and perfect hymn of love to them, giving them your heart, living to honor them, obey them and make them known, so that in your simple and daily life, everyone can see and recognize the magnificence of the love of the Lord and His Mother and so, all attracted by the sweetness of the perfume of your Virtues and at the same time by the hidden charm of the spiritual beauty of your soul, they too love God, serve Him and give themselves to Him with all their hearts.

Be nails of love, giving to the Lord every day: LOVE FOR LOVE, EVERYTHING FOR EVERYTHING, LIFE FOR LIFE. Since He gave you all His Love and He gave you His own life by dying for you on the Cross, give the Lord your whole life, your whole existence, each one in the vocation to which you were called, but loving the Lord with all your strength, with all your soul and loving nothing outside of Him nor more than Him. So your soul, like a fragrant and beautiful carnation, will truly be a sign of God's love in this world and will be pleasing in God's eyes, because then your life will prove your love for the Lord and then He will be pleased with you. and will come to dwell in you.

Be the nails of love for the Lord, giving the Lord truly proof that you love Him, renouncing sin, renouncing yourselves, making war on your faults and your sins and never resigning yourself to praying and living in peace at the same time. with the evil inside you. But then, truly fighting your corrupt self, can you testify to God and to men that your love is true, that your faith is genuine, and so, from you and through you, the light of the Holy Spirit may burst powerfully over all. those who lie in darkness so that they too may recognize their spiritual death and also renounce their sin, and the evil that is in them, strive to also be converted and be holy.

Finally, I call you to a heroic faith in God, a faith similar to the one I had, a love in all trials, which makes you willingly accept the crosses, the sufferings, the pains of this life before denying in words and works for the love of Jesus.

Have a courageous faith like Mine was, to the point of sacrifice and

martyrdom, so that one day you can dwell with Me in those immense heights of Heaven where I am in one of the places where the fallen angels left void. Yes, I am one of the most supreme Saints in Heaven because I loved so much and because I witnessed My love for Jesus with My own blood.

Come brothers! Follow the path of spiritual perfection, that from now on your greatest and only desire is to become great saints, because what this world needs most today is true saints, who with word and life are more than they talk, be more than they appear and truly win souls for God with true and perfect charity and with works born of this charity.

I bless you all at this time generously. I bless this Place which is so dear to Me, which is so favorite to Me and for which I have a very special protection and care. And I also especially bless you Marcos, who throughout your life never forgot Me in My day, no matter how much you were suffering or how busy you were. To you who every year followed My procession with devotion and love on My day, I now generously bless and all My true devotees."

JACAREÍ, JANUARY 22, 2013 - MESSAGE FROM SÃO GERALDO MAGELLA - REVELATION OF THE ROAD OF SÃO GERALDO
(The seer Marcos Tadeu will compose the ROSE OF SÃO GERALDO, as He asked and will make it available for all pilgrims to pray with their hearts)

"- Mark, today, I come once more to bless you and give you My peace.

I love you so much! So much, my friend! Your love draws Me to you and to this Place and will never leave you alone. I love so much the slaves of the Mother of God Here and I will never leave you alone in your lives. I also love immensely the pilgrims who come here to pray and comfort the Hearts of Jesus, Mary and Joseph and all those who obey their Messages and do everything to serve them, especially praying the Prayers and Rosaries that are engraved here.

The Prayer that most pleases the Lord is the one made with the heart, but, in order to be able to say this Prayer, it is first necessary to renounce sin, your disordered desires and even the representative images of them in your imagination. And completely empty yourself. Without this emptying, your hearts will never be able to feel the presence of God and His love in your hearts.

It is because you do not renounce sin and your disordered desires that you do not have peace within you, in your homes and in the nations of the world. It is because you do not renounce sin that you do not feel God in your prayers. It is because you remain attached to your disordered desires that you remain cold and insensitive to His presence and His Love.

Renounce sin, your disordered desires and even the representations of them and then, you will have inner peace, you will feel the presence of God and His Love for you, and then, He will begin to act in you and you will be completely renewed in His grace, you will be new creatures in God.

Do as I did in My Prayers: renounce everything, even the representations of your desires and wills of the corrupt nature that you have, and then God will draw near to you.

When your souls are emptied, pacified and open, then divine grace will visit you and change your entire interior, you will be different and a river of

peace and happiness will overflow your interior.

When you reach this stage of prayer and interior renunciation, then you will feel the effects of the Love of God in your souls, your heart will burn with the desire to know Him more and more, you will feel the desire for holy things, you will have a burning thirst prayer, meditation, recollection and intimacy with God. You will deplore sin and love virtues. Your soul will rest in God and you will feel the immense sweetness of his loving presence that will always be with you.

I, GERALDO, will help you to reach this intense and profound Prayer, for that, do what is up to you, renouncing yourself so that divine grace enters you, then, within you, the new creature will be born, the transfigured man who lives the true life in God. I will help those who are docile to allow themselves to be led by Me on the spiritual path and I will lift them to the highest heights of grace.

Marcos composes a third, my third, so that I can pour more of My graces on souls, only you can do this, so that it can be accepted by Heaven. I want to unleash My graces on the souls of the whole world and thus prepare them for the TRIUMPH OF THE IMMACULATE HEART OF MARY.

Peace my friend. Peace to you all."

JACAREÍ, JANUARY 26, 2013 - MESSAGE FROM SANTA LUZIA

"- My beloved brothers, I, LUZIA, come today to bless you once again and give you Peace.

I want to lead you to the true encounter with God in deep prayer, but in order for you to feel the love of God, you must take out of your heart all feelings, desires, attachments and even their thoughts, and then, when your hearts are empty and unoccupied of everything that blocks your hearts, you will be able to open yourselves to the Love of God and He will approach you. Then you will feel the presence of God, you will feel peace, relief, serenity, joy and an intense joy for understanding the TRUTH, knowing the TRUTH and experiencing how much the Lord loves you.

This deep prayer and encounter with God will fill you with such great peace that your soul will rest more peacefully than a little child in its mother's womb. Then she will produce in you a force of love so great that everything will be easy for you: pray, spread the Messages of the Sacred Hearts, work, study, make Prayer Groups and Cenacles, suffer and even give your life for God as I gave, for you will do everything moved and filled with the love of God, which will overflow from your hearts.

It was this Prayer that filled Me with strength and love, to testify to My faith and to give for Jesus and Mary, suffering the cruelest martyrdoms ordered by Paschasius. This Prayer will also give you strength to witness the Messages of the Mother of God to the world and to serve the Lord faithfully every day.

Open your hearts to this great grace and let your soul have the encounter with God. Renounce all the things that block her and she will feel the love of God.

I, LUCIA, will help all those who want to have an encounter with the Lord and I will lead you all to sweet intimacy with Him in the visit of His supernatural love.

I now bless everyone with love and especially you Marcos, the most ardent of My devotees and the most strenuous of My friends. Peace!"

JACAREÍ, JANUARY 27, 2013 - MESSAGE FROM OUR LADY
(Video of this Cenacle: http://gloria.tv/?media=391364)

"-My beloved children, today I invite you again to true love for the Lord, for Me your Immaculate Mother, for the good, for the truth, so that your whole life reflects love, spreads love to all creatures.

You must fill yourselves with the love of God, but no one will be able to do this unless he first renounces sin, himself, his will, his attachments and even the images of these things. Because only in this way will your heart be able to open like a flower to receive the dew of the gentle love of God that will descend upon you to truly transform you into a wonderful work of His Hands and also transform you in this way into crystal clear mirrors where the Lord can reflect His light to all those who are far from Him, come out of their darkness and see the path of conversion and return to Him and thus, get ever closer to Him.

The encounter with God must be in deep prayer, so you must open your hearts as I and My Saints have taught you Here and you will feel the tenderness of God, you will feel His presence, you will feel His grace, you will feel His Love , you will know His sweetness and this sweetness and this peace will overflow from your hearts like a mighty river that will then transform other souls around you from arid deserts into green gardens: of love, beauty, holiness and peace.

I want to lead you to this sweet Union with God, to this deep intimacy with Him, so that your heart can truly be the abode of Peace, of that Peace that for twenty-two years I have offered you Here incessantly in the My Messages and in all that I have done Here, but that many have not achieved because they have not renounced their attachments and human desires that blocked their hearts to have an encounter with God, an encounter with Me so that I could give them Peace.

So, My children, so that truly the PEACE that I have come from Heaven for so many years to bring Here to give you truly becomes a reality in your life, I ask you: completely renounce your desires and attachments today, so that, in this way, the May My Peace be true given to each one of you in the personal encounter of your souls with Me in prayer.

Then My plan will be carried out, then My Peace will radiate to the souls of the whole world, then the nations will finally know the peace that springs from a personal encounter with the love of God and finally all the hearts of men will seek God, love Him and to Him they will give themselves completely. It will then be the Triumph of My Immaculate Heart!

Help Me in this. Make sure that more and more souls have a true encounter with God: through deep prayer, through the practice of My Messages and, above all, through renouncing all sin, all human attachment and even thoughts, the images of these attachments.

Continue to pray all the Prayers that I have given you Here, as they will help you to have the strength to renounce yourselves, sin, your attachments and thus undo all the blockage that prevents your souls from

having a deep, intense and true with the love of God in Prayer.

I bless you all at this moment generously, from FÁTIMA, from GHIAIE DI BONATE and from JACAREÍ.

Peace My beloved children, rest in the peace of the Lord!"
(MARCOS): "-See you soon, beloved Mother."

JACAREÍ, 03 FEBRUARY 2013 - MESSAGE FROM OUR LADY
(Video of this Cenacle: http://www.youtube.com/watch?v=nnTnvKLr2UI&feature=youtu.be&a)

"- Beloved My children, today, when you are already so close to the 22nd anniversary of My Apparitions Here to My little son Marcos Tadeu, I ask you again: Open your hearts while this Time of Grace lasts for you! This time, My time, has not yet passed, but it is about to end. And when this time of Mine ends, the Graces so resounding that are granted in these blessed times through My Apparitions will cease for all of you, to all those who listen to Me, who love Me and who sincerely follow Me and answer yes. So take advantage of this time of grace that I give you and CONVERT YOURSELF SINCERELY!
Pray that you may have the strength to renounce yourselves, your sin and your corrupted, evil will, which always wants what is against the will of the Lord. In so doing, you will truly leave the life of sin, leave the old man and become the new man, reborn in the Grace of the Holy Spirit. You will live the new life in God.
Pray, opening your hearts so that you may have the grace of meeting God. Of the true and profound encounter in prayer where the Lord can visit your souls. He wants to visit your hearts to let you feel the great love He has for you. Feel the warmth of His Sacred Heart, all the affection He has for each of you since He created you in your mother's womb. But in order to feel this love and receive this visit from God, your hearts must first renounce sin, your inordinate love of yourselves and your will that block your heart and prevent God from visiting him and from feeling the love and presence of God.
So cast out of your hearts everything that competes with God and your soul will finally meet Him, and then your soul will be so full of God's presence and love that this peace and happiness will overflow out of you. like a river that breaks a dam and spills over the whole world.
I love you so much! And I want to bring you to a deep intimacy with God through the supernatural union of your souls with Him.
When the soul is filled with the love of God, it only thinks of Him, does everything to please Him, flees from everything that offends and hurts Him, speaks of Him to as many as it can, the soul seeks by all means to make the Lord more known and loved. And when the soul truly loves God, it is filled with his love, it does not seek consolation from creatures, it does not seek comfort from them, it does not seek their love but it loves them for the love of God. And when the soul is full of this love, it no longer feels hunger or thirst for any other. This love is what characterizes all Saints.
To you Marcos, My well-loved son, in whom I placed my complacency and who

took from My Heart a most painful sword that had been stuck for so many centuries because My little daughter ÁGUEDA OF CATANIA with Her life, Her sufferings and Her martyrdom, were not known . You who took this great sword of pain from me, making this My Daughter better known and more loved through the video you made, I promise you that as many souls will follow the example of my little daughter Águeda and convert, as many and as many wonders and embraces of love I will give you in Heaven. Peace My beloved son. The most hardworking and dedicated of My children. Go and finish what you started.
Peace to all of you My children, I bless you now from LA SALETTE..., from LOURDES..., and from PELLEVOISIN."
JACAREÍ, FEBRUARY 07, 2013 - 22nd ANNIVERSARY OF THE BLESSED APPARITIONS OF JACAREÍ
MESSAGE FROM BLESSED MARY THE QUEEN AND MESSENGER OF PEACE

(MARKS): "-May Jesus, Mary and Joseph be praised forever! (pause) Beloved Lady of Mine, who are these two beautiful Saints by your side? (beat) Oh, how wonderful! (pause) Yes... Yes..."

"-My beloved children, today, when you celebrate the 22nd ANNIVERSARY OF MY APPARITIONS HERE IN JACAREÍ, to My little son MARCOS, I come again to bless you and give you My Peace .

Peace! Peace! Peace! It was the Message that I came from Heaven to bring to the world from the year 1991, while My poor children were at war. But Peace, the world will never have until each one of you renounces his sins and does not open his heart to the love of the Lord, the only source of Peace, the only way to obtain and achieve Peace. That is why I come here as the Ambassador of Peace to call all My children to the true Peace of the heart that can only be found through a deep encounter with God so that He transforms you into His Messengers of Peace, so that this world also become the Land of Peace.

Let yourself be transformed by the love of God who has used so much Mercy for you here, calling you from all over, calling you when you were still in sin to know the great love that all of Us Here in Heaven have for you. So that your lives, completely transformed by the grace of the Holy Spirit, may be transformed and truly be luminous beacons that guide all those who are in darkness to the Lord who is the God of your salvation and peace.

Let yourself be transformed by the love of God, letting this Divine Love enter you, be in you and change, resize your entire life. Conform your thoughts and your will with the divine thought and will, so that in your life God can do everything that He wants, can uproot everything that He wants and can also plant everything that is of His divine pleasure. So that your souls are truly a beautiful plantation where the fruits of holiness, goodness, purity and love grow more and more numerous every day.

Be the Messengers of My peace to this world, taking My Messages of Peace to all humanity, especially to those My children who do not yet know Me and because they do not know Me, suffer in this world without the consolation of My Love, they perish in this world full of sin, evil and hatred without a chance to know a better life with Me so that, in this way, the love of My Maternal Heart

reaches all of them that wants to save everyone, that wants to help everyone.

Be you My little doves of peace, taking My Messages to every corner of the world, especially to those places that need Me the most, where My children are lost in sin, youth are disoriented and so many of My children are perishing under slavery. of satan, because there is no one to bring you the light of My grace that can set everyone free.

Be My little doves of Peace leading to all hearts, to all who you find My Word, that heals, that frees, that saves, that gives strength and that, above all, makes holy all those who listen to it with true love.

I, your Mother, am very happy with you, because here throughout these years I have been served, I have been loved, I am served, I am truly loved by My little son Marcos, by My Slaves of love and by all those who, obeying My Message, began to pray and to seek your own sanctification as I did from the beginning Here I asked. My Heart will still perform great wonders on all those who listen to Me and who are Mine.

To all of you and especially to you Marcos, who with this VIDEO you made of My APPEARANCE at CASANOVA STAFFORA you took from Me a painful sword that was stuck in My Heart as I told you a short time ago. To you who gave Me today a praise, and an honor, an unprecedented glory, to you at this moment, I bless you generously from CASANOVA STAFFORA, from MEDJUGORJE and from JACAREÍ. Peace, My beloved child. Peace to all of you My dear children."

MESSAGE FROM SANTO ANTÔNIO OF LISBON AND PÁDUA

"My beloved brothers, I, ANTÔNIO OF LISBON, ANTÔNIO OF PÁDUA, come today with the MOTHER OF GOD and STANISLAU, to bless you and give you Peace.

Convert without delay! Convert quickly because time is short, it ends soon and the Lord is impatient with so many sins that the world commits without any repentance, without a drop of pain for having offended Him and for having contributed to the triumph of evil on Earth. Men have become more and more evil, insensitive, cold, soulless and cruel, they have no pity or charity and therefore the Lord will soon brandish His sword and woe to the Nation in which this sword passes.

I, ANTONIO, want your conversion, your hearts can no longer remain in sin as you have done until today. Where your heart is, there your eyes are also. If your eyes are continually fixed on sin, on worldly things, on the vain love of creatures and of this world, it is proof that your heart is there.

You must detach it from all these things, you must turn it towards the heavenly things which truly are the only things necessary for the salvation of your souls. That necessary thing that Jesus spoke so much about in the Gospel that you must be careful never to lose: it is the salvation of your souls! It is to love the Lord in a perfect, pure way, so that you may be worthy to see Him one day in the glory of Paradise!

Love the Lord as I have loved Him, sparing no effort to please Him, to serve Him, to make Him better known and loved by all, so that your life today and always may be a vibrant hymn of love for the Lord. and may all those who look at you see the flame of true love there and also want to have this flame in their hearts.

Love the Lord as I have loved Him, giving Him all your life, all your youth, all your health, all the time you have left on Earth with all your natural gifts and abilities, so that everything serving the Lord contribute to the great plan of salvation for humanity that He has in His divine heart. If you leave the world as I did and surrender completely to the Lord as I did, from your hearts rivers of living water will flow, which souls thirsty for Peace, for truth and love will drink and with this love they will be satisfied not with human love , but with supernatural love and so the world will be healed of its wound, of its death sickness and sin will give way to the grace of God that will triumph in all hearts.

Flee from sensuality, flee from pride, for it is the mother of sensuality, lust and all other vices. Be saints! Be faithful! Love the Lord as I have loved Him by giving Him your yes and then never looking back, but taking firm hold of the plow and going with Him to plow this Earth and sow the good seed of His Word and His Love in all the hearts.

I, ANTONIO, will be with you! Do not worry about what you will say, what you will do, because I will be with you and I will inspire you and you will say the right words that will touch hearts, that will ignite them with the fire of divine love and thus His love will triumph in so many souls and the Kingdom of God will finally come to Earth.

I now bless you with love and especially you Marcos. I have been listening to your prayers for many years, I know how much you love Me, how much you love Me, I love you too, I love you and I bless you with all My love now."

MESSAGE FROM SAINT STANISLAU KOTSKA

"-Mark, I, STANISLAU KOTSKA, servant of the Lord, servant of the Mother of God, am exulting with joy that the day has finally arrived to come here to give you My first Message.

As you well know since I was little, I practiced with great love the holy works that so pleased the Lord. And in My short life that I spent on Earth, I loved the Lord to such a degree that in Heaven many Angels marveled at the flame of love that I had in My heart. This same flame of love for the Lord I want to give to you, I want to share it with you My beloved brothers, I want today again in the name of the Mother of God to give each one of you this flame, because for some hearts I have already distributed Here and today, now, I want to give it to as many souls as possible so that they all leave here burning in these flames of love, to light them all over the world!

Light the flame of divine love in souls, the same flame that I had in Me, praying a lot, living immersed, immersed in a deep intimacy with the Lord, conforming your thoughts and your will to His, so that you and the Lord be in continuous harmony, in a profound union of feelings, thoughts, desires and spirit. And so, from your whole person, may the brilliant light of holiness, the brilliant light of the love of the Holy Spirit, the grace of the whole Trinity, radiate to the whole world, so that this world plunged into the darkness of sin can rise and can finally become that that God has always wanted: His paradise, His holy abode, where He can live in you, dwell in you, rest in you, and delight in you.

Light the flame of divine love in hearts, taking to everyone the word of the Lord, the word of the Mother of God, the Messages, taking the recorded Prayers that you have here, as well as these wonderful videos that Marcos makes: of the

LIFE OF THE SAINTS, of the APPEARANCES OF THE MOTHER OF GOD, who can save so many millions of souls.
Do not be cowards, for cowards will not enter the Kingdom of Heaven! Do not be afraid to speak up and to give these riches to the world. Do not be lazy, for the lazy will not inherit the Kingdom of Heaven. Work, because the time for work is now, you are already at the end of the day, the time for conversion. Soon the night of punishment will begin and woe to those who present themselves to the Lord of the Harvest with their empty hands. Even worse for all those who, instead of not cultivating the harvest, still set fire to it, with their sins, bad examples, with their laziness and their sinful life, for to these the Lord will say: Go accursed to the eternal fire! And He will command His Angels, who will bind them and cast them into the lake of fire forever.
Ignite the flame of divine love in hearts and souls, trying to be as I was: very pure, full of goodness, of love, of holy desires for the things of Heaven, seeking always and at all times to manifest God by thought, by word , by example and by looking at everyone you meet.
Take your hearts from sin, from worldly things, from the slavery of vain things and from the creatures of this world and set them on holy things, on the things of God and there your eyes will also be and the more you see the beauty and greatness of You will love God more and you will want more for Him to work, suffer and sacrifice yourselves as I did.

The reason why you don't see the beauty of God, the sweetness of His love and how much and how good it is to serve Him is because you are blind and you are blind because your heart is in the sin that blinds you. If you take your heart from these evil things and place it on God, then the vision of your souls will open, you will feel the love of God in your hearts, you will feel His sweetness, you will feel how sweet and nothing bitter. Your souls will exult with joy, they will tremble with happiness, they will rejoice in knowing how much God loves you and how much He loves the whole world.

Light the flame of divine love throughout the world, making known Mary Most Holy, Saint Joseph, the Angels and the Saints, for in this way they will lead all souls to the perfect knowledge of the Holy Trinity and then all humanity will truly become the Kingdom of the Lord and the Garden of grace that will give Him joy, peace, and contentment. Here in this Place where Heaven for so long has favored you with infinite and innumerable graces, we the Saints dwell day and night, we hear all the prayers that are made Here and we present to you all, every day to the Lord asking Him to have mercy on you. Unite with Us in prayer and in life, seek to imitate Our Virtues, seek in this way also to acquire merits so that We can help you and incline the Most High to have compassion on you.
I love you so much! What THE SACRED HEARTS came looking for Here is LOVE. What JESUS, THE VIRGIN MARY, SAINT JOSEPH, what the Lord wants from you is perfect love. They are already exhausted from knocking on the door of hearts looking for a little true love, without mixing interests, without mixing self-love, without mixing human love, supernatural love and they do not find this love in souls.

Do not be these dry wells, these deserted and arid hearts where they do not find this love, but rather create this love in your heart, beseech, ask for it in your prayers and, above all, seek to cultivate it by making war on your defects, to your corrupted will, so that in your hearts the perfect and pure love that you

can give to the Sacred Hearts may grow: joy, glory and perfect correspondence.

I, STANISLAU, will help you to reach that great holiness to which I arrived at such a tender age. I promise to take your hands and lead you safely along the path of holiness. Give Me today your yes, your heart and I will move everything, I will do everything for you.

I bless everyone at this moment with love and especially to you Marcos, who for so many years have loved Me and prayed to Me with so much love, you dedicate such a special part of your heart to Me and you have never forgotten Me. I bless you generously now with all the blessings of Heaven."

(MARCOS): "-See you soon, my dear. (pause) See you soon, beloved Saint Anthony. (pause) See you soon dear Heavenly Mother."

JACAREÍ, FEBRUARY 10, 2013 - MESSAGE FROM SÃO JOSÉ
(Video of this Cenacle: http://www.youtube.com/watch?v=fInIIdiTgpY)

BIRTHDAY PARTY OF SÃO JOSÉ, REVEALED IN
THE APPARITIONS OF JACAREÍ SP BRASIL

"- Beloved My children, today, when you are celebrating My birth, My CHRISTMAS BIRTHDAY revealed Here by Me to My little son Marcos so many years ago, I come today again to bless and give My Peace.
My Birth is a cause of great joy for you, because I was born before the Virgin Mary who is the dawn of salvation to prepare with My prayers, tears, sufferings and virtues the way for the coming of the Incarnate Word, of the Son of God to save the whole world. Therefore, today, turn your eyes to Me your Heavenly Father, JOSÉ, your guardian and your protector who was born a saint, free from fomis pecati and from sin already at seven months in My Mother's womb.

I was born all saint, I was born all pure and all beautiful to be a sign for you, a sign of salvation too, to show you the way that leads to Christ, to enlighten you in the darkness in which you live so that you can see how much sin still exists within you, to fight against your defects every day and thus truly arrive at holiness which is nothing more than the perfect union of your souls with God through the supernatural love of divine charity, love in pure transformation that will merge you with Jesus will merge your hearts with His Sacred Heart and then you will become one with Jesus in love.

My Birth is a sign of hope for all of you, since with My coming into the world the fullness of time has also arrived. God sends His Son to save all mankind. And sin and Satan, after the redemption wrought by Christ, no longer has the last word over the world, man and history. God truly begins to enter the history of man walking with him, redeeming him and raising him to himself, so my birth is for you a sign of great hope that with my coming into the world and then with the coming of Mary , the dawn of salvation, with the coming of the word you are no longer slaves, but you are free children and, therefore, there is no more spiritual or temporal slavery that you cannot overcome if you approach the Lord, the Holy Virgin and if you truly love them and follow them. Liberation from sin is easy for those who decide for God and for the Blessed Virgin and there is no one who is a slave to vice, sin or any misery if

he wants to get out of it, he calls himself the Three of Us, because Our Three Sacred Hearts are always ready to free all those who want to be free. Give us your yes today and we will free you from all sin, from all the slavery of Satan and we will make you true free children who will truly unite with God and in God will live the perfect and true life now and forever. because Our Three Sacred Hearts are always ready to free all those who want to be free. Give us your yes today and we will free you from all sin, from all the slavery of Satan and we will make you true free children who will truly unite with God and in God will live the perfect and true life now and forever. because Our Three Sacred Hearts are always ready to free all those who want to be free. Give us your yes today and we will free you from all sin, from all the slavery of Satan and we will make you true free children who will truly unite with God and in God will live the perfect and true life now and forever.

My Birth is for you also a sign of joy and joy, because I came to bring Peace, I came to prepare the way for the arrival of the Queen of Peace and the Prince of Peace. With My birth, I prepared the way for the first coming of the Lord and now with My Appearances Here in Jacareí, I am coming to prepare the way for His Second Coming. So rejoice, because the Lord's return is near. All of you who are in a state of grace, rejoice because the day of the reward for all your works, efforts, sufferings and merits, everything you have done to be saints, is coming. And you who all along rejected the Messages that Heaven here gave you, rejected Our calls to conversion. Cry and cry aloud because the day of your punishment is very near. Tremble and flee uselessly to the caves, because there the Lord will overtake you and His fire will consume you. But you who are My children, rejoice and exult with Me, because the day of the great Feast in which we will gather at the table in the Father's house is very near.

The Warning is very close, the Miracle is very close, the Punishment is very close and woe to those who are not prepared. Here all chances and graces were given to you, and no one could fail to be accused of guilt that day. Therefore, this very day turn your hearts to the Lord, do not harden your hearts like rocks to Him, but open, open your hearts to the grace so abundant that is offered to you here like a river that overflows and that never ceases to offer salutary waters of truth, holiness, goodness, love.

I, your Father, was born to fill you with the graces of Heaven and to transform your life into what the Lord desires: a perfect reflection of Paradise.

Whoever follows Me, whoever obeys Me, whoever imitates My Virtues will never be lost because I will safely lead him to the sources of salvation.

Convert quickly! Now I am your loving, affectionate and very solicitous Father, but when the great Punishment comes, I will no longer be your Father, but your Judge if you do not convert. If you call on Me that day when you are outside the grace of God, I will say to you: I DO NOT KNOW YOU and I will not feel any pity for you. Therefore, if you want Me to be your advocate and Father on that day, convert today! You will one day be placed together with her in the same choir of the blessed in Heaven and you will be recognized there in Paradise as the children who loved Me the most and made Me most loved. I bless you all at this moment generously."

MESSAGE FROM SANTA LUCIA OF SYRACUSE

"-Beloved brothers, I, LUCIA OF SYRACUSE, rejoice today to come again to meet you. After the Message that SAINT ANTONIO and SAINT STANISLAU gave you on the ANNIVERSARY OF THE APPARITIONS, today I want to say to you: Pray, pray a lot! Because only those who pray a lot can be great Saints.

Love the Love that is Jesus, giving Him your whole life as I have given Him, making Him your treasure as I have done and so, then, within your hearts will grow that flame, the same flame that was inside Mine and that led me to love Jesus so much, to love His Most Holy Mother so much to the point of shedding My blood for them and giving my life for them.

Love Jesus with supernatural love, renouncing every form of sin, renouncing all your personal desires, all your human intentions with which you often seek and love God. Love him with pure love, supernatural love so that he may truly find himself with you. The hearts where the Lord sees a mixture of human interests with love, these hearts the Lord rejects and does not enter. The Lord enters and receives only the love of hearts that truly seek Him for Himself, desiring nothing but to please and please Him. If you have this pure and supernatural love, God will draw near to you, you will feel the presence of God, you will feel his love, you will feel his friendship and then he will unite with you and he will remain with you all your life.

Love Jesus with a supernatural love, giving Jesus not only your prayers and sacrifices, but giving yourself completely so that He may live and reign in you. Give your whole heart to Jesus, so that the Lord may truly be pleased with you and your offering, as He was pleased with the offering of righteous Abel, and that you may not be rejected and rejected by Him, as was the wicked Cain who gave to the Lord only the bad fruits of his harvest, keeping the best for himself and thus giving the worst of himself to the Lord. Give yourself completely to the Lord and He will receive you, love you, be pleased with you and unite with you forever in indestructible bonds of love.

Love the Lord with supernatural love and then the Lord will visit your heart in deep silence and in burning prayer you will feel His presence, you will feel His love, you will feel the sweetness of the pampering and caresses that He will give to your souls as I felt. Then your heart will have peace, your heart will rest and rest in the Lord. The reason why you are so often arid, dry, cold and insensitive in prayer is because you do not rest in the Lord, renouncing your desires and everything that blocks your heart and thus leaving space for the Lord to approach and enter into your heart.

Stand in the presence of the Lord in sweet intimacy, in sweet and sweet expectation and then the Lord will draw near to you, he will fill you with the grace of His Holy Spirit and you from languid and cowardly souls will be

transformed into ardent apostles after Pentecost. This fire, this flame will only be lit within you when the other flame, that of sensual pleasures, that of worldly attachments, is extinguished and extinguished within you. Then the supernatural flame of love will come, it will burn within your heart and you will be truly holy as I was.

I want to take you to that sweet intimacy with the Lord, to that indestructible union that neither suffering nor the sword can cut and then, living immersed in the love of God as I lived, you will truly be transformed into the perfect fulfilled humanity that the Mother of God spoke so much to you in His Apparition of CASANOVA STAFFORA.

I, LUCIA, will help you by offering My merits and the merits of My blood shed out of love for the Lord to obtain this grace for you, but this grace, although it is a free grace of the Lord, must also be in a certain way, in a certain deserved part by you. Therefore, do your part, leaving all your attachments, opening your heart with faith and love to the Lord and He will visit you and transform your whole being.

I, Lucia, love you so much! I protect and accompany you without ceasing. The more you trust Me, the more you unite with Me in prayer, the more you will feel: My presence, My graces, My love and My help in your life.

Continue to pray the Holy Rosary every day, continue to say all the prayers that the Sacred Hearts have given you here, because through them, you will be gradually raised to that great holiness that the Lord desires for you and here in Brazil and in the world for among you, the Sacred Hearts will do wonders!

To everyone and especially to you Marcos, the most ardent of My devotees and friends, who have made Me so loved by all those who know Me through the VIDEO you made of My Life. You, who love Me so much and whom I also love so much, and all of you for whom I have a special concern, and I bless this Place generously at this time."

JACAREÍ, FEBRUARY 11, 2013 - PARTY OF THE 155TH ANNIVERSARY OF THE APPARITIONS OF LOURDES TO THE SEER SANTA BERNADETTE SOUBIROUS IN THE CAVE OF MASSABIELLE
(Video of this Cenacle: http://gloria.tv/?media=398893)

(THE APPEARED WITH THE MOTHER OF GOD SANTA BERNADETTE AND SANTA EULÁLIA GAVE NO MESSAGE, BUT BLESSED EVERYONE.)
MESSAGE FROM OUR LADY

"-My beloved children, today, when you contemplate the ANNIVERSARY OF MY FIRST APPEARANCE TO MY DAUGHTER BERNADETTE IN LOURDES, I invite you again to look at Me as the Immaculate Conception that appeared on the Rock of Massabielle, more terrible than an Army in Order of Battle, bright as the Sun, crowned with stars to crush all the evil in the world and to bring to each of you the peace of the Lord!

I appeared in Lourdes, terrible as an Army in Order of Battle, to fight against the satanic forces that, through nascent communism and other things, were already beginning to rehearse their steps to spread the poison of hell in the world and in souls and to to make Satan, even at the beginning of the

beginning of his great activity on Earth, was already broken and crushed by My Appearances in Lourdes, through which I made faith survive and win not only in France and Europe, but all over the world throughout the 20th century, which was marked by the intense activity of My adversary. In this way, already at the beginning of Satan's time, I descended from Heaven, most powerful and appeared to My little daughter Bernadette, to break through the darkness of the world through her, to make the Sun of grace shine and to give all humanity the certainty that in the end I, the IMMACULATE CONCEPTION, its own purity, its own holiness, the one who was never under the slavery of original sin, nor of Satan. I am already a winner and in the end, all those who are on My side with Me will triumph over sin, violence and all the evil in the world.
I appeared in terrible Lourdes as an Army in Order of Battle to gather My children around My Immaculate Heart, to fight with Me for the salvation of so many souls who are in danger of eternal damnation. I made my little daughter Bernadette the first among My soldiers, she who, with the weapons of prayer, love, self-denial, self-forgetfulness, sacrifice, total self-giving, fought hard with Me and even tied to a bed of pain afterwards. of the Apparitions, was a valiant warrior, who won millions and millions of souls for Me and also won for the Shrine of Lourdes a grace, a mystical, supernatural and holy atmosphere that lasts until today touching so many hearts and attracting them to Me. In this way, all of you, following the example of Bernadette,

Be My valiant warriors, My fighters who fight with Me at all times for the salvation and conversion of the whole world. I appeared in Lourdes terrible as an army in battle array, to show you that My times have arrived, the times of the Woman clothed with the Sun, of the great fight between Me and the great infernal dragon that I also prophesied in LA SALETTE in SECRET I gave to My little daughter MELANIE.

These times in which you live are times marked by the struggle between the Angels of the Lord and the Angels of Hell, the evil Angels, between Lucifer and God, between the serpent and I, the Woman clothed with the Sun. If you My children fight with Me with the weapons that I have given you, if you use wisdom and intelligence and do not waste time, we will truly succeed in making My enemy retreat, returning all the souls he seduced to sin again to the fold of My Son Jesus , to reconquer the ground he won and in this way give once again to My Son the souls that He redeemed with the price of His blood shed on the Cross and thus assure the Lord, for yourselves and for Me the final victory.

Fight, I didn't call you to settle down and wait for God to do everything for you! I have called you to be My soldiers, My warriors, to be truly members of the Militant Church, of the one that fights on Earth against all the forces of evil and that waits in God for the day of his glorious return. If you are the true militia of My Celestial Militia fighting with My Angels and the Saints, carrying My Messages everywhere, fighting sin with energy and vigor, if you forget yourself and have the high ideals that I I planted in the heart of My little daughter BERNADETTE and that She welcomed with such docility and generosity, the ideals of giving yourself for the salvation of the world, of giving your whole life to Me and to God, of having a more sublime, higher and holiest then

I, the IMMACULATE CONCEPTION APPEARING IN LOURDES, come today again to say to you: GO DRINK AT THE FOUNTAIN, WASH

YOURSELF IN IT.

Go to the fountain of grace, of the grace of the Lord, which cleanses you from all sin, which frees you from all evil, which heals you from every spiritual illness and makes you truly free, truly pure and truly holy children. for the greater glory of the Lord.

Go and drink at the fountain and wash yourself in it, so that every sin, every stain of spiritual misery may come out of your souls, so that all disordered attachment to yourselves, to the world and to creatures may finally be extirpated from within. from you so that you can then truly walk on the path of holiness, which My little daughter BERNADETTE, guided and taken by the Hand by Me, walked before you, so that then the world seeing your light, seeing the light of your soul and your holiness , also believe and so the love of God triumphs in all hearts.

I, your MOTHER, am with you all the days of your life and I will never abandon you. Just as I was the strong rock of My little daughter Bernadette, I will also be your rock. The rock of Massabielle was a figure of Myself. I am a rock solid and whoever clings to Me, whoever leans on Me, will never, never shake, never waver, never perish.

To all and especially to you Marcos, the most ardent defender, propagator and disseminator of My Message from Lourdes. To you, the most ardent devotee and student of My little daughter Bernadette. To you who made My APPARITION OF LOURDES better known, so known and loved and so many My children today turn their hearts and their gazes towards Me thanks to the videos you have made and they understand My Message, they penetrate the core, the heart, at the heart of My Message and joyfully put it into practice in their lives.

To you who rendered Me such a great service, you did a work for Me to the excellent and to all My children throughout the world, I bless you generously now: from LA SALETTE, from LOURDES and from JACAREÍ. Peace My children, peace to you Marcos, the most hardworking and dedicated of My children."

(Video of this Cenacle: http://gloria.tv/?media=399310)

MESSAGE FROM OUR LADY

"- Beloved My children, today, when you celebrate the FEAST OF THE SACRED FACE OF MY SON JESUS, I truly invite you to make amends for this FACE by giving Jesus the true love of your hearts and trying to do everything to please Him, love Him and give Him joy. .

Cleanse the FACE of Jesus, slapped and full of spit from that humanity, which even today continues to run obstinately along the road to its own destruction, sensuality, immorality, the violence of lovelessness, the coldness and indifference of hearts towards GOD and towards the next. This

obstinate humanity that continues walking along the path of evil and Satan's slavery and in this way continues to cover with spit, blood and slap My Son's FACE because it continually refuses His Love, because it continually despises all the offers that My Son and I do to this world to save it and to bring it back to the Eternal Father, to the Father of your salvation and your peace. THE FACE OF JESUS was never so covered with spit and blood as it is today. Every time a human being sins,

Cleanse the Face of Jesus, giving Him your heart with all your strength and your soul, so that your life, like a mystical handkerchief, may dry the face of Jesus, clean the Sacred Face of My Son, perfume it with the the sweet oil of your prayer, of your penance, of your flight from sin, of the renunciation of every kind of evil, so that, in this way, the sweet oil of your love may anoint the Holy Face of My Son, giving Him a little relief in His so deep and painful wounds and so He can rest and take pleasure in you.

Cleanse the Holy Face of My Son Jesus, for a life of true holiness. Do not continue one more day living in peace with your defects, but make an effort to fight them and to become each day less impure and more purified, more holy, closer and more friends of My Son.

Cleanse the Face of My Son Jesus, with your penance and your atonement, accept the work of each day in an act of expiation for the sins with which you yourselves have so often struck the Face of My Son, disfigured it and covered it with spit. your sensuality, your immorality, your rebelliousness, your stubbornness in continuing to listen to the seductions of Satan, of the world and of the flesh and despising the Word of My Son which is the only sure and sure way to find peace, salvation and happiness in this life and the next.

I, the Mother of the Holy Face, want to bring you to a great intimacy with My Son Jesus, contemplate the Holy Face of My Son, love her, repair her continually with your pure love. And so, I will reveal to you together with My Son the unfathomable Secrets of His Divine Heart. (MARCOS): "-See you soon, dear Mother."

JACAREÍ, FEBRUARY 17, 2013 - MESSAGE FROM OUR LADY
(Video of this Cenacle: http://gloria.tv/?media=401832)
"-Beloved children, today, I again invite you to turn your heart to Me, the Mother of beautiful Love, to let divine love, supernatural love, truly enter you, so that with this love you love the Lord.

Love loved you first and it was He who brought you here, who called you to know Him, to taste Him, to feel Him and to respond to Him with pure love, pure faith and an equally pure heart. and holy. Holy, therefore, must your intentions when approaching God and Me. Here, holy must your aspirations, that is, you must aspire to holiness, desire holiness, with all the strength of your heart, and for that, you must renounce to all sin, to all evil, for God does not mix with sin. THE THREE TIMES PURE does not mix with what is impure, therefore, keep in your heart the straight and pure intention of seeking God Here with the firm desire to love Him, to please Him, to please Him and to satisfy him by giving him your pure love. Then he will come, enter your heart, live with you, will live close to you and fill your life with so many graces and signs of His love for you that you will live a more angelic than human life, feeling His peace, you will live immersed in His love and even taking care of the obligations of each day, you you will truly live surrounded by a supernatural love of the Lord that you have never felt before. And this peace and this love will overflow out of you and radiate out to all the people around you and they too will want to feel this Peace, feel this Love and seek this Love that loved you first. you will truly live surrounded by a supernatural love of the Lord that you have never felt before. And this peace and this love will overflow out of you and radiate out to all the people around you and they too will want to feel this Peace, feel this Love and seek this Love that loved you first. you will truly live surrounded by a supernatural love of the Lord that you have never felt before. And this peace and this love will overflow out of you and radiate out to all the people around you and they too will want to feel this Peace, feel this Love and seek this Love that loved you first.

Love loved you first, Love is JESUS and He loved you first, He attracted you Here, He brought you to Our Apparitions so that Here He will reveal Himself entirely to you, give you His Peace, fill you with His Gifts and the His Graces and in this way transform you into a garden of beauty and holiness where the purest, most perfect and most beautiful flowers grow more and more within you every day. This love loves you with a jealous love, it does not admit that you love anything else outside of Him, nor in His place, it does not enter your heart, nor does it remain there if you see another rival within you. For this reason, My children, I ask you to renounce all sin, all your disordered desires,

your self-love, which in most cases is the main enemy of Jesus within yourselves, so that Jesus may enter, take up residence, live inside you

I, the Mother of Divine Love, who loved you first, call you to love Love, to respond to Love, to give yourself completely to this Love that does not love you because it thinks you are worthy, but loves you because of its divine charity and loving you in this charity enables you, makes you worthy to love him and to be with him. This fire will consume all impurity within your souls and like gold put into the furnace, you will come out purified as something of great value and your splendor will be the very splendor of the Love that first loved you and that lives and dwells within you. Flee from everything that drives away Love within you, from everything that distances Jesus from your heart, so that, living in perfect union and intimacy with Him, you can live with Him, suffer in this life and one day triumph with Him in the Sky.

Continue to pray all the Prayers that I have given you Here, they are very effective to prepare you for the encounter with the Love that loved you first, they are very powerful to remove from your heart all rivals, all enemies of Jesus, especially your self-love and thus prepare you as a good and fertile land to receive the visit of the Sower and in you to welcome the seed of Love that truly loves you and wants you all with Its Glory.

I bless you all today abundantly and especially you Marcos, who, as I said before, with this VIDEO OF MY APPARITIONS IN BONATE, you took from My Heart very painful swords of pain that were stuck in it for many years, 70 years ago. And I promise you again: as many souls as are converted and saved through this video, there will be as many crowns that I will place on your head in the glory of Heaven and as many maternal hugs that I will give you My son, because you cannot imagine the the unheard-of joy and consolation you have given Me by doing this Work for Me of great value, of ardent love and of such salutary good for souls, a salutary spiritual benefit for souls throughout the world.

To you the hardest of My children and to all those My children who are Here, who truly love Me, who respond to Me, who strive to follow Me and respond to Me every day, now, I bless you from LA SALETTE, of MONTCHIARI, BONATE and JACAREÍ.

Peace, My beloved children."

MESSAGE FROM SANTA PRUDENCIANA

"-Beloved brothers, I, PRUDENCIANA, servant of the Lord, servant of the Most Holy Mary, exult with joy, to be able to come today for the first time to give you My Message Here.

Come brothers, come with Me, come to love the Lord! Come and praise Him, come and give yourself completely to Him! Come to the Feet of Love so that you may be loved by Him and love Him with all the strength of your heart, thus fulfilling God's supreme and eternal desire to finally see Himself: loved and adored in His creature and thus share, share with Him. His eternal joy and His glory.

Come to the Feet of love to be loved by love, that love that loved you first and that called you is Here in this Sacred and Blessed Place, ready to love you, to fill you with His Gifts of Love, waiting only for the your hearts open to Him, receive Him, let Him in and let Him work in you. The reason why they suffer so much in this world, without comfort, in vain and too much, is because they

don't seek, they don't come to the Feet of Love to be loved by Him. They look for eternal, unchanging love, infinite love in creatures who cannot give it because it is far beyond their capacity. They expect the love of creatures and are almost always disappointed, hurt and with that they are confused. The sinner is confused because he takes from God the love that is due only to Him, he steals from the Lord, in order to give this love to creatures and expects retribution from creatures.

Come to the Feet of true love, of Jesus and He will fill you with all His love to such an extent that you will cry with joy. Come here in this Sacred Place at the feet of Love, at the Feet of the Mother of Beautiful Love, at the Feet of Saint Joseph, guardian of beautiful Love and They will fill you so much with His love that you will exclaim in ecstasy like the apostle: I am no longer that I live, but it is Christ that lives in Me. Come, come to the Feet of true Love, to love Love, giving Him your whole life, your whole heart and your whole being, allowing Him to take you in His Arms and take you along the path He wants, that He knows to be sure and safe for Heaven. Cast away from your heart all attachment to yourselves and to your plans so that the Lord's plan may truly be done in you as it was done in Me. Let the Lord visit you, pacify your soul, move away from everything that draws your heart to the ephemerality of earthly things and cast your eyes and your heart always towards heavenly things, seeking them with all your heart, with all your soul, with your whole being so that your soul truly loves perfect love with pure and supernatural love. And this love in pure transformation will act in you, merging you with Him so that you will be one love with Him as I myself was.

Love is so close to you, it lets itself be found Here, touched by you, but many of you remain closed and like water that flows through the rocks without ever penetrating the stone, so the grace of the Lord and His Love many times beats in your heart, but it does not enter, because you are closed and blocked to Him with your eyes fixed only where your heart is, that is, in sin, in the vain and ephemeral things of this world that most of the time only lead you away from the Lord.

Turn your heart and your gaze to Him and then your heart will open and the Lord will then enter and be your treasure, with you He will share His Peace, His joy and His Love and you will be those mystical roses: white of prayer, red of love and sacrifice, golden yellow of penance and expiation that the Lady, who the Mother of the beautiful Love so much Here came looking for and came to ask you to be. So My children, My dear brothers that I love as a mother loves her children. Come to me! Come and love the Lord with Me! Come and love the Lord with Me! Come at His Feet and I will teach you how to love Him, because I learned that in a short time and I was so united with Him in love, I let myself invade, I let myself be so taken by His love to the point of shedding My blood Your praise together with My sister SANTA PRAXEDES.

My friends, come, for the time in which Love allows itself to be found and loved by you has already run out. Don't waste another minute, decide now and now to truly open your heart, to know true love, to let yourself be taken over, dominated by this Love and I promise you that in a short time I will make you go so far along the road of holiness that I will transform you into giants of perfection, of the practice of virtues, of supernatural love in pure transformation in you and I will make you become true seraphim of pure love.

I, PRUDENTIAN, am always with you! I am very close to you when you

pray the HOUR OF SAINTS every Wednesday. At that HOUR I promise that special graces will be poured out by Me on your souls. This HOUR OF THE SAINTS that Marcos made for you is an hour that unites Heaven and Earth, at that moment the demons fall paralyzed to the ground leave the souls they had imprisoned in peace, we freed many possessed by the devil, we led many sinners back to the path of grace and salvation, and we make it rain down on all of you and on your homes from the heights of Heaven a great shower of graces and blessings that only in Heaven will you be able to know and appreciate how abundant it is. Therefore, persevere in it! At that time I am closer to your heart than ever!

I, PRUDENTIAN, am always with you in pain, suffering and anguish and I will never leave you.

To everyone and especially to you Marcos, my dearest friend and to all of you who love the Saints of the Lord with all your heart and seek to imitate Us, follow and love God with us in perfect union, we bless you all now, generously. ”

JACAREÍ, FEBRUARY 24, 2013 - MESSAGE FROM OUR LADY
(Video of this Cenacle: http://gloria.tv/?media=405194)

“-Beloved children, today I come again to invite you to true love. Let Love dwell in your heart. Love is JESUS, let Him enter your heart and make His home in you.

Let Love dwell in your heart, casting out everything that opposes Jesus, everything that takes the place of My Son Jesus in your hearts, so that truly in you, there is space for My Son to enter, dwell and together with His Holy Spirit working in you, transforming you from great sinners into saints, from swamps of sin into gardens of grace and beauty, transforming you from a thick and dark night into a bright and luminous day, radiant as the midday sun. day, so that then your life may become a living reflection of Jesus and so the whole world will know the love of My Son, see His power and His glory manifested in you, in your person and in your holiness.

Let Love dwell in your hearts, answering yes to His eternal call, collaborating with Him and allowing Him to truly transform you, fill you with His grace, fill you with the Gifts of His Holy Spirit, so that your soul truly transformed into a burning furnace of love, may it light the fire of love for Jesus throughout the world, melt the ice of ingratitude, indifference and mortal sin that covers so many hearts and so many souls, truly transforming them into other furnaces of love like you.

I am with you My children and I know what is inside your hearts, I know how much sin still dominates your souls and how much you are still slaves of sin and your own self. That's why I call you, in this time of conversion, to truly renounce everything that enslaves you so that God's Plan may finally be fulfilled in your life while there is still enough time for this, because I say to you: The signs of the times are happening. before your eyes, the signs that tell you that the hour of the great Punishment is near and that the time for your conversion is almost over. Therefore, do not waste time, what you tend to do, do TODAY, while the sun is shining, because the clouds are already appearing on the horizon and soon there will be great darkness that will envelop the whole Earth and no one else will have light to work with.

Before it gets dark I came to light the way for you and to show you

the true road you should follow. Run quickly through it now, before night falls, because I tell you My children: while it is day you can find Me in My Apparitions, when night falls you will no longer be able to find Me, nor hear My voice.

Convert without delay! Finally, put into practice all the Messages I have given you, obey everything I have told you throughout that time, follow the example of My little daughter ANGELA DE CASANOVA STAFFORA, obey Me with one hundred percent completeness and perfection and do not listen or obey those who do not obey Me and who are contrary to My Messages. In this way, I will be able to lead you safely along the path of perfect love, of holiness, so that at the moment of God's Wrath I can have you all under My Mantle safe with Me and can thus lead you to the new Heaven and the new Earth approaching you.

I will only protect at that time those who have obeyed My Messages with true love and have My Sign marked on their souls. Therefore, obey My Messages so that I can engrave My sign on you, which is the sign of Jesus that you are truly children of the Most High, members of His body, His true family, and in this way I can introduce you to the Banquet that My Son will give to all those who in this time of the great tribulation are faithful to him until the end.

I bless everyone at this moment with love, I bless this Place that is My School of Holiness, where I form My children in true love for God, in true fidelity and obedience to Him. And I especially bless you Marcos, the most industrious, selfless and forgetful of My children, who always thought more about Me than about himself and always put My good before his own.

I bless you generously at this moment, from LOURDES, BONATE and JACAREÍ. Peace My beloved children, Peace to you Mark."

(MARCOS): "-May Jesus, Mary and Joseph be praised forever! (pause) I'm almost done with it. (pause) Yes Ma'am, that's how it will be done. Yes... "

"- Beloved My children, you are already approaching the Feast of My Apparition to My Daughter AMÁLIA AGUIRRE, in the year 1930 in Campinas, where I gave you, I revealed to you the Crown of My Blessed Tears. It was an important Apparition, truly on that day I gave a great Gift of My Immaculate Heart to the whole world, a powerful and effective remedy to help your souls in these very unhappy times of the great apostasy in which you live.

I have given you My Crown of Tears, the Third of My Tears to place in your hands a powerful weapon against Satan and the demons, who, as I had warned you in LA SALETTE, have all left the abyss of hell to travel the whole world, order to drag souls to sin and eternal damnation. With the Crown of My Tears, with the Chaplet of My Tears, you have in your hands a very powerful weapon to ward off not only diabolical possessions, diabolical infestations and satanic obsessions, but also all temptations, evil desires and

evil tendencies. that Satan causes to sprout in your hearts, in these times of sensuality, sin and hatred of God and the holy Catholic faith. With the Rosary of My Tears, you can be stronger than hell, you can resist all temptations and so,

I have given you My Crown of Tears so that in these unhappy times of sin, sensuality, concupiscence and vices, your souls may find in this most potent Prayer a healthy remedy, in order to prevent the evil of scandals, bad habits, nefarious fashions. that now exist in the world, enter your heart, corrupt your moral and spiritual rectitude, and in this way, you may always remain undefeated, always pure and always correct in the service of the Lord, in the service of My Immaculate Heart and in the struggle with Me for the conversion and salvation of the whole world.

Whoever prays the Rosary of My Tears every day will not be corrupted, will not give in to the easy seductions of this world, will never lose the most precious treasure of correct morals, correct faith and perfect obedience to God's Commandments, because with this Prayer and with the merits of My Tears, I myself will guard this soul and preserve it from all error, from all sin.

Soon by the Crown of My Tears, by the Third of My Tears My Immaculate Heart will triumph.

I bless you all at this moment and I especially bless this Place, where I will conclude what I began in My Apparitions in Campinas, Here, which is the Sanctuary of My Tears, which is the Throne of My Blessed Tears, where They are so glorified by the word, for the example, for the work and for the dissemination of My little son Marcos, the most ardent devotee of My Blessed Tears and the most faithful Apostle of My Maternal Tears.

Here, where My Tears are exalted by the Trezena that I so much asked for, by the Hour of My Tears, by My Messages and by the Image of My Apparition, by the Medal and by the Rosary that are so publicized and propagated Here. Here, I pour out a generous blessing and I also pour this blessing on you Marcos, the most ardent Apostle of My Blessed Tears and to all of you who love Me who carry My Medal on your heart and who pray My Chaplet of Tears every days, I now bless you from LA SALETTE, from SIRACUSA and from JACAREÍ.

Peace My beloved children. Peace to you Marcos, the most valiant of My children."

JACAREÍ, MARCH 10, 2013 - MESSAGE FROM THE HOLY MARY
(Video of this Cenacle: http://gloria.tv/?media=412117)

PREMIERE OF THE FILM VOZES DO CÉU 16 - APPARITIONS OF OUR LADY OF BOM SUCESSO - QUITO - ECUADOR - TO THE SEER MADRE MARIANA DE JESUS AND Feast of Nossa Senhora das Lágrimas da APPARIÇÃO DE CAMPINAS IN 1930

"-Beloved children, today, when you are celebrating MY APPARITIONS TO MY DAUGHTER AMÁLIA AGUIRRE and at the same time knowing MY APPARITIONS TO MY DAUGHTER, MOTHER MARIANA DE JESUS TORRES IN QUITO, ECUADOR, I come to tell you: My Immaculate Heart acted powerfully in these My Apparitions of the past and in all of them until arriving Here in Jacareí and soon My Immaculate Heart will triumph destroying the power of Satan in the whole world.

I will destroy the power of Satan in the whole world and I will make him a footstool for My feet, so I appeared to My little daughter Amália Aguirre and together with My son Jesus I gave her the Crown of My Tears, as a most powerful weapon. against all the forces of hell, a weapon that you must use and use with wisdom, constancy, perseverance and faith if you truly want to keep your faith unharmed in these times of the great Apostasy and the great tribulation in which you live. Whoever loves the Chaplet of My Tears loves Me and whoever despises him despises Me, just as whoever loves My Trezen, the Trezen that I asked for in My Apparitions in Montichiari, loves Me and whoever despises My Trezen despises Me same.

The Chaplet of Tears will be the sign of the true love of your hearts towards Me and it will be the potent sign against Satan, in the fight that I am now waging against him and in which all of you are included, for you are the objective of this great fight.
Only with the Rosary of Tears will you be able to be strong in the trials, in the sufferings you have to go through and only with the Rosary of Tears will I be able to help you with My maternal graces, so that you do not get discouraged and do not fall into temptation in these times when My enemy is in all his power. I will destroy the power of Satan and I will annihilate him, through My Appearances throughout the world I annihilate his power more and more, because in each place I appear I always raise My children to unite with Me in Prayer, in Sacrifice, in Penance, in struggle for the transformation and conversion of the world. And that is why, with each Appearance of Mine, Satan loses his power, because My army of pure and holy souls increases, who pray with Me, fight with Me for the salvation of all humanity.
And like My little daughter Mother Mariana de Jesus and My little daughter Amália Aguirre, those pure, humble, simple and unknown souls in the world, with their sacrifices, with their Prayers and their lives full of Virtues and Holiness, these souls offer Me a great Mystical force with which I can save many souls and lead all humanity to the greatest Triumph of My Immaculate Heart.
You can also help Me by saying yes to Me, obeying My Messages, fulfilling with love all that I have told you, so that in this way it will be a great mystical power that I can use, so that finally crush Satan's head, throw him into hell and bring to you and to the whole world the Kingdom of My Immaculate Heart. Forward! Confidence! Do not be afraid because in the end My Immaculate Heart will triumph.
My Apparitions in Ecuador are the great sign of My maternal victory, because centuries before the 20th century, the century of Satan, I came down to Earth and predicted everything he would do and everything that would happen in this time of yours and in the end. I have assured you of everything and fore-announced My definitive Victory with the chaining of Satan in the fires of hell forever, from where he will never again leave to harm the world. Trust, because in the end I will be the winner, My Heart will triumph!
Keep moving forward, praying all the Prayers that I asked you, keep spreading My Messages and making all My Apparitions known and loved by all My children, because only then will I be able to free them from the spiritual blindness, from the spiritual slavery in which meet and I will be able to transform them into valiant warriors who will go along with Me to fight as ardent soldiers for the greatest triumph of My Son Jesus and of My Heart in the world and in souls.
Through My Apparitions in Quito as the Lady of Bom Sucesso, through My Apparitions in Campinas as the Lady of Tears, passing through all the Apparitions until arriving at this My Here, in Jacareí, I came and shone forth as a Woman clothed with the Sun, glorious and powerful to say to you: The time is approaching, the Kingdom of My Son Jesus is at the door, prepare the way for the return of Love that returns to you in Love and as Love. Prepare the way of the Lord's return, which is already appearing on the horizon on the clouds of Heaven, glorious, with His Angels and Saints. Prepare your hearts to receive him, because he is already much closer to you than the dawn when the night

ends. Prepare your hearts by sincerely converting, renouncing all sin and your corrupted will and truly letting the Lord carry out His plan of love in you, conforming your will to the Lord's, so that in this way, you become the new creature immersed in God, in the new humanity realized in God , as I am myself. Only then will your life be that for which God created it and gave it to you, a perfect reflection of the Holy Trinity, a perfect participation in His glory, happiness and in His Peace.
I bless everyone, at this moment, and especially you Marcos, who, as I said before: because you made the Video of My Apparition as Our Lady of Good Success with so much love to My daughter Mother Mariana de Jesus, in Quito, because you gave this immense treasure to know all My children today, I promise you that as many souls as are converted through this Video and who give themselves to Me by giving Me their yes, there will be so many crowns of glory that I I will put on your head in Heaven and so many embraces, hugs of love that I will give you in the glory of Paradise.
Onward My little knight, My fearless and ardent warrior! Forward! Keep giving all My children the knowledge of Me and fulfilling the prophecy of My Servant Luis Maria Grignion de Montfort: That in the final times I would be known like never before, I would shine like never before and My glory would shine like never before. You fulfill this prophecy of Mine, you fulfill what I for so many centuries I inspired and revealed to My Servant Maria Grignion de Montfort and this is the sign that My Kingdom is near, My Triumph is near and so is the glorious return of My Son Jesus.
I bless you generously, the most hardworking and dedicated of My children and all those who love Me, obey Me and serve Me, from QUITO, from CAMPINAS and from JACAREÍ."

(MARCOS): "- See you soon, Madam!"

JACAREÍ, MARCH 17, 2013 - MESSAGE FROM MARIA SANTÍSSIMA

"- Beloved My children, I invite you to the TRUE CONVERSION OF THE HEART so that you can truly become the abode of the Most High and at the same time the channel of His love for the whole world. Love the Lord with all your heart, giving Him your whole life. Do not ask the Lord so much what He can do for you, but what you can do for Him. Offer your life to the service of the Lord as the Saints did so that truly through Us the sanctifying water, the water of his grace, can flow and flow over this world in the midst of men dominated by sin and satan, so that all may finally be freed from the domination and satanic yoke of My adversary, and thus, the world may know a new time of peace, grace, beauty and holiness.
Your life is a precious gift from the Lord that must be placed at His service so that He can accomplish in you what He planned from the moment your soul was created and infused by Him in your body. the Lord then wove a plan of perfect love for you, but that cannot be carried out if you do not give a generous, true and total yes to Him as I gave it myself.
Do not spoil the Lord's plan any longer with your rebellion and your refusal to do what He says. But before, today, turn your hearts to Him so that, once and for all, He will set in motion His divine plan of love in your life that will culminate in the glorious Triumph of My Immaculate Heart in you and in the whole

world.
Make My Apparition to My little daughter Mother Mariana de Jesus known to My children throughout the world so that as soon as possible all that I predicted and asked for there may come true and My Heart may triumph in Brazil, Ecuador and the whole world, placing finally satan in irons in hell so that he doesn't leave there to harm the Earth.
Here in My Apparitions in Jacareí, I will finish what I started in My Apparitions in Quito. Here, in this holy place where My Heart is so comforted, so loved, so glorified by My little son Marcos who has served Me with all his Heart since he was 13 years old, he who gave Me his whole life, he who never had other love than Me, he who with his works has glorified My Heart before the whole world, in whom I will fulfill the prophecies contained in all My Apparitions, especially in My Apparitions to Mother Mariana de Jesus, he who will carry out what I started with that daughter of Mine, he who is truly the sign of My Immaculate Heart for the whole world and Here in this place where My Heart shines like never before, I will take all My secrets, all My works and all My plans to their perfect realization. Therefore, you who are included in this great work, do not waste any more time in the search for your disordered human desires, but rather sanctify your works, your time and your life, working for Me to spread My Messages. , of My Holy Hours of Prayer that I have given you here, of the Videos of My Apparitions that My Marcos Tadeu made for Me, so that as soon as possible, My Heart may spill My Flame of Love throughout the world, transforming it into a single furnace of love by the Lord, and so the infernal empire be overthrown and My empire, the empire of the Lord, the heavenly empire of Love be at last lifted up on Earth.
Continue with all the prayers that I have given you here, because through them My Immaculate Heart pours out many effective graces on you every day so that you may overcome sin within you, around you, in your home and in the world. And so, dawn soon, dawn soon for the world the new dawn of salvation, the new day of the grace of the Lord.
I bless you all at this moment generously with love from LA SALETTE, PONTMAIN and JACAREÍ. Peace Mark. Peace, My beloved children."

JACAREÍ, MARCH 24, 2013 - MESSAGE FROM OUR LADY
(Video of this Complete Cenacle: http://www.gloria.tv/?media=420960)
(Message and Lecture: http://gloria.tv/?media=420326)

"Beloved My children, today I invite you to say your yes to the Lord, in imitation of your Heavenly Mother on the eve of the Feast of the ANNOUNCEMENT.
Say your yes to the Lord as I have done it myself, living each day in complete and continuous correspondence to His call of love, offering your whole life to the Lord so that He may carry out His divine plan in you and in this way the whole earth can transform in the kingdom of His Love that He so desires to see established in the midst of men.
Say your yes to the Lord exactly as I did, loving him without limits, giving him your will, your freedom and the right to dispose of you as he pleases, so that the Lord will not encounter any resistance in your heart to the fulfillment of His Will, just as it did not find any resistance in Me, so that your heart, becoming like My docile and obedient as Mine, can also correctly carry out the

will of the Lord as I did and so on. through you may the Lord manifest His presence in your time, His transforming action, exactly as He did through Me, and then all men may see the sign of His presence in the world through your life and glorify the Heavenly Father with His lives turning their hearts to Him.

Say your yes to the Lord exactly as I did, giving yourself to the Lord with all your soul, all your life and giving Him all your gifts and talents, so that everything is at His service and through you the Lord may make His light reach all the souls of His children, even those furthest from Him, His light that dispels all darkness, that frees from all shackles and that makes even those souls that were already dead by sin to revive. Then you will be effective and powerful instruments in the Hands of the Lord, as I myself was to attract the graces of salvation from Heaven to Earth, so that souls can finally revive and the desert of this world can be transformed into a verdant garden of holiness.

Give all your yes to the Lord, because until you give it God will not be able to accomplish anything in your life and you My children will be responsible not only for the loss of your own soul, but you will also be responsible for the loss of many thousands of souls that depend of your yes so that they may be saved. Imitate the Saints, giving your boundless yes to the Lord, so that the will of the Lord may also be done in your life as it was done in them. Read the lives of the Saints, imitate his examples, for your sanctification and the sanctification of the whole world depend a lot on that.

Continue to pray all the prayers that I have given you Here, they will lead you to an ever greater generosity that will make you give your complete and unreserved yes to the Lord. Here I will finish what I started with My little daughter Mariana de Jesus in My Apparitions in Quito, Ecuador, you are living the times that I then prophesied to Her, they are the times of the predominance of Satan, of sin, of evil among men and of a profound rebellion against God, against the holy Catholic faith, against Me, against the Commandments of the Lord.

You live in a time worse than that of Sodom and Gomorrah and that is why sin has covered everything with a thick layer of mud that submerges everyone. The sect spread through the media a general relaxation in everything that means the service of God and from top to bottom everyone is languid and contaminated by the disease of apostasy, some more, some less, but everyone needs to be healed and it was for That's why I appeared to My little daughter Mariana de Jesus and accomplished so many wonders through Her, to call your attention to the urgent need for a sincere, complete and total conversion of each one of you to God and going through all My Apparitions until reaching My last Here in Jacareí, I never get tired of telling you: that time is running out,

Pray, only through prayer, only through the Holy Rosary will you obtain the spiritual energy, the willpower necessary to say no definitively to sin, but complete and unreservedly to the Lord. I will give this grace to everyone who asks Me with a sincere heart.

I bless you all at this moment generously from QUITO, LA SALETTE and JACAREÍ.

Peace My beloved children. Peace Marcos, the most hardworking and dedicated of My children."

(Marcos): 'See you soon, my dear Heavenly Mother."

JACAREÍ, MARCH 29, 2013 - HOLY FRIDAY
(Message and Lecture: http://gloria.tv/?media=422675)
MESSAGE FROM HOLY MARY

“My beloved children, today, stay with Me at the Feet of the Cross of My Divine Son, who dies for your salvation, continuing together with John and the holy women at My side to console Him, to love Him, to adore Him, to bless and exalt Him as the only King and Lord of the entire Universe.

Stay with Me at the foot of the Cross, giving Jesus your heart, giving Him your sincere, faithful, profound yes so that your life may be completely transformed into what He desires: the fulfillment of His holy will and a garden of holiness. In this way, you will console Jesus who endured so many cruel sufferings for your salvation and who offered his life so that you could all come out of the death of sin and enter into the life of God's grace.

Stay with Me at the foot of the Cross, consoling Jesus with your love that is always more sincere, pure and true without reservations, complete and total so that, in this way, to His wounds, we may pour the gentle balm of true love to close His wounds, to to His implacable thirst we can offer the water of true adoration, of fidelity to His will, to His Commandments and to His Law of Love, to His Word and to His cruel suffering and to His so great and unfathomable solitude and abandonment on the Cross, may we offer the warmth of our love, of our affection, of our sincere and true loyalty to Him.

Stay with Me at the Cross, so that together we can remove His Crown of Thorns, putting in place the crown of love, prayer, small daily sacrifices, and, above all, the true fulfillment of His Holy Word. To all His Wounds on His Feet, Hands, side and all over His body, let us close together with Our true and profound consecration to His Sacred and Sorrowful Heart, to His Agonizing and Crucified Heart, so that, with the our love, with our complete and total surrender to Him, may we comfort His Heart and surround Him with the most fragrant flowers of true love, true adoration, true servitude to Him.

Stay with Me at the Feet of the Cross, where I am with the Sorrowful Mother of all humanity. Even today, Jesus is crucified anew for all sinners who do not love Him, who live only to offend Him for all His enemies who consciously work against Him and struggle to make His Holy Name, the Holy Catholic Faith, disappear from the face of Earth and for all those who, even after having known Him as Judas, commit the sacrilegious and horrible act of betraying the truth known as such, delivering what belongs to Jesus, His holy Church, His Commandments, the Truth, into the Hands of His enemies so they can do with them what they want.

I invite you to stay with Me at the foot of the Cross, to comfort together with Me the Heart of Jesus who is still today betrayed, denied, vilified, scourged, crowned with thorns, crucified by all this humanity that distanced itself from God and His Commandments, who lives only to spread the darkness of evil over the entire world, seeking only sensuality, pleasure, avarice, lust and all the vices that cover this world like a thick layer of mud.

Stay with Me so we can console Jesus together, for so many who don't love Him, for so many who don't want Him, for so many who don't accept Him in their hearts. This humanity, which has now touched the bottom of its doom, the bottom of its decadence, its misery and its baseness, will soon know the

hour of the great Punishment prepared for it. The punishment that will come will exterminate two parts of the three of the Earth, because from all parts of the world I have called My children to true conversion, appearing in so many places through so many of My little children, to whom I have become My spokespersons to bring the My Messages known to all, but humanity systematically refused to listen to My Message, turned his back on My anguished and painful maternal appeals and not even My Tears of Blood were able to move the hearts of men in this generation that is worse than that of the Flood and that of Sodom and Gomorrah. Therefore, the great punishment will come, fire will rain from Heaven and most of humanity will be destroyed, also the calamities of nature such as tidal waves, hurricanes, tornadoes, famine, mysterious and unknown diseases will take a large part of the inhabitants of Earth to the grave and after the grave will be cast into the eternal flames.

I again call you to true conversion today on the day of My greatest Pain. If, on the one hand, however, by My sinful and rebellious children I am continually pierced by the swords of pain, sin, their refusal and rebellion to God, on the other hand, Here I am very comforted. Here I am first consoled by My little son Marcos, who made in My honor so many videos of My Apparitions and this last one of My Apparition of My Little Daughter Mother Mariana de Jesus consoled My Heart very much. Yes, thanks to this place of My Apparitions, thanks to My Little Son Marcos, My Plans and My prophecies are perfectly fulfilled. Despite My enemies, I also advance and if Satan works I also work, if he runs, I also run and through the word and work of My little son Mark,

Here in this place of My Apparitions I am consoled, I am consoled by My little son Marcos, by My slaves of love, who gave Me their whole life, their youth, their strength and together with My little son Marcos they serve Me in love, prayer, work and obedience day and night and I am also glorified by all My pilgrim children who, responding to My call, said yes and today they pray all the Hours of Prayer that I have given them, they pray My Most Sacred Rosary, My Trezen, My Seven with love, they spread My Messages to My children and, above all, they seek to cultivate a true interior life of love and union with Me, a healthy and strong spirituality founded on the desire to be holy, to respond to the call of Our Hearts and to imitate My Virtues.

Here I am consoled, I am consoled by all the Prayers, Rosaries, Meditations and Videos that My son Marcos made, by all the Cenacles performed by Him over more than twenty years, by all the works and fruits of holiness that left this Place , Here I am consoled and glorified and although even today I am the Lady of Sorrows for so many My children who did not give Me their yes, who did not give Me their life and their hearts so that I could take them to God, for My children who here they answered yes with all their hearts and especially for my little son Marcos, I am also the consoled Mother, the Mother of Holy Consolation, the Mother of Joy and the Joyful Mother of the Resurrection. Therefore, little children, continue on the path that I have traced for you, continue to serve Me every day with your prayer, with your love, your obedience and continue working for the salvation of the souls of your brothers, taking My Messages to Them, bringing to Them the riches, the treasures: prayers, Messages, Meditations, Lives of the Saints and the Videos of My Apparitions that Here in this place are given, because this is My last hope to convert and save all humanity. Forward My children! I count on you, I am by

your side and I never leave you.

Today, on the day of My greatest Sorrow, I generously bless you with the effective graces of the virtues and merits of My Sorrows and Tears and I also give you the annual Indulgence of the Scapular of the Passion, as well as all the graces that the Most High has granted Me today. pour over you. (pause)

See you soon Marcos, the hardest of My children, see you soon, to all My beloved children. ”

MESSAGE FROM SAINT GERALDO MAJELLA

“MARCOS, my beloved brother, I, GERALDO, come again to bless and bless all who are Here, with the Lord and with His Most Holy Mother at the foot of the Cross.

Your love attracted Me again Marcos, My love for you made Me look for you and come to you to bless you, to give you peace and to give peace to all of you who are here.

Love the Lord and the Blessed Virgin with all your heart, because loving them perfectly is the secret of true holiness.

Be truly holy, loving the Lord and His Mother, giving them your heart completely, so that their hearts thirsty for love may be watered down and they can finally receive the love, correspondence, obedience and affection they expect from you. all creatures.

Give Jesus and His Most Holy Mother all your love, since They have given you all Their love, give everything for everything, life for life, heart for heart as I myself did giving them all My heart and all My love .

Give them your yes because that's what they've been waiting for for so long and so many of you still haven't given it.

Give them your yes and your life will change, all barriers and walls that prevent you from feeling God's love, from knowing the greatness of God's love and holiness, from being lifted higher and higher, approaching you more and more of God.

Say your yes and all the chains that hold you will fall from your arms, you will quickly free yourself from all vices and sins and your soul will fly like a free dove to meet the Lord who awaits you with open arms.

Be truly saints, fleeing from sin, avoiding all occasions of sin, surrendering your heart, your soul, your whole life to the Lord, giving Him and His Mother all the time you have left, working for Them, taking Their Messages for everyone to know, and, above all, cultivating in yourselves a deep interior life, a healthy and strong spirituality founded on the imitation of Their Virtues, on the imitation of the virtues of the Saints in Heaven, and, above all, on a faithful, sincere love the Lord, loving Him not with human love, seeking your interests and desires in Him, but trying to please Him, love Him and serve Him by placing Him at the center of your love, your heart, your desires and of your soul and putting down all that is vain and that has taken the Lord's place in your hearts.

I, Geraldo, am with you to help you comfort the Lady of Sorrows whom I loved so much by saying yes to Jesus and to Her so that your hearts finally belong to Them forever.

Here, in this Holy Place, where We appear, all Heaven is present and Here, although the hearts of Jesus and Mary give Their Messages of Pain and show you how great Their pain is for the sins that are committed today and for

seeing this humanity so fallen into the abyss of rebellion against the Lord, into the abyss of apostasy, of the loss of the true faith, of the errors that have crept into the Church and into the bosom of the Catholic people introduced by their own pastors, although They suffer from seeing the youth completely lost in vices, in sin and in sensuality, in the enmity of God and in the distance from Him, although They suffer to see families completely paganized without prayer, without religious education of children, without prayer and union between the spouses, without any sanctity in the bosom. familiar.Although They suffer from seeing humanity completely immersed in sin, hatred, injustice, wars, sensuality, lust and the unbridled search for freedom from God's commandments, the pursuit of pleasure, of a life completely outside of God and far from God, even so, Here, the Hearts of Jesus and Mary are very comforted and even among Us, the Saints of God, the blessed of Heaven, there is a much greater accidental joy and the joy of our blessedness increases each time Our beloved Marcos makes a new video of the Apparitions of the Mother of God, that he makes a new Meditated Rosary, or a new Hour of Prayer, yes, there is great joy among Us in Heaven because these fruits of holiness that are the greatest proof that the tree, the Apparitions of Jacareí are good and holy,these fruits of holiness will cause so many souls to recover the life of sanctifying grace, come out of sin, come back to life in grace, in friendship, in union with God, and so, then, the kingdom of Satan is more and more shaken in this world and the empire of the Blessed Virgin, her Kingdom of Love which is the Kingdom of the Heart of Jesus is more and more established in souls, in families, in Nations, in hearts.

Therefore, continue to comfort the Hearts of Jesus and Mary, making all this known to all humanity, drying their Tears with your love, your obedience and your fidelity, hastening your conversion, for the great Punishment is approaching. and in less than two minutes the fire that will fall from Heaven together with the earthquakes that will be worse than forty earthquakes together, will bring to nothing all the works of the pride, pride and sin of men. And open your hearts to hope because the great Calvary of your time is about to end and soon the glorious day of the Resurrection will dawn for you, which will be the greatest triumph of the hearts of Jesus, Mary and Joseph when they will come with power and glory to establish in entire earth His Kingdom of Love and those who now respond yes to the calls of Their Hearts, I, Geraldo, love you very much, I pray for you, I intercede for you and every day I take your prayers to the Sacred Hearts, I cover you with My mantle of light and I give you more and more the grace to feel the love of God, His peace and also My loving presence with you in times of suffering.

Now that you are receiving My Rosary composed by My beloved Mark and approved by Me, pray it always and you will receive through My mediation and intercession powerful and great graces for your sanctification, your salvation and so that you can live in peace serving the Lord with joy every day.

I love you very much and I will always be with you. I bless you all at this moment generously with all My love."

JACAREÍ, MARCH 30, 2013 - HOLY SATURDAY - SATURDAY CENTURY OF THE SOLEDADE OF OUR LADY OF DORES (
Message and Lecture: http://www.gloria.tv/?media=423082)

MESSAGE FROM BLESSED MARY

today, Holy Saturday, on the day of My great solitude, I come to you again to tell you: I AM THE MOTHER OF SOLEDADE.

On this day when I was without my divine Son Jesus Christ, I cried continuously in anticipation of His glorious Resurrection, but also in the painful and profound memory of all His torments, all the sufferings and His cruel death on the Cross for your salvation. I continually asked the Lord to hasten the hour of His Resurrection and His definitive victory over sin and death, in order to establish in the whole world, for all humanity, the new life and lead you all to the eternal salvation that He came to Earth. bring to you all.

As Mother of Soledade, I prayed for all the righteous who would come into the world in the future, as well as I lamented and wept for the loss of all the reprobates who, despite the Love of My Divine Son, of all that He suffered and also of all that I suffered, they would be lost for refusing Our love, Our friendship and obeying the holy Commandments that My Son came into the world to institute for the salvation of all. For this reason, I cried continuously and already felt the loneliness that throughout all the centuries My Heart would suffer when seeing the eternal loss of so many of My children who would abandon God, who would abandon Me and who would be lost for seeking the vain things of this world. , sin and that which separates them and separates them from God.

I am the Mother of Solitude even today, because so many of My children abandon Me and do not want to pray with Me, they do not want to follow Me along the path of prayer, penance and holiness and live every day only to seek vain things, to satisfy only their inordinate inclinations and desires, to seek only the honors and glories of the world, yielding to the sin of covetousness and pride. And so, the souls of these Mine wither and die each day closing the door of eternal salvation to themselves and that is why My heart suffers for the loss of these My children and today, more than ever, I Am the Mother of Pain and Solitude.

I am the Mother of Soledade even today, because despite the fact that for so many centuries I have been appearing and giving My Messages, so many continue to turn their backs on Me, close their Hearts to Me and continue in the obstinate search for sin. , of the rebellion against God, in the obstinate refusal of His Law of Love, in the unbridled search for pleasure and for the satisfaction of all their inclinations and disordered appetites and because of that My Heart still suffers rejection from so many My children and that is why I am still the Mother of Soledade today.

Today more than ever I am the Mother of Soledade, because I see that families have completely lost the grace of God, they no longer pray the Rosary and instead there are only indecent TV programs, profane spectacles, the pagan education of children, youth is completely dominated by Satan and sin and not even the elderly today escape, instead of looking for prayer, they only look for dances and entertainment that most often lead to mortal sin.

I am the Mother of Soledade seeing how much the Church, My Beloved Daughter is covered with wounds, is practically dead and already buried in a tomb of apostasy from which only a miracle of God through the mediation of My Immaculate Heart will be able to make her come out from this tomb of

apostasy. Yes, even the pastors of the Church threw her into apostasy, accepting within her the errors that kill souls and teaching these errors poisoned minds and hearts and because of that, all humanity plunged into the densest darkness of sin, of spiritual confusion welcoming in their hearts the errors and the smoke of Satan, that's why I am the Mother of Soledade.

I am the Mother of Soledade who still suffers today when she sees perdition and when she suffers the separation of so many of My children who were eternally lost. But I am also the Mother of Consolation, I am the Mother of the Joyful Resurrection, because Here, in My Apparitions in Jacareí, I am so loved and so consoled, Here in the person and work of My little son Marcos who made so many Meditated Rosaries with the My Messages, who made so many Hours of Prayer with My Messages and also the videos of My Apparitions and Lacrimations from all over the world, as well as the lives of My Saints in this work and in His work, I am immensely consoled. I am consoled because through all this the souls of many of My little children have returned to Me,

Here, I am very consoled and although I still suffer from the rejection of so many My children, from the loss of so many souls who do not obey My Messages, I am also the Joyful Mother who already sees the spiritual resurrection of so many of My children, which is the predecessor sign of that great worldwide resurrection that will be the Triumph of My Immaculate Heart. That's why here, where I am so loved, so consoled, so obeyed and glorified first by My little son Marcos and then by all those who answered me yes and obeying My messages fulfill everything that I have asked and work with Me for the salvation of souls, in these My children I am loved, I am glorified and greatly consoled.

Forward My children. Continue with all the prayers that I have given you here, because they will make you more and more come out of spiritual death if you are in it, they will preserve you from falling into it if you are in grace and they will make you grow more and more in true life in God, in sanctifying grace. and in the perfection of all virtues for the greater glory and Triumph of the Lord.

To everyone today on this day of My great Solitude, but also of My joyful expectation of the Lord's resurrection, I bless you generously."

HOLY LUZIA OF SYRACUSE

"Beloved Mark, my beloved brothers, I, LUCIA, LUZIA OF SYRACUSE, come again today to bless you and give you peace.

In the sepulcher of these times is now found all humanity that rebelled against the Lord, against His Law of Love and preferring to live without Him, banishing Him from their lives and their bosom, plunged into the deepest abyss of violence, of immorality, selfishness, coldness, injustice, hatred and malice and from this abyss he no longer knows how to get out. Only the Lord can take humanity out of that abyss into which it has fallen and He will only do it when humanity obeys the Messages that the Mother of God gives you, that Heaven gives you in Her Appearances Here and in other chosen places. Only in this way will humanity finally be lifted from the abyss it has dug for itself and will be able to find again the true path of peace, of love, of union between hearts and peoples,

In the sepulcher of these times are families, youth and children, who,

poisoned with the pestilential food of Satan given to them through the media, have fallen into spiritual death and are now even dying. Families will only be able to find happiness, peace, love, unity, and youth and childhood will only be regenerated when they return to God through the Prayer of the Holy Rosary. Only when the Messages of the Sacred Hearts are obeyed by families, young people and children, will there finally be peace, between parents and children, between brothers and sisters and all the youth will be freed from the domination of Satan and thus rescued from violence, criminality, hatred. , from evil and finally you will be able to find the way to salvation, holiness and peace.

In the sepulcher of these times, there lies, there lies the Church that was plunged into the abyss of apostasy by her own pastors, who teaching errors within them poisoned souls, sapped their strength and thus the enemy advanced relentlessly causing many souls lost faith and even lost themselves eternally. The Church will only emerge from this dark sepulcher by a miracle of the mighty Hand of the Lord and the Mother of God and that they will only do when you all obey His Messages and truly collaborate with His Plans of Salvation. Therefore, say your yes today to help Them, to help the Lord and His Mother in this great work of restoration, so that your life becomes an effective instrument in Their Hands, so that the darkness of Satan and the mistake,

I, LUCIA, LUZIA, Here in this place I am very glorified, first of all by My most beloved Marcos who with His love attracts Me, unites Me more and more to him and he to Me, who always carries My Name on his lips and in his heart at all times , which made Me known, loved and more venerated by all those who saw the video of My life of My martyrdom and My miracles and at the same time I am also glorified by all those who, accepting the disclosure of My life that My most beloved Mark did, they also came to know Me, to love Me, to imitate My Virtues and to follow Me along the path of holiness and perfection.

Here I am very consoled and I really want to form great Saints. So come to Me and let yourself be educated by Me on the path of perfection so that I may lead you higher in it and transform you more and more into great Saints for the greater glory of the Lord.

Today, Here, in this Place, the Hearts of Jesus, Mary and Joseph were greatly consoled, thanks to this Place, to these Apparitions, thanks to the yes that our Beloved Marcos gave to Heaven, to the Lord, the plans and the prophecies of the Most Holy United hearts come true perfectly. Thanks to the latest and new video that Marcos made of the Apparitions of the Lady of Good Success, Her prophecies and Her Messages, Her plans, Her maternal designs are perfectly realized and despite the Lady's enemies, She advances powerfully and will triumph because She is the Queen of Victories and nothing, no being, no creature can stop Her in the fulfillment of divine designs and Her maternal plans. So onward! Confidence! I went on praying and doing everything that the Sacred Hearts tell you, everything that Heaven here tells you,

I, Lucia, love you, I intercede for you without ceasing now that you already have My Rosary that Marcos composed for Me and that I bless and approve, go ahead, pray it spread it without delay so that I can act even more more powerfully among you and bring you to the full fulfillment of the Lord's will in your life.

I bless you all at this moment generously, from SIRACUSA, from VENICE and from JACAREÍ.

Peace! Peace, beloved Mark."

(Marcos:) "See you soon. See you soon dear Mother."

JACAREÍ, MARCH 31, 2013
EASTER SUNDAY CENTACLE – RESURRECTION OF OUR LORD JESUS CHRIST
MESSAGE FROM OUR LORD JESUS CHRIST AND OUR LADY
(Video of this Upper Room: http://www.gloria.tv/?media=423511)

(Marcos :) "My Lord and life of my life, say that your servant listens and is ready to announce your Will to everyone. Take Jesus possession of this heart that is Yours, speak Lord that Your Will is My greatest wealth, it is the greatest joy and the greatest desire of My heart. Do not delay any longer, come, enter my heart, speak Lord, I want to know Your Will that saves me."

MESSAGE FROM OUR LORD JESUS CHRIST
"My beloved children, I, the risen Lord, come today to pour out on you the peace of My Sacred Heart and to give you the blessings that on this day, My Eternal Father and I, together with My Spirit, want to grant you for your greatest edification, sanctification and salvation of your souls.
Just as I came out of the glorious, immortal, impassible, effulgent, beautiful and luminous tomb, so this world of yours which now lies in the tomb of sin, of the dominion of Satan, of violence, of hatred and of wickedness, will rise again for a new time. of peace that My Heart together with My Most Holy Mother and My Father Nutrício José are preparing and will soon bring to you.
My Sacred Heart will resurrect this fallen world in sin, renewing all things, the youth lost in addictions, sensuality, drugs, violence and evil will be resurrected, with the powerful breath of My Spirit I will make their souls dead by sin, revive, rise to love, and then I will be the King of their hearts and they will love Me and out of every mouth will come out to Me the most perfect praise. My Sacred Heart will resurrect the children, the poor children of this time who have been poisoned by Satan, by the pagan education they receive from their parents and teachers, from the world and from the family, and from the mouths of the little ones and those who are still suckling will come out to Me, the Lord your God, the purest and most perfect praise. Yes, there will be many Saints among the children, because My Sacred Heart will resurrect their little souls and make them truly live for Me, for My Mother, for My Father Nutrício José, as the Little Shepherds of Fatima will live, as My beloved daughter Bernadette de Lourdes, Domingos Sávio, Maria Goretti lived , Lucia of Syracuse, Filomena and so many of My servants. Yes, I will make childhood and youth glorify Me and from the little ones I will take the greatest glory to My Immaculate, Immaculate and Sacred Heart, without sin, risen today to stay with you eternally giving you always more: Peace, Love, Grace and Salvation. Filomena and so many of My servants. Yes, I will make childhood and youth glorify Me and from the little ones I will take the greatest glory to My Immaculate, Immaculate and Sacred Heart, without sin, risen today to stay with you eternally giving you always more: Peace, Love, Grace and Salvation. Filomena and so many of My servants. Yes, I will make childhood and youth glorify Me and from the little

ones I will take the greatest glory to My Immaculate, Immaculate and Sacred Heart, without sin, risen today to stay with you eternally giving you always more: Peace, Love, Grace and Salvation.
My Sacred Heart will resurrect the families that now suffer under the domination of Satan, because they have turned away from Me, because they have suppressed prayer in homes, the devil has entered families, captured the minds of the spouses, inciting them, taking them to adultery, to betrayal, to falsehood, captured the minds of wives making them dry and arid and before where it was a furnace of love now there are graves where death and sin rage day and night. How many mothers have become living sepulchers, because they kill their children inside their wombs, cruelly crucifying Me again, because this sin cries out to Heaven for revenge. How many mothers are guilty of condemning their children for not having educated them according to My Word, according to My Law of Love, and that is why their children go to perdition and they follow them because they are guilty before Me for not having given their children the knowledge of My Love, My Word and the Truth and the spouses are also guilty because they did not imitate My Father Nutricio José and they only occupied themselves with the vain things of this world without worrying about the salvation of their souls and those of their children. Yes, cursed is the man who builds his house on sand, on the vain things of this world that perish, for this house will collapse on itself. Cursed is the man who knocks down his own house, letting the enemy enter it with its smoke, and does not fight to drive it out, that fool will be the cause of his own ruin, his unhappiness, and the eternal unhappiness of his wife and his family. sons. Blessed is the man, blessed is the man who builds his house on rock,
My Sacred Heart will resurrect the Church, this daughter of Mine who is now wounded like a leper, apostasy obscures the light of truth in her, errors poison and kill the souls of the faithful, errors propagated by pastors, bishops and priests such as Progressivism, communism, socialism, disguised and diluted Protestantism, as well as all other errors cause the death of millions of souls and that is why My sheep die, they starve and there is no one to bring them the remedy of My Sacred Heart. But I will resurrect them by raising up apostles and faithful servants who will bring to My sheep Our Messages of Pain and Love, the Holy Prayers of this Place as well as the knowledge of Our Apparitions and the Life of the Saints and those sheep will be healed,
My Sacred Heart will resurrect the Church, therefore, and all humanity freeing them from the power of Satan and through Our Servants, Our Apostles of the End Times, We will make all humanity revive and become a garden of grace and holiness .
Fight My children! Fight the good fight, you will be rewarded in Heaven, those who suffer and fight for Me will win the Crown of eternal life, those who give their lives for Me will live eternally, those who want to keep His life for themselves will perish and with them will perish all those whom they could have led to Me, and did not, because of their ugly ambition for pleasures, power, honors, and the esteem of the world, and their ugly omission. Fight My children, because I fight with you, I am always two steps ahead of you, leading you, opening the way for you and leading you along the path of holiness. Just as I gave the victory to Constantine and to His Holy Mother My Servant Helena, because they trusted themselves to Me, because they opened the door of their hearts to Me,

Here in this place My Sacred Heart is extremely comforted, because here I, My Most Holy Mother and My Father Nutricius Saint Joseph, as well as My Holy Spirit and My Supreme and Eternal Father are loved with all our hearts by My little son Mark , who for so many years has worked tirelessly day and night for the Triumph of My Sacred Heart throughout the world. Yes, here My Heart rests, rests in it, I am with Him twenty-four hours a day and through your word, your work and your example I radiate the mystical light of My Sacred Heart on the souls of My children. Here too I am extremely consoled by you, who love Me, who respond to My desires, who obey My Messages and who live the Consecration to My Sacred Heart with all your heart. In you I rejoice, I delight, in you I rest, in you I rest like dew on pure lilies. Yes, come My children, let us strengthen the bonds that unite Us even more, surrendering yourselves completely to Me, giving Me your sincere yes and truly letting you be led and guided by Me on the Road to Holiness.
I bless everyone at this moment with love and I give you My Holy Spirit, breathing it on you.
Stay in My peace, stay in the peace of My Mother's Heart. Rest in My peace Mark, you, the most strenuous and dedicated of My servants."

I am the joyful Mother of redemption and therefore everyone who wants to be saved must come to Me so that I may distribute to you, distribute to all of you the abundant fruits of the Savior's redemption and in this way you can become truly servants of the Lord, His instruments. , His Apostles of the Last Times, His valiant warriors who carry His Word and His Grace to all the ends of the world.
I am the Joyful Mother of Redemption and I announce to you that the resurrection of this world fallen into sin is near, which after two thousand years of preaching the Word of My Son has once again become a pagan, an atheist and an enemy of the Lord. Yes, this sepulcher will be opened by a miracle of

Our United Hearts and humanity, already reduced to a putrefying corpse, will come back to life and from His mute lips will come again the perfect hymn of adoration and praise to the Holy Trinity.
Confidence! Because My Plans are carried out perfectly thanks to My Apparitions, Our Apparitions Here, thanks to the yes that My son Marcos gave Me with so much love and in which he persevered and was faithful for more than twenty years. In work, in the effort and in its dedication, I carry out My Plan of Love, I carry out wonders for the conversion of souls and I make My glory ever more shine. And in all of you My children who have answered Me Yes and who have responded to My call by coming to My Heart, in you I also realize the greatest Triumph of My Heart, leading you ever more to live in purity, in love, in humility, in practice of the virtues, sanctifying yourselves day by day more and more and sanctifying many, many other My children, through your word, your prayer, your sacrifices, your sufferings accepted with patience, and,
So trust! Now I will act powerfully for the salvation of humanity, now that you know My Apparitions through the Videos that My little son Marcos made for you, now that you know My Messages, My desires and the Lord's desires through Our Holy Hours of Prayer , now that you know the truth that saves and sets you free, I will act powerfully with My Flame of Love to take Brazil, to take Portugal, to take the whole world, the whole, to the Triumph of Our Hearts. This year I will pour out My Flame of Love abundantly as I have never done on the world, because My little son Marcos has done Me a great job, a great service to the Lord by making My Apparition to My little daughter Mother Mariana de Jesus Torres known to all My children and that is why the Almighty has given Me more power to act more effectively for the salvation and liberation of the world. For a soul that obeys, sacrifices, works and sanctifies all humanity is benefited, reached, purified, forgiven and elevated by the Holy Trinity.
I bless everyone at this moment generously with love and I say to you: Persevere in the prayers that I have commanded you to make so that My Flame of Love may, in short, take you forward on the path of holiness and make you perfect Saints for the greater glory of God.
I bless you all now, from Casanova Staffora, from Fátima and from Jacareí. Peace My children, peace to you Marcos, the most hardworking and dearest of My children."

(Marcos:) "Yes, these were such wonderful days, it's a shame that it's over and that only next year we'll have Holy Week again. (pause) Yes, I understand, we have to get off Tabor. (pause) Yes, tomorrow I'll start again. Yup. By April it will be ready for sure. (pause) Besides La Salette, is there anything else you want me to put on? (pause) Yes, I understand Ma'am. Yes... See you soon...

April
JACAREÍ, APRIL 07, 2013 - CENTACLE OF THE DIVINE MERCY OUR LORD JESUS CHRIST
(Our Lady and Saint Faustina also appeared but did not give a public message)

MESSAGE FROM OUR LORD JESUS CHRIST
“My beloved children, today on the Feast of My Mercy I greet you and I bless you again.
Peace. Peace. Peace to your hearts! Let nothing disturb your peace. 'Non avete paura.' Do not be afraid, for I am with you always, until the end of the age, until the end of the world. Do not be afraid because I am at your side, I know your sufferings and I know well everything you need even before your mouth opens, My Sacred Heart already knows what is in yours and already gives you all the blessings and graces , all the providence you need.
Come to Me now that it is time for Mercy and while I allow myself to be found by you, so that I can truly purify you, convert you and make you pleasing to Me, for I say to you: When the time of My Mercy When the time of My Justice ends and begins, those who do not have the white, white, pure robe of holiness, innocence, purity, the Virtues that I love will not enter My Kingdom.
Come to Me while it is time for Mercy and while I keep the door of Mercy open. I told My most beloved daughter Faustina Kowalska that before the Time of Justice came I would send the Day of Mercy. Yes, I sent the Day of Mercy to the whole world, when I gave My little daughter Faustina the Chaplet of Mercy, which disarms My Justice, inflamed and angry against men. I gave this Day of Mercy to the world when I asked that the image be made, the image according to the way I appeared to My little daughter Faustina, when I asked for the institution of the Feast of Mercy, of the Novena of Mercy. Yes when I gave all this to the world I gave the Day of Mercy. Humanity has trampled on My offering, humanity has bitten the hand that caressed it, humanity has stabbed the heart that thought so much of it with love, they have rejected My Mercy, they have rejected My forgiveness, they have rejected My tender love for themselves and that is why the Day of My Wrath, the Day of My Justice, will soon come. Woe to those who were deaf to My voice and the voice of My Most Holy Mother Here in this Place and in all the places of Our Apparitions, they will be like wood burning in the fire that will never go out. If you don't want to be one of those unfortunate ones, come to Me while it's time for Mercy. Now I allow myself to be found by all of you, by this impious and perverse generation Here in the place of Our Apparitions and there is no heart, however sinful it may be, that is outside the rays of My Mercy if it invokes Me with confidence and with a sincere desire to amend life. , of conversion and back to Me. If you open even a crack in your heart, My rays will enter it,
This wicked generation insults Me, rebels against Me, the world is covered in thick darkness, darkness of apostasy, evil, sin, violence and true hatred against Me and against everything that represents Me. Even My Church, which should be a luminous sun, does not give My light anymore, it has been invaded by the darkness of Satan, the smoke of Satan has penetrated its interior, it has obscured its light, distorted its beauty, stole the wealth of grace that there is in it and so now the shepherds who poisoned the sheep with the errors they taught for so many years will be called into My presence and will have to give an account of all the sheep they killed with the poison of the errors that come out of their mouths.
Come to Me, come back to Me, you My poor little sheep so threatened and besieged by so many evils and dangers in this treacherous time in which you live. Come to Me, the door of the fold of My Sacred Heart is open, come to Me,

I will receive you all in My fold and I will not cast you out. Even if you are sick, ugly and even torn apart by the wounds that sin has opened in you, it doesn't matter. Come to Me, because Here in the fold of My Sacred Heart I have the healthy medicine to heal each one of you and to give you again the strength, the life, the vigor you need to be happy.
Come to Me, because I have the holy pasture that you need so that you can get out of your weakness and lethargy. come to Me, I have within My Heart all the treasures and all the goods that you need to be truly rich in My grace, My love, holiness and My peace. Return to Me while it is time for Mercy and while I still allow myself to be found by you. Here in this holy place chosen by Our Sacred Hearts and where I live night and day, the soul that sincerely seeks Me and that truly mourns its misery and its sins before Me, will find Me benevolent, kind, tender, as the tenderest of parents still doesn't know how to be. Yes, she will find Me more loving towards her than the most loving mother and that sinful soul I will lock her up in the depths of My Sacred Heart and there I will keep her,
The abyss of My Mercy is so great that even if you lived a thousand lives you would not get to know how deep is the abyss of My Goodness, of My Mercy. Heaven, your heaven will be to know My Mercy for centuries of centuries, to drink from it as from a fountain that never runs out, to immerse, to lose yourselves, to drown in it for all eternity, without ever reaching the end of My Mercy , without ever being able to drink all the water from the fountain of My Mercy.
Make an effort My children, to reach this life so high and so beautiful that I prepare for you, because I say to you: only the hardworking, only the violent, only those who truly fight the good fight have come to Me in Heaven and will be immersed in the transcendental source of My infinite Mercy. Therefore, carry your cross with love, suffer everything for love of Me, pray, love, work for the Triumph of Our Sacred Hearts, bringing Our Messages to everyone's knowledge, make My Divine Mercy known, make the Chaplet of My Mercy known, because I say to you: those who make this Rosary of Mine known, prayed and loved by all, will shine in Heaven next to My little daughter Faustina Kowalska, with a light stronger than that of seven suns together and I truly say, I love you so much! And I never get tired of drawing you into My heart every day, whether it is allowing sufferings in your life, whether it is giving you continuous signs that I am close to you, these signs so abundant that you have received Here in Holy Week are the proof more than complete and definitive of how much I and My Most Holy Mother with Our Angels and Saints are truly present Here, how much We love you and how much We love our beloved servant Marcos who with his word, his effort, their work and their example made My Apparition to My daughter Faustina, as well as the Rosary of Mercy known and loved by all of you and by thousands and thousands of other souls scattered throughout the world. Yes, in this My most beloved son, in this My most beloved servant We reflect our mystical light,
Here, where I allow myself to be found, touched, touched for you, My Merciful and My Sacred Heart will fill with infinite graces those who, with generosity and love, answer us yes. I love you so much! And with My Mother, with Joseph, My Father Nutricius and all My Saints, we continually watch over you. I repeat: 'Non avete paura'. Do not be afraid of anything, because I am with you and rejoice because the time of waiting has passed, the night is already giving way

to the light of the dawn that announces to you, the dawn of the new day, the new time of My grace and My Mercy .
Rejoice, the deliverance of My servants who are now persecuted, despised and burdened with deep crosses in this time of great tribulation, the deliverance of those My servants, who suffer because of My Name, because they defend Me, because they defend the Holy Catholic Faith , because they defend My Mother, they defend My Father Nutrício José, My Saints and the treasures of the Holy Catholic Faith, these My servants will soon be freed and raised in the air, they will be crowned by Me and together with My Angels they will sing for all the ever hymn of My infinite and inscrutable Mercy.
I bless you all at this moment with love, from Paray-Le-Monial, from Cracow and from Jacareí. Peace My beloved children, I give you My peace. Peace Marcos, the most strenuous of My children."
(Mark:) "Yes... Yes, my dearest Jesus, life of my life, soul of my soul, heart of my heart... (pause) Thank you dear Most Holy Mother, I will do just that. (pause)
Did you even like the part that is done? I will put all my heart as always. Yes ma'am. (pause)
Thank you dear Faustina, I will continue your song, yes. See you soon. (pause) See you soon Lord, see you soon Mother of Heaven."

JACAREÍ, APRIL 14, 2013 - MESSAGE FROM THE HOLY MARY
(Video of this Cenacle: http://gloria.tv/?media=431374)
(Mark:) "Yes, dear Lady, I'm glad you were happy to have him reintroduced here today. I hope I have comforted your heart! (pause) Yes... Yes... As you already well know, I'm halfway through it, I hope to finish it in the next few weeks and soon I'll start the one that will take so many swords from your heart. (pause) Yes... Yes... (pause) I understand dear Madam. I will do as you wish."

"Beloved children of mine, today I call you again to walk the path of true love, putting away from your hearts everything that is opposed to divine love.
Love in pure transformation will only live in you when the disordered love of the world, of yourselves, of creatures, comes out of it, only then will it have a suitable space in your hearts, to enter there, take up residence and grow in you. Love in pure transformation seeks souls completely dead to themselves, souls emptied of themselves, self-forgetful, self-denying, to the point of completely allowing Him to do whatever He wants in them without putting up any resistance.
The love in pure transformation, which is the Holy Spirit himself, will only enter your souls when your will dies and then you are completely docile to His will. Thus, the Holy Spirit will dwell in you as in a temple, he will spread his perfumes on you, sweeter than pure nard (balsam), he will pour oil, oil on your souls, purer and gentler than that of the olive tree, healing in your souls. all the spiritual wounds, all the wounds that sin has inflicted on you and marred the beauty of your souls. Then the Holy Spirit will restore to your souls that beauty, that beauty that it had when created by God and then your beauty will enchant His divine eyes and He will be pleased with you and live with you.
Love in pure transformation will only dwell in you when all the disordered love of yourselves leaves and gives way to Him, this love in pure transformation

rests in pure souls, in peaceful and meek souls, in souls that have no vanity, in those that do not they are carried away by the lust of the eyes, by the pride of life, nor by the lust of the flesh, as the dew that descends on the lilies of the morning, so He also descends and rests on pure souls. You must be these souls, answering yes to all that over the years I have taught you here and asked that your souls may open like lilies to the divine dew of the Holy Spirit and your souls may then grow in the holiness that He desires and what He expects from you.

I am the Spouse of pure Love in pure transformation, I am the Most Chaste Spouse of the Holy Spirit and only in the souls in which I live, in which I reign, in which I rest as Queen and Absolute Mistress, only in these souls does the Holy Spirit it descends like the most gentle dew, like the most sweet refreshment, to live in these souls, to dwell and to rest with them forever. Therefore, every soul that wants to receive the visit of the Divine Spirit, must first know Me, love Me, honor Me, as the Fourth Commandment of God says: honor father and mother. The soul that honors Me will honor the Holy Spirit and the Holy Spirit will come to her and dwell in her, the one who offends Me and who insults Me will offend the Holy Spirit himself and He not only will not come to her but if he is in her he will withdraw and curse her. for centuries of centuries.

Come, then, My children, let yourselves truly be possessed by Me, educated by Me, formed by Me on the path of holiness, for in doing so I will prepare you as a beautiful and fragrant abode, so that My Divine Spouse may come from Heaven and dwell in your soul. Pray the Holy Rosary every day, with Him I purify you, I beautify you, I enlighten you, I perfume you more and more to present you truly beautiful, candid, innocent and luminous so that the Holy Spirit may be pleased with you and come to live in you.

Continue with the Hour of Peace and all the Hours of Prayer that I have given you Here, whoever loves the Hour of Peace loves Me, whoever despises the Hour of Peace despises Me, therefore, pray these prayers so that I can tighten even more the mystical bonds that unite your souls with My Heart and may in this way hasten the second historic descent of My Divine Spouse, the Holy Spirit, over the whole world and over your souls.

Here, In this place, in the person, in the work, in the work of My little son Marcos I am deeply glorified, I am completely comforted and perfectly loved. In every work that comes from the heart and hands of this My child, My splendor, My glory shines for all My children, so that all of them, seeing My light, can come out of the darkness of sin and find Me and with Me find the God of salvation and peace. In the work and in the work of My little son Marcos, I reflect My great light that will become more and more intense the more dense the darkness covering all things. Truly Here in this My child I am exalted, I am glorified and My fruits can be seen and tasted in the fruits he bears abundantly. Therefore, as I said a short time ago in My Apparitions, here I say again: Because My son Marcos made the Video of My Apparition to My little daughter Mother Mariana de Jesus Torres as the Lady of Bonsucesso and thus made Me known and loved by thousands and thousands of My children, I promise to hasten the Hour of My Triumph. This year I also promise to perform wonders like I have never done before in your lives, I promise to pour out a greater outpouring of My graces, of the graces of the Holy Spirit, of My flame of Love on you, on Brazil, on the whole world, I also promise to pour out a very

special abundance of graces on My children who truly help My son Marcos, love all the Apparitions that He puts on video and offers to you and those who suffer, work and struggle with Him will truly have this year a flood of new blessings descending without ceasing from My Heart on everyone,

When a soul elevates, it elevates the world, when the soul grows in holiness before the Lord, the Lord who does not allow himself to be overcome in Mercy pours a shower of graces over the whole world and a true deluge of His Divine Mercy. Pray, pray more, because only through Prayer will I be able to make the mystical rose of perfect love grow in you, produce the sweet perfume of holiness and of perfect and holy works for the greater glory of the Holy Trinity and glory and of My Name that Here in these Apparitions, now, shall shine with a brightness far greater than that of a thousand suns together.

Forward My children! I am with you, in your sufferings do not fear, non avete paura, because My Immaculate Heart follows every step and knows every tear that falls from your eyes. I am with you, Io sleep with you. Do not be afraid.

To all, at this moment, I bless with love, from Lourdes, from Quito in Ecuador and from Jacareí. Peace My beloved children, peace Marcos, the most hardworking and dedicated of My children."

MESSAGE FROM SÃO LUIZ GONZAGA

"My beloved brothers, I, Luiz Gonzaga, exult with joy to be able to come and give you My first Message. Oh, how I love you! Oh, how much I love you! Oh, how much I want to help you to reach high holiness for the greater glory of God, of the Immaculate Virgin and of Saint Joseph, so I say to you: Renounce all sin, because sin kills the life of sanctifying grace in your souls. Deplore sin and leave sin once and for all, so that Satan cannot have any influence over you and so that the influence of the Divine Holy Spirit may increase so that with His divine influxes, they will drive your souls more and more towards forward on the path of holiness.

Renounce all sin, because sin cuts the divine bond that unites you to the Lord, that unites you to the Mother of God, and with that, you lose the graces necessary for your sanctification, becoming more and more lukewarm, languid and increasingly obscured by the darkness of evil. If you renounce sin, your soul, well united, linked to the Lord and to the Mother of God, will receive from them the necessary influences, the graces necessary for your sanctification, and then I say to you: Not all hell will be able to do anything against you. If your love is true, if your love is faithful and pure, even if you have small defects in your person, that will not prevent you from being holy, nor will the deprivation of so many things that you love prevent you from being holy.

Love, true love within you will be decisive for your sanctification. Do not be of those who strain a gnat and swallow a camel, that is, who worry about vain and insignificant things and let sin grow more and more in your soul. Oh no! Do not live in peace with your sins, for if you do this your soul will surely be damned. Make war on your faults and sins and together with prayer, grow more and more in good works before God. Little and nothing is worth praying, but in making war against one's faults and sins, little and nothing is worth maintaining an outward appearance of being a servant of God, if the interior is completely eaten away by the termite of sin, especially those sins that you do not mortify, against which you do not fight and which you silently allow your soul to eat away like a voracious termite. Oh no! Extirpate even the least sin

from your heart so that then it will be beautiful, pure, holy, righteous, honest, true servant of the Lord and then your prayer will be accepted to the Lord with pleasure and pleasure. And then He will carry out in your lives His plan of love and even many graces that you ask them in prayer. Prayer is only pleasing to the Lord when accompanied by the yes of the heart, the sincere effort to overcome sin, fight defects, to grow in the path of holiness. If at least you have this pure intention, this desire is enough for your prayer to be accepted in Heaven and to bring about great miracles in your life, great resounding graces of love. he be beautiful, pure, holy, righteous, honest, true servant of the Lord and then your prayer will be accepted to the Lord with pleasure and pleasure. I, Luiz, ask you: Renounce all sin, because sin is the cause of all evils, pain, discord, wars, tragedies and unhappiness that exist and happen in the world. If men would renounce sin, they would be blessed by God and God would give them a life as harmonious, as beautiful and as peaceful as that which the first Parents had in Paradise.

Propagate the Holy Rosary more, because the Rosary will eradicate heresies, fight vices and sin, give souls the inner strength to renounce all types of sin and answer more and more yes to the Lord. Continue with the Rosary of Tears of Blood, with the Hours of Prayer that the Sacred Hearts have commanded you to do Here, because with these prayers your souls are strong, prayer groups are strong and through your prayers the devil is always more defeated in the world .

I, Luiz, promise to pray for all of you with the Sacred Hearts, to obtain for you the graces necessary for your sanctification, but you also pray, much of

what I can achieve for you does not depend only on My Prayer, but also on your , then, let us pray together and we will achieve the miracle of Divine Mercy for this world fallen into sin. And then, families, youth, society, childhood, the Church that is now like a leper full of wounds, opened in her by her own pastors, the bishops and priests who have welcomed into their interior: the errors of progressivism, modernism, communism, Protestantism and so many infernal evils together. With Our Prayer we will achieve the miracle of divine Mercy that will make the Church and humanity, struck with death, resurrect to a new time of holiness and grace that We from Heaven ask for you every day and so much want to bring to you. Over this Sanctuary, over this Sacred Place, today descends an abundant rain of blessings from the Sacred Hearts of Jesus, from the Mother of God and especially from Saint Joseph, because today He looks with pleasure, with predilection and with great joy at the great Image of His Most Loving Heart placed Here in the courtyard of this Sanctuary. Yes, through this new Image the Heart of Saint Joseph will multiply His graces, His blessings even more and convert many hardened hearts.

Truly I say: Everyone who kneels before this Image and with a sincere heart begs the help of Saint Joseph, this soul, this son will be shown the safe path of holiness and this soul will walk with firm step on the path of perfection , for not only Saint Joseph, but also I and all the Saints of Paradise will take this person's hand and lead this soul safely to the glory of Heaven.
To all of you today I bless you with great love and especially to you Marcos, who for so many years I know that you love Me, I know that you pray to Me and I know that you are always with Me."
(Marcos:) "Yes... See you soon! Come back soon, dear Luiz!"

(Video of this Cenacle: http://gloria.tv/?media=432998)
"Beloved children of mine, today I call you again to true love, which is pleasing to God and which is the only way you can reach Him.

Seek true love, leaving all the vain things of this world that prevent you from receiving and knowing Him, so that, in this way, your heart is truly free and available so that divine love may reveal itself to it, pour itself into it. surrender to him and bring about in you the great conversion, the great sanctification that the Lord desires for you all.

Seek true love, so that your souls become pure, enlightened, dignified and holy temples so that the Holy Trinity can dwell within your heart, can govern your entire life and can lead you further along the way. of holiness so that she may be perfectly glorified in you all.

Seek true love, so that you may be those holy citadels that the Holy Trinity and I wish you to be, those mystical cities where We can live, reign and rule every day, having in you Our royal palace, our royal garden of rest. , Our garden of delights, and so, your souls be our abode and We will be the abodes of your souls, and thus united in a single flame of love, let us live giving to the Lord perfectly the glorification, obedience, adoration that He your Mother desires from you and Me, the perfect love, the perfect obedience, the perfect correspondence that I so want and desire from you.

Seek true love, so that your souls, truly knowing this love, can live in it, can give it, spread it, communicate it to all souls that still do not know it so that

this world immersed in sin, in disobedience to God, in the lack of love for God, can finally be immersed in a new time of holiness, grace and love. If true love is present in your souls, then this world, shrouded in the darkness of sin, of the errors that are now spreading more and more both within the Christian people and outside it, this world will know the new light of its resurrection, of the your Pentecost, of your complete transformation into that world of holiness, love and peace that I want so much for you and that I pray so much and struggle so much to bring to you.

Seek true love for the Lord, proving this love to Him, more by deeds than by words, more by deeds than just by desires and intentions, so that My children, truly, your life may be a perennial witness of the love of God, from the grace of God and the strength of His love, as was the life of My little daughter Bernadette Soubirous, Saint Bernadette. Then your life too will become a song of perfect love to the Lord and to Me as Her life was and your lives will truly be as My daughter Bernadette's life was, a perfect reflection of My purity, of My holiness, of My love, of My grace.

Today, when you are celebrating My little daughter Bernadette of Lourdes, I, with generosity, with love, bless you and say to you: Here in this blessed place of My Apparitions, which is My new Lourdes, My last Lourdes, I will finish everything that I started with My little daughter Santa Bernadette in Lourdes. Here I will bring My Plans to their perfect conclusion and execution and My Immaculate Heart will triumph banishing the darkness of the world and making a new time of peace, a new time of grace, holiness and love dawn for all humanity.

Continue with all the Prayers I have given you here, because through the Rosary, the Holy Hours of Prayer, I will increasingly make you similar to My little daughter Saint Bernadette. Here, in the person and work of My little son Marcos, who with the Videos he made of My Apparitions in Lourdes and of My little daughter Bernadette, made millions of My children love Me more, many more millions knew Me, gave Me their their hearts and begin to follow Me along the path of Prayer, of Penance, of escaping from sin, of seeking daily holiness. Yes, in his person and work, in his work, I reflect My mystical light, which will become more and more intense the more dense the darkness envelops all things.

My Heart will triumph and My victory, My glory that since My Apparitions in Lourdes I manifested to My beloved children until arriving Here in My last Apparitions in Jacareí, My glory will be seen by the whole world and Satan will be definitively annihilated.

I bless you all with love generously from LOURDES, from TURZOVKA, from EL ESCORIAL and from JACAREÍ.

Peace My beloved children, stay in the peace of the Lord. Peace to you Marcos, the most valiant of My children."

MESSAGE FROM SANTA BERNADETTE SOUBIROUS

"My beloved brothers, today when you are celebrating My Feast, I, BERNADETTE DE LOURDES come to say to you: Pray with love! Prayer with love leads your souls to seek ever more the Lord, ever more his will and helps you to faithfully fulfill it as he desires of you. Prayer with love beautifies your souls, purifies your hearts, strengthens your spirit against the temptations of Satan, opens Heaven to you and makes you ever more quickly climb the steps

of the ladder of holiness that leads you to Heaven.

Pray with love, because prayer with love brings you closer and closer to the Hearts of Jesus Mary and Joseph, transforms you into His image and likeness, gives you a little of that purity, of that spiritual perfection that the Immaculate Mother of God has in herself, makes you more and more like Saint Joseph in obedience to God, in love, in fidelity to Jesus and to the Most Holy Mary, makes you grow more and more in purity, chastity and in the holy fear of the Lord. Prayer with love makes your soul live, with it the Holy Spirit can communicate to you, through it He can act powerfully in your souls and in this way your souls can finally know the true life in God, the life of holiness that He desires for each of you.

Give the Lord your yes, as I myself did, withholding nothing for you, that is, give the Lord your whole heart, your whole soul, your whole being. Foster in your hearts the holy desires to serve the Lord better, because the holy desires will always lead you to have your soul on fire with love for God. During the day, tell the Lord many times that you want to love Him as I loved Him, as all the saints loved Him. Tell the Lord and the Holy Virgin that you want to obey them as no one has done until today, so that holy desires will lead you to truly love the Lord, to love the Mother of God, to fulfill His will as no one has ever done. fulfilled and so one day you will become true and great saints for the greater glory of the Lord.

Do your daily duties every day with love as I myself did, because the fulfillment of your daily duty leads you to the daily perfection that will drive you, will elevate you more and more to a high holiness and then at the end of your lives, you, as fragrant and beautiful flowers, you will be plucked from the garden of this world, to be then planted again in the gardens of Heaven where you will enjoy the supreme happiness that the Lord and the Mother of God prepare for each of you for all of you!

I, Bernadette, your sister who precedes you in glory, love you very much! I love very much this place chosen by Heaven, which is the new Lourdes of the Mother of God. Here, where she will finish the plans that she started with me in Lourdes, I am and will always be vividly present for her to act powerfully for your salvation, to act powerfully for the conversion of sinners, to act powerfully for the salvation of all humanity. Pray, pray more, because prayer is the salvation of the world, it is your salvation and the salvation of all families. With prayer you will be saved, without prayer you are already lost. Pray, pray a lot, because whoever prays a lot is saved, whoever prays little puts himself in danger of condemnation and whoever does not pray is condemned. Pray, because prayer will attract the Second World Pentecost, which will convince men of sin,

I, Bernadette, am with you, I cover you with My Mantle and especially I cover My most beloved Marcos who has always loved Me, always honored Me with his devotion, with his prayers and his affection and who, through all that he made, from the Videos of the Apparitions of the Mother of God to Me in Lourdes, as well as from My Rosary and all the other things he did to make Me known and loved, thanks to him and in him I am now better known, I am loved , I am invoked with confidence and I can thus act much more in favor of the salvation of souls. In the person, in the work and in the work of My dear Marcos, the Lady of Lourdes has Her greatest triumph and I also have the greatest exaltation of the truth of the Apparitions of Lourdes and

also the knowledge of the glory of the Blessed Virgin that to Me in the Grotto of Lourdes revealed the great mysteries of Her Immaculate Conception,

I bless you all at this moment and especially you, beloved Marcos, I now bless you generously from LOURDES, TURZOVKA and JACAREÍ.

Peace Mark. Peace to all of you My beloved brothers."

MESSAGE FROM SANTA QUITÉRIA

"My beloved brothers, I, QUITÉRIA, servant of the Lord and of the Mother of God, am happy to come to bless you today.

Do the Rosary Crusade with love because your salvation and that of millions of souls, of your country and of the whole world depend on the Crusade of the Rosary .

Make the Rosary Crusade with love, giving the Mother of God your Meditated Rosary prayed with love, devotion and pity, so that the satanic forces can be defeated and destroyed in you, in your families and in the whole world.

Do the Rosary Crusade now any day of the week, not just on Sunday, make it so that throughout the week there are always souls in their homes praying the Holy Rosary for the salvation of Brazil, the world and souls.

I, Quitéria, will pray with you, I will come with the Holy Angels of Heaven to bless you, to pray with you, to help you in the struggle, in the spiritual battle through the Rosary against all the forces of evil, against all the powers of evil.

Be holy as the Lord God wants you to be holy. Holiness consists above all: in the soul dying to itself in all things and at all times, renouncing its rebellious will to accept the will of the Lord. Thus, by fulfilling His will, the soul truly sanctifies itself and when one soul is sanctified many millions of other souls will sanctify themselves, through it, through its prayers, sacrifices, its example of life, and then the world will become more and more the Kingdom of United Sacred Hearts, kingdom of peace, kingdom of love!

Desire holiness, for desiring holiness is the first step to obtain it, whoever desires holiness will reach great holiness, great spiritual perfection and will surely be a great saint in the glory of heaven. The soul's desires are wings that make it fly faster and faster on the path of perfection, so that, acquiring virtue after virtue, it can more and more leave sin, resemble the very Heart of Christ, the very Heart of the Immaculate Virgin. and the Heart of Saint Joseph. Desires are wings that make the soul, looking at the great mountain of perfection, climb it quickly, so that, free from all embarrassment, it can run, or rather, fly up the mountain until it finds its treasure, which is holiness to bring joy, love, and contentment to God for all eternity.

Oh yeah! Just as a bird cannot fly if it has its leg tied to something, just as a bird cannot fly if its wings are stuck to something slimy, so too, the soul cannot fly in the Heaven of holiness, on the path of holiness, fly up the mountain of holiness if you don't renounce everything that: binds you, enslaves you to the vain things of this world. Therefore, open your heart to the holy desires of holiness, leave the death of this world and seek the life that does not pass, the eternal life that was created for you so that you may be happy with God, with the Mother of God and with us the good -blessed for all eternity.

I, Quitéria, am at your side and the soul that asks me in prayers to give you the holy desires of holiness I will give you. Do as blessed St. Gerard did: 'I want to be a saint. I will give myself completely to God to be Holy. ' Do as the

blessed Bernadette of Lourdes did, saying without ceasing: 'I want to be a Saint. I want to love God with perfect love, I want to love him as he has never been loved.' And then I followed these holy desires by praying with love, renouncing every form of sin, seeking ever more what pleases God and I say to you: with holy desires united with prayer, united with the practice of what you say in prayer, with the practice the virtues, you will soon be great saints.

I, Quitéria, love you very much and will always be by your side to help you, bless you and protect you from all forms of evil. And now I bless you generously with love, with the blessings that Heaven has given Me today to bestow upon you all."

Therefore, I say to you: renounce every way that is not the way of the Lord, renounce every road that is not the way of the Lord, renounce every will, every other plan that is not the will and the plan of the Lord for you.
I will be with you to help you to know the will of God and to put it into practice correctly. I am closer to you than you imagine, in your sufferings call Me, pray to Me and I will carry you in My arms giving you strength to overcome all trials.
At this moment, I bless you generously with love and especially to you Marcos, the dearest of My brothers and the most ardent of My true devotees and friends."

(Marcos): "Yes… Yes… I will… See you soon."

JACAREÍ, MAY 12, 2013 - MESSAGE FROM OUR LADY
PARTY FOR THE 96TH ANNIVERSARY OF THE APPARITIONS OF FATIMA TO THE SHEPHERDS, LUCIA, FRANCISCO AND JACINTA.

(Marcos): “Yes... Yes... Yes, I will continue. Yes, I will fight to finish... Yes, yes... With your grace I will make it. Yea."

“My beloved children, today when you are contemplating the ANNIVERSARY OF MY FIRST APPARITION IN FATIMA, in Cova da Iria, in the distant year of 1917 to My three little children LUCIA, FRANCISCO and JACINTA, My most favorite Little Shepherds, I come again today to tell you : Have hope, for the Woman clothed with the Sun will triumph over the infernal dragon, the devil, in this world full of sin, suffering and pain. Have confidence, because this Woman clothed in the Sun who appeared in Fatima and who also appears here for your salvation, is your Mother, She loves you, She is with you, It is I, I am with you and I will triumph in the end.

The Woman clothed in the Sun will triumph! And She will bring you a new time of peace. I, this Woman clothed in the Sun, will bring you a new and different time, where all the tears from your eyes will be wiped away, men faithful to God will live in a world of peace and tranquility, they will be happy and nothing, and no harm again. will molest them.

The Woman clothed in the Sun will triumph, bringing you a period of peace, the period of peace that I prophesied in Fatima where all men will love each other as true brothers and will love and adore God with all their heart and above all things. The wicked, those who oppose God, those who transform the lives of the good into a continuous martyrdom, will no longer be here, because God with His avenging and righteous hand will pull them out of this world and cast them in the place of their eternal punishment. Then, the world without the presence of the bad ones, will be a garden of peace, happiness and joy where My children will be happy forever.

You can now begin to feel this peace, to enjoy this peace, to enjoy this peace by praying My Rosary every day, for it will give you peace of heart, peace in families and peace throughout the world. Also making the Cenacles, the prayer groups that I desire in families, I will start little by little to take from Satan what he stole from God and from Me, I will begin again to win back families and once again to transform them into families of God. , places where God truly lives and reigns with his peace.

Do your part and I will do Mine, fight with Me My brave soldiers do not hide because now is the time for you to come out in the open to take My love, My Messages, to all the hearts of My children. Remain united in love, friendship and prayer so that, dividing you, Satan does not overwhelm you, does not overthrow you, does not overcome you.

Seek more and more to take My messages of love further so that all My children come to Me, get to know Me and give their hearts to Me. I want to reach all the sick, all the afflicted, all the suffering, all the sinners through you. I want to gather all My children into the fold of My Immaculate Heart. And that is why I send you as My messengers to call all My children back to Me.

Live in peace, keep the peace of your heart by praying more and more and also trying on your part to fulfill God's will in the ways that My little son Marcos

explained to you today, fulfilling the Lord's will where He wants, as He wants, where you work, where you study, in your family, in your city and with the people with whom you interact and meet. So, in this way, your life will be made of a true, pure, genuine, sincere and burning holiness to God. This is the holiness He desires. And I am Here as your victorious Mother to tell you that you must not be discouraged, I know the weight of your cross, I suffer for your sufferings, I know all the pain that is inside you, I know your wounds one by one and I say you: Do not be discouraged, the Mother of Heaven is closer to you than ever,

Be honest, dishonesty displeases God, never steal anything from anyone, return what you have borrowed, be fair paying to those you owe and at the same time being honest in all your business, work and in all situations of your life, even that others are not. Do not allow yourselves to be contaminated by the disease of dishonesty. Be true! May there never be a lie in your mouth. Be grateful also to your benefactors, for the ungrateful will be deplored by God and also by men. Be diligent, determined, hardworking in everything you do because the relaxed and lazy will soon be recognized by everyone and pointed out by everyone as someone not to be pitied.

Do not be vagabonds My children, spend your holy life in the service of God, in the fulfillment of your daily services, your daily obligations and your duty as Christians so that no one has a complaint against you. May all your conduct, all your actions and all your speech be pure. Let no curses, blasphemies, nor evil words be in your mouths, but only words that edify and help others come out of them.

I am with you at all times and I pray without ceasing for you at the Throne of the Most Holy Trinity, even when you are sleeping I am watching and praying for you all. And at this moment I ask you again: pray for My Plans, pray for the Plans of My Heart started in Fatima according to the Secrets that I revealed in Fatima, so that soon all humanity and all nations will finally know the hour of My greatest Triumph and truly become God's nations, a world completely turned to God where He is the king of all hearts.

I bless you all at this moment with love from LA SALETTE, from FÁTIMA and from JACAREÍ.

Peace My beloved children, peace Marcos, the most strenuous of My children."

JACAREÍ, MAY 19, 2013 - MESSAGE FROM SANTA RITA DE CÁSSIA (CÁSCIA)

"-My beloved brothers, I, Rita de Cáscia, bless you today and give you peace.

Live in love as I did, seeking in every moment and action of your life to love Jesus, to please Him with your works, thoughts and words, so that from all your being a true incense of pure love rises every day to His Sacred Heart in Heaven and He can see Himself perfectly loved, glorified, adored and served by all of you.

Live on love, trying to imprint in all your works the perfect love for God. Do not seek to mix your human will with that of the Lord, but by virtue of prudence, consider all your actions whether you are doing it for the pure love of God or if your works are mixed with your will, so that, truly, the your works

are perfect in the eyes of God and therefore worthy of merit before Him, so that your life may be more and more enriched in the eyes of the Lord and at the same time you can spread to all other souls the perfume of your spiritual and spiritual beauty. at the same time radiate the light of truth, holiness and perfection of the spirit so that all other souls, seeing your works, learn with you how to live in love and how to please God with perfect love.

Live on love, trying to do everything for the love of the Lord and even in difficult, arduous things that require sacrifice, self-denial and effort, try to do everything for love so that God, seeing your works, can also cast His blessing and may the Holy Spirit look with favor on what you are doing and also imprint His divine anointing on your works, so that they may produce abundant fruits of holiness both for you and for the souls of your brethren.

Live in love, seeking in divine love, in divine charity, all inspiration for your works, all patience in tribulations and sufferings, all strength in the face of challenges, dangers and difficult situations of this life, all serenity in the midst of turmoil , from the convulsion and confusion which now reign in this fallen world. May love, divine charity, be for you the source of wisdom, of advice, so that not only you may know what is most pleasing to God, but you may also be able to proclaim this by your words and by your deeds to as many as you can and find.

Live on love, seeking in this divine love and in this divine charity all the light for your journey in this world, so that, even having to pass through thorns as I had to pass, you can pass with safety and serenity, always moving forward towards the Heaven that awaits you where there are only roses without thorns and where you will be happy together with Me forever in God and with God.

I had to go through painful thorns when I was on Earth, but I conquered everything by living on love and living by Divine Love, living for God and doing everything and suffering with love and patience, resignation and abnegation for Him. If you also do this, as I do, you will pass through thorns like fragrant roses, and after this life, you will arrive happily like me in the glory of Heaven. It is quite true that just as I have often taken some pricks from these thorns and shed a few drops of blood in the midst of the tribulations I have had to go through, it is quite true that you too will sometimes have some pricks and you will be able to shed even tears and a few drops of your blood in this life, but after the sufferings of your existence on Earth, you will arrive at that Garden, that Rose Garden without thorns, eternal,

I, Rita de Cáscia, will help you to live on love, that is, to live more and more filled with that love, scorched by that love, immersed in that love and dependent on that love, that is, in everything looking for this love in God through prayer for do everything with this Love, to give this Love and spread this Love to everyone.

I cover you with My Mantle and protect you in all your dangers, in all your sufferings, read the book of the Crucifix and the book of the Rosary, the two books through which I studied, learned holiness and became a Saint. With the Crucifix you will learn to suffer, you will learn that your sufferings compared to those of Jesus are nothing! And if he accepted pain and suffering to prove to you that he loved you, you too must carry your cross with love and resignation to prove your love for him. And in the book of the Rosary, you will learn all the virtues that the Blessed Virgin practiced to a very eminent degree, above all, Her Love, and then you will learn like me to live in love, to live for Love like the

Blessed Virgin, making you a living Rosary made of mystical roses: white of prayer,

I bless everyone today, at this moment, and I say to you: Continue praying all the prayers that Heaven has given you here, especially the Hour of the Saints, for which I and all the Saints who you contemplate, listen to and to whom you pray, perform in your souls great things, great holy works of love.

Here in this place which is My second Cascia, which is My second Heaven, My second Roseto, My second Garden of precious Roses, I feel loved, I feel imitated, glorified and praised, loved by all who have known My Life through the video that My beloved Marcos made for you, they have already given Me their hearts, they have already become more than my friends, My brothers on fire with love who want to follow Me on the road to holiness. Here in these souls who love Me so much and especially in My most beloved Marcos, who is the most ardent of all My devotees, I am consoled, I am loved and I can truly make the glory of the Lord shine, who transformed Me into a precious Rose of Paradise, which still today sprinkles on all of you the heavenly perfume of God's love.

Here, which is My second Roseto, My second Rose Garden where I cultivate the most precious roses of My love, of the imitation of My virtues, of purity, humility, docility, I am glorified and today I pour over you all the abundance of My heavenly graces.

(big pause)

Lift up all your rosaries now that I will bless you with a special blessing.

(long pause)

(Marcos): “See you soon...”

JACAREÍ, MAY 25, 2013 - MESSAGE FROM THE HOLY MARIA 28TH ANNIVERSARY PARTY OF THE APPARITIONS OF OLIVETO CITRA

(Marcos): “Yes... Yes... Yes..., I will. I would like to take the opportunity to congratulate you on the anniversary of your Apparitions in Oliveto Citra.
Oh Si.. Si! Beautiful Madonna del Castello!”

“- Beloved children of mine, today, when you are celebrating the ANNIVERSARY OF MY APPARITIONS IN OLIVETO CITRA, I, the Queen of the Castle, the Mother of Divine Mercy, give you Peace again and say to you: Convert without delay! My very long Apparitions in Oliveto Citra and also here, as well as in so many places in the world, tell you that this is the last time that I come into the world to call you to CONVERSION, PRAYER, and PENANCE. After these very extraordinary, long and lasting Apparitions of mine are over, I will never return to this world.
You, therefore, must hasten your conversion, because God calls you, he calls you with the immense love of a Father to return to his arms. Open your heart so that the grace of God may enter, take up residence there, and bring you the perfect glorification of the Holy Trinity, your perfect sanctification, so that this world immersed in the darkness of sin can finally find Peace, true life that is found only in God.

Convert without delay! Because the time left for you is very little and you, my children, spend your days in complete unconsciousness and indolence both about what is going to happen and also about what is already happening. The signs of the great apostasy, the signs of man's great rebellion against God and his commandments, the signs of the loss of so many souls as well as the signs of the changes that would take place in the world, in nature and in the nations are all already before your eyes. , and you remain as if blind, indifferent to everything with your hearts completely hard and immersed in the deepest and complete spiritual darkness.

How great is your ruin! How great, My children, is the devastation that sin, which My enemy has wrought in your souls. They were once beautiful and fragrant cities where God and I could dwell. But now, they are a heap of ruins where only asps and scorpions, vipers nest and lay their eggs there to multiply sins and disorders in you more and more.
Oh, return to God! Convert while there is still time for you and while I, the Mother of grace, love and mercy, allow myself to be found by you. My heart loves you so, so much! And I don't measure, I never measure efforts to save you, but I'm in front of your hearts, they don't open. Only you can open them to Me. So give me your yes and I will enter your souls with the grace of God, transforming the swamps of sins that are your souls into beautiful and fragrant gardens where all virtues grow, more and more.

I am with you even though you do not see me. I know every thing, every pain, every suffering that overwhelms you, that strikes you every day. I am aware of everything and for everything I, the Mother of Holy Providence, seek the most adequate remedy and solution. If the Lord happens to leave you the cross for a little while, do not despair or rebel, because the cross that the Lord gives does not crush but, rather, strengthens! It does not kill, but rather gives life, the life of grace, eternal life. When it hurts, it actually heals, because through it you teach that only in God you have life. Only in him and with him does your life have value, only in him will you find true joy and only with him will you be able to truly live in peace, live happily and reach the fullness of holiness, joy and perfection for which your life was created, to which you were created.
Therefore, my children, thank the Lord with me who, even in your trials, acts with mercy to heal you of your sins, disorders and evils and leads you back to the path of conversion, sanctification and life. Even the righteous, when the Lord leaves the cross, actually gives them the strength to carry it, and with that they become even more justified before him, and thus, the righteous in God's heart grows in meritorious value, in perfection. and above all in the love and predilection that the Lord has for him.
I, your Mother, want to lead you to great holiness. But, I can only do that if you allow me and collaborate with me. come! Give me your hearts. Give me your yes and I will lead you to God.

May My Apparitions in Oliveto Citra, which were one of the most vehement warnings that I, your Heavenly Mother, gave to all humanity to convert and return to God, be for you a motive for all your actions, for all your work and, above all, stand up soldiers of Christ and my soldiers! Come and help me bring

to the attention of all my children the messages of my wonderful Apparitions both in Oliveto Citra, in Caravagio, in Aqui and in all the places where I am or have appeared.

So that the whole world that until today does not know My Motherly love will finally know Me, listen to Me, answer My call and walk with Me along the path of salvation and peace.
Be honest! Be just with your neighbor! Give to your neighbor what belongs to your neighbor. Withhold nothing from anyone! If you have taken something from someone, return it without delay! If you have caused material, financial, moral damage to someone, repair the damage by returning double what you have harmed your neighbor! Do not do to your neighbor what you do not like to be done to you.
So, being just with your neighbor, you will be pleasing to God and pleasing to me, like me. I, who have always been fair and have given my neighbor the honor he deserved, the respect he deserved, as well as respect for his goods, his honor and his life.

Go My children in the peace of the Lord. Now raise your rosaries and I will bless them all so that wherever they arrive, My blessing and My maternal grace may also reach... (big pause)
To all, and especially to you, Marcos, the most industrious and of My children, as well as all My children who are here and those who listen to Me now, I bless you generously with love..."
(Marcos) "See you soon! See you tomorrow lady!"
MESSAGE FROM SANTA QUITÉRIA

"My beloved brothers, I, QUITÉRIA, servant of the Lord and of the Mother of God, am happy to come to bless you today.
Do the Rosary Crusade with love because your salvation and that of millions of souls, of your country and of the whole world depend on the Crusade of the Rosary .
Make the Rosary Crusade with love, giving the Mother of God your Meditated Rosary prayed with love, devotion and pity, so that the satanic forces can be defeated and destroyed in you, in your families and in the whole world.
Do the Rosary Crusade now any day of the week, not just on Sunday, make it so that throughout the week there are always souls in their homes praying the Holy Rosary for the salvation of Brazil, the world and souls.
I, Quitéria, will pray with you, I will come with the Holy Angels of Heaven to bless you, to pray with you, to help you in the struggle, in the spiritual battle through the Rosary against all the forces of evil, against all the powers of evil.
Be holy as the Lord God wants you to be holy. Holiness consists above all: in the soul dying to itself in all things and at all times, renouncing its rebellious will to accept the will of the Lord. Thus, by fulfilling His will, the soul truly sanctifies itself and when one soul is sanctified many millions of other souls will sanctify themselves, through it, through its prayers, sacrifices, its example of life, and then the world will become more and more the Kingdom of United Sacred Hearts, kingdom of peace, kingdom of love!
Desire holiness, for desiring holiness is the first step to obtain it,

whoever desires holiness will reach great holiness, great spiritual perfection and will surely be a great saint in the glory of heaven. The soul's desires are wings that make it fly faster and faster on the path of perfection, so that, acquiring virtue after virtue, it can more and more leave sin, resemble the very Heart of Christ, the very Heart of the Immaculate Virgin. and the Heart of Saint Joseph. Desires are wings that make the soul, looking at the great mountain of perfection, climb it quickly, so that, free from all embarrassment, it can run, or rather, fly up the mountain until it finds its treasure, which is holiness to bring joy, love, and contentment to God for all eternity.

Oh yeah! Just as a bird cannot fly if it has its leg tied to something, just as a bird cannot fly if its wings are stuck to something slimy, so too, the soul cannot fly in the Heaven of holiness, on the path of holiness, fly up the mountain of holiness if you don't renounce everything that: binds you, enslaves you to the vain things of this world. Therefore, open your heart to the holy desires of holiness, leave the death of this world and seek the life that does not pass, the eternal life that was created for you so that you may be happy with God, with the Mother of God and with us the good -blessed for all eternity.

I, Quitéria, am at your side and the soul that asks me in prayers to give you the holy desires of holiness I will give you. Do as blessed St. Gerard did: 'I want to be a saint. I will give myself completely to God to be Holy. ' Do as the blessed Bernadette of Lourdes did, saying without ceasing: 'I want to be a Saint. I want to love God with perfect love, I want to love him as he has never been loved.' And then I followed these holy desires by praying with love, renouncing every form of sin, seeking ever more what pleases God and I say to you: with holy desires united with prayer, united with the practice of what you say in prayer, with the practice the virtues, you will soon be great saints.

I, Quitéria, love you very much and will always be by your side to help you, bless you and protect you from all forms of evil. And now I bless you generously with love, with the blessings that Heaven has given Me today to bestow upon you all."

Study, study the Catholic Doctrine that has been handed down to you by tradition and by the writings of the Saints up to the present day, so that, when you understand perfectly what the Lord came into the world to teach, you may know well the path you must follow to reach the Heaven and together with you to take so many thousands of your brothers and sisters, who need someone to show them the true path and lead them along the true path.

Be strong cedars, living continually in personal mortification, that is, renouncing yourself, your will, your disordered attachments, so that then your heart and your soul may be free, free to truly serve God with all your heart. your heart, with all your commitment and all your joy so that you can open many other paths so that all your brothers and sisters find the way that leads to the Lord, to Heaven. Open these doors to your brothers, so that they can find the true road that leads to God.

Live continually in God, trying to shape your feelings, thoughts, desires and longings with His. Seek to conform your thought to the thought of the Lord, so that His Holy Spirit does not find any barriers or obstacles within your souls. Cultivate true love every day and never allow it to die within you, flee from everything that suffocates, everything that burns, that dries the rose of true love within your souls, so that you, every day may you grow more and more in the true love of God that will finally lead you to eternal glory.

I Irene, Martyr of the Lord, will always be by your side to help you and lead you along the path of sanctification.

Continue with all the prayers that Heaven here has given you, because through these Holy Hours of Prayer, your souls, like fragrant roses of love, will grow and blossom ever more towards the holiness that the Holy Trinity desires and planned for all of you.

I, Irene, want to preserve divine peace in you, this peace that is born from the deep and true awareness of fulfilling God's will, of being on the correct path desired by the Lord for each of you. Therefore, I say to you: renounce every way that is not the way of the Lord, renounce every road that is not the way of the Lord, renounce every will, every other plan that is not the will and the plan of the Lord for you.

I will be with you to help you to know the will of God and to put it into practice correctly. I am closer to you than you imagine, in your sufferings call Me, pray to Me and I will carry you in My arms giving you strength to overcome all trials.

At this moment, I bless you generously with love and especially to you Marcos, the dearest of My brothers and the most ardent of My true devotees and friends."

(Marcos): "Yes… Yes… I will… See you soon."

JACAREÍ, MAY 12, 2013 - MESSAGE FROM OUR LADY
PARTY FOR THE 96TH ANNIVERSARY OF THE APPARITIONS OF FATIMA TO THE SHEPHERDS, LUCIA, FRANCISCO AND JACINTA.
(Marcos): "Yes... Yes... Yes, I will continue. Yes, I will fight to finish... Yes, yes... With your grace I will make it. Yea."

"My beloved children, today when you are contemplating the ANNIVERSARY OF MY FIRST APPARITION IN FATIMA, in Cova da Iria, in the distant year of 1917 to My three little children LUCIA, FRANCISCO and JACINTA, My most favorite Little Shepherds, I come again today to tell you : Have hope, for the Woman clothed with the Sun will triumph over the infernal dragon, the devil, in this world full of sin, suffering and pain. Have confidence, because this Woman clothed in the Sun who appeared in Fatima and who also appears here for your salvation, is your Mother, She loves you, She is with you, It is I, I am with you and I will triumph in the end.
The Woman clothed in the Sun will triumph! And She will bring you a new time of peace. I, this Woman clothed in the Sun, will bring you a new and different time, where all the tears from your eyes will be wiped away, men faithful to God will live in a world of peace and tranquility, they will be happy and nothing, and no harm again. will molest them.
The Woman clothed in the Sun will triumph, bringing you a period of peace, the period of peace that I prophesied in Fatima where all men will love each other as true brothers and will love and adore God with all their heart and above all things. The wicked, those who oppose God, those who transform the lives of the good into a continuous martyrdom, will no longer be here, because God with His avenging and righteous hand will pull them out of this world and cast them in the place of their eternal punishment. Then, the world without the

presence of the bad ones, will be a garden of peace, happiness and joy where My children will be happy forever.
You can now begin to feel this peace, to enjoy this peace, to enjoy this peace by praying My Rosary every day, for it will give you peace of heart, peace in families and peace throughout the world. Also making the Cenacles, the prayer groups that I desire in families, I will start little by little to take from Satan what he stole from God and from Me, I will begin again to win back families and once again to transform them into families of God. , places where God truly lives and reigns with his peace.
Do your part and I will do Mine, fight with Me My brave soldiers do not hide because now is the time for you to come out in the open to take My love, My Messages, to all the hearts of My children. Remain united in love, friendship and prayer so that, dividing you, Satan does not overwhelm you, does not overthrow you, does not overcome you.

Seek more and more to take My messages of love further so that all My children come to Me, get to know Me and give their hearts to Me. I want to reach all the sick, all the afflicted, all the suffering, all the sinners through you. I want to gather all My children into the fold of My Immaculate Heart. And that is why I send you as My messengers to call all My children back to Me.
Live in peace, keep the peace of your heart by praying more and more and also trying on your part to fulfill God's will in the ways that My little son Marcos explained to you today, fulfilling the Lord's will where He wants, as He wants, where you work, where you study, in your family, in your city and with the people with whom you interact and meet. So, in this way, your life will be made of a true, pure, genuine, sincere and burning holiness to God. This is the holiness He desires. And I am Here as your victorious Mother to tell you that you must not be discouraged, I know the weight of your cross, I suffer for your sufferings, I know all the pain that is inside you, I know your wounds one by one and I say you: Do not be discouraged, the Mother of Heaven is closer to you than ever,
Be honest, dishonesty displeases God, never steal anything from anyone, return what you have borrowed, be fair paying to those you owe and at the same time being honest in all your business, work and in all situations of your life, even that others are not. Do not allow yourselves to be contaminated by the disease of dishonesty. Be true! May there never be a lie in your mouth. Be grateful also to your benefactors, for the ungrateful will be deplored by God and also by men. Be diligent, determined, hardworking in everything you do because the relaxed and lazy will soon be recognized by everyone and pointed out by everyone as someone not to be pitied.

Do not be vagabonds My children, spend your holy life in the service of God, in the fulfillment of your daily services, your daily obligations and your duty as Christians so that no one has a complaint against you. May all your conduct, all your actions and all your speech be pure. Let no curses, blasphemies, nor evil words be in your mouths, but only words that edify and help others come out of them.

I am with you at all times and I pray without ceasing for you at the Throne of the Most Holy Trinity, even when you are sleeping I am watching and praying for you all. And at this moment I ask you again: pray for My Plans, pray for the Plans of My Heart started in Fatima according to the Secrets that I revealed in Fatima, so that soon all humanity and all nations will finally know the hour of

My greatest Triumph and truly become God's nations, a world completely turned to God where He is the king of all hearts.

Live in love, seeking in divine love, in divine charity, all inspiration for your works, all patience in tribulations and sufferings, all strength in the face of challenges, dangers and difficult situations of this life, all serenity in the midst of turmoil , from the convulsion and confusion which now reign in this fallen world. May love, divine charity, be for you the source of wisdom, of advice, so that not only you may know what is most pleasing to God, but you may also be able to proclaim this by your words and by your deeds to as many as you can and find.

Live on love, seeking in this divine love and in this divine charity all the light for your journey in this world, so that, even having to pass through thorns as I had to pass, you can pass with safety and serenity, always moving forward towards the Heaven that awaits you where there are only roses without thorns and where you will be happy together with Me forever in God and with God.

I had to go through painful thorns when I was on Earth, but I conquered everything by living on love and living by Divine Love, living for God and doing everything and suffering with love and patience, resignation and abnegation for Him. If you also do this, as I do, you will pass through thorns like fragrant

roses, and after this life, you will arrive happily like me in the glory of Heaven. It is quite true that just as I have often taken some pricks from these thorns and shed a few drops of blood in the midst of the tribulations I have had to go through, it is quite true that you too will sometimes have some pricks and you will be able to shed even tears and a few drops of your blood in this life, but after the sufferings of your existence on Earth, you will arrive at that Garden, that Rose Garden without thorns, eternal,

I, Rita de Cáscia, will help you to live on love, that is, to live more and more filled with that love, scorched by that love, immersed in that love and dependent on that love, that is, in everything looking for this love in God through prayer for do everything with this Love, to give this Love and spread this Love to everyone.

I cover you with My Mantle and protect you in all your dangers, in all your sufferings, read the book of the Crucifix and the book of the Rosary, the two books through which I studied, learned holiness and became a Saint. With the Crucifix you will learn to suffer, you will learn that your sufferings compared to those of Jesus are nothing! And if he accepted pain and suffering to prove to you that he loved you, you too must carry your cross with love and resignation to prove your love for him. And in the book of the Rosary, you will learn all the virtues that the Blessed Virgin practiced to a very eminent degree, above all, Her Love, and then you will learn like me to live in love, to live for Love like the Blessed Virgin, making you a living Rosary made of mystical roses: white of prayer,

I bless everyone today, at this moment, and I say to you: Continue praying all the prayers that Heaven has given you here, especially the Hour of the Saints, for which I and all the Saints who you contemplate, listen to and to whom you pray, perform in your souls great things, great holy works of love.

Here in this place which is My second Cascia, which is My second Heaven, My second Roseto, My second Garden of precious Roses, I feel loved, I feel imitated, glorified and praised, loved by all who have known My Life through the video that My beloved Marcos made for you, they have already given Me their hearts, they have already become more than my friends, My brothers on fire with love who want to follow Me on the road to holiness. Here in these souls who love Me so much and especially in My most beloved Marcos, who is the most ardent of all My devotees, I am consoled, I am loved and I can truly make the glory of the Lord shine, who transformed Me into a precious Rose of Paradise, which still today sprinkles on all of you the heavenly perfume of God's love.

Here, which is My second Roseto, My second Rose Garden where I cultivate the most precious roses of My love, of the imitation of My virtues, of purity, humility, docility, I am glorified and today I pour over you all the abundance of My heavenly graces.

(big pause)

Lift up all your rosaries now that I will bless you with a special blessing.

(long pause)

(Marcos): “See you soon...”

JACAREÍ, MAY 25, 2013 - MESSAGE FROM THE HOLY MARIA 28TH ANNIVERSARY PARTY OF THE APPARITIONS OF OLIVETO CITRA

(Marcos): “Yes... Yes... Yes..., I will. I would like to take the opportunity to congratulate you on the anniversary of your Apparitions in Oliveto Citra.
Oh Si.. Si! Beautiful Madonna del Castello!”

“- Beloved children of mine, today, when you are celebrating the ANNIVERSARY OF MY APPARITIONS IN OLIVETO CITRA, I, the Queen of the Castle, the Mother of Divine Mercy, give you Peace again and say to you: Convert without delay! My very long Apparitions in Oliveto Citra and also here, as well as in so many places in the world, tell you that this is the last time that I come into the world to call you to CONVERSION, PRAYER, and PENANCE. After these very extraordinary, long and lasting Apparitions of mine are over, I will never return to this world.
You, therefore, must hasten your conversion, because God calls you, he calls you with the immense love of a Father to return to his arms. Open your heart so that the grace of God may enter, take up residence there, and bring you the perfect glorification of the Holy Trinity, your perfect sanctification, so that this world immersed in the darkness of sin can finally find Peace, true life that is found only in God.

Convert without delay! Because the time left for you is very little and you, my children, spend your days in complete unconsciousness and indolence both about what is going to happen and also about what is already happening. The signs of the great apostasy, the signs of man's great rebellion against God and his commandments, the signs of the loss of so many souls as well as the signs of the changes that would take place in the world, in nature and in the nations are all already before your eyes. , and you remain as if blind, indifferent to everything with your hearts completely hard and immersed in the deepest and complete spiritual darkness.

Como é grande a vossa ruína! Como é grande, Meus filhos, a devastação que o pecado, que o Meu inimigo fez nas vossas almas. Elas, antes eram cidades belas e perfumadas onde Deus e Eu podíamos habitar. Mas agora, são um montão de ruínas onde somente áspides e escorpiões, víboras se aninham e ali põem os seus ovos para multiplicar em vós os pecados e as desordens cada vez mais.
Oh, voltai para Deus! Convertei-vos enquanto ainda há tempo para vós e enquanto eu, a Mãe da graça, do amor e da misericórdia, me deixo encontrar por vós. O Meu coração vos ama tanto, tanto! E eu não meço, nunca medi esforços para vos salvar mas, estou diante dos vossos corações, eles não se abrem . Somente vós podeis abri-los para Mim. Dai-me portanto, o vosso sim e eu entrarei com a graça de Deus nas vossas almas, transformando os pântanos de pecados que são as vossas almas, em jardins belos e perfumados onde todas as virtudes crescem, cada dia mais.

I am with you even though you do not see me. I know every thing, every pain, every suffering that overwhelms you, that strikes you every day. I am aware of everything and for everything I, the Mother of Holy Providence, seek the most

adequate remedy and solution. If the Lord happens to leave you the cross for a little while, do not despair or rebel, because the cross that the Lord gives does not crush but, rather, strengthens! It does not kill, but rather gives life, the life of grace, eternal life. When it hurts, it actually heals, because through it you teach that only in God you have life. Only in him and with him does your life have value, only in him will you find true joy and only with him will you be able to truly live in peace, live happily and reach the fullness of holiness, joy and perfection for which your life was created, to which you were created.
Therefore, my children, thank the Lord with me who, even in your trials, acts with mercy to heal you of your sins, disorders and evils and leads you back to the path of conversion, sanctification and life. Even the righteous, when the Lord leaves the cross, actually gives them the strength to carry it, and with that they become even more justified before him, and thus, the righteous in God's heart grows in meritorious value, in perfection. and above all in the love and predilection that the Lord has for him.
I, your Mother, want to lead you to great holiness. But, I can only do that if you allow me and collaborate with me. come! Give me your hearts. Give me your yes and I will lead you to God.

May My Apparitions in Oliveto Citra, which were one of the most vehement warnings that I, your Heavenly Mother, gave to all humanity to convert and return to God, be for you a motive for all your actions, for all your work and, above all, stand up soldiers of Christ and my soldiers! Come and help me bring to the attention of all my children the messages of my wonderful Apparitions both in Oliveto Citra, in Caravagio, in Aqui and in all the places where I am or have appeared.

So that the whole world that until today does not know My Motherly love will finally know Me, listen to Me, answer My call and walk with Me along the path of salvation and peace.
Be honest! Be just with your neighbor! Give to your neighbor what belongs to your neighbor. Withhold nothing from anyone! If you have taken something from someone, return it without delay! If you have caused material, financial, moral damage to someone, repair the damage by returning double what you have harmed your neighbor! Do not do to your neighbor what you do not like to be done to you.
So, being just with your neighbor, you will be pleasing to God and pleasing to me, like me. I, who have always been fair and have given my neighbor the honor he deserved, the respect he deserved, as well as respect for his goods, his honor and his life.

Go My children in the peace of the Lord. Now raise your rosaries and I will bless them all so that wherever they arrive, My blessing and My maternal grace may also reach... (big pause)
To all, and especially to you, Marcos, the most industrious and of My children, as well as all My children who are here and those who listen to Me now, I bless you generously with love..."
(Marcos) "See you soon! See you tomorrow lady!"
JACAREÍ, MAY 26, 2013 - 581st ANNIVERSARY PARTY OF THE CARAVAGGIO APPARITIONS

(Marcos): “Yes... Yes... Yes Ma'am. As this week we are going to take care of the issue of the Upper Room broadcast, can I do that later? Yes... Yes I will go there, I will take it. Yes, it's ok...”

Here, where I also came to ask for prayer and penance, I want to form and raise up an ardent and powerful army of prayer and love that, together with Me, will conquer the souls of the whole world so that they can finally know the love of God and know My love and so with Me may walk towards Heaven, your definitive homeland where God awaits you with love and kindness.

MESSAGE FROM BLESSED MARY

"My beloved children, today, when you are celebrating the Feast of the Body and Blood of My Divine Son Jesus Christ, I come to tell you: I am the Mother of the Most Holy Eucharist, I am the Mother of the Blessed Sacrament and the Eucharistic Heart of Jesus together with My Immaculate and Eucharistic Heart will triumph in the whole world and soon His reign of love Our Kingdom of love will come to the whole Earth and will extend throughout the Earth.

The Eucharistic Heart of Jesus will triumph and will place all His enemies at His feet, all those who spread the darkness of sin in the world, above all, the pastors, bishops and priests who spread the darkness of apostasy, progressivism and of all the other poisonous doctrines which are now taught and preached in the Churches, all these shall be punished by the avenging Hand of the Lord, shall be driven out of the bosom of His Church which shall be cleansed of the deadly disease which now strikes it and takes care of It and the Church, as if from a dying leper, will be transformed into a pure, holy Church full of faith as in Her early times and the primitive spirit of the Holy Apostles and Holy Founders will truly triumph in the whole Church, in all Congregations, Orders and also in the Christian people.

The Eucharistic heart of Jesus will triumph, bringing to the whole world the time of peace that I have so often prophesied to you, this kingdom will be a kingdom of love, of joy, of happiness, of goodness, harmony and union among men and there will be no more nor suffering, nor tears, nor injustice, war or pain. All will live as true children of God and God will pour out His grace on all men and nations in such a way that Earth will appear to be a perfect and living reflection of what Heaven is like.

The Eucharistic Heart of Jesus will triumph and Satan with all the demons will be thrown into the bottom of the infernal abyss and chained there forever, from where they will no longer be able to leave to harm the Earth, then this swamp of sin that has become this world will be a true, beautiful and fragrant Garden of holiness where souls like spring flowers will bloom in great beauty and holiness for the greater glory of God, everything will be new and God will again be served, loved and adored and I as the Mother of God will also reign in all Hearts and in them I will have My joy, My greatest consolation, My greatest Triumph. Therefore, little children, do not be discouraged if now the weight of the cross is felt on your shoulders, your Mother in Heaven already knew all the crosses that would overwhelm you in this time of great tribulation, She knows that you suffer and groan,

I am with you and I accompany you on the way to your Calvary, on you I now pour an extraordinary shower of blessings and graces, above all, on those who love Me most, pray My Meditated Rosary, the Crown of My Tears, the Rosary of Peace and all the Hours of Prayer that I have given you here and commanded you to pray. I love each one of you and I want you to be Saints, so renounce all kinds of covetousness, because covetousness is one of the daughters of Satan, the covetous soul is continually consumed by the desires of possessing that which its depraved nature and disordered desires without ever being able to satisfy its inner cravings, so the covetous soul is always restless, it is always nervous, irritated, angry, it has no peace or balance and all its steps are steps in the dark on the edge of a great precipice. renounce,

Raise your Rosaries and now I will bless them all together with your Medals and pour out on you the abundance of graces of My Maternal Heart of La Salette, of Casanova Staffora and of Jacareí.

Peace My beloved children, peace Marcos, to you, to Marcos Augusto to My slave children who worked so hard during those days and fought for Me."

(Mark): "Beautiful Prince of Heaven, who are you?"

MESSAGE FROM SAINT FAUSTINO

"Marcos, I am Faustino, Servant of the Lord and of the Mother of God and I come now to bless you with all My love and to bless everyone who now listens to Me with their hearts open. All for all, love for love, this is how you should live each day of your lives, completely surrendering your being to the Lord so that he can do whatever he wants, however he wants and as much as he wants.

Everything for everything, love for love, this must be your action at all times in relation to the Lord and to holy things. Just as he gave you all his love, he gave you all his life, all his blood to the last drop, give all your life, all your love and also all your blood for the Lord and His Mother Most Holy, serving you every day with dedication, commitment, care, caprice, determination, courage and energy so that your works are pleasing to God, pleasing to the Mother of God and are Holy works that can produce in souls fruits of holiness, conversions, return to God, improvement and spiritual growth, so that the world can come out of this great darkness in which it has now plunged and can return to live in the light of the Lord, in the clarity of holiness, can live in the friendship of the Holy Trinity.

Everything for everything, love for love this must be your motto, it must be the most ardent feeling in your hearts, if you truly give your all for everything as

the Lord has done for you, you will be great Saints, you will live in His great friendship and you will already experience a little of that bliss which We the saints experienced in Paradise. Then your life will be full of peace and happiness and even suffering your soul will always have light, you will always have the immortal presence of the Lord leading you amidst the agitated and rough waves of this life and this world and your little boat will never sink, you will never you will perish.

The soul that gives everything for everything and love for the sake of the Lord, He also gives this soul everything and gives all His love. The reason why you are so often dissatisfied, sad, arid is that you have not yet given God all your love, all your heart, give God your yes, give God all your heart, all your love and He also He will give himself to you with all his love, with all his grace, with all his goodness.

I, am with you, pray and intercede for you every day and I will never leave you.

I bless you, I bless this Place that is so dear and loved by Me, I bless all of you who listen to Me now and I cover you with My luminous Mantle to always protect you, always help you and always keep you from all the bad.

Peace. Peace Marcos, the dearest and most beloved of My brothers, I have known you for a long time, I love, I protect and I defend."

(Marcos): "Yes, yes... See you soon, Madam. See you soon dear Saint Faustino."

JACAREÍ, JUNE 2, 2013 - MESSAGE FROM THE HOLY MARY

(Marcos): "And where do you want me to put it? Yes ma'am. Yea."

"My beloved children, today, I invite you again to the true love of God, love that transforms you completely into living reflections of the very love of God, of the very holiness of the Holy Trinity, love that transforms you into true apostles of the Lord, who lead His love for the whole world, therefore, open your heart to the flame of love of the Most Holy Trinity, so that it penetrates you, so that it enters your heart and transforms you in such a way as to lead you to be, yourselves, living flames of love.

Welcome the flame of love of the Holy Trinity, opening the doors of your heart wide so that the love of God enters you, so that it transforms you, so that it destroys within you everything that is opposed to His Love. , so that there is no rival for the love of God in your souls and you are truly servants of God, living flames of God's love that set the whole world on fire with the fire of His Love.

Welcome the flame of love of the Most Holy Trinity, approaching God through Me and the Saints, as God desires, trying to truly believe in the Lord, accept His Love, welcome His Holy Goodness so that God will not be angry with you. , God does not resist you, because to the proud who seek Him seeking to find reasons not to love Him, deny Him and disobey Him, God resists and denies His grace. But to those who seek Him with a humble heart, with a pure heart and thirsty to love Him, to know Him and to serve Him, to

these, God gives Himself in abundance. Thus, the Holy Trinity will shed her flame of Love in all of you and She will work great wonders in your hearts, great things, your life will change, divine peace will invade your hearts, the light of the Lord will brighten your whole heart,

Welcome the flame of love of the Holy Trinity, letting go of everything that prevents you from running towards the Lord, from opening your hearts to Him and from giving space within your hearts for God to enter, dwell and act in you, so My children, with this flame of love burning within your hearts day after day, you will carry out His Holy Will on Earth and then you will continue to do it loving Him, adoring Him, praising Him with the Angels and the Saints with Me in Heaven for all eternity. Then this world will change and the Triumph of Our Hearts will finally take place and the world will be transformed from a desert without Love into a furnace of Love, the world will be transformed from a swamp of sin into a garden of beauty and grace. The souls after My Triumph will be very holy, they will perform admirable works before all men, everyone will live in harmony with God and with each other, and peace and happiness will be given to men of faith who now, in the midst of this great tribulation, obey Me, follow Me and walk the path pointed out by Me in My Messages. Then, from your eyes, no more tears of pain will fall, only tears of happiness and joy! After My Triumph you will feel such a great love from God and for God, you will feel such a great love from Me for you and at the same time for Me that you will cry with joy. The peace that will invade your hearts will be so great that you will live more peacefully than the baby in its mother's womb, the lion will sleep with the lamb and the tigers will come to kiss your hands.

Continue with all the prayers that I have given you here because they will prepare your hearts to welcome the flame of love of the Holy Trinity and to transform you into living tabernacles of this flame of Love.

Practice the virtue of humility My children, this virtue that makes you recognize your nothingness, your misery and that without God and without Me your Mother you can do nothing. With the virtue of humility you will also recognize yourself as the least of your brothers and in your hearts there will not even be the feeling and desire to dominate, to be greater than your brothers to trample them underfoot, even in your heart will never enter that evil spirit of the world that makes man feel, wants to be greater than God, greater than Me, greater than the Citizens, the Saints in Heaven and therefore with your conduct, with your faith and your humble love you you will be pleasing to God and he will reward your humility with great graces, with great blessings of his love.

Renounce the pride that was the reason for the fall of Satan, he didn't want to obey God, he didn't want to obey Me as Mother of God and as Queen of all created and that's why he rebelled, fell and became the eternal wretch, in the eternal devil. With your pride My children, with your rebelliousness, loving yourself more than God, self-adoring yourselves and refusing to submit yourselves to God, Me and the Saints, you are actually resembling yourselves to Satan and you even become his children, going with him along the path of eternal damnation, of eternal damnation. Renounce pride My children, because it is a path of death for you, embrace as I embraced the holy humility that gives you powerful wings to ascend to the glory of Heaven.

I bless you all today, generously, from the Chapel of Rue Du Bac in Paris, from Pontmain and from Jacareí.

Peace My beloved children, peace Marcos, the most strenuous of My

servants, of My beloved children.”

(Marcos): “See you soon, Madam.”

MESSAGE FROM OUR LADY

(Marcos): “Yes dear Madam. Yes, I am overjoyed to know that you are so happy too! (pause) Yes, I feel a great relief and at the same time a great inner peace, a great happiness and joy in knowing that your Immaculate Heart, which was so pierced by those swords and thorns of humanity's disobedience, is now no longer so all pierced and so sore. “My beloved children, today, on the Feast of My Immaculate Heart, I, your Heavenly Mother, come once again to tell you: I love you very much and My Immaculate Heart is the sheepfold that I have prepared so that all of you My children can enter into it, you may make your abode in it and be kept from every kind of evil in it.

My Immaculate Heart is the sheepfold that I offer to everyone, to each one of you so that you may enter it, so that I can protect you from the evils that now rage in this time of so much apostasy and so much sin in which humanity finds itself. Yes, the enemy forces of Christ have united to fight against Him, to fight against the Holy Catholic Faith and against My faithful children, in order to make all traces of love for My Son, of love for the Holy Catholic Faith disappear in the world. , of love for the truth.

So that you are not swallowed up by this great river that the infernal dragon spews from its mouth, you must enter the safe fold of My Immaculate Heart, the only place where you will resist all the temptations of the devil, all his snares, all the seductions of this world that is now under the dominion of Satan and where I will be able to nourish you, feed you, form you and always more beautify you, purify you and sanctify you for the greater glory of God, for the greater glory of the Holy Trinity .

What I said to My little daughter, Sister Lucia of Fatima, I say again to each one of you now: Anyone who on the first Saturday of each month honors Me by praying the Holy Rosary, meditating for at least fifteen minutes on His Mysteries, whoever can to make a Communion of reparation to My Immaculate

Heart to that one I promise salvation and all the necessary help for the eternal salvation of their souls. Those who cannot receive Communion because they are persecuted, because they are prevented by others, will be able to make Spiritual Communion in their homes and I and My divine Son Jesus Christ will accept in the same way because for Us what counts most is love.
It's the love I came to look for Here! It is the love that I came to look for from the heights of Heaven and Here in My little son Marcos I find this love, I find this perfect correspondence to My requests, to My Orders, to My Messages, so Here I am loved, perfectly glorified, completely consoled, for this Son of Mine who spared no effort or work to be able to make Me known and loved throughout the world and also in My little Slaves of Love who give their lives here to God with Me, serve Me, obey Me even to the smallest desires of the My Heart, you are attentive to the smallest pulsation of My Heart and do not waste a single minute of making Me more loved, better known and more obeyed too, I am perfectly glorified and finally, I am perfectly loved and glorified by all My children who Here they follow me, they love me,

Oh yes, on this day in which My Apparition Here and all this very intense Cenacle of Prayer of mine is shown to the whole world, My Immaculate Heart exults with joy, rejoices with joy, because truly My love can now arrive more quickly, more effectively and more powerfully to all My beloved children, bringing them peace, comfort, joy and My Motherly love.

Oh My children, you have given Me such a great gift on this day of My Immaculate Heart and that is why My Heart now exults, vibrates with joy and at the same time with gratitude and love for you, because in you I am glorified and My Immaculate Heart has already found its greatest triumph.

I bless you all at this moment with all My love from Fatima, from Pellevoisin and from Jacareí.

FESTIVAL OF THE LOVING HEART AND SÃO JOSÉ

(Marcos): "Yes Ma'am, I'll do a new one as you ask me. Yea."

MESSAGE FROM BLESSED MARY

"Dear children, today, when you are still celebrating the Feast of My Immaculate Heart, I come to tell you: My Immaculate Heart is the Sun of Grace for you, so look at My Immaculate Heart that shines like a glorious sun for you. you in these times of great darkness, sin and apostasy. Open your hearts to Me who I am your Mother and who come down from Heaven full of love to bless you, to give you peace, to show you the great sin in which the world now finds itself and to lead you along the way. from perfection and peace to Heaven.

I am your Mother and I want your salvation, so I tell you My children: that the world is in great danger, it is in great sin. Families, youth and even childhood, as I have said many times to My daughter, Mother Mariana de Jesus Torres, in Quito Ecuador, even childhood, all are corrupted by Satan, all

have been carried away by the wave of pleasure, hedonism, impurity, hatred, selfishness that now plague humanity. In families there is no more love, in souls the flower of love and charity has withered because souls have moved away from God and far from God it is impossible for man to be good, for man to have love, for man to be charitable. Therefore, My Immaculate Heart comes to be the effulgent sun that comes to dispel your darkness and show you how great is the misery into which this poor humanity has fallen and which at the same time comes to show you the right path by which humanity will be able to recover peace , love, harmony and concord, happiness, this path is the path of conversion, the path back to God. Therefore, little children, look to My Immaculate Heart, so that you do not get lost in this night so dark and dense with sin and evil that now cover the earth. The soul that looks fixedly at My Immaculate Heart, that is, that obeys My Messages given Here in this Place, this soul will not be lost, will not be confused, will not perish in the clutches of Satan. Therefore, always look to My Immaculate Heart, obey My Messages and I will lead you safely to God,

I prayed a lot! Pray the Holy Rosary every day, pray the Rosary of Tears, pray all the Prayers that I have given you Here, because with these Prayers your eyes will always remain illuminated by the light of My Immaculate Heart and there will be no spiritual blindness in you. Praying these prayers your souls will always remain warm by the warmth of My Immaculate Heart and will never grow cold in the service of the Lord, in prayer and in divine charity. Live perfectly in this School of Holiness, which Here in My Apparitions I created, I opened for you. By remaining in My School of Love and Holiness you will reach the great spiritual perfection as My little daughter Mother Mariana de Jesus Torres, My favorite little son Afonso Maria de Ligório, My little daughter Saint Bernadette,

I am your Mother, I know your difficulties and sufferings and I am with you in every moment of your life. I love you so much! I love you very much and I want your salvation. Come, come My children, come to the safe fold of My Heart, to be here guarded, protected and loved and how do you enter this fold? By obeying My Messages, you will be Mine and I will guard you with love and jealousy within My Immaculate Heart and I will not allow any rival, that any enemy of Mine, to grab you and take you away from Me.

To everyone today I want to say that I am immensely happy, because now My voice can reach the ends of the world from this My most dear Sanctuary. This gift that was given to Me in the first place by My little son Marcos, the most valiant of My children, then by My Slaves of Love who gave Me their body and soul with Him Here entirely and finally, for all My children who come to pray and listen to My Messages with love and who try so hard to love Me and make Me known and loved. This great gift that you all gave Me today consoled My Heart very much, dried My Tears of Pain, and in truth I say: Today I cry with joy as I have never cried with Pain in My entire life. I thank you, therefore My children, move forward on this path that I pointed out to you so many years ago Here in My Apparitions. Go ahead and do not stop for anything, take My word to all My children to the ends of the world. I am with you and I bless you now with Love as well as all My children who are now listening to My Message from afar, I bless you from Fatima, Lourdes, Quito and Jacareí.

Peace My beloved children, peace Marcos, the most strenuous of My

children.”

MESSAGE FROM BLESSED MARY

"My beloved children, today when you console Me on this Saturday afternoon that I asked you to consecrate Me with a special veneration, prayer and love, I come again to say to you: I am the Mother of Beautiful Love and I came from Heaven Here in Jacareí to call you to this true love for God, for Me, who saves the world, who brings peace to the world.

Have true love in your hearts so that this world completely dominated by sin can once again find the way to salvation and peace, so I want you to be shining stars of love for this world that is in darkness, so that it can be enlightened and thus find the path that leads to salvation.

Be shining stars of love, taking love where it no longer exists, being a sign of God's love where there is only sin, errors and darkness. Be love where there is only war, discord and evil so that God's love through your love can finally triumph in all hearts, in all souls and in this way everyone can finally have peace.

Be shining stars of love fighting errors, fighting all lies, fighting all sin and making all souls in the world know the truth that is the Gospel of My Son Jesus Christ, the truth, which are My Messages of Pain and Love given to you Here, so that, knowing the truth, all souls can be freed from errors, from ignorance, from the darkness of the soul and can finally find the light of salvation, the day of the Lord's grace, so that then Satan will be more and more crushed and His kingdom annihilated.

Be shining stars of love, taking My Messages to all My children, to all corners of the world, so that everyone can know Me and love Me. To the soul that obeys My Messages I promise salvation and I promise all the graces necessary for them to arrive safely in Heaven with all their loved ones. And these souls will not be touched by Satan, but will be kept by Me in the holy

grace of God. Therefore, little children, pray My Meditated Rosary every day, pray all the Hours of Prayer that I have given you here, so that the world may be converted and have peace as soon as possible.

Convert quickly, because the Warning is at the door! As the night precedes the day, so also I come My children, before the dawn of the great day of the Lord, as the dawn precedes the rising of the sun in the morning, so I also come before My Son to prepare his way. Open your hearts to Jesus who comes to you in glory. Leave the vain things of the world, leave all kinds of sin and prepare yourselves My children because the new Heavens and the new Earth are already closer to you than you can imagine.

I, your Master, I your Heavenly Gardener, I your bright Star of salvation, am with you to show you the way that leads to Heaven. Pray more, whoever prays a lot is saved, whoever prays little is exposed to losing his soul and whoever does not pray will be damned. Pray a lot, because with prayer you will save your souls and the souls of the whole world.

I bless you all at this moment, to all My children who listen to Me, who love Me who console My Heart with their love and to all of you who are here My favorite children and especially to you Marcos, the most strenuous and dedicated of My children, you cannot imagine how much joy and happiness you give Me by bringing to all My children My Messages, My Rosary, the prayers that Heaven so wants men to pray through these Cenacles. Peace and joy to your heart, beloved son, peace and joy to the hearts of all My children who hear us now.

I bless you with love from La Salette, from Fátima and from Jacareí. Peace Marcos, peace to all My children."

MESSAGE FROM SANTA LUZIA

“My beloved brothers, I Luzia, Lucia of Syracuse, I am glad to be with you today once again. I come to tell you: Be rubies of perfect love for God. Give God your whole heart, everything for everything, heart for heart, life for life! Let this be your motto, this motto that was Mine must also be yours, this goal, this desire, this dream that was Mine must also be yours. Just as Jesus gave us all of His Sacred Heart, you must give all of yours to Jesus, just as Jesus gave all of His blood for you, you must give all of yours for Him, just as Jesus gave all of His life for you, so too you must give all yours for Him.

Be rubies of perfect love, living this immense love, this greater love in your lives, do not be narrow of heart, surrendering your love and your hearts to the vain and fleeting, ephemeral things of this world, but rather, give your heart and your love for Jesus and then your treasure will be in His Sacred Heart, a safe place where no thief can steal it, where no moth can gnaw it, where no rust can corrode it. If you place your love in Jesus, then your treasure will be eternal, while if you place your love in the vain and fleeting things of this world, you will be poor and miserable and even before death comes, you will find nothing, as if enchantment death will hold you back, it will take everything from you and nothing will remain in your hands. Only what is done for the love of Jesus, only that which is given to Jesus is kept for eternal life and gains eternal meritorious value for Heaven. Therefore, beloved brothers, I say to you: You are in the world, but you are not of the world, you are on the earth, but the vain things of the earth are not for you.

Be rubies of perfect love for the Lord allowing His flame of Love, the Holy

Spirit, the flame of Love from the Heart of the Blessed Virgin Mary to penetrate your hearts, burn in your hearts, shape your hearts anew, merging them with the Sacred Heart of the Lord, with the Immaculate Heart of Mary and with the Loving Heart of Saint Joseph. Then you will be precious rubies in the eyes of the Holy Trinity, in the eyes of the Mother of God, you will shine with an incomparable beauty and nothing, nor anyone will be able to obscure, can cloud your splendor and your beauty, then, the whole world, all the souls seeing your beauty, seeing your beauty, will want to be rubies of perfect love like you, also for the greater joy of the Holy Trinity and the salvation of souls.

I Lucia from Siracusa, Luzia, am with you in all your difficulties and trials, nothing makes Me so happy after being with God in the glory of what to come Here to give you My Messages, because I love you very much, I want you very much and everything I will do, I will move everything to help you get to Heaven.

To you Marcos, who loves Me so much and who made Me so loved and known for the Video you made of My Life and My Martyrdom (Sede Santos 6), to you who are My good student, My good disciple and to all those who love Me , they praise Me, they trust in My intercession and now they listen to Me I bless generously and I also bless this Place which for Me after Heaven, together with Syracuse, is the dearest, the most dear to My Heart. Peace to you all tonight."

JACAREÍ, JUNE 16, 2013 - MESSAGE FROM OUR LADY AND HOLY LUZIA OF SYRACUSE

(Mark): "Praise be to Jesus, Mary and Joseph forever! Yes my dear Mother, yes. Yes, yes, yes, I'm glad you liked these two Cenacles. Yes, I will. Yea..."

MESSAGE FROM BLESSED MARY

"-My beloved children, today I come again to say to you: Love! Only with pure love will your hearts be pleasing to God and will perform works pleasing to God. Only love in pure transformation can make possible the union of your souls with God, with the Holy Spirit, so My children, open your hearts and let supernatural love grow in them in pure transformation, so that then, with this love of the Holy Spirit, may you become the perfect image of God, His living reflection of holiness in the world so that the world may then know His Love, His Holiness, His Goodness and all hearts may surrender to Him.

Let supernatural love enter your hearts, renouncing your will, which is the greatest obstacle for love in pure transformation to enter you, triumph in you, achieve in you the perfect conversion that I desire and which is the greatest obstacle that prevents God's will from being done in your lives.

If you renounce your will as the Saints did, as My little son Marcos did when I asked him to say yes twenty-two years ago, then I will be able through you to spread My love to all souls and there will even be no need of so many words, because your own example, your own love will speak to all souls: of God, of His Divine Love, of My Love and souls will then be touched, converted and surrendered completely to God. What has so far prevented the divine will from being done in your lives and in the world is the attachment that human beings have to his will. As long as you remain obstinate in it, love in pure

transformation cannot live in you, nor can it accomplish anything in you. So little children,

Let supernatural love enter your hearts, living an ever greater life of prayer of intense intimacy with God through frequent meditation on My Messages, the lives of the Saints, the Word of the Lord, living ever more united with God through the communion of your desires with the desires of the Lord and with the perfect confluence of your will and your thoughts with the divine will. In this way, you will truly be perfect humanity realized in God as I Am and Was, and then in your lives God's will will be fully done and through your transformed lives the world will also become a garden of graces, beauty and holiness.

Continue to pray all prayers, all Hours of Prayer that I have asked you here, continue to pray the Holy Rosary every day, the Rosary of My Tears, My Hour of Peace and everything I have asked of you here, because these daily Prayers will bring you closer and closer to God, closer to My Heart, making you rise from vain things to heavenly things that give your souls: peace, beauty and holiness . With these Prayers you will receive the inner strength that comes from the Holy Spirit to renounce all your sins, all vain things and your sinful will that so often prevents you from answering yes to what God wants from you. Then My children, My Immaculate Heart will triumph in your lives and in your families and from there for My Heart to triumph throughout the world, it will be a matter of a few steps. I am with you in your sufferings and I will never abandon you.

I bless everyone at this moment, especially you Marcos, the most hardworking and dedicated of My children, who through these Cenacles seen all over the world have made Me more loved and better known than ever! Now I can triumph in the hearts of many My children and free many nations from the bondage of Satan. To you, to My Slaves of Love Marcos Augusto and Marcos de Paula who with you have consecrated themselves entirely to Me and also to all My children present here and to those who listen to Me, love Me, praise Me and give themselves to Me now with all their heart. world, I bless you generously from Lourdes, from Caserta, from Fátima and from Jacareí. Peace My beloved children, peace Marcos."

MESSAGE FROM SANTA LUCIA

"Dear brothers, I, Lucia of Syracuse, bless you again today and rejoice with joy to be able to be here with you in your midst.

I, Lucia, invite you today: Be topaz of holiness and love for the Lord, so that your soul, more enriched, beautified and perfected by divine love, may be of attractive beauty for all the souls of the world to know the truth, the love and grace of God through you.

Be topaz of love, renouncing all sin, which takes you further and further from God, which cuts off the flow of divine grace and the Holy Spirit in your souls. Renounce the sin that makes your souls always remain languid, lukewarm, weak and almost on the verge of spiritual death. Yes, renounce all sin so that your soul can recover divine grace, recover love, recover joy, recover union with God, with Mary Most Holy and with the Holy Spirit, so that your soul, full of spiritual strength can be a valiant warrior, a valiant soldier in the Army of the Lord and the Mother of God and can thus work for the establishment of His kingdom on Earth and for the salvation of souls, without

delay or delay.

Be a topaz of love, renouncing your rebellious will, which always seeks to carry out your will in the place of God's will or disguised as the pretext of doing God's will, so that, thus, renouncing what you most want, you can seek what you want. you don't want and that most of the time it's God's will for you. Then you will truly do the will of the Lord, you will give glory to His Name and your life will be a vibrant hymn of love to the Lord.

Be topaz of love, living more and more in a life of deep prayer, in an intense intimacy of prayer and meditation with God, so that, following in the footsteps of the Saints in Heaven, you too can carry out the will of the Lord on Earth and transform this swamp of sin. which is the world in a Garden of grace, beauty and holiness.

Be topaz of love, seeking more and more to live in perfect communion of your will with the Lord's, so that through your life a river of grace, holiness and love may flow to the thirsty souls of this world and all may be healed, restored, strengthened and purified, sanctified by the water of the Holy Spirit, by the grace of God.

Be Topaz of Love so that your beauty and your high spiritual value may enchant the souls of this world so tainted by sin, and in this way, all souls with you may become a single flame of love for the Lord, for the Mother of God, for Holiness so that this world, from a heap of ruins that it now is, in which it finds itself, can become the mystical city of God, His holy city where God dwells and reigns day and night.

You are the holy cities of the Lord, your souls are the royal abode of the Lord. Open your hearts wide to the King of glory who comes to you already through Love and in Love. The Warning is near and each soul will see itself with the eyes of the Holy Spirit, it will see its ugliness, it will see its wickedness, it will see its impurity, it will see its pride, it will see its rebellion to God, it will see its falsehood with God and with the Mother of God. And from that look of the Holy Spirit no one can escape! And the darker the soul, the worse the pain and dread, the terror it will feel. Therefore, convert without delay because time is running out!

Pass the Messages that the Sacred Hearts and that We the Saints give you Here to all the souls of the whole world, that they convert as soon as possible, because soon the Warning will come and after it, if there is no amendment of life and conversion, the Great Punishment from Heaven.

I, Lucia, am with you, I love you, I protect you, I guard you and I will never abandon you. I love this Place as the pupil of My eyes, as the most intimate fiber of My heart and I will never, never abandon My beloved Marcos, nor any of My brothers who love Me, praise Me, obey Me and praise God and God with Me. They give their hearts.

Pray My Rosary whenever you can, because through this Rosary that My Marcos composed and made for Me, I will be able to help you, sanctify you and pour out a true deluge of divine graces on all of you.

I bless you all at this moment generously, from Syracuse, from Venice and from Jacareí.

Peace, beloved Mark, peace to all of you, My beloved ones."

everything, love for love and life for life, and so you too must give the Lord everything for everything, love for love, life for life.

Life for life, just as the Lord gave and gave all His Life out of love for you, you too must surrender your whole life to the Lord putting Him first in your lives, doing everything to obey His Commandments, doing everything so as not to displease Him with sin, thus having the true and holy fear of God, in this way your life will truly be a perfect hymn of love for the Lord and then, God will be pleased with you and pour out His grace and His mercy on us. your hearts.

MESSAGE FROM OUR LADY

(Mark): "Yes..."

"My beloved children, today I bless you again and I give you My Peace.

On this holy night of so many blessings for you, I come to call you again to be little daisies of simplicity and love.

Be little daisies of simplicity and love, trying to live more and more in the love of God, trying to live more and more separated from the vain things of this world that distance you from God, that lead you to sin and that occupy your heart with so many things that take the place of God, which suffocate the grace of the Holy Spirit in you, thus making you empty, cold and arid.

Being daisies of simplicity and love, your souls will truly please God, they will seek heavenly things, they will truly esteem heavenly things, which are those

that truly have eternal value. And so, your souls will sanctify the time of your life here on earth by doing good works for the greater glory of God, the Holy Trinity and the good of your souls and the souls of the whole world.

Be daisies of simplicity and love, living a life of profound prayer, trying each day more to make your prayer more alive, more intense, deeper, more ardent, opening your hearts to God and truly answering him 'yes', fulfilling His will and His Plan of Love for all of you. In this way, the Lord's Plan will be fulfilled in your lives, all the obstacles that until today have prevented you from walking well on the road to holiness will fall to the ground, all the bonds and chains that hold you to sin will be broken and your souls will run fast. and speed towards the great holiness which God desires of you and the crown of eternal life which God prepares for you.

Imitate My virtues. Imitating Me, you will be true daisies of simplicity and love, and thus, the perfume and the charm of your simplicity and at the same time of your beauty will attract the eyes of the Most High to you, He will be pleased with you, He will bless you and in you. He will carry out His divine will by transforming you into a wonderful and splendorous work of spiritual perfection and holiness.

Continue praying all the Prayers I have given you here, all the Holy Hours, all the Rosaries, the Rosary of My Tears, as well as the Rosary of My Triumph and the Rosaries dedicated to the Saints, because through them I will always transform you more and each day more in perfect daisies of simplicity and love.

MESSAGE FROM OUR LADY

(Mark): "Forever be praised Jesus, Mary and Joseph! Yes, yes, it's already done, it's already there. I will take it again."

"My beloved children, tonight I again invite you to be faithful and persevering in My School of Holiness, which are My Apparitions Here in Jacareí.

Put My Apparitions first, put My Messages first and God will also put you first in His love. When you put God, Me and My Apparitions first in your lives, then the Holy Spirit will act powerfully in your existence, performing great graces, wonders and transformations, inside, around and outside of you.

The reason why your life is so often in deep spiritual misery is because you have not yet put My Apparitions in the first place, that is why the Holy Spirit

grieves you and that is why He does not descend, He does not descend into your souls, He does not act on you because he does not find Me, His Most Chaste and Divine Spouse, first of all in your hearts. Put Me with My Apparitions in the first place and then the Holy Spirit will be pleased with your souls, he will descend in you and carry out a deep, immense and intense transformation in your hearts.

Today I want to ask you: Pray My Rosary of Tears more, because with this Rosary I will expel Satan from your souls, from your families, from your nation and from the whole world. He, the great seven-headed dragon, now roams the earth and drags with his tail all nations and all souls to bring all to damnation, seducing all to the life of sin. I come to fight Him and to once again make the First Commandment of the Law of God loved, respected and fulfilled.
Therefore My children, I ask you once more: put God, Me your Mother and My Apparitions first and then My Triumph against the great dragon will truly be a reality in your midst and it will happen soon, because My times They arrived. Persevere in My School of Love and Holiness, being true spiritual daisies of humility, docility to My voice, love, obedience, renouncing everything that distances you from God, distances you from Me and everything that weakens prayer in your souls. .

I bless everyone at this moment generously, especially all My children who listen to Me with love now, everyone who is present here and you Marcos, the most hardworking and dedicated of My children. I thank you for the new Meditated Rosary (Nº 288) that you recorded for Me this afternoon, each new Meditated Rosary that you make for Me, causes not only in Me, but also in the Lord God and in all Angels and Saints a great joy. , a great joy, a great satisfaction and the Divine Mercy cancels so many punishments that should come to the world to punish it of its crimes and sins and a rain of mercy descends on the whole earth.
To all of you at this moment I bless you from Fatima, from Montichiari and from Jacareí."
(Marcos): "See you soon, yes! See you soon, dear Heavenly Mother."

MESSAGE FROM SÃO GERALDO MAGELLA

"Dear and beloved My brothers, I, Geraldo Majella, rejoice to be with you again today and to bless you.
I come from Heaven to tell you that you must truly be tourmalines of love and strength for the greater glory of the Lord, of the Most Holy Mary and for the greater salvation of humanity.

Be tourmalines of love and strength, loving God, the Holy Virgin with all your hearts, with all the strength of your hearts and at the same time be strong in all tribulation, trial and suffering so that your faith in suffering, be truly a pure faith, a faith that is strong, mature, robust and without mixing your personal interests or mixing your corrupted will with the search for the will of God. Suffering purifies the will of man, separates the interests and the corrupted desire of the soul that often mixes with the search for God, with the search for the Mother of God and his will. Suffering proves the soul reveals intentions and when the soul is truly good, innocent and docile, suffering, far from being an obstacle on the path of love and sanctification, becomes a powerful means for her to grow even more in true love and in all the virtues. Therefore, be strong in suffering, proving that your love is truly pure and that your desire to serve God does not come from the search for divine consolations, but that your desire is pure and has the sole purpose of loving and pleasing the Lord.
Be tourmalines of love and strength, living a life of deep prayer, of intense intimacy with God and the Mother of God through prayer, meditation, reading the Messages that We give you here, the lives of the Saints so that your souls truly turned to Heaven may grow in the way of holiness, may they become as beautiful as precious stones, and thus give God the glory, love and praise that He so much expects from you.
Finally, be tourmalines of love and strength fighting for the establishment of the Kingdom of God on earth as I fought, taking to everyone the Word of the Lord, the Messages from the Sacred Hearts, the Messages that Heaven gives you Here, taking the Love of Most Holy Mary to all you can, because by doing this you are truly collaborating so that the Kingdom of Satan is destroyed and the Kingdom of God, the Kingdom of the Mother of God is established on earth.
Be you the living reflections that spread Our Lady's love to all souls, because by spreading Our Lady's love you will truly conquer many hearts for Her and for the Lord and these souls finally conquered will be the garden of grace, beauty and holiness that God and that She so much want this world to be and in which this world becomes for the greater glory, honor and joy of God.
I, Geraldo, am with you and I never leave you, pray the Holy Rosary every day, I promise to pray it with you always and everywhere. Pray also the Chaplet of Triumph that the Mother of God taught you Here, as well as the Chaplet of Tears, with them you will overcome all evils, all temptations of Satan, you will ward off many dangers and Heaven will come closer and closer to you covering you and filling you with his heavenly peace and love.
I, Geraldo, pray for you on the Throne of the Lord and of the Mother of God day and night and I will not stop praying for you until I have you all with Me in Heaven, so that we can sing together the songs of the Glory of the Lord and of the Triumph of the Mother. God's.
I bless you all at this time generously."
(Marcos): "I am very happy that You are happy with Your Rosaries that I recorded, I will continue. Yes many! Yes, I will make them many, many, many more! Please give a special blessing to all those who pray. Yup. Yup. See you soon dear friend. See you soon, dear Heavenly Mother."

My works will reach their full success and Triumph and soon not only Brazil but the world will be freed by Me from the domination of Satan. Now you must pray even more and fulfill all that I say to you for the salvation of humanity. Keep peace in your hearts, give no place to temptation, give no place to the devil by paying attention to the suggestions he puts in your hearts and in your thoughts to offend God, close your hearts and the senses of your souls to him, turning your thoughts to God, to Me, to the Saints, reading and meditating on the lives of the Saints and My Messages, living an intense prayer life, above all, praying with the heart as My little son Marcos knows how to do very well and how I myself have taught you personally since the beginning of the Apparitions.
Pray My Rosary, pray the Rosary of Tears of Triumph and all the Rosary I have given you, because with these prayers you will drive the devil further and further away from you with his suggestions and his temptations.
My Immaculate Heart watches over you day and night, My Immaculate Heart offers to the Holy Trinity every day His merits to obtain for you the grace of salvation. JACAREÍ, JUNE 29, 2013 - SATURDAY CENTACLE IN DEFENSE OF THE IMMACULATE HEART OF MARY BLESSED

MESSAGE FROM OUR LADY

(Mark): “May Jesus, Mary and Joseph be praised forever! Yup. Yup. Yes, it's already done. Yes, I will do more.”

“My dear children, today I come to invite you once again to become precious to God, precious to the Lord in His eyes for a perfect holiness and a consummate spiritual perfection of all the virtues in your souls, in your lives. . I want you to be beautiful in the eyes of the Most High, so I invite you to be like Jasper, a beautiful precious stone that so pleases the Lord, that so delights the eyes of all who see it, and so your soul may be before Him precious and beautiful as this stone that He created.
Be as beautiful as Jasper, cultivating in your souls all the Christian virtues, above all, Love in the first place, because the soul that possesses true love, divine love, supernatural love for God and also for its neighbor, that soul before of the Lord is the most beautiful, it is the one that most pleases Him is the one who is the apple of His eye, the most intimate fiber of His Heart and that soul in which He finds all His delights, charms and all His joy. Being as beautiful as Jasper by the perfect practice of love, your souls will acquire extraordinary beauty before the Lord, and then,
Being Jaspers of great and perfect love, your souls will make the light of Heaven shine in the world and the beauty of Paradise will transform this world filthy with sin into a beautiful Garden of glory, beauty and holiness for the greatest joy of the Holy Trinity. Living in perfect love, renouncing all sin, your inordinate desires, evil inclinations and vain things, seeking that which pleases God, seeking to live in His grace, your souls will be as precious as Jasper and the Lord will then truly be able to transform you in a stone of great value, to then encrust you in His Crown of immortal glory, where you will be with Him forever, and from Him you will forever receive happiness, grace, and glory.
I, the Mother of Perfect Love, today I say to you again: Come to Me and I will transform you into these precious stones, if you allow yourself to be cut by Me in a short time from a rough stone I will transform you into a jewel of great value to offer to Jesus and then My dear children, Jesus will not reject you because you will be offered and presented by Me as a jewel cut and worked by Me. Come, then, give yourselves to Me so that I truly transform you into this great gift, this great gift and gift to offer to My Son Jesus.
Keep praying all the prayers that I have given you here, because it is through them and with them that I am increasingly perfecting your beauty, beauty and spiritual splendor until you become these precious Jasper jewels to give to God. I am with you My children and I continue to walk decisively with you towards My Triumph. Thanks to everyone who said yes to Me, following the example of My little son Marcos, My Plan of salvation unfolds perfectly, now, be faithful and persevering in My School of Holiness, in the Daily Transmission of My Apparitions and do not leave it for nothing, so that then May I continue your conversion more and more every day.
The Time has come, the Hour has arrived, the King returns, the Lord is already coming and that is why you must now walk with Me in haste to meet your Savior who returns to you in glory. Perfect yourselves, sanctify yourselves for the encounter with the one who is Thrice Holy.
I bless you all generously today, from Lourdes, from Craveggia and from Jacareí.

Peace My beloved children, peace to you Marcos, the most hardworking and dedicated of My children.”

Messages communicated in the Apparitions of Jacareí, year 2014

JACAREÍ, JANUARY 1, 2014
MESSAGE FROM MARIA SANTÍSSIMA

“My beloved children, today on the first day of this new year that is born, I invite you to look to Me as the Mother of God, the Theotokos. The one who truly generated in her womb God himself, the Son of God, the Incarnate Word, the man God, who came to redeem and save you all.
I am the true Mother of God, I am the true Mother of Jesus, I am the true Mother of the second Person of the Holy Trinity. From My womb came the Savior and Redeemer of the world for you, from My Immaculate and Most Pure Bosom grace came to you, the Holy of Holies came to you, He who is the beginning, the middle and the end of all things.
From My Virginal Breast came the Infinite for you, from My 'Yes' the Son of God Incarnate was born for you who redeemed you all, freed you from the slavery of sin and Satan, opened the doors of Heaven for you, repaired the sin of all mankind and brought you eternal life.
As the Mother of God, I want you to truly honor Me every day, for the Lord has raised Me to the highest dignity, to which a creature could be elevated. By making Me His Mother, He placed Me in a position that no one else can occupy but Me.
By making Me His Mother, God, He exalted Me above all created things and wrought in Me such great wonders that I cannot even explain to you the greatness of these wonders.
By taking Me to the dignity of the Mother of God by coming to dwell in My Bosom, the Word united with Me in a way so profound, so intense, so strong and mysterious, that although we were two, it was as if we were one. And although of different natures, it was as if We had one heart, one soul, one glory.
And that is why in Me and in My union that in Me and in My union with My Divine Son Jesus Christ resides one of the greatest mysteries, the greatest mystery of Our Holy Catholic Faith. Because the Word, incarnating in My Virginal Bosom and becoming man, has truly accomplished mysteries and highest sacraments that you will not be able to fully understand in this life. And that is why the knowledge of this mystery is reserved for eternity, for those who love Me the most, prefer Me the most, want Me the most, serve Me the most and are most devoted to Me and especially to the Mystery of my Divine Motherhood.
In this new year that is born, I, the Mother of God, invite you to contemplate more My sublime prerogative of being the Mother of the one who is the Absolute. And in this contemplation, lose yourselves, that is, may your souls dive so deeply into the contemplation of this Mystery, that they may be drowned in the sea of such great grandeur that the Most High bestowed only on Me and on no one else.
That this year you fulfill what I, the Mother of God, told you here throughout all these years: Sanctify yourselves! Be converted! Cut off once and for all with all

sin. Follow the path of perfection and obedience to God and Me so that you may be heard in the day of your afflictions.
If you regard iniquity and sin in your hearts, the Lord will not hear you. Therefore, walk along the path of grace, of love, of penance, of prayer. And, above all, hasten, hasten your conversion, because soon the Reaper Angels will be spread across the nations of the Earth and woe to those where Their scythe passes. Yes, many nations will be punished this year for their sins.
Many people who have sinned all the time, quietly mocking God, will suddenly be surprised by a sudden punishment. Therefore, convert, hasten your conversion, for there is no more time to waste.
Every day the devil gains more and more ground and souls, the world gets worse with each passing day and you remain paralyzed, parked in your vanities, hobbies, games, playing with your eternal salvation.
I call you today to truly undertake a new life of conversion, prayer, penance and true love for God.
I do not want you to suffer in the future, so I say to you: Convert without delay and hasten your conversion.
I bless you all at this moment with love, from Lourdes, from La Salette and from Jacareí.
Peace My beloved children, peace Marcos, the most diligent and obedient of My children."
(Mark): "See you soon, dear Mother."

MESSAGE FROM THE ANGEL SÃO MARIEL
Video of this Cenacle: www.apparitionstv.com/v02-01-2014.php
"My beloved brothers, I, Mariel, bless you today and give you peace.
Pray more, pray more in this new year that is born. May Prayer be your joy. May Prayer be your life and may it be your life.
Whoever prays a lot is saved, whoever doesn't pray is condemned.
Pray more, pray with your heart so that God can truly pour his grace into your lives.
Ever more renounce all sin, for it separates you from God, makes you lose your salvation and Heaven, and casts you into the eternal flames of hell.
Hasten your conversion, the time left for humanity is short. This one is just falling to the bottom of the abyss of her sin, her rebellion against God, his Commandments, and her refusal to turn to Him. Now the Great Punishment won't be long.
Therefore: Pray, convert, hasten your conversion so that in the terrible moment when Divine Justice manifests, you will be found innocent before the Lord. And so you may be protected by Us, the Saints and Angels from all the punishments that will fall on sinners, especially on those who lived in sin, certain that they would never be caught by the Justice of God.
I, Mariel, am with you in every moment of your life. I bless you, I cover you with My wings and I protect you from all evil.
I do not want you to suffer in the future, so I say to you: Convert, so that you may be declared innocent at the moment when the Justice of the Lord is manifested against this world that rebels against Him and is a friend of Satan and sin.

I bless everyone at this moment with love and especially you Marcos, the most ardent and dear friend of the Holy Angels."
(Mark): "See you soon."

JACAREÍ, JANUARY 03, 2014
MESSAGE FROM MARIA SANTÍSSIMA

"Beloved My children, today I come again to tell you: Continue with all the Prayers that I have given you here.
I am happy with your prayers. Therefore continue, because I desire to sanctify you through them and also through your prayers I desire to sanctify the whole world.
Yes, My dear children, My Immaculate Heart has placed in you His predilection, His Love and His hope.
You are Earth's last hope. You are the light of the world and I fully trust in you so that you can bring My light to all My children throughout the world. And so, transform this world from a swamp of sin into a Garden of grace, beauty and holiness.
I am with you every day, especially in your sufferings.
I bless you all from Lourdes, from Fátima and from Jacareí.
Peace My beloved children, peace to you Marcos, the most diligent and obedient of My children.
I am happy that you worked so hard today on the film of My Daughter Saint Philomena, which will make many young people say 'yes' to God and follow her along the path of purity, prayer, holiness, perfection. Peace."

JACAREÍ, JANUARY 4, 2014
MESSAGE FROM SANTA LUZIA DE SIRACUSA

"My beloved brothers, today, I, Lucia, come back again to tell you: This year, start your conversion again, so that your life more and more pleases God and is for His greater glory.

May in this new year that is born, all your good intentions be renewed in your hearts. Decide for God. Decide for the Mother of God truly and sever all connection between you and your soul with sin.
May your life be completely reformed at the beginning of this year. Return to the origins, return to the sources, return to prayer, return to the flame of the first love for God and the Mother of God. So that everything is renewed in your life, in this new year that is born.
Do not remain longer with the same sins as always, leave once and for all behind, forever, everything that prevents and hinders you from following the path of holiness. So that, in this year, your sanctification and your total union with God may truly take place.
It is sin that causes all the evil in the world. Renounce him, for he is disorder, he only brings unhappiness, bitterness and confusion, destroying harmony, peace, union.
May sin be banished from your lives and may you and your heart do all good

for the greater honor and glory of God.
I love you very much and I am with you in all your sufferings. In moments of anguish, of affliction, call on Me and I will come to help you.
Just as I have poured out My graces on many people here so many times, so I will not deny My comfort to anyone who comes to ask Me for just things that please God.
I bless you all at this moment with love, from Catania, Siracusa and Jacareí.
(Marcos): “See you soon, my beloved Lucia.”

JACAREÍ, JANUARY 05, 2014
MESSAGE FROM THE DIVINE ESPIRITO SANTO

“Beloved My Children, I your God come once more from on high to call you all to Me, so that with Me you may learn the wisdom that pleases the Father, that pleases Jesus, that pleases Me to be blameless and blameless. in My presence.
I am truth, I am wisdom, I am the river of love, I am the river of grace and purity. Whoever comes to Me and bathes in this river that I Am Myself will be pure, he will be filled with My Love, he will be filled with My grace. And in Me you will find all the joys of the soul and all the desires of the heart will be satisfied.

Happy is the soul that finds Me and that places its heart in Me, making Me its hope, its treasure, its everything. Because this soul will receive the influx of My Love with all its power and I will unite with this soul and with it, and in it, I will live forever.
Happy is the soul that does not have a divided heart before Me.
Happy is the soul that does not have a double heart, that is, that at the same time that it loves Me, it also loves My enemy, sin and Satan.
Happy is the soul that does not play games with Me, but that truly walks sincerely in My presence, fulfilling My precepts and seeking only what honors Me, what pleases Me, what glorifies Me, what pleases Me.
I am the Spouse of your souls, I want to unite myself with them, but just as a husband would never unite with an ugly wife contaminated by a fatal disease, so too, I cannot unite myself with a soul infected by sin, ugly. for sin and covered with the wounds of sin. It is necessary for your souls to be purified, it is necessary for your souls to heal in order to be able to marry Me.
That's why I offer you healing, I offer you the grace of regeneration. Ask Me for the grace to heal and purify your souls and I will cleanse them from all sin, from all the infection of Satan, in such a way that your souls will become: beautiful, attractive and very holy in My eyes.

Then I will unite myself with them with holy pleasure and I will pour the wine of My Love into them in such a way that your souls will be as if drunk with holy love for Me and will not desire any other love than Mine. And I will then be your own inheritance, your treasure and your eternal life.

In these times when the sect, through the media, has made the river of sin's mud take over everything, families, youth, childhood, religious communities

and the entire church, I truly call you to return to Me, through the path of conversion, penance and purification.

The river of mud now covers everything and the sect, with its infernal cunning, managed to make the minds and hearts of men despise the truth and accept the worst moral disorders, as if they were good things.
I invite you, therefore, to return to the purity of truth, to the purity of holiness, to the purity of love, for which I created you. I invite you to return to the innocence that I gave to your souls when I created them and when I breathed into them the breath of life.
I invite you to return to Me, to the path of principles, which are life and salvation for you, and to despise the lies and the deceitful snares, the snares and the cunning of the sect, which through so many things has caused you to stray from the truth. , she who caused in your soul, the right, the correct, the good to be eclipsed and clouded by the smoke of Satan.
And now you live confused and you no longer know what is good and what is bad, what is right and what is wrong, what is of God and what is of the Devil, what leads to Heaven and what leads to hell.
I come to undo this deceitful seduction, I come to pull you out of this death and make you enter the road of life, of eternal life, which is the road of My Commandments.

I love you so much and I don't want you to suffer in the future, that's why I sent you here more than twenty years ago My Most Chaste and Immaculate Spouse, Mary, so that she would teach you what pleases Me, so that she would teach you what is the truth, so that she would teach you what truly honors Me and which leads you to salvation. And that you, by her teaching, would despise all sin and everything that leads you to place yourselves in the hands of Satan.
Reflect, think, if I didn't love you, would I have sent My Most Chaste Wife Here, to fight for your salvation even though I know that by many of you She would be despised and rejected? By others would she be hurt, why would she find your hearts resistant to the truths She came Here to preach?
If I didn't love you, I would send the One I love the most, among you, even though you, like ungrateful dogs, would often bite Her Hand that tries to save you and rip off the scales of sins, of the spiritual blindness that cover your your eyes?

If I didn't love you I wouldn't have done this! Therefore My children, believe in My Love, accept My Love and finally give your 'yes' to My Love today. No longer bite the Hands of my Most Chaste Wife, who only tries to do you good and save you, pulling you out of the spiritual blindness of the sin in which you live. Do not mistreat My Divine Spouse Mary any longer, because I say to you: if you continue to do so, I will be annoyed with you! I will get angry and end up sending you a sudden punishment, leaving you at the mercy of your own sins and demons.

Come to My Heart, that Heart that loves you so much, to the point of having sent My Most Chaste Spouse and so many of My Saints here. That Heart that loves you and that came here in person to tell you: I am your origin, it was I

who breathed life into you and made you exist, I had no need of you. So We, the Three Persons of the Trinity, decided to create you in a pure act of love so that you could be partakers of eternal happiness at Our side.
And what have you done? Despised this immense love and exchanged this immense love for trifles, nefarious sins and truly for things that only bring the mouth of hell closer and closer to your souls day by day.
I come, I come to you, to free you from the flames of hell, which you unfortunately bring closer to you every day for the sins that you continually commit offending me.

I come to give you the possibility of a life without suffering in eternity, happy by my side forever in Heaven. I promise you a crown of imperishable glory, I promise you a royal mantle of light that only the princes of Heaven can have if you follow the path of My Commandments and My Love. I promise you a scepter of immortal glory that is only given to those I truly love and to those who are My royal offspring.
I promise you a throne, a throne of power at My side in Heaven, power that is only given to the righteous, to the innocent, to the pure, to those who truly love what is right and pleasing in My Eyes.
Come My children, come to inherit all this and do not despise so much wealth, so much good that I offer you for the poisoned food that My enemy presents to you.

Yes, come to Me through Mary, because right after the fall of your first parents, I myself, in My wisdom, in My supreme intelligence, decided with the Father and with Jesus to create Mary, the one who would crush the infernal serpent. And I myself showed her to your first parents and to the serpent as being the only portal of salvation for all humanity, the only sure and sure way that would lead the world back to Us. And She who would be the only one who with the holiness of her life could bring you your redeemer and salvation.

You cannot imagine the terror, the fear, the dread and at the same time the fury of the serpent when he saw Mary, because there he already knew his defeat, there the serpent already knew his end. And she knows that in Mary all her works, all her tricks, all the doomed citadels that she builds crumble to dust. The serpent knows that when Mary loves a soul, when Mary chooses a soul, when she fights for a soul, when she is for a soul, when Mary enters a soul and lives in a soul, the serpent knows that its reign in that soul is over. That is why she strives to destroy Mary in hearts, she strives to diminish Mary, to make souls forget about Mary, so that they look at Mary with contempt, cultivating in their hearts an infernal pride. That is why the serpent seeks to inoculate against Mary and against all demonstrations of love for Mary, such as processions, Rosaries, novenas, the honors due to Her Images, the serpent seeks to make all this disappear from the face of the Earth, because he knows that in doing so his reign in souls will remain. For this reason, I destroyed the serpent's reign by making Mary known, loved, honored with internal acts, and above all, external ones, because men are made of flesh and need to see external acts of love for Mary so that the interior is ablaze with love for her. .

That's why I love this place so much, that's why I love so much My dear

Marcos, who throughout his life always made Mary known, loved, exalted and glorified, cultivating a true devotion to her. Interior, yes, but also exterior, because a devotion closed in a tomb, in a closed heart, cannot expand, nor can it be transmitted to anyone. And that's why he always exalted Mary with enthusiasm and with the very fire that I gave him. That's why he made Mary known and loved by the videos of Her Apparitions and the lives of His Saints who loved Her so much and by making Mary known for that, by the Meditated Rosaries, by the Hours of Prayer, by the Cenacles, by the processions, he made her I triumphed in many hearts. Because where Mary triumphs, I triumph too, where Mary is rejected I am rejected,

Therefore, Here in this place My Heart, My Look is drawn to My beloved Marcos and He pours all My complacencies into Him and My Divine Spouse rests with Me.
Come My children, come here to learn this secret of salvation and holiness. Love Mary, honor Mary, live in Mary and let Mary live in you and you will then have Myself within you, living in you and you will live in Me.
Here I wish to form the great Saints that I myself showed to My servant Luís Maria Grignion de Montfort, also to other Saints who would appear at the end of time. Therefore, once and for all, give Me your yes! Renounce yourselves and all sin, so that I can then quickly and forcefully lead you along the path of salvation, of sanctification that makes you immaculate before My Eyes and truly gives you the likeness of Myself, so that the world seeing Me in you, that is, feeling My presence in your soul and in your life, seeing the beautiful and sweet fruits of holiness that I want to produce in you, believe in Me and by believing in Me have your salvation.
I love you and I bless you now, generously through Mary, with Mary and in Mary. And on your souls I pour My breath of Love, Grace, Purification and Holiness."

JACAREÍ, JANUARY 08, 2014
MESSAGE FROM THE ANGEL SÃO LUBATEL

"My beloved brothers, I, Lubatel, come from Heaven in the name of the Lord today, to bless you and give you peace.
Pray, pray, pray. May prayer be your life.
Be careful, the devil is always on the lookout for you, studying your weaknesses to lead you to sin. Pray and watch that you do not fall into temptation.
Pray a lot, renounce all sin. Seek virtues, seek holiness, seek to be faithful to God.
Meditate the Ten Commandments continually, for whoever does so will always walk in the path of grace, holiness and goodness and Satan will have no power over him.
Understand that every sin you commit gives Satan greater power over you. Therefore, renounce all sin.
Pray the Holy Rosary every day. Continue to say all the prayers that the Mother of God asked of you Here, in your afflictions and sufferings come to Me and I will help you, console and comfort you.
Ask Me to always keep you from all sin and I promise to help you.

Flee from all occasions of sin, open your heart to the love of God who wants to fill you more and more with His peace, grace and wisdom.
I love you very much and I cover you now with My Heavenly Mantle.
I bless you all generously and I give you all My peace now."

JACAREÍ, JANUARY 11, 2014 - MESSAGE FROM SANTA LUZIA DE SIRACUSA

"My beloved brothers, I, Lucia, thank you once again for being Here.
Peace, peace, peace! Peace to your hearts. Let nothing disturb your peace.
Open your heart to Peace, let the Peace of Heaven enter your heart and fill it completely. To receive divine Peace it is necessary to convert the heart, that is, to detach it from all sin, to renounce all sin. It is necessary to open it, empty it, make room for the Holy Spirit to pour His Peace into your hearts.
That is why it is necessary for you to detach yourself, to empty yourself of your will, of your vanities, of your caprices, of your self-worship, of small pleasures, of the sensual movements of your body, of your flesh. So that the Holy Spirit may pour out His Peace on you and in you.
To receive His Peace, it is necessary to renounce pride, arrogance, rebellion, the uncontrolled movements of the rebellious will, the untamed will, the untamed self-love. Then, with your heart emptied, the Holy Spirit will be able to enter it, it will be able to find space in it and give you Peace.
This Peace that only God can give, the world does not know! And even if you lived a thousand years looking for this peace in the pleasures of the world, in money, in honors and in glories, you would never, never find it. Because this Peace is from Heaven, not from Earth and the things of Earth cannot give it, they cannot produce it. Like carnal and sensual pleasures, however much they are sought after, they cannot give the Peace that only Heaven can give.
Open your hearts to this Peace, so that it enters your heart, remains with you and produces in you the unalterable, unchanging Peace that only God can give and that remains with a heart well united to Him.
I bless everyone at this moment with love and say: Pray more, prepare to meet God the Father tomorrow. Prepare your heart with more prayer so that his grace may truly fill your souls.
We bless you all now with love, from Syracuse, from Catania and from Jacareí."
(Mark): "See you soon."

Messages communicated in the Apparitions of Jacareí, year 2015

JACAREÍ, JANUARY 01, 2015 - NEW YEAR'S VIGIL - MESSAGE FROM HOLY MARY

"My beloved children, today, on this first day of the new year that is born, I come from Heaven once again to tell you: I am the Queen of Peace!
I am the Queen of Peace and I came from Heaven Here in Jacareí, to call you to the Peace of the heart, which only God can give, which only God gives. I came to call you to this Peace that only the heart that is immersed in God can find, the heart that has renounced sin, the heart that has truly surrendered to God and follows the way of the Lord. Only this heart possesses true Peace. And I came to invite you to possess this Peace, which is within the reach of each one of you and which is offered to you here every day by Me.
This Peace begins when you decide to follow with Me on the path of prayer, of renunciation of the world, of yourselves, on the path of fulfilling the Word of My Son Jesus, on the path of true love for God. Then, this Peace begins to be born in your heart and it fills your soul so much until it overflows outward to all those around you.
Peace, Peace, Peace! Open your hearts to this Peace! Let this Peace enter your hearts! I am the Queen of Peace and therefore I have the mission to bring you to this Peace and to bring this Peace to you.

Let Me enter your hearts with this Peace, which I so want to make sprout, grow and bear fruit in you. So that the world torn apart by wars, discord, violence and sin, can finally taste the sweet and pleasant fruit of Divine Peace, of the Peace of the Lord.
I am the Queen of Peace, who come from Heaven every day to tell you: In sin there is no Peace, with sin you will never be blessed by God with Peace. All wars were born from the sins of men. If men would convert, repent of their sins and turn from their sins, God would send them all Peace.

Begin your conversion for yourselves and then God will begin to bring about Peace in your lives and it will radiate from you to people all over the world. And then, the whole world will be taken over by the Peace of the Lord and the Earth will be transformed into a little Paradise of Peace.
Continue to pray My Rosary every day, because with it the world will finally find conversion and with conversion Divine Peace.

Fast to have Peace of heart. Fast so that the world may have Peace. Just as wars are born from the sins of men, from pride, lust, greed, avarice, covetousness, so Peace is born from renunciation, fasting, penance and prayer.
Last year I fulfilled a precious part of My Plan of Salvation in the world and this year I will advance one more stage of My Plan, which is developing, which is carried out perfectly and fully despite the bad correspondence of My children.
My Heart will triumph because the strength of My Triumph is in the Lord, in His Word who prophesied: I will put enmity between you and the Woman, She will crush your head.

In these Words of My Lord rests all the strength and power of the Triumph of My Immaculate Heart, which will certainly take place. Therefore, little children, continue walking with Me every day on the path of prayer, of love, of obedience to God, of the fulfillment of all My Messages, so that My Plan of Salvation may be carried out in you and My Triumph may come quickly to you. .
When some of My children don't answer 'yes' to Me anymore, I choose others and I follow My Salvation Plan always moving forward and the righteous will surely triumph with Me.
Pray, pray, pray, because this year you will see great graces from My Immaculate Heart in your lives and in the world. I will continue here with you to guide you, as the Mother does with her little child who does not yet know how to walk, guiding you step by step to teach you to walk in the path of grace, holiness, the love of God.
Let yourself be led by Me, let yourself be taught to walk by Me and I will make you walk quickly on the path of holiness, love and perfection of your souls.

I bless everyone at this moment, today, with My special maternal blessing, and above all you little children who carry My Peace Medal and My Gray Peace Scapular, as well as all the other sacramentals on your chest. Now I bless you with Love from Lourdes, from Medjugorje and from Jacareí."

JACAREÍ, JANUARY 01, 2015 - SOLENITY OF THE HOLY MOTHER OF GOD - MESSAGE FROM HOLY MARY

"Beloved My children, today I invite you again to conversion.
The new year begins and with it My maternal concern also begins and increases. Humanity is heading towards its destruction. More and more men in

the past year have turned away from God and hardened their hearts. There is almost no one more worthy of the mercy of the Most High.
I come to ask you for more prayer, more penance, because otherwise this world will be condemned forever. You are My last hope, Earth's last hope. That's why I ask you little children: Help Me, help Me to convert this world full of sin and that rebels against its Creator more and more every day.

I come as Queen and Messenger of Peace to give Peace to the world, but I cannot make Peace triumph in a world of sin that destroys everything that God created in harmony and order. So I say to you: Be converted because time is short!
Only prayer can bring you to conversion. And only through conversion does man come to sanctification and salvation. Therefore little children: Pray, pray and pray! I will never tire of repeating this to you until you are convinced that without prayer there is no remedy for your ills. Without prayer, apart from prayer there is no remedy for your sufferings, for the sufferings of the world and for the disorders of humanity. Pray, pray, in prayer your salvation begins.
Do not always listen to My Messages without putting them into practice, because I say to you: God will ask you to account for what I ask of you in each of My Messages. And if you do not put them into practice, little children, you will be defendants in Divine justice.
Be converted! Pray My Rosary! With the Rosary you will obtain many miracles from the Lord. You lack faith in the effectiveness of the Rosary, believe in it and then you will see My Miracles. Jesus will experience your faith in the Rosary, if he sees that you pray without faith, he will do nothing... But if he sees faith in your heart, similar to that of the centurion, he will do wonders and more wonders in your life. With the Rosary you will save Brazil, with the Rosary you will save the world from all the evils that Satan has introduced into it.

I will remain with you during this year. Worry about My maternal concerns, pray for My Plans, alleviate My great suffering by praying a lot and announcing My Messages of Love to all My children.
Immerse yourself in deep prayer, do not be content with superficial prayer. I don't like people who pray superficially, I like people who go into the depths of praying the Rosary and truly meet Me, whether in the Rosary, in Chant or in Meditation. I want truly mature and adult souls in the prayer of the heart.
Pray with your heart, learn the perfect way of praying, because if you don't

learn this basic lesson, you will hardly learn the other things in the process of sanctification.

Pray, pray, pray! I love you very much little children and I never abandon you, only sin can separate you from Me. Sin no more, you belong to the Lord, you are not of the world, so leave the things of the world and follow the things above, the things of God.
I bless you all with Love from Montichiari, from Medjugorje and from Jacareí.
Forward My soldiers, this year the fight will be closer! Prepare for battle, pray more Chaplets of Tears every day."

JACAREÍ, JANUARY 03, 2015 - FIRST SATURDAY OF THE MONTH

MESSAGE FROM HOLY MARY AND SANTA LUZIA

"My beloved children, today I come with My daughter Lucia to say to you: Pray, pray!
Prayer must be joy and life for you. Pray, because only with prayer will you know the path to holiness open to you. And only with prayer will you have the strength to follow him.
The world is getting worse every day, the world is going badly because the number of people who pray today is very few. And there is no one who sacrifices himself for souls to the point of forgetting himself and bringing My Messages to souls by forming prayer groups and cenacles in families everywhere.

That is why I insist on this: go My children, take My Messages to My children, form the prayer groups that I asked of you, spread My Word, because it is the only way to make at least a third of humanity convert and be saved.
I love you very much and this year I want to lead you to great holiness and give you many thanks. Open your hearts and pray a lot, because only through prayer can I communicate to you the lights and graces that the Holy Spirit gives me to give you.
Pray, pray! Great punishments this year will befall humanity as it continues along the road of its rebellion against God. Raise with Me a great supplication of prayer to the Lord that the world may be saved.

Pray My Rosary, when you pray the Holy Rosary, all hell trembles, the souls that are in the power of satan are freed and a great rain of graces descends on

the world.
Pray the Rosary, this is your greatest and main mission given to you by Me. The Rosary is the prayer that has saved humanity over the centuries and is the one that will save the world in this one. Therefore, pray it and spread it so that the world may be saved and have Peace.
Study My life more, study the lives of the Saints, meditate on My Messages so that there, with the light of the Holy Spirit, the path you must follow may be clear to you.

I bless you all with the Love of Fatima, Medjugorje and Jacareí."

(St. Luzia): "My beloved brothers, I, Lucia, Luzia of Syracuse, bless you today once again and say to you: Peace, Peace, Peace!
Continue on the road of Peace, pray for Peace, bring Peace to all the paths to all hearts, to all the ends of the world.
In this year, as never before, you must take the Word of the Mother of God, her Messages to souls. For the salvation of a great number of them depends on this, it has already been said to you Here in the past, that a great number of souls are entrusted to you, only with your prayers, your example and your dissemination of the Messages and Prayer, is that they can be saved.

Go, therefore, without fear, bring them the light of the Lord, because this light will do great wonders in you and through you for these souls.
I, Lucia, will be with you this year, following you with My graces, with My blessings, covering you with My Mantle of Love. I love you all! All of you are dear to Me, precious and for nothing in this world will I leave you, nor will I forsake you.
The enemy tempts you, persecutes you, wants your condemnation, wants to overthrow you, it's true. But I am with you, I do not leave you! I will not allow him to overcome you unless you yourself will and let him. But if you remain firm in prayer, constant, persevering in meditating on the Messages, in devotion to Me, in praying My Rosary at least once a week, I promise you that the enemy will not be able to shake you, he will not be able to defeat you.
I now bless you all with Love from Catania, Siracusa and Jacareí."

JACAREÍ, JANUARY 04, 2015 - FESTIVAL OF THE EPIPHANY OF THE LORD

“My beloved children, today you begin with Me a new journey this year of Cenacles and Messages every Sunday.
I will continue with you, leading you along the path of prayer, of holiness, of penance and of love, of love for God. Open your hearts to Me so that I can truly act mightily in your lives, act mightily in your families and in the world this year.
Pray more, pray the Holy Rosary with more love. When you pray the Holy Rosary with love, infinite graces descend from Heaven upon all of you My children.

Truly, what My little son Mark said is true: I am alive Here. All these graces and conversions, signs that you are witnessing here are not your imagination. It is I, live bringing the graces and blessings of the Lord.
The only thing I want from you is the opening of your hearts. Then I will take you step by step along the path of prayer, along the path of grace, goodness and holiness, to God.

Open your hearts to Me little children and let My Flame of Love enter your hearts and renew everything, transform everything.
come to Me, I have so many graces to pour out on you from My Hands. I love you so much and I don't want you to suffer in the future, so I ask for your conversion. Pray, this year My Immaculate Heart wants to save many souls and carry out more stages of My Maternal Plan. Pray the Rosary for My Plans and for souls to be saved according to the desire of My Son Jesus and the desire of My Heart.
I am the Queen and Messenger of Peace, I want you to have Peace in your heart. For this, pray, pray the Holy Rosary a lot. Also pray all the other Rosaries that I have asked you here and My Hours of Prayer, because with them your heart has the Peace of Heaven.

My Mantle covers you all My children, so in your afflictions call on Me and you will feel My Love and My presence. You will have the strength to persevere and overcome with faith all the trials of life. My Gaze is always placed on you, always placed on your needs. My Gaze is still placed Here, in this blessed and chosen Place of My Heart and Here I will always give you all thanks, consolation, peace, salvation.
Pray, pray, this is My Message for today.
I bless you all with great love from Lourdes, from Montichiari and from Jacareí. Peace My beloved children.”

JACAREÍ, JANUARY 10, 2015 - MESSAGE FROM SANTA LUZIA

“My beloved brothers, I, Luzia of Syracuse, servant of the Lord and your sister, come again today from Heaven to say to you: Pray, pray the Holy Rosary.
With the Holy Rosary all spiritual battles are won.
With the Holy Rosary, miracles can be achieved.
With the Holy Rosary, present events and even future events can be changed, moving away from the misfortunes that are approaching the world.
With the Rosary you can obtain everything from God, everything from the Mother of God, as long as what you ask for is holy and for the good of your soul.
Pray, pray the Holy Rosary, because it has never been heard that a servant of God who had prayed the Rosary had lost the war against hell.
Pray, pray, pray.
I bless you all from Syracuse, from Catania and from Jacareí.”

JACAREÍ, JANUARY 11, 2015 - MESSAGE FROM MARIA SANTÍSSIMA

“My beloved children, I am the Queen and Messenger of Peace, I am your Heavenly Mother who always repeats the same music, the same song of Pain and Love: I love you and I do not want you to suffer in the future.
That is why I ask you: Convert without delay! Because the time given by God for the conversion of the world is very short now. Reform your life, sincerely converting and seeking your conversion with commitment every day before it is too late.
The great Punishment will come without warning and most human beings will be caught in sin. And then, the Wrath of God will fall on the Earth, lightning will strike many, fire will devour cities to their foundations reducing them to ashes. Only the righteous will be protected and will live.
Repent and make your hands truly clean from sin, your hearts clean from blasphemy, from vanity and from rebellion against the Lord. And may your life every day be filled with the fruits of prayer, sacrifice and penance.
The world was not ready to receive My son the first time. And so it is not now prepared to receive it. And just as the first time My Son came into this world, he was preceded by John the Baptist, again now he is preceded by the new John the Baptist of recent times, which I am with My Seers, calling the whole

world to conversion and to penance like John the Baptist in the Gospel.
The world is not ready to receive him, it hates the truth. Truly I say: if My son were to come back into the world again, he would be killed again, he would be crucified again when I speak again of purity, when I speak again of conversion, when I speak again of fulfilling the Ten Commandments of the Law of God.

This world that hasn't changed a thing in these two thousand years remains the same, rebel against God, enemy of God's Commandments, enemy of the truth. That is why the world will be punished, because God cannot bear so many more crimes that are committed on the face of the Earth, little children killed in their mothers' wombs by their own mothers. Brothers who kill brothers, wars, violence, cruelty, sins of impurity, sins of blasphemy, idolatry of pleasure, sex, money and power, vanity and sensuality on all sides.
God can no longer bear so many sins and will cleanse the face of the earth. It is your prayers that hold the great Punishment, it is the righteous souls chosen by God, chosen by Me who are delaying the Punishment with their prayers, with their sufferings, with their groans, carrying the cross.
Yes, little children, continue to pray that at least a third of humanity is saved, at least a third... What my little son Marcos said, I repeat: Make Prayer Groups everywhere, wherever you can, with whomever you can. and when you can. Because these Prayer Groups are Earth's last hope and they are also My heart's last hope. Don't wait any longer, don't leave it for next month or next year. Begin now to pray with your friends wherever you can. Because only your prayer can still achieve the salvation of so many in the power of Satan, blinded by mortal sin, so that they can see the truth and convert before it is too late.

Spread My Message from La Salette, because My Tears that fell in La Salette, the Message and the Secret that I gave there, are now being realized in the world and in your life. And My children are lost because they do not know the dangers that threaten them. Let everyone know by communicating My message from La Salette as quickly as possible to all My children, because I want to save everyone and I don't want any to be lost.
I came Here to offer My Love, but it was betrayed and despised by many, My friendship and My predilection were trampled underfoot by many, who exchanged my love for the love of unworthy and sinful creatures. For these, all that remains is the abandonment of God, since they preferred themselves, the creature, to the Creator.

Be converted! Pray, pray the Rosary because only the Rosary can save the world, it can save families, it can save humanity, it can save your souls!

Truly I reiterate the promise I made Here: My true devotee, the true devotee of My Rosary, who prays My Rosary with sincere love every day, will not be lost forever because I will seek all graces so that he may convert and have eternal life.
I love you all! I love this place in a special and very favorite way, because here in the life and work of my little son Marcos, I am fully reciprocated, obeyed, consoled, loved and served. And that is why I will do great graces for your salvation, for the salvation of Brazil and the world.
Pray, just as I saved the world through My little daughter Gianetta Vacci, in Her time in Caravaggio, then because of My fair daughter Mariana de Jesus Torres, I will save Brazil because of the obedience and fidelity, the love and affection that has Mim, my little son Marcos Tadeu.
Be faithful also My children and your fidelity will save many souls that were entrusted to you, to your prayers.
I bless you all with Love from Lourdes, from Montichiari and from Jacareí."

JACAREÍ, JANUARY 17, 2015

MESSAGE FROM BLESSED MARY

"My beloved children, today you celebrate the Anniversary of My Apparition in Pontmain as the Virgin of Hope to the four children chosen by My Heart, and I want to say on this day of My Feast: Trust and Hope in My Maternal Love! Just as I saved My little children of Pontmain who were in so much danger and could do nothing against an enemy much greater than themselves, so I will also save you My little children, so threatened by the demons, who every day plot your doom and attack furiously against you.
I will also save you from this corrupt and corrupting world that drags and seduces so many souls into impurity, lies, violence, dishonesty and all kinds of sin that take thousands and thousands of souls to hell every day. .
I will protect you, I will save you as I saved My children from Pontmain. Have confidence because I have already conquered the world together with My Son. Jesus' victory over the devil, sin and death with His Passion and His resurrection is also My victory.
And so it is written of Me already at the beginning of the Book of Genesis: I will

put enmity between you and the woman, between your offspring and Hers, and she will crush your head.

My victory is in the Name of the Lord who made Heaven and Earth. My victory is in the Name of the living God and as long as God is God His Word remains alive, effective and valid. And it was He who decreed that in the end I will triumph over Satan. Therefore, little children, do not be afraid! Because I am with you, just as I was with My little children of Pontmain, who needed Me more than ever on the day of My Apparition. And I have heard their prayers, I have heard their cries. I have not abandoned them, I have not been insensitive to them, and neither will I be with you. The only thing I want from you and what I ask of you is: prayer and fidelity like those children, like those My children of Pontmain.
Pray with love, with confidence, with simplicity of heart as they prayed and persevered in prayer. And so, I promise to protect you from the wars, from violence, from the sin of this world that now dominates everything.

I will not allow evil to prevail against you. Therefore, little children, advance with Me on the path of prayer towards victory, through the Rosary we will win! And just as with the small number of faithful I overcame the mighty army at the time of My Apparition in Pontmain, so now with a small number of children faithful to My Heart, consecrated to My heart, I will overthrow and annihilate the whole of Hell and My Immaculate Heart will triumph.
I bless you all from Pontmain de Pellevoisin and Jacareí."

MESSAGE FROM SANTA LUCIA

"My beloved brothers, I, Lucia of Syracuse, Luzia, am glad to come today with the Mother of God to say to you: Hope in your heart!
Hope because you are not alone, you are not orphans, the Mother of God is with you, We Saints and Angels, all of Heaven is with you. And as long as you do not want to return to the life of sin, We will never leave you alone nor at the mercy of sin, demons and the world. We will always be by your side, we will protect you and give you strength to reach Heaven which is your prize, goal and inheritance.
We love you very much and we have a very special care for you much more than your mothers. You cannot imagine what we are capable of doing to save your souls from sin. Therefore, always trust in Us, always pray to Us because We are very attentive to the voice of your prayers and in the time set by the

Lord all your prayers will be answered, all your hopes will be fulfilled.
Hope in your heart! Because with each passing day you are closer to the New Heavens and the New Earth with the Triumph of the Heart of Jesus and His Mother throughout the world. And this Kingdom of love and happiness, of purity and grace is ever closer to you. Prepare yourselves for him by converting yourselves, purifying yourselves and sanctifying yourselves with fasting, penance, prayers and self-denial, to your will. That you may truly be worthy to enter the New Heaven and the New Earth.

Hope in your heart! Because your Mother who said: 'In the end my Immaculate Heart will triumph.' She is the same Lady of whom it is said in the book of Genesis: 'She will crush your head.' She will crush Satan's head. It will crush its infernal empire, it will crush all the evil that the demons have introduced in this world and you will see how the Earth will be completely purified and your eyes will be enchanted by the beauty and the Time of Peace that will be given to men.

God will wipe away every tear from your eyes and the time of purification, this time of so much suffering, will revert to you in a time of indescribable joys. And just as a mother, after having given birth to her child, forgets all that she has suffered in childbirth to give birth to her baby, so too, in an instant, as the mist dissipates in the morning sun, all your sufferings and torments will be dissipated and you will have the new time of glory, holiness, harmony and peace that will be given to the world.
But, convert yourselves, because just as nothing impure can enter Heaven, nothing tainted will be able to enter the new Heaven and the New Earth, the Kingdom of the Mother of God, the Kingdom of the Lord Jesus. Therefore, purify yourselves, sanctify yourselves.
I am with you and I say to you: Persevere in the prayer of the Rosary, in the Rosary of Tears of Blood and in all the prayers that the Mother of God has given you Here, because with these prayers you will have the strength to free yourself from all sin, you will be able to all graces for your sanctification and you will one day be worthy of the Crown of Eternal Life.
I bless you all with love, from Catania, Syracuse and Jacareí."

JACAREÍ, JANUARY 18, 2015

MESSAGE FROM MARIA SANTÍSSIMA

“My beloved children, today I invite you again to conversion, to return to God. Hasten your conversion, because there is not much time left for you to return to God and also for you to be able to sanctify your life, your soul and your heart.
You know that Here I will leave 13 Secrets to My little son Marcos and when all these Secrets are given My Apparitions will cease and the time given for the conversion of humanity will end.
Convert without delay! Change your life, because this hour is approaching, the hour of God's Justice. And if you do not want to be held back in this implacable Justice, renounce impurity, renounce lies, renounce lust, renounce vanity, renounce your lack of faith, your lack of faith, your hardness of heart.

Pray, only with prayer will you be able to find God, feel God in your hearts, receive His peace and live the full life in abundance that He offers each of you through Me.
Humanity has now finished turning away from the Lord and from His Law of Love, if this continues, even the Mercy of God will disappear. In order for this not to happen, there must be more prayer, sacrifice and penance, so that the Lord may turn His loving gaze on the world and still give it the grace of the miracle of His mercy that can lead the world back to peace, to salvation, to true life in Him.
I continue and will continue to come to call you to this conversion, to this life. I love you very much, I don't want you to suffer in the future, I don't want you to suffer in this life with the punishment of God and in the other with the eternal punishment, the fire of hell. Therefore, I say to you, little children: hasten your conversion, take My Messages seriously, meditate on them so that your lives are truly transformed.
My enemy always tries to present his odious temptations to you, but you must renounce him with the Rosary in your hand and with your heart truly vigilant, watching your conduct, watching your behavior so that he does not catch you in some snare. I and the Angels are very close to you and every day we defend you and keep away from you many snares of My enemy. And you must complete this protection with your prayer, your vigilance and your flight from sin.

To everyone I now say: Continue to pray My Rosary, and all the prayers I have given you here, because whoever serves Me with My Rosary will never be abandoned by Me. God will defend him as his own Glory and that soul will surely be taken by the Holy Angels to the glory of Paradise when he finishes

his walk in this world.
Also pray the Rosary of My Immaculate Conception at least once a week, which is so powerful to ward off and destroy the works of Satan.
I bless you all now, from Loreto, from Pontmain and from Jacareí."

MESSAGE FROM SÃO BENTO

"My beloved brothers, I, Benedict, servant of the Lord and of the Mother of God, rejoice today to be able to come to this place for the first time to give you My Message.
I thank you for the love and devotion that you have with Me, for Me, I especially thank you Marcos, My sincere, true and faithful devotee. I thank all those who have My Medal, all those who have My Scapular, My Sacramentals, I will protect you from all evils today and always.
And if you are jealous to cultivate My devotion, devotion to Me, I will never leave you, I will always cover you with My protective staff and I will defend you from all evils. To all those here I have already benefited, to all those I have given My thanks and My miracles for using My Medal with confidence, My Scapular with confidence and for always bearing My Name in their minds, mouths and hearts by praying the Rosary that My most beloved Mark did in My honor.
Oh yeah! My gaze now hovers over these devotees of Mine, I know you, I love you all, I know who prays to Me and who does not, who trusts in Me and who does not. And upon those who truly love Me My Special Blessing now descends.
I know who always honors Me, who always shows Me their love, their faith, their affection in front of My image. These devotees of mine I have engraved in My heart, for them I pray 24 hours a day before the Throne of the Lord and His Mother, I offer for them My merits to obtain for you graces and miracles. I am always by their side and I never leave them.
I come today to say to you: Be saints, for the greater glory of God, living as I always do in prayer, in penance, in good customs, in songs, praises and thanksgiving to God. Living always in flight from sin and withdrawn from the world, although you have to live in the world, you can be separated from the corruption of the world, praying always, always watching, always meditating and, above all, avoiding and fleeing the occasions of sin.
You must love people, but not be carried away by their bad advice. You must be the salt of the earth, you must with your holiness, with your life give flavor to the world, a taste of God, a taste of life, a taste of holiness, a taste of

conversion.
Then you will truly be a precious salt, which wherever it falls, which wherever it goes, will produce much good, it will produce a delicious food of conversions, of change of life, of loving souls to please the Lord.
Headquarters Santos! Living as I did, with your heart continually lifted up and fixed on the things above for which you were created. If you have your heart always on God, always on his Mother, trying to do everything to please them, fleeing from everything that displeases them. Then you will truly live in God, you will already live in Heaven, although you live on this Earth.
And God will come to dwell in your heart, he will ascend with you, you will be one with Him in Love. And then he will seal with you, that is, He will always be with you and you will enjoy the most powerful influxes of His Love, His grace, His Holiness, His Peace and one day in Heaven you will enjoy His Divinity.
Be the salt of the earth by continually living the Messages that the Mother of God has given you here. In My time I did not have them, if I had them, oh, how I would have given thanks, praises to God and to Her! How she would have shouted to men all over the world to hear her voice! With what services even greater works than those I did, I would not strive to thank her, praise her for so great a gift.
And you have here this most precious Gift and how little love you still have for this Mother, how little gratitude you have for God.
Love this Mother more and be the salt of the earth carrying Her Messages, being a sign of Her presence in the midst of the world so that this world that has been contaminated, that has been poisoned by sin, by the darkness of satan can truly see the light of God and taste the good food that God sends through His Mother to this world.
Yes, satan has thrown into this world, he has thrown a fatal poison in the sins, in the pleasures, in the darkness of this world, for souls to feed. You are called to be the salt that truly offers souls a tasty, restorative, fortifying food of God's grace. Go to them, be the salt of the earth for them. Be the light of the world, and then these brothers of yours, savoring the good and pleasant taste of the food that the Lord sends here through His Mother, will also desire like you to feed on that bread that comes from Heaven, that strong food that comes from Heaven. through her.
And your souls and theirs will all be strong, robust in grace, robust in holiness and the world will change and become the Kingdom of the Sacred Heart of the Lord and His Mother and Peace will come to this Earth.
I, Benedict, am with you in every moment of your life, in your tribulations do not despair, call on Me and I will hear your cry and I will come immediately to help

you.
In my life I have had many persecutions from My earthly enemies and from My infernal enemies, I have gone through many trials and tribulations. But, I have conquered everything by the power of My faith, I will increase your faith and make it so powerful that nothing will be able to bring you down. Pray more so that I increase your faith and you will see that I will give you strong faith.
Whoever is My student in the way of discipline, prayer, work and purity will be great in the eyes of God and will sing with Me in the same heavenly choir, in the praises of the Lord and his Mother.
I bless you all with great love now and I cover you all with My Mantle of Light."

MESSAGE FROM SANTA LUCIA

"My beloved brothers, I, Luzia of Syracuse, come again today to tell you: I love you and great is My Love for you.
Great is My Love, that's why I am by your side in every moment of your life. Pray more because only through prayer can I lead you along the path of salvation and peace and protect you from all the assaults of Satan.
Think that sin is such a great evil that the Son of God himself had to descend from Heaven and incarnate himself and die on a Cross to destroy this evil.
Sin separates you from God forever, sin puts an impassable precipice between you and God, which can only be undone by conversion.
Be converted! Repent of your sins and pray, for only prayer can lead you to conversion.
I, Luzia, don't want to lose you, I don't want you to suffer in this life and in eternity, in eternal damnation. Therefore I say to you: Convert and pray.
Pray for Peace, pray for Peace in your hearts, for Peace in your families, for Peace in the Church, for Peace throughout the world.
This is your mission Here: To be the intercessors of Peace together with the Mother of God the Queen and Messenger of Peace.
To My true devotees who love Me, who say My Rosary every week, who spread My Life contained in the Film that My beloved Marcos made for Me, and to everyone who listens to Me now, I generously bless from Catania, Syracuse and from Jacarei."

JACAREÍ, JANUARY 25, 2015

MESSAGE FROM BLESSED MARY

"My beloved children, today I again invite you to love, grace and peace.
The Anniversary of My Apparitions is approaching. Here and now you must prepare your hearts for My Feast, cleansing it from all sin, perfuming it with more prayer, decorating it with more love. And, above all, illuminating him with a faith that is more alive, more ardent, more enflamed by My Son Jesus and by Me.
In this way, My Feast will be for all of you the beginning of a new time, a time of greater grace, a time of transformation, a time of greater union with God, because He is at the door.
My Son will return soon and how many are still sunk up to their heads in the quagmire of sin. Oh, for these the Justice of My Son will be terrible and that is why I send you My Angels, My Messengers, My Seers to warn you and to prepare your hearts for the imminent return of My Son Jesus. Because on that day My children, there will be no excuses for you, there will be no ears to hear your laments and your groans, because the time to listen to your groans and your supplications is now. That day will be too late.
Therefore I say to you, beg now with many prayers and tears for your salvation. Be truly converted because you do not know the hour in which the Lord will come.
I have been giving you My warning for so many centuries and you do not listen, little children! I truly wish your life this year to change for the better. Therefore, pray more to open your heart more to the Lord. Without much prayer, the heart is not open to God's grace.
Prayer is a condition for receiving more help from God, for loving God himself more. Therefore, pray more and greater grace will be given to you and in this way you will love the Lord much more.
I am with you little children and I do not abandon you! In your difficulties you very easily lose trust in Me, this is a failure of your love which is not yet strong.
Pray that your love may be stronger, that your trust in Me may be stronger, so that you remain like Me at the foot of the Cross, standing without losing your Faith, firm and undefeated in the Faith.
I have come to so many places in the world, but the places of My Apparitions are deserted. Men don't want to know anything, the places of fun and pleasure are packed to the point of bursting. And in the meantime, the places of My

Apparitions are relegated to oblivion, there is no one with the Rosary in hand praying... And when they go, they only go to desecrate Them, to laugh and to entertain themselves with useless pastimes.
Pray, what I came from Heaven to Earth to seek are: prayers and sacrifices. Pray more Rosaries, make more prayer groups in your cities, because these prayer groups are the last hope of all humanity.
I am the Queen of Heaven and Earth, I am the Mother of Jesus Christ and He for My Love grants all the graces that My devotees and My children ask of Me.
Through Me He conquers hardened sinners, because nothing can resist My Love, My Sweetness, My Mother's Tenderness.
Pray that hearts accept My Love, receive My Love.
Continue with all the prayers I have given you Here. Pray for Peace, you are the protectors of Peace, you are the intercessors of the Peace of the Peace of the world. Pray for her in your hearts, in your families in the whole of humanity.
Spread more of My Message from La Salette, make known the life and love with which My little daughter Bernadette of Lourdes loved Me. Make all families consecrate themselves to My Immaculate Heart as I asked in Bonate.
Pray for the conversion of Russia and of sinners as I asked you at Fatima.
I bless you all with great love from Lourdes, from Pellevioisin and from Jacareí."

MESSAGE FROM BLESSED MARY

"My children that I love so much, today begins the Novena in preparation for the Anniversary of My Apparitions Here.
Decorate your hearts with assiduous prayer, with sacrifice, with penance, with the reading of My Messages of Love and Pain, especially those at the beginning. So that you can understand perfectly what mission I received from the Lord to carry out Here. And what is your mission with Me, to lead the whole world to conversion, to the Triumph of My Immaculate Heart and the complete return to God.
Decorate your hearts for My Feast, truly, giving Me during these days a heart full of love, full of a true desire to be Holy and to be converted.
Every day fight against your faults and sins, renouncing them all and making war on each one of them. So that this Novena is truly a time of strong conversion for each one of you.

And perfume your hearts and your souls, little children, so that on My Feast day, you can truly be a bouquet of fragrant flowers for My Immaculate Heart and for the greater glorification of the Lord. I bless you all now from Montichiari, from Medjugorje and from Jacareí."

Messages communicated in the Apparitions of Jacareí, year 2016

***Jacareí, January 1, 2016* - New and extraordinary graces and promises of Our Lady on the Medal of Peace and the Mystic Rose**

(Holy Mary) : “My dear children, today, on the first day of this new year that is born, when you contemplate Me in the Mystery of My Divine Motherhood, I come again to you to tell you: I am the Mother of God. I am Theotokos, I am the Mother of the Creator. In My womb, My Son Jesus received from Me the flesh, the blood, He became man to live here in this world among you and redeem you with His Life, Passion and Death on the Cross.
I am the true Mother of God, giving the Second Person of the Holy Trinity My human substance so that He could become man and truly carry out the Divine Plan of salvation for all of you. I am, therefore, your Co-Demand, for I have worked, I have truly worked with Christ, collaborating with Him in everything for your redemption and your salvation.
I am the Mother of God and, therefore, I was raised by God to the highest dignity that a creature could and can be raised: the dignity of the Mother of God. This dignity God has bestowed on Me alone and on no one else. That is why I occupy a unique, privileged and singular place in all creation, being just below God and above all other creatures.
I am the Mother of God and therefore Jesus is truly My Son and I am His true Mother. Jesus Loves Me! As My servant Maximilian Kolbe said: Jesus is and will always be My devotee.
Jesus throughout His life and especially at the wedding in Canaan granted My request and changed the water into wine as I asked Him. He does not deny Me anything, I am Mistress over My Son's Heart, I reign over My Son's heart and My requests, My supplications to Him, He takes them as a true Son, that is, He takes them as orders and always accomplishes everything how much I want, because you love Me so much and to please Me and make Me happy.

So today, on the Feast of My Divine Motherhood, I invite you to have great trust in Me, in My power with My Son Jesus, for He who received flesh and blood from Me, who grew in Me for nine months and also that you received from Me milk and food, care, love and affection. This My Son will never deny Me anything.
Therefore My children, trust completely in Me, pray My Rosary and place all your afflictions, pains and sufferings in My Hands and I will present everything to My Son and He will change the water of your suffering into wine of joy.
Above all, ask through Me from Him the grace of holiness, the grace of the increase of My Flame of Love, the grace that you will climb more degrees in true love. And My Son Jesus will certainly answer this request, because this is the request and the prayer that pleases Him the most and He will never deny this grace to those who ask Me in faith.
Those who truly want the increase of My Flame of Love, those who truly want to grow in true love for God and Me, rest assured that this desire of yours and this prayer of yours will always be answered by My Son.

Therefore, little children, know that I, Mary, Mother of God, enjoy all power in Heaven and on Earth, because the Father loves Me as His most preferred Daughter, the Son as His Divine Mother and the Holy Spirit as His Mystical Spouse. and Immaculate. The trinity denies Me nothing, so all those who turn to Me with confidence will always be looked at with Love by the Holy Trinity and will always receive the torrents of His Mercy.

In this new year that is born, I want to take you even higher in holiness and in the true love of God, so begin this year truly determined to grow in true love for God and for Me. Renounce all the things within your heart that prevent you from growing in true love for Me and the Lord, cut ties with everything that weakens My Flame of Love in you.
And then, truly in this year, I will lead you to rise more and more the degrees of true love until you reach fullness and reach the summit of Love in pure transformation.
Pray more, pray much more intensely with your heart, because only with intense prayer of the heart will My Flame of Love grow in you and your heart will also grow more and more in the degrees of true love for the Lord and for Me.
I love you all with all My Heart, I accompany you and protect you in all the difficult moments of your lives, and I will always give you My Love, My Grace, My protection and My Peace.
Continue to pray all the prayers that I have commanded you to do here, because through them I will always lead you higher in the true Love of God and Me. Exercise yourself every day, renouncing, casting out of your heart the disordered love for yourselves and for creatures, so that finally My Love enters your heart, grows in your heart and takes you to the summit of holiness that My Lord awaits. from you and that I also hope. And that I came here determined to take you to this summit of holiness to which I came here determined to take you. Then truly My Immaculate Heart will triumph in you.

I bless you all now with love, I give you My Special Blessing that will remain with you throughout your life. I also give the Plenary Indulgence to all those who make My Cenacles of prayer in families and those who pray with love My Meditated Rosary, My Hour of Peace and all the prayers that I have faithfully given Here every day.
To those My children who carry My Messages and My Love I now give a Plenary Indulgence. Also, in My excessive Love I promise that everyone who carries My Peace Medal on their chest on the 7th of each month will take 7 of their relatives out of purgatory of their choice.
Also on the Anniversary of the revelation of the Medal of Peace, 70 of your relatives will be taken out of Purgatory, who will be able to choose between known and unknown.

And those who carry the Medal that I revealed in Montichiari to My little daughter Pierina Gilli, My Medal of the Mystic Rose, on their chests, I promise that every 13th day they will take 13 souls from their relatives or friends of their choice from Purgatory.

And on the 13th of July of each year 13,000 souls will be taken out of Purgatory of their choice too, I will likewise give the grace of salvation to 13 of their living relatives of their choice.
And on February 7th of each year I will give 70 of your relatives or friends of your choice too, the grace of salvation.
To everyone and especially to My little son Marcos, who throughout the past year served Me with so much obedience, dedication and love even in pain and even when he was often sick.
I now bless you with love, because it was through him, through his merits, that these new graces and promises were given to you today from My Immaculate Heart.
To him who is My faithful and obedient servant and to all of you who truly serve and love Me I now give My blessing from Lourdes, from Montichiari and from Jacareí."

Jacarei, January 2, 2016

(Santa Luzia) : "My beloved brothers I, Lucia, Luzia come today on this first Saturday of this new year that is born again to tell you: Start your conversion again!
In other words, return again to the primitive spirit of your initial conversion, turning your hearts completely and truly to the Lord, to Our Most Holy Queen, giving them your 'yes', giving them your whole life. And truly, desiring to love Them, follow Them, serve Them and obey Them with all the strength of your heart.
Begin your conversion again by returning to your first love, returning to that initial love that you had at the beginning of your conversion and which made you so thirsty for prayer, so much thirst for being alone with God, alone with Mary Most Holy in deep prayer, that made you so thirsty for Their word, which made you so thirsty for God.
Begin your conversion anew by truly renewing your sincere vows to love, obey, serve God and the Most Holy Mary with all your heart, with all your commitment and with all the strength of your will. So that this year is truly the beginning of a new life in God's grace for all of you.
Desire the Flame of Love of the Mother of God, with all the strength of your heart, so that it truly comes to you and transforms you completely into a burning furnace of love, so that you can truly be, the most beautiful gift for the Mother of God in the Anniversary of Her Apparitions approaching.
I Lucia, Lucia, love you very much and I pray without ceasing for all of you before God and before Mary Most Holy. Continue to pray My Rosary at least once a week, continue to pray the Holy Rosary and the Prayers that the Mother of God has given you here every day.
I love you very much and I always keep you under My Mantle.
I bless you all with Love from Syracuse, from Catania and from Jacareí."

Jacarei, January 03, 2016

(Holy Mary) :"My dear children, once again I invite you at the beginning of this new year to grow in true love for God, for Me and also in the zeal that is the fruit of love for the salvation of your brothers.

You cannot continue in the same degree of love that you had for God, for Me until now. You are called to great holiness and great holiness requires great love.
Only those who loved God and Me very much were great Saints. Therefore, you must truly grow more and more in the degrees of true love for God and Me, so that you reach that extreme holiness that I came here to seek and that since My first Message Here I asked you and to which I called you.
This great holiness will only be possible for you if you love God very much and Me very much. How can you know if you love God and Me very much?
If you are capable of making sacrifices for God and for Me, then you truly love Me.
If you are able to renounce your will, your opinions to do the will of the Lord and Mine, then you truly love Us.
If you are capable of preferring God and of preferring Me over creatures, then you truly love Us.
If you are able to truly leave everything and renounce all worldly things, out of love for God and Me, then you truly love Me and you love My Son.
If you truly prefer what is best for the Lord, what is best for Me instead of what is best for you and more comfortable and pleasant for you. Then truly you love the Lord and you love Me more than yourselves.
You must grow in that love and if you do not yet have it, you must seek it, you must ask for it, you must desire it with all the strength of your will. This Love is My Flame of Love, which will only be given to those who want it with all the strength of their will and heart.
True love will manifest itself in the works of love that each one does. When each one is able to sacrifice himself completely for God and Me, then truly My Love will be in him, Our Love will be in him and will live in him.

True love will bring you to tears when you think of My Love and the Love of God. True love will bring you to tears thinking of the Lord's pain and My pain for losing so many of My children without having anyone to help Me save them.
True love will lead you to put aside your will, your wanting, the will of your flesh and what you think is most delicious for you. To embrace what is best for God, what brings Me the most joy and what does the most good for the salvation of souls, even if it costs you work, sacrifice, fatigue, pain and suffering.
Then, My children, you will be like Me, you will have the love that I had burning in My Heart for the Lord and for the salvation of souls, perfect charity. And this Love will then transform you into living likenesses of Myself, it will resemble Me. And it will make you so like Me, that those who look at you, those who talk to you, will feel My presence in you, My Love in you, they will feel My affection in you and they will feel My peace in you.

Then My children will feel the sweetness of My Love, they will understand the beauty of My Love, they will fall in love with Me and I will lead them to the complete conversion and salvation that God and I desire for all Our children.
Grow more and more in true love, trying every day more and more to exercise yourselves in renouncing your will, the will of your flesh. To grow ever more in the perfect love for God and Me, which will truly lead you to be those souls who loved God the most and who loved Me the most in all humanity.

Continue to pray My Rosary every day and all the prayers I have given you, so that My Flame of Love may grow in your hearts and never the world, the devil and yourselves can extinguish it in your hearts.
I bless you all with love from Lourdes, from Fátima, from Akita and from Jacareí."

Jacarei, January 07, 2016

(Holy Mary) : "Mark, My son, today, January 7th, the monthly anniversary of My Apparitions here, I come once again to bless you and call all My children to love. Now that there is only 1 month left for the Jubilee of My Apparitions, here all of you must pray, pray, pray asking for the increase of My flame of love in your hearts, so that you grow more and more in true love for God, for Me and also in zeal for the salvation of the brothers.
Rekindle My flame of love in your hearts, praying more, praying with your heart, making a living prayer, so that your hearts burn ever more with a living fire for God until your souls are merged in a single living flame of love. with God and you live in Him and He lives in you.
Rekindle in your hearts My flame of love, meditating more on My Messages of love, so that your souls know more and more God's will, His plan of love for you and your souls follow the path of the perfect fulfillment of the will of God and arrive at perfect charity, that is, the perfection of love for God.
Rekindle in your hearts My flame of love, sacrificing what you love most for the love of God, so that your souls may be more and more free from any attachment or slavery to creatures and thus be always more all of God and then through you he may still reflect his effulgent light in this world wrapped in darkness of sin and deliver through you all who are still the slaves of satan by sin, vices and apostasy.

Now that humanity has finished hardening its heart against God and against Me, I ask you to pray My Rosary more and more, because only it can still produce the miracle of conversion of so many My children, who without the prayer of the Rosary of you will be lost forever.
Therefore, My children, pray, pray, pray that this Jubilee of My Apparitions here on February 7th will be a new Pentecost not only for you but also for many souls that can only be saved through you. Then My flame of love will enkindle the whole world with love for the Lord and for Me, and finally My Immaculate Heart will triumph!
I love you and I will never leave you.
I bless you all with love from Fatima, from Medjugorje and from Jacareí."

Jacarei, January 9, 2016

(St. Luzia) : "My beloved brothers, I Lucia, Luzia of Syracuse, come to call you again today to have true love for God in your heart.
Only when you have perfect charity, perfect love for God, will God dwell in your hearts and be able to perform His wonders in you. Pray, pray, pray, now more than ever asking for the flame of God's love to increase in your hearts.
How many are looking everywhere for messages about punishments, about future events. They also only seek graces, favors and miracles, but they do not

seek the true Flame of Love. This is the most important thing: learning to love God perfectly, do His will, love the Mother of God and do Her will perfectly. Happy is the man who concentrates on this and seeks it with all his heart. Because he will truly please God, he will please his Mother, he will attract their loving and merciful gazes, and God and his Mother will come to make their home in the heart of those who love them.
Here is truly, the love nest of the Mother of God, Her School of Love, where She wants to form souls on fire with love for God. But the soul that loves itself more than God and Her and that is not capable of sacrificing itself for Them, this soul has not yet known true love for God, nor for Her.

So learn that to love is to sacrifice yourself for God and His Mother, putting them first in life. Only when you do this will the love of God be in you.
I, Luzia, pray that all of you reach these degrees of love. During this year you must progress, climb higher in the degrees of true love, pray for it, desire it, seek it with all your strength and it will be given to you.
I ask you all with love: Keep praying the Rosary of the Mother of God every day, praying My Rosary and all the Prayers that the Lady of Heaven asked you here. Through these Prayers you will grow ever more in the knowledge and desire for true love.
I bless you all with love from Catania, Syracuse and Jacareí."

Jacarei, January 10, 2016

(Holy Mary) : "My dear children, today I invite you all again to renew the love in your hearts. In this new year you must grow in true love, increasing more and more the degrees of this love for God and for Me. So that, truly, My Plan of Love may be carried out in you, which is to transform you into the saints most burning with love for God, for Me and also for the salvation of souls as never happened until now.

That's why I appeared here, to form an army of Saints, of souls on fire with perfect love for God, so that the kingdom of the Heart of My Son Jesus and also the Kingdom of My Heart will finally come to the world. Therefore, make My Flame of Love grow in your hearts more and more each day, so that you can reach that perfect holiness that God expects of you.
Make My Flame of Love grow every day in your hearts by praying more and more with your heart, always trying to make the living prayer that truly transforms your heart, changes your attitudes, makes your heart fill each "day" more of light, of love, of grace of the Holy Spirit. And that makes your hearts more and more to become strong to repel and renounce all temptations to sin that might draw you away from God and might obscure in your souls the light of God's presence.
Make My Flame of Love grow in you each day, renouncing your will more and more, renouncing your attachments, the will of your flesh, your opinions. So that the will of God may truly be fulfilled in each one of you and in your life. And so, each day you can grow more and more in pure love that seeks nothing else but to give joy, affection, love and happiness to God and Me for seeing Us perfectly loved in you, in your heart. and in your life.

Thus, My Flame of Love will grow each day more this year in you until it reaches its fullness and when My Flame of Love reaches the fullness of its strength in you. Then it will explode, it will erupt powerfully, igniting the hearts and souls of the whole world, transforming all humanity into a single burning flame of love for the Lord and for Me.
This year must be decisive for your holiness, don't get stuck on the path of love. March forward praying ever more with your heart, renouncing all the things that until now have been the bond that prevented you from flying high in the Heaven of true love, so that My desire may finally come true. And Here in this My Sacred Sanctuary and place of My Apparitions I finally find true love to the maximum degree that I have searched all over the world and have not found.
And finally Here I can offer you, transform you into mystic roses of perfect love, to offer you to God as the bouquet, as the most beautiful garden of mystical roses of perfect love for Him and also for this Mother who every day fights for you and does everything for your salvation.
I love you very much My children and I do not want you to suffer in the future, so I tell you: Convert without delay because the 3 days of darkness are very close to you. Convert and do not leave your conversion to the last minute, lest it happen that when My Son Jesus comes with fire and pillars of smoke to cleanse this world of its crimes and sins, He finds your lamp without oil and off. That is, your soul without the oil of pure love spiritually erased and dead, spiritually cold.
Fill your lamps, your souls with the oil of true love so that they may burn continually for the Lord, who you know neither the day nor the hour when he will return, and who will surprise most men cold and paralyzed in their sins. .
My children, continue to pray My Rosary every day and now in preparation for the Jubilee of the 25th anniversary of My Apparitions Here: Pray, pray, pray even more ardently. So that truly on the Anniversary of My presence Here I can embrace you with My Flame of Love as I have never done before. And finally, you leave here with many more degrees of perfect love for God, perhaps even with the maximum degree of My Flame of Love.

It will all depend on your prayer, your effort and your desire to possess My Flame of Love to the fullest degree. The more you ask for it, the more you want it, the more of it you will receive on the Anniversary of My Apparitions Here.
Everyone I love, care for and protect with love.
I bless you all from Lourdes, from La Codosera and from Jacareí.
Peace My children, Peace Marcos, the most obedient and dedicated of My children who took many swords of pain from My Heart, disclosing My forgotten and buried Apparitions in the contempt and forgetfulness of men to all My children.
Peace to you the most ardent child of Mine in My Flame of Love."

Jacarei, January 16, 2016

(Holy Mary) :"My dear children, today I invite you all again to true love for God, true love for Me, true Flame of Love for Us.

Open your hearts and truly let My Flame of Love enter, through the true, deep and sincere 'yes' of all of you to God and Me, who Am your Master on the path of holiness, perfection and love .
Truly take My Messages seriously and don't just listen to the Messages without meditating on them and without delving into your hearts. Bear true fruits of holiness and obedience to My Voice by fulfilling My Messages. So that God doesn't get annoyed and end up getting tired of you and leaving you to your own devices, seeing that you don't take My Words seriously and don't value them.
I have been leading you on the path of conversion and holiness for so long, but you refuse to climb the degrees of true love. That is why you remain so cold, so weak in prayer and so incapable of fulfilling what I say and of truly being powerful instruments, powerful servants, good servants in the service of Me and in the work for the Triumph of My Immaculate Heart.
Today, I call all of you to truly become My servants out of love, My soldiers out of love and not out of obligation. So that truly Through your love I can shed My Flame of Love all over the world and convert all hardened hearts and bring all My children who are far from My heart to Me.
When you begin to fulfill God's will and Mine in your lives, thanks will be given to you. I desire true children who fight with Me, who fight for Me, for My Plan for the realization of My Triumph on Earth.
These are My children who truly love Me only because I am worthy of love, they obey Me because I am only worthy of being obeyed by all My children. It is these children that I came to seek Here, that I came to seek Here, children who form around My Heart the most beautiful and fragrant crown of roses Mystics of prayer of love, of sacrifice of love, of work of love, of total giving to Me out of love.

Now that the Anniversary of My Apparitions is approaching: Pray, pray and pray even more deeply and intensely. So that you truly become the soldiers of love of My Immaculate Heart, through which I will finally defeat satan, first in your own lives, then in the lives of those close to you, and finally, in Brazil and in the whole world.
Make the prayer groups that I asked for everywhere, spreading My Apparitions and My Messages, because this is the only thing that can save Brazil and the whole world.
Keep praying My Most Sacred Rosary every day and all the Prayers I have given you Here, in this Sacred Place, where I dwell day and night. And where My children who come to Me with true love and faith are rewarded with great blessings and great graces from My Heart.
I bless you all with love from Lourdes, from Medjugorje and from Jacareí."

(Saint Luzia) : "My beloved brothers, I, Luzia of Syracuse, am happy again to come to you to give you My blessing and My Peace.
Pray, pray, pray! Not as you want, but as the Mother of God sent you Here: in the days, hours and moments marked by Her.
True obedience shows itself first of all in this: in obeying and praying what She commanded to pray on the day and hour in which She commanded.
Second, prove your love for the Mother of God by renouncing your will, opinions and will and accepting Hers.

Then prove your love to Her, truly by giving your lives totally to Her, giving your 'yes' totally to Her. And at all times trying to serve her, love her and obey her, not in exchange for her graces, not even in exchange for the salvation and eternal happiness that she can give you. But only and solely to give her love, affection and joy.
Prove your love to Her by serving Her, choosing the hardest, most difficult jobs, the most tiring tasks that require the most sacrifice. So that, truly, your love will be true and sincere and the Mother of God will believe in your love and give you the graces of salvation, peace and Her love.
You were called Here to true love, to love in pure transformation that formed the greatest saints of humanity. In you will not be admitted by God a regulated, petty love, a weak love, a little love.
Therefore, open your hearts to an unlimited capacity to love. Expand your heart to this unlimited capacity to love the Virgin Mary, sacrificing yourself for her, giving yourself totally for her. And exercising your love for her every day, always serving her a little more, always working a little more for her.

Even when your flesh would like to have fun, it would like to rest, it would like to relax. Always try to be active, always watching and working for this Mother. Because those who work for her as it has been said in Holy Scripture will have eternal life. 'Those who live by Me will have eternal life.'
Happy, a thousand times happy, is the one who has this love, who lives this love and who gives himself totally to this love for her. Because already here on earth you will receive from Her the greatest graces of love, the greatest consolations of Her Love, the greatest lights of Her Heart and Her Love and you will already experience the joy that We, the Saints and the blessed feel in Heaven when seeing You. There, when contemplating Her, when loving Her in eternal ecstasy of love.
Then the beatific vision of God and the eternal vision of the Virgin Mary will only be the consummation and crowning of the perfect unitive life, which you will already have with Her here on earth in mortal flesh.

Keep praying the Holy Rosary every day, My Rosary and all the Prayers that have been given to you Here. Through these Prayers made with the heart, you will grow more and more in the life of union with the Mother of God.
And remember: without sacrificing their own will, without renouncing their own opinions and without giving themselves more and more to work for the Mother of God, without striving to grow in love, no one will be able to expand their heart to receive the Flame of Love of the Lord and of the Mother of God with all their strength and in all their fullness.
I bless you all with Love from Syracuse, from Catania and from Jacareí."

Jacarei, January 17, 2016

(Holy Mary) : "Dear children, today, when you celebrate the Anniversary of My Apparitions here in Pontmain, I come again from Heaven to tell you: I am the Lady of Hope and Prayer.
And in Pontmain I gave My Message asking you all to pray that you would persevere in prayer, because My Son Jesus would let himself be touched and would save you all from all dangers, from all evils especially at this time.

That's why, little children, you must pray, you must pray with perseverance without ever getting discouraged, because prayer is the only thing that can save you in these evil times of the prevalence of sin, Satan and apostasy.
Whoever prays will be saved. Whoever prays little will put himself at risk of condemnation. And whoever does not pray will be condemned. So pray a lot! This is My Message from Pontmain.

Pray with your heart, pray with perseverance, pray without being discouraged until my Son Jesus lets himself be touched by your prayers. And change every war, every conflict, every evil, every sin, every work of Satan into grace, into peace, into salvation, into joy, into hope.
I am the Lady of Hope and Prayer and in Pontmain I have come to give you the sure sign of My great victory. Truly, the Mother of Heaven, who in Pontmain, alone, with four children and a group of few peasants praying the Rosary, defeats the great army of Prussia, shows to all of you My children how much I Am more powerful than all the armies of the world.
I am mightier than the entire army of hell, more than all the demons. And that is why in the end only I, only My Immaculate Heart will triumph.

You, if you persevere in prayer and in love with Me, will triumph with Me. I will give you the grace to be participants in My Triumph and I will take you to a new time of Peace, which I prepare with love together with My Son every day for you.
I am the Lady of Hope and Prayer. And in the great victory that I obtained in Pontmain, with the prayer of a few of My children together with Me in the midst of the cold and the snow I showed all of you, the whole world My children My great power as Queen of Heaven and Earth, of Mother of God, Lady of the Universe and General of the heavenly armies.
Therefore, My children, have trust in Me, in the end I will only triumph. Now, you have to carry the heavy cross of suffering in this time of great tribulation, but do not be discouraged, do as My little son Mark and the Saints did. Even carrying the cross, hold on tight, pray, trust, hope.
Go forward working for Me, and I will work for you. Fight for Me and I will fight for you. Make My prayer groups, spread My Messages, work for Me and the Angels and I will work for you and in the end we will lead you to the great victory.
I am the Lady of Hope and Prayer, who, so many years after Pontmain, appeared here in Jacareí to say again to all of you My children: Pray, pray, pray!

Pray with perseverance, pray without rest, pray with your heart, pray with love until my Son Jesus lets himself be touched by your prayers. And come purify and transform this world filled with violence, sin, evil, discord, dishonesty, injustice, impurity, falsehood. To transform it into a world of peace, a world of love, into the Kingdom of Our United Hearts. He who fights to the end will be crowned with the crown of eternal life.
Pray, pray, pray! Follow the example of the people of Pontmain, pray three hours a day, pray in joy and in sadness, in abundance and in poverty, in war and in peacetime. Pray three hours a day like them and you too will have My protection and My special blessings.

In this year, expand your hearts even more, to receive My Flame of Love, sacrificing yourself for Me, giving yourself for Me and truly even in the midst of suffering, holding on tight, carrying the cross for Me and always moving forward. by me.
I am the Mother of God, I have been raised to the highest dignity to which a pure creature could be raised by God, the dignity of the Mother of God! My dignity borders the frontiers of divinity as My Tomás de Vilanova and My Afonso de Ligório so rightly said.
Yes, whoever trusts in My power as the Mother of God and that I can do everything together with My Son, will experience the extraordinary graces of My Flame of Love. Happy whoever believes in My greatness as the Mother of God, in My dignity, in the dogma of My divine motherhood. Happy whoever loves Me and trusts Me, because everyone who seeks Me will find Me.
I live close to those who bless Me, I lived close to My little daughter Mariana de Jesus Torres, My Afonso de Ligório, My Tomás de Vilanova. I also live close to My little son Marcos and whoever looks for Me Here, whoever looks for Me next to him, listening to what he says will find Me and whoever finds Me will find eternal life, will find peace.
I bless you all with Love from Pontmain, from Medjugorje, from Quito and from Jacareí."

Jacarei, January 23, 2016

(Holy Mary) :"Dear children, today I again invite you all to pray more and with your heart.
Understand that I am the tireless Mother, who always repeats the same song: Pray, pray, pray! As long as you are not convinced that without prayer you will not be able to be saints, nor will you be able to enter Heaven, I will never stop saying to you: Pray!
Only with heartfelt prayer can you have the flame of love grow within your hearts. So that neither the world, nor Satan, nor you yourselves with your sins, laxity, neglect and defects will be able to erase it.
Only with prayer with the heart will My Flame of Love grow in you, this flame will lead you to perfect charity and perfect charity, the perfect love of God, will lead you to holiness.
Then what I came here to do will be accomplished: transform you into great saints and prepare the holy people for My Son Jesus who will return to you in glory soon.
Keep praying My Rosary and all the prayers that I have asked you every day.
I bless you all with love from Fátima, from Banneux and from Jacareí."

(Santa Luzia) : "Dear brothers, I, Luzia, ask you again: Open your hearts to the true Flame of Love of the Mother of God who wants to ignite your hearts until it leads you to perfect charity, the perfect love to God that will make you truly Saints.
Obey every day more and more perfectly to everything that God and His Mother ask of you Here, in Their Messages or through the superiors who take Their place with you. The true soul that loves God obeys the Lord with all his heart, sees in the orders received from his superiors, God himself speaking to

himself, to his heart and telling him what he must do every hour, every minute of the day.
True obedience is not false, it is not feigned. Don't pretend to obey from the front and disobey from the back. True obedience is sincere, true, faithful at all times, the pretended soul will soon be unmasked and abandoned by the Lord.
The truly sincere soul that obeys with love will be exalted by God, will be rewarded by God himself. For true obedience will never go unrewarded and rewarded, just as feigned and false obedience will never go unpunished.
True obedience is born of true love. The soul that has true love for God and His Mother finds joy in obeying. And he never, ever disobeys in the things he does, because he knows how great is the hurt he causes in the heart of Jesus and His Mother.
Therefore, take the swords of pain from the Heart of the Mother of God for so many pretended souls who, in front of others, seem to obey, but when they turn their backs, they disobey the Mother of God in Her Messages and in Her requests.
Unwrap the Heart of the Mother of God, remove the swords of pain that these souls drive into Her Heart, truly obeying with love all Her Messages.
To grow in true love, so that the flame of love of the Mother of God truly grows within your hearts, keep praying the Holy Rosary every day. Keep renouncing your will, your opinions and in everything trying to do as the Saints did saying: 'I want what God wants and I don't want what God doesn't want'.
I bless you all with love from Catania, Syracuse and Jacareí."

Jacarei, January 24, 2016

(Holy Mary) :"My dear children, today I invite you all to grow more in true love for God and Me.
You find My Messages about this and Prayer repetitive, but time is passing quickly, and everyone is still stuck in the same place, not growing in true love for God and Me. Understand that without growing in true love you will never be holy, and if you are not holy you will never enter Heaven.
Hence My great concern with the growth of true love in you. Because until today you had a small, weak love for God and for Me, your life is completely arid, deserted by love, lukewarm, sterile, it does not produce even a fruit of love and holiness.
The time has come when you must overcome this very small love that you have had for God and Me until today, if you want to enter the Triumph of My Immaculate Heart and the Kingdom of My Son's Heart.
Only the strong, only the great in love will be able to enter the Kingdom of My Heart, the Kingdom of the Heart of Jesus. Therefore, every day seek to grow even more in true love for God and for Me. I have already taught you how to do this: every day praying more and more with your heart, renouncing your will, your opinions to do what I command you in My Messages. And, above all, always and at all times seeking to give... to give yourself more and more to God and to Me, thus exceeding the measure of love that you still have today.

It is necessary to pray more, it is necessary to love more, it is necessary to sacrifice more, it is necessary to work more for the cause of My Son and also for Me. Do you love My son? Love Me? Sacrifice yourself more for Me, pray

more, work more and expand your hearts more so that My Flame of Love can enter your hearts with greater intensity.
Thus, I will transform you into the great Saints that I came here to look for. And remember what My daughter Luzia told you Here: You are the ones who must expand your heart so that My Flame of Love can enter more and more and with more power. And you will enlarge your heart, renouncing more and more the will of you and your flesh, praying more and more with your heart, also increasing your work, your donation and your sacrifice to Me. In this way you will enlarge your heart and I will be able to fill your hearts much more with My powerful Flame of Love

Verily, Here I will not allow souls mediocre in love, mediocre in holiness. Here I will make souls grow and become truly great souls in love, capable of great sacrifices for God and for Me, capable even of shedding their own blood for Us. Capable of giving themselves to the last drop of life and strength for God and for Me.
Then the world will truly know that I truly appeared Here and that I truly form with My Messages and My Flame of Love, the holiest people to wait for My Son Jesus who is about to return in Glory.
Continue to pray My Rosary every day and all the Prayers that I have given you Here, because they will expand your hearts to receive more and more My Flame of Love.

Do not allow your hearts to be narrowed, to become small with your selfishness, thinking only of you and the fulfillment of your desires. Because if this happens, My Flame of Love will leave your hearts and I will not be able to replace it, because My great flame of love does not fit in small hearts narrowed by selfishness and the love of their own will and their own flesh.
I bless you all with love from Fatima, Lourdes, La Salette and Jacareí."

Jacarei, January 31, 2016

(Holy Mary) :"My dear children, today I invite you again to expand your hearts more, so that My Flame of Love may enter them and produce in them great things as it did in the hearts of the Saints and especially in the Saint of today, in My dear Saint John Bosco.
Yes, He enlarged his heart greatly, enormously by many prayers, sacrifices, working and giving himself more and more to Me.
He desired My Flame of Love more than anything, he loved Me more than anything and I gave him My Flame of Love enormously as well, accomplishing great things through him. Making My glory through Him spread from Turin all over the world, through the Religious Orders that He founded, the schools that led to so many millions of My children, not only in the human formation that gives peace, that gives stability, that gives good work, that gives human fulfillment on Earth. But also the religious formation without which man is nothing more than an animal that knows how to read and write.
Yes, truly through My son John Bosco I have done wonders all over the world and saved millions and millions of young people, who without his yes, who without his tireless work would be fatally lost and would now be suffering in hell for all eternity.

Through you I also want to do wonders for the salvation of My children and to take millions and millions of souls to Heaven. If my son John Bosco had not said yes to Me and had not sacrificed himself and given himself as much to Me as He did. Those millions of young people that he saved would already have been in hell for over a hundred years and yet their hell would only be beginning, because hell is eternal and will never end, whoever falls into it will never come out of it.
What My Son did, what My Son João Bosco did for these souls is of infinite value, because it was the greatest charity that a brother can do for another brother: to give his life to save his brother's soul.
I want to do the same things through you My children, but if you don't open your hearts, if you don't open your hearts to My flame of Love, I can never, ever do anything in you and through you. And your life will continue to be what it has been until today, a stunted, weak tree with almost no fruit of holiness.

May my son not have the displeasure of approaching you and seeing that you are as barren as that fig tree in the Gospel. May He not also find any spoiled fruit in your souls, that is, sin.
Therefore, I ask you My children to truly renounce everything, your opinions, the will of you and your flesh and finally open your hearts to Me, opening them through many prayers. And, above all, from the daily exercise of dying to yourselves and giving yourself more and more for Me, letting My Flame of love grow in this way in your hearts.
The greatest gift that I desire from you as thanksgiving in the Jubilee of My Apparitions Here next Sunday: it is a heart truly dilated and open to Me, so that My Flame of Love may enter and accomplish in your hearts great things, great wonders of love.

Keep praying My Rosary and all the prayers that I have asked you every day. Meditate on My Messages, they are extraordinary for those who think and meditate on them and are a stumbling block for those who despise them and who have them as a thing of little value.
Because those who do not meditate on My Messages will not see their own mistakes, their defects, they will not see the virtues they do not have and need to acquire in order to be saints, they will not see the coldness of their own hearts. And so they will die of spiritual starvation, they will die of spiritual paralysis in their sins. And so, their lives will end unhappily without the grace of God and without the holiness that is the only key that opens the door of Heaven to man.

I want to carry out in you the great work of sanctification as I did with My John Bosco, give Me your yes, expand your hearts to Me and I will enter with My flame of love doing wonders.
I bless everyone with love and especially you Marcos, the most faithful student of My son João Bosco after Domingos Sávio, My favorite son, the most hardworking and dedicated of My children.
And to all of you My children I bless with love from Turin, from Fátima and from Jacareí."

Jacarei, February 06, 2016

(Marcos) : “Yes, dear Mother, I will. Glad you liked what we did here in this Chapel. My desire is only to please the Lady, serve the Lady, give the Lady joy, dry the Lady's tears, take swords of pain from the Lady's heart, to repay at least a little bit the great love that the Lady had for Me and for all My brothers suffering so much with Jesus for our salvation.
You know, You are My life and you are my love and all I want is for every moment of My life to live only for You and to love You with all My Heart.
My Lady is no longer enough for me, the love I had for you until today is no longer enough for me, I want love without interruption, love that never ceases to please, praise, pray, serve, work, give myself and to suffer for the Lady not a minute of my day. This is the grace that I ask of You tomorrow, the grace of uninterrupted love, the love where I don't stop for a single moment of my day of loving You and giving You the warmth, the radiance of the Flame of Love from my heart .
Thank you Mom.”

(Holy Mary) : “My dear children, today, the eve of the great Jubilee, of My Apparitions Here, I invite you again to Love.
The gift that I desire from you on the Jubilee of My Apparitions tomorrow is love! An enlarged heart, a truly open, empty heart, emptied of self, of one's opinions, of attachment to the world, to things and to creatures, so that I can truly fill your hearts definitively with My Flame of Love.
Expand your hearts so that I can place My Flame of Love in them so that It begins to transform you into the great Saints that I came from Heaven to seek Here. And so that all of you, My children, truly become Saints as your Heavenly Father is Holy.
Expand your hearts so that My Flame of Love truly finds space in your hearts to enter, to burn in them everything that is still earth, everything that is still flesh, everything that still binds you to the world or even the darkness of satan and sin. So that truly, in you I can perform the wonders of My love and of My heart and truly transform you into living reflections of the Most Holy Trinity and into perfect images of My Immaculate Heart.
Expand your hearts so that My Flame of Love truly enters your hearts and begins to take you higher, to the highest degrees of true love for God and Me, degrees that are filial love, pious love , fearful love and finally love-love, love-friendship, the love that makes you truly love God, love My Son Jesus with all your heart and flee from all sin so as not to hurt your heart of my son.

I want to take you to this love, this sublime love. Therefore, I ask you My children, expand your heart towards My Heart. For My Heart to place My Flame of Love in your hearts every day until it reaches its fullness.
Pray the Rosary! Pray, pray, pray. Do not spend the Feast of my Jubilee laughing, walking and talking. Pray, pray, pray. The more you pray, the more you will receive My Flame of Love.
The more you pray, the more your heart will expand, it will widen to receive My Flame of Love, the more you talk and the less you pray, the less you will receive my flame of love.

My children, pray, only with deep prayer with the heart will you be able to receive My Flame of Love in all its fullness.
Here in this holy place, I came to form the greatest school of holiness of all times, I came to form the greatest Saints that the world has ever seen and that I prophesied through the word of My servant Luís Maria de Montfort. But you can only be such great Saints if you expand your hearts with prayer, a lot of prayer, with meditation, without which there is no prayer.
Whoever does not meditate cannot pray, and whoever does not pray will never be able to receive My Flame of Love. Therefore My children, meditate on the great love of God for all of you. Meditate on the great love of My Heart for all of you. Meditate on the great holiness to which God and I have come to call you all Here. So that your heart burns with the desire to pray more to receive My Flame of Love more to love God more and to love Me more too.
Without prayer with the heart, without meditation, without the opening of your hearts to Me, my Flame of Love will not be able to perform in you any work of grace, any holy work.
That is why My children: pray, pray and pray to receive more of My Flame of Love.
I came to Jacareí to form the greatest saints, but the greatest saints can only truly exist here if you definitively die for your opinion, for your will, for the will of your flesh. To finally live the true life in God.
I want to lead you to this great holiness, I want to lead you to this great love. So, My children, come, give Me your yes and your heart on this holy night that precedes the holiest day of the entire year, after My Immaculate Conception. And prepare yourselves by praying a lot this night and tomorrow to receive the forgiveness that My Divine Son Jesus will give you.
The greater your prayer, your meditation on your sins and therefore your contrition, the greater the forgiveness that My Son Jesus will grant. Therefore: pray, pray and meditate.
On this holy night, I already begin to pour out My great graces on all of you.
Open your hearts to receive them and convert quickly, because the great Punishment is already at the door and do not be discouraged My children, because if you become discouraged in this place, if here in My Apparitions in Jacareí where I placed all My hope in the My little son Marcos and in you, if you become discouraged and abandon Me leaving the path of prayer and conversion, I will let the three days of darkness come over you.
Therefore, My children, do not be discouraged, because your perseverance, your love for God removes many punishments, your obedience to My Messages and the holiness of your life removes the three days of darkness and brings the Second World Pentecost upon you.
I bless you all with love from Fatima, Lourdes and Jacareí.
Peace My beloved children, peace milestones, the most strenuous and dedicated of My children."

(St. Luzia) : "My beloved brothers, I, Luzia, Lucia of Syracuse, come today full of love to say to all of you: Great is the love of Mary for you!
By appearing Here She opened Heaven for you, she opened a new path for you, she opened for you the luminous road that leads you to the Celestial

Homeland, to eternal happiness. And these 25 years of Her presence Here are the greatest proof of the love of the Mother of God for all of you, for all of you.
Open your hearts to her, open your hearts to the Mother of God and let yourself be truly loved by her, healed by her, go out, free yourselves from sin for her, beautify with virtues for her and burn in the love of her Call of Love for Her.
Great is Mary's love for you and it is this love that kept her here for 25 years continuously every day, speaking to you, calling you to prayer, conversion, holiness and a return to God.
Each one of you was loved, was called one by one with love for her. Each of you was looked at with love and mercy by her. And She did not take into account the great and grievous sins with which you offended God. But, She, who, although she was pierced by swords of Pain for your sins so many times in the past, She forgot the hurts and pains that you caused Her to still find a place to love you, to save you, to call you to way of holiness and salvation.
Repay this great Love by giving your heart to her, giving your 'yes' to her who loved you and who favored you much more than many generations of the past. Yea! How many generations of the past have longed for a word, a wave, a smile, a look that belonged to Mary. And this grace was not given to them, but it was given to you Here in this happy and wonderful time in which the Apparitions of the Mother of God last Here, the times of Mary, times when She is more Here in Jacareí than in Heaven. Closer to you than your own breath, than the air you breathe. She who is closer to you Here than your own earthly mother could, she could be. She who is truly Here every day full of Love to give you and to fill you all.
Open your heart to Her on that holy night that precedes the Sacrosanct Day of the 25th anniversary of Her Appearance Here. So that truly She can flood, fill your hearts with the living water of Her Graces and can fill your heart with the mystical flames of love from Her Immaculate Heart.
You are all more precious to Her and to Me than all the kingdoms on Earth, than all the treasures and all the money the world can offer. You were loved by Us with all the strength with which We can love you. And the enemy who offered the whole world to God in exchange for this Place, in exchange for possessing your soul, the pilgrims of this Place and God denied him this because He loves you with all His heart and with all His Love.

Your Mother loves you with all Her Heart and with all Her Love, you, therefore, are worth more than the whole world! You must feel happy for this and you must expand your heart to love this Mother more and give this Mother the return of Her Love and Her Graces and a perfect return of the love of Graces and Mercy that God has given you here.
I Lucia love you very much, I love you with all My Heart and I will never abandon you.
Continue to pray the Holy Rosary every day, My Rosary and all the prayers that the Mother of God has given you here. Live in the joy of being deeply loved by us and open your hearts without delay and wide open to the Flame of Love of the Mother of God who in this Jubilee truly wants to come to live in your heart and act in it, transforming it into a living copy From herself for the greater glory and triumph of the Holy Trinity.
I bless you all with Love from Catania, Syracuse and Jacareí.

Peace My dear brothers so loved, Peace mark the most beloved and scorched of My devotees and My friends."

Jacareí, February 7, 2016 - 25 YEARS ANNIVERSARY OF THE APPARITIONS OF JACAREÍ

(God the Father) : "My beloved children, today I, your FATHER, am glad to come on the Anniversary of the Apparitions of My most beloved daughter Mary, Here, with My Son Jesus and all My Heavenly Court to say to you: I love -you! I loved you with all the love of My Heart! I loved you very much by sending My most favorite daughter Mary here 25 years ago, to teach you the way that leads to Heaven that leads to Me, the way of prayer, the way of conversion, the way of obedience to My laws of Love that will lead you to My arms in Heaven, to that abode of light and happiness that I prepare for you there every day, My children, eternal glory.
Yes, the path that My most beloved daughter Mary taught you Here will lead you to life, to eternal life. Know that whoever finds Mary finds Me, whoever finds Mary finds Me and whoever loves Mary loves Me. For it was I who created her and who prepared her so beautiful, so holy and so perfect to be your Mother and also to be your path that leads you to My Son Jesus and My Son Jesus will lead you to Me.
I live close to Mary and Mary lives close to those who love her, to those who love her more than themselves and to those who bless her with their words and with their lives. Whoever wants to find Mary, seek her close to those who love her more than themselves, to those who bless her and to those who live for her. For surely next to this soul he will find her and whoever finds Mary will find Me.
Whoever wants to know Me and find Me, look for someone who loves Mary, because Mary lives close to that soul and I am together with Mary. So, whoever wants to find Me, first look for Mary and he will find Me.

We live together with those who love us, who love us more than themselves, those who bless us with their word and with their lives. Yes, I will give you My Love, I will give you My Grace that will cleanse you from all evil and that will truly give you life, full life in abundance. Therefore, My children, come to Mary and you will come to Me.
I loved you so much by sending My most beloved daughter Mary here so that she could be the bright sun, the radiant star to show you the way to Me. Look at Mary, fix your eyes on Mary and you will see the path that will lead you to Me.
I am truly eager to give you My Graces of Love, to give you the Flame of My Love which is the Flame of Mary in all Its fullness. But to do that, you must open your heart and truly let Me in. You must put out of your heart all things, all attachments, all disordered love of yourselves, creatures and the world so that I can enter and carry out my works of love.
Whoever wants to meet Me, open at least a crack in his heart, surrender to Me with confidence and I will enter performing My Graces.

Happy is the one who trusts in Me and in My Word and does not stumble over it, that is, happy is the one who does not turn against My laws of Love, against

My will, against My decrees. Happy is the one who accepts My Word, My Law of Love and My will with a humble, docile, obedient and loving heart. For to that one I will truly give my Love, he will live in Me and I will live in him, I will live in that soul and We will be one in Love. Because I am the river of Love, I am the sea of Love, I am the Garden of Love, I am the delicious wine of Eternal Love.
And everyone who drinks the wine of My Love will have their soul satisfied forever and will never feel thirsty again. Yes, whoever feels My great, strong and at the same time gentle love will never need any other love. For your heart will be filled with My Love that the entire universe cannot contain, because it is greater than all that exists, it is the Love of the Father, of the Father who loves His children to the point of madness and to save them He sacrificed His His only son, His precious possession, giving Him to death on the Cross so that you might live, so that you might have eternal life.
I am the Father who loves you but who is not loved. I give you continuous signs of My Love and the greatest of them all is precisely what you are celebrating today: the 25th anniversary of the presence of My most favorite daughter Here, with all My Celestial Court and with Myself.
The Apparitions of Jacareí are the greatest sign of My Love for you after My Son Jesus. Yea! In truth, after I gave My Only Son to the world to die for you and to save you, I have never... I have never loved the world so much, I have never loved My children so much as I loved sending My most favorite daughter here and coming I even to help you, to save you, to deliver you from evil, to lead you in these difficult and confused times of the predominance of My enemy, of sin and of apostasy, to lead you on the right path and without error that will lead you into My arms in the Sky.

I have loved you as I have never loved generations of the past so much, I have loved you more than many generations, I have loved you much more than many kingdoms and truly My children Here, I give My Love without measure to everyone who is thirsty and hungry for My Love.
I have loved you so much by coming Here with Mary and with all My Heavenly Court, to say to you: That I suffer for your sins, I am continually pierced by your sins. Sin no more! Do not offend Me any more! Don't make Me suffer anymore! Why do you Months make me suffer so much? Leave the sin that is what separates you from Me, which throws you into the hands of My enemy who deprives you of My Grace, My Love and My friendship and return to Me on the path of conversion and true Love.
Many of you still have for Me the self-interested Love that seeks Me only in exchange for Graces, others seek Me, respect Me and pray to Me because they fear Me, they fear being thrown by Me into the fires of hell. Others of you seek Me because of Heaven's eternal reward.
All these loves, although initially understandable, can no longer exist in you. I look for filial love in you, the love that makes the soul serve Me, obey Me, love Me out of love to make Me happy, to give Me joy, satisfaction, happiness to see Me perfectly loved by a child of Mine. A love that makes you not sin so as not to make me suffer, not to hurt Me.
I desire this love that makes the soul love Me more than itself. What my most beloved son Mark said is true: I tested Abraham to see if he loved Me more than his son and Abraham proved that he loved Me more than anything. It is

this love that I come to seek in you, a love that makes you love Me more than anything, sacrifice everything for love of Me if necessary and even give your life before offending Me, before betraying My Love.

Therefore, My children, grow in love, to grow in the degrees of true love you must pray a lot with your heart, you must expand your heart with many prayers, readings and spiritual meditations so that your nature does not relapse into sin and harden the your heart and so that you truly have the strength to be ready, when you have to choose between doing My will and yours, to renounce yours and embrace Mine.
Then you will truly grow in friendship-love, in filial love that will generate in you the perfect fear, which is not the fear of My punishments of Punishment or hell. But the fear of offending Me, of hurting Me, of making Me suffer with your sins and the hardness of your heart.
Truly Here at the School of Holiness of My most beloved daughter Mary, I will give My blazing Flame of Love to many. Open your hearts to receive her and continue following Mary in the lessons of Love that She gives you here, because these lessons will open for you the doors of Heaven and My loving arms of Father.
I bless you all now with My Son Jesus, with the Holy Spirit generously. And we also give you the forgiveness of all your sins, the complete forgiveness that we will give every year on this blessed day of the Anniversary of our Apparitions Here to all who come Here truly contrite and willing to return to me.
I bless you all now."

(Our Lord Jesus) : "My children, today, on the Anniversary of the Apparitions of My Mother, with Me, with My Father and all the Celestial Court Here, I rejoice to come to you and I say to you: My Heart has loved you , he loved you to the end, he loved you to the cross, he loved you to the last drop of My blood, he loved you to the last millimeter of My flesh that was torn out of love for you to save you.
My Heart has loved you to its most intimate fiber My children and there is no fiber in My Heart that has not loved you. What more could I do for you after shedding all My Blood for love of you, after giving you the most precious thing anyone can have, his own life?
I told you that there is no greater proof of love than giving your life for a friend. Now, I have not only given you My life, but I have given you all My Blood, I have given you My Mother, I have given you eternal life, I have given you all the treasures of My Heart, I have given you all the goods that I have received from My Father, I have given you everything, no one will ever be able to love you more than I do.
My Heart has loved you, it has loved you until the end, it has loved you until the height of pain and suffering, it has loved you until madness. But My Love is not loved by you, how many of you are still cold, hard of heart towards Me and between My will and yours you still prefer yours. Between My Plans and yours you prefer yours. Among the joys, the happinesses and the heavenly graces that I want to give, you still prefer the poor and miserable pleasures of this world that cannot satisfy your heart.
My Love is not loved, Love is despised by you, love is passed over, love is wounded by the sword of your ingratitude.

Oh, my children, because you make Me suffer like this, turn your hearts to Me and truly accept My Love, so that this love truly transforms you, frees you from sin and becomes more and more conforming to My Sacred Heart until you become the Image and perfect likeness of the God-Man, the Redeemer, the Savior, the Holy of Holies.
My Heart loved you, it loved you very much by sending My Mother here 25 years ago and then I also came with Her to show you My Love. Yes, through Our most beloved son Mark, We reveal Our Love to the world with Messages of extraordinary beauty, of extraordinary power, extraordinary wealth for those who meditate and think about them.
We reveal Here Our light stronger than the light of 7 suns together, and souls of good will like My little daughter Inês Del Sagrario can see it, can contemplate it. Her eyes are dazzled by the beauty of this Our Light and their souls are intoxicated with the wine of My divine love.

Yes, the soul of good will will see Our Light Here, it will rejoice in this Light, it will rejoice in this Light, it will seek this light, it will embrace this Light and place it in its heart so that this Light illuminates all its interior .
The unwilling soul, the evil soul will see Our Light Here but will hate that Light, hate that Light and like Herod and the Pharisees will pursue Our light. And that same Light that could save them, will one day reveal all their inner darkness to the whole world on Judgment Day.
And that same Light that could lift them up to Me, that could save them, will be the one that will cast them into hell and seal their doom. Because My Light either illuminates the soul that receives it, or else it will make the darkness of those who reject it become even deeper and blacker.
Embrace this Light, let this Light and this Flame of Flame of My Heart enter your hearts, little children. I want to lead you to live aflame in My Flame of Love as intensely as the Saints who were most aflame with love for Me and My Mother lived. Because I love you very much, indeed I have loved you much more and I have favored you here more than many generations ago.
And that is why My children, in the face of all the wealth that My Mother and I have given you Here and of Our great Light, you will be able to say, filled with My Holy Spirit and My Flame of Love to the whole world: 'Love loved Me! Love loved Me with an endless love! Love loved Me and gave itself up for Me, gave itself to Me and Love lives in Me and I live in Him. Then, with your heart overflowing with My Flame of Love, you will set the whole world on fire with the fire of My Divine Love.

And then the kingdom of My adversary will fall, the kingdom of sin will be annihilated, the infernal empire will finally be crushed under My Feet and the Feet of My Mother. And I will bring to you My Kingdom of Love that will extend throughout the Earth bringing to you New Heavens, New Earth where Tears will never flow from your eyes again, because all suffering will finally be annihilated.
I bless you all with love from Dozule, from Paray-Le-Monial and from Jacareí.

(Holy Spirit) : “My chosen souls, My spouse souls, how I love you! Truly you can say: Love loves Me, because I am Love, the Love that proceeds from the

Father and the Son. The loving Spouse of your souls loves you with maddened love.
And I came here with Mary 25 years ago acting and communicating through Her Heart, first to Our most beloved tabernacle and living tabernacle, Our most elect Marcos Tadeu and then communicating Me to you by word, by example and by His work to transform you also into My tabernacles and tabernacles of love.
Yes, Love loves you! Love came from Heaven with Mary 25 years ago blowing as powerfully as at the first Pentecost to truly move all things that were paralyzed and dead in sin, to remove them from death and to revive them.
Yes, just as I showed My prophet in that Old Testament vision causing the bones to revive before him, and the dead to come to life. So I did Here my children. I with My breath of life through Mary in these Apparitions came here to make the dead revive.
I brought you out of the death of sin where you were, I brought you to life, to eternal life, to give you eternal joy and eternal peace. To everyone who has not hardened his heart towards Me and who has not stumbled over My Love and My Word, to him I truly gave My boundless Love and I made the most beautiful flowers of love, grace, virtue blossom in his heart. , wisdom and true holiness to illuminate the world with My blazing Light.
Love has loved you and truly loves you, so I remain Here with Mary despite the hardness of the hearts of so many. I continue here offering My Love, offering salvation, offering My friendship to anyone who truly wants to become My friend, My tabernacle, My tabernacle and My spouse soul.
I am the Spouse of your souls, in baptism I betrothed you, in baptism your souls became My abodes, My temples and you became My Wives.
And now I want you to spontaneously confirm this love, this pact, this alliance of love with Me by truly deciding to be My spouse souls. In other words, those souls who give Me pure love, without interest, love-friendship, love-filial, the love that only seeks Me to give Me joy, to give Me satisfaction, the return of My love and of My works, to give Me contentment by loving Me and doing good and virtues to please Me.
You are My spouse souls and as such you must renounce, distance yourselves and avoid everything that hurts your spouse. So that your husband does not grieve you and depart from you.

Yes, My chosen souls, you are my Garden of rest, do not produce more thorns of sins and ingratitude, and indifference against My Love. But before that, produce flowers of love, of virtue, of goodness, of good to make Me happy and so that My soul in you may rest and rejoice.
Love has loved you and loves you and that is why today you must rejoice with joy, because here I have loved you, favored you and enriched you much more than many generations of the past who with tears, fasts, penances and groans implored so much a My word and they didn't. And you Here have Messages in abundance, you have a treasure in Our messages unlimited, countless, infinite.
If you remain spiritually poor and miserable, it is not because you lack My wealth, it is because you do not open your hearts to Me to receive My riches in you. come! Open your hearts to me, rejoice and rejoice because Love loves you! Accept the Love of the Eternal Love and in truth I say to you: I will

transform you into true rivers of living water, which will flood the whole world with the riches of My Love and My Grace.
Yes, here in this favorite place of our hearts, here in this place that is my garden of love and delights. In the word and in the person of My little son Marcos Tadeu, I emanate more and more, I manifest all the power of My Love, of My grace, of My power, and I truly show the world what My Flame of Love can do do in a soul and as a soul through a soul that truly gives itself to Me.
Here, truly, in the person and in the work of Him manifest, I show My Love that will become all the more visible and all the stronger, the more intense are the darkness of evil and sin that envelop all things.
Open your Heart to Me, love Love and Love will love you.
All I bless with Love generously now."

(Holy Mary) : "My dear children, today, when you celebrate here the Anniversary of My Apparitions to My little son Marcos, the Jubilee of the 25th anniversary of My first Apparition, I come again to tell you: I am the Queen and Messenger of Peace , I am the Immaculate Conception, I am the Mother of God and your Mother. And in these 25 years, in these 25 years of My great Love for you, I have truly loved you, guarded you, formed you and led you more and more along the path of holiness.
It's 25 years of graces, it's 25 years of donation from the heavenly Mother to all Her children, it's 25 years of Love. It's been 25 years of Love where My Immaculate Heart has not rested a day, a night, a single minute in caring for My children.
From how many dangers have I delivered you from how many temptations of the devil I have preserved you, or else I have taken you away. Of how many ills of body and soul I have not cured you My children! How much I have done for you, how much good, how many blessings, how many graces I have distributed Here.
It's 25 years of Love, 25 years of your Heavenly Mother's continuous struggle for your conversion to open your eyes, to see your sins, to see the need for your conversion and also to see the great danger in which the world is is now about to fall into an endless abyss of total destruction of all that is good, of all that is holy and of all that can give you peace, joy, and happiness here in this world and in the next.

Yes My children, Satan wants to destroy everything that is good, he wants to destroy the entire world and he wants to make all human beings destroy themselves and spoil their salvation, thus losing eternal happiness and then going to the fire eternal where he will torment them with cruel tyranny.
And I have come to open your eyes, to see Satan's intentions and to fight against him with the powerful means I have given you here: The Meditated Rosary, My Hours of Prayer, and all the most powerful weapons I have given you to conquer with Me all the insidiousness of satan and all the infernal force.
It's been 25 years of love, when I was truly patient with you, I waited for your conversion so slow, so weak, so slowly, I was patient with you, suffering your faults and your sins, forgiving you countless times and lifting you thousands of times when you have fallen into some fault again.

It's been 25 years of Love and Mercy and no sinner can say that Here I did not offer My Love, My forgiveness and the powerful and effective means for the salvation of all My children.

It's been 25 years of Love, 25 years in which I live more here on Earth in Jacareí than in Heaven, forming you, educating you on the path of true Love, prayer with the heart, sacrifice, penance, fulfillment of God's Commandments, of the Lord's will, of My Son's commandments. Teaching you what true holiness and true love are, which please God.
It's been 25 years of a continuous School of Love, of Holiness, where I communicated to you the wonderful treasures of divine wisdom with which the Holy Spirit filled My Heart and I truly communicated them, And I shared them abundantly to all those who seriously seek to know , meditate, taste, assimilate, absorb My messages to become wise like Me, acquiring the true wisdom, the wisdom of the Saints, My wisdom which is: Knowing how to love God perfectly and do His Will.
It's been 25 years of endless Graces, when I gave you My Miraculous Medal of Peace, the Medal of My Spouse José, My Gray Scapular, the Sources of Graces, the prayers, the Trezens and Seventeens. And also the wonderful films that My son Marcos made at My request for you, which made you know Me, know My Apparitions and Messages, truly understand My Pain and My Suffering and thus transform you into true comforters of My Heart . Children, who take the swords of pain from My Heart with Your holy life of prayer, love and obedience, children, who do not increase My Pain by nailing Swords of Pain into Me with your sin, your selfishness, your wickedness, your impurity , your falsehood, your lying, your rebellion against God and Me.
Truly Here I have given you a complete School sufficiently capable of producing the greatest and most eminent saints in the whole history of mankind.
See My children, how your Mother has loved you and how these 25 years have been years of an immense, unlimited love of the Mother of Heaven for you, who loved you as no one has ever loved you, nor will be able to love you.
Therefore, my children, open your hearts now to receive My Flame of Love, expand your hearts by praying more, donating more to Me, sacrificing yourselves, working more for Me. So that in this jubilee year My Flame of Love may truly enter your hearts and transform your hearts into that wonderful and finished work of holiness that I came here to produce first in My son Marcos and then in you through him. So that I can give My Lord a beautiful gift on his return, a truly holy people, a people pleasant and Immaculate in his eyes.
Pray, pray a lot so that My Flame of Love truly enters you and bursts from your heart, scorching the whole world.
Truly Here in Jacareí, in the person and work of My son Marcos I am consoled, I am glorified, I am exalted as never before since the Word became flesh, since I became the Mother of God. And Here My Heart will truly triumph radiating My mighty Light that will free the whole world from the dominion and yoke of Satan, annihilating the power of Hell and bringing to the whole world a new time, a new era of Peace.

Here My Heart finally found that love, that love in pure transformation that My Son and I have been looking for all over the world and have not found. I found

it in a child 25 years ago who was able to give Me everything and who wants nothing more than to love Me to give Me joy, contentment, satisfaction. Giving yourself to Me in pain, in joy, in sickness, in difficulty, in trial, standing firm in My love and always loving Me more than yourself.
This child is My son Marcos Tadeu in whom I have already triumphed and in whom I have already defeated My enemy and through him I will defeat in the lives of millions of My children and finally through here, from Jacareí from My Son Marcos to the prophecies of La Salette, of Fatima and all my Apparitions will be fulfilled and My Immaculate Heart will surely triumph.
I bless you all with love from Lourdes, from Fátima, from Quito and from Jacareí."

Jacarei, February 11, 2016

(**Mark**): "Yes, I will, dear Mother. Yes, I will. Yes, I will."

(**Holy Mary**): "My dear children, today you celebrate the Anniversary of My first Apparition to My Daughter Bernadette Soubirous in the poor Grotto of Massabielle in Lourdes.
I appeared as the Immaculate Conception, to call you all to prayer, to conversion, to return to God, to penance. And, above all, to bring all, all My children to the safe refuge of My Immaculate Heart, where everyone can find true peace, true love, true happiness and the true path that leads to God.
In Lourdes I caused a Miraculous Fountain to sprout to heal the soul and body of My children. Source, which is the image of My own Immaculate Heart. Inexhaustible source of love, of mercy for all those who seek Me and who seek through Me conversion and salvation in God.
Go to the Source, I said to My daughter Bernadette. Go to the Source, I say to all of you too My children! Go to the Fountain of Prayer, where you can find Peace, Joy, Love, find perseverance. Where you can also find the Grace of God with all the necessary aids for your perseverance and your perseverance and your sanctification.
Go to deep prayer with your heart. Go to the Fountain of prayer, where God communicates to your souls His Grace, His Light, His Peace, His Love, the eternal riches of His Goodness.
Only in the Fountain of Prayer can human beings find the presence of God, the Love of God, the Light of God, the Wisdom of God and all the graces they need to be saved.
Whoever does not pray is condemned, whoever prays is saved. Whoever prays a lot will surely be saved. Whoever prays little puts himself at risk of falling and losing his salvation. Anyone who doesn't pray is already condemned.
That's why My Afonso de Ligório insisted so much on praying, praying a lot! Pray fervently, pray at all times and places.
And that is why My little daughter Bernadette, obeying My order, prayed so much throughout Her life, above all My Rosary. Because She understood how much I loved the prayer of My Rosary, how much I was the Virgin, the Lady of Prayer and how much good and strength comes from prayer alone to be able to overcome all the difficulties and trials of this life. .
Imitate my little daughter Bernadette in her life of intense prayer, and you too, like her, will become great saints.

Go to the source! Go to the Fountain of forgiveness, truly weeping over your sins, repenting of them all with a deep and true contrition of heart and truly giving your heart to God. Then, God will make you drink from the inexhaustible sources of His Love, His Mercy, His Forgiveness and His Grace. And your life will be completely transformed from a pond of mud, into a verdant garden, where the mystical roses of love, holiness, prayer and grace will bloom and spread their perfume throughout all humanity, throughout the Earth.
Go to the Fountain of Wisdom and God's grace, to truly be transformed there into what I Am and as I appeared in Lourdes: Perfect humanity transformed, elevated, transformed into God, realized in God. So that you too, growing each day more in holiness, may become perfect humanity realized in God, that is, return to being that perfect image and likeness of God that man was before original sin.
Then truly through you God will reflect His Light, His Grace and His Love mightily to this world that lies in darkness.
Lourdes is the inexhaustible Source of My Goodness, of My Love and of My Grace that flows in the middle of the desert of a world full of sin, hate, lack of faith and love. That's why in Lourdes I made an oasis of Peace in the middle of the desert of the world, which the devil, the world and the wicked cannot destroy.
You who cannot go to Lourdes, drink from the Fountain of Lourdes, that is, the spiritual Fountain of the Message of Lourdes which is: Prayer, Conversion and the Grace of God.
Live prayer, live conversion, live seeking the grace of God, which I offer in My Apparitions Here in Jacareí, in the Meditated Rosaries that My Son Marcos made for you, in the films of My Apparitions that He made, in My Trezens, Sevens and Holy Hours that He made for you.
And now on My Radio made by him through which every day, hour by hour and minute by minute I always offer you the Immaculate Source of Grace, Love and Salvation of God that flows from My Immaculate Heart which is the Source of Peace , of Love, of Grace and Holiness to the world.
Then, little children, drinking from this inexhaustible Source, your souls will finally quench their thirst for love, for truth, for peace, for justice. And the deserts of your souls will be transformed into verdant flowering gardens filled with the most abundant and tastiest fruits of holiness, virtues, good works and love to cheer and please God.
I love you very much and I am always with you in all the difficult moments of your life, I will never abandon you.
Continue to pray My Rosary every day. To all those who help My son Marcos to keep My Radio continually taking My Word and My grace to the hearts of My children every day, all day long... I promise salvation and those souls will be dear to My Heart as the sweetest flowers that I will jealously keep in My Immaculate Heart.
I bless you all with love from Lourdes, from La Salette and from Jacareí."

Jacarei, February 12, 2016

(Holy Mary) : "My beloved children, today, when you celebrate the Birthday of My son Marcos, I come from Heaven again to say: Open your hearts and welcome in them My Flame of Love as My son Marcos did, to may My

Immaculate Heart triumph in your lives as it has triumphed, as it triumphed in the life of My little son Marcos.
My Heart triumphed in the life of My son Marcos when, 25 years ago, he gave Me his 'yes' with all his heart, all his life, renouncing himself, his plans, his opinions, your dreams and your will by living a life totally for Me and the Lord through Me.
If you do the same, give Me your 'yes', renouncing your will, renouncing what you want, renouncing your opinions and letting yourself be completely led by Me as he left himself, My Immaculate Heart will also triumph in you. , in your life and through you in the lives of so many of My children who will meet you on the journey of this life, and who will receive My Flame of Love through you.
My Immaculate Heart has triumphed in the life of My son Marcos during all these 25 years that he has served Me, praying so many hours a day, obeying My Messages, working tirelessly for Me, to make Me better known and loved by all My sons. And to make the whole world scorched by My Flame of Love so that My Heart can triumph in the whole world defeating satan and the forces of evil.
If you also work for Me, if you also pray a lot as My son Marcos does, My Immaculate Heart will also act powerfully through you until you destroy all satanic force, all Satan's plan. And he will free many souls from the bondage of Satan and will lead them all back to the Lord, to the God of salvation and peace who wants to save all his children.
My Immaculate Heart triumphed in the life of My son Marcos and will also triumph in the lives of all those who, like him, give Me their 'yes' and live every day confirming, maintaining and persevering in this 'yes'. Then, nothing will be able to stop the advance of My Flame of Love and I will reach the hearts that are farthest from Me, more darkened by the darkness of satan.
And then My Heart will fill those hearts with Peace, Light and Love and will finally make the Kingdom of My Son Jesus come to Earth, establishing itself in all souls. And then it will be the triumph of My Heart! Then love will win, good will win, My Heart will win.

To everyone and especially to My little son Marcos, the most obedient and hardworking of My children, I bless today with all My Affection and Love: from Lourdes, from Fátima and from Jacareí."

(Mother Mariana de Jesus Torres) : "My beloved brothers, I, Mariana de Jesus Torres, servant of the Lady of Bonsucesso, servant of God, come today on the birthday of my beloved Marcos to say: He is the Apostle of the Lady of Good luck, prophesied by Her to Me that would make Her Appearance to Me and My life known to the whole world.
Here, in these Apparitions, finally the Apparitions that the Mother of God made to me with the most serious Messages, were known to so many thousands of souls. And they will be even more so, because here, truly the Lady of Good Success will begin to operate Her great Triumph, with the fulfillment of all the victorious prophecies that She has given Me that will culminate in the resounding and inevitable victory of the Lord and the Triumph of His Immaculate Heart throughout the Earth.
Here, the Prophecies of Quito, of the Senhora da Senhora do Bonsucesso, will be fulfilled, because here, finally, the Mother of God will find in the souls of so

many of Her children the perfect love that Our beloved Marcos will create, cultivate, form and take to His fullness. Giving her the comfort, obedience, love, service and faithfulness that she so desired and expected from all of her children.
Here, the Prophecies of Quito, of Senhora do Bonsucesso, will be fulfilled! Because Here truly His Messages are announced without censorship, they are announced without any fear of men, no fear of the world. The truth is proclaimed aloud in the ears of all, in the eyes of all. That's why Here the Lady of Good Success will truly radiate Her Flame of Love, which will dispel all the darkness of the world, illuminating humanity and scorching all souls with her ardent love.
Here, the Quito Prophecies of Senhora do Bonsucesso will be fulfilled, because truly Here His Messages are put into practice by Our Beloved Marcos and He will make sure that everyone also puts them exactly and perfectly.
And then, Here will be formed a Sanctuary, an unshakable, invincible fortress of faith, prayer and love. And this will also be formed inside hearts, in souls. Then, all will be living sanctuaries that Here in this physical Sanctuary, will form around the Mother of God the invincible crown of mystical love, perfect and in pure transformation against which Satan will be able to do nothing.
Truly Here the Mother of God will make a Sanctuary ablaze with Her flame of Love in such a way that Satan will not be able to do anything. And so, as serpents are unable to approach the fire and flee from it, so Satan will also flee from the burning furnace of the Flame of Love of the Mother of God, which will always burn here in the hearts that love her similarly to our beloved Mark.
And above all, this Flame will burn here forever, because of the heart burning with love that he has for the Mother of God and for her merits, which they will earn, which they will reach for this Place, may faith, prayer and the Flame always be preserved here. of Love of the Mother of God conquering all evil and working Her greatest triumph in souls, in nations and in the whole world.
I, Mariana de Jesus Torres, love you very much, pray the Most Sacred Rosary of the Mother of God every day and all the prayers that She has given you here,
I bless you all with Love from Quito, Ars and Jacareí.

Peace to all of you, Peace Marcos, the most ardent of My friends and servants of Senhora do Bonsucesso."

Jacareí, February 14, 2016 - (Message from Nossa at the end of the transmission on 02/13/2016 - dawn of 02/14/2016)

(Holy Mary) :“My dear children, thank you so much for waiting for Me until now. Thank you so much for waiting for Me despite the fatigue you bring. Thank you also, for coming Here in this Chapel today during the day to pray. I was here! I saw each one and blessed each one with all My Love.
Pray, pray more and more! Pray because the return of my Son is very close and the world sleeps more and more in sin, indifference and hardness of heart. And if My Son's return were today, two thirds of humanity would not be saved and not even the remaining third would be able to pass My Son's holiness exam...

Therefore, pray, pray, pray a lot so that you can truly have the strength to persevere to the end. Meditate on My messages so that you see everything that is lacking in you to be Saints, so that each day you grow more and more in true love, in the virtues and in the holiness that pleases God.
I am always close to you and I know all your sufferings. Don't be discouraged, I will never leave you.
Keep praying My Rosary every day, because whoever says My Rosary with the heart and piety, will not be devastated by spiritual misery, will keep the faith until the end and will receive from My Son and from Me the Crown of Glory and Eternal Joy. .
Here, in this My Sanctuary, in these My Apparitions, through work, love, determination, strength and determination with which My son Marcos has served Me every day for 25 years, I manifest and show all My power. The power of My Flame of Love in a soul that truly received It with generosity and with a large heart.
And in his person and in his work, I spread more and more My mystical Light that will become stronger until it ends up blinding and neutralizing satan.

I bless you all with Love from Lourdes, from Fátima and from Jacareí."

Jacarei, February 14, 2016

(Mark): "Yes, I will. I promise the Lady that this week I will begin to speak more assiduously about La Salette and also about the Lady's prophecies given in the Apparitions about the latter times and the apostasy. Yup. Yup. Yea."

(Holy Mary) : "My dear children, today you celebrate the Anniversary of My Lacrimations in Louveira and also My Apparitions in Pellevoisin to My daughter Estelle Faguetti. There were two important manifestations, they were two decisive manifestations of My Heart for the salvation of all My children and of all humanity.
I cried in Louveira to call all My children to prayer, conversion, penance, sacrifice and to become mystical roses, white of prayer, red of sacrifice, yellow of penance and a spirit of reparation to God, so that here in Brazil truly my Lord and I could have a mystical supernatural rose garden of love in pure transformation.
But My Tears were not understood, My painful appeal was not understood nor explained perfectly to My children, and even less answered by them. That is why I came to Jacareí to raise these mystical pink souls, of perfect love Here with My Messages, so that I could finally obtain the fruit of My Tears shed in Louveira, that is, a Country, Brazil, made of roses pure mystics of love, sacrifice, and penance.
Here My children, you are called to be the mystical roses of pure love, of love in pure transformation that I looked for in Louveira, but did not find. In My little son Marcos and in all those who want to be like Him, I will finally find these mystical roses of love with which I will make a great mystical rose garden of love, so that with their perfume they will please God, please the heart of My Son, of the My divine Spouse, the Holy Spirit and perfume the entire face of the Earth.

Mystical pink souls arise from everywhere to spread the sweet perfume of true love to God, of holiness, of prayer, to the whole world tainted by sin. So that the stench of sin, evil and violence may give way to the sweet heavenly perfume of your virtues that I want to cultivate more and more in you.
I cried in Louveira to call all My children to become seraphim of love to console the heart of the Lord and My Immaculate Heart that came Here in Brazil to overflow His Pain in My Tears.
Yes, My tears fell in vain in the midst of a great frozen, cold and loveless desert. How many souls have seen My Tears but have not felt sorry for Me. How many souls have seen My Tears but have not taken the firm resolution to convert. How many souls have seen My Tears and remained cold, hard and indifferent to My Love and My Pain.
Here in Jacareí, I wish that My Tears are truly taken seriously and that souls arise here who truly want to dry and dry them. And truly be mystical yellow rose souls of reparation who, with their prayers and above all, with the work of each day, with the sufferings of each day, with the sacrifice of each day, atone for so many sins with which God is offended. And so, offer a powerful mystical and spiritual supplication for the conversion and salvation of so many souls who are in danger of being lost forever.
I appeared in Pellevoisin to call the whole world to praying the Rosary, to true devotion to the Scapular of the Sacred Heart of My Son Jesus, which I showed My Little Daughter Estelle Faguetti and which so many despise and do not use.
I came to call the whole world to urgent conversion, because the punishment of the First World War was approaching and My Heart was more and more painful and afflicted by the tragic fate that awaited the world and My children. I was not heard... Because of that, the first world war happened and after that the second one that was much worse, claiming millions and millions of lives. And if even today My children, you do not hear My voice, you do not obey My Messages Here in Jacareí, a third world war will come, much worse than the first two. And it will not just kill millions of people, but it will kill all the people on earth and put an end to your existence.

My Heart trembles with Pain and My Eyes shed Tears of Blood for what awaits you in the future if you still don't listen to Me My children...
There is not much time left, convert without delay, help My little son Marcos in His extreme effort to take My Messages to the ends of the world. This heroic effort that He is making to spread My Messages from morning until midnight to all My children throughout the world, this heroic effort must be helped, it must be supported by all of you My children, otherwise the entire Earth will fall apart. end and Satan will obtain his greatest triumph, which is to take all humanity with him into the eternal flames...
You are My last hope, do not let Me down! Do not let Me down as My son Marcos did not let Me down. Imitate his fidelity, obedience and love for Me, and then, in you, My Immaculate Heart will triumph and through you it will also triumph in the whole world.

Continue to pray the Holy Rosary every day, expand your hearts with more prayers, sacrifices and good works, donation and work, so that My Flame of

Love more and more enters your hearts and with all its power transforms you. in the great saints that My Lord desires and that I also want you to be.
I love you very much and I will never abandon you, divine love, perfect charity, is God himself who lives in the heart of man. When man has God, he has perfect charity. When man has perfect love, perfect charity towards God, man lives in God and God lives in him.

I bless you all with love from Pellevoisin, from Fátima and from Jacareí."

Jacarei, February 20, 2016

(Holy Mary) : "My dear children, today I again invite you all to imitate My Little Shepherds of Fatima, Francisco and Jacinta Marto, who had so much love for My Son Jesus and Me.
Imitate the Love of the Little Shepherds of Fatima by continually living in prayer, in prayer of love, of reparation, of reparation to the Heart of Jesus and to My heart, for so many sins with which We are offended. Also, praying with supplication for the conversion of so many sinners, who even today continue to reject the Love of their God, their Father, their Creator and also the Love of their heavenly Mother, who loves them so much, but they do not want to love.
In this way, living in continuous prayer of love, of reparation and of supplication for the conversion of these ungrateful souls, you will truly imitate the example of the Little Shepherds, who lived with so much love continuously in this spirit of prayer, giving great consolation to the Heart of Jesus, to My . And achieving the conversion of so many sinners for whom they pleaded with prayers, tears, supplications, and fervent groans.
Imitate the love of the Little Shepherds of Fatima, the Little Shepherds Francisco and Jacinta, living continually in sacrifice and penance. Offering every day little hidden sacrifices and offering for the conversion of sinners, so that they convert and can be touched by the grace of God finding the way of conversion and salvation.
Offer small sacrifices too, so that you, My children, can purify your body and your soul, dominate your flesh and submit it to the spirit enlightened by faith, destroy and kill within you the vanities, the desire to appear , the desire to be beautiful in the eyes of the world, to be strong, to be beautiful, perfect to obtain admiration, praise and applause from men.
Also offer small sacrifices every day so that you can submit all the desires of your flesh to the spirit, enlightened by reason and faith. That your body together with your soul may be consecrated solely to the praise of God, to the adoration of God, to the love of God, to the service of God and also to the service for the salvation of the brothers.
Imitate My Little Shepherds of Fatima, Francisco and Jacinta and also My little daughter Lucia, in the great and perfect love they had for Me. Obeying all My Messages with love, praying the Holy Rosary every day, living continuously to console My Immaculate Heart, to dry My Tears and to truly give My Heart consolation, joy and love. The love and affection that I searched all over the world and did not find, except in rare souls that My Immaculate Heart itself formed in the safe refuge of My Heart, of My interior and also in the mystical furnace of Love of My own Heart.

Imitate My Little Shepherds of Fatima, in that great obedience they had and in that great insatiable desire to comfort My Immaculate Heart, to comfort the Sacred Heart of Jesus and to save more and more souls every day to lessen Our suffering, so that We that we no longer suffered for the great loss of so many souls.
Finally, imitate My Little Shepherds of Fatima: Francisco, Jacinta and Lucia, in their great, burning and intense love for the Holy Trinity. That they saw in that wonderful light that I infused into them in the first Appearances and they found themselves immersed in God, as if living in God and God living in them.
They were ignited by the Flame of Love of the Lord, by the Flame of Love of My Heart at that moment and since then they felt as if they were burning in God.
It is this Flame that I also want to infuse in your chest, in your soul and in your heart. Open to Me the doors of your hearts, open to Me the doors of your souls, so that I can also infuse in them My Flame of Love. Communicating that light to you, that same wonderful light that I communicated to them and which is God and you will all also burn in God living in him and He living in you.
In this Jubilee year of the 25th anniversary of My Apparitions Here, pray more, pray more, pray much more with your heart! So that finally My Flame of Love can enter your chest and ignite your heart with these Mystic Flames forever, transforming you into the great Saints that My Lord and I want you to be.
Hasten your conversion, hasten your sanctification, work more intensely to eliminate your laziness, your indolence. To extirpate from within you the vanities, sensuality, gluttony, lust, arrogance, pride and all other vices.
Because I tell you My children, the day of the great Punishment is near. The Warning is at the door, the three days of darkness will surprise much of humanity in sin. And this one, punished by God, will disappear! Two thirds of Brazil will also perish if there is no conversion, prayer and penance.
I bless you all with love from Lourdes, from Fátima and from Jacareí."

Jacarei, February 21, 2016

(Holy Mary) : "Dear children, today I call you all again to imitate the holiness of My Little Shepherds of Fatima, Lucia, Francisco and Jacinta, who loved Me so much and truly gave the world an example of true love for God and for Me.
Imitate Lucia, Francisco and Jacinta in the ardent and burning love they had for God and for Me, making your lives truly a continuous act of supplication to God for the conversion of sinners and also of expiation for the sins with which God is offended. Like them, live to console God with prayers, with good works, with obedience to My Messages every day, living as true Mystical roses, white of prayer and red of sacrifice, giving God the perfect and true love of souls of you to make the Lord glad who is so grieved by so many sins that the world has committed.
Imitate the Little Shepherds Lucia, Francisco and Jacinta, living a life of true and intense prayer as they did. Living continually in the presence of God, that is, with the awareness that He is always close to you, seeing each one of you, listening to everything you do and everything you say.
Then you will live a life of perfect union with God, giving Him throughout the day many continual acts of love, of hope, of faith, doing everything in His presence, with Him and for Him. And so, in this way, truly all your works and

deeds will turn into living and unceasing prayer that ascends to Heaven uninterrupted every day and all day long. Giving God in this way the warmth of your hearts, always warmed by living prayer and always done with the heart.
Imitate the Little Shepherds Lúcia, Francisco and Jacinta, in the penance they did for the conversion of sinners, above all, accepting the sufferings, crosses and works that God allows and offering everything to Him in an act of expiation for the sins of humanity.
If you do this, truly every day of your soul will ascend to God a great mystical force of reparation and atonement. And then, God will truly be atoned for so many millions of sins that are committed every day on the face of the earth. And He will rejoice to see that you are truly His loving children who comfort Him, who make amends to Him and who truly sympathize with the great suffering that you give Him, His ungrateful children.
Imitate the true love that My Little Shepherds Lucia, Francisco and Jacinta had, praying more each day, living each day more in the grace of God, in love, in prayer. And also imitate them in the true and intense love they had for Me, making reparation to My Immaculate Heart that is so offended, and so pierced by thorns and swords of pain every day, that My ungrateful children stab My heart with blasphemies. , with offenses, with disobedience to My Messages, with the denial and persecution of My Apparitions and My Messages.
So that, truly, My Immaculate Heart finds in all of you that pure and true love, which it found in the hearts of My Three Little Shepherds of Fatima and also in you, can perform the great wonders of holiness that I performed in them for the greater glory of God and the Triumph of My Immaculate Heart.
Be pure sources of My Immaculate Heart to purify this world with prayer, with sacrifice and with the holiness of your life.
Today, when you celebrate here the Anniversary of the day on which I blessed My Miraculous Source of Graces for all My children, I desire that you too become living sources, that you give to the whole world, to all My children the water of holiness, of prayer, of pure love to God, of obedience to God, of true love to Me. To transform this dry land that is the world, this desert again into a garden, into a green vine that gives the Lord many roses of holiness, love and perfection, many fruits of true love and holiness for His greater glory.
Begin for yourselves to become all of this by renouncing your will, worldly pleasures, sin and the true and perfect life of more prayer, more meditation, more love for the Lord and Me and more self-giving. to My Plan of salvation for humanity, making the prayer groups and cenacles that I asked for everywhere, so that My children truly prepare for the great punishments that are approaching the world, which will cleanse the Earth of so many sins and crimes. And they will truly cleanse all humanity of so much sin and so much hatred for God, for the truth, for the Catholic Faith and for Me.
Get ready! The Three Days of Darkness are very close, convert without delay. Get ready for the Triumph of My Immaculate Heart and for the return of My Son Jesus in the Glory that is near.

I bless you all with love from Fatima, Erechim and Jacareí."

Jacarei, February 28, 2016

(Holy Mary) : “My dear children, today again I invite you to prayer made with love. You are far from prayer made with love, and farther still from holiness. You must, in this holy time of penance and conversion, open your hearts more and more to God through prayer with the heart, seeking to pray more and better with love, concentration, depth, love and thirst for God.
If you pray like this, your prayer will be alive and will lead you to truly change inside, to become better people, to overcome laziness, to overcome spiritual shyness, to overcome attachment to your opinions, will and judgments. . You will also have the inner strength to renounce the self-government of yourselves, the rebellion that is so characteristic of your generation, and truly, you will be able to give God the true 'yes', the definitive 'yes', the total 'yes', the total surrender of you to Him, to fulfill His will and Mine always wherever you are. Understand, little children, that without praying perfectly with your heart and with love, you will never be able to understand what you lack in order to be saints. You will never be able to see your own flaws, your laziness, your spiritual shyness, your attachment to your wills, opinions and way of judging. And you will never be truly free, free to do God's will perfectly as He wants.
Try to make My Geraldo Majella's motto, your motto: 'Here God's will is done as He wants, when He wants and how He wants'. And how did My Geraldo Majella make that wish? Always renouncing his will, his opinions, his judgments. Not even in prayers and spiritual exercises did he do what he wanted, when he wanted or how he wanted. He always did what the superior or the rule ordered, so he always did God's will and never his own.
That's why he became a Saint in such a short time, because he learned to pray well with his heart, to meditate deeply. And then he understood that he could only be a true saint and can only be a true saint, the one who renounces his will, his opinion, his will at all times, even in spiritual things, to do the will of God that it is expressed by His Word, by His Law of Love, by the superiors who sometimes do Him with you, with you, and also by the motions of His Grace. And here this will of God is manifested to you directly from the Most High through Me, who am your Superior and your Master. Here, I tell you how and when to pray, what to meditate on, how to proceed, how to walk.
If you are docile to My Voice you will quickly grow in holiness, as My Geraldo did. When he was sick, he understood that what God wanted of him, God's will for him, was that he would serve Him no longer with public prayers, counseling and alms, but, on the bed of pain, offering his suffering to God for the salvation of sinners. And so in peace he suffered every day of his life until the day I came to take him with Me to Heaven. Thus, the saints sanctified themselves easily by doing God's will as He wanted, when He wanted. And when he also sent them suffering, they recognized in him the will of God for that moment.
May you also be like that, little children, and may you prepare yourselves by converting yourself more each day and seeking more and more holiness and perfection, because the three days of darkness are very close. And in those days many will cry out Lord, Lord, save us! But it will already be too late, because the time given by God for the conversion of the world and for the world to return to Him through the path of prayer, of change of life, of conversion, of virtues will already be over.
Then the demons will seize their prey in a fierce hunt and take their souls straight to hell, where they will suffer for all eternity.

Do not be among the number of these unfortunates, My children! Do not neglect prayer and sacrifice, because if you do so immediately the enemy will take possession of your souls and will imprint his mark on your souls, the six hundred and sixty-six, the 666. And then My children, he will take possession of your spirits and one day he will take you with him to the eternal flames, where he will torture you for all eternity.
Do not neglect prayer and penance, for whoever does so will die eternally.
I bless you all with love from Lourdes, from Fátima and from Jacareí."

Jacarei, March 05, 2016

(Holy Mary) : "My dear children, today I invite you all to prayer with the heart, always more, to please God and do more and more of His Will.
I am your Mother, who always comes from Heaven to ask: Pray more with your heart, because without prayer no one, none of you, will ever be able to be a Saint.
Pray a lot so that your heart can change and acquire the virtues that you lack. Without the virtues it is impossible to please God. For those who pray, God has reserved the strength to be able to practice the Virtues and reach great holiness for His greatest honor and His greatest glory.
Pray My dear children, pray that each day you grow more in prayer and in conversion.
I love you all and I rejoice in your prayers. But you must still pray because many still hurt My Heart with their hardness, with their arrogance that does not let them accept that they are wrong and that they need to be corrected. And for that, I cry...
Keep praying the Holy Rosary every day and all the prayers that I have given you here, because through them, more and more, I will make you become Saints and acquire more and more My blazing Flame of Love, until its fullness, which will make each one of you the most loving Saints in the whole world.
I bless you all from La Salette, Lourdes and Jacareí."

(Santa Luzia) : "Beloved brothers, I, Luzia, come again from Heaven to tell you: Open your hearts to the love of God and the love of Our Most Holy Queen.
Welcome her Flame of Love into your hearts, so that this Flame of Love may engulf your hearts, in such a way that you become furnaces of love that melt the ice of all hearts that are cold in sin, in lack of prayer, in the pleasures of the world... So that they too may truly become furnaces and living flames of love.
Create in you the virtue of obedience. Whoever does not obey God, whoever does not obey God's Commandments, does not know God and does not keep His Word!
He who does not obey God first, then His Mother, when They appear on Earth, does not love God, and if he says he loves Him, he lies! Because love is made of obedience.
Those who do not obey their superiors, legitimately constituted by God and His Mother, when they send them goodness, prayer, meditation, penance, conversion, or even in the ordinary things of everyday life such as working, studying, doing good work, perform tasks with love, and yet say that he loves

and obeys God and His Mother, mind. Because whoever does not obey the superior who sees cannot obey the God who does not see.
Therefore, obey with all your heart, so that holiness truly grows in you every day. And with life, you teach everyone how sweet it is to obey and love the Commandments of God, the rule of religious life for each one, and also, obey the Messages of the Mother of God which are: happiness, peace, joy and life full in abundance for those who obey them.
I, Luzia, am with each of you and I love you very much!
Continue to pray the Holy Rosary every day and also pray My Rosary, because through it I will give you many graces, among them, the grace to fulfill the Christian virtues, which will open the doors of Heaven to you and transform you into great Saints for the glory of God and Our Most Holy Queen.
I now bless you all with love from Catania, Siracusa and Jacareí."

Jacarei, March 06, 2016

(Holy Mary) : "My dear children, today I invite you all again to prayer with the heart. Pray with your heart in this holy time of conversion, so that you can find again the right path that will lead you to salvation and to God, the path of holiness.
Without heartfelt prayer you cannot recognize your mistakes, nor can you recognize when you are on the wrong path. Therefore, pray with your heart and meditate on My children, meditate on My Messages. Meditate on the writings, on the words of the Saints, which contain great light from the Holy Spirit so that you can recognize when you are on the wrong path, ask for forgiveness and get back on the right path.
Also renounce your arrogance, which blinds you by preventing you from recognizing your mistakes. Assume your mistakes, as this is a sign of maturity, conversion and repentance. And return to the path of love, prayer, conversion, penance, in short, the fulfillment of the Words of My Son.
Keep praying the Rosary every day, so that you will be strong in trials and difficulties. And never be discouraged when unpleasant things happen to you.
The Rosary will give you strength My children, to overcome everything, all obstacles and always move forward towards the Triumph of My Immaculate Heart. And remember: I also suffered and won. Be faithful to God, pray and like Me, you too will win in the end.
I am with you at all times and I never leave you. Pray, pray and pray a lot, because the punishments will increase until reaching the great Punishment that will be tremendous and will make the whole Earth tremble.
Get ready because the time is coming.
I bless you all with Love from Fátima, from Montichiari and from Jacareí."

Jacarei, March 12, 2016

(Santa Luzia) : "My dear brothers, I, Luzia, Lucia of Syracuse, come today again to say to you: Open your hearts to the love of God and the love of the Mother of God, renouncing your will so that the will of the Lord and that of His Mother be fulfilled in you.

It is useless to mortify the body if the will is not mortified, because the true sacrifice that God wants is the sacrifice of your will. The desire to do things according to your personal inclination.
Corporal penances and sacrifices have value only when your will has already been sacrificed first. Therefore, sacrifice your desire to be noticed by others, admired by others, praised by others, desired by others, in short, your vanity.
Sacrifice also your desire to serve God in your own way and not in the way that God commands.
Sacrifice also your desire to be or to possess anything. Then, when your hearts are truly free from all personal will, truly the will of God will be fulfilled in you and truly you will advance in the path of holiness.
Pray the Rosary so that you have the strength to renounce your will, mortify it and always do the Lord's.
Pray the Rosary a lot, because the three days of darkness are very close.
Pray the Rosary, because many sinners who do not want to convert will perish in this punishment. Only your Rosary can save them, pray with your heart.

I bless you all with love from Syracuse, from Catania and from Jacareí."

Jacarei, March 13, 2016

(Holy Mary) : "My dear children, today, when you contemplate the Anniversary of My Apparitions to My little daughter Amália Aguirre in Campinas, and also finish My Trezena, again I come to ask you: Prayer, Sacrifice and Penance. Without these things neither the world nor you can be saved.
You, you My children, must pray with your heart every day, make sacrifices of love and also make reparation for the sins of the whole world as well as your own. So that this humanity, dominated by satan and sin, can live again through a miracle of the grace of God and My Immaculate Heart.

Open your hearts to My Flame of Love so that it enters your hearts and accomplishes in your hearts the interior transformation that God desires, that is, that your corrupted 'I' dies so that the new renewed creature is born in you. by the grace of God.
Hasten your conversion because the three days of darkness are very close and there is no more time to waste on hobbies, entertainment and creatures.

Pray, make the prayer groups that I have asked for everywhere, because they are humanity's last hope.
Meditate more and more on My life and My privileges, for they are extraordinary for those who meditate on them. Pray the Holy Rosary every day, because whoever loves Me and serves Me by My Rosary will not be eternally condemned, because I will give him all the graces necessary for his eternal salvation and I will pray for him with My Son.
Pray, pray a lot, live the perfect obedience that consists in the mortification of your will to obey the will of God, whatever it may be, however it may be and wherever it may be.

True obedience does not retort, reply, question, or oppose the will of God that is revealed to you through Me, or through your superiors. In this way, you will be truly holy and pleasing to the heart of My Son and to My Heart.
Continue to come in this Place that is My Ark of Salvation, for Here, I give you thanks that I do not give you in other places and Here, truly, I keep you ever more safely in the safe refuge of My Immaculate Heart.
I bless you all from Campinas, Montichiari and Jacareí."

Jacarei, March 15, 2016

(Holy Mary) : "My dear children, Today I invite all of you again to open your hearts to My Flame of Love.
My Flame of Love must grow in your hearts, but this will only happen when your hearts expand to My Flame of Love with more prayer, meditation and also the total surrender of your lives and your will to Me.
Time is fulfilled My children, and soon, all the Prophecies and Messages that I have given you during all these years will be fulfilled. Now you must prepare yourselves and keep the lamps of your prayers burning, the lamp of faith and love burning.
See that without love your prayers and works will be in vain before God. Therefore, little children, create true love for God and for Me in your hearts and do everything with love, so that when My Son returns He will truly recognize you as His seed, as His true disciples, and also as His true children. of love.
Continue to pray My Rosary with love every day.

I bless you all from Fátima, from Caravaggio and from Jacareí."

Jacareí, March 25, 2016 - Good Friday

(Holy Mary) : "My dear children, I am the Lady of Sorrows.
Today, on the day when you contemplate My Son Jesus hanging from the Cross and your Sorrowful Mother at the foot of the Cross pierced by a sword of Pain, I come again to say to you: Even today I am pierced. I am pierced by humanity that, in rebellion against God, moves further and further away from Him and lives habitually in sin without worrying about the offenses it does to God, with the evils it practices and disseminates and also without worrying about its eternal future.

I am pierced by that humanity that has returned to being pagan after two thousand years of the birth, life and death of My Son. This humanity that rejects his words more and more every day, rejects his love, rejects his Commandments, rejects his Gospel and the truth, walking along the roads of sin, violence, the darkness of satan opening for itself the abyss of its self-destruction .
I am pierced by the billions of young people all over the world who habitually live in sin, who no longer believe in their Creator, who do not live according to God's Commandments and day after day pierce more and more the hearts of their Father and their Creator with the sword of sin, of contempt, of repudiation of Him and His Law of Love.

And they also pierce My Maternal Heart, despising Me as their Mother and preferring to live without Me in the mundane things that lead the world and youth to perdition.

I am pierced by the families that each day live without prayer, live without the prayer of the Rosary, live without love, in discord, in adultery, in infidelity, in hatred. Allowing Satan to destroy any and all seeds of good that may have been planted by God within the family. Thus preventing not only new holy families from being born in the future, but also new priestly and good religious vocations to help Me save so many of My children who are in danger of being eternally damned.
Truly, families have become tombs where there is no longer the grace of God, there is no longer love, prayer, and the Catholic faith. That is why, from today's families, the most violent, cruel, malicious, selfish, hard-hearted and cold young people emerge that humanity has never known.

Yes, this is the result of families without God and that is why I ask you My children, make the family Cenacle, pray My Rosary as a family so that I can truly unite your families and preserve them from adultery, separation, may preserve children from growing up with sin, evil, hatred, selfishness and violence in their hearts.
Make your families true prayer groups, because if you don't do that My children, in the future your children will turn not only against others, but against yourselves. And they will give you a terrible end if you do not now begin to create in them love for God, for His Commandments, for holy things and for Me, your Immaculate Mother.
Only I can save your families, but I can only save them if you make in your families the prayer groups that I have asked you to do. Then you will truly console Me for My great Pain and I will give Me the grace to truly live with you in your midst, preserving your families from all evil.

I am pierced by the Church that now knows the hour of its greatest apostasy, its pastors, bishops and priests no longer believe in the truths of faith. They fell into vices and pleasures, neglected prayer and penance and fell into darkness and that's why they take with them along the path of perdition so many souls that blind do not see that they are blind shepherds.
I am pierced because the Church preaches the diminution of your Most Holy Mother Mary, the diminution of Saints and Angels, the diminution of the Holy Rosary and of the prayers that for so many centuries the Church has prayed given by Me to defend her and save her from all the evils in the world.
I am pierced because the Church teaches modern errors that lead to spiritual death for so many souls and the loss of faith to so many souls.
I am pierced because every day humanity sinks deeper into adultery, fornication, violence, hatred and wars and every day it draws closer to the great Punishment that will fall on it to put an end to the sins and crimes it commits every day.
See if there is pain like My Pain? Help Me My children to save this poor humanity of Mine, this poor daughter of Mine who is now as wounded as a leper. Help Me to close their wounds with your prayer, with your example of

holiness, with your love. And, above all, doing prayer groups everywhere to spread My Messages and take My Flame of Love to all My children.
Help Me with your generous yes by offering your life to Me every day, so that I truly live in you and you live in Me in a life of perfect communion and love. I desire a love of works, a love of truth and not of appearance. I desire a true devotion to Me that is sincere, deep and real and not of appearances.
Therefore, restart your conversion, your life of prayer, your life of consecration to My Immaculate Heart, doing everything with Me, for Me and in Me with true love. So that My children, in your life all My children can see Me, feel Me and love Me.

I bless you all now and ask you to continue to pray My Rosary every day.
To My children who pray the Rosary of My Sorrows at least once a week, the Rosary of My Tears daily, to My children who consecrate Saturday afternoon to Me every Saturday to console Me and to love Me with their prayers, to all I now give the Plenary Indulgence and My maternal blessing generously from Bethlehem, Jerusalem and Jacareí.
I love you My children, the Mother of Heaven loves you all and keeps you all in Her Mantle."

Jacarei, March 26, 2016

(Holy Mary) : “My dear children, I am the Mother of Solitude and Waiting.
I am the Mother of Solitude and Waiting who today remained without My Son Jesus in silence, in prayer and in solitude, crying and remembering all the torments of My Divine Son who died for the salvation of all of you.
I am the Mother of Solitude and Waiting, who still suffers today because humanity continues to renew the Passion of My Divine Son Jesus for its sins and refuses to convert to its God of Love.
I am the Mother of Solitude and Waiting who still suffers today because I look for love in My children and I don't find it, I look for obedience and I don't find it, I look for affection and I don't find it. I'm looking for souls that stay with Me, living more and more in prayer and holiness, helping Me to save souls from this world taken over, dominated by sin and I can't find them.
I am the Mother of Solitude and of waiting, who today awaits the glorious Resurrection of My Son in solitude, in recollection, in prayer, watching until My Son leaves the glorious tomb, conqueror of death and sin to truly establish His Kingdom of Grace. in the world, in souls and hearts.
I am the Mother of Waiting who, even today on the great Holy Saturday of your time, continues to watch and pray in anticipation of the Second Resurrection that will take place. That is, the return of My Son Jesus in Glory with the Angels of Heaven, to renew Heaven and Earth and transform the whole world into the perfect image and likeness of Paradise.
I am the Mother of waiting that in these years in My Apparitions Here, year after year I continued praying, watching, watching and waiting for the return of My Son Jesus together with My little son Marcos.

And Here I continue to call all My children to unite with Me and My little son Marcos in waiting for the glorious return of My Son Jesus, the final resurrection,

in prayer, in the life of sacrifice, in the life of grace, of holiness, of love and faithfulness to God.
I am the Mother of Waiting who even today announces to you: Your great holy Saturday is about to end soon. Yes, this long holy Saturday of waiting for the return of My glorious Son Jesus is about to end soon. And this long, long delay for you will finally culminate with the Triumph of My Immaculate Heart, with the return of My Son in the glory that will come to bring you all the new Heaven and the new Earth.
This time of waiting is for you a time of great grace for you to prepare yourselves worthily and perfectly for the return of My Son Jesus. Do not waste the graces that I have brought you in My Apparitions Here, rather make the most of them by responding with all your heart to My love and the Love of God. So that you can grow in virtues, create true love in you while there is still time so that when the Lord arrives he will not find you without the wedding garment of the marriage of the Lamb, that is, the garment of love in pure transformation, of perfect holiness. , of eternal love.

Yes, My children, this time of great waiting is about to end and that is why I am still with you to help you in this great wait to persevere until the end. When your eyes after all the tribulation and all this time of the predominance of Satan and sin, your eyes will truly see My Son Jesus alive, risen and coming to renew all things.
Turn away from sin, keep yourselves in the grace of God, help Me to save My children in this world completely dominated by sin, living My Messages, praying as I asked you Here, taking My Messages to all My children without fear. So that My children truly know My Love and through My Love the Love of God and so My flame of love can touch them, convert them, scorch them, save them and sanctify them.
Continue to pray My Most Sacred Rosary here and all the prayers that I asked and gave you, because through them each day My Flame of Love will grow in your hearts.
I love you very much with all My Heart and I will never abandon you.
I bless you all with Love from Nazareth, from Jerusalem and from Jacareí."

Jacarei, March 27, 2016

(Holy Mary) : "My beloved children, today, on the day of the Resurrection of My Son Jesus, I come to you to say: I am the Joyful Mother of the Resurrection!
On the same day today I saw My Son Jesus more resplendent than the Sun, entering the Room where I was to console Me and to give Me back my joy. The joy to My suffering and painful Heart for His Passion and Death and to make Me a participant in His Glory, in His Divinity, in His victory over satan, sin and death.
I am the Joyful Mother of the Resurrection, who today I received from My Son Jesus the powerful influx of His Glory, of His Divinity, elevating Me above all creatures and merging He with Me and I with Him in a single blazing flame of love, of glory, joy and victory.
I am the Joyful Mother of the Resurrection, who comes today to tell you: Prepare your hearts because the Second Resurrection, that is, the return of

My glorious Son on the clouds of Heaven is very close. He will come, he will come to win, to definitively defeat Satan and all the powers of evil. He will come to finally carry out all the glorious work of salvation, renewing Heaven and Earth and bringing to you his Kingdom of Love, Justice, Holiness and Peace.

He will come to finally establish in the world His Kingdom of Love, of Justice, of Peace, wiping from your eyes all the tears and giving to your heart all His Peace, all His Love, all His Grace, all His Joy. He will come to put an end to this world dominated by sin and Satan, to transform this cold and loveless desert that has turned humanity into a Garden of Love and Holiness.
He will come to transform this swamp of darkness and sin that is this world into a luminous Garden of His Glory and His Grace, giving all My children who are faithful to Me the grace of victory, joy and eternal salvation.
Now is the time for you to persevere with Me in waiting for His triumphant return in Glory that will finally put an end to all the works of Satan, to all the works of sin. And it will finally restore harmony between man and God by bringing the New Heaven and New Earth to humanity, where man and God will live together in harmony, in love and in eternal friendship forever and ever.
Now is the time for you to continue, to persevere, to walk with Me on the path of prayer, grace, conversion, holiness and perfect love. So that you all may be worthy to meet my glorious Son Jesus who will return to you soon in his great Glory.

Hasten your conversion, there is no more time, the Great Warning, the Great Punishment, the three days of darkness are very close to you. Pray, stay away from all sin, live in the grace and love of God, pray My Rosary every day so that you can grow in love every day.
Create in your hearts true love for God and for Me, so that truly your holiness and your love may be proved with works of love, prayers of love, sacrifices of love. And so, all of you can truly become a living likeness of My Immaculate Heart.

Continue with all the prayers that I have given you here, so that I can truly transform all of you into the mystical roses of prayer, sacrifice, penance and love, to give and deliver to My Son Jesus, who is already returning to you in glory.
Take My Messages seriously, they are My last Warnings. Read My Life, because there you will learn from Me the true holiness that pleases God. Make My Flame of Love grow each day more in your hearts by renouncing your opinion, your will, your self. And so that you truly seek only and in everything to do the will of God and Mine, for this is true love and true holiness.
I now bless you all with the Love of the Joyful and Joyful Mother of the Resurrection of Lourdes, Fatima and Jacareí."

Jacarei, April 2, 2016

(Santa Luzia) : "Dear brothers, I, Luzia, come again from Heaven today to say to you: Pray more and more with your heart, because only through the prayer of the heart will you be able to grow in true love for God, understand the love

God's. You will be able to respond to God's love properly as He desires and only with the prayer of the heart will you have the strength to persevere to the end with God in love.
Pray more every day for the conversion of humanity because the three days of darkness are approaching and every day the hearts of men are hardening. And he is already becoming insensitive to any appeal from Heaven for his conversion, but your prayers, especially your Rosary, can bring about miraculous and resounding conversions.

So pray, pray the Rosary without ceasing. And for whatever grace you desire, pray the Holy Rosary with your heart and everything will be given to you.
Expand your heart to love God and His Mother more and more each day, may love be present in everything you do. May you love God with all your heart, may you love the Mother of God with all your heart and do everything for them with love in your heart.
Turn away from all sin, renounce all worldly things. You were not made for the world, but for Heaven. Live in this life seeking only that which is from Heaven and despising all that is mundane, so that your life may be truly a holy life.
I, Lucia, love you so much! I love you very much and I am always with you at all times, I will never abandon you.
The only way for you to overcome your interior poverty is with prayer with the heart, with meditation to create true love for God and the Mother of God in your heart.
I bless you all with love from Catania, Syracuse and Jacareí."

Jacareí, April 3, 2016 - Feast of the Divine Mercy

(Our Lord) : "My beloved children, today My Sacred Heart rejoices to come to you on this Feast of My Mercy.
My Heart expands Here to pour out My Divine Mercy on all of you as I have never done before in the entire history of humanity.
My Mercy pours down on you like a flood transforming your desert into a verdant Garden of life, holiness and love. Open your hearts to Me, let My grace enter them so that today I truly perform My restoring work of love in you.
I am the Spouse of your souls, I am the source of your life and if you open your hearts to Me, letting Me enter them and carry out My plan of love in them, I will change your lives from a dark and cold desert into a luminous garden. , where My perfumes, the perfumes of My grace, of My love, of My wonderful wonders will be present, doing great things in you.
My Mercy descended upon you in this Place with an immense abundance like never before. Truly Here in this place My Heart expands and pours grace upon grace, blessing upon blessing upon all those who approach Me with confidence.
What I seek is love and trust. Trust is the fruit of love, the soul that truly loves Me trusts in Me, entrusts itself to My arms without seeking to know what I will do with it and where I will take it. This trust that is the fruit of true love is the first act of love that I desire from you.

How much the distrust of souls hurts Me! How much men hurt Me when they don't trust Me, when they don't give themselves into My arms so that I can take them and lead them along My road, along My paths of love.
When I meet a soul of unlimited trust and, therefore, of unlimited love, I do not spare My Graces for this soul, rather, I grant it everything, everything. Because it is My desire to give everything to the soul of boundless trust. How rare these souls are, but when I find a soul of unlimited trust I surrender myself totally to her as the most loving, most affectionate and most dedicated Father, seeking at all times to enrich her with My goods, with My treasures and I I am and will be His eternal inheritance.
My children, what I came to look for in all of you is love. What I came to look for in the world through My daughter Faustina is Love. I am thirsty for love, I am looking for the love of My souls, I am looking for the love of My creatures. But in most hearts I find only coldness, distrust, I find only aridity, I find only indifference towards My Love.
Do not pierce My Heart and My Mother's Heart any longer with this indifference, this coldness and this lack of love. But first, give Me your hearts because I want to ignite them with My Flame of Love, with My Mother's Flame of Love, until they truly become furnaces of love like Our Hearts. To scorch the whole world with this love that will truly make the Earth burn in a Second Pentecost.
Then everything will be renewed, everything will be recreated and the New Heaven and New Earth will come to you with a time of eternal happiness and joy such as the world has never known.

Come My children! Open your hearts to Me and let Me prove from them the love, the true, deep, sincere, disinterested, faithful and loyal love that I look for so much in the hearts of men but I don't find.
Oh! If I find this blessed love in you today, I will perform in you so many wonders, so many graces, I will perform so many wonders that you will never recognize yourselves as the same again. You will be new creatures, you will be new temples on fire with love for Me.
Let Me My altars, let Me rest on you. Let me meet you at the altar of your souls and there receive the incense of your adoration, of your love and of your fidelity. Let me hear the songs of your soul's true love for Me as if they were spiritual lyres singing to Me the most beautiful songs of true love.

Come, give Me your 'yes', give Me the perfect and profound 'yes' of your hearts. And My Sacred Heart will pour out My Mercy on you like a superabundant deluge that through you will flood the entire Earth, transforming it into a great and wonderful Heaven of love and peace, where there will be no more sin, no hatred, no violence. Because then, the miracle of My Divine Mercy will save this world and transform it into the living image of Heaven, the living image of My own Heart, where you will be happy forever.
I love you and I will never abandon you, when you suffer I am closer to you. Always trust in My Mercy, pray the Rosary of My Mercy, renounce all sin, stay away from all the smoke of Satan, from all error, from all the voices that tell you not to follow My Mother along the path of prayer. and of penance. Because these voices are from hell, they are from the evil one wanting to deceive you.

Follow My Mother along the path of prayer, conversion and holiness. And so, I tell you My children: you will dwell with Me in My eternal abodes where I will fill you with endless joy and where your heart will rest forever in My Heart.
I bless you all with love from Ploc, Krakow and Jacareí."

(Holy Mary) : "My beloved children, today, on the Feast of Divine Mercy, I also come with My Divine Son Jesus Christ to tell you: Great is the Mercy of God who called you here through Me to know the immense love of the Lord. To take you out of the path of sin, of perdition and to put you on the path of grace. Great is the Mercy with which God has loved you by sending Me Here during all these 25 years to call you from the life of sin to the life of grace, from the life of error to the life of holiness, from the life of lies and worldly illusion for the life of truth!
Yes, the Mercy of God was immense with you My children! She loved you, she chose you, she worked wonderfully and worked in your favor. You must praise the Mercy of God, who, through Me, has showered you with so many favors and so many graces.
Truly, in these 25 years the Mercy of the Lord here has been given to you abundantly through Me and no one has been denied grace, salvation has been denied. You yourselves are true fruits of this Mercy which has triumphed in your life and which has accomplished in your life the small miracle of conversion, of the return to God who leads you to salvation.

Yes, the Mercy of God has granted you all graces here through Me. Each Message I give you is a great proof and sign of God's Mercy towards each one of you. Everything that is in this sacred place of My Apparitions here speaks to you of the Mercy of God and is a sign of the Mercy of God for you.
Here We have given you Our Sources that heal your body and soul, through which you receive the great graces and miracles of the Mercy of the Lord. Here too, We have given you Our Medals, Our Scapulars, Our Sacramentals to be for you continually channels of the Mercy and Grace of God to grant you all kinds of graces.
Here I have given you through the person and work of My little son Marcos a perfect example of true love for Me and for God, in which you can truly be inspired and follow as a model of donation and total surrender to Me, of love, work and perfect obedience to Me that will surely lead you to holiness, to Heaven. And they will make you truly become the great saints of the last times, which I foretold to My son Luiz Grignion de Montfort. All these are signs and proofs of God's great Mercy towards you.
Rejoice! Rejoice in this and thank God every day with your pure love, with works of love, sacrifices and with your perfect obedience. Because what I and My Son Jesus are looking for in all Our Apparitions is perfect and true Love.
We seek a pure, constant, deep, faithful, disinterested love, a love that does not seek itself and that does not seek to please itself in Our service. A love that makes the soul like a candle consume itself more and more for Us and for the salvation of souls, giving the world the light of true love, holiness and true obedience to God.
The love that I look for in hearts is a love that seeks Me, that loves Me for Myself, because I am your Mother and why I must be loved by My children. A

love that seeks only to give joy, satisfaction to God and the holy pleasure of seeing himself perfectly loved by a son.

This is the love that the Lord and I seek in you and that you must create every day more by dying to your own will, renouncing your opinion and your way of thinking and wanting to do things, renouncing the desires of your flesh. , of your human will. And more and more humbly surrendering yourselves into My Hands, to do the will of the Lord and Mine together with Me. So that My great plan of salvation may be fulfilled, in all of you.
Expand your heart to this Love every day, praying more and more with your heart, meditating on My Messages, meditating on the lives of the Saints, meditating on how great is the Love of God for each one of you.
This Love among billions chose you, placed you here safely in His House. This Love has showered you with endless graces every day.
And so is My Love for you My children, with each passing day I love you more and I want more and more to give you My Flame of Love. Open your hearts to her and do not refuse to receive her, because she truly wants to come down to you and completely consume your 'I', burning you with perfect and pure love for God, for Me and for the salvation of the whole world.
Come, receive My Flame of Love! Everyone who seeks it, who asks for it and who desires it with all the strength of their being. Whoever leaves everything to possess Her like a precious pearl, to that one I will give My Flame of Love and with Her all the Gifts of the Holy Spirit and all the Graces of the Most High.

Here the design is truly fulfilled, the final Plan of Divine Mercy, which will culminate with the Triumph of My Immaculate Heart.
New Heavens and New Earth will come for you, every tear will be wiped from your eyes, your eyes will see wonderful things that have never been seen in the entire history of humanity. Men and women of true faith, and true love for the Lord and Me, will experience a joy never before seen on the entire face of the earth.
The Angels will come and they will give victory to all those who were faithful to Us until the end in this time of great tribulation. The Angels will place faithful men and women in the New Heaven and New Earth, where they will have everything, they will have perpetual peace, and where they will never again suffer any kind of suffering caused either by the world or by My enemy. Because this world will already have passed and My enemy will have already been chained forever in the eternal abysses of hell, from where he will never leave to harm the Earth.
God will then be served and adored by all and you who remain faithful to Me in this time of great tribulation will see all your sufferings transformed into a great crown of very living and effulgent glory that will be placed on your head. And then, you will be happy forever by My side in the New Heaven of Light and Peace and in the new Land of Grace that will come to this world.

Trust and Hope because My Immaculate Heart will triumph! The miraculous cures that I perform Here are to confirm to you that My Heart will triumph. And that you must continue to pray all the prayers I asked of you here every day, especially My Rosary.

Because through these prayers I prepare you more and more each day to receive the New Heaven and the New Earth and My Son Jesus who returns to you in Glory.
I bless you all with Love from Fatima, Porzus and Jacareí.
Peace My beloved children, every day I love you more, stay in the Peace of the Lord!"

Jacarei, April 9, 2016

(Santa Luzia) : "My dear brothers, I, Luzia, come again from Heaven to tell you: Create true love in your hearts.
Create true love, renouncing your will, renouncing your opinions and desires, renouncing your attachment to creatures and seeking more and more to do only the will of the Lord and the Mother of God.
Create true love in your hearts, renouncing your laziness, your ill will, your coldness in doing the things of the Lord. And do everything with love, everything with perfection, everything being aware that what you do is for the Mother of God, is for the Lord.
Create true love in yourself, dying to yourself so that your heart may live only for God and only for the Mother of God. This is perfect holiness, in loving God who is Love and in doing everything out of love for God who is Love and supremely worthy of being loved. This is the perfection of all virtues, in doing everything with love for God, who is love itself.
Continue to pray the Holy Rosary every day and all the prayers that I have given you Here, that I have asked you, that I have asked you, especially pray My Rosary every week because through it I will grant you great graces.
Meditate more on the life of the Mother of God, try to imitate Her Virtues, so that you may be more similar to Her every day and pleasant to Her through Love.

I bless you all from Syracuse, from Catania and from Jacareí."

Jacarei, April 10, 2016

(Holy Mary) : "My dear children, today I come again to invite you all to love, to perfect and true love.
Create true love in your hearts, expanding your hearts every day for more prayer, prayer of love, prayer with the heart, ardent and fervent prayer, prayer made of pure fire of God's desire, to unite more and more with God, to know God more and more and to love God more and more.

Expand your hearts every day with more meditations on My Messages, on the teachings of the Saints, so that your hearts truly desire ever more to unite with God, to renounce all the things that still separate you from God. And so that you can see all that you need to be changed, the defects that need to be pulled out, so that you truly grow in the Virtues and holiness that pleases God.
Create true love in your hearts, each day more renouncing your will, your opinions, your desires so that you truly fulfill only the will of the Lord and

Mine. And so truly your lives become perfectly what I desire, what God desires. And the Lord's plan of holiness in you is carried out with 100% success and so you can greatly glorify God and My Immaculate Heart with a holy life and full of fruits of virtues and holiness.
Create true love in your hearts by living more each day in My love, in the love of God, putting My Messages into practice and not just listening to My Messages with curiosity, coldness and indifference. But truly putting My Messages into practice with love so that they truly transform all of you into the great saints I came here to seek.
Create true love in your hearts, renouncing more and more what your flesh desires and seeking more and more what I tell you in My Messages.

God is Love and what He looks for in His children is true love. What I came to seek Here in all of you is true love, this love that I searched across the face of the Earth and didn't find. Because there are no souls willing to renounce their will, their opinions and their desires in order to want and do the will of God and Mine.
So, little children, I call you to be those souls that the Almighty sought with Me and did not find. And may this place truly be transformed into a Rose Garden of mystical roses of true and perfect love for Me, for the Lord as My little son Marcos is.
Then My Immaculate Heart will triumph in your lives and in the world as it has already triumphed in his life and truly in you I will be glorified and My Immaculate Heart will be exalted and will triumph before all nations.

Continue to pray My Most Holy Rosary and all the prayers I have given you here every day. The miraculous cures and graces that I perform in this Place confirm to you that I have been alive Here giving My Messages for 25 years. And all those who have truly obeyed Me and said 'yes' to Me will be generously rewarded by My Son Jesus and will ultimately have the crown of eternal life. Take care not to lose this crown for any sin and for your betrayal.
Persevere in prayer and in My messages and in the end you will be crowned with glory in Heaven and you will be happy with Me forever.
I bless you all with Love from Lourdes, from La Salette and from Jacareí."

Jacarei, April 16, 2016

(St. Luzia) : "Dear brothers, I, Luzia, Lucia of Syracuse, rejoice today to come to you once again.
Open your hearts to the Love of God, expanding your hearts through more prayers, meditation and effort, so that the Flame of Love of the Mother of God and of the Lord may enter your hearts and grow to fullness.
Renounce your laziness, which prevents you from giving yourself more to the Lord and the Mother of God, which prevents you from doing well what you know you must do well. Laziness takes away from you all the merits of the works you do, and makes your good works not good for you, nor have any merit for you.
Imitate the Saints who at no time did anything for God, nor for the Mother of God with laziness, ill will, sluggishness, softness or coldness.

So that your works truly have value and merit before the Lord and, offered by you to Him every day, become a great power of supplication for the conversion of sinners. And also of glorification and reparation to God and His Most Holy Mother for so many sins with which They are offended.
Continue to pray the Holy Rosary every day, also pray My Rosary, because through it I have many graces to give you.

I bless you all with Love from Catania, Syracuse and Jacareí."

Jacarei, April 17, 2016

(Holy Mary) : "My beloved children, today, when you are celebrating here the Feast of My daughter Bernadette, Saint Bernadette. I come from Heaven once again to tell you: Love God as Bernadette loved.
Love your heavenly Mother as Bernadette loved, giving your complete, total, profound, true 'yes' to God and to Me as she did by living every day in the love of God, in his grace, fulfilling the Lord's holy will and the Mine with love and joy in your hearts. So that just like the life of My little daughter Bernadette, yours too may become a song of love where all humanity, where all men can see and understand the path of true love that they must follow.

Love as Bernadette loved giving Me your total 'yes', complete eternal, perennial as her 'yes' was. Carrying out My will at all times even on the cross and in suffering, persevering in this obedience to My Immaculate Heart that will transform you into true perfect seraphim of love for God and Me as My little daughter Bernadette Soubirous was transformed into a perfect Seraphim of love for obedience that she had to Me and to the Lord and which was so perfect, so complete throughout her life.
Love as My little daughter Bernadette loved, making every day of your life a continual offering, a continual offering to God and to Me as reparation for the sins with which He is offended and in supplication for the conversion of sinners. So that, through you, as it was with Saint Bernadette, God may convert many sinners and save millions and millions of souls with his saving grace that will be released through the mystical and spiritual force of the offering of your life, your prayers, sacrifices and sufferings accepted with love as My little daughter Bernadette did. In doing so, the infernal empire is defeated, many souls are saved and the kingdom of love of the Sacred Heart of My Son Jesus comes to the world.

Love as Bernadette loved, completely renouncing your will, your opinions, the will of your flesh, your will so that you may live, like her, only to fulfill God's will and mine, to make our heavenly will. So that truly it is no longer you who live, but it is Christ and I who live in you and act in you.
Love as My little daughter Bernadette loved, transforming your life every day into an endless song of love for Me, praying My Rosary every day as She prayed with love and with her heart. Doing everything with love, suffering and enduring everything with love, silent, never complaining, doing God's will in silence and humility as Bernadette did.
And so, your life will truly be transformed into a continuous act of incessant love for God to make amends for so many who despise him, for so many who

offend him. And at the same time begging and generating a very powerful mystical force for good, for the conversion and salvation of so many souls that can only be saved by offering your life to God and to Me for their salvation.
Love as My little daughter Bernadette loved, living on love, that is, living solely to love Me, to console Me, to obey Me, and to make Me better known, loved and obeyed by all My children.

And so little children I promise that through you as much as possible and as much as you allow me with your yes I will do wonders through you in the whole world as I did through my little daughter Bernadette in Lourdes.
Love more, expand your heart to My Flame of love by praying more, giving more and making more effort for God and for Me.
Renounce your laziness, your ill will that prevents you from truly giving God your best and from giving your complete, perfect and perennial 'yes' to me.
Continue to pray My Rosary every day and all the prayers I have given you here. If you do this, the world will be saved by a miracle of the love of My Heart, many nations will be saved and there will be peace.
I love you very much My children and I will never abandon you, in the most difficult moments I am close to you as I was with My Son on the way to Calvary.
I am your Sorrowful Mother who suffers for what awaits you in the future. The three days of darkness are approaching, convert without delay because those who do not convert my children will perish in the three days of darkness and will be seized by demons and taken to the eternal flames to suffer for all eternity. Be converted! These are My last warnings.
I bless you all from Fátima, Lourdes and Jacareí"

Jacarei, April 23, 2016

(St. Luzia) : "My dear brothers, I, Luzia of Syracuse, come again today to call you to open your hearts more and more to the Flame of Love of the Mother of God.
Meditate on the Messages She has given you Here. Do not keep listening to the Messages going in one ear and out the other without meditating on them and without putting them into practice, because God will ask you to give an account of each of those Messages that you have heard unheard and indifferent, without love and without true desire. to put them into practice.
Open your hearts to that Flame of Love that is reconcentrated, repressed in the Heart of the Mother of God because it does not find an opening in your hearts to receive it. Your hearts are filled with attachment to worldly things, attachment to your will, attachment to your 'I' and your desires.
Therefore, there is no place in your heart for this Flame of Love to enter. Open your hearts to that Flame, renouncing all this, cleaning your heart and truly giving the Flame of Love of the Mother of God space so that She can enter and act in you.
Seek recollection, prayer, in a quiet place with no one, so that the meeting of your hearts with the Mother of God can truly take place.

Read the Messages in deep, collected and solitary prayer and you will begin to feel the thirst, the desire for the Flame of Love of the Mother of God in your hearts.
Always try to pray with the heart more, because a soul that does not pray with the heart, that does not sincerely open its heart to the Mother of God, cannot feel her, nor Her Flame of Love.
Seek to hasten your conversion, because the three days of darkness are very close. Pray also for your country, because Satan has not yet given up on destroying it and you must pray many Rosaries to save Brazil, because only the Rosary can save Brazil now and save you from becoming Satan's slaves forever.
Every day you must make an effort to imitate the lives of the Saints, reading the lives of the Saints, reading My life and trying to learn from Us that to love God is to do His Will. Those who do not do the will of God cannot say that they love Him.
Whoever betrays God and whoever betrays the Mother of God in order to obey men cannot say that he loves God. Anyone who places obedience to men above obedience to God and the Mother of God cannot say that he loves Them, because the First Commandment is: Love God above all things.

Learn from Me that loving God and doing His will are the same thing! God is Love, Holy Mary is Love. And only in hearts full of love for Them, full of the flame of Love for Them, is that truly God is and the Blessed Virgin is also.
When you want to know if a person truly loves the Mother of God, look at her life. See what sacrifices he made for the Mother of God, see what sacrifices he made, see what concrete works he did. Do not believe in words, because anyone can say them and not fulfill them. Believe only in works and deeds, because these will never be able to lie.
The soul that is good produces good works, the soul that is evil produces evil works and cannot produce good works, because its heart is evil and it is in darkness. Look at a person's works and you will see if he is good or bad, if God is in him or not and then you will see the truth and the truth will enlighten you.
I, Lucia, want to give you many thanks, but I cannot, because you do not pray My Rosary and also because you seek Me little in prayer with your heart. Open your hearts to Me in prayer with your heart, pray My Rosary and I promise to flood you with the endless graces of My Love.
I bless you all with Love from Catania, Syracuse and Jacareí.
Peace My beloved brothers, I love you very much and I will never abandon you. Peace Mark, the most ardent of My devotees and the most obedient and devoted of the children of the Mother of God."

Jacarei, April 24, 2016

(Marcos) : "Yes, I will, yes, I will start. Oh my love, My Lady, I will! Yes, I will do whatever the Lady wants!
Yes, My Lady, I will run with it. Yes, I will. Yes, immediately My Lady I will.

(Holy Mary) : "My dear children, today I come to invite you once again to welcome in your hearts My Flame of Love.

Open your hearts to My Flame of Love, so that It completely transforms all of you into those Saints that I came to look for Here in Jacareí, from the beginning of My Apparitions. The Saints who will set the entire Earth on fire with My Flame of Love blazing and making everyone passionate for the Lord.
If you renounce mundane pleasures, mundane things, if you renounce your will, your wanting, and if you open your heart to My Flame of Love it will enter you and transform you into those great saints who will even surpass My Vicente Ferrer .
They will set the hearts of all men on fire, so that the Earth will soon become a little Heaven. It will be the Kingdom of God, the Kingdom of My Son Jesus already here on Earth.

Give Me your 'yes' today so that I can enkindle your hearts with this Flame of Love, even from those hearts that you have today, nothing remains. I want to give you a new heart, a heart reborn from My Flames of Love, a heart completely purified, burning, scorched with this Flame that will transform all of you into living and burning furnaces of the Holy Spirit's Love.
Understand, little children, that to love God is to do His Will. That the one who loves God is not the one who says he loves Him, but the one who proves that he loves Him by works. And what works have you to show to God, to prove that you love Him?
What works have you to prove to the world that you truly love God? If you still don't have any, start now to change your life and to produce works of love and holiness for the greater glory of God, living the love of God, carrying out the will of God in your life. So that your life may be filled with true works of love for God, so that all may truly see and believe in God, who truly acts, lives and reigns in you.

My children, time is now practically over, you must accelerate your conversion, because the three days of darkness are very close. The great Punishment is very close My children and humanity will be taken by surprise one night, one night for you here very hot, for others very cold. Then the thunder will roar, after its roar, the Earth will begin to shake and many My children will die that night without even leaving a trace.
Fire will fall from Heaven and destroy most of humanity. I do not want you to suffer in the future, so I ask you My children: pray My Rosary every day, change your life, convert!
He who prays My Rosary every day with his heart will have salvation from Me, as well as the salvation of his family on the day of the Punishment.

Whoever serves Me by praying My Rosary with his heart every day will receive from Me all the graces he asks for and that are not contrary to the Will of God. And if that soul, if that person teaches My Rosary to others, as many souls as he saves for having taught them My Rosary, there will be so many crowns of glory and victory that I will place on his head in Heaven.
The child who serves Me, who loves Me and who spreads My Rosary will be known and known by the Angels and Saints of Paradise as My child. And My Son Jesus will have him as a brother and the Eternal Father will see him as My favorite son and will give him His eternal salvation.

Pray, change your life! Open your heart to Love. Renounce your laziness, renounce your opinions, be docile and let yourself be carried by Me, in My arms, to the holiness and perfection that God desires from you.
I am the Lady of the Rosary, I am the Queen and the Messenger of Peace and everyone who comes here with faith and with love will be marked with the sign of the Cross and with My Maternal Sign. And the Eternal Father will love you and cover you with all His Graces and Blessings, and ultimately give you salvation.
Go drink at the Source, wash yourself in It and you will receive great graces from My Heart. Come Here praying and singing in procession! Come all to My Heart and My Divine Spouse the Holy Spirit will descend upon you with His Graces and His most blessed Lights of Holiness and Love.

I bless you all with love from Lourdes, from Fátima and from Jacareí."

Jacareí, April 30, 2016

(Holy Mary) : "Dear children, today I invite you all, all of you, to grow more and more in the true love of God.
You know that My Son Jesus gave My little daughter Consolata Betrone the Act of Love: Jesus, Mary, I love you, save souls! Here I want you to say the Act of Love all day long, adding: Jesus, Mary, Joseph I love you, save souls!
Repeat this act of love all day long, so that our Flame of Love truly grows in your hearts each day more until reaching the fullness, what I came to look for Here is love, true love. To foster this love and to make this love truly become a furnace, an uncontrollable volcano in your hearts, in your hearts I wish you to repeat the incessant Act of Love all day long.
Yes, by truly repeating the incessant Act of Love, all of you will be transformed into living flames of love, in the midst of this world full of hatred for God, hatred for the Catholic faith, hatred for Me, the Saints and the Angels. And truly, you will be living flames of love that will melt the ice from the hearts of all those who are hardened in sin and far from the love of God.
With the incessant act of love you will keep your souls ever burning with the flame of true love. And just as snakes cannot approach a fire, so also demons and their temptations to make you fall into sin, to make you fall into the deceptions of the world, your flesh and your will. These demons will not be able to approach you with their temptations and evil thoughts, because Our Flame of Love burning and burning in your hearts will grow more and more and will drive away all the demons and also the temptations.
Behold, I give you an effective and powerful way for you to overcome all temptations, to push them away and grow more and more each day in true love for God. The incessant act of love can be repeated all day at work, at study, at home, in the midst of the Mysteries of the Rosary, on trips and elsewhere.
This small incessant act of love, this very small prayer will be able to scorch the hearts of all those who pray it out of love from My Flame of Love. And then, truly souls will feel the desire to love Our Three Hearts, to console Us, to repair Us and to love Us.
Mark, John the Baptist was called the voice that cries out of the desert and I call you the incessant act of love. Yes My child, you have been repeating it and

praying it all day long for many years. And truly that is what you are: an incessant act of love for Jesus, Me and Joseph.
And now I want to transform all My pilgrims, all the pilgrims who come in My Apparition Here in Jacareí, all My obedient children into so many thousands of incessant acts of love, which they will give to God every day and to Our Hearts: love , consolation, correspondence, affection, fidelity and obedience.
Continue to pray the Holy Rosary every day and all the prayers I have given you Here.
I bless you all with love from Lourdes, from Fátima, and from Jacareí."

(Santa Luzia): "Dear brothers of mine, I Luzia, Lucia from Syracuse, come today to invite you to repeat an incessant act of love to Me all day long, saying: Luzia, I love you, save my soul, save many souls!
With this small act of love for Me, I will give you My Flame of Love, I will set your hearts on fire with the desire to follow Me along the path of holiness. You will grow in true love for Me, you will grow in true affection for Me and your hearts will feel the desire to trust more and more with My Hands and My Arms so that I can lead you to the Hearts of Jesus, Mary and Joseph.
If you allow yourself to be carried by Me in My Arms, repeating this small act of love to Me all day long, I will also give you My Flame of Love and I will take you ever closer to the safe refuge of the Hearts of Jesus, Mary and Joseph. .
I desire to unite myself with all of you, through this indissoluble, deep and mystical bond of love. And this bond I will give you, I will place around you, uniting you to Me if you continually repeat this Act of Love.
I love you all so much, with each passing day in fact I love you more. Therefore, I now wish to draw closer and unite Me even more with all of you, through a small incessant Act of Love to Me, which will lead you also to live a continuous Act of Love to the Hearts of Jesus, Mary and Joseph.
I love you, never give up! In difficult times call on Me and I will come to help you.
Keep praying My Rosary at least once a week so that I can truly give all of you the great graces that the Hearts of Jesus, Mary and Joseph have given Me to distribute to you.
I bless you all with love from Catania, Syracuse and Jacareí."

Jacarei, May 1, 2016

(Holy Mary) : "My dear children, today I come again to invite you to love. What I said yesterday with My little daughter Luzia Here, I repeat it today. Pray every day and throughout the day this little Act of Love: Jesus, Mary, Joseph I love you save souls!
By the way, my little son Marcos taught you to pray many years ago. This little Act of Love repeated incessantly throughout the day will ignite your hearts with My Flame of Love. And it will give your hearts the desire to love God more, to love Me more, to love Joseph more and also to love souls more, and to work and fight for their salvation as so many Saints did and as also My little son Mark have been doing here for over 25 years.

Yes, the Flame of Love that he has for Me, for My Rosary and that led him to make so many Meditated Rosaries for Me, spread them and make so many thousands of people pray the Meditated Rosary thousands of times. This Flame of Love was I who gave him, but this flame was increased by him by the continual Acts of Love he has done all these years.
Yes, John the Baptist was called the voice that cries in the desert and I call you Mark, I call my son Mark the incessant act of love and also the incessant Flame of Love.
To My children I am willing to give My flame of Love, but it will only grow in the hearts of those who, like My little son Marcos, make it grow through many acts of love, sacrifice, renunciation of their own will, renouncing sleep, rest and even food to give and sacrifice more for Me.
Only in this way will My Flame of Love grow in your hearts as it was in the heart of My son Domingos de Gusmão, who was already endowed with a great grace, a great virtue and a great Flame of My love at birth. But that turned that Flame into a true uncontrollable fire by the exercise of the Virtues, by his effort and by his prayers.
So, My children, pray the Incessant Act of Love all day long, doing the mental prayer, even in the work, even in the rush of your day, of your day. And My flame of Love will grow in their hearts, giving them the desire to love, make amends and repair God in these times of hatred for Him, the Catholic Faith and Me.

In these times of contempt for My Rosary and for all the Holy Prayers that I have given you, the incessant Act of Love will make your hearts turn into burning furnaces of love for the Rosary. And it will truly lead you to ignite all the hearts you find with love for My Rosary, for My Prayers and for Me. And then, My Flame of Love will destroy the flame of the devil, which is the flame of contempt for My Rosary, My Rosary, the prayers that I have given you, Myself and God.
Then it will be the Triumph of My Immaculate Heart and My definitive victory will finally take place and the promise I made to My blessed son Alano de La Roche will finally be fulfilled: One day through My Rosary My Heart will triumph and the world will be saved!
I bless you all with love and I ask: Keep praying My Rosary every day as My son Marcos explained to you, as My son Luiz de Montfort explained to you that it must be prayed to have merits, merits. And so, I promise that I will pour out on all of you the abundance of My maternal graces.
I bless you all from Fátima, from Pompéia and from Jacareí."

Jacarei, May 05, 2016

(Holy Mary) : "Dear children, today I come to ask for more love in My Hour of Peace. My Heart bleeds with pain because even though I have asked you for more than 25 years in a row to pray My Hour of Peace, there are many who do not pray it and prefer to do other things at the time I have chosen for myself. Do not make My Heart bleed more for your disobedience and pray faithfully the Hour of Peace that I myself came from Heaven to ask you. My children, be a living prayer of love in the midst of people who have neither

peace nor love because they do not pray. Continue to pray My Rosary every day. I bless you all from Fátima, Pompéia and Jacareí."

Jacarei, May 07, 2016

(Sacred Heart of Jesus): "My beloved children, today, when you celebrate the Anniversary of My First Message to My little son Marcos Here in the year 1994, I come again to say: My Love is not loved, My Heart is not is loved.

I, Love itself, am not loved by My creatures. And even though so many years have passed since the First Message I gave Here, until today It has not been obeyed or responded to by you.
My Love has been disappointed by you! My Love has been disappointed by you because you are still deaf, blind, hard of heart and you refuse to hear the words that since then I have been saying to you Here in these Apparitions.
My Love was disappointed by all those who passed through Here, but they did not respond to My Love, they did not respond to My Mother's Love, they did not know how to prefer Us to all other things, to all other creatures. They didn't know how to put us first in their lives and live out of love for us, live only to please us, give us glory, console us, love us and make us loved.
My Love has been disappointed by all those who have heard the Words I have spoken over all these years. But those Words hit hard ears, hard hearts that didn't want to hear My voice, that didn't want to hear the voice of My Most Holy Mother.
Therefore, today more than ever My Heart, My Love is disappointed with this evil and perverse generation, lazy and amateur only of itself, of its will and of its flesh. That refuses even today to hear what Love comes from the heights of Heaven to Here to say.
I offer a limitless and incomparable eternal reward and yet how few are those who are willing to seek My Treasures, while putting all their commitment and effort in the search for the treasures of this world that the moth gnaws, that the demons steal and that before even if death comes, they are already finished.
There is no one who comes to Me with a straight heart, pure and full of true love. How many pray to Me and My Mother, but with the wrong intention, pray to take pleasure in themselves to satisfy their "I" to seek the fulfillment of their desires, or pray coldly and without love. How many are like the Pharisees, very beautiful on the outside, but very rotten on the inside, because they don't have true love.
My Love is disappointed, because everywhere I look for true love, but how rare are the souls in which I truly find it. That at least Here there are souls of true and pure love completely dead for themselves, for their will, for their flesh and for the world, to console My Mother, to console My Heart and to finally give My Heart the joy of seeing Me loved by My creatures.
This place, this city chosen since the creation of the world to be visited by Me and My Mother is the Throne of My Graces. And in My First Message I said that I had come to finish what My Mother had started.
I have truly fulfilled what I have said, and even more will I fulfill by bringing My work Here to His perfect victory over all My enemies. And truly the love of My Father who sent Me with My Mother Here in Jacareí will shine and this Love will save the face of the entire Earth.

Marcos, in that first Message I gave you on the distant day of May 7, 1994, I told you how much I loved you, I told you how much I wanted you, I told you how much you were the favorite of My Heart.
My favorite son, My obedient and faithful servant, you have persevered in My Love during all these years. You were faithful to that Message that I gave you that night and therefore you were considered very worthy by Me of all the other graces I gave you, of all the other favors I gave you after that day. You were even considered worthy by Me to receive directly from Heaven the Medal of My Adoptive Father José.
Yes, you are the only one who has it because you were considered worthy of this great grace that I have not given and will not give to anyone else in the world but you.
You were worthy of the great sign of the Sun of the 7th of September and the 7th of November of that year 1994 that you asked Me and I gave you. This sign that the Pharisees asked Me two thousand years ago to believe in Me and I denied it because they were not worthy. I did not deny you because I considered you worthy for your great and immense love for Me and for My Mother.
I tell you son: you were worthy of wonders, but you will be even more worthy of greater graces, stay in My Heart so that My Heart stays in yours. Remain closely united to Me like the branch on the vine, so that My divine sap may flow into your soul, flooding it more and more with the graces of My Divine Heart to overflow them in this desert of this world that no longer loves anything or anyone. And so he destroys himself, annihilates himself and condemns himself to an unhappy existence in this life and the next.
Through you I will make the desert green and become a mystical rose garden of love, goodness, holiness, love of God throughout the world.
Come My dove, precious pearl of My Heart, favorite of My favorites. Come, come always to drink at the Fountain of My Heart and rest in Him who is your home, your refuge and your abode, as I promised you that night.
Believe in Me! You will triumph with Me and My Mother as I promised you that night and Our enemies will be in Our Triumph on Our footstool. Remain firm in My Love and fear nothing My children, because you are mine, you are precious to Me and out of billions I loved you more than others, I chose you, I elected you, I confirmed you: You are Mine now and forever. You gave yourself to Me with all your being, with all your heart and all your love. And I too, therefore, have given Myself and give Myself again to you with all My Heart, with all My Love too.
Continue to pray My Mother's Rosary every day, because through My Mother's Rosary you give Me more and more glory, love, praise and you unite more and more with My Divine Heart.
I bless you all with Love from La Salette, from Kerizinen and from Jacareí."

Jacarei, May 8, 2016

(Holy Mary): "My dear children, today, when you are already celebrating the Anniversary of My Apparitions in Fatima, I come once more to tell you: I am the Lady of the Rosary!
I truly appeared in the Cova da Iria in Fatima, to call the whole world to prayer, conversion and love through My 3 Saints and Blessed Shepherds.

All My Apparitions in Fatima had the sole purpose of calling all My children to love. Prayer, the Rosary, the Sacrifice offered to God were the means for My children to reach this union of perfect love towards God.
Therefore, My Apparitions in Fatima are a vehement call from My Immaculate Heart to Love! My Apparitions in Fatima are a call to Love. Through My Three Little Shepherds I called all My children to no longer offend God with serious sins, to love Him, to obey His Law of Love, to live in His Grace, to live a life of perfect union with Him through the Prayer of Rosary, sacrifice, acts of love, acts of penance and sacrifice. And the total surrender of each one's lives to live a life of friendship with God, adoring him and loving him deeply as the Angel of Peace and as I taught My Little Shepherds to do.
My Apparitions in Fatima are a vehement call to Love because through My Little Shepherds I asked for more love to My Immaculate Heart, I asked that My children no longer dig the thorns of sins into My Heart, that they remove them with acts of reparation, with the Rosary, with the devotion of the first five Saturdays.
And, above all, with a holy life living My Message of Fatima every day of your life, therefore living a life of sincere love for Me.
That is why the Message of Fatima is a Message of Love, a Message that until today is not understood in its essence, in its core, in its heart. How many remain just outside, in the superficiality of Fatima, content themselves with praying a few Rosaries, a few prayers, doing some penance on their knees. But the core, the heart of the Message of Fatima they do not know, they do not seek to understand. The heart of the Message of Fatima is Love. What I came to look for at Cova da Iria in Fátima was Love.
Firstly, the Love of My Three Little Shepherds and in them I found true Love, then in My children, in these I did not find true love.
In My Little Shepherds who have said 'yes' to Me with so much generosity and so much love since My First Apparition, accepting everything that God sends them, all the sufferings. And offering everything with an act of love, I make amends to God. And an act of love and supplication, of sacrifice for the salvation of sinners, in them My Heart truly found the true, sincere, generous, deep, constant, obedient, unreserved, unconditional, unrestricted and limitless love that I so desired.
Yes, My Heart was satisfied in them, because at every moment they gave Me acts of love, prayers of love, sacrifices of love. And that is why My Heart was pleased and satisfied in them, and so was the Heart of My Son Jesus.
Unfortunately, in other My children, I have not found this love in all of them. I searched all over the Earth for seventy, eighty years until here in Jacareí to find a soul similar to My Little Shepherds of Fatima who was able to give Me a deep, total, persevering, unrestricted and unreserved 'yes' like theirs. A soul capable of suffering everything for Me, of embracing all work, fatigue, weariness, pain, crosses for Me.
It is My son Marcos Tadeu, My 4th Little Shepherd, in him too My Heart is pleased, finds its complacency, is satisfied because he offers Me throughout the day continuous acts of love, effort of love, labor of love, renunciations of love , sacrifices of love, abnegation of love, forgetfulness of yourself and your will for My Love.
That is why I qualified it: Incessant Flame of Love. Yes, he is that flame, an incessant act of love for Me, which, like My Little Shepherds, consumes itself

every day like a candle, giving Me the warmth of its love. And illuminating the darkness of this world with the light of this flame of love that I make burn in his chest as I did in My Little Shepherds in the first Apparition, making them burn in this blazing Flame of Love that is the Holy Spirit himself who is God.
Therefore My children, today I call you to also be incessant flames of Love like My Little Shepherds of Fatima, like My little son Marcos, giving Me all your 'yes', all your love, every day of your life.

That is why my little son Marcos understood so early the core, the heart of the Message of Fatima and lived it. Because only souls on fire with love and capable of an unlimited and unreserved love for Me like My Little Shepherds can understand the heart of the Message of Fatima and its heart, which is love. Love in pure transformation, to which only souls of unlimited love reach, of love without reservations, without limits for Me.
Be souls of limitless love for Me, be intense, continuous flames of love for Me, saying your 'yes' like My Little Shepherds, like My Son Marcos, accepting all the work, fatigue, fatigue, pain, cross for Me and for salvation of souls, for the Lord and for the coming of His Kingdom on Earth.
So that, truly, your souls may be souls of unlimited love, of burning love and truly in you My Immaculate Heart may also be pleased, rejoice, and be satisfied. And finally to find the joy of being perfectly loved by a child of Mine who gives Me everything and denies Me nothing.
Yes, be incessant flames of love like My Little Shepherds of Fatima, like My 4th Little Shepherd of Jacareí, always living a life of true love with Me. Living the true consecration to Me that is made of Love giving Me everything, denying Me nothing. Renouncing your will, your opinion, your flesh, the world, and everything else for Me, for the Lord and for souls.
Then you will also know the core, the heart of My Message of Fatima, you will know the greatest Secret of Fatima, greater than the one I gave in Three parts to My Little Shepherds: The Secret of Love, of the greatest Love, of the boundless Love of My Heart for My children, of the Lord, for all humanity. Who sent Me over the poor Azinheira da Cova da Iria to call all Our children back to Us on the path of true Love, of 'yes', of the total surrender of their lives to Us so that We can fill you all with Our Flame of Love.
So, if you do that, My Flame of Love will powerfully break through all the barriers and obstacles in the world and My Immaculate Heart will finally triumph, blazing everyone with My Flame of Love. And transforming everyone into so many other Little Shepherds who will give God the most perfect adoration, the most perfect love and to Me also the most perfect affection, love and comfort in the whole Universe.
If you My children give Me this yes, My Immaculate Heart will shed My Flame of Love over you all and the Second Pentecost will come transforming the entire face of the Earth. And then, the Message of Fatima will finally be fulfilled and the world will be transformed into the Kingdom of Love of the Heart of My Son Jesus, of My Heart and also of Joseph.
And then, all souls will live in God and God will live in all His children.
Keep praying My Holy Rosary every day. Keep praying My Rosary so that, truly, every day more I can predispose your souls to receive My Flame of Love and to renew you completely, transforming you into living copies of My Little Shepherds of Fatima.

I bless you all with love from Fatima, Bonate and Jacareí."

(Pastorinho Francisco Marto): "My beloved brothers, I, Francisco Marto, servant of the Mother of God and Shepherd of Her Heart, rejoice to come today once again with Her to bless you and also to say to you: Be living flames of love as I was, as My sister Jacinta was, as My cousin Lucia was of love for God and the Mother of God.
So that your life may truly be like ours, an incessant hymn of Love to God and the Mother of God, that it may make amends, that it console you and that it may bring about the conversion of many poor sinners.
Be living flames of love praying many Rosaries as I have prayed throughout My life to console Jesus and Mary and to give them love, affection and save souls to give them souls.
Be living flames of love crying like me for so many offenses with which the world hurts, hurts the Divine Heart of Jesus and the Immaculate Heart of Mary. Yes, it is true, that My father often saw me crying at night and when he asked Me why I was crying I would answer him: I cry because Our Lord and Our Lady are so sad for so many sins in the world. I want to console Jesus, I want to console Our Lady, I want to suffer for her love!
Be like this too, console Jesus, console His Most Holy Mother, suffering everything with patience for love of Them, enduring everything for love of Them. Living a life of true love for Them, weeping over your sins and the sins of the whole world with which they are offended.
And finally as I am living flames of love aspiring, always desiring Heaven like I always said: I don't want to be a priest, I don't want to be a doctor, I don't want to be anything. I want to go to Heaven to comfort Jesus and Mary.
May that be your greatest desire to console Jesus and Mary with your life full of penance, of prayer and as the Mother of God has just said very well, not only remaining in the superficiality of the Message of Fatima and the Message of Jacareí, reducing everything only pious practices.
Enter the core, the heart of these two Messages which is one thing only: love! Unreserved, limitless love for God, which makes you die completely to yourself, to your personal will in everyday life, to do only God's will, to suffer everything for God and for his Mother. And like Us, Her Little Shepherds and like all the Saints who loved her the most, just out of love for her to live and just out of love for her to die.
To you My most beloved Marcos, who continues and finishes what the Mother of God began with us in Fatima. To you who are Our sweet and tender brother, of whom We have great jealousy and great care. To you today I pour out the most abundant blessings of the Lord and the Mother of God.
I also bestow upon you great graces that I have earned with My sufferings, merits, rosaries, pains. So that you can truly continue and finish this great work begun by the Mother of God in Fatima and which will be brought to its full triumph here, to its full success.
Be strong and demand that all who are by your side are also strong like you, because a great work like this requires souls of pure love, souls on fire with pure love, souls on fire, burning with love. Warm and cold, souls of little love are not fit to be Here, that's why it demands more from everyone every day: love, sacrifice, donation, fortitude, courage and courage, a lot of

courage. Because only the brave will reach the Triumph of the Immaculate Heart of Our Most Holy Queen.
And as for you, always rest in My Love, in the Love of Jacinta and in the Love of Lucia, because We love you very much and are always very attentive to the voice of your supplications. Come and ask Us what you want.
The Lady considered Us worthy to receive the great Miracle of the Sun that the whole multitude saw in Her last Appearance to Us. The Lady also considered you worthy of the same signs at the beginning of the Apparitions that all that crowd that came here saw and confirmed.
Therefore, you should feel happy because you are one of the most fortunate, rich, favorite and beloved souls of the Lord and His Mother. You are one of the souls most highly regarded by Him, His Lord and His Mother, and therefore you must fear nothing and no one and never be discouraged.
Go ahead because whatever you ask of Us the Lady, Our Queen will give you and We will offer all Our merits and supplications for you.
Come My beloved brother, receive now our deepest embrace, scorched by love and our blessing."

Jacarei, May 14, 2016

(Holy Mary): "My dear children, today I come to invite you again to love, to the love of works, to the love of sacrifices and renunciations like the love of My Little Shepherds of Fatima, like the love of My little son Marcos.
Live this love by giving yourself more and more to God and to Me, renouncing more and more to your will. And, above all, by enkindling My flame of love in your hearts at all times by praying the incessant act of Love. Doing many acts of love, of renunciation, of total surrender of yourselves to God and to Me during the day.
So that, just as the fuel increases the flame, so these small acts of love, of surrender, of renunciation, increase in your hearts the flame of true love for God and for Me.
If you My children, live true love like My Little Shepherds of Fatima, like My little son Marcos lived and still live. So also in you I will be able to do My wonders, in you I will also be able to carry out the great plans of the Lord, the great plans of My Immaculate Heart that will transform you into the most perfect and beautiful Saints that the world has ever seen. And through you God will triumph, My Immaculate Heart will triumph and My enemy will finally be defeated in a humiliating way.
I therefore invite all of you to be love and to give to God and to Me, the love of works, the love of renunciation, the love of total surrender, the love of obedience, the love of fidelity.
Marcos, My incessant Flame of Love, in you, in you I have accomplished and will still perform many wonders. Do you wonder that I promised you Heaven in the Apparition of December 4, 1993, yes I promised you Heaven and as I promised you I will take you there.
But I will not simply give you Heaven, I will make you enter Heaven with a very high, a very great degree of glory. You will not enter Heaven with a small degree of glory. Oh no! I forced you, I made you work intensely for God and for Me for the salvation of the world. I made you exercise the Virtues, I made you pray a lot, I made you renounce everything, I also made you carry a very heavy

cross the size of the world, so that you My child can enter Heaven, but not simply enter Heaven with a degree of small worthiness to have a small degree of glory there.
I will make you enter Heaven with a great degree of merit so that there you will have a very great degree of glory, indeed, one of the greatest degrees of glory among the blessed in Heaven.
You must therefore feel happy, because I will give you Heaven, but you will not have a small degree of glory in Heaven, you will have a great degree of glory for the life of great works, great prayers, sufferings and sacrifices that I made you have here in the land.
Rejoice in this My son, because I have thought of everything and I have already prepared everything in your life, so that everything leads you to Paradise, but not with a small degree of glory, nor with a small degree of the beatific vision. But to have a great degree of glory and a great degree of beatific vision in Heaven.
Happy are you, happy are those who hold your hand and let themselves be led by you to this Heaven, because they will also be given a great reward for their trust, love for docility and perseverance with you.
Continue to pray My Rosary every day, because through it a degree of glory is increased for you in Heaven, many graces are given to you on Earth. And truly My Immaculate Heart takes pleasure in all of you and pours out on you the great and abundant graces of the Lord.
I bless you all with Love from Fatima, from Kerizinen and from Jacareí."

Jacarei, May 15, 2016

(Holy Mary): "My dear children, today, when you are celebrating the Anniversary of My Apparitions in Bonate, I come again to ask you:
Convert! convert as I asked you in Bonate. Change your life and renounce your sins.
Live in the love of God doing everything to fulfill the Holy Will of God, to please Him all the days of your lives.
The heart of Bonate's Message is one: Love God. To love God with all your heart, with all your soul, with all your being, to adore him and not to sin any more, so as not to hurt the Lord's heart, not to give him displeasure and not to grieve him any more.
Do this and you will be fully living My Message from Bonate. Renounce all sin because, as I said in Bonate, sin is the cause of all the punishments, wars, misfortunes and even the diseases that many of you have, that your children have.
Convert, sin no more and all, all the bad things, all the evils of the world will little by little cease and the Earth will be blessed with divine Peace and men will live happily ever after.
What I came to ask in Bonate, what I came to look for in Bonate was love, true love. I came to look for children who truly love the Lord with all their heart, love Me with all their heart and all their strength too. Live in our friendship, in Our Grace, praying the Holy Rosary every day, always doing penance, living in the love of God and obeying His Commandments with love.

It was pure, disinterested, faithful, loyal, constant, unreserved, limitless love that I came to seek. Unfortunately in many hearts My appeal fell in a desert, My voice fell in an immense desert and I was not answered.
Here I want your hearts to respond to this My love and this My Grace. Therefore, My children, create in your hearts true love for God and for Me, renouncing your will and doing the Lord's, doing what I tell you in My Messages.
Pray My Rosary every day, because through it the flame of true love for God and Me will be born in your hearts.
Pray also incessantly the Act of Love: Jesus, Mary, Joseph I love you save souls!
Pray the Act of Surrender: Jesus, Mary, Joseph I give you all my heart now and forever!
Pray also the Act of Incessant Renunciation: Jesus, Mary, Joseph for love of you I renounce all sin!
If you do this, the Flame of Love for Me will truly grow in your hearts. So that, every day, you are more and more in the furnace of My Immaculate Heart, scorched and similar to Myself, configured to My own holiness and maternal love. That I may offer you as a trophy of Mine of great perfection and beauty for the Lord, a great work of spiritual beauty for the Lord. And then, may God be pleased and satisfied in each of you seeing yourself perfectly loved and adored by His children whom He created in His Image and Likeness.
My children, live the Messages of Bonate in your families by praying the Holy Rosary every day with Love and transforming your families into true prayer groups, where the Rosary is prayed Satan will not be able to enter to do his damage or destroy your families .
Marcos, My Incessant act of Love, My Incessant Flame of Love, through you My Appearance and Bonate's Message became known to so many thousands and thousands of My children.
My Heart rejoices for this, it takes pleasure in you and it really feels happy because your effort has brought to Me many, many My children who did not know Me and who now live My Message from Bonate every day, striving to respond to the my love and for being saints.
For all this My son, know that what I said to you still stands: For every soul that was converted by watching this film of My Apparitions in Bonate that you made for Me, there will be so many other crowns of glory that I will place on your head in Sky.
You must therefore feel happy, rejoice because you have given great glory, greatly increased My Glory on Earth, given great joy to My Heart and brought many of My children to Me.
So be blessed by Me and by the Lord now, for truly you are My servant, My favorite and obedient Son whom I can always trust, on whom I can always count and in whom I always find My delights and My complacency, I give all My complacency. .
I bless you all with love from Bonate, from Fátima and from Jacareí."

Jacarei, May 21, 2016

(Holy Mary): "My dear children, today I come again to invite you all to open your hearts to Me and let My Flame of Love enter your hearts.

My Flame of Love will only grow in your hearts when you expand your hearts with more prayers, meditations, sacrifices and renunciation. The daily renunciation of your wills and your personal desires in order to give yourself completely to Me, thus becoming the Apostles of the Last Times that I came to look for in La Salette and also here.
These Apostles must be well dead to the world, they must have no attachment to family, nor to friends according to the world, nor to anything on this earth. They must be very self-denying, very forgetful of themselves. Forgetting even their well-being, their comfort and often even their rest, in order to be able to give themselves more and more to Me and to the salvation of souls.
These Apostles must be burning flames, incessant flames of love that must burn with love for God and for Me tirelessly every day, as is My little son Mark.
If they are like this, truly My Immaculate Heart will triumph, it will quickly triumph in the whole world. Because what has prevented My Immaculate Heart from triumphing are not just the maneuvers of Satan and the bad guys. But also the lack, the inexistence of Apostles of the Last Times, true Apostles that I have never found almost anywhere. Because everyone is so full of themselves, they are so selfish, they are so attached to their own will, to their own will and to their own desires, preventing My flame of Love from truly working on Earth and carrying out great works of salvation among men.
If I find the Apostles of the Last Times here, similar to My Domingos de Gusmão, similar to My Afonso de Ligório, similar to My Luiz de Montfort, to My Maximiano Kolbe, to My little son Marcos. Truly, My Immaculate Heart will perform such prodigies and wonders, which have never been the same since the Word became flesh.
My Flame of Love will erupt powerfully and dispel the darkness of sin and satan from the face of the Earth and make the new day of grace, holiness, salvation and peace dawn for the whole world.
The 'yes' of each of you is what I want is what I'm waiting for. Do not delay in giving the answer because time is running out and the three days of darkness are very close to you.
Keep praying My Rosary every day, because only through it and the prayers I have given Here, your hearts will be able to die perfectly to yourself, to the world, to all earthly things. And only then will you have My Flame of Love and you will become the Apostles of the Last Times that I came Here to seek.
I bless you all with Love from La Salette, Lourdes and Jacareí.

(Santa Luzia): “Dear brothers of mine, I, Luzia, come today once again to say to you: Pray, pray and pray, until the Flame of Love of the Mother of God is kindled in your hearts, open your hearts and make them into the Apostles of the Last Times She came here looking for.
Only with Her Flame of Love will you be able to die to yourself, to the world and live detached from family, friends and all earthly things. To be able to be those instruments available, one hundred percent free and available that the Mother of God came to look for Here.
Young people are especially called to this wonderful life of perfect freedom, the happy freedom of the Mother of God. Detaching and renouncing everything, the world, friends according to the world and even family to be only and

exclusively Hers to work for Her in this noble, urgent and most important cause of all, which is to save humanity.
You are the last hope of the Mother of God, if you do not say 'yes' the world will be lost, Her last hope will be defrauded. Don't do that, answer 'yes' to this immense maternal love that has chosen you for the greatest mission of all, to help her to save this poor humanity that has fallen to the bottom of the precipice and sin, immorality, hatred, violence and of war. To lead her along the path of conversion, prayer, love and peace to our God, salvation and love.
Through you, Her Flame of Love will erupt powerfully and convert thousands and thousands of souls, showing them the right path that they must follow that leads to Heaven, salvation and peace.
Give your 'yes' to the Mother of God, so that truly Her Plan of Love that has already been so spoiled, that has already been so postponed, so prolonged because of your refusal to give Her love, your life , the 'yes, your freedom and your will.
So that this Plan does not take longer to be carried out and that all this great tribulation is finally over and the Triumph of Her Immaculate Heart comes. Until you say 'yes' to her, a third of humanity cannot be saved, nor a third, and the Triumph of the Immaculate Heart of Mary cannot come.
Therefore, your deliverance from this great tribulation and from all the evils that now dominate the world depends on you.
Pray, pray and pray that your heart will create true love for the Mother of God. And may your Love no longer be this false devotion and this false love. That makes you even pray some Rosaries and Rosaries, but your hearts are far from the Mother of God and you don't have the courage to leave everything for Her, so that you truly say 'yes' to Her and thus Her Immaculate Heart triumph and reign in you and through you throughout the whole world.
I bless you all with Love and ask: Continue to pray the Most Sacred Rosary of the Mother of God every day, which is a source of grace and salvation. And also My Rosary so that I can give you many graces that I have in My hands and that I acquired with My merits before God.

I bless you all from Catania, Syracuse and Jacareí."

Jacarei, May 22, 2016

(Santa Rita): "Dear My brothers, I, Rita de Cascia, am very happy to come to you today to give you once again My Message of Love: You must accept the Love of the Lord, you must live the Love, you must grow in Love, you must love the Love that is Jesus.
You know that throughout My life I was continually surrounded by the miracles of the grace of the Lord and one of them was the Miracle of Roses, which bloomed in My garden in the middle of winter, enchanting and astonishing everyone with this prodigious Miracle.
Today I come from Heaven to tell you: Be you also the roses, My roses of love, growing in true love for God, for the Most Holy Mary every day of your life,

imitating the love I had for them. Always seeking to live a life of prayer, of love, of intimacy, of obedience, of gratitude, of fidelity to the Lord for your prayer, for your life full of love.
Be My roses of love, renouncing every day all sin, all temptation of satan, all worldly things. And to all things and to all people who want to take you away from the path of salvation, from the path of the Lord, from the path of prayer. Because these people were sent by Satan to deceive you and to make you lose the crown of eternal life.
Get away from them, get away from everything that wants to try to take you away from the path of salvation. Because if you listen to these people and these things My dear brothers, you will fall into Satan's snare, you will certainly commit mortal sin and lose your salvation forever.
Therefore, live each day more in true love, in prayer and in vigilance, always watching over all the temptations of Satan. So that as soon as they present themselves to you, you already reject them and repel them with your prayer, with your meditation, with your vigilance. Also, with your life of love, of intimacy with the Mother of God.
Be My roses of love, trying every day to increase your love, a living and pure love for God: through spiritual reading, through meditation on the examples of My life and of the Saints who lead you along the path of holiness. And they give you the desire to climb more and more on the ladder of perfection, to overcome your defects, to fight your 'I', your corrupted 'I', the desires of your flesh.
So that you may truly grow every day in true love for God and His Mother, living free from all attachment to this world and from all embarrassment also from Satan's temptations.
Be My roses of love, trying every day to increase the intensity of the heat of the Flame of Love of the Mother of God in your heart, through the continuous and frequent exercise of renouncing your will, of the effort to give yourself and sacrifice yourself each more and more to Her, of perfect obedience to Her messages.
And, above all, also, by continually performing the incessant Acts of Love: Jesus, Mary, I love you, save souls! The Incessant Acts of Surrender: Jesus, Mary, Joseph I give you my heart now and forever! The Acts of Renunciation: Jesus, Mary, and Joseph for love of you I renounce all sin!
In this way, My dear brothers, you will truly grow in the Flame of Love of the Mother of God, making it increase more and more in your heart. Until it turns into a fire of gigantic proportions that will radiate and be transmitted to all souls and hearts, scorching them and transforming them into so many living furnaces of true love.
Marcos, incessant flame of love of the Mother of God, incessant act of love, today I give you another new and great proportion of My Flame of Love to you. I give you a new degree of My Flame of Love to increase in you, in your heart even more this flame for the Lord and for His Mother. You have loved Me for many, many years, since you have known My life deeply you have truly become My friend, devotee, disciple, friend and brother. You have tried in your life to imitate Me in the true love of God and His Mother with all your heart, constantly.

Therefore, today I come to give you a new and greater dose, proportion, degree of My Flame of Love so that with it you love the Lord and His Mother even more and do and accomplish even more for them.
Now receive from My Heart My incessant flame of Love so that you truly become what you asked for today: an incessant flame of love, an incessant fire of love that will spread throughout the entire world until it consumes the entire universe in the flames of true love for Jesus and for His Immaculate Mother.
I love you, I love you very much and today I give you My flame of Love once again. And soon Judas Tadeu will return to give you a newer and greater degree and intensity of this flame so that you truly burn the entire universe with this Flame of Love. And here truly make this place an incandescent furnace of the Flame of love of the Mother of God that will consume and scorch the whole world, leading it to the Triumph of Her Immaculate Heart.
And I bless everyone who is here with love from Cássia, Roccaporena and Jacareí."

Jacarei, May 25, 2016

(Holy Mary:) Dear children, today I call you all to increase even more My Flame of Love in your hearts by reading more My Life in Mystic City of God and also praying this small act of desire: "Mother of God, I I love you, I want: increase your Flame of Love in my heart". In this way My Flame of Love will grow more and more in your souls, transforming you into living furnaces of love for the Lord, for Me and for the cause of the salvation of souls.
Continue to pray My Rosary every day and to fight against your faults.
Love God with all your heart, with all your strength and do His will for that is true holiness and true love for God.
I bless you all from La Salette, Lourdes and Jacareí."

Jacarei, May 26, 2016

(Mark): "Yes my Lord and my God, I love you with all my heart. Give me your Mother's Flame of Love so that she can love you as she loved you as much as possible, imitate her in love for you. And give me your Flame so that I love your Mother with your own love, to give her joy, love, satisfaction and contentment as you gave her.
Yup. Yup. I feel on fire inside Jesus, on fire with love for You and for Your Mother. I feel myself melting, burning inside oh my God, fire of Love! Your Love, at the same time that it burns, that burns, that consumes even more makes the soul want to consume itself.
Oh, my God, increase this Flame in me to its fullness so that I can love you and your Mother with love without interruption, as the Angels and Saints love you in Paradise.

I want to love You, Jesus, not to feel the pleasure that this Flame gives, but I want to love You to give You the satisfaction, joy and love of seeing You with Your Mother perfectly loved by Me, without interruption, without rest, like a candle that burns and never goes out and always radiates the warmth of love and the light of love around you.

Give me your Flame, so that I burn more and more until I become a fire of pure love for you.
Yes, dear Mother, please bless this Image of your mother Saint Anne with you that I wish to send to a person I love very much and who suffers a lot, works and sacrifices himself for you."

(Sacred Heart of Jesus): "My beloved children, today on the Feast of My Body and Blood and on the Feast of the Apparition of My Mother in Caravaggio to Our Blessed Giannetta Vacchi, I come again to tell you: Great is My Love for you! Great is My Love that made Me come down from the stars, incarnate Me in the Immaculate and most pure bosom of My Most Holy Mother and make Me a man to suffer for your salvation.
Great is My Love for you, which made Me live beside Her a whole life of humiliation, obedience, submission, poverty. To give you an example of humility, of love of suffering, of love of hiding, so that you may understand the way that leads to Heaven: it is the way of humility, of self-humiliation, it is the way of hiding, the path of love that will take you higher and higher, towards Heaven, into My Father's arms, into My arms too.
Great is My Love for you that made Me want to stay with you until the end of the world in the bread and wine consecrated to be the food of your souls, to be your strength and your companion on the journey to Heaven.

But what do men do in the face of this love? You step on My Love, you step on My Heart, you step on all the proofs of love that I have given you throughout My life. They especially tread on My Sacrament of Love, which is nothing more than Myself and also the renewal of My Sacrifice of Love on the Cross, when consumed with pain I gave My life for the salvation of all humanity.
They trample on My Love, they trample on My Heart, despising Me, communing with Me sacrilegiously.
Performing profane Masses full of sacrileges, disrespects, irreverence and disorders and much, much more... And much more than that, the worst is not this, the worst thing is that many priests no longer believe in Me, nor in My Mother, they don't even believe in Heaven and Hell. They do not even believe in the existence of the soul and many of them neglected, despised prayer and sacrifice and set off on the path of the pleasures and honors of this world, becoming the sewers of impurity that My Mother spoke about in La Salette.
Your hands are dirty and because you don't believe in Me, you no longer believe in the dogmas that you have to teach the people, your masses are worthless before Me. I don't accept them and because I don't accept them I don't descend on those altars desecrated by so many sacrileges and also by hands dirty with sin and the betrayal of Judas.

Because of this, the light of true faith has disappeared in the world, the light of love has disappeared My children, the light of truth has disappeared and the world has plunged into the darkness of lies, sin and the search for all the deadly sins. These now dominate, reign and humanity as an agonizing languishes at the doors of spiritual death, because the capital sins dominate in families, in religious orders, in the world, in the Church, obscuring and darkening everything with the smoke of Satan.

Therefore, today I come to ask you: love My Love by giving your heart to My Love. Love My Love by responding to My Love more and more each day and truly letting yourselves be more and more molded, molded by My Love.
I seek souls of true love, I seek souls of true charity, souls who truly want to love Me, love My Mother with all their strength and respond to Our Love with all their truths. That's why I came here to Jacareí, to call you to this Love, to set you on fire with that Flame of love that will make you truly similar to My Angels in Heaven that burn and consume themselves in flames of love for Me and Mine. Mother incessantly.

This love that I want, that I want to place and find in your hearts, can only sprout, be born in you if the disordered love for yourselves and for the world comes out first. Therefore, renounce and put out of your heart all the disordered love of yourselves and of the world, so that my Flame of Love can truly enter you and perform in you its great wonders.
See My children that now I persecute sinners and persecute you with My Graces, because it is time for Mercy. But soon I will persecute you with My Punishments, so convert now before it is too late, because the hour of My Mercy is about to end and the hour of My Justice is about to begin.
Love My Mother in Her Apparition in Caravaggio, because She came down to Caravaggio to say to you: 'My children, I love you, love the Lord and stop offending Him so cruelly with your sins. Sin no more, fast, do penance, change your life and live a life of true love for Me and for My Son Jesus.'
Yes, live this Message from My Mother and you will be saved. Caravaggio like Jacareí, are the great proofs of Our great Love for you.
Happy are those who believe in these proofs of love and respond to them. Woe and cursed are those who despise these proofs of love and do not respond to them, because for these the inextinguishable fire that will devour them has already been lit from the beginning of the world.

I bless you all with Love with My Mother, from Caravaggio, from Montichiari and from Jacareí."

(Gianetta Vacchi): "My beloved brothers, today, I am glad to come here for the first time in Jacareí with the Lord, with My Holy Queen Mary, with My Brother Geraldo to say to all of you: I love you, I I love you with all My heart and I pray, I pray for you night and day without ceasing there in eternal glory before the Lord and His Mother for your good, for your salvation and for your eternal happiness.
Today I come to ask you: Love the Mother of God with all your heart, love Love in the form of a Mother who first loved you, before you knew her, before you loved her She loved you. When you were still enemies of Her and Our Lord through sin They loved you and gave their lives for you, suffering everything with love for your salvation.
Love, therefore, Love in the form of a Mother, who loved you first. Love this Immaculate Heart which is what loves you most. Love the mother of God with all your truths, with all the strength of your heart, despising yourselves, despising your will, despising worldly things, despising the will of creatures, despising their seductions and temptations. So that you truly love the Mother

of God with all your heart as I loved her, giving your life to her complete service. So that through you, as it was through Me, Her Word may be known throughout the world, so that Her children may all know Her love and confidently turn to the Heart that loves you the most, which is Her Heart.

Yes, love the Mother of God, She who came Here to renew, to resurrect the Message that She gave Me in Caravaggio through Our most beloved Mark. Yes, because here Caravaggio's Message is announced in all its strength, in all its integrity, in all its truth, in all its beauty and in all its light. And everyone who wants to see the light, see the truth, Here he can see this truth, he can see this light and he can truly be filled, flooded with that mystical light.

Yes, Here through the Word and person of Our dearest Mark, Caravaggio's Message is truly announced to the world without fear. And souls seeing the great goodness, the great love and mercy, the affection of the Mother of God, Her care for all her children, especially those who suffer the most as I suffered. Hearts open, they are enchanted, they fall in love with her and they feel in her heart the need to love her, to repair, to make amends, to console her, to serve her and to obey her.
Then Her Heart triumphs in souls, triumphs in the world and satan loses a little more of his power. Therefore, you must help our beloved Mark to make all the Messages of the Mother of God, not only those that She gives you here or that She gave Me in Caravaggio, but all of them, so that humanity may know how great is Her Love for Her children, how much She did and fought for the salvation of all. So that hearts feel the need to love her, console her, make amends for her, obey her, give her affection and love. So that Her Immaculate Heart may triumph and She may soon form the great Saints of the end times that She came to form and seek Here. So that the Lord, when He returns in His Glory, will find Here a holy people for His love and for their praise.

Love the Mother of God, love the Heart that loves you the most, giving yourself totally to Her without reservation, giving your 'yes' without limits and truly trying to respond more and more, each day more to Her Grace, to Her will. So that, from here, from this place, Her Flame of Love may erupt and spread powerfully throughout the entire Earth.
Live the Virtue of Obedience to Her as I lived it, obey Her in everything, above all, obey Her, obey Our Beloved Mark, who here takes Her place with you. So that the will of God and Hers may truly be fulfilled in your life. And, above all, when you have to choose between Her will and the will of Our beloved Mark, who represents her with you, despise and renounce yours, do the will of the Mother of God.

So that, truly, you can have a clear conscience that all along you have only done God's will and never yours. In this consists all holiness, perfect obedience, which makes reparation for the disobedience of Our first Parents Adam and Eve, the disobedience of Lucifer, the disobedience of the evil angels who fell, and the disobedience of all the reprobates who were and will be until the end of the world. .

In your obedience, the disobedience of all rebels will be repaired and finally, God will receive from you the perfect return, the satisfaction of all His Works.

I love you very much, I love My most beloved Marcos who loves Me with tender love, since 20 years ago when he came to know My life. He who, during all these years, always tried to imitate My obedience to the Mother of God, My service always ready, My 'yes' and who, like Me, also in moments of suffering, resisted steadfastly in love and faith in God and Our Queen.
I bless him who loves Me so much, who praises Me so much and who blesses Me so much, I truly bless him with great graces that the Lord and the Mother of God have allowed Me to give him today. Yes, the Mother of God and I live close to him who blesses us, who praises us, who loves us. And whoever wants to feel us, come to him and he will feel us, he will experience Our Love.
Let yourself be loved by Us through him and you will feel how great is Our Love for you.
I also bless all of you who love Caravaggio, who love the Message that Our Queen gave Me there and who spread it together with our beloved Marcos, being their echoes where he cannot reach.
Yes, to all of you now I bless with great Love from Caravaggio, from Montichiari and from Jacareí.
Continue to pray the Rosary of the Mother of God every day, We love you and with each passing day I love you more and I pray more for you in Heaven."

(Marcos): "Thank you, thanks Gianetta, grazie! Thank you for coming here today! For so many years I wanted to see you, get to know you, today I wanted to hug you, I wanted to tell you so many things today, I wanted to tell you today how much I love you, how much I admire you, how much I love you. And how much I also want to follow you on the path of true love for the Mother of God.
I would like Gianetta to truly tell you how important you are to me, how precious and dear you are to me. I burn in love fever, I die of love!
I would like Gianetta right now to die and go with you to Heaven forever, so that we can love our Mother together and in a holy competition live there continually competing with each other, to see who gives her the most love, the most affection and the most satisfaction, delight for all eternity.

I live for love Gianetta and I die for love and I want to die for love."

Jacarei, May 29, 2016

(Holy Mary): "Dear children, today I again invite you all to enkindle your hearts even more with My flame of Love, to serve the Lord better, to also work better in the cause of the Triumph of My Immaculate Heart and the salvation of souls.
Therefore, I wish you to repeat the Act of Love more often: Jesus, Mary, Joseph I love you, save souls. And the Act of Desire: Mother of God, I want, I desire, increase your Flame of Love in my heart.

So that your hearts truly expand, to receive a greater outpouring of My Flame of Love that will transform you into true warriors of God and Mine as My little daughter Saint Joan of Arc was.

She greatly enlarged her heart to receive in it this Flame of the Love of God, which St. Catherine, St. Margaret and St. Michael gave her. And you too, if you expand your hearts by many prayers, if you desire My Flame of Love with all the strength of your will.

If you renounce your opinions, desires, wills, and your laziness, My flame of Love will enter your hearts with such force and power that it will transform you into powerful instruments of God's grace in this world that will destroy errors, darkness and sin with your word and with the example of your life.
With the Rosary, expand your hearts to receive more of My Flame of Love. Also practice the Virtue of Fortress by undertaking arduous things for God and with the Virtue of Magnanimity also bearing all the consequences, problems, all the works, all the burdens that come to you because of this.

If you are strong, if you are magnanimous, then truly God will be able to save thousands even millions of souls through your word, your example, your apostolic work. Bringing more and more My Messages, My Word, the truth, the Love and the grace of God, to this world that has just reached the bottom of the abyss into which it has fallen and has ended up being dominated by darkness.
As I said to My little daughter Mariana de Jesus Torres in Quito, the souls of this time, the good souls, the true servants of God would have to have a great Fortress, a great Valor. Otherwise they would not be able to persevere to the end, they would not be able to save their souls, nor save the souls of others. Therefore, be strong and courageous and show to the end that you are children of the Woman, of the Woman dressed in the Sun who was once the Woman pierced with swords standing next to the cross of her son who died without losing Faith.
Then, you My children will truly be My offspring and together with Me with the Virtue of Fortress you will help Me to transform this world from the swamp of sin, lovelessness and violence into a Garden of grace, love and holiness.
I count on each one of you and again I ask: Be faithful to the Crusade of the Rosary, for this is the great war that you must wage with Me against My infernal enemy. With the Rosary in your hand, praying it meditatively together with My little son Marcos and with Me so that your prayers have the strength and power to blind and neutralize Satan.

Be faithful in praying the Rosary and all the other prayers that I have asked you, so that My Heart may truly triumph each day more in you and through you in this world completely flooded by the mud of sin and also by the darkness of hell.
Next Sunday, Saint Emilia will come with Me to bless and to give you a Message. Reread My Messages, for God will ask you to account for each one of them.

Keep spreading My Apparition of La Salette so that the whole world knows how great My pain, My affliction and concern for My children is. And so, My good children come to My Heart to join Me in this great war that will culminate in the Triumph of My Immaculate Heart in the world.

May My children, My apostles, My soldiers always go further and do not be discouraged because you, My obedient children, are already winners, because in the end My Heart will win.

I bless you all with much love, especially this Place that is dear to Me, that is more precious to Me than all the rest of the world. And to this My little son Marcos, My new and faithful knight, servant, warrior who, like My little daughter Joan of Arc, fights every day the fight against darkness, the fight against sin, against evil, against apostasy, against the lack of faith, against the diminution of the value of My person, the Angels and the Saints. He who fights not only to save this Brazilian nation, but all the nations of the world.
And just as My little daughter Joan of Arc saved her nation, France, which I love with immense love and affection. So too, My son Marcos will save not only the Brazilian nation, but all the nations of the world with his word, his example, his work, the Rosaries, films and everything else he did to make Me known and loved.
And, above all, for the merits of your works and for your love that is as scorched by Me and by the Lord as that of My little Joan of Arc.
Marcos, My incessant flame of love always goes further, carrying My Flame of Love and scorching all the hearts of My children. Fight, fight for Me, because I have always fought and I will fight with you.
I bless you all with love from Lourdes, from La Salette and from Jacareí."

(Marcos): "See you soon, dear Heavenly Mother."

(Angel Eliel): "Marcos, I am the Angel Eliel, transmit this Message to My brother Carlos Tadeu:

"Carlos Tadeu, My brother in the Lord, I, Eliel, am your Guardian Angel, I was commissioned by the Lord and the Blessed Virgin to accompany you, guide and guard you throughout your life.
The moment your soul was created I saw and knew it, it was beautiful. There, there I already loved you, I already took you, I already took you in My hands and I already placed you under My wings, since then I have never left you, nor abandoned you.
I have been with you all the days of your life, in the happy moments I rejoiced with you, in the sad moments I cried with you, in the moments of your victories I rejoiced and exulted with you. In your sufferings I suffered with you, in the dangers you ran I protected you and defended you always.
I will always be with you and I will accompany you throughout your life and I will not stop fighting for you until I see you happy forever in Heaven like Me and by My side.
My friend and brother, pray always, pray with love and with confidence, so that I can always unite your prayers with Mine and present them on the Throne of the Lord and of Our Most Holy Queen to enrich you more and more with graces.
I want you to always talk to Me, I want you to always come to Me in prayer, with the trust of a small child in its older brother. Thus, I will lead you further

and further on the path of holiness and higher and higher in the knowledge of God's Love.
Come to Me, give Me your sorrows, give Me all your needs and I will help you to endure and overcome them all with the weapons of Prayer, Faith and Strength.
Many times you will feel My presence with you, solving your difficulties, I will inspire you in your prayers and I will give you good ideas.
When I was designated by the Lord to guard you, it was revealed to Me that you were one predestined to Heaven, one chosen to meet Our Most Holy Queen in Her Holy Apparitions in Jacareí. That you were destined for the great honor of being the father of the chosen one of the Sacred Hearts, of Jesus, Mary and Joseph, the seer Marcos Tadeu.
Also, that you were destined to do great things for the Mother of God and for the salvation of many souls. This knowledge made Me rejoice and shudder with supreme joy. Since then, I have no other job or care than to watch over you, to protect you as one of the most precious souls for God and for Our Immaculate Queen.
Great graces are being given to you because of the greatness of the love that the Lord has for you and the mission that has been reserved for you: to be the father of the most beloved, favorite and blessed soul of the United Sacred Hearts.
Therefore, my beloved, praise and thank the Lord for all that He has done for you and move forward with all your faith, love and perseverance. For great graces from Heaven still await you and you will achieve much in the service of the Sacred Hearts.
I, Eliel, bless you with love now and whenever you are praying I will also pray with you and bless you.
Every day at 8 pm I will give you a special blessing.
Peace!"

(Marcos): “In this Apparition, the Blessed Virgin Mary also showed me Her Immaculate Heart, full of light and giving off multicolored rays in all directions. In Her Heart was written my father's name: Carlos Tadeu Xavier Nunes, in golden and luminous letters.

Our Lady made me know that the name of My father Carlos Tadeu is forever engraved in Her Immaculate Heart. It made me know father, that her name is engraved on her Immaculate Heart and that she has a great love for you.
Then, her name was transformed into a large green gemstone, which as the Immaculate Heart of Mary beat, pulsed, this stone also pulsed and gave off luminous rays.
And the Mother of God made me understand what this stone meant by saying:

(Holy Mary): “This green precious stone that you see is the soul of My son Carlos Tadeu, whom I love very much and whom I destined to be your spiritual father. He will accompany you for life and you will accompany him My child, you must be one in My Flame of Love, one with each other and one with Me too.

So that, united in this indissoluble Flame of Love, We can illuminate the world with the light of this Flame and this Love. And make the swamp of sin, hate, violence and satan's darkness again the garden of grace, beauty and holiness that it was before the first sin.
I love My son Carlos Tadeu very much, I am always with him, his name is engraved in My Immaculate Heart, from where it will never be erased.

And with each beat, with each pulse of My Immaculate Heart I will give you a special grace that will accompany you throughout your life."

Jacarei, June 04, 2016

(Santa Luzia): " Dear brothers of Mine, I, Luzia, am happy again to be here with you today to give you again My Blessing, My Peace and also My Message, to take you higher and higher in the true love to God.
Open your hearts even more to true love for God by re-reading and re-meditating all the Messages that have already been given to you Here. Read them until your hearts strive to emulate each other even more to grow in true love for God until you reach filial love for Him.
When you arrive at filial love, then you will truly give to God everything and there will be nothing left to give to Him. For that is what He wants from every man, from every child of His: that all His children love Him because He is your Father, because He created you, because He is the source, the origin and the end of the life of all. The man.
Then you will truly be the true children of God and you will give God the perfect love that He so longs for and came to seek, came to seek Here.
Conquer and leave behind, once and for all, self-seeking love, also servile fear, so that you truly create in your hearts friendship love and, soon after, filial love for God. Loving God only because He deserves Him, because He is good. Loving God only to give him joy, satisfaction and contentment to see himself perfectly loved by a creature, by a child of his.
Then you will give to God the return of all His Graces, the perfect gratitude, the perfect correspondence to Him for all the graces He has given you. And truly, God will rejoice over you and for you, and then He will come and unite with you, dwell together with you, dwell in you, and you will finally be one with Him.
I, Luzia, lived this Love in My life, I arrived at this Love quickly, because I desired with all My strength, I sought it and fought to create this true love in Me. And I am ready to help you also to create this love in your hearts and to arrive at this love.
Come, give Me your hands and I will surely lead you to this perfect and pure love of God.
I bless you all with love from Syracuse, from Catania and from Jacareí.
Continue to pray My Rosary, at least once a week, so that I can give you the great graces that will make you grow in true love. Read the Messages, meditate, seek silence and intimacy with God and the Mother of God.

I love you very much and with each passing day I love you more, I take care of you and cover you with My Mantle of Love always."

Jacarei, June 05, 2016

(Holy Mary): “My dear children, today I invite you again to perfect and filial love for God. Renounce self-interested love, renounce the love of slavish fear, renounce every kind of false love to God.
Open your hearts to true love for God, seeking to truly love and serve Him because He is your Father, your origin, your origin and the end of your life. Give God your hearts with all your affections to love Him with all your strength. And seek every day of your life to grow in this true love more and more each day, renouncing yourself and your will for God's sake to truly do God's will, carry out and obey His Plan on Earth.
To grow in this true love too, repeat many times the act of love that I inspired in the heart of My little son Marcos, so that he would place in the small beads of the Rosary of God the Father: 'My God, my Father, I adore you, I want to : increase my love and make me love you more and more.'
Repeat this act of love to God the Father all day long, even outside of God the Father's Hour, so that the true desire to love God, to seek Him for Himself and to serve Him because He is your Father and deserves it. And not seek and serve Him in exchange for His graces, rewards, consolations or goods.
Do not be self-seeking children, do not be selfish children who seek the Father only so that the Father will give them what they want to satisfy their human wants, whims and desires. But seek the Father to truly give Him the love, the affection that He deserves for having created you in such an admirable way, taking you out of nothing, calling you into existence and conserving that existence every day with love.
Making the sun rise for you, the moon to shine for you, the stars to brighten your nights, making water come out of the earth to quench your thirst and from the bosom of the earth bread and food also come out for each of you .
All that you are and all that you have came from God and to God must return. Without Him you wouldn't even have the strength to get out of bed. And what is man without God? From one moment to the next, the slightest illness destroys a man's body and reduces him to something that he only knows how to suffer when confined to a bed.
Therefore, My children, renounce your arrogance and pride and do what I tell you: Love God, renounce your will, give your 'yes' and your life to God, pray with love all the prayers that I asked you. And then, you will truly please God, you will be the good, true and loving children of God and He will recognize you before the Angels and the whole Universe as His true children.
When a doctor or a teacher tells you to do something, you obey, because you know that if you don't obey, you will die or you will be harmed. Why do you not obey Me when I tell you to do something? Why when I tell you to do something that is for the good of your souls and to save them, do you not trust Me and do what I say?
This shows how much you despise Me and how evil and hard-hearted you are. Because if you truly loved Me like your mother, you would obey and do with love what I say.
Therefore, convert yourselves My children, and be yourselves signs of true love for Me, as is My little son Marcos. The sign that you saw of My figure beside him at My coronation was given by Myself. To show you that I and My son Marcos are one united in a single mystical and supernatural Flame of Love.

He so conformed his will to Mine and so obeyed everything I asked of him, fulfilling everything with love, that he became one with Me in Love. And it's the same My children, I want to do it with you, but if you don't renounce your will and don't give Me your 'yes', you won't be able to unite with Me as My little son Marcos did.
Therefore, follow his example: love Me more than yourselves, more than the world, more than friends, family and any creature as My little son Marcos loved Me and you will also unite with Me as he did.
In fact, in this sign I show not only that My Apparitions Here in this place are true. But I also show that truly when a soul similar to My son Marcos loves Me more than anything and more than everyone and unites his will to Mine.
When that soul makes Me its reason for living and its path to God, I truly unite with that soul so strongly and so deeply that I remain with it wherever it goes. And I follow her wherever she goes and whatever she does I'm always there with her all day and all her life, because that soul gave me her life, gave me her will and her freedom. And after you have given it to Me, there is nothing left to give to Me.
And that is what my little son Marcos did for Me, giving Me his 'yes', giving Me his life and his love, he gave Me everything. That's why I also gave all My love to him, I gave myself all to him as his treasure, reward and inheritance.
I bless you all with love from Fatima, from Medjugorje and from Jacareí.
Continue to pray My Rosary every day and all the prayers I have given you, through them I will make you grow more and more in true love and union with God."

(Saint Emilia): "My beloved brothers, I, Emilia, am very happy to come today from Heaven for the first time to love, to bless, to form and to give Peace to all of you.
Follow Me on the path of true love, because I have loved God with all My heart, with all My soul and with all My being for all My life. And even though I was married to a holy man, My heart was not divided. On the contrary, My heart worked tirelessly to bring My husband's heart even closer to God, so that he would not only love God as I do, but even love Him more than I do and be holier than I, loving God more than I do. than Me your wife.
And that is what a true wife must do, lead her husband to holiness. It leads him to love God more than himself. Because then, the human love of the two will be supernaturalized and will lead both to a continuous growth in the true love for God that will elevate them to a high degree of holiness and along with them the children as well.
Follow Me on the path of true love, seeking to fulfill God's will in your life in all ways, in all places, in your state of life. So that you can truly be perfect in everything: in prayer, in love, in taking care of daily obligations, in the obligations of each one's own state of life. So that you can truly be models of perfection and holiness for the world in all states of life as I was.
Then God will truly rejoice and be pleased with you and in you, in you. And He will give you His grace, His love, His complacency and through you He will show: His great love, His great kindness to the world and the world will believe in Him and give their heart to Him.

Follow Me on the path of true love by living a life of perfect prayer to God and His Mother, always seeking intimacy with Them in prayer and meditation. Also the knowledge of God that will make you love him and love his Mother more and more each day.
In this way, you will grow like mystical roses of love, of penance, of sacrifice, of holiness and you will give God great glory, you will give Mother God great glory in Heaven.
I, Emilia, bless you all with love now and pour out on all of you the abundant blessings and graces of the Lord.
I, Emilia, love this Place that is favorite and dear to My heart, love My dear Marcos who is a great and dear brother to all of Us, the blessed, the Saints of Heaven, in him rests the love of God and of the Mother of God, His predilection, His affection and His blessings.
Everyone who collaborates and works with him on his mission will be blessed by the Lord. And whoever gets in the way and spoils his mission will be cursed forever by the Lord and thrown into the eternal flames, where he will pay for his evil for all eternity.
Beware of this sin against the Holy Spirit who will close the door to Heaven for you. Because persisting in disobedience to the Messages that the Mother of God gives Here is a sin against the Holy Spirit that will not be forgiven, either in this life or in the next.
Be obedient and docile to her and you will see how she will also bless you and unite with you as she united with our beloved Marcos, through the bonds of perfect love, through the bonds of affection, faith, prayer and peace.
The sign of the figure of the Mother of God next to Our most beloved Mark confirms completely for all of you that the Mother of God truly appears to Him Here with all of Heaven and that where He is she is also. Where he goes She also goes and what he does She also does, confirms and blesses.
I bless you all now with love, with all My heart once more and I especially bless the religious objects that you have with you."

Jacarei, June 11, 2016

(St. Luzia): "My beloved brothers, I Luzia, Lucia from Syracuse come once again today to say to you: Love Love! Love the Mother of God who is the Mother of beautiful Love!
Love Love with all the strength of your heart. Love not with self-interested love, nor with servile fear, but with all your heart, seeking every day more and more, seeking only to increase the joy of God, to increase the joy of Our Most Holy Queen, to increase more and more her glory on Earth. , increase more and more the Kingdom of God on Earth.
To this end, dedicating yourself with all your strength, with all your heart and with all your being, even if it requires tiredness, fatigue, work, suffering, injustices, misunderstandings, persecutions and pain as it cost Me.
I loved God and My Most Holy Queen with filial love, I loved Them more than Myself and that is why the Flame of Love that I had in My Heart made Me capable of great sacrifices for God, of great things for God.
If you have this flame in your heart, this flame will give you the strength to do everything for God, everything. All for Our Most Holy Queen and nothing will be too difficult or impossible for you to do for Them. Therefore: Pray, pray and

pray more and more so that this flame of love may increase in your hearts and so you will be able to do everything for the Lord, everything for the Mother of God.
And so, truly from you, this flame of love will spread throughout the whole world, producing and generating new souls on fire in the love of God, on fire in the love of Our Queen, who will do the same as you. And then, as in a holy competition of love, souls will live more and more to love God, to love Our Most Holy Queen and to implant the Kingdom of Love in the world.
Then Satan's Kingdom will be destroyed and annihilated at once and hell will lose its power in souls, in families, in nations, in the entire world. Then a new Heaven and a new Earth will come for you, the Heaven of Love, the Land of Love that the Hearts of Jesus, Mary and Joseph prepare every day for you with love and affection.
Imitate Me, follow Me along the road of Love, you must now truly apply yourselves to creating and making true love grow in you, because the Warning is very close. And those who most love God and Our Most Holy Queen will suffer nothing, they will suffer less on the day of the Warning. Those who love them little will be the ones who will suffer the most, they will feel a terrible mystical and supernatural pain in their souls and hearts. They will see how little love they had for God and for his Blessed Mother. You will see how stingy they were with God, with Her, how lazy, how disobedient, how relaxed, how cold they were and they will suffer much, much more on the day of the Warning.
And that pain will be all the more intense the colder and harder your hearts are. Therefore, create love, live love, make this love grow in your hearts. Above all, pray a lot for the incessant act of Love: 'Jesus, Mary Joseph, I love you, save souls.' The act of desire that the Mother of God also taught you Here, asking that the flame of Her Love grow in your hearts.
So that this Flame will continue to grow more and more each day, so that when the Great Warning comes, your hearts will be on fire with love for the Lord and for Her. And so, your suffering is not great and so you will have nothing to fear.
I Lucia, I want to help you to grow in this love, to increase that love. Therefore, beloved brothers, also pray My Rosary with Love at least once a week so that I can make this great Love grow in you and give you this My Love, the Love that I had in My Heart, this blazing Flame. that at the moment of My martyrdom reached the summit, the apex, the full power.
If you want, I can give you this love already in life and then your death will actually be an explosion of this Flame of Love that will rise to Heaven.
And then you will set fire to Heaven which is already full of love with your Flame of Love giving Us in Paradise with your arrival there an increase in accidental joy, in joy. And there will be a great celebration in Heaven for one more soul enflamed with love that arrives in the Celestial Homeland, to, in a single fire of love with Us, love and give the fire, the warmth of Our Love to God and Our Most Holy Queen to give them joy, satisfaction and contentment for all eternity.
Create love, increase love through acts of love, of desire, pray the Holy Rosary, because the Holy Rosary is the infallible means of asking and certainly achieving the increase of the Flame of Love.
I bless you all with Love now from Catania, Syracuse and Jacareí.

Every day I love you more, I protect you, I cover you with My Mantle, pray. Peace!"

(Holy Mary): "My little children, My Message today will be very brief: Love, love and increase the love in your hearts.
Keep praying the Act of Love and Desire always. Pray My Rosary with the heart, because those who pray them with the heart increase the Flame of Love, over and over in their hearts each time they pray.
And the Flame of Love increases your usual grace in you and also your glory in Heaven.
The Rosary increases the Flame of Love and the flame of Love increases the influx of the Holy Spirit in you.
The Rosary increases the Flame of Love in you and the Flame of Love inclines the Lord to look at you with Mercy and to give you all the graces necessary for your sanctification and salvation.
With My Flame of Love you will be able to do everything that the Saints have done, with My Flame of Love you will be able to become the greatest Saints of all times.
Pray, desire My Flame of Love with all your strength and it will erupt powerfully in your heart.
I bless you all with My daughter Luzia now. I also bless these Rosaries that My little son Marcos came to present Me today and which will be given to My children. All those who use them with love and trust will receive great graces from Me and My flame of Love will do wonders.
I also bless this My dear Image of My Apparition in Fatima, which My little son Marcos will give to My most beloved son Carlos Tadeu.

On her now descends the abundance of My graces and also descends the graces of My Flame of Love with My daughter Luzia."

Jacarei, June 12, 2016

(Holy Spirit): "My beloved souls, My chosen souls, I, your God, come again today to bless you and to give you Peace.
How I love you! I, together with the Father and with Jesus, created you from nothing, I gave you life to exist, I am your sanctifier, I am the one who gives your souls true life in God.
Everyone who believes in Me, who loves Me, who opens his heart to Me, will truly receive from Me this blazing Flame that will flood his being and that will truly make his being burn with love for the Father, for Jesus and for Me by truly doing extraordinary things for the salvation of the whole earth, of all humanity.
I am the Love that proceeds from the Father and the Son, and I have the mission to reveal the Father and the Son to you and to make you love the Father and the Son, understanding ever more their love for you and the Father's holy will over you.

I am the giver of life, without Me you can do nothing good, without Me you return to nothingness. And that is why when a soul departs from Me it returns to nothingness, that is, it returns to death.
It is necessary for all of you to be born again. And that's why I've been blowing Here in this place for 25 years to make the dead bones, that is, sinners revive, resurrect to the life of grace, so that then Here truly the Father, Jesus and I have the true worshipers who We've searched every part of the Earth and haven't found it.
Yes, I've been blowing in this place for 25 years to call you ever more to true love. Open your hearts to that love, renounce the worldly things that separate you from Me, that transform the temple of your soul that I created for Me into a nest of vipers and poisonous serpents, that is, of sins and demons.
If you renounce these things, if you renounce your will, I will truly enter you, I will fill your heart with My burning flame of love, I will perfume, I will sanctify the temple of your heart and I will make My abode there with you and We will be one only in love and never again from you, We: the Father Jesus and I will part.
I have been blowing in this place for 25 years, truly seeking to revive the deserts of your souls. Those who are docile to My voice, in the voice of My little son Marcos, those who truly obeyed Me, those who truly listened to My voice with love and put it into practice. To these I have given the grace to transform dry and cold deserts into green gardens full of love, warmth and holiness where I, the Spouse of your souls, the guest of your souls, can truly descend to rejoice, rest, exult, satisfy Me by truly seeing that your soul returns my graces of love, giving Me love, repaying the graces of love that I give with pure love.
Yes, if you, even today, who have not yet opened your hearts to Me, give Me your yes, I will enter and as if by magic I will transform your interior desert into a Garden so beautiful and so flowery with flowers of virtues and holiness that the Angels of Heaven will descend from there to contemplate your souls, to be ecstatic with the beauty of your souls. And may They also have their accidental joy increased by seeing the beauty of your souls.
Yes, open your heart to Me and I will truly make you a Garden so beautiful that the Angels themselves will come to contemplate it so that their accidental joy in Heaven will increase.
Oh, I have been blowing here in this Place for 25 years to truly transform the dry wells, that is, your souls without My Grace, without holiness, without My Love into wells of living water, wells that give the whole world the waters of your love, the waters of your grace, the waters of my grace, the waters of my love, the waters of peace, the waters of eternal life.
Yes, I want to fill the wells of your hearts so much that I make them overflow and transform the whole world from a desert into a fertile land, where My seeds fall and bear fruit a hundredfold.
Come, cast all the earth out of the wells, that is, cast out of your souls and hearts all that is mundane so that I can put there the water of My Love, of My Grace. And I will truly transform you into living sources that will quench the thirst for love, peace and salvation of the souls of this world.
And I will transform the deserts of souls ruined by Satan into fertile lands that bear much fruit of holiness for Me.

This is your mission, to save the lands destroyed by satan, that is, to save the souls that he destroyed by sin and make them return to fertile lands where My seed falls and produces much fruit, much fruit of love.
Come My children, do not delay any longer, because with each passing day I miss you more. How many of you have turned away from Me, gone far from Me and paid My Love with ingratitude, yes I am a God in love with you, who misses his creatures. I persecute you with My graces now, but the time will come when I will be forced to persecute you with My Justice.
Therefore, before that happens, let yourself be embraced by Me, loved by Me, saved by Me. Because I came from Heaven to heal you, to save you and to give you the true life in Me that will make you live Heaven on earth and then you will only continue it in eternity.
The lives of those who love Me are very blessed because they feel Me, they have My Grace, they have My Love, they are moved by My continual inspirations of love, they live for Me and I live for them. I am their everything and they are everything to Me too.
Therefore, this life of union, friendship and love that I want to have with My creature, with you, is the life of the blessed in Heaven, where there We are one. And this is what I want to be with you already here on Earth, one, one in love.
Therefore, My children, come, come to Me, give Me your heart, accept My Love, do not delay any longer. Because I am a God who weeps for the loss of My creature, for the loss of Our children that We love so much. Come to Me, come back to Me through Mary My Immaculate Spouse, and then if I see you in Her, with her and through Her coming to Me I will give you all My graces, all My Love.
Come to Me, come to Me through Mary, with Mary and in Mary. If I see Mary living and reigning in you, if I see you truly living in Mary, united with her, I will deny you nothing, I will give you everything. Because what I like is to give everything to Mary to glorify her, exalt her and make her ever happier. Because Mary gave Me everything and that's why I give Mary everything too, and in the soul that I see Mary living and reigning, in the soul that I also see Mary as Lady and Queen, the soul that I see living in Mary at this soul I will not deny anything. And everything that She asks of Me will be given to her because She will ask of Me in Mary, in Her spirit, with Her feelings and with Her own love that was always so pleasant to Me and the most perfect and sublime love that I have received.
Therefore, I will give everything, I will do everything to hasten in the world the Triumph of Her Immaculate Heart, which will precede the coming of My Kingdom, the Kingdom of the Holy Spirit, which will be the Kingdom of Love, of Grace, of Holiness in the face and in the life of the world and also of all My children.
Yes, I will come, I will come like a Celestial Dew, watering everything, wetting everything with My Divine dew. And I will transform the desert of this world ruined by satan and sin into a green garden of love.
Your eyes will see this wonder, I will give you this grace because I love you very much, I love you very much. And I will give it especially for the sake of my little son Mark, whose obedience, fidelity to Me and to Mary, whose love drew Me and reached for you once again mercy that will be abundantly poured out on you as you open your hearts to Me.

I bless you all now with love and I pour out on all of you the most abundant graces of My Love."

(Saint Judas Tadeo): "My beloved brothers, I, Judas Tadeo, come once again today with Our Most Holy Queen, with Our God of Love to say to you: Great is the Love of God for you!
Great is this Love that called you out of nothingness into existence, that gave you life, that preserved your life, that forgave all the sins of your past. And that brought you Here in this ark of salvation, which is this blessed and holy place for you to truly receive grace upon grace, blessing upon blessing, mercy upon mercy all the days of your life.
Great is the Love of God for you who loved you even when you were far from Him, captive in sin, captive in Satan. This Love has planned your release, it has planned your coming Here, your conversion, the restoration and renewal of your souls.
That love filled you with so much light and so much grace and even today that Love does not tire of looking for ways, of looking for ways to favor you, to benefit you, to love you, to elevate you, to sanctify you.
Great is the Love of God who truly did not look at your imperfections and defects, but looked only at your heart, looked at your interior, saw your interior dead by sin, he had compassion on you. Your faults, instead of pushing that Love away even more inclined him towards you and made him fall in love with you, made him fall in love with you.
Your miseries and your faults, rather barriers to grace, became for the Lord attractive so that He might have Mercy, so that He would fall in love with you, so that He would come down from Heaven to lift you from the dust of sin, to lift for you and to put you on the right path of salvation.
How much love the Lord had for you, he didn't take into account your faults, he didn't take revenge for the offenses you did to him.
Rather, as a kind and loving Father leaned towards you, brought you here, placed you in His lap, in the lap of Our Most Holy Queen, healed the wounds that sin opened in your souls and gave you new life again.
Great is the Love of God for you who truly spared no efforts or sacrifices here to save you. See this love for 25 years Here he gives himself without fatigue to you, he fights for your salvation, he does everything, he reveals himself, he shows himself to you in all ways and ways to convince you of how much he, the Lord, loves you, love loves you. And he only asks you in return only for Love.
He doesn't ask you for gold or silver, he doesn't ask you for impossible feats. It only asks of you love, docility, humility, it only asks of you gratitude.
Great is the Love of God for you who sent Our Most Holy Queen here, so that during all these 25 years you were continually loved, cared for, protected, covered by Her Immaculate Heart and Her graces, freeing you from all evils, from all dangers, from all sins. And making you truly rich in the grace and love of God.
In the face of this Love I only ask you to open your heart, to accept this Love and to let this Love enter you, transform you, change you completely until you become the perfect Image and likeness of what the Mother of God herself is:

purity immaculate, incandescent scorched, infinite love for God, endless goodness, boundless love.
This is what you must be and for that you must open your heart to Her Flame of Love. This Flame which is the Holy Spirit itself, which I also received on the Day of Pentecost at Her request. I was one of the Apostles who was closest to her, I loved her very much and because I loved her very much, I received in great profusion the descent, the outpouring of the Holy Spirit, his Gifts.
And if you also cultivate a great love for her, a true love for her, you will also receive the Holy Spirit in all His fullness.
Therefore, open your heart to the Flame of Love of the Mother of God, so that this Flame enters your heart, burns and destroys in it everything that is mundane, puts everything that is heavenly, everything that is divine. So that your heart truly lives the life of the blessed and the Angels of Heaven on this Earth, being happy with God and living in perfect communion with God, only to continue this life after death in Heaven, more fully and more complete.
Open your heart to the Flame of Love of the Mother of God so that this Flame, entering your heart and burning your heart, may fill your heart with the Gifts of the Holy Spirit, so that you may be strong like Me, tempered like Me, just like I, wise like me, pious, fearing the Lord like me, magnanimous, magnificent like me, patient like me.
And so, you can truly like Me, scorch the whole world with this Flame of Love that, through you, wants to transform the icy desert of this world into a great furnace of Love.
Finally, open your heart to the Flame of Love of the Mother of God, which is also My Flame, so that this Flame truly transforms all of you into the true worshipers that the Heavenly Father came to seek Here, into the true children who have for Him the friendship-love, filial love, the love that does not seek the father out of interest or favor, nor for consolation, much less for fear of punishment or punishment. But the son who seeks God for himself, who loves the Father because the Father deserves all the love of the son. It is his origin, it is his end, he gave him life, because the father is truly his beginning and his end.
He came from the Father, the Father gave him life in a burning flame of charity, because he had no need of the Son. And he gave his son life solely to make him heir of all his goods, of his glory and eternal happiness, he created man, therefore, out of pure charity, pure love to make him happy eternally.
Seek the Father, therefore, out of love, out of gratitude, so that you truly give Him the affection and love that He sought so much in His children all over the world but never found.
May you here finally be those souls burning with love for the Father that he came to look for, so that His Love will finally be satisfied in you. And so, He pours over the whole earth His Holy Spirit of Love transforming the world into the world of Love, into the New Heaven and the New Earth of Love and the world and man return to that communion and friendship they had with Him before sin.
I, Judas Tadeu, will always help you to have this true Flame of Love, ask Me for this Flame, beg Me for this Flame and I will give it to you.
I love you so much, I love you so much! On the day of Pentecost when the Holy Spirit descended on Me in the Upper Room in prayer with my brothers and with My Most Holy Queen your existence was revealed to Me, the

Apparitions of Jacareí were revealed to Me, these Messages were revealed to Me, it was - The person, the life of My most beloved and most beloved Marcos was revealed to me and I was designated by the Queen of Heaven to be one of the Saints who must accompany him, protect him and guard him always. And likewise, it was also revealed to Me each one who will give life with him here for the Triumph of Our Most Holy Queen, the existence, the coming into the world of My brother and most beloved son Carlos Tadeu, predestined for these Apparitions and to be for our beloved Marcos father, friend and guardian angel.
All this has been revealed to Me, all this has been shown to Me by the Holy Spirit. And since then, everything I did, everything I suffered, everything I accomplished for God and for Our Most Holy Queen I already offered for you, so that you could respond to so much grace, to so much love that was given to you here in this place.
Therefore, dear brothers, open your hearts and respond to this great grace and mercy that is given to you here and be holy as your Father in Heaven is Holy.
Pray my Rosary always, because every time you pray this Rosary I will descend from Heaven with many Angels to pour out on you and the place where you are the abundant graces of the Lord and My Flame of Love.

I now bless you all with Love from Jerusalem, from Nazareth and from Jacareí."

Jacarei, June 18, 2016

(Santa Luzia): "Dear brothers, today, I Luzia, Lucia, come to call you once again to true love for the Lord and His Mother, love-friendship
Try to cultivate this love in your hearts, doing everything, everything for God, everything for His Most Holy Mother, out of love and not out of interest, much less out of slavish fear of the punishments or punishments of the Lord.
Do everything with love, creating in your heart that pure love that a friend feels for his true friend. The desire to love him, to give his life for him if necessary, because you love your friend more than yourself. Yes, when you love God and his Mother more than yourself, you will have true love, love-friendship. And then you will truly arrive at that perfect, filial love for God and for Her.
And then, your heart will be a living and incessant flame of love as is the heart of Our beloved Mark.
Yes, Mark, living flame, incessant flame of love of the Mother of God, continue to love God, loving the Mother of God in this way. He teaches everyone more and more to love in this way, so that everyone can also become incessant flames of love.
For this is what the Mother of God came to seek Here, souls that are other incessant flames of love for Her and for God. And that they give to Them at all times this love that They searched all over the world and did not find.
Here it must truly be an incessant furnace of love, a furnace full of souls on fire, ignited with this true love for the Lord and for Her.
Therefore, teach... teach more and more by the word, by your example, by your love, to everyone to understand this love, to desire this love and to want this love.

When souls have this love, then the Triumph of the Immaculate Heart of Mary will happen easily and quickly in the world. Because what delays, what delays the Plans of the Mother of God is the lack of souls who are incessant flames of love, who help her, who work for her, who get tired, who are tired for her, to help her save souls and to carry out His Maternal Plans.
When there are a great number of souls, incessant flames of love, then nothing can stop the Immaculate Heart of Mary from triumphing. And truly, the enemy's kingdom will be destroyed definitively.
Here in this place, in this Sanctuary, there must be many generous souls, living and incessant flames of love.
This is Marcos, his mission for life: to form souls that are living and incessant flames of love, for the greater Glory of God and the Triumph of the Immaculate Heart of Mary.
Come, come with Me and I will burn your heart even more with love for the Lord and for the Mother of God with this flame.
And may all of you pray My Rosary at least once a week to ask for this flame and to truly transform yourselves in this flame.

I bless you all with love from Syracuse, from Catania and from Jacareí."

Jacarei, June 19, 2016

(Holy Mary): "My dear children, today I come again to call you all to filial love for God.
Create this true love in your hearts, renouncing your will to your 'I' and your 'wanting'. So that My Flame of Love may truly enter your hearts, which will give you the grace to create filial love for the Lord and for Me. And so, do everything for the Lord and for Me with Love.
This is why for so many years I asked you to renounce your 'I', your 'will', your 'want'. Because a soul attached to its own will, to its own will, is not able to have filial love for God. Because this love requires first of all that the soul not live for itself, but live only for God. And in all that she does, do it with the sole object of pleasing, giving joy, and holy pleasure to God. And not to please, to give joy and to give pleasure, to satisfy yourself.
Without renunciation, therefore, no one can grow in this filial love. Therefore, renounce once and for all the will of you, to create a filial love for God similar to the love that I placed in the heart of My little son Marcos, for his spiritual father Carlos Tadeu.
So truly, loving the Heavenly Father as he loves his spiritual father, you will truly give the Eternal Father the pure, boundless, unreserved, total love that He desires.
My Apparitions in Medjugorje are close to completing 35 years, in these 35 years I have shown all of you little children, My great maternal love. I have shown you all how much I want you, how much I desire the salvation of all My children. And I don't want anyone to be condemned or anyone to be lost, I don't want them to suffer in the future.
That's why I came to Medjugorje to call all of you to the Love of My Heart. And seeing that Brazil was not responding to My Message from Medjugorje, I came here in person in Jacareí, to continue what I started in Medjugorje. And to bring

My Plan of Salvation to its full realization according to the Secrets of Fatima, of La Salette, of Medjugorje.
here, truly, My Immaculate Heart has made a nest of love for all My children. And everyone who seeks Me Here will find Me, because the Holy Spirit himself has already made it say about Me in Sacred Scripture: 'Whoever seeks Me will surely find Me, I live close to the one who blesses Me. Whoever finds Me finds life, those who work for Me will not sin and will not die, they will have eternal life.'
Yes, all those who come here for Me, who work for Me, wear themselves out for Me, get tired for Me, consume their lives for Me, will have eternal life. Because My Son Jesus will reward even a straw that is cleaned and moved out of My love. My Son Jesus will reward with eternal life even a glass of water given out of love for Me.
Yes, that's why, little children, let everyone who wants to find Me come here and find Me alive next to My Son Marcos, who blesses Me, loves Me, serves Me, gets tired, gets tired, wears out, consumes me. if 25 years ago for Me, only for Me.
That's why I appeared next to him in that photo that he gave you, to confirm precisely the Holy Scripture that says: 'Whoever seeks Me surely finds Me, I live close to the one who blesses Me.'
Yes, I live not only close to My son Marcos, I live in him, I am in his heart and I reign in his heart as Lady, Queen and Absolute Owner of his entire being.
That's why I do so many wonders here! Therefore, here, I pour out My Flame of Love so much, which will become so much stronger as you My children open your hard and cold hearts to Me and accept My Flame of Love as My son Marcos accepted.
Then My Immaculate Heart will reign on Earth as Heaven. And I will bring to the whole world that kingdom of love that My Son Jesus promised and that I have the mission to bring to this world through the Triumph of My Immaculate Heart.
As a Mother of the Second Advent, I came to Medjugorje and Here to prepare the establishment of this kingdom. Which will become greater and greater as your hearts open to Me by accepting My Flame of Love.
When many hearts have accepted My Flame of Love, the Holy Spirit will pour out His mighty Flame. And then, the Second Pentecost will take place and the world will truly transform, already in a perfect image of Heaven, of Paradise itself. And you will already begin to live Heaven Right Here and then only continue it in eternity.
I want the happiness of all of you already Here on Earth and later with Me in Heaven.
Therefore, little children, give Me your 'yes', pray, be a living prayer of love so that all souls when they approach you feel the beauty, the sweetness, the joy, the strength of prayer and become like you also living prayer of love, incessant and living acts of love.
Keep praying My Rosary every day, because through it I will always increase My Flame of Love in your hearts.
With each passing day I love you more and I bless you from Fatima, Medjugorje and Jacareí."

Jacarei, June 23, 2016

(Holy Mary): “My dear children, today I once again invite you all to prayer... to prayer with the heart, so that filial love for God may sprout in your hearts. There is no more time for you to continue wasting time in self-seeking, or else, cold and false love towards God.
Life is short little children, and it goes by fast and if you don't learn to create in your hearts true love for God, your life will suddenly end. And you will see that you have not learned to love God perfectly, and without learning to love God perfectly, without loving him with filial love, no one can enter Heaven.
Therefore, little children, now that not only time passes quickly, but also the decisive events that I foretold in My Secret of Fatima, La Salette and also Here will happen, create true love for God.
So that when everything happens and when My Son Jesus returns in Glory, you will truly have created filial and true love for God. And so, you can go up to meet My Son Jesus who comes to meet Me, so that I can introduce you to the new Heaven and the new Earth that will arrive.
Keep praying My Rosary every day because through it, prayed with the heart, I will always and more and more enkindle you with My Love, with My Flame of Love.
Marcos, My incessant Flame of love continues on your path, imperturbable, courageous, fearless and ardent.
Yes, yes My child, My Flame of Love in you has been growing in you day by day and has been burning hard and cold hearts that have no love for Me. Keep it up so that then, truly Here I will form a great army of souls like you: incessant flames of love for Me, incessant acts of love for Me.
Go My little son, My incessant flame of love. It will burn all My children night and day and make them all become furnaces of love for Me, so that My Immaculate Heart may triumph.
Then satan will be neutralized, paralyzed and blinded forever and will no longer be able to harm the earth. And the Kingdom of Love of the Lord and of My Heart will finally be established and the infernal Empire overthrown forever.
I bless everyone with love and especially you Marcos, My incessant Flame of Love, the most obedient and dedicated of My children of Fatima, Medjugorje and Jacareí.”

Jacarei, June 25, 2016

(Holy Mary): “Dear children, today, when you celebrate the 35th anniversary of My Apparitions in Medjugorje, I come again from Heaven to call you to love.
I am the Queen of Peace and the Queen of Love and I want My children, that you create in your hearts real love, true love for God, true love for Me. If you have true, filial, real love for God and for Me, your lives will truly become an incessant hymn of love, an incessant song of love. And truly, your lives will become powerful signs of My Love, of God's Love and My presence Here.
You My children do not know how to love and because of that, you are not able to transmit My Flame of Love to My children, nor are you able to transmit God's love to others. Because, only those who have God have love and only in the one where God is is there love.
If the soul is not in God, it cannot have love, and if God is not in the soul, the soul cannot love. Therefore, children, place your hearts in God, so that your

hearts may be filled with divine love and thus be able to transmit and give love to this world without love, without hope and without peace.
I came to Medjugorje and also Here to teach you this true love for God: filial, sincere, real. And that's why I've been here for so long to teach you to live this love, to create this love in your hearts before the time for the conversion of humanity runs out. Because those who do not create in themselves true filial love for God will not enter the Triumph of My Immaculate Heart, nor the New Heavens and Earth to come.
Therefore My children, live in love, open your hearts to love, be prayers of love, be works of love, be witnesses of love, be living flames of love for God and for Me. And then My flame of Love through you will work wonders.
I love My beloved people of Medjugorje and I also love this place as the pupil of My eyes, I protect these two places with the incessant and powerful graces of My Heart. And both there and here I want to truly form a people made of pure love to give to God as a bouquet of mystical roses of love more fragrant to please Him.
Therefore, little children, let yourself be guided by Me, obey My Messages, open your hearts to Love, create true love, live it and My Immaculate Heart will triumph in you and through you in the whole world.
Behold, the time has come, the time of Love, the time of the Father! It's Father's Hour, it's Love's Hour, it's My Hour. Live in love, grow in love, so that My children can be saved in love and through love.
I ask you all to continue praying My Rosary and spreading My Messages of Love, with love to produce in hearts the victory of Love.

I bless you all with love now from Medjugorje, from Chivitavecchia and from Jacareí."

Jacarei, June 26, 2016

(Holy Mary): "My dear children, today I invite you all once again to true love. Only with true love will you be able to bring joy to your Father in Heaven and only with true love will you be able to carry out His will perfectly here on Earth.
Time is short and in order for you to reach filial love for Him, you must now make every effort to achieve this love. Renouncing once and for all slavish fear, self-interested love and even friendship love, you will quickly rise to filial love for God.
When the soul has this true love for God, everything is easy for it: praying, fasting, working for God, sacrificing and giving. Which doesn't mean that it doesn't require sacrifice, that the sacrifice doesn't cost you.
But the soul does everything, everything with love, courage, strength and perseverance. He does everything with magnificence, with magnanimity for God. Because love gives strength to the Virtue of Fortress so that with it the soul can do everything for God.
God is love, love is God! And only in the soul that is in God is love, and only in the soul in which God is is there love.
That is why My children, as long as you do not create filial love for God in your hearts, you will continue to be poor, miserable, unhappy and repeatedly falling

into the same faults and defects. Because the only force that can free man from all the defects, sins and ills of this life is the force of love, of filial love for God.
Therefore, create in your hearts that true and perfect love and you will then have the inner strength to do anything for God. And then, the grace of the Lord and My Flame of Love will burst out powerfully through you and will be transmitted to all Our children, igniting all of them with mystical and limitless love for God and also for Me, your Heavenly Mother.
Come little children, open your hearts to Me, let this blazing flame of God's love and My Love enter your hearts, your hearts. And then all will truly transform into unceasing acts of love for God and Me, a song of love that will never end.
I came here looking for souls made of that pure and perfect love, souls that with the Flame of Divine Love that I placed in the heart of My little son Marcos. And which he also with all the strength of his will desired, increased with the labors, prayers, sacrifices and efforts of his whole life.
This flame will also ignite you, it will ignite your hearts and if, My children, you collaborate with this Flame and do not put obstacles in its way, it will be transmitted so powerfully from your being, from your person, that it will scorch the whole world and transform the the whole world truly in the Kingdom of Love of My Immaculate Heart.
You cannot touch people's hearts, nor ignite them with that Flame of Love because you do not have love, you do not know how to love, you do not have that filial love. So you can't convey that love and conversions don't happen.
Open your hearts to this love and then you will truly be able to ignite the whole world with this flame of love. And then the Holy Spirit will come without delay in a Second Pentecost of Love renewing the face of the entire earth with the Triumph of My Immaculate Heart.
Pray with your heart, pray the Rosary with your heart, pray all the Hours of Prayer I have given you here with your heart. And then, My children, true love will spring up in your heart and completely enflame your being.
I bless you all with love now from Medjugorje, from Fatima and from Jacareí.
Continue to come Here in this beloved and favorite Place of My Heart, so that I may continue your conversion.
Peace My children, stay in the Peace of the Lord.
Peace Marcos, the most beloved and favorite of My children."

Jacareí, July 2nd, 2016 - Message from Our Lady Queen and Messenger of Peace

"My dearly beloved children, dearly loved by Me! Praise Jesus Christ, good night!
Today, I rejoice to speak privately to you and to see you all at My feet with such love. Thanks! Thank you for coming and for being praying with Me and with My most beloved son Carlos Tadeu.
Everyone who comes to this Upper Room will be marked with the sign of my son and my sign and the enemy will not be able to harm him.

Pray, pray with great fervor My children, because while you are praying many Angels and Saints will descend from Heaven to pray with you and they will pour out many graces on you.
Great things will be accomplished in you, so open your hearts and pray with love and you will see the Heavenly Mother at work in your lives and in your families.
During the time you are praying in the Cenacle, Satan will be paralyzed and will not be able to harm the world, he will not be able to harm the world and this My dear city of Ibitira, Rio do Antônio.
Therefore, my children, pray, pray a lot, so that together we crush My enemy and save many souls for Heaven. My son Jesus will reward all your prayers and sacrifices to help Me save souls and I will be eternally grateful to you.
I have a plan of Love for you and for this city loved by Me, collaborate with Me and My Heart will surely triumph in this land loved by Me.
And as for you My most beloved son, Carlos Tadeu, I want you to know that I love you with all the strength of My Immaculate Heart. Just as out of love and for the sake of My little son Marcos Tadeu I bless Jacareí and take away her punishments. So too, out of love for you and because of you, I bless Ibitira and Rio do Antônio and keep punishments and evils away from them.
For your sake I bless the crops and plantations, for your sake I keep it in peace and tranquility.
I loved you and trusted you so much that I gave you the most obedient, hardworking and dearest son I have as your son. This is the sign of the great love I have for you and how much I trust you.
Take good care of My most beloved son and make your heart happy, because I preferred you to billions of men to give you this grace and honor, even denying it to many who wanted it.
I am very happy with you My dear son and you have consoled My Heart very much. The night you enthroned My Image in the square of My Ibitira, you took out a sword of deep pain that was in My heart and also took out more than 92 thousand thorns of sins and offenses that were stuck in My Heart.
So be happy and never be discouraged, because every day you comfort Me more and I love you more. In the love of My son Marcos for you, you will feel the strength of Mine for you and you will see how sweet it is to be loved by Me in this valley of tears.
I am with you son and I will never leave you.
I bless you all with love from Fatima, Lourdes and Jacareí."

Jacarei, July 03, 2016
(New Promises - The remission of sins for those who wear the Medal of Peace)

(Holy Mary): "Dear children, today you remember here together with My most beloved son Marcos Tadeu, My first Apparition in Ezquioga in Spain.
It was a great Apparition, it was a great call from Heaven to Conversion. It was a great sign of My immense love that I gave to the world, it was a painful and urgent warning from the Sorrowful Mother to all her children.
My Appearance in Ezquioga was a sign of My immense Love for all My Children, for I came from Heaven to save all My children and call them to Peace, Prayer, Conversion, giving them the sure means of salvation , which is

My Rosary, the Prayer that reaches everything, everything can change and everything can win.
By praying the Rosary, My children will obtain all the graces of God, they will overcome all the evils of the world, all the evils that threaten the salvation of their souls and they will surely reach Heaven, where I await them with the loving eagerness of a Mother.
My Appearance in Ezquioga was a great Sorrowful Warning that I gave to the world. I came to warn My children of the evils that threatened them not only then, but also today, now, in your time. The apostasy, the loss of the true faith, the hatred of God and the Holy Catholic Faith that spread throughout the world and the world and the only way to stop and reverse all this evil are the Cenacles of prayer made with Me.
Yes, only through these Cenacles, these blessed prayer groups of Mine, will I reverse the advance of evil, apostasy, hatred of God and the Holy Catholic Faith throughout the world. And I will be able to make the Holy Catholic faith reborn in the heart where the faith died and to be able to give that faith to those poor children of mine who never knew. And that's why they wander around the world, not knowing why they were born, why they are here or where they will go after their death.
My Apparition in Ezquioga was truly the great manifestation of My Maternal Love, who came to take care of My children, who came to take care of all My beloved children to protect them.
I came to Ezquioga to keep My children under My Mantle, just as the birds do with their young, to truly protect them from all harm, to defend them from all dangers, to give them the warmth of the My Maternal Heart so that they never feel alone, nor helpless, nor abandoned in this life.
My Apparition in Ezquioga just like My Apparition Here is the great proof of how much I love all My children and how much I want to save all My children. If in Ezquioga where I appeared for just a few years I already showed so much My Love, think My children how great My Love is for you Here in Jacareí, where I have been for over 25 years, fighting for your salvation, calling you, seeking you without ceasing and seeking every way and every grace to save you.
I love you so much, but your hearts are so hard! Open your hearts to Me, give me your yes and let My flame of Love enter your hearts, transforming them completely into furnaces of true love for God and Me.
Pray all the prayers I asked of you Here, one day you will praise Me and you will thank Me for these Holy Hours of Prayer that I have given you, for these Meditated Rosaries that through My little son Marcos I have given and given to you.
Little children, I love you very much, I want to lead you to high holiness! Therefore, renounce all evil, give your 'yes' and your hearts to Me and try every day more and more to cultivate a true life of prayer and deep intimacy with Me through prayer with the heart.
I ask you My children: Read again the Message I gave you on the Second Sunday of the Month of May, reflect on it and truly seek to learn from it the lessons of conversion and sanctification that My Immaculate Heart has given you here. Reflect, think, how great is My Love for you and how much My children, of the entire universe, I Am the Mother who loves you the most and wants to benefit you the most.

Thank you for coming and for spending this entire day in prayer with My son Marcos. Truly satan was paralyzed during all these hours and could not harm souls and the world, many souls left purgatory for the eternal happiness of Heaven, hell was closed and no one went there in the hours you were praying here.
Every day at 8 pm as I said the doors of hell are closed and no one is condemned at that time.
I promise everyone who wears My Holy Medal of Peace with love that every Saturday they will have the complete remission of the penalties due to their sins that week. And on the 7th of each month they will have the complete remission of all the penalties of the sins of their entire lives.
I now bless you all with love from Ezquioga, from La Codosera and from Jacareí."

Jacarei, July 4th, 2016

(Holy Mary): "Dear children, today I come again to invite you to true and filial love for God.
Expand your hearts My children to true love for God and for Me, doing the Acts of Love and Desire that I taught you more often. The holy desires are the wings that make the soul soar, fly towards God and true love for God.
Thus, little children, you will grow in true love for God, in this time of grace that is given to you.
Life is short, so increase your love for God before the time for conversion is over.
Imitate the love that My little son Marcos has for his spiritual Father, My most beloved son, Carlos Tadeu.
In the love of the two who are one in My Flame of Love, you have a perfect image of the union and the love you must have with the Heavenly Father. And in the love of My little son Marcos for My most beloved son Carlos Tadeu, your Father, you have a perfect image of the love and affection that you must have for the Father in Heaven.
I am pleased with your prayers and thank you for waiting for Me until now. Continue to pray My Rosary every day.
I love them very much, I love My little son Carlos Tadeu and My little son Marcos very much and I always place My Flame of Love in them so that the whole world can see, feel how beautiful, wonderful and sweet My Flame of Love is.
I bless you all with Love from Lourdes, from Fátima and from Jacareí.
Tomorrow I wait for you Here again."

Jacarei, July 06, 2016

(New promise for those who pray to Trezena)

(Holy Mary): "Dear children, today again I invite you all to love My Trezena more.
Make My Trezen with love My children, because through them I will save many souls, including yours and your family members.

During the 13 days of the Trezena, numerous graces will be given to all of you. Many Angels from Heaven will descend every day to shower blessings on you and to take your prayers to Heaven. And on the 13th, thirteen thousand Angels will descend with Me to pour out on you many and abundant graces from the Lord.
Spread My Trezena, so that more and more children pray it with their hearts.
Life is short My children, so create in your hearts the true love for God, before the deadline for the conversion of the world ends and before you return to God or God returns to you on the clouds of Heaven. So that it's not too late, start loving today.
Be the loving children that God came Here to seek in you through Me.
Imitate the love of My little son Marcos for his father Carlos Tadeu, My most beloved son. So, having this same love for the Father in Heaven, you will finally give Him the love and affection that He seeks in all of His children.
From everyone I ask this perfect love, from everyone I ask this sublime unreserved love for God, as is the love of My little son Marcos for his father Carlos Tadeu.
Continue to pray My Rosary every day.

I bless you all from Montichiari, from Fátima and from Jacareí."

Jacarei, July 07, 2016

(Holy Mary): "Dear children, I am the Queen and Messenger of Peace! Today, the 7th, the day consecrated to Me, which I asked you to dedicate to Me with more prayers and special sacrifices, I come again from Heaven to tell you: My Appearances here, My presence here are the greatest grace, the most resounding grace that Heaven has given to all of you, and you must value this grace, love this grace and increasingly respond to God with love for this Grace!
My presence here is a thunderous grace of love, which was given by the Eternal Father and by Me to you, so that you could Here through My presence find salvation, find a new life in the love and grace of God, find the hope and the true meaning of life, which is God.
Through My presence and My Apparitions here, all of you have been able to know a new path, you have been able to sing a new song of love to God and Me for the greater glory of the Lord.
Therefore, My Apparitions here are a resounding grace for all of you, My children who wandered lost in this world without knowing either God, Me, Our Love or the true meaning of your life and existence.
So here I truly made each of you sing a new song of love to God and I truly gave each of you a new life in God. And there is no grace more resounding than this: To live in God and God to live in you. Therefore, thank and praise God for My presence here that has done so many great things in you.
My presence here is a resounding grace of Love for you My children, because here I taught you true wisdom, which cannot be learned from books or human knowledge. But divine wisdom that comes through meditation on the Word of God, through meditation on My Word, on the Word of the Saints, which comes through the knowledge of divine truths, through the knowledge that comes through deep prayer, through the inspirations and illuminations of the Holy Spirit.

This wisdom that I make known to you in My Messages, in My life and also in deep prayer and living with the heart, which I taught you only here. Truly all of you can know God, know the beauty and love of God, feel His Love.
And then, your hearts and your souls are truly illuminated by the deep and intense light of the Lord. Your souls are truly full of divine wisdom, and then, your souls truly live in light and become lights, become light of love for this world wrapped in the darkness of sin, evil and satan.
Therefore My children, My Apparition here is a thunderous grace of Love for all of you. Because here I appeared all covered in light, all shining like the sun. And to you that I called and brought to Me Here, to you I gave My light and made you lights for this world shrouded in darkness.
So today, thank the Lord with Me who has given you such a resounding grace of Love that is My Apparition Here.
Keep praying all the prayers I have given you Here and convert quickly because My Secrets will soon come to pass. And then there will be no more time for your conversion. Pray for the Peace of the world, because the attacks of evil men and enemies of peace are not over and will still happen.
Pray to prevent this evil, with the Rosary we can prevent and cancel all evil in the world.
Now My children, many souls come out of Purgatory with Me as I promised you at the end of Septena. As I ascend again to Heaven, I will take them all with me to be happy forever. These souls were freed by the Setena that you made to Me and those souls who know that you prayed for them, there in the Eternal Glory they will pray for you and obtain many graces for all of you.
Now too, My dear children, many souls are being saved. Today, with the prayers of you and Setena, you saved 150,000 souls with Me. Therefore, keep praying to My Septune so that many more souls can be saved and My children can be touched with the grace of God.
Upon all of you now descend My abundant graces as I promised and upon all of you also descend the abundant blessings of the Holy Trinity, in the name of the Father, the Son and the Holy Spirit.
Continue contemplating and imitating the love of My son Marcos for his spiritual father Carlos Tadeu. By contemplating this love and imitating it and living this love for the Heavenly Father, you will all learn to truly give Him the filial love that He expects from all of you.
I made of My little son Marcos and also of My beloved son Carlos Tadeu, who He and I chose to be the spiritual father of My son Marcos. I made them two lights, two beacons of light to light up the darkness of this world. Through them I will save many souls and the empire of My enemy will be defeated.
Continue to pray with love and perseverance and many graces will be given to all of you, My dear children. Keep coming here, because in this place of grace I can nourish, strengthen and consolidate the conversion of all of you.
My appearances here and in this Place are the greatest proof of My Love for all of you.
I bless you all with Love from Fátima, from Montichiari and from Jacareí."

(Marcos): "See you soon, Mommy."

Jacarei, July 10, 2016

(Mark): “Yes my Lord and my God, I love you, I love you with all my heart. Yes, yes, I will. Yes, I will take care of your mother all the days of my life.

(Sacred Heart of Jesus): “My children, My beloved children! Today I come to you again with My Most Holy Mother to tell you: Great is My Love for you!
Great is My Love for you, because I called you here, I brought you here from so many places, to be filled with My Grace, with the grace of My Mother this day.
Great is My Love for you, because by sending My Most Holy Mother here in Jacareí so many years ago, to give you Her Messages, to call you to conversion and prayer, I gave you My children the greatest proof of love of My Sacred Heart for you and I have truly filled your hearts with My Grace, with the Grace of My Holy Spirit.
Great is My Love for you, because when I called you and brought you here, I didn't look at your miseries or your sins. Before, I only looked at the fact that you are Mine, you are My sheep and I, as the Good Shepherd, had to heal you, I had to bring you back to My fold, to My fold. Where I can love you there, I can feed you with My Word, with My Grace and with My Love, to transform you into sheep full of life, of life in abundance.
Yes, My Sacred Heart has not looked at your miseries, they have not taken Me away from you, on the contrary, they have served to give me much more mercy and pity. And that is what I want from you My children, I want you to understand My great love for you and to respond to that love by saying 'yes' to My will to My Love, to the Love of My Mother who has been here for so many years With me fighting for your good, and for your salvation.
I seek love, you My children are Mine and what I want from your hearts is only pure love, the love that seeks nothing more than living in Me, pleasing Me, doing My will. This is Love, do you understand? It's the love I want.
You only have one right: to love Me! I have the right to love you and to do with you what I want. And what I want to do with you is to make you Saints, to ignite you with My Flame of Love and the Flame of My Mother, transforming your life here on Earth at the beginning of the life of Heaven itself.
Therefore, come to Me, give yourselves to My Love, let yourselves be shaped anew by My Love. When a metal is thrown into a large furnace, when the metal is super heated it melts and melts into the shape the smelter wants.
This is what I want from you, I want you to throw yourselves into the very burning furnace of love of My Sacred Heart, so that I can mold you there, I can fuse you and I can transform you into the very image and likeness of My Sacred Heart.
Therefore, I want you to truly surrender your heart to Me and to renounce all worldly things and everything that separates you from Me. So that I can truly act in you and do this wonderful work of transformation in all of you.
Great is My Love for you, that Love that made Me die on the Cross for each and every one of you. Whoever wants to understand the extent of My Love, look at Me on the cross and he will understand how much I loved you. Look at My Passion, meditate and contemplate My Passion and then you will understand and feel if there is another love in this world equal to My love for you.
Then, My children, your heart will understand with how much love I died for all of you on the Cross and how much My children, even today My Heart suffers,

because you are far from Me, far from My Love. I miss you! I miss you... I thirst for your love because I created you to love Me and to be loved by Me.
So let yourself be loved by Me, let yourself be overcome by the strength of My love and the love of My Mother, giving Me your heart with your 'yes'. So that I can truly do My holy will in you.
Come My children and do not be afraid to approach My Heart, because in it your miseries will disappear faster than a straw thrown into the fire. And then I will ignite your souls with My great Love and I will make you furnaces of love through which I will ignite and ignite all the hard hearts of My children.
Yes, you are My seed, I am your origin, you are the branches and I am the vine, the tree of life. Remain in Me, so that My sap of Love can circulate in you and through you in the souls of My children who do not yet know Me.
If you are well, well united with Me, then My sap of love will truly transform you into branches that will bear much fruit. And the sweet fruits of your holiness and your love will truly be well used and well savored by that humanity thirsty for peace, love and truth, for happiness, but which has sought these things in the poisoned fruits of My enemy.
Therefore, be you truly the branches that give to all My children the fruits of My Heart, the fruits of My Love, so that everyone eats, so that everyone strengthens and so that everyone has life in Me in abundance.
Great is My Love for you, which brought you here My children, which took you away from the path of ignorance and many from sin, and brought you here, where you know so many wonders of My Mother and My Sacred Heart, where you receive all love, all peace, all strength.
So come! Come to My Heart with your heart full of Love and finally give My Heart your love. So that, loving Me and I loving you, you remaining in Me and I remaining in you, we may be one in love for the perfect glory of My Father and the Triumph of My Heart and the Heart of My Mother.
It is My Father's Hour, I want to finally make you feel, understand and finally dive into the divine transcendence of My Father's love. Therefore, here you have been given the Hour of My Father which you must do, for in it you will rise very high in the true love of My Father.
And in order for you to get closer, to know and to immerse yourself in the Love of My Father, I wish that from now on every year on the SECOND SUNDAY OF AUGUST be held here the Feast of My Father. So that on that day you can truly dive deeper into the knowledge and Love of My Father. And may you receive all the great graces that are dammed up in the Heart of the Father, because humanity does not know Him, does not seek Him, does not love Him. And finally here, these great graces will be poured out.
Therefore, come My children! Come to reap abundantly the grace of My Father in His day. Your hearts and your prayers will be a vessel. The more you pray and the more you expand your hearts, the more you will reap on that blessed day.
Therefore, enlarge, dilate your hearts with many acts of love, with many prayers to My Father. And then, truly on that day you will reap much, much love, many graces and you will leave here truly overflowing with the graces of My Father.
I love you very much and I offer My Sacred Heart to be your abode. Come, My children, whom I loved so much, whom I called here, whom I brought here with My Love and which I predestined to the great glory and joy in Heaven.

Come, give Me your hearts and I will take you and I will unite with you and we will be one in Love forever.
I bless you all now from Paray-Le-Monial, from Dozulé and from Jacareí."

(Holy Mary): "My dear children, I am the Mystic Rose, I am the Immaculate Conception and Messenger of Peace.
Today, when you are already celebrating here the Anniversary of My Apparitions in Montichiari, I come again from Heaven to tell you: Be My Rose Garden of Love, making the roses of perfect love, of prayer, of penance, of grace grow in your hearts. of God, so that your hearts may truly be transformed into that mystical rose garden of love, which I came first to ask My little daughter Pierina Gilli to go and then through Her that you all go.
God seeks filial love on Earth. With what eagerness and with what thirst He longs to be loved by His children, for He created His children to love Him and to be loved by Him.
But the human being out of selfishness does not want to love his Creator, he wants to love himself only and wants to make himself a rose garden. But not the one I want, the rose garden of pleasures, the rose garden of worldly things where black roses grow, of vices, of sins, of pleasures that kill the sinner's soul.
And these black roses with their toxic perfume intoxicate souls and kill in them the life of sanctifying grace, the life of divine love.
To destroy this rose garden of My enemy that man out of selfishness allowed to be planted in his heart, I come here to Jacareí to transform all of you into My Rose Garden of Love and Holiness. That destroys the rosebush of My enemy and that truly transforms the hearts of My children into mystical rosebushes of love for God.
For this, I count on your help, to create the Cenacles, the prayer groups that I have asked for everywhere. For through these prayer groups and Cenacles I will destroy the black rosebushes of My enemy and men without God. And I will plant in the hearts of all My children My Rose Garden of Love, where the mystical white roses of prayer and holiness grow, red of sacrifice of love and donation, and the yellow ones of repentance, penance and conversion for the greater joy of the Eternal Father and for the greatest Triumph of My Immaculate Heart in the world.
Therefore, I invite you to be gardeners together with Me, planting these mystical roses of My love, first in your hearts and then in the hearts of your brothers and sisters.
Together with me, pluck the black roses from worldly things, from vanities, from the sins that My enemy has planted in the hearts of My children. And in the place plant My Mystical Roses of Love with Me, so that My children truly become those rosebushes of love, which I come looking for to exhale the soft and sweet perfume of prayer, holiness, love for God, filial love. for the Lord, of giving to Him, of conversion on all sides.
And then, the fetid and tenebrous swamp of this world will be transformed into a beautiful garden of love and holiness for the greater glory of God and the victory of My Heart.

Be My Rose Garden of Love, destroying all the black roses that satan planted in the hearts of My children through the word, prayer, example, through your work, always burning with love, helping Me to save souls.
I know that what I ask of you is a difficult task, because My enemy and the sect worked intensely to harden and make the faith die in the hearts of all My children. But, My children, together with Me you will manage to transform many black gardens of My enemy into beautiful and flowery Gardens of My Immaculate Heart.
Therefore, never give up on saving the souls of My children and on bringing them My Word, My Love and My Grace. Because many souls that are full of satan's black roses will be transformed into beautiful and green gardens of My Immaculate Heart, which much love and much glory will give to God and joy to My Immaculate Heart.
So little children, come together! Work with Me so that My children can truly be saved and I can truly quickly transform the world into a rose garden of love for the Lord.
I am the Mystic Rose and I have come here in this place to transform all of you into the most beautiful Gardens of holiness, grace and love as humanity has never seen.
Therefore, little children, give Me today, even today, your 'yes', give Me your hands and through them I will act powerfully for the salvation of humanity. And then, My Secrets will be fulfilled, all the Secrets that I have given to some of My chosen children, especially to My little son Marcos, and then the Triumph of My Immaculate Heart will take place according to the Secret of La Salette and the Secrets of Fatima .
Therefore, pray, pray a lot so that My Flame of Love may engulf all of you and consume, destroy, burn within you all the black flowers of My enemy and make My heavenly roses of love bloom within you and grow to fullness. .
Then everyone will feel My presence, My Grace, My Love, My Peace in you and they will also want to possess all these goods. And then, together with you, they will form the most beautiful mystical garden of love for the joy of the Most Holy Trinity and the Triumph of My Heart.
I love you so much! I love you more every day, I chose you, I called you here because I love you so much. You have a very dear, dear place in My Heart, so little children, return so much love from your Heavenly Mother and so much love from the Lord by giving Us your filial love. So that all of you can truly rejoice the Heart of the Eternal Father, who is so sad for the abandonment, contempt and ingratitude of so many billions of His children.
And then, you will make Him pour His Fatherly and Divine Mercy over the entire earth and the whole world will be renewed by the Second World Pentecost, which will coincide with the greatest Triumph of My Immaculate Heart that is about to arrive for you with the New Heavens and the New Earth.
Thank you for coming, thank you for staying with Me here all this day loving Me and comforting Me. Today you took from My Heart 87 thousand thorns that were stuck in it from offenses, sins and ingratitude of My children. And you also took from the Heart of My Children Jesus.
Thank you, keep coming here always, so that I can continue your conversion and transform you into My Rose Gardens of Love.
Marcos, My incessant Flame of Love, goes on, struggling more and more to embrace all My children with this Flame of Love and make them more and

more respond to this Flame of Love that I have given you in abundance and that in the month that comes will be increased to you by the Eternal Father Himself.
Yes, My incessant flame of Love, keep working, fighting, tiring you, wearying you for Me until exhaustion. Because all this My son, will not be in vain, with each passing day you accelerate the Triumph of My Immaculate Heart, you accelerate My victory, you save many souls and truly paralyze My enemy with the brightness of your flame of love, of your love for Me and your prayer.
Truly, while you are working for Me here, every day and all day long, whether on My Radio, whether doing My Hours of Prayer or Rosaries, or making My Films, satan is so blind and so paralyzed that he can hardly do anything. .
Therefore, continue son, because Satan cannot approach you, due to the great clarity that comes out of your mouth and also because of the heat that comes out of your soul full of My Flame of Love. Just as serpents cannot approach the heat of fire, Satan and demons cannot approach you.
And so, as snakes flee from the heat of the fire, Satan and the demons flee from you and also flee from all those who are close to you. Demons have no power to approach those who are close to you, thanks to your Flame of Love.
And that's why son, you must continue working more and more for Me and transmitting My Flame of Love. Because wherever it reaches, your voice carries My Flame of Love and the demons cannot approach the house and souls of My children either, while they are listening to you and praying with you, their strength is broken!
So son, go ahead because through you I will destroy the power of hell and I will always raise my Kingdom of Love and Peace in the world.
About you and about your spiritual father Carlos Tadeu, whom you love so much and I know you are willing to give your life for him. He that you love so much and that you love so much in your heart, now descends My abundant blessing and also on all My beloved children of Fatima, Montichiari and Jacareí.
In My excessive love I promise to all My children who pray My Rosary of Tears of Blood and wear My Medal of the Mystic Rose, make My Trezena every month, that every 13th of July of each year they will take 13 souls from the his Purgatory family, at His choice. You will also obtain the conversion of 13 people of your choice and I will do everything to save these people and take them with Me to be happy in Heaven.
Also, you will receive 13 great blessings from the Heart of My Son Jesus and from My Heart every 13th of each month."

Jacarei, July 16, 2016

(Holy Mary): "Dear children, today, when you celebrate My Apparition to My little son Simon Stock, I ask you: To wear My Brown Scapular with great love and to pray the Rosary every day.
If you do this I promise you all the graces necessary for salvation, also My assistance with you at the time of death and I will truly give you and your relatives deliverance from the fires of purgatory on the Saturday following the day of your death.

Also, I promise to cover with great graces from My Heart all those who wear My Brown Scapular. And those who disclose it to My children I promise a great degree of glory in Heaven.
Live true filial love for God, loving with all the strength of your heart and trying to do everything to please him, because what the Father wants from you is love. And the only right you have is to love him and let yourself be loved by him and God has the right to want to be loved by all of you My children.
And this love of His, which is great, which has scorched the hearts of the Saints, will also scorch your hearts and transform you into incessant flames of love, which will transform the whole world into a great blazing furnace of love.
Live in love, live in love, be love!
I bless you all with love from Fátima, from Montichiari and from Jacareí."

(Saint Lucia): "Dear brothers, I, Lucia, Luzia, come once again from Heaven today to tell you: Be mystical roses of love. Die to yourself and your will, your opinions and your desires. And then, the black flower of self-love, pride, rebellion and sin will die in their hearts and in its place the new rose of perfect love for God and the Mother of God will be born.
Pray, pray until in your hearts this rose of pure love is born and grows. I am with you, I love you more each day and I want to help you to transform yourself into luminous roses of love for God and the Mother of God every day of your lives.
My beloved brothers, I ask you to read the Second Volume of the life of Our Most Holy Queen, Mary, every day. And try to imitate her virtues, her love, her faithfulness, her obedience to God. And also meditate on the message that She and the Lord gave you here last Sunday, because truly in Her is found great light and great wisdom for all of you.
I bless you with love from Catania, Siracusa and Jacareí."

Jacarei, July 17, 2016

(Holy Mary): "My dear children, today I am again very happy to see you here with Me until now waiting for My Message.
My Heart rejoices for your loving presence Here and again I ask you today: Be My mystical roses of love, letting true love for God and Me grow in your hearts. It is time for you to truly become that rose garden of love that I came to look for Here My children.
So now it's time to pray more, it's time to turn to true love more, because time runs out. Soon the Punishments and the three days of darkness will come and no one else will be able to even meditate on true love, let alone create it in the heart.
Therefore, leave all worldly things, which until now have taken the place of God in your hearts, and create for Him the true and correct filial love that He desires and that He expects from all of you here.
In this way, the black roses of worldly things, of attachment to them and to your will, will die in your heart. And finally, the roses of true love for God will sprout in your hearts.

I am your Heavenly Gardener, it is My mission to cultivate and plant these roses of true love in your hearts. Let Me work in you, in you and I will truly make these roses of true love grow in your hearts.
I only ask of you docility, prayer and love and the rest I will do.
Truly My children, time is running out, there is no more time to waste with mundane things that are fleeting. Apply all your effort and all your love in learning from the Saints true love for God and in creating it, cultivating it in your hearts.
See My children, that My School of Love is here, but how many of you are still hard and cold and far from true love. When God asks you for a renunciation or sacrifice, you cannot do it. Therefore, your love is still weak, it is still very inconstant, it is very poor.
I come, therefore, to increase your love, strengthen your love and make your love beautiful, precious, rich in the eyes of God and capable of making any sacrifice of love for Him.
Therefore, let yourselves be ignited by My Flame of Love that wants to work in your souls and hearts powerfully now that there is little time left. I can still hasten and accelerate your sanctification and make it reach the maximum degree that God desires, but without your collaboration I cannot do it.
Therefore, give Me your 'yes' and collaborate with Me by doing everything I ask of you so that My Flame of Love truly purifies, cleans, burns, sanctifies, beautifies, illuminates, perfumes your hearts with that supreme holiness that God want from you.
Love God and also love My Immaculate Heart with filial love and I promise you little children: in return the Eternal Father and I will also love you with all Our Love. You will feel Our Love, you will receive lights and graces in your souls and hearts that you have never received before. Because the most precious, most sublime and deepest graces, those We do not give to those who serve Us, to those who love Us, who seek Us with a servile love, with the fear of punishment, punishment or those who seek Us and they love for the sake of Our graces and consolations.
We only give the deepest, strongest, most sublime graces of Our Love to those who seek us and who love us with true filial love.
Love Us like this and We will give you all our love, giving you lights, graces, blessings that you never received before. Above all, you will receive a love, a joy so strong, so intense in your hearts that you never had before.
And that love and that joy will fill and burn your hearts so much that you will want nothing, nothing more on Earth. You will have everything, you will have divine love itself in pure transformation in your hearts: My Flame of Love.
And with this Flame you will already begin to live Heaven Here on Earth, to feel it already Here on Earth and then you will only continue it in eternity. Your heart will rejoice with the same love and joy with which the blessed love and rejoice in Heaven. And then, My children, your life will be a true, perfect and perennial hymn of love to the Lord and to this Mother of yours who desires nothing more than your salvation.
With each passing day I love you more.
I now look at everyone with love, I love with all the love of My Heart and I bless you now with all the tenderness of My Immaculate Heart of Fatima, of Montichiari and of Jacareí.

Continue to pray My Rosary every day and all the Prayers I have given you here. Through these Prayers and My Rosary, I will enkindle your hearts with My Flame of Love. And I will finally transform you into My mystical Rose Garden of love, roses whose perfume of holiness will drive away all the serpents, that is, the demons of this world and will transform it, will transform the world into My divine and maternal Rose Garden of Love.
I leave My Peace to all, stay in the Peace of the Lord."

Jacarei, July 31, 2016

(Holy Mary): "Dear children, today I invite all of you to open your hearts again to My Flame of Love, so that She may enter your hearts and produce in your hearts the same burning love that the Saints had for God. , by the Lord.
You must open your hearts as the Saints opened, as My João Bosco opened, as My Maria Domenica Mazzarello opened, as My Filipe Neri opened, as My Afonso de Ligório opened, as My Geraldo, as so many Saints opened to welcome in them this blazing flame of My Heart, which will completely transform you into living temples of the Holy Spirit, which will transform you into incessant flames of love for the Lord, as I transformed the Saints who opened so much to receive this flame that is the Spirit himself Holy.
But for this flame among My children, you have to empty your hearts of the love of worldly things, so that there is space in your hearts, for My Flame to enter and work in you.
Understand little children, that you will receive My Flame of Love as much as you want, as much as you want it. And whoever does not desire My Flame of Love will never receive it.
It is also necessary that you have the true Faith in your heart, because whoever does not believe in My Flame of Love, whoever does not believe in My Messages, cannot receive it. Because this grace I only give to the souls who believe in it and who truly want it.
In fact, all the graces that I give are only given to souls who truly have faith, to souls who truly believe in My Words without doubting them. So, to these souls, I give great thanks from My Heart. Happy are the souls who truly believe, who truly trust in My Word and have faith, because for these souls I always give everything, I will always do everything for them.
Continue to pray My Rosary everyone, because by praying My Rosary every day, I will inflame your hearts more and more with My Flame of Love.
I want little children, that you truly convert without delay, because the time of conversion is now ending faster. And that means that the return of My Son is imminent and whoever is not prepared will not enter the Kingdom of My Son Jesus.
The Warning is at the door, the Punishment is at the door! Happy are those who believe in My Words, in My warnings and are truly converted.
Men have completely lost love and all they think about is violence, wars, cheating and betraying each other. That is why My children, the world is in this great tribulation caused by man himself and also by the devil through man.
Only with prayer, only with love, only by welcoming My Flame of Love in your heart, can the world truly be saved. Therefore, open your hearts to My flame of Love and welcome this Love in them.

I have loved you with boundless love, calling you Here, bringing you here in My School of Holiness, bringing you here in this My Ark of Salvation, in this My great Nest and Barn of Love.
I have given you, My children, the greatest proof of love. For here I form you, I feed you, I strengthen you, I teach you to be Saints. I teach you what truly pleases God and lead you on the right path that will lead you to Heaven.
With that, I gave all of you my great proof of love, a love without limits. And what I ask of you all is just that: boundless love for God and Me. So that we are more and more one in My burning Flame of Love, one heart, one soul and one single flame of love to love, adore and serve God.
Keep praying My Rosary every day, because with it I will do wonders in your lives, in your lives and in the lives of all those who are close, around you.
And keep striving to learn from My little son Mark, the true filial love that you must have for God the Father. Because in the love of My little son Marcos for his spiritual father Carlos Tadeu, which is a pure, holy love, truly given by Me and that comes from Me and that leads to Me, that leads to God, you will learn the true love that you must have for God: Pure, without interests, a love that finds all its joy in only loving, serving and truly making the Beloved Father happy.
And in the spiritual and mystical, supernatural love of My son Carlos Tadeu for My little son Marcos, you will also understand how great the love of the Father is for you, how much the love of My Spouse José is also great for you. Because in the way he loves and takes care of My son Marcos, you will understand how much God also loves and cares for you.
I bless everyone with love and especially you Marcos, My incessant flame of Love... Go on! Keep on loving Me! consuming you with love for Me, consuming you with love for God, consuming you with love for your brothers.
Today, the whole world can now contemplate the beautiful song of love that you, that you, My Flame of Love, have been singing for Me for 25 years. And in the future all the world, all nations will celebrate this love and they will turn to you, they will come to you, looking to you so that they can learn this true love for Me and for God, to learn to be My ceaseless flames of love.
It also continues to be an incessant flame of love for your spiritual father. What you said is true My son, he is for you what My son João Bosco was for Domingos Savio. And you will be for him what Domingos Savio was for João Bosco.
And so, in this mystical and supernatural love, I will show the world how beautiful the love of the Saints is, which is completely different from the human, carnal and self-seeking love of mortals. And in that love the whole world will see how great is the love of God, how great and beautiful is the love that the Saints have for God and that God has for the Saints.
And then everyone will want to feel that love, have that love. Then it will be the Triumph of My Immaculate Heart and My Kingdom of Love will finally be established in all souls, in all hearts and in all nations captive and surrendered to this eternal love.

Jacarei, August 07, 2016

(Promises of Saint Dominic to those who pray the Meditated Rosary made by the seer Marcos Tadeu and to whom to wear the Gray Scapular of Peace)

(Holy Mary): “Dear children, today, the 7th Anniversary of My Apparitions Here, I am glad to see you again at My feet.
I love you My children! With each passing day I love them more! And today I ask you again: Spread your hearts to My Flame of Love, so that finally the Peace that I came to bring from Heaven here as Queen and Messenger of Peace can enter your hearts, grow in your hearts, bear fruit in your hearts. And from His hearts to spread and dominate the hearts of the whole world.
Expand your hearts to My Flame of Love, welcoming this Flame with love and becoming yourselves a good land that welcomes My Word with love as My little son Mark said, so that you do not become a desert, a barren land that in the future will be ravaged by the fire of God's Justice.
For I say to you My children: My son Jesus will come to demand fruits even from the land where He did not sow, let alone from you, where He sowed so many graces, so many Messages, so many wonderful things and gifts that were given to you Here.
Therefore, My children, expand your hearts so that My Flame of Love can transform you into a good, fertile, living, generous land that bears much fruit from My Messages. And so, you can become an abundant, fruitful, leafy vine, so that I can give these sweet fruits to My Son when He returns in His Glory.
Expand your hearts to My Flame of Love, so that My Plan so many times spoiled by you can finally come true. And may the Triumph of My Immaculate Heart come to this country and to this world that has already touched the bottom of its misery and its doom.
Here, in this Sacred place, where I have manifested Myself for 25 years in Jacareí in the person, in the work in the word of My little son Marcos, in his whole life, in his whole being, I show the power of My Flame of Love. Which will become all the more alive, ardent, intense and powerful as the darkness becomes denser.
Happy are those who believe, happy are those who listen to My son Mark, for whoever listens to him listens to Me and whoever despises him despises Me and My Son who sent Me. And therefore, for this sin he will be punished for all eternity.
See My children, that the time of conversion is ending and the great Punishment is approaching, when darkness will cover the whole earth and in those three days the demons will be released and they will take to the flames with them all those who did not want to listen to My warnings, who they did not want to obey My Messages.
Have with you in your homes the Rosaries that I bless here. Those I have touched, for these Rosaries will rid you of demons, they will not be able to seize those who have them. Because those who wear these Rosaries are covered by My Mantle and are always under My gaze, under the gaze of My Angels, who guard and protect My beloved children.
Live a holy life, for only through holiness will you be worthy to reach Heaven one day. I love you all and I don't want you to condemn yourself. Therefore, little children: Pray, pray, pray until prayer becomes your life.

I bless you all with love from Lourdes, from Fátima and from Jacareí."

(São Domingos de Gusmão): "My beloved brothers, I, Domingos, servant of the Mother of God. I, Domingos de Gusmão, Domingos do Rosário of the Most Holy Virgin am glad to come today once again to bless you and give you My Graces.
Burn your heart with love for the Holy Rosary, praying it every day of your life, teaching it to those who do not pray it, who do not know it, who do not understand its greatness. So that everyone may be enflamed with love for the Holy Rosary, live the lessons of holiness that Jesus and Mary give in the Mysteries of the Rosary, penetrate more and more into the power and grace of the Holy Rosary, so that today thousands and thousands of souls can be saved as in My time when I preached the Holy Rosary.
Burn your heart with love for the Holy Rosary, praying it more and more, each day with more love, The Rosary will act with more or less power in your life according to the fervor and love with which you pray it.
If you pray it coldly, if you pray it sleepy, lazily, voluntarily distracting yourself, the Rosary will have little effect on your life. But if you pray it with your heart, with love, with concentration, if you pray it ardently with the flame of love of the Mother of God, it will act so powerfully in your life that it will do as many wonders in your life as it did in Mine. You will convert sinners, heretics, you will perform true miracles, which will cause thousands of souls, with multitudes to be converted, to be saved, to come to the Mother of God and through Her to reach God.
Therefore, enflame your hearts with love for the Holy Rosary, so that it can truly perform in you today the same resounding wonders that it performed in My life. The Holy Rosary has not changed, it has not lost its power.
It is this wicked and perverse generation that has lost its true love for God and the Mother of God, which does not know how to pray with its heart, which does not expand its hard heart to receive in it the Flame of Love of the Mother of God.
That is why your prayers are cold and that is why the graces of Heaven no longer descend upon you. That's why sinners don't convert, that's why the world gets worse every day.
The Mother of God came Here to form the new Sundays, which go through all homes, through all houses and paths, blazing all hearts of love for Her Rosary as I did, because the Rosary is the sure means of salvation. When she appeared to me, she promised me that those who serve her, who love her praying her Rosary every day will not be lost.
And truly I say to you: the sinner who prays the Rosary of the Mother of God at least once in his life with love, to him, the Mother of God, Our Lady Our Queen promises all the graces necessary for him to die in the friendship of God, in the grace of God and so, save yourself before exhaling your last breath.
Therefore, spread the Rosary, make everyone say the Rosary, because the soul that prays it at least once with love, even if it strays far from the Mother of God and the Lord, She will give to that soul all graces, will even do miracles so that that soul before death dies in a state of grace converted and united with God in His grace, in His friendship.

Therefore, spread the Holy Rosary, which is a sure means of salvation. Thus, as the Rosary is a sure means of salvation, of predestination, contempt for the Holy Rosary is a sure sign of God's disapproval and eternal damnation. Therefore, love the Rosary and teach everyone, everywhere, that whoever loves the Rosary is saved and whoever despises it is condemned.
I, Domingos, Here in this place that is the Shrine of the Rosary par excellence. Here in this place where the Holy Rosary is truly prayed, loved, propagated with true perfection, with sublime perfection and beauty by My most beloved Marcos, who is the Domingos de Gusmão of your last times. Here where the Holy Rosary is propagated by him with such beauty and perfection through the engraved Meditated Rosary he made for you. Here, Satan is crushed more and more by the feet of the Virgin Mary by this Meditated Rosary, which our dearly beloved Marcos does with so much love for the Mother of God.
Truly I say to you wherever one of these Meditated Rosaries is recorded there I am guarding, protecting and blessing the soul that possesses it and just the fact that a person has one of these Meditated Rosaries, in his house the demons cannot enter and in the days I will be there guarding this person's house to keep satan and demons away and no harm will come to them.
I am attracted by the discs of these Meditated Rosaries and with Me many Angels and many Saints from Heaven are also attracted. Therefore, spread these Meditated Rosaries to everyone, so that truly I can go with the Angels from house to house, from soul to soul, pouring out My great graces on everyone, touching, converting hearts and diminishing the presence and influence of Satan on people and their homes.
I, Domingos, love with special love all those who pray the Rosary of the Mother of God and tomorrow on My Feast Day I will pour out on you who pray the Rosary meditated with so much love, made by Our most beloved Mark, I will pour out abundant graces from My Hands from the top of Heaven.
And today in the name of the Mother of God I promise you that everyone who brings with him the Gray Scapular of Peace of the Mother of God will receive every 7th of each month a plenary indulgence for himself and for 7 people of his family of his choice. .
You can also choose 7 cities on which the abundant graces of the Mother of God will descend. So that, truly, this world darkened by sin can be purified, enlightened, converted and sanctified by the great graces of the Lady Queen and Messenger of Peace.
That Here He never tires of showing you His love, of benefiting you and of enriching you with the graces of His Heart's boundless love for you.
I bless you all with love now from Toulouse, from Paris and from Jacareí.
Peace my dear brothers, each Meditated Rosary recorded by Our Beloved Mark that you give to a person, with each Rosary you will have reduced a month of fire in Purgatory after your death.
Peace landmarks, peace Incessant flame of love from the Mother of God, my friend and dear brother Mine. I bless you and also your father Carlos Tadeu whom I love with all my heart and whom I always bless when he is praying the Meditated Rosary with you."

(Marcos): “See you soon. See you soon dear Saint Dominic, I love you, come back soon!”

Jacarei, August 13, 2016

(Holy Mary): “My dear and beloved children, today I am happy to see you here again at My Feet. Today is the 13th, it is the closing of My Trezena, it is also the day you remember My Apparitions in Fatima and Montichiari, it is also the Feast of My Holy Name.

That's why I come from heaven today to tell you: I am the Lady of the Rosary, I am the Mystic Rose, I am the Queen and Messenger of Peace!

My Name is for all of you a sure sign of protection, grace and salvation. Every child of Mine who invokes My Name, praying the Hail Mary with love in honor of My Immaculate Heart will receive great graces from God.

Every time My Son Jesus hears you saying the Hail Mary and blessing and praising My Name, He rejoices in Heaven and pours out great graces and blessings not only on you who praise Me, but also on the whole... .

Therefore, My children, I invite you to praise, to bless My Name many, many times every day, praying My Rosary, praying the Hail Mary with love. Because in this way My Son Jesus will pour over the entire Earth a deluge of His Graces and His Mercy. Above all, transforming so many arid, hard, cold, dry hearts, transformed into deserts without love and full of hate in gardens, in rose bushes of Mine, full of true love and scorched by the Lord.

It is enough to pronounce My Name once, so that many demons fall again into the infernal abysses, paralyzed and there they remain for many, many hours without being able to move or leave, or tempt My children. Therefore, My children, when you pray My entire Rosary, multitudes and multitudes of demons, like hailstorms, fall paralyzed again in Hell and cannot leave there for many hours to try again the souls.

Oh, how wonderful it would be if there were some place on the face of the earth where My Rosary was prayed all the time without ceasing, a perennial Rosary! The demons could not attack My children, families, or nations so much. It could not provoke so many wars, it could not provoke so many tragedies that originate with him, the father of evil. He could not also have dragged as many souls as he dragged and seduced to the path of death and perdition.

Oh My children, how the Holy Rosary is missing! How lacking a place where My Rosary would be prayed without ceasing for humanity that so much needs this divine remedy, which My own son Jesus gave with Me to My Holy Servant Domingos de Gusmão.

If My Rosary were prayed for all, the power of hell would be completely destroyed and it would no longer be able to harm My children, nor even destroy peace on Earth.

Pray, pray My Rosary, therefore My children, because in it there is the power of My Most Holy Name which in itself is terror of the demons, it is failure for hell, it is salvation and blessing for My children, it is peace for the Earth and it is concord for the whole Universe.

My Name is enough to transform a sinner into a saint and to justify him. Even if the soul is blacker with sin than the night itself, even if it has committed the worst sins. If you pray My Rosary, praising and blessing My Name, even once in your life with true love, I promise to give this soul all the graces to convert,

repent, do penance, purify and sanctify yourself to Heaven, I promise salvation.
My Heart loves My children so much that it never tires of looking for ways to help them, to benefit them, and to save them. I am the Mother who does everything, everything for the happiness of Her children.
That's why I promise everyone who also invokes My Name every day and all day long, praying like this: 'Mary, Mother of God and My Mother, I love you, but make me love you more and more.'
Whoever invokes Me and praises My Name, praying this brief act of incessant love for Me all day long, will receive great graces, great blessings from My Name. The demons will flee from this person, and they will not be able to touch him or his goods, because I will cover these My children with My Mantle of Love.
I am the Lady of the Rosary who came to Jacareí, Here, to ask all My children to pray the Rosary, which is the most powerful weapon that My Son left in the world for the salvation of all of you.
Pray My Rosary praising and blessing My Name 150 times and I promise that on the Feast of My Most Holy Name, every year, on the 13th of August, I will pour out 13 thousand blessings on these My children.
Yes, Yes My children, I want My Rosary to be better known and loved, more prayed and propagated because in it is the Secret of the final destruction of Hell and of all its works.
I am very happy with your prayers and I wish you to continue praying everything I asked, because Satan's power over you has already started to weaken. And now as you continue to pray My Prayers, My Rosary, its power will be completely destroyed in you and in your families. And the world will finally begin to see the light of Hope, Mercy and salvation shine, which will culminate in the Triumph of My Immaculate Heart.
Here, where My Name was glorified by My little son Mark as never before in the entire history of humanity, by the Meditated Rosaries He made for Me and for Me, so that My children would praise Me and bless My Name 150 times a day to thousands, spread all over the world.
Here where My Name has always been honored, with this special day, with this special Feast. Here where My Name and My glories are proclaimed to all My children without fear and where I have always found all My comfort, all My joy, all My joy. Here, I will truly continue to do My wonders and I will also continue to do the same wonders of love of My Heart to My dear city of Ibitira, My Ibitira. Where will this venerable image of Mine that is Here and that My son Marcos made with so much love for his spiritual father Carlos Tadeu and my most favorite son, go to.
Truly in this Image I will pour My graces, My blessings, My children will feel Me present wherever She is, they will receive graces and blessings just by looking at Her. Through this image you will hear their laments, their supplications, I will give medicine and relief for their pains, I will grant many graces for the body and much more for the soul and wherever this Image of Mine arrives all My thousand Guardian Angels will descend from Heaven together with Domingos, with Bernadette, Luzia and Geraldo, Judas Tadeu and Afonso and many Saints to pour out many graces over all My children there.
Yes, whoever stands before this Image will receive many graces and the house that welcomes this venerable Image of Mine will not be struck by the

rays of God's wrath when the hour of Punishment and inexorable Justice for this criminal humanity strikes.
Yes, for that My dear city of Ibitira through this Image I will give many thanks and I promise that She will be very, very spared when the great punishments come on the world. And about My most beloved and most favorite son Carlos Tadeu who so pleases My Immaculate Heart, who so enchanted My Heart with his faith, love, obedience, fidelity, service. With your hope, perseverance, fortitude and temperance.
To this My son, through this Image I will give many thanks, I will also give signs, I will give many blessings, I will do wonders. And Here under this My Blue Mantle he will always be guarded, protected and loved by Me.
My son, My favorite, Carlos Tadeu, take Me, take Me to My children, take Me so that they get to know Me, so that they love Me, so that they receive My grace, My Flame of Love.
Take Me because you are like a new John, who accompanies Me, who takes Me to My children, who keeps Me, who takes care of Me, who takes care of My Messages, who takes care of My things, who also takes care of My life that they are My children, whom I want to save. These little sheep of Mine who were lost like sheep without a shepherd and that I have given you to keep and take care of for Me.
Take Me My new John, My new John, who will make Me known and loved by so many My children, who without you, without your work, without your dissemination, without your sacrifice, your generous effort would die without knowing Me and would be lost forever.
Son, go because My thousand Guardian Angels will go with you, the Saints in Heaven will go with you and so will I and spiritually the son I gave you, My most beloved, dearest and most obedient son. The one who, even in the midst of so much suffering and difficulties, poverty and trials, persevered in My service. And for that reason, he has all the love of My Heart, all the pleasure of My Heart.
You, like him, are my John who will always be with Me and just as John was inseparably united with Me on Earth and then remained in Heaven right next to Me on My throne. So too, you will be inseparably united with Me on Earth and inseparably united with Me in Heaven beside My Throne, to reign with Me, to rule Heaven and Earth with Me in the Kingdom of My Heart, in the Kingdom of My Son to come.
Son, I am with you, and do not fear, because I am your Mother and My eyes are always watching over you.
I bless you all now with all the love of My Heart, of Fátima, of Montichiari and of Jacareí."

(Saint Philomena): " My beloved brothers, I, Philomena, am happy again to be here among you after so many years that I gave My first Message.
I am an incessant Flame of Love for God and for the Mother of God in Heaven and I came today to ask you to be just that: incessant flames of love for God and for Her.
Be incessant flames of love for her, praying her Rosary every day with all the love of your hearts, with all your fidelity and perseverance.

When I lived on Earth, the Holy Rosary did not exist, it had not yet been given to humanity through Saint Dominic. But I knew the Hail Mary, the Angelic Salutation, as I prayed it!
At the moment of My cruelest martyrdoms, I prayed the Hail Mary without ceasing to My Heavenly Mother, and Her Name gave Me the strength to endure all the martyrdoms, to be thrown into the River Tiber, to be beheaded, to be scourged, to suffer cruel pain, hunger , imprisonment, chains and ill-treatment.
The Name of Mary was My strength, the Angels who visited Me and who healed Me carried the Name of Mary that I loved so much on their garments. And that Name gave Me a lot of strength to resist the cruel tortures that I had to suffer until My death.
This is also why My body was discovered in August, very close to the nativity of the Virgin Mary and the true Feast of Her Name, because I loved the Name of My Heavenly Mother very much and that Name truly was My light, My wealth. , My strength.
And if you pray the Rosary with love every day, that Name will also give you strength to overcome all the sufferings, all the trials of life, all the pains, all the persecutions, all the annoyances. And pronouncing, praying this Name with Love, many graces will be poured out to you even by Me, who am indissolubly united to the Devotion of the Name of Mary by the Will and work of God Himself.
Be incessant Flames of Love from Our Mother in Heaven, opening, dilating your hearts more and more by fervent prayers, meditations, chants, by many prayers and supplications for many incessant acts of love. So that your hearts can truly receive the flame of Her Love in fullness, which by now should have already turned the whole face of the earth into Her Kingdom of Love if it weren't for the fault of men, the delay of men, the hardness of heart of men who did not want to receive this Flame of Love that for 25 years has been offered without ceasing Here.
For this reason, My brothers and sisters must truly begin this expansion, this explosion and triumph of the Flame of Love of Our Heavenly Mother. Therefore, open your hearts to her and she will work wonders for you as she has done for so many years in Our Beloved Marcos, who was the first to welcome her with faith, gratitude and love.
And now also in My most beloved and most beloved brother Carlos Tadeu, who has also welcomed this love of Our Blessed Mother Mary, with all the gratitude and love of his heart. And as the years passed, this love grew, this obedience, this flame grew in his heart. And now that she is already very intense, very strong, very powerful and vibrant, many more wonders the Mother of God will do.
I gave My 'yes' to Jesus when I was only 13 years old and that yes made many convert, many who knew Me, many who also witnessed the miracles that took place in My Martyrdom, seeing My faith, seeing My perseverance, seeing My love, many were converted.
The faith spread throughout Italy, all Italy was talking about Me, the 13-year-old girl, who so courageously loved the God of Christians, the God of the Cross, the Love of the Cross. And many loved the Love of the Cross because of My love, My example, My 'yes'.

See the wonders that the 'yes' of Our beloved Marcos has done and still does in the lives of so many. See also the wonders that the 'yes' of my beloved brother Carlos Tadeu has done not only in the life of our beloved Marcos, his son. But also in the lives of so many brothers who around him receive the graces of the Mother of God, they receive so many blessings that have been given, given, poured out like in no other city on the face of the earth until today. That is why your 'yes', your 'yes' like mine, like that of our most beloved Marcos, like that of our most beloved Carlos Tadeu, will also open the door to many graces, for many brothers. Say your 'yes' and open your heart to the Mother of God, always praying this little incessant act of love, this little prayer that she taught you today: 'Mary, Mother of God and My Mother, I love you but increase my love for you.'
And She will pour out so many graces by the power of Her Name in you and also around you, that you will not be able to count so many graces.
Be incessant flames of love for the Mother of God, always saying 'no' to your will and 'yes' to her wanting as I did. When She told Me that I would leave prison, but to suffer more and die, I renounced My will, accepted God's and Hers and willingly embraced martyrdom for the glory of God and for the salvation of many, including your salvation.
Yes, I solemnly reveal to you today: that the merits of My Martyrdom have reached for you the grace of mercy, forgiveness, salvation that the Mother of God has given you here in these Apparitions. I also collaborated so that today you would receive so many graces with My most pure Blood poured out for Jesus' sake and for Her love.
That is why your daily martyrdom to renounce the things of the world, to renounce your will, for this is the martyrdom that God now wants from you. May your little daily martyrdom be generous too, And then, you My brothers, with your holiness, with your merits, with your sacrifice, with your prayers, with your love, you will obtain the grace of salvation for many souls that without you they will be able to save themselves.
Therefore, save the souls that are assigned, reserved for you. With your sacrifices you can save them, with your little martyrdom each day you can save them. And then you will one day go up to those most beautiful abodes, where I dwell with the Martyrs. And even without having shed blood for Jesus and Mary like I did, you will be counted as martyrs at My side, because your martyrdom is the spiritual martyrdom of the soul, mystical martyrdom of the sufferings of each day that you can offer for the salvation of many.
This is the science of love, happy who understands it, happy who believes in it, happy who does. Because you will truly become living and incessant flames of love, which by consuming yourselves, praying, loving, offering, suffering each day for the salvation of souls, you will populate Heaven with many thousands of souls who depend on you, and you will depopulate Hell, for you will prevent many souls from going there.
Therefore, My brothers, go forward being incessant flames of love carrying and announcing the Messages of the Mother of Love to all without fear and you will also have the crown of confessors of faith like Me and you will shine like the Sun in the Kingdom of Heaven.
Marcos, Incessant Flame of Love of the Mother of God, My incessant Flame of Love, My reflection, My shine on Earth. How I love you! How I truly love you, how I protect you, how I accompany you, how I defend you. You never have

anything to fear because I am with you and also with My beloved brother Carlos Tadeu, your spiritual father.
Since he became his spiritual father through the work and power, will and mandate of the Queen of Heaven, I have also become his companion, I cover him with My Mantle. And whenever the devil wants to attack him, make him suffer immediately, I prostrate myself in prayer in Heaven, begging for him and offering My merits, the merits of My martyrdom, of My Blood shed for Him to obtain help, grace, strength and victory.
Also, I accompany him in all the Cenacles he makes, I accompany him in his work together with Judas. And even when he sleeps, I veil him at the foot of his bed so that no evil can approach him and that he may rest in peace.
I'm closer to him, I'm closer and closer to him than the water he drinks. Yes, my brother, I am closer to you than the water you drink, I know how many times your heart beats a day, I know how many times your lungs breathe, I even know how many hairs you have on your head.
Therefore, never fear anything, because I am with you and every day I offer My merits and My prayers for you. You already have great treasure in Heaven, which you have gathered with your prayers, merits, good works, love, service and obedience to the Mother of God.
Also for the merits that your son offers you every day and gives you. You also have a great treasure in Heaven for all the souls that pray with you and that you have already brought to the Mother of Heaven. And this treasure will increase even more as conversions and prayers increase.
You have a great treasure in Heaven given to you by the Mother of God and by our beloved Mark, who loves you with all his strength and with all his heart. It is not only you who receive this love, who enjoy this love and who delight in this love, Me too.
I also come down from Heaven many times a day to be close to My beloved Marcos and feel the Flame of Love that he has for the Mother of God, that He has for Me, that He has for the Saints and that enchants and attracts the eyes of Heaven whole.
When he prays all Heaven moves in myriads, and myriads of Angels and Saints to pray, adore and praise with him. And that is why the Father hears not only his voice, but the voice of all of Heaven in chorus singing and praying with Him as happened on that vigil in 1993 on the Ancient Mount of Apparitions. I was in the midst of those voices of the Angels and Saints praying with him, because when our beloved Mark says the Rosary, all of Heaven prays.
And so too, dearest brother, Carlos Tadeu, your voice is already well known and loved by Us and we also appreciate your voice when you pray. When you pray, I also come from Heaven with many Angels to pray with you and our most beloved Mark.
Therefore, great graces will happen through your cenacles and prayers, because Heaven will be with you, I will be with you praying for you with you and in your place and for this reason, great graces will be poured out.
Your people, after the pilgrims who come Here in this Sacred Place, are one of the happiest on Earth, because never has the Mother of God looked with so much love at a place, at a city that is not a Place, a Shrine of Her Apparitions. . She never looked with so much love and never favored as much as she has favored Our dear Ibitira.

And may this serve as a sign for all of you of the great love that We have for you and of how much We are continually praying for you, fighting for you and defending you from all evils.
Therefore, my friend, my brother, go forward, imperturbable with Our most beloved Mark, because many wonders await you and I myself prepare great graces for you.
And to all of you My dear brothers who are here. I look at you all now... I love you all now... I cover all of you with My Mantle now... To all I pour out the graces and blessings of healing, protection, salvation and peace that I achieved with the merits of My martyrdom now...
And now I solemnly bless you all from Rome, from Mugnano and from Jacareí. Thank you, thank you for coming to this My second Mugnano which is My Sanctuary. Peace!"

(Marcos): "My Little Mother and My Queen, I ask the Lady for the great kindness to touch these rosaries that will be distributed to your children today, dear Filomena, I ask your blessing for all of them and that wherever these Rosaries arrive many graces be poured out and happen from the goodness of your hearts and through Your Hands."

Jacarei, August 14, 2016

(God the Father): "My beloved children, I, your FATHER, am glad to be able to be here with you today on the day of My Feast. I am your Father, I am your Abba, I am your loving Father who misses you, who misses His children.
The Father who weeps for the children who have turned away from Him, who do not want His graces, who do not want to be loved by the Father, who do not want the inheritance that the Father prepares to give to each one of them.
I am your loving Father who misses the children who abandoned Me, who left My house like Lucifer, who I raised as a child of Mine, but who did not want to stay in My house and wanted to leave My presence.
He rejected My love, rejected all the beauty and all the graces that I wanted to give him, he rebelled against Me and wanted to destroy Me. That is why I expelled him from My Face, from My presence in Heaven and I threw him into the infernal abysses where he will eternally suffer the penalties for his rebellion, for his ingratitude, for his disobedience, for his wickedness.
I am your loving Father who misses His children and that is why I came Here, that is why I sent the Mother of My Son Here 25 years ago so that She would call you back to Me, bring you back to Me, lead you back into My arms. And She came showing in His voice, in the sweetness of Her Messages, all the sweetness of My Love, for I am a Father full of sweetness, of tenderness towards His children. There is nothing hard about Me, nothing harsh, nothing bitter.
It is with great reluctance that My Hand imposed the Sword of Justice to punish sinners, and I only use the means of Punishment when I have exhausted all My graces and all ways to bring sinners to Me.
I am a loving Father who never tires of forgiving, I forgive seventy times seven if necessary a day to the repentant sinner. I just don't forgive the obstinate sinner, who doesn't want to repent of his wickedness, the offenses he does to Me.

How I love you! But from most of My children, I do not receive love, I do not receive gratitude, I do not receive obedience, I do not receive the affection that I hope to receive from them. That is why My Heart, My Father's Heart is filled with sadness, because I am despised and rejected by the very children that I have raised.
My children, do not make Me suffer any more, come, come into My arms that I want to love you, save you, forgive you and give you all My graces and finally Heaven as an inheritance.
Come My children, come because I am waiting for you, My lips are already dry from calling you so much through the Mother of My Son, Mary Immaculate in Her Apparitions. I have been calling humanity back to Me for centuries, but I am not heard, I am not answered. And that is why My Heart is filled with sadness, it is drowned in sadness.
Come, come My children, come to Me, I want to forgive you, save you and give you My Graces of Love. Come that I may save you, come that I may bless you, Come that I may make you happy.
I only ask you for love, the filial love that My most beloved Daughter Mary and My Saints have taught you here. A pure love that seeks Me for Myself, that wants Me for Myself and that doesn't want anything other than to love Me, to give Me love, love without limits, without measure.
I want this love, this love from all of you My children, and if you give Me this love I promise that I will also give you all My Love and I will do the same wonders in your lives that I did in the lives of the Saints who loved Me the most with that filial and boundless love. And through you I will attract to My love and I will save many souls by doing wonders.
I am your loving Father and all I want, all I want most is your love. I want your 'yes', give Me your yes and I will get so close to you with My graces and I will do so many wonders in you, in your life and through you, that you My children will live more like Angels than like men.
I look at each one of you, I scrutinize the heart of each one of you and I look for love in the heart of each one of you. I want your love, I ask for your love, I seek your love and if you give Me your love I will give Mine to you My children.
And then, everything, everything you ask of Me will be fulfilled, even the most difficult or impossible things, because my love and your love together will make the impossible Truth. And then the world will change from a cold, icy, loveless, dark desert. It will become a beautiful, luminous, fragrant, joyful and happy rose garden, where you will be happy with me forever and there will be no more pain, no sadness, no fear for you.
Here, in these Apparitions, I have revealed My Love as I have never done since the Word became flesh and why? Because I loved you so much, I loved this generation, much more than many generations ago. I loved this generation with an almost maddened love, of a Father who doesn't know what else to do to save His children.
Oh My children! How much I have loved you! How much have I favored you! How much I have blessed you, how much I have magnified and elevated you.
Here, I have given My grace without measure, without limits to all of you and unfortunately many hearts have not accepted My Grace and that is why it has not borne fruit. But if you accept My grace and collaborate with it, it will bear much fruit of eternal life for your salvation.

So, open yourselves, expand your heart to receive My Flame of Love which is the Flame of Love of Mary, so that this flame transforms you and engulfs you completely. And transform you into that perfect image and likeness of Myself that man had when I created him in the Beginning.
Oh My children, you were so loved by Me, I loved you even before you knew Me. I prepared the Apparitions of the Mother of My Son Jesus Christ, Mary Immaculate Here, to save you, to protect you from this dark world where so many have already lost their faith, and their soul, their salvation, to protect your souls, to guard your souls safely. As a father keeps his children, as a bird keeps his children under his wings.
This is what I did and have done with you Here in these Apparitions. Happy is he who lets himself be loved by Me, happy is he who accepts My Love and does not question Me. Happy is he who believes in Me as a little child believes in his father, because to him I will reveal My Secrets.
Whoever loves Me with filial love will reveal My secrets. Those who love out of fear, out of interest, those who doubt My Word, those who quibble about My Word to them I will not reveal My Secrets of love, but those who give Me their filial love I will reveal everything I will come to him and We will be one only in love.
And then we will have supper and Our joy will be complete, it will be eternal. Be the number of these blessed souls My little children and give Me that filial love that I want. And then, I will do in your lives all the wonders that My Son Jesus promised in His Word that those who believed in Us would do. Then the world will change and I will finally reign on Earth as it is in Heaven and My Will will be done on earth as it is certainly and perfectly done in Heaven.
Marcos, My incessant Flame of Love, incessant flame of love from the Mother of My Son, how I love you, my little son. You are a pure soul, you know no malice or malice, you know no limits in love, you know no limitations, no calculations when it comes to love.
You have always loved Me, you have always loved the Mother of My Son with all the strength of your Love. And it was this love of yours that also attracted Me from My Throne in the heights to Here, to this Place, to these My children. Yes, Marcos, your love attracted Me, your love attracted the eyes of the Infinite, the Omnipotent, the Everything. You must therefore feel happy because your love like a magnet has drawn Me to you. And by attracting Me to you, by drawing Me closer to you, I came and I have poured so many graces into these My children through you.
I have done this so that everyone knows that when a soul has true love for Me, when a soul loves Me without limits, without regulating, without calculating that love, without doubting, without quibbling, without questioning, without obstacles, I do everything and everything. I will do for her.
Blessed are you if you are like My son Marcos, incessant flames of love if you are like him long-suffering in love, magnanimous in love, if you are generous in love, if you are without limits and without calculations in love. Because if you are like this, truly, I will pour out all the effusion of My graces on you as I have done in the life of this beloved son of Mine who believed in Me. As a little child believes in his father, he trusts his father, gives himself to his father and loves his father, not counting how much she has loved how much she has given herself to that father.

That is why I revealed to him My wonders, I revealed to him great things that I hid from the wise, from the learned, from the proud and from the great of this world. Because I don't look at the condition, I don't look at anyone's possessions, names or social positions. I only look at virtues, I only look at the greatness of love.
And this My son with the greatness of his love attracted the Mother of My Son Here, he attracted My Son, he attracted Me to Me, he attracted all of Heaven to you. And that is why here through him, who is the mediator between Me and you, between the Mother of My Son and you, every grace, every blessing and every good is given to you without ceasing.
My incessant Flame of Love goes on... goes on loving Me without ceasing and without limits. Also love this most favorite son of mine, Carlos Tadeu, whom I gave you as a spiritual Father to do My times with you when I don't speak to you, when I don't appear to you.
Through him I will give you My love, I will give you My affection, I will also often give you inspirations, advice, words of salvation. Welcome them, obey them, love them and you will be happy.
Love this My child as you have loved Me and in this love that you have for this My child I will teach the whole world what is the true love that My children must have for Me: a pure love, without interests, a deep, intense love, without limits, without measurement, without regulations, without calculations. A love that finds all its joy, in loving in giving itself, infinitely until the end to see the loved one happy.
Love this child of Mine and you will be loving Me, because all good that is done to others is done to Me and all love that is given to others is to Me that will be given. So, love this child of Mine as you have loved Me and you will be loving Me. And then you will do My will, which is: that the two of you walk together, hand in hand forever, taking My children in the middle of the desert like Moses and Aaron to the Promised Land that I prepare for you in the Triumph of Mary.
And you, my son Carlos Tadeu, how much I love you, how much I have loved you! When I created the world in the Beginning I already thought of you and My Son Marcos Tadeu with love. When I created man, I created it with immense joy because I already knew that you would be the descendants of Adam who would give Me great joy, who would give Me great consolation, great glory and great love with your prayers, good works and holiness of life.
When man sinned, although I felt infinite pain for man's rebellion and disobedience, My Heart was consoled and rejoiced when I thought that I would create Mary, send Mary into the world. And Mary, with her Love, with Her 'Yes', with Her fidelity and obedience to Me, would give Me all the glory, all the honor and praise for all men and, together with My Son, would satisfy for all men.
And after Her I also rejoiced because I thought of you My son Carlos Tadeu and My son Marcos Tadeu. And when I saw your fidelity, love, affection, your dedication to Me My Heart was consoled, My Heart was happy and I decided to spare the world from total extermination.
When My Son Jesus was nailed to the Cross and was dying and I suffered to see Him dying, dying for you, My Heart was consoled, His was consoled, Maria Dolorosa's was consoled when the Three of us thought of My son Marcos Tadeu and we think of you too.
We thought and saw all the good works that you would do for My love, for the love of Mary, the souls that you would save for Me and the glory that you would

give to Me, that you would give to Us. So, in that immense bitterness, seeing My Son dying on the Cross, My Heart was consoled by your fidelity.
When I saw Maria Dolorosa suffering, I saw My Apostles suffering too, being persecuted. And when I wanted to exterminate the world for this ingratitude after having sent My Son and the world continued to reject the Word of My Son, I did not exterminate the world because I thought of the two of you and of the consolation, the love, the glory that you you would give
How many times would I have destroyed the world for its sins, for its crimes, for its ingratitude, I just didn't do it for My son Marcos, for His faithfulness, for his future love, for everything he would do for Me. And also for you My son, united to this My most favorite Son by My will, so that you may be one with Me as I and My Son are one. As I, the Son and the Spirit are one in Love.
So, my son, love Me, love Me in the person of My son Marcos Tadeu, because all the love you give to Him is to Me and to My most favorite Daughter Mary that you will give, it is to My Son Jesus that you will give. And then you will do My will, so that you can truly comfort each other, help each other, grow mutually in My Love, in holiness. And truly, be one with Me in Love.
In this way My will will be done and many souls will be saved, in this way all the goods and graces that I and the Mother of My son give to My son Marcos will also be given to you and through you to many other souls. And in that communion of love you two will grow a lot, you will progress a lot, you will do great things for Me, you will burn your hearts with love for Me.
And finally you will make souls give me what I have been waiting for for centuries and have not received: filial love, true love that will put an end to Satan's empire in souls,
My child, you are engraved in the palm of My hands, you are engraved in My eyes, on My lips, in My Heart. And truly, as long as I am God I will love you, as long as I am God I will never leave you, as long as I am God you will never lack the help of My grace.
You and My son Marcos alone can do nothing, but with Me, with My Grace, you can do everything. Abide in Me and I will remain in you.
On the day of Pentecost, one of the Revelations of My Spirit that caused the most joy in the Heart of Mary, of Judas Tadeu, of John and of My Apostles, of the Apostles of My Son, was the knowledge of these Apparitions of Jacareí, of My Beloved Servant, of My beloved son, of My Angel Marcos Tadeu, of My children who would love Me Here, give Me their heart, love Mary and truly give Me glory.
And, above all, the revelation of your presence Here, of what you will be Here, of what you will do Here, of what I will do through you Here to save many souls. And your fidelity caused great joy in the hearts of all, especially the Mother of My Son Mary Immaculate. Therefore, son, rejoice your Heart, rejoice with joy, because I have loved you since the beginning of the world as I have loved My Son Mark.
And just as I have done great things in My Son Marcos, in you I will also do as your heart expands towards Me, surrender to Me, to this love and to all these works that, although mysterious for you, are wonderful. And if you give yourself entirely you will see My glory, you will see what a God in love with you is capable of doing.
Therefore, believe, pray, trust, hope and you will see My grace, you will see My glory. You will see that the God of Israel is still alive, the God of hosts, the

tremendous God who truly when he rises, all the powers fall. You will see that this God will rise above you and through you will spread His saving grace in the lives of His children.
And to you My dear children who are Here, I love you all, I now hold you all between My Hands in My Heart and I say to all: Continue to come Here so that you may learn true love, filial love for Me and never look back, because these Apparitions of Jacareí after the Incarnation of the Word are the maximum work, magna of My love and My power for you, it is the last time that I come to call you with Mary back to Me.
Soon I will close the door of My house, the children who are inside with Me, will have dinner with Me and those who are outside, even if they knock for them, I will not open the door anymore.
Accelerate your conversion because when everyone least expects it I will rise from My Throne, I will command My Angels, who with Their flaming Swords will redden Heaven and Earth with the fire of My Wrath and I will consume you in a sudden Punishment.
Therefore, speed up your conversion because soon My voice will be silent, Mary's voice will be silent and those who have not heard Our voice now, in the future, even if they want to hear it, will never hear it.
Therefore, you who hear Me now, you whom I love, listen to Me, give Me your heart, give Me your 'yes' while My arms and My door are open to you. Come, supper is already prepared. The time has come, My Hour has sounded! Sit at the table with Me, who I have prepared for you delicious meals of My grace and My love.
And then, My children, there will be joy, happiness and love among Us forever. And meanwhile outside My fire will consume all sinners along with their father the rebel. And then great will be the weeping and the gnashing of teeth.
Come while I love you, while I wait for you, while I am close and I let myself be guided by you. Come, come My children and do not delay, My Heart faints with longing for you and can no longer bear the pain of your absence.
Come and I will love you, I will put a royal ring on your finger and I will declare you My princes, children of the King of Heaven and together with Me you will rule Heaven and Earth, you will be happy forever and by My side you will live eternally in ecstasy of endless love for all time. eternity. And every tear will be wiped from your eyes and songs of joy will resound from your mouth from the four corners of Heaven, and then, together we will sing Victory!
Continue with all the prayers that Mary has given you here, because they will bring you to Me and make you grow in true love for Me.
I bless you all with great love now and I pour out the outpouring of My Spirit on you all."

(Saint Judas Tadeu): "My beloved brothers, I, Judas Tadeu, love you very much and I am glad to be able to come today once again with Our Most Holy Father and Our Queen to bless you.
Yes, I come to tell you: Great is My Love for you... Great is My Love for you My brothers and that is why I have been praying for you for a long time. I have protected you, I have kept you, I have removed from you many evils, many

punishments, many pains and sufferings, even if you do not know it, you do not know it.
I love you, I love you very much and on each one of you I pour out many blessings every day. I have an affection for you, a care, a very solicitous and special love, because I am deeply connected to these Apparitions of Jacareí and to each one of you who are here, who believe in the Mother of God, who believe in these Messages, who believe in the Our beloved Mark.
You are truly My brothers and I take care of you, I protect you, I love you with all My affection, with all My solicitude. I love you with all My heart, I love you very much!
And for many years I prayed that you would be reached by the grace of the Mother of God in these Apparitions and come here to Jacareí. Here to receive Our Graces, Our Flame of Love, to receive all this Wisdom, all this abyssal knowledge of the Lord and the Mother of God, of His glories, of eternal truths, of true love for God so that you may truly be Saints.
I love you, I love you with all My heart and truly Here I give you grace upon grace, blessing upon blessing every day. I have prayed for many years for you, dear brothers, and even many times I have personally acted in your life to make the Messages reach you and you to come Here.
I prepared the way for you, I brought you here and I have the mission of keeping you here and making you grow in true love for God and Our Queen.
Love is God, God is Love! And what He came looking for Here is true love. What I wanted to teach you with My letter and with My Messages is that God is Love and whoever is in love is in God and in Him there is no darkness. And this love, this light does not match the darkness and the darkness.
And therefore, if you want to remain in God and may God remain in you, you cannot remain in errors, you cannot remain in the idolatry of this world. Therefore, I invite you to conversion, renounce everything that ties you to worldly things, to the idols of this world: money, power, pleasure, enjoyment, fame, honors.
Detach yourselves from all this, so that you can truly hold yourselves in God, in the Mother of God as I am, and receive from them all the effusion of their wisdom, of their grace, of their love, of Their great lights that illuminated, filled , ignited My heart of love.
Come My brothers, say your 'yes' to the Father, to Our Queen today and they will truly do wonders in your hearts.
I love you with all My heart and that's why I really fought for your conversion for a long time, I fought for your coming Here, I pulled you out many times from Satan's snares, from sins, from errors, I took you out of many snares . And truly, I kept you safe, protected, unharmed for the Mother of God Here.
Therefore, for this reason, give glory to God, rejoice for joy, because he is very good to you. He sent the Mother of His Son here and sent the Saints to Us to seek you out, to attract you, to bring you here long before you knew us.
So, for this great love of God, give all your love to God.
I love you with all my heart, I want you to always pray My Rosary because through it I will burn you a lot with My Flame of Love.
Yes, on the day of Pentecost I met each one of you, I met My most beloved Marcos, I met My most beloved Carlos Tadeu and this knowledge made My heart tremble with joy and love, I exulted with joy.

In My walks and preaching in distant and pagan lands when I suffered, when I was persecuted, when I was rejected and My preaching was rejected, the thought of My beloved Marcos, My beloved Carlos Tadeu and the thought of you consoled Me.
I kept thinking about these blessed souls who would be in the future and who would be called to love God so much, the Mother of God so much and would be so favored by them. And that thought consoled Me, gave Me strength to go on.
When the thought of the fidelity of Our most beloved Marcos Tadeu was about to be martyred, of the love he would have for Our Most Holy Queen, for God, of so many thousands of souls that he would save, the thought of the fidelity, of love, of the obedience of My most beloved Carlos Tadeu, your obedience consoled Me a lot.
And I put my head on the block boldly, decidedly to receive the fatal blow that made Me fly to the heavenly abodes. Oh My brothers! And there, when I got there, God showed Me the Apparitions of Our Most Holy Queen Here, showed Me all that They would do Here. He showed me your prayers, your faithfulness and obedience, the graces and miracles that would happen here. The immense and invincible work of salvation that would be done Here and hell would not be able to destroy.
And all this gave Me an immense, very great accidental joy and since then, I have always, always had My gaze turned to each one of you. In fact, since when I was on Earth and I was preaching around the world, I already prayed for you, those blessed souls that at the end of time God and Our Queen would love and favor so much.
Yes, I loved you, I loved you very much, dear Mark, I saw you at the moment of your birth. I saw your mother in great difficulty sick to give you birth. I was there, I helped you, you are a living miracle of mine. And also My most beloved Carlos Tadeu, his mother, dear brother, also asked for My help at the moment when you were about to be born and I was there, I helped your mother, I helped you to be born. You are also a great miracle of Mine who lives, speaks and walks and just by existing gives great glory to God through Me.
You are a miracle of Mine, just like My beloved Marcos Tadeu, so I unite the two of you so that together with Me you may be invincible in the true love for God, for Our Most Holy Queen and in taking His words of salvation to the whole world.
Oh, how much I loved you! At the moment of My Martyrdom I thought of you and your future fidelity and love to God consoled My Heart.
On the day of Pentecost when the Holy Spirit revealed to Me who you would be, if His grace did not comfort Me I would die of love. Because I truly knew your soul in God and My Heart rejoiced, rejoiced with joy, since then, I have always loved you, I have never stopped loving you and I will never stop loving you. Therefore, be happy, glorify God, rejoice with joy and surrender yourself completely to His Plan of Love.
Because I protect you, I keep you, I lead you, I defend you and nothing bad will happen to you, because I will be by your side. Even if sometimes something has to suffer, but even from that God will take the victory, because He is wise and knows how to transform the cross into resurrection, He knows how to transform water into wine. And he himself knows how to make water, milk and honey come out of the stones.

So go ahead do not fear because I will always be by your side. And as for you, my most beloved brothers, I now bless you all with all the graces of My love... I now cover everyone with My Mantle... To everyone now I pour out the great graces of My Martyrdom and My Merits...
I bless you all from Jerusalem, from Nazareth and from Jacareí."

(Marcos): "My God, My everything, I never dared even speak to you or ask you any questions, but today I ask you most earnestly for the merits of Mary Most Holy, of Saint Judas Tadeu, of all the Rosaries, Hours of Prayer, of all that I have done for love of you and for love of her throughout my life.
I earnestly ask you my father for the grace of you touching these Rosaries that are here before Me, for my spiritual father Carlos Tadeu, for your son.
Grant me this grace, I humbly beg you, recognizing that I am unworthy of such favor, but for love of this blessed son of yours, for love of the Mother of your Son Jesus Christ, I beg you, I beg you, give me this great I will thank you for loving you and serving you much more all the days of my life, all my life."

(God the Father): "Now I will touch the Image of Mary with My Hands and Judas Tadeu will touch the Image of Him for Our beloved son Carlos Tadeu. So that wherever these images are My own grace, the grace of the Most High Father and the grace of my servant Judas Thaddeus are also present being poured out profusely on all My children."

Jacarei, August 20, 2016

(Holy Mary): "Dear children, today I invite you all to love My Rosary more. Times are bad and My enemy is increasingly plotting an infallible plan to bring you down into some sin and make you lose your salvation and turn away from Me.
It's easy to beat Satan, with the Rosary it's easy to beat his snares. Therefore, pray My Rosary every day My children, so that, day after day, Satan will lose more and more power and influence in your life and his snares will fall one by one neutralized to the ground.
Even with the sins you have, never stop praying My Rosary, because the Rosary is the only thread that still connects the sinner to Me.
As long as the Rosary is prayed, no sinner is lost and I promise to obtain all graces, so that any sinner, even the worst, may convert, free himself from all his sins, do penance and die in the friendship of God.
Pray My Rosary this is one of the greatest truths and one of the most important Messages that I came here to Jacareí to give to all of you My children.
Love, pray, spread My Rosary which is a sure means of salvation. The Rosary is the golden chain that links Me to you and links you to Me. A chain that My enemy cannot break or cut and that only you can interrupt with laziness, ill will and contempt, abandonment to the prayer of My Rosary.
Pray My Rosary little children, and then you will see how My Flame of Love will work powerfully in you and in your life, changing and renewing everything.

Pray the Rosary with your heart and in life, in the family of each of you, one day My Immaculate Heart will triumph.
I bless you all with love from Lourdes, from Fátima and from Jacareí."

(St. Luzia): "Dear brothers of mine, I, Lucia, Luzia of Syracuse, am glad to be here with you once again.
Love the Rosary of the Mother of God, spread it and never stop praying it. Satan's greatest victory is when the sinner after sin begins to doubt whether the prayer of his Rosary still has value before God and the Mother of God. Then, he enters the spiral of doubt, begins to sink into despair, in the despair of salvation, then begins to weaken, begins to look at the world, at his vices. And if he turns to them and seeks them out, then Satan has finally finished winning everything, finished winning that soul.
Always after a sin, the first thing you should do is take the Rosary, pray the Rosary, asking for all the graces of God and the Mother of God so that you get up, walk again on the path of holiness, always moving forward without looking back. back.
If you do this, then you will defeat Satan and humiliate him with the prayer of the Rosary, trusting the Mother of God, turning to the Mother of God and giving yourself to the Mother of God who is the terror of demons and Satan's greatest enemy.
The Rosary is the prayer that the devil fears, the devil fears the Rosary, the devil hates the Rosary and cannot stand the power of the Rosary. Therefore, the sinner who prays it can be sure that he will rise, recover lost grace and find God's mercy through His Mother.
Expand your hearts even more to receive the Flame of Love from the Mother of God with fervent prayers, continuous acts of love. And, above all, trying more and more every day to renounce something to which you are attached or which you are still enslaved to.
Above all, My dear brothers, renounce worldly parties, worldly programs and dedicate more time to prayer, to meditation so that your hearts may be filled with the grace that God only grants to those who pray.
The person who does not pray, the soul who does not pray, is like an empty, uninhabited house. It's like a house made under soft earth. The rains of trials, temptations come, the floods of sufferings, crosses, sins, temptations come. And then that house collapsed because its foundation was made under the sand and it was also empty, there was no one to guard it, nor to reinforce its walls.
Therefore, guard your house, that is, your soul, the true faith, the Catholic faith in your soul. With many prayers, acts of love, meditations and praying at least three hours a day, singing with the heart and with joy so that satan does not prevail over you.
Hasten your conversion, because on a cold night for the Northern Hemisphere and on a hot night for the Southern Hemisphere, the great Punishment will begin, a great darkness will cover the whole Earth, the Sun will not rise and the demons will howl out of Hell and come to seek out all those who do not want to hear Our Calls.
Always have with you the Rosaries blessed or touched by the Mother of God Here, the blessed candles, the water of Your Source. Because all this, all

these sacramentals on the day of punishment will be your greatest defense, the greatest shield that the Mother of God will place over you.
And so, as She appeared covering Our beloved Marcos, Our incessant Flame of Love and His beloved father Carlos Tadeu, Our precious jewel in Heaven with Her Mantle.
In the same way, She will cover with the same Mantle of light all those who have these sacramentals and who pray Her Rosary with Love every day,
These will be covered by the Mantle of the Mother of God and Satan will not even be able to see them, let alone touch them.
Therefore, dear brothers: Pray, pray, pray until prayer becomes your life and your life becomes prayer.

I bless you all with love from Catania, Syracuse and Jacareí."

Jacarei, August 21, 2016

(Holy Mary): "My dear children, today I come to call you all once again to open your hearts to My Flame of Love.
Don't let My children let your hearts be narrowed, become small for My Flame of Love, don't close! Rather, expand your hearts even more by many fervent prayers, by many supplications, also by many meditations and, above all, by the continuous and daily exercise of the renunciation of your will and the complete donation of you to Me, so that My Flame of Love grows in you more and more until the fullness.
Expand your hearts to My Flame of Love as well, trying to die each day more to yourselves and open to a new and unlimited capacity to love Me, like My little son Marcos. May you never tire of giving yourself to Me, may you never calculate, never regulate your donation to Me.
May this donation be without measures, and without limits, as my little son Marcos gave himself and loved Me without limits throughout all these years, so that my Flame of Love may completely consume your 'I' and give birth in its place. the new creature transfigured in God, the perfect humanity realized in God.
With the Rosary prayed with love, with your heart, you will be able to expand your hearts more and more. And then, My flame of Love will enter and grow in you quickly, making you reach the highest heights of grace and holiness in a short time.
Then in you and through you the whole world will see My glory, it will know My power, it will see all My beauty. And then My children will come to Me in love with Me and through you they will know how sweet, how beautiful is true life in God, true life in me. Life that already makes you experience some of that joy and bliss that the elect experience in Paradise.
Heaven on earth will be your life and My children, seeing this Heaven in your life, will also want to live in this Heaven and may this Heaven live in them.
Therefore My children, come to Me, expand your hearts to Me, trying every day more, always more, expand your hearts to Me, so that I can truly pour out all the effusion of My Flame of Love that two thousand years ago is held in My Heart. And that I couldn't pour out on Earth because I didn't find souls in which I could do it, with the exception of some Saints, who loved Me the most and also My beloved Marcos.

And now is the time for Me to pour out this Flame to destroy another flame, the flame of satan, the flame of sin, hatred and violence that will finally be overcome and extinguished by My flame of Love. Keep praying all the prayers I have given you Here, for they will expand your hearts to receive My Flame. Do not say My prayers coldly with a cold repetition of words, for then your hearts will never be enlarged for Me.
Strive every day to take a step forward in opening your hearts to My Flame of Love.
I'm so glad you've given Me all of this day so far. You took 78 thousand thorns from My immaculate Heart that were stuck by so many sins and offenses and let no one say that today My son Marcos spoke a lot and prayed little. Because in every word he speaks a thorn is taken from My Heart, because they are words of love, sprung from the incandescent furnace of love that he feeds for Me in his heart.
And what I came to seek is love, words of love, works of love that ignite souls with the flame of My love. Yes, indeed in him I show My glory more and more every day.
And one day everyone will look to him as an example of a soul truly on fire with love for Me, and an incessant flame of love for Me.
To him and to his dearest father Carlos Tadeu, My most beloved son whom I love and whom I cover with My Mantle of light, always keeping him close to Me, right there under My Hands, in the deepest fiber of My Immaculate Heart.
And I bless you all now with love from Knock, Barral and Jacareí."

(Saint Helena): "My beloved brothers, I, Helena, am happy to come again today from Heaven to bless you all.
My brothers, what a joy to be able to find you here with the Mother of God until now, praying and truly giving her the warmth of the love of your hearts.
Be flaming torches of love for her, living every day a life of true prayer, affection, love, donation and service to her and the Lord as I myself have lived. Even though I was very old, as you have seen today in My life, I have served and worked a lot for the Lord and for My Heavenly Mother. Neither age, nor weariness, nor weakness of body could stop Me from doing great things for God. And this My brothers, God has done in Me, to teach you that for Him, for Him you must give everything, you must serve all the days of your life and never, never regulate your love for God.
Neither age, nor weakness, nor fatigue, nor anything else can be an excuse for not serving the Lord, nor the Mother of the Lord.
Even with advanced age like me, even if you are poor or unknown to the world, which was not my case, you can do great things for God.
Each of you today in these evil times in which you live, you can truly do great things for God and save many souls. Pray, pray, pray, and the Holy Spirit himself will show you through all inspirations and ideas what you must do for the salvation of many souls.
Powerful and effective means are the Prayer groups that the Mother of God asked for, make them and you will see how many souls you will save for her and how much you will contribute to the Triumph of Her Immaculate Heart.
You do not see My most beloved and most beloved brother Carlos Tadeu, father of My most beloved Marcos Tadeu. Do you not see the wonders that the

Mother of God is doing through him there in his city, through the cenacles of prayer?
Well then! This is what the Mother of God wanted to do everywhere, if she could find hearts open, dilated, docile to Her flame of love. He is an example for all of you, of donation, dedication, effort, because even tired, even suffering, even with the heavy cross. He never ceases to serve the Mother of God, he does not stop, he does not allow himself to be paralyzed, he does not truly allow himself to be entangled in the nets of discouragement and spiritual paralysis.
You must follow his example, for he, like My most beloved Mark, will one day be looked at and seen by many as an example of a true Flame of Love for the Lord, for the Mother of God, for His Apparitions Here.
And truly, I am also with him, wherever he goes I, Filomena, Domingos, Luzia, Geraldo, Eliel, are always there to help him in his mission, because in My time I had the mission to build physical churches, for the Lord and for the Mother of God.
And today, My beloved Marcos and His Father Carlos Tadeu have the mission of building mystical churches for the Mother of God in our hearts.
That is why I am with them in this great work of building shrines alive in souls, hearts, families and then the physical churches built Here will only be the reflection, the material image of the shrines already existing in the hearts.
I love all of you so much My brothers, and that is why I say: Be burning torches of love for the Mother of God, torches of incessant love, making your life a continuous giving of yourself to Her as My life was. So that truly, through you, today the Catholic faith may once again triumph over this world full of evil and sin.
In My time with My 'yes' I made the Catholic faith triumph over the paganism of the Roman Empire. Today with your 'yes' you are called to triumph over the new paganism of these last times. Those times when that humanity returned to being pagan after 2 thousand years of the first announcement of the good news.
You are called to overcome the neo-paganism of those times, with the sanctity of your life and being courageous witnesses like my beloved brother Marcos Tadeu and his beloved father Carlos Tadeu.
Yes, if you do that, then faith will triumph, the grace of God will triumph. And then a new lasting period of Peace will dawn for the world.
I am with you in every moment of your life, when you suffer I am closer to you, My brothers, than the wind you feel on your face. Yes, I am closer to you My brothers than ever, call on Me and you will feel My presence comforting your heart, giving you strength and often even performing miracles for you, for you.
I love you so much! Always use the Holy Cross of Our Lord, because just as It was always the key to My victory and the victory of My son Constantine, it will also be the key to your victory, your defense in all dangers and your light.
Continue to wear the Medal of Peace and all the others that the Mother of God gave you Here, for in My time victory came through the sign of the Cross, and for you victory comes through these Sacred Signs that the Mother of God gave you Here through which are His Miraculous Medals.
Truly I say to you: Those who wear them need not fear any harm, because the Mother of God is closer to those Her children who wear Her Medals, than your blood is inside you running in your veins and united to your organs.

Therefore, dear brothers, pray, pray the Rosary every day. Pray all the prayers that the Mother of God has given you here, because through them you receive many and copious graces from Heaven and what was said yesterday by Lucia, I repeat to you: The punishment is very close, what the Mother of God has told you here is true, the punishment is very near.
On a very hot night for the Southern Hemisphere and very cold for the Northern Hemisphere, this night the Punishment will begin. Then all those who have despised the Messages of the Mother of God will weep and gnash their teeth, because great will be their horror, their dread when they are seized by the demons and taken to the eternal flames.
Indeed, on that day there will be no vessels in humanity capable of containing the tears of blood and pain that they will shed.
Therefore, brothers, convert without delay, because the time of Mercy is at an end.
I, Helena, now bless you with love, I also bless all My sisters who bear My name, they will receive from Me, in these days and today, now, a great special blessing. For by bringing My Name within them, they glorify God, who through Me gave freedom to His Church, to the Holy Catholic Faith, and changed the face of the Earth forever.
Yes, to those My sisters who with their lives, bringing My Name, give glory to God. To all of you who love Me and who are My devotees, I now bless you with Love from Rome, from Nazareth, from Bethlehem, from Jerusalem and from Jacareí.

Peace My dear brothers, Peace Marcos, My incessant Flame of Love and Peace to your beloved father Carlos Tadeu whom I love and keep without ceasing."

Jacarei, August 28, 2016

(Holy Mary): "Dear children, today I again invite all of you to expand your hearts more towards My flame of Love.
It has been many months since I have spoken of My Flame of Love, but few have yet opened their hearts to It and I am not here My children to waste time or to play with anyone. That is why I say to you: expand your hearts more to My Flame of Love by many and fervent prayers and also by the daily exercise of renunciation of your will and the opening of your hearts to Me. So that My Flame of Love can enter your hearts and can truly grow in your hearts to fullness.
Little children, time is short and there is no more time to waste with mundane things that are fleeting and ephemeral. Dedicate more time of the day to meditation, prayer and above all to supplications asking for the increase of My Flame of Love.
Cultivate in your hearts true love for Me, cultivate in your hearts the Flame of Love for Me, doing as My little son Marcos always did, always working more and more for Me, always praying with more and more love for Me, giving your life more and more to Me. In this way My children, My Flame of love will grow in you, always more.

And now I want to take you to another spiritual stage, to the stage of the soul that already has My flame of Love and must now make that flame grow. For this, the soul must every day truly seek to die to itself and let Me live in it.
For me to live in a soul the world has to die in it first, therefore My children make the world die in you so that I can live within you.
May your thoughts be Mine. Replace worldly thoughts, thoughts of worldly things, with heavenly thoughts, that is, My thoughts.
Always thinking of God, always thinking of the Saints, always thinking of divine things, always thinking of My Mysteries, My Glories, My Messages, so that truly, within you, I can live.
Above all, cast out of your hearts all thoughts that do not agree with Me. For example: lack of love, unbelief. Impurity, lust, arrogance, pride, vanity and all other thoughts contrary to the virtues that I myself possess.
In this way, My children, you will truly have My feelings, you will have the true resemblance to Me. And then I will live in you and you will live in Me.
Above all, you must do everything with Me, everything through Me and everything in Me. That is, everything to please Me, everything to console Me, everything to love Me, everything to love, console and glorify God through Me and in Me.
Then truly you will live in Me and I will live in you. And so, My Flame of Love day by day will grow until it becomes a mystical furnace, an incandescent furnace of love that will radiate from your hearts, to ignite the hearts of all My children.
But as I said at the beginning: In order for me to live in a soul, the world must first die in it. So My children, make the world die in you and I will come to live within your hearts. May your thoughts, may your hearts be in Me and be for Me. And then truly I will live in you and truly work for the full sanctification of you all.
Keep praying My Rosary every day, because through it I will make the world die more and more in you, so that I live in your hearts.
Keep spreading My Messages without fear and also spreading all the graces and signs that I give you Here. Because they are the testimony of My glory, show My glory to the whole world and even if the serpents hiss against Me, against you, go ahead, crush the serpents with Me and show the whole world My glory.
The more you publish My glory, the more and more children will come to Me, believe Me, give their 'yes' and their hearts to Me and truly the world will die in them, I will live in them, they will live in Me. And then it will be the complete Triumph of My Immaculate Heart.
I love you all, I look at you with love, I hold My Heart now and I bless you all from Fátima, from La Codosera and from Jacareí."

(Saint Judas Tadeu): "Marcos, My dear brother, transmit this Message now to My beloved brother and beloved son Carlos Tadeu:
Beloved brother, My Carlos Tadeu, how glad I am to come from Heaven today to bless you again and give My Message of Love and Peace.
Dearest brother, how much I love you, how much I want you! Your name is engraved Here on My Mantle, I myself am now showing it to My beloved

Marcos. It is engraved Here deep inside My Heart, My soul and each time I, who I truly think, each time I adore God, each time I praise Him, each time I rejoice in Heaven, I release a ray of grace about you.
You were born on the 28th of the month, which is the day dedicated to Me. Yes, this is a sign of My predilection and how deeply spiritually you and I are.
As I told you in this month's Apparition together with God the Father, your Mother asked for My help at the moment of your birth and promised that she would put My name in yours as a form of gratitude for the grace achieved, for the grace of your birth in peace.
I helped her and as a thank you she put My name in yours and every time you write your name and next to it Mine. Every time your name is pronounced together with Mine, I shower a ray of grace on you.
And it was no coincidence that I joined Carlos Tadeu with Marcos Tadeu, because the two are two miracles, two living proofs of My power and My glory. Their lives are a continual announcement of My power, of My glory to the whole world.
Yes, my beloved brother, you like Me are destined to be the one who praises God, the one who is loving towards God, the one who is fearless, courageous in the proclamation of the Word, in the proclamation of the Truth. So truly, I have given you a spirit of strength, a spirit of courage, a spirit of love with which you have loved God very much, you have loved Our Queen, Mary Most Holy, very much and comforted Her heart.
You have also given great joy to Us from Heaven who are constantly sad and sorry for the many offenses with which the world has offended God, Our Queen and paid for Their love only with offenses and ingratitude.
Yes, My beloved brother, how much joy you give Heaven when you all pray We here in Heaven feel a great increase in Our accidental joy, Our joy increases, the Angels also pray and sing along with you.
And we all prostrate ourselves before the Throne of the Lord and His Mother to offer your prayers united with Ours to reach Mercy. And I especially unite My prayer to yours and that of My most beloved Mark.
Yes, when you both pray the Father hears My voice in your voice, along with your voice. Jesus my cousin hears My Voice in your Voice. and then he pours out his graces as favors to Me, and then truly great graces take place.
Pray my beloved brother always more with this confidence, because wherever you are praying, there I will also be praying with you and through you to the Father, to Jesus and great graces will be poured out on you and on all those around you.
Yes, I met you on the day of Pentecost, I loved you already from the Day of Pentecost and I offered all My fatigues, fatigues in the preaching that I was doing all over the Earth, for you.
At the moment of My Martyrdom I offered the pain and the shedding of My Blood for you and in Heaven there has not been a day throughout these two thousand years that I have not prayed for you.
Now My brother you must... you must continue My life on Earth, you must continue My mission on earth announcing the truth, announcing the Kingdom of God, announcing that He is at hand. Yes, that soon the Immaculate Heart of Mary will triumph and that Kingdom of Love will come and be established throughout the Earth.

You must prepare the land together with Our beloved Mark to prepare the Lord who comes, the Lord of the Vine who comes. You must cultivate the Vineyard of the Lord and make it bear much sweet fruit for Him when He returns.
Yes, yes My beloved brother I will be with you. And you must not fear anything because I will bless the works of your hands, I will bless your words and they will produce fruits of conversion and sanctification in the hearts that listen to you.
Yes, my beloved brother, I have united you with Our most beloved Mark, so that together with Him you may truly be an incessant flame of love. Burning all men's hearts with this divine fire. which has already disappeared from the face of the Earth, because men have turned away from God, their hearts have cooled and hardened and charity has gone out, the flame of charity has gone out in the hearts of many.
And you, together with our beloved Mark, will rekindle this flame of charity, in the hearts of all men, teaching them to love God and His Mother right and perfectly with all their heart, with all their love.
My Beloved, let yourself be guided by Me, let yourself be guided by Me in My arms, because when you are tired I will carry you, when you are tired I will rest you, I will take your hand and I will not allow you to stumble.
I myself will be your guard, I will be your guide, I will be your eternal companion and I will never, never leave you alone in your walk on Earth. Let yourself also, beloved brother, love ever more for Our beloved Mark, because in his Love you will often feel Mine and also in that of Our Mother, of Our Most Holy Queen. Because He loves you with Her love and in that love you will feel how dear you are to all of Us in Heaven and your heart will exult with joy, it will exult with joy and you will feel a peace and a love never felt before in your entire life.
Today, I tell you that your father is also with us in Heaven, he is very happy and very proud of you, very proud of you. Because you have truly given Our Most Holy Queen much glory, much honor, much love and consolation. You have brought to her heart many of her children who have come to love her more, to pray more. And this has given her and God great joy, so your father is one of the happiest parents in Paradise to see you serving the Mother of God with such love and already producing fruits of true love for her in souls.
You must therefore feel happy because when he came Here and to him was revealed, when he knew what you would be. When he knew that you were destined to be the father of our most beloved Marcos Tadeu, who was destined to be together with him Here in these Apparitions, an incessant flame of love, a sun, a luminous beacon of love, prayer, beauty and holiness to the world.
If your father could die a second time, he would have died of joy. Therefore, dear brother, rejoice with joy in God, because he is the Mother of God for your future fidelity, for your future spiritual union with Our dearest Mark, for the future merits, for the merits of Our dearest Marcos whom by spiritual filiation you have right, you have a part in them.
For all this, many of your lineage have already been saved and others will still be. Praise, thank, bless God and the Mother of God who looked at you with such predilection and love. You must feel happy because this great love that God and especially Our Most Holy Queen has for you is much greater than what she had for many kingdoms and generations together.

Rejoice, exult, sing for joy, because all Heaven truly loves you, is with you, accompanies you and protects you.
I, Judas Tadeu, every 28th of each month, will give you a particular and special blessing along with My Message. And every day My beloved brother at 4 pm, which was the time of My Martyrdom, I will also give you a special daily blessing. For it was the moment when I arrived in Heaven and when My soul was crowned with glory and victory by My Martyrdom and also by My merits.
Now I am going to bless you and I tell you to spread My devotion more in your city, because the more you make Me loved, the more souls will love the Mother of God, Our Lord and the very God who sanctified Me, who prepared Me and who This is how he made Me be your advocate and powerful mediator, of My most beloved Marcos Tadeu first and then all My brothers.
Go and don't be afraid! Do not be afraid to announce Me, because I will do wonders and confirm with many graces the devotion to Me that you preach, with it you will destroy the power of hell, you will destroy all errors, all heresies. And thou shalt bring back to the Father's house many of His children who are far from Him.
Go because I will go with you, I will fight and fight for you. With each passing day, I love you more, you also love Me and Our most beloved Marcos more and more, and you will see in this Our Love, in this Ours as a unity of Love, you will feel and see a great joy. For we are three hearts united by God and the Mother of God in a single Flame of Love.
And so, together, Our three hearts, yours, Marcos's and Mine together will beat and make this fiery flame of Love radiate through all humanity and truly transform it into a very intense furnace of Love.
Beloved My brother, I love you and next month on the 28th of September I will return to give you a new Message.
I bless everyone now, everyone who prays with you in the Cenacles you make and for whom I have a special concern and affection.

And to you My beloved brother I now bless you with all My Love of Jerusalem, of Nazareth and of Jacareí."
Jacarei, September 03, 2016

(Holy Mary): "Dear children, today I want to ask you to spread My Apparition in Bonate more widely.
Marcos, My incessant flame of love, you took from My Heart a painful sword of pain that had been stuck in it for more than 60 years, because of the denial, the persecution, made against My Apparitions in Bonate.
But My Heart still bleeds with pain, because of the discredit, the forgetfulness and the contempt for My Apparition in Bonate to My little daughter Adelaide Roncalli. Therefore, I ask you for My incessant flame of love: spread even more intensely My Apparition in Bonate and that all My children help you in this great task to make My Message known.
When Bonate is known, the Secrets given in Fatima, in La Salette and also here will be fulfilled and My Immaculate Heart will triumph.
May all My children know My Message from Bonate and pray the Rosary, so that God will soon send the Angel of Peace to give Peace to the world.
I desire My children, that all nations truly know My Apparition in Bonate. Through My Apparitions in Jacareí Bonate will revive, Bonate will live

in the hearts of My children, Bonate will triumph. And when Bonate triumphs, My Heart will also triumph and the Kingdom of My Son Jesus will be established in the world.
Keep praying My Meditated Rosary every day and all the prayers I have given you Here. Through these prayers My Heart will always triumph more in My children.
Continue My children to thank God and rejoice for the great victory of My Immaculate Heart, for the many millions of My children who know My Messages from My Apparitions Here in Jacareí.
In this way I fulfill what I promised in the past: All the nations of the Earth will know My Apparitions Here in Jacareí, they will convert and give glory to My Immaculate Heart.
There are only a few countries left for all the nations of the Earth to know My Apparitions Here. And then, My children, the Secrets of My Immaculate Heart will be fulfilled.
Keep spreading My Messages and then My Heart will pour out Its Flame of Love powerfully in all the nations of the Earth. And they will finally be transformed into a single incessant flame of love with My little son Marcos, for the greater glory of the Lord and My victory as well.
To this My most beloved son, My incessant flame of love, Marcos and also to his spiritual father Carlos Tadeu, My most favorite son.
And now I bless you all abundantly from Bonate, from Montichiari and from Jacareí."

(Santa Luzia): "My beloved brothers, I, Luzia, Lucia, rejoice again to come from Heaven today, to bless you and to say to you: Be the ardent apostles of the Mother of God, carrying ever more Her Messages and His Word to all souls, to all fearless hearts.
Because She is with you and I am with you too, fighting to help you save many souls for Her.
Be the burning apostles of the Mother of God's love, propagating Her Word, propagating Her Messages: with the word, with the example, with the life, with a holy life.
So that everyone who looks at you will see in you the Messages translated into works. The lives of the Saints was the Gospel translated into works. Your life must be just that: the messages of the Mother of God translated into works.
In this way, everyone will be able to understand what She wants, what She desires and will be able to follow Her along the path of prayer, sacrifice, penance, conversion and love.
God is Love, Love is God and the Mother of God is the Mother of Love, She is the Lady of Love, the living Tabernacle of Love. And what you must be in perfect imitation of Her is this: incessant flames of love.
When you are incessant flames of love in prayer, in sacrifice, in work for God and for the Mother of God, in work for the salvation of souls.
When you are incessant flames of love in your families, at work, at school and with friends. Then, Satan will be defeated and his kingdom of hatred, selfishness, violence and evil will collapse at once and the Kingdom of the Immaculate Heart of Mary will be established in the world.
And then, a new time of peace will come to the whole face of the Earth and there will be no more to fear from Satan or his infernal hordes.

Therefore, My beloved brothers, be incessant flames of love, apostles on fire with the love of the Mother of God, so that through your lives, her heart finally triumphs and the world becomes the Kingdom of perfect love.
Keep praying all the prayers Heaven has asked of you Here, because they will transform you into the incessant flames of the Mother of God's love.
In order to conserve the Flame of Love and make it grow, it is necessary for you to raise your souls to God more and more each day: through continuous meditations, spiritual readings.
And, above all, also by the continuous movement of asceticism of their souls to God, renouncing their own will, seeking and accepting God's and each day trying to make the mental prayer that so pleases God.
This mental prayer is composed of deep contemplation, deep meditation on God, His Person, His Glory, His Word. From the Glory and the Word of the Mother of God, it will lead you higher and higher in the true flame of God's love.
This mental prayer also comprises worship, the silent prayer of the soul, also praise. And above all, the union of your will with that of God and His Mother by conforming your own will to Theirs.
In this way, dear brothers, you will grow more and more in the flame of love of the Mother of God. Do this, so that truly now the flame of love of the Mother of God reaches its fullness in you.
And may Her Immaculate Heart continue the plans initiated according to the Secrets of La Salette, of Fatima that will be completely completed Here.

I bless you all with Love from Syracuse, from Catania and from Jacareí."

Jacarei, September 04, 2016

(Holy Mary): "My dear children, today I invite all of you again to open your hearts to My flame of love, so that it enters and grows in your hearts to fullness. So that God's plan of salvation, God's plan of sanctification concerning each of you may finally be fulfilled.
The time has come when My Secrets will happen and everyone who does not have My flame of love in fullness in their heart. Anyone who has not truly sanctified himself will not be able to enter the New Heaven and the New Earth, the Kingdom of Our United Hearts that is about to arrive for you.
Therefore, My children, now that there is little time left, expand your hearts at once, so that I can pour My flame of Love into them. So that it truly works in you your true conversion and your true sanctification. So that you may be considered worthy of the Triumph of My Immaculate Heart and of the new time of Peace that will come over the entire Earth.
There is little time left, spend the last hours of the day in truly carrying out your conversion and sanctification, before it gets dark and the hour of darkness comes that will precede the dawn of the new day of the Triumph of My Immaculate Heart.
Now, My Secrets must be fulfilled from La Salette, Fátima, Bonate until arriving Here in Jacareí. You don't know what awaits you, you don't know what God is going to send. When you come to know, it will already be too late.
Woe to those who left to believe in My Apparitions at the last hour, unhappy those who did not want to believe, when they want to believe it will be too late. The great sign that I will give one day to confirm My Words will be a

reward for those who believed and it will be a punishment for those who did not believe, it will be too late for them.
Blessed are those who believed. Who with a pure, innocent and simple heart accepted My Words, vibrated and exulted in joy, in love with My Words. And they put My Words into practice even though they had not seen these Words come from My lips.
Happy are those who rejoiced at My Signs, who rejoiced at My Words and who were able to bear fruit from My Words. For truly for these the hour of the Sign will be an hour of jubilation and joy and the hour of Punishment will not frighten them.
Because their consciences will be clear, they will know in their hearts that they did everything they could for Me. Each of My Words produced fruits, which they meditated in their hearts with love every day.
For these simple, pure, innocent and humble souls My Words are extraordinary because they have meditated on them with love. But for those who treated My Words like dust, like ashes, like a thing or a piece of junk. For those at that time My Words will make sense, but for them it will be too late, they will no longer have the light to understand them, to live them, they will no longer have time.
For all those who judged My Messages as meaningless, at that time they will make sense, but they will no longer have time to fulfill them, to live them, it will be too late.
Therefore, My children, you who understand the meaning of My Words, you who truly understand the greatness of My Words, expand your hearts now that it is still time for My flame of love to enter and truly work wonders in you.
May My incessant flames of love be as is My little son Marcos, as his spiritual father Carlos Tadeu is already beginning to be, My most favorite son whom I am also forming and guiding through My little son Marcos, to be an incessant flame of love of My Immaculate Heart.
Be you also those flames, expanding your hearts to My Flame of Love at once, so that My Plan of Love may finally be realized in the lives of all of you.
Marcos, My incessant flame of love, you took out a painful sword of pain that was stuck in My Heart for over 60 years with this film you made of My Apparition in Bonate. You have done a work of incalculable merit in the eyes of God and in My eyes.
That is why I truly give you so many graces, so many blessings from My Heart. I also crown your words and your work done out of love for Me with so many signs, healings and wonders. Because truly My child, you are worthy of this and many other things.
You took, you took a sword of deep pain from My Heart, it is true, but My Heart still bleeds as I told you yesterday. It bleeds with pain because many of My children still do not know Bonate, they do not live My Messages from Bonate and they do not make reparation and make amends to Bonate, to Me, to My daughter Adelaide, making these My Messages known.
It's time, it's Bonate time now! You must, together with My little son Marcos, stop the bleeding of pain in My Heart, making Bonate better known now than ever before. So take this film that My little son Marcos made, to defend and propagate this My Apparition and give it to the thousands for all My children to know Me and love Me.

When Catholic families know the Message of Bonate and begin to pray the Rosary together, united. Finally, Satan will be defeated in Catholic families and they will once again produce holy vocations as was the family of My son Geraldo Majella, of My Domingos Savio, as was the family of My daughter Teresinha de Lisieux and so many other Saints.
Yes, there are no more good religious vocations, because prayer has disappeared from Catholic families. The flower of prayer and holiness in Catholic families has died, it has been killed by television programs, movies, magazines, dances, immoral parties. For the culture of immorality that spreads in these bad days, in these bad times in which you live.
And because of that, religious vocations became scarce until they almost disappeared completely, good religious vocations, because the bad, the false, the rotten ones now thrive in the church.
It is really necessary for families to produce Saints again, to produce good religious vocations in children. And this will only happen again when Catholic families return to praying My Rosary, believing in My Apparitions as they believed in the past in Lourdes, in La Salette, in Fátima, in Guadalupe. In My Apparitions to My Ruan Diego, to Bartololongo, in My Apparitions to Domingos de Gusmão. And so, finally, the world will be freed from Satan's domination in families.
When the Rosary is loved again, it becomes the center of families again, then Satan will be defeated in families, the moral destruction of youth, children and families will end.
And then, true mystical roses of love, sacrifice, penance, prayer will emerge. That they will see religious life for what it truly is: the most sublime life, the most extraordinary life, the happiest life, the most desirable, the most precious life that there can be on the face of the earth. That makes souls live more like Angels than men.
Then I will truly have a great rose garden of true mystical religious souls: of prayer, sacrifice, love and penance. That will enchant the eyes of the Holy Trinity, that will enchant the Angels of Heaven with their candor, their love, their holiness of life.
And these souls will attract to the whole world the great miracle of the Triumph of My Immaculate Heart with their prayers, with their lives all embalmed, all perfumed by the most varied virtues of holiness.
Then the infernal empire will be destroyed in the world and My Heart will reign without any chance of rival. Therefore, My children, spread My Message from Bonate, so that families can once again produce Saints of the past, holy religious vocations.
And so, may the world be saved once again by the powerful intervention of your Heavenly Mother, your Heavenly Mother, who descended to Bonate to call all families to My Rosary.
And that appeared Here in Jacareí, to resurrect Bonate in the person and work of My incessant flame of love, My little son Marcos. And finally make the message of Bonate reach all families to save them from everything that satan plans against them.
I am particularly grateful to all those who helped My little son Marcos by promoting the film he made of My Apparitions in Bonate. Blessed are these souls who make this Appearance of Mine known to the world, because they, like My little son Marcos, have a great treasure in Heaven.

And also the crowns of glory that I promised to place on the head of My little son Marcos for as many souls as are converted and saved by this film. In a certain way, they will also be shared by those apostles of mine, those obedient and hardworking children of mine who make My message of Bonate known to the world. This is the best reparation for Me, Bonate and My little daughter Adelaide that you can give Me. Do this and My Heart will triumph.
Be My incessant flames of love praying My Rosary every day and all the prayers that I have given you Here, because through them I increasingly make My Flame of Love penetrate and grow in your hearts to fullness.
And as for you Marcos, My incessant flame of love, continues to love me until madness. You only have one right, the right to love Me to the point of madness and I also have only one desire and one will to love you always to the point of madness.
And so, the two of us, maddened in a single living flame of love, will produce together your love and Mine, the great Miracle of the Triumph of My Immaculate Heart throughout the world.
You My child, with your flame of love for Me, have already conquered almost every country in the world for Me, 190 countries. You have made My Message reach all these nations. It is a great, great triumph for you and Mine.
But there are still many My children left in these nations, who still do not know Me and who, if not for you, for your work and for all those who help you, will be irretrievably lost. Therefore, My son goes, goes ahead, goes ahead looking for these My children and bringing them to Me as I asked you in the second Apparition.
And may My good children help you to do this. And so, in this way My Heart will end up triumphing in all nations and in all souls. And so, finally My Kingdom of Love will be established on Earth.
Go My incessant flame of love, together with your spiritual father, My most favorite son Carlos Tadeu. And also with all those who want to offer their lives with you Here to be a single flame of love with us.
Go My incessant flame of love and continue scorching all souls with this flame. Keep lighting this flame in all hearts that want it.
Keep singing your eternal song of love for Me, a song that will never stop and that you will continue to sing it in eternity with the Angels forever, for Me.
I bless you with love and all My children now, also your spiritual father Carlos Tadeu to whom on the 7th I will send another Message.
And to all My children, with love now from Bonate, from Montichiari and from Jacareí."

(Santa Rosalia): "My beloved brothers, I, Rosalia, am glad to come today once again from Heaven to bless you and to say to all of you: Be an incense of love for the Mother of God.
Praying with your heart every day, expanding your hearts more and more to Her with love, so that Her Flame of Love may truly enter, grow in your hearts to fullness and fulfill all the divine designs that the Lord and Her made, drew on you.

Be the incense of love for the Mother of, consuming yourself, that is, burning yourself every day, like an incense on the altar of Her Immaculate Heart. Living more and more with love, depending more and more on Her love, praying more and more with love to Her, spreading more and more with love Her Messages.
And, above all, radiating with the word, with the example and the life of each one of you, the flame of Her love. Showing everyone how great is this Mother's love for all her children, how great is her affliction and concern for Her children who are lost. So that everyone can feel Her flame of love, receive this flame and let this flame grow in their hearts.
Be an incense of love for the Mother of God, truly giving your 'yes' to her, living this 'yes' more and more and truly being continually 'yes' to her and to God.
There is no more time to waste, expand your hearts to Her Flame of Love, so that She truly grows in your hearts. And the first step towards that is to abandon, once and for all, the prayer that is nothing more than the cold repetition of words, to truly pray with the heart, opening the soul and heart completely to Her flame of love.
Flee from the world, flee from Sodom and don't look back, because as our beloved Mark said today: Whoever looks back will be left behind.
There is little time left now for her heart to truly triumph, don't lose the crown, don't lose the prize that is prepared for you. Be strong, persevering, firm to the end in obedience to Her Messages and to the Lord.
And so, truly, I too will be able to receive you triumphant, victorious in the heavenly abodes to crown you with that crown that the Lord and the Mother of God prepare for you.
I, Rosalia, love you all very much, I am with each one of you and accompany each of you every day on your journey to Heaven.
Mark, My incessant flame of love, incessant flame of love from Heaven. It continues to propagate the true devotion to We, the Saints of God, which has been so spoiled and destroyed by bad priests, by Protestantism and by all those who despise and diminish the value that Saints have.
It continues to propagate true devotion to Us. Because the more souls love us, the more they will love God, who raised us to be models and shining stars in the midst of the darkness of the world to show the true way to Heaven.
And the more souls know and love us, the more they will understand the Gospel, because Our life is the Gospel translated into works, it is the word of God translated into deeds, in a way that even little children can understand.
Therefore, it continues to spread Our lives, Our Messages to everyone, because the more we are known, the more God will be known and will reign in the hearts of all men.
Great, great credit is yours for having made the films of Our Lives, for having propagated Our Lives in as many ways, cenacles, Hours of Prayer and by all the means that you could until today. Because of this, it took many souls from the clutches of Satan and will continue to take them.
And truly, the power of hell will finally be overthrown and Heaven will triumph. It will triumph Here, in this Place, which is a true School of Holiness, abode of the Saints, a luminous beacon, Sun to illuminate humanity totally dominated and darkened by Satan's darkness.
Move on incessant flame of love! I love you and I'm with you guarding and protecting you every day.

And equally, I guard and protect everyone you love, everyone who loves you. And especially, I keep and protect your spiritual father Carlos Tadeu, whom I love very much and I am also one of His protectors.

I bless you all with Love now from Palermo, from Catania and from Jacareí."

Jacarei, September 07, 2016

(Sacred Heart of Jesus): "Beloved My children, I, Jesus, your God and your Lord rejoice to come today with My Most Holy Mother, Here on the 7th, the day chosen by Our Sacred Hearts to pour out on you all the abundance and all the torrent of Our Graces.
My Sacred Heart loved this country, Brazil, and that's why it chose, chose Jacareí, to be the Throne of My Sacred Heart and of My Mother's Heart.
Yes, truly Here We are fulfilling what we said in the early years: Here would be the spiritual pole that would attract souls of good will from all over the world, mind you: souls of good will.
Those who are not obstinate in sin, those who are not hard-hearted, obstinate in evil. Those who still have innocence, those who still have interior purity, the ability to believe in My Words, to rejoice and rejoice for Me and My Mother, for Our Words and who can still understand Our Words by meditating in its extraordinary sense.
Yes, here will be the great pole of the Earth, the spiritual pole, which will attract all good souls, all souls whose name is written in the book of Life, whose name is engraved in My Sacred Heart and who are destined to be With Me and My Mother in Heaven.
Even if they are sinners and even if they are imperfect, Here, under the direction, under the guidance of My Mother, they will be corrected, they will be straightened, they will be converted, they will be perfected and sanctified.
And truly, Here, in many souls I will do a great work of great beauty. To do so, renounce the world once and for all, straighten out your customs, your way of speaking, of being and acting. Change your way of thinking, renounce your way of thinking, your opinion, so that there is truly no obstacle or barrier to My action and the action of My Mother.
My Sacred Heart loved Brazil and Here in Jacareí My Sacred Heart truly came to finish everything that My Mother started in La Salette, Porzus, Lourdes, Fátima, Pontmain, Garabandal, Umbe, Ezquioga, Barral, Asseiceira and all the Apparitions Her on the face of the Earth.
Yes, My children, here truly, My Sacred Heart will make all My Mother's Words come true. Then the world will be renewed, I will pour out My Holy Spirit that will renew the entire face of the Earth and the Earth will become the garden of grace, beauty and holiness of My Sacred Heart.
You have to open your heart to Me, so that My Holy Spirit, which is My Flame of Love, My Mother's Flame of Love, enters your heart. And truly renew, transform, completely change your heart until it becomes a living copy of My own Sacred Heart.
In other words, having the same feelings as My Heart: love, kindness, innocence, strength, magnanimity, long-suffering, charity. And, above all, love... above all love... Yes, you only have one right, to let yourself be loved by Me, to be loved by Me and I love you to the point of madness. You only have

this right, to let yourself be forgiven by Me, loved by Me and transformed by Me.
And Mine, My right is to love you, is to love you to the point of madness. And I love you to madness. Let yourselves be loved by Me, by that infinite love and do not place obstacles to the action of My Love in you.
If you let yourself be loved by Me, loving means: correcting, straightening, pruning, cutting out of you and your life everything that does not please Me, modifying for Me, correcting yourselves through My Mother, through good souls. who warn you when you are wrong and censure you.
If you let yourself be loved by Me, modeled and transformed by Me, then I will truly do in you a great holy work. I love docile souls and I reject proud souls who do not accept correction.
Therefore, let yourself be loved, corrected and formed by Me, so that My Sacred Heart can truly carve its features, its physiognomy, its own likeness, its own holiness, My Holiness.
If you do that, you will be a work of great beauty and holiness before the world, which will enchant the world and show the world the great Glory of My Most Holy Mother Mary and also of My Glory, Here in this Sacred Place of Our Apparitions.
Then every tongue, every nation and every people will praise us, bless us, love us. And finally, the Kingdom of Our Sacred Hearts will spread over the entire Earth without any rival and finally Peace will come to all humanity.
Hasten your conversion because the second great evangelization that I prophesied in My Gospel is being fulfilled Here, in the person and work of My son Mark.
Yes, he took My Name and My Mother's Name to the ends of the Earth, to all the nations of the Earth. There are few left for you to hear about the Name of My Mother Queen and Messenger of Peace and her Son Jesus Christ, I, your Saviour.
When that happens and when the rest of My chosen souls finally know Us, love Us and pray the Rosary.
So, I will come, I will come to destroy this world dominated by satan. I will come to destroy this demonic Kingdom that has now dominated all humanity and to renew this desert into which this humanity has become.
Then I will bring new Heavens and New Earth and finally you will be free, free and never again will any tears fall from your eyes because the old things of the kingdom of My old enemy will no longer exist.
Therefore, little children, convert without delay, because My hour and My Mother's hour has arrived. And those who are not with us now, do not decide for us and do not give us their 'yes', will not be with us in that hour of Glory, in the hour of our Glory.
Convert without delay, I love you and I never want to lose you!
Marcos, My incessant Flame of love, you have given My Sacred Heart and My Mother's Heart great consolation with all these films you have made of Her Apparitions.
Above all La Salette, because the sword of pain that was stuck in the Immaculate Heart of My Mother for over 150 years, this sword of pain was finally taken not only from Her Heart, but also from My Sacred Heart.

Because I could no longer see My Mother suffering like this. Yes, I cannot see My suffering, so it will be Myself who will come to punish this ungrateful humanity, so disgraced to My Mother.
I myself will take the Mantle of Dolorosa from Her, I will dry Her Tears and I will give Her the golden Mantle of Glory and Triumph. And woe to those who made tears My Mother's daily bread during all these years.
Because I will throw, I will throw all of these into the depths of hell where they will pay for all eternity for all the tears that they tore from My Mother's eyes.
Do not be one of the number of these unfortunate My children, persevere in My Mother's Love, obey Her Messages so that you may reach My Mercy.
And you Marcos, My incessant flame of love, who gave so much comfort to My Mother and Me. Follow your path loving My Mother, making My Mother known for all your works, for everything you have done for Her for the millions of souls who still do not know Us.
So that, in this way, the number of those predestined may be completed, who will sing Our praise for all eternity in Heaven.
Yes, My little lovebird, My chosen lovebird, precious ruby of My Sacred Heart, delight of My Heart. Keep singing your song of love for My Mother and for Me, because this song of yours will not end with your death, it will continue in Heaven and also on Earth, because all future generations will celebrate your song and marvel at your song of love and They will give me glory, glory and praise for this song of love that I myself have put on your lips for Me and for My Mother, who is your life full of works of love.

Marcos delight of My Heart, Marcos joy of My Sacred Heart, enchantment of My Sacred Heart. My incessant Flame of Love, I bless you now and all those who now listen to Me with love from La Salette, from Fatima, from Porzus and from Jacareí."

(Holy Mary): "Beloved son Marcos, My incessant flame of love, now transmit My Message to My most beloved son Carlos Tadeu, your beloved father.
I am the Queen and Messenger of Peace! My dearest son Carlos Tadeu, today, the 7th, the day I give you a special message through your and My son Marcos Tadeu.
I come again today to tell you: Son, I love you, I love you madly, for you I would create, for you I would travel even a thousand worlds to seek you, to save you. For you I, your Mother, would do all possible and even unimaginable miracles, to seek you, to save you, to defend you, to protect you.
My Son, do not be afraid, I am with you, I know all your sufferings, all your crosses and the weight of each one of them. I even know how many hairs you have and when one of them falls out. I am closer to you and more united to you than the lymph that runs through your cells, your tissues and your limbs.
Yes son, I love you so much and I will never leave you, I will always be by your side. I am very happy with all the cenacles you have made for My love. Keep moving forward following all the guidelines I have given you.
And now I ask you one more thing, talk, talk a lot about La Salette, talk a lot about Bonate, talk about these My Apparitions unknown to humanity. Be My echo and the echo of yours and My son Marcos Tadeu.

Keep making this voice that cries out in the desert that is My little son Mark, make this voice keep echoing ever further, ever louder in this desert, until all deaf and hard ears hear My voice.
Yes, My child, I myself also made you a voice that cries out in the desert together with My son Mark. And the two like John the Baptist will cry out, cry out loud until this desert hears, until this desert revives and becomes the Garden of Holiness again.
My favorite Son, every time My Heart beats I pour out a blessing on you. Your name is written in the most intimate fiber of My Immaculate Heart. You are continually Here in My thought, in My eyes, you are continually Here wrapped in the folds of My Mantle.
Yes My son, how I love you, how I always want to bless you more and make you grow in holiness. You will be truly great in the Kingdom of Heaven together with My little son Marcos. And the two of them together will lead to Me this great nation that I love so much, but that is so besieged and attacked, so tempted and seduced by My enemy.
My Son, do not be afraid, go ahead because I will imprint My Flame of Love in your voice, in your words and they will touch the hearts of My hardened children. You are the extension My son of this Sanctuary in your city and as such it is through you that I want to spread My graces over all My children.
So, as I severely punished many of those who persecuted and slandered My little son Marcos over the years and for so many others, I reserve the Punishment in secret, but right.
So also, I will punish all those who slander the work of salvation that I have done in you and through you. Love my son Marcos who is yours more and more.
I have given you the one who fulfills the prophecy of My Son Jesus to announce His Name and My Name to all the nations of the Earth.
I gave you the chosen soul to prepare the world for the Second Coming of My Son, to be your son. So that together with you and you with him, you may be one heart, one single flame of love preparing the earth for the return of My Son.
Always unite yourself more with My son Marcos and never allow anything or anyone to separate you or distance you, because plans of the Lord's Mercy rest upon you, the most high plan of salvation and many souls that have been attributed to you.
My Son, I gave you the son, the chosen and predestined soul to crown with success all My Apparitions of the past, resurrecting them, making them known, loved and obeyed to finally accomplish the great Triumph of My Immaculate Heart prophesied in La Salette, Fátima, in other Apparitions until arriving Here.
Yes, through this My son Marcos My Immaculate Heart is already receiving the love, obedience, correspondence, gratitude and the 'yes' from all the nations on the face of the earth, from millions and millions of souls that would be hopelessly lost if not it was the 'yes', the service, the obedience, the love, the life of love of My incessant flame of love, which is My little son Marcos.
And this son of Mine, so dear, so loved and so hardworking and dedicated to My service, I gave you to My Heart as a son. This is the great sign of the love I have for you. Pconsolation because instead of giving it to other souls I gave it to you My son, to show you how much I love you, how much I love you, how

much I trust you, and how much I hold you in very high regard in My Immaculate Heart.
The Son of God was entrusted only to a Holy Virgin, without sin, to a pure Virgin, to a creature created with all the greatest perfections, virtues and holiness.
The Son of God was entrusted as an adopted son only to a holy man, pure, full of virtues and perfect in all his works, which was Joseph. And also My most favorite, most dear, most loved, most dedicated, most hard-working, most burning child of My Flame of Love was entrusted to you My child.
So that I can show you how much I love you, how much I want you and how much God also loves you, how much My Son loves you, I hold you. This honor has been given to you so that you may feel how great Our Love is.
Do not look on the side of responsibility, lest you be afraid, or discouraged, or discouraged, finding yourself unworthy, or incapable of My graces.
No! Look at the side of honor, look at the side of the great love that I showed you by giving you the son of My prophecies, the seer prophesied by Me in My ancient prophecies from Quito, from La Salette, from other places.
So that, truly son, you understand how much I loved you, how much I honored you, how much I privileged you, how much I exalted you and favored you.
Yes son, I am always with you. As soon as you open your mouth, I descend like lightning, to be with you to hear your pleas, your requests, to dry your tears, to comfort you in your daily martyrdom and to give you strength so that you never lose heart.
I will never, never leave you and today I also place my servant Geraldo Majella with you to be your defenders. And I also place at your side the Saint of your first name, Carlos, so that they accompany you, defend you, always protect you in all your ways, enlighten you and help you in your great mission.
Yes, My son, Enoch, Elijah It is I and My son Jesus who prophesy with the very power of God in these times. But you and My little son Mark are also little Enoch and Elijah who will have to prophesy together with Us, will have to take Our Word to the whole Earth.
And you who now sow in tears, soon in the Triumph of My Immaculate Heart, you will return reaping, singing with joy the fruits of the seeds you planted.
Go My son, go ahead because I am planting with you. And know that every day at 3 pm, My Son Jesus will descend from Heaven to also give you a special blessing from His Sacred Heart.
Because you, at the time when My son Jesus died on the cross, you and My little son Marcos, were a drop of consolation in the chalice of bitterness with which He was saturated and also My soul.
Yes, Our Sacred Hearts saturated with pain, anguish, the bitterness that the ingratitude and hatred of men have given us. At that moment Our Hearts found in Our little son Marcos, our incessant flame of Love and also in you a drop of consolation in the midst of that atrocious suffering.
That's why at 3 pm the Heart of Jesus will descend from Heaven to give you a special blessing, in gratitude for the consolation you gave us in that hour of supreme pain for your future faithfulness.
Rejoice, rejoice, because your name is written in Heaven and every time I pronounce it great, it is the joy of the Angels, the Saints and the entire Trinity.

I will continue to bless your city, the crops, the lands, because of you and even many sick people will be cured in the Triumph of My Immaculate Heart, in your city because of your obedience and fidelity to My Heart.
To you My most beloved son, who is the Father to whom I have entrusted My great treasure and who is My servant, who is My beloved son, I now bless you with all the love of My Immaculate Heart, of Lourdes, of La Salette and of Jacareí."

Jacarei, September 10, 2016

(St. Luzia of Syracuse): "My beloved brothers, I, Luzia, Lucia, am very happy to be with you today once again.
I invite all of you to live true and perfect love for God, expanding your hearts even more to welcome the love of God and the love of the Mother of God into your hearts so that He may bring about a great conversion in you.
Detach yourself from all creatures that still prevent you from being only and exclusively for God. And then your hearts, like free birds, will quickly fly higher and higher into the heights of the true love of God and the Mother of God.
The Flame of love of the Mother of God cannot act in a heart still tied to creatures and worldly things. Cut all these ties, so that you can soar high in the Heaven of God's true love.
And put your trust, your love only in God, because whoever puts his trust in God and His Mother will never be hurt or disappointed.
Unhappy is he who puts his trust or his love in creatures, because he will know how inconstant, fickle, self-seeking, false creatures are, and how for nothing they are capable of betraying you and abandoning you.
I want you to grow more and more in true love for God. And that implies: cleaning the heart, sweeping from the heart everything that is earth, so that God can fill their hearts with the water of His Grace, of His Love. And may the Mother of God finally also kindle in their hearts Her Flame of Love.
This month should be for you a strong time of conversion, a strong time of learning true love, cultivating love, true love that is obedience, that is docility, that is humility. True love, which is charity, which is union, which is a prayer of love that ascends to Heaven.
May this month be for you the beginning of a new life, of a new and true conversion.
Marcos calls incessantly the love of the mother of God and of the Lord, how happy I am today to come to you to bless you.
Truly, the Lord is very pleased with you because you have made His Mother's Message in La Salette known to many nations, to millions of souls all over the world. With this you removed millions of thorns that were stuck in the hearts of Jesus and Mary, because the Message of La Salette and the Secret had been forgotten, buried in contempt, in the denial of the Church and in the forgetfulness of humanity.
Yes, you have removed many, countless thorns from Their Hearts and made the light of truth, grace and salvation shine to so many souls, who without the movies you made would be hopelessly lost.
Yes, these souls have seen the pain of the Mother of God in La Salette, they have seen Her tears, their hearts have been touched, they have opened and

felt compassion for Her, they have felt true contrition for their sins and a true and sincere desire for conversion and change.
For all this, the Lord is very happy with you! And that is why today and in these days until the 170th Anniversary of the Apparitions of La Salette, which the Mother of God appeared there, you will receive every day copious special graces from Heaven, which will not be given to other souls.
Because you were truly the chosen soul chosen by Heaven, to make La Salette known and you said 'yes', strove, sacrificed, took a long and tiring journey. A perilous journey to La Salette to make that place seen and known by all the millions of souls who knew it through you and the movies you made.
Because of this, for your 'yes' to this request that the Mother of God made of you, you will receive truly copious graces this week in La Salette.
And on the 170th Anniversary of Her Apparition this year, you like no other mortal will receive abundant graces from the Mother of God, from the Lord through the Hands of Her Little Shepherds of La Salette.
Yes, mystically you are truly united with the Sanctuary of La Salette. That Sanctuary and you, that Sanctuary and this Place are one in the Flame of Love of the Mother of God.
And that's why you will receive abundant blessings this week of La Salette's 170th anniversary. And you will also receive many thanks for your sake, for the love that the Mother of God has for you, for your merits, for having made Her Apparition in La Salette known to millions and millions of people, your spiritual father, for your merits. you will also receive many, many graces from La Salette.
Beloved My brother, rejoice because you have truly given the Mother of God a consolation, a glory, a joy. And brought Her children repentant and converted to Her Immaculate Heart, by the La Salette films that she made as never, never been made before in the history of mankind.
Rejoice because truly great is your reward in Heaven.
And now I bless you and all these My beloved brothers who are here from Syracuse, from Catania and from Jacareí."

(Saint Geraldo Majella): "My beloved brothers, I, Geraldo Majella, rejoice once again to come from Heaven together with Lucia and Our Most Holy Queen, to bless you.
Love God more than yourself and give your heart to Him. Withhold no more your heart to yourselves, that is, no longer withhold your life to yourselves, denying it to God.
Give your life to God, renounce your will, lose your life to yourselves and give it to God. For whoever gives his life to God as I have will find it in eternal life and whoever withholds his life for himself here on earth will lose his life in eternal life.
Love God more than yourself, denying your will every day and doing God's, accepting God's even if it is contrary to yours, or if it costs you sacrifices.
Because God's will is and always will be for you: salvation, happiness and peace. Whereas your will contrary to God's will be for you ruin, disgrace, unhappiness and death.

Love God more than yourself by living a life of intense prayer. But not a cold repetition of words, but an ardent prayer made with the heart like the one I prayed throughout My life and which left Me completely on fire and afire with the Flame of Love of God and His Most Holy Mother.
Then, truly your hearts will open to God and you will receive from God so many graces, as you have never received until today. You will understand the most sublime things and you will understand the most beautiful things about God. You will feel wonderful things that God and His Mother will make you feel in your heart: a deep peace, a complete joy, a total hope, a strength, justice and also a love like never before in your life.
Love God more than yourself, leaving at once all your attachment to worldly things and creatures, to be only and exclusively for God and His Mother.
And then, truly God will truly pour out His Holy Spirit which is the Flame of Love of the Mother of God in you with such force, that you will truly become a new creature in God and you will say: It is no longer I who live, but it is God who lives in me.
Remain in Love and God will remain in you. Love is God and He only lives and remains only in those who remain in His Love. Therefore, seek every day to grow in true Love so that God's presence and grace may truly increase in you every day until it reaches its fullness.
I, Geraldo, want to teach you how to live this perfect love. It is not difficult to love God more than yourself. The only thing that is necessary is that you want, desire is the first step to start dying to yourself and God to start living in you. Desire and, above all, encourage these desires by repeating over and over again, as I did during the day, the acts of Love of desire that the Mother of God taught you here.
And, above all, I also repeated this: “My Jesus, My Love, I love you, make me love you and die of love for you.”
By repeating this little act of Love every day, you will grow more and more in desires. Your desires for true love will grow in you and together with those desires the flame of the Love of God and His Mother will grow in you.
I now bless everyone with love and especially you Marcos, the most ardent of My friends, My students, My followers. The most ardent of My friends, of My brothers, of My devotees. I bless you abundantly now.
How many souls Marcos you snatched from the clutches of satan by the film you made of My Life, showing everyone, especially young people, the right path they should follow to get to Heaven.
How many souls, how many souls saved, how many touched by grace, how many enamored first by Me and then through Me by the Mother of God and by God. How many souls! For all this, great will be your reward in heaven.
Rejoice My beloved brother because truly, the Holy Trinity is very happy with all the works of Love that you have done in these 25 years for Her greater glory, for the greater glory of Our Most Holy Queen and also for the salvation of the world, of souls. Rejoice because great will be your reward in Heaven and because of your merits too, great will be the graces and blessings granted to all those who love you, understand you, help you, fight with you.
And, above all, they will also be great for your spiritual father, whom you love so much and who is the consort of your merits and the graces you must receive.

Yes, beloved brother, rejoice because you have saved many souls for Heaven. And this is also why great, great will be the joy of your heart, when you see shining in great glory, in a wonderful vision, the countless multitude of millions of souls that you brought, that you brought back to God, to Our Most Holy Queen and that you took from the clutches from hell.
I bless you and all My brothers with love from Muro Lucano, from Materdomini and from Jacareí."

Jacarei, September 11, 2016
(The Little Shepherds de la Salette Maximino and Melanie appeared together)

(Mark): "Yes, yes, yes I will. Yup. Yes My Mother, yes, yes, I understood yes. Yes, I will. Yes." (Holy Mary): "My beloved children, today, I am very happy to see you again Here in My Sanctuary, in My little Heaven, in My garden of grace, of love and of holiness once again to hear My Word and receive My blessing. I am the reconciler of sinners, I truly appeared in La Salette and there on that high mountain I called all humanity to prayer, to conversion, to return to God and to Love. who appeared on the high mountain of La Salette to call the whole world to reconciliation with God. To return to the arms of God and, above all, to have a true, new and perfect love for God. What I came to ask for in La Salette was love, My entire Apparition in La Salette is summed up in one thing: Love God, love God with all your heart and do not offend Him any longer with your sins, with the hardness of your hearts. La Salette is a call to Love, it is an urgent call for love. My Tears shed in La Salette begged for love, true love for God, true love for myself, true love for your souls. your soul cruelly with sin, causing it to die spiritually.
I came to ask for conversion of love, prayer of love and a life of love with God. That's why the Saints always said: 'Love and do what you want.' Because he who loves God can do whatever he wants, because whatever he does will be for the love of God, with love for God, and he will never offend God. Because love makes a person avoid offending or hurting the one he loves, the loved one. Therefore, he who loves God does not truly sin. He who sins does not love the Lord.
Therefore, My children, I have come to call you to this true love for God. So, that your attitudes prove that you truly love God, because it's no use pleasing God with words and then disappointing him with actions.
Have, therefore, attitudes of love for God, works of love for God. So that your lives are true love for God and for Me, so that My Immaculate Heart does not suffer anymore.
I call all of you to live this perfect love and My Apparitions Here in Jacareí, which are the conclusion of My Apparition in La Salette, where I came to reveal to you and resurrect My great Secret given in that Apparition, My appeals, My Messages given in that glorious Apparition.
Here, I truly call all of you to this true love that I came to ask for in La Salette, that I came to look for in La Salette and that I have not found in almost anyone on the face of the Earth.

here, I truly seek this love, I want this love and I am doing everything to awaken in your hearts and create this love.
Here, My Heart seeks to quench this great thirst for love that has been devouring Me and the Heart of My Son Jesus for centuries. And I truly hope to find in you My children, finally, that love that quenches My thirst and My Son's thirst to see Us perfectly loved by children capable of working for Us, suffering for you, getting tired for Us, getting tired for We, to travel all the roads carrying Our Messages out of love for Us, endure humiliation, annoyances, misunderstandings, criticisms and even persecutions out of love for Us. To carry out Our Plan of salvation for so many of Our children that We love which will culminate in the Triumph of Our Hearts.
Here, where I appeared to My little son Marcos, to finish what I started in La Salette, in him, in the person and in the work of My son Marcos, I found the love, affection, gratitude, correspondence, obedience and fidelity that I sought in so many places on Earth and even in many chosen souls and I haven't found it.
Yes, in his person and in his work My Heart finds all the comfort, all the affection, all the reparation, all the reparation, all the correspondence, all the obedience and fidelity that I looked for in My children and did not find.
Yes, yes Marcos, My incessant Flame of Love. Through these films you made of My Apparition in La Salette, I touched the hearts of millions of My children. There were millions who saw these movies, who saw My tears, who repented of their sins.
Who felt sorry for My pain, who felt sorry for My maternal affliction, who decided to change their lives. Who decided to start praying the Rosary, the Rosary, the prayers I give here. Who decided to leave worldly things, sin and walk with Me on the path of holiness towards Heaven.
Yes My child, you took out countless thorns that were stuck in My Heart, you took out a painful sword of pain, which was stuck in My Heart for over 150 years. Because My tears, My Message and My Secret of La Salette were not made known to the world as I wanted. And here, finally in you My son My Heart found correspondence, love, found a generous, loving, obedient soul , who finally loved La Salette with all the strength of her Heart.
He loved My Message, My Secret and My Tears and made all this known to My children. Quickly, beautifully, profoundly, perfectly, in those films you made of My Apparition, of My Message in La Salette.
Yes, My child, you have snatched millions of souls from the clutches of satan with these films and brought them all to Me from the five continents of the Earth.
And one day you will see all those millions of souls that you have saved with these blessed films of Mine, with this blessed work that you have done for Me, shine in a glorious and luminous vision in Heaven.
Yes, My child, you are My delight, you are not only the delight of the Heart of My Son Jesus as He calls you, you are also the delight of My Heart.
Marcos, delight of My Heart, I love you! I love you millions and millions of times for each one of those millions of souls that you have saved and I bless you millions and millions of times for that My son.
In you My Heart truly rejoices, when My children hurt Me, they hurt My Heart and the Heart of My Son Jesus with their sins. We look to you working for us

making the Rosaries, the Rosaries the Films, for Us, also doing the spreading of Our Messages Here day after day on My Radio.
And then, Our Hearts are comforted, they forget the sorrows and sorrows that Our ungrateful children give Us. And a sweet smile of joy again floods Our lips and Our Hearts are healed of the wounds that the ungrateful open in Them.
My son, go ahead, that you never stop announcing My Messages to the world, especially that of La Salette, making even more films of this My Apparition, spreading My appeals to the world even more.
Explaining how My Prophecies are being fulfilled and the means that My children must use to save themselves in this time of great tribulation and apostasy.
Yes, you must return to La Salette to continue there, filming everything that was not possible the first time. And above all, you must show the world the sanctity of the lives of My little children Maximino and Melanie who came with Me today.
Yes, you must make the film of Their lives, because they suffered a lot for Me, they were persecuted by Me, they carried a very heavy cross for Me. And they have never, never betrayed My Love, they are models that My children must know and imitate. Therefore, you must make the film of Their lives, you must show the whole world what the true love of children for the Mother of Heaven must be like, a love similar to that of Maximino, Melania and yours.
Son, go, go My apostle of La Salette, go My thunder, My John the Baptist, My Enoch, My Elias. Go and continue to shout in the desert of this world My Messages, My Message and My Secret of La Salette. So that My children are convinced that they need to take the Rosary and pray the Rosary if they want to be saved.
Go and announce all this to all My children, because the more souls that know My Message from La Salette, decide to take the Rosary and pray My Rosary, the greater the volume of prayers that will produce new conversions.
And these new conversions, too, praying will increase the volume of prayers which will further increase the volume of conversions in the world. And so, in this continuous growth of conversions My Immaculate Heart will finally triumph and Satan's empire will be defeated.
Here in My second La Salette, in these mountains of Jacareí that remind Me of the high mountains of La Salette, I want to accomplish the great wonders of My Immaculate Heart, to finish what I started in La Salette.
Therefore, I will continue to give great and resounding signs, healings, warnings for My children to convert, so that they understand that the time for conversion is running out. conversion, create true love for Me, make it grow quickly, renouncing the world, themselves, and their own opinion.
So that My Immaculate Heart can truly live in the hearts of My children and lead them to holiness in fullness. But for My Heart to live in yours, yours must first die to worldly things.
So yes, I will be able to live in you, I will be able to act in you, I will be able to transform your soul until it becomes like Me: in goodness, in love for God, in fidelity, in obedience, in purity. So that, truly, you may be My mystical roses of love. The same ones I wore on My head, on My heart and on My feet in My Apparition of La Salette.
You must be those mystical roses of love, holiness, obedience and purity that form the most beautiful crown around My head, My heart and My feet, loving

Me, obeying My Messages, carrying My Messages to all ends of the world. And also, seeking with your life ever more to radiate My flame of Love. For My flame of Love to grow in your hearts, you must continually repeat the acts of love that I have given you Here. And above all, every day, make a mental prayer even if it is 5 minutes. Meditating on one of My Messages and seeking to contemplate Me, for the contemplation of mental prayer will unite your souls more and more with Me.

It will not be necessary to say much in mental prayer, you can contemplate Me in silence, you can think about some of My dogmas, some of My glories, some of My Messages. You can even spend a few moments in sweet silence looking at Me.

And from time to time read a sentence from My Messages, a passage, meditate on some glory, some word, some glory that some Saint has written about Me, in My praise.

So, by making mental prayer and mixing this prayer with continuous acts of love, opening your hearts to Me, praising Me, praying to Me with sincerity, the flame of love will grow immensely in your hearts.

Do this little children, so that My Flame may truly grow in you now quickly until it reaches its fullness. I count on you, I am by your side and I will never, never leave you.

Imitate the love that My little son Marcos has for Me like Bernadette, like My Little Shepherds of La Salette, My Little Shepherds of Fatima. He is My fourth Little Shepherd and in him you will be able to learn what true love for Me is. You will be able to read unequivocally what is the true love that I expect from you. Love Me as My son Marcos loves Me, suffering everything for love of Me, enduring everything for love of Me, leaving everything for love of Me and doing everything for love of Me.

And if you do that My Heart will live in you as it lives in it. And as he lives in Me, you will also live in Me. Then it will be the Triumph of My Immaculate Heart in your life, Satan will be defeated and finally My Kingdom of Love, the Kingdom of My Son Jesus will descend to Earth and finally humanity will have peace.

Rejoice, Marcos, because the more than 27 million children you conquered for Me are just the beginning of the immense multitude of humanity that you will bring to Me, you will bring to God, you will save.

Truly, in you the prophecy of My Son in the Gospel is fulfilled, that before his second coming, the Gospel, the good news of conversion would be announced to the whole earth. You My son are already fulfilling this, you are already making this true and you will fulfill much more.

Truly, that third of humanity, which will be saved in the Punishment, will be saved through you, through your work every day so faithful, so dedicated and so loving to Me. To make Me better known and loved and for My children to convert and return to Me.

Yes, through My Appearance in Jacareí Here, I will save 1/3 of humanity. And after the fire that will fall from Heaven, which will destroy 2/3 of this world that rebelled against God. Finally I will begin My kingdom on earth with this 1/3 that will be saved thanks to My Apparitions in Jacareí and My little son Marcos.

Yes, here truly My Immaculate Heart will shine so much and radiate so much the light of salvation, grace and truth. That one day all peoples will come Here to praise and bless Me, bringing Me gifts from their lands. In other words, their hearts, their families, their souls, totally purified, saved, beautified and

sanctified, so that here together with Me we can sing the praise of the Lord eternally.
And as for you, Mark, as many souls as you have already saved and will still save, as many will be the crowns of glory that I will give you in Heaven.
Rejoice My son, because thanks to you La Salette has become known throughout the world. My Message is now remembered. My children strive to dry My tears with a holy life, with the love of your hearts with your prayers of love. And satan was defeated and crushed in the lives of millions of My children reached by the films you made of La Salette.
Rejoice My warrior, delight of My Heart, because you have truly filled My Heart with joy and you have removed the bitterness from My Heart, replacing it with joy, victory and hymns of joy.
Continue, continue to pray the Meditated Rosary that My little son Marcos makes for you every day. Because through him and through all the prayers in this place I will always sanctify you more, I will ignite you with My Flame of Love and I will make you reach ever higher in that holiness that God wants and desires from all of you.
Go, go ahead with My Moses, with My little son Mark, for he will guide you through the desert of those times of apostasy and will lead you to the promised land. That is, to the Triumph of My Immaculate Heart.
Happy are those who are docile and not stubborn, disobedient and recalcitrant as the people of God were in the desert. honey. That is: peace, salvation, happiness and joy for centuries, of centuries.
I bless you all with love and especially you Marcos and your spiritual father, My most beloved son Carlos Tadeu. That together with you are My Moses and my Aaron, who must lead my children through the desert to the promised Land of My Immaculate Heart.
To you and to your father, in this week of La Salette, in this week that precedes the Anniversary of the 170 years of My appearance, you who have made My Message of La Salette known to millions and millions of My children.
You will receive special unique graces that I will not give to anyone else but your father and you. I will give you these graces and by sharing I will give it to your father who is the consort of those same graces that you will receive.
Yes, I will give both graces that I will give to no one else. Because truly Here son, you made My Apparition of la Salette known, you saved millions and millions of souls, more than 27 million.
And truly, you took from the devil the trophy with which he boasted of having destroyed and cast My Apparition of La Salette and My Secret into the tomb of humanity's contempt and oblivion.
Yes, you took the trophy from the devil and gave it back to Me, you made Me conquer, you glorified Me over all men and peoples, before all humanity and all nations.
Therefore, in this week of La Salette, I will give you unique, special thanks and also to your father by extension and out of love for you too, for the great love you have for him.
Upon all those My children who love My Apparition in La Salette, who spread My Apparition in La Salette with love, together with you also now will descend an abundance of the heavenly graces of My Immaculate Heart.
I bless you all with Love from La Salette, from Lourdes, from Fátima and from Jacareí."

Jacarei, September 16, 2016

(Holy Mary) : "My children, I call you again to true love for God! How many please God with words, but disappoint him with attitudes... Love is lacking! Open your hearts to love and desire my flame of love so that with her you love God with attitudes of love...
Pray my Rosary every day, because with it you will overcome everything that prevents you from being saints and loving God fully. Salette and from Jacareí."

(Marcos Tadeu) : " Then Our Lady said to my father Carlos Tadeu :"

(Sant Maria) :"-Marcos, convey to your father and My most beloved son Carlos Tadeu this: My son, every Rosary you give to My children is a thorn that you take from My Immaculate Heart. I thank you for spreading so much your devotion to My Rosary and I bless you. My gaze is always fixed on you! Peace!"

(Marcos Tadeu) : " Our Lady's face showed great sadness during the Message. She was happy during the part where She spoke about My Father and at the end she said:"

(Holy Mary) : "Rejoice in my signs!"

(Marcos Tadeu) : " Then he blessed me and disappeared."

Jacarei, September 17, 2016

(Holy Mary): "Dear children, today I call all of you to grow even more in true love for God. Truly doing every day: at least 10 minutes of mental prayer, contemplating God, contemplating myself, contemplating the truths of faith, praying with the heart.
And, above all, repeating, praying many times the acts of love. So that My Flame of Love may grow within you truly like this.
Also read in that time of meditation and mental prayer My Messages, which will make your hearts grow in true love for Me.
Above all, make a resolution at that moment: to renounce a sin and fight a defect that you have every day. Thus, My children, day after day you will grow in perfection and in the holiness that pleases God.
Open your hearts to the love of God and it will be poured into your hearts abundantly. Open your hearts to My Flame of Love so that it can truly transform you into the ceaseless flames of love that I desire Here. Like My little son Marcos, like what I did with him and the flame of love that I made him.
Thus, My children, you will live continuously burning with love for God, for Me and increasingly hungry to love Me, to make Me known and loved by all My children. So that My Son Jesus may reign through Me throughout the world, in the Triumph of My Immaculate Heart.
Hasten your conversion, because the great Punishment will come. Yes, on a very hot night for you the great Punishment will come. The toxic smoke will spread so much through the air that it will kill everything, only My children will

be safe, guarded by Me and My Angels and the Punishment will not touch them.
Happy are those who have My Rosaries touched by Me, together with My Medals and My Scapulars. Because to these My enemy will not be able to do anything.
I ask you all once again to pray My Rosary with your heart every day, because through it your hearts will grow more and more in true and perfect love for Me.
I bless you all with Love from La Salette, from Umbe and from Jacareí.
Peace, My beloved children."

(Santa Luzia): "My beloved brothers, I, Luzia, come again to say to you: Pray, only with prayer with the heart can you feel the love of God, the love of the Mother of God and grow in this true love and union with Them, as They desire.
Expand your hearts every day by great and profound spiritual readings. For spiritual reading, meditation opens your hearts to the knowledge of God, of His truth, of His will.
And it makes you see more and more the defects that you have, what needs to be changed and improved in you. So that you can then pursue your goal which is: holiness.
Only those who meditate continuously know the way they should go. This is why many times you find yourself confused, bewildered and wandering, because you do not read, do not meditate on the Messages that Heaven has already given you Here. If you meditated enough, your soul would be illuminated by the light that the Messages contain, for they are a lamp that Heaven itself has lit before your eyes Here, to show you the path you should follow.
Meditate more and you will understand everything that God wants from you, everything that the Mother of God wants from you. You will understand the extraordinary beauty of the Messages that the Mother of God told you Here, gave you Here.
And you will see how they truly are a great beacon of light that God has given you so that you do not get lost along the way. It is useless to please God with your words if you later disappoint Him with your actions.
So: Fewer words, and more works.
Fewer words and more conversion.
Less words and more fighting your faults.
Fewer words and more labor of love for the Triumph of the Immaculate Heart of Mary in the world.
Less words, more prayer.
If you do this, your life will truly change and you will grow greatly in the holiness that pleases God.
Overcome the temptations of the devil by running away from them. Overcome the temptations of the devil by not paying attention or thinking about them. Overcome the temptations of the devil by closing the door of your soul's eyes to everything mundane and opening these doors of your eyes to heavenly things, to the things of God.
Meditate more, pray more!
I bless you all with love from Syracuse, from Catania and from Jacareí."

(Mother Mariana de Jesus Torres): “My beloved brothers, I, Mariana de Jesus Torres, am glad to be with you tonight together with My Queen and My sister Luzia.
Love the Mother of God by giving her your hearts completely. For you already know that everything that is given to God in half, or incompletely, imperfectly, God rejects. How he rejected the offerings of Cain, who did not give God his best. But she loved Abel's offerings and accepted them because he gave them wholeheartedly, giving the best of his work.
Give your hearts to God completely and do not share your hearts with any worldly creature or thing. For otherwise God will reject the offering of your hearts, because He is a jealous God, who wants your hearts fully, completely and not halfway or partially.
Give your hearts to God completely, so that He will engulf you with that same Flame of Love, with which He scorched Me and which was so strong that if it had been a natural fire it would have dissolved My body many times over.
Yes, this same Flame of Love, God desires to give you Here. Our Most Holy Queen wishes to give you Here. But many don't! Many do not open their hearts, many do not desire this flame with all the strength of their will.
Give your hearts to God, desire this Flame of Love from the Lord and from the Mother of God with all your strength and it will be given to you.
Seek ever more to pray with your heart, do deep prayer, spiritual reading, meditation, pray with your heart so that this flame truly grows in you.
Pray many times the Acts of Love that were taught to you here.
And pray too, this one that I am now going to teach you: “Mary, Mother of God and My Mother, make me love you more and more and die of love for you.”
By praying like this, this unceasing act of love for the Mother of God, you will truly grow in true love for God, for the Mother of God. And you will feel more and more the need to love, serve and obey this Most Holy Queen, whom I have served all My life, whom I have loved all My life.
And in this love I lived united with Her deeply, totally. And so I was raised to great holiness on Earth and to great glory in Heaven. Because union with this Most Holy Queen is the great Secret of the Saints, for She is the model, she is the furnace of Holiness.
And everyone who throws himself into Her merges with Her in the heat of Her Flame of Love until he becomes an image and perfect copy of Her Holiness.
Here's what I want you to understand: Cast yourself into the mold, into the furnace of the Immaculate Heart of Mary and She will melt you, melt you. Until you become a perfect copy of Her who is a model of holiness.
Do it as I did and you too will reach great holiness for the greater glory of God.
I tell you another secret of My holiness: Live continually in the Spirit of Mary, that is, trying to have the same feelings that She had, think as She thought and act as She acted. And at all times, turning to Her in prayer, asking for Her good inspirations, Her good ideas to walk the path of holiness.
By doing so, you will make fewer mistakes, less and less and more and more you will take correct steps on the path of holiness and true love.
Pray the Rosary every day, because I prayed it every day of Mine. And the Rosary has always been My shield, My defense and My luminous ladder by which I ascended to Heaven.
I bless you all with love from Quito, Ágreda and Jacareí.”

Jacarei, September 18, 2016

(Holy Mary): "My dear children, today, on the eve of the Anniversary of My Apparition in La Salette, I come to call all of you again to true love that pleases God.
What I came to ask in La Salette in My Apparition to Maximino and Melania was Love, My son Marcos said it very well.
Love is what My Tears asked for, Love was what My Words full of sadness and pain asked for.
Love was what all My Apparition in La Salette came to ask of you. The roses that I wore on My head, on my chest and on my feet were the supplication for you to become mystical roses of true love, prayer, sacrifice, penance, conversion and reparation. So that with a holy life you would console the Heart of My Son, who was so sad and so offended, and also console My Heart.
The crucifix that I carried in My chest with My living Son, writhing in pain, with the hammer and the pincer asked for love, asked for reparation. With conversion, with reparation, you would take My Son Jesus off the Cross, every day again nailed to it for sins, for the contempt of men.
Yes, that cross asked for love, love for My Son, love for Me, the Mother of Sorrows. That even today I suffer a continuous martyrdom of seeing My Son crucified again by so many My children who, full of evil, selfishness and contempt for My Son, crucify Him again.
The chain that I carried on My shoulders in La Salette also asked for Love, because being the Mother of all men, being the co-redeemer of humanity, being the lawyer of all men, I am chained to My children.
And seeing them despising the Love of their God, their Father and their Creator, My Heart cannot help but suffer. That is why these chains of love made Me suffer so much and weighed so much on My shoulders in My Apparition.
These chains of Love that bind Me to My children make Me the Mother of Sorrows every day. Because seeing them despise My Son Jesus, despise the Love of God and My Love, I suffer a continuous martyrdom of soul. And that is why those chains that I carry on My shoulders in La Salette are a great, ardent and vehement request for Love.
Give me love! Do not offend My Son Jesus anymore, love Him, love Me! Do not despise My Motherly love any longer and that heavy chain that I carried in La Salette will disappear from My shoulders.
And in place My children, you will see new golden roses truly appear: of pure love, of conversion, of holiness and of joy. The joy you will give Me for your conversion and your holiness.
My apron in La Salette is also a request for love. Because appearing as the servant of the Lord, as the Mother who also works and serves her children, who fights for the salvation of her children.
My apron showed you that I am a working Mother... who works for the good, for happiness, for the salvation of her children, just as your mothers here on earth work for you: making food, washing clothes, tidying the house, taking care of you, washing the child, giving the child medicine, always with the apron on her waist.

The apron is the symbol of love, dedication, service, affection, a mother's care for her children. And My apron in La Salette also shows this to you: My dedication, My zeal, My love, My service, My work for the salvation of all My children.
Therefore, My apron is a symbol of Love, it shows the Love that the Mother of Heaven has for all Her children. And that apron also asks for love, because every Mother wants to be loved by her children, she loves and wants to be loved.
There is no mother who does not want the love of her children. And this apron asks for the love of all of you to Me, the Mother who works so hard night and day for the salvation of all of you, of all her children.
Therefore, all My Appearance in La Salette is Love, all of It asks for Love, My Words asked for love, My Tears that fall from My eyes to My feet beg for love, ask for love. Therefore, My children, give Me love, give love to God and you will give everything, because what I want from you is not the goods, nor the gifts that you can give Me. I want your heart, I want your 'yes'.
I want to live, live, reign in you, so open your hearts, give your 'yes' to Me, let My Flame of Love enter you. So that she may carry out in you all My plan of love, and through you My plan of love, saving so many of My children.
I come here in Jacareí to finish what I started in La Salette. I came to Jacareí to finish what I started in La Salette, to resurrect La Salette and to bring to full fulfillment My Secret of La Salette, which will culminate with the Lord's final Triumph and My Triumph.
You were chosen by Heaven, choose Heaven, choose God who chose you, choose Me who chose you.
For what My son Mark said is true: Divine election is a great grace, a great honor for the soul that receives it. But if the soul does not give due value, if it does not correspond, it becomes a great danger and a great reason for falling. Not because of God, because of the soul that didn't appreciate it.
Therefore, pray incessantly, watch that you do not lose the grace, the honor that you have received. Because My enemy is on the lookout for you waiting for you to start devaluing the heavenly choice, My choice made for you.
To truly begin to cool and harden your hearts until you fall into some mortal sin. Beware of Judas' betrayal, he did not value the choice My son made of his person, so he betrayed and condemned himself.
If you do the same, you will also betray My Son and Me and you will also be condemned. Pray night and day for your faithfulness and perseverance.
And above all, cultivate a great love for the divine choice, for My maternal choice of your person.
I who brought you here with so much love, that I chose you to be among the number that will be saved. So that you do not lose this great grace and honor My children, and so that you do not end up piercing My Son's Heart and My Heart with a new and more terrible sword of pain.
Watch, pray continually and value this grace more and more each day, meditate on this grace. For whoever meditates night and day on this great grace sees how extraordinary and wonderful it is, he is not spiritually blind and does not fall into the betrayal of Judas.
Give thanks without ceasing to God for this great favor that I have given you. He who is faithful in this will never become a Judas traitor.

And imitate My Little Shepherds of La Salette in their obedience, courage, tenacity, fidelity to Me. Faithfulness that My little son Marcos also has. Tenacity and obedience ardor in the work for Me that he always had, even carrying very heavy crosses.

Yes, like Maximino and Melanie he never lived without pain, he never lived without crosses. And even so, he always loved Me, he was faithful, he never disobeyed Me, proving to the whole world that whoever has My Flame of Love does everything, perseveres until the end.

And even on the cross, in contrariness, he doesn't get discouraged, he doesn't betray Me, he doesn't return to the world, he doesn't exchange Me for anything and anyone. And that is why no one will have an excuse before My Son Jesus, after I have given you this example.

Follow Him and you will be faithful to Me, imitate Him and you will love Me as He loves Me. Open your hearts to My Flame of Love as he did and you will also save millions of souls as he did.

Follow this path of prayer, penance, sacrifice, conversion and holiness that you will one day, together with My little son Marcos and My Little Shepherds of La Salette, sing the praises of God and My praises in the midst of the Angels and the delights of the Paradise.

Pray My Rosary every day, the Rosary can save the whole world. If the world prayed the Rosary, God had already sent the Angel of Peace to give Peace to the world. The Angel of Peace does not come down to give Peace to the world, because people insist on not praying the Rosary.

What laziness, what ill will, what spiritual blindness!

Because My Rosary is not prayed, the world has no peace, families have no peace. And the grapes that rotted that I said in La Salette, which were the figure of souls and families, the grapes will continue to rot, that is, families and souls will continue to rot.

And they, who should have given the world a wine of new saints, of new holy and religious vocations, will continue to bear spoiled fruit, evil children. That they will only think about carnal pleasures, about the seven deadly sins, about the things of the world, indulging in all sorts of vices, making Satan triumph in families and in society.

Only the Rosary can make the grapes, that is, the families stop rotting and give again the wine of holy religious vocations, which they gave in the past, of the saints that came out of them in the past.

Pray the Rosary at home, so that your family's grapes stop rotting. And the wheat, the priestly and religious vocations, also stop turning to dust, stop rotting, stop being spoiled by apostasy, errors, vices and sins.

Everything is in your hands, the solution I have placed in your hands: it is My Rosary. Pray it and I will work the miracle of conversion in your families and throughout the world.

How many parents are guilty of condemning their children. What My son Marcos said is very true: they will have to give an account to God for all the children who did not know how to guide or educate in the path of prayer, in the path of holiness.

And in hell they will be tormented not only by demons, but by their own children who let themselves be condemned.

Be holy parents, pray, guide your children on the path of prayer and holiness. And in Heaven, together with me, they will place on your heads the

most brilliant crowns, as a reward for having been holy and truly Catholic, God-fearing parents.
Pray a lot because Punishment is at the door, from one moment to the next you will see a flash, the Sun will turn dark, the moon the color of blood. Heaven will become white as a sheet of paper. This spectacle will strike such fear into the nations and many people that they will die of astonishment.
But those who obey My Messages, who pray My Rosary, who wear My Medals and scapulars, and who have My Rosaries, nothing will happen to them.
After this great warning during which in a split second, people will see their entire past life lived without God, God will wait for a little while. If they do not convert, then the great Punishment will come.
I have already said it so that when it happens you will know that I have warned you. Woe to those who see the flash, woe to them!
But My children will be at home praying the Rosary, prepared and guarded by Me and My Angels. Grace will not be given to those who have despised My Messages and turned deaf to My warnings all along.
I love My children so much! I am the Sorrowful Mother of all, I do not want them to suffer in the future. That's why I say to you: Convert without delay and live all the Messages that I give for your good.
I bless you all with love now, and especially My little son Marcos and My very favorite son Carlos Tadeu, the father of My son Marcos, My gift and My gift to him.
I bless these two children with love and say: Tomorrow you will receive great graces from Me on the Anniversary of My Apparition of La Salette.
Because here, My Apparition of La Salette, thanks to the work of My little son Marcos, thanks to the films he made of this My Apparition, it was known throughout the world, by millions of My children. That seeing My Pain, My Tears were converted, changed their lives, started praying the Rosary, leaving mundane things and began to seek holiness.
Yes, to this My son Marcos, who took so many swords of pain from My Heart, for those millions of My children who heard My Message from La Salette and said 'yes' to Me, tomorrow I poured it on him and on his father who is his consort many, many graces.
I will also pour it out on My children who live close to him, who love him, who help him, who work with him, who truly want him.
And I will pour it out on all My children who, together with My little son Marcos, have made My Message from La Salette known to the world, and they have done everything to make My Apparition known, My Tears dried and My Heart consoled.
To all these children, to all of you, I now bless you with the Love of La Salette. Lourdes and Jacareí."

(Mark): "Yes, I will.
"Yes, Mãezinha, I wanted to ask the Lady if you would be kind enough to touch a Rosary especially for my friend André Paiola. That he is a son of yours who loves the Lady very much, and also loves me very much and whom I love very much. And I didn't know, yesterday I felt like asking the Lady to play a Rosary for him and I didn't know I wanted his birthday.
Today is his birthday and I would like to ask this great grace for him, who is a son who loves you very much and who is a son who I also love very much.

Yup. Yup. I will say yes."

Jacarei, September 25, 2016

(Holy Mary): "Dear children, today I invite you again to meditate more on My Message of La Salette.
This time is the right time to meditate on My Message and My Secret of La Salette. So that you may understand a little more how deep My Pain is to see that even after 170 years of that My Apparition, My Tears continue to flow down continuously from My eyes.
Because My children remain with their hearts completely hardened in sin, in evil and I rarely find a soul capable of renounce sin in order to live in the grace of God.
And if renouncing sin and living in the grace of God is rare enough, it is rare enough to find souls like that. Much rarer are the souls capable of leaving everything, even their dreams, their interests, their personal plans.
To give themselves totally to Me as My slaves of love, to live just for Me, just for Me, existing, thinking, working, suffering, talking, walking, acting just for Me, just for Me. And to make Me more and more known and loved by all My children throughout the world.
Oh, how rare are these souls! I myself told Melanie that My Apostles of the Last Times would be poor according to the world, but very rich in the grace and love of God. Well then, these times in which you live are so bad that I don't find these poor apostles of worldly things. Who has no love, who has no affection for worldly things, honors, money, material things, pleasures, creatures to love and think only and only of Me.
I do not find these souls poor in themselves, in their wants, in their desires, in their worldly attachments. To be filled only with My Flame of Love, only with true love for the Lord and for Me.
That is why a sword of deep pain still remains embedded in My Heart and with the exception of a few rare souls like gold and among them is My little son Marcos. I do not find in almost anyone a love capable of renouncing everything, of letting go of everything to live so alone and purely for Me.
That is why you must make known My message and My Secret of La Salette urgently so that My children, seeing and understanding this pain of Mine, can feel the need to love Me, to give their lives just for Me, to give totally at My service, not seeking and not wanting to love anything else outside of Me.
And so, arise many generous souls from all parts of the world to give their lives to Me, to live only with Me, for Me and in Me for the glory of God.
My Tears keep coming down from My maternal eyes, because I knock on the door of many hearts asking them to give Me their hearts, their lives, to renounce themselves, their will, their plans to be only Mine. To live with Me and make Me your life, to make My plan your plan.
But all I find is selfishness, hardness of heart and coldness. Souls that are not able to renounce their opinion, their will, their plans to do My Will alone and exclusively.
How much selfishness, how much self-love I find on the face of the Earth! There are no longer souls capable of forgetting themselves, their will, their will, their plans to make Me their life.

Most people, in the prime of their youth, abandon Me, abandon the Lord to live their lives, to make their lives as they wish. And how few souls full of love are capable of making Me their life.
Therefore, there are no more holy souls. That is why there are no more souls victims of love capable of being lightning rods to stop the rays of Divine Justice, which the world provokes every day with more and more sins.
And that is why the punishments, especially the earthquakes, have increased so much in recent decades and will continue to increase, because there are no more generous souls, there are no more souls on fire with love capable of sacrificing their own lives to Me, to God living with Me. a life only of prayer, only of sacrifice, only of service, only of work for the salvation of souls, only of immolation for the salvation of souls.
This is also why serious and incurable diseases, droughts, pests, epidemics, floods, tidal waves, the many punishments of nature, lack of peace and harmony in families, violence have increased so much among you.
Because there are no more generous souls who stop these evils with the incense of their prayer, with the perfume of their lives completely consecrated to God and Me, with the myrrh of their daily sacrifices offered with Me and through Me to the Eternal to appease His Justice, offended and inflamed by the sins of the world.
There are no more souls of pure love, scorched by My flame of love, capable of saying no to their will and plans to live My will. And to live together with Me the choir of lawyer souls, of intercessor souls, of victim souls. That with your prayers and with the daily, daily sacrifice of your will, of your life, immolated to the Father together with Me to placate and stop the rays of the Wrath of God.
That is why I continue to shed copious tears no longer in La Salette, but in so many parts of the world. And many times in My Images tears even of blood, to show My children how great My Pain is, because I have to hold the rays of Divine Wrath alone.
Because there are no more generous souls, loving souls capable of offering their lives together with Me, to help Me appease the Wrath of the Eternal One offended and betrayed by His own children.
Yes, how great is the pain of the Heavenly Father's Heart, betrayed every day by His children. They betray Him hour by hour with their sins, with their ingratitude, with their blasphemies, with their worldly life full of sin.
They betray Him, they betray His Love that created them, that preserves their life, that gave them so many graces, so many blessings, that gave them the world to live in.
And they use all that, the gifts, the graces, the world they live in, their own body, their own intelligence and will, just to betray the Father's love, just to offend Him, just to hurt Him.
How great is the pain of the Heart of this Father who is not loved and is betrayed at every moment by His children, who betray Him minute by minute. And these betrayals rise to His Heart like sharp swords that pierce Him and make Him suffer.
My children, it is now time for the Apostles of the Last Times, the generous souls, on fire with My Flame of Love, to arise from all parts of the world and form with Me the choir of generous souls, of the mystical pink souls of love, that I asked so much in Montichiari, that I asked so much Here and even in La Salette. For the roses that crowned My head surrounded My Heart and My feet

were the court of the mystical pink souls of love that I wanted so much, that I so much sought, that I asked so much.
Here, with My little son Marcos, My incessant mystical rose of love, My incessant flame of love, I want souls completely imbued and totally immersed in this spirit, in this spirit of love, of sacrifice, of the donation of their own lives. To atone for the betrayed love of the Father in Heaven, to appease His Justice inflamed against so many sins and betrayals of His own children.
And so that together with Me these souls will once again gladden the Heart of God, making Him feel better, seeing that at least Here in this blessed place of My Apparitions in Jacareí, He truly has a beautiful garden of mystical roses of true love.
That together with My little son Marcos, the greatest mystical rose of love that I have on Earth. Cultivated these roses, this garden, personally cultivated by Me to give Him every day the sweet scent of true love, true obedience, true generosity, true life of sacrifice.
That's why Here, in My Religious Order, I only want: souls completely imbued with this spirit and totally dead to themselves, to the world and to everything that is related to the world.
So that, truly being only and exclusively Mine, My Heart can give God every day the joy of seeing that Here I cultivate a true garden of mystical roses of love, prayer, sacrifice. And forgetfulness, personal martyrdom of oneself, voluntary, spontaneous every day, to truly give to God the sweet and fragrant perfume of Love!
And even My lay children, I demand from them this spirit of love, of renunciation of worldly things, of detachment from everything that is of the world and takes away from God. I want from them a spirit of true love for My Rosary, for the prayers that I have given you and asked for here.
And also, a true spirit of personal sacrifice, which means: accepting the crosses of one's own family and daily work.
By doing this, they will be able to be even though they are not from My special, favorite and select Garden of mystical roses of love of My Religious Order. They could still be in the world, in the middle of the swamp of the world: little daisies of love. That with their simplicity, their purity, their perfume and their beauty will also be able to attract the eyes of the Most High.
And so, to send down on this humanity completely corroded by the spirit of evil and sin, rays of grace, rain of mercy and salvation for so many souls who need it so much.
Here, I truly want My Garden of mystical roses of love to be the most beautiful in all human history. So that the Eternal will truly look at My Garden and because of My servants, His faithful servants. Here, may He pour out His great Mercy on so many souls who are in grave danger of being eternally condemned.
And that without your help, without your life donated for their salvation, sacrificed for their eternal good, they will never be able to save themselves.
Therefore, I truly want to lead you to the highest holiness. I would have many and greater Messages to give you, but your slowness in living the Messages I have already given prevents Me from giving them.
It is now necessary to move forward, to take a step forward, to grow, to leave behind childish love, childish faith, childish understanding of the things of God and My Words. And to grow in the understanding of true love, in the

understanding of My Words, what holiness means, what it means to sacrifice one's life, immolate one's own life, so that many other lives can be saved and revived.
It is necessary to advance in the understanding of what is the perfect love that I want. So that you truly become those mystical roses of perfect and supreme love that I came here to seek, to cultivate to give to My Lord.
I want you to be able to give My Message of La Salette through the Films that My little son Marcos made of this Apparition to everyone as soon as possible. Because only when My children understand My great Pain. And how My Heart has not yet been reciprocated in the love it expects from its children. Only in this way will souls feel the need to love Me and to console Me, to repair Me and to make amends to Me. And to become the Apostles of the Last Times that I want so much and that I so desire.
If you do this, My children, then My Heart will quickly make the darkness move away from humanity, the venomous cloud of apostasy, loss of faith, communism, atheism, heresies, move away from the world.
And then truly Brazil and the rest of the world will become My world garden of mystical roses of love. Then it will be the Triumph of My Immaculate Heart. Then My Son Jesus will reign through Me forever and finally you will enjoy a new, lasting and perpetual time of happiness and peace.
Continue praying My Rosary every day, because through it I will lead you more and more to become My mystical roses of love.

I now bless you all with love from La Salette, Lourdes and Jacareí."

(Saint Hilda): "My beloved brothers, I, Hilda, rejoice again to come to you together with Our Most Holy Queen.

My beloved brothers, be little mystical daisies: of simplicity, of candor, of modesty and of love, giving your lives completely to her. So that through Her She can truly carry out Her Maternal Plan of Love in your lives.
Be mystical daisies of love, living each day in simplicity, detaching yourselves from everything that is superfluous, trying to live only with the essential, giving to God and the Mother of God much more than your things, giving them your life, your heart.
For it is not your things that God wants, but you yourselves. Give him your heart and you will have given everything and you will have nothing more to give to the Lord and to his Mother.
If you do that, you will be truly candid daisies, mystics of love. That for themselves they want nothing, no glory, no comfort, no pleasure, no stewardship. And who only want to enchant, cheer and give the affection, the beauty, the charm of their candor to the one who contemplates it, to the one who owns it, to the one who cultivates it.
Be the mystical daisies of love, living continually in this spirit of modesty, of giving yourself to God and the Mother of God completely.
If you live like this, you will truly give her a great mystical power: of prayer, sacrifice and penance every day. So that she can stop the rays of Divine Justice ignited against so many crimes and sins that are committed every day. Minute by minute, one more soul betrays the love of God the Father. And

her Heart can no longer bear so many betrayals, so many ingratitude from Her own children.
That is why so many mystical daisy souls of love are needed. That with their candor, with their life full of love, sacrifice, donation, detachment from themselves and renunciation of their 'I' and their will. May they give to the Eternal Father the charm and the perfume, of their purity, of their holiness, of their life completely immolated to the Father, to give him joy and with their lives to beg the conversion of so many souls who need it so much.
When a soul gives its life totally to God and the Mother of God for the consecrated and religious life. Just because his life exists, it already becomes a continuous and incessant prayer, a continuous sacrifice that, together with the sacrifice of the Immolated Lamb and also of the Co-Demand of humanity, appeases the Divine Wrath, cries out for the Mercy of the Father and forgiveness for the sins of the people.
It removes many punishments that the world deserved for its ingratitude and betrayals of God's love. It attracts many great graces, blessings for humanity, for crops, plantations, for homes, for humanity in general. And, above all, the grace of Peace.
That's why violence has increased so much in this world in recent times, in recent years. Because the number of souls truly consecrated to God who live their vocation in a holy way has considerably decreased.
With no one with the sacrifice of his life donated to God, to prevent the advance of evil and Satan, the punishment of humanity was to have the increase of violence, of wars on all sides.
And the families that used to produce the Saints, the souls consecrated saints to prevent evil with the donation of their lives to God. Now you have your just Punishment. By taking the Rosary, the Prayer, the religious teaching from the families that produced so many saints, the families now reap their own poison and the punishment of their apostasy.
They only generate bad children, violent, selfish, cold, hard-hearted young people, insensitive to the sufferings of their parents. And that often even mistreat, ignore, despise and abandon them.
And these children make other families suffer by propagating and spreading violence, evil and crimes everywhere. This is the wages of separation from God, from His Mother and from prayer.
If families go back to producing saints as they used to be, souls consecrated to God, good as they used to be. Then God will quickly send the Angel of Peace to give Peace to the world.
May Mothers be like I was, that they educate their children not for the world, but for the Lord. Not for earthly pleasures, but for the joys and things of heaven. Not for the women of Earth, but for the most beautiful Woman in Heaven, the Virgin Mary!
Yes, may mothers be as I was and do as I did, and from their families the children of Saints will come out as in the past. Who will, with their lives full of prayer and holiness, stop many evils, many punishments. They will put a stop to violence and they will make Peace truly be given by the Most High to the earth happy again, to see that there are children on Earth, who truly love him more than anything and above all.

May parents be like Me and educate their daughters not for worldly pleasures or just earthly loves. But for the true and beautiful love of Heaven which is Our Lord Jesus Christ, Our Love, Our Life and Our Everything.
And then, they will truly produce the Saints as there were of old who, with their lives full of love, prayer and sacrifice, will attract the eyes of Jesus to humanity. And because of Her, Her handmaidens, her handmaidens, will pour out an ocean, a deluge of mercy over the whole earth.
I, Hilda, ask everyone to continue praying the Rosary of the Mother of God, because with Him your families, your families will truly become gardens. In gardens of mystical roses of love and in true vines that will produce many holy fruits: of love, of beauty, of fidelity, of obedience that will enchant the eyes of the Lord.
Saints! Produce new Saints from your families and the world will have Peace again!
Love God more and the Mother of God more by growing in this true love that she so desires from you and finally giving the Mother of God your heart, your 'yes' and your filial love. Not seeking any interest in God or in Mother God. Serve for love, pray for love, live for love, dedicate yourself to Them for love, suffer for love, cry for love of Them, hope in them for love, die for love.
Let your life be like this, and then you will truly have given God everything.
I now bless you all with love with the Mother of God of Lourdes, Fatima and Jacareí."
Jacarei, October 1, 2016

(Holy Mary): "Dear children, today, when you contemplate the life of My daughter Teresa of Lisieux, Saint Therese, I invite you all to imitate the great love she had for God and for Me.
Learn from her to do even the little things in life with great love, the little sacrifices with great love, the little prayers with great love like her.
So that your works have a great value before God and so, like Her, you can elevate humanity, sanctify humanity, save, convert many souls.
Expand your hearts greatly and generously like My daughter Saint Teresinha, making your life a continuous 'yes', both in the small sacrifices and in the big ones, that God will always ask of you and that your own life will lead you to make.
That blessed daughter of Mine understood that she could not be all of God in the world. May young people understand the beauty of divine love, the beauty of giving oneself, of giving oneself totally to God and to Me. And that they truly see how the consecrated and religious life is the easiest, fastest and the most free from the dangers of the world for someone to reach Heaven.
It's the quickest way to God, it's the quickest way to Heaven. It's not always the smoothest way, but it's the surest way, the most direct, it's the easiest and fastest way to Heaven.
Therefore, let them see how the religious life truly is a Gift that God only gives to those souls He loves most, most prefers and most desires to have by their side, here on Earth and later also in Heaven.
May you understand this divine love that burned the chest of My daughter Teresinha and also of all the Saints. May you understand the beauty of this divine and eternal love, which is Jesus, which is Me.

May the young understand this beauty! Pray for them who have a blind soul and who can only see the pleasures of the world and do not understand that those pleasures have been killing their souls day after day more and more. And that many of them are already spiritually dead, so that when bodily death comes, they will only complete their eternal death and their eternal damnation in hell.
Pray that young people may understand that only in God and with God will they have true life, life in abundance from which true happiness and true peace flow.
May families produce saints again, like the family of My daughter Therese of Lisieux, like the family of so many saints in the past, who, because they prayed a lot, because they had a great devotion to Me, were true gardens of so many mystical roses of perfect love.
May families go back to imitating those families of the Saints who lived when the world was not so guilty and so lost. If families do this, many, many saints will emerge again, who, with their lives on fire with true love for God and Me, will illuminate the world by dispelling the darkness of Satan.
They will lead millions and millions of My children to know the truth, to know the true God, to love Our Heavenly Father and to love Me. And through Me they will reach Heaven, where they will shine as suns of righteousness eternally in the Kingdom of God.
I pray that your families pray and thus produce new saints, to save this humanity so fallen into sin and so dominated by satan and the spirits of darkness.
My children, tomorrow is the day of Guardian Angels, pray more to your Guardian Angels, listen to them when they inspire you with good ideas and when they inspire you to flee from evil.
If you are docile to the Guardian Angel, you will never, never sin, you will never lose the grace of God.
If you are docile to your angels, you will quickly grow in true holiness that pleases God. Happy is the man who trusts, who loves his guardian angel, who lives united to him by the deep prayer of the heart, because he will feel in his life many and many times its action protecting him, guarding him and delivering him from all bad.
Keep praying my Rosary every day. In this week of the feast of my Rosary, I will pour out on you who here, together with my little son Marcos, pray so much, love and propagate my meditated Rosary, great graces that I will not give to those who despise my Rosary.
I bless you all with love from Pompeii... from Fátima and from Jacareí!
Rejoice in my signs! Rejoice with joy at my signs! Goodnight. See you soon!"

Jacarei, October 08, 2016

(Holy Mary): “Dear children, today I call you again to grow in true love for God and to obey My Messages.
I am already exhausted from asking the world and you to obey My Messages! But you refuse to obey, to strive to be better every day and to grow in holiness.

Take advantage now that I can give you My Messages, because in the future My voice will be silent and you will regret it. They will regret the time wasted uselessly.
Obey My Messages, for whoever obeys My Messages will be saved. Those who refuse to obey will later hear from God that chilling sentence: 'Enter hell.' I do not want you to hear this My children, therefore I ask you: Obey all My Messages with love and pray My Rosary every day.
Whoever loves and prays My Rosary is saved, whoever despises My Rosary is condemned. Therefore, take the invincible weapon of victory that I gave to My little son Domingos de Gusmão and to so many of My servants. And now fight this last fight with the Rosary in hand.
The battle of Lepanto is repeated now, but it is no longer a battle with ships or cannons, it is a battle of souls. It is a battle of satan against you and of you against the forces of evil. And again the trophy is the souls, the souls that satan always wanted to dominate.
Stay by My side in this great battle with the Rosary in hand and spreading My Messages to save My children. Then, My children, what I did at the time of Lepanto will be repeated again: My Immaculate Heart will triumph, in an unexpected, miraculous and indestructible way.
And then you will see My children, how truly the Apostle was quite right when he said: 'And the virgin's name was Mary.'
Keep praying the Angelic Salutation, the Hail Mary in the Rosary every day. Every Hail Mary you say is one less demon in the world to tempt souls, one less soul in the grip of Satan, one less soul in hell and one more soul in Heaven.
I bless you all with love from Pompéia, Lourdes and Jacareí."

Santa Luzia): "My beloved brothers, I, Luzia, again today I bless you all and say: Convert without delay! Don't play with God and with Our Lady, because all those who did this, playing with their conversion today are screaming in the fires of hell.
Take seriously these Messages that are given to you Here, because they will be charged one by one to you.
As the Apostle said: 'If when the Word of God was announced to us through the Angels, the world was not spared the punishment as in Sodom and Gomorrah. How shall we escape now that we have heard salvation from the Lord's own mouth, or from the mouths of those who have seen him and who have heard his words.
Yes, now that you hear the word of God from the lips of the Mother of God herself, you will not escape Punishment if you do not take it seriously. So I urge everyone today to take these Messages seriously.
And renounce falsehood, because the false, besides not being able to lie to God, nor to the Mother of God, will one day be discovered by people and despised and detested by them.
The liars, the false ones, will not enter the Kingdom of Heaven, nor will the dishonest and cheaters. May your soul be considered and found clean, pure, and candid when God comes and begins to examine all men.

Continue to pray My Rosary every week so that I can continue to help you grow in holiness. Desire the flame of Love of the Mother of God even more strongly.
Read His Messages and, above all, do not listen to any temptation from Satan, but reject every temptation thinking about the Mother of God, occupying your mind, heart and body working for the Mother of God.
And, above all, every day, making true love, affection and dedication for Her grow in your hearts.
I bless you all with Love from Catania, Syracuse and Jacareí."

Jacarei, October 9, 2016

(Holy Mary): "Dear children, today, when you contemplate Me as the Lady of the Most Holy Rosary, I come again from Heaven to tell you: I am the Lady of the Rosary!
This weapon of salvation, this powerful prayer that I gave to My son Domingos de Gusmão, saved the world from the Albigensian heresy. This powerful weapon in the hands of My children at the time of the Battle of Lepanto saved the world a second time, it saved Catholicism from being exterminated by the enemies of My Son.
And now at the end of this evil time, of the apostasy and the great tribulation in which you live, My Rosary will once again be the weapon that will save the world a third and last time.
Yes, My children, My Son wants to save the world through the Rosary, so that the whole world may recognize that this salvation of your generation is My work.
And so, everyone recognizes Me as Queen, Mediatrix and Co-Redemptrix of humanity and My Sorrowful Heart be venerated next to the Sacred Heart of My Son Jesus, as He desires and asked so much of My daughters Berta Petit and My little daughter Sister Lúcia de Fatima.
Therefore, the salvation of the world, the conversion of sinners, the peace of the world in this evil time in which you live will be entirely My work. And I will do this with the simplest, most unpretentious prayer that so many proud people despise: which is My Rosary.
Through him I will convert sinners, I will perform many miracles of conversion and transformation of hearts, I will save many nations. And finally, I will take all humanity back to My Lord, to their God of Salvation and Peace!
I am the Lady of the Most Sacred Rosary, and today I come to ask you again to renew the love of your hearts for My Rosary. Never pray My Rosary coldly My children, otherwise you will make Me suffer and cry as one day My son named Herman made Me, by praying the Rosary coldly, without love or devotion.
I want you to pray My Rosary ardently, with your hearts truly burning with My Flame of Love, so that you truly give Me joy. And one day I can come and get you on the day of your death, beautiful, all glorious and luminous, to take you with me to Heaven where I will give you to experience and taste wonderful delights.
I will make you see the wonders of God and, above all, I will place crowns of glory on your heads as well as recognition and retribution for the crowns of roses that you placed on My head every day on Earth praying My Rosary.

I am the Lady of the Most Sacred Rosary and once again here in Jacareí, in this Sanctuary, which is the land of My Rosary. Where My Rosary is so loved, prayed and disseminated by My little son Marcos, who recorded more than 300 Rosaries for Me until the present moment and released them to the world, causing thousands and even millions of My children to pray it every day .
Here, where My Rosary is truly loved, prayed and propagated, I want to once again pour out My graces of love on all of you. Therefore, spread the prayer of My Rosary even more and then, the kingdom of satan will be destroyed by Me, and My Immaculate Heart will triumph.
Live My Messages with love every day and seriously, because soon My voice will be silent. And as I said to My little son Marcos at the beginning of My Apparitions Here, in the time of Punishment My Messages will be more sought after than water in the time of drought.
But My voice will already be silent and those who did not want to hear Me now that My voice resounds through the four corners of the Earth in that hard time of Punishment, will no longer be able to find Me.
Come to Me now that I let myself be found by you that I am as close to you as the air you breathe. That I am Here day and night giving My blessings, My graces and My love to you.
And so, I promise you little children that truly, you will receive all the graces of the Lord through Me, and then your life will be changed from earth to Heaven.
Make true love, filial love for God and Me grow every day in your hearts, through true and continuous asceticism.
That is, of a continuous ascent towards God, of an ascent and growth towards total union with God every day through many prayers, meditations on My Messages, supplications and, above all, praying a lot the acts of love that I taught you here.
On Wednesday I will come with My son Jesus to give the blessing to the world and to Brazil once again.
I now bless you all with love from Fátima, from Pompéia and from Jacareí."

Jacarei, October 11, 2016

(Mark): "Praise them forever, Jesus, Mary and Joseph!
Yup. Yeah, so glad he's here. Yes, I feel like I've been reborn. I feel like God the Father is close to me, watching over me. I feel as if I have the strength to do everything and no suffering, no trial could ever, ever be able to bring me down.
I feel complete, I feel that I have everything, that I lack nothing, I have everything, fullness.
Yes I know. Yes I said it. He said wait!
Thank you ma'am, I will say yes. I will too.
Oh! This I can see with my eyes! When he's here, the Lady is much happier, she doesn't know how to hide it! Yes, I will. Yes, I saw it, I believed at the time that it was a sign from the Lady, I didn't doubt it.
Is that the meaning? Yes, I also saw Ma'am. I believed at the time that they were signs from the Lady! I never doubt it.
Yes, I understand. Yes, ma'am, I will tell the people.
I remember. Oh! Will you come back tomorrow? With the Lady and with Jesus? So what time will you come?

Yes, yes, perfect! Did he ask to come? How sweet! Already thank you in advance for me, I love you so much and I admire you so much too. I wish I were just one percent of what he was and what he did for you. I want to be like him when one day I grow up in holiness.
Yea."

(Holy Mary): “Dear children, on this holy night I come to invite all of you again to look at Me, the woman clothed with the Sun, crowned with 12 stars with the moon under her feet, who crushes the head of the infernal serpent, terrible as an army in Order. of Battle.
I am the terrible Woman like an army in battle array! I am terrible for the demons, who cannot bear My presence, they cannot bear to pronounce My Name, they cannot bear My Rosary when My children greet Me 150 times reciting the angelic greeting, which God Himself composed.
I am the terrible Woman who, wherever she appears, destroys the forces of evil, the works of Satan, of sin and makes the works of good triumph, of grace, for the greater glory of the Lord.
I am the terrible Woman, terrible for obstinate and impious sinners, who insist on rebelling against the Lord, who insist on living offending and crucifying My Son. Who insist on living persecuting Me and My visionaries, trying to destroy My works of salvation in the world.
I am terrible to these evil ones, because I always destroy their perfidy, although they often seem humanly to win. But, I remain the terrible Virgin, the same one who with a severe gesture made the Muslims in the Battle of Lepanto lose the war.
And so too, at the end of this great war between Me and My infernal enemy, these wicked ones who spoil My Plans, who spoil and persecute My works of salvation. All these wicked people will once again be defeated by Me and this time their defeat will be definitive, because My Immaculate Heart will triumph and the devil will never again be able to leave the abyss with his henchmen to try and harm the Earth.
I am terrible, terrible for all those who rebelled against Christ, against those who follow the antichrist, the spirit of rebellion of these times in which you live. I am terrible to them, because with My Appearances and Manifestations I destroy their perfidious works, I reduce to ashes the diabolical plans of Satan which they serve.
And ever more, I raise up powerfully to God holy children, who with the holiness of their lives, with their burning love for Me, with their total surrender and consecration to Me, always make the light of God's grace shine and triumph. , the light of truth, love, holiness and peace.
I am the terrible Woman that 300 years ago I made appear from the waters of the Paraíba do Sul River, My image of the Immaculate Conception. That is, the one who crushes the head of Satan as described in Revelation 12, the Woman who fights the infernal dragon, the woman of Genesis.
So, I am that terrible Woman who in Heaven in Brazil again says to all My children: Trust and Hope, nothing is lost! What my little son Marcos said is true, a bad chapter is not the end of a whole story.
Therefore, My children, never lose hope in My Immaculate Heart, because after the bad chapters, the trials, the tribulations that you now have to go through, because this time is handed over to satan.

After this time, My Heart will triumph and you, My obedient children, who obey Me, who follow Me along the path of prayer, grace, penance and love, you will triumph with Me.
I will make you also terrible souls against hell, for the sanctity of life, prayer, consecration, and your total donation to Me. I will make you terrible souls against hell, you will destroy many works of Satan in Brazil and in the world with your prayers, sacrifices, with your work and total dedication to Me, as My little son Marcos has already done.
Yes, some time ago I promised Here, on the occasion of this same Feast, that I will save Brazil because of his faithfulness, the Meditated Rosaries he made for Me, the films of My Apparitions he made for Me that so many swords of pain took from My Heart. So many tears have dried from My eyes, so many thorns have been pulled from My Immaculate Heart and so many thousands and even millions of souls have been saved for God and Me.
I promised that I will save Brazil because of him and despite the infidelities, disappointments and betrayals of My children who do not fulfill their promises, who do not fulfill the vows they made to Me. I have always been faithful to My promise and I have already started the great work of salvation in Brazil, which you yourselves can see with your own eyes and I will follow this work of salvation for the sake of My little son Marcos.
Yes, in truth I say: Even if all My children in Brazil disobey Me, betray Me or abandon Me, even so, I will save Brazil. I will save Brazil because of My little son Marcos, who loves Me more than anyone, serves Me and obeys Me more than anyone and has a flame of love for Me more ardent and scorched than anyone else.
And now I also have one more reason to save Brazil, which is My dearest and most favorite son Carlos Tadeu, to whom I have given the most beloved son, dear to My heart, My treasure on Earth. Yes, because of them I will save many souls, I will save Brazil and also because of My children who obey Me, who listen to Me, who love Me, great graces I will perform in this land of Santa Cruz. The more saints you are, the more graces there will be. The more you pray, the more blessings I will pour out from My Immaculate Heart. The more you surrender to Me, the more My Flame of Love will erupt powerfully in your midst, converting sinners and transforming the land of Santa Cruz into the Garden of grace, love and holiness of My Heart.
I am the Queen of Brazil, I am the Queen of the world! And in this time that is particularly marked by a very strong and extraordinary presence of Mine Here, especially in this Jubilee year of so many manifestations of Mine. I will continue to carry out in your midst the great graces of My Flame of Love.
I now bless everyone with Love and especially My most beloved son Carlos Tadeu who today, with his presence here, fills My Immaculate Heart with joy, with jubilation. Drying many of My tears, closing many wounds that My children open in My Immaculate Heart with the thorns and swords of their sins.
To my little son Marcos whom I love and through whom I save and will save Brazil. And to all of you My beloved children, I now bless you generously from Aparecida, from Fátima and from Jacareí."

Jacareí, October 12, 2016 - First message of that day

(Brother Joaquim do Monte Carmelo): “My beloved brothers, I, Joaquim do Monte Carmelo, come today on the day of Our Lady Aparecida, Our Queen and My Love to say to you: Be houses worthy of Her!
So, as I built for her a worthy house, the Old Basilica, so that she could live there, be loved and pour out her graces on her children, you too must build a worthy house for her like me in yourselves.
You must build that worthy house in your heart so that the Mother of God can truly live there, live and reign. And what should the house of the Mother of God be like in your soul? Pure, without sin, perfumed with virtues, without defects! Enlightened, without darkness of blindness, sin or any evil.
It must be beautiful and therefore all the ugliness of sin must come out of your heart. It must be rich in carvings and ornaments, that is, in virtues, quality and good works, which you must possess in your soul.
It must be rich, precious, that is to say: there must be in your soul the pure gold of virtues. You must make in your heart, as I did for her too, an altar of pure marble, that is: of the strongest, firmer, most unshakable, deeper faith in the Mother of God. A robust, courageous, virile faith, a faith like that of the martyrs and the saints who undertook arduous things for the Mother of God and who were not discouraged when the setbacks inherent in the mission that the Mother of God, that the Lord had for them, came to them. given away.
In this way, you will truly make the Mother of God a beautiful home in your heart, as I did in Morro dos Coqueiros. Then she will come to live in your soul, then she will delight you in your heart, she will fill your heart with peace, with love, with grace, with the light of Paradise.
And then, you will already live a little of Heaven here on Earth, because what will Heaven be? Our beloved Mark explained it to you very well: Heaven will be a continuous ecstasy of love with the Mother of God. You will be eternally looking at Her and She looking at you, and then from Her you will receive all the affection, all the love, the feeling of protection, the feeling of perpetual peace that no one will ever be able to take away again.
There, there will be no more care with work, with family, with eating, sleeping and dressing, because these things are purely temporal things. There your heart will also not have to be divided among so many people, because there your heart will be all and only Hers, the Lord's.
Then you will live immersed, immersed in the deepest celestial peace, which will never end. Therefore, everyone who gives himself totally to Mary, who has in Mary his only treasure, who has made Mary his everything, his life, his only love. This one already lives a little of Heaven here on Earth and after death it only continues in Paradise.
Living only for Mary, for Mary, with Mary, having Mary as the only love and through her God, he already lives Paradise on earth. That's how I lived, She was everything to Me, My only love, My treasure, so where she was there was My heart too. Everything I did was for Her, all My thoughts, works, words, sacrifices, works, everything was for Her alone.
The tears that I shed and that were many in the construction of the Old Basilica. The drops of sweat that fell from My face in that drudgery, in that arduous undertaking, all fell for Mary. That's why in Heaven they all turned into very shiny pearls, which She placed on My head when she gave Me the crown of eternal life.
Yes, every tear, every drop of sweat shed by Mary here on Earth will become a

very shining pearl in Paradise that the Mother of God will place on your neck, on your head when you arrive there.
Therefore I say to you: Be houses worthy of the Mother of God, renouncing all falsehood towards her, all disobedience, all hardness of heart. So that She truly believes in you, trusts you and comes to live in you.
And finally, build houses, build houses for the Mother of God in the hearts of your brothers, taking her messages to them, making everyone love her, making everyone fall in love with her and make her their treasure, their all.
For if everyone's everything and treasure is Mary, everyone's heart will be there. And if everyone's heart is in her, Satan's kingdom will fall to the ground and he himself will be thrown, thrown into the depths of the infernal flames, humiliated, ashamed, trampled and crushed and from there he will no longer be able to leave. Then, Brazil and the world will become the Virgin Mary's Kingdom of Love.
I, Joaquim, from Mount Carmel, love my beloved Marcos very much, who in addition to making this House for the Mother of God here, has built and built houses in millions of hearts all over the world for her to live and reign in.
And I also love very much my beloved Carlos Tadeu, who in his city has also built houses, dwellings for the Mother of God. True living sanctuaries in souls, where she will live, reign and perform her greatest wonders of holiness and grace for the greater glory of the Father.
I now bless him particularly, together with our beloved Mark and you who love the Mother of God and who spread her Word.
I also now bless you generously with love from Aparecida, from Pompéia and from Jacareí."

Jacareí, October 12, 2016 - Second Apparition of that day

(Sacred Heart of Jesus): "My children, I, Jesus, your God, come today on the Feast of My Mother to say to you: Blessed is the man who loves Mary, My Mother.
Blessed is the man who made Mary, My Mother, his everything.
Blessed is the man who has in Mary, My precious Mother, his treasure.
Blessed is the man who suffers injustice, slander, persecution for My Mother Mary, because to him I will give the Kingdom of Heaven.
Blessed is the man who dries the Tears of Mary, My Mother with his prayers, sacrifices, with his love. For verily I say unto you, I will dry his tears for all eternity, and I will not allow him to weep and gnash his teeth forever in the eternal flames.
Blessed is the man who takes away the swords of pain that the world drives into My Mother's heart. For truly I say to you, at the hour of his death I will not allow the demons to plunge their fiery darts into him from hell, and I will not allow them to take him with them to the eternal flames. Rather, I will come to him with My Mother and I will take him with Me to Heaven where he will forever enjoy eternal delights at My side and at My Mother's side.
Blessed is the one who, for love of My Mother, patiently accepts with meekness to lose everything, everything according to the world, for love of My Mother. For truly I say to you, to him I will give everything and a hundred times more in the Kingdom of Heaven.
Blessed is the man who gives his whole life to My Mother, who consecrates

himself to Her, who loves Her with all his heart as I loved Her and who imitates My example of love and obedience to My Mother. Because this man I will truly call My brother before My Father, I will recognize him before My Angels, I will declare him to be a true son of My Mother and My brother.
And then the Father, the Holy Spirit and I will embrace you and give you the crown of eternal life and receive you forever into Our Abode in Heaven.
Blessed is the man who truly dedicates his whole life to Mary, as our beloved Mark did. Because he is all My Mother's and My mother is all his, and just as My Mother is all his, I who Am the blessed fruit of Her womb, so am I all his and he is all Mine.
Truly I say to you: whoever gives himself totally to Mary like our most beloved Mark, to him I will also give myself totally together with My Mother. I will give him all Our Love, all Our Graces, all Our Blessings and to him we will reveal the secrets of Our Hearts, which We only reveal to Our closest friends, to Our children who truly and entirely give and give themselves to Us .
Blessed is the man who truly speaks of My Mother, propagates devotion to the Rosary of My Mother, divulges the glories, the prerogatives of My Mother, the Messages of My Mother, because to the one who declares himself as My Mother before men, I too I will declare myself for him before My Father, the Angels and the Saints in Heaven.
Blessed is the man who cries for My Mother, to see My Mother suffering for so many sins of the world, for so many ungrateful children who do not love Her, who do not obey Her. Even after they had seen her Signs, received Her Graces and heard her cries.
Because to the one who cries for My Mother, I will also dry his tears, I will also come to him at the moment of his death, I will dry his tears. And before My Father in Heaven I will ask for him, I will cry for him and I will beg for him, saying: Father, do not depart from Me the beloved brother, who on Earth felt so much compassion for the Sorrows of My Mother. I love him, give Me the beloved brother who pitied My Mother and consoled My Mother so much.
And I say to you: The Father will give it to me and together we will be happy forever and I will dry your tears for all eternity in the house of My Father who is in Heaven.
Today, on the day you celebrate My Mother as Queen of your Homeland, I say to you: Return to My Mother and I will also return My Graces, Miracles and Wonders to you.
Return to My Mother and I will return My Holy Face to you. Turn your hearts to My Mother and I will turn My Sacred Heart to you.
Turn your gaze to My Mother and I will also turn My merciful gaze to you and to Brazil. Whoever turns his heart to My Mother, his gaze towards Her will return to Me and to that I will also turn My benevolent and loving Holy Face to forgive, love and save him.
Yes, when Brazil definitively returns to My Mother, to the Heart of My Mother. Then My Sacred Heart will pour over this Land that I love so much the powerful graces of My Divine Flame of Love. And this flame will act so powerfully in Brazil that it will truly transform them into a great furnace of Love.
I love you very much, I do not want your condemnation, so I say to you: Give Me your heart through My Mother and I will also give you Mine. I am and will always be a devotee of My Mother as my Maximiliano Maria Kolbe said.
And you, if you want to be My true disciples, you must also be devout and

obedient children of My Mother.
Learn from Me that more glory is given to the Eternal Father by loving and obeying My Mother, than by performing the greatest miracles and public wonders and preaching throughout the world to enchant and impress the crowds.
It is necessary to truly announce everywhere: That it is because My Mother is not loved, that I am not loved. Make My Mother loved and then souls will feel the need to love the blessed fruit of Her womb, which I am.
I love you so much and here in this Sacred Place where today I made you see the sign of the Sun once again by My power, to confirm that My Mother and I are Here. That it was We who chose you, who called you with love, who separated you from the world with love and who took everyone from this world where you would certainly lose yourselves and you would be condemned.
Here, today once again with love I bless you from Paray-Le-Monial, from Dozule and from Jacareí."

Message from the Sacred Heart of Jesus to Carlos Tadeu the father of the seer Marcos Tadeu

"Beloved son Carlos Tadeu, this Message is just for you.
My Sacred Heart loved you even before you were born. Yes, I saw you there in Ab Eterno with My Father, with the Holy Spirit. And I decreed with the Father and the Spirit to create you to be a gift from Me to My most beloved Mother. Therefore, I created you with a lot of love, I diligently took care of myself in your creation, so that later on you could truly welcome My Mother, make in your heart a beautiful palace of love for My Mother. And in your heart truly find My Mother and in My Mother to draw all the graces, all the blessings of My Sacred Heart.
I created you with great love and kindness so that in you son I could work wonders of My Grace, together with My Mother. Yes, with love I weaved each cell, each member of your body so that you could truly be a wonderful work of My Sacred Heart and the Heart of My Mother.
You cannot imagine how much I love you, in the Garden of Olives when I was dying and sweating blood, at the thought of souls who, even after My death, would not enjoy the benefits of My Passion, the fruits of My Redemption.
What consoled Me was the thought of My beloved son Marcos and the thought of you. Yes, truly in those hours when I was dying there and sweating blood, I had almost no other consolation, if not the knowledge of your future love for My Mother and Me, the knowledge of the great works of love that you would do for Her and for Me, together with our dearest Marcos.
And this thought consoled Me and My Mother, who in the Upper Room also sweated blood and was dying at the same time as I, you were, together with Our most beloved Marcos, a drop of honey in the bitter chalice that We at that moment drank and drank until the end.
So son, rejoice, rejoice and follow if
I mean precisely that: consolation for the heart of My Mother, consolation for My Heart that even today suffers and is wounded by every sin of every man.
In your life, in your prayers, in your love for My Mother and for Me I find all the delights of My Sacred Heart.

Keep on loving the son I gave you who is also Mine, who is My Mother's, We have given you the dearest, most precious treasure of Our Hearts. Love him and you will be united with Me and with My Mother, love your soul and your heart with him more and more, so that truly together your hearts beat with Mine and with the Heart of Our Mother.
And so, Our Hearts in a single harmony of Love will truly produce the outpouring of My Holy Spirit on the Second World Pentecost and also the worldwide outpouring of My Flame of Love, of My Mother's Flame of Love in all hearts producing the Triumph of Our hearts.
Go my son, continue to be the consolation of My Heart. It continues to be the consolation of My Mother's Heart, for I will transform you as I transformed My little son Marcos into the delight of Our hearts.
I now bless you especially and generously."

(Holy Mary):"Dear children of mine, today, when you celebrate Me here as the Queen of Brazil, I come again to tell you: I am the Queen of the Land of Santa Cruz, Brazil, and that is why I will triumph on this Earth, transforming it from a swamp of sin into a garden of beauty, grace, holiness, and love!
I am the Queen of the Land of Santa Cruz and that is why I will truly make My Flame of Love perform wonderful prodigies here, to lead My children to the true conversion of the heart that leads to salvation.
From here, from Jacareí, which is My second Heaven, which is My earthly garden, which is My garden of delights, My paradise of rest and My maternal refuge of love.
I am the Queen of the Land of Santa Cruz and from here in Jacareí I will make My mystical light dazzle satan, blind satan, destroy his diabolical plan of sin, evil, violence and lovelessness.
From here I will truly make the light of My Immaculate Heart reduce to nothing all the works that Satan has superbly raised and I will finally give back to My son Jesus, to the Father, Brazil and the whole world that belong to Me.
Yes 300 years ago I started the work of salvation in Brazil. And here I will end them gloriously in the word, in the work and in the person of My son Marcos, I will emanate so much light, I will emanate so much the brightness of My glory. I will radiate so much and so powerfully My Flame of Love that I will truly make hearts burn like an incandescent furnace of love for God and for Me.
And so, as the snakes flee from the heat of the fire, the demons will be expelled and will finally flee from Brazil. Because truly Here I will have souls on fire with My Flame of Love against which satan can do nothing.
I am the Queen of the Land of Santa Cruz and today I solemnly repeat to you what some time ago, on the same day today, I told you and promised you: For work, for fidelity, for obedience, for love, for the merits of the Rosaries, of the films, of My Apparitions, of all the Holy Hours and of everything that My little son Marcos has done and is doing out of love for Me. I will save Brazil, I will destroy Satan's diabolical empire Here, I will rid Brazil of all evils and dangers and I will transform Brazil into the garden of My Immaculate Heart.
This Miracle has already begun to happen this year before your eyes and I will truly continue to save the Land of Santa Cruz that belongs to Me and that one day will also be called Land of Santa Maria.

I ask everyone to continue to pray My Rosary and all the Prayers that I have given every day.
To you little children who pray My Rosary, who make My Cenacles everywhere, spreading My Messages today, I give My Blessing and Indulgence also for all the apostles of My Heart.
And to you My most beloved son Carlos Tadeu, who brought so much consolation, joy and jubilation to My Heart, today on the day of My Feast with his presence Here. To you now I also give My Blessing in copious amounts.
Do not suffer for the injustices that have been done to you, because as I said, I am not blind, I see everything, I know everything and I have already advocated your cause in Heaven. Justice will come and everyone will see, not only the beauty of your innocence, but also the greatness of your faith.
That's why son, stay in Me, stay in Love and I will always stay in you. The signs I have given you lately are to comfort you, to encourage you and to show you that I have truly fulfilled My Word.
I am alive with you, accompanying you everywhere, pouring My Graces, My rays of Light, My Graces of Love over you.
Keep taking care of and loving My treasure, Our child, Mine and yours. Because he truly is the greatest gift of My Heart to you and the full, full sign of how much I love you, how much I trust you and how much I have placed all My love, all My hope in you!
I now bless you and all My children with the Love of Fatima, Aparecida and Jacareí.

(Holy Mary): "Every day We love you more. Good night My children. Go in the Peace of the Lord."
Jacarei, October 15, 2016

(Holy Mary): “Dear children, today I invite you once again to expand your hearts more at the beginning of this Marian Year, which is totally dedicated to Me.
Now, I truly desire to accomplish great works of conversion, sanctification and perfecting for each one of you. But I can only do this if you open your hearts and truly strive to obey My Messages.
The Father grants Me special graces in this Marian Year to give you, but you can only receive them if you pray and pray a lot.
I also want to say to you: Give up once and for all your hunger for the esteem of people, for the honors and glories of this world, for the vanities you have. So that you can truly be free inside like the slave I freed in My Chapel on Morro dos Coqueiros in Aparecida.
So that, free from all slavery to the world and to yourselves, you can enjoy the true freedom of the children of God and of My children.
Keep praying the Holy Rosary every day. Use My Gray Scapular of Peace with love, for whoever wears it I will release from Purgatory on the same day he dies.
I bless you all with Love from Aparecida, from Fátima and from Jacareí.”

(St. Luzia): “Beloved brothers, I, Luzia, come once again today to tell you; Love God and the Mother of God more, not with words, but with deeds. They are already exhausted from so many who love them only with words and let them down with actions.
May your works prove your love to God and to the Mother of God. Grow also in humility, truly renouncing that which in you takes you, drags you to vanity, to honors, to the glories of this world, for you to be considered wise or special people.
May you cultivate humility which is not just putting yourself in the last place, but truly recognizing yourself as nothing. Think of the day you die, think of what your body will become after a week in the grave. And you will see that the body is nothing, and that if you My brothers, let yourselves be dominated by vanity, you will end up losing your soul.
Whoever cares too much for the beauty of the body, leaves the soul to be ugly by vanity. By that I don't mean that you shouldn't walk clean and in line. Yes they must! But vanity will make your soul little by little lose the beauty of humility, innocence, candor, modesty, the grace of God.
Take care to make the soul more beautiful than the body. Cultivate the humility that truly consists in making yourself the servant of all, the least of all.
Imitate the Mother of God who, being Queen, made herself Servant and, therefore, was exalted above all creatures in Heaven.
Imitate also the candor of the Mother of God by having heavenly feelings in your hearts and banishing worldly feelings from your hearts.
In this Marian Year, She wants to intensify Her Graces in your souls and lives, but she can only do so if you want to. Therefore, pray more, dedicate more time to her in the intimacy of prayer, expand your hearts more, say no to worldly things and to yourself. And you will see how much She will act and work in you.
Break the shackles that bind you to the world, like the slave who cried out to her to break his shackles on Morro dos Coqueiros and you will see how the Mother of God will truly free you from everything that enslaves you.
And you will begin to feel the glorious freedom that only Her true children feel who have died to the world and to their own bodies and live only for Her and for the Lord.
I bless you all with love now from Catania, Syracuse and Jacareí.
Keep praying the Holy Rosary every day, because in this Marian Year through it you will receive great graces and even unprecedented miracles.”

Jacarei, October 16, 2016

(Saint Geraldo): “My beloved brothers, I, Geraldo, am glad to come today on My Feast day to give you My Message.
I love you with all My heart. Never, never have I loved someone as much as I have loved you! I protect you from all evils, I free you from all dangers and every day I keep you more and more in the love of God and the Mother of God.
Thirst, be burning flames of love for the Mother of God, tongues of fire that truly love her with all their heart, with all their soul, with all their being and do everything to fulfill and do her will.
Be flames of love, tongues of fire, which truly burn the hearts of all for the Lord and the Mother of God, as I myself did.

Be those tongues of fire that, wherever they go and pass, enflame everyone's hearts for the Rosary of the Mother of God and do everything they can to make everyone pray the Rosary, which is the surest means of salvation.
Yes, My Rosary, My Rosary could do much more than a thousand sermons. That is why I prayed it ardently every day, I recommended it to all sinners and people who came to knock on My door in the convent. And I didn't miss the opportunity in the missions, walking through the cities and villages, I didn't miss the opportunity to talk about him to everyone as much as I could. He gave them all the Rosaries he could and made them all truly burn with love for the Holy Rosary and pray it fervently.
Do this too and you will see the miracle of conversion, of the transformation of so many hearts, especially in this year that belongs to Our Most Holy Queen, which is consecrated to Her, and which will be marked by a great and powerful presence of Her and of all the Saints who most loved Her Rosary on the face of the Earth.
Be flames, tongues burning with fire, that wherever they go they speak of the love of God, of the love of this Mother, scorching them and reducing them to docility, reducing them to passion, to falling in love with Her. And through Her, from Our Queen to the Lord, fall in love with the Lord.
And then, truly in this time of Grace you will see how a great spiritual springtime will cover the whole face of the earth. And holy souls will emerge to give God and the Mother of God the love they so desire and seek.
In Me, the Lord and the Mother of God found that deep, tender, filial, selfless Love that They look for all over the world and do not find.
If you want this Love I can give it to you. Come, therefore, to Me, give Me your heart, desire this love with all your strength, beseech Me ardently for this Love. And I will give it to you because this grace is the greatest will of the Father, it will be the fulfillment of His plan of Love and the coming of His Kingdom of Love on Earth.
You, whom I love so much and who I love more and more every day, truly, I have kept you, protected and freed you from all evil. Be grateful for this great grace that the Lord and the Mother of God has given you here, giving them your hearts and living only to give them: love, obedience, fidelity.
To you Marcos, incessant flame of Love, new catwalk of Dio, new madman of God's love, new bridegroom of the Immaculate, I now bless you abundantly. And I also bless you My dearest and most beloved Carlos Tadeu, whom I love so much, whom I have helped, guarded, protected. Whom I also have the mission to guard and deliver from all evil.
To you, dear brother whom I always have before My eyes, whose life is always before Me, whose name never leaves My lips because I pray, intercede for you and plead your cause in Heaven night and day without ceasing.
To you, who are truly a gift, a precious gift from the Mother of God to our most beloved Mark, to be his support, strength, companion, faithful friend. To be for him truly refuge, light. To be for him advice, strength and, above all, affection and love in these times of so much apostasy, of so much satan's darkness, when the righteous suffer so much from seeing the hardness of people's hearts, to the point of almost losing heart in battle.
Yes, you are all that for him, and Marcos will truly be for you, support, strength, company, friendship, love, affection. And, above all, it will be a sign for you of the great love that the Mother of God has for you.

To you, my dear brother, I bless, protect, love and say to you: Go ahead, never be discouraged, I am with you! Your cross for now is heavy as was Mine, but as I triumphed in the end, so will you.
You will never lack My grace, nor My love, nor My help. And as long as God is God I will never leave you, I will never forsake you, I will never forsake you. Call on Me in all your afflictions, in all your sufferings and I will be there with you to love, help and comfort you.
You are Mine, I also have a part in you, that is, I also protect you, I keep you and you were entrusted to Me by the Mother of God to accompany you.
So do not fear, if on Earth I was already so powerful to help those who turned to Me, thousands and thousands of times more I am in Heaven. And I say to you brother: there is no one whom I love more and want to help more than you.
In the love of My dear Marcos, you will also feel well Mine, who at all times will try to love you, help you and help you. Come, always rest in Me, lay your head on My Image and you will feel from Me much peace, much hope, serenity, joy and love.
And in the Cenacles he speaks of Me, so that souls, especially young people, fall in love with Me and through Me fall in love with the One I loved, to whom I gave my whole life, who was My sweet bride of Heaven, the Immaculate.
Because then, in love with her, they will gladly give their lives for her, and then it will be the Triumph of Her Immaculate Heart in the world. And there will at last come into the world, a time of happiness, perpetual grace, and lasting peace.
To all and especially to you My dear brothers who left everything to be all of the Immaculate like Me. To you who are the continuation of My life, you are My continuation, to you who were chosen to be all of Mary, Her chosen race, Her royal offspring.
You who were called to dwell in the Queen's Palace, to enter her royal apartments and to eat with her at her table.
To you, who were so loved, I bless you with love and to all of you, my beloved pilgrim brothers of this Sanctuary that I love so much, I bless you from Muro Lucano, from Matedomini and from Jacareí.
With each passing hour I love my most beloved Marcos and His Father Carlos Tadeu more. Next Saturday I will return here with Luzia and Our Queen, to give you a new Message.
Beloved brothers, abide in the Peace of the Lord."

(Marcos): "Thank you My Queen, can you touch them too? Thank you My Mother. Yea."

(Holy Mary): "My dear children, I have blessed these Scapulars to be placed in your homes.
The house that has them will be like the Israelites who had the blood of the lamb at the door, where the scourge of God did not enter.
With this Scapular you will be protected by Me in times of punishment and demons will not be able to enter your homes to harm you.
All sorts of graces will descend on the houses and places where these scapulars are."

(Marcos): “See you soon Mommy, see you soon Geraldo mine.”

Jacarei, October 22, 2016

(St. Luzia): “Dear brothers, I, Luzia, rejoice today to come to you again to say: In this year of the Mother of God, increase in your hearts the true love for Her. Let Her flame of love enter your hearts and grow, grow into fullness. This will be easy for those who have decided for Her, but it will be very hard for those who are still torn between Her, between their own will and worldly things.
Oh! Ah, if only souls would take a step, a chance to the Mother of God and get away from worldly things a little! They would feel this flame of love and its powerful effects that bring peace, fullness of joy, of love to the heart that nothing, nothing on Earth can give.
Not even the science of this Earth, not even power, not even money, not even carnal pleasures can give the fullness of life, joy, peace and happiness that the Flame of Love of Our Most Holy Queen can give to the heart that possesses it.
See as an example all the Saints and also our most beloved Marcos. How much light comes out of his mouth when he speaks, when he prays, when he announces the truths that the Mother of God has commanded him to say, when he talks about this flame of love, when he talks about true love for her. When he speaks of this burning and passionate love he has for Her, We the Saints of Heaven all descend to hear him. It is Our delight, It is Our pleasure, all that he says and increases Our accidental enjoyment in Heaven, because truly when a soul rises, all Paradise rejoices.
Oh! How good it would be if all the souls in the world wanted to feel this love, wanted to possess this Flame of Love in their hearts and live only for that love, the earth would be a Heaven. But like men are full of themselves, full of worldly things, full of the love of earthly things, like men are far from that love, far from that true joy.
At least you here pray, pray and pray that your hearts feel the desire to love this Love, to possess this Love and to live this beautiful Love towards God and towards Our Most Holy Queen Mary Immaculate.
Keep praying the Rosary every day with your heart, because it will make you truly love the Mother of God. Keep on seeking holiness more and more each day and don't look back for a single moment.
Open your hearts without limit to this love of the Mother of God, who in this year of Her will tirelessly seek souls of true love throughout the world.
And if she finds such souls in you, souls of pure and true love, she will truly do wonders. Hasten your conversion, because time is running out, the great hurricane that has devastated a nation in these last few weeks is yet another warning for you that the hour of Justice is coming, convert without delay.
I bless you all with Love from Syracuse, from Catania and from Jacareí.”

(Saint Gerald): “My beloved brothers, I, Geraldo, am also glad to come with you today to give My Message.

Every Saturday I will come with Luzia to give you My Message that used to be given on Tuesdays. And in My place you will come on Tuesdays, Irene, to continue your spiritual formation, your formation in holiness.
Love the Mother of God, give her your heart so that she can truly carry out from your hearts her Plan of Love at last. Give her your heart and love the Mother of Love, this Mother who brought to the world the true and beautiful love that is Jesus Christ. This Mother who here seeks love from her children, seeks love from your hearts.
Love the Mother of Love and give this Mother your 'yes', your heart so that she truly removes from your heart everything that is not God. In other words, everything that does not lead you, does not unite you to God, rather, separates you from Him, so that your heart may be only and entirely His.
Imitate Me in My humility, never want the best positions, the best places, the best positions, never want the best tasks, the best services. On the contrary, that you My brothers always desire the hardest, hardest, most difficult jobs, those jobs that no one sees, only God and the Mother of God.
In order for your work to be truly rewarded by God in Heaven, he who plays the trumpet of the things he does has already received his reward, the applause of the creatures and will have nothing more to gain from God.
Therefore, be like me, love the hidden life of love, that is, that life that proves love for God in the simplest, most humble actions, in the most arduous works that no one sees. And never seek, even in the spiritual life, to be great according to the world's concept. But try to be great yes, in love, in humility, in smallness.
And of course if one day God lifts you up and puts you in evidence before the world for the extraordinary graces he gives you, prepare yourselves for martyrdom and accept it with joy for the greater glory of God. In every time and place I want you to say as I always said, 'I want what God wants and I don't want what God doesn't want.
That's the epitome of holiness, doing God's will always, never your own will, where God wants, as God wants. In the most humble and hidden works or in a work in evidence before the world, suffering the martyrdom of judgment, criticism, misunderstanding and persecution of the world. It doesn't matter, in either of the two always say: 'I want what God wants and I don't want what God doesn't want.'
Continue to pray the Rosary of the Mother of God every day so that truly in this year that is all Hers, we can continue your sanctification.
Hasten your conversion, the three days of darkness are approaching and then whoever wept will laugh and whoever laughs will cry,
I bless you all with love from Muro Lucano, from Materdomini and from Jacareí."

(Holy Mary) : "Dear children, as I said last week, wherever one of these scapulars that I, My daughter Luzia and My son Geraldo are touching, there it will be like the blood of the Lamb on the door of the houses of the Israelites. in Egypt.
Yes, wherever one of these Scapulars is, My Maternal sign and that of the Saints will be there, protecting that house from all evils. And, above all, during

the three days of darkness, the demons will not be able to enter these houses to harm My children.
Today I bless you all with Love from Lourdes, from Fátima and from Jacareí."

Jacarei, October 23, 2016

(Our Lady): "Dear children, today I invite all of you once again to increase your love for My Rosary. May the Rosary My children always be in your hands. If people went back to praying the Rosary as they used to, how many saints, how many new saints would come out of families, how many souls burning with love with the fire of the Holy Spirit would not exist, scorching the entire face of the Earth with love for the Lord, for Me.
Transforming the whole world into the true Kingdom of God's Love on Earth. When you all return to My Rosary then peace, peace will return to you humanity, wars will cease and families will be holy families that will produce many saints like the family of My servant Antônio de Santana Galvão.
Look at Him, at how much He loved Me, look at His examples of prayer, of penance, of a life completely consecrated and given to God.
Yes, he loved Me with a more ardent, purer, more filial love and because of that I distinguished him not only with temporal graces, but above all with many gifts and spiritual graces, making him truly one of My greatest apostles and children who I had on Earth and that I have loving God and loving Me also in Heaven.
Likewise, imitate the example of My servant and most beloved son Judas Tadeu, who loved My Son Jesus and Me so much and even gave His life for Us and shed His blood dying for the truth, dying to witness His love for Us.
Imitate the example of these two children of Mine, following them through their lives of obedience to God, faithfulness to grace, of His pure and ardent love, of His virtues that are so great and eminent.
Then, truly your life will be a true rose garden, where the mystical roses of prayer, love, sacrifice and penance will sprout, grow and give their sweet and heavenly perfume to banish from the face of the earth the nauseating stench of sin and Satan's dominance.
Put the Rosary and prayer first in your lives My children, and then God will begin to do great things in you. Try it and you will see that I am right and that what I tell you is right, wherever My Rosary is prayed there I will be alive performing the greatest wonders and graces of God. And truly making souls, burning with My Flame of Love and filled with the Holy Spirit of God, truly grow in holiness.
Here, in Jacareí, in this Sacred Place of My Apparitions where My Rosary is so loved and prayed, where it has already been recorded more than 330 times by My little son Marcos, along with My Messages. Here, truly, I am loved, consoled by this My son who loves My Rosary so much, who made My Rosary his treasure, his best friend, his greatest asset.
And that is why, in the life of My little son Marcos, I perform so many prodigies and wonders as never before. And much more I will do, I am only at the beginning of My great work, much more I still have to do in him and for him.
And that is why I say: Blessed are the souls who lovingly welcome the Meditated Rosary of My son Marcos, who help it to spread it, to make it better known, prayed for and loved by all. Because in the lives of these My children I

will also perform great wonders that will culminate in the Triumph of My Immaculate Heart.
Mark, My incessant flame of love, My apostle of the Rosary, angel of My Rosary. To you, to you who love so much, who spread My Rosary so much to all My children, making it be prayed by millions of people throughout these years all over the world.
I now bless with all the Love of My Immaculate Heart and also all these My children who love My Rosary, who love Me and obey My Messages from Lourdes, from Fatima and from Jacareí."

(St. Antônio de Santana Galvão): "My beloved brothers, I, Antônio de Santana Galvão, am glad to come again today with My Most Holy Queen to bless you and give you this Message.

The last time I came was on the birthday of our dearest Marcos, as a birthday present for him, who loves Me so much and wanted to see Me.

Today, I return to him, to this most beloved brother of Mine and also to you, to say: Love the Mother of Love, who is the Mother of God. Let yourself be loved by Her and love Her with all your heart as I have. For that was the great secret of My holiness. It was My true devotion to Mary, which led Me to consecrate myself to Her as Her slave of Love, which made Me truly climb in a short time the great mountain of perfection and holiness and become a saint in a short time.

If you want to become saints quickly too, live this true devotion not only with your mouth, with your words, but with your deeds, day by day and hourly. Behave as true slaves of Her, living true servitude to Her, obeying her in everything, renouncing your will, vanities, worldly things.

And cultivating in your soul and in your heart the interior life of the soul, that is, the life of union with God, so that his sanctifying grace may live in your souls and may lead you to complete holiness. may lead you to attain complete holiness. To have this true inner life of the soul, you must pray a lot with your heart, you must do at least 20 minutes of meditation, of spiritual reading a day.

For the soul that does not meditate, that does not do spiritual reading, does not know itself, does not know God, does not know Our Holy Queen Mary, does not know what is wrong with itself. They don't know what to change and because of that they don't convert, they don't improve, they don't progress in the journey towards Heaven, in the growth of holiness.

Therefore, they must often do meditation, they must also do a little mortification every day of something they like, in dressing, eating, listening, seeing, speaking.

They must also try to fight a defect every day, be it laziness, pride, gluttony, vanity or any other sin, exercising the virtue contrary to the defect that they want to eliminate.

As our beloved Marcos said, in a well-closed house, no wind enters. In a soul well closed by prayer, by meditation, by cultivating the interior life, temptations and evil thoughts do not enter. Therefore, cultivate the inner life and the evil thoughts of worldly temptations will begin to weaken in you.

The love for God, for Our Most Holy Queen, the divine love, the flame of love will begin to grow stronger in your hearts and then it will be easy for you to overcome every temptation and every carnal illusion.

I, Antônio de Santana Galvão, am close to you, I really want and can help you. Therefore, come to Me always, praying to Me, making novenas to Me and I promise that I will truly answer all your requests that are holy, just and that are in accordance with the will of the Lord.

I also promise to intervene powerfully in your lives to help you grow in holiness. Therefore, My brothers, come to Me and live true devotion to the Most Holy Mary, who is the Secret of holiness in recent times.

It is like a great furnace into which hard, hard metals are thrown and there they are all melted and then remelted until they form a beautiful piece, a beautiful trophy for the Lord.

In the same way, whoever wants to be a saint, throw himself into the furnace of Her Immaculate Heart for true devotion to Her. There the soul will be merged with Her Heart and will take the very shape of Her Most Holy heart, thus becoming perfect in the eyes of the Lord, pleasing in the eyes of the Lord.

I bless you all with love now from Guaratinguetá, from Meu Mosteiro da Luz and from Jacareí.
Peace Marcos, peace most beloved and dearest brother of Mine, I love you with all My heart and I always keep you under My Mantle, always under the eyes of love that I always have on you."

(Saint Judas Thaddeus): "My beloved brothers, I, Judas Thaddeus, apostle of the Lord, servant and son of the Most Holy Mary, am glad to come to you here today, who are already celebrating My Feast.
I come today to say: Give your hearts to Love, to the Love that is Jesus, to the Mother of Love that is Mary Most Holy. Give your hearts to the Love that loved you before you loved Him, that chose you before you chose Him, that chose you before you could choose Him.
This love has rescued many of you from the path of sin and perdition, it has preserved others from entering through it, calling them thus. Say 'yes', therefore, to this Love, be grateful to this Love, giving this Love your life, your heart, your time, your strength, so that then, in you and through you, He can accomplish great things for the salvation of the whole world.
Give your hearts to Love and love Love, the Love that is Jesus, who gave His life for all of you. You have not loved this Love and therefore this Love is filled with more and more sadness every day for the ingratitude of your hearts.

Convert and turn your hearts to this Love before it is too late, convert because the time for conversion given to you is running out and soon a great Punishment will come.
Yes, the three days of darkness will come, but those who love the Mother of God, who pray Her Rosary with their hearts, who obey Her Messages, those who love Me and who also turn to Me will be protected by Us in those days and no harm will come to them, none.
Love Love and give your hearts to Him, to Jesus, and to His Mother so that their Flame of Love may truly descend upon all of you and perform in you all His great wonders.

Marcos My incessant flame of love, incessant flame of God's love. Yes, you have loved Me with a very great, very intense love, you have worked hard to make true devotion to Me grow and truly establish itself in all hearts, in all souls.

Therefore, you are also My incessant flame of love, to you who have loved Me so much and have worked to make Me known and loved. To your spiritual father Carlos Tadeu, my dearest brother whom I love, I truly want to give you great thanks in this year of the Mother of God.

Therefore, open your hearts to Me without limits, turn to Me with confidence and whatever you ask of Me that is in accordance with the will of God, according to His will I will surely give you. Above all, Marcos, I promise to answer your prayers promptly, because I love you very much and I take great care of you and your spiritual father, with whom I am always at all times and in all places.

I hear his prayers, I also hear his groans, his tears. And I promise, I promise to intervene powerfully in his life, to perform great wonders of the Heart of the Mother of Mine and raise him together with you to a great holiness.

Therefore, my beloved brother, pray, pray a lot because I have great things to give you, to do in your lives and I have great plans to accomplish in you.

Yes, beloved brother Carlos Tadeu, I love you with all My heart, as I have told you in My Messages on the 28th of each month, I love you with all My strength, I protect you.

You, like My most beloved Mark, are a miracle of Mine, who walks, lives and speaks. And together with Antônio Galvão and the other Saints who have already said here how much they love you and how much they defend and guard you, I will also continue to defend you, guard you and perform My wonders in you and in your life, do not be afraid to nothing because I am with you.
And if I am for you, who can be against you? Therefore, continue confidently on your way, living each day, leaving all your worries for tomorrow in My hands. I will think about them and resolve those concerns even better than you.

Don't fear anything, don't think about what you should do, what you should say, put everything in My hands, ask for My inspiration and I will give it to you. Don't be afraid of anything, anything that may seem bigger than you and that can prostrate you.
Because I will always be by your side to give you strength and with Me by your side you have already won, because I enjoy great favor with Jesus and Mary, My merits are very great and every day I offer these merits in your favor and in favor of My beloved Mark, to grant you all the graces you ask of Me.
I will unite the two of you even more and with bonds of the flame of love even stronger and more intense. So open your heart, let yourself be formed, guided, led by Me and you will see what great things I have in store for you.
Yes, truly I am Judas Tadeu, apostle of the Lord and My mission Here, in this place, is to enflame you more and more with the true flame of love for the Lord and the Mother of God.
Come brothers, pray My Rosary always asking Me for this grace in the Mysteries and I promise to give you this blazing flame of love that will make you become true furnaces of love.
I bless everyone now with love from Nazareth, from Jerusalem and from Jacareí."

(Holy Mary): "Dear children, as I have already said: Wherever these Scapulars arrive, there I will be alive taking My Graces and My Protection

These Scapulars will be like the blood of the Lamb at the door of the Israelites in Egypt. Wherever these Scapulars are, the Punishments of God's wrath, as well as the demons in the three days of darkness, cannot enter and cannot harm the house that has them.

The Santos Anjos and also My children Antônio Galvão and Judas Tadeu will protect those who have them."

Jacarei, October 28, 2016

(Saint Judas Tadeu) "- Mark, write this Message to My beloved brother Carlos Tadeu:

My most beloved brother, Carlos Tadeu, today, on My feast day, I come once again to tell you: I love you with eternal love and I will never leave you alone!

I love you with eternal love since I met you on the day of Pentecost in that mystical light that the Holy Spirit shed on Me and revealed to me your existence, your future fidelity to the Lord and to Our Immaculate Queen, the obedience you would have them. Since then, I have never stopped protecting, guarding, loving and praying for you. I offered without ceasing My pains, sufferings, prayers, fatigue in the mission to preach the Gospel everywhere for you, and at the moment of My martyrdom at 4 pm I offered all the terrible pain that I suffered for you.

I love you with eternal love and as soon as I ascended to Heaven the first thing I did after adoring the Most Holy Trinity and paying homage to My Most Holy

Queen was to offer My merits for you and beg for you and My most beloved Marcos salutary graces for when you were sent to Earth so that you would have all the graces to fulfill the mission that I knew you would have in recent times and that would be arduous but that you would perfectly fulfill, saving many souls and taking them all to the Mother of God and to the Lord.

I love you with undying love and at the time of your birth I was there to help your mother in childbirth. I helped you to be born and with what joy I received you spiritually in My arms! All your life, I have been silent by your side, accompanying you, guarding you, protecting you from evil and keeping away from you many snares of Satan into which you would have fallen if I had not protected you. In Heaven I will show you all this and then you will see how I helped you and how much I loved you and if you could still die a second time you would surely die of love and joy!

I love you with eternal love, and therefore I give you My Messages through My beloved Marcos who is My Delight and My love on earth. These Messages are the final proof of how much I love you because what I have given you I will not give to anyone else on this Earth. For all that, praise the Lord and Our Immaculate Queen who give you much more than they gave to many generations together and to many saints who fasted on bread and water in deserts and caves all their lives and didn't earn as much as you! I have had many devotees all over the earth, but to none of them have I done or said what I have done and said to you, My diamond, so rejoice your heart and rejoice because to no one except My beloved Mark, I have given so much My love as to you!

I love you with eternal love and even while you sleep I stand before the throne of the Lord offering My merits and My martyrdom to obtain new graces for you so that the plan of salvation of the Mother of God truly takes place in you and through you in the lives of so many souls who will be saved through you. Now you have suffered some blows that the enemy has given you, but don't ever get discouraged because this is the sign that you are on the right path that leads to Heaven because if he didn't attack you it would be the clear sign that you would be going anyway direction he to hell. So go ahead and don't be afraid of anything because I protect you and I will never leave you alone.

Today, at My feast, I pour out on you the 20 special blessings that the Lord and Our Most Holy Queen gave me to pour out on you.
Keep praying the Most Holy Rosary and My Rosary always, because with them you will be invincible in faith and nothing will be able to defeat you.
Always come to rest in Me, that is, always come before My image so that I can give you My peace, My light and the affection that only I can give you. In My gaze you will feel My peace, My love and you will find the strength and the breath to always go forward.
Keep on loving My most beloved Mark paternally, as I asked you to be “one” in the Flame of Love of the Lord, just as the Father and the Son are One in the Holy Spirit and as everyone who is united to the Lord Jesus through love is 'one ' with Him and the Father too.

Today, I bless you with all My love from Cana, from Jerusalem and from Jacareí."

Jacarei, October 29, 2016

(Our Lady): "Dear children, today I invite you again to heed the Messages that I have given you Here, as they are the last for humanity and many are still sleeping in the heavy sleep of sin.
Pray, pray for all those who are in this mortal sleep, because soon they will be awakened by the thunders of Divine Justice in the Great Punishment that will fall on this world.
Yes, in the three days of darkness the demons will come and seize those who wanted to be deaf to My Voice. Truly, I cried, I cried in the four corners of the Earth, calling My children to conversion, but My voice fell in an immense desert.
With each passing day, humanity ends up sinking deeper into the quagmire of sin, indifference, and hardness of heart.
Therefore, My children, now that we are close to the hour of Divine Justice, renew your hearts in prayer, in meditation, in obedience to My Messages, so that My Son Jesus can approve you when he begins the great examination of all humanity.
He will examine humanity with a gauge of fire and woe to those who are not approved! Therefore My children, convert, sanctify yourselves without delay, because only then will I be able to take you to those beautiful dwellings that the Father has prepared for those who are faithful to Him and who live in holiness in His presence.
Spread more of My Messages from Heroldsbach, from Heede, from Ezquioga and La Codosera, so that more souls are converted and My Immaculate Heart can obtain more conversions with the increase of everyone's prayers.
Keep praying My Rosary every day.
I bless you all with love from Lourdes, from Heroldsbach and from Jacareí."

(Santa Luzia): "My beloved brothers, I, Luzia, come again today to say to you: Go up, go up in love, praying more and more with your heart, meditating more and more on the Messages of the Mother of God, on the word of God. And, above all, opening their hearts to the Holy Spirit, who in these times is looking for open, docile and well-prepared souls for Him, to pour out on them like water, like abundant rain, until hearts overflow with His Graces.
Yes, He looks for souls of intense prayer, of intense love, but He doesn't find them. If He finds these souls in you, He will enter and do true wonders in your souls and hearts.
Pray without ceasing that you may truly rise higher and higher in the degrees of true love, until the Holy Spirit can come to live and act in you until he leads you to full holiness.
Keep meditating on all that I have told you in all My Messages. There are many who do not meditate on My Messages, that is why they are always poor, lukewarm, cold and attached to the things of the world.
When you understand the beauty of all that I have already told you, then truly your eyes will be illuminated by a wonderful light, new horizons of holiness will

open before you. And you will feel in love with the Lord and His Mother for seeing how great and how beautiful is the wonderful life of holiness that They prepare and that They have destined for you.
I bless you all with Love from Catania, Syracuse and Jacareí."

(Saint Gerald): "My beloved brothers, I, Geraldo, am glad to come once again from Heaven today to bless you and say to all of you: Strive your hearts to grow in true love. Say 'no' every day to your will and do the opposite of what your will wants.
In this way you will continually grow in the mortification of the 'I', of your own will, and you will become more and more docile, more and more open to the will of God and the Mother of God.
Every day also make a vow to seek to fulfill, to exercise a virtue. In this way your hearts will feel encouraged and emulated to seek more and more good, perfection, holiness.
Read the Imitation of Christ book every day, because I read it every day of My life and he was My great teacher of love and holiness. Pray the Rosary every day, because the Rosary that I prayed had much more power than all the recommendations, all the advice, all the missions in which I participated and in which I spoke, exhorting sinners to convert.
Yes, truly the sinners whom I did not convert during the day in My exhortations, at night when I prayed the Rosary for them I converted them and the next day they came to seek reconciliation with God and conversion.
Nothing is more powerful for saving souls than the Rosary, and above all, nothing is more important for saving your own souls than the Holy Rosary. There is no sin, there is no evil that the Holy Rosary cannot overcome. That's why I say: The sinner who perseveres in praying the Holy Rosary will certainly be saved, just as the soul who despises and leaves the Rosary will certainly be damned. Pray the Holy Rosary every day and I also promise to give you with Our Most Holy Queen all the graces necessary for your salvation.
I love each of you and I care for each of you with love. I take special care of My beloved brother Carlos Tadeu whom I love so much and with whom I want to be a great, intimate and profound friend.
Yes, My dearest brother, I love you, I love you with all the strength of My Heart and together with My fellow Saints in Heaven I will always protect you, I will guard you, I will bless you, I will deliver you from all evil and I will lead you in the same way. sure and safe road that took Me to Heaven.
Don't be afraid of anything because I'm with you. I, who in My earthly life have already defeated the devil, will defeat him more and more in your life and in the lives of all those who approach you and truly love you with their heart.
Yes, you are the charm of the Mother of God, how she loves you! Yes, your prayers enchant her, she lives in love with you and that is why she never tires of favoring you, of blessing you, of enriching you with her graces.
And I too am in love with you, every day more and more, I will bless you, favor you and enrich you with the graces that I can reach from the Holy Trinity for you with My merits that are great, great, great.
Beloved and dearest My brother, I love you, I love you with all My heart, as I also love My most beloved Marcos who is My delight. Yes, the two together be

one Flame of Love with Me and with the Mother of God and so, in this flame We will ignite many hearts that are hardened in sin. And in this way Satan's empire will finally be destroyed and overthrown.
I now bless you all with Love from Muro Lucano, from Materdomini and from Jacareí.

(Mark): "Yes. My dear Geraldo, can you bless this image of yours that I want to give as a gift to my beloved father Carlos Tadeu?
Dear Little Mother, can the Lady bless these scapulars for your children?
Thank you, very kind."

Jacarei, October 30, 2016

(Mark): "Yes. I will also take up this again this week Mommy. I promise to give my all to do it, I just hope my leg doesn't get in my way, because today it was hurting all day and I couldn't even pray standing up. And I'm afraid that during this week because of her I won't be able to do everything, but with your grace I'm sure I will and I'll try my best to do too.
As far as I'm concerned, I'll stay with her like this until the end of the world, if the lady wants it, the only thing I fear is that she'll get in the way of my service for the lady. I have so much to do and if I can't walk straight, how am I going to do it? Yup.
Do you want me to put this in the Fatima film? Oh yes. And La Salette too? Yup. And is Akita to be placed in Fátima or El Escorial? Escorial, yes. So are those manifestations of Jesus Crucified true? I always felt in my heart that they were.
I do too, yes. I understand Mom. I will. Teresa Musco again. Elena AielLo, yes. I will put it in His Holy Hour. capisco!

(Holy Mary): "Dear children, today I call all of you to advance more degrees in true love for God.
After becoming more united with God through the interior life of the soul, the cultivation of spirituality, prayer and meditation, you must grow in the degrees of this true love, renouncing everything in your heart that still prevents your perfect union with God. .
Renounce everything, whether in your personal life or in your relationships with people in this time so mundane and so fallen into sin. And even to your spiritual attachments so that you can grow in true love.
I know you've heard this from Me many, many times, but until today you haven't really put it into practice, so I have to keep repeating the same things and it tires Me.
Finally, put into practice what I tell you and even in meditation it is necessary, after a certain time, to walk in it, to renounce even your own personal intentions and even your own personal imaginations that sometimes come to your heart in prayer, so that the your soul is completely pacified, completely docile to the action of God within you.
Indeed, you must be like a blank sheet of paper where God can print whatever He wants, where He can engrave whatever He wants or write whatever He wants. So it must be your soul at the moment of deep prayer with the heart.

That is why, at the time of prayer, it is necessary to renounce even the impulses of imagination, which always come to place human things in the middle of prayer. Those who truly walk in the spiritual life will understand My Words.
Those who do not understand, pray, pray and pray until you can understand, until you advance in meditation and understand what I say to you.
It is also necessary that you do at least once a week the spiritual cleansing of your souls. That is, that you take the time to make a good examination of conscience, to see what you are failing in and to undertake the struggle with new vigor to overcome your defects in yourself.
This will make you go a long way and you will truly seek throughout the day a reserved corner with no one, to be there alone with Me and with God, where I will truly visit your hearts, and make your hearts experience the sweet peace that only those who live united with Me in the deep prayer of the heart have.
I also want you to meditate more on the Messages I gave in Heede, because the warnings that My Son Jesus and I gave to the world at that time were not heard, not believed. And because of that, the world is moving more and more towards its complete destruction.
It is necessary to make Heede known to My children, so that they truly hurry to respond to the Messages of My Immaculate Heart and thus avoid as much as possible the great Punishments that Divine Justice prepares to punish the world for its crimes.
Pray and keep spreading My Apparition in La Salette, the more people who know La Salette the more souls will come out of the blindness of sin, the spiritual blindness that prevents them from seeing the terrible state of the world, the Church and society in general.
Only when La Salette is deeply known and obeyed will the kingdom of Satan truly be overthrown in this world and My Heart will triumph!
Keep praying My Rosary every day, because through them I will lead you higher and higher in the spiritual life, in the life of union with God and in the holiness that God expects of you and that I came to produce here in all of you.

Message from Our Lady to her favorite son Carlos Tadeu:

"Dear son Carlos Tadeu, My most beloved son, I love you with all My Heart, do not fear anything, as I have told you so many times, do not be afraid! you, I take care of your life and your problems, not a single 'woe' leaves your heart and escapes My attentive gaze. Therefore, My child, always surrender to Me all your needs and let Me act in you and for middle of you
Follow your deep life of prayer, because through it I will give you many great graces. As My servant Judas Tadeu already told you, you are attacked by the enemy because you are going in the opposite direction to him. If he didn't attack you, it would be a sign that you were heading in the same direction as him, that is, towards damnation.
Therefore, son, rejoice because you are opposing satan, and because you are opposed precisely because of this he hates you and attacks you. But I and My Saints are always with you with Eliel and nothing, not a hair of your head will fall without my seeing it.

You are here right inside My Immaculate Heart, you are here right in the center of that Heart that beats deeply with love for you, you are here engraved in My arms, you are here engraved with fire in My Heart and in My thought.
Therefore, you must not fear anything, the serpent will still writhe furiously for a while, it will still try to strike you with its tail. But fear not, I am with you and I will always crush her head and in the end you will win with Me.
He continues to be My comforter on Earth, he continues to increase the drops of honey in the bitter chalice that My Son and I still have to drink today, seeing that with each passing hour more and more children move away from Our Hearts and are lost, more and more more souls abandon prayer and turn away from God altogether.
It continues to increase the drops of honey in this bitter cup and give us consolation, joy and relief. Yes, son these days My son Jesus intended to punish a certain part of the Earth. but because of your faithfulness and love for Me, because of the faithfulness and love of My little son Mark, He gave up the punishment and decided to give them more time to convert.
see? Your holiness drives away Punishment and attracts Mercy and that is what you must always continue to do. Love Me, love Me only, because it is love that saves the world, it was love that saved the world on a cross and it is still today the love offered to God and to Me with joy that saves many, many souls.
See how My child loves you? See how well he loves you? Do you see your worth before God? See how much I love you too? Well, go forward My son, fear nothing, I am with you, persevere in praying the Rosary and the rosaries that I asked you, because with them you will be invincible in faith and love and not all hell will be able to defeat you.
To you and to My beloved son Marcos, who with these wonderful films of My Apparitions took so many swords of pain from My Heart, saved so many souls, converted so many My children and made them so passionate about Me by making them pray My Rosary.
I now bless this most blessed, most beloved son of Mine and all My obedient children of Lourdes, La Salette and Jacareí."
Jacarei, November 01, 2016

(Saint Irene): "Beloved brothers, I, Irene, rejoice today to come on the Feast of All Saints to bless you and say: Be holy!
Be holy as your Father in Heaven is holy. Be pure, moving away from everything that stains the purity and innocence of your soul.
Be humble and meek so that you can truly possess the Kingdom of Heaven, possess the land that God prepares for you, which will come with the Triumph of the Immaculate Heart of Mary.
Be good as the Heavenly Father is good, doing good works, holy works, that truly show the virtue of goodness in you, so that you may be truly children of God.
Blessed are those who are pure and who turn away from all worldly things that tarnish the purity of soul and heart.
Blessed are those who are truly meek, who seek peace and seek to plant peace, spreading the Messages of the Mother of God, because they will not only possess Heaven, but also Earth.

Blessed are those who are persecuted for the sake of the Truth, the Lord, the Mother of God, His Words, His Messages. For great will be your reward in the Kingdom of Heaven, as great was Mine, that I was persecuted for Christ's sake, that I was martyred for Christ's sake. And by not denying My faith, I inherited a great crown of glory in Heaven.
Today, on All Saints' Day, I invite you to be blessed, to be saints. Living a holy life apart from all worldly things, which separate you from God, from the Mother of God, which weaken your prayer life, which weaken the life of interior grace, of sanctifying grace in your hearts.
Persevere in praying the Holy Rosary, continue on the path of prayer and holiness, do not look at this world that has its days numbered. Always look to the Woman clothed with the Sun, the Mother of God, pray the Rosary, live her Messages and then you will truly inherit the Kingdom of Heaven.
Look at the life of the Saints, meditate on the life of the Saints, because in the life of the Saints, in Our life, are contained for you the great graces and lights that you need to reach the Kingdom of Heaven.
From here, from this blessed and sacred Place that I love with all My Heart, I bless you all now with Love."

(Marcos): "Dear Saint Irene, I ask you today, can you be kind enough to bless and especially touch this rosary that my father Carlos Tadeu asked me to present to you?
See you soon."

Jacarei, November 5, 2016

(Holy Mary): "My children, today, I come to call you to grow, to grow more and more in holiness, so that you can occupy one of those beautiful dwellings that My Son Jesus prepares for those who sanctify themselves, who love Him in the Sky.
Get ready because time is running out and soon My Son Jesus will return to you on the clouds of Heaven in glory. Suddenly, when men look at My Son, Jesus will return and put an end to the course of sins that each one has carried in this world.
I have appeared in many places in the world, but they are empty and nobody cares about anything. That's why My Son Jesus will come and apply terrible Justice, because humanity has been warned by Me thousands of times to convert, to turn to God and not want to obey.
Yes, the hour of Justice will sound and then it will be Me who will laugh and no longer the sinners, who now laugh at My Messages. If you My children do not want to cry at the time of the lash of divine justice, convert, change your life now that it is time for mercy.
I have given thousands and thousands of Messages here, but nobody reads them, nobody listens to them, nobody meditates on them, they were words dropped in an immense desert. At least you, the children who still have a little light in their hearts and souls, meditate on My Messages, because in the time of the Punishments you will want to hear My Messages, but no, you will no longer be able to.

Therefore, engrave My Messages in your hearts now, so that truly in that time of the Punishments you can know what you must do. And so, always have the light to illuminate your souls and your hearts.
Spread My Message from Bonate more, there were few who obeyed the Message I gave months ago and who made an effort to spread this My Appearance to the world. Make more publicity about the film of My appearances in Bonate and make everyone obey what I asked through My little daughter Adelaide.
Continue to pray My Rosary every day, because there is no prayer better or more powerful than that of My Rosary which has the Angelic greeting, which was the beginning of the salvation of the world.
I bless you all with love from Bonate, from Montichiari and from Jacareí."

(St. Luzia of Syracuse): "My beloved brothers, I, Luzia, come again from heaven today to ask you: Grow in holiness, be truly flames of love kindled by God and the Mother of God, praying more and more.
When I say praying always more, it is not only an increase in prayers, but also an increase in the desire of your hearts, of the thirst for God in your hearts. And also, the increase in the intensity of the love with which you pray.
In order to pray more and more intensely, first of all, it is necessary, little by little, to give more space to prayer in your lives. It is also necessary to disconnect from everything that gets in the way of prayer, from everything that diverts your focus from your prayer, your thoughts during prayer.
It is also necessary every day to renounce some pleasure, so that your souls are not heavy and trapped, enslaved to the things and pleasures of the world when you go to pray. In this way, your souls will rise more easily and more quickly in contemplation, in union with God and with Our Most Holy Queen. Finally, it is also necessary in prayer to resolve to pray better the next day, to pray more.
And above all, get away from worldly things that can weaken your souls in prayer, make your souls slaves to the devil, sin and pleasures. So that your prayers may be more intense, more heated and stronger every day.
For those who are trapped in some sin that cannot be freed I recommend the Rosary, because the Rosary is the most powerful of all prayers and will save even the soul that is blackened by the greatest sin in the world.
Pray the Rosary, try it and you will see how in the end the triumph will be of the Mother of God in your souls and in your lives.
I bless you all with love from Syracuse, from Catania and from Jacareí."

Beloved brother Carlos Tadeu, I, Luzia, bless you today with love and say to you: Come closer to Me, throw yourself into My arms more each day and you will see how I will also take care of you with love, with affection and I will not allow anyone barely get close to you.
Every day I offer My merits before the Lord and the Mother of God for you and I have always obtained graces and favors for you. Do not be afraid of anything, because I am by your side, the infernal serpent hates you and therefore causes you many, many sufferings, tribulations.
But I am by your side, I cover you with My mantle and I will always protect you, I will never leave you alone and I will crush this serpent's head soon, so that

you can truly run fast, advance swiftly on the path of holiness with nothing to hold you back. embarrass your feet.
Trust Me, in the right time of the Lord, in the hour of grace you will be surprised with many graces, blessings and even miracles from My hands. I have continually offered the merits of My life and my martyrdom for you, and I am preparing for you soon a new and resounding grace.
I bless you with love now and I give you My Peace."

(Saint Geraldo): "My beloved brothers, I, Geraldo, come again from Heaven to say to you: Be jasmines of love for the Mother of God. Give her every day the sweet scent of your love and of your prayers made ever more with love. Imitate Me, always seeking a reserved place, there in silence and in sweet intimacy with Her, to grow more and more in union with Her through deep and intense prayer.
Renounce all thoughts and all things that during prayer want to divert the focus of your prayer and your attention from Her. Meditate on her Messages with love and, above all, try to renounce every day something that separates you from Her, anything worldly that wants to distance you or take you away from Her.
Be jasmines of love for her, praying your Rosary more and more with love, imitate Me in the burning love of the Rosary, Rosary that I prayed with love every day.
Ah, My Rosary! He was the fuel and nourishment of my flame of love for God and the Mother of God every day.
My Rosary was, has always been My Heaven on earth, It was my strength, it was My refuge and My protection in all the temptations that were not lacking in My life.
How many and how many times did hell want to make Me discouraged, either because of the difficulties it put in My way, or also because of the temptations it always presented to Me to make Me leave the service of God, of the Mother of God and return to the world.
I conquered everything with My Rosary, I conquered My 'I' I conquered the flesh, I conquered the devil and the world with the prayer of My Rosary, which could do much more than any other mortification or penance that I did in My life.
Yes, when I prayed the Rosary I felt that My strength increased a hundredfold within Me, that the Flame of Love of the Mother of God within Me grew enormously. And then, everything became easy for Me, the other prayers, the duties of the Rule of My Religious Order, also the penances, the sacrifices, the charity. In short, everything that I had to do, no matter how hard it was, made Me sweet and soft, easy because the Rosary gave Me strength and the power to do everything with love.
If you too want to win in life, that is, to win the world, the devil, the flesh. And if you truly want to be Saints, love the Rosary, pray it without ceasing and you will truly conquer everything like Me.
And you will be jasmines of love for the Mother of God who will give her every day the heavenly perfume of love, which She wants to find in all of you here,

whom She has called to be mystical flowers of Her heavenly and maternal garden.
I, Geraldo, love you very much and I am always close to you and I never abandon you, always pray My Rosary and I will pour out great graces on you. Convert without delay, for time is running out and soon the laughter of sinners will be exchanged for the gnashing of their teeth when the scourge of Divine Justice suddenly strikes them.
I bless you all with love from Muro Lucano, from Materdomini and from Jacareí."

Jacarei, November 06, 2016

(Mark): "Yes, I will. Yes, I have already made two as the Lady asked Me, with the Messages the Lady gave to Mother Elena Leonardi. It wasn't easy to translate that, but I managed to do two and they turned out really good.
And how many more do you want? Yes, I will.
I will endeavor to finish it before the end of the month.
Yes, I will. I know which chapter it is, I will."

(Holy Mary): "Dear children, today I invite you all to increase and grow in true love and intimacy with the Father in prayer.
He only reveals His secrets of love to His children and closest friends, for you to grow in this intimacy with the Father, it is not enough just to desire. Desiring is the first step, you also have to renounce your will, your opinion and ways of thinking.
Otherwise, your mind cannot be completely blank for the Father to imprint on it His Will, His Law of Love and also His Truth!
The heart must also be free from worldly affections, from the disordered affections of creatures, otherwise the heart cannot be empty so that the Father can fill it with His Love, with His Grace, with His Peace. And at the same time with the light of His infinite truth that fills the heart with life, grace and joy.
So, in order for you to grow in that true intimacy with the Father, you must first purify your mind and heart, and then grow in that intimacy. Then we must seek the Father, as a thirsty man seeks water in the desert, seek him without rest, seek him with perseverance in the deep prayer of the heart.
There is the oasis where God wants to meet you and there to embrace you and fill you with His Divine Love. Seek Him and you will find Him, He will then embrace you, kiss you and the Father will reveal His secrets, His deepest feelings of the heart.
And then you and He will be one in the Flame of Love, one heart and the Father's feelings will be the son's and the son's will be the Father's too. And then, the two in a communion of Love will live and that Love will then radiate and renew the face of the Earth.
I invite you to return to the origins, to the sources of prayer, of conversion. Next year you will celebrate the 300th anniversary of the encounter of My Image, the image of My Immaculate Conception in the waters of the Paraíba River.
There are three centuries of love from My heart for My children, but on the part of many of them it is not three centuries of love. Many loved Me it is true and a lot, and they did a lot for Me, but many did not love Me and still do not love Me.

How many only seek Me when they need something, showing an ugly and self-seeking love. I seek true love, the love of children who fight with Me for the salvation of the world, children who obey My Messages, children who work to make My Messages known without wanting anything in return. except My love. A love similar to that of My little son Marcos, who has made Me his everything, his treasure and who has served Me for 25 years, he has obeyed Me for 25 years, for 25 years he has made Me known day and night for his work, for his prayers, for his ever-continuous apostolate, and he desires nothing more than to love Me, to love Me and to love Me infinitely.
Oh, how I desire children like this! As I desire children who love Me disinterestedly, it is logical that I give thanks to the lives of those who serve Me. And it is logical that I will reward with eternal life those who love Me and make Me known, as the Holy Spirit himself has said of Me in Sacred Scripture. But, how beautiful is the love of My children who seek Me, who seek Me and who serve Me only and solely out of love. How I want this love, how I seek this love and how rare it is to find this love in humanity so ungrateful, self-seeking and hard of heart.
Hasten your conversion, because the Father is truly very angry with the sins of the world, he can no longer bear to see so many crimes, so many injustices, abortions, sins, blasphemies, sacrileges and wickedness everywhere.
That is why, to warn men, he will allow the increase of tornadoes, floods, earthquakes that are already seen and felt everywhere, he will allow new droughts, new famines, he will allow new plagues until the last punishment that it will be tremendous and formidable... tremendous and formidable!
These will be Warnings from the Father, for humanity to convert and for everyone to know that He is not dead, that He exists and that one day everyone will have to give an account of their souls and the souls of others too, who have led to evil. way.
Therefore My children, I say to you: Pray the Rosary, pray the Holy Hours that I have given you, because these will be the only salvations for you, it will be the only, the only chance.
One day you will thank Me for these Holy Hours that I have given you. One day you will praise the moment when I gave you these treasures, they will be the only salvation. That is why My children, pray these prayers, pray these prayers with love every day, because where these prayers are prayed there will be My protection and the Wrath of God the Father will not reach those places.
God the Father is a very good and merciful Father, but he is also a severe Judge and if it will be terrible to fall into the hands of My Son, it will be much worse to fall into the hands of the Father. Therefore, pray, pray and pray because My children, time is pressing and you remain paralyzed in the same place without making any progress in conversion and holiness.
Convert because My Heart can no longer bear the great pain and sadness that I feel when I see humanity being ruthlessly destroyed by satan, helped by all who do not pray. Seeing the Church being destroyed by its own shepherds, the Blood of My Son trampled underfoot, His Word despised and His honor and His glory trampled under the feet of men.
Convert, convert and pray My Rosary which is a sure means of salvation.
I bless everyone with love and especially you My beloved son Marcos, who for so many years have served Me with obedience and love, you have worked to make Me known and loved by all My children.

Those words of Holy Scripture are valid for you: 'Those who love Me will have eternal life, those who make Me known will live eternally and not perish.'
Yes, My child, for 25 years you have made Me better known and loved by all My children, so you will have eternal life, you will have a beautiful crown of glory in Heaven, you will have Myself who I am your treasure and your eternal inheritance .
And blessed are those who follow you, imitate you and also help you to make Me known and loved, because to them I will also give eternal salvation, I will give eternal life.
To you too My most beloved and most beloved son Carlos Tadeu, who has worked so hard for Me, today I say to you: Thank you, thank you for everything you have done for Me. Thank you for making Me known and loved, thank you for bringing My children to My Heart.
Tomorrow is the day I give you a special message, but today I want to tell you: Thank you son, I am very happy with you, proud of you and soon together with Luzia I will give you a great gift, I will give you new graces and I will really transform your life in a sea of abundant blessings and graces from My Immaculate Heart.
To you, to My son Marcos, My treasure on Earth and the delight of My Heart and to all My children who obey and love Me, I bless you from Fatima, Lourdes and Jacareí."

(Holy Mary after touching the paintings): "Dear children, as I have already said, wherever one of these paintings arrives, there I will be, taking the great graces of the Lord.
These pictures such as the scapulars will be like the blood of the lamb at the door of the Israelites, wherever these pictures are, the punishment of God's wrath will not reach that house, nor its inhabitants in the time of the punishment, especially in the three days of darkness.
And by the way, all those who have these paintings touched by Me, by São Rafael and São Manuel will have the protection of Us Three during all the days of their lives.
I will pour out the abundance of My maternal Graces on all those who have these pictures with love and respect and pray before them.
I bless you all and leave My Peace now, good night."

THEN OUR LADY GAVE A SPECIAL MESSAGE TO MY FATHER CARLOS TADEU

JACAREÍ, NOVEMBER 7, 2016. SPECIAL MESSAGE FROM OUR LADY TO HER FAVORITE SON CARLOS TADEU

" -Marcos, My dear angel, write this Message to My most beloved son Carlos Tadeu:

Beloved son Carlos Tadeu, today, on the monthly anniversary of My Apparitions, here I come again to bless you and tell you that I am very happy with you! many My children of My Immaculate Heart, souls are growing in prayer and in love for Me, so My Heart is happy!

My Son, go forward without fear because I will do more. I still have many lands to conquer, that is, many souls where to plant My seeds and make them bear much fruit of holiness. You are My faithful servant to whom I have entrusted the mission of cultivating these lands together with My son Marcos and transforming them from dry and barren lands into green and extremely productive vines in fruits of holiness for the glory of God, the triumph of My Heart and the salvation of souls.

Go ahead planting My seeds and don't mind if in some land they don't produce anything. They are like the barren fig tree of the gospel that My Son Jesus cursed for having produced fruit and just like it these souls will be cursed by My Son Jesus too and they will be thrown into the fire where they will burn forever.

You are growing in My love and for you to grow even more I want you to pray the Rosary of My Flame of Love every Tuesday, Thursday and Saturday, because through Him I will grant you many graces from My Immaculate Heart. Know, my dear son, that last Tuesday my Divine Son Jesus wanted to punish three cities in Bahia for their crimes and sins and he did not do it out of love for you. Rejoice because your Rosaries, Rosaries and Cenacles of prayer removed a great punishment from these cities and My Son Jesus decided to give more time for the conversion of souls in these cities.

Forward! I want you to continue with the cenacles of prayer and in the month of December you talk about My Apparitions in Lourdes, the life of My little daughter Bernadette and My little daughter Luzia. Show My children all that I did in Lourdes, My great love and affection for them and the examples of love, obedience and courage of My daughters Bernadette and Luzia so that they can imitate their love and obedience and be warmer. by My Flame of Love.

I love My children so much and I want to show them all that I feel for them. And the best way to do that is through My Apparitions. That's why I appear and give My messages of love here. Show them My love in My Apparitions and you will bring supreme joy to My Heart and you will have a great reward in Heaven.

Keep loving My son Marcos with My Flame of love and always united to him, so I will continue working on both of you and carrying out My plan of love for the salvation of many, many souls.

I am with you always and I am watching everything that happens to you. Pray, trust and wait. I will act and do great graces in your life and all your suffering will be turned into blessings for you.

On this day chosen by Me and so loved by My Immaculate Heart, I bless you with the love of Lourdes, Fatima and Jacareí."

Jacarei, November 12, 2016

(Holy Mary): "Dear children, today I call all of you once again to go deeper and deeper into prayer. Pray until prayer becomes your life and life for you.
I will never tire of saying pray, because without prayer no one can please God, no one can be holy and no one can reach Heaven either.
Ask for all the graces you want in prayer and My Son Jesus and I will gladly give them to you, as long as they are in accordance with the will of the Father.
Hasten your conversion, for as I have been saying for so many years, the time for the world's conversion, the time for Mercy is running out and soon the time for Justice will come. The world has reached the bottom of the abyss, violence, evil, immorality, impurity.
And the Church now knows the greatest hour of its apostasy, millions and millions all over the world will enter into great spiritual confusion, many will completely lose respect, love and devotion for Me, the Saints and the Angels.
And that will be the catastrophic conclusion of the great apostasy lived and propagated by so many priests and pastors of the Church, of the Church of My Son. My Son now relives the painful hours of his Passion in his mystical body, the Church.
Again He is scourged, crowned with thorns and crucified by the very pastors of His Church. And My Heart bleeds with pain because My children are separated from Me in large numbers because of the shepherds who preach to them that Me must not be loved, that My Rosary is not worth anything.
Yes, many souls are lost and Satan triumphs with that. Help Me, help Me to save My children, making the prayer groups that I asked of you everywhere, they are the only remedy, the only hope and the only salvation for humanity.
Pray My Rosary, because whoever is faithful to My Rosary will always remain Catholic.
Pray for the salvation of humanity, Satan plans horrible things against the world. Pray, pray the Rosary which is the only way to stop Satan.
Spread more of My Messages from Fatima, La Salette, La Codosera and Ezquioga, so that the whole world may know how great My Pain is, repent and return to the God of Salvation and Peace through My Immaculate Heart.
I bless you all with love from Fátima, from El Escorial and from Jacareí."

(Saint Lucia of Syracuse): "My beloved brothers, I, Luzia, come again to say to you: Open your hearts to the love of God and live continuously thirsty for that love of God, seeking it in the deep prayer of the heart.
Seek God's love in deep prayer, dedicating many hours to prayer, meditation, contemplation of the Lord, of His Mother, of eternal truths as I did.

So that your hearts may be more and more in love with the Lord, with Our Most Holy Queen. And every day look for more. to grow in friendship love, in filial love for Them that only grows in the heart of those who pray and of those who truly meditate on God's love, on His greatness, on His attributes and also on the greatness and love of the Blessed Virgin Mary.
Seek the Love of God looking every week for a purpose to overcome a flaw you have. If every week you overcome a defect, in a short time you will become Saints. Make the intention to combat this or that defect that you have and make an effort to do so on a daily basis.
Also fast at least on Fridays on bread and water, so that you have the strength to renounce everything that binds you to the world, everything that enslaves you to your passions and your own will.
No one is exempted from Fasting, neither workers nor students. The sick can substitute abstinence or something else, otherwise everyone is obliged to fast as the Mother of God asked. Because they don't fast, they don't progress in holiness, they don't improve and they never fly in the direction of holiness.
Always seek the Love of God, trying every day to increase your friendship, your friendship love for the Lord and the Mother of God, always trying to renounce your own will to do Theirs.
A friend who does not give up his will to please his friend is not a true friend. A son who does not renounce his will to do his father's will does not love his father. Therefore, prove your love for the Father in Heaven by increasing love, prayer and also renouncing your will to do Their will.
Read and reread the Messages so that every day your soul is well fed and grows in the true love of God.
Keep praying the Rosary every day, also pray My Rosary so that through it I can burn you with My love.
I love each of you and I never leave you.
I bless you all with love from Syracuse, from Catania and from Jacareí."

(Saint Geraldo): "My beloved brothers, I, Geraldo, am glad to be with you here today, to bless you and again to say: Be fires of love, carrying everywhere the flame of the true love of God, of the Our Blessed Mother Mary, teaching everyone to love God with all the strength of their hearts.
Be fires, fires of love, spreading everywhere the true love of the Most Holy Rosary, which is the prayer that most ignites the hearts of men with love for God.
It was also he who ignited My heart so much and made Me burn every day in the most intense flames of love for God and for Our Blessed Mother Mary.
In these times when you want to destroy love for Her, for the Holy Rosary, saying that She is just any woman, that the Holy Rosary is worthless. You must lift the Holy Rosary aloft and shout to the whole world that it is the prayer of the Saints, the favorite Prayer of the Mother of God and that there has never been any prayer that has raised up as many Saints as the Rosary.
When he was prayed for by most men there were many Saints, when he was abandoned Saints became rare and today in these unhappy times of apostasy in which you live there are almost no Saints anymore.

Therefore, spread the devotion to the Holy Rosary and it will make many, many Saints appear in families again.
I, Geraldo, love you all with all My heart and I never abandon you. Always pray My Rosary and I will give you many, many graces.
I bless you all with love from Muro Lucano of Materdomini and from Jacareí.

Always come to the feet of My Image to pray My Rosary. I want you to pray it Ali every day."

(Our Lady about the paintings played): "Dear children, as I have already said, wherever these paintings are there, I will be taking the Graces of the Lord.
These pictures will be like the blood of the lamb at the door of the Israelites, it will be the protection for you against all the attacks of My enemy.
And, especially in the times of the Great Punishment wherever one of these paintings is there I will be with the Saints and the Angels protecting you and that house from being hit either by the punishment of God, or also by the fury of the demons that will be loose on the earth.

To all I leave My Peace."

Jacarei, November 13, 2016

(Marcos): "I'm glad you were happy with them! If they were to the Lady's heart, that's all, all that matters to me."

(Sacred Heart of Jesus): "My beloved children, today I, Jesus, your Lord come again to bless you and say: Be daisies of My Sacred Heart!
Be daisies of My Sacred Heart, living every day more and more in My Love, trying to console My Heart for so many who offend Me, despise My love and do not want to love Me. For so many who, even today, even after My death, flee from Me and deny Me the love of their hearts.
With the love of your hearts, with your prayers embalmed with love and with works of faithful and true love, console My Heart.
Be daisies of love that truly give My Heart honor, glory, love and that faithful affection that I have always expected from all souls. But for them I was only paid with ingratitude, with forgetfulness and with sins.
How many thanks do I give daily to all souls. And isn't life, the conservation of life one of them? And yet, they only live to offend Me, they only live to hurt Me and to pay My benefits with sins and ingratitude.
That is why I cry and that is also why My Mother cries to see Me treated like this, even after I have given My life and shed My blood to the last drop on the Cross for the salvation of all.
Yes, My Heart also cries to see the way they treat My Mother. I have sent My Mother as a Messenger in many places in the world and also Here, but they are mostly abandoned and nobody cares about anything.
And here it would also be like this if it weren't for the ardor, the zeal, the love, the tireless work of Our most beloved Marcos, who, obediently to Our Hearts,

never ceases to make Meditated Rosaries for My Mother, Hours of Prayer to make this people pray and pray a lot every day.
If he hadn't done all that, if he hadn't done the Apparitions of My Mother movies. If he weren't this brave, ardent and formidable knight of Our Hearts, this place would also be abandoned and covered by weeds and animals.
But thanks, thanks to that admirable and formidable knight of Ours, most obedient to Our Hearts, Here, in this place, prayer never stops, never dies, never ceases.
And that's why Me and My Mother Here, are comforted by him and by those who like him also love Us, obey Us and give their lives out of love for Our Hearts. To help Us save so many souls who are in danger of being lost forever, and only through continuous acts of love, of obedience to Our Hearts, can these souls be saved.
Yes, My most beloved Marcos is the greatest daisy of love of My Immaculate Heart, of My Sacred Heart. Yes, and you too must be so that I can truly, through you, cause the sweet perfume of My love, My grace and My holiness to spread throughout this world completely filthy and rotten by sin.
And like a putrefying corpse now exhales the stench of the total doom of families, young people and the entire society that spiritually agonize and die.
Be daisies of love from My Sacred Heart taking My Messages and My Mother's Messages to all souls and to the ends of the world.
Do not be afraid because I am with you until the end of the world and My Spirit will act in you and for you as long as the only desire to love Me, to love My Mother and to save your brothers and sisters is the spirit that animates your souls. and hearts.
Be the daisies of My Sacred Heart growing every day in union with Me, through deep prayer, through meditation, through the union of your will with Mine, through contempt for your will and for worldly things.
And then, truly My Flame of Love, My Mother's Flame, will erupt powerfully within your soul and will scorch it, transforming it into an incessant flame of love.
Oh! I just want love! I knock on the door of hearts, I ask for love, I look for love, I thirst for love!
I am love, love is me. My Sacred Heart is the sanctuary of love, it is the source of love where every creature can drink the Eternal Love that in the soul generates peace, joy, generates holiness, generates eternal life.
Every soul that drinks from this fountain lives forever, the one that goes to drink from the fountains of My enemy, refusing to drink from the fountain of My Heart, this soul dies. And when I see that she persists and decides forever for the poisoned fountains of the enemy, I abandon her and let her drink that water of death until she dies eternally.
I do this not because I am evil, but because I am righteous. Good and evil are before you, reach out for what you want and what you want will be given to you.
He who seeks Me and who wants My water of eternal life, to him I will give this water and truly from within will flow rivers of life, rivers of grace that will flow to eternal life, taking with them in the torrents of their waters the very soul that gushes and many others that will accompany you in a torrent of holiness, grace and love.

Be the daisies of My Sacred Heart imitating My daughter Margarida Alacoque who was a little daisy of love. Who truly gave Me every day of his life a pure, filial love, a love that wanted to love Me, truly console Me, please Me, praise Me, adore Me, serve Me.
And he wanted nothing in return except to love Me more and more and to sink more and more into the fathomless sea of My infinite goodness.
May this also be your desire and I will give you the same that I gave her, I will give you a unique drink of knowledge of My Sacred Heart, I will sink you into the depths of the goodness of My Heart that loves you so much and I will make you heirs of My Sacred Heart. Heart.
Yes, My children, how I truly want to enrich you with the treasures and riches of My Sacred Heart. I just want your 'yes' and the rest I will do. Your misery, as opposed to pulling Me away, attracts Me, for I, who am infinitely rich in eternal goods, seeing you so miserable, take pity on you.
And I feel in My Sacred Heart the desire to share My riches with you, to make you a consort of the riches of My Sacred Heart and to enrich you to see you as rich, beautiful and splendorous as My own Sacred Heart is.
That's why I want you to come to Me so that I can enrich you every day and always more with My graces.
Here I truly want souls aflame with love in the highest degree, for that, pray, pray, pray. Watch also because to you I have given much and I will demand much.
I am that Lord who charges even where I didn't plant and in you where I planted great seeds of love and grace, I will come to seek many fruits soon.
Do not be like the barren fig tree that I cursed, otherwise I will order My Angels to uproot you and throw you into the eternal fire, which will never go out, for there is the place of trees that, if they can, do not want to produce fruits of love and holiness.
Live in My Love, live in My Grace, I love you! I want to be your loving God who is continually united to you by the bonds of eternal love in your hearts.
Therefore, come to Me, open your hearts to Me, give Me your love and I will also give you all My, I will reveal My Secrets to you, I will kiss your soul imprinting on it the kiss of love from My Heart that will make it rejoice with joy.
I will adorn you with My royal jewels, I will give you My gifts, I will give you My favours. And then, truly you will shine and you will be perfect images of My Holy Heart, real, divine, splendorous.
And the world, seeing the beauty and beauty of your souls, will fall in love with the beauty of My Sacred Heart from where the riches that enriched you came from. And then the world will know My love, it will know the truth and the truth will set you all free.
Continue to pray the Rosary of Mercy every day, for which I will give you many thanks. Do My Holy Hour every Friday as My little son Marcos told you. I have already shown you My Face to one of My children who was doing this Holy Hour to tell you: that when you truly do it I am alive with you, to give you My thanks and reveal My Face of Love to you.
I bless you all with love now from Paray-Le-Monial, from Dozule and from Jacareí."

(Holy Mary): “My children, today, you celebrate here the Anniversary of the revelation of My Medal of Peace. Yes, on that November 8th, when I revealed My Peace Medal to my little son Marcos, so many years ago. I have given you a great Gift of Love from My Immaculate Heart.
I have given you a great Gift of Love from My Heart to show you how much I love you and to protect you from the snares of My Enemy that in those times would increase enormously and would make many fall. So that your body and soul would be protected from his evil action.
And so, you could enjoy true peace and freedom of spirit to walk confidently and imperturbably on the path of holiness and salvation.
I gave you a great Gift of Love from My Heart, so that through this Medal My Immaculate Heart could illuminate your souls, enflame them more and more with My Flame of Love. And prevent you from falling into the errors that are propagated and taught in these times and that have already made so many souls corrupt and fall into the great apostasy.
I have given you a great Gift of My Love to be for you a channel of graces and endless miracles in these times of great tribulation, when trials, difficulties and obstacles would increase for everyone and that many could be discouraged along the way. .
Through My Miraculous Medal of Peace I always give My children more: blessings, graces, comfort, support and love. To relieve them of the weight of trials and to give them strength so that they walk ever more towards the Triumph of My Immaculate Heart.
I have given you a great Gift of Love and also a great sign of hope because your Immaculate Mother, who in this Miraculous Medal of Peace tramples and crushes the head of the infernal serpent, is already announcing Her Triumph, Her definitive victory over Satan and the forces of evil that will happen soon.
That is why, through this medal, you are comforted, you are helped by Me and you are encouraged to continue walking every day obeying My Messages under My command towards the Triumph of My Heart, when I will finally free you from all the evil action of Satan and I will enter into the new time of holiness of peace and love that I am preparing for the whole world.
In this Medal your hope is comforted, your love is warmed more, your faith is solidified. I gave you this Medal to solidify your faith in Me, for I already predicted that the great apostasy would increase and that many would lose the Catholic faith in their hearts.
Yes, now books containing heresies will be disseminated as never before among the Catholic people and many will lose their faith and their love for Me, their respect for Me, the Angels and the Saints.
But not here, because thanks to My little son Marcos, My formidable knight, thanks to the Meditated Rosaries that he made and gave to you. All the Hours of Prayer and the Films of My Apparitions the faith of My children Here was solidly founded in Me and Here the Protestant errors, the errors of apostasy will not be disseminated.
And those who remain faithful to this place will not be corrupted, will not lose the treasure of the true Catholic faith.
You must thank God and Me who have brought you here to this place, where through My knight, My incessant flame of love, I have given you all those

treasures that will prevent apostasy from corrupting your faith and leading your souls to perdition.
If you were in the world, or what is worse with the poor Catholics, who, led by apostate and blind priests, are ending up falling into the abyss. You too, you too My children, would lose the precious treasure of faith.
You owe Me this grace, you owe Me this preservation, you owe My Appearance Here, to My intervention Here this great Mercy and this act of protection that is given to you Here.
You owe My knight, you owe My incessant flame of love, My little son Mark, this preservation of your faith. Truly, whoever remains faithful to Me Here will not be contaminated by apostasy and will not be lost.
Therefore, little children, thank God today for having sent me Here with My Miraculous Medal of Peace, with My Messages and through My little son Marcos, My Knight for having given you so many treasures, which keep you alive, lit, protected, pure and immaculate in your souls the flame of the true Catholic faith.
Continue to pray My Rosary every day, because whoever remains solidly united to Me through the Rosary will not be lost, will not be contaminated by the great apostasy. Those who despise My Rosary will be lost.
Continue with all the Hours of Prayer that I have given you Here and open your hearts ever more to My Flame of Love, expand them for more prayers, for more fasting, for more sacrifices. And, above all, despising your will, your opinion and worldly things, your attachment to creatures.
So that there is truly room in your heart for Me to place My Heart with My Flame of Love so that you have the same feelings as in Mine and with this Love you love and serve God.
I bless you all with love from Fatima, Lourdes and Jacareí."

(Saint Michael the Archangel): "Beloved brothers, I, Michael, servant of the Lord, am glad to come today to bless you and say to you: Make reparation for the wrong done to Bonath.
As long as the world does not repair the injustice and the harm done to the Mother of God in the Apparitions of Bonate, the punishments will continue to fall on Earth.
The injustice done to Bonate is the cause of many tornadoes, earthquakes, hurricanes and droughts. Repair this Apparition by making it known to the world and making everyone obey the messages that Our Most Holy Queen gave in Bonate.
You must also notice the Apparitions of La Codosera, of Umbe of Ezquioga and also of Fatima. You are on the centenary of the Fatima Apparitions, but the Fatima Message is not known, it is not propagated. Mainly by those who had the most duty to disseminate them, the priests and bishops.
A great sword weighs on them, the punishment hangs over their heads, because by keeping silent about Fatima and the other Apparitions of the Mother of God, they drive away souls from Her in great numbers and let the enemy take possession of souls and take them to the doom. May apostasy reign more and more in the Church and in families, and let the world go swiftly, falling more and more into the precipice of perdition.

Yes, you must repair these Apparitions by doing what they never did and do not want to do. Do not be their accomplices, do not become guilty like them. Save your souls and escape the wrath of God by making reparation to these Apparitions and making them known everywhere.
I, Miguel, will be at your side to help you in this great and urgent mission. There is nothing more important to do now than pray the Rosary. Whoever prays the Rosary will be saved, whoever makes the Mother of God and Her Messages known will have eternal life.
Imitate Our knight, Our most favorite landmarks, our incessant flame of love and also be ardent knights of the Immaculate, spreading Her Messages to the whole world, because time is truly at the last grains of sand.
And soon the Lord will examine the Earth with a gauge of fire and woe to those who do not conform to His Holy Will. Yes, the Punishment will be the most terrible, it will be so terrible that the skin will come off of people and they will wish they had neither been born nor seen the light of the Sun.
Escape this great punishment by obeying what I say and by hastening your conversion and the conversion of your brothers.
I, Miguel, am continually at your side, I never abandon you, I always protect you with My shield and I do not allow Satan to prevail over those who are My devotees and who pray My Rosary every week.

I bless you all with Love from Monte Gargano, Monte Tomb and Jacareí."

PRIVATE MESSAGE FROM OUR LADY TO CARLOS TADEU SPIRITUAL FATHER OF THE SEER MARCOS TADEU

"Dearly beloved son Carlos Tadeu, this Message is just for you.
Son, continue in My Love, go forward with My treasure, the son I gave you, and walk more and more on the road that I showed you and that will lead to Heaven.
You are growing in the flame of love for Me and this gives me great joy! There is nothing more beautiful and important than this: To have My Flame of Love and to grow in It.
Your beauty, the beauty of your soul has truly enchanted My eyes, enchanted the eyes of My Son Jesus and the Eternal Father. The Holy Spirit has also been delighted with you and will soon give you, he will grant you new and abundant graces.
Go on, go on praying more and more and walking on the road of prayer. Keep on loving Me and obeying Me, being a new John, together with my dearest and most precious John of recent times, My little son Marcos, my knight.
Yes, yes son, at the moment when the Body of My Son Jesus was taken down from the Cross and placed in My arms, at that moment I mystically died without being able to die. And the pain that I felt gave Me a thousand deaths of the soul. But at that moment, in that great and most bitter pain of Mine, the thought of the fidelity of My little son Marcos, the thought of your future fidelity, consoled My heart.

Yes, your fidelity, your love for Me and your obedience were the drop of honey in the bitter chalice that I drank at that moment for the redemption of all humanity.
Yes, you consoled the Heart of your co-redeemer and at that moment when the sword of pain was buried more deeply in My Heart.
Your fidelity, your obedience together with that of My little son Marcos consoled My Heart and gave Me, in the midst of those terrible torments that ravaged My soul, gave Me joy, consolation, love and affection when the waters of bitterness.
Yes, you consoled Mara, that is, you consoled Me, whom the Almighty and the sins of the world filled with bitterness at that moment.
Yes, you consoled Mara, you consoled Maria who at the foot of the Cross became Mara, full of bitterness at that moment.
Yes, My Heart was consoled by you, you must therefore feel happy, because you truly consoled the consoler of your creator, you consoled the Mother of your Redeemer. And so, son, you must continue to comfort Me every day, drying My Tears.
Yes, in La Salette when I spoke of the Apostles of the Last Times, who would rise, go out and enlighten the Earth, fight the errors that My enemy and his henchmen would spread to make the true faith disappear from the world.
I thought of you, I knew your birth, I knew your future fidelity, I knew your future love and this consoled Me My son. So, go ahead, keep helping My son Marcos in his mission. Your mission is to love him, protect him, help him, support him, comfort him, understand him. And, above all, to live continually united with him in a single heart, in a single soul, in a single flame of love.
Therefore, grow in union, grow in love-friendship, grow ever more in trust, in the intimacy that must exist among the Saints of God, sharing everything. And, above all, understanding you deeply and one being truly the support, being the comfort, being the support, being the affection and the heart of each other.
Son, you cannot imagine how many graces I still have for you, so go ahead, because great things await you, resounding graces from My Heart. And truly soon you will receive new gifts from Me and through you I will also show all My children how great My power is in a soul that gives itself entirely to Me and that faithfully answers Me “yes”.
I bless you and My children now with love.”

(Marcos): “Dear Heavenly Mother, can you touch these Rosaries and these paintings for your children?”

Jacareí, November 15, 2016 - Feast of the Holy Face

(Mark): “Yes. Glad you liked it! Yes, I will. And when do you want her? Yup. I will. Yes yes. And this one the Lady wants for... too. Yes, I will. I love giving joy to the Lady every day! I will continue to give these gifts to the Lady every day!
Yup. Do you want the Message books first, or this other first? Yes, I will. Okay, I will. Yea."

(Holy Mary): “Dear children, today, when you contemplate here the Feast of My maternal face revealed here, I come again from Heaven to tell you: My Face is a luminous Sun, which illuminates the life of every child who contemplate with love, who obey the words that came from Her lips, from My lips and live these Messages, these words with love.
He who obeys My Messages does not walk in darkness and his heart is made of pure light, heavenly light of holiness, of love for God, of purity, of prayer, of divine grace.
My Face is a Sun that anyone who looks at It will never get lost on the way to Heaven, will never be deceived, will never be seduced by Satan, My enemy. And he will never, never deviate from My Divine Son Jesus Christ, rather, he will become a great Saint, he will give great joy and glory to the Heart of My Son and Mine and he will also be recognized before God the Father and the Angels, as a true brother of Mine. Son and true child of Mine.
My Face is a luminous Sun, which everyone who loves it will radiate the same light that I radiate. And that light will dispel the darkness of evil and sin in this world. And then, the kingdom of Satan, and Satan himself, will be defeated, overthrown in his own life and in the lives of all men as well.
Love My Face, spread it, make everyone love it so that they can receive in My look and in My smile, in My Face, the Peace, the affection and the love that My children are so hungry and look for in things mundane worlds where they only find bitterness, disappointment, betrayal and sadness.
Keep praying My Rosary every day, as I told the Saints, there is nothing I love more than the Rosary. And there is no one I love more than the child who prays and who spreads My Rosary.
To the child who prays My Rosary and who loves him, I will give great thanks. But to the child who spreads My Rosary beyond praying it, and teaching them to others, for that child I will do crazy things of love.
That is why I have done so many crazy things of love for My son Marcos, so many graces and miracles here. Because he, like My son Domingos, loved My Rosary and spread My Rosary as never before.
Especially in this evil and apostasy-filled time in which you live when everyone who prays the Rosary is slaughtered by mockery, scorn, criticism and persecution of all kinds.
And My son Marcos resisted everything, endured everything, faced everything, went over everything and everyone, conquered everything and placed My Rosary in the hands and hearts of so many millions of My children. Therefore, for this son I have always done and will always do crazy things.
Happy is he who imitates and also propagates My Rosary!
To all, to My little son Marcos and also especially to My little son Carlos Tadeu, I bless you with great love. I bless these apostles of Mine, knights of My Rosary for whom I have great love, great affection and for whom I am capable of doing things that you cannot imagine.
To them and to all of you My children, I bless with love from Fatima, Beauraing and Jacareí.”

Jacarei, November 19, 2016

(Holy Mary): “Dear children, today I invite you all to look more towards Heaven, to desire Heaven more and to accumulate a great treasure for yourselves in Heaven.
Store up a treasure in Heaven with good works of love every day, doing everything with love and out of love for Jesus and Me with prayers of love, praying with your heart and trying to do everything with true love in your hearts.
Always ask more of My flame of love, so that everything you do is full of love and is the fruit of true love.
May your prayers not be cold, but ardent with My Flame of Love, for only ardent prayer is one that is pleasing to God and that obtains His Mercy from God. The more ardent the prayer, the greater the grace that God will bestow on you and in your life.
Desire for Heaven and accumulate more of your treasure in Heaven, trying every day to do everything with the sole intention of pleasing God, who is Love, giving your lives more and more to the glory of God.
Religious must do everything just for God, everything just for the love of Jesus and Me and never put their “I” and their will in the middle of the works.
The lay people for whom it is more difficult to do this, I ask that they strive to always do everything only for God and aiming only at God who is the end of every man's life.
So you will lay up great treasures in Heaven, where moth does not eat, rust does not corrode and a thief does not steal. And the greater the love you put into the works you do, be they big or small, the greater will be your treasure in the glory of Heaven.
Always prepare yourselves more My children, for your departure from this earth, because all men will die. Death is a consequence of original sin and one day you too will leave this world.
Life is short, prepare yourselves, because with good works, because you don't know the day or the hour that my son will call you.
So, if you are prepared when My Son calls you, you will feel joy and not fear.
I bless you all now with love and I ask: Keep praying My Rosary every day.
I bless you all with Love from La Salette, from Montichiari and from Jacareí.

(Santa Luzia): “Dear brothers, I, Luzia, come from Heaven today to invite you; lift your eyes to Heaven, live only for Heaven, do everything for Heaven and may Heaven be the only desire and yearning of your hearts.
Do as We all Saints did: Prefer paradise! Especially you who knew the Messages of the Mother of God Here and by Her were chosen to be here.
Prefer the Paradise that preferred you! Choose Heaven, which chose you! Love Heaven, which has loved you!
Raise your eyes to Heaven, especially in these times of the great apostasy in which human beings have turned into wild beasts, into materialistic and angry beasts that see nothing more than food, drink, material goods and pleasures.
Lift up your eyes to Heaven and help everyone to look up to Heaven too, to see how great is the love of God, how great and beautiful is the light of God's eternal truth. So that all men can seek salvation and one day reach it in Heaven.

Raise your eyes to Heaven and raise the eyes of others to Heaven as well, spreading the Messages of the Mother of God to everyone and teaching everyone to pray the Rosary and the prayers that She has given them Here, because through these prayers they will lift their eyes to the Heaven and then, everyone will desire Heaven, seek Heaven, and seeking Heaven will forever leave the works of sin and eternal death.
And then it will be the Triumph of the Mother of God in all hearts.
Keep praying My Rosary every week.
I bless you all with love from Catania, Syracuse and Jacareí."

(Saint Geraldo): "My beloved brothers, I, Geraldo, rejoice today to come once again from Heaven to bless you and also to say to you: Give your life to the Lord who gave His life for all of you. On the cross.
Give your life to Life, which is Jesus. Give your life to Eternal Life, which is God. Give your life to the Lord and He will also give you a new and true life, His true life, the true life in God!
I gave My life totally to Him, which is eternal life, and because of that I live eternally with Him in the glory of Heaven. In the eyes of the world everyone thought that I was throwing My life away, that I was losing My life.
And indeed, I was, but losing My life according to the world, I gained My life for Heaven, for eternal life! And today I am eternally happy with God and with my Most Holy Queen in Heaven.
If you also give your lives to God and the Mother of God, living according to their desires and orders, living according to their commandments, living according to their love, you too will gain eternal life.
Do not worry about those who criticize you because you pray, because you live according to the will of God and the Mother of God, because they speak through the mouth of the devil. Whoever speaks to you through them is the devil.
When you hear what they say, quickly close your hearts and your minds to what the devil said while praying the Rosary. The Rosary will be your strength, the Rosary will be your strength.
And go joyful, courageous and fearless on the path of conversion, prayer and salvation that the Mother of God has given you and called you
Here. Everything, everything you ask for through the Rosary and Fasting, you will get.
With the Rosary combined with Fasting, you will achieve immense miracles, you will achieve the conversion of many, many souls. They will even be able to stop the punishments and scourges that the world deserves for its sins.
Continue fasting on Tuesdays and Saturdays, praying the Rosary every day and praying My Rosary every week. Through him I will give you great thanks.
Disclose My Rosary and the Rosary of Luzia number 3 because the Messages they contain have not yet been sufficiently divulged, do so and you will bring great joy to My Heart.
I love them very much and together with Luzia and Our Most Holy Queen I keep them and protect them always.

I bless you all with love from Muro Lucano, from Materdomini and from Jacareí.

Jacarei, November 20, 2016

(Holy Mary): “Dear children, today I invite you all with more love to wear My Medal of Peace and to spread it to My children throughout the world!
Only when all My children wear My Medal of Peace will I truly be known and loved by all My children and truly My Immaculate Heart will triumph.
Spread this Medal more with love, take My Messages and do not be afraid, because I am with you and I will mark with many graces the testimony of all of you so that My children will truly believe in Me
Yes, you must take My Word, for the time left for this is very short, the time of Justice is coming. And you My children are still standing still and so many of My children still do not know My Love and do not know how to pray the Rosary. Go take My word to them because otherwise My Son will ask you to account for all those souls that were lost because you didn't want to act, because you didn't want to work.
Work tirelessly for the salvation of souls like my little son Marcos, and then truly My Immaculate Heart will radiate My Flame of Love powerfully to save souls and renew the world.
Open, expand your hearts more to My Flame of Love. I am the Mother of Love! My Heart is the Tabernacle, the Temple of Love! The more you open your hearts to this Love, the more My Flame of Love will communicate powerfully to you and through you to the entire world.
If you desire my Flame of Love with all your Heart I will give it to you and then you will feel the same things that My daughter Filomena, the Saints and My little son Marcos felt.
You will feel your hearts on fire with love, with pure love and this love will give you strength to do everything I ask.
When the soul has My flame of love, the Rosary, the Sacrifice, the spreading of My Messages becomes soft, sweet. When the soul does not have My flame of love, everything is bitter for it, because its heart is full of another flame: the flame of the world, the flame of pleasures.
Extinguish the flame of worldly pleasures with My flame of love, praying My Rosary with love, sacrificing yourself with love, doing My will with love and obeying My Messages with Love!
Pray every day of this week the Rosary of My Flame of Love that My little son Marcos made number 1. So that you are truly more enflamed by My Flame of Love and for the feast of My Immaculate Conception, pray the 7th Septune every day until that on the 8th of December I have your hearts on fire with love in My presence to receive great graces from My Flame of Love.
Keep praying My Rosary every day, for it I will always give you more light, peace, grace, love.
I love you all and I am always close to you all.
I bless you all with love from Lourdes, from Montichiari and from Jacareí.”

Jacarei, November 26, 2016

(Holy Mary): “Dear children, today I invite you all to spread My Messages from Bonate even more, My Heart still bleeds because of Bonate.

Because reparation was not made for all the harm that was done to Me and My daughter Adelaide Roncalli in Bonate, it is because the punishments continue to fall in many nations of the world. And they will continue to fall and increase, above all: earthquakes, hurricanes, famines, pestilences, diseases, epidemics until the last and great formidable Punishment from Heaven.
If you want to avoid the destruction of the Earth and of yourselves, pray many Rosaries and make reparation to Bonate, making Bonate known to all My children.
Only when everyone hears My Messages from Bonate and truly obeys these Messages, will My Heart stop bleeding, stop suffering.
Keep praying all the prayers that I have asked you Here, above all, the Holy Rosary, because on December 8, great graces will be given to My children who are faithful to the prayer of My Rosary.
Only those who are faithful to the prayer of the Rosary will not lose their faith in the great abomination of desolation that is to come.
I bless you all with love from Bonate, from Montichiari and from Jacareí."

(Saint Gerald): "My beloved brothers, I, Geraldo, am glad to see you here once again today.
Expand your hearts to the Flame of Love of the Mother of God, praying more and more.
Spread your hearts to the Flame of Love of the Mother of God, doing violence to your will, to your nature and to your 'I', for only in this way will you die to yourselves so that you can live and be only and truly for God and Her.
Make My life known to young people, so that, knowing Me, they may feel the desire to be saints, to love God that Our Most Holy Queen, who through Me truly wants to enter the hearts of young people, sanctify them, make them them and make them completely of the Lord, completely of the Mother of God.
Pray My Rosary, make it known to everyone so that everyone can truly turn to Me and receive great graces.
Always meditate on the book The Imitation of Christ, which was one of My favorite books, with it I learned to be holy, I learned to die to myself and to live only for God. Those who read it and truly practice it will soon grow in great holiness.
Pray the Rosary, because a Rosary is worth much more than a thousand exhortations. Pray the Rosary for the conversion of sinners. Pray the Rosary for your own conversion and sanctification and you will see how you will advance on the path of grace and holiness.
Pray a lot because Divine Justice is continually angry and inflamed against this world that becomes worse with each passing day.
Yes, humanity has truly become a new Sodom, a new Gomorrah, in fact the inhabitants of that time were not as guilty as the men of this generation.
For this reason, reparation and prayer to appease the Divine Justice must be even greater, otherwise the punishment of this generation will be tremendous, tremendous.
I tremble just thinking about this Great Punishment, tremble too and pray a lot so that everyone's prayers can truly appease the Wrath of the Lord.
I now bless you all with love from Muro Lucano, from Materdomini and from Jacareí."

(Santa Luzia): “My beloved brothers, I, Luzia, come again from Heaven to tell you I love you always, I love you more every day.
Keep praying My Rosary, because through them I can give you many graces. On My day, December 13, I will send great graces down to all those who pray it with great love and fervor throughout the year.
Expand your hearts to the love of God, to the Flame of Love of the Mother of God for more prayers, more sacrifices. So that this fiery Flame may truly descend upon you and transform you into the great apostles that the Mother of God asked for Here.
Quickly spread the Messages of the Mother of God in Ezquioga and also in La Codosera. Because this has not been done in the past, Spain, Europe and the whole world have fallen into the great Apostasy, only the Messages of the Mother of God with the Rosary can save the world.
And that is why the Meditated Rosaries that our beloved Mark makes here are so pleasing to God, so pleasing to Our Most Holy Queen and so pleasing to Us, the Saints in Heaven. Because it is the prayer of the Rosary, the Angelic Salutation together with the Messages of the Mother of God that can turn even the stones into the greatest Saints.
Spread these Rosaries, spread also the videos of the Apparitions that Our Beloved Marcos made Here, this is the last hope for humanity's salvation, it is also the last hope of the Mother of God that humanity can convert and be saved from the Great Punishment.
Dedicate yourself to it, for nothing is more important than this now, this is more important than the body, than food, than goods, than everything! It is about the soul, the salvation of the soul, the salvation or loss of many souls.
And Our Lord will ask you to account for these souls who were not saved, who were lost, if you do not make all this known to them. Therefore, dedicate yourself completely body and soul to this holy task and in Heaven you will have a great reward, a beautiful crown.

I, Luzia, love you all and I pray for all of you, I bless you all with love from Siracusa, Catania and Jacareí.”

Jacarei, November 27, 2016

(Holy Mary): “Dear children, today, when you celebrate Here the Anniversary of the Revelation of My Miraculous Medal to My daughter Catherine Labouré, Santa Catarina, I come again from Heaven to tell you: Use My Miraculous Medal with love, through her I want to give you all the graces of My Immaculate Heart.
Above all, the greatest of them all, the grace of My flame of Love, the same flame with which I filled the heart of My little daughter Catherine, so that all of you, like Her, become incessant Flames of love that love God, who glorify God with works of love.
And who also glorify My Immaculate Heart with prayers of love, with works of love, and a life of love.

Wear My Miraculous Medal with love so that I can truly guide you along the path of holiness in these dark times of apostasy. And may it ever more crush the head of My enemy, in your lives and in all those whom divine providence sends you.
Use My Miraculous Medal with love, so that each day I truly shine in your life the light of salvation, love and grace.
I am the Mediatrix of all Graces and this is how I introduced Myself to My daughter Catherine, to give the whole world the final confirmation that all graces pass through My hands. Because I alone was conceived without the stain of original sin and between God and the world I was placed by the Lord to give the Savior to the world. And so that the whole world can go to God for Me, that I am the right, only and safe way to God, to Heaven.
I appeared as the Mediatrix of all Graces to My little daughter Catharina, to tell all of you My children, that in these times of great tribulation, in these bad times and in which you live, I want to pour out great graces in your lives.
To alleviate your sufferings, to help you in the hard trials that you will now have to go through and to give you strength so that you can reach the Triumph of My Immaculate Heart unscathed.
Here, where I also revealed a Miraculous Medal, My Miraculous Medal of Peace, I will end the cycle of My Apparitions that I began in Paris. Therefore, convert because here the last seal was given to humanity, this seal was My Miraculous Medal of Peace.
The Miraculous Medal that I gave to Santa Catharina was one of the first seals and now, truly, everything that is written must be fulfilled.
Pray, convert, change your life, imitate the example of My little daughter Santa Catarina and My little son Marcos, loving Me with all the strength of your heart and doing everything to make Me known and loved. Above all, through My Medals, My son Jesus will reward with great graces those who help My son Marcos in this great mission that I have given him.
Yes, pray the Rosary, convert! May your life and attitudes conform to My Messages and to the Rosary you pray. Otherwise your prayers will not be valid before God.
Pray, convert and say to everyone: May you convert as soon as possible, because My long-range prophecies given to My little daughter Santa Catharina have not finished happening. The most painful parts will still come and if they do not convert, the Great Punishment will take place according to My Secrets given to Catharina, in La Salette and in Fatima as well.
Pray, pray and pray without ceasing, I love you all and I want you to spread more My Message of Bonate. Because until great reparation is made to Bonate, La Codosera and Ezquioga, the Chastisements will not cease to befall the world, including three regions of Brazil.
Convert, pray! I love and intercede for all of you, but My prayer alone is not enough, the Father wants to see you changing your life, fighting your personal defects and converting you every day. So, convert!

I bless you all with love from Fátima, from Paris and from Jacareí.”

(Saint Catherine Labouré): “My beloved brothers, I, Catherine, am glad to come today with the Mother of God and Our Most Holy Queen to bless you and say to you: Be furnaces of love, be truly furnaces of incandescent love for with her as I was.

Pray the Rosary every day, make everyone pray it very well, that is, with the heart, concentration, fervor, contemplation. Make everyone love the Holy Rosary, because it will lead everyone to Heaven.

My Rosaries were worth much more than all the charities, all the good works that I have done throughout My life. Many consider that it was My charity, My works of charity that took Me to Heaven, they helped Me, it's true. But much more helped Me by the Rosaries ignited with love that I prayed.

Pray the Rosary fervently, pray the Rosary fervently, pray it with your heart, because it is the blessed ladder that will lead you to Heaven. He is the golden loop, where at one end are you and at the other the Mother of God and She will then pull you through that loop into Her arms in Heaven where you will be happy forever.

Be good, be holy! May your attitudes conform to the Rosary you pray. Be flames, incessant furnaces of love working for the Triumph of Our Most Holy Queen all the days of your life, as our beloved Mark does. And then you will truly be worthy of the Crown of eternal life.

Heaven is not for the lazy, nor for the accommodated, but only for those who fight the good fight and serve God and our Most Holy Queen.

Be her good servants and, truly, each day of your life will ascend to God and to Her like a burning incense of love, like a blazing flame of love, which in Heaven will transform into true crowns of glory that will be placed on your heads.

Mark, my beloved brother, how much I love you! It's been years since I came here for the first time to give you the first Message. I have always continued protecting you, loving you, illuminating you and giving you strength.

How much I thank you for disclosing the Medal that I received from Our Most Holy Queen. Yes, you continue My life on Earth, you continue My mission on Earth, you continue My song of Love on Earth, making the Miraculous Medal of Our Queen known to all men.

Oh! How much I thank you! How you make me happy! How you give me contentment! How you give me joy! How you give me infinite joy!

Oh! How much I love you, my beloved brother, how much I love you!

Truly, you bring much joy to My Heart and the Heart of Our Most Holy Queen by making known to the world: the Messages that She gave Me, the Medal that She gave Me and making all Our brothers know and have these treasures of Her.

Yea! When She revealed to Me the future of the world, the punishments that would fall on Paris, France and humanity as a whole My heart bled. And I lived always, always with My heart bleeding with pain, because I was constantly impeded, hindered and paralyzed in My action to make Her better known and loved by spreading Her Messages and Her Medal.

But the fact, the revelation that the Mother of God gave Me, consoled Me, consoled Me that in the future She would raise up an apostle who would continue what I started. And more! That she would finally carry out all that She entrusted to Me and started through Me.

This apostle, this servant is you Mark! Yes, how much joy flooded My heart on the day the Mother of God revealed your existence to Me. Yes, your life has been a great joy and contentment for Us the Saints in Heaven.
Persevere, remain firm on the path of holiness, of obedience to the Mother of God and of the love in which you are. And likewise, persevere and continue you, Carlos Tadeu, most beloved spiritual father of My most beloved and most beloved Marcos, you whom I also love so much and keep under My Mantle.
I am also your protector, I also guard you, I also guide you, I also protect you, I also love you, I also enlighten you. And here in My arms you will always be guarded and the enemy can no longer do anything against you, because I love you, I keep you, I cover you with My mantle of light and I will never leave you.
Yes, I am with you at all times of the day, but especially when you are praying the Rosary. Nothing makes the Mother of God happier, not even Me, than your Rosary and the Rosary of our most beloved Mark.
Hey, now the Mother of God and I will also continue your mystical union with Us and with Our most beloved Mark, merging your heart with his even more. So keep praying that you are prepared for this mystical fusion.
And truly, fear nothing because I love you, I am with you and your name is continually in My ears. And as soon as you begin to pray, I descend from Heaven faster than the wind, faster than thought to hear you, welcome you, bless you and pour out My abundant blessings on you.
Peace to you, and to you most beloved Marcos, precious jewel of Heaven and Mine, today, on the Feast of the Medal of the Mother of God given to Me and which you have loved, propagated and made loved by all My brothers and sisters for so many years. And to all those who are here and who help you in the mission of spreading the Medal and My Messages, I bless with love now from Rue-du-Bac, from Fan-lés-Montiers and from Jacareí."
Jacarei, December 03, 2016

(Mark): "Yes, yes, I will. Yes, I will. Unfortunately, because of the book, I didn't have time, I couldn't finish it in time, but I promise you that in January, or later in February, I'll do it.
I even tried to do everything at the same time, but I couldn't, the days went by too fast.
So, the next ones I will do just as the Lady said. Yea."

(Holy Mary): "Dear children, today I again call and invite you to make My Flame of love grow even more in your hearts in these days.
Expand your hearts more to My Flame of Love with more prayers, more work, more service, more spiritual reading, more meditation. And above all, more giving of yourselves to Me.
Pray even more so that your hearts expand and expand, because only then can I place My Flame of Love in them.
Take away the swords of pain that the world has stuck in My Heart, burying in oblivion the serious Messages that I gave to the world in My Apparitions in La Codosera and in Ezquioga.
I so desire that you make known to the world these My Messages, these My Apparitions. So that My children finally come to know My maternal pain, convert, leave the path of sin and return to the path of salvation.

Understand that the hour is serious, two Punishments will soon come to the world, if it does not convert and return to God.
You have little time, start praying more Rosaries and spread My Messages quickly, so that the number of those who pray increases and the number of those who pray produces more conversions. And so, more people pray and more people convert incessantly. Only in this way can the world be saved.
Don't waste time with worldly things, because it is through them that Satan deceives you and seeks to drive you away from all ways of prayer, which is the only thing that can save you and the whole world.
Don't talk, pray more, I need prayers, with words I can't do anything, but with many Rosaries of you prayed with love I can save many souls, I can save the whole world.
Pray My Rosary every day and keep doing My Trezen with love every month.
I bless you all with love from Fátima, from La Codosera and from Jacareí."

(St. Luzia): "Dear brothers, I, Luzia, your sister, servant of the Lord and of the Mother of God, rejoice to come today once again to bless you and to say to you: Run on the road of love!
Yes, I ran, run on this road praying the Holy Rosary more and more each day with love. He will give you feet, legs, or rather, wings so that much more than running you can fly on the road of true love, growing ever more in holiness, in the perfection of filial love that God desires from each one of you Here, and that the Mother of God also came to ask each of you here.
Run on the road of true love, meditating more on Our Messages which are extraordinary for those who meditate on them.
Run on the road of holiness and true love saying 'no' to worldly things and your own will every day. And always saying 'yes' to what the Mother of God asks you in Her Messages Here.
She is Love, Love is She. She is in God and whoever is in God is in Love and is love too. Therefore, everyone who finds Mary will find Love and whoever finds Love will find God and in Him will have everything, will have eternal life, will have salvation.
Come to Mary and you will find Love and in Love you will find God and the eternal salvation of your souls.
Come to Her and spread Her Messages, so that the whole world knows that She is the Mother of beautiful Love, she is the Mother of Love, she is the very Love that God sent Here to save you. And to lead you on the safe path of holiness and love that never deceives or is deceived, that never tires and never tires to Heaven.
I bless you all with love and say: With each passing day I love you more, pray My Rosary every week.
I bless you all from Syracuse, Catania and Jacareí."

(Saint Geraldo): "My beloved brothers, I, Geraldo, servant of the Lord and of the Mother of God, come again from Heaven today to bless you and to say to you: Fall in love with the Immaculate, in these days of Grace that She offers you here.
Fall in love with the Immaculate by praying her Rosary even more intensely and ardently.

Holiness in part depends on God, may He give you His grace, and in another part depends on you, on your fervent and ardent prayers, desires and efforts to be holy. Make an effort, therefore, in these days of grace to advance on the path of holiness and, above all, to fall more in love with the Immaculate.
Seek to know Her more, seek to read and meditate more on Her Messages and listen to them. Try to listen better during the day to this very rich Trezena that our beloved Marcos made for you, number 11, which is the Trezena of the Glories of Mary.
Try to know better the privileges, the glories, the beauty of Her, so that your hearts fall in love with Her and you truly grow more and more each day in true love for Her.
Fall in love with the Immaculate by spending more time alone with her in the sweet intimacy of prayer, in silence, in reading her messages. Run away from the noise, run away from the hustle and bustle of the world, find a lonely place to read Her Messages.
And so, let these Messages enter your hearts and bear much fruit. Yes, there in that sweet silence, reading and meditating on Her Messages you will spend unforgettable, indescribable, delicious moments of peace, love and knowledge of Her. Which will even make many of you shed tears of love for the Immaculate.
This is how true love for the Immaculate is born. Do this as I did, always meditating on Her, staying in sweet intimacy with Her in prayer. And then the Flame of true love for Her will grow immensely in your hearts.
Fall in love with the Immaculate, saying more and more 'no' to you, at will, to your opinion and always saying 'yes' to everything She asks of you in Her Messages. Or else, in her representative legitimately chosen by Her, so that, in this way, truly growing in obedience, you also grow in true love.
Because to obey is to love and to love is to obey the Immaculate. Therefore, pray, obey and fall ever more in love with the Immaculate, seeking her in prayer, in meditation on her Messages.
And above all, every day dying more and more to all that is mundane and to your will and living only for the Immaculate, for the Immaculate and increasing the glory of the Immaculate in the spirit of the Immaculate.
Pray My Rosary every week, for it I will increase My Flame of Love in you all until it becomes a fire of love as I had in My heart.
To all of you, to all who are present here, above all, to My beloved brothers who came from far away today to console and take swords of pain from the Heart of Our Most Holy Queen, I now bless you abundantly from Muro Lucano, from Materdomini and from Jacareí.
Peace Marcos, the most obedient and hardworking of the servants of the Mother of God, Peace to all, good night."

(Mark): "See you soon."

Jacarei, December 04, 2016

(Mark): "Forever be praised! Yup. Yes, yes I will. Yes, I understand. And for when do you want this new Trezena?

No, it's not work. Nothing gives me more joy! My only regret is that I have so many things to do at the same time, that sometimes I can't do everything the Lady asks.
Thank you for trusting me so much.
Yes yes."

(Holy Mary): “Dear children, today I invite you all to draw closer to God who is Love! You cannot have love apart from God nor without God.
Therefore, draw closer and closer to Him until your hearts are filled with the Love of God, the true Love of God, which I came Here to offer and give to each one of you.
God is Love, Love is God! And only when your hearts are filled with God will you be filled with love.
This is why this world has touched the bottom of its sin, wars, hatred, violence, selfishness and wickedness. Because when moving away from God, they moved away from Love and that is why the human being has become a violent and rabid beast, who doesn't love anything, or anyone, not even himself. For if he loved himself and his own soul, he would also love God, who is the source of all good and all grace.
And that's why I came here to Jacareí to teach everyone to love God again, but not with the love of the fear of a slave, who only obeys God for fear of punishment or the fire of hell, nor for self-interested love, which only loves and seeks God because of graces and consolations.
But I came here to teach you filial love, the love of the son who loves the Father for himself, because the Father is worthy of all love, the Father is worthy of all the service and obedience of his son, whom he created , took it out of nothing, called into being out of love and accumulates benefits every day throughout its life.
Yes, it is this love that I came to teach and ask of you, a love similar to that of Abraham, who did not deny God his only son. Abraham, who loved God more than his son Isaac, more than himself, more than anything.
Yes, because of him all the nations of the earth were blessed, because he loved much. And if you also love God like Abraham you will be blessed: you, your jobs, your lives, your families and everything you do.
Love like Abraham's is what God expects, it's what He looks for on earth and doesn't find. Here, where I found this love in my little son Marcos and where I and the Father delight in him, because he loves us more than anything, more than himself with a rare filial love.
Here, I always do My wonders and that is why I reveal the great secrets of My glory and My power to My little son Marcos, because he loves Me with filial love and it is only to those who have a love like this that I reveal My secrets. Only to the children who love Me with the tenderest, most ardent love and who are My dearest friends.
If you, My children, also want to receive great graces from My Heart, love Me in this way. Love Me as My son Marcos loves and I will illuminate your souls with My light, I will reveal to you My secrets of Love, which will transform your souls into a sea of light. And they will wound their souls with the spear of the eternal, of the divine love, transforming them into incessant flames of love.

Go Marcos, go My incessant flame of love and keep singing your song of love every day for Me, so that the whole world hears and also falls in love with Me and all My children come Here to give Me their hearts. I love you all more each day and each day I want to fill you more and more with My Flame of Love. Expand your hearts to receive My Flame for more prayers, for meditation on My Word. And, above all, by the exercise of continually dying to yourselves, to your will, to love My Heart always more and also to love the Lord with the love of Abraham.
Keep praying My Rosary, My Trezena, My Seventy and all my prayers every day.

I bless you all with love now from Lourdes, from La Codosera and Ezquioga and from Jacareí."

(Saint Bárbara): "My beloved brothers, I, Bárbara, servant of the Lord, servant of the Mother of God, am glad to come today on My Feast day to you, to say to you: Love God with an equal love to Mine, giving everything for everything, life for life and even blood for blood if necessary.

Our Lord gave all of His Life to you, all of His Blood to you on the cross for your salvation. Give Him everything too, your lives, your existences, your strength, dedicating yourself more and more to love, to serve God with all your heart. Love the Lord with a love equal to Mine, loving Him more than yourselves, loving Him more than your parents, more than your relatives, more than your children, more than anything. So that your love truly is similar to Mine, that I loved the Lord more than My Father, who wanted Me to deny My faith in Jesus and Mary and to despise Them.
I did not obey him, I remained firm in the faith, I lost the love of My Father on Earth, but I gained the predilection of My Father in Heaven. I lost the love of My Earth Mother, but I gained the predilection and love of My Heavenly Mother.
You too, in this time of great tribulation, are called to have a strong, great, manly faith like mine. A faith that does not allow itself to be paralyzed, that does not allow itself to be brought down by anything or anyone, even if they are the people most dear to your hearts who want to make you abandon Jesus and Mary, do not give in.
Stand firm in the faith and in the end like Me, you will have a great crown of glory in Heaven.
I call you to have a strong faith, strong as a rock, so that, truly, the torrents of trials, of tribulations cannot overwhelm you, cannot bring you down, cannot collapse the building of your faith.
Love God with a love similar to Mine, giving Him your body as I did, consecrating myself to Jesus and Mary already in My youth. Do not think that you must first give the spirit and then the body. No! Give the body and the spirit will go together.
Consecrate yourselves young people to the service of the Mother of God and you will feel the same perfect joy that I felt in serving her as a consecrated soul, as a Virgin consecrated to her service and to the service of the Lord.

And then, verily, your heart will overflow with joy, with heavenly happiness. And then you will radiate that joy and that flame of love over all men and all peoples, drawing them all to Jesus and Mary as I did with My example and with My Martyrdom.
Yes, at the time when I was martyred by My own Father, many converted to the Faith, many accepted Jesus and Mary into their hearts and became enamored with Them.
Do it, make everyone fall in love with Them for your example of holiness, of prayer, of love for Them, also for your daily martyrdom. You cannot shed your blood like I do, but you can accept the crosses of each day that the Lord allows you with love.
And transform this into a martyrdom of love, which will not only make your flame of love for Them, for the Lord and for the Mother of God grow enormously. But you will also transmit this flame of love to all those who know you, igniting them and making them passionate also with love for the Lord and the Mother of God.
Your example, suffering so much for love of Them, will end up winning all men to Jesus and Mary. Because from your sacrifice, a great mystical power will rise into the hands of the Mother of God, which will return to Earth as an inexhaustible source of graces that will never cease.
I, Barbara, love you very much with all My heart! I protect you as I have already told you here in previous years with all My Love!
And in these days of the Immaculate, I ask you: fall in love with her as I fell in love, She was My great and profound love. It was She who introduced Me to Her divine Son Jesus Christ and who made Me consecrate myself to him, making Me His mystical Spouse.
It will also be She who will lead you to Him and who will make you unite with Him deeply until you are one flame of love and one heart with Him.
Love her! Love her, because she is the ladder to heaven, Mary was my ladder to heaven, with her I learned all the virtues and had the strength to practice them to a heroic degree. With her I learned to pray with my heart even without having messages from her, because she guided me, inspired me, enlightened me, led me by the hand.
With her I learned to despise worldly things and prefer Heaven. With her I learned to despise the riches of this world, a happy life, marrying Me, having children and having a peaceful, rich and comfortable life to prefer the riches and treasures of Heaven, which thieves do not steal, moths do not gnaw, rust does not corrode.
With her, with Mary, I learned that love was God and that only God could fill My soul so great and so thirsty for the fullness of true love.
From Mary, I learned the secret of the cross, the love of the cross, that is, that the path that leads to Heaven is the path of the cross and of self-denial. And that she was not asserting Me before the world as a beautiful, rich, powerful, wise, attractive, well-married woman with well-educated and noble offspring. It was not by asserting Me before the world that I would be noble in the Kingdom of Heaven, but by denying Myself that I would gain eternal life.
Young people, come learn with Me this great secret of love and holiness and I will teach you this science of the Saints, which is the science of Jesus and of Jesus crucified, where the secret of eternal life is found.

Come to Me and I will give you all that light, all that divine knowledge that will fill your heart with a mystical joy that the world can never give you.
Consecrate yourselves to Mary and you will have all this, you will live all this and you will be noble, rich like me in Heaven, where you will shine brighter than all the stars in the firmament.
And you Marcos, incessant flame of love from the Mother of God, My incessant flame of love too, who have loved Me for 25 years. Since you have known My life, you have fallen in love with Me and I have fallen in love with you too. Since then, I have taken you as My thing and property and I decided to protect you and I asked this permission from the Lord and Our Most Holy Queen and They gladly gave it to me. Since then, I accompany you, I follow you, I cover you, I protect you, I enlighten you, I inspire you, I guide you and it was always I who gave you a manly faith to face all the persecutions and slanders that you raised against you.
Yes, I strengthened you, I continually poured out on you the graces of the merits of My martyrdom, of My blood shed by the Lord to strengthen you in the persecutions of the priests and the people in general.
I have never, never abandoned you and I will never abandon you, I love you to the point of madness and for you I am able to go to the other end of the galaxy or the Universe to bring you anything you want. If I could, I would return to Earth in mortal flesh, to help you, to die for you.
Yes, I love you, I love you to the point of madness and I love all those who come Here. I have said in previous years that pilgrims who come here are specially protected by Me. Take advantage of this in tribulations and sufferings, call on Me and I will come without delay to your help.

And as for you, dearest Carlos Tadeu, Spiritual Father of My Marcos Tadeu, I also protect you from the moment you said 'yes' and accepted to be the spiritual father of Our treasure on Earth, Our Marcos, My Marcos.
I also fell in love with you and decided to protect you, love you, guide you and give you all the graces of the merits of My martyrdom throughout your life. I will never leave you, come to Me also in your prayers, call Me and I will truly come without delay to console you, to give you strength in the fight, to win all battles and reach Heaven as a victorious champion.

As for you, beloved Marcos de Paula, who assumed My name on the day of your consecration, of your religious vows, on you today on My day I pour out the special graces from My heart, from My hands and from My martyrdom. You gave Me great honor, great joy, and great contentment by taking My name on the day of your vestment, of your religious vows so many years ago. I love you very much and today I truly bless you with all My love.

And you too My beloved Luís Miguel, who has been waiting for a long time Here, today I also bless you with all the abundance of My graces. You cannot imagine how much I love you and how much Our Most Holy Queen also loves you, She is capable of doing the unimaginable for you.
You must therefore feel happy, because among billions of men, among millions even in your homeland, you were looked upon with love and predilection for her. You were separated from the world, to be Hers alone, to live a life more angelic than human, to be served by the Angels themselves, for

They serve all those who consecrate themselves to Mary by religious vows as Princes.
Yes, rejoice that you are chosen as one of the Princes of Heaven, who together with the Mother of God will one day truly gather all nations at Her feet, to form for the Lord a holy people on Earth around Him and a people angelic to Him in Heaven.

And on all of you, beloved young people, who had the courage to renounce the world, its glories, its riches and even a happy marriage, which would be lawful for you. To you, who renounced everything to be Mary's alone and to make her your hope, your everything, your life, and your love with God.
To you today the great graces also descend from My heart and from My hands, I love you very much and I bless you now with Love."

(Marcos): "Dear Heavenly Mother, can you touch these scapulars, pictures and rosaries for your children now?"

(Holy Mary): "Dear children, thank you for staying all this long time, when My daughter Barbara and I touched these rosaries and scapular, here in prayer.
I thank you and as I have already said wherever these rosaries, pictures or scapulars arrive there, My daughter Barbara and I will be alive, taking the grace of the Lord, His protection and His Love to everyone.
Above all, in the time of the Punishment, in the three days of darkness, these paintings, scapulars and rosaries will be like the blood of the lamb placed at the door of the Israelites.
There, where they are, neither the demons will be able to enter to seize them and take them to the flames, nor will that place be affected by the Wrath of God.
Wherever these rosaries, scapulars and paintings are touched by My Hands and those of My daughter Barbara, the Holy Angels will also be together with the Angel Gabriel by My side to bring many great graces to everyone.

To all I leave My Peace, good night."

Jacarei, December 07, 2016

(Holy Mary):"Dear children, today, the 7th, the monthly Anniversary of My Apparitions Here with all of Heaven and the eve of My Immaculate Conception, I come again to you to tell you: It is the holy night, it is the holy night of the dawn of your salvation It is the Holy Night when the Holy Trinity, seeing that the fullness of time had already arrived, had decided to create Me Immaculate, pure, without stain and full of the grace of the Lord. night of sin and separation from God in which humanity has lived for so many years, since the sin of our first parents. Night that was already starting to lighten and announcing that the great day of the Lord's salvation had arrived. Justice. I am the Dawn of Salvation, and that is why the Holy Trinity made Me Immaculate, full of Grace, full of love, full of the benevolence of the Most High. And of these graces,

which I am full of, I can give to whomever I wish, as much as I wish, and as I wish. I am the Dawn of Salvation, and therefore, God has truly filled Me with all the Graces of His Munificence. He raised me to the highest dignity that a pure creature can be raised to, the dignity of the Mother of God. To then truly give the world His only begotten Son to save it and to bring holiness and salvation to every man. truly He filled Me with all the Graces of His Munificence. She raised me to the highest dignity that a pure creature can be raised to, the dignity of the Mother of God. To then truly give the world His only begotten Son to save it and to bring holiness and salvation to every man. truly He filled Me with all the Graces of His Munificence. She raised me to the highest dignity that a pure creature can be raised to, the dignity of the Mother of God. To then truly give the world His only begotten Son to save it and to bring holiness and salvation to every man.

I am the Dawn of Salvation, and so on this holy night I invite you to truly give your hearts to Me. So that I can make My mystical and immaculate light enter them and shine in them, which will become all the stronger as darkness envelops the world, souls, families, society and the Church.

In these evil times, Satan managed to obscure everything with his smoke and he plunged everything into the deepest darkness of sin. It is, therefore, My maternal mission as the Dawn of Salvation to make once again the light of the Sun of Righteousness, Christ Jesus, who is returning to you soon in glory, to rise to this world.

That is why I have come in My Apparitions as the Dawn of Salvation, to prepare the way for My Son's return. And just as I, the Immaculate Conception, prepared the way for His first coming, beginning to illuminate the world with the rays of My holiness and of My immaculate purity, so now I come before My Son, to illuminate the world with the rays of My Grace, My Love and Truth in My Apparitions Here and in so many parts of the world.

So that, truly, I prepare for My Son a holy people and holy temples in souls for Him, who is already returning to you in love and as love.

Therefore, obey My Messages, pray a lot, live a holy life so that My Immaculate Light can truly shine in you more and more each day until it becomes a true luminous day of holiness, grace and love.

Tomorrow pray My Rosary at noon as I asked Here and all the graces you ask for will be given to you. Tell My children to come with their hearts dilated and open for much prayer. The more you dilate your heart, the more you will receive. The measure they will receive will be the measure of their hearts.

I love everyone, I take care of everyone and I always have My eyes on you all. Pray My Rosary every day, through it I always make My immaculate light shine in your souls and through you in many other souls who are in sin.

I bless you all with love from Lourdes, from Pellevoisin and from Jacareí."

(Saint joaquim): Be immaculate like Mary Immaculate, living as she lived, serving, obeying, loving God ever more, giving your life ever more to the service of God. And, above all, fulfilling with love and faithfulness the Word of the Lord, His Commandments, which is always life, grace, happiness and salvation for you. I, Joaquim, Father of the Mother of God, love you very much! I live here with My Immaculate Daughter and with My Spouse Anna always, praying for you, interceding for you, imploring the Lord's grace for you. I have the mission to take care of all of you, children of My Daughter,

because I am your Heavenly and Spiritual Grandfather and I care for you, I truly have a special love for you and I care for you with a special and particular concern. in your tribulations come to Me, ask for My powerful help and I will always help you. Love the immaculate Mary giving her your heart so that she can purify it, beautify it, perfume it, enlighten it, make it beautiful and perfect for God. And I say to you: a heart, a gift like that, offered to the Lord by the hands of My daughter Mary, the Lord will not refuse. Therefore, cultivate every day a true and perfect devotion to her so that you may be admitted to the service and presence of the Lord.
Love Mary with all your heart and Mary will also love you with all her Immaculate Heart. Give Mary everything, all your life and She will also give you all Her Love, all Her Affection, all Her Peace.
I, Joaquim, love you very much and now I bless you all with extreme love and especially to you Marcos, the most obedient and dedicated servant of My Daughter Mary Most Holy.
You please My Heart very much by serving Her, you give Me great joy to see you working, serving Her, even when you are very tired like today, when you made three, three new discs of Meditated Rosaries for My Daughter in one go. turn.
You were very tired from a whole week of intense work and a lot of rush to prepare for Her Party. But even so, you took from your heart, from your flame of love, the strength to work even more intensely for her today. And it is this, this what makes Us immensely happy, to see such a servant, loving My daughter Mary so much, dedicating himself so much to Her and working ardently for Her even when exhausted.
When it is more difficult for you to do things for Her, that is when you give more glory to God, more glory to Her, more joy to Her and also more joy to Me and much more merits stored in your treasury in Heaven.
You must feel happy, because on this holy night that precedes the Immaculate Conception of My Daughter, this night is one of the nights of the year that you receive the most graces from Her Heart.
And tomorrow she will truly deny you nothing, because during the year you have denied nothing, nothing to her.
I bless you and all these beloved grandchildren of Nazareth, Bethlehem, Jerusalem and Jacarei."

(Saint Anne):"Beloved, beloved spiritual children and grandchildren of Mine! I, Ana, come tonight on the night that precedes the Immaculate Conception of My daughter Mary to bless you and say to you: Love Mary with all your heart and Mary will love you. Honor Mary and Mary will honor you, exalt Mary and Mary will exalt you, serve Mary and Mary although being Queen of Heaven and Earth will serve you and help you with Her Graces.Give Mary your Heart and Mary will give her Immaculate Heart full give thanks to you, so that through him you may receive all the good and all the grace of the Lord. Give Mary all your love and Mary will give all her love to you. Honor Mary with your life full of prayer, sacrifice, service and obedience to her. Serve Mary not in appearance, but in truth. For She does not want apparent devotion, She does not want apparent love, but real love, true, sincere and deep in your heart. Love Mary with all your strength, sacrificing yourselves for her, because whoever loves fights, works, sacrifices and even dies for the one he loves. She will also do

everything for you. Do everything for her and she will do everything for you. Move everything, everything for her on Earth and She will move everything for you also on Earth and in Heaven. which are two Hearts united in a single flame of love. Therefore, everyone who loves Mary will also love Her blessed fruit, which is My grandson Jesus Christ. Love Jesus and you will also love Mary, for the Heart of Jesus and the Heart of Mary burn together in a single flame of love. And by loving these Hearts in one heart, you will truly give Jesus and Mary all the love they desire. It is the love that you must give tomorrow on the Feast of My Daughter Mary, the Immaculate only wants from you a total, complete, unrestricted love. , unreserved and immaculate. That is, without stain of human intentions, without stain of the 'I' itself, without stain of contamination of the earthly loves of creatures.

So that truly, your heart, being totally Hers and remaining totally in Her, can finally receive Her Flame of Love, so that She will do great wonders in the whole world.

Oh, how I love you! If tomorrow you ask My daughter Mary and also Me for the grace to be enflamed by the Flame of Love, this Grace will be given to you and everything else will also be given to you in addition. For whoever has the flame of love, which is the Holy Spirit, has everything and through Him he also has the Kingdom of God and everything will be given in addition.

Yes, how much I love you, how much I protect you, how much I bless you! And how much also every day I work in your favor. From the first Message I gave here until today, I have never ceased to work for your salvation, interceding for you, advocating your cause in Heaven, imploring great graces to the Lord, through My Daughter Mary, for His merits for you.

Also, I always offer to the Lord every day My personal merits, including the very great merits that I obtained by exercising the virtue of heroic patience that I had during all the years that I was barren. Suffering mockery, humiliation and mockery from all those who said that I was cursed by the Lord, because I had no children.

I offer all the merits of the virtue of patience suffered in My great humiliation for you, so that you may truly receive all the days of the Lord: grace, blessing, peace and mercy.

Oh! Pray the Rosary of My Daughter Mary, because through it She will always give you, your hearts, deep graces of love. And truly, she will make you little immaculate children of the immaculate Conception.

I now bless all of you and, above all, My children João and Olides who brought My Image from Portugal here, it was My will, it was My desire. And so, as you have brought this image of Mine through which I will give many blessings and thanks to My pilgrim grandchildren who come here. So one day I will also take you to live with Me in My abode in Heaven.

You brought Me Here, one day I will take you to My home in Heaven. You have brought Me to this house of My Daughter, which is also Mine, I will one day take you to Her house in Heaven, so that together with Me and My Spouse you will truly sing forever by My side the praises of the Lord and be happy with Me forever. !

I now bless you all with love from Jerusalem, from Nazareth and from Jacareí. Peace to you Marcos, Peace also to your spiritual Father Carlos Tadeu, tell him that I love him very much, that I protect him, that I take care of him, that I keep him and that I truly have a jealous love for him. And I will never allow

anything that anyone separates him from My daughter Mary Most Holy, since he is a gift, a gift that My grandson Jesus gave to My Daughter. A gift that My Husband Joaquim and I take care of with zeal, love and true jealousy.
Yes, he is also Mine, I love him, I keep him, I defend him and I will always, always be attentive, zealous, taking care of him with special care and always ready to advocate in Heaven all the graces he needs.
Tell him that tomorrow I will be particularly close and bending over him to shower him with the graces of the Immaculate Conception of My Daughter Mary.
And about you Marcos, the most ardent and zealous of My devotees, who you have tried so hard to propagate, to spread My devotion through My Images, through the Mystical City of God, where so many thousands and thousands of My grandchildren knew that in Heaven there is a Spiritual Grandmother who loves them very much and prays for them.
To you who have loved Me so much since your earliest youth and to all these My grandchildren who are also My children, I bless with love from Jerusalem once again, from Nazareth and from Jacareí"

(Marcos): "Dear Heavenly Mother, can you touch these rosaries with your parents that We made for your children since tomorrow you will not touch them?"

(Our Lady):"Dear children, as I have already said, wherever one of these Rosaries arrives touched by Me, by My Mother Saint Ana and Saint Joaquim My Father, there We Three will be alive taking great graces from the Lord to all. have these Rosaries blessed by Me, because in the days of the Great Punishment the house where they are will not be hit by the rays of the Wrath of God, nor will the demons be able to enter it to grab and take My children to the flames. There We will always be present covering that house with Our Mantles of Light and it will be defended from all evil as was the case with the houses of the Israelites in Egypt who had the Blood of the Lamb on the door. May they be helped, blessed and kept ever more by Us. To all I leave Peace, good night."

Jacareí, December 8, 2016 - Feast of the Immaculate Conception

(Mark): "Speak to me, Lord, my heart faints with longing for your Words, which for me are wonderful. That I meditate on them night and day and that I receive all the good from them in my soul, all the wealth of your love and that feeds me, feeds my soul with the bread of truth, with the bread of love, with the bread of grace that feeds me. you give from your own hands.
My soul like a dry desert cries out for your word, cries out Abba Father! Give me your word, the word that transforms my soul into an oasis.
That transforms my soul into a garden, where all the most beautiful flowers of perfect love, of holiness exhale for you the most precious perfume and also give you the richest perfumed spikenard to honor your divinity and to glorify your name before all men and all nations"

(Eternal Father): “Beloved My children, I, your Father, come today on the feast of my most beloved Daughter Mary, to bless you and to say to you once more:
Mary is My magnificent work of Love! Mary is My magnificent work of Love, for I, I myself made her My firstborn, firstborn of all Creation.
And in her, together with My Son and for Her, all things were created and made. Mary as My Mediatrix was in My thoughts from all eternity and out of love for Her I created the beautiful, perfect world filled with the Gifts of My Grace and My Love, so that everything would serve Her and everything would serve My Son.
That's why I created everything that exists with Mary in My thought and for Mary and in a way through Her too, because it was for everything to serve Her, the Mother of My Divine Son, that I made all things.
This science is very high and contains ineffable mysteries that are incomprehensible to those who live wallowing in worldly things and do not raise their hearts to Me, through a life full of asceticism, prayer, meditation and, above all, of love.
Only to those who are pure in heart, only to those who love Me, who seek Me from dawn to dusk, only to those who hunger and thirst insatiably for My Word and those who truly love Me with filial love do I reveal these greatness of Maria.
And it is only for these that these magnitudes are understandable, because only they have eyes to see. As my son and servant Mark tells you, the eyes of the body are useless when the soul is blind.
And when the soul wants to be blinded by attachment to earthly things and evil, these very grandiose mysteries of Mary My favorite Daughter cannot be understood by them, not even observed.
Therefore, I want you to seek ever more to know the greatness of Mary, the Privileges with which I have endowed her, because by knowing her you will love her more and by loving Mary more, you will love the blessed fruit of her womb which is my Son and who loving My Son will love Me, because I and My Son Jesus are one in Love.
Yes, I created Mary, Mary is the magnum opus of My Love and in Her I placed all My Love, all My goodness, all My sweetness, so that through her sinners would be attracted to Me and not be afraid to approach Me.
Many think I am a very strict Father, a Righteous Father and very cold. So to undo this mistake I created Mary, so that everyone, then, feeling the sweetness of Mary, feeling the goodness of Mary, would see that it was I who made her and prepared her.
And that Her goodness comes from Me because only I Am good and the creatures that are united to Me have My goodness and My love. And Mary, who came out of My Hands as a Holy and Immaculate creature, has the fullness of My goodness and My Love to give to sinners.
And then in Her sinners learn to love Me, they return to My arms and then I save them with my fatherly and merciful love.
Mary is the magnificent work of My love and that is why I placed all My wisdom in her, making her the seat of wisdom. That is why truly every man who gives himself to Mary will be wise, from her mouth, from her tongue will come wonderful things, a very high science that in the world no matter how much you

study you will not be able to reach or understand, you will not be able to possess this wisdom.
Every man who gives himself to Mary will become wise speaking of very high things as if he had known them from his birth, he will speak with beauty, he will speak with strength, anointing, with the power of My spirit.
He will speak with words full of fire that souls will not be able to resist and that is why they will fall in love with Me and be holy by My side. Yes, the man who gives himself to Mary and who lives side by side with Mary will little by little learn from this thirst for wisdom, divine wisdom that is different from human wisdom.
And for that reason, this soul will not only speak, but will do great things with Mary and in Mary and the souls dazzled and enchanted with such wisdom that is not of Earth, but that is Mine and that I only give to those who are well united to My Daughter, the Seat of Wisdom Mary men
Then you will know the truth, you will be freed by the truth, saved by the truth. And then you will truly live a life of holiness that pleases Me.
Mary is the magnum opus of my Love and in her I truly put all my strength, to strengthen you in the fight you have to fight in this life. All purity to overcome all temptation and all impurity in your life.
In Mary I placed all science, so that you can know My Mysteries, My love, and truly adhere to this Love, adhere to this science, to this knowledge that comes from Me.
I have placed all my understanding in Mary, so that in her you may not only understand My Will perfectly, but also execute it perfectly with the help of the Virtue of the Fortress.
In Mary I finally put all My compassion so that in her you can feel My Love, you can feel how much I pity you My children, so under siege and threatened by My eternal enemy.
Yes, in Mary I have compassion on you and that is why through Mary I always forgive sinners. I cannot see a sinner asking Me for forgiveness through Mary, I cannot resist this sinner, I always forgive, I erase all his faults, I give him a new garment of grace, I embrace him and I declare him My son.
Therefore, sinners, if you want to find grace before Me, come to Mary who is your compassionate Mother and in Her compassion you will feel Mine. And if I see you truly asking Me for forgiveness for Mary and with Mary I will not resist, I will come to you, I will give you the embrace of peace and reconciliation, forgiveness and love.
And I will give you a new garment of grace, and I will restore your former beauty, when you came out of the baptismal fonts. Oh yeah! If you come to Me through Mary, I will give everything I will do everything I will move for you.
Mary is the magnum opus of my love and in everything that today so beautifully and perfectly my son and servant Mark spoke to you about My most favorite daughter, you can see how holy I am, how perfect I am, how truly I am three times Holy!
I am the terrible and omnipotent God who raised this mountain above all other mountains. In other words, I raised Mary over all humanity and over all the peaks of the Saints that ever existed in this world.
So that in Mary, above all, in Mary you all may see the munificence of My great power. Yes, in Mary, the great work of My love, I accomplished the greatest

work outside of Our adorable Trinity, the Man God, I accomplished your redemption through this Man God, through Mary, the great work of My Love. Through her 'yes' I have accomplished endless graces and wonders throughout the centuries, in so many peoples, nations and times. And it will also be now that I will carry out for Mary the final work of My power which will be the Triumph of My Son's Heart and the Triumph of Her Heart, transforming the whole world into Our Kingdom of Love.
These Apparitions Here are the last great work of My power that I carry out for Mary, as I have said so many times here.
Here I show not only the glory of Mary and My Son, but also My glory revealing Me Here with My Messages to you. I have been forgotten by you for a long time, during your entire life you have forgotten Me, you have despised Me, you have not spoken to Me, you have not spoken to Me, you have not had a life of union and of love for Me, with Me.
But now Here, in My Apparitions in Jacareí, I made you know My loving face, I made you know My Fatherly love. I brought you closer to My Love through My Holy Hour that I commanded My servant and son Marcos to do for you.
And in Her you can truly penetrate the mystery of My Love, you can penetrate the Love of My Paternal Heart for you and you can truly live a true life in Me. Here, you understand what it is to live in Me and what it is to let Me live in you and that is why this wonderful work, which if it were not for My Apparitions Here with Mary, you would die without knowing it. This wonderful work, this wonderful life, this wonderful grace, this love that fills your heart and truly transforms you into My abode.
All this is the magnum opus of My Love that I make known to you Here through Mary, because I love you so much.
I Am Love and I come Here to reveal My Love for Mary and through Mary, through My Saints on whom I have always imprinted My Grace and always manifested My great power and love.
Here, truly, you know My Face, come My children, come because I want to save you. Come, don't be afraid, I don't want to condemn you, I want to forgive, love, save.
Come My children, give Me your hearts so impoverished and miserable by your sins and I will enrich them.
Come, give Me your hearts so cold and hard and I will warm them in the flames of My eternal love. Come My children, give yourselves to Me with your life and all your heart and then I will do the wonders of My Love in you.
And I will truly give you grace for grace. Oh! Continue to pray the Rosary of Mary, because through Him I give you all the graces of My Hands.
The Rosary has an almost absolute and infinite power over Me, I cannot resist, I cannot deny anything to the soul that asks Me for the Rosary of Mary, because it asks Me for Her, with Her and in Her, which is the magnum opus of My Love, which she is My favorite and dear firstborn daughter.
And that is why I say: Anyone who asks Me for anything for the Rosary of Mary and prays it with love for Me, for My Heart and in My Name, I will not deny anything, anything that he asks of Me.
Because the Rosary of Mary touches My chest, it touches the deepest fiber of My heart on which the Name of Mary is written, it touches the fiber where the name of My Son Jesus Christ is written and that is why, asking Me for Mary ,

nothing, nothing I can deny, I cannot resist The Rosary disarms Me. If I am angry with you and with the world, the Rosary disarms My Justice.
That is why where the Rosary is prayed the punishments will not fall and My Graces will descend there with My Angels to fill you with all My goods until you say: truly the Lord is good and merciful, the Lord has saved me the Lord has saved My life, the Lord is My bulwark, He is My shield with Him I will not fear and I will follow Him, I will serve all the days of My life. He makes My cup run over and pours perfumed oil on my forehead.
Yes, where the Rosary of Mary is prayed, there will be so many graces that truly all My children there will live a full and abundant life as My Son wanted and as I wanted through Him. And they will praise Me, they will bless My name, they will know My Face, they will be My holy people and I will be their God.
Today, on the day when I, My Son and the Holy Spirit created Mary the magnificent work of Our Love, I truly say to you: My gaze was on you all the time Here, My gaze drank every word that My son Marcos about My most favorite daughter Maria.
My heart vibrated, exulted with joy, because He exalting Mary as He exalted gave Me, honor, glory and praise. Because Mary does this, through Her I receive all satisfaction, all the return of My graces, of My works, of the wonders that I work.
And today through Her I received from you Here great return, satisfaction and glory for the great work that I created which is Mary.
That's why today I was glorified as never before and that's why the doors of hell were closed today, no one was condemned, the doors of purgatory were opened and many, many souls came out of those flames and are already before Me enjoying My glory and of My eternal happiness. And that is also why I have showered upon you here an invisible rain of great and great graces.
Above all, on you My most beloved son Carlos Tadeu, yes, today I showered great graces on you. Your coming, your presence Here brought great joy, great comfort to My Heart, great joy.
It is enough for you to live, it is enough for you to breathe to give Me joy, to give Me satisfaction and contentment. Because you live united with Mary, because you also live united with the favorite servant, My most beloved son Mark, whom I chose through him to do My wonders Here for the salvation of the world.
Because you serve Us with such love and obedience, your life has become in itself a hymn of satisfaction, of propitiation, of atonement, of adoration and of praise to Me. With your coming here, you take from My Heart many mystical swords of pain that the world stabs with its sins every day.
And today I truly say to you: For your obedience and fidelity to Mary and Me I bless your Earth, I also bless this country, I bless many nations of the world. And on many of them today I will remove the sword of the Punishment that was pending, I will pour a great shower of graces and I will send My Angels to mark the forehead with the sign of salvation, the soul of so many My children, so that they may truly be saved.
Your elevation, your ascent to holiness, obtained from Me many graces for the merits of the good works you have done. And your life and your prayer, which also enchants My Heart and which I cannot resist, these prayers of yours and good works draw from Me Grace, Salvation and Mercy.

You must, son, feel happy, because truly your name is not only written in the Immaculate Heart of Mary, but it is also written here, here on My Mantle, here very close to My paternal heart.
And that name that is written here I will not allow the enemy to erase it, I will not allow the world to erase it. And every time My Divine Paternal Heart pulsates with love, it will release a grace for you.
And that is also why every Sunday at noon you will receive a special blessing from Me. At that moment I will descend with many Angels to you to bless you and to give you grace upon grace and blessing upon blessing.
Your 'yes' to Mary, your 'yes', accepting the mission that She entrusted to you, has given to My Paternal Heart, great glory, great honor, great praise. Persevere, because through you I will also show many of my children how great My Fatherly Love is, how I want to save them, how I want to benefit them and in you many of them will understand a little how much I am a loving Father, how much I want everyone my children and how much I want to have My children always with me in joy, harmony and peace.
Persevere on your path that will lead you to a beautiful home here in My house in Heaven. You have on Earth Mary, your treasure, you also have her greatest treasure, which I gave you as a spiritual son, to advise, help, encourage, protect and also guide.
To guide ever more along the path of holiness towards Me, towards the perfection that I expect and want from Him. So move on, I'll be with you, don't fear anything, It's me who fights for you.
In fact, the fight you undertake is Mine, more Mine than yours and therefore, I will fight for you, I will fight in you. For you I will defeat My enemy, and for you I will triumph and you, Mark, My most beloved son, who today gave great glory, great honor, satisfaction, and I return to Me glorifying the great work of my love, Mary.
The most abundant blessings of My Paternal Heart descend upon you now too, I cannot explain to you now how much good you have done today to the world and to all the souls who watched and listened to you.
How much good you did in revealing to them more deeply the Mysteries of Mary, the Great Work of My Love and the complement of the Adorable Trinity, of Our Trinity.
Yes, you made souls enchanted by her, falling in love with her and not wanting anything more than her in this life and to come to me for her. That's why, my son, my benjamim, my favorite.
You have given great glory to My Heart. And, truly, you glorified My Name by glorifying the most perfect and pure work that came from My Hands, so son, rest happy today because you did a beautiful thing, a beautiful work.
You truly made your heart's song of Love for Mary echo in thousands of hearts around the world and this song also enflamed them with love for Mary and enflaming them with love for Mary, enflamed them with love for Me, so I made and prepared it so perfect for you.
Yes, son, go on, keep going higher and higher, acetically towards Me, the more you go up, the more mysteries of My Great Work I will reveal to you, the more and more My Secrets you will know and more and more greater things I will entrust to you and you will do.

You are My favorite servant, my well-loved son in whom I place My complacency, happy is everyone who listens to you, for he will listen to Mary and listening to Mary will listen to Me.
And to all these well-loved children of mine who consecrated with you and gave their lives to Mary here on them now rest My divine eyes of Love.
On them I pour out My graces and on all My children who came today to praise and honor the Great Work of My Hands I now with Love generously bless you from Nazareth, Jerusalem and Jacareí."

(Holy Mary): "My children, I am the Immaculate Conception, I am the mother of Grace, I am the complement of the Holy Trinity!
Yes, the Holy Trinity loved Me so much that She made Her complete universal and that is why through Me She wrought the greatest wonder outside the Trinity, a Man God and through Him your redemption.
The Holy Trinity also made Me His complement in the operations within the Trinity. Therefore, all the love, all the glory and all the goods of glory and divinity that the Divine Persons happily communicate among themselves also made Me a sharer in these goods.
So that the Persons of the Trinity could love Me and I also love Them better. And also, there in that divine consistory I can truly serve, glorify, adore and love in a way practically incomprehensible by you, the three Persons of the Adorable Trinity.
I am the Immaculate Conception, I am the Mother of Grace, I am the Source of Grace as My son Marcos told you, I am Grace, I am Beauty, I am Peace, I am Purity, I am Love!
Because I lived deeply united with God, immersed in Divine transcendence, because I was made the universal complement of the Holy Trinity, God filled so much with Love that I became truly Love, Mother of beautiful Love, source of Love, seat of Love and truly source of Love, source of Grace.
Therefore, all of you My little children who want Love, come to Me, because I Am Love and I can give the Love of God in which I live completely immersed in His transcendence.
You who want peace, come to Me I am Peace and I will give you Peace!
All you who want purity, who want grace, or any other virtue, come to Me and I will give you all this, because from this I am a practically inexhaustible source continually gushing out the water of the Lord's grace.
That river that the Apostle saw welling up in the very center of the heavenly Jerusalem and which with its waters carried life wherever it passed was a figure of Myself. I am the river of grace, I am the river of love that takes the grace and love of the Lord to every soul that needs them and that thirsts, has need.
Come to Me, all you My children, who want peace and I will give it to you. Because Immaculate and free from all stains of original sin, I can bestow any and all graces from the Lord, to whomever I wish and as I wish.
And as a complement to the Trinity, the Lord can and wants to work all His wonderful graces through Me, with Me and through Me always to all My children who turn to Me with confidence.
I am the Immaculate Conception, I am Love, and therefore anyone who wants to know Divine Love, dive into it, drink it, be satisfied, be filled with it, comes to

Me, for I truly have it in its fullness and I can give it. to every soul that asks Me for this Love.
Come to Me little children and I will truly show you how great the love of this God is, who, in love with you, sent Me Here and during these 25 years, through the chosen child that My own Heart loved and chose, I have shown you all how great is this Love of God.
I have shown how great is the passionate love of this Father, who has been forgotten and despised by you. But, who came Here to show you His compassionate and merciful Face.
And to say to you: Come to Me all you who are hungry, hunger for Love and I will satisfy you. Come to Me all you who are thirsty, thirst for Grace and Truth and then I will water you.
Come to Me, all you who are lost and miserable and I will enrich you, I will take you in My arms and I will shower you with My Love and My favours.
Come to Me, who I am the source of Love and I then, My children, will take you to God, I will unite you with Him and you will then be one flame of love with Him.
You will live in Him and He will live in you, I will teach you to remain in God, always remaining trusting in Him, totally surrendered and consecrated to Him, dependent on His Love and ever more living a life of filial love towards Him.
The Father sent Me here to teach you to love Him with this filial love, and that is why I have extended My Apparitions for so many years, to teach you this true love that will truly lead you to transcend the world, transcend transitory things and truly arrive at perfect and definitive union with the Father.
I am the Immaculate Conception, I am Love and therefore My children, I say to you: Come to My Immaculate Heart and you will reach Love, which is God, who lives in Me, who reigns, who reigns in Me and who reigns in Me he dwelt not only in my soul but also in my body, making me His abode and he becoming My Son.
Come to Me and you will come to Love, come to Me and you will reach Love, come to Me and then you will possess the love that lives in Me, which is Jesus Christ Our Lord.
I want you to continue to pray My Rosary every day, each Rosary you pray erases many years of Purgatory for you. It also erases many stains of sins that are in you, each Rosary you pray decreases the power of Satan over you and over the people around you.
Every Rosary you pray diminishes, breaks Satan's power in the world. Every Rosary you pray hastens the Triumph of My Heart and the definitive defeat of Satan.
Each Rosary that you pray brings many rays of light into Heaven, taking with it many souls and makes many rays of light descend from Heaven to Earth, bringing many graces from the Lord.
Each Rosary you pray increases for you the degrees of glory in Heaven and also the degrees of holiness on Earth, making you more beautiful, purer, more immaculate, more holy and pleasing to the Lord. So that you will become worthy of new graces and these merits will enforce and attract these new graces from the Lord to you.
Each Rosary that you truly pray makes the accidental joy of the Angels and Saints in Paradise increase, Paradise itself sparkles, shines more brilliantly,

the caverns of Hell tremble and over all the Earth I pour the sweet perfume of My immaculate purity from Heaven .

My son, My most beloved son Carlos Tadeu, yesterday I was supposed to give you the Message, but you were on your way, now, my son, is the Message that I promised you monthly:

“Dear son, I am very happy with you, you cannot imagine how many swords of pain you have taken from My Heart during all these months that you have intensified My Cenacles.
I cannot also express to you how much, how grateful I am for everything you have done for Me. Above all, for all that you have suffered to transform the square where I am in your city into the Square of Our Three Sacred Hearts.
Ah My son, you rose to so many degrees of glory suffering for Me, you took so many swords of pain from My Heart, you dried so many tears that so many ungrateful children of Mine make My eyes fall for their disobedience, their ingratitude and their sins.
Yes, you were a little martyr and your martyrdom has truly caused many beautiful mystical crowns to be formed and kept for you in Heaven. Yea! I cannot tell you how much, how much My Immaculate Heart trusts you, how much I place His hope in you.
Yes, I looked at you with love from among millions of My children not only of this nation, but of many others. I favored you, I gave you My most precious treasure on Earth, which is My little son Mark, to be his spiritual son, to take care of him for Me and help him, especially when My voice is silent and I no longer speak to him. .
He will need you a lot, you will be a support for him, you will be the strength for him so that he does not die of pain with My absence. Therefore, My child, you have a great mission in your hands and be aware that your name is engraved here on My Mantle. Here, right here where My hands join and where I hold you tightly to My Heart.
Yes, your name is written here over and over again, because every Rosary you pray, every Cenacle you do for Me, every disclosure, every good work you do for Me I write your name once more on My Mantle. And when your name is also written on the other side of my robe, then you will truly have, you will have that consummate holiness that I want from you.
And then, truly, I will take you to the beautiful home in Heaven, where you will shine brighter than the sun together with Me and together with Me you will live forever an ecstasy of love that will never, never end.
Be careful My son, that the serpent hates you and often makes you suffer attacking you, but do not be afraid I am with you always and the world, the evil ones will not be able to defeat you, because who fights for you and in you I am yours. Immaculate Mother.
And that is why truly many souls I will save through you, where Satan has destroyed, brought down, I will heal, I will raise cities, mystical cities for the Lord and for Me. Holy souls, where God will truly reign and there will be no more day and night there, because the light that will illuminate these cities will be the light of the Lord.

That is, in these souls there will be no more moments of grace and sin, of light and shadow, of light and darkness. But they will only be light, everlasting light, because God will live in them and reign in them through you.
Ah, my son, you cannot imagine the graces I prepare for you. Yes, I have extended the time of a great grace that Luzia and I promised you. But this prolongation of the hour of this grace is not because I have forgotten you, nor because I am late, because I delay.
Oh no! It is because I prepare for you a very, very perfect grace. I prepare for you a truly formidable grace, which will fill your heart with joy, with jubilation, with happiness.
And truly, you will see how much I, the Immaculate Conception, love you and how much I have favored you and will favor you even more!
Yes, yes my son, I am always with you, do not fear, every year on December 8th at noon in addition to the graces you ask of me I will give you a particular and special grace from my Immaculate Heart, I will also give you a favor that will be yours alone: The person, the soul for whom you pray and ask at the time of grace, I will write this person's name on My Mantle and My Heart and he will be saved in the end.
I will do all this because I love you very much and because you are truly a delight of My Heart. And together with My little son Marcos growing with him in holiness, in love and obedience to Me, I will also make you a delight of My Immaculate Heart.
Pray, pray and also seek always to know Me more, to love Me and to give everything for everything, to give everything to Me your Mother who has always given you everything.
I bless you with love and also you Marcos, My most beloved son who gave me so much glory today with your meditations and prayers on My Feast. Yes, my child, you have done much greater good to souls than if they had seen the sign of the Sun.
Yes, you made another Sun shine for them today: the Sun of My beauty, the Sun of My glory, the Sun of My maternal perfection. And souls, when they saw the light of that Sun, were enchanted, they fell in love with Me.
You asked during all these days that today, on My Feast day, souls would fall in love with Me and that this was the gift that you also wanted to give Me.
Well, rejoice that this happened and happened because today you truly opened your heart, all rich, all saint, all full of your love for Me and souls will be able to truly drink in it the river of true filial love to Me, your Immaculate Mother.
Upon you now descends all the abundance of My graces and My heavenly blessings.
Also, on these My favorite children, My little slaves of love who with you here gave themselves to Me as pure and immaculate hosts, as living sacrifices praying, atoning, repairing and working for the salvation of humanity, of sinners.
Upon them also now I breathe My love, I breathe My peace and My blessing. And about all these dear children of mine that I love so much, that I love so much, to these children of mine that I myself chose, called and brought here from everywhere to be saved and who have their name written in the Book of life, in the book of those who are saved I bless with love today.

And again I ask: Continue to pray my Rosary every day, through it I the Immaculate will transform you into true children of the Immaculate, immaculate like Me.
And I truly wish that every year you come here on this day at noon so that I can truly enrich you more and more with the great graces that God has endowed Me in My Immaculate Conception to be able to pour out on all of you.
I bless you all from Lourdes, from Pellevoisin, from Fátima and from Jacareí.

Peace My beloved children, Peace to you Marcos, the most obedient and hardworking of My children, Peace to you also dearest son Carlos Tadeu.
My Heart rejoiced also for the statue that My little son Marcos made of you and placed Here in My Sanctuary. Now truly My Maternal Heart feels full of happiness as if full of affection, full of affection.
Because in a way you are here and through this statue of yours I will also pour out great graces on My children of which only I will have knowledge, but which in eternity will be revealed to you. And then the world will also know how much I favored you, how much I loved you.
Peace My children, good night."

Before I go, I want to touch the Rosaries of my son Carlos Tadeu, he is the only one who will have his Rosaries touched today, due to the great love I have for him.
And I also want to say before I go to My Portuguese children who have come from so far to praise and love Me on this Feast of mine, thank you, thank you for coming.
I will pay you for all the sacrifices you have made to arrive Here with great graces from my Immaculate Heart.
Thank you also to my little children Olides, João, Adriano, Carla for having brought the Image of My Mother Santa Ana here, you cannot imagine the joy they gave Me. And also the happiness they gave Me.
Upon you My little children, I now pour out a particular blessing just for you and all My little children who are always with Me Here throughout the year.
I also now bless and give a Plenary Indulgence to all those who wear the blue scapular of My Immaculate Conception, who pray my Rosary of the Immaculate Conception throughout the year, who spread My Messages with love and who have always replied yes to My Messages of Love ."

(Eternal Father): "Beloved My Son, Carlos Tadeu, as My daughter Maria has already said Here always in Her Apparitions, wherever one of those rosaries touched by Her arrives, there She will be alive, taking My Graces to all those who own them.
And at the time of the Punishment where these Rosaries are, that house will have the same protection as the Israelites who put the blood of the lamb on their doors and were saved when I sent the scourge, the plague to kill the firstborn of Egypt.
Rejoice My child, because your name always resounds in My ears like a sweet song, your voice before Me is like a perfect and delicious symphony that enchants me and bends me towards you.

And also know that there in Genesis, when I, in front of the serpent, showed Mary the Woman clothed with the Sun who would crush the head of the serpent, of My enemy. When she, the snake tried to bite her on her heel, the snake saw you.
Yes, when I said: I will put enmity between you and the Woman, between your offspring and Hers, the devil saw you, I showed you with My son Mark before the devil and he trembled, the serpent was enraged.
But then he said: She will crush your head when you try to bite Her heel, which is you two and the dear children who obey Mary.
Therefore, my son, fear nothing, you are Mary's heel, you were already promised, prophesied by Me, already in Genesis with My little son Mark to crush this serpent.
Go, always crush her with your Rosaries, your humility, your obedience to Mary. Soon this serpent will truly be overcome by you the heel of Mary, who from the beginning of the world I prophesied and determined that in this way My enemy will be defeated, I will be exalted and adored and so it will be!"

(Marcos): "See you soon my Father, Mother!"
Jacarei, December 10, 2016

(Mark): "Forever be praised! Yes, I'm fine Mom! Yes, since the day before yesterday, practically without eating anything.
No, I didn't feel anything. Oh, it was the Lady who did it! I will say yes. I would like to thank the Lady for the wonderful signs that the Lady made that December 8th, especially in the statue of My spiritual Father Carlos Tadeu. Thank you very much for... the Lady confirming with these signs that it was the Lady's will that this be done.
And thank you so much, for having trusted Me so much my entire life and for choosing Me to be able to bring to the world so many graces from the Heart of the Lady! Thank you, thank you Mom!"
Yes yes. I also thank the Lady for him, and I ask the Lady to give me the grace to honor him more and more every day of my life. Yup. Yea."

(Holy Mary): "Dear children, today, on this blessed night of the Anniversary of the transfer of My Holy House to Loreto, I come again to you to tell you: May My houses be holy, praying My Rosary every day with love and with the heart. Be My holy houses by reading My Messages every day and living My Messages with love.
May My holy houses be making sacrifices for the conversion of sinners, because even today there are so many, so many and they continue to pierce My Immaculate Heart with their sins.
May My holy houses be fleeing from sin and living ever more in the grace of God, in the friendship of God.
May My holy houses be erecting within your souls for Me walls made of bricks of love, of many Rosaries. Pillars made of pure faith and obedience to Me. Roofs of sacrifices, penances and virtues. Windows, of true docility, humility, meekness, innocence. Doors, of generosity, of total donation to Me and to God.

Thus, My children, you will truly make for Me within your hearts holy houses, holy abodes like My house in Nazareth where I will be able to live with Jesus and my husband Joseph reigning in you every day and transforming your souls truly into a second Heaven.
May My holy houses be living every day more in the hope that My Immaculate Heart will triumph and bringing to all My children also this great hope so that they do not lose heart in these times of great tribulation.
I want them to be My holy house, all of it clean from every stain of sin, perfumed with love, virtues and prayer, especially the Rosary, decorated with beautiful curtains of service, with works of love made by Me.
Adorned with the most beautiful and fragrant flowers of your trust in Me and your total consecration to Me, living completely dependent on Me and as My little son Marcos said today: either live for Mary or die!
Then, truly I will live in the house of your souls, I will reign in them as in My second Heaven, I will make them My Palace and in them, and in them I will show My power, My maternal presence that will touch, that will fill with light and love the hearts of all my children renewing the whole world.
The transfer of My Holy House from Nazareth to Loreto also brings to you, to all of you My children, this Message: Move, move from Earth to Heaven. Move from worldly things to heavenly things. Move from the land of sin to the land of Grace. Move from darkness to light. Move from evil to good. Move from hate, from hardness of heart to peace, to love.
Then, truly you will be My children, My dear children, similar to Me who Am Tota Pulchra, All Pure, All Beautiful. And then, through you, through you My children, I will be able to truly radiate My mystical maternal light like a radiant Sun of grace that will finally overcome all darkness of evil and sin in the world and make My Immaculate Heart reign.
Continue to pray My Rosary every day, through it every day I transform you more and more into My holy houses like My House of Nazareth where I can live, truly reign with Jesus and My Spouse Joseph and do the greatest works there and wonders for free.
I wish that this month you all prepare for the Christmas of My Son Jesus by praying the Trezena number 10, I want you to do it again after the 13th until the 26th, until it ends.
So that truly My children, this Christmas I can give all of you, all of you well prepared and purified for My Son Jesus.
On this holy day when Heaven and Earth rejoice for the translation of My Holy House I bless you all very much and say: Peace, Peace, Peace!
And to you, my most beloved and most beloved son Carlos Tadeu, how much joy you brought to my Heart for coming to the Feast of My Immaculate Conception.
Yes, son, you took so many swords and thorns from My Heart and I, in turn, placed in your heart many mystical emeralds of hope and strength, many mystical rubies of love and charity. Many, many tourmalines of hope, of prudence, of science. Many sapphires of understanding, counsel, fear of God, magnanimity.
Yes, you have a rich treasure in your heart, I have enriched you a lot and I come today to solemnly tell you My son, to always remember your coming here on this December 8th, I promise you: That every 7th and 8th of each

month I will give you the grace to truly ask for any city in the world, so that the punishments that hang over them like swords may be annulled.
The city you choose not to be punished the Lord will not punish. And I promise you son that in those days, in those two days of the month many souls will be saved there and I will pour out on my children the torrents of My maternal graces.
All this I do because I love you so much and because I really want to favor you. You cannot imagine how much I need you, you will be very, very useful, very necessary for My son Marcos not only when I stop appearing to him and speaking to him, so that he does not die of pain. But you will be very necessary for him at the time of the mystical graces that I still prepare for him in the future. You must be supporting him so that he does not faint from so much love and so many supernatural graces that I will give him.
You will be the strength and support of his humanity. And, above all, at the hour of his death you will be very necessary by his side, so that he can truly ascend to Heaven without sadness and also without pain.
Anyway, you will be necessary for My Plans Here, not only on the spiritual side, but in many other things that I will entrust to you in due course. Therefore, pray, trust, wait and be sure that your life is in My Hands and nothing, not even a small straw, or a small speck falls on you and touches your body if I don't allow it, if I don't want to. .
Therefore, my son, be at peace and happy because you have in Heaven a powerful sentinel, guard and Mother who reveals herself for you every day and never, never leaves you.
On you now I pour out My special graces, the graces of My Holy House of Loreto. And also on My beloved son Marcos, I now pour out many, many special graces for having made the film of My House in Loreto, of that maternal manifestation of Mine so that My children know Me, love Me more, desire to be more My dwellings, my holy houses.
And you son Carlos Tadeu, because you are his consort, you also receive today these very special graces from My Immaculate Heart through the merits of My son Marcos Tadeu.
And on all of you here My dear and beloved children I pour out My maternal blessing from Loreto, Bonate and Jacareí."

(St. Luzia): "Beloved brothers, I, Luzia, Lucia of Syracuse, rejoice today to come to you again.
Tomorrow you will celebrate My anticipated Feast here, I will return with Our Queen to bless you once more. And I come today to say to you with all My heart: You know that I have My Sanctuary in Syracuse, be you My Sanctuaries alive!
Be My Shrines alive too, living like Me in the love of God, in the grace of God, seeking virtues every day, trying to overcome your defects.
And, above all, every day you be holy as I Am Holy, holiness is love, it is loving God and doing His will, that is holiness.
Live holiness, it's easy, it's simple, don't complicate it! Love God, do His will day after day with faith, with love, with humility. And then you will truly be perfect in the eyes of God as I was.
Be My Sanctuaries, I live fleeing every day from sin, from worldly things, living ever more in intimacy with God, with the Mother of God in prayer. So that, truly,

She may come to live in you as in her second Heaven, Her garden of delights, Her abode of grace, Her rose garden of love.
Be My Shrines alive, imitating the life of union with God that I had through prayer, through asceticism, that is to say, through the continuous effort to rise more and more in union with God through meditation, through spiritual reading, through contemplation of God, of Our Most Holy Queen, from the sky.
Oh! My brothers, Heaven! Heaven enchanted me, Heaven snatched my heart. When I thought of Heaven, of My Jesus who was waiting for Me there, of My Most Holy Queen who was waiting for Me there with love and whom I would see and embrace.
When I thought of My Father in Heaven, who was there full of love waiting for Me, My heart melted with love. And even in the midst of the fire being burned alive, having My eyes gouged out, being dragged by ox carts and at the same time having My neck cut, none of that mattered to Me.
None of this could separate Me from union with My God, My Father and Spouse of My soul. The sky! The Heaven I wanted to go there to love God eternally, to give Him joy, everlasting love. This Heaven, this Heaven was My strength, it was My light, it was the wings that made Me fly high in the Heaven of holiness.
On the night of the eve of My Martyrdom, December 12, when the Mother of God appeared to Me with My divine Spouse in Her Arms, They promised me Heaven. What joy my heart felt, I knew that I would never go to the fires of hell to be tormented by the demons in that terrible fire, never, never.
I knew that I already possessed eternal life, that I possessed Heaven, and that gave Me the strength to accept fire, sword, cutlasses, and everything else.
Ah, My brothers, meditate on Heaven! How wrong is one not to meditate on Heaven! How it is sinned by not meditating on Heaven and not loving Heaven, not desiring Heaven above all else.
Ah, My brothers! How blessed is he who can say how I already in mortal life I possess eternal life, I have Heaven, I will not go to hell. There is no greater happiness and wealth than that of that soul, no greater good could he receive from the Lord, greater glory, greater gift from the hands of Holy Mary, greater crown, greater treasure and greater happiness.
It's already living Heaven on Earth, it's already living with the peace of Heaven in your heart, it's already living with the joy of Heaven in your heart and it's already having God in your heart, the only thing missing is to see him face to face.
But one already possesses it, one enjoys it, one already enjoys it. Oh! I wanted Heaven! Desire Heaven with those wonders that await you there, desire Heaven where God will embrace you as a Father to His Son. Our Queen who will embrace you and hold you in Her Immaculate Heart, will place you in Her maternal arms and will never let you go.
There where We, the Angels and the Saints, will love you all the time, we will embrace you and we will give you to taste, to enjoy, to feel delights and wonders that you have never seen or felt here on Earth.
Believe it, have faith, and for heaven's sake say no to worldly things that want to drive you away and rob you of that Heaven. Let no one else come and take your crown, honor your crown, love your crown, desire your crown, do everything for your crown and heaven will truly be yours.

Be My living shrines, finally, praying My Rosary every week, through which I will transform you into My living shrines. Sanctuaries of the Lord, where the Lord will be alive, reigning, active, benevolent, filling your soul and your lives with endless grace, joy and endless love every day.
I love you and I love you especially, dear brother Carlos Tadeu, at the moment of My Martyrdom I also saw you.
The Mother of God showed you to Me in the square of Syracuse where I was martyred, I saw you, I loved you, I offered My martyrdom that I was going to suffer for you, so that you who did not know when or where would come into the world you could love the Lord, love Mary, be holy, fulfill your mission perfectly.
And that is why every 13th of every month that is dedicated to Me in honor of My Martyrdom I will give you many, many graces. And when you pray my Rosary I will descend from Heaven alive together with Águeda de Catania and also with São Sebastião, to bless you, to fill you with the favors of the Lord and to truly cover you with my Mantle of Love.
To all of you, dear brothers, I bless you with love from Syracuse, Catania and Jacareí.

(Holy Mary): “Dear children, all of you who have received the Rosaries that I sent My favorite son Marcos Tadeu to deliver to you are a Gift and a gift from My Heart. Receive this Rosary as a sign of My Love and My protection for each one of you.
Keep this Rosary always with you. Through him I will give you many, many thanks. And to all of you My children, who receive these Rosaries that I have now touched with My servant Geraldo and My servant Luzia, in the houses where they are there My protection, My Grace, My Angels will be guarding and protecting that house from all bad.
And, above all, the house that has these Rosaries will have the same protection that the Israelites had in Egypt when the Angel of Punishment passed.
In the time of the Punishments, the house that has these Rosaries will not be touched by the scourge of God's wrath and the demons will not be able to seize those who have them.
To all I bless with love now, good night.”

Jacarei, December 11, 2016

(Mark): “Forever be praised! Yup. Yup. I will. And what is the topic that the Lady wants me to talk about? I do, yes, I will.

(Holy Mary): “Dear children, today, again, I come to ask you for holiness. Be saints living in love, love is holiness.
Love God with all of your heart, living a life of union and friendship with him, growing in that union and letting nothing, nothing get in the way or interrupt that union with God.
To unite with the Lord it is really necessary that you pray and pray a lot with your heart, that you renounce every day a small will of your own. Thus, Your souls will become strong and able to renounce the great attachments that you have.

And always remember what God wants from you is your will, love, only then will your souls unite with Him.
Live true holiness by living in Love, loving God means doing His Will. If you truly love God and do everything He asks of you through Me, then holiness, my children, is already happening and unfolding in your soul and life.
I want you to understand that what God is looking for is love. Holiness is love and the more you love the more you will be holy.
A person's holiness is measured by the degree of love, how much he loves God, how much he loves Me and how much he works for the salvation of others. In this way you will know the true saints.
Therefore, I desire from you that holiness that will make all souls see God in you, see Myself present in you as many of My little children have felt and seen Me in My little son Marcos, in the flame of love I put in him , in that great and burning love that he has for Me. Love that not only enchants men, but also the Angels and Saints of Heaven.
It is this holiness that I desire from you, the holiness of love. By praying My Rosary every day with your heart, you will reach that holiness that My little daughter Luzia also achieved even though in Her time I had not yet revealed the Rosary.
She understood that holiness is love and she, loving God and Me totally with her soul, became a saint in a short time. And you too, if you go along the same path praying My Rosary with love and understanding that the holiness I want from you is that of greater love for God and Me, you too will be saints in a short time.
I love all of you and I thank all of you who stayed here all these days of My feast to love Me, to console Me, to praise Me, to also listen to My Messages and learn with Me what true holiness is, which pleases God.
I really liked everything my son Marcos said, but above all I liked it when He explained to you how I Am the complement of the Holy Trinity, this gives Me so much glory, as when I am called the Mother of God, Mater Dei.
Because this great glory that the Trinity gave Me, He gave Me out of Love! And then, My children can appreciate how much I was loved by God and how much the Lord has truly placed Me as Queen of the entire Universe, making me a participant in everything, in everything He does for the good and salvation of all.
This gives Me so much glory, this touches My Heart so much that I truly cannot resist anything that My little son Marcos asks of Me, because by glorifying Me in this way, He makes me a prisoner of his heart, of his love and I bow to him to give Me, to communicate Me with all graces to him and through him to all My children.
Wherever it is taught that I am the complement of the Holy Trinity and where it is believed in My great power there I will be truly doing wonders.
Continue to pray My Rosary every day, through it little children, I will burn your hearts more and more with My flame of Love.
There is nothing I love more than the Rosary and there is no one I love more than a son who loves, propagates and teaches his brothers and sisters to pray the Rosary.
I bless you all with love now from Lourdes, from Fátima and from Jacareí.
Peace To you Marcos, peace to you too, dear son Carlos Tadeu, thank you for coming, thank you for giving me the great joy of having you here with me.

Peace My children."

(Santa Luzia): "My beloved brothers, I, Luzia, come back again to say to all of you: I am God's Flame of Love and I wish you too to be this flame of love as I was living in love, growing in love and leaving if each one dominates, takes, absorbs, completely loses himself in the love of God.
Give yourselves to the Love of God as I did by giving Him your lives, your wills, your hearts, your bodies too, so that everything belongs to God, so that everything serves God and everything truly glorifies God.
Surrender yourselves to God so that you may be transformed into living flames of God's love, which wherever you go communicate these flames and truly transform everyone into ceaseless flames of love.
Surrender to the love of God by living a life of complete union with Him, through prayer, through meditation on the Messages. And living continuously in an incessant asceticism, that is, in an incessant ascent to meet the Lord through a life full of prayer, grace and obedience to His will.
Be flames of love like Me, letting yourself be completely possessed by the love of God.
Renounce, as Our Most Beloved Marcos so well said, all fear, all fear of the flame of love of Our Most Holy Queen, the Flame of Love of the Lord, so that this flame may penetrate your hearts, grow in them, live in them, ignite them. if in them and truly in them make your abode. And through your hearts it spreads, it transmits itself to all the hearts of the Earth
Be living flames of love like Me, truly living in Love. The Mother of God does not demand that you are always perfect, but that you are always in Love. If you are always in Love, perfection, holiness comes with time.
You must always be in Love, seeking Love and always seeking to let your hearts be taken over by that Love. So that you can be in Love, try to flee from everything that is evil and give yourself more and more to prayer, especially the Rosary, which unites you in a way that you cannot understand. But it truly unites them to the Mother of God much more than the child in the mother's womb.
Through the Rosary you and She are linked in a way that Satan can do nothing. So pray the Holy Rosary every day, because as long as you pray the Rosary, Satan does not have the last word, neither over you, nor over humanity, nor over anything.
Therefore, beloved brothers, you must make use of this powerful means of salvation, of union with the Mother of God, with God himself, which Our Most Holy Queen has given you.
I Luzia, I love you all and I am never as close to you as when you pray the Rosary, as when you are praising and loving Our Most Holy Queen. I myself will descend from Heaven to pray the Rosary with you and to offer this Prayer to the Lord and to Her.
I promise that everyone who prays My Rosary on the 13th of each month, My Miraculous Rosary composed by My most beloved Marcos. And that if you remember Me at least once a week by praying it, I promise that I will not deny anything, anything that is asked of Me as long as it is not contrary to the will of the Lord.

So, beloved brothers, go forward on the road to holiness and never forget: In Me you always have a sister, friend, advocate, protector and defender. I really, really want to help you all!
Do not be afraid to surrender to Our Queen's Flame of Love, let her enter, act, work in you, do wonderful things in you. Don't even worry about your flaws or stains. Because this Flame of love is so strong that in a short time it turns even the darkest stains into nothing.
And then your souls will be beautiful, beautiful and perfect to God because they will be made of total and entire love as God wants.
To you, most beloved Mark, who glorified Me so much on Earth by making this video of My life, to you who also glorified Me so much by making My Rosary so that these My brothers and sisters could turn to Me and receive the graces that only through Me the Lord and to Our Queen grant.
You who have loved Me so much since your youth and who have never, ever stopped truly loving Me. To you today and the day after tomorrow in My day I will give great special graces.
I love you Marcos, I was an echo of the Virgin Mary on Earth and you, you are the echo of Us both. I place Mine in your voice, so that it may be heard throughout the world and all My brothers and sisters may know My love, know the love of Our Queen, know the love of God.
Go on, go on talking about Love, go on being Flame of Love. Keep tiring, tiring, working, giving yourself more and more, giving yourself more and more to God and to Her so that everyone truly sees this wonderful flame of love that is in your heart, as has already happened, may all also be enlightened, be enveloped in that light, be saved by the light of that flame and may truly ascend to the highest heights of Heaven and holiness.
I bless you with great love and also you, dearest Carlos Tadeu, whom I love and protect with special care, thank you for coming to My Feast.
I bless you with love and I also bless all these brothers of mine who are here generously from Syracuse, Catania and Jacareí."

(Holy Mary): "My dear children, all who have received these Rosaries must feel very loved by Me. I love all My children, but today I give this Rosary to these children as a sign of My Love, My friendship and My protection.
Keep it with you all your life, through it I will give you great thanks. And also so that you will remember Me when I no longer speak here, so that you will always be faithful to Me, good children and I can lead you through the Rosary to Heaven
Through these Rosaries you will receive great graces from My Heart. And I will protect you wherever you are with this Rosary, which will be a shield, which will be strength and light for you in these times of great suffering.
I love everyone, I pray for everyone and soon I will give more Rosaries with My special blessing to several of My children.
I, here in this place, have given you this gift, I have given you this grace out of love and also because the merits of my little son Marcos have obtained this new grace for you.
You will feel through this Rosary new lights, you will feel new love, new peace, you will feel wonderful graces in your hearts and lives.
I do this because I am truly the Mediatrix of all Graces and Here My Heart wants to always favor more of you whom I love with all my maternal Love.

I bless you all once more with love and leave My Peace. Goodnight!"

Jacarei, December 17, 2016

(Saint Luzia): “My beloved brothers, I, Luzia, servant of the Lord and of the Mother of God, am glad to come again today to tell you: Be lights, bright lights of love in this world full of sin.
Be lights making God's holiness and love shine ever more brightly in your lives so that everyone who looks at you will see the truth and believe, believe in the Lord.
Be lights of love by living and obeying the Messages of the Mother of God every day with fidelity.
And seeking ever more to expand your hearts to the flame of Her love, through fervent prayers, fervent supplications, through spiritual reading. And, above all, for the exercise of your self-giving, of your dedication to her, even when you often come up against your bodily weaknesses that sometimes limit your action and your self-giving to her.
So ask in prayer for the strength of the flame of love and it will burst from within your heart and help you to give yourself more and more to the Mother of God. Always trying to do more, more for her and more for the salvation of souls.
Be lights of love, cultivating in your hearts a true filial love for God and the Mother of God, expelling all self-seeking love from your heart. Expelling from your heart also all attachment to worldly things, so that the flame of love of the Mother of God may truly triumph in your heart and work wonders.
Reread all the Messages that Heaven has already given you here, do not pile up Messages without reading them with your heart, in order to seek to grow in true love.
The Messages only make you grow if they are truly re-read by you every day and if they are assimilated by you every day. So yes, you will grow in holiness and in the perfect love that pleases God.
I have already told you here, that love is God many times, He is Love and what He came to seek Here in you and from you is true love. Give this love and God will give you all His love with His Graces and His Salvation and your life will truly be filled with this Love.
Don't be afraid of this Love, don't be afraid to surrender all this love to God, to this love of Mary. Because in this Love you will have everything and leaving everything you will gain everything in Love.
I bless you all with love now from Syracuse, from Catania and from Jacareí.”

(Saint Geraldo): “My beloved brothers, I, Geraldo, come again from Heaven today to tell you: Live in Love, living a true life in God and in the Mother of God, so that you may be love as They are.
Live in Love, renouncing worldly things, living ever more in the friendship and grace of God. renounce all vanity, or that vanity will kill modesty and humility in your soul. The beauty that you should seek to have is the spiritual beauty of the soul. For it is useless for a man to be beautiful on the outside and ugly on the inside.
And God wants beautiful souls, beautiful like Him and His Mother to teach the world what true beauty is through that spiritual beauty.

Live in Love, living always more, praying the Holy Rosary with love, fleeing worldly things, always looking more for heavenly things, contact, coexistence with heavenly things, which give so much peace and light to the heart.
Imitate Me in My love of prayer, always after my work I would take refuge either in some Church, or in some chapel at night, there alone to speak with God and with My divine bride, the Virgin Mary.
You too, seek recollection, seek prayer and there you will feel delicious things that in dealing with creatures and at parties you would never achieve such peace, such great happiness.
You will find the true meaning of your life, you will know who you are, you will see your soul as it is, you will hate your sins, you will see what you need to change in yourself, you will understand the purpose of your coming into this world and your existence, and then , your life will have meaning.
By praying the Holy Rosary every day in this sweet intimacy with the Mother of God, your life will have meaning, you will see the path of holiness to follow, you will find the strength necessary to follow Him.
And you will truly understand what the Lord and His Mother said: That it is by losing everything and denying yourself that you will gain everything and that whoever loves father, mother, child, the world more than the Lord is not worthy. of the Lord, is not worthy of His Love.
I lived it, I understood it and I preferred this Love over the love of My mother, My sisters, My relatives and the world. And because I knew how to deny myself what everyone was so eagerly seeking, I gained everything, I gained eternal life.
It is by losing this worldly life that eternal life is gained. Learn this lesson from Me and truly live in holiness and love.
Tell everyone to live in the love that is God, and how do you live in God? Dying to self to live only for Him and in Him. Living in prayer, escaping from worldly things, cultivating in your heart a great love for all that is holy and all that is of God, and above all, living in Love.
You cannot always live without defects, but you can always live in love, living in God, seeking God, seeking His Mother, you will live in Love and Love will live in you.
Make your life the motto that is the motto of Our beloved Marcos and which in a certain way was also My motto of life:
Or live for Mary or die!
Happy and blessed you will be, will be all those who imitate him in this great love for Our Most Holy Queen and who also live always proclaiming with deeds, words and attitudes: That it is better to live for Mary or die.
Live like this, live for her and you will live for God. You live for Her who is the Mother of Love and you will live for Love, which is the blessed fruit of Her womb, Our Lord Jesus!
I ask you all to pray my Rosary and the Rosary of My beloved Luzia every week, because through them We will grant many and great graces to all of you.
I bless you all with love from Muro Lucano, from Materdomini and from Jacareí."

(Marcos): "See you soon Mom."

Jacarei, December 18, 2016

(Sacred Heart of Jesus): “My beloved children, today My Sacred Heart rejoices to see you again Here in My house, in My Mother’s house where I truly bless each one of you, I fill you with the Thanks from My Sacred Heart and I give you Peace.
Live in Peace and open your hearts to Me, let My Sacred Heart enter your heart and completely transform your soul in My garden of delights, in My second Paradise, in My little Heaven.
I truly invite you today to let My Sacred Heart enter your heart so that My Heart in your heart can live, reign and do wonders.
My Heart in your heart must live every day. Therefore, you must open the doors of your hearts to Me, let Me enter, let Me do My wonders in you, live and reign in you and truly carry out the great graces and the great plans of love that I have for you.
Therefore, live a life of continuous union with Me, growing more each day in prayer, uniting your will with Mine, renouncing worldly things and your will and opening your hearts to a great capacity to love Me.
My Heart in your heart must live each day, so you must live in Me and then I will live in you. Abide in Me and I will remain in you.
You cannot always remain without flaws, but you can always remain in Me and that is what I want despite your flaws and miseries, I want you to remain in Me, I want you to live in Me for true love.
And then, I will also live in you, I will also remain with you and when I remain with a soul I make it bear much fruit of love and holiness. My Heart in your heart, this is how we must live every day.
You will be able to live with My Heart in yours, if you put out of your hearts everything that is mundane, everything that previously separated you from Me, separated you from Me and prevented Me from communicating My Graces to you.
And if anyone still lives like this, stuck to worldly things, stuck to evil, to sin, preventing Me from communicating My Graces, renounce, leave these things today. And I will communicate My Graces to this heart, to the heart of this child of Mine and I will make him rich, rich in My Grace, rich in My Love.
My Heart in your heart, so Our hearts will be one in My Flame of Love, which is the Holy Spirit. Then truly Our hearts will be one, Our will will be one and the Father will come with Me and We will make Our Abode in this child.
Together we will have supper and we will be happy forever and everything that is Mine will also belong to the child who thus lives united to Me and I will communicate to him My riches, the riches of My Grace, My eternal happiness and finally My eternal glory in the Kingdom of Heaven.
My Heart in your heart, so Our hearts will no longer be two, but one and they will have the same feelings, the same love, they will have the same joy, they will have the same wealth. Because My Heart will share with your heart all the infinite riches that it has and everything will be yours. And then, We'll live together forever and nothing else can tear us apart.
Then it will no longer be you who will live, but I who will live in you. Then your life will already be a beginning of Heaven, of Paradise Here on Earth and you will only continue it there in My Father's house.

If Our Hearts are one, there will truly be no more loneliness for you, there will be no more sadness, and your life will have meaning, because the meaning of your life and the reason for your life will be Me.
And then, that will be the light of your souls, the light of your eyes, and that light will illuminate you every day of your pilgrimage here in this world. And then, when you finally arrive at the Father's house, you will see that your life was not yours, but My life, that your love was Mine, that your joy was Mine, that your pains were also Mine and your victory, your eternal glory will also be Mine.
Let us live like this, we, united, let us be one heart and My Heart in your heart will do wonders radiating My Holy Spirit and My Flame of Love for the conversion and salvation of the whole world.
To you My dear children whom I love so much and whom I have attracted here with your Mother To all of you I ask: Pray, pray more the Hour of My Sacred Heart, because through it I will always place My heart in your Heart and I will make My Heart live in you.
Pray also the Chaplet of Mercy, because through it I will give you great Graces, above all, that of a deep union with Me.
To all of you, to My favorite son Marcos Tadeu and to all My faithful servants, among them My beloved favorite son Carlos Tadeu, whom My Mother and I love with all our hearts.
And that we also want to unite with us and with our beloved Marcos in one heart until together they beat, together they radiate the light of love, together they suffer, together they cry and together they also triumph and rejoice.
We who want to make that most favorite child a wonderful work of Our Love together with Our little son Marcos, so that the world finally feels Our Love, understands Our Love. And, above all, understand the Father's love, feel the Father's love for His children, and also know what the true filial love of a child for his Heavenly Father should be like.
To him and to all of you whom We love so much, We now bless from Dozulé, from Fátima and from Jacareí."

(Holy Mary): "Dear children, today I invite you all to open your hearts to My Son Jesus who is approaching in His Second Christmas.
His second Christmas is near, so you must prepare your souls to be the new Bethlehem of My Son Jesus.
Be the new Bethlehem of My Son Jesus, but not that Bethlehem that gave no place for Him and Me. But the new Bethlehem, the one that welcomes its Savior who returns in glory.
To Bethlehem, which welcomes its Messiah, its Redeemer and its King, giving him the honors of its love, obedience, adoration and, above all, the most tender and profound love of the soul.
Be the new Bethlehem of My Son Jesus, preparing for Him a worthy dwelling in your souls, living every day in prayer, fleeing evil and sin, renouncing worldly things, giving your bodies to God, to My Son, because giving the bodies the spirit will also be given.
How many are those who delude themselves saying that they have already given their hearts to My Son, but they continue to give their bodies to worldly things. Give My children the body to My Son and then the heart will go together, because, although you have spirit, you are in the body and the spirit and the body walk together.

To what the body is given, the spirit is also given, so give your body to My Son and the spirit will also be His, the heart will be His
May the new Bethlehem of My Son Jesus be preparing for Him in your hearts, in your souls, an abode worthy of a King, placing for Him:
The rugs of your humility, of your docility, of your obedience to His Law of Love.
The royal curtains of the Fortress, of Hope, of Faith, of Charity.
The throne of prayers, of your sacrifices. The scepter of your filial and ready obedience to Him.
The crown of their hearts' true love for Him and the sincere desire to be completely His and never again to part with Him and hurt Him with sin.
The mantle of all of you perfect worship of Him.
The frankincense, gold and myrrh of your life offered completely to Him out of love and with love.
Then, truly you will be the new Bethlehem of My Son Jesus, the good land that welcomes its Savior with love and that receives its Savior with adoration, humility, obedience and gratitude.
Then, My Son will come and reign in you, He will do His wonders of love in you and through you He will renew the whole face of the Earth.
My Son's second Christmas is near, so start preparing now to be his new Bethlehem where I can lay him down in your hearts. And so, you can truly be the most beautiful, bright, fragrant and warm cradle for your Savior and your King who returns to you in glory.
Keep praying the Holy Rosary every day, because through it I always transform you more into the new Bethlehem to give to My Son Jesus.
Keep publicizing My Apparitions in Bonate, because many punishments will come next year because almost nothing is done for Bonate, the Message of Bonate is not made known.
And with the exception of My little son Marcos, who made the video of Bonate and spread it to everyone and of some of My children who struggle, little is said about Bonate, little is done in reparation for My Message from Bonate.
Make My Message known to the world, it is the greatest reparation I want. Share Bonate in prayer groups and cenacles, letting My children see the video that My son Marcos made of My Apparition.
And even give this video to My children, so that, truly, the sword that is hanging over many countries, including Italy, can be removed, the punishment can be removed and a new, a new crop of thanks from Heaven.
I love you all and I bless all of you from Lourdes, Loreto and Jacareí.
On Christmas night I will return here with My Son Jesus, I wait for you all here to give you the blessing of the little Prince Jesus, of the King of Kings, of the Lord of Lords.

I leave peace to all, see you soon. Goodnight.

Jacareí, December 25, 2016 - Christmas Vigil
Message from Our Lady
(early in the morning around 6:30)
Our Lady appeared with the baby Jesus in her arms

(Holy Mary): “My dear children, today, when you celebrate the birth of My Son Jesus, I come again to say to all of you: Your new Christmas is near. Therefore, you must prepare yourselves for the coming of My Son Jesus, you must prepare yourselves for His new coming, His new Christmas, which will no longer be in humility, poverty and suffering, but in glory. You must prepare yourselves with a lot of prayer, because the second Christmas of My Son Jesus is truly near, a Christmas that will be in Glory!

Christmas is near in the Glory of My Son Jesus and He will come with His Angels on the clouds of Heaven to judge the living and the dead, to give sinners the punishment they deserve. And to give the righteous who persevered in the love of My Son, in grace, in truth and in holiness, the reward for their works, sufferings, prayers, tears and their fidelity to My Son.

Yes, therefore, let all sinners be converted! That's why I'm coming here to Jacareí, to give all My children the opportunities to convert and be saved. While I am Here, I give every possibility, I give every opportunity to My children to convert and be saved.

May they open their hearts and welcome in them the grace of My Son Jesus that I offer that I give generously Here. May they welcome My grace, My Motherly love so that they can be saved.

Your Second Christmas in Glory is near and because of that My children, you must now hasten your conversion as never before. Leave all worldly things completely, return to God, give yourselves to the service of God so that truly your soul and your life may become whiter than snow. And you can truly please My Son Jesus and be considered by Him worthy to be by His side, at His right hand in Heaven.

His Second Christmas in Glory is near, so I have multiplied My extraordinary Apparitions in every part of the Earth, to call all My children to prayer, conversion, penance and holiness.

So that, living in the love and holy fear of God, My children could truly achieve that full and total, consummate holiness that My Son desires to please the Father, to please His Divine Heart and the Holy Spirit.

And so, the Trinity through Me can have here, in My Appearances in Jacareí mainly, a holy people for its praise, for its adoration, for its service.

My Son's Second Christmas in glory is near, so I invite you once again today to live in love, to live in My Son Jesus. He is Love, live in Him and He will live in you, remain in Him and He will remain in you.

If you live in Him, that is, continually seeking His Love, striving each one to fulfill His Word, to obey Him, to love Him, living in His Spirit. Then He will live in you, even if you have flaws. And then, Jesus will burn these defects faster than straw in a fire and transform their souls into a beautiful, perfect, wonderful work, for his Glory and for the Glory of the Father.

Keep praying the Holy Rosary every day, through it I will transform you more and more into perfect works of holiness and love to give to My Son Jesus. So that when He returns at His Second Christmas in Glory, He may find in My Hands jewels of rare beauty of holiness, jewels cut, polished, carved by Myself to adorn His royal crown in Heaven.

Today with great love I bless you with My Son Jesus in My arms, the Prince of Peace of Lourdes, Fatima, Belém and Jacareí.

Thank you for having prayed all this night, keeping Me and My Son Jesus company, you dried many tears from Our Eyes, took many swords of pain from Our hearts and gave us great joy.
For all this My children, be blessed now and forever. And upon you all now descend also the indulgence that I give to all those who wear My Medal of Peace with Love, who pray the Rosary of My Son, the Child Jesus.
And that truly every year sanctify this holy night leaving worldly things to be Here in My Sanctuary to comfort and love Us.
Upon all now descend the indulgence and blessing of the Lord."

(Marcos): "Dear Heavenly Mother, can you please have the kindness to touch these Rosaries that We made for your children and among them for My Spiritual Father Carlos Tadeu too?

Jacarei, December 25, 2016
(Holy Mary): "Dear children, today, on the day of the birth of the Prince of Peace, I come again to say to all of you: Open your hearts to the Prince of Peace, letting him be born in your hearts, reign in them. So that He may then, finally, fill your hearts with His divine Peace until it overflows from your hearts to the whole world.
Open your hearts to the Prince of Peace, leaving the worldly things that take His place in your hearts. Put the Prince of Peace, My Son Jesus, first in your hearts and then He will also put you first in His heart.
Give all your love to Him and He will give all of His love to you too. Give yourselves completely to Him with your bodies, souls and hearts, so that everything is His and belongs to Him. And through you He can still today perform His wonders of love in this humanity and in this world that preaches that He is dead, that He does not exist.

Then, the hearts of men will see that My Son Jesus is more alive than ever and is born in hearts that believe in Him and that accept Him with love. In the hearts that put My Son first, His Triumph and the Triumph of My Immaculate Heart already take place.
And Our graces in the life of this soul cannot be counted because She does not have the common obstacles that other souls place for the action of Our Grace. Therefore, My children, open your hearts to the Prince of Peace.
When I say open: to give the heart, the will, the freedom, the body and the whole being to Him. Thus, My Son Jesus will carry out His plan of salvation and peace in you, which will require sacrifice and a little suffering from each one.

But that will lead them all in the end to a real and glorious end, to a crown of immortal glory in Heaven, and to a happiness that will never end. Then, the Prince of Peace will reign in everyone's hearts as the only Lord and his Kingdom of Love will come to the entire Earth.
Today, on the day of the birth of the Prince of Peace, I wish to ask you: Convert, convert quickly, because this Prince of Peace is returning to you in glory. And when he returns, he will no longer return as Prince of Peace for those who do not want to hear His calls, His warnings and who do not want to

take advantage of the opportunities that We are now giving to everyone in Our Appearances.
Then He will return as the King of Righteousness who will be terrible for all those who did not want to come out of the darkness and into the light. Therefore, My children, now that the Prince of Peace gives you all opportunities, take advantage of them, live in His Love and He will live in your hearts.
I am the Mother of the Second Advent who prepares the world for the Second Christmas of the Prince of Peace who will return in Glory. Prepare your hearts because soon you will see wonderful things that human eyes have never seen, the world will be transformed and Peace will reign over all the Earth.
Happy are those who, like me, believed in everything that was said, for all the things that I have spoken to you from the Lord will be fulfilled.
I ask you all: Keep praying My Rosary every day, for it I prepare in your souls a beautiful, holy, perfect, pure and real city for My Son Jesus to reign.

Read more all the books I asked you Here, the ones on My life, Imitation of Christ, the one on My Glories, so that each day you can imitate My virtues and the virtues of My Son Jesus. And so, more and more you become other Christs, become other copies of Me, living and sanctifying the face of the Earth.

I bless you all with love from Lourdes, from Belém and from Jacareí."

Jacareí, January 1, 2017 - New Year's Vigil

(Mark): "Yes. Yes, I will. Yes, I will make Mommy. I will and I thank the Lord and You for the grace of being able to serve You for another year of my life."

(Holy Mary): "My children, I am the Mother of God, I am Mater Dei, I am Theotokos!
Today, on the day when you celebrate Me as the Mother of God, I come again to say to you: I am the true Mother of God, I gave birth to the one who is true God and true man, the Savior of all humanity. I am a true begetter of God, for I have not only begotten Jesus Christ as a man, but also as God.
And although He was eternal and had no beginning or end, He was generated by Me in time, so I am the true Mother of God. I am the only... the only creature that can say with the Father: I have begotten the same child in common with the Eternal Father.
Therefore, today at My Feast I come to say to you: have confidence in My power, in My power as the Mother of God. For my son, who received from Me flesh and blood, the human substance to become man in My bosom, loves Me, loves Me as his own Glory. And for that reason, also grant Me everything I want and ask Him for.
I am the true Mother of God united to Him in this mystery of love that has made Me His sanctuary, His living temple. As so many Saints said, enlightened by the Grace of the Holy Spirit, God dwelt in the midst of the womb, He maintained with Me the identity of one nature.
And although we were two, we were one heart in the flame of love of the Holy Spirit. And, as I gave to Jesus My maternal substance and circulated My blood

in His Body, He gave Me more and more of His participation in His divinity, causing His divine Grace to circulate through all of My soul and all of My Heart. And while I was giving Jesus My Flesh and My Blood My Flesh and My Blood so that He would later sacrifice it on the Cross for your salvation, Jesus was giving Me more and more a profound participation in His Love, in His divine grace that He transformed me completely into Him and made Me truly one with Him in Love.

So, My children, I reign in Heaven over the Heart of My Son and He does not deny Me anything I ask of Him. Therefore, whoever wants the grace of salvation, come to Me, I will ask My Son and My Son will save the one for whom I ask.

Whoever wants any grace, whether spiritual or temporal, comes to Me, because whatever is asked of Me, My Son will not deny and many of His Graces He Himself has already given to Me so that He can give to whomever He wants and however He wants. For I am His Mother, Queen of Heaven and Earth and I reign over the Heart and possessions of My Son.

Therefore, trust Me, My Immaculate Heart will triumph because I am the Mother of God. And he who is the King of Heaven and Earth and who governs everything will accomplish My Triumph for the greater glory of His Name, for the greater joy of My Heart, for the greater justification of the just and for the greater salvation of so many. souls who are in danger of being eternally damned. For the salvation of humanity so that it truly becomes a garden of grace and holiness of the Holy Trinity.

I am the Mother of God, I am Mater Dei, I am Theotokos! That is why My children, nothing, nothing can stop My Immaculate Heart from triumphing. Believe and pray firmly, above all My Rosary every day and this year you will see the great wonders of My Immaculate Heart happen in your lives.

The reason many do not see My Graces in their lives is because they do not trust My power. Where it is believed that I can do everything together with the Heart of My Son there I will do great graces.

Where My Rosary is prayed with faith and trust in My power, I will perform great Graces of the Lord. And pray with this confidence for the conversion of humanity, because this year My children, while I prepare great graces for you, the sins of the world are preparing many punishments for the world.

These sins cry vengeance to Heaven every day, they are sins of violence, of violence, of murder, of abortion, of adultery, of impurity, of immorality, of fornication, of apostasy, of loss of souls. Of errors that are taught incessantly inside and outside the church.

For all this, for the immoral life that the people have led, far from God and offending God, great punishments are being prepared for the world. Pray that I may stop you and that I may shower you with new and abundant graces from My flame of Love.

To achieve this, I want you to pray this Trezena number 9 this month. I want you to pray the Trezena number 9 starting from today until the 13th. people and that I may obtain mercy. And the Setena I want you to pray is number 6. Thus, offering a great strength of prayer and intercession will help Me to remove so many evils that hover over the world and so that I can bring to you: Grace, Mercy and Peace.

I want to bring a new crop of graces to the world, for that I ask for prayer and that you don't put obstacles for My Flame of Love to act in this new year. And then My children, truly My flame of Love will work powerfully in you and through you in the rest of the world to transform it into the garden of Grace and Love of My Immaculate Heart.
I want you to grow more in My Flame of Love this year, for that to repeat the incessant Act of Love, which was taught to you Here, so that My Flame of Love may increase in you.
And, above all, My children, meditate in this month of January all the Messages that I gave you last year. Especially those of My Flame of Love. So that you can open your hearts to her and truly allow her to come into your hearts and make My work happen in them.
Get ready, because great graces are prepared for those who say yes, definitely to My Heart and choose Me as Their treasure, their life and their everything.
Keep praying My Rosary every day.
Today with love I bless you from Lourdes, from Fátima and from Jacareí."

(Marcos): "Dear Heavenly Mother, would you be kind enough to touch these Rosaries that we made for your children?"

(Holy Mary on the Rosaries touched by Her): "My dear children, as I have said on other occasions wherever these Rosaries touched by Me arrive there I will be alive, carrying the great graces of the Lord and of My Immaculate Heart. Wherever these Rosaries are, My protection will be there, especially in the time of Punishment. These Rosaries will be like the blood of the Lamb was at the door of the Israelites and where there was that blood the Punishment could not hurt that house.
So too, the house that has these Chaplets touched by Me, this house will not be touched by the Punishments of God's Wrath when the time of the great Punishment comes.
And the demons will not be able to enter the house where these Rosaries are to seize any of its inhabitants to take them to the eternal flames.
This is yet another Gift of the love of My Immaculate Heart for all My children whom I love so much.

I now bless you all again and leave My Peace. Good Morning!"

Messages communicated in the Apparitions of Jacareí, year 2017

Jacareí, January 1, 2017 - Message from Our Lady

(Marcos) “-Yes... Yes, I will, Mommy... I will, and I thank the Lord and you for the grace of being able to serve them for another year of my life.”
MESSAGE FROM OUR LADY QUEEN AND MESSENGER OF PEACE

“ – My children, I am the Mother of God, I am Mater Dei, I am Teotokus. Today, on the day when you celebrate me as the Mother of God, I come again to say to you: I am the true Mother of God! I gave birth to him who is true God and true man, the savior of all mankind. I am a true generator of God because I did not only generate Jesus Christ as a man, but also as God. And although He was eternal and had no beginning and no end, He was begotten by me in time. Therefore, I am the true Mother of God.
I am the only one, the only creature who can say with the Father: I have begotten the same Son in common with the Eternal Father.
Therefore, today at my feast, I come to say to you: Have confidence in my power, in my power as the Mother of God. For my Son, who received from me flesh and blood, the human substance to become man in my womb, loves me! He loves me as his own glory. And for that reason, He also grants me everything I want and I ask of Him.
I am the true Mother of God, united to Him in this mystery of love that has made me His tabernacle, His living temple. As so many Saints have said, enlightened by the grace of the Holy Spirit, God dwelt in my bosom, kept with me the identity of one nature.
And although we were two, we were one Heart in the Holy Spirit's flame of love.
And while I gave Jesus my maternal substance and made my blood circulate in his body, he gave me more and more participation in his divinity, making his divine grace circulate throughout my soul and all my heart. .
And while I gave Jesus my flesh and my blood so that he could later sacrifice it on the cross for your salvation, Jesus was giving me an ever more profound participation in his love, in his divine grace that transformed me completely into him and made me truly be one with Him in love.
So my children, I reign in Heaven over the Heart of my Son and He does not deny me anything that I ask of Him. Therefore, whoever wants the grace of salvation, come to me! I will ask my Son and my Son will save the one for whom I ask. Whoever wants any grace, whether spiritual or temporal, come to me! For everything that is asked of me, my Son will not deny, and many of His graces He has already given to me so that I can give to whomever I want and however I want, because I am your Mother, Queen of Heaven and Earth and kingdom over the Heart and possessions of my Son.
So, trust me! My Immaculate Heart will triumph because I am the Mother of God and he who is the King of Heaven and Earth and who governs everything, will accomplish my triumph for the greater glory of his name, for the greater joy of my Heart, for the greater justification of the just and for the greater salvation of so many souls who are in danger of eternal damnation. For the salvation of

humanity so that it truly becomes a garden of grace and holiness of the Holy Trinity.
I am the Mother of God, I am Mater Dei, I am Teotokus. Therefore, my children, nothing, nothing can stop my Immaculate Heart from triumphing. Believe and pray firmly! Above all, my Rosary, every day... And this year you will see the great wonders of my Immaculate Heart happen in your lives.
The reason many people don't see my graces in their lives is because they don't trust my power. Where it is believed that I can do everything together with the Heart of my Son, there I will give great graces. Where my Rosary is prayed with faith and trust in my power, I will realize great graces from the Lord.

And pray with this confidence for the conversion of humanity. Because this year my children, while I prepare great graces for you, the sins of the world are preparing many punishments for the world. These sins cry vengeance to Heaven every day. They are sins of violence, murders, abortions, adultery, impurity, immorality, fornication, apostasy, loss of souls, errors that are taught incessantly inside and outside the churches. For all this, for the immoral life that the people have led far from God and offending God, great punishments are being prepared for the world.

Pray that I may stop you and that I may shower you with new and abundant graces from my flame of love. In order to achieve this, I wish that this month the trecena you pray will be number nine. I want you to pray the thirteenth number nine starting from today until the thirteenth, and that you offer this trecena mainly so that the punishments for the sins of the people are canceled and so that I can obtain mercy.
And the Setena I want you to pray is number six. Thus, offering a great strength of prayer and intercession, you will help me to ward off so many evils that hover over the world so that I can bring you grace, mercy and peace.
I want to bring a new crop of graces to the world. For this, I ask for prayer and that you don't put obstacles for my flame of love to act in this new year. And then my children, truly my flame of love will work mightily in you and through you in the rest of the world to transform it into a garden of grace and love of my Immaculate Heart.
I want you to grow more this year in my flame of love. For this, repeat the incessant act of love that was taught to you here so that my flame of love may increase in you. And, above all, my children, meditate in this month of January all the messages that I gave you last year, above all, those of my flame of love so that you can open your hearts to her and truly allow her to enter your hearts and make my work happen in them.
Get ready! Because great graces are prepared for those who say yes definitively to my Heart and choose me as their treasure, their life and their everything.
Keep praying my Rosary every day. Today with love I bless you from Lourdes, from Fátima, and from Jacareí”

(Marcos)“Dear Heavenly Mother, can you be so kind as to touch these rosaries that we made for your children?”

This is yet another Gift of the love of My Immaculate Heart for all My children whom I love so much.
I now bless you all again and leave My Peace. Good Morning!"
Jacarei, January 07, 2017

(Holy Mary): “My children, today, the 7th, the Monthly Anniversary of My Apparitions Here, I come once again from Heaven to ask you: Open your hearts to God in this time of Grace that is given to you.
This is the time of Mercy that you must enjoy praying as much as possible and living My Messages, because soon this time of Mercy will end and all My Secrets will take place.
You must stand firm in the faith, that is, firm and faithful to the Dogmas of the Catholic Faith which are immutable. Then you will be true Catholics. And they will not fall into the traps and deceptions of the sect, which, infiltrated within the Catholic Church, deceives the faithful by wanting to propose a false faith and a new Catholic Church open to all kinds of modern humanity error.
Remain faithful to the Dogmas that are immutable and you will always remain Catholic. I give you the weapon of victory: The Rosary. With it, you will make the true Catholic Faith and the true Church triumph over the false church that you want to build and the false Catholic faith that you want to preach.
With the Rosary and fidelity to the Dogmas that are reminded to you here by the tireless work of My little son Marcos, you will not allow the Church of My Son to be destroyed and the Catholic Faith to disappear from the Earth. In you it will remain if you remain **faithful to Catholic Dogmas.**

I am the Mother of Peace and Prayer and I say to you: Pray, do not be fainthearted, because they will not enter the Kingdom of Heaven. Do not be lazy, pray with your heart, spread and live My Messages, because only then will you be worthy of the Crown of Eternal Life.
Heaven will only be for those who truly strive and work day and night for their salvation. Heaven will be only for those who like to work to cultivate their souls to holiness.
Work, therefore, while the sun is shining, because when night comes, you will no longer be able to work. Now is the time to work and make your God-given talents come to fruition.

Pray, pray a lot, because a great Punishment is approaching the Earth because of your many sins. Only prayer and penance can avoid it, pray My Septune every month and the Rosary every day.

I am the Mother of God, I am the only creature that begot a Son who is man and God at the same time, only I have the same son in common with the Most High. For this great glory of Mine, the Lord loves Me! He loved me above all creatures, he raised me to the highest dignity to which a pure creature can be raised. And so I enjoy in Heaven all power.
Where you teach and turn to Me with confidence, with confidence in My power, I will do wonders.
Here in this sacred place where I appear and where today another month of My Apparitions is completed, I call all My children to come and pray the Rosary, drink from the Source and truly give their hearts to God through Me.

I bless you all with love from Fátima, from La Salette and from Jacareí."

Jacarei, January 08, 2017

(Mark): "Yes. Yup. Yes, I will. Yup. Yes, I will. Yes, Mom, I will. And for when do you want these two? I will. And when do you want her? I will. And what years should the next Message books be? Yes, yes, I will."

(Holy Mary): "Dear children, today I invite you all again to grow in true love. To grow in true love, they must daily strive and exercise in the growth of love through many and fervent prayers.
Also by renouncing what you desire so that you die to yourself. And so, you can open yourselves to the Father's will and fulfill his loving desire in your lives.
My Flame of Love wants to enter your hearts, to do great things in them. This flame will give you strength in suffering, it will give you magnanimity so that you undertake great and arduous things for God.
This flame will also give you the wisdom so that you understand what God wants and fulfill this will in the best possible way.
This flame will give you all the virtues that will make you truly exact, quick and ready in fulfilling the will of God.
My Flame of Love seeks hearts completely detached from the Earth, free from all the ties that tie the soul to mundane things and creatures. In these souls My Flame of Love does not find any obstacle in the soul, it does not find anything to stop it, nothing to hold it back in the growth of Love for God and in the flight of perfect love for God.
It is these souls free from all ties to earthly things that My Flame of Love prefers. When she finds such a soul, free, completely free from everything that holds her and ties her to worldly things and creatures, My Flame of Love enters, does great things in the soul, fills her with an immense love for God, enflames -a of desires to serve and love God, to love Me and serve Me with all your heart.
And give this soul all the strength and all the courage it needs to fulfill God's Plan, His Will, to fulfill My Maternal Plan, and to do whatever is necessary for Me, even to be weary for Me, get tired for Me and even die for Me.

So when this flame finds such a free soul, it really works wonders in it. In some Saints My flame of Love found hearts like this, so it was able to act in them powerfully and doing things that other men could never do.
Who gave you this strength, this energy, was My flame of Love. It was like that with Meu Afonso de Ligório, with Meu João Bosco, with Meu Antônio Maria Claret, with Meu Luiz de Montfort and so many Saints.
Yes, My Flame of Love was the one who gave the Martyrs the courage to die in defense of the Holy Catholic Faith and rather to lose their lives than lose Heaven, the love of God and salvation.
It is My Flame of Love that must in these last times raise up the great and powerful apostles, who will help Me prepare the world for the Second Coming of My Son Jesus which is closer than ever.
Therefore, open your hearts to My Flame of Love and let it, in this new time that is given to you, work wonders in the hearts of all of you.
Pray, pray intensely because only those who pray a lot can feel that they possess and have My Flame of Love in their hearts in fullness.
In the soul that prays little, My flame of Love does not enter, it does not act, not because I do not want to, but because the soul is closed to Me, its soul has a dead, indolent, fainthearted attitude towards My Flame of Love. And although My flame tries to enter his heart to enliven him, to scorch him he cannot, because the heart of this soul, of this person, is full of earthly things.
And so, as in a vessel full of earth, water cannot be poured, it cannot be filled, so too, in the heart that is attached to worldly things, My Flame of Love cannot enter, it cannot fill this person's heart. until fullness.
Therefore, empty your hearts and I will fill them with My Flame of Love that will perform great, powerful and abundant wonders within all of you.
Keep praying My Rosary every day, keep doing My Trezena every month. Through them I can always fill your hearts with My flame of Love and make that flame more intense each day until it reaches its fullness.
Announce everywhere that the time has come, and now truly everyone must decide: to lose or to win, to be saved or to be damned!
Now is the time for decision, the time has come and time matures, the combat will now go to the final phase and those who are not with Me will be confused, lose faith and salvation and fall into the eternal flames.
It is necessary for everyone to decide for Me, for everyone to give me their definitive 'yes' and break with everything that weakens My Flame of Love in their souls, everything that distances them from Me and that holds them back, that holds them back. on the path of holiness.
Now is the time when My enemy will truly attack the world with greater force, seeking to create all kinds of confusion, disorders and disturbances in humanity. The demons of hell will fight with him and I will fight with Saint Michael, the faithful Angels and My faithful apostles on Earth.
The fight will be fierce, the fight will be hard My children and the devil will now do everything to deceive you, to drive you away from My Messages and to throw you into great confusion.
Temptations will increase, the deceitful snares of Satan will increase, but those who are firmly, solidly founded in Me will not be lost.
There will be people, Jewish traitors, who will announce to you great changes in the church, great changes in what the faithful must believe.

There will be great confusion, many will accept what is said as truth proclaimed by God and will take advantage of My Son's silence and My silence to make others believe that their changes are desired and even commanded by God.
But, make no mistake! Remain firmly solid in Me, praying the Rosary, solidly grounded in Me, praying the Rosary, living My Messages. And, above all, believing in Dogmas that are immutable.
Then My children, you will remain faithful and thanks to you, to your fidelity to the truth of the Catholic Faith, which I keep here always intact, always pure, always protected from all error. I will be able to give My son Jesus at his return a holy people and My son will still find the true Faith on Earth when He returns.
Stay firmly united to Me, continue to pray all the prayers I have given you here, because those who pray them will never be confused and will never lose faith.
Pray My Rosary which is the invincible weapon of salvation that I have given you. The devil, hell cannot destroy My Rosary and that is why those who are firmly clinging to My Rosary, praying it with love, will be saved by Me.
Here, in this holy place where My Immaculate Heart is deeply consoled by My little son Marcos, who during all these years made for Me the most beautiful Meditated Rosaries, the Meditated Rosaries that I love the most, who made for Me the Hours of Prayer and also videos of My Apparitions and the lives of the Saints to make all My Messages and the Saints more known and loved. Here, I have an invincible spiritual fortress against which Satan can do nothing.
And all the souls that stay here, inside this spiritual fortress, praying these prayers, these Meditated Rosaries, meditating on these Messages of My Apparitions that My son Marcos records and gives to you, these will not be lost.
Therefore, My children, stay solidly firm in all of this and make all this known to My children, so that they too can remain solidly firm in Me and thus be able to withstand all trials and everything that satan wants to do to throw everyone into confusion and make everyone lose their faith.
Truly I say: There is nothing that I love more than the Meditated Rosaries that My little son Marcos engraves for Me and gives to you, so that you can pray, feed your souls and be saved.
There is nothing that I love more than the Prayers of this place that My son Marcos makes. That is why My Heart is so comforted here and there is truly an invincible, unshakable strength of faith, prayer and love for Me here.
Come and be solidly united to this spiritual fortress and to the warrior that I chose and raised up to take you across the desert of the great apostasy of that time as a new Moses and together also with My little Aaron, My little son Carlos Tadeu that I united with the My little son Marcos to pray for you. And to help My son Marcos to lead your souls in this great desert to the promised land of the Triumph of My Immaculate Heart.
Then My children, one day you will see how much I have truly loved, cared for and protected your souls by preserving them from the contamination of the current apostasy. And how truly for everyone I was a Mother, teacher of Love and refuge.
I now bless you all with love from Lourdes, from La Salette and from Jacareí."

(Marcos): "Dear Heavenly Mother, would you be kind enough to touch these rosaries that we made for your beloved children?"

(Holy Mary on the Rosaries touched by Her): “Dear children, as I have already said: Wherever one of these Rosaries gets there, I will be alive carrying the great graces of the Lord and My Heart.
Above all, at the time of the great Punishment, the houses where these Rosaries are, as well as the people who take them with them, will be protected by Me, the demons will not be able to enter these houses, nor can they seize those who bring these Rosaries to take them with them to the eternal flames. .
All this is the work of My great maternal love for all of you, keep these Rosaries with love and veneration, pray with them and you will receive great graces from My Heart.
Spread more about My Apparitions in Casanova and also in Fatima, these two Apparitions like La Codosera, Ezquioga and Bonate cry out to Heaven, crying out for reparation and also for revenge, because humanity did not obey what I said in Fatima, nor in Casanova. And that is why the great Punishments are about to fall on all humanity.
For the next month I want you to do Trezena nº 10 and Septena nº 5, I want you to pray more and make these My Prayers known to the whole world.
I hope that this month you will pray Rosary 288 for 10 days in a row. And that you make this Rosary known to all My children so that they all pray this Rosary and fulfill the Messages that I have given and that are engraved on it by My little son Marcos.

I bless you all now with love again, and I leave My peace. Good afternoon."
Jacarei, January 14, 2017

(Holy Mary) : “My children, today I again call all of you to open your hearts to My Flame of Love and to let My Flame of Love act always and more and more in you.

Time has matured, this means that there is no more time to waste with indecisions or ramblings. You must act quickly, because My adversary will now focus his attacks on the elect to make even them lose the salvation of their souls and their faith in God and in Me.
Do not believe any... any lies that are told to you by changing the Dogmas of the Catholic Faith.

Remain faithful, faithful to the dogmas of faith, faithful to My Rosary, faithful to true devotion to Me.

Now will be the moment in which Devotion to Me will be definitively destroyed and annihilated in order to make room in the Church for ecumenism, which will generate great spiritual confusion, which will lead many, many souls to lose the Catholic Faith and condemn themselves.

With this terrible plan, they plan to destroy the true Church of My Son and create a false one that looks like the truth. That's why you who have eyes and clear vision illuminated by the truth, by My Flame of Love, by the Rosary that during all these years I asked you to pray Here. Illuminated by My Messages that made you know and discern the truth from the lie. You stand firm while the whole world falls for the lie.

Keep announcing My Messages of Love to the whole world and stay faithful to this invincible fortress of prayer, faith and love that My little son Marcos raised for Me Here.

Yes, those who remain faithful in this fortress of love will not lose faith. The Eternal Father is already truly tired of so many offenses that he receives daily and wants to give course to his Justice. I have held his arm, but I will not be able to hold him much longer if you don't pray anymore, don't obey My Messages and don't do the prayer groups I asked for.

Go along all the paths with My Pilgrim Images, making the cenacles of prayer, so that in this way a great force of prayer and intercession may arise from the earth.

I want you to understand My children that many were called, but few remained faithful to Me. That's why My Heart suffers, that's why I cry, that's why My Heart itself Here experienced the pain of being pierced by the sword of the betrayal of many, the abandonment of many and the rejection of many.

You, at least, be faithful children and work intensely for My Triumph on Earth by spreading My Messages, sacrificing yourself for Me, making the prayer groups and cenacles I ask for for Me. And above all, every day renounce your carnal desires and desires and surrender your bodies to Me, putting them at My service instead of seeking the comforts and pleasures of life. In this way, your bodies will be holy and so will be. your hearts.

Give Me your bodies and you will also be giving Me your heart. This is what I want and this is why I suffer because most of My children do not want to give Me their bodies, let alone their hearts.

Give Me your bodies and hearts so that through you I can manifest the strength of My Flame of Love to convert and save so many of My children!
It is the time of the great final war, arm yourselves for battle, meditate on My Messages, read the books of My Messages that My son Marcos made and offered to you. Pray all the Hours of Prayer that I have given you to strengthen your souls, to give your souls strong food. Because now the battle will come and those who have their feet of clay and their houses on the sand, that is, those who do not have a firm, enlightened and strong faith will fall in the great storm.

I have been coming to warn the world for 26 years now, but they do not listen to Me. I had to see with great pain the loss of many who could be saved if they wanted to, but did not want to be saved. And how many today who don't want to be saved, I give My Messages, I call I offer salvation, but they don't want, they want worldly pleasures.

That is why My Heart is only pain and that is why abundant tears fall from My eyes, there is no longer any container in the world that can contain My Tears. How many... how many who go along the path of perdition laughing at

My Son and taking advantage of His silence, but the hour will come when He will make the thunder and the roar be heard and will make fire fall from Heaven. Then it will be We who will laugh... who will laugh at a proud, boastful, cheeky, insolent humanity who thought they could declare the death of God and live without God as if He did not exist.
If you My children do not want to be one of these crazy people, convert, open your eyes and live the true life, the life in God that I offer you Here.

The door of Mercy will now begin to close, enter while you still can, pray My Rosary every day and urgently publicize My Apparitions in Casanova Staffora and also in La Codosera and Ezquioga. So that My heart truly triumphs in this world of sin and I can form a holy people to receive My Son who returns in Glory.

I bless you all with love now and ask you to pray the Meditated Rosary 299 for eight consecutive days and spread it so that everyone can pray it too.

I bless you with love from Lourdes, from La Codosera and from Jacareí."

(Saint Gerald) : "My beloved brothers, I, Geraldo, come again from Heaven to say to you: Be burning flames of love, even if small flames like a candle. But be burning flames, living continually on fire in the love of God, praying more fervent and fervent prayers every day, doing spiritual reading.
And above all, trying at all times to say no to what your flesh wants, to say yes to the impulses of the Holy Spirit who so often calls you to the Rosary, to prayer and you stifle His calls, seeking more mundane things and sinful.

Thirst like the Little Shepherds of Fátima, like Saint Bernadette who went into the deepest part of the Grotto of Massabiele and prayed many, many endless Rosaries, which was accompanied only by the sound of the waters of the River Gave. Seek silence, seek the recollection of prayer where the soul enjoys peace, happiness, joy. Where she finds the meaning of her creation, her birth, her life on Earth and sees that on earth nothing is more important than not aspiring, seeking Heaven and saving each one's poor soul, saving one's poor soul. .
In this way, you too will be imitating Me and little by little you will develop within yourself the inner life of the soul, the life of union, the spirituality that should now be stronger and deeper than ever before. Otherwise, you will not be able to withstand the contrary winds and the great spiritual confusion that will settle in the whole world.

Stay faithful to the Rosary of the Mother of God, for those who remain faithful to it will not perish.

Here you have an invincible fortress of faith, prayer and love made by the Mother of God in union with Our Beloved Marcos, give thanks to God for that, because if you weren't here you would be lost.
And stand fast in that invincible fortress of prayer, being yourselves faithful sentinels, burning with holiness and prayer, who are continually watching in readiness, lest the enemy invade this fortress, do not destroy this fortress. And

also, like valiant soldiers who go out to fight to take from the enemy the ground he has seized, which he has conquered.

In this way, you will truly give God great glory and show that you are true children of Mary Immaculate.
I want you to pray My Rosary No. 4 for four consecutive days meditating on those Messages. I promise that at the end of those four days I will give special blessings to all who do.

I bless you with love from Muro Lucano, from Materdomini and from Jacareí."

(Santa Luzia) : "My beloved brothers, I, Luzia, come from Heaven once again today to say to you: Open your hearts to the love of God, which is great for you.
God sent His Mother here and He came Himself to show you how great His Love is and to give all of you the greatest and last graces in the history of humanity.

Correspond with love to this great Love and be holy, give to God like Me, your bodies and you will also give your heart, give your life to Him and you will find this life in eternal life waiting for you.
Do not be afraid to lose your lives in the service of God and the Mother of God, for this is gaining life, it is gaining eternal life.

I promise to help you in the service of the Lord and His Mother and I truly want all of you every moment and every day to say your 'yes' to the Love that has chosen you. Many were called, but few were those who loved this great Love that chose and called them. Many were chosen by the Mother of God Here, but few chose her.

Choose the Mother of God so that one day you will not be chosen by hell. Because all those who do not choose the Mother of God will one day hear those terrible words from God: 'Enter hell!'

My brothers, choose this great Love that chose you, for this will give you the great grace of eternal life and then you will be happy eternally like I am in Heaven and so together we will praise God with the Angels forever.

Yes, Maria wants a real love and not an appearance. She wants a 'yes', a surrender and a total donation, real and not just apparent.

Cultivate this true love in your hearts and give her this love, for it is this love that saves and that transforms you into true children of God, of the Mother of God and heirs of Paradise.

I bless you all with love from Syracuse, from Catania and from Jacareí.

I love you all so much and am always close to you."
Jacarei, January 15, 2017

(Holy Mary): “My children, today again, I invite you all to open your hearts to the Love of God.
I Am the Virgin of the Poor, today, when you contemplate My Apparition to My little daughter Mariette Beco in Belgium, where I came with that title, I call all of you to open your hearts truly and widely to the Love of God!

I am the Virgin of the Poor! What poor? Of the poor in spirit!
I appeared in Banneux first to enrich My little daughter Mariette whom I loved so much with the Gift of faith, and then also the members of her family. And through Mariette to enrich all My children with the treasure of faith, who with the passage of time sought Me and sought Me in Banneux.

The poor in spirit are those who do not cling to the things of this world... nor to the honors, nor to the glories, nor to the vanities of this world. They are the poor in the spirit of God, of Yahweh, those who hunger and thirst to know Him, hunger and thirst for justice, for holiness.
It was to these My children that I came to enrich. That is why, in Banneux, I converted so many indifferent sinners who no longer prayed, who no longer loved God and who had been far from God for a long time like the father of My little daughter Mariette.

That is why, in Banneux, I truly made so many of My children rich in the grace of God who sought Me there and who through Me were enriched with the light of faith, with the treasure of faith, and with the true love of God.
I appeared in Banneux to reveal My great maternal love to the world. That's why I appeared to relieve My children who were suffering, but mainly to heal and save My sick children of soul.
That's why I gave My Miraculous Source in Banneux to heal the bodies of My children and especially the souls of those who were sick in sin.

My Apparition in Banneux is therefore a sign of My great love for all My children and of My great desire to help them, to relieve them, to console them and to save them.
You must believe more in this My Love! You must open yourself more to this Love and allow My Flame of Love to enter your hearts to bring about the great conversion in them.
What I said in Banneux and in Beauraing I repeat again to you: Believe in Me and I will believe in you, that is, open your hearts to Me, let My Love enter your hearts, do what I say in My Messages , and then, I will perform graces in your life.

Love Me? So make sacrifices for Me, live this true love. May this love in your life be manifested in deeds, not words. May it be manifested by acts, attitudes of love and sacrifice for Me and not just with an apparent love... in appearance...

In Banneux and Beauraing I asked for this love because I had had enough of the love of appearance. Men only loved Me in appearance, but when I gave them Messages as I did in Fatima, La Salette and elsewhere, they did not obey Me.

I'm already exhausted from the love of looks!! I want the love of works, I want real love, I want the true love of daily attitudes of love and sacrifice for Me, of donation for Me...

Live this true love My children, because whoever does not live this true love will not enter My Kingdom, the Triumph of My Immaculate Heart.
Yes, this Triumph is near. I will come, I will come with luminous clouds over the Sky and I will give a big flash, and in that flash, My children will receive My Flame of Love and many will understand My Messages. You will understand what I want, you will see that it was true that I appeared in many places on Earth and called My children. And many will then be converted and saved...
For these there will be hope, but for many who have now hardened their hearts to such an extent that they have become completely insensitive to any ray of light from My Heart, and dead to God, dead to grace, for those who persisted in sin, will be too late My children, too late...

Therefore, open your hearts now to My love, so that in that glorious moment when the Holy Spirit will descend with My Flame of Love at the Second Pentecost, your hearts may be purified by that flame, ignited by that flame and enlightened. by that flame until they become living reflections of My pure Heart.

Get ready! Because the time for combat has truly come.
Now the combined forces of darkness will work hard to put their plans into execution and wipe out the name of God, My name and the true faith, the Catholic faith, from the face of the Earth.
Fight the invincible weapon I gave you with the Rosary! Fight with the Rosaries and Holy Hours I have given you! fight with My Messages, with the Medals and Scapulars that I have given you My children!

You here have the Hours of Prayer that My little son Marcos recorded and made for you. There are these Rosaries of Tears, these Rosaries, Trezens and Setenas. You have invincible weapons and besides that I have Here, in this place, an invincible fortress of love, faith and prayer, this invincible fortress was also placed in your homes, thanks to the tireless work of my little son Marcos who recorded these prayers and gave them to you. .

This invincible fortress is also in your homes, in your families, use it, put it into practice in your families, make your families become invincible fortresses of faith and prayer, also praying the recorded prayers that My little son Mark gave for you guys!!!

Thus, My children, not only Here, but also in your homes, I will have My invincible fortress. And so, the preaching of the followers of the antichrist, the heralds of the antichrist cannot destroy the faith of you and your families. And so, in you the true faith will resist until the return of My Son, until My Triumph and then when the son of man returns, he will still find the true faith on Earth.

Now Satan will relentlessly persecute God's elect to make them lose their salvation and faith. Beat it with the recorded prayers that My little son Marcos gave you, this is the invincible weapon of victory, use it and you will win.

Anyone who despises this invincible weapon of salvation is already lost. Therefore, My children, use the weapons that I have given you Here, the invincible weapons of victory, and place these weapons in the hands of all My children as well. In other words, these Meditated Rosaries, these Hours of Prayer, because whoever does them will not lose faith, he will be saved and will become a great saint in Heaven.

Today more than ever I wish you to continue praying My Rosary and that you also pray the Rosary of My Tears of Blood for five consecutive days 21. Pray it My children, so that you can truly understand My Pain, the reason for My Tears and receive My burning flame of Love in your hearts.

I bless you all with love from Banneux, Beauraing and Jacareí."

Jacarei, January 21, 2017

(Holy Mary) :"Dear children, today I invite all of you to spread more My Messages of Fatima. Although in Fatima there is a great Sanctuary in My honor, many people still do not obey My Messages of Fatima and the Message of Fatima is not disseminated, it is not lived as My Son Jesus wants.
That is why Our Two Hearts bleed, they bleed because the Message of Fatima is not obeyed. It has been 100 years since I gave My Messages in Fatima and to this day most of humanity does not know them, the Sanctuary of Fatima cries out for reparation.
Therefore, spread more My Messages of Fatima, above all, through the two very complete and good films that My little son Marcos made for Me, so that they understand how much My Mother's love has been despised for a hundred years. And how much My Heart is still despised today because My Messages from Fatima, from the Cova da Iria are not obeyed or made known to My children.
I ask all of you to stand up and spread My Messages so that My Immaculate Heart can finally triumph as I said a hundred years ago. And I can finally transform the world into My kingdom of Love.
Keep praying My Meditated Rosary every day, because the Meditated Rosary that My little son Marcos makes for Me is what pleases Me the most, because in it My Messages finally reach the hearts of My children and they feel the need to love Me, to console me, to console my son Jesus, to repair and make amends.
Continue with all the prayers I have given you Here.
I bless you all with love now from Fátima, Lourdes and Jacareí."

(Saint Geraldo) :"My beloved brothers, I, Geraldo, come from Heaven again today to tell you: Great is the love of God who chose you and brought you here.
God chose them with supreme love and with His mighty Grace brought them here where their souls are truly enlightened, filled with grace and saved.

Choose this love that chose you, so that one day this same love that should be the cause of your salvation will not become a reason for your condemnation.
Pray My Rosary every day, so that I can fill your lives with great graces.
Imitate My great love for the Rosary, I prayed approximately 50 Rosaries a day, pray the Holy Rosary more and you will see how many and how many graces God will give you.
I took care of My obligations in the convent and I prayed many Rosaries. The Rosary, the Rosary, was the luminous ladder that led Me to Heaven. Climb this ladder too and you will see how one day you will be filled with joy, with happiness in Heaven and you will see all the rosaries that you have prayed with love shine in great glory.
I bless you all from Muro Lucano, from Mater Domini and from Jacareí."

(Santa Luzia) :"My beloved brothers, I, Luzia, invite you again today: Open your hearts to God while there is still time.
The time of waiting for God is running out, and soon when the door of Mercy is closed, no one will be able to find or feel the love of God that is now abundantly given to all of you here through the Apparitions of the Mother of the Lord.
Oh dear brothers! Open your hearts, for now it is truly time for the great final battle. And those who do not have their hearts truly filled with the flame of love of the Mother of God will not persevere.
As in Oliveto Citra, many were called by the Mother of God Here, but not all will persevere. Only those who are capable of deeply believing and deeply loving the Mother of God will remain faithful.
Those who do not have their hearts set on fire by the flame of the love of the Mother of God because of human respect, worldly things and pleasures will end up betraying her and betraying the love of God.
That is why I say to you: Cultivate and increase your faith and your love, not only by praying more, but above all by renouncing your will every day and by making more and more efforts so that you do the will of the Mother of God.
Create in you the same feelings that the Saints had for her, so that you can truly love her with the true holiness and purity of love that she desires from all of you.
Pray My Rosary often so that I can increase the flame of true love in your hearts and truly make you incessant flames of love.
Pray often the acts of love that have been given to you here and also try every day to do something more for the Mother of God than what you already do. So that, truly every day, the flame of true love may grow in your hearts.

I bless you all with love from Syracuse, from Catania and from Jacareí."

Jacarei, January 22, 2017

(Holy Mary) : "My children, today, I want to call you all again to meditate more on the great grace that the Heavenly Father has given you with My Appearance Here.
You are not grateful enough to God for My presence, why don't you meditate on the great grace that God has given you. It was a great love that chose you, it was a great love that called you here, it was the love of God and My love.

And how many times have you paid for this great love with disobedience, laziness and ill will, hurting the heart of the Father in Heaven and My Heart. Therefore, little children, renew in your hearts the flame of gratitude for God and for Me, for this great grace, the grace of My Appearances Here to which I called and to which I chose you to know My Messages and thus enter the path of salvation.
In this way, your hearts will grow every day more in gratitude to the Lord and also to Me, the Mother of Heaven and your hearts will always desire to love us more and to repay Our love with works of love.
Make more reparation for My Apparitions, especially those of Fatima and also Casanova Staffora. These two Apparitions cry out for reparation because the world did not obey the Messages I gave in these places.
I want you to make these appearances of Mine all known to all My children. Make meetings with My children to present to them these films that My little son Marcos makes and pass these films on to them so that they can pass them on to others.
Also My children, deliver these films of My Apparitions from house to house so that My children can get to know My Messages as soon as possible, convert and be saved.

There is not much time left, time has matured, the wheat is ripe and there is no one to harvest it, that is, humanity has grown a lot, nations are full of human beings, the harvest is great, the harvest is ripe and there is none, there is none to gather wheat for the Lord.
The media are only used to spread bad things, indecent and immoral things, or else to spread stupid and banal things. It was not for this that My Son gave man the intelligence and the means to invent the means of communication. My Son gave man the wisdom to invent these means to spread My Messages to convert My children. If the means of communication are not used for this, they only serve the devil and not Me.
Use the media for Me, to help Me save My children and to bring them closer to God.
Walk, talk and do everything! Spread My word by all means so that my children are converted and saved.
Unfortunately, the sect, taking advantage of laziness and also the apostasy of the bad shepherds, took the lead and invented many ways to spread sin and rebellion against God throughout the world through the media.

While the bad pastors of the church slept, the sect worked and managed to lead the majority of humanity to rebellion against God, to atheism, making them insensitive, indifferent and rebellious to everything that is about God and Me. And the bad pastors at most did the means of communication to spread communism, liberation theology and errors that led the souls of many My children to the loss of true faith.
Now you My children, those who are faithful to Me, fight and spread My words by all means, because it is humanity's last hope.
Keep making the Cenacles everywhere because only these cenacles can still save a little remnant for My Son Jesus who is coming back soon in Glory.
Pray My Rosary every day, the Rosary of Tears and all the Holy Hours that I have given you here, because through them I always make your hearts grow in

true love for God and Me.

Open your hearts to true love for Me, trying every day to do something new, something more for Me, so that your hearts expand and I can pour My flame of love into them more.
Keep praying the acts of love that were taught to you here so that they warm your hearts and enflame you more and more with My flame of Love, expanding them to a great capacity to love God, Me and the salvation of souls.
Read and meditate on My Messages, they are the light of your eyes, they are the salt of your soul, they are truly the fertilizer of the earth of your soul.

Whoever fertilizes his soul with My Messages every day will bear much fruit. Whoever does not fertilize and fertilize the earth of his soul with My Messages will die.
Pray, meditate on My Messages and expand your hearts to My Flame of Love that in this year that belongs to Me I want to pour out more and more on you.
I bless you all with love and especially you My beloved son Marcos who always gives so much joy to My Heart with these wonderful Rosaries and Rosaries that you made and recorded for Me.
Yes, with each bead of these Rosaries, with each Hail Mary, a sword of pain is taken from My Heart. Yes, son, you console My Heart a lot and so does your spiritual father, My most beloved son Carlos Tadeu, whom I love with all My Heart.
Each Cenacle he makes for Me dries a thousand tears that men pull from My eyes and pulls a thousand thorns from My Heart. May he continue always and firm, always moving forward because through him I will save that beloved land of Bahia of mine, just as through you my son saved and I will save Brazil, I have saved Brazil from so many evils that threatened it and I will save the whole world.
I bless you all with love from Fatima, Pontmain and Jacareí."

Jacarei, January 24, 2017

(Holy Mary) : "Dear children, today I invite you all anew to perfect love for God.
Have the true love for God that is made of works of perfect love, live My Messages that teach you the way to Heaven, because it was with great love that I came to give them.
My Heart is in great pain because many of My children do not accept My Messages with love.
If I have given so many Messages Here there are so few who listen to Me, welcome Me and obey Me, imagine if I had not given so many Messages. For this reason, My Heart is still looking for souls that answer Me yes.
Live My Messages and continue spreading My maternal appeals given mainly in Bonate, in Casanova Staffora, in Fatima and also here. So that My children throughout the world may know My Love, live My Love and in this way My Flame of Love may triumph throughout the world.
I bless you all with love now from Fátima, from Montichiari and from Jacareí."

(Saint Irene): “Beloved brothers, I, Irene, rejoice that today I come from heaven with the Mother of God to bless you once again.
Dear brothers, how I love each one of you, how I protect and guard each one of you. Live true love for God, love that translates into sacrifices for God.
If you love God, if you love the Mother of God, every day you will sacrifice yourself for Them. In this way, those who truly love God and His Mother and those who do not love them will be known.
Those who love Them will accept any sacrifice for Them to please them, to serve them, to obey them and also to give them contentment and satisfaction.
May your love be of works of love, less words, more works of love, more meditation, more silence. And above all, renounce worldly things and everything that separates your souls from the love of God and the Mother of God.”
Do as I do, be energetic, renouncing everything that hinders the action of the Flame of Love of the Mother of God in your hearts. When you put those obstacles to Her and the Lord's love out of your hearts.
When you also learn to say no to your own will, then the love of God and His Mother will triumph in you.
I want you to pray for nine days in a row as a novena, the Hour of the Saints nº 28. Pray it so that you, My dear brothers, can grow more and more in the true holiness that God expects and wants from you.”

Jacarei, January 29, 2017

(Holy Mary) : “Dear children, today, when you begin the Novena for the Anniversary of My Apparitions Here, I call you all once again to true love.
Let My Flame of Love enter your hearts and completely transform them into My abode, the abode of God. God only dwells where there is love, if in your soul there is no true love for Him, God is not there. Therefore, little children, renounce all worldly things and your will so that then there will be love in you for God and God will then come to live in you and with you joyfully.
Thank God that I have been Here for so many years leading you on the path of holiness that pleases and gives glory to Him. You must truly open your hearts more to My love in these days, want it, desire it with all your strength. And to desire My Love is to renounce everything that is contrary to Me and seek My Will and do it to your will.
When your will merges into Mine, when your will conforms to Mine to the point that Mine becomes your will, then My Flame of Love will manifest with all its power in you, transforming you in the great saints that I came here to look for and that I already asked in My first Appearance here in 1991, that there be.
Pray My children, because times are bad! All those who are not here in this invincible fortress of faith, love and prayer that I built here through the person and work of My little son Marcos, the Meditated Rosaries he made for Me, the Movies, Hours of Prayer, Trezenas, Setenas, Cenacles, everyone who is not here in this spiritual fortress will fall into spiritual confusion, will lose faith and his salvation.
Come to the safe haven that My Immaculate Heart has built and prepared for you, which is My Sanctuary. Yes, by My tears united with the tears of My little son Mark, by My Sorrows united with those he suffered for Me, this invincible

fortress was raised and built here for you, to save you in this time of apostasy, predominance of sin and Satan .
Be faithful, persevering in this My School of Holiness, in this My invincible fortress of love that I have raised here.
If you remain faithful, apostasy cannot kill your soul. While the rest of the world ends up plunging into apostasy, lack of faith, violence, sin and satan's darkness, here, you will always have the light, the light that emanates from My Immaculate Heart, the light of the Woman dressed in Sun, which removes all darkness, which destroys all darkness, all darkness.

Therefore, little children, persevere with the Rosary in your hand, showing that you truly love Me and obey Me.
Whatever happens, never leave the Rosary, it will be the source and the path of victory for all of you. There is no soul that has never condemned itself if it has prayed My Rosary. The Rosary is a sure means of salvation, pray it and you will never see the flames of hell.
I truly wish that there are many My children here who have a heart similar to that of the Saints, similar to that of My Bernadette, My Geraldo, My Afonso, My Little Shepherds of Fatima, La Salette and all the Saints.
Hearts, may you love Me with all your strength, may you obey Me even in persecution and suffering, may you be able to carry crosses for Me, may you even be able to give your life for Me.

If you My children do not have a love that is on fire like this, what will become of you when the final persecution comes? When will the last and great tribulation come? What will become of you when fire falls from Heaven? When does that fire that I prophesied in Akita, Japan fall on all mankind?
What will become of you when the Earth is shaken by more than 50 earthquakes together like I said here, in El Escorial and so many places? What will become of you My children??
You must, therefore, expand your hearts more to a greater capacity to love God and Me, so that, being strong in love, you can bear everything, suffer everything for Me.
So that one day they can be crowned by Me as winners, like My little victim souls who, in this time of great tribulation, suffered everything for My love. And they would rather suffer everything and even lose everything, than lose Me, than lose Jesus.
Make the wonderful motto of My little son Marcos your motto: **'Either live for Mary, or die!** '
He lived it all these 26 years, that's why he never fell, never gave up, never got discouraged, even carrying a very heavy cross for the salvation of so many souls. Even loaded with this cross he didn't get discouraged, he went ahead and even suffering, even loaded with the cross, he loved Me and proved his love to Me not with words, not with mere promises... But with works, works of love and with sufferings of love, patiently borne by Me.

And yet, even loaded with the cross, he never left prayer and always worked, and hard, to make Me known and loved and to raise up here this invincible fortress of faith, love and prayer through these Meditated Rosaries, these Hours of Prayer, the Movies and all that He did for Me.

Truly, here, apostasy does not enter! Here, Satan can do nothing, nothing against Me, because My son Mark did what we read in Revelation 12: 'The earth that rises to the aid of the Woman clothed with the Sun.'
He is that wall of earth that was raised to help Me, to defend Me, to suffer with Me, to fight with Me for the salvation of all My children and to make Me more and more known, loved and obeyed.

Here the river of water that the dragon vomits and submerges all humanity in sin, here this river is stopped and cannot submerge the truth, My work of salvation.
Therefore, little children, make your lives what My little son Marcos did: Make your lives his motto: 'Either live for Mary, or die.'
And you will also have an Angel's heart, a Saint's heart that only knows how to love Me, that only knows how to love God and you will truly be that land that will rise to stop the vomit of the infernal dragon. And together with him and with Me you too will one day conquer and sing victory!
I bless you all with love now from Lourdes, from Fátima and from Jacareí."

(Saint Judas Tadeu) : "Beloved brother Carlos Tadeu, today I come to give you the Message that I should have given you yesterday. I come from Heaven once again with great love to bless you and tell you: I love you and I keep you in the palm of My hands. You must fear nothing because I am with you and with you is the Mother of God. I love you, I love you as the most intimate fiber of My Heart!
When I was on earth preaching the Gospel to the Gentiles and I was tired, tired, walking under the hot sun in dusty paths preaching to the Gentiles and often being despised, harassed and expelled by them from their cities, I felt how very It was natural, a great sadness and a great discouragement to see men rejecting the love of the Lord Jesus, rejecting the truth, rejecting also His Most Holy Mother... and I cried...
My humanity resented that rejection, even though My Spirit was strong and determined to continue going to the ends of the world to proclaim Jesus.
My humanity was resented, My humanity suffered, was afflicted. So it was possible for Me to see in vision many, many times our most beloved Mark and also you.
Yes, I saw Our most beloved Mark making this beautiful motto of his life: 'Either live for Mary, or die!'
And this consoled Me, knowing that in the future there would be a soul that would love My Lady, My Queen and My Mother so much. And I was also consoled to see you together with him learning to be holy, learning to love Mary as he did and learning to despise worldly things and even so many lawful things to live only for Mary, to serve Mary, to praise to Mary, bless Mary and bring about the Triumph of Mary on Earth.
Yes, the sight of these two beautiful souls, that of Our beloved Marcos and yours, consoled Me! Then, I dried my tears, got up decisively and went ahead announcing Jesus, announcing the truth to all peoples and enduring with love and patience all the mistreatment and rejection that I received out of love for them.
Ah, beloved brother..., how many times have you consoled Me! How many times to see you praying the Rosary for Mary, making the Cenacles for Mary,

loving and praising Mary, how much she consoled Me! How much it gave Me the courage to go forward, because I knew that My efforts, My sacrifices and sufferings would not be in vain!
Because the Mother of God appeared to Me many times and told Me that you would be a fruit of My martyrdom, of My blood shed for Jesus and for Her. Oh...! How much this consoled Me and gave Me strength to go forward, announcing Jesus.
This thought, this knowledge also gave Me much comfort at the time of My martyrdom, as I have told you other times. The fact of knowing that My shed blood, My sacrifice would produce a most beautiful fruit for Jesus and Mary who are you, this gave Me courage, strength and courage to put my head resolutely under the trunk, so that there I would receive the blow that made My soul fly to eternal glory.
Oh My brother! How much I love you, and how truly I am happy to see that My martyrdom has not been wasted, but has been very well used by you. These merits of My martyrdom in you have borne and will bear much fruit and truly the offering I made of My life for you has been well used by you.
Blessed are you for having in your heart: love, generosity and kindness to say yes to Mary, to believe even before you see the signs. Blessed, blessed, blessed are you who had the courage to love, to believe, to obey Mary even without proof, even without confirmation, believing purely by faith.
Blessed is he and blessed will be even more, because the more the flame of love grows in your heart, the more the Mother of God will act in you and perform wonders and wonders in you.
And the more works of love you do, and you will certainly do for Mary, the more worthy of new graces you become. And the more you love the most favorite son of the Mother of God, the one that She prophesied in the Apparitions of Quito to Our beloved Mariana de Jesus Torres, who would be the great apostle who would take Her Apparition out of hiding and oblivion and as well as all the other Apparitions... The one who would even keep the flame of faith lit in these times of darkness and apostasy, while everyone's flame would go out, including many seers, who, although chosen and very much loved by the Mother of God, they would allow themselves to be contaminated by apostasy and lose faith, lose love, lose the grace of God.
Yes, our beloved Mark who will be like the Mother of God, while all the apostles lost their faith in Jesus, even John and Magdalene, She stood by the cross as the only one who believed in the resurrection. It was the only flame in the midst of the great darkness that surrounded Calvary and humanity.
Yes, and our most beloved Mark in these times of great darkness is this flame, this light that shines, that burns and that chases away the darkness. And so, as on Calvary even the sun was darkened to show the loss of the faith of the Apostles, to represent the loss of their faith and of so many in the divinity of Christ, but His Mother remained like a burning flame, so our beloved Mark in the three days of darkness he will remain as a light in the midst of darkness to dispel the darkness. And then, the light will shine, the light will radiate From Here to the whole world.
And then the darkness will dissipate, the sun will shine again, and a new time of light and grace will come to the world. And you, together with our beloved Mark, will be part of this light, part of this flame.

Stay, therefore, united to the one that the Mother of God gave you as a spiritual son, so that you may always be the light and radiate the light. And again I repeat what She said: Just as there was no greater honor or grace for St. chose and favored more than many kingdoms and nations on Earth combined in these 26 years.
You have been the chosen one and therefore you should rejoice because truly you have been given an honor greater than that of many kings and many great men of God's people combined.
Therefore, beloved brother, rejoice your Heart and rejoice, because great is the love that has chosen you. Always choose that Love and you will always remain in that Love.
I, Judas Tadeu, love you very much and also truly, I want to reveal to you one more great thing: When Our Lord was on Mount Tabor with the three Apostles, I who remained below, I was also favored with many visions and in one of them I saw the you, dearly beloved brother, and I knew how much God would love you, how much the Mother of God would love you.
And so, I asked Our Lord to give Me the favor, the grace to pray and offer all My works for you, although I did not know the time or the circumstances in which you would come into the world.
The Lord granted me this great favor and from then on, every day, whenever I prayed, whenever I could also talk to Jesus and ask Our Lord for anything, I always asked Him and His Mother for you, to that they would give you loving thanks when you came into the world.
And they always said yes to Me and always blessed you at My request. Therefore, always believe that you have a great advocate in Heaven who is truly willing to pray for you, advocate for you and defend you at all times and in all your needs.
Pray and always believe in My love, for I will never, never leave you.
I bless you now with love from Jerusalem, from Nazareth and from Jacareí."

Jacarei, February 04, 2017

(Mark): "Yes. Yes, I will. Yes, I couldn't do it because of the problem that you already know about. I couldn't get out of here.
Yes, I'll do it, even if I have to do it at dawn and I can't sleep anymore, but I'll do it. I will do whatever the Lady wants. Yes yes. Yup.
I realized as soon as the Lady arrived! The Lady barely disguises her joy when he is here!
Yup. Yes, I will say yes. Yup. As the lady wishes."

(Holy Mary) : "Dear children, today I invite you all to give thanks to God because His goodness towards you is great, it was very great. Above all, when he chose you to be Mine, My consecrated ones and to be Here in My house, in My School of Holiness, Here in **My Invincible Fortress of love** !

Yes, My children, this place is My invincible Fortress of faith, prayer and love. Through the work and person of My little son Marcos, through his 'yes' I built this invincible fortress that the devil in these 26 years tried in every way to destroy, but could not.
Yes, thanks to My maternal love, to My Motherly care for this My work of salvation, My Apparitions in Jacareí.
And thanks also to the obedience of My son Marcos to Me, to his works done with so much love for Me, his Meditated Rosaries, the Holy Hours of prayer, Trezens, Setenas, the films of My Apparitions, I was able to build here a fortress that neither whole hell could bring down.

You My children were chosen by Me to be in this fortress and receive from it all the strength to persevere to the end and to escape unscathed from all the evils of this time of perdition and apostasy.

This was the great sign of God's love for all of you, be grateful to the Lord giving Him the answer He has been waiting for so many years: your 'yes'. Even if you have flaws, God wants your 'yes' from you, he wants your heart... And from many, he wants your body, he wants your whole life.
Then he will be able to carry out his paternal plan of love, saving millions of souls through your 'yes' as he did with the 'yes' of My little son Marcos Tadeu.

Now that the hour of the greatest test has arrived, when the anti-church infiltrated within the Catholic Church wants to create general confusion, the loss of faith, apostasy and make many, including even the elect, lose the light of the holy Catholic faith. . I call all of you to be the great apostles, the warriors of love of My Immaculate Heart, who will oppose the preaching of the false church, the counter Catholic Church, with the preaching of My Rosary, My Messages, the lives of the Saints and the truth through the Cenacles of prayer that I asked you to do everywhere.

It is time for My brave children and warriors to wield the sword of faith, prayer, courage and love and fight for My Son Jesus and for Me. Do not be afraid of anything, because I will always be with you and through you the light of true faith will triumph and My Secrets of La Salette, of Fatima, and also from here will finally be realized.
The power of Satan will finally be destroyed and annihilated and My Immaculate Heart will triumph through this My invincible Fortress of Faith, love and prayer that is My Sanctuary and My Little Son Marcos.

Yes, through him I will make My mystical light shine and illuminate the whole world at the end of the three days of darkness, Satan will be blinded, paralyzed, thrown and chained forever in the infernal flames from which he will never leave. And My mystical light will renew and purify all things.
Each Meditated Rosary that My little son Marcos does, each work that he does for Me already breaks the power of Satan over souls. With each Rosary that My son Marcos makes for Me, each movie and each Hour of Prayer, each Cenacle Satan loses more power.
And so, it also happens with the Cenacles made by My most favorite son Carlos Tadeu, so the devil gets angry and attacks these two My children in

order to discourage them and take revenge on them.

But My Immaculate Heart watches over them and covers them as with a shield and they cannot be hit by My enemy, although they are My heel and often suffer the attacks of My enemy, the slanders and the injustices he moves. against them.
My Heart will triumph through them and if each of you My children today, give Me your 'yes', through you I will also triumph in your families, I will triumph in Brazil, I will triumph throughout the world. And I will give all humanity the long-awaited Peace.
Keep praying My Rosary every day, if you do, I will give you what My little son Marcos has been asking me incessantly in this novena: A saint's heart, an apostle's heart.
And I will transform you into the powerful instruments through which the Holy Spirit will descend at the Second Pentecost and My Heart will triumph over the entire Earth. These days are special days, days of great graces, pray, pray, pray that your hearts may become a saint's heart, an apostle's heart, a heart that is totally Mine.
I bless you all with love from La Salette, from Fátima and from Jacareí."

(Saint Geraldo Magela) : "My beloved brothers, I, Geraldo, rejoice once again to come from Heaven with Our Queen to bless you all.
Oh! How great is Her love for you! Oh, how lovingly She chose you, how lovingly She marked you in your Mother's wombs and chose you to be Hers. I was with Her when She did this.
And upon many of you I have also cast My loving gaze. I also prayed, I begged the Lord and Her at that moment to keep you in a state of grace, to protect you from falling into mortal sin, to deliver you from all the snares of the devil.
And, above all, I begged the Lord and Her to grant Me the grace to be the protector of each one of you. The Lord and She answered Me and gave Me the mission to protect, guard and accompany all of you, who are Her dear children and the pilgrims of this Sanctuary.
Great is the love of the Mother of God for you, that's why she called you Here, despite your flaws, she chose you, she loved you, she put up with your slowness in prayer, in conversion, in penance, in renouncing vanities and things mundane.

For love of you She remained Here all these years tirelessly repeating the same Messages until your hearts and hard ears were pierced and you could welcome Her word, letting it enter your hearts.
Great is the love of the Mother of God for you who has filled you here with so many graces, so many signs, so many messages and advice of love.
Give her satisfaction, the return of so many graces, giving her your 'yes' and finally creating in you a heart similar to hers, living in her Spirit. That is, how She is loving God, serving God, despising worldly things, sin and Satan.
Thus, she will triumph in you every day and your life will no longer be empty, but it will have meaning. And you will then understand with what reason it was said, 'And the Virgin's name was Mary.' That is, starfish, Lady and Queen, life, moon, sun, peace, hope, eternity.

Then, you will truly already live Heaven on Earth and your hearts will become sources of light that will illuminate all humanity.
Keep praying My Rosary always, I have already started to make My Graces Here. If you persevere in praying My Rosary, soon I will truly fill you with so many graces that you will exult with joy and you will even levitate like Me, on fire with love in the Lord.
I bless everyone with love and especially you Marcos, the most obedient servant of the Mother of God, calls the incessant love of the Mother of God. And also especially to you, brother Carlos Tadeu, whom I love very much and whom I always favor with My graces, always, whenever you need Me, you need Me and you need Me.
I have My gaze continually focused on your heart and on your lips, just one word from you and I will come faster than lightning to help you, to bless you and to give you more and more the peace of Queen Mary.
I bless you all with love from Muro Lucano, from Materdomini and from Jacareí."

(Santa Luzia) : "My beloved brothers, I, Luzia, come today once again to tell you: Give thanks to God because He is good, because His Mercy is eternal. Give thanks to God because His Mercy towards you was great, immense in choosing you and bringing you Here, to be formed by your own Holy Mother, to be the great Saints of the last times that God waits for the salvation of millions of souls.
Give thanks to God, because His Mercy was great with you. He did not judge you, did not condemn you for your sins, though you were worthy of it. He gave you a new chance, a new grace to walk on the path of the Lord's love. He filled you with so many signs, with so much advice that He and His Mother gave you.
You have filled every day of your life with blessings and graces. They taught you powerful prayers, which no other generation ever had, so that in these evil times of apostasy, the prevalence of sin and perdition, you might truly be holy and set the world a shining example of holiness, of faith, of love. , faithfulness to God.
Give thanks to God, for great was His mercy to you in bringing you here and sustaining you all these years with love, not through just one saint, one flesh and blood man. But through His own Most Holy Mother and through all of Heaven, which is manifested here.
No one can say that God was sparing, that God was sparing in his graces to you Here. For here he poured out, and poured out in abundance as he never did before, since the Word was made flesh.
Therefore, rejoice your hearts, rejoice, give thanks to God because He has been greatly merciful and loving to you and all this to say to you: I love you!
Give your hearts to the Lord through the Heart of Our Most Holy Queen and She will give your hearts to Him. And when He sees their hearts given up by Her, He will not reject them, but He will love them, give His grace to their hearts, beautify them, sanctify them and bestow His holy grace.
Therefore, you who were chosen, give to God the return of so much love, of so many graces by living a holy life. These Apparitions of Jacareí will end up fulfilling all the prophecies of the Mother of God in the previous

Apparitions. Above all, those that the Mother of God gave in La Salette and also to Mother Mariana de Jesus Torres.
Yes, our most beloved Mark, is that great apostle, that great prophet prophesied by Her who would come at the end of time, in the 20th century to make her known and loved and to fight against the counter church, the false church installed inside the church to destroy it from the inside out.
And through these Apparitions Here the flame of the true Catholic faith will shine, it will remain lit in humanity and Satan's darkness will not triumph.
I now bless you all with love and I ask: Keep praying the Rosary of the Mother of God every day and My Rosary

Blessings from Catania, Syracuse and Jacareí."

Jacarei, February 05, 2017

(Holy Mary) : "Dear children, today, on the Feast of My daughter Saint Águeda, I come from Heaven to tell you again: Love Love, Love is Jesus, Love is God, God is Love, Love is God, Love is Jesus!
Love the Love that is not loved! Love the Love that is despised by men and that is trampled on by the ungrateful feet of so many children, who, although created with so much love for their Father and Creator, these children despise the Father's love every day, filling it and saturating it with offenses. , ingratitude, sins and sacrileges.

Love the Love, the Love that has come to meet you here to save you all. The Love that revealed itself here through Me, revealed its sweet, tender, gentle, gentle face, its loving face that wants to save all of its children, that wants to save all of you.
Love the Love, the Love that here spared no effort to approach you, to reveal itself to you, to give itself to you, to pull you out of the mire of sin, to pull you out of the mire, from spiritual confusion, from apostasy, from the indifference you were in. The Love that here spared no sacrifices or efforts to save you and to enrich you with His Graces and His gifts of Love.
Love Love, which sent Me Here to be the Messenger of Love and Peace, to be a sign of the Love of God among you, to be the door to that Love and the path that leads you to that Love.
Love the Love that Here through Me with simple words, with clear and luminous words, made itself known to you, made itself felt by you, made itself seen by you, let itself be found by you.

Love this Love that is God, that is Jesus and that I bring with Me in My Apparitions Here, open your hearts to Him and let Him enter your hearts and reign in them as He entered and reigned in the heart of My daughter Ágatha, Agueda .
If you open your hearts to Jesus, to Love like Her, God will give you an unshakable fortress against which neither the devil nor a thousand devils will be able to do anything to bring you down and to steal from you the crown of eternal life.
If you open your hearts to this Love, which is Jesus himself, who is God, who is the Holy Spirit and who here you know as the Flame of Love of the Immaculate

Heart of Mary. This Love will transform you into the great Saints the world has never seen.
You will be courageous witnesses like My Daughter Agueda and through the word, example, merits and also your sufferings with a little daily martyrdom millions of souls will be saved. And then, the mystical light of My Immaculate Heart will radiate to the whole world, transforming it into the Kingdom of Love of My Heart and of the Lord.
This Love is so close to you, it is My Flame of Love! Reach out, touch it, feel it, receive it, place it, light it in your hearts.

My Flame of Love will then illuminate your interior, dispelling all the darkness of sin, all the darkness of spiritual confusion and will give you the strength and inner energy necessary for you to throw yourself into the arms of Jesus. And you love Jesus as never before was He loved on the face of the earth.
Then My enemy will have lost the greatest battle of all, the battle of your hearts, because that is what he wants. As a usurper he wants to take from My Son the place that belongs to Him in your hearts. And if you give your hearts to Jesus who is Love, Satan will be defeated, he will lose the battle of your hearts. And then, his definitive defeat in the final war, between Me, the Woman clothed in the Sun and him, between My Son and him, this defeat will take place in a very brief period of time.
Oh My children! Spread My Flame of Love throughout the Earth! See the desolation in which humanity finds itself, look at the whole world sunk in the mire of sin.

Look at the whole world torn apart by wars, by discord, by fratricidal struggles, by abortion, by the loss of youth, by families without prayer, without faith, living like pagans. And raising children not for God, but to get lost in worldly things. Look at My Pain, look at My Heart which is pure pain for the loss of so many souls.
Light My Flame of Love in souls and hearts by making My Cenacles of prayer everywhere, giving everyone a shining example of love, prayer, fidelity to God, courageously witnessing the Catholic faith like My daughter Agueda.
And if because of this the cross of persecution, misunderstanding, or even martyrdom comes to you, embrace it courageously for the salvation of so many millions of souls attributed to you. And that without your prayers and sacrifices, without your love, they cannot be saved.
Dark, dense clouds cover the whole earth, it is the cloud of apostasy, it is the cloud of the loss of the true Catholic faith, it is the cloud of spiritual confusion. Help me to dissipate these thick clouds with the light of your faith, prayer and love.
If you My children put your love in collaboration with My Flame of Love, this mystical light in Our Hearts pulsating together will drive away the darkness and the Sun of salvation and peace for all humanity will shine again.

Red clouds cover the whole Earth, it is the cloud of Protestantism, of socialism, of revolution against God. Help me children, with the mystical light of My Flame of Love united to the light of your prayers, generous and luminous sacrifices offered to Me every day we will be able to drive away this cloud, this

pestilent and deadly cloud that still hovers over Brazil, Latin America and so many places in the world.
See the world covered My children with the gray cloud of Protestantism and sects. With the light of My Flame of Love united with the light of the Rosaries, fasts and sacrifices that you offer to Me, I can chase away the gray cloud of Protestantism from Brazil and the whole world.
Come, come to Me! Come and give Me your hearts and then our hearts beating together will emit a light so strong that Satan and the demons will be paralyzed like statues and will no longer be able to seduce souls into error and sin.
I count on your heart's 'yes' and on your generosity to accomplish all that My Son Jesus, the Father and the Holy Spirit here commanded Me to do.
I am Mary crushing the infernal serpent, Lady of all peoples and Queen of all Saints. And Here in the person of My little son Marcos, the most obedient of My servants, I emanate My mystical light, which increasingly attracts more hearts to My Flame of Love and to form Here My invincible phalanx of incessant souls of love.
And in his person I rise Here ever more My Sanctuary, My invincible fortress of faith, love and prayer. And from here I will emanate My mystical light, together with the light of hearts that have answered 'yes' to Me. And then, at the time appointed by God, I will stop Satan forever.
And Our light, together with the brightness that the Holy Spirit will emit on the Second Pentecost, will end up casting and imprisoning Satan and the demons forever in the depths of hell. The world will be renewed, Satan will be defeated, evil and sin will be driven from the Earth.
And finally, My Immaculate Heart will triumph and God will again be served and adored forever!

Keep praying My Rosary every day, through it My Flame of Love will make you love more and more the love that is God, that is Jesus. And then, My children, the light will shine and the darkness of evil will finally be dispelled.
As for you My beloved son Carlos Tadeu, My little soul hunter, who, together with My little son Marcos, hunts souls for Me.
Yes, you are My Domingos de Gusmão of recent times as My little son Marcos said very well. You are My Duns Scotus, very devoted to My Immaculate Conception, knight of the Immaculate who carries My grace, My Love and My Rosary that saves, that illuminates souls, for the whole world, for all My children.

My child, you cannot imagine how much love I have in My Heart for you, for you. This love will more and more be given to you, it will be poured out on you, and wonders will be done through you and in you.
Know, My Son, that in your state there would be six punishments in the next month of April. And because of the cenacles you have made for Me, the Rosaries that you have prayed for Me with so much love, My Son Jesus canceled those punishments that men deserved for their sins.

And not only that, also in the state of Alagoas, a great misfortune was to fall, which was removed thanks to your prayers, your cenacles and your love for Me.

So be very happy, because you have saved many souls with your love, your prayers and your sacrifices.
My son Jesus is very happy with you, very satisfied and has decided that soon he will give you a great grace from His Sacred Heart that in time you will know and see. Therefore, my son, rejoice with joy, rejoice because great is the love of God, of My Son and Mine for you.
My plan will go with you and the wonders are just beginning. The scent of roses that I have emanated from the image I have given you is a sign of My great love that will become stronger and stronger, the greater the need and the denser the darkness envelops the world.

It is a sign of My contentment, of My joy for the prayers of so many of My children, who thanks to their 'yes' now know Me, seek Me, love Me and much more want to love Me. And even more son, I will.
Soon I will send Bernadette to guide you along the path of true love and lead you to an even deeper and more intense knowledge of My love, the love of the Lord and your mission.
I bless you with great love now and I also bless all My children, especially you My little Benjamin, My little Ricardo Batalha.
Thank you for coming, thank you to My Portuguese, Mexican children, to My Brazilian children, to everyone who came, they brought great joy to My Heart.

When you are here My Heart rejoices. When My son Carlos Tadeu is here, I forget the pain that My children give Me, I forget the heartaches that they give Me, I even forget the hurts they cause Me.
While My son Carlos Tadeu is Here, no sword of pain is stuck in My Heart, no thorn is stuck in My Heart and instead roses of love, of joy, of contentment cover My heart and give Me unprecedented joy.
And to you too, My little Benjamin, I say the same: It gave My Heart great joy by coming Here. And today, as it hasn't happened for a long time, I didn't cry, I didn't feel pain for the sins of the world and a great joy consoled My Heart.
I bless you all with love now from Lourdes, from Fátima and from Jacareí."

(Santa Agueda) : "My beloved brothers, I, Agueda of Catania, am very happy to come here today with the Mother of God once again to bless you and to say: I love you all! I love with all My Heart!
I love you and I have protected you from all the evils that now in the present moment make so many souls fall into the hands of satan and lose their salvation. I love you, I have heard your prayers and I have left no one abandoned or forsaken.
I love you and I ask you: Love the divine love that loved Me and turned Me into a very bright star in Heaven, which even today casts luminous rays in the midst of the darkness of Godless humanity, to illuminate it and show it the right path. of salvation.
Love Divine Love by opening the doors of your hearts to it. Do not be afraid of this love! Don't be afraid to experience this love! Give this love a chance and you will see what it can do. Don't block it, don't stop it, don't keep it more refocused on the Heart of Jesus and Mary. But first, let this Divine Love, this Flame of Love descend upon you and transform you into incessant flames of love.

Love the Divine Love renouncing the mundane things that prevent you from receiving and living this Love, bearing the fruits of this Love. And also to transfigure themselves in these flames of love, becoming perfect humanity realized in God as the Virgin Mary is.
Then you will be transformed into the image and likeness of God, you will have his Love, you will have his Grace, you will become heirs of eternal happiness. And the Father will reveal to you the secrets of His love, which He only reveals to those who open their hearts to Him by becoming His friends and close friends.

God sent Our Most Holy Queen Here to offer you this friendship with Him, the friendship of love, the love of friendship. If you accept this Love, God will come to you, reveal to you the secrets of His Love, that is, He will make known to you what He wants, what He desires, what He feels for you, what He expects from you. you.
He will reveal to you his mysteries which are hidden from men, from worldlings who do not want this love. And then your soul will be pierced with the rays of God's love. The arcane secrets of Heaven will unfold before you. And you will then see, but not with the eyes of the flesh, with the eyes of the soul you will see how much God has loved you, how much God has done for you.
You will see the glory of God, the beauty of God and the infinite extent of God's Love for you. This is what happened to Me, I opened My Heart to the love and friendship of God in the afternoons I spent in uninterrupted prayer in My Garden.
And when I opened My heart to love friendship for the Lord He came to Me, He made Me feel His Love, He made Me experience His Love, He revealed His loving Face to Me, He unveiled before Me His Secrets, He made Me see what He wanted of Me, what He expected of Me.

And when I saw him, when I saw the face of the Lord with the eyes of My soul, with the eyes of Love. Then My soul bound itself to Him forever, My soul threw itself into Him like iron in the oven.
And then My soul merged with Him, became one with Him, and then He came to live in Me and it was no longer I who lived in Me, but He who lived in Me.
If you open your hearts to that Love, the same will happen to you. God does not have any friends, while all of you have so many, only He and His Mother have no true friend who has friendship love for Them and who wants to unite with Him for the love of intimacy.
Be you the souls who want to have this love with Them while so many do not want to have it. And so I say to you: You too will transform into other Aguedas, other Ághatas who will illuminate the world with the light of Love, with the light of Divine Love.
And then all souls will know that Love and knowing that Love, knowing that Truth will be saved by this Truth.
I will help you with My prayers, keep praying My Rosary whenever you can, because through it I will give you many and abundant graces.
And as for you My beloved brother Carlos Tadeu, I have accompanied you in your Cenacles, I have gone with you even at work and even while you sleep, I have watched you standing by your bed. I am with you even if you don't see

Me and I stop with the power of My merits and My martyrdom, I stop the demons and keep them many kilometers away from you and from all the people who approach you to pray with you.

While you are doing the Cenacles I am always there next to the Image of the Mother of God offering the merits of My martyrdom for you and for all the souls who are your friends who love you and who help you. And I shower upon you all many and abundant graces.
Today, on the day of My Feast, My Lord and Our Most Holy Queen granted Me a special grace just for you. A blessing just for you so that She will accompany you throughout your life, make you happy and make you a great Saint.
And I now give it to you, pour it over you and cover you now with My Mantle of Light.
You have received St. Agatha's privilege, My privilege, Catania's privilege. So be happy, be very happy. I am always with you and when you pray My Rosary I immediately come from Heaven with Saint Agnes, with Barbara, with Perpétua, with Felicidade, Sofia, Symphorosa and many Saints and Martyrs and I pour out many, many graces from the Lord on you.
Continue, beloved My brother, without fear to do what the Mother of God asked you to do. You cannot imagine how many souls you will send to Heaven. Verily, numerous mansions in Heaven will be filled by souls that you will save and this will give God honor and glory for ever and ever.
I bless you and once again I say to you: I love you and I am always with you.
Today your earthly mother tells you that you have never made her so happy as now, serving the Mother of God.
I bless you and I also bless you, dearly beloved Ricardo, who brought more than a crown to the Mother of God, you brought your heart, you brought your life. I have been your protector for a long time, I have kept you, I have protected you and kept away from you everything that wanted to divert you from the plan that the Mother of God made for you.

I have also seen your sufferings and I promise you: Soon, I will convert all this into graces for yourself and for the souls of your family, who will only be saved thanks to your merits, prayers and love.
I promise you that every February 5th, the day of My Feast, I promise to save three souls from your family of your choice as you wish.
I only give you this great proof of My love and I say: Beloved My brother, I love you very much and I will always be by your side.
Beloved Carlos Tadeu, every time you pray My Rosary, I promise to take a soul from your family, from your ancestors from purgatory and I promise to preserve another soul in your family that still lives from the same purging flames that souls suffer in the beyond.
I bless you with love and I bless all of you too, I bless you from Catania, from Siracusa with Luzia and from Jacareí."

(Marcos) : "Dear Mother, can you touch these postulant habits for your two sons Ricardo Batalha and Edgar?

Jacareí, February 6, 2017 - Vigil of the 26th anniversary of the Apparitions of Jacareí

(Holy Mary) : “Dear children, on this holy night that precedes the Anniversary of My Apparitions, I come from Heaven to say to you: Accept My great Love so that I can truly carry out My Maternal Plan in you.
Accept My Love by letting My Flame of Love descend until you transform your hearts and renew the entire Face of the Earth.
If My Flame of Love finds a place in your hearts, then It will little by little dispel the distrust, darkness and lack of faith in your soul. And then, My Flame will be transmitted from heart to heart, freeing all My children who are still bound to Satan by sin or by the spiritual darkness of death, from the death of sin.
My Flame of Love will then illuminate the world and make it all shine with the great light of My Immaculate Heart.
My Flame of Love will then work wonders in you and give you all the strength and energy to be saints, to love God and to be more angels than men on Earth already living a full life in God.
Accept My Love, because with My Love in your hearts, you will have the fullness of joy, the fullness of peace, the fullness of divine love. And you will want nothing, nothing, you will need nothing more. And your hearts will no longer be hungry or thirsty for love, because My love will completely and completely quench your hearts.

Today, on this holy night, thank God that He has been so kind to you by sending Me Here. My little son Marcos said it very well: That same night 26 years ago while he was sleeping innocently at the age of 13, I looked at him from My throne in Heaven, I looked at him with love, I already poured out My blessings and My graces, that night I looked at all of you My children, everyone who would one day know My Apparitions Here and would say 'yes' to Me.
I looked at all of you with love and My Immaculate Heart beat, beat hard, beat quickly with love for you. My Heart was already emanating great graces and blessings over all of you, My Flame of Love already anxiously wanted to weave the earth to go looking for you.
And that night I was already writing your names on My Mantle, on My Heart and on the Book of Life where are the names of all the predestined ones.
Oh My children! With how much love that night I looked at you sleeping. And I anxiously awaited the dawn of February 7th to finally appear to My little son Marcos and through him begin My great work of conversion and salvation for all of you.
Give thanks to God on that holy night, because in it the new life began for you, the life of conversion, the life of prayer, the life of love.
That night My children, the celestial dew of My Maternal Love was already beginning to descend on you. That in due time would make the seed of My Messages and My Grace germinate in your hearts. Bringing out all kinds of fruits of prayer, love, conversion, service to God, obedience, faith, holiness.
Therefore, My children, that night, thank God and Me also for your Mother, who from then until now, until today, I have never stopped loving you and loving with all the fibers of My Heart.

On this holy night I wish to say to you: Work, work more intensely now for the Triumph of My Immaculate Heart by making My Cenacles everywhere. Because through these tiny Cenacles I will truly make My

Immaculate Heart triumph on Earth with the realization of My Secrets and the grandiose Triumph of My Immaculate Heart.
Don't be afraid because with each Cenacle you make you take more souls from Satan's clutches. Just like every time I appear to My little son Mark Here, satan loses a little more power. Every time you make My Cenacles and prayer groups, more and more Satan's influence on souls weakens and I can more easily touch them, convert them and bring them back to God.
This year I will accomplish great things, great graces if you all open your hearts to My Flame of Love. This Flame will burn in your hearts and will burn in you all that is still mundane, of earth.
To have this Flame I do not require much knowledge, nor much wisdom, not even that the soul has no defects. I only ask for love, giving to Me and giving Me full freedom to act and do whatever they want in their lives.
If the soul gives Me this freedom, if the soul gives Me this space, if the soul gives Me this trust and this love, I will do everything, I will perform wonders and I will transform each of you into incessant flames of My Love.
To you My little son Marcos, My incessant flame of love, My soul hunter, who for 26 years has given so much joy, so much joy, so much satisfaction to My Maternal Heart.

I bless you generously on this night, on this night in which I 26 years ago looked at you with love, blessed you while you, like a pure angel, slept.
Yes, little child, that night you cannot imagine how much I looked at you, how much I loved you and how much I leaned over you to prepare you for the next day to see My light, hear My voice and through you begin My great work of world salvation.
Your guardian angel at your bedside prayed for you and opening and closing his wings of light many times, he poured over you many torrents of heavenly light, to prepare your body, to see My Light and to hear My Voice.
Therefore, child, you, who will always be My child and who will always give Me much joy and will never betray My Love, be happy! And today sleep very happy because just like that night I divided your life between light and darkness and I passed you from the night of not knowing God, of lack of prayer, to true life in God, of love for God, of peace and prayer.

Through you all these years and even today I have made many of My children come out of the night of separation from God, from life without prayer to life in grace, to life in the love of God, in prayer for true life in God.
I bless you and also you My dearest Carlos Tadeu, on that night of February 6, 1991 I also looked at you with love, because in the future you would be the spiritual father of My son Marcos Tadeu, My beloved son Carlos Tadeu.
And that night I blessed you a lot and your Guardian Angel Saint Eliel also covered you with his wings, anointed you with the balm of My Maternal Love. And the heavenly dew of My Maternal Love was already pouring over you.

Yes son that night you also received many special graces. That's why the 7th is such a special day for you. Just as this day is the day that I chose to pour out great graces on My son Marcos, on all My pilgrims and children who come

here. The 7th is also your day, it's the day when as never before I pour out graces of love on you and on everything that belongs to you.
Therefore, My child, sleep also happy tonight, because this night is very holy for you. And while you sleep, Me and your Angel will also shower you with many blessings.
I now bless you all with Love from Lourdes, from Fátima and from Jacareí.
Continue My children praying My Rosary every day!
Peace, good night."

(Saint Filomena) : "My beloved brothers, I, Filomena, am happy to come to you today on this holy night, to bless you and to give you My Peace.
Thank you, thank you for coming, thank you for being Here tonight praising and loving the Mother of God and Ours.
Thank you, thank you beloved brothers for the love you have shown and given to her. And that is My call to you today: Love the Queen and Messenger of Peace by giving her your hearts with love and trust. In order for Her to place Her Flame of love in your hearts, it is not required of you much merit, nor that you have no defects, but only and only trust in Her.
Docility, obedience and if you give Her space the freedom for Her to act and put in your hearts Her flame of love, She will truly come, put in you Her Flame of Love and once that Flame is lit in you you will never be the ones again. same.
This Flame will burn and give to your hearts holy desires to love God more, to love Her more, to save more souls, to be hunters of souls like our dear Marcos and also my dearest Carlos Tadeu.
Yes, this beloved and blessed brother of mine is the soul hunter of the Mother of God in Ibitira and many souls will truly hunt for Her, give to Her and truly fill many heavenly abodes, which without his 'yes' would not be fulfilled.
Oh yeah! Through the Cenacles he makes for the love he has for Our Most Holy Queen and his shining example of obedience and love for her, how many souls who were unfortunately condemned to hell will convert and reach Heaven. Yes, a big crowd, a big crowd!

For this reason, this beloved brother of Ours truly deserves the title with which our beloved Mark called him, designated him: Hunter of souls.
And all of you, if you also let the Flame of Love of the Mother of God enter your hearts like he did, you too will save many souls, you will reach a high degree of holiness, you will bring great joy to God and His Mother.
And they will truly change the face of the Earth from the swamp of sin, into Heaven!
Love the Queen and Messenger of Peace letting her Peace enter your hearts, letting that Peace flood your hearts until it overflows over the whole world.
And then, everyone who approaches you will feel the love, the presence and the affection of the Mother of God as it is felt in Our beloved Marcos.

Yes, it's not good to be close to him just for you, it's not just for you that it's good. For Us from Heaven is also very good. Because his Flame of Love makes Us feel the Flame of Love of the Mother of God, although We already feel it in Heaven.

And what you feel close to him is nothing more than the Flame of Love itself that devours him, that fills his heart, that has always scorched his heart. And this Flame you will also be able to feel and have if you, like Our most beloved Marcos, like Our most beloved Carlos Tadeu, give your 'yes' to the Mother of God and let Her Flame of Love act in you.
After this Flame enters your hearts, do not put up an obstacle, do not put up resistance, otherwise this Flame will come out of you again and to obtain it a second time, twice as many prayers, twice as much love, twice as many prayers will be required of you. of trust, twice as obedient, twice as docile.

Therefore, My brothers, do not grieve the Flame of love of the Mother of God and do not expel from your hearts this Flame which is the Holy Spirit itself.
But first open your hearts to this Flame and let this Flame act with power within you, changing you, removing from your hearts the mundane, earthly feelings and placing in your hearts the divine, heavenly feelings and full of love for the Lord and for Her. .
Then, in you, She will triumph and Satan will be defeated in your life and through you in many other lives.
Beloved brother Carlos Tadeu, welcome again! How long have I been waiting for you Here, I missed you so much.
Thanks for coming, thanks for coming back! Know that I continue to accompany you everywhere, I have protected you, I have supported you, I have loved you. Every day I have covered you with My Mantle, I have not let you lack any grace.
I keep very far from you the demons, who, with so much hatred for you, would surely have crushed you like an insect. But I do not allow it and I will never allow it because you are Mine, you were entrusted to Me by the United Sacred Hearts, and I will guard you, I will guard you much more deeply than the most intimate fiber of My Heart.
Today, I come to give you a new grace: Every 10th of every month I will give you a blessing at three o'clock in the afternoon, when I was martyred. On you I will pour the graces of the merits of My Martyrdom and I will grant you every 10th of every month at that time, a grace, a special blessing.

And whatever you ask of Me that day I promise that I will present it to God involved in the merits of My martyrdom and My shed Blood and I will give you many, many graces.
I love you so much, I am your protector and along with all the Angels and Saints, I never, ever leave you. And now I especially bless you by pouring out on you a new portion of the graces and balm of the Lord's love that will produce in you many new fruits of love, grace and holiness.
And to all of you My dearest brothers whom I love so much and love so much, I bless you again with love from Mugnano, from Rome and from Jacareí.

Soon My beloved Marcos will make a Rosary for Me, a Crown, I promise in advance to everyone who prays it, especially on the 10th of each month, great graces. I even promise to give to all those who honor Me with this Rosary that Our dearest Marcos will have the grace to take out of Purgatory a soul of their family member of their choice on the 10th of

every month and also to choose any relative of theirs to be protected and kept especially by Me.

To all I leave My Peace. Goodnight!"

Jacareí, February 07, 2017 - 26th Anniversary of the Apparitions of Jacareí

(Divine Holy Spirit) : “My beloved souls! Beloved My children! I, the God of Love Holy Spirit, come today with My Immaculate Spouse to tell you: Great, great is My Love for you in the Apparitions of Jacareí!
In these Apparitions I took you out of the darkness of sin, I brought you into the luminous life of grace, love and holiness. Fill yourselves with the knowledge of Me and My most beloved Spouse, of Jesus and the Father, of the value of Prayer, of the value of the Rosary, of the ugliness of sin, of the beauty of life in friendship with Me and in My Grace.

Great is My Love for you in the Apparitions of Jacareí, for Here I revealed Myself to you as never before in the history of humanity. Although, there have been other Saints and Mystics that I spoke with, guided, sanctified. Never as Here have I revealed so much of My person.
Yes, Here you can know My true Face, that is, My Face of Love. You can see how much I love you, how much I love you, how much I have worked with My Immaculate Spouse for your salvation. How much Here My Love wants to save everyone, whatever the cost.
Yes, here I revealed myself to you as a divine person of love, as a God in love with you who wants your heart, who wants to love you, who wants to help you, sanctify and save you.

I miss you, I've been missing you! That is why I came down from Heaven with Mary, My Temple and My Divine Spouse to reveal all My Love to you Here in these Apparitions so that I can conquer your hearts and bring them all to Me.
To no one Here I have denied My Love, to no one I deny My Grace if you ask Me with humility and trust for Mary, My Most Holy Spouse.
Great is My Love for you in these Apparitions of Jacareí, for here I have condemned no one, to no one have I denied My help and My Grace. But, to all I came to offer My friendship, the friendship of the God Love. I came to offer the help of God Love, the mercy of God Love, I came to offer the help of God love.

But how many, how many rejected this Love, how many did not want this Love, how many despised this Love, how many stepped on this beautiful Love. How many could have been deeply enriched here with My Grace if they had listened to My Messages, if they had renounced worldly things, if they had not been so selfish loving themselves more than Me, but they did not want to.
You, My children! You My souls, My holy cities, do not despise this Love of Mine, do not deny this Love of Mine so that one day you will not be despised by Me, disowned by Me in the Eternal Homeland.

Open your hearts to My Love, let My Love come in and work in you greatly. I am the Flame of Love from the Immaculate Heart of Mary. My Flames of Love raised her so much in her, consumed her so much to the point of making her assimilate to Me, to resemble Me too.

She was Deified, that is, she was totally transformed into the transcendence of My Grace. And although She did not become God as I did, she was so united to Me through the work of My Grace and through Her fiery Love for Me, through Her mystical union with Me, that She truly became My complement, complement of the Father and the Son, complement of the Trinity.
And if you, My children, if you let Me act in you, I who am the flame of Mary's Love, I will truly perform so many Graces, so many prodigies, so many wonderful things in you that you too will one day be immersed in the divine transcendence in the Heaven and I will make known to you My Divinity, My Love and My Glory.
I am looking for souls that accept My Love and to whom I can reveal My Secrets of Love, friends to whom I can give My Love and My affection, to whom I can entrust My Secrets, to whom I can reveal what makes Me suffer, what that I like
I wish souls that all the time give Me the Love that I have looked for in so many generations through the centuries and have not found. Souls of pure love, of pure fire.
Be you these souls and I will enter your hearts doing wonderful things, so great that you will practically die of love every moment without being able to die.

I will transform your life into an endless ecstasy of love with Me and Mary and your hearts will no longer live in you, but will live in Me and in Mary, your soul will no longer be in you, but in Me and in Mary.
And then your life will be mine and Mary's, your suffering will also be mine and hers, your joy will be mine and hers. And all My goods will be yours and Mary's goods will also be shared with you.
Yes, if you unite with Us in this way, for love friendship I will give you all My Love, I will do wonders for you, I will reveal to you how much I have loved you, how much I have done for you, how much I have worked for you and how truly I desire to sanctify you and transform you into My holy cities to live and reign in them forever.
I have loved you, great is My Love for you in these Apparitions of Jacareí, because here I got closer to you and to humanity as I never did before. And if you will give Me your heart this very day I will come down to you, I will unite with you with your soul and I will give you a stunning and enchanting beauty, the beauty of My own grace and I will transform your souls into a perfect image, a perfect copy of Mary as much as possible for you.

I will give you a little of Her blazing, passionate beauty. I will give you a little of Her most eminent and most perfect holiness. I will give you a little of Her most excellent virtues and you will be truly pleasing to Me as She was and I will come to live in you and make in you My temple, My eternal residence of love.
Oh My children! Give Me your heart, that's what I want. I do not demand that you always live without defects, but I demand that you always live in Love, in My Love. Leave the defects with Me, I will consume them one by one

throughout your life. You only: pray, love Me, give Me your heart and your 'yes' and I will take care of the rest.

To you My beloved son Marcos, who 26 years ago became My temple with Mary, through Mary and in Mary. You who 26 years ago opened your heart to My Immaculate Spouse, giving your innocent body, your innocent childish soul to Her, transforming you into My holy city where I could live, where I could remain, where I could reign.
To you My son, who with your 'yes' you attracted not only My Most Holy Spouse with Her Graces from Heaven, but with your 'yes' you attracted Me, you attracted Me to come Here to save these souls that I love and want so much sanctify.
Yes, your love attracted Me, conquered Me, fell in love with you and I came with My Most Holy Spouse to love everyone, save everyone and give My Grace.

I bless you today and I say to you: I am proud of you for the 'yes' given to Me by Mary and with Mary, I am proud because in your works I was able to reflect My most powerful light to dissipate the darkness of the lives of these My chosen souls, of these My cities.
Through your work, prayers, films, Rosaries and everything you did for Mary, especially through the Hours you did for Me, truly, I was able to show and reveal to the world My Face of Love, My goodness. And so souls knew Me, loved Me, approached Me, surrendered to Me and banished from their hearts all fear, all fear of approaching Me.
Oh! Thank you My son, I bless you today and I also bless you my dearest son, Carlos Tadeu, I am very happy with you for everything you have done for My Most Holy Spouse Mary. Everything you do, everything you do to My Mystic Spouse, you will do to Me.
Everything you say about her will bring glory and honor to Me, everything you give to her you will give to Me. That is why I am very happy with you, because in the Cenacles you have made you have truly exalted My Mystical Spouse and by her I have also been exalted.
I thank you for transforming the souls of My children who go to your cenacles into holy cities for Me. Yes, you are building, making beautiful holy cities in the souls and hearts of all My children and I will come to live in them with all My grace and perform wonders.
Thank you My son, because despite suffering, despite having crosses to carry, despite your state obligations, you have loved Me, you have made holy cities for Me. And I can already truly glimpse many hearts that are becoming cities made of pure gold: of love, prayer, grace, conversion and holiness to please Me and I will be able to enter, live and reign as absolute Lord of everything.
And for each of these souls, my son, you will be bestowed with beautiful crowns of glory that I prepare for you in Heaven. And to prove a little more My gratitude I promise you: That every Monday at ten o'clock you will receive a special blessing from Me.
I will descend from Heaven with My Immaculate Spouse, with Jesus, with many Angels and Saints, especially those most devoted to Me. And I will bless you by pouring on you the fullness of My divine Graces.

I love you and today once again I say to you: You are mine and I am yours and I will always keep you and I will never leave you.
To you, to you My beloved children who have come today for the Feast of My Immaculate Spouse which is My Feast too, because when you celebrate and honor Mary, you are honoring Me.
I solemnly bless you all with Love from Nazareth, from Jerusalem and from Jacareí.
Pray My Hour every Monday, pray the Rosary every day. There is no prayer that pleases Me more than the Rosary of Mary and there is no prayer by which I have formed more Saints than the Rosary of My Immaculate Mary.
To all I give My Peace."

(Holy Mary) : "Beloved My children, I am the Queen and Messenger of Peace, today you celebrate here the 26 years of My Apparitions to My beloved son Marcos.
It's been 26 years of love, it's been 26 years of the total donation of My Mother's Heart to you. These are 26 years of great tenderness and great mercy from My Heart for you.

My Apparitions Here are years of graces for you, so you must open your hearts to receive all these graces, before the time of Mercy ends and I can no longer help you as much as I do now.
Open your hearts, let My flame of Love enter them and completely transform them. Place no human obstacles, no doubts, no hesitations, no selfishness, no self-love to My Flame of Love. And then, She will act powerfully in you transforming you into the holy cities that My God and Lord just now said he wants you to be.
I will transform you into these holy cities together with Him and then you will no longer live in you, but in God and God will live in you and you will finally be one as God wants.

My Apparitions Here are years of Graces, that's why Here I revealed My Maternal Love as never before in all of humanity.
I have given you many powerful Rosaries and Prayers, Holy Hours and through My little son Marcos, his work, everything he does to save you My Immaculate Heart has truly accomplished in you the great miracle of conversion.
He made you know the true face of God, that is, His loving, merciful Face that wants to save everyone. His righteous Face that will not spare those who do not want to hear the warnings and calls that He sends through Me from punishment.
You have come to know the kind and paternal Heart of God who wants to save all of you no matter what the cost. Therefore My children, love this God of Love, respond to Him, open your hearts to Him, give your hearts to Him before the time of Mercy ends.
For I say to you: If it is terrible to fall into the hands of Jesus, how much more terrible will it be to fall into the hands of the Eternal Father. That's why I say to you, don't hurt this Father anymore, don't grieve him anymore, don't disobey

him anymore. But first open your hearts to Him, love Him, obey Him, do what He commands you to do through Me.

And then, you will truly give the Father all the honor, all the love and the glory that He desires to receive from you.
My Apparitions Here in Jacareí are a time of grace like never before in the history of mankind. Here, I have given you the greatest signs and the greatest graces. I gave you the most beautiful and full of Love Messages. I have also given you the most powerful prayers to make you strong and invincible in the fight against My adversary and My enemy and so that you can be the greatest Saints the world has never seen.
Therefore, My little children, thank God for so many benefits that He has given you through Me Here. Thank him with your life, with works of love.

And, above all, continue praying My Rosary, because through it I will transform you more and more into mystical and holy cities for Him where I will also reign as Lady, Mediatrix of all Graces, Co-Demand and Universal Queen.
Then My Kingdom will be established on Earth, the Devil's Kingdom will fall, and finally, a new time of Peace will come to the world. I look at everyone now, I hold My Heart, I cover with My Mantle and I bless with love.
Especially to you Marcos, the most obedient and devoted of My children, who 26 years ago gave himself to Me with body and soul, as an innocent and pure Angel that I carried in My arms, that I nurtured, that I fed, that I formed and that I made to grow up to Here in the Grace and Love of God.

Yes, son, I have loved you, formed you, nurtured you and made you grow to full stature and age in the grace of My Son Jesus. You must feel happy because you were one of the few favorite souls in the world that I loved, formed, educated and made to grow in the love of God taken by My own Hand.

Rejoice your heart and rejoice too, dearest son Carlos Tadeu, because I too have taken your hand, I have guided you, I have made you grow in the grace of My Son Jesus, I have nourished you with My Word with My Love of Mother and with My Grace.
And now to make you grow even more I will send you Bernadette and She will come to you every 18th of every month to give you a Message and to teach you the way of perfection, of holiness, so that you can truly give to the Lord the utmost of honor and glory the satisfaction and return of all your graces as no one ever did before.
Therefore, son, rejoice your heart She will teach you the perfect way to please Me as She pleased Me. She was the daughter who loved me the most and formed by her you will also love me with this same love. I bless you and thank you.
And I also thank you My dearly beloved son Ricardo, thank you for the beautiful Crown that you made for Me, this crown, as My son Marcos said, is the perfect image of the image of the crown that you have already made for Me in your heart.
She is the perfect Image of the mystical crown you have already made for Me in your heart: the crown of your love, your Rosaries, sacrifices and obedience.

Thank you little son for this crown that you offer to Me today, I promise you that one day I will place a crown of immortal glory on your head in eternal glory.

I will always be with you, I will never leave you and today I bless you especially with love and to all My children of Fatima, Lourdes and Jacareí.
Thank you, thank you for coming, thank you My beloved son Carlos Tadeu, thank you for coming. You were the best gift from My Apparition Birthday this year.
Thank you also My dear son Ricardo and all My children who came from far away from all parts of Brazil, Europe, the world.
Thank you for coming and special thanks to My Portuguese and Mexican children and, above all, My little daughter Veronica and My little daughter from Houston. Thank you for coming, thank you for comforting Me, thank you for making Me happy."

Jacarei, February 09, 2017

(Holy Mary) : "My children, My flame of Love wants to work in your hearts. But it can only work if you pray a lot and if you exercise every day in the holy exercise of opening your heart to Me, always praying something new, doing something new for the Lord and for Me. Trying to make an effort to be better children for the Lord and for Me.
If every day there is your effort, if every day there is your donation, if every day there is a step forward on your part, one more step to pray better, to love God more, to love this Mother of yours more. , to give yourself to Me. Then My Flame of Love will grow powerfully within all of you and then from you it will radiate to the whole world converting and saving many, many souls.
The world is in danger, My children are going more and more to perdition every day and My Flame of Love cannot stop the frantic march of souls that run to hell, that run to eternal perdition.
Help Me My children, help My Flame of Love to save all these My children. Pray a lot, pray the Rosary, make the cenacles and the Prayer Groups that I asked for, so that My Flame of Love might powerfully stop the almost desperate and accelerated march of souls to hell.
I count on the prayers of all of you and I say to you: prepare yourselves, the Triumph of My Immaculate Heart will take place and My children who have now said 'yes' to Me, have answered 'yes' to My Messages, will see Me gloriously descending from Heaven with My Angels chaining Satan and the demons, purifying and renewing the whole Earth.

Then My Messages that do not make sense to you now will make sense and you My children will understand how much I loved you, how much I was truly a kind Mother giving Love Messages, Love advice for so many years Here for you. Everything will be clear and then your soul will exult with joy because then you will finally enter the Kingdom of My Heart.
I am always with you, obey My Messages even if you do not understand them. One day, one day you will understand everything and great will be your joy for having believed as I did in the word of the Lord without demanding anything as proof, confirmation or explanation.

Then, My children, a great reward will be given to you, a precious crown of eternal glory will be placed on your head. And then, your hearts transfigured into Angels of Light will exult for all eternity in the glory of Heaven.
I bless everyone with love today, everyone who now hears Me on My Radio, everyone now who hears Me on My TV.
To those My most beloved children who have left everything today, their rest to pray My Hour of Peace and My Rosary with My little son Marcos.

To these dear and beloved children of Mine I now bless and look at them with Love from Fátima, Lourdes and Jacareí."

Jacarei, February 11, 2017

(Mark) : "Yes. Yes, I will yes, yes. Yes, Mom, thank you.
I also really wanted to ask you what the name of the Guardian Angel of your son Ricardo Batalha is.
Oh! And which choir is it from? Yes, I will.
You can also tell Me what the name is... I will. Yes, I will.
Thank you Mom, thank you very much.
I would especially like to ask the Lady for a blessing for My great brother André, who came from Mirassol with his little son just to bring his heart, his love and these roses that are at the feet of the Lady.
Can the Lady give him a special blessing? I will.

(Holy Mary) : "My beloved children, today you celebrate the Anniversary of My Apparitions to My little daughter Bernadette in Lourdes, France.
I appeared as the Immaculate Conception, as the woman clothed with the Sun, to say to all of you: The time for the great battle has come. Therefore, all of you My children, should fight with the weapons that I gave you in Lourdes: the Rosary, penance, prayer to resist all the attacks and insidiousness of Satan and truly arrive unharmed and holy in the presence of My Son. Jesus who returns to you in glory.
I appeared in Lourdes brighter than the Sun, to tell all My children that this terrible battle between Me and the infernal dragon, My enemy will continue until the end of the world. And that is why, My children, you should prepare yourselves because truly the most serious hour of this battle has arrived! The end of time has arrived!
And that is why you must pray without ceasing at all times, because My enemy is always prowling around and watching you to see what your faults are, your weaknesses and to prepare an infallible trap to make you fall into it, to lose the grace of God and even the salvation of their souls. Therefore, watch and pray that you do not fall into temptation.
Be like My little daughter Bernadette who prayed My Rosary all the time, or when her obligations in the convent did not allow her to offer all the works in a spirit of prayer and inwardly she prayed many acts of love for Me and My Son Jesus. Thus, She was always united to Me, always united to My Son and she never sinned. If you imitate her too, you will never sin.

I appeared in the Grotto of Lourdes brighter than the sun to call all My children to My mighty army of prayer, penance and holiness.

And even today Here, in My little new Lourdes, I come again to call all My children to fight with Me with the Rosary in hand, fighting the darkness of Satan, fighting sin wherever it is, taking My grace, My love of Mother to all people, to all My children through the cenacles and the Prayer Groups that I asked for.
To the sick, to the afflicted, to the sinners, bring My love as a Mother who wants to save, relieve and love everyone. Especially those My children who have the most hardened hearts and who have not yet known My Love, take My Love. Because when they feel My Love, then My flame of Love will powerfully enter their hearts. And then, they will truly bloom like flowers to the Sun of Grace and exhale the sweet perfume of holiness to please the Holy Trinity.
Persevere in prayer My children and pray a lot because two Punishments are approaching Europe, one from Brazil, one from America, one from Oceania and one from Russia.

Pray, pray, pray because only with the Rosary can you remove these punishments and still achieve mercy, grace and peace for humanity. With the Rosary Bernadette was saved and became a saint, with the Rosary you too will be saved and become saints.
Pray, pray My Rosary, there is nothing I love more than the Rosary. To My little daughter Bernadette I said this in secret and I repeat the same to all of you.

There is nothing I love more than My Rosary, pray it, pray it and you will be saints.
I bless you all with love from Lourdes, from Fátima, from La Salette and from Jacareí."

(Saint Geraldo) : "My beloved brothers, I, Geraldo, come once again from Heaven today with Our Most Holy Queen on the Anniversary of Her Apparition in Lourdes, to say to all of you: Pray the Rosary, the Rosary is the heart of the Message of Lourdes, prayer and penance.
With the Rosary Bernadette it became a wonderful, great, extraordinary work of the Mother of God that even today humanity looks on in amazement and no matter how hard it tries to understand, it never manages to understand all of it. Yes, in her, the Mother of God did wonders and did it in a wonderful way, hidden from the proud of the world, but fully seen and understood by the humble and the little ones. This is Bernadette's holiness: It is fully visible, but it can only be seen by those who have the humility to see.

Do you understand her nature? It is always in sight, but never seen. Yes, this is Bernadette's holiness and it must also be your holiness, a holiness that is all interior, all profound, all mystical, all made up of the pure flame of love of the Mother of God. And your virtues will then shine, they will shine to the whole world, but only the humble, the pure in heart will see them.
And when they see them, they will believe, they will believe in the Mother of God and no one will say that this is unfair to the proud, because the proud are also often given the grace to be able to become humble and see the truth, but

they don't want to. They are superb, they are too haughty. Their hearts are hard and they do not want to bow to the love of the Mother of God who wants to save them at all costs.
So your eyes are blind, the eyes of the soul are blind and that's why the eyes of the flesh are useless. They hear, hear the Messages, see what the Mother of God does, but at the same time they do not see because their pride blinds them.
It takes humility to see, it takes the humility of Bernadette to be able to understand the secrets of the Mother of God, welcome them, live them and bear the fruits of them that God desires for His glory.

May your holiness be like this, and may you imitate Bernadette in this great and burning love that she had for the Mother of God.
Oh! She was not only the one who loved the Mother of God the most, but she was also the one who suffered the most for the Mother of God, she was the one who burned the most continuously in mystical flames of love for the Mother of God.
And although the people around her didn't see inside her, there was a fire that even reached Us there in Paradise and warmed us in her love. The fire of Bernadette's Love for the Mother of God was so great that if men could feel it, they would all be scorched and burned at the same instant.

Oh! How she loved the Mother of God! May you imitate her may you have a burning love like hers for the Mother of the Lord. And then, truly you will give her what she most desires here in Jacareí: incessant flames of love.
Many incessant flames of love to scorch, burn the whole world, destroy sin in the whole world, put out the fire of hate, with the fire of divine love. And also, to burn everything that is Satan's empire on Earth and on the ashes of his empire to give birth to the new Kingdom of the Lord and of the Mother of God, Kingdom of Love, Holiness and Peace.
Pray the Rosary every day, this prayer that sanctified Bernadette was also My Secret of Holiness. In My time there were many vain people who told Me that the Rosary was an outdated, monotonous prayer and that I should make other devotions and better prayers.
But I never believed in the siren song, I never let myself be deceived by satan, I ran straight to the feet of the Mother of God in My cell. She prayed, prayed My Rosary, She appeared to Me and said: Well done Geraldo Meu, you have triumphed over satan once again. Pray My Rosary and you will never stop being My favorite child and you will never lose yourself.
Pray the Rosary My brothers, it is the best I can advise you, because with the Rosary you will have the promise of Paradise made by the Mother of God, you will have all the graces to be Saints, you will have the inner energy to overcome all sin and satan, to despise the world and your flesh.

And so, you will gladly give your bodies to the Mother of God, and when you give your bodies Satan will be defeated forever.
I now bless you all with love from Muro Lucano, from Materdomini and from Jacareí."

(Santa Luzia) : “My beloved brothers, I, Luzia, come today from Heaven once again to say to all of you: I love you, I love you very much!
Pray My Rosary always because I have great graces to grant you and especially the great grace of purity, of ending within you, of destroying within you the lust of the flesh.
Yes, to everyone who prays My Rosary I will give angelic purity, I will give My purity and this person will have the strength to overcome all the temptations of the devil, the world and their own flesh. And then that person will enjoy the perfect pacification of the senses, that is, he will have his flesh in perfect peace, obedience and submission to Jesus Christ and His Holy Mother Mary.

The demons will not be able to get close to those who pray My Rosary to offer them filthy temptations, because I will be with Agueda all the time and also with Inês surrounding and circling this person at all times to prevent the demons from approaching her.
Pray the Rosary of the Mother of God, because today, on the Anniversary of Her Apparitions in Lourdes, you are all called, everyone, to place the Rosary in her hands and pray it with an inner strength even greater than before. For you to truly give yourself body and soul to the Mother of God, giving her the filial love that she desires and to be golden mystical roses that together with Bernadette will reach the world with grace, forgiveness and mercy.
The golden roses that the Mother of God brought on her feet in the Apparitions of Lourdes signify that She is the golden house of the Lord, the Domus Aurea. But also, that she truly wanted children who would love her and become mystical, yellow-golden roses of reparation and penance.

Offer yourself to her today like these roses for your little abstinence, sacrifices and acts of love, you can help her save many, many souls, take many souls from the clutches of satan and give them back to God.
In the Grotto of Massabiele the Mother of God found love in a poor child, pure and filial love. And so, through Bernadette, through Bernadette's 'yes' She did wonders in Lourdes, she transformed Lourdes into a great source of grace, a great source of grace.
And to this day She is still there doing Her wonders with and through Bernadette. And if you today give your 'yes' to Her too, through you She will begin to make many, many conversions and graces for Her children that will transform the lives of so many into a true Heaven on earth in a sea of graces.

I, Luzia, ask you to pray the Rosary of the Mother of God every day, through it you will become the great Saints that She came to seek and desires Here. With the Rosary you will not have to fear anything, nor worry about anything, the Rosary will work Miracles in your life.
Above all, in the time of the Mother of God's secrets, when they begin to be fulfilled, the Rosary will feed them, the Rosary will heal them, the Rosary will preserve them from the attacks of the demons. The devil will even be petrified, paralyzed as a stone when you pray the Rosary.
And when you pray the Rosary from Heaven, special graces will descend upon you that will sustain you and deliver you from death and also from being seized by demons and taken with them into the eternal flames.

With the Rosary you My brothers, will quickly climb the ladder of holiness to Heaven, virtues will sprout in you as if by a miracle. And you will bear many, many fruits of love, beauty and also filial love, filial obedience to God.
Through the Rosary the Angels will come from Heaven to protect, bless and accompany you. With the Rosary entire regions of the Earth will be saved by you and in the triumph of the Mother of God you will have the revelation of each city, each person and each soul that has been saved by you.
Pray it, pray it, pray it.
I bless you all with love from Syracuse, from Catania and from Jacareí."

PRIVATE MESSAGE FROM OUR LADY TO CARLOS TADEU, SPIRITUAL FATHER OF THE SEER MARCOS TADEU

"Beloved son Carlos Tadeu, today I give you the special Message of My Immaculate Heart.
My Son, I am always by your side, you can already see the fulfillment of My promises and My graces starting to happen. I will do even greater wonders for you and through you.
Fear nothing, fear no one. All those who make you suffer will be punished by My Son and will not enter the Kingdom of Heaven if they do not do the most severe penance.
You, My child, must go and take My love to My children more and more. This month you must speak of My Apparitions in Lourdes, of My Message from Lourdes to all My children. You must also make known to My children the videos, the films that My and your son Marcos Tadeu made for Me.
Through these films, souls will see how great My Love for humanity is, how much I want to save all My children and how much for everyone I am the health of the sick, I am refuge, I am Mother, I am Love.
Son, continue reading the book Imitation of Christ and today I solemnly ask you: Read also Imitation of Mary, which My son Marcos will send to you. Through this book I will teach you greatly to grow in holiness, I will teach you the secret of many virtues, which will make your soul grow a lot and become sanctified quickly.
My son, too, I deeply want and desire that you, in this month of February, divulge especially to My children the Messages of God the Father given here in these Apparitions. So that My children, remembering all that the Eternal Father has said Here, can fall even more in love with Him and give their hearts to Him.
Son, know, know clearly that in the three days that I lost My son Jesus in the Temple, nothing and no one could console Me. The Eternal Father did not reveal to Me where My son was, nor did My Guardian Angels.
I wandered the streets looking for My treasure crying and fearing that His time had already come, that He had already been killed and that I could not have been present at the time of His sacrifice to love Him, comfort Him and help Him. So, what consoled My Heart were the continuous visions I had of My little son Marcos and also of you.
And the Eternal Father continually revealed to Me that great suffering I was going through. That great pain was for the salvation of humanity. And it would also generate your conversion, your sanctification, your burning of love in My

Flame of Love. And also your union with Me and the great glory you would give to God and Me with your life filled with prayer, penance, obedience and service to Me.
Oh my son! As My tears flowed I saw you and you dried My Tears, dried up. I dried My Tears, because I saw you praying the Rosary with great love for My Immaculate Heart and taking My children to pray it to Me too.
I thank you, therefore, because you consoled My Heart two thousand years ago and now you continue to comfort every day. You are my comforter, Mary's comforter. So son, move on, move on and fear nothing.
Know that on the night of the 6th to the 7th of February 1991 the Guardian Angel of My son Marcos Tadeu was sent by Me, to anoint him while he was sleeping, to anoint his eyes so that the next day he could see my light, to anoint his ears that he might hear My voice. To anoint his body so that he could open himself to the mystical light of My Grace and My Heart.
And I have also sent your Angel Eliel to come to you and pour on you a good dose of the balm of the Love of My Immaculate Heart.
Yes son, he poured it out on you to preserve you from great sins, to preserve you also from falling into errors and sects. So that you could finally wait in peace for the moment when I would approach you and which was already marked in the divine designs, so that I could touch your heart, conquer your heart, burn and fill your heart with love.
Thank you son, thank you for everything you have done for Me, persevere, the anointing, the balm of my Heart has been poured out on you. And I will pour out even more the more you love Me, the more you serve Me even more of My Graces I will pour out on you, and on all those who help you, understand you and love you.
I bless you today with love from Lourdes, from Fátima and from Jacareí."

Also to you My dear son Ricardo Batalha, I thank you once again for this beautiful crown and to all my children who helped you make it.
I promise that for each of these beautiful hearts that you have placed here in My crown, I will also place in your crown in eternal glory so many other mystical stones of glory, of light, of eternal bliss.
And I promise you My son, you will stay together with Me and My son Marcos in a very beautiful, very large dwelling. And truly there beside Me you will sing with Me the glories of the Lord and receive My blessings and wonders for all eternity.
Rest in My peace, have My peace, I love you so much."

(Marcos): "See you soon Mommy, see you soon Geraldo mio, see you soon Lucia."

Jacareí, February 12, 2017- Birthday of the seer Marcos Tadeu

(Eternal Father) : "Mark, My Beloved Son, I, the Eternal Father, am your Birthday gift today, and I come with My most beloved daughter Mary to give you My Fatherly Gift for your 40th birthday today.

I pour out on you a new outpouring of My Grace, new Gifts of the Holy Spirit and also new graces from the Merciful Heart of My Son Jesus. I now infuse in you new gifts, new talents, I infuse in you new graces and also new power from the flame of love of My Son who is the Holy Spirit, from the flame of love of My most beloved daughter Mary, who is My spirit of love.
I now infuse you with all these graces and now give you a new degree of sanctifying grace on Earth and a new degree of equivalent glory in Heaven.
Beloved child, today, all Paradise and all Earth rejoice at your birth. Your birth is a gift of My Love to the world, because through you I can now carry out in these final times of apostasy My work of love for the salvation of My children and for the conservation of My Faith, of the Catholic faith in the souls of My children and in humanity.
Your birth is a Gift of Love from My heart to all humanity. Because through your life, your 'yes' and your love, I was able to show My true Paternal Face, My Face of Father and of Love to all My children.
Your birth is a Gift of My Love for all humanity, because through you I was able to get closer to My children in these Apparitions, I was able to make them feel My Love, My Mercy, My immense desire to save them and I could truly give them the graces of My goodness and My Spirit of Love.

Your birth is a Gift of My Love for all humanity because through you, I was able to really do wonders in this place, conversions, I was able to attract My children to prayer, to penance that reconciles them with Me, that opens the doors of My Thanks be to them, that unites them with me and that leads them to true holiness.
Your birth is a Gift of my love for humanity because through you, sending Mary to you and through you to all these My children, I was able to make My light and My grace spread throughout the world, touching, converting and transforming hearts. .
Yes My child, your birth was a Gift of My Love for humanity and after that humanity can no longer doubt how much I love it. For I have never abandoned My children and throughout history I have always sent prophets, Saints and My own son to call My children to Me. To reconcile them to Me and to show them the path they must follow to reach salvation, to Me in Heaven.
And this time was no different, I gave it to humanity, I gave it to the whole world, to you who are My apostle, My son, who are My messenger, My faithful servant. And through you I was able to make My saving grace reach so many of My children who would be irretrievably lost and damned if you had not been born.

Therefore, My child, rejoice and all My good children, all souls of good will rejoice for you and in you because truly through you in you I showed the whole world how great My love is. I also showed you how great My love is for you by giving you My most favorite daughter Mary, to be your Mother, teacher, counselor, to be your support, refuge, light and love.
Yes, you were a very loving child and I, knowing all this, sent you Mary: beautiful, very tender, very sweet so that in her love, in her affection, in her gentleness, your heart would be conquered by Me and she would then unite you with Me.

My plan did not fail! How could I ever fail, being I the eternal, perfect and divine wisdom. You fell in love with Mary and when you fell in love with the Mother of My son, with My princess, you also fell in love with My Son Jesus and Me. And so, I conquered your heart and you were all Mine. And this is also how I want to conquer the rest of My children in these times. I want to conquer them through Mary, Mary's love, Mary's sweetness, Mary's affection, Mary's beauty, Mary's glory, Mary's holiness.

For in Her holiness you can see Mine, in Her love you can feel Mine, in Her affection you can feel Mine and in her heart you can truly feel the love of My Heart for all of you, because it was I who made her so loving and I prepared it for you.
Oh little children I want you to come to Me for Her and for you My son Mark is truly a man blessed and graced by Me... You will go down in history as a man who truly knew how great God's love for himself is and by humanity.
You must remain as My incessant flame of love, the incessant flame of love for Mary for all posterity, you will remain as a sign of My great love for humanity. And when everyone looks at your life and at all that I and My Princess Mary have done for you, humanity will give Me glory, honor and praise. Everyone will beat their chests proclaiming Me: Holy, Holy, Holy!
And then every tongue will open to praise Me, to bless Me, to adore Me and glorify Me, and then I will reign, I will reign absolutely in all hearts and in all Nations.

Son, after having given you Mary with all the graces that She brought you and gave you in these Apparitions, I also finally proved My love for you by giving you your spiritual father, My most beloved son Carlos Tadeu.
In his love you can feel Mine, in his affection you can feel Mine. In their care, in their protection, in their support, in their understanding and in their gaze, you can feel My love. My protection, My affection and support. In his voice you can feel Mine that speaks to you with love.
After I have given you such a father, you will never be able to doubt that I love you, because I have given you this blessed and beloved son of mine to truly be my sign for you and to do My times with you when I do not appear to you.

So My son, rejoice, rejoice because you are truly loved by Me and I also say to these My children: Rejoice, because I did not show it here, I did not reveal My love only to My little son Marcos, but through everything what I gave and did to him, I also showed you how much I love you, how much I want you, how much I benefit you by bringing you here in this place which is my second Heaven on Earth, which is My palace on Earth and which is the ark of salvation that I prepared it for you, for you all My children.
I love you, I love you all with all the strength of My divine and paternal love and I now bless you and My son Marcos and finally I ask: Continue praying the Rosary of the Mother of My Son, of Mary, of My Most Holy Princess every day. Through him I will always bless you more, I will enrich you with My grace and every Rosary you pray, truly, I will pour My Fatherly Blessings upon you...

In fact, every time you say 'Hail Mary, full of grace' I will pour on you a ray of My divine grace that will fill your soul with light, with peace, with supernatural life and will make you truly filled with My Holy Spirit.
I bless you all with love from Jerusalem, from Mount Sinai and from Jacareí."

(Holy Mary): "Beloved My children, today, when you celebrate here the Birthday of My son Marcos, and also My Feast as the Lady of the School, protector of all the teachers and masters of the world, I come to you to tell them:
Enter My School of Holiness and Salvation that I opened here through My little son Marcos Tadeu. Enter this School of Salvation and let yourself be formed by Me in it every day: in love, in prayer, in sacrifice, in penance, in humility, in obedience to God.
Enter this School of Holiness, renouncing the evil teachings of the school of the world, namely: impurity, arrogance, laziness, pride, envy, concupiscence, arrogance and all the other vices and sins of this earth. So that I can teach you the good doctrine of salvation that is Jesus, which is His Word and His Gospel that I announce to you here with the love and touch of My Maternal Love.
Enter My Holiness School, for here I teach you the same thing I taught My Son the Child Jesus: Obedience to God, doing the Father's will at all times and in all places, fighting for the salvation of souls, suffering for salvation of others, pray, love God above all things, do his will.
This is what I taught My son Jesus, especially in the afternoons when I placed him on My knees and taught him the divine scripture, I taught him the Law of the Lord.
This is what I teach you here, this is what I teach you here. Come to My School, here I will teach you all this and I will explain to you everything that My Son Jesus did not explain to you two thousand years ago because men were not prepared to understand or know it.
Enter My Holiness School, and here I will teach you the true holiness that consists in loving God and doing His will, renouncing yours.
I will teach you most precious lessons, I will teach you how to die to yourself and your will, how to empty yourself and detach yourself from worldly things, how to give your bodies and your souls to God, how you can become incessant flames of love.
All this I have been teaching for 26 years to My little son Marcos, My first and best student at My School. Oh! Not only was he the best student at his earthly school, he's the best student at My Heavenly School too!
And if you listen to what he, as a better and older student, teaches you, you too will learn My maternal lessons, you will be good students in My Holiness School, you will be approved by Me and the Lord, and you will receive the heavenly diploma of great saints.
Enter My Holiness School following in the footsteps of My little son Marcos. Oh! How many ask themselves: "Oh, how can he love the Mother of God like that? How could he have done so many things, so many works for Her?"
Ah My children, but he has greatly expanded his heart to My Flame of Love by many fervent, fervent prayers, ardent sacrifices and fasts, ardent efforts to please Me, to obey Me and to serve Me even carrying a heavy cross. . And even when My will, which was difficult, disgusted his humanity, still he

struggled to do what I wanted, so, so he was able to do so much for Me. His footprints are very deep and anyone can see them, step on them and follow the path I lead him on.
Jacareí is an Apparition that needs no explanation, because here I have already made My son Marcos leave footprints, very deep so that everyone can follow Me by stepping in his footprints. That is why My children, you, tread in his footsteps: of prayer, of sacrifice, of love, of fidelity, of obedience to Me and with him you will surely reach the heavenly graduation, finally receiving the diploma of great saints and true children of God. and mine!
Give thanks to God and also to this heavenly Mother of yours who has given you a friend, a companion and at the same time also a teacher who does My times here when I am not in the Apparition here. And that tells you what My will is, that shows you the way I want you to go, that shows you what I want you to do, that points you in the right way and prevents you from taking the wrong path of be deceived and lost.
This is the role of My son Marcos, to do My times here with you when I am not here in the Apparition speaking to you personally. It is through him that I speak in the Cenacles, in their meditations, lectures, recorded prayers, and even in ordinary everyday conversations.
I often use it to tell you what I want, what My will is. And don't worry about discovering it, sooner or later I will tell you through My little son Marcos. And then, all the confusion of your mind will come out and you will see clearly the way you should go.
Thank God, thank Me for having left here a son who expanded his heart to Me so much that my heart beat many, many times in unison with his heart and I myself came from Heaven to reveal Me to you. To reveal My Love, to make you feel My affection in His affection and in His love My love for all of you.
Oh My children! Yes I and he are one and many, many times through him I will speak to you. Pray that you have the wisdom to discern and recognize when I speak to you through him. And then you will truly feel great joy and peace as you feel My Love, My will and what I want from you.
Today, on the Feast of your Mother in Heaven as Mistress of the School and also on the Feast of the Birthday of My most beloved, favorite, most obedient, most dedicated and hard-working son, on the Feast of the Birthday of My incessant flame of love, to all I say : I love you very much and the proof of My great love for everyone is My Apparitions Here.
And all that I have given you through the person, the work and the work of My little son Marcos, in him, in his effort, in his sacrifice, in his tireless donation working to save all of you, you can feel how much I love you, how much I fight for you and how much I want the salvation of all of you.
Pray My Rosary every day!

And as for you, dearest son Carlos Tadeu, I have given you the dearest son, the most beloved son of My Heart. I have given you the purest child, the most loving child, the most innocent child that I have found on the face of the Earth, to talk to, to speak with and through which to save My children.
You hold in your hands the dearest treasure of recent times that I have.
You hold in your hands the well-loved son of the Father.
You have your son's favorite sheep in your hands.
You hold in your hands the dearest and most beloved temple of the Holy Spirit.

You hold in your hands the child who is the extraordinary work of My Immaculate Heart, the lamp that I lit to illuminate the entire world and destroy all darkness.

I gave you as a son the one I prophesied to My daughter Mariana de Jesus Torres and who is the well-loved son of My Heart, who will resurrect all My Apparitions so that all My children know My Love and in them My Heart Immaculate triumph unrivaled in all nations.
That's why you, dearly beloved son Carlos Tadeu, have in your hands My most precious instrument, My most precious jewel. You hold in your hands the most esteemed and dearest child of My Heart.
You must feel happy because I have given you great grace, great gift, great honor and great gift. Pray, pray, pray to be able to understand such grace and mission, understand such a favor, such a blessing that I have given you. And at the same time so that you can understand how you should be: not only a spiritual father, but also a human father of My son Marcos Tadeu.
Then My child, truly, My flame of love will fuse you two into one heart and one flame of love. And together, through you, nothing, nothing will be able to stop the great ray of light that I will release from My Immaculate Heart to blind and paralyze satan and save the whole world.

I love you My son Carlos Tadeu, and also today I give you the blessing of My Immaculate Heart.
And to all, to all My children, to My son Ricardo Batalha who gave Me this beautiful crown and who will return tomorrow to My beloved land of Portugal. To him once again I say: Thank you My dear son for this great gift you gave Me. For this crown that you gave Me on Earth I will give you another one of beautiful and very vivid light in Paradise and every day of your life I will be covering you with My Mantle of Love and protecting you with your Holy protectors and highlighting for you hundred of my thousand Guardian Angels to protect you.
To all My children who are here, to those who listen to Me now on My radio and My TV, I bless with love from Fátima, Lourdes, Asseiceira and Jacareí."

(Marcos) : "Will you give Me even more gifts? Whatever I want?
So My Mother I wanted to ask you something, the people who are here have already committed mortal sins that make them worthy of eternal damnation? Are there people here like that?

Have they made sufficient reparation for these sins they have done? So I ask the Lady that You will give all of them here complete forgiveness of all sins, that You will give all of them the remission of the eternal punishments they deserve for these sins.
And if it is necessary for you to ask Our Father to give this grace every year on the same day, give Me this grace to ask this for them every year until the end of My life.
Thank you, thank you ma'am!

Most! So I ask you that you give me the grace to have the incessant flame of love for you in my heart, so that I love you and love my Father in Heaven and also my father Carlos Tadeu na Senhora.
May I love them uninterruptedly even during my sleep, even during my rest. May this flame never, never, never cease to give to God: love, praise, adoration, glory, reparation. And also to the lady love, praise, glory, reparation, filial love, affection. And to my spiritual father too, may this flame make me pray for him, intercede for him, ask for him and advocate for him the graces in Heaven with my prayer in this flame of love uninterruptedly.
True? Will the lady give today? But I can't wait any longer! It's so hard for me to wait for this! I conform, the Lady's will be done, not mine.

Although if the Lady gave me that flame of love today, today I could still begin to love the Lady without interruption!
He is well. I obey.
Are you sure you don't want to give it to me today? The Lady would stop suffering today! I could love the Lady much more, the Lady would stop suffering today and the Lady's son too!
Yes, yes, I hope!
Can I do anything else for the Lady today?

Yes, yes, see you soon Madam, my Mother! See you soon my Father!"

Jacarei, February 18, 2017

(Holy Mary) : "Beloved children, today I invite you all to imitate my little daughter Bernadette in her deep and perfect love for the Lord and for Me. Imitate her love which was made of works and not of appearance.
Yes, my little daughter Bernadette understood that what I wanted was a real love not in appearance, a real obedience, not in appearance. Therefore, She always obeyed Me in everything, even if it meant suffering, persecution for Her and even risking her own life.
Yes, She was not afraid of losing her life for love of Me and that's why she found life, eternal life. She gladly left all the things that She could have in the world out of love for Me, to live a life of total consecration, prayer, and obedience to Me.
Therefore, in Heaven, all eternal goods were given to him. And all her love, all her works of love were rewarded a hundredfold.
Yes, imitate My little daughter Bernadette, in her complete donation to Me and to the Lord. Don't be afraid to lose your lives out of love for Me. Don't be afraid to lose all the things you can have in the world out of love for Me, because you will find the reward for all this in eternal life.

Yes My children, you will find all these works, all the sacrifices you make for Me, transformed into crowns of great glory that will shine forever on your heads for ever and ever.
Imitate my little daughter Bernadette in her life of deep prayer, in her life of total communion with God. Yes, She was always in communion with God, through a deep and true life of prayer.

Without prayer no one can unite with God. Without union with God no one can have true life in God and no one can have God living in him. And if God does not live in you, you cannot bear any fruit of holiness.
This is why prayer is essential, indispensable and a condition of salvation and sanctification. If you want to be saved, if you want to be saints, pray a lot.
Imitate My little daughter Bernadette in her spirit of total slavery to Me. I taught her how to be a true love slave of My Heart and She learned this true bondage by living it every day of her life in the spirit of true love, obedience, submission and trusting surrender of her life into My Hands. .

Imitate her in this total surrender, giving your all and love for love. And above all, let young people imitate My little daughter Bernadette in her 'yes' and in her total donation to Me, because just like her they will be transformed into incessant flames of love.
Pray My Rosary every day as My little daughter Bernadette prayed and you too will become incessant flames of love for the Lord and Me like her, and your life will become a song of love like Hers.
I now bless you all from Lourdes, from Nevers and from Jacareí."

MESSAGE FROM SANTA BERNADETTE TO MR. CARLOS TADEU

"Beloved brother Carlos Tadeu, today, I, Bernadette, come from Heaven to give you my first Message.
I love you, I love you so much! I love you with all My love! I am always by your side to protect you, guard you, to take you further along the path of holiness.
Now it's time to fly higher, to climb higher on this path. And for that, I want to teach you My way of holiness, which was the way of love, the way of humiliation, the way of obedience.
My holiness followed the path of love and yours must also be so. Therefore, you must follow the path of love every day, expanding your heart more and more to the Mother of God, always making some new sacrifice, some prayer, some new act of love for her, so that you can truly expand every day more your heart to receive more the flame of love of the Mother of God in your heart.
Every day, beloved brother, you must enter more deeply into prayer to the point of abstracting yourself from everything, that is, forgetting everything else around you and thinking only of Mary and living only for Mary.
And then, after you leave prayer, you must perform all your temporal duties in the same spirit of love for Her, that is, doing everything in union with Her, everything in Her spirit, everything for Her greater glory and for the Triumph of Her heart.
Then you must follow the path of humiliation, which means recognizing yourself as nothing, as the dust of the earth, as useless for everything and completely dependent on Mary even to make the sign of the cross.
You must look upon yourself as the vilest creature on earth, and so you will not trust in yourself, but in Her alone, as I did. And then, your strength will be her strength, your strength will be Her strength, your defense will be Her. And the light that will illuminate your soul and your heart will be Her own light.

You must follow this path of humiliation, fleeing like me from the honors, vanities and glories of this world to live a life of prayer, of total love for her, of union with her. Life that for the world is not life, but rather, is already dying in life. Life that to mundanes is considered a loss, a madness.
But it is precisely in this madness of love that you will find life, life full in abundance, life full of peace, love, graces, blessings, Her lights. And then you will truly find all of her graces, all of her blessings and all of her love for you.
You must follow the path of obedience, that obedience that I had towards Her, which was the obedience that molded My soul and that made it strong, even unshakable, in obedience to the Mother of God and the Lord.
This obedience that every day adorned My soul with the most precious and most beautiful stones to gladden the Heart of the Lord and the Mother of God.

This obedience that made My soul every day like a strong tower that the devil, that the world, that temptations could not shake or break.
And so too, if you follow the path of obedience to the Mother of God as I do, your soul will be strong and nothing will be able to overthrow it.
To have this obedience, my beloved brother, it is necessary to love the Blessed Virgin more than anything, more than your life, more than the most dear ones, put her first, die to yourself, despise your will every day, your to want, to do only Her will. In order to do so, you better configure yourself to her, that is, to resemble her in her total and complete obedience to God.

I did that, I entered the mold of the Immaculate Heart of Mary and I left it transformed into a faithful copy of it. You must do the same for your deep prayer, for the continuous, daily exercise of dying every day to yourself and your will and doing the will of the Mother of the Lord.
This is not easy to do, so I will be here every day of your life to help you, to lead you to this complete and total obedience that will make you resemble not only the Mother of God, but also Me. And then, your soul will truly transform into an incessant flame of love like Me.

I, Bernadette, love you very much... and I never, ever leave you! When you pray the Rosary, I descend from Heaven quickly to gather your Hail Marys and take them to the Mother of God, so that She may pour out Her graces on you abundantly.
Yes, I am with you at all times, I always place My hand on your head when you pray My Rosary and I always, always cover you with My luminous mantle to protect and defend you.
My mission is to teach you humiliated holiness, obedient holiness, loving holiness. So I will always come, I will come regularly to give you messages and to guide you.

And now I truly want to tell you and reveal to you: Yes, beloved brother, along with the other holy protectors I was given to you by the Mother of God to protect, guide and guard you. And in the apparitions of Lourdes, the Mother of God made me know the existence of our most beloved Marcos.
Yes... I saw him, She revealed it to me and said that he would be the one who would make the glory of Her Apparitions in Lourdes shine throughout the Earth

and all souls finally know and understand the greatness of the Message and the Apparitions of Lourdes.
Yes, and also, when I arrived in Heaven, I knew, I knew through the work of God that you would be the spiritual father of our beloved Mark. Since then, I have been praying for him and for you, for you so that you can help him, help him in his mission to make the Mother of God in all her Apparitions known, loved and obeyed by all.

To help him in the arduous mission he has to lead so many souls from so many different languages and nations to know Her, love Her, understand what She wants, understand Her Messages and obey those Messages with the heart.
His mission is arduous, hard, the cross has always been and will always be heavy. And that's why you will be his Cyrenean Simon forever.
And not only that, together, the two will really lead many souls to understand what the Mother of God asks for in Her messages and will make many souls enter this School of Holiness and Prayer that the Mother of God came here to do.
And then, truly, a people holy to the Lord, to the Mother of God will be raised up by you and you will lead them to the Triumph of the Mother of God to the new Heavens and the New Earth in the midst of this difficult time of the great apostasy.
Yes, you dear brother must hold the arms of our most beloved Mark, so that he truly prays for the people, he prays for the people, he holds the punishments that the people deserve for their sins. And he can continue to lead the people of God to the great victory as it was in the Old Testament with Joshua, with Moses, with Aaron, with the people of God.

So, beloved brother, move on with your mission, always trying to understand you and see that in addition to being a seer of Our Lady, it is your son who needs you, who needs your support, understanding, love, presence. And, above all, from your flame of love to warm his heart, to comfort him in battle and to be for him breath, support, support, refuge.
I, Bernadette, will also be your support, your breath, your refuge. And I will always be your defender in Heaven and on earth in all the battles you have to fight.

Today with great love I look at you and from this sacred place I send you My blessing from Lourdes, from Nevers and from Jacareí.
Pray My Rosary every Thursday, for it I will give you all the graces you ask of Me.
Peace beloved brothers, I leave you My peace."

(Saint Bernadette): "My beloved brothers, I could not leave with the Mother of God without first saying a word to you: I love you very much! I pray for you every day, I pray for all the pilgrims of this blessed place that is My second Lourdes.

Yes, here I feel happy next to the Mother of God. I feel very happy to see that the Message that She gave me in Lourdes, here was truly spread with fervor by Our beloved Marcos to the whole world.
Yes, in the Meditated Rosaries, in the Cenacles, in the Hours of Prayer, in the Films he made of Lourdes, in the Rosary he composed about My life for Me. Truly, the Message of Our Lady of Lourdes, My Lady's Message is truly disseminated, it is spread, it is understood, it is lived by all people.

And that's what I always wanted, that's what I always tried to do, but I couldn't because they wouldn't let me. And now our dearest Mark has done it truly well, brilliantly, and extraordinarily well.
And the Message that the Immaculate Conception, Our Most Holy Queen gave me in Lourdes is now known, is obeyed by so many thousands and millions of souls throughout the world. It is your mission to help him make this Message finish getting where it hasn't. So that more souls may know this Message, short, simple, but profound: of penance, of prayer, of conversion, of love for God.
Because the Message of the Mother of God to Me in Lourdes is the Message of love for God.
Penance, Penance, Penance! She told me. In other words: No longer offend God with your sins! Don't pierce it, don't hurt My Son Jesus anymore, don't nail him to the cross again! Love him with a holy and prayerful life!
This is what the Mother of God asked of Me in the Grotto and this is what you must say to the whole world: What a penance it is not to hurt God with sins. Penance is loving God with a holy life. Penance is every day trying to be better and not hurting the Sacred Heart of Jesus anymore.
So, if you do that, you will live the Lourdes Message and the Immaculate Heart of the Immaculate will triumph. Here in this Apparition of Jacareí the Mother of God came to resurrect all her Apparitions, dig them all up and finally make her plans come true with the triumph of Her Immaculate Heart.
And My dearest Marcos who is the continuation of My life on Earth will do this brilliantly. And you all must help, because this is God's will for you. Just as those who made Me suffer were not forgiven without first doing great penance. Those who make him suffer by hindering him in his mission will also not be forgiven without first doing rigorous penance. And many will even be punished if they try to spoil the Mother of God's plan here, as many who also tried to destroy Lourdes were punished.

Therefore, My beloved brothers, do not risk provoking the wrath of the good God by doing these sins that make you worthy of Punishment in this life and the next. But first, help the Mother of God's plan of salvation here, so that it is truly fulfilled and many souls through you are saved.
Yes, I love this place and here in this My second and small Lourdes, with the Mother of God I always do wonders, I am always willing to help, succor and support all those who ask me for help here.
Pray the Rosary every day, because the Rosary was My luminous stairway to Heaven. He was the prayer that made Me strong, prudent, temperate, just, that made Me wise, that made me truly ignited with the flame of love of the Mother of God.

Oh yeah! I felt this flame of love and I truly burned, burned in this flame day and night. Yes, this flame at times almost took my life if the Mother of God, by a miracle, did not support Me, did not preserve Me.
And the Rosary has always been the divine fuel, the heavenly fuel, which made this flame burn and burn more and more in My heart. That is why I walked with the Holy Rosary all the time with Me. And whenever my obligations allow me, I pray it ardently, ardently.

I also repeated many times during the day the acts of love that continued throughout the day the effects of the Holy Rosary in Me. Thus, I grew each day more in true love and union with God and with My Most Holy Queen until this burning flame of love truly snatched me from Earth and made Me ascend to Heaven.
Many thought that I died only from tuberculosis. Oh no! I also died of love. It was love that made Me accept that cruel illness and continually offer it to God as a sacrifice for the salvation of the souls of my most sinful brothers.
And that flame of love grew so much, so much in Me until my soul could no longer live here on Earth, but completely consumed, it was taken up to Heaven.

Yes, that flame allied to the sufferings that made it burn more in me, started to consume in me everything that was earth, everything that was human. Finally, My soul was finally transfigured in the flames of divine love and quickly ascended to Heaven to continue loving God and My Most Holy Mother there even more intensely.
If you also pray the Rosary, the acts of love and expand your hearts every day for new sacrifices, prayers and works of love. You too will grow like Me in this flame of love until one day when it reaches its peak and its fullness, your souls consumed by that flame will also fly to Heaven to love God and Our Most Holy Queen for centuries of centuries.
This flame will consume in you everything that is earth, everything that is mundane, everything that is even human. And then, when you are completely transfigured, completely transformed in this flame of pure love, in pure transformation you will truly fly like lightning to Heaven.

And there together with Me they will love, praise and bless God and Our Most Holy Mother with Me in a mystical fire of love forever.
I bless everyone today with love and especially our beloved Marcos who has done so much here for Lourdes, has done so much for the Message that My Blessed Mother gave Me in Lourdes, has done so much for Me, making Us better known, loved by all.
Here, in this new and small Lourdes of Mine, I feel like in the Grotto of Lourdes, I feel like in My little Heaven.

To him who is the greatest servant of the Lady of Lourdes, the hunter of souls. He who is Our incessant flame of love and I bless you all with love now from Lourdes, from My incorrupt body in Nevers and from Jacareí."

Jacarei, February 19, 2017

(Holy Mary) :“Dear children, today I invite all of you again to expand your hearts to My Flame of Love, this flame is still looking for souls who want it and who want to have it in fullness.
If My Immaculate Heart, If I find these souls who want My Flame of Love, who want this flame in fullness, I will give them this flame with all my power. And then, My Flame of Love will do wonders in the world through these hearts ablaze with My Flame of Love.

The reason most souls don't have My Flame of Love is because they don't want it, they don't want it with all the strength of their souls and their will. And some who want it only want it to enjoy it, feel its benefits, have special powers or gifts. But they do not want My Flame of Love to fight more for Me, to fight more for Me, to get tired more for Me, to work and fight even more intensely for the salvation of souls.
That is why My flame of Love does not produce its fruits so much in the souls that have it. And that is why many souls have never possessed it and will not possess it either, because the intention with which they ask for My Flame of Love is wrong and I cannot give My Flame of Love to these souls.
Therefore, My children, desire My Flame of Love with all your strength, but desire with the correct intention to give Me love, to console Me, to fight more for Me, to be more tired for Me, to give yourself more to Me and to donate more for the salvation of humanity.
So yes, then, I will give My Flame of Love in all Its power to you and then I will transform you into true incessant flames of love that will engulf all humanity.
Today, when you are still celebrating here the Feast of My little daughter Bernadette, I want you to imitate her in her burning love for the Lord and for Me. She was truly a flame of unremitting love for Me. She was also a great apostle, although her ministry was the ministry of suffering.

Yes, accepting the illnesses and the crosses of life, one can also be an apostle, one can also save souls, even confined to the bed of pain and suffering. Therefore, My children, I want you to imitate her in this detail: When God allows you to be sick or in pain, do not blaspheme or complain. On the contrary, bear the cross with patience and, like My little daughter Bernadette, help Me to save many souls by offering suffering as a sacrifice, so that I can save many, many souls for God.
I want you also to imitate her in the great flame of love that she had for Me in prayer. The life of My little daughter Bernadette was almost entirely: prayer, prayer, prayer!

She was a living rose of My great Mystical Rosary made up of mystical souls of prayer, love, sacrifice. And if you imitate her in her prayer life, you will also become mystical white roses: of love, of prayer that will form a great universal living Rosary that will envelop the whole world like a chain of salvation saving many, many souls.

Imitate my little daughter Bernadette in her great love for God, she could not travel all over the world like the great missionary saints, not even in Lourdes they let her talk about Me. But, nevertheless, she was great in holiness, because she knew how to do the small acts of each day: prayers, state duties, her obligations, small sacrifices with great love.
That is why she became the daughter who loved Me the most on Earth and who loves Me most intensely in Heaven, because she knew how to do everything on earth out of love for Me. It's a new way of holiness that I taught the world through Her. When you cannot do great things for Me, then do the little things with great love for Me. And then they will be great saints in the Kingdom of Heaven and they will give great joy and glory to My Immaculate Heart.

Here, in My little Lourdes in Brazil, I have done wonders of love for My Heart through these Cenacles that My son Marcos makes for you, these wonderful films he made of My Apparitions. Above all, this one from Lourdes who converted thousands of My children all over the world, burning them with love for Me and making them know Me in a way never seen before.
Yes, how many fell in love with Me, gave Me their 'yes', gave Me their lives, their hearts and even their bodies thanks to this film that My son Marcos made of Lourdes. And many more souls will do this, because even when he is no longer here on Earth, this film will continue, will continue to do the work of My son Marcos.
Yes, he will continue to ignite the hearts of souls all over the world through all these movies, Rosaries and Hours of Prayer that he has done for Me. In this way he will save souls by praying from Heaven and will continue to save souls here on Earth through all that he has done for Me, which will not be lost, which will not end with his death. Yes, truly this son of mine will continue to save souls until the end of the world in Heaven and on Earth.

And he will truly cause the abodes which the evil Angels left empty to be finally filled until the last of the elect, of the predestined, occupy it. And then, My Son Jesus will come to put an end to this world full of evil and sin and to bring to all humanity a new Heaven on Earth.
Yes, My children, this will all be done and here, My Flame of Love through these videos, Rosaries and Hours of Prayer by My Son Marcos, My Flame of Love will continue working to form the great saints that God wants until the end of the world.
And then, truly will My crown of glory be complete, a crown made of holy children, made of the pure flame of love in My heart, a crown made of living stones, of living flames of love that will shine on My head for centuries to come. endless centuries.
I want you to imitate My little daughter Bernadette in Her love for the Holy Rosary. I promise everyone who imitates My daughter Bernadette and prays My Rosary every day that I will lead them along the same path of holiness that I led her on. A road that is unknown to the world and even to the Church and I will lead these souls through a holiness known to God, wonderful, hidden in My Heart and which will bear fruits of holiness for centuries of centuries.
I bless you all with love from Lourdes, from Fátima and from Jacareí."

Jacarei, February 26, 2017

(Holy Mary) : “Dear children, today I call you again to open your hearts to the true love of God. The love of God seeks hearts to enter into it. The love of God is also My flame of love, it is the Holy Spirit.
If he finds a heart completely detached from himself, from worldly things and from creatures, he immediately enters this heart with all his graces, with all his power and accomplishes great things in this heart, great transformations.
Then the soul begins to feel within itself divine love flowing and completely filling its entire being. This love gives her a great hunger for prayer, a great thirst for prayer and to be united with God through deep prayer of the heart.
The soul then begins to experience and savor the delights of intimacy, union and communion with God. She begins to feel his presence, the presence of the Lord, she begins to experience the sweetness of His words, that is, of His holy inspirations when God visits her in deep prayer.

The soul begins to feel that God is approaching him, that he takes him in his arms, that he carries him in his arms with love and that he takes him with love along the path of holiness. The soul then begins, little by little, to dislike the mundane things that it so desired, so pleased it before. And then prayer, union with God, intimacy, silence, being deeply united with Him in prayer becomes pleasant, sweet, delicious for the soul.
And the soul always wants more and the more it unites itself with God, the more it grows in this intimacy with God, the more divine love, My flame of love, the Holy Spirit is working and acting in it.
Then, the soul sees by a very clear light of the Holy Spirit its defects, its sins, its faults, its miseries. And then, she is horrified by what she sees and then sees how far she is from holiness, how far she is from the perfection and love that God wants from her.
And then the soul suffers, it suffers because it sees that alone it will never be able to reach its beloved Lord, the spouse of its soul. Then the soul turns to Me the Mother of mercy and turning to Me through the Rosary, through deep prayer the soul finds hope and finds the sure and safe ladder by which it can finally reach God.

So, guided and taught by Me day after day in My school of Perfection and Holiness, the soul grows more and more in the virtues that please God and goes on making war against the defects that I myself will point out in prayer and against which it must fight.
The soul then progresses more and more each day until it reaches that perfect holiness and that perfect union that God wants to have with its soul. And from time to time I comfort you with My graces of love, I comfort you with My loving visits from a Mother, I let you feel My sweet and gentle presence to encourage you in your struggle for your sanctification.
And so that she does not founder in the midst of the long and bitter war that she will have to wage against herself, against temptations and against the world in order to reach perfect holiness. If she perseveres, if she lets herself be guided and led by Me, she will happily reach the goal, she will reach perfect union with God.

At this point I wish to explain that defects, that faults, are not at first a general impediment to union with God. But if the soul with the passage of time does not struggle to extirpate its own defects and sins, it will find it very difficult to unite with God.
For these defects, carried for a long time in the soul, will end up obscuring it, will end up separating it and moving it away from God, for then it will form a kind of shell in the soul that will prevent the entry of the new graces and inflows of the Holy Spirit that God want to give it to her.
That is why it is necessary little by little, but with firmness, to fight, to make war on defects, to root them out. And, above all, to strive every day to improve and unite more closely with God: through love, through conformation of one's will to His will and through prayer.
Pray My Rosary every day, because through it I will make you see your own faults and be able to fight them to be saints.

Imitate My Little Shepherds Francisco, Jacinta and Lucia, who are true masters of holiness, perfection and love for God and Me. By imitating them, you will truly achieve that great holiness that God expects of you here and that I also want from you.
By imitating them, you will truly transform yourself into incessant flames of love that will all the time give God the filial and perfect love that the Lord has long desired and expected from you.
Live the Fatima Message and spread the Fatima Message without delay. Because, because this message to this day is not obeyed in its entirety, the world has no peace, Russia's mistakes still spread around the world causing wars, persecution of the good and destruction of many nations.
Pray My Rosary and spread My Message of Fatima, so that more and more the world will know it, live it so that it can have peace.
The life of My Little Shepherds of Fatima is My Message of Fatima alive, spread it so that all My children, especially children and young people, follow My three Angels of Love, My three incessant flames of love in which I found such great love, such great obedience and total docility to My maternal voice.

I bless everyone with love and especially you Marcos, the most beloved and obedient of all My children, and I also bless My most beloved son Carlos Tadeu. Forward My son, never be discouraged!
Keep making My Cenacles everywhere and saving souls. You and My son Marcos, My two soul hunters, must never give up. Forward, always, because I still have many souls to save through the two and I will save them and through the two My flame of love will finally ignite and fill the hearts of My beloved children with divine love.
Forward! Forward Marcos, go on your way without looking either to the right or to the left, nothing can stop you. Go intrepid, courageous, brave and without stopping for anything or anyone.

I bless you all with love from Fatima, Beauraing and Jacareí."

Jacareí, February 26, 2017 - Feast of the Holy Face of Our Lord Jesus Christ

(Holy Mary) : “Dear children, today, on the Feast of the Holy Face of My Son Jesus, I invite you all to love the Face of My Son more, expanding your hearts to Him.
Love the Face of My Son Jesus more by opening your hearts to Him and allowing Our flame of love which is the Holy Spirit to enter your hearts and bring about a great conversion in your hearts.
Make room for that Flame of Love, expand your hearts by taking out of your hearts all that is mundane, so that there is room for the Holy Spirit. And opening your hearts to My flame by fervent prayers, sacrifices, supplications and tears asking for My flame of love.
So truly I will give this flame to you and this flame will transform you into the comforters of the Face of My Son Jesus, who will give Him honor, glory and praise as no one has ever given Him before.
Love the Face of My Son Jesus more, trying to grow in true love for Him. Jesus is love! And the Face of My Son Jesus is the Face of Love! Whoever wants to know the Face of Love, look at the Face of My Son, then also look at My Face revealed here and you will know what the Face of Love is like.
Let yourself be scorched by that Love, let yourself be taken by that Love, let yourself be consumed by this Love. Open wide the door of your hearts to that Love and let Me engrave in your hearts the Face of My Son Jesus, the Face of Love and My Maternal Face of Love.
So that, truly, your hearts may resemble Us in love, and then, in your love, everyone can see, feel and want Our Love.
In order to grow in true love, you must every day try to enter more into the temple of your hearts and there have the encounter with My Son Jesus in the profound Love that is only found in prayer, meditation and contemplation.
For that, they must forget everything that is mundane, close the door of the soul to everything that is earthly and transitory. So that the doors of their souls open so that they can feel the Love of God, perceive the Love of God and know how great this Love of God is.
When the soul does this, it is visited by My Son Jesus and by Me there in the Temple of your heart, in the temple of your soul. And then the soul finally finds true love, it is scorched by this love, it is filled with this love and after it is filled with this love it is full, satiated in all the needs of its soul.
He no longer feels the need for worldly things, nor for the transient loves of earth, he wants only God and His divine love. The soul enjoys, rejoices, exults, feels transported, a prey to love.
And so in those burning flames of love it burns, it burns and the more it burns the more it wants to burn. And if she doesn't look anymore, doesn't look again at worldly things, nor at herself, but only at this Love, then this flame will never diminish in her, but it will grow until it becomes a brazier, a living fire of love.
Then, the soul will arrive at a love in pure transformation, where it will love God totally pure, purely, free from any intention, desire or mixture of will or human, personal things. He will love God for himself, he will serve and obey God for himself, he will want to give God filial love because God is love, because God is his Father of Love.

And the soul will even want to give you everything, even life itself, and even that will seem like nothing, little. It was this love in pure transformation that I gave to My Little Shepherds of Fatima, who, prepared by the Angel of Peace, were already fully available and capable, prepared and ready to receive this Flame of Love that led them to love in pure transformation in such a short time. Then this Flame of pure Love cut their ties that bound them to Earth and they flew quickly to Heaven like lightning, like flames and chariots blazing with love, more blazing than that of Elijah. And there in Heaven are flames of love that continually give God the warmth of the burning love of their hearts together with Me.

I want to give you this same love My children, it is enough for you to expand your hearts, it is enough for you to ask Me with all your strength, to want this flame of love and to say no to everything that prevents this flame of love from descending from My heart to you.

And then, you will truly transform into My flames of love that will even show the world the Face of Love which is the Face of My Son Jesus and the face of the Mother of Love which is My Loving and Compliant Face. And then My children will finally come to Me, they will fall in love with Me and they will all go to the Lord for Me and the world will be saved.

Keep praying My Rosary every day, for it I will lead you to My Flame of Love, pure of divine love. Keep coming here so that I can dilate your hearts until I can give you My flame of love as I gave to My Little Shepherds in Fatima in the first Apparition and as I gave to My little son Marcos in the second Apparition.

Then you will never be the same and your hearts will finally be able to give God the filial love that He so desires and you will finally set the world ablaze with My Flame of Love renewing it and preparing it for the descent of the Holy Spirit at the Second World Pentecost.

Here, in the person, in the work and in the words of My little son Marcos, I show more and more the Face of My Son Jesus and My Face of Love, which truly makes the hardness of many hearts finally overcome by the strength of My Love .

Help My son Marcos who is the servant and the messenger of the face of My son Jesus and of My Face to make Our Faces and Our Hearts of Love triumph in the world.

To all who do this I promise salvation and these souls will be loved by My Son and by Me for all eternity. And these souls will always be in eternal ecstasy of love beholding Our Faces in an indescribable way and full of glory in Heaven.

To everyone and especially to My children who wear the Medal of the Holy Face of My son Jesus, who spread My Messages and Apparitions that I made with My son to My little daughter Maria Pierina di Micheli.

Today I give My Plenary Indulgence, the Indulgence of the Face of My Son and I bless you all with love from Fatima, Caravaggio and Jacareí."

MESSAGE FROM SAINT JUDAS TADEU TO MR CARLOS TADEU, SPIRITUAL FATHER OF THE SEER MARCOS TADEU

(Saint Judas Tadeu) : “Beloved My Brothers I, Judas Tadeu, am glad to come today once again from Heaven to bless you and to give My special Message to My beloved brother Carlos Tadeu.
Beloved brother, I am always by your side. With each passing day I love you more, you should never fear anything because I am always ten steps ahead of you opening the way for you, getting rid of all evils and dangers, removing all evils, all obstacles in your way.
And I will make you truly advance more and more on the path of perfect love for Mary, Our Most Holy Queen and the Lord and no one will be able to stop your walk, no one will be able to stop your stroll, your journey to Heaven.
I am always ten steps ahead of you, removing obstacles, smoothing the way for you, straightening the way and even removing many stones and thorns that could mortally wound you. There are some that I cannot take away because they are part of your sanctification, but those that are granted to Me I take all of them to smooth your walk, your path, your journey to Heaven.
Yes, beloved brother, how much I love you! You cannot imagine the happiness I felt when on the day of Our Lord's Ascension to Heaven, He looking at Me before disappearing into Heaven, in a white cloud He with His gaze once again showed Me to you, showed you the Me, you also showed our beloved Marcos and your mission as his spiritual father.

Oh! How I rejoiced, how I rejoiced with joy at that moment when I saw you and when I saw Our most beloved Mark. So, I asked the Lord that, through the Mystery of His Holy Ascension to Heaven, He would grant Me the grace to, with My sacrifices, preaching, good works and everything I did for Him, that I might obtain for you great grace and mercy, mercy and benevolence of the Dad.
And the Lord answered all this to Me, granting Me the mission of being your advocate, intercessor and protector. And at every moment of every meritorious act that I performed, a portion of those merits would be completely reserved and applied to you.

By the communion of Saints, the merits of My martyrdom, of My preaching, of My ministry two thousand years ago would be applied to you and you would profit this two thousand years later. And in order to profit more from these great merits, pray My Rosary more and more, spread My devotion more and more, also make small sacrifices so that your Heart truly expands and becomes more and more worthy of the graces of the merits that I want to apply to you.
When you want to obtain any grace from the Lord, ask like this: 'Oh Jesus, by the merits of your servant and cousin Judas Thaddeus, grant me this grace.'
This supplication is irresistible and it is for you, Heaven has given it to you and it is in this way that you will obtain many graces through My merits and you will profit much more.
Beloved My brother, My Mantle is always over you and especially when you pray My Rosary I am continually pouring the balm of divine grace on you. I am continually pouring out on you the graces that I obtained with My Martyrdom and with My whole life given to the Lord.

Yes, truly when you pray to Me, it is as if you were singing a sweet song that enchants, that lulls, falls in love and fuses My Heart with yours. Therefore, at that moment, special and extraordinary graces I will give you and grant you.
I wish that even more in this coming month of March you will talk about My life and spread My devotion. Teach everyone how much they should love God in imitation of Me and how much they should never condone the works of darkness, as I taught you in My divinely inspired letter. Then, in this way, everyone will truly make their lives conform to the will of the Lord and the Mother of God.
At Her Assumption into Heaven I was there, I saw Her clothes in the empty tomb full of flowers, the Angels were singing and when we looked to Heaven we saw Her in a cloud rising to Heaven brighter than the Sun, crowned with stars and truly, divinely beautiful.
Yes, and at that moment She also looked at Me and from Her Immaculate Heart a ray of Light came to Me and then that ray of light made Me see you, see Our beloved Mark, see your mission as his spiritual Father and see you as a flame of love associated with him in order to finish and complete the plans of the Mother of God regarding him here on Earth.

Oh beloved brother! At that moment I prayed a lot for you, I asked a lot for you and I offered all My present, past and future merits for you, so that you could truly be this burning flame of love with Our most beloved Marcos for the salvation of many, many souls and for the realization of plans you cannot imagine.
Then the Lady looking sweetly at Me let Me know that it was Her wish that I be the one who would guard you and prepare you for Her service and to truly be a comforting Angel, a flame of love from Her Immaculate Heart together with our dearest Marcos.

And truly, at that moment I cried, I cried with joy and jubilation to see that in the future there would be a great devotee of Mine who would repair the pain I caused her by abandoning her in the Passion with Our Lord Jesus Christ and running away.
Yes, through you My most beloved Carlos Tadeu, My devotee and who bear My Name because you are My thing and property. Through you I can finally give My Lady and Most Holy Queen a worthy reparation for the abandonment I gave her on Good Friday, fleeing and leaving her alone with Our Lord on Calvary.
Through your love, through your obedience, through your fidelity to her, I can, in a certain way, repair through you the pain I caused her, the loneliness I caused her. Yes Therefore, love, serve, always be faithful to Our Queen so that at last through your love I can repair the pain I caused to her love and heart. And through you I can truly make many, many souls fall in love with Her, completing My reparation throughout the centuries.

Ah, beloved brother of Mine, I have so many treasures, so many graces that I asked for you through My merits. Come, come to Me every day, ask Me always, ask Me for everything. Whatever Jesus desires will be given to you and I promise you always and continuously My constant protection, My constant guard, help and help.

Fear not, you have a great and powerful advocate in Heaven for you and I tell you the one who was the cousin and who gave Me one of the first places in His heart, he will deny nothing, he will deny you nothing if you ask through you and with Me. Therefore ask Me always and you will always obtain and profit.
I love you very much and truly I have always held you in the palm of My Hands and My loving gazes are always on you. I make the words of our most beloved Mark My own: Of every ten thoughts I have, eleven are about you, this is you, I love you very much and keep thoughts and prayers always present in My heart.

Remain in peace, walk in peace, continue this March talking about the pain of the Mother of God. And in this month of March you must spread more about Her Apparition in Pontmain so that the children of the Mother of God know Her pain and sadness, comfort her and also comfort Our Lord who even today continues to be offended and crucified by men.

I bless everyone now and especially you, my most beloved brother, from Jerusalem, from Nazareth and from Jacareí."
Jacarei, March 05, 2017

(Holy Mary) : "Dear children, today I call all of you again to expand your hearts more towards My flame of Love. Opening your heart to My Flame of Love means you truly moving away from everything that can cool it down or keep it from burning in your hearts.
It is not possible for a soul to have My Flame of Love and at the same time surrender to the mundane and sinful things of the world.
It is necessary for her to move away from what governs her soul so that My Flame of Love can truly burn in her and produce in her the great transformation that God desires: from sinners to saints.
The more you seek prayer, meditation, silence and sweet intimacy with God and Me in prayer, the more my Flame of Love will grow in you. The more you exercise every day in renouncing your own will to accept My will and do it, the more My Flame of Love will grow in you.

And the more every day you do something more, something new for the Lord, for Me and for the salvation of souls, the more My Flame of Love will grow and burn powerfully in you.
When the soul is completely in love with God, it thinks of Him all the time, talks about Him all the time, seeks to be with Him as much as possible. His joy, his contentment and his joy is to be always with him, continually looking at him, that is, contemplating him in his prayer, adoring him in his profound prayer, consoling him with many acts of love, of reparation, of reparation. , of worship.
And in everything and for everything the soul seeks more and more to dedicate itself to God and all its joy is to be all of God, it is to live for God and to serve God at all times and places. And that is why the soul distances itself from worldly things that can truly distance it from the supreme good which is God, from its good which is God.

That is why the soul in love with God always spends more time with Him than with creatures, more with Me in prayer than with people and things in the

world. This is the clear sign of those who are truly in love with God, with Me and truly love Us.
Therefore, little children, open your hearts to that Love, fall in love with God and with Me. The more you get to know God and Me in prayer and meditation, the more you will fall in love with Us. And then your hearts will no longer be your own, but Ours and We will come to you with Our Flame of Love and we will completely enflame you with this Love.
Keep praying My Rosary every day and all the prayers that I have given you here, because through them I always fall more in love with the hearts of everyone who prays with their hearts for the Lord and for Me.
You marvel at the great merits of My little son Marcos, through him I make so many graces for so many My children. But didn't My Son Jesus say that whoever grows in Him, who follows Him, will do great works? Well, these graces and these cures are nothing more than the fulfillment of the word of My Son.

He who is united with Him, with God, as a branch to the vine, bears much fruit. In the merits of My little son Marcos Tadeu I reflect My light, My maternal love and through them I will perform many graces for those people to whom he applies these merits, on whom he imposes these merits spiritually. Yes, I will do wonders and through them I will also manifest the greatness of My motherly power.
I bless you all with love from Pellevoisin, from Lourdes and from Jacareí."

(Marcos): "Dear Heavenly Mother, can you please bless these scapulars that we made for the protection of your children?"

Jacarei, March 11, 2017

(Holy Mary) : "Dear children, today I once again call you to enter into the mystery of love of the Heart of Jesus for all of you.
This Heart loves all of you with all Its strength and wants to ignite all of your hearts with His scorching flame of love.
Enter the Heart of Jesus, renouncing yourself, your will, your will, surrendering your life totally to Him.
Seek intimacy with Jesus in prayer, open your hearts to Him in prayer and you will see how much this Love will burn all of you, how much this Heart will burn all of you in Its devouring Flames of Love.
Say your yes to Jesus in prayer and let yourself be completely taken by Him. Be yourselves friends with the Heart of Jesus for a life of union, of love, of friendship towards Him.
If you say no to your will and to worldly things, you will soon become true friends of the Heart of Jesus.
I bless you all with love from Paray-le-Monial, from Dozulé and from Jacareí."

(St. Geraldo) : "Dear brothers, I, Geraldo, come again today to say to you: Open your hearts with an even greater love for the Mother of God.
For you to grow in love for her, you must every day try to fight against a defect and renounce something that still ties you to the world, to mundane things.

If every day you make an effort to fight against it, your heart will be more dilated to receive in it the flame of love of the Mother of God. This daily exercise of giving up something that you want you to like out of love for the Mother of God, will make your hearts expand a lot for her in a short time.
Do this daily exercise and then, each day more your souls will open to receive with all the intensity and power the Flame of Love of the Mother of God.
Pray the Rosary every day so that you may have the strength to do this.
I bless you all with love from Muro Lucano, from Mater Domini and from Jacareí."

(Santa Luzia) : "Dear brothers of Mine, I, Lucia, come again today to bless you and say to you: Expand your hearts more towards the Flame of Love of the Mother of God by doing something more every day for Her.
Always pray something more, do one more penance every day, one more sacrifice, ten more minutes of reading and spiritual meditation. So that truly Her flame of love can enter your most dilated hearts for new sacrifices, prayers and efforts for you to truly grow in true love.
Above all, ask for the flame of love from the Mother of God with many deep sighs of the soul and tears, true tears of desire to possess this flame and then it will be given to you. Show God and the Mother of God the true desire to have this flame not with words, but with deeds.
Pray My Rosary asking for this grace: the grace to receive the flame of love and I will obtain this grace for you and I will help you every day to do something more to receive this flame.
Pray the Rosary every day.
I bless you all from Syracuse, from Catania and from Jacareí."

(Marcos): "See you soon Mommy, see you soon dear Geraldo, dear Lucia."

Jacarei, March 12, 2017

(Holy Mary) : "Dear children, today, when you celebrate here the Anniversary of My Apparitions to My little daughter Amália Aguirre, I come again today from Heaven to say to you: Great is the power of My Tears, these tears that I shed in Calvary and throughout My life with My Son Jesus for your salvation. These tears are great before the Father, because they were shed out of love for the Father, out of love for the Son and out of love also for all humanity.

My Tears were part of the price for the ransom of all humanity, they were part of the price for the salvation of the world. That is why My Tears are very powerful before the Father and He does not deny anything that is asked by My Tears.
Yes, because they were Tears of Love for Him, Tears of Love for Our Son Jesus Christ, My Divine Son, the Father does not deny Me anything, because My Tears were Tears of ardent charity.

The merit of My Tears is all contained in the great degree of charity with which I shed them for the Father, for My Son Jesus Christ and for all humanity. And it was this great charity with which I wept for the salvation of humanity, it is this

great degree of love and charity that gave My Tears so much merit and that made My tears have so much power before the Holy Trinity.
Therefore My children, always resort to the power of My Tears to obtain the virtues that you do not have, to obtain the graces of sanctification and salvation that you do not yet have. And, above all, to reach the greatest of all graces: My Flame of Love, so that with it you can do God's will correctly and in this way truly achieve your own salvation, the holiness and perfection of your souls before you. God.

Great is the power of My Tears because the power of My Tears is the power of Charity, of love. It was Love that made Me cry for My son Jesus Christ all My life, it was Charity and Love that made Me cry suffering with Jesus for the salvation of humanity throughout My life.
And it is in this power of Love and Charity that gave so much merit to My tears, it is in this charity that the entire secret of the power of My Tears resides. Therefore, My children always resort to My maternal Tears to ask My Son for mercy and forgiveness for all humanity.
The sins of the world increase every day more and only the power of My Tears can achieve the conversion of so many of My children and can also stop the advance of My enemy who wants to lead all humanity to perdition and the entire world to total destruction.
That is why My children resort to the power of My Tears by praying the Rosary of My Tears at all times and in all places. So that the power of My Tears can truly stop the advance of Satan's infernal plans, can destroy his power in families, in society, in souls. And in this way, to hasten throughout the world the establishment of the kingdom of the Heart of Jesus, of the kingdom of My Immaculate Heart.
Here in Jacareí, where through My little son Marcos I resurrected My Apparitions as never before in Campinas, making the Messages I gave to My little daughter Amália known and loved by everyone, Here, through My Tears I will truly work wonders in the lives of My sons.

Here, where the Crown, the Rosary of My Tears has been published for 26 years taught by My son Marcos Tadeu, here I will do My great wonders that will lead all humanity to the great triumph of My heart. And they will finally make all humanity free from the power of Satan and finally the world will know the new time of peace, happiness, grace and love.
Here in My true Sanctuary of My Tears, finally, the sword of pain that was stuck for so many years, for 70 years in My Heart with no one to take it away. The sword of denial and prohibition of the dissemination of My Messages to My daughter Amália.
Here finally this sword of pain was taken by My son Marcos Tadeu and that is why here I will truly perform great graces, to make more and more My children know the power of My Tears and take from My Tears the fruits for their souls of sanctification, salvation and graces of every kind.
Therefore, My children, continue to publicize the Hour of My Tears, the Rosary of My Tears, My image of My Tears so that the world truly knows the power of My Tears, because from the knowledge of these Messages and the power of My Tears, from the Third of My Tears depends on the coming or not of the

kingdom of My Son Jesus to the world and the Triumph of My Immaculate Heart.
Pray the Rosary of Tears for the world, for Russia, for Brazil, because these nations will be saved by the great power of My Tears.
I bless everyone at this moment and especially you Marcos, the most obedient of My children who has consoled Me a lot by sharing the Rosary of My Tears, My Messages given to My daughter Amália, My Hour of Tears, My Image for so many and so many years to so many My children.

To you, to your spiritual Father, My most beloved son Carlos Tadeu, I also bless him who has also shared the Rosary of My Tears, love for Me in My Messages, in the contemplation of My Sorrows, in the contemplation of My Tears. And it has made so many of My children love Me more, Comfort Me more and give Me more, Consecrate their lives more to Me to be My Consoling Angels on Earth.

Yes, you and him I bless generously now. I bless you My beloved son Carlos Tadeu who, together with My little son Marcos, is a true apostle of My Tears for the whole world.
Yes, you are also a missionary of My Tears, you are an apostle of My Tears and I promise you son, the more you make My Tears known and loved, the more wonders and wonders I will do in you and through you.
I love you very much and My Mantle of Love is always on you covering you, protecting you.
I bless you all with love from Montichiari, from Campinas and from Jacareí.
I now also give the plenary Indulgence to everyone who wears My Medal of Tears, who celebrates My Hour of Tears every Saturday and who spreads My Messages given to My daughter Amália.
To all I now give a plenary indulgence and also great graces of My Heart, among them My special and maternal blessing.

(Marcos): “Dear Heavenly Mother, can you touch and bless these rosaries that we made for your children?”

Jacarei, March 15, 2017

(Holy Mary) : “Dear children, today I invite you to desire God more and to renounce your own will more. Therefore, to achieve this, continually pray this act of desire: “My God, give me your grace so that I love your will more than mine.”
Pray this act of desire over and over again!

Pray My Rosary every day, make more reparation for My Apparitions of La Codosera that are so forgotten.
Every 30th of each month make the Cenacle in honor of My Apparitions of La Codosera, spread My Messages to My children of La Codosera and also make all My children know the film that My son Marcos made of La Codosera. Make sure this film is seen every 30th of every month and distribute this film to all My children.

Hasten your conversion, because two great punishments are very close.
Do meditation, do spiritual reading.
I bless you all with love from La Codosera, from Ezquioga and from Jacareí."

Jacarei, March 19, 2017

(Holy Mary) : "Dear children, today I call each and every one of you again to open your hearts more through prayer to My flame of love.
My children, the only way to receive My flame of love is to truly make your hearts dilate every day for more prayers, sacrifices, meditations and penance. My Fatima Message has not been obeyed and that is why My Apparition in Fatima calls for reparation. And what is the reparation that I desire? May you spread My Messages as quickly as possible, may you make amends to My Apparition in Fatima by making My warnings known to all My children so that all humanity can finally give the Lord its positive response of conversion and life change. and finally to give My maternal Heart the 'yes' that I have been waiting for a hundred years from humanity: the 'yes' to the Rosary, the 'yes' to conversion, the 'yes' to repentance for sins, the 'yes' to penance.

If you finally now heed My Message of Fatima My Immaculate Heart will quickly triumph and the world will then finally be freed from Satan's oppression and a new time of love, justice, holiness, peace will take over the Earth.
Now you must prepare yourselves for the great apostasy of the Church. Truly, now the persecution of all that is holy and sacred will take place. Love for Me will be denied; love for My manifestations and Apparitions will be denied; the truth of My Apparitions will be denied in many places; many will let themselves be deceived by the sect and will truly stray from the path of prayer, penance, conversion where they were before thanks to My Messages; many will be lost.

Apostasy will take hold of mankind from top to bottom; Satan will therefore feel like the victor, but My Immaculate Heart will triumph in the end and here where My Heart worked so hard in the person of My little son Marcos to give the world these films that make the hearts of My children burn with the truest and live flame of love of My Heart, here, in My invincible fortress of love, faith and prayer, My Immaculate Heart will act powerfully and through this My mystical light will radiate and make a small remnant remain faithful to prayer, to the Rosary, to penance, to conversion as the saints lived, as the saints did and this little remnant, truly, with your prayers will save many and prepare the world for the coming of My Son Jesus and the Triumph of My Immaculate Heart.
Truly, here, My flame of love will never go out, because in the person and in the work of My little son Marcos, this flame will continue to communicate itself to the hearts that believe in My Apparitions here and that allow themselves to be guided by him docilely along the path of prayer, of conversion and penance and so truly My flame of love will triumph, blind Satan and paralyze him, cast him forever into the infernal abyss from which he will never leave.

You must be the resistance; you must be My army that resists the army of Satan, the army of the infernal serpent. Therefore, stay together with the captain that I raised up and gave to you: My little son Marcos. Keep spreading My Messages as he does, praying My Rosary as he does, defending and

speaking of My Apparitions as he does and so, My children, you will truly help Me defeat the army of My enemy once again with the mighty prayer of the My Rosary and with My Messages of love, which are despised by the proud, but which for the humble who meditate on them are extraordinary.
I now bless you all with love from Lourdes, from Fátima and from Jacareí.
Keep praying My Rosary every day, for it is the sure and invincible weapon of victory.
Keep spreading My Apparitions and making cenacles and prayer groups everywhere for the salvation of many souls."

Jacarei, March 26, 2017

(Mark) : "Yes, yes, I will. Yes yes. Because of the work of the monastery, I find myself completely out of time, but I'll find a way, Mommy, I'll do it at night, but I'll do it, I'll do everything the Lady wants.
Yes, I've been wanting to do something for this Apparition of the Lady for a long time too and now the Lady asking me I see that this feeling was the Holy Spirit himself who gave me.
Yes, yes, I will."

(Holy Mary) : "Dear children, today, when you are still celebrating here the Feast of the Annunciation, the Feast of My 'yes' I invite you all to give your definitive 'yes' to the Lord.
Give the Lord your definitive 'yes' by giving your hearts completely to Him so that Jesus can truly reign in your hearts and fulfill in your hearts His holy will and His divine plan of love.
Give the Lord your definitive 'yes', renouncing once and for all worldly things and seeking ever more for your conversion, salvation and holiness.
I ask young people: give your definitive 'yes' to the Lord, renouncing worldly things, addictions, sins and surrendering not only your hearts, but even your bodies to the Lord so that through you He can also do wonders for convert the world as you did through My little shepherds of Fatima who gave themselves totally to the Lord, who offered themselves totally to My Son Jesus and to Me, allowing themselves to be used by Us as powerful instruments for the conversion and salvation of humanity.
If you also offer yourselves to God like My little shepherds, like My little son Marcos and like I did first. Then God will also work great wonders through you to convert and save all mankind.
Now is the time for the greatest spiritual combat, for the greatest spiritual confusion that I foretold to you years ago. Take hold of My Rosary, because only those who hold fast to My Rosary will not perish.

That's why I ask you to pray Rosary 299 for five days in a row so that you can truly delve into My Messages and know My great love. Also, I want you to pray the Rosary 70 for four days in a row so that you can be strengthened in your faith in the love of God so that your faith is a house established on the unshakable rock of faith, love and prayer of the My Rosary.
I hope that next month you will pray Trezena nº 3 and that you will also pray Septena nº 2.

I want you also for three days in a row to pray the Hour of Peace 49 and so that you meditate on the Messages and also on My glories contained therein so that I can always more firmly establish you in Me so that your faith resists all spiritual confusion.

I want you to be truly saints, so My children, expand your hearts more to My flame of love, so that it can work more in you and through you to do wonders in the world.
Today I especially bless all of you who have said 'yes' to Me, who have begun to obey My Messages and who have begun to fight for Me, for the Triumph of My Immaculate Heart; to all My children too, who, renouncing their dreams and their will, their desires, gave their bodies and their souls to Me here in the consecrated life together with My little son Marcos, they who gave their 'yes' to the Lord together with My 'yes' I solemnly bless now and also to My little son Marcos who with his 'yes' united with My 'yes' has taken the grace of My Immaculate Heart of the Lord to so many millions of souls throughout the world, converting so many children Mine and illuminating so many souls that lay in the darkness of darkness; to him and to My most favorite son Carlos Tadeu, that with your 'yes' you also opened the doors for Me to perform the wonders of My love there in My dear land of Ibitira and region for the salvation of My children; to him with his 'yes' he gives me great joy, great comfort and great joy and I bless you all with love from Nazareth, from Fátima and from Jacareí."

(Saint Gerald) : "Dear brothers, I, Geraldo, come again from Heaven today to say to you: Pray the Rosary! As long as you pray the Rosary, your soul will never be lost or condemned. If you pray the Rosary with love and with your heart every day of your life, your soul will be saved.
Practice the virtues. Be hardworking souls, for the lazy will not enter the Kingdom of Heaven. Work, work well for God, to give Him joy and contentment, and also to obtain merit for eternal life.
Also work well for your masters in this world, so that you too can give them joy and contentment. And even with your work done with love, may you gather merit for eternal life.
I always worked well both for God when I was in the convent and for My employers when I was in the world, and in everything I was perfect.

Be perfect also in everything you do, for that is what holiness consists of.
I bless you all with love from Muro Lucano, from Materdomini and from Jacareí."

(Santa Luzia) : "My beloved brothers, I, Luzia, come again from Heaven to bless you and to say to you: Leave worldly things, because they are not for you! You were made for heavenly things... Seek, for what is of heaven!
Pray with the heart, in the deep prayer made with the heart you will feel a joy and a happiness that you never felt in the things of the world.
Seek happiness in prayer and you will find it.
I want you to pray My Rosary No. 3 for three consecutive days so that I can give you new graces and teach you the true holiness that pleases God.
Always seek the way of the cross, for it is the way of the cross that will lead you to Heaven. On the path of pleasures, of ease, you will not have merit for eternal life.
Walk, therefore, the way of the cross with joy with Jesus and Mary, and then you will acquire merit for eternal life and you will become beautiful to God.
I bless you all with love from Syracuse, from Catania and from Jacareí."

(Marcos) : "See you soon, Mommy. See you soon Geraldo mio. See you soon Lucia."

Jacarei, April 2, 2017

(Holy Mary) : "My dear children, today I invite you all to increase your prayers even more for the peace of the world and for the conversion of sinners.
There are still many who do not know My Son Jesus or Me. Pray many Rosaries so that salvation may come to them too and conversion may come to sinners.
You must spread My Messages from Bonate even more, as great punishments still keep coming your way because My Message from Bonate is not known.
I wish that every 13th day you will make an cenacle in reparation for My apparitions of Fatima, Bonate and Montichiari, because these three that are deeply interconnected with each other because they were neither obeyed nor made known to the world, are apparitions that cry out revenge to Heaven.
Pray, therefore, to alleviate the pain of My Immaculate Heart for what was done against these apparitions and make these apparitions known to all My children through the films that My little son Marcos made for Me.
There is no better way to get to know these appearances of Mine than through these films he made, because there My Messages are complete, perfectly meditated and interpreted and anyone can understand what I want and what I desire.
I also wish that on the 7th of each month you also make Cenacles, this time to make known My appearance here in Jacareí and that you make the Rosary in reparation for all the evil that has been done against My appearances here, as I say My children : the Eternal Father will one day send a great punishment to the world for all that has been done against My apparitions here. Make these cenacles to prevent these punishments and to bring about the conversion of sinners.

Read more My life revealed to My daughter Maria de Ágreda. Read and meditate on the Imitation of Christ and also try to have more in your hearts the virtues that are most dear to Me, so that I can truly offer you as mystical roses of love to the Father for the salvation of all humanity.
Ask for the gift of wisdom from the Holy Spirit, this gift that my little son Mark has just asked for in his prayer. The gift of the Wisdom of the Holy Spirit makes the soul properly appreciate divine and heavenly things, esteem them above worldly things, and prefer them, discerning what is precious from what is vile.

The gift of wisdom makes the soul know God's will, esteem and love it above its own and more than its own will, and prefer this will more than its own.
This gift opens the eyes of the soul and causes it to see worldly things as dust, smoke and nothingness and to see divine things as precious, as eternal, as worthy of all human love, esteem and appreciation. Then the soul boldly and firmly despises the things of the world and embraces the things of heaven in order to love, please, and please God.
The gift of wisdom also makes and helps the soul to love God and to have him as more valuable than all the things in the world, even more than itself and therefore, the soul that has the gift of wisdom moves continuously towards God and ascending higher and higher towards God and with this wisdom the soul that has this gift helps its brothers to acquire this gift too, so that, in the same way, they esteem worldly things as dust and ashes and esteem as heavenly things are very precious.

Ask for this gift so that you can understand perfectly everything that is right, everything that is sublime, rightly appreciate all divine things and prefer them. So that, in this way, the will of the Lord may be carried out in you as it was fully carried out in the lives of My Little Shepherds of Fatima, who, although very young, had great wisdom and with it they knew how to prefer heavenly things to mundane things and, therefore, are now in Heaven occupying the place that the fallen Angels left empty. They became Seraphim up here because they preferred the Lord and they preferred Him with all their might. Do this too and you will one day be able to occupy these beautiful heavenly abodes alongside them.
Keep praying My Rosary every day so that My plans begun in Fatima may be fulfilled here. In the person, in the word and in the work of My little son Marcos, I finish what I started in Fatima and I will bring My great work of salvation to its full and successful conclusion.
Help My little son Marcos and the souls that help him will be dear and preferred by My Immaculate Heart like the most tender roses that I will keep, care for and keep with Me always for eternity in Heaven.

I bless you all with love now from Fátima, from Heroldsbach and from Jacareí."

Jacarei, April 8, 2017

(Holy Mary): "Dear children, today I invite you all to welcome more in your hearts My Flame of Love and let this flame transform you into living flames of love as I transformed My Little Shepherds of Fatima.

Imitate their generosity, their 'yes', their boundless love for Me and Jesus. So that, through you, I can also perform My graces in this world that is increasingly moving away from God, losing faith, falling into apostasy and being lost.
So, through you, even in the midst of this dense darkness, I will be able to make graces of salvation and conversion for so many of My children.
Yes, the Message of Fatima is still open today, that is, My children have not yet answered 'yes' to everything I asked there through My Little Shepherds.
May you be My echoes, the echoes of Fatima, so that the whole world hears My voice, finally answers Me 'yes' and then My Immaculate Heart triumphs.
Here in Jacareí, where I will finish what I started in Fatima, I wish you to be the echo of My Messages from Fatima, transforming your lives more and more into prayer, conversion and sacrifice for the victory of My Heart.
Keep praying My Rosary every day.
Give this month 7 films of My Apparition in Fatima to 7 people and 8 films of My Apparition in La Codosera and Ezquioga for My children. So that My Messages reach everyone as soon as possible and so I can convert and save them.
Keep praying My Rosary every day.

I bless you all with love from Fatima, Ezquioga and Jacareí."

Jacarei, April 9, 2017

(Holy Mary) : "Dear children, today I invite you all again to open your hearts even more to My Flame of Love.
Expand your hearts to My Flame of Love for more prayers, meditations and also small sacrifices, so that I can always make this flame burn in your hearts and yours in the hearts of My children all over the world. Transforming the world into a great furnace of love and preparing it to receive the Holy Spirit of love that must soon descend with Me at His Second World Pentecost.

Yes My children, My Flame of Love often cannot accomplish what I desire because you hinder it, you impede it, you frustrate its strength in you and in your life.
You do not collaborate with it and that is why this Flame of Mine most of the times returns to My Heart, because it does not find on earth dilated, docile and full of love hearts that can let My Flame of Love act in these My children, in these hearts, in these souls so that I can perform My wonders.
You see My children how many wonders I have done throughout the world through souls who have said 'yes' to Me. Yes, who said yes to me, like My Little Shepherds of Fatima.

Through some I made My Pilgrim Image convert crowds, through others I raised works, Sanctuaries, places of prayer in the world where I still carry out conversions despite the great apostasy of the world and even of the priests.
Yes, My Flame of Love cannot be overcome by the world, if it finds at least one truly docile and obedient heart full of love that receives My Flame of Love and lets it act.

You see how many wonders I have done here and I still continue to do so because I found the heart of My son Marcos here, docile to My Flame of Love like My Little Shepherds of Fatima.
If you too are docile to My Love and allow Me to act, I will also do wonders everywhere through you, leading My children to conversion and salvation.
Expand, because your hearts, for more prayers and sacrifices, give Me your 'yes' and today I will start to do so many wonders!

I wish you to publicize more My Apparition in Lourdes, because it, like the one in Fatima, is not known. And by those who are known it is not understood, they did not understand the appeal to penance that I made at Lourdes.
That is why My children I want you to give nine, nine films of My Apparitions in Lourdes, the films that My son Marcos made, so that everyone can understand My Message from Lourdes, My call, My appeal to penance.
Also, so that My children can know My glory that I make in Lourdes shine like never before so that My children know that I reign in Heaven, I reign with My Son and He cannot deny Me anything, because I am His Mother and He loves me as My true child.
That is why I want you to make Lourdes known so that My children may know My glory and understand My Message of penance, of conversion. And so, may they finally return to God through My Immaculate Heart which is the sure path that will lead them, that will lead all of you to God.
Keep praying My Rosary every day, because through it I always do and will do wonders in your life and in your hearts.
Yes, at the hour of each one's death you will see this treasure of Hail Marys that you gather up there every day by praying My Rosary shine in great glory in Heaven.

And at the time of death, with this treasure, with these gold coins, which are the Hail Marys of My Rosary, you will finally be able to pay your entry into the beautiful abode I prepare for you in Heaven.
In fact, the abode that I prepare for you in Heaven is made of pure gold, the gold of the Hail Mary coins that you pray to Me every day.
I bless everyone with love and especially you Marcos, My fourth Little Shepherd and the most obedient and dedicated of My servants.
Keep moving forward doing all that I have commanded you so that My plan of salvation begun in Fatima may finally be fulfilled. And that you don't stop because of anything or anyone, let those who want to fall fall. You go forward, undaunted, fearless the way I showed you and pointed you.

Those who want to abandon Me? Let them forsake Me! You will have to give an account to My Son later for what you have done and for the souls you have lost because you have not prayed, you have not sacrificed and you have not given your lives for the salvation of souls.
The part of My plan that is spoiled because someone did not want to give Me their 'yes', or has regretted the 'yes' they gave Me and wants to abandon Me, that part will have to give an account to My child for My plan that Spoiled.
But you don't, you go ahead and don't stop, don't stop for anyone, don't look at anyone but Me. Like a locomotive it goes forward, passing over everything and taking My Message further and further to all My children.

You have already made Me known in 190 countries on earth and more than 27 million of My children. But there are still many who do not know Me, you must save them and bring these children to Me.
Go My son, this is your task and don't look at anyone and anything else, only for Me, only for your duty, only for My Love.
To everyone I especially bless you and also your spiritual father, to whom I sent My Message the day before yesterday and to him again I repeat:
You My beloved son Carlos Tadeu is the cause of My joy, the consolation of My Heart. Go forward together with My little son Marcos, who I also gave you as his son.
Go ahead saving the souls of My children and making My Immaculate Heart triumph in them. So that at last I can complete, finish everything I started.
And finally to establish in the world the Kingdom of My Immaculate Heart, which is the Kingdom of Love of the Heart of Jesus, finally revealing all the power, all the glory that the Holy Trinity granted Me and finally bringing all souls to the knowledge of the truth of love God's.
I bless you all with love from Fatima, Lourdes and Jacareí."

(Marcos) : "Dear Heavenly Mother, could you be kind enough to touch these books of your Messages for the conversion of your children, these Rosaries, these objects that are here?"

Jacareí, April 14, 2017 - Good Friday

(Holy Mary) : Dear children, today, when you contemplate My greatest pain beside My Son Jesus on the way to Calvary and then on Calvary, in His crucifixion and death, I come again to tell you:
I am the Lady of Sorrows, I am the Lady who even today continues to cry and suffer because my son Jesus continues to be crucified again. This time for so many My children who, even after knowing Him, having known Him, despise Him, betray Him, abandon Him, exchange Him for worldly pleasures and for the things of this world that lead so many souls to perdition.
I am the Sorrowful Mother who still suffers today because My Son Jesus is crucified again by so many who only seek the pleasures, the amusements, the comfort of this life without caring about their own salvation and the salvation of others.
For so many who live a truly pagan life, without prayer, without faithfulness to God's commandments and without seeking to love Him, praise Him and serve Him faithfully every day.
I am the Sorrowful Mother who even today sees My Son Jesus being crowned with thorns for the pride of the human being, who does not recognize his sin, who does not bend before the authority of God, His Law of Love and prefers to live in rebellion against Him fighting against Him and causing others to rebel against Him as well.
I am the Sorrowful Mother who even today sees, sees My Son Jesus being scourged for every sin of every man, especially those of consecrated souls, who knowing My Son Jesus, His Love, having received so many special graces from Him and so many helps to be saints and loving Him prefer the world, they prefer pleasures.

And because of that, they get lost, taking with them so many souls who also did not let them enter the door of salvation and dragged them behind them to the abyss of perdition.
I am the Sorrowful Mother who even today sees this poor humanity totally fallen and dominated by sin, totally dominated by the forces of evil, by Satan, who spread violence, impurity, immorality, adultery, vices and all the sins that now truly transform the earth into a great sepulcher of darkness and death.
I am the Sorrowful Mother who even today sees My Son Jesus crucified again by all those who deny Him, who deny His divinity, who deny the truth known as such and propagate the errors of atheism, materialism, atheist modernism, communism and of so many other things, doctrines coming out of hell to lead souls to perdition.

How great is your destruction, how great is the calamity of your souls My children! But just as the Heavenly Mother was at the side of Her son Jesus on the way to Calvary to help Him, to support Him, to accompany Him, I am also at your side now.
In these bad times in which you live, when the forces of evil seem to triumph, I appear again on the path of your Calvary to tell you that you are not alone. I am with you! My Heart is the refuge that I have prepared for each of you.
May each of My children who still see the truth, who see the calamitous state in which the world, souls and the Church find themselves.
May those My children who still have light, who still want good, who still want the triumph of the Heart of Jesus in the world, the triumph of truth. May these My children all come to the refuge of My Immaculate Heart, because here, I will give strength and encouragement to all as I gave My Son Jesus.

May My apostles not get tired of fighting for a better world, don't get tired of fighting for the conversion and salvation of souls. May you all come to My Immaculate Heart, for to all My apostles I will give encouragement, strength, light, comfort and love.
May all My children who also carry the heavy cross of illness or suffering come to My Immaculate Heart. And here for everyone I will also give relief, consolation, comfort, love. I am the Sorrowful Mother who even today sees so many young people losing themselves in impurity, prostitution, drugs, becoming living sepulchers themselves that shelter so much darkness thick with death and sin.
Take My Messages and My love to these My children so that they can convert and be saved by My Flame of Love, which all My children calls, loves and wants to save.
I am the Sorrowful Mother who even today sees how Jesus is denied by so many of those who claim to be his followers and disciples, children of God and is betrayed by so many of his priests, bishops and souls consecrated to him who, like Judas, betray him because of the pleasures and the goods of this world.

Oh My children, console My great pain by praying the Rosary every day, making cenacles and prayer groups everywhere, spreading My Messages so that My children's souls can truly see the light of salvation that descends from the heaven abundantly with Me Here to lighten the whole world.

Bring My children the knowledge of My maternal Love so that they can feel My love, live My Love. And so, through My love to know, feel and live the love of God who sent Me here to save all My children and lead them safely along the path of peace, holiness, salvation and love.
Give Me your hearts and your 'yes' today, then you will give Me and Jesus the greatest possible consolation that you could give Us. It's your hearts that We want, it's your life that We want, it's your love that we want. Give that to Us and you will have given Us the greatest consolation of all. Then you will take Jesus down from the cross and he will live and reign in you as he always lived and reigned in me.
And then the power of the flame of love of Our Two United Hearts will be unleashed, changing the whole world into a great garden of holiness and love.
I bless everyone with love today and especially you Marcos, the most obedient and dedicated of My servants, of My children. And I also bless you My dearly beloved son Carlos Tadeu, you have consoled Me so much with the cenacles, with the prayers, never stop, always go forward, without fear, because many souls will be saved by Me through you little son.
And don't fear the little pains I sometimes allow you. This is all to increase your merit and your value before God, for it is suffering that purifies and gives value to souls.
The more you suffer for God and for Me, the more your soul will be worth before Us. And that is why you should not be afraid, go ahead because with each cenacle you make you take many swords of pain from My Immaculate Heart, take off My Mantle of Dolorosa and put on again the white Mantle of joy, glory and of love.
I love you so much and I thank you for the consolation you have given me every day with your prayers. Forward, I am with you and I will never leave you.

Go forward too My little son Marcos, go forward fulfilling your mission, like a locomotive going over everything and don't stop or get discouraged because of anything or anyone. Finish the race you started just a short time away and soon you will receive the crown and the trophy of victory from My true fighter, soldier and valiant vassal.
I bless you, My slaves of love and all My children with Love from Jerusalem, from Nazareth and from Jacareí.

I wish that next month you will pray the Trezena nº 4, that you also pray the Septena nº 2 again.
And may you truly pray the Meditated Rosary 251 ten times for ten days in a row next month, to comfort Me more and make My Messages known and loved.
Give twelve films of My Apparition in Quito, Ecuador to My little daughter Mariana de Jesus Torres for twelve people, to make My Apparition better known, loved and obeyed by everyone.
In this way My Heart and My Flame of Love will begin to triumph."

Jacareí, April 15, 2017 – Holy Saturday

(Holy Mary) : "Dear children, today, when you contemplate the Saturday of My great pain and My great loneliness, when I was without My son... still crying, remembering all the torments of His terrible Passion and at the same time

praying in anticipation of His glorious resurrection, I come again to tell you: The great holy Sabbath of the last times in which you now live is about to end.
Yes, now you have been living in a great holy Saturday that precedes the great glorious manifestation of My Son Jesus with His return to renew all things and to establish His Kingdom of Love in the world.
As you live on this great holy Sabbath, even now, sin, death seems to triumph. Violence spread throughout the Earth, immorality, dishonesty, corruption of customs and morals, apostasy, loss of true faith, the advancement of false satanic ideologies: communism, Protestantism, spiritism, modernism , atheism now seem to reduce humanity to a decomposing dead body.

But soon My Son Jesus will sound the trumpets of his Angels and He will suddenly descend from Heaven in a great luminous cloud, to renew Heaven and Earth and to finally transform it into the kingdom of love in Our Hearts.
From you My children, I now ask only for prayer, trust and perseverance on the path I have shown you. Because this holy sabbath of sin, of perdition, of corruption of customs and also of sufferings and tribulations for you, is about to end soon. And soon the dawn of your resurrection will dawn. In other words, from your victory over everything that satan does in this world today to lead you to perdition and everything that he does also to torment the lives of My children, the lives of the children of God and make you suffer to get tired. them and discourage them and make them lose the crown of eternal life.

Perseverance My children! Persevere in the path of prayer, of love, of holiness that I asked you here, so that you may soon be able to participate in the great glorious resurrection of all this lost and as if dead humanity. And that as if by enchantment, by miracle, it will rise to become the new humanity renewed and fulfilled in God.
Then the world will be the garden of grace, glory and holiness of the Holy Trinity where men will finally live and fulfill what they were created for. They will live the purpose of their creation: to love, serve and worship God.
This great holy Saturday is about to end, which since My Apparition in Fatima has extended throughout this century. And here at last, I will finish My plans started at Fatima by taking all of humanity and all of you to that glorious and great resurrection that will transform all of you finally into the perfect reflection of the holiness, perfection and beauty of the Holy Trinity that created you for His greater worship, praise and love.
For now, this great holy Saturday must still remain a little longer. And that is why My Immaculate Heart continues to suffer even today, seeing that many of My children die spiritually every day in sin without anyone doing almost anything for the salvation of My children.

This great pain of Mine, My children, increases day by day, so I have shown you the sign of My pain, causing tears of blood to flow in many of My images throughout the world. And also in this one that is here, to show you how great My pain is. How great is My affliction to see that with each passing hour I lose more and more children who fall into sin and are lost.
This is why My Immaculate Heart is so comforted by My little son Marcos, by all that he does for Me and for Me. And this is also why My Immaculate Heart

is so comforted by everything that My son Carlos Tadeu does for Me, all the cenacles, prayers, sacrifices, his daily weariness to take Me further, always to more children who still don't know Me.
Oh, how beautiful it is to see those My little children blossoming into true love for Me, embracing and kissing My pilgrim and miraculous Image with so much love. I feel these kisses, these hugs, these caresses from My children... And this dries many painful tears that I shed, comforts My Heart and fills Me with joy.

And all these My children give Me, all this love they give Me because this most beloved son of Mine, not sparing efforts, suffering or measuring distances, always takes Me further to all My children.
Yes, how beautiful it is to see those My children praying so many Rosaries with him, singing like true little children who cry out to the Mother of Heaven, who give themselves to the Mother of Heaven, who entrust themselves to the Mother of Heaven with love, faith, gratitude, kindness and true thirst to know and love Me.
Yes, there I am truly comforted and there I am truly loved first by My son Carlos Tadeu and then by all those My dear children who pray with such love to Me following his example, his direction and his command, who is the captain who I put it there to direct My army.
Yes, there I am consoled and there I am truly not the Sorrowful Mother, I am the Joyful Mother who always sees herself more loved, dear and listened to by My children.

And of you all little children I ask the same thing to console My Heart by listening to My Messages with love, doing what I say with love, giving Me your hearts with love. And trying in everything to follow the guidance of the captain that My little son Marcos gave you here, who shows you the safe path you must follow.
In this way, you will remove the swords of pain from My Heart, you will truly remove My sadness from My Sorrowful Mother pain and you will truly give Me the crown of a Joyful Mother who is always more loved, obeyed and dear to all Her children.
Pray a lot My children, pray for the youth that is lost in sin. Many young people were lost through their own fault, it is true, but many others were lost because their parents did not raise them for the purpose for which, for which and for which God gave them life, which is to love Him, to adore Him. and serve Him.
Many parents did not raise their children to love, worship and serve God, but raised them for worldly things. Bad education is much worse than no education at all. That is why My children, many young people were lost because their parents did not know how to educate and guide them to God.
Therefore, pray for these young people who are lost in vices, who are lost in sins. I suffer for them, because among them there were many who would be good religious, who would be good fathers and mothers of families who would give many Saints to God and to Me, to make humanity better.
And those good religious, those good fathers of families, were destroyed, spoiled, lost because their parents did not know how to raise them for God, to conform to God's will.

Pray for them My children, so that I can still save them by a miracle of the merciful love of My Heart.
Yes, I am the Sorrowful Mother who even today sees this poor youth who is lost in sin... But I will save this youth with a miracle of the merciful love of My Heart if you pray My Rosary and make the cenacles, My groups of prayers everywhere. I will save many young people and make them great saints for the greater glory and victory of God.
I want you My children to pray the traditional Rosary of the Holy Spirit four times in a row, contemplating the seven Gifts of the Holy Spirit and asking for these Gifts. I want to give you these gifts, increasing in you wisdom, the fear of God, piety, knowledge, counsel, strength, making you truly powerful instruments for the salvation of many souls.
Pray this Rosary that My little son Marcos engraved for you with the Messages of the Holy Spirit, so I will ignite you with the Holy Spirit's own fire of love and I will expand your hearts to pour even more My living flame of Love into them.
I bless you all... I bless you My beloved little son Carlos Tadeu. Today, on Holy Saturday, when I cried with longing for the loss, the death of My son Jesus, you were My comforting angel. Yes, I saw you all day and all night from My oratory. I saw the cenacles, the prayers, the love, the affection, the fidelity, the obedience that you would have for Me and My tears of Blood immediately became tears of gold, luminous tears because your fidelity, your love for Me consoled the My painful Heart.
Yes and even John, My beloved disciple, when he entered My room, he also had the grace to see you in that vision that I had, to know you and love you. He was also commissioned by Me to pray for you, to intercede for you and to be your protector and advocate.
Because your vocation is to be, even in your state of life, to be My John, my comforting John, My John of love who goes with Me wherever I go, who takes Me to My children, who takes care of Me, who takes care of my interests, who take care of the salvation of My children, who take care of My glory.

Yes, you are My little John and because of that, John and I are always with you, we are always by your side, protecting you, supporting you, guarding you and blessing you.
You cannot imagine how much consolation you gave to My Sorrowful Heart on Holy Saturday. Yes, My Golden Tears were of joy, of consolation for your future love.
Remain like this, remain My comforter and the one who transforms My Tears of Blood that I still shed today, into pure Golden Tears of joy, jubilation and love.
To you, to My little son Marcos, the most obedient of My children, of My servants and to all My beloved children, I bless with love from Jerusalem, from Nazareth and from Jacareí."

(Marcos) : "Dear Heavenly Mother, may you please touch on these two habits that two of your children will receive tomorrow by becoming your postulants. And can she also touch these Rosaries for your favorite son Carlos Tadeu and also the scapulars and rosaries we made for your children?
Thanks"

(Santa Irene) : “Beloved brother Carlos Tadeu, I, Irene, am very happy for your presence here today. I have long wanted you to come on a day when I also appear here.
I love you very much, My name means peace and as you must carry the Message of conversion, of prayer from the Mother of God that brings peace to all men, I am also your protector and I must help in your mission to bring these Messages, cenacles of prayer everywhere, so that the peace of the Immaculate Heart of Mary may reign everywhere.
Every 5th of every month I will do something very big, very special for you: I will lower a month of fire in purgatory to any family member you choose.
Yes, and on the fifth of each month I will also give you a special blessing and I will pour out abundantly on you the graces of the merits of My Martyrdom.
I love you very much and I always cover you with My mantle of light and love to defend you from all evil. Call on Me always, whenever you need Me and I will immediately come and help, comfort and bless you.
Go in peace, I Irene, servant of the Lord and Messenger of Peace, will go with you everywhere, blessing every house wherever you go.”

(Marcos) : “See you soon, Mommy. See you soon dear Saint Gabriel. See you soon dear Saint Irene.”

Jacareí, April 16, 2017 - Easter Sunday

(Sacred Heart) : “Beloved My children, I, Jesus, rejoice to come today on the day of My Resurrection, of My victory over sin and death to bless you once again with My Mother and My servant Bernadette from Lourdes.
I conquered death, I conquered death through My death on the cross and through My death on the cross, through the merits of My Passion, all of you can also conquer death in your lives. All sin can be conquered by you because it was already conquered by Me on the cross.
And if you truly believe in Me, believe in My Word, keep My Word and remain united to Me by love, by the filial and perfect love that you must have for My Father in Heaven and also for Me. Because I am in the Father, the Father is in Me and as the Father has loved you, so have I loved you.

Yes, if you have that perfect love, then, truly united to Me, you will be able to overcome everything, overcome any and all sins in your life.
Come, therefore, to Me, you who are weary and burdened with your sins, and I will give you rest. Because I am meek and humble of heart and I have the strength for everyone, I have the grace that will give you victory over all sin and all evil in your life.
I conquered death! I conquered death and opened for you the doors of Heaven and in this work My Most Holy Mother collaborated with Me and that is why today My Mother reigns, triumphs with Me. And whoever believes in Me, whoever loves My Mother and who comes to Me through My Mother, I will not cast him out, on the contrary, I will clothe him with My grace and make him

victorious as I do over the death of sin in the soul. , about sin itself, about the evil that is in the world.
I conquered death and that is why in My Sacred Heart you can find all the goods, all the graces and all the strength you need to be Saints.

Come to My Sacred Heart that groans and weeps for you. Come to Me, because here in this Divine Heart I will shelter you all, I will love you, I will clothe you with My own grace and glory. And then you will be able to overcome all sin and all evil in your life and you will even overcome sin and evil in the lives of your brothers.
My Sacred Heart faints with longing for you My children! Come to Me, because I can no longer live without you.
I run your search with My Mother. I traveled the whole world with My Mother, appearing in many places and calling many of Our children. But, they are deserted and don't care about Us at all.
Yes, Our Hearts that loved men so much were repaid over and over again with contempt and ingratitude. Oh My children! I can forgive contempt and ingratitude towards Me, but I will not forgive contempt and ingratitude towards My Mother.
Woe to that man who pierces My Mother's Heart with his contempt, with his disobedience to Her, it would be better if he had not been born. Those who make My Mother suffer and who despise My Mother's Messages are already condemned.
Take care that you are not one of the number of these unfortunate My children, because otherwise, My Hand will truly reach you and it will also reach My Father's hand. And if it is already terrible to fall into My hands, imagine how terrible it will be to fall into the hands of My Father, Just, Holy and Avenging God.

Yes, beware of being one of these, rather, be like John, loving with My Mother, be like Our Little Shepherds of Fatima, totally loving and obedient with My Mother.
Be like My servant Bernadette, completely obedient, faithful and docile to My Mother. Be like My little son Marcos, always faithful, always firm, always obedient even under the cross, even when shedding tears throughout your life, but always faithful to My Mother.
Imitate these children that I gave as suns, stars, as lighthouses, as lamps for the world: Our Little Shepherds of Fatima, My daughter Bernadette and also My little son Marcos are lamps, they are lamps that I lit for the Church and for humanity in these times of dense and great darkness that obscures all things.
Violence erupts from all sides, families completely live a pagan life away from Me and offending Me every day. Children are victims of their own parents, who educate them not for Me but for the world, transforming them into true pagans and atheists.
Therefore, many young people are lost in vices, in sin, in worldly things, in pleasures, thus becoming victims of their own parents and victims of that society that denies them the truth, denies them the knowledge of God and denies them the My love that could save them.
Ah, My children, what severe accounts will parents have to give to Me and My Father for not having raised their children for Me, for not having guided their

children to Me, they played with the sacrament of marriage, looking at it and taking it. or just as a source of enjoying life and pleasures.

Oh no! He is much more than that, he is meant to bring all humanity, all youth, all children, all generations to know Me, love Me and give Me glory.
Yes, severe accounts will have to be given to Me by parents who have not guided their children to Me. And those who can still guide their children, may they guide them because My return is imminent and I will ask for an account of all the children I entrusted to you to guide them to Me and who were lost because of you.
Oh My children, My Heart wants to help you! At the same time that I see the ruin, the calamity in which this humanity and your families find themselves, I come to help you with My Mother.
My Mother and I are here to save to help you. So take the remedies that My Mother and I brought you and offered here: the Holy Rosary, Penance, the Rosaries, the Trezena, the Septena, the Hours of Prayer.
Finally, take these remedies and apply them to yourselves and your families, so that you can be saved before it is too late.
My Sacred Heart since Paray-Le-Monial has asked all humanity through My little daughter Margarida Maria Alacoque more love for My Heart, I redress, I console this Heart that loves men so much, but for them is only paid with ingratitude, contempt, indifference and sins.

Oh My children! My message remains current and alive, console My Heart by finally giving Me the filial love, the true love that I desire for you here and that My Mother also taught you and asked you here in My name.
It's the love we want! I don't care about the defects you have... defects I can consume them in an instant like straw thrown into the fire, what I want is love, the defects I burn them all in the flame of love of My Heart and My Mother.
I want love, because love covers a multitude of defects, love elevates, love purifies, love saves, love satisfies My Heart. In a word: love is everything, love redeems, love renews, love gives life.
Therefore, give Me love so that I may live in you and you may live in Me. I did not say always remain faultless, but I said remain in Me. If you remain in Me, in My love, your faults I will burn them faster than straw burned in the fire.

Oh little children, fear not! My Heart is here, I am with you, I love you. It was I who loved you and called you here. I only want love from you, give me love, give love to My Mother and then there will be nothing more to give Me and you will already have given Me everything.
I wish you to pray the Hour of My Sacred Heart nº 33 for nine consecutive days this April, so that you can better know My great love for you and the ocean of tenderness that is My Divine Heart for all of you.
I bless everyone with love and especially you Marcos, the most obedient and devoted of the servants of My Mother and My Sacred Heart. I bless My slaves of love, above all My two children who today became postulants of the Order that I founded with My Mother in the Tabernacle in the Church where My Mother appeared to you for the first time.
Yes, today I see fulfilled once again My will and the Divine dream of My Heart, to give My Most Holy Mother a company of saints, of brave soldiers to fight for

Her and for the triumph of Her Heart and My Heart in all humanity with My beloved son Marcos.
To My slaves of love and also to you My beloved son Carlos Tadeu, whom I gave to My son Marcos to be the perfect image of My Father, to be for him a manifestation of My Father's love and affection and also of My own affection, of the affection of My divine Heart.
To you who are My comforter too, My hope, to you who are the joy of My Heart crowned with thorns for the sins of the world. You who are My Mother's comforter, My living gift of love that I created to give joy, pleasure, honor and glory to My Mother.

I bless you with love and all of Paray-le-Monial, Dozule and Jacareí."

(Holy Mary) : "My children, I am the Joyful Mother of the Resurrection, I am the Lady of Glory, I am the victorious Co-Demand of humanity!
I am the victorious Co-Demand of humanity and today on the day of the resurrection of My Son Jesus with Him I also conquered the devil, sin and death opening for all of you with My Son the doors of Paradise closed by Adam and Eve. Making reparation for the sin of Our first parents and at the same time opening to you the new life of grace, the new law of love for the salvation of all humanity.
I am the Victorious Co-Demand of humanity, because with My sufferings united with those of My divine Son on Calvary and throughout My life I collaborated effectively with My Son in the work of your redemption. And in Me and in My Son God already recreates all things.
Eve, the first woman, was ruined by loving more than herself than God, despising what God had told her, what God had forbidden her to do.

In Me woman is recreated, in Me all creation is recreated and in Me in My immaculate purity, in My glory, in My immaculate light of holiness and power all humanity is recreated and is reborn to love, serve and glorify its Creator with Christ Jesus, in Christ Jesus and through Christ Jesus.
Yes, I am the Victorious Co-Demand of humanity and in Me the Holy Trinity finally finds the greatest and most perfect correspondence to His love, the full docility to His orders, the perfect obedience that was denied Him by Our disobedient first parents.
Finally, in Me and in My risen Son, the Holy Trinity receives all the glory, all the adoration, all the correspondence and all the satisfaction that it always hoped to receive from the human race, but never received because it was separated and disconnected from its Creator by sin.
In Me and in My Son Jesus today begins the new Law of Grace, the new creation of God begins. Therefore, I am the Victorious Co-Demand of humanity and in Me every sinner can be reborn to the grace of God.
In Me sinners find all the grace they need to also become new creatures to love, glorify, praise and worship God.

So come to Me sinners, My little children and I, your Victorious Co-Demand, will give you all the graces so that you too may become new creatures to give with Christ and with Me to the Father all the honor, all the glory, all the praise, all the love and all the adoration.

I am the Victorious Co-Demand of humanity and in Me in My victory with My Son Jesus today, satan the proud enemy of the Lord and Mine is finally humiliated, crushed and defeated.
The enemy is already defeated and already knows and already knows that he is reduced to eternal slavery, to eternal torment. And in Me the victory of the Lord is already assured and the victory of all My children who remain united to My Son Jesus and Me by the bonds of true and perfect love is also assured.

In Me you will already be able to contemplate humanity freed from all evil, friend of God, united with God and sharing in His eternal happiness and glory. In My resurrected Son you can already contemplate humanity perfectly freed from all evil, conqueror of sin, hell, death and perfectly participating in the full communion and glory of God.
Therefore, little children, today on the day of My great victory with My Son, I call all of you to unite more with Me, opening your hearts to My Flame of Love and letting this Flame enter your hearts to grow to fullness. So that the brightness, glory and victory of My Son Jesus and My victory may shine in each one of you and make the glory of My Most Holy Trinity shine throughout the world, overcoming darkness and establishing in the world the kingdom of love, grace, peace, salvation.
It is sin that prevents My Son's victory and My victory from manifesting in you. Convert, leave sin and the victory of the Risen Christ and Mine will shine in you and in you this victory will be reflected in all My children who are still in the darkness of sin and also in them will finally shine the glory of the victory of the Risen Jesus and also My victory.
I love them all! Yes, I love them all and I keep them all in My Mantle with Love.

Pray this month of April for 6 days in a row the Meditated Rosary that you prayed today made by My little son Marcos for you. So that you may grow more in the knowledge of God's prayer and in the knowledge of My glories.
And so, you make My glory shine throughout the world as My son Mark has done.
I bless you all with Love and I ask you to continue praying My Rosary every day.
I bless My slaves of love, My little son Marcos, the most obedient and dedicated of My children and also to you My beloved son Carlos Tadeu My comforter and cause of the joy of My Immaculate Heart.

Blessings from Fatima, from Montichiari and from Jacareí."

(Saint Bernadette) : "Beloved brother Carlos Tadeu, today I bless you with love, I come on the day of My Feast, on the day of My birth to Heaven, of My earthly death to say to you: I love you, I love you with a love without limits.
I love you with boundless love and that's why I keep you, protect you, defend you and always deliver you from all evil. I also book and defend all those who love you, all who understand you and help you in the mission that the Immaculate has entrusted to you: to be the spiritual father of our most beloved Mark. And also to be an instrument, a messenger, Her spokesperson in the beloved land of Bahia to lead all those children that the Mother of God loves so

much and I do too to conversion, salvation and finally to perfect union in glory with God.

I love you with boundless love and that's why every day I offer to the Holy Trinity the merits of everything I suffered on Earth, of all My pains, persecutions, diseases, slander, everything. To obtain new graces from the Most Holy Trinity for you, for you, so that you can truly have a great degree of glory in Heaven because the heavenly abode you have already given to you by Our most beloved Mark.
And at this point I want to say to you, beloved brother: How happy you are! I received from the Mother of God the promise of Heaven in the third apparition in the Grotto of Massabielle in Lourdes. She gave Me this grace and I couldn't give it to anyone, I didn't even give it to My father and My mother.
You, however, received a son from the Mother of God and what a son! And the first thing this son did was give you the most precious thing anyone could ever give someone else: Heaven, eternal salvation. The greatest grace of all, what all God's children pray, suffer, struggle in this life for a day in Heaven to deserve to achieve.
Yes, he gave you this salvation, this beautiful abode because he loves you very much. And in this you must see the great love of the Mother of God for you, because in giving you this son with a great flame of love for you, she showed how much she esteems you, how much honors you, how much she loves you, how much she loves you, how much you are precious and valuable to her.

Yes, of all human beings you are the one after the Seers who can be said to be the happiest of all men on earth, because the Blessed Virgin has loved no one after the Seers like you, like you.
Therefore, dear brother, rejoice with joy and thank the Mother of God and the Lord who looked at you with so much love, mercy, benevolence and also, affection, love without limits.
And it is with this love that I have loved you, I love you without limits and for that, I will continue to shower you with great and abundant graces.
Keep reading the book Imitation of Mary, Imitation of Christ and also try to read My life so that you can get to know Me and imitate Me better, even if only for five minutes a day, as your tasks and obligations allow. And I promise that I will truly teach you and lead you in a short time to great holiness and perfection.
I love you with boundless love and I say to you beloved brother: Do not look either to the right, or to the left, or back. Do as I do, look only at the Immaculate, look only at Her, the Sun, the Star, the bright Moon that the Lord gave you to lead and guide you.
Love without limits the Immaculate, imitate Me in this, because the more you love the Immaculate, the more you will love Jesus blessed fruit of her womb and the more Jesus will love you.

Thus, I won great favor in the Heart of Jesus, loving the Immaculate very much and because of that Jesus loved Me very much.
Go and always repeat to everyone that the Messages of the Mother of God are the Gospel repeated, remembered by the Mother of God. They are the eternal truths remembered by Her and that My life as well as that of the Little

Shepherds of Fatima are the Message of prayer and penance like the Gospel translated into works, so that everyone can see, understand and practice.
In this way, you will perfectly and effectively help all our brothers and sisters to reach salvation.
I love you with boundless love and because of that My beloved brother, whenever you pray My Rosary I will come to you and place over you a mystical green mantle of My protection and also of spiritual graces from the source of the Sanctuary of Lourdes.
You will receive these graces from a distance as if you were there drinking from the Fountain of Lourdes, a fountain that is the figure of the Immaculate Heart of Mary, fountain of grace.

And these graces, beloved brother, will also be granted through you spiritually to all those who welcome you with the Pilgrim Mother of God into their homes.
That is why I want you to extend your hands over the people in each cenacle and transmit with a brief prayer the spiritual graces of the Fountain of Lourdes, of the Immaculate Heart of Mary and I promise that at that moment many blessings will be poured out on everyone.
I bless everyone with love and especially you whom I love without limits from Lourdes, from Nevers and from Jacareí."

(Marcos) : "Beloved Heavenly Mother, can the Lady, Our Lord and Saint Bernadette touch these rosaries that we made for your children?
Yes, I get it, only three. Yup.

See you soon my Lord and my God. See you soon My Mother, my love. See you soon, dear Saint Bernadette, love of my heart, love of Heaven. Come back soon yes?

Oh! The day after tomorrow, yes! I will tell him."

Jacarei, April 22, 2017

(Holy Mary) :"Dear children, today I invite you all to open your hearts more to My Flame of Love by praying My Rosary. And, above all, doing more the exercise of dying more to yourselves.
You are still very attached to 'I' and what you want. Renounce all this daily, so that you can truly cleanse your heart, vacate it and leave space for My Flame of Love.
This dying to self you must do every day even in the smallest things and read more the lives of the Saints, for in it is the wisdom of God for you.

Spread more My Message of Fatima. The Centenary of My Apparitions in Fatima, which is approaching, is a call for all of you, not only to meditate more on what I said to My Little Shepherds. But many more of My children who still do not know the Message of Fatima can know it, live it, be converted by it and also reach salvation.
My Tears in so many places are the sign of My great sadness at seeing My children's deafness towards My Messages of Love. Your hardness of heart in the face of so many Apparitions of Mine that I made all over the world to save you, in vain.

My Tears are the sign of My great sadness because the great Punishment is approaching and is already at the door.
I bless you all with Love from Fátima, from Montichiari and from Jacareí."

Jacareí, April 23, 2017 - Feast of the Divine Mercy

(Sacred Heart of Jesus) : "My children, today, on the Feast of My Divine Mercy, I come again to tell you: I am the Merciful God. I am the Merciful Savior of all humanity and every soul that turns to Me for My Mercy will receive it.
I forgive even the worst sinners, I just can't forgive those who persist in their sins and insist on remaining in the madness of their guilt until the end of their lives.
Whoever turns to Me appealing to My Mercy through My Most Holy Mother will receive My Mercy.
I forgive with all my repentant heart and I will never deny My Grace to anyone who confidently turns to My Mercy.
Here, which is the Throne of My Mercy and where the Messages I have given to My daughter Faustina are truly known, meditated on and disseminated, I pour out an endless ocean of Mercy to every soul that resorts to Me appealing to My Mercy.
Every soul that comes to Me here in need of My Mercy will reach it. And the soul that collaborates with My Mercy, this soul will be dear and loved by Me as the most beautiful and fragrant flower that I myself will collect for My joy and praise for centuries of centuries.

I bless you all with Love from Plock, from Krakow, from Warsaw and from Jacareí."

(Holy Mary) : "My children, today, on the Feast of Divine Mercy, I come as the Mother of Mercy to say to you: I am the Mother of Mercy that no sinner rejects. I am the Mother of Mercy who denies no sinner mercy, forgiveness and salvation.
I am the Mother of Mercy, who does everything for the salvation of all her children. I just cannot help the sinner who refuses My help and who refuses My Love, who rejects My Love. Otherwise, even the worst sinner, if he accepts My Love, if he wants My help, will be saved by Me.
I am the Mother of Mercy, who loves docile and obedient children, but who hates the rebellious and disobedient, the proud who in their hearts refuse to obey My voice, for these Mercy is impossible.
That is why I ask My children to renounce all pride so that you can finally have the holy humility that makes you worthy of being helped by the Mercy of the Lord, by My Maternal Mercy.

Anyone who comes here, who is My Throne of Mercy, to ask Me for Mercy will reach it.
Keep praying My Rosary every day, expand your hearts to My Flame of Love by doing the reading and the daily spiritual meditation. That enriches your souls with holy thoughts and opens your intelligence to know the glory of God, His love, His will.

Keep publicizing My Apparitions in Fatima, so that more and more My children know the Messages I gave to My Little Shepherds so that the world may be saved.
My Fatima Message is for all humanity, it is the salvation of the world that is at stake: either the salvation or the eternal damnation of souls.
Therefore, spread My Fatima Message, make everyone obey My Fatima Message and then God will send Peace to the world.
Here, where I am going to finish what I started in Fatima, you must now truly live this Message. And say, give 'yes' to everything that I asked for My Plan of Love to be carried out and so many souls are saved for the glory of the Lord.

I bless you all with love from Fátima, from Caravaggio and from Jacareí."

Jacarei, April 30, 2017

(Holy Mary) : "Dear children, today I invite all of you to expand your hearts more towards My Flame of Love, praying the Rosary of My Little Shepherds that My little son Marcos composed and recorded for you, during all the days that still remain for the centenary of My Apparitions in Fatima.
So that, following their example, your hearts will expand more towards My Flame of love, which I want to communicate to your souls on the Centenary of My Apparitions as I did with My Little Shepherds exactly one hundred years ago.
Those who expand their hearts more I will give more of My Flame of Love. Those that dilate less, I will give less. May each of you expand your hearts more through more prayers, sacrifices, meditation, so that My Flame of Love finds space in your hearts.
In these times when apostasy is advancing relentlessly and more and more souls are losing not only their love for God, but even their own faith, here in this place, in My invincible fortress of prayer and love built by Me, with the help of My little son Marcos, of all the Rosaries, prayers he made for Me... From the movies, cenacles and meditations....
Yes, here I want to form true souls of pure fire for God, for Me and hungry for zeal for the salvation of souls. I want these souls to join Me and My little son Marcos, to truly be the last light that still remains on earth, the last flame that still burns and illuminates in the midst of so much darkness.
If My children truly do this, My Immaculate Heart will triumph from that place and will spread My Mystical light throughout the Earth.

May you watch and pray because the devil, your enemy, your enemy, goes around looking for someone to devour. Whoever weakens in prayer, in meditation, in vigilance, whoever gets cold and discouraged in sacrifice, whoever gets discouraged in the daily practice of expanding their hearts more to My Flame of Love, praying more and always doing something more for God and for Me , these the devil will devour.
That is why My children, watch and pray tirelessly so that you are not one of the number of those who will unfortunately be devoured by My enemy because they did not watch and did not pray.

Pray, pray and pray because this year a great punishment will fall on the world if men do not pray. If there is enough prayer and penance this can be cancelled.
Pray to console My Heart that suffers and bleeds because every hour that passes I see that another soul grows cold in love for Me and the Lord and moves away from Me, losing itself in the world.
Keep praying My Rosary every day, I want love, I seek love! Give Me love and then you will have given Me everything, You will give Me everything and you will be everything!
I bless you all with Love from Fátima, from Montichiari and from Jacareí."

Jacarei, May 06, 2017

(Holy Mary) : "Dear children, today I invite you all to pray more. Only by prayer can you feel the presence of God, can you understand his will, and can you have the strength to carry out his will.
Without fulfilling His will, without fulfilling God's will, no one will become holy, nor can he enter Heaven. Therefore, those who do not understand God's will cannot put it into practice and therefore make salvation impossible for themselves.
Pray, for to understand the will of God and to fulfill it, in this way, you will do the will of the Father and you will be holy.
Be careful not to commit unpardonable sins, for those who went to hell went because they committed these sins. Beware of sins against the Holy Spirit, pray that you do not fall into these sins and do not seal your own damnation.
Try every day to cultivate in yourselves a great, strong, deep love for God, for Me. Increase your faith every day by doing more spiritual reading, reading the lives of the Saints, reading My Messages, praying more.
Faith only grows if you also seek to increase it. Expand your hearts more towards My Flame of Love, with more prayers, with more works of love and with more sacrifices.

Spread more My Message of Fatima, it's been a hundred years since I appeared in the Cova da Iria to My Three Little Shepherds, but My Message is still unknown to 2/3 of humanity and 1/3 of the rest know very little and poorly about My Message .
Oh My children, it is necessary for you to spread My message of Fatima, only then will My great sword of pain that is stuck in My heart for the sins committed against My Message of Fatima be taken away.
Here, which is the continuation and conclusion of My Apparition in Fatima I am comforted because my little son Marcos, who made for Me the films of My Apparitions in Fatima, also the Rosary of My Little Shepherds, the Rosary Meditated with the Messages I gave in Fatima, take these swords of pain truly. Help him in this task, in this mission and the blessing of My Immaculate Heart will also fall upon you.
I bless you all with Love from Fátima, from Montichiari and from Jacareí.
Keep praying My Rosary every day."

(Saint Geraldo) : "My beloved brothers, I, Geraldo, am glad to come from Heaven today to bless you all with the Mother of God and with Saint Lucia.

Apologize Fatima, the Apparition of the Mother of God in Fatima is a great grace of the Lord for humanity. But it also became for the world and for many a terrible responsibility.
For, after the Apparition of Fatima, no one can apologize before God for not being a saint, for not converting, nor for not having been warned by the Lord to convert and walk the path of grace, of holiness.
After Fatima, no man can say that he was not warned by God about the path of conversion, which he must follow and the path of sin that he must leave.
Therefore, it is necessary to make amends to Fatima, because this Apparition, the Lord's greatest grace for humanity, was truly trampled under the ungrateful feet of men.

Make reparation to Fatima and make Fatima known to the whole world, because when sinners know these Apparitions of the Mother of God, then men will be converted, the world will have peace and finally God will reign in everyone's hearts.
Continue to pray My Rosary always, as I have great graces to give you.
Here, in this Apparition, which is the continuation and conclusion of Fatima, the secrets of the Mother of God will be fulfilled. Pray hard that you don't spoil Her plans and that you are able to truly obey and help Her with perfection.
I bless you all with Love from Materdomini, from Muro Lucano and from Jacareí."

(Santa Luzia) : "My beloved brothers, I, Luzia, come today to bless you and say: Continue praying the Holy Rosary.
The devil will do everything to prevent you from praying the Rosary, he will move relatives, friends and everything else to get in the way of praying the Rosary. Many times he will inspire in you the laziness to pray it and if you don't have a firm, strong, decisive spirit you can fall into his trap and stop praying the Rosary out of laziness.
Nothing is more important than the Rosary, so put it first in your lives. Pray him every day until he becomes your life, your strength, your joy.
Pray the Rosary, because this is the invincible weapon for those who want to be saints and for those who want to reach Heaven.
Save your souls, pray the Rosary every day!
I bless you all with Love from Syracuse, from Catania and from Jacareí."

Jacarei, May 07, 2017

(Holy Mary) : "Dear children, today I invite you all again to live and obey My Message of Fatima. Times are bad, atheism has spread all over the world. Immorality, violence, hatred, war and sin rule all nations. Satan feels that he is the sure winner of all souls and peoples and in the meantime, the souls of My children are lost every day in greater numbers falling into their clutches.
I am looking for souls all over the Earth, souls who forgot themselves, their will and offered themselves to Me as My apostles, as My servants, to help Me save souls, spreading My Messages, making the Cenacles of prayer everywhere, living a life of prayer, sacrifice and penance.

But I haven't found it!... All I find are selfish souls who only think about themselves and their wants, their amusements and pleasures. And while they are completely dominated by his will, paralyzed by his will, the world is lost and is headed for a new and great war.
Yea! There are no generous souls who want to offer themselves with Me like the Little Shepherds to beg mercy, to beg for the conversion of sinners, and with their generous prayers and sacrifices to stop Satan, stop evil and achieve for the world: grace, mercy and salvation.

That's why here in My invincible fortress of love and prayer, I came to look for souls who have this spirit and who want to sacrifice their lives, to offer their lives like My Little Shepherds of Fatima, like My little son Marcos to God to reach from Him: mercy, grace and salvation for the whole earth.
That's why I did, I made my little son Marcos produce so many Meditated Rosaries, so many Hours of Prayer, Trezens and Seventeens, to form here souls strong in love, generous in sacrifice, forgotten and dead completely to themselves, thirsty and hungry only of God's glory, of God's triumph on earth and of saving souls!

And that is why I have remained here for all these years to form these souls that the Almighty desires and to finally fulfill all that I started in Fatima and that must now be brought to its full conclusion and realization through My little son Marcos and souls. generous, courageous like him who, together with him, will say yes to the realization of the Lord's Plans, the Plans of My Heart.
May these souls arise and may they come to help me save this lost humanity, perverted and completely dominated by satan and the forces of evil. May the forgotten souls of their own will arise, dead to themselves, to the world, to their will and come and help Me with their prayers and the sacrifice of their lives to save many souls and carry out My great Plan of Love.
Yes, here will be My Mystical Garden of Love and here I will truly have souls that will be true mystical roses of prayer, sacrifice and penance. And that's why I always move My son Marcos to work, to produce Rosaries, Hours of Prayer... Also to work tirelessly on My Radio, on the TV he is making for Me, in Books and in Cenacles to form souls truly dead to the world and alive to God! Dead to themselves and alive only for My Son Jesus and for Me.

May these souls arise! And that is why here my little son Marcos works tirelessly, moved by Me, to form souls according to My Heart and My desire through work, word and, above all, his example.
Help, help this work of salvation of Mine, help My son Marcos to complete everything I started in Fatima. And then, your souls will be dear to God, dear to My Immaculate Heart and they will be flowers placed by Me to adorn the Throne of the Lord in Paradise.
Continue to pray My Rosary every day, spread My Fatima Message more widely. I wish that this month you will give 25 films of My Apparition in Fatima to 25 people, so that they know My Messages, convert and then I can finally crush the head of the infernal serpent, carry out the plans that I started in Fatima and take the souls and the whole world to the Triumph of My Immaculate Heart.

On the Centenary of My Apparitions in Fatima, what I want from all of you is the 'yes' and the total surrender of your hearts.
I bless you all with love from Fátima, from Montichiari and from Jacareí."

Jacareí, May 13, 2017 - Centenary of the Apparitions of Fatima

(Holy Mary) "Dear children, today, when you celebrate here the Centenary of My Apparitions in Fatima to My Three Little Shepherds chosen and chosen: Lucia, Francisco and Jacinta I come once again from Heaven to say: I am the victorious Queen of the world!
Finally, the holiness of My Little Shepherds Francisco and Jacinta, recognized not only by the Church, but by all humanity, is a Triumph of My Immaculate Heart. It is the sure sign for you My children, that I will always triumph over all My enemies and My obedient children faithful to Me like My Little Shepherds will always also triumph in the end.
My glory, the glory of My Immaculate Heart, of My Love, of My power, of My presence in Fatima has finally been seen and recognized today by all humanity. And this is the sign I give you that in the end I will triumph, because I am the Victorious Queen of the world and My faithful and obedient children with Me will also triumph.

I am the victorious Queen of the world and 100 years ago I descended in Fatima to call all My children to prayer, to the penance that will lead all humanity to victory. To the victory of My Immaculate Heart, freeing all peoples and nations from communism, socialism, atheism and from all the satanic forces that oppress My children and that prevent My children from having a full life in abundance, may My Son Jesus he came to bring and that only in him can My children find.
Yes, I descended in Fatima to give My children the infallible weapons of victory: the Rosary and the Sacrifice. With which they will be able to win all battles, convert all sinners, overcome and overcome all difficulties: personal, social, worldwide. And so, lead the whole world to true peace, to lasting peace, to the peace of God.
I am the Victorious Queen of the world and 100 years ago in Fatima I promised: 'FULLY MY IMMACULATE HEART WILL TRIUMPH!'
From you My children, I only want trust in My power, docility to My voice, obedience to My Messages, fidelity to the consecration to My Immaculate Heart.

If you do this, My Heart will soon triumph and I will finally be able to carry out My Secrets given in Fatima, My plans begun in Fatima and which I will bring to full realization here through My little son Marcos.
Today is a day of great joy for Heaven and for Earth, because the Triumph of My Little Shepherds Francisco and Jacinta is also My Triumph. And it is the sure sign of the triumph of all My children who love Me, who obey Me, who hear My voice and who faithfully follow the path of prayer, penance, holiness, contempt for themselves and the world for only to do the will of God that I reveal to you here in My Messages.

Yes, My Triumph will happen as surely as the Triumph of My Little Shepherds Francisco and Jacinta happened and those who are obedient and docile to Me, like them, will also triumph over the world, over hell and also over themselves.
Today, I bless with all My Immaculate Heart all My children present here and those who listen to Me. I give My Special Blessings to My children who are here, which they will be able to pass on to all those they meet. And I give plenary indulgence to My children who pray the Rosary every day, both those who are here and those who are listening to Me from afar.
And on all My beloved children I pour out the copious graces of My Immaculate Heart and of My Centenary that the Holy Trinity granted Me to pour out only today on those who were in Fatima and who are here.

Keep praying My Rosary every day, because through it My little children, I will save all of you.
I bless everyone with love and especially you My little son Marcos, My 4th Little Shepherd. Yes, thanks to you My Message of Fatima came out of oblivion, it was made known to millions of My children.
The lives, the examples, the prayers and sacrifices of My Little Shepherds are already known today by many of My children who already love them and who want to follow and imitate them on the same path of holiness along which I led them.
Thanks to you My children think, remember, live My Message of Fatima more. Thank you My dear Angel, on My Centenary of the Apparitions of Fatima, today, you are entitled to a particular, extraordinary, singular and very special blessing from My Immaculate Heart. For during all these years you have truly been My 4th Little Shepherd, arduous defender of My Apparition in Fatima, My faithful apostle of the Message of Fatima that has greatly consoled My Immaculate and Sorrowful Heart.
And also to you My beloved son Carlos Tadeu, who has also helped My little son Marcos to make Fatima better known and loved, My Message obeyed by all My children.
You who are truly also the hope of My Heart, which together with My little son Marcos is all My hope. A very special blessing from My Immaculate Heart also descends on you today on the occasion of My Centenary.
A copious blessing from the Holy Trinity descends on you today at the hands of My Little Shepherds as well.

To all and to those My most beloved children who have given their 'yes' here, their bodies and their lives, My slaves of love, I bless you all from Fátima, Bonate and Jacareí."

(Saint Francisco Marto) : "My beloved brothers, I, Francisco Marto, who today you can call Saint Francisco Marto, come with the Mother of God and with My sister Jacinta to say to you:
Obey the Mother of God with all your heart so that She gives you the flame of Her Love and that flame can enter your hearts completely scorching you as it did with Me, with My sister Jacinta and My cousin Lucia.
So that through you the Mother of God can also do wonders to show Her glory, Her power to the whole world, to convert sinners, to bring all souls to God.

Obey the Mother of God with all your heart, giving her the 'yes' every day, the same 'yes' that We gave her in the first Apparition today 100 years ago: 'Yes, we want, we want to offer ourselves bye."
Don't be afraid to offer yourself to God, because God is truth, God is love, God is peace, God is happiness. He leads His Saints along the strait, narrow path that leads to eternal life, while sinners walk the broad path that leads to destruction.
But, the Saints of God are never alone and this narrow, narrow and difficult path God is there comforting them with His Grace, Our Lady is there comforting Her children with Her Grace and will give them strength so that they do not get discouraged. And as the word of God says: 'They will fly like eagles, they will run and never get tired.'

Obey the Mother of God with all your heart, so that, day after day, her heart triumphs in you as the Little Shepherds triumphed in Us. And so, from triumph in Triumph, you too will reach Her Triumph, as today My Sister Jacinta and I arrived.
We have triumphed over all holiness, we have triumphed over all of Heaven and Earth, Our holiness has been recognized and the truth of Fatima has finally been confirmed and established.
Therefore, My beloved brothers, trust in the Mother of God and in the end you too will triumph from all trial and tribulation, from all sin and arrive like Us in glory to eternal life.
I bless you all, especially our beloved Marcos, who like us has the mission to convert this perverse and sin-dominated world and to take the requests and appeals of the Mother of God for him to convert.
We bless you, our dearest friend and favorite brother, and also to you, Our dearest Carlos Tadeu, who has, like Our dearest Marcos, the mission of making the Messages and appeals of Fatima known throughout the world.
We give you a very special blessing today and every day 13 My sister Jacinta and I will come to bless you and give you a message from time to time.

We bless you all with Love from Fátima, from Loca do Cabeço and from Jacareí."

(Santa Jacinta Marto) : "Beloved brother Carlos Tadeu, I also bless you today, with my brother Francisco. Every 13th I will come with Him to give you a special blessing and occasionally a Message.
Also, on the 20th of February of each year, Our Feast you will also receive a great special blessing.
And to all of you My brothers, I say: Love the Immaculate Heart of Mary with all your heart, with all your strength, because only this heart deserves all the affection, affection, obedience and love of your hearts.
To everyone I say: Pray the Rosary every day, it took Me to Heaven and it will take you all too.

I bless you all with Love from Fátima, from Loca do Cabeço and from Jacareí."

Jacarei, May 14, 2017

(Sacred Heart of Jesus) : “Beloved My children, I, Jesus, come today on the Centenary of the Apparitions of My Most Holy Mother to tell you: Great was the Love of My Sacred Heart for humanity, when a hundred years ago I sent My Blessed Mother in Fatima to save all humanity.
Great was the Love of My Sacred Heart on the 13th of May 1917, sending My Mother to Cova da Iria, through Our Little Shepherds to give the whole world the Message of Love, conversion, prayer, mercy and peace. .
Great was the Love of My Sacred Heart for humanity when My Mother left My presence in Heaven full of glory, power, majesty and love. And she descended to Cova da Iria to be able to give Our Little Shepherds and the whole world through them the great merciful opportunity of salvation that Our Hearts offered.

Yes, My Sacred Heart at that moment blessed all humanity, made new light shine in the world and opened it to humanity torn apart by wars, by the action of the devil, by its own sin. He opened the new road to salvation for humanity, the great opportunity for peace, for the conversion that leads everyone to salvation.
My Sacred Heart loved the world immensely when My Mother proposed to Our Little Shepherds that they offer themselves totally to Me, enduring all the sufferings that I wanted to send them to save sinners, to stop wars, to save humanity and to take all the humanity to the great victory of My Sacred Heart and the Heart of My Mother.
At that moment, in the 'yes' of those Little Shepherds, I opened for all humanity the luminous path of peace, of mercy, of salvation that destroys war, destroys sin, destroys Satan's darkness, destroys the mystery of iniquity.

And in the 'yes' of those three children My Sacred Heart was satisfied, My Sacred Heart rested, My Sacred Heart truly rejoiced. Because there I found a generous, profound, true 'yes' such as I rarely found on Earth. And then, truly could I with My Mother make My Merciful Plan of Love happen.
My Sacred Heart deeply loved humanity, when on that 13th of May and also in the following Apparitions of My Mother, month by month, I offered to all humanity the possibility of peace, conversion, salvation. Offering through My Mother the medicines to the world. The rosary, the Rosary, penance, the practice of sacrifice, mortification, conversion.
In Fatima, My Sacred Heart was truly glorified in those three children and offered the whole world mercy, forgiveness, My love as in a loving embrace of the Redeemer, of the Savior to every man.
That's why I wanted My Image, the image of My Sacred Heart to be right there in front of My Mother's Little Chapel of the Apparitions. To show the whole world that through My Mother in Fatima I opened My Sacred Heart full of Love to offer to men forgiveness, grace, mercy as in a great divine embrace of Love.
Yes, My children, Fatima is a Triumph of My Love and the Love of My Mother. That's why I want all of you to continue to live the Message of Fatima and make it known to the world.

Therefore, this month I want you to give 30 (thirty) films that Our beloved Marcos made of My Mother's Apparition in Fatima to 30 people. I want them all to know My Mother's Love, to know My Love and the Message of Love, of Peace, of Conversion that I have echoed in the Cova da Iria in all humanity.
The Centenary of My Mother's Apparitions in Fatima was a moment of joy, of joy for Me it is true. But it was also a moment of great sadness. Because I see that despite the passing of a hundred years, humanity continued to walk the path of sin, of wars, of perdition, despising My Mother's Message and My Message.
Our Love was trampled underfoot and that is why, although many were saved because of Fatima, many were lost because Fatima was despised by those who knew her and was not made known to those who did not know her.
That is why I want My children that you all truly carry My Mother's Message in Fatima, which is My Message of Love and Mercy. Which is the embrace of God offering salvation to all humanity, to the knowledge of all My children, so that they can convert and be saved.

I also want you this month to be able to give as a gift to 40 of My children the Meditated Rosary of the Little Shepherds nº 2 that Our little son Marcos made for everyone. So that, meditating, knowing the example of Our Little Shepherds, humanity can finally find its remedy, its conversion, its salvation and its peace.
I bless you all with Love now together with My Most Holy Mother and especially all My children who help Our most beloved son Marcos to make known, loved and propagated the Message of My Most Holy Mother in Fatima.
And I also bless you My beloved son Carlos Tadeu, you greatly consoled My Heart at the moment of My crowning with thorns. At that moment when the thorns pierced My head and My enemies spat at Me, beat Me with the reed... I could see you in the supernatural and mystical vision and your future fidelity, love for Me and My Mother consoled My A heart that was also pierced by the thorns of ingratitude, evil, human brutality.
Yes, My child, you consoled My Heart at that time. The pain that I felt mainly because of the pride of men and that I, therefore, spied and satisfied by accepting to be crowned by those most painful thorns.
That pain was alleviated by your humility, by your spirit of submission to My Mother, to Me. For your deep and total obedience, for your total surrender to Our Hearts, living every day in love, in obedience, in humble and industrious service for Me, for My Mother and for the salvation of souls.

Yes My child, your humility has consoled My Heart and relieved the pain of My crown of thorns that I endured to spy out all the sins of pride in the world.
Therefore rejoice your heart because you were the comforter of your God at the moment when he suffered that most bitter pain caused by all the sins of pride in the world.
Remain thus obeying My Mother and Me with this humility, this simplicity and candor of the children that you have in your heart.
And so, every day you will continue to close the wounds caused by so many other thorns with which sinners crown Me every day, despising My Love, preferring to live without Me, denying the salvation that I offer every day with the sin of pride.

To you My son, who consoled Me so much and consoled My Mother in My Passion, I now bless you with Love and all of you from Fatima, Montichiari and Jacareí."

(Holy Mary): "My beloved children, I am the Lady of the Rosary, I am the Woman dressed in the Sun crowned with Twelve Stars, who descended to the terrible Cova da Iria like an Army in Order of Battle.
Fatima is one of the seals of the Apocalypse, it is also one of the trumpets of the Apocalypse: 'And there appeared in Heaven a great sign, a Woman brighter than the Sun clothed with the Sun.'
Yes, Fatima is one of the seals of the Apocalypse that was opened on May 13, 1917. This tells you that you are at the end of time, that the Apocalypse is being fulfilled and that the return of My Son Jesus in glory is imminent. Lift up your hearts on high to see the Savior who comes full of power and glory to judge the whole earth.
In Cova da Iria, I invited My little Shepherds: Do you want to offer yourselves to God?
I make the same invitation to you now: Do you want to offer yourselves to God? To save many souls through prayer, sacrifice, penance?
You want to offer yourselves to God to live with love every day in the grace of God, in holiness, in the perfect fulfillment of His Commandments and His Law of Love.
Do you want to offer yourselves to God so that, like My Little Shepherds, you despise the world, its honors, its glories, your own will, its seductions, its worldly pleasures to live a life completely turned towards Heaven, towards God, to save souls, to give glory to God, comfort and glorify Him?

If you want this, then My children, I will truly be able to fulfill in all of you the will of the Most High and the merciful plans of salvation of the Heart of Jesus and My Heart.
The 'yes' of the cova da Iria must echo every day in your life as well. In this way, you will all be the continuation of the 'yes' of My Little Shepherds and of My own maternal 'yes'. And through that 'yes' that will console the Heart of the Father, of My Son, of the Holy Spirit, the door of salvation, the benevolence, the mercy of the Most High will be opened to so many souls that without this 'yes' of yours would have no chance of salvation.
The 'yes' of the Cova should echo in your life, in your life every day, especially when the Eternal Father asks you, each one of you: the sacrifice of your own will, the renunciation of your own wanting to do what you most desire. your pleasures to suffer for a little while the cross, humiliation, persecution.
To be able to save so many souls through this suffering and, above all, to repair the worst sin of this lost and misguided humanity: the sin of pride. With which humanity lifts its hands to Heaven and cries out: 'I will not serve the Lord!
Your 'yes', the 'yes' of Cova da Iria must echo every day in your lives, in your lives, especially when God allows you to suffer, an illness, a pain. And so, through this loving sacrifice offered in the silence and hiding of prayer, I can do My wonders, saving souls, peoples and nations.

And ever more, tearing down everything that My enemy with great pride raises and builds in humanity in order to be able to lead it to its own destruction.

The 'yes' of Cova da Iria must echo in your lives in your lives every day as it happened, as it was with My Little Shepherds who didn't just give Me a single 'yes' on May 13th, but repeated every day this 'yes'.
Then many souls will be saved, communism will be destroyed and crushed by Me all over the world. Wars will end and the world will have peace. And finally, My Immaculate Heart will triumph!
The victory of My Little Shepherds who had their holiness recognized at last, by the whole church and by humanity, is the triumph of 'yes', the triumph of love!
Therefore, My children also give your 'yes' to Me, your 'yes' to Me as they do. And one day also all humanity will praise, celebrate and rejoice for the victory of your 'yes' to Me, for the victory of Eternal Love.
Keep praying My Rosary every day, because through it I will always triumph in your lives and in the lives of all My children.
I bless all of you, all of you and especially you Marcos, My great Apostle of Fatima, My 4th Little Shepherd. And also to you My dearest Carlos Tadeu, you deeply consoled My Immaculate Heart when you divulged Fatima in the cenacles that you made in your city.

And today I solemnly say to you: Truly, you consoled the Heart of My Little Shepherds a lot when they were in prison. They saw you, I showed you to Them in an intellectual and inward vision and they also knew your future obedience, faithfulness, love to Me.
And that consoled them and also gave them the courage to suffer imprisonment and even martyrdom for Me, which by occult designs of Divine Mercy did not happen.
They saw you together with My beloved Mark and that comforted them. Therefore, my son, always imitate the kindness, humility, candor, obedience and simplicity of these children. Loving Me as They loved Me and one day you, you will also be great in the Kingdom of Heaven as they were made so small and that is why in Heaven they are so great.

I bless you all with love from Fátima, Bonate and Jacareí."

(Sister Lucia of Fatima) : "My beloved brothers, I, Lucia of the Immaculate Heart of Mary, am glad to come today once again to bless you all and say: Fight for the Immaculate! Be true apostles and soldiers of the Immaculate, announcing Her Messages everywhere.
Let the soldiers of the Immaculate be teaching everywhere that the time has come that the kingdom of God is at hand and that every tree that does not bear good fruit will be cut down and thrown into the fire. Therefore, may everyone convert and bear the delicious fruits of holiness and love for the greater glory of the Lord.
Be the true soldiers of the Immaculate, proclaiming everywhere that she is the mediator, advocate and co-redeemer of all humanity.
Because this Dogma of the Mother of God was not recognized or taught by the Church, souls do not know the Mother of God, they do not know what they owe

her for having suffered so much with Jesus Christ for the salvation of all humanity.
That is why She appeared to Me and My cousins in Fatima with Her Immaculate Heart crowned with thorns. To teach the world that she is the co-redeemer of humanity, that she offered her sufferings together with Jesus for the salvation of all.
When humanity knows the Dogma of Her Co-redemption, it will feel the need to know Her, to love Her, to respond to Her Maternal Love and for everyone to be Her true children.

And as Saint Louis de Montfort said, when all are true children of Mary, all will be true children of God. And when Mary reigns in all hearts, Jesus Christ will also reign in the hearts of all men.
Go and teach all the Dogmas of the Co-Demand, make everyone understand how much they owe this Mother for having suffered so much for the salvation of humanity. And teach everyone to love this Sorrowful and Immaculate Heart, making everyone understand that the greatest reparation that She wants besides that of the Five First Saturdays is the reparation of Love.
She wants a filial, deep, true, sincere, disinterested love, that all her children love her precisely for that reason: because she is the Co-Demand of humanity who suffered the greatest pain for all with Christ. And for that she deserves all the love, all the obedience, all the praise of all her children.

If you do that, you will be true soldiers of the Immaculate, of the beautiful Lady of Azinheira and then, Her Immaculate Heart will triumph and the task, the prophetic mission of Fatima will be fulfilled, culminating here with the Triumph of Her Immaculate Heart.
Keep praying the Holy Rosary every day. I became a saint through the Holy Rosary and through it you too will become saints like me and my cousins Francisco and Jacinta.
I bless you all with love and especially you Marcos and my beloved brother Carlos Tadeu, whom I also love very much and for whom I pray every day in Heaven.
And to all who like you Marcos, who have a Fatimist heart full of love for the Message of Fatima and are soldiers of the Lady brighter than the Sun.
I bless you all with Love from Fátima, from Coimbra, from Pontvedra, from Tui and from Jacareí."

(Holy Mary) : "As I promised before, wherever one of these Rosaries, Medals and Scapulars arrive there I will be alive carrying great and abundant graces from the Lord.
Here, I will finish what I started in Fatima. Here My Immaculate Heart will triumph and finally the world will recognize My Sorrowful and Immaculate Heart. And I will be venerated, loved, recognized as the Co-Demand, Mediator and Advocate of all humanity.
And then, the whole Universe will recognize and I will reign and My son will reign forever with Me.
I leave peace to all, good night."

(Sacred Heart of Jesus) **: “Beloved son Carlos Tadeu, you did not just clothe My Mother with the pure gold of love and joy. You also clothed Me** , so I clothe you now with the abundant graces of My Divine Heart.
Good night son, come home in peace.”

Jacarei, May 20, 2017

(Marcos) : “I'm glad you liked it, now I need to do the other two that you had sent me, this week I'll do it. Yes, yes I will.”

(Holy Mary) : “My dear children, today I invite you all to conversion.
Times are bad, souls are getting colder and colder, averse to God and prayer. More and more the number of souls that surrender to the life of pleasures and sin and get lost. And for that, My eyes and My Heart bleed.
The number of souls who want to help Me to save other souls, to save humanity with love and generosity, is getting smaller every day. Therefore, I ask you: Imitate My Little Shepherds of Fatima, offering yourselves to God with generosity towards your prayers, sacrifices, prayers and sufferings to help Me save souls, especially the most sinful ones.

I continue to believe that here, among you, I will find these generous souls. Expand your hearts each day by doing something more, one more sacrifice, one more work of love, more prayers, so that your hearts may receive My Flame of Love, so that you may generously respond 'yes' to the call of the Eternal Love that here sent me.
Keep praying My Rosary every day, through it I will save you.
I bless you all with love from Fatima, Caravaggio and Jacareí.
Give 10 CDs of the Third of Mercy nº 26 that My little son Marcos made for you to ten people. It is necessary that My children know those Messages, act quickly and do not rest, because Satan does not sleep in the service of leading souls to perdition.”

(Saint Geraldo) :“My beloved brothers, pray, pray a lot! Satan does not sleep in the work of leading souls to perdition, and meanwhile you sleep in the sleep of laziness and pleasure.
Pray, work for the salvation of souls, pray the Rosary every day, make the cenacles of prayer that the Mother of God has asked for everywhere.
Renounce vanities and the things of this world, the mundane things, because they will only serve to make your souls grow cold in the love of God, in the love of Our Lady, to the point that your souls will fall into some iniquity and will be condemned. forever.
Do not pay too much attention to worldly pleasures, nor to bodily vanities, for the body already has a certain destiny. Take care to save your soul, for it is precious and there is nothing more important on earth than saving your souls and reaching Heaven.
It's no use being beautiful, not having all the money and pleasures in the world if the soul is going to fall into the eternal fire where it will scream in pain eternally. Save your soul and use your body to sanctify your souls and make

them pleasing to God: by prayer, sacrifice, penance, and good works of love to God.

Give 5 movies of My Life to five young people. Yes, this film of My life that My son Marcos made for Me is powerful, powerful! Give it to five young people so that they know Me, love Me, imitate Me and follow Me on the path of prayer and holiness.
Keep praying My Rosary always, because through it I will give great thanks to you and your families. Pray it for the salvation of Brazil, which finds itself on the brink of a new and great danger.
I bless you all with love from Materdomini, from Muro Lucano and from Jacareí."

Jacarei, May 21, 2017

(Holy Mary) : Dear children, today, when you are celebrating here the Centenary of My Apparitions in Barral, in Portugal, I invite you all again to open your hearts to Me and I say to you:
I am the Lady of Peace, who appeared in Barral to My son Severino, to call the whole world to the prayer of the Rosary, which is so powerful to stop all wars, achieve peace for the world and obtain from God all His Mercy, all Your Blessings.
Pray the Rosary every day as I asked in Barral and then, truly, the violence will decrease until it ends. Men will once again love each other as true brothers, peace will return to reign on earth and the Angel of Peace will finally give to all nations the long-awaited concord and peace.
I am the Lady of Peace who descended to Barral to call all My children to conversion and penance, to abandon the sins and vices that were the cause of the First World War and that are also the cause of all evils throughout the world.
And again I repeat: If men leave vices, if they stop making sins, wars and all the evils of humanity will disappear, the world will know a new era of peace, love, progress, blessing and happiness like never before.
And then, finally, humanity will enjoy true and lasting peace: the peace of God!

I am the Lady of Peace who came down to Barral to tell My children that if they did not convert a new punishment would fall on the world: the second world war.
And even today I invite all of you My children: Convert. Change your life and all wars will cease. Above all, stop doing the sins that were the cause of the second world war with more than 100 million dead. The sins committed against Me, against My Immaculate Heart and disobedience to My Messages, especially those of Fatima and Barral.
Because men did not listen to what I said in these two Apparitions, God punished the world for its crimes with the horrors of the second world war.
He allowed that war to show humanity once and for all that it is a mortal sin to disobey My Messages. And every time they are disobeyed or despised God will allow humanity to pay, wash away with your blood the tears of blood that you make Me shed.
God will allow the world to wash away its sins in his blood.

Therefore, My children, if you do not want to wash away your sins in your blood: convert, change your life, obey My Messages. And announce everywhere that it is wrong to say that no one is obliged to believe in My Apparitions, that it is not a sin to disobey My Messages, because the second world war proves the opposite.
Convert, change your life and you will all finally have God's blessing and the world will enjoy a long and new period of peace.
I wish that this month you will give 10 Rosaries of Mercy nº 24 to My children. It is necessary for them to know the Messages and Prayers of this Chaplet of Mercy, so that My children truly convert as quickly as possible and, finally, the world may have peace.
In Barral, as in Fatima, I opened My Immaculate Heart full of maternal love for all My children. And there I truly poured My maternal love over all My children with an abundance of My graces as I had never done before in the history of humanity.
That is why it is necessary to make My Apparition in Barral known as much as Fátima. Help My son Marcos in this mission, those who help him in this mission and in this task will be blessed and rewarded by Me with eternal life.

Go and tell the whole world to spread, obey My Messages in Barral and go there in large numbers to pray and console My Immaculate Heart. Then, I will make My great immaculate and mystical light shine over all of Portugal, Brazil and the world that will take My blind children out of the darkness of sin and make them finally see: the light of grace, peace and salvation of My Son Jesus.
Keep praying My Rosary every day, through it I will always make you all expand your hearts more towards My Flame of Love. And then, finally, I will destroy My proud enemy through the hearts of the little ones who always more, without measure, let Me live, reign, act and work wonders in their hearts.

I bless everyone with love and especially you Marcos, the most obedient and hardworking of My children. And also to you My dearly beloved son Carlos Tadeu, who together with My little son Marcos is My consolation, the cause of My joy and all My hope.
Beloved son of My Heart, never be discouraged, keep moving forward, taking My Messages of Love and giving the whole world more and more My maternal love and the light of truth, which is in My Messages.
Keep going with My Miraculous Image and Pilgrim My son, bringing salvation to so many of My children. I'm so happy with you and everything you're doing for Me.
If it weren't for your 'yes', as My son Marcos says, My children from Ibitira and that region would not have any chance of salvation in these bad times, of the predominance of sin and Satan. Thanks to you, to your generosity, My maternal light can radiate from here to there and change, transform the lives of so many of My children.
Therefore, My son, today with My Heart filled with joy and jubilation of a Mother who is always more for you and for My son Marcos, loved, obeyed, glorified...

I bless you and all My beloved children here in Fátima, Barral and Jacareí."

Jacarei, May 28, 2017

(Holy Mary) : “Dear children, today, when you celebrate here the Feast of My Apparition in Caravaggio to My little daughter Gianetta Vacchi, I invite you all to be the living sources of My love and My peace for this world without peace.
The miraculous fountain that I caused to sprout in Caravaggio in the place of the Apparition to My daughter Gianetta is the image of Myself, of My Immaculate Heart which is the Fountain of Peace for the world.
I invite you to be the aqueducts that carry this water, that bring My Peace to all My children, being yourself other small sources of peace, that give more and more My peace to the world. To finally make souls thirsty for peace, truth and love be able to find through you this peace and the God Love who comes to save, heal and renew every creature.
Be My sources of peace, giving My Messages to the world.

Be My sources of peace by making the Cenacles and prayer groups that I have asked for everywhere.
Be My sources of peace, always bringing My Most Sacred Rosary Meditated from this place engraved by My little son Marcos to My children. Where I speak to My children in all the meditations of the mysteries revealing to them My love, My will and how much I want to save them, how much I suffer for the loss of each one of them and how much I desire to have them all together with Me.
So that, knowing My love and My immense desire to save them, My Immaculate Heart will finally be reciprocated and these My children open their hearts to Me, giving themselves completely to Me.
Here, where I continue what I started in Caravaggio and where I give My children more and more My graces through the Meditated Rosaries and Hours of Prayer that My little son Marcos made for Me and which are inexhaustible sources of grace, wisdom, love, of science, piety and holiness.

Here, where I always give My graces more through My miraculous sources. Here, where in these most blessed cenacles I always educate, form, correct, convert, elevate and sanctify My children... My Heart wants to work wonders like in Caravaggio. The only thing I want is the 'yes' from My children and I will do everything.
Give Me this 'yes' My children and then I will truly perform wonders in you, transforming you into powerful instruments that will carry My grace everywhere, performing conversions, wonders and prodigies as I did with My little daughter Gianetta Vacchi.
Be other Gianettas giving Me your 'yes', your heart, your body and your life, putting everything at My service and then, as through her, I will do wonders through you.
I want you to make My Apparition of Caravaggio known to the world, as this My Apparition here mainly in Brazil is virtually unknown and in other parts of the world as well.
That's why I want you to give 10 films of My Apparition by Caravaggio, those films that My little son Marcos made that contain My Message in its entirety without censorship, cuts or distortions. The story of My graces, of the wonders I performed in Caravaggio to help and save My children.

So that all My children may know My goodness, love Me and through My Immaculate Heart they will surely come to the knowledge of the God of Love, who sends Me on earth to donate Love, transmit Love and be Love to all through My Apparitions. my children.
Keep praying My Meditated Rosary every day, because through it I will always transform you and your families into other little Caravaggios where I will perform the greatest wonders of My grace and My love.
I bless you all with love from Caravaggio, from Montichiari and from Jacareí."

(Santa Rita) : "My dear brothers, I, Rita de Cascia, am glad to come today once again from Heaven with the Mother of God and Judas Tadeu.
Be the lovers of Jesus Crucified, accepting all the sufferings, illnesses, trials that He allows you. And offering everything in an act of expiation for the sins with which He is still offended today and with which sinners still today crucify Him again and to obtain for the world peace, grace and salvation.
Be lovers of Jesus Crucified, living a life of sacrifice of yourselves to the Father with Him, offering yourselves on the cross with Him to the Father, doing everything with Jesus and everything for Jesus, suffering everything for Jesus and renouncing everything for Jesus, crucifying yourselves at all times and your will for Christ to die and to live again, to live eternally.
Be lovers of Jesus Crucified living a life as Jesus lived: of poverty, of love, of self-giving, of obedience to the Father, of innocence and, above all, at every moment of immolation for the salvation of humanity.
In this way, you will be the true lovers of Jesus Crucified and you will finally live the vocation for which every man was created: to love Jesus, to be another living Christ on Earth who radiates love, holiness, grace, innocence, purity, goodness. So that they may live with Christ for the glory of the Father.

Call on Me always in your sufferings and tribulations and I will come immediately to help you. Transform your families into schools of saints, praying the Holy Rosary every day and doing what I did with My children, teaching them to love Jesus crucified, teaching them to live as Jesus lived in everything faithful to His Commandments and to the your Law of Love.
And if your children are like Mine, if they have already accepted in their hearts the evil seed of sin, of hatred, of rebellion against God and against everything that is good, do not be discouraged. Do as I do: bend your knees to the ground, pray a lot, cry a lot, do a lot of fasting for your children and you will obtain the grace of their conversion as I achieved the conversion of My children.
I will help you in this task so that you can achieve the conversion of your children and I say to you: There is nothing impossible for Jesus! I believed it, believe it too and one day you will see the souls of your children in Heaven.

I ask you to give 10 (ten) discs of My Meditated Rosary, which Our beloved Marcos made for ten people who don't know Me. So that they know My life, so that they know My Messages, My Love and through Me they can receive from the Lord the graces and strength necessary to carry their cross and also to obtain the virtues they lack to be saints, saints .
I, Rita de Cascia, love you all very much and I am the protector of this place, of this Sanctuary, I will never abandon you and I will always guard you.

I bless you all and especially you My most beloved Mark, whom I took under My protection many years ago. You fell in love with Me as soon as you got to know My life deeply and you never stopped loving Me.
I love you with all My Heart and I will never leave you and I also love your spiritual father Carlos Tadeu, chosen by Our Most Holy Queen to help you in the mission to save souls, to be a soul hunter and a true soul lover of Jesus Crucified .
Yes, he, together with you, will save many, many souls and will snatch many, many souls from the clutches of the infernal dragon. And I will help you in this great task so that you succeed and that everything you do is truly fruitful for the Lord and for the Mother of God.

Do not be afraid My beloved brother Carlos Tadeu, I will never abandon you, I will also be by your side along with Judas Tadeu and the other Saints and in all the cenacles you do I will be there blessing you and all those who are praying with you.
And every year on the 22nd of May I will give you a special grace, a special blessing, the fruit of my great protection, my merits and the great love I have for you. This grace will also be repeated on the 22nd of December of each anniversary year of My first appearance to My most beloved Mark and your spiritual son.
So, beloved brother, rejoice your heart because the Mother of God and the Lord love you very much and have favored you much more than there are millions and millions of men on earth, giving you the grace, privilege and honor of being the great chosen one. Theirs for this great mission: to help our beloved Marcos to complete the plans for the salvation of humanity, of the Mother of God, begun in La Salette, in Lourdes, in Fatima.
You will help him to finally complete these plans and make the Mother of God triumph on earth.
You have been chosen to be the father of the privileged soul through which the Mother of God will make her glory shine throughout the world.
Rejoice because this great honor and this great grace are the sign of the great love that the Lord and the Queen of Heaven and Earth have for you. The Immaculate Loves you and this for you is the greatest reward and treasure, this is enough for you and you lack nothing and will not lack.

I bless you and I bless everyone from Roccaporena de Cascia and Jacareí”

(Saint Judas Tadeu) : “Beloved brother Carlos Tadeu, I am glad to come again today to give you this Message: I love you with all My Heart! I love you, I protect you, I accompany you, I defend you.
Know, beloved brother, that when I was preaching in Persia it was not only Dara who persecuted Me, but also Yasmin along with her perfidious husband, a merchant who also together with Dara accused Me in the court that sentenced me to death.
You know, I had a lot to suffer because of these two women. But My martyrdom was joyful because the Mother of God revealed to Me that in the future all these sufferings would give Me many merits for which I would help you a lot and could achieve a lot from the Lord for you.

Oh yes beloved brother! I joyfully suffered My martyrdom and the knowledge of your existence in the future, of the love with which you would love the Lord and the Mother of God with all your strength consoled My heart and gave Me the courage to die for the love of Jesus.

Rejoice your heart because these merits can bring you great and plentiful graces! There are some material graces that are often not the will of the Father, but spiritual graces will all be granted to you, because these all the Lord wants to grant, because they are all healthy for your salvation.
It rejoices your heart for this, because great graces will be granted to you and to all those who understand you, help you, who love you and fight together with you to spread the words of the Mother of God to the whole world.
Don't be afraid of anything! In the month of June you must speak in all the cenacles of the Sacred Heart of Jesus and of His Apparition to Saint Margaret Mary.

This Apparition that is so unknown and despised by so many even today is a sword of pain in the Hearts of Jesus and Mary. Because humanity, ignoring this Divine Heart that loves men so much, does not cease to hurt Him with its sins, forgetfulness and ingratitude.
Therefore, dear brother, you must give souls 250 films of this Apparition that our beloved Mark made, so that souls may know, love and adore the Divine Heart of Jesus.
You must also give to all people in the month of June the Chaplet of Mercy nº 15. Yes, you must give 400 of these Rosaries engraved by Our most beloved Mark, so that souls may know as soon as possible those most profound Messages. And so, they can respond to the love of the Heart of Jesus and Our Most Holy Queen and thus, give them joy, contentment and love.
Know, my beloved brother, that even when I was preaching in the cities of pagan lands, I was often tired, often the burden was so heavy that I felt crushed and without strength to go forward.
But then, I remembered you and My heart was revived again and I went forward announcing the word of Jesus to all those who did not know Him. And when a pagan rejected My preaching I saw you praying, making the cenacles of the Mother of God and My heart rejoiced, seeing that all that was not useless.

Therefore, always keep in mind that you were the comforter of an Apostle of Jesus Christ and you will always be the comforter of the Heart of the Mother of God. So don't be discouraged, never go ahead without fear because I am and will always be with you.
Read more deeply the Book Imitation of Christ, especially chapters 30 to 35, there you will find great wealth for your soul.
Continue praying the prayer that Saint Bernadette taught you every day, by means of it every day you will be increased a degree of holiness on earth and a corresponding degree of glory in Heaven.
Then, at the end of your life, you will have merit enough to truly have not only a great degree of holiness in Heaven, but also a great degree of glory and accidental joy in the fruition of God.

Therefore, beloved brother: persevere, continue praying the Rosary and My Rosary every day, because through it I will grant you great and abundant graces.

Also read chapter 10 of the Second Volume of the Mystic City of God, so that you can truly understand the life of the Mother of God and learn from her the lessons that She wants to give you.
I love you so much and I'm always by your side to help you.
If you can't read chapter 10, read another one that you like, but never, never forget to read the life of the Mother of God, because she is the lamp that illuminates your eyes.

You must also give to all My brothers and sisters my Meditated 60 Rosaries for those who do not know Me, so that souls may turn to Me with confidence and receive the great graces of My Love.
I bless you now with all My Love from Jerusalem, from Nazareth and from Jacareí."

(Marcos): "Dear Heavenly Mother, you can touch these scapulars of Santa Rita, which we have prepared for your children to have Her protection. And can she also play these Rosaries for My Father Carlos Tadeu and for your children?"

Jacareí, June 04, 2017 - Feast of Pentecost

(Holy Mary): "Dear children, today you celebrate the Feast of Pentecost, the descent of the Holy Spirit on the Apostles gathered with me in prayer in the Upper Room.
I am the Mystical and Most Chaste Spouse of the Holy Spirit, I am the Mother of the Second Pentecost! And just as it was through My Prayer that the Holy Spirit came, descended to earth the first time, it will also be through a deep and intense maternal action of Mine that He will descend into the world the second time to purify it, renew it and sanctify it. bringing all things back to perfect worship and obedience to the Father.
Just as it was through My powerful intercession that the Holy Spirit descended the first time, it is also through My most powerful maternal intercession that He will descend again.
That's why I asked you to spread the Cenacles of Prayer made with Me and through Me everywhere, so that your voices, united with Mine, form a great and immense cry for the Holy Spirit to descend on the land dominated by Satan and sin to cleanse and renew it.
I want these cenacles and prayer groups to increase everywhere, so that my children truly pray more and more with Me for the descent of the Holy Spirit.
When He comes, He will burn everything and everyone with His divine fire, He will make everyone see the truth, the truth of God's existence. He will make everyone understand God's Commandments, His Word. He will make everyone see the state of his own soul.

And then, that inner fire will burn the good and the bad. The good ones to purify them and make them even more holy, the bad ones to punish them, convince them of their iniquity, and lead them to repentance and conversion.
Although, it is a direct action of God himself, it will truly be like a small judgment and there many will decide their eternal destiny. Because even though it is a direct action of God and even though many see the truth, they will not end up accepting the truth and the Lord and will harden their hearts even more. That is why the Great Punishment will come, because not everyone will convert and bow before the truth revealed by God himself.
Pray My children, so that you are not one of those unfortunate ones because it will be terrible to resist God and then be abandoned by Him in the midst of the most terrible punishments, above all, the fire that will fall from Heaven that I foretold in Akita , in Ezquioga, in La Codosera, Here and also in so many places.
Pray the Rosary every day so that I can prepare you more and more for the Second Pentecost. And, above all, to transform you into the great Apostles of the Holy Spirit and My Apostles who go everywhere igniting souls with the fire of love of the Holy Spirit so that the whole Earth opens to receive him and to finally be purified and renewed in the flames and light of His Love.
Pray My children, because the situation in the world is serious, the sword of Punishment hangs over humanity. If you don't pray, a new and worse war could soon start to happen. And also violence, terror will spread to every part of the earth, in many parts of the world there will be new and more intense calamities of nature.
It is necessary that you convert and change your life, above all, that you be strong in faith because you will see the denial of the truth, the great abomination installed in the holy temple of God. And then, all that is holy, all that is true, all that is right to be denied and to be installed in the house, in the temple of God, the great abomination of the spiritual desolation of faith.
Stand firm on the path of prayer, of love to which I have called you. And do not believe any new doctrine that is taught to you, contrary to what you know is the dogma of the Catholic faith, which is here I reminded you and taught you again.
Be faithful witnesses to My Son Jesus, for whoever perseveres to the end will be saved. Spread My Rosary everywhere, because it is the invincible and sure weapon of salvation for all.
Imitate the love of My son Domingos, My daughter Bernadette, My Little Shepherds of Fatima and My little son Marcos for My Rosary, loving him and praying My Rosary a lot, for whoever does so I promise salvation.
I want you to give 10 Meditated Rosaries 208 to My children, they need to know this Rosary and the Messages recorded in it by My little son Marcos. It is necessary that My children convert, that they understand and feel My Pain, My Mother's affliction when seeing the world get worse every day and every hour a child of Mine moves away from Me and gets lost. It is necessary for good souls to rise up to help Me and console Me, so give this Rosary to everyone.
And also give 10 films of My Apparition in La Codosera and Ezquioga for all My children to know My Sorrowful Messages. And, above all, make reparation, in addition to conversion, to these two Apparitions of Mine that until today remain despised, forgotten and disobeyed by humanity.

I also want you to give 10 Hours of the Holy Spirit #17 to My children. I want souls to be scorched by the love of the Holy Spirit and more and more souls to truly prepare themselves for the Second World Pentecost that is already at the door.
Lift your eyes up high because the Holy Spirit is closer than ever! And here in My invincible Fortress of prayer, faith and love that is this Sanctuary raised by Me and by My little son Marcos through so many Rosaries, hours of Prayers, Films and Cenacles that he made and still does for Me.

Here, the Holy Spirit has already begun His great and powerful action to lead the whole earth to the Triumph of My Immaculate Heart and to total renewal.
Open your hearts and stay here, which is My Second Upper Room, My Second Great Upper Room, where with you I pray, work and prepare more and more for the coming of the Holy Spirit to the world that is already near.
I bless everyone with love and especially you Marcos, you the most hardworking, dedicated and hardworking of My children. And also to you, my dearly beloved son Carlos Tadeu, who has also struggled, fought and worked so hard for Me.
With each passing day I love you more and I will multiply My signs to confirm that all the Messages I have sent you for your child are Mine, they are true. And to confirm his mission before all those who do not believe.
Those who help you will be blessed by Me, those who persecute you or despise you will be punished in eternity by My Son. And just like My son Marcos, everyone who helps you will be rewarded and whoever makes you suffer will be punished by My Son Jesus for all eternity and his name will be crossed out of the book of life.

Yes, so God loves those he chooses and does not allow the wicked to prevail over them.
I bless you with love and I say to you little son: Go ahead and never be discouraged, because I am always with you.
I bless you all with Love and in a special way these My children who have left everything to give themselves exclusively to Me with body and soul and whom I love and jealously guard in My Immaculate Heart and who are My Benjamins of love,
I bless you all from Fátima, Lourdes and Jacareí."

(Marcos) : "Dear Heavenly Mother, can you please touch these paintings and rosaries that we made for the protection of your children."

(Holy Mary) : "My children, the sign of My luminous figure that I gave you last week when you could see My figure reflected in the eyes of My son Marcos, is the sign of how true My Apparitions Here are.
My son Marcos did not lie to you and I am alive Here full of love to help you and take you to Heaven.
Give Me your 'yes' and I will take you, pray a lot and rejoice in My signs. Goodnight."

Jacarei, June 07, 2017

(Holy Mary) :“-I am the Queen and Messenger of Peace! Marcos, My dear angel, convey this message to My most beloved son Carlos Tadeu:

My Son, today I come once again to tell you that I am very happy with the cenacles you have made for Me. These cenacles have been the great consolation of My Immaculate Heart and My joy. Keep going forward and never look back. These cenacles are strong, but I want them to be even stronger. That's why I want you, at the beginning of the cenacle, right after the opening songs, to say a prayer with your heart to better dispose your hearts for prayer. Then you must speak to My children about the importance of My visit through My holy image in the residence where you are making My Upper Room that day, showing the miracle of the oil that I brought out of it. After that, you must show the sign of My figure in the eyes of My son Marcos Tadeu and speak of the grace and mission that I have given you to be his father and together with him to work to save My children and establish in hearts the kingdom of My Immaculate Heart . Afterwards, you will do the cenacle normally as you have been doing. After the prayer, film etc you will give your talk talking about My Messages, signs, the Messages I give you, the graces I have given you and when you think it is convenient you can also call someone who wants to witness the graces I have given to My children in the cenacles that you have made or if you find it convenient you can answer My children's doubts about My Apparitions. Finally, you will give the 'Blessing of Lourdes' that My daughter Bernadette has sent you to transmit and it will end as you decide best in your heart.

From next month you must also make the cenacles on Fridays when you will pray the Rosary of Mercy in the cenacle when then My son Jesus, I, Saint Faustina and Saint Gertrude will descend to bless and pour out graces on My children in the cenacle . The rest you will do as you have already done.
When the 7th falls on Friday you will do the cenacle in the square as usual.

My child, you are the great hope of My Immaculate Heart.
In you and in My son Marcos I put all My trust that you will help Me to save My children in Brazil and throughout the world. In you rests My good pleasure, My benevolence, My predilection, My preferred love.
Honor all of this more and more and move on with My son Marcos, doing what I told him to do, that is, going over everything and moving forward as fast as a train without stopping for anything or anyone. .

The more you give yourself to Me, the more I will give myself to you and make graces in you and through you.

I'm proud of you. The happiness you give me makes me forget millions of sins with which My ungrateful children make My son Jesus and Me suffer.

Today marks a year since My son Marcos asked me to give you his place in Heaven that I had given him in 1993. Rejoice your heart, My son, because today it's been a year since you have the Paradise that the saints and martyrs both desired and suffered to one day possess. Rejoice your heart too because I gave you a son who loves you with all his might with a true, deep and

immeasurable love and who was able to give you the most precious possession anyone can have: preservation from the fires of hell. , salvation, endless happiness, perpetual glory, and the eternal vision of God.

Rejoice your heart to have a child who is My comforting angel on Earth, My most obedient and devoted child, My incessant flame of love, My treasure, My hope, My imperturbable warrior, the child of prophecies through whom I will lead all My children to the triumph of My Heart by fulfilling all the prophecies of La Salette, Fatima, Quito and all My Apparitions until I get here.

If a queen were to give her favorite son to be the son of a subject of hers, it would be an immense honor for that subject. I have done this with you by giving you the child I love the most and who is most precious to My Heart to be your child as well. Rejoice your heart for this great honor that I have given you, because just as Jacob was honored and magnified by the dignity and worth of Joseph, so you also are and will be for the Lord before generations to come. Rejoice your heart because high life awaits you here on earth and also in Heaven.

Keep praying the Rosary and the other prayers that I asked you, because through them, I will make more graces for you and My children. I bless you from Lourdes, from Fátima and from Jacareí."

Jacarei, June 10, 2017

(Holy Mary) : "Dear children, today I invite you all once again to increase the Flame of Love for God and for Me in your hearts: praying more, making more sacrifices and working more in the Vineyard of the Lord to save souls, to give glory and joy to Him and also joy to My Immaculate Heart.
If you do not expand your hearts for more prayers, sacrifices and works, My Flame of Love cannot grow in you. This is why My Flame of Love does not enter the heart of the lazy person, because he never makes an effort to expand his heart to My Flame of Love for more prayers, sacrifices and work.

Only workers, only those who are truly hardworking and ardent in prayer, sacrifice and work can receive My Flame of Love. So expand your hearts if you want to receive My Flame more.
How I liked these meditations of My son Marcos in these wonderful Rosaries that he made for Me and for My Son. Because these meditations correct, educate and show, reveal to all the false obedient, who are the lazy, the parasites. And those who do not want to make an effort or work to be perfect and holy and help in the Lord's Vineyard, in the Lord's work of salvation, in the work of salvation of My Immaculate Heart here.
This is why I truly want you to make these wonderful Rosaries known to all My children, so that they all know them.

I want you to give 5 (five) new Thirds of Mercy to 5 My children, 5 thirds of My Flame of Love and also 5 Meditated Rosaries 340 for all My children.

Yes, you must give them along with 10 (ten) films of My Apparition in Lourdes #3 and 10 Meditated Rosaries #20.
It is urgently necessary for My children to know all these Rosaries, Rosaries and My Apparitions, because time will now truly go even faster. So that, at last, this entire world may be purified by the terrible fire that the Lord will send from above and so that it can enter the new time of grace, holiness and peace of My Immaculate Heart.
And as time will go faster, you must also work and act faster to save the souls of My children. Time will be shorter now! And that is why you must work without delay to save what can still be saved.
I want you all to read Chapter 7 of the Second Volume of the Mystical City of God and there you learn My Virtues and Imitate My way of holiness to please God.

Keep praying the Holy Rosary every day, because through it I will always give you the increase of My Flame of Love and the desire for holiness.
I bless you all with love from Fátima, from La Salette and from Jacareí."

(Marcos) : "Yes, Mommy, I will. There's only one problem, in the 2000s when I went back to doing the Cenacles on the 7th I was forced to give up because no one came and then I saw that it was useless to do these Cenacles.
It's not like in the 90's when the apostasy, although it already existed and was big, it wasn't as strong as it is now. I'm afraid if I call people to come on the 7th they won't come.
And there's another problem they won't be able to get off work all month to be here as you wish. And with regard to this problem I also do not know what to do.
I'll try one more time then.

See you soon."

Jacarei, June 11, 2017

(Holy Mary) : "Dear children, today when you are already celebrating here the Anniversary of My Apparitions in Medjugorje, I come once more to call all of you to the perfect conversion of heart, which is the conversion of love.
Convert to love, changing your lives completely, renouncing sin and always looking for more: to love, obey and serve God.
Convert yourselves into love, renouncing all paths of hatred, violence, rebellion against God, lack of love for the Lord and for your neighbour. Seeking ever more to open their hearts to love, to goodness, to innocence, which produces in their hearts the joy of virtue and the peace of a clean conscience, completely friendly and united with God.
Convert yourselves into love, praying My Rosary every day so that your hearts expand. And then, may I pour My Flame of Love into them to transform you into the great instruments and messengers of My Love for the entire world.
Convert yourselves into love, opening your hearts more and more to My flame of love, through meditation, spiritual reading, working in the work of the Lord, which are My Apparitions here. So that My Flame of Love may truly grow more and more in your hearts, until it transforms you into incessant flames of love as

were so many saints who loved Me, among them My Little Shepherds of Fatima, My Bernadette of Lourdes, Saint Teresa and also as is my little son Mark.

Then, truly through you, I will make the beauty of My motherly face to be seen by all My children and My luminous figure will finally be seen by all My children in your life and in your works, as I have made you see in the eyes and in the life of My little son Marcos.
Yes, the sign of My luminous figure in his eyes is the sign that I give to all humanity, that I truly appear here. And not only at the time of the Apparition, but also in the life, work and works of My little son Marcos, I reflect more and more My Luminous Maternal figure to dispel the darkness of error, evil and sin in this world and to show everyone My children the true path of salvation, grace and conversion that they must follow.

Convert yourselves in love, imitating the Medjugorian people, those My obedient and faithful children who from the beginning loved Me and carried a heavy cross for Me for the conversion and salvation of millions of souls.
Living in love like them, sacrificing yourself, giving yourself, suffering for Me, for God and for the salvation of souls, praying for the world and doing everything to convert and save humanity, you will be love as the Medjugorian people are love. And then truly My Immaculate Heart will triumph in you and through you throughout the entire world!
In this My Marian Year, I want to act in a new and extraordinary way to save My children. That's why I want you to give to thirty My children thirty films of My Apparitions in Quito, Ecuador, fifteen of each: Fifteen from Voices from Heaven sixteen and fifteen from Voices from Heaven seventeen.
It is necessary for My children to know the Messages I gave to My daughter Mother Mariana de Jesus Torres. Because times are bad, they are serious and the Messages I gave on that occasion are the powerful remedy for this generation of the 20th century, whose evils still continue to act culturally and lose souls.
So that My children can truly find in those Messages the truth and the way of salvation, which I in Quito through My little daughter Mother Mariana, gave to the world.

I also wish you to give twenty Meditated Rosaries (number) two hundred and eight and twenty Hours of My Spouse Saint Joseph (number) thirty-three to My children, so that all of them can truly know Our Messages, love Us and finally find the conversion path.
Why do I ask you to give and promote so many films that My little son Marcos made for Me, the Rosaries and the Hours of Prayer? Because there is no other hope for humanity! There is no other chance except through these Hours of Prayer and these Films that My very obedient, very hardworking and very dedicated son Marcos made for Me.
There is no other chance and there is no more powerful and more effective way to make the truth reach all My children, except through these Movies and Hours of Prayer that My little son Marcos made.
Therefore, I want you to make all of this known to all My children quickly, because now, as I said yesterday, time will run even faster because Our Lord

wants to purify the world soon with the fire of His Justice, and finally make come the new heavens and the new earth to take the place of this dark world full of sin and dominated by satan.
The Lord no longer bears the iniquity of human beings and that is why He will cleanse the world with the terrible fire on the day of His punishment, that fire that I announced in Akita, Japan.

And that is why My children, there is not much time left and it is necessary to save many of My children who still do not know Me and are far from Me, they can become good, pure, precious, holy and beautiful wheat in the eyes. of the Lord.
So go! Take to them all these treasures that here in My Apparitions I give them through My little son Mark, so that they may be saved and be able to be together with you and with Me on the day of My Triumph, so that then you will be happy with Me forever.
I thank you for everything you have done for Me, especially the Cenacles and the dissemination of My Messages. Do not be discouraged, because none of this will go unrewarded, My Son Jesus will reward you generously in Heaven, he will reward you abundantly.
Therefore, go ahead helping Me to save souls, because by saving the soul of your neighbor you will predestine yours to Heaven.
I bless everyone and especially you Marcos, the most obedient and dedicated of My children. For every soul that converts with these Medjugorje Films that you made to make Me known and loved, as many will be the crowns of glory that I will give you in Heaven.
As many souls will be saved by these films, as many will be the crowns of glory that I will give you in Heaven and the stars of light that I will put on the mantle of glory with which I will clothe you in Heaven.

Yes My child, many degrees of habitual holiness you have accumulated here on Earth through the conversions made by these films and many degrees of glory you have accumulated in Heaven for you because of these conversions. Keep going and never give up!
I also bless you My beloved son Carlos Tadeu, My apostle who, together with My little son Marcos, is My knight, knight of the Immaculate, My hunter of souls. Keep moving forward, taking more and more of My Messages to all My children.
You too, in this month, must give My children the thirty films of Quito and you must also give two hundred films of My Apparitions in Medjugorje, varied, so that My children know My Messages, obey Me, and in Bahia finally My Plan of love may spread and be fulfilled and may My Immaculate Heart triumph in those lands where My sheep perish because there are no good shepherds, because the shepherds have become evil, and when they do not leave souls at the mercy of the wolves, they offer them food poisoned with apostasy, communism, Protestantism, modernism and progressivism.

I want My child, that My children know Me and it will be through you once again that I will make My light shine in the darkness. And then My children will come out into the light, into the light of truth and they will be saved by the truth.

I want you to continue making My Cenacles. With each passing day I love you more and more and more my mantle is filled with your name written by Myself and each time I write your name on My Mantle you receive so many blessings and special graces from the Sacred Heart of Mine son Jesus and of My Immaculate Heart.
Go ahead My knight and My soul hunter! I will always be with you covering you with My Mantle of Love and Light and I will never leave you.
Here in My invincible Fortress of faith, love and prayer that is My Sanctuary, I always love you because your presence here makes My Heart and My little son Marcos happy and heals many wounds that men open in our hearts.
That's why, My child, I always want you here next to Me, from My Heart that is and will always be your refuge and your home.
Keep praying My Rosary every day!
I bless you all with Love from Medjugorje, from Montichiari and from Jacareí."

Jacareí, June 15, 2017 - Feast of Corpus Christ

(Holy Mary) : Dear children, today, the Feast of the Body and Blood of My Divine Son Jesus Christ, I come again to ask all of you to live a life of love for Jesus, giving Him your 'yes' your hearts and the freedom of each of you. So that Jesus can dispose of you for his Salvation Plans and thus carry out His divine plan of love in all of you.
Live a life of love for Jesus, giving Jesus your 'yes', your heart, your entire life so that He may fulfill His divine will in you. And so, His plan of salvation may be fulfilled in you, which includes not only your souls, but many souls that He wants to save through you.
Live a life of love for Jesus, renouncing all sin, doing His will, giving more and more your 'yes' to Him and in everything trying to please Him, obey Him and respond to Him.

Live a life of love for Jesus, preaching with the word and especially with the life the virtues, love for Jesus, obedience to Jesus. So that other souls can truly see in you the model, the example that they must imitate so that they too can give Jesus: the love, joy, satisfaction and satisfaction that He desires and that He expects from all of you.
Love Jesus, living every day more united to Him through love, through deep prayer, through intimacy with Him through deep prayer, through meditation on His Word. And, above all, for the perfect union of your will with His will.
Be the Angels of the Eucharist, praying the Rosary of the Eucharist whenever you can, especially on Thursdays at 7 pm as I asked you here in 1994. So that you can truly make amends to the Heart of My Son Jesus who is still very offended today. everywhere in the world in his sacrament of Love.

Above all, Jesus is very offended by souls consecrated to God, by priests and others who preach communism, socialism, progressivism, ecumenism in the church. Thus making the Masses sacrilegious and offensive to the Heart of My Son Jesus, because they sow in them the poison of hell and the darkness of error, seducing and leading countless souls along the path of spiritual death.
That's why I gave the Rosary of the Eucharist Here to My little son Marcos, back in 1993, because I knew that as the years went by, the Apostasy would

increase, intensify. And the masses would become true schools of communism, ecumenism, socialism and everything that kills the life of grace in My children, leading souls to error, sin and condemnation.
That's why I gave you the Rosary of the Eucharist, so that even in this time of great apostasy, keep the flame of love for the Eucharistic Jesus lit in you and in your families.
Pray the Rosary of the Eucharist always and give My children 10 Meditated Eucharistic Rosaries that My son Marcos made for you for 10 of My children.

I also want you to give 3 books of My Messages (nº 14, 17 and 18) for 3 of My children to know My calls of Love. Time runs out, time runs out fast and now it will go more than ever.
That's why you need to run and save My children who can still be saved!
I also want you to give to all My children My Messages as soon as possible, so multiply the cenacles of prayer everywhere, so that My children are saved and My Maternal grace truly reaches them all.
Also give 20 Voices from Heaven Films 15 for My children to know all that I have done in Medjugorje. Above all, conversions, healings and My Messages, because truly that My Apparition that now has been much persecuted will be denied and by many betrayed and abandoned.

That is why it is necessary to make Medjugorje known, to defend Medjugorje, because in doing so you will not only be defending My visionaries and those people of good will who answered Me so many years ago, 'yes and obeys Me with so much love. But you will be defending Me and you will be defending many, many souls that without Medjugorje will not be able to be saved.
Therefore My children, help Me and in Heaven My Son and I will reward you!
Also give 6 films of the Apparition of My Son Jesus to Saint Margaret Mary Alacoque for My children. Because this Apparition of My Son that happened so many centuries ago is still unknown by many and by others more despised. And because of that, the Heart of My Son Jesus still bleeds because His Messages are not known, they are not obeyed.
Forward My children! Do not be afraid I am with you and I will never leave you! I am your Celestial Commander and I am guiding you every day step by step day by day towards Heaven.

Love My Radio Messenger of Peace more, listen to it more and make it known more to My children because listening to it is not only listening to My son Marcos, but it is listening to Myself who I speak to you through him.
Keep praying My Rosary every day, through it I will always lead you to a greater and more burning love for the Sacred Heart of My Son Jesus.
Convert without delay, because soon the Earth will be shaken in many places, it will be the beginning of pain and then soon the first Angel will sound the trumpet.
I bless you all with Love from Fatima, from Kerizinen and from Jacareí."

(Holy Mary after the blessing of the Rosaries) : "Dear children, I want you to give Book nº 14, 17 and 18 to My children.

I really like those people who give the Books of My Messages for My children to read and convert. Do this so that My Immaculate Heart may soon triumph in the world, in souls and in families.
I bless you again, you, especially My dear son Marcos Tadeu and also you My most favorite son Carlos Tadeu. Thank you for the cenacles you have made for Me, they have consoled Me a lot and they have consoled the Sacred Heart of Jesus a lot.
Truly, no thorn is stuck in the Heart of Jesus or in My Heart while you are making My Cenacles. So continue to give My Son Jesus and Me this great relief, this great consolation.
My most beloved son, your heart rejoices for the great grace that I have given you of being the father of My son Marcos and having given you My son Marcos as your son, who is the son of the prophecies of My Immaculate Heart, through which I will finish all that that I started in La Salette, in Fátima until I arrived here.

Yes, My child, truly, you were loved by Me with a love of preference and united to My little son Marcos so that together in one heart, in one single flame of love, they lead not only this nation, but millions of many My children, from many nations to the Triumph of My Heart.
Forward! And rejoice your heart because the grace, the honor that I gave you I didn't give to anyone else in this world, be happy and stay on the path to which I put you.
Sunday My little daughter Bernadette will come to give you her monthly Message and so again you will be blessed. But I promise you that every year on Corpus Christi you will also receive a special grace from the Eucharistic Heart of Jesus and My Eucharistic Heart.
And so, again your soul will be filled with the blessings and graces of Our Hearts for more souls to be saved and even more glory to the Lord to give.
I bless you with love and everyone else too.

Good night, peace!”

Jacarei, June 17, 2017

(Holy Mary) : “Dear children, today I invite you all once again to expand your hearts more towards the Love of God, so that He may win and reign in you.
The Love of God cannot exist or win in the heart that does not pray, therefore, expand your hearts to the Love of God and My Flame of Love by praying more. And every day trying to do something more for God and for Me, so that their hearts expand and My Flame of Love grows in them.
Renounce all laziness! Laziness is one of the greatest enemies of the human being, because it prevents his advancement in spiritual perfection.
The lazy person doesn't just want to do nothing in the material part of his life, but also doesn't want to do anything for his soul, for his spiritual life. Therefore, he does not advance on the path of perfection, and soon his soul becomes the abode of vices and sins.
May your souls always be occupied either with prayer, with meditation, or with work for the Lord. So that in her always shine the light of faith, prayer, love and good works.

Convert without delay, because the time of mercy is running out! Many think that I am joking when I say this. I am warning My children, because when the time of mercy ends, it will be forever and there will be no turning back. Therefore, convert now, so that you can truly be in a state of grace when My Son comes to settle accounts with all men.

Pray My Rosary every day, because through the Rosary I will guide you more and more along the path of true love and holiness.
I want you to give 10 Meditated Rosaries #157 to My children. It is necessary that they know this Rosary, that they pray it and that they respond to My Messages engraved on it.
It is necessary that My children convert and the best way is through My Meditated Rosary. Go give it to My children before it is too late and before the time for conversion is over.
I want you to also give My children 5 Thirds of Mercy nº 27.
I want My children to pray the Rosary of Mercy every day! So that they can truly be saved by the mercy of the Heart of Jesus and finally respond to the calls of love from the Heart of My Son.

I bless you all with Love from Fátima, from Montichiari and from Jacareí."

Jacarei, June 18, 2017

(Holy Mary) : "Dear children, today, when you celebrate here the First Apparition of Garabandal, I come to tell you: I am the Lady of Carmo de Garabandal.
I came to Garabandal to ask for penance, conversion and a return to God. Convert and return to the God of Love for love's sake!
Return to the God of Love for love's sake, trying to love God every day with a pure heart, with prayers of love, with works of love, with sacrifices of love and dedicating your life to God with love.
Return to the God of Love for love's sake, renouncing worldly things, your will to do God's will and say every day like Saint Gerald: I want what God wants and I don't want what God doesn't want. And here God's will is done as He wants, when He wants and even when He wants.
Return to the God of Love for love's sake, trying to truly love God with all your strength, giving Him a pure love, without mixing interests and your "I" so that God can truly feel your love and so rejoice, be content, and be satisfied in you.
Return to the God of Love for love's sake, doing everything with love for God, seeking only to please Him and do His holy will. So, truly, you will return to God through love and then, living in love you will live in God and God will live in you, for love is God and He only seeks the souls that have love for Him to unite with them. and in them live and reign.
I want you to pray the Rosary every day and to work to make My Apparitions in Garabandal known to My children throughout the world. While My son Marcos does not make his film about My Apparition in Garabandal, which I await with great anxiety and joy. Because I know that it will be wonderful and that it will take many swords of pain from My Heart, I want you to divulge this one that he presented to you today.

He will take My Messages to My children, and also give them the CDs with the story of Garabandal that My son Marcos recorded and made for you. In these discs there is great light, there is great grace that will be able to save many of My children. Go and bring them this light!
Give this Garabandal film to 10 people and also the Garabandal records to 5 people each.
In this way, you will truly be doing something effective, effective and truly powerful to make My Message of Garabandal better known to all My children.
Keep praying My Rosary every day, because through it I will always make you return to the God of Love through love.
Convert quickly and work tirelessly to convert My children, because time is pressing and it ends quickly and soon everything I prophesied in Garabandal will happen. The Warning is very close, the Punishment will be terrible My children!
Many people would rather be burned alive, have their bodies burned alive than go through the warning. It will be terrible to see one's life with God's eyes in the scorching flames of the Holy Spirit's truth.

The gaze of God examining each one's soul and showing each one his sins will be so terrible that many will die of fear.
Yes, and near the Great Punishment men will walk yellow-faced through the streets, sad as if they were about to die. As if they were a sick person who already knows he is condemned to death, who has no cure and just patiently waits for death to arrive.
When they hear earthquakes in different parts, when they hear the roar of the sea, when they hear and see amazing things in Heaven, signs that the great Punishment is near and that the return of My Son is imminent, men will walk with yellow and emaciated faces. , beating their chests and crying in despair, banging their heads against the walls and cursing their godless life.

They will want to turn to God, but it is too late, they will not find anyone to guide, instruct and guide them, because in the time when I could guide them and I was here to guide them, they did not want to be led by Me. . They did not want to be guided and formed by Me. Then at that time God will abandon them to their darkness, to their despair and it will be terrible My children, terrible!
Many will even see the demons coming towards them to grab them, it will be horrible! They will scream, but there will be no one else to help them.
Do not be of the number of these wretched ones, convert without delay now, so that then you may truly be holy and perfect in the presence of God when he comes with His Holy Spirit to search and cleanse the whole earth.

Pray, pray My Rosary a lot, because whoever prays it will always desire the virtues, will always achieve them, will always have the strength to practice them. And by practicing the virtues he will have the purity and innocence necessary to escape all these Punishments.
Keep coming here so I can continue your conversion. Keep helping My little son Marcos in the works of My Sanctuary, because helping him is helping Myself and My Son Jesus who sent Me.

Keep helping My son Marcos to make My radio known and heard, because listening to it is listening to Myself and listening to the Lord who sent Me here to save all Our children.
I bless everyone with love and especially you Marcos, My apostle of Garabandal who has made My Messages known for so many years.
I bless My favorite children and also My most favorite son Carlos Tadeu, to whom I have given the great grace of being the father of the most obedient and dedicated Seer to Me, the son I love the most, the son of My prophecies, through whom all My Messages and Secrets will be fulfilled and My Heart will triumph!
To you My son Carlos Tadeu, to whom I gave the grace to be the father of the most beloved son of My Heart and to be united with him in this great work of salvation of humanity, I bless you with Love of Fatima, Garabandal and Jacareí."

(St. Bernadette) : "Beloved brother Carlos Tadeu, today, I, Bernadette, come once again to bless you and to tell you:
Beloved My brother I am with you at all times and I never leave you, I never abandon you. I take your hand and guide you further along the path of perfection every day.
Go forward my beloved brother and never look back at anything, go forward on the path that the Mother of God has shown you, continuing unabated together with your son Marcos, Our Benjamin from Heaven on the path of perfection and holiness.
I wish you, next July, to spread more the Rosary of Tears of Blood, so that more and more souls can know this rich treasure that are the Tears of the Mother of God. You must give them the Chaplet of Tears, you must teach more souls to pray, you must give the Meditated Chaplets of Tears, #22 to all people. You must distribute in the very cenacles you make.
So you should give 50 of these rosaries there and tell people to join their neighbors and pray, thus forming small prayer groups to be the basis and strong spiritual support of the big cenacles that you make.
Thus, the army of the Mother of God in your city will become stronger and stronger and the enemy will not be able to hinder the work of the Lady there, because the bases will be heavily garrisoned and protected.

I also hope that next month you will give to all My brothers the Film Lourdes 4, which our beloved Marcos made. So that everyone may know the wonders of the Mother of God in Lourdes and firmly believe that she is the mediator of all graces, that she is the health of the sick, the comforter of the afflicted and the Queen of Heaven and Earth who reigns over the Heart of Jesus as She said here, in Beauraing and elsewhere.
And that everything she desires and asks of Jesus, Jesus responds to her and denies her nothing.
In this way, souls will learn to love, respect and trust the Mother of God more and all kinds of Protestant poison will no longer be able to penetrate their hearts. Thus, a strong barrier against apostasy will be formed in souls and the enemy will not be able to make them fall into this fatal trap.
I also wish, beloved brother, that you read from time to time in the Cenacles an excerpt from the Book Imitation of Christ and Imitation of Mary, even if only for

5 minutes. So that souls can truly strengthen and grow more and more in the true imitation of the virtues of Christ, of His Most Holy Mother and thus become holy, perfect and pleasing in the eyes of the Father.
I, Bernadette, love you very much and I'm with you! I pray for you every day and every moment.

You cannot imagine my dear brother how many graces every day, how many blessings I pour out and reach for you. Yes, from the Sanctuary of Lourdes, from the Grotto of Massabielle where I am always spiritually present together with the Immaculate, also from My incorrupt body in Nevers, I send you great blessings every day. Therefore, you must not fear anything, I am always by your side and I will never leave you.
Sometimes God allows some thorns to hurt you, hurt your heart, but even from that He takes a greater good. Because in this way you will detach yourself more and more from the world and its creatures to finally unite yourself always and better to the Immaculate, who looked at you with a love much greater than that of billions of men and gave you, gave you much more abundant graces. than to many kingdoms and entire generations of the past.
Yes, she loved you with a love of preference, so she loves the one who preferred you, prefers the one who preferred you with a greater love. Prefer the one who preferred you and who chose you with so much love to be her most favorite son, her captain of her army on your Earth and through you to show her children her wonders, her love and her maternal grace.
Prefer the one who preferred you and who gave you the great grace of being the father of the most obedient, dedicated and loved seer of Her, who with Her life will finish all Her Plans started in Salette.

And finally, it will lead all souls to perfect love for Her Heart, which will enable Her Heart to finally radiate Her Mystic Flame of Love. And so, transform the whole world into His Kingdom of Love and finally make His Immaculate Heart and the Sacred Heart of Jesus triumph.
Prefer the one who preferred you, writing Her name on Her Immaculate Heart, on Her Mantle, on the Book of Life and giving you so many graces from Her Heart.
Prefer the one who preferred you and never hesitate to suffer everything for her, to do everything for her and lose everything for her. For those who lose something for her in this life, those who lose their life for Jesus and for her here, will gain it in eternal life.
Prefer the one who preferred you, always putting her first in your heart and in your life and living more and more in true and perfect love for her. Prefer the one who preferred you and every day raise to Her the anthem of true love, for truly She has preferred you there are millions of men and truly has given you the trust, affection, love, the predilection of Her Heart as she rarely made in human history.
Therefore, beloved brother, may your heart always be filled with joy and never let sadness dominate your heart, because truly, you have a great reward in Heaven waiting for you and your crowns of eternal life will be truly glorious and luminous.
Your parents send you hugs and tell Me that they are happy with you, they are proud of you and they want you to continue serving the Immaculate. For every

Cenacle you do, every work of love you do for Her increases their accidental joy here in Heaven and they pray without ceasing for you at the Throne of the Immaculate and the Throne of the Lord.
I am always with you, I want you to take My Image that our beloved Marcos, your son, sent to you from Lourdes in the cenacles that you make from time to time.

I want My brothers to know Me, love Me and imitate Me more. For by imitating My courageous obedience to Our Lady, they will always know how to prefer her to all things and they will never, never betray Her love as I myself have never done.
Therefore, beloved brother, I, who am a model of obedience and fidelity to the Mother of God, will form strong souls in your cenacles, who will be faithful to Our Most Holy Queen until the end. And then, truly your city will be, its cenacle will be an extension of the invincible fortress of love and prayer, of faith that is this sanctuary.
And you will one day be crowned together with your son as the knight of the Immaculate and as captain of the armies of the Woman clothed with the Sun.
Keep praying the Rosary every day, because through it I will always act and do wonders through you.
Pray My Rosary every day if you can or if you can't at least once a week. Because I desire My dear brother through him ever more to make you rise to great holiness.

I want you to read chapter 3 of the Third Volume of the Mystic City of God, there the Mother of God also has lights for you.
And that you also read Book nº 14 of the Messages from here in Jacareí, there you will also understand better who your son is and the father you should be for someone who has truly conquered the devil and has conquered the enemy in the lives of so many of his children. of the Mother of God.
I bless you with Love from Lourdes, from Nevers and from Jacareí.
One flame of love living in two bodies, that's what you should be loved brother Carlos Tadeu with his son Marcos. Live on love, be love!”

(Marcos): “Dear Heavenly Mother, would you be kind enough to touch these Rosaries and pictures that we made for your children?”

See you soon. See you soon, Mom.”

Jacarei, June 25, 2017

(Holy Mary) : “Dear children, today, when you celebrate here the 36 years of My Apparitions in Medjugorje, I come once more to say to you: I am the Queen of Peace, I am the Mother of God who came from Heaven to offer true peace to the world.
I do not give peace as the world gives it, I give peace as My Son Jesus commanded Me to give it: Peace which is the Rosary, which is prayer, which is

conversion, which is penance, which is the love of God, which is the life of union with God.
This is the peace that I came from Heaven to offer the world and as long as the world does not accept it, it will never have peace, nor joy, nor true happiness.

I am the Queen of Peace and I came to Medjugorje to call the whole world to conversion, to return to God. God who is the supreme source of all good, of all joy and peace.
Only in God will the world and human beings find true peace. And that is why in My Apparitions I always call My children to conversion, because as long as they continue to disobey God, as long as they continue to transgress God's Commandments and destroy the perfection with which God created all things, the world will never have peace, the world will never be happy.
The source of man's peace and happiness is God, so put God first in your lives and not the human being and not you. And then you will find true peace, true happiness and true joy and reason to live.
How many do not have the true reason to live or the true joy of living because they have reversed the order of things, putting the human being, putting themselves first and taking God out of the first place, in this way, no one can ever be happy.
Put God first again and all things in your life will come into harmony and then you will find true happiness and true joy.

I am the Queen of Peace and I came from Heaven to Medjugorje to reveal My Secrets of the end times. There in those secrets is the destiny of all humanity, there are the decisive events that will lead the whole world to the great upheaval that will make God finally triumph and reign over everything and everyone.
Yes, also here, where I carry out My great Plan of Love, continuing what I started in Lourdes, La Salette, Quito, Fatima, Medjugorje. Here I have also left My Secrets of the end times with My son Marcos, the one My Heart chose, preferred and loved more than anyone else and who has all My trust.
Yes, you don't know what these Secrets say, but you can be sure of one thing: God has ruled the world since he created it. I have ruled, ruled the world for two thousand years since I was crowned Queen of Heaven and Earth.
I'm alive! I'm still here! And soon I will show all those who mock God, who mock Me and who think they can do evil, spread sin, commit injustices and persecutions against My elect and go unpunished. I will show them that I am still here, that My Son is still here, and that soon we will act in power to free Our chosen ones from the hands of those who oppress and persecute them.

Yes, all the traitorous bishops, the traitorous Judas priests, the communists, all the heretics, all those who persecute My children and who do evil. All those who spread evil and sin on Earth will soon all be reached by the arm of My Son.
When that arm rises, no one can hold it! And woe to those who during all these years have ignored Our continual warnings and Our continual calls to prayer and penance.

That is why My children, if you do not want to, if you do not want to be one of those unfortunate ones, convert without delay, convert now so that you can truly be pure and holy when My Son comes to settle the accounts with all the workers of iniquity. .
Convert! Convert without delay! All of you who walk away from God and from prayer, put God first and pray, so that you may be looked upon with love and mercy by the Most High and may still have the chance of eternal salvation.
I am the Queen of Peace and I came to Medjugorje and I came to Jacareí also to call all My children to the victorious prayer of the Holy Rosary. Yes, this prayer by which I triumphed in Lepanto and I will triumph in all the Lepantos of your life today My children.
It was not in vain that the Feast of My Most Sacred Rosary was also called at the beginning of the Feast of Our Lady of Victory! Because truly through My Rosary I gave My children a splendid victory in the Battle of Lepanto.
And today, in this great Lepanto that is being fought between Me and the infernal dragon, between My soldiers and the soldiers of Satan, once again My great Victory will be given by My Most Holy Rosary.
And in every Lepanto of your lives, of your families, victory will always be for those who with love, faith and perseverance pray My Rosary every day.

Take My Messages seriously, obey My Messages, meditate every day for at least half an hour reading the life of a Saint or His meditations so that your soul will always be filled with the true love of God and My Flame of Love in these times of darkness and darkness and may your soul always have its lamp full of oil and in it the flame, the light of faith, is lit. Meditate on My Messages!
Give 20 Medjugorje films, the one that you saw today and that My little son Marcos made for you, the Film Voices from Heaven 13 for 20 My little children. It is necessary that My children know these Medjugorje Messages, know the existence of My secrets, know that everyone is in the end times and that soon the Punishments will happen and those who do not convert will perish along with all the sinners of the world.
Go and give My children this film that shows what true obedience My children must have to Me. And that rather than obeying the bad shepherds they must obey Me. So that they do not further irritate the righteous Wrath of the Eternal Father who will soon put an end to the lies of the bad bishops, the bad priests belonging to the sect and who are destroying the church inside and out as well. And then, finally, the world will see the truth and My Immaculate Heart will triumph and with Me all those who preferred the truth even at the cost of great persecutions and injustices will triumph.

Give this film to My children and also give the Hour of the Angels nº 12 so that all My children get to know the Angels more, love the Holy Angels more. And so, turn more to Them by listening to them, listening to the Messages that They have given with Me Here. And, above all, recommending themselves to His powerful protection every day, so that they can be defended from Satan's snares.
I also want you to give My Meditated Rosary No. 59 to 8 people so that My children can pray these Rosaries, meditate My Messages engraved on them. And so, always and more, can you open your hearts to My Flame of Love in these times of thunderous grace like never before in the history of

humanity. And that will soon end so that My Flame of Love can truly transform you and prepare you for the great Second Pentecost that is approaching.
In the Medjugorian people I am truly loved, obeyed and praised.
Imitate the example of the Medjugorian people: more prayer, more fasting, obedience to Me, and for nothing give up obedience to My Messages.
Renounce avarice, laziness, pride and arrogance, gluttony, lust, self-indulgence. Die to yourselves and His will, dedicate your life to God, Me and the salvation of souls.

I bless everyone now with love and especially you Marcos, My Medjugorian Apostle, My little Medjugorian Angel, who with all his heart defended the truth of My Apparitions in Medjugorje and made My Apparition there with its mighty fruits, signs, Messages and example of those My children were known and imitated by so many millions of souls throughout the world.
I bless you and I say to you: for every soul that is converted and saved by these films that you made of My Appearances and Messages in Medjugorje, so many will be the crowns of glory that I will give you in Heaven.
Go, go forward My Knight, My Medjugorian Knight, My Knight of Peace, knight of My Immaculate Heart, with the sword of truth, like a new Skanderbeg defeating My enemies and placing them on My footstool.
You keep announcing the truth more and more, you work more and more for Me, you go like a fast train, passing over everything and everyone and taking My Word always further, always more to My children, because through you, finally, the truth of all My Apparitions and My Immaculate Heart will finally triumph.
I also bless you My beloved son Carlos Tadeu, follow the example of your son loving, spreading, defending Medjugorje more and more.

I want you to choose 9 people in your Upper Room and give these 9 people also the same Medjugorje film that My little son Marcos made and will send to you.
I want the people of Ibitira to truly become a wise people, knowing My Messages in depth. I want to eradicate once and for all the ignorance of My people, the ignorance of My children through the work of My son Marcos. And you will help him and with him you will also be one day in Heaven blushing like My Knight brave, fearless, valiant and burning with love.
I bless you My son, I was very happy with the cenacle you made in My honor yesterday. I was truly moved and tears of emotion and joy came down from My eyes.
Thank you, because in the Cenacles that you make My soul rests, My heart exults with joy and I cry with joy as I have never cried with pain before in all My life.
I bless you all with Love from Medjugorje, from Zaro and from Jacareí."

(Marcos) : "Dear Mother of Heaven, I would very much like to know from you if the Apparition of the Lady in Portugal in Vilas Boas is a true Apparition, Maria Vilas went there with Mr. Julius and others pray, but we are not sure if that Apparition of the Lady truly happened.
Because there are already those who say it was just a legend, I believe it, I believe it, but I need confirmation from the Lady to be able with this

confirmation to crush all your enemies who want to deny this Apparition and want to oppose the truth.

Thank you very much, I will say! Yes, I will, as soon as the Lady allows I will.
I make. I do this week, I do. You can consider it done!
Yes, I wanted to do something more for you, something more, what can I do?
Yup. See you soon Mommy, see you soon my love."

Jacarei, July 01, 2017

(Holy Mary) : "-Dear children, today, with great love, I invite you all once again to expand your hearts to My Flame of Love.
Only by praying more and seeking to sacrifice more, to give more to God, their hearts will expand and then I will be able to deposit My Flame of Love in them more ardently and more abundantly.
Only with My Flame of Love will you be able to overcome lukewarmness which is a terrible and very dangerous evil for the soul.
The soul that neglects prayer, meditation, that neglects to cultivate love in its soul gradually cools down to the point of falling into indifference and from indifference to the hardening of the heart and to falling into sin the space of time is very short.
Therefore, beware of lukewarmness, which is very dangerous, because when the soul is lukewarm it is apathetic, it does nothing to improve, it does not fight to get out of the state it is in, to fervent and serve the Lord with greater love.
When the soul is lukewarm, it has no courage, it has no enthusiasm in the service of the Lord. He does everything grudgingly, lazily, discouraged, he is cold in prayer, he is slow, he is slow, he is lazy in the service of the Lord. He looks for every excuse not to have to pray and not to have to serve God.
She is always the last to arrive at prayer and always the first to leave it, she is always the first to sleep and the last to get up. She is the last to arrive at any job and the first to leave it, she always throws responsibilities and work on others so she can stay in her lukewarm and languor.

Lukewarmness is worse than being cold, because the soul that is cold can warm up, can be fervent again with a ray of the Lord's grace or with a superhuman effort of hers when she sees herself in such a state.
But not the lukewarm soul, the lukewarm soul believes itself to be fervent, it believes itself ardent in prayer, it believes itself to be zealous in the service of the Lord when in fact everything it does is without love, without enthusiasm and without zeal for God. That's why Satan hardens your heart more and more, darkens your mind more and more, dulls your spirit until it becomes completely dull and incompetent for prayer and for the service of God. Up to the point where the soul finally belittles the grace it has received, it is abandoned by divine grace and is left at the mercy of itself by falling into sin.

It is necessary to fight against lukewarmness with all one's strength, if the soul wants to get out of it, recover its fervor and save itself. Therefore, My children, pray a lot so that you do not fall into that sad state that has already led so many chosen souls to eternal damnation.

Pray My Rosary with your heart, pray with your heart every day opening your hearts more and more to My flame of love. Meditate and, above all, cultivate within yourselves the unitive life of true love for God and for Me, which is the only way for your souls to remain always burning in the love of God.
Keep praying My Rosary every day and come here every Saturday and Sunday. Those who come only on Saturdays are wrong and those who come only on Sundays are wrong. I asked for Saturdays and Sundays, Saturdays for Me and Sunday for the Eternal Father.
On Saturdays you will comfort Me in a special way and on Sundays you will love, praise and comfort the Father who is so forgotten and despised by his children.

The Eternal Father will ask all those who could be here on Saturdays and Sundays to be accounted for and were not. Be zealous with these Cenacles which are the last grace that we give to all humanity.
Take the new Thirds of Mercy that My son Marcos made for you and give 10 of each to 10 people, so that My children know these wonderful Thirds of Mercy, meditate on these Messages and thus reach the grace of My Son Jesus, the grace of Conversion.
Convert quickly My children, because soon you will be surprised by the justice of God.
I bless you all with love from Montichiari, from Banneux and from Jacareí."

Jacarei, July 2, 2017

(St. Celsus) : "-My beloved brothers, I, Celsus, servant of the Lord and of the Mother of God, am glad to come with her today!
I love you, I love you very much, I protect you, I am also a defender of this place, of our beloved Marcos Tadeu, of his spiritual father Carlos Tadeu and of all those who spread and obey the Messages of the Mother of God.
I love you and I come from Heaven to tell you: Love, love more the Sacred Heart of Mary, giving Him your love, your obedience, the perfect correspondence to everything She asks of you in her Messages here.
Love the Sacred Heart of Mary more, doing everything to give this heart joy, satisfaction, contentment, trying to dedicate yourself more and more to her service with love.
Love the Sacred Heart of Mary more, renouncing your lukewarmness, which hurts the Heart of Mary so much, because lukewarmness is a form of contempt for the love of God.
The soul is loved by God, it is loved by the Mother of God, it is filled with graces by Them, it is filled even with spiritual pampering, it is filled with blessings and treasures. And the soul responds only with coldness, with indifference, with lukewarmness, doing everything without love, without enthusiasm, without zeal, without ardor for God.
This contempt hurts both the Sacred Heart of Jesus and the Sacred Heart of Mary. Therefore, renounce lukewarmness, which is a very serious offense to the love of God.
Fight against lukewarmness by praying more, doing something more for the Lord and the Mother of God every day, thus expanding your heart more, so that it burns more in flames of love for Jesus and Mary. In this way, you will

truly preserve your heart from the lukewarmness, which if it is not immediately fought at the beginning, it becomes like a cancer and when the soul tries to extirpate this cancer from itself it will already be too late.
The lukewarmness will have already led the soul to fall into some mortal sin and then it will be too late.
Lukewarmness leads to obstinacy and this leads to final impenitence. Therefore, be careful, fight against lukewarmness and make new efforts every day to burn yourself more in the love of God and Our Most Holy Queen.
Love the Sacred Heart of Mary more, doing everything to respond to the highest grace and mission that She came here to give you and reveal to you.
Yes, the grace of being here is truly the greatest of all after the Word became flesh, never has the Mother of God poured out so many graces as Here. And how can you be so cold, so indifferent and remain in so much spiritual poverty even though you are here in the greatest source of humanity's graces?

Ah, beloved brethren, this cannot be! Therefore, banish from your heart lukewarmness, laxity, indifference, laziness, pride and arrogance and all those defects that prevent you from living this grace, responding to this grace and bearing the fruits of this great grace.
Love the Sacred Heart of Mary more, accepting the mission that She gives you here: to fight with Her to save many souls and establish Her Kingdom in the world. And so, then, will Christ also reign in all hearts.

If you do this, truly the Sacred Heart of Mary will triumph and then her love united with your love will renew the entire face of the Earth, transforming it into a great mystical furnace of love for the Lord.
Renounce all distraction in prayer, renounce all pride, all pride, recognize your faults, humble yourself before God and then He will forgive you.
Read an excerpt from the life of a Saint every day. The sun does not set until you have prayed the Rosary and read the chapter in the life of a Saint.

Because if you don't do this in a short time the light of faith and grace will begin to fade and disappear in you. And then the darkness of apostasy and all kinds of evil will enter into your souls.
Try every day to cultivate and increase the true love for the Sacred Heart of Mary in you, doing the exercise of renouncing your will and doing Hers, dying to yourself so that you live, fight and love only Her.
Then, in this way, the flame of true love for her will grow in you and also for the Lord. Convert quickly, because time is now truly running to its last marks. There is no more time to waste, you must work tirelessly now that you are in the last half hour of the great day before the Lord's return.
It is necessary that you convert quickly and that you help your brothers to do the same. Propagate the Messages of the Mother of God everywhere by making the Cenacles and Prayer Groups that She asked for and give to all Meditated Rosaries, Prayer Hours and Films in this place.
I wish you to give to all, to all our brothers and sisters these words of the Mother of God. That's why I want you to give 9 people this Film of La Codosera and Ezquioga (Voices from Heaven nº 22) that our beloved Marcos gave you

here, made for you here. That the Mother of Heaven asked you so many times, but that you did not obey so many times.

I wish that you also give to 9 people the Film Voices from Heaven 7 . People need to know more about Pontmain and live the Message that the Mother of God gave there: more prayer to touch the heart of Jesus, so that punishments and wars will cease and the world can experience a new time of peace.
I also want you to give Meditated Rosary 229 and 299 , 9 (nine) of each to 8 people. So that our brothers pray these Rosaries, know and meditate on the Messages contained in them and thus speed up their conversion.

You must also give the Hour of the Saints nº 18 so that all Our brothers truly know these Hours, pray them and in this way can truly give to the Lord and to the Mother of God the fruits of the Messages contained in this Hour of the Saints that I asked you.
In this way, you will be the true apostles of the Mother of God and you will truly love the Sacred Heart of Mary, with a lively, intense, active, industrious, hardworking, industrious love. And so, truly many souls will be converted and the Sacred Heart of Mary will triumph throughout the world.
Pray the Rosary every day, because with it you will be great saints like me in Heaven and then I will embrace you there and I will place on your heads a beautiful crown of imperishable glory formed by all the Rosaries and Hail Marys that you have prayed on Earth.
Yes, pray the Rosary, because as our beloved Mark said very well: Whoever does not pray the Rosary is thrown into hell without the help of demons.
Pray, pray a lot!

I, Celso, now bless you with the Mother of God of Montichiari, Lourdes and Jacareí."

Jacarei, July 07, 2017

(Mark) : "Yes. Yup. I will, I will.
I will do my mommy, I will. Glad you liked them!
Can I do more by recording the Messages you gave to my Father Carlos Tadeu on them?
Yes thanks.
I wanted to ask you about São Celso who came last Sunday. The one that came last Sunday is different from the one I saw again. The one I saw again was younger and smaller and this one was a little older and looked like he was around 23 or 24 years old.
Is it the same or was it different?
Oh! So then the Lady said that it was a surprise and that he had wanted to come for a long time, that he was my new friend!
And why has no one ever said anything about him?
Oh yes, I understand. Yes I am very happy! Thanks."

(Sacred Heart) : "Beloved children and My brothers, I, Jesus, the Sacred Heart, am glad to come today on the 7th Monthly Anniversary of the Apparitions of My Mother and My Sacred Heart Here, to bless you today and to

tell you You: Great is the love of My Eternal Father for you, for He has chosen you to be here in this sacred place which We have chosen to be the throne and source of Our graces for you.
Great is the love of My Eternal Father for you, for He gave you life, gave you existence, called you into existence and thus made you members of His great family through baptism. He took you out of nothing and brought you into being, that you might know Him, love Him, know and love Me, know and love My Spirit, so that you might be partakers of Our eternal happiness and glory in Heaven.
Great is the love of My Eternal Father for you, because even when human beings betrayed Our Love, sinned against Us, My Father sent Me to give My life for you on the cross, redeem you, save you and open to you are the gates of Heaven.
Great is the love of My Eternal Father for you, because even after I had returned to His bosom in Heaven, He together with Me sent you Our Holy Spirit, so that He would comfort you, strengthen you, encourage you, enlighten you. and sanctify. And so, may it always be your strength, your life and your light.

Great is the love of My Eternal Father for you, because He sent My Most Holy Mother here to reveal His love to you, to take you away from the path of sin, death, or else ignorance of Him and His love. And here we form you, nourish you, teach you and make you true children of Him, true brothers of Mine, true heirs of Heaven.
Yes, great is the love of the Father and great is the love of My Sacred Heart for you My children and My brothers. Oh, how much I love you! I do not look, I do not look at the immense wounds that you have already caused Me with your sins, but I look only at the desire to love Me, to be faithful to Me and to truly respond to My Grace.
For a single act of true love for Me, I forget years and years of offenses, ingratitude and sins. And I am even willing to do crazy things for the soul that turns to Me with love.
I want you to understand that I am Love and all I want from you is love. Give Me love, to make My Heart thirsty for love.

I want a pure love, I want a love without any mixture of human interests or desires, I want a docile, malleable and obedient love that allows itself to be led, that allows itself to be completely transformed by Me. That is, I want a soul completely surrendered to My love.
Do not be afraid to experience My Love, because all the Saints who have experienced it have been happy, happy forever with Me and My Mother in Heaven! Experience My Love, experience My Mother's Love and you will see how I will truly transform your life into a Heaven already Here on Earth. I do not say that you will not have sufferings, because not even I and My Mother were spared from it.
But you will have Our grace, which will comfort you, strengthen you and give you strength and light to go forward. Yes, I will be with you, give me love, give me souls, give me hearts, give me your life. And let Me truly imprint on it the sign of My Grace and My Love, working wonders in you for the salvation of many souls, including yours, your soul and the souls of your families.

Then, truly My Heart will do wonders here in Brazil and in the world and will finally triumph with My Most Holy Mother.

Beloved son Carlos Tadeu, My Sacred Heart rejoices to see you here today with Me and My Mother. You cannot imagine the joy you give to My Heart and My Mother's Heart by coming Here and being Here.
Yes, today in this Upper Room we weep for joy and forgive a multitude of sins because of your love. Love erases, covers up a multitude of sins. Your love erases countless sins with which sinners offend Us and then you obtain forgiveness and mercy for many, many souls on Earth.
Beloved My child, I love you so much and I will never deny you anything! I will grant everything you ask of Me for My bitter Passion.
You, you saw your mother's suffering when she was very sick and close to death. Your heart suffered bitterly, for seeing her suffering so much and not being able to cure her, how to free her from that great suffering.
You know, therefore, how much a son suffers who sees his mother suffer and can do nothing. You can then understand how much I suffered nailed to the Cross, seeing My Mother there before Me, suffering so much and I could not do anything to free her from her pains and sufferings. On the contrary, the greater My sufferings, the greater were Her Pains seeing Me suffer.
This great suffering was offered out of love for the Father for the salvation of all men, of all humanity. You can understand then how much I suffered at that time.

That is why My son, I will deny you nothing when you ask Me for the merits of that Pain of Mine on the cross when you see My Mother suffering without Me being able to do anything to console and relieve her. Whatever you ask of Me for this Pain of Mine that is the will of the Father, I will grant it to you.
Yes My son, at that moment when I was ravaged by the most bitter Pains in body and soul you were the drop of consolation of My bitter Heart. Because I saw you in these present times loving My Mother, consoling My Mother and then My Heart could die in peace, being sure that all My sufferings and My Sorrows in the future would raise up a true apostle and son of My Mother.
Therefore, for the pain I suffered at that time and at the same time for the consolation you gave Me everything, I will grant you to ask Me for this My Pain on the Cross.
this for the immense love I have for you, for the immense affection I have for you. And to do true wonders and thus confirm the mission that My Mother has given you to confirm that Her word given to you here is right, sacred and holy and must be respected if you do not want to face My Punishments.

And so, everyone will truly see that it was She who sent you to speak to the nations together with My little son Marcos and prepare the world for My Second Coming and the Triumph of My Mother.
Yes, I will do these graces to confirm everything you say in all the Messages of My Mother and Mine that you divulge. And also to confirm that We want you together with Our little son Mark, preparing souls and the world to receive Me in glory and thus establish in the world the Kingdom of Our United Sacred Hearts.

Yes, My son, go ahead and don't be afraid of anything, don't be afraid of anything, because in the end Our Hearts will triumph through you, through Our little son Marcos Tadeu.
Thank you for the comfort you have given to My suffering Heart and the Heart of My Mother, upon you now descends the abundance of My divine blessings and also upon all of you My children, continue to pray the Chaplet of Mercy Meditated every day.
I wish you to give 10 Our children 10 Thirds of Mercy nº 51, 10 Thirds of Mercy nº 52, 10 Thirds of Mercy nº 53,10 Thirds of Mercy nº 54.
It is necessary that Our children know these meditations and Messages as soon as possible to answer 'yes' to Our call of love.
To you My beloved son Carlos Tadeu and to all of you My children I now bless you from Paray le Monial, from Dozule de Jacareí."

(Holy Mary) : "Dear children, today, when you celebrate here yet another monthly Anniversary of My Apparitions, I come once more to say to you: I am the Queen and Messenger of Peace! I am the Mother of God, I am the Queen of the Most Holy Rosary.
To everyone who prays My Rosary I will grant the grace of perseverance in the love of God, in virtues and good works and eternal salvation.
The soul that prays My Rosary is certainly saved, the soul that despises My Rosary is thrown into hell without the help of demons. A single Rosary prayed well with love erases many years of sins, because it obtains from God the grace of contrition to those who pray it and contrition leads the soul to ask for forgiveness, forgiveness leads to conversion and conversion leads to salvation.
Yes, when you pray the Rosary My children, a shower of mercy falls from Heaven over the whole world, filling and flooding it with the waters of God's grace. Many sinners are touched, converted, repent, ask God for forgiveness, seek reconciliation and return to the Father's arms.

And you who pray My Rosary for the conversion of sinners by converting the souls of your brothers, predestine your own souls to Paradise.
Keep praying My Rosary every day and don't be afraid of anything, because in the end My Heart will triumph and you will know an era of happiness and lasting peace on the entire Earth.
You are in the last half hour of God's day. No more time to waste! They can no longer be paralyzed where they are.
You must work harder now to save the souls of your brothers and sisters who can still be saved, and in this way you will fill your hands and hearts with fruits, with merits in order to enter Heaven.
Therefore, work My children, because Satan does not rest for a single minute, he persecutes souls, provokes temptations in souls so that they deny the love of God, disobey Him, despise Him and thus try to enjoy the pleasures of the world that are mortal to the souls that seek them.
Pray, pray a lot, because only through prayer will you always be able to remain firm and faithful to God's grace.
Do not be afraid, because I will always be with you and everyone who watches and prays can be sure of the protection and friendship of the Mother of Jesus who is Me.

Convert without delay, the Warning is very close and so is the Punishment.
Ah, My children, how the men who have despised My Messages will be truly distressed when they hear the sound of the trumpets announcing that the Lord will finally manifest His Justice and then His Glory.
Yea, when they hear those trumpets, when they hear the noise of the wind, the roar of the sea, and the roar of the earth in continual convulsions, men will fall like dead flies to the ground, their faces will be yellow and often pale when they see the great and dreadful come. Lord's day.
And on the other hand, how bright and radiant with joy will be the faces of all My children who have obeyed My Messages.
When they hear the foreshadowing signs of the coming of the Lord and the Triumph of your Heavenly Mother, they will truly exult, sing for joy and feel an enormous, great inner joy.
They will not be afraid because at that moment they will be visibly assisted by the Angels and they will not be afraid of anything because nothing will affect them.

Oh, as at that moment, those who obeyed Me, who prayed My Rosary, will rejoice and truly shine with the beautiful light that I will emanate from My Immaculate Heart. And they will shine like precious jewels in the eyes of the Father and the Holy Angels.
Therefore, little children, remain firm on the path I have shown you.
The luminous figure, My figure that I made to reflect in the eyes of My son Marcos last Sunday and that My beloved daughter Rafaela confirmed for you to be Mine. It is the sign I give you that I have truly been here for 26 years loving you and fighting for you.
And that all those who obey Me now in the end will come out on top, will be rewarded and truly crowned by My Son Jesus in Heaven as incessant flames of love and His dearest and most blessed children.

Thank you, dearest son Carlos Tadeu, for having come today once again to console Me, your presence here filled Me with great joy and truly took many swords of pain from My suffering and aching heart.
Thank you little son, because every time you come here My Heart has the wounds that My ungrateful children make in It closed. In these moments I don't cry, I don't suffer, no pain ravages My Heart, the doors of hell are closed, those of Heaven are opened and many graces rain, they pass through it to flood the whole world and convert sinners.
Thank you My son, because every time you come here My Immaculate Heart exults with joy, Tears come down from My eyes, but they are golden tears of light, of joy, because truly in that moment I am consoled. My Heart has its wounds closed, healed by you with the balm of Your Love and truly at this moment I, the Queen of the Rosary and the Mother of Jesus, bless the world for your love.
Continue My children praying My Rosary every day, give 5 Rosaries No. 256 to 5 My children and give 8 Thirds of the Flame of Love No. 7 and 8 Thirds of the Flame of Love No. 8 to My children. May they pray these Rosaries, may they through them come to know Me, love Me and finally receive My Flame of Love.
I bless you all with love now from Fátima, Lourdes and Jacareí."

PRIVATE MESSAGE TO THE FAVORITE SON CARLOS TADEU
REVELATION OF ANOTHER SECRET PAIN OF OUR LADY

Beloved son Carlos Tadeu, this is My special Message just for you:
My Son, how much joy you give to My Immaculate Heart, with each passing day I love you more. Fear nothing because My Immaculate Heart will triumph in your life and through you in the lives of all My children, in that My dear land of Ibitira and in the cities around it.
Do not be afraid I take care of you, My Immaculate Heart is continually turned towards you and perceives all your pains, all your afflictions, all the anxieties of your heart. I am alive, your prayers are coming to very lively ears, to a very lively heart that continually watches over you.

Yes My child, before you even get up in the morning I am already far ahead of you covering your path, the daily path that you must travel with many, many blessings. And behind you come your protector Saints, your Guardian Angel and My Angels of Light who protect you, who guard you and who never abandon you.
Therefore, you should not fear anything, sometimes I have to allow some sufferings or annoyances to happen, because this is for your sanctification and to fulfill the Lord's secret designs. But rest assured, the more you suffer on this Earth, the greater the degree of glory you will have in Heaven and the greater the number of souls of your lineage and also of strangers that you will save.
So don't be afraid, I know very well what I allow and what I don't allow to happen to you. Know that My gaze is always focused and fixed on you, I know all your thoughts, I know everything that is in your heart even before you tell Me.
However, I want you to tell Me everything in prayer, as this is a sign of trust, love and faith of the child's soul towards Me.
I want you to always talk to Me like a little child, telling Me everything and never imagining that it bothers Me doing this. Because, you can't imagine the great joy You give Me telling me everything about you, everything about your life.
In that moment, with the sweet trust of your intimacy with Me, I forget all My problems, that is, My ungrateful children who do not cease to offend God, to despise My Love and to go down the path of perdition.
I forget their offenses and at that moment I feel happy to have a son who loves Me, who speaks to Me with love, who trusts Me and who always becomes more docile and dependent on Me.

Yes little son, always do this to give Me joy, to give Me contentment.
I want you to continue sharing the Rosary of My Tears this July, and I also want you to share the Rosary of My Immaculate Conception with My life engraved on it. So that My children can come to know My life and fall in love with Me and, together with you, walk in the school of the true imitation of My person, of the imitation of Mary.
Son, listen carefully, listen to My advice and you will be wise. Don't ever go the way of worldlings, don't look at them, don't even think about what they

do. Always think of the Saints and always follow their example, imitate all those who have been on the path of virtue longer than you. Because by doing so, you will please the Lord and attract the Lord's benevolent eyes to you.
Sanctify your time always more by doing good works for the glory of God, for the salvation of souls.
The Lord, the Eternal Father is very pleased with you. Know that on the last day 3 He wanted to allow a great punishment for a country in Asia, which sins a lot and offends God a lot. But his faithfulness, his love, his prayers canceled that Punishment.
See! Your life saves many souls you know, but who in Heaven will recognize and thank you. Loving the way I've taught you, praying the way I've told you, you become a missionary to the world, you can save the souls of the whole world from your home.
Thus, more and more satan is humiliated and overcome by you. In fact, I want to reveal to you that each Cenacle you make breaks the power of Satan a little more.

One day when you have already made many Cenacles and so has My son Marcos, his power will also be completely broken and then My Immaculate Heart will shine with power. And then finally My Flame of Love will renew the entire world and I will be victorious in the battle against the infernal dragon.
And then, I, Mary the Lady Messenger of Peace, the Lady of All Peoples and the Co-Demand will bless the world and My blessing will finally transform it into the ante-garden of paradise already here on Earth.
My Son, never be discouraged, go ahead!
I also want you to take 200 medals from My husband Saint Joseph to give to My children who do not have these Medals and if they already have them, they should take them to their friends and family who do not have them.
My husband Joseph wants to give you great graces through His Medal that you will give, so once again we will confirm that it was We who sent you to speak in Our name with Our son Mark to the nations.
Go My son, My little Angel of love, My Benjamin I will always be with you and I will never leave you.
Your mother sends word to you that she is very happy with you. She also says that she asks you for forgiveness for having once punished you when you were a child. At that moment she was nervous and ended up punishing you that she didn't deserve.
She tells you that she loves you with all her heart and that here in Heaven she prays together with the Angels and her Saints protectors at all times for you.

Go forward My Knight of the Rosary, go forward with the son I gave you, together with him you will be an invincible force of prayer, conversion and the salvation of souls. And so, finally My Immaculate Heart will triumph.
Know, my son, that one day when I was in Egypt with My son Jesus and with My husband Joseph, a man who saw us saw that we were foreigners and in his heart he decided to call the authorities. They came to Our poor house, My husband Joseph defended himself as best he could, explaining that we were there in Egypt to escape a famine in Israel.
And so, those soldiers, fortunately through My intercession, through the prayer of My Son Jesus, believed in the word of My husband Joseph and left.

At that moment My husband Joseph did not lie, because we truly fled from the lack of love that existed in Palestine.
Yes, there in Bethlehem, we were not received with love, Herod denied us his love and persecuted Us and apart from My cousin Elizabeth, Zacharias and a few holy souls, from other people we received only indifference, contempt and ingratitude. That's why we ran away from that lack of love that existed in the Holy Land and took refuge there in Egypt.
In that moment of great affliction the Eternal Father showed us you in vision making My Cenacles and with your prayers consoling My Immaculate Heart, consoling Joseph, consoling My Son Jesus.
So, we patiently endure that great humiliation and affliction offering to the Eternal Father that suffering for you and for all those who would be saved through you, from the Cenacles that you make for Me.
So, my son, rejoice because in that moment of great pain you were the drop of consolation, of breath for Our Three Sorrowful Hearts and for you we had the strength to offer that little martyrdom to the Father.
Rejoice, comforter of Our Hearts, because each breath of yours is a continuous act of love that rises to Our Hearts, which closes Our wounds and puts in their place the most beautiful Mystic Roses of love and consolation.
I bless you with love now from Fátima, from Lourdes and from Jacareí."

(Marcos) : "Dear Heavenly Mother, can the Lady and the Lord Jesus touch these rosaries, crosses, pictures that we made for the protection of your children?
Yeah, okay, just his? He is well."

Jacarei, July 8, 2017

(Holy Mary) : "Dear children, today I truly call you all to prayer of love! Pray with love until prayer becomes joy and love in you to radiate My Flame of Love around you.
To pray the prayer of love, you must first:
- Empty their hearts of all attachment, to affections to worldly things and also to creatures.
- Then, open your hearts to Me, that is, wanting My Flame of Love and wanting to do My will with all the strength of your will and heart.

- Finally, say many prayers of love, they can be acts of love, personal prayers of love or even the Rosary, but placing the accent on each Hail Mary, the proper sign of love, the desire of God, the desire of me.
Then, truly your prayer will be a prayer of love, which will make My Flame of Love and Divine Love grow in your hearts, which will lead you to become incessant flames of love for God and Me.
Pray the prayer of Love, pray with love, trying every day to have more intimacy, union with God and with Me in prayer, increasing your desire to be with God, to be with Me, to be in My presence, to feel the My love, to love Me, to comfort Me, to listen to Me, to obey Me and to be with Me, warming Me with your prayer of love.

My children, every day My Immaculate Heart suffers because I approach My children but I only find in them coldness, hardness of heart and indifference, insensitivity towards My love. Therefore, My Heart leaves wounded and frozen in the presence of these souls.
I need love to warm My Heart again and to heal the wounds of My painful heart. This love I look for in you, My children that I love the most, the children that I have called to be here in My Apparition, in My invincible fortress of love and prayer, in My throne of graces and in My house.

It is in you that My Immaculate Heart seeks the prayer of love to warm up again and thus beat again with love for men and pour out graces on humanity. Oh, how the soul full of love for Me consoles Me, on fire with love for Me and that warms My Heart with the heat of its love.
I approach her and her soul warms Me, her heat warms My Heart, her heart with her love warms My Heart and melts the ice with which My children cover with their indifference, insensitivity and contempt with which they treat Me.
Oh, how many souls despise Me, how many disdain Me by denying Me their love, closing the door of their hearts to Me, refusing to hear My Messages, My voice, My word of love given here.
Therefore, I seek in the souls of My faithful children the prayer of love that warms My Heart, that heals the wounds of My Heart and makes it beat again quickly and powerfully with love for the world, pouring My Flame of Love over it. .
Be My children those burning flames of love that warm My Heart every day with the prayer of love that I came here to teach you and I came to look for in you.

Be love, live on love, because love is God, God is love and whoever lives on love and for love will live forever in God!
Keep praying My Rosary every day, pray placing in each Our Father, in each Hail Mary, in each prayer the desire of God, the desire of Me and seeking more and more to unite with Me, merging your wills with that of God. it's mine. So that our union truly happens and we are one in true love.
I love you all and I pray every day to My Son Jesus for you, asking for His forgiveness, His grace, and His Mercy for you. But convert My children because there is only half an hour of God's day left for My Son's glorious return.
Then, at that moment, it will be too late to repent, it will be too late to be remorseful, for not having heard My voice of love, My word of love given here. Because at that moment when Heaven and Earth will be shaken and will simply disappear, it will be too late to cry out to Me.

Convert now that I can help you, now that it is time for grace, this time of wonderful grace was given to you by a great act of God's love. And also because of a great act of love and intervention of Mine, because it was at My request and out of love for Me that My Son gave this time of Grace for your salvation.
Convert without delay and pray, pray, pray that your hearts do not fall into lukewarmness.

Beloved and beloved son Carlos Tadeu, thank you for staying here one more day. Thank you My son, for the testimony you gave of Me today on My Messenger of Peace Radio.
Thank you, thank you for all the words you said exalting Me, glorifying Me, taking My Word, My love to so many thousands of My children who were listening to Me at that time.
Thank you My son, because you glorified Me greatly and during all the time you spoke I cried, the wounds of My Heart were being closed and every word that came out of your mouth today took a thorn in My Heart.
During that moment, the Holy Angels paralyzed many demons and touched many souls, converting them and making them in love with Our Lord.

For all this, I thank you for the joy given to My Heart and the Heart of My son Marcos. I thank you and bless you generously. You are My knight, you are My most beloved son who, together with My son Marcos, will speak to the nations and announce the truth, My voice, My word of love to all men.
And then, My Heart will finally release with power its Flame of Love, My Flame of Love that has been dammed for so many years because there is no one who wants it, who truly wants to fight with Me, live with Me and for Me, suffer with Me and battle with Me to save the world.
And then, souls will convert, love and fall in love with the Lord, with Me and finally I will proclaim My Triumph of the whole universe, saying, crying: At last My Immaculate Heart has triumphed!
Onward My knight, fear nothing! My Heart will triumph and you and My little son Mark will triumph with Me.
To you, who are My benjamim of love and to all My little children present here and those who listen to Me from afar, I now bless you from Montichiari, from Fátima and from Jacareí."

(Saint Geraldo) : "Beloved brother Carlos Tadeu, I, Geraldo, am glad to come today with the Mother of God and Our Queen.
I love you, I love you so much as I told you, I am always by your side to bless you and keep you.
Every 16th of each month I will come to teach you a little prayer, through your son Mark, I will give you a private prayer, which you must pray, so that you become a great saint like me.

Through these prayers I will make you rise to a high degree of love for God and for Our Immaculate Queen and I will truly make you more and more like Me, thus making you a true servant, angel and obedient son of the Immaculate.
Fear nothing because I am with you! I am aware of every difficulty of yours and I take action, although many times no one is aware of it.
I am by your side always and whoever hurts you will hurt Me, whoever hurts you will hurt Me, whoever hurts you will hurt Me, whoever does any harm to you will do to Me. And I myself will execute the holy and just Justice of the Wrath of God.
Thus, as David's wife was punished for having criticized, for having made her husband suffer with her words. So also, everyone who attacks you, everyone who denigrates you, everyone who mocks you, everyone who does any kind of

offense against you, I will take it as done to Myself, and I will claim vengeance before the Lord for that soul. .
Therefore, beloved brother, fear nothing, you have in Heaven an exclusive lawyer of yours and who is during all hours of the day taking care of you, taking care of your life and everything that is necessary for you.

Know that whatever is necessary for you I will get from the Lord and give it to you. Keep praying My Rosary whenever you can. From time to time also pray it in your Cenacles, so that young people especially know Me, love Me and want to surrender and dedicate their lives to God as I do, thus knowing the perfect joy that only those who give themselves totally to Her and lives for her, for her and in her.
I want you to know that when I was in the forest, in which I retired to live as a hermit, I was favored with many Apparitions of the Mother of God. And in these Apparitions She spoke to Me of a great servant of Her who would come in the future in the 20th century and who would be chosen by Herself, to carry out great and divine plans of love together with Her other privileged soul, save many souls and finally make that the infernal Empire be broken and overthrown.
The Mother of God told Me that I would not see this triumph of Her and the Lord over the enemy, but that in the 20th century this victory of Hers would take place through these two servants.

And then one day, asking My Divine Queen and Princess who these servants would be, She revealed to Me the Names of both of you: Marcos Tadeu and Carlos Tadeu. And He charged Me to offer the fast and especially the penance that I made, the sacrifice that I made by whipping Myself to blood and offering this small sacrifice for you, so that you would be able to carry out the plan of the Mother of God and take all souls, all nations to conversion and to Her great victory.
That's why, beloved brother, I prayed a lot for you, I often took the discipline, that is, the whip out of love for you. You shouldn't fear anything because I offered everything for you and your son and these sacrifices had great, great merit before God and the Mother of God.
Therefore, rejoice because you have in Heaven a great defender, you have in Heaven a rich benefactor very full of merits, of gold coins to be able to buy for you any and every grace.
You must therefore feel happy!
Now receive My blessing and My embrace of My beloved love, My brother.

“Pray, pray, pray! Why is the Mother of God telling you so much about TIBIEZA? Because She is the greatest enemy of his Flame of Love. The soul that falls into lukewarmness will hardly be able to get out of it, except by a miracle of God.
Therefore, pray a lot, expand your hearts to the Flame of Love of the Mother of God, doing something more for her every day, whether in prayer, work, or sacrifice.
So that you can truly be preserved from the TIBIEZA that has always been known as: THE SILENT DEATH OF SOULS.

I bless you all with love from Materdomini, from Muro Lucano and from Jacareí."

(Marcos): "Mãezinha do Céu, the Lady, and São Geraldo and São Rafael, can you please touch these Rosaries, pictures that we made for the protection of your children?
Thanks"

(Holy Mary) : "As I have already said: Wherever these Rosaries or objects that I have touched reach, there I will be alive, bearing abundant graces from the Lord.
My dearest son Carlos Tadeu, these Thirds of Tears that I gave you, you should give to families, to homes wherever you go for the first time.
You must spread the Rosary of My Tears as you have already been asked, to My children throughout the year.
And to every soul that still doesn't know this strong prayer you must give this Rosary and together with the Rosary also give a disc of this Rosary Meditated by My little son Marcos.

Thus, you will truly win many souls for Me and finally the Empire of My enemy in many souls will be overthrown.
Thank you, My knight and My Apostle, on whom I can always count.
I want you to know that you also gave Me great joy and consolation the day you went to spread My Messages there in other cities.
Yes My child, truly My Heart rejoiced! For all this, be blessed by the Lord and by Me.
See you tomorrow good night."

Jacarei, July 9, 2017

(Holy Mary) : "Dear children, today when you already celebrate here the Anniversary of My Apparitions in Montichiari, I come to ask you: Be the essence of love, that is, love God with all your heart, with all your soul. , with full force.
And may your life be a continuous essence of love for God and for God, spreading everywhere the sweet perfume of God's grace, of God's love. So that this sin-engulfed world can finally be transformed, renewed and truly become a garden of grace and beauty of the Holy Trinity.
Be the essence of love, praying every day with love, making many prayers of love, acts of love, sacrifices of love, penances of love, efforts of love for God, for Me, for the salvation of souls. So that your life is truly a fragrant, delicious essence.
So that your life truly attracts all souls to God and souls can smell the pleasant odor of God's love and goodness.
Be the essence of love, giving yourself more each day to God and to Me, always trying to do something more so that your love for the Lord, for Me, for the salvation of souls grows. And you, then, be Mystic Roses perfumed with love, whose perfume is stronger, sweeter and more pleasant than that of spikenard.

So that the entire uglier world, destroyed by My enemy, can feel that sweet and soft perfume of God's love. And so, all souls seek God, his grace, seek reconciliation with him. And so, souls truly become Mystic Roses of love for God.
Be the essence of love, living continuously on love and for love. Love is God and whoever lives in love lives in God and God lives in Him.
I came to Montichiari to seek souls who, like My little daughter Pierina, like My little son Marcos, were mystical roses of love and sacrifice that let themselves be macerated, crushed. So that, then, the sweet and gentle essence of love in pure transformation, of divine charity can spread throughout the whole world, converting sinners, bringing souls to God with an invincible, unstoppable and indestructible force of conversion and salvation for the world.
If you, My children, are these mystical roses, then through you My Flame of Love will act powerfully, converting many sinners and bringing them all to salvation.
Be these mystical roses of love, which emanate this divine essence of love. So that we can purify the world of the fetid smell, of the deadly gas that all the black roses of My enemy, which he planted in humanity, release. Which are sin, violence, idolatry to the new modern idols: pleasure, money, power, fame, glory, prestige, sensuality.
So that then, the world will finally be freed from the deadly gas that these black roses of My enemy release and so, all souls can once again breathe the air of God's grace, the air of salvation.
Keep praying My Rosary every day, keep praying the Rosary of Tears every day, because just as I have done many miracles for My son Marcos and through him to everyone.
So I will also do for you My children, whatever you ask of Me for the Third of My Tears, everything will always be granted. Because My suffering, My Pains together with My Son were so many and so intense, that if they were flames, I would dissolve the whole world and even other worlds.
Therefore, whatever is asked for by the merits of My most bitter tears and pains, My Son will give you. Pray this Rosary and you will reap many victories.

My beloved son Carlos Tadeu, I know that today you will return to your land, to your home. Thank you for being here with Me these 3 days consoling Me and consoling My little son Marcos.
Thank you for the consolation you gave to both of us, thank you because your presence here makes My Heart rejoice and makes Me forget many pains that My children give Me.
Thank you son, because while you are here My Tears do not fall. Thank you, because while you are here My Heart receives the warmth of your love. And so the ice with which My children treat Me melts and My Heart warms up again and once again pours out on all humanity the abundant and effective graces of My Flame of Love.
Thank you for being love and for continually living out of love for Me!
Stand firm and don't look back. Look neither to the right nor to the left, nor down nor behind. Always look to the star, to Mary, to Me.
And go ahead My child and fear nothing because through you there in your land and in many hearts throughout the world I will triumph.

And through you and My little son Marcos, I will make the essence of My Love fill the entire world and make souls breathe the air of God's grace again and in this way the world will be saved.
I bless you with Love and I bless all My beloved children here in Montichiari, Fatima and Jacareí."

(Saint Elesbão) : "My beloved brothers, I, Elesbão, am glad to come today for the first time here in Jacareí. Thank you, beloved brothers, for coming today to praise and love Our Most Holy Queen.
I, Elesbao, who was a King of the black race, come today to say to all of you: Be the garden of love of the Immaculate as I was. Living in her love, in the love of God, living always more in prayer, in penance, in sacrifice, fighting for souls and thus practicing the work of works and the charity of charities: prayer and sacrifice.
Be gardens of the Immaculate, cultivating in your souls every day, the most beautiful flowers of love, obedience, humility, submission to her so that she can truly live and reign in all of you.
May the gardens of the Immaculate be trying every day to give the Immaculate more and more flowers: of sacrifice, of donation, of dedication, fighting for her, suffering for her, doing everything for her, consuming your life. In love for her.
Be the gardens of the Immaculate making her truly reign in all of you and through you transform the deserts of all hearts into gardens of fragrant roses of love.

Beloved brother Carlos Tadeu, I Elesbão love you very much! I pray for you in Heaven every day and every moment. I also accompany you, because in a certain way you also have to govern the souls that the Immaculate has entrusted to you and guide them along the path of holiness and salvation. Great is the grace and responsibility given to you!
I, who governed My kingdom, guiding an entire nation in obedience to the Lord and the Mother of God, will help you to guide, to govern these souls, always more directing them along the path of salvation of good, grace and love.
Count on Me, trust Me! Call Me and I will always help! Whatever you need, whatever you want, come and ask Me and I will always help you in the best way that the Lord allows. I'm by your side always, I'll never leave you!
Know beloved brother that the grace you received from having been chosen by the Immaculate for such a great mission, to also have the honor, grace, privilege and mission of being the father of the son of Her prophecies, of the son, of the most obedient seer, dedicated, courageous and faithful to Her. This grace I would give anything to come back to Earth and possess and you possess.
So, beloved brother, praise God, praise the Mother of God and love them with all your heart for this great grace and favor they have given you. Grab this grace with all your strength and don't leave it for nothing, for nothing!
Think of the immense love of the Mother of God who favored you much more than Me, much more than all My Kingdom in Africa. Yes, and there were millions who prayed with me, millions who served God with me and millions who were even martyred and did not receive such grace as you did.
You must therefore feel happy, you must therefore love this God and this Mother who favored you more than Me and more than My Kingdom.

Yes, praise God, love them and love also the son they gave you, because through him you won your place in Heaven, through him you will receive much more graces from the Immaculate and from God. Through him you and will be transformed into an incessant flame of love.
Pray the Rosary every day and whenever you can, pray 3 times an ejaculation in My honor and I will always come to help you, bless you. And give you the wisdom, the prudence, for you to govern the souls that the Mother of God has entrusted to you, building and planting Her Kingdom of Love in their hearts.
I love you very much and I give you My blessing and My peace and to all of you beloved brothers I say: Pray the Rosary, in My time there was not yet the Holy Rosary, at least I did not know it. You have this invincible weapon that the Mother of God gave you and on top of that so many Rosaries and among them the Rosary of Tears, a third of power, so many Rosaries of power!
Pray them and you have obtained all the graces you ask for, including eternal salvation.
Love the Rosary, spread the Rosary, live the Rosary! Be a living and burning Rosary of love.
I bless you all with love and especially you Marcos, the most obedient, dedicated and courageous servant and son of the Mother of God. That for her he had the courage to suffer so much! Little martyr of the Immaculate, Mystic rose of love macerated in praise of the Immaculate, whose essence of love today spreads and reaches 190 countries on Earth and takes millions to the Immaculate.
To you eternal rose of love and to all My brothers here I bless with love now."

(Marcos) : "Mãezinha do Céu, can the Lady and São Elesbão touch these rosaries and paintings that we made for your children, for their protection? Thanks for the affection."

(Holy Mary) : "As I promised wherever these religious objects arrive there I will be alive performing the best graces and blessings of the Lord.
Take them My children, because they are relics, they are objects touched by the Mother of the Savior, by the Mother of God, the Woman brighter than the Sun, who is your Mother
I want to help you, bless you and protect you in this way. Carry them with love and care for them with devotion.
To everyone, to all My children, to My little martyr of love, to My Mystic Rose of Love, to My little son Marcos.
And you too My little sun of light that I lit in this world to lighten the darkness. My first son Carlos Tadeu, My most beloved son I love you, I bless you, I cover you with My Mantle and I say: Stay in the peace of the Lord, go in the peace of the Lord and always serve the Lord more.
I will be with you forever more to bless you, protect you and guide you."

Jacarei, July 16, 2017

(Holy Mary) : "Dear children, I am Our Lady of Carmo, today, when you celebrate My Feast, My Apparition to My son São Simão Stock, I come once again from Heaven to tell you:

Use My Carmo Scapular with Love, those who wear it for a lifetime and die with it will not know the eternal flames and will be released by Me from Purgatory on the Saturday following the day of their death.
Use My Scapular of Carmo with love, also trying to live a holy life, so that your holiness united to the grace of My Scapular can lead you to those beautiful dwellings that I prepare for you in Heaven and make you worthy to see God face to face in Heaven.

Wear My Scapular of Carmo with love, so that I am always accompanying you everywhere and covering you with My Mantle, so that My enemy cannot harm you or lead you along the path of doom.
Love... love God with pure love, with all the love in your hearts, with all your strength. Love is God, God is Love! And what He desires in My Apparitions Here is love!
I continue to appear here until today for so many years looking for love in the hearts of My children. May your prayers be prayers of love.

Say prayers of love My children, prayers asking for love, prayers wishing for love, prayers wishing God with love, so that these prayers truly lead you to love God more with works, with the 'yes', with your renunciation , to produce fruits of love for the Lord.
If your prayers do not lead to a greater desire for God, to a greater union with God, your prayers will not be meaningless, nor will they have much value.
Therefore, pray making prayers of love, desiring more and more My Flame of Love, so that with it you love God, love Me and also love souls with that love that My son Marcos spoke about, supernatural love: AGAPE. The love that will truly lead you to be incessant flames of love.
Be love, live in love!
Convert without delay, because you are in the last half hour of God's day and those last minutes of that last half hour will pass faster, so that the whole universe is finally freed from the dominion of My enemy and can know the summit of your liberation and of its complete renovation.

Pray My Rosary My children, praying the Rosary with love. May your Rosary be a Rosary of love, wishing God more, desiring love and then giving the love that God asks for in everyday life, in sacrifice, in prayer, in service, in work, in short, in all things .
Convert without delay, it is the last half hour of God's day and soon My children, My Hour will sound, I will have to go and when I am My son, the Great Punishment will be sent.
What prevents the Punishment from coming It is I who am here in My Apparitions in Jacareí, but when I am gone and no longer comes here every day, the one who holds the punishment will be removed, that is, My Immaculate Heart. And then, truly, will come the Punishment.
Convert without delay, live in love, be true love.
I bless you all with love, from Fátima, from Montichiari and from Jacareí."

(Saint Emilia) : "My beloved brothers, I, Emilia, come from Heaven to say to you: Be love, renouncing all kinds of worldly love, passions, pleasures that make your human nature fall even lower than the animals . And open your

hearts to divine love, to supernatural love, so that this wretched world, impoverished by sin, can finally know supernatural love, the divine love that will renew everything and raise everything to the greatest height of holiness that humanity will ever have. met.
Be love by living love in everyday life, above all, giving God the answer of love that He asks of you every day in your daily life and above all, at the time of renunciation and at the time of sacrifice.
Do not be hypocritical souls, who pray the Rosary asking for a love that they deny to God and to their Mother when it is time to give themselves, when it is time to love. But, be true souls, souls that really ask for love, want love and give love, being souls of true and intense love.
Be love, seeking to put supernatural love in everything, so that even the smallest and insignificant actions of everyday men will be supernaturalized.
That is, supernatural love gives them supernatural value, supernatural power with which you will greatly please the Lord and will also earn you many merits for eternal life.
Be love supernaturalizing all your actions, doing everything with supernatural love. So that your life will truly be precious, valuable and rich in the eyes of God and one day all this wealth applied to souls will generate the conversion and salvation of many, many souls.
Pray the Rosary, the Rosary prayed with love is a very powerful way to achieve supernatural love.
I, Emilia, will be by your side to help you and to help you in this great and most important task of every man's life.
I am not the same Emília that has already appeared here, I am coming for the first time because I love my most beloved Marcos very much, I love his Spiritual Father, Carlos Tadeu, very much, and because I love all of you very much too.
I protect you, you don't know Me but I know you, I know everything that happens to you and I pray for you before the Lord.
I want to be your friend, call on Me in everything you need from Me and I will come from Heaven to help you in the best way the Lord allows Me.
To all of you now and to My most beloved and most beloved Marcos, I bless you with Love."

(Marcos): "Mother of Heaven, dear Saint Geraldo, Saint Emilia, can you be kind enough to touch these Crosses and Rosaries that we made for the protection of your children?"

Jacarei, July 18, 2017

(Holy Mary) : "Dear children, today, when you celebrate the Anniversary of My First Apparition to My little daughter Santa Catarina Labouré, sitting in the chair. Giving My little daughter Catherine the great Prophecies that would happen in the world and in France, in the Church and in the Nations.
I come again to say to you: Pray, only with prayer can you prevent the advance of evil and evil in the world and make good triumph.
Place the Rosary in her hands and pray with more love, so that your prayers of love may transform the world from a desert of hate into a garden of love. Make

an effort to pray the prayer of love, which is the only one that pleases and is valid before God.
Live the virtue of obedience to God, to this world rebelled and enmity against God that tells you to disobey God say: 'Yes, I will serve, I will obey God.'
I am with you and every day I accompany you on this journey to Heaven.
Pray My Rosary, be good, be faithful doers of God's Commandments and your duties, this is perfection that pleases God.
I bless you all with love from Paris, Lourdes and Jacareí."

(St. Bernadette) : "Dear brother Carlos Tadeu, today, I, Bernadette of Lourdes, come once again from Heaven to bless you and to say to you: Serve the Immaculate as I served with love, obedience and perseverance.
Serve the Immaculate, offering her your whole life as I did.
Serve the Immaculate, accepting with faith and courage all the crosses that come to you, as they came to Me. And he offers everything to the Immaculate for the conversion of sinners, especially the most obstinate and hardened in sin.
He serves the Immaculate, living every day in her love, that is, doing everything with love and for love of her, putting her first always more in his life, despising worldly things, leaving and renouncing everything that opposes to her. So that, truly, her life may be a reflection and a perfect echo of Mine, which was a life of love and service to the Immaculate.
Serve the Immaculate, trying every day to grow more in supernatural love, that is: AGAPE LOVE for God and for Her, always seeking to purify your heart of every kind of love or human thought. So that you can truly have supernatural, mystical love in pure transformation, AGAPE, the flame of pure love of the Mother of God, to serve, obey and make the Immaculate known and loved with this love.
He serves the Immaculate, in love and for love, every day opening his heart to her ever more: through fervent prayers, ardent sacrifices, meditation, spiritual reading. And, above all, doing the daily exercise of dying more to yourself and thus living only in the Immaculate and for the Immaculate.
Know, dearly beloved My brother, that once when I was in the Convent, I almost died because of the asthma that had strongly attacked My lungs, giving Me the beginnings of tuberculosis. Yes, I almost died.
That great suffering, that great pain I offered for you that I saw in mystical vision, in the future serving and loving the Immaculate with our beloved Marcos.
I offered those excruciating pains in My body, in My lungs, the suffocation, the blood that I then shed from My lungs and which made the doctors and everyone around Me give Me as condemned to death.
I received the extreme unction and by the grace of the Immaculate I did not die, but I survived. She wanted Me to continue to suffer and to pray for the conversion of sinners. And also for you My beloved brother so that you could have all the graces and be suitable, worthy, capable, faithful to the great mission that She entrusts you with My beloved Marcos.
Know, therefore, that I have suffered many, many times and I have offered everything for you, because I love you very much and because I want to help you to serve the Immaculate as I served together with My most beloved Mark. So that the Immaculate can triumph and save many, many souls.

Therefore, always count on Me because in Me you have a friend, lawyer, intercessor and defender who is always constant and will never, ever leave you.
Keep praying the Holy Rosary every day, because through it you will have the flame of love of the Mother of God, to love with supernatural, AGAPE and pure love.
Love your son Mark with AGAPE love as he loves you, so that you can truly, together with him, show the world what supernatural love is, AGAPE, heavenly love. And so, all souls want and desire to possess and feel this great love, live this great love and die ablaze in this holy love.
I bless you with love from Nevers, from Lourdes and from Jacareí. Peace be in the peace of the Lord."

Jacarei, July 22, 2017

(Holy Mary) : "Dear children, today I call you all again to live in God's grace, in love for God's Commandments and also, giving the world a true example of holiness and correct morals.
In these times when morality and faith and love for God are despised by humanity, which has ended up sinking into the swamp of immorality, lack of love for God and lack of fear of his Holy Law. I come again to call you to give a living and shining example of holiness and morals to the whole world.
Cultivate in your hearts a love of morality, a correct morality, because My children, morality is also one of the pillars that sustain faith and love for God. The soul that loves God morally is righteous and the soul that is morally righteous certainly loves and obeys God. Because all human morality is derived from the Commandments of God and leads to God.
In this way, you will give the world a shining example of holiness, of perfection, of justice in this world that every day sins more and more against the Virtue of Justice and even crushes this Virtue under its feet by practicing injustice and iniquity.
Pray the Rosary every day, because those who pray the Rosary will certainly grow in the perfection of holiness, in the fulfillment of God's Commandments and will have correct morals.
Convert without delay because we are in the last half hour of God's day and those who do not become perfect morally, spiritually, will not enter the Kingdom of Heaven.
I bless you all with love from Fatima, from Pellevoisin and from Jacareí."

(Marcos) : "Dear Heavenly Mother, can you please touch these religious objects and these Rosaries that we made for the protection of your children?

(Holy Mary) : "As I said, wherever one of these rosaries, crosses and religious objects arrive there, I will be alive carrying the great and abundant graces of the Lord and of My Immaculate Heart.
I bless you all with love today once more and leave My Peace."

(Mark): "I will, yes. I will also make Mommy. See you soon."

Jacarei, July 23, 2017

(Holy Mary) : “Dear children, today I call you once again to live true love. The love that God and I want from you is that which suffers everything for the loved one.
If you truly love God, you must suffer everything for the love of Him, you must endure everything for the love of Him, and you must undertake all that is difficult, hard and arduous for the love of Him.
Always remember that love, that faith without works is dead. Therefore, do many works of love for God every day, so that then truly your love will be proved by your works and God will believe in your love.
I only believe in the love of those children who give Me works, true works of love. Be, therefore, the true children of God and not false ones who speak, speak but do nothing.
Now that we are in the last half hour of God's day, it is necessary to produce works of love for the glory of God to witness the truth and also to save your brothers. Otherwise, neither they nor you will enter the kingdom of heaven.
Therefore, go and save what can be saved by doing many works of love, dedication to God and dedication to the salvation of others. So your faith will be considered true by both God and men. And then everyone will see the truth, believe the truth, and be saved by the truth.

Pray My Rosary every day, because only with the Rosary will you be able to expand your hearts to receive My Flame of Love in them and produce works of love.
Shake off your TIBIEZA, shake off your SPIRITUAL INERTIA, shake off your ACIDIA by praying fervently, making many sacrifices and every day trying to do something more for the Lord, for Me and for the salvation of souls.
In this way you will not be a puddle of still and rotten water that does not generate life and cannot quench the thirst of any soul. But you will be a fountain of living water that, wherever you run, will transform what is desert into a garden and will quench the thirst for salvation, the thirst for love, the hunger for love of many, many souls.
Yes, My children, be a source of living water of love and salvation for humanity.
Pray, pray, pray because the Secret of La Salette will advance and more parts of it will be fulfilled. And woe to the inhabitants of the earth, none will be able to escape so many evils together.

Pray because a great Punishment will come this year to Brazil if you don't pray, pray because the great sleeping giant will rise, wake up and great will be My suffering seeing the suffering of My children in Italy.
I don't want My children to suffer, that's why I say: Pray, pray, pray. Pray for France's return to fidelity to the Catholic Faith. Pray that that nation that I love so much is freed from the oppression and domination of Satan and also from the action of the evil atheists who want to transform France, that dear and favorite land of My heart, into a nation without God.
Pray the Rosary of My Flame of Love a lot and I will greatly give you My Flame of Love so that you can enkindle the whole world and all hearts with My love.

I bless all My children, My most beloved son Carlos Tadeu, My little daughter Raffaella Bompiani and Renata who have helped My son Marcos a lot and rendered Me a great service of love, studying the sign of My luminous figure.
Through this study the truth of My Apparitions Here has been definitively proved and no one else can apologize for not believing. From now on, anyone who denies My Here, who disobeys My Messages or who betrays Me and My son Marcos, denies the truth known as such, sins against the Holy Spirit and is eternally condemned.
To those My daughters who have rendered Me the great service of proving and demonstrating the truth of My Apparitions Here, whom I love with a love of predilection and which I keep with love in the refuge of My Heart.
And to all My children who obey Me and who make My Cenacles in their families, I bless them with love from Fatima, La Salette and Jacareí."

(Saint Gorgon) : "Dear and beloved Mark, dear brothers, I am Gorgonius, servant of God and the Mother of God and I come more today with the Blessed Mother to bless you all with My love and with the peace of the Lord.
I, Gorgonius of Rome, am happy to come here with the Mother of God for the first time. I come to pour peace, grace and love into your hearts and I come to tell you too:
Be truly shrines of the Lord, living continuously in the love of God, in the love of the Most Holy Mary, seeking and seeking holiness so that God can truly dwell in your hearts and reign in them forever.
Be the tabernacles of the Lord living in love, for the essence of God is Love, Love is God and He can only dwell in souls full of love. He is the one who gives love to the soul and only remains in the soul that welcomes his love, that lives his love and that treats him with love.
Therefore, cultivate true love in your hearts, so that God may dwell in your hearts and unite with you forever.
May the Lord's tabernacles be praying fervent prayers of love every day and, above all, works of love. Faith without works is dead and love without works is barren. Therefore, you must do little works of love every day so that God may be glorified in you and through you. And through your love every creature can know and feel his love, surrender to him, give himself, love and obey him.
Be the Lord's tabernacles, trying every day to grow in the true flame of love for Him and His Most Holy Mother. So that true love grows in their hearts and then, truly, the world can be freed from hatred, sin, violence, the predominance of Satan and become a world of love.
I, Gorgonio, bless you all, I accompany you all on your journey to Heaven, above all, to you My dearest Marcos and to you also My dearest Carlos Tadeu. I am also always accompanying you in all the Cenacles, in your work, in your prayers and in your daily life.
I always have My shield of protection on you, I also place My Mantle over you and the enemy cannot harm you and often cannot even come close to you.
Therefore, rejoice your heart because you have in Heaven a great friend who loves you very much and will never leave you until he has you together with Him, with Me and with Our Most Holy Queen here in Heaven.
Know that even when you are sleeping at dawn in the dead of night, I am by your side praying for you and placing My shield of power over you.

Keep praying the Rosary and all the Rosary of power that the Mother of God has given you, that the Mother of God has commanded to be prayed here.
Above all, pray My beloved brother the Chaplet of Triumph, at least a decade every day, through this Chaplet you will receive great graces and you will overcome, you will crush many works of Satan.
I bless you with love and all My brothers here, pouring out on everyone the grace and peace that the Lord has given Me.
Give 10 films Voices from Heaven nº 5 to 10 people, it is necessary that souls know as soon as possible the love of Our Most Holy Queen and understand that true love for Jesus and for Her is the love that sacrifices itself for Them as She asked in Beauraing in Belgium.
To all with love I bless generously now."

(Marcos) : "Dear Heavenly Mother, can you be kind enough to touch these Rosaries, Crosses and religious objects that we made for the protection and prayer of your children?
Yea"
See you soon Mom. See you soon dear Gorgonio."

Jacarei, July 28, 2017

(Saint Judas Tadeu) : "Beloved brother Carlos Tadeu, today I come again from Heaven to bless you and to say: Congratulations! Happy birthday! May all the graces and blessings of Heaven befall you today.
Beloved My brother, how I love you! You cannot imagine how great is the love I have for you and how much I defend you, how much I protect you, how much I love you.
You know, when I was preaching, spreading the good news of the Gospel far and wide, I once came to a town and started preaching the Gospel.
Many inhabitants of that city were converted, however, others did not want to convert. And seeing that they would lose many souls to the faith of Our Lord Jesus Christ, for they were priests of pagan gods, they plotted My death.
Yes, one day they waited for Me on a deserted road, they beat Me so much that they thought I was dead, but by the grace of God and the help of My Most Holy Queen I survived.
She came to Me, appeared to Me and gave Me strength to be able to get up and continue My way and while She was talking to Me, she showed Me to you, beloved brother, she showed Me your future obedience to Her, your future love to her and to the Lord. And the knowledge that you would be the fruit of all those pains, of all the sufferings that I suffered comforted Me and gave Me new courage to go forward.
Yes, you consoled My Heart very much at that moment. Yes, in that vision, even though My body was all reduced to a single pain and a single wound, My Heart rejoiced. And then, truly, I recovered my courage and went ahead to announce the good news of the Lord.
My Most Holy Queen disappeared and returned to Saint John the Apostle with the Angels who accompanied her in the Apparition. And then, taking up My staff again, I went ahead announcing the good news of the Lord, I returned to

the same city, and then, I preached even more forcefully the Gospel of Our Lord Jesus Christ.
Those persecutors of Mine, seeing Me still alive, were very surprised, but even so, they did not want to convert. So they plotted something else much worse against Me, they raised false accusations against Me, above all, they forged a theft of some object from a rich lord and took Me to court, to judgment and then decreed that I should be stoned.
But My Most Holy Queen did not allow it, she made them rigid like stone statues, so that I could move away from that city and go to another region, thus saving My Heavenly Mother My life. But in the judgment I suffered a lot and I already had the time of My death as certain, so I offered that great anguish for you.
See, my beloved brother, how much I love you and how I offered everything for you. You must therefore feel happy because these My merits also belong to you and you can make use of them to obtain many graces for you. Everything that is the will of the Lord and that you ask Him for these My merits, for the merits of these My sufferings, everything will be granted to you.
Ask for the flame of love to increase in you and it will be given. The flame of love is what you should ask for the most, it is what you should most desire. To possess this flame of love from the Mother of God, this same flame that I possessed in such a great degree, in great intensity and fullness.
To possess her, you must renounce all earthly things that prevent you from possessing her, that occupy a place in your heart that must be Hers alone, and everything that cools this flame in your heart.
Thus, this flame will enter your heart, it will grow and burn greatly and powerfully and even this flame will warm the cold hearts that are around you. Every soul of good will, every soul that is of the truth and predestined will accept the Messages of the Mother of God that you spread and will accept Her flame of love, will be faithful to Her.
The soul that is not of the truth, that is not of good will, this soul will reject the Message of the Mother of God and everything that you speak, because she is a daughter of darkness and the soul that is a daughter of darkness does not approach the light and hate the light.
Therefore My brother, do not be discouraged because of these cold and hard souls. It always goes forward in search of those souls who are of the light and are just waiting for the announcement of the light, the brightness of the light to run towards it.
Yes, you are a light that the Mother of God lit in the world together with our beloved Mark, to illuminate the Earth in this time of so much and so dense darkness. Go forward, forward and fear not, I will always be with you and I will never leave you!
Today, on your birthday, I pour out a copious rain of blessings on you, the fruits of those merits, those sufferings, those martyrdoms that I suffered for our Lord and for Our Most Holy Queen.
All these merits applied to you will become abundant graces from the Sacred Heart of Jesus, the Immaculate Heart of Mary and the Heart of Saint Joseph. Yes, and these blessings will remain with you throughout your life until your departure from this vale of tears.

Today, you have been very enriched by Me, very enriched by the Mother of God, very enriched by all of Heaven, She, Our Most Holy Queen sends you congratulations, hugs and many blessings on your birthday.
Fear nothing, because all of Heaven is always watching over you. Always love the one who loved you first and will always love you.
Love your son Marcos, who even when you didn't know he wanted you for his father, he already loved you, he already loved you very much. He loves the child of the Mother of God's prophecies, he loves the child of promise, the child of the Mother of God's hope. So that, through him, you may receive even more the benevolence, the pleasure, the good pleasure of the Lord and the Mother of God.
Everyone who loves an apostle of Christ loves Christ himself, he himself said in the Gospel: Whoever welcomes you welcomes me. Whoever hates you hates Me, whoever despises you despises Me.

Very well, if you love this most beloved son of the Sacred Heart of Jesus and the Mother of God, you will be loving God himself, the very Mother of God who appears to him and who chose him to be their spokesperson, their ambassador, their messenger and your most beloved son on Earth.
You must be happy because you never heard of a Queen giving anyone her favorite child. Yea, a Queen gives neither her child nor any good that is too dear to her heart to any other.
The Queen of Heaven has given you, beloved brother, the one who is her most favorite son, her benjamin, her most favorite seraph of love. And the son who for 26 years gives her immense glory, consolation, love, fidelity and joy and on whom her gaze rests.
Yes, it was in him, in his eyes, that she reflected her most beautiful and luminous figure so that all humanity could see her and believe in her. Yes, it was never heard that anyone had seen in her eyes the most beautiful figure of the Mother of the Lord.
In the eyes of your son, this great miracle happened, not once, but many times, because he is truly the very clear, very clean, very pure mirror where the Mother of God can be reflected so that everyone can see Her presence, know Her Love, see His light, glimpse His Light.
Yes, this is the son that the Immaculate has given you, rejoice your heart, because She has done you a great honor, deference and grace that will not be given to any other mortal.
He exults with joy, because if this had been given to Saint Alphonsus he would have died of love. If this had been given to Me, for example, I would have died pierced by a burning lance of divine joy and love.
Therefore, beloved brother, you must feel happy, rich and extremely, extremely loved by the Most Holy Trinity and the Mother of God who favored you in an unparalleled way.
Continue on the path of grace, holiness, prayer and love. Pray the Rosary, always pray My Rosary, through these prayers you will still profit and receive from divine goodness.

I, Judas Tadeu, bless you and cover you with My Mantle of Love now from Jerusalem, from Nazareth and from Jacareí."

Jacarei, July 30, 2017

(Holy Mary) : “Dear children, today I call you all to love again! Cultivate in your hearts true love for God and for Me. Expand your hearts every day for more prayers, meditations and efforts to love more.
I came here looking for souls made of pure love, I've said it many times. But many still don't understand that the love I want is supernatural love, it's the love that doesn't look for your interests, nor favors. The love that does not seek reward, the love that does not seek the pleasures of the world.
A pure love like that of an angel, a pure love like that of an innocent child, who in everything he does seeks only to please his Father, please his Heavenly Mother and do everything for the good and salvation of others.
I desire a supernatural love that is the fruit of My Flame of Love, a love that suffers everything, supports everything and renounces everything for love of God, for love of Me.
A love that knows how to sacrifice itself every day for the salvation of humanity as I and My Son Jesus sacrificed. A love that in everything and for everything seeks sacrifice and not what is easier, but what is hardest, what is most difficult, what is hardest.
In order to offer a greater sacrifice of love to God to spy out so many sins with which He is offended and also to beg for the conversion of sinners.
Yes, it is this love that I want, it is this love that I seek. Cultivate it in your hearts so that, one day after you have been incessant souls of love on Earth, incessant flames of love, flames of loving sacrifice for the Lord, you can in Heaven truly be called true children of the Lord and of My heart. , true children of God, who is love.
Keep praying My Rosary every day, through it I will always give you the inner strength to love more.
Share this film of My Apparition in La Salette nº 2 that My little son Marcos made for Me, it's just that it's so beautiful, that enchants My Heart so much and draws swords of pain from My Heart when it is shown and watched here.

Give this My film to 10 My children who do not know My Apparition in La Salette. So that My children can quickly get to know My Tears, My Pain shown in La Salette. Know My great Secret and thus be convinced that you need to pray the Rosary every day, change your life, convert and live a holy life.
Because time is running out, you are in the last half hour before the return of My Son Jesus, so give this film to everyone so that everyone can be convinced that it is time for conversion, to return to the Lord who is returning soon to all in Glory.
I love you all, I care for each of you and I never leave you.
Pray, pray, pray! Meditate on My Messages from here in Jacareí, because they are wonderful and extraordinary for those who meditate on them.
The beauty of My Apparitions here only shines, only shines for those who seek to know deeply My Apparitions Here and the heart, the core, the profound beauty of My Messages.
Convert, there is no more time to waste on worldly things! Convert and sanctify yourselves to truly be considered worthy of Heaven and the new Earth that is to come for you.
I bless you all with Love from La Salette, from Lourdes and from Jacareí.”

(Marcos) : “Dear Heavenly Mother, can you touch these rosaries that we made for the prayer and protection of your children?”

(Holy Mary) : “As I have already said, wherever one of these Rosaries touched by Myself arrives there, I will be alive carrying the great graces and abundant blessings of the Lord.
These Rosaries become blessed, sources of graces and relics truly touched by the Virgin Mary Mother of God, I, your Immaculate Mother. Preserve them with love and devotion.
I bless everyone again and from everyone tonight I say goodbye and leave Peace.
Rest in the Peace of the Lord.”

Jacareí, August 5, 2017 – Our Lady's Birthday

(Holy Mary) :“Dear children, today, when you celebrate My Birthday here, I thank you for coming on the day of My Feast.
Be a gift of love to Me by praying My Rosary every day, obeying My Messages and trying to be perfect mystical roses of prayer, sacrifice and penance.
Be a gift of love to Me by giving Me your 'yes' and your true love. Open your hearts to supernatural love, AGAPE, to true love that loves Me completely, completely for Myself, without desiring or wanting anything in return.
Then your love will truly be a gift of love to Me and My Heart will rejoice for your lives, which to Me are precious and will double in value the greater the love in your hearts.
I want pure, supernatural, true love, a love capable of doing everything for Me, suffering everything for Me, renouncing everything for Me, leaving everything for Me and giving yourself completely to Me.
Only then will My Flame of Love triumph in you and around you. And My Heart will finally rest happy to have all My children with Me attracted by My powerful Flame of Love that will be transmitted to all of them through the love of your hearts for Me.
Today is a day of great joy for Me for all My children who truly love Me, obey Me, listen to Me, serve Me, let themselves be led by Me like My little son Marcos, like My little son Carlos Tadeu who now... who is even now making His procession in My praise and the Upper Room on the day of My Feast at the feet of My venerable Image.
Yes, in these My children I am comforted, loved, glorified, obeyed and served. By them and in them I am truly praised and exalted. And for them I feel happy, I feel happy for all My children throughout the world, who thanks to My Apparitions here have said 'yes' and follow Me along the path of love, prayer, sacrifice and penance.

But it is also a day of sadness for Me because the number of those who forsake Me, those who betray My love, those who forget Me and despise Me are still very great.

How many souls, even souls chosen with the love of predilection for My Son and for Me who abandon Me, who betray Me, who despise Me because of worldly and creaturely loves, of their own will.
Oh My children, this is why My Pain is so great! Yes, the man who prefers his own will to the will of God and Mine becomes his own demon and does not need demons to tempt him.
Yes, the will of the man who does not want to renounce his will for the love of God and Me, the will of this man, of this person, is already his own demon that tempts him and leads him to damnation.
Therefore, My children, today, renounce your own will, give your will to Me and to the Lord. And then, they will give Me the most precious and beautiful of gifts that My Heart will receive joyfully and deliciously and will offer to God to give Him too: glory, praise and joy.
Keep praying the Holy Rosary every day, through it you give Me a gift of love and you will transform yourselves into other gifts of love.

Meditate more, seek recollection, silence to pray there prayer of love, meditation of love and spiritual reading of love.
Give 10 Voices from Heaven 16 films of My Apparition in Quito to My little daughter Mother Mariana, for 10 My children who do not know those My Messages. And also give 10 films of My Apparition in Caravaggio to 10 more My children so that they may know My love, My goodness, the tenderness and mercy I have for My children. And so, all My children finally give Me their hearts and I can radiate My Flame of Love to the whole world like never before.
The sign of My figure embracing My son Marcos in the procession analyzed by My dearest daughter Rafaela, is truly the sign of how much I love this My most favorite son, of how much I am with him wherever he goes at all times of the day.
And through this sign I want to say to all My children: Whoever wants to find Me, look for My son Marcos, I live close to him who loves Me, serves Me and blesses Me. Whoever wants to find Me looks for him and he will find Me here beside him alive.
And in his words, in his work and in his person, you will see My luminous and loving figure and by listening to him, letting yourself be taught by him, correcting by him, you will truly be letting yourself be taught, corrected, formed and loved by Me and lead all My children then to Heaven.
I bless you all with Love now from Fatima, Lourdes and Jacareí.

Peace My beloved children, rest in the peace of the Lord."

(Marcos) : "Yes, do you want to touch some? Yup. Yes, Mother."

(Holy Mary) : "As I have already said: Wherever one of these Rosaries gets there I will be alive with the Angels and Saints pouring out the abundant blessings of the Lord.
Rest in the Peace of the Lord. Goodnight!"

Jacarei, August 06, 2017

(Holy Mary) : “Dear children, today I invite you all to transfigure yourselves into new souls reborn in the love of God through love.
Transfigure yourselves into living flames of love, opening your hearts to the love of God through prayer, meditation, spiritual reading, sacrifice and, above all, the conformity of your will with the will of God.
Transfigure yourselves into living flames of love, leaving the life of sin, embracing the life of grace, holiness and supernatural love, renouncing the love, the love of pleasures, the love of sin that is in your heart. So that the Holy Spirit, My Flame of Love, can enter the place and transform all of you into flames of love.
Transfigure yourselves into living flames of love, opening your hearts unlimitedly to My love, expand your hearts through many prayers, sacrifices, efforts, through the daily exercise of giving yourself more and more to God and to Me.
And also for the search for an ever more intense life of union with God, of prayer, so that truly enter My Flame of Love in your hearts and transfigure you into burning flames of living love for God.
Transfigure yourselves into living flames of love, dying for the world and living for God.
Keep praying My Rosary every day, those who pray My Rosary with their hearts will truly be transformed into living flames of love, because my Rosary came out of my Flame of Love. I gave it to My son Domingos as an invincible weapon to scorch the whole world with My Flame of Love.

Therefore, pray My Rosary and you will be enkindled by it and transformed into My burning flames of love that will finally transform the world into a furnace of love for God, so that He will finally and soon be adored, praised, served and glorified.
I bless you all and especially you My beloved son Marcos and also My beloved son Carlos Tadeu.
Thank you My beloved and dear son for the tribute you paid to Me yesterday in your city of Ibitira, celebrating and celebrating My Birth Day. You took out 27 thousand thorns that were stuck in My Immaculate Heart, you also took out 278 swords that were stuck in My Heart mainly by souls consecrated to the Lord who became Judas traitors souls.
Thank you My son, for the great consolation you have given Me. Thank you too My beloved son Marcos, when you made these wonderful films of My Apparitions, you took out many swords of Pain from My Heart, many thorns that My wicked and ungrateful children dig into it.

And each time these films are watched here, or by My children in their homes, 73 thousand thorns are always taken from My heart each time and 629 swords of Pain stuck by the Judas priests, by the Judas consecrated souls are also taken from My Heart.
Go on My son, go on giving these My films to My children, go on showing them here thousands of times always so that more and more thorns are taken from My Heart and the swords of pain of the consecrated Judas souls are also torn from My Heart and My wounds are closed.

I want My children to give 10 films from the life of My daughter Gemma Galgani to My children. And also 10 Voices from Heaven 12 films that you watched today, so that My children can get to know the life of My daughter Gemma, which was a true hymn of love and a continuous act of atonement to God, of consolation and reparation to My Heart and a incessant flame of love.
And so that My children also know My urgent and painful Messages from Medjugorje and so give Me the 'yes' of their hearts that will close the wounds of My Heart and hasten its victory throughout the world.
I bless you all with love from Medjugorje, Barral and Jacareí."

(Saint William) : "My beloved brothers, I, William, am glad to come here with the Mother of God to give you this Message:
Love the Flame of Love of the Mother of God, opening your hearts widely to her so that she can enter and bring about in all of you the great transformation, the great transfiguration of your souls from the swamp of sin into a garden of beauty and grace for greater glory. of the Lord.
Love the Flame of Love of the Mother of God, renouncing the Eros love that makes you selfishly seek the satisfaction of all your pleasures and desires, even if this leads you to despise the love of God. So that this intense flame of love from the Mother of God may transfigure your souls from souls leprous of sin, transformed by selfish love into beautiful and beautiful souls filled with beautiful supernatural love.
Love the flame of Love of the Mother of God, renouncing your obstinate will and accepting hers and the Lord's as she said yesterday: The soul that is obstinate in its own will to the point of despising the Lord's does not need demons to take her to hell. Her own will is the devil that will lead her to damnation.

Renounce, therefore, your will, so that you can truly transform yourselves into beautiful creatures, into beautiful souls that reflect as in very clean mirrors: the light, grace and love of God.
The sign of the figure of the Mother of God reflected in the eyes of our most beloved Mark is a call to you to purify your souls from all the disordered love of creatures, from all the love of Eros and so that you can open your souls and to have in them the AGAPE LOVE, the SUPERNATURAL LOVE, so that in your person the beauty, the presence, the love, the holiness, the beauty of the Mother of God can also be perceived and felt by all. And everyone wants to know her, love her and serve her too.
I, William, love you very much, I have been praying for you for a long time now on the Throne of the Lord and I especially love you Marcos, my dearest friend and brother. You don't know Me, you didn't know Me, but I have known you since when you were in your Mother's womb and she has protected you ever since.
You were never, ever alone because I was always by your side, call Me, call Me always in your prayers, sufferings and tribulations and I will come from Heaven like lightning to comfort you.

I also love your spiritual father Carlos Tadeu very much, I also protect him since the mother of God revealed to Me that he would be his spiritual father

and from the moment he accepted to be his father I truly became his personal guard.
I am by his side 24 hours a day and there is no time when I am not attentively watching over him and covering him with My Mantle. I drive away all evil and all demons from him more and more, so that he is always at peace and always guarded and protected by the Lord.
Yes, I love you dear brother Carlos Tadeu and you cannot imagine how many and how many times I helped you without you even knowing it. I love you very much, I was always by your side, and now more than ever I will be your faithful guard and protector.
Call on Me also in your tribulations and sufferings and I will come immediately to help you, to comfort you and give you strength. I love you and I am always with you, you should not fear anything because every day I present My merits to the Lord asking for graces for you and as they are very great you can expect great graces for you too.

I bless you and I bless you all My most beloved brothers and I say to all: do not be afraid, We the Saints are with you and we are much more numerous than the demons of hell. We just don't protect the soul that doesn't recommend itself, doesn't trust us and doesn't have true devotion for Us.
Cultivate, therefore, true devotion to Us by praying Our Hour every Wednesday, invoking Us and calling Us at all times. Increase your love for God by praying this short Act of Love: “My Jesus, I love you! I want to love you more and more and only for you to die of love.”
In this way, love will grow in you to its fullness and you will truly be transfigured into burning flames of love for the Lord.
I bless you all with love and especially you, dear brother and friend Vinícius, I am also your special protector, I am your patron saint, invoke me, call me and I will always help you.
I bless you all with love now and on all I pour My peace!”

Jacarei, August 07, 2017

(Holy Mary) : “Dear children, today, when you celebrate here the monthly Anniversary of My Apparitions with all Heaven to My son Marcos, I come again to say to you: I am the Queen and Messenger of Peace, I come from Heaven with the Lord's Message of Peace to all humanity.
Peace will only be possible when man returns to Love, without Love there is no peace. Therefore, My children, return to Love, to Supernatural Love and love God first and then your neighbor with this Love.
Where there is supernatural love between people, there is peace. Where there is Eros love, there is discord, there is lack of peace, because there truly proliferate the love of passions, vanities and worldly pleasures.
Where there is Supernatural Love, peace reigns, God reigns.
Return to this Love so that all humanity can finally find peace, without which it will not be able to be saved.
Keep praying My Rosary every day, because through it you will reach Supernatural Love and when you reach Supernatural Love you will reach peace. Then peace will reign throughout the world, in nations and in families, because it will reign in the hearts and souls of all men.

Imitate my little son Marcos, opening your hearts to Supernatural Love, to Agape Love, so that this Love triumphs in you, reigns in you and you can love God with all your strength, your neighbor with a pure and mystical Supernatural Love .
And so, loving God and your neighbor with all the strength of your hearts, may you be a sign of God's Love and My Love for the world.
The sign of My luminous figure embracing My son Marcos is the great sign of the Love I have for him and also of the Love I have for this place and for each child who has answered “yes” to My call of Love and obeys My Messages.
In that hug that I gave to My son Marcos, you can understand how great is the flame of My love, first for him and then for all humanity.
Truly here in these Apparitions My Love embraces all humanity.
Pray, pray, pray!

I bless you all with Love from Fatima, Lourdes and Jacareí.”

(Holy Mary) : “Beloved son Carlos Tadeu, today when I give you a special Message I come again from Heaven to tell you: I love you with all the Flame of Love of My Immaculate Heart.
Go ahead making My Cenacles fulfilling all My requests and telling all My children of the Agape Love that they all must have. During the month of August you will have to talk about this Love and you will have to truly give My children the full knowledge of this Love.
It is time for humanity to finally return to Love, to Supernatural Love and AGAPE, so that finally the love of God, My flame of Love, triumphs in the hearts of men, crushing the love of pleasures. So that the new humanity realized in God can be truly reborn, sanctified humanity, purified in the flame of love of the Holy Spirit, in My Flame of Love.
Go ahead and love the son I gave you with all your strength without fear of anything or anyone. Understand my child that it will be through his love that you will feel Mine and it is in his love that you will truly understand how ardent is, how great is My love for you.
And it will be by truly letting itself be loved by him and loving him with all his strength that the world will understand how beautiful it is, how great it is, how deep is the love of God and My Love.
Pray the Rosary every day.
I bless you with Love from Fatima, Lourdes and Jacareí.”

(Our Lord) : “Beloved My children, I, Jesus, come today with My Mother to bless you in yet another monthly Anniversary of Our Apparitions Here.
Open your hearts to My Love, to My Supernatural Love and Agape, this love that My Mother came here to teach and offer you 26 years ago and that you have not yet tried to understand, understand, want, much less live.
As long as you do not live AGAPE LOVE, Supernatural Love, you My children will never... you will never be able, you will never be able to understand My Love, nor live it. The Love that I want you to live is the same Love that I and the Father have for each other, this Divine Love, this burning flame of Charity.
Only when humanity returns to this Love will it return to being beautiful, holy, pure, perfect as it was before original sin. Yes, and only when that happens will all wars, discords, injustices and sins of humanity end.

Overcome sin, overcome evil with Love, but not human love, Eros love, but Supernatural Love. Yes, when men experience Supernatural Love, sin will be defeated and conquered in hearts.
This is what My Apostle meant when he said: “Love covers a multitude of sins. Love blots out a multitude of sins.”
Yes, when Supernatural Love is lived, then sin will disappear, for everyone will love each other as My Father loves Me and as We love men. Then the world will become a true Paradise on Earth and Our Hearts will finally triumph.
Open your hearts to Love, letting the Flame of Love of Our United Hearts enter your hearts and truly transform you from swamps of sin, into gardens of grace and holiness and from cold and loveless deserts into a garden where the most beauties of love, holiness, and supernatural purity
Then Our Hearts will triumph and finally Our eternal enemy will be defeated and the world will be saved by the force of Love... of Supernatural Love.
Continue to pray the Rosary of My Mother every day, the Rosary of Mercy and all the Holy Hours that She has asked you, because through these prayers prayed with the heart you will one day arrive at Supernatural Love. The more you pray these Prayers with love, the faster you will arrive at Supernatural Love. Pray them, then, with the heart and true thirst for Supernatural Love and you will have it.
In this month of August I wish you to give 5 films of My Apparition to My daughter Faustina Kowalska along with My Mother's Apparition in Porzus, Voices from Heaven nº 1, which My son Marcos made for you.
Also, give 5 films from the life of My dear João Maria Vianney and Meu João Bosco that are true examples of Agape and Supernatural Love. In this way, you will give the world concrete examples of Supernatural Love for souls that everyone will be able to understand, understand and live.
In this way, you will give joy, honor and praise to My Heart and the Heart of My Mother.
Continue to come here in this Sacred Place that is My Source of Graces and Love on Earth, so that We can continue your conversion. You never make us so happy when you come here to praise Us and listen to Our Messages.
Imitate Our most obedient and most loving Son, Our Flame of Incessant Love, Our Mark, wanting to live and practice Supernatural Love without fear, so that the world truly feels, sees and believes in My Love in your love.
I bless you all with Love in this holy land of Jacareí, Fátima, Lourdes and Porzus.”

Jacarei, August 12, 2017

(Marcos) : “Yes, I will, Mommy. I will. This week I managed to make the 4 you asked for, did you like it? Great! And the voice of the voice actress did you like it too?

Yes, good! I'll provide more. Yes yes.

(Holy Mary) : “Dear children, today I invite you all to love again! Expand your hearts to Agape Love by praying more, making more sacrifices of love, meditating. And, above all, little children fighting within you the pride that is one of the great enemies of Agape Love.

When man is proud before God, he does not recognize his misery, he does not recognize his own faults and becomes hardened in his will, in his way of thinking, in his arrogance, he closes his heart to Agape Love. This love cannot enter the heart that has pride, and then Eros love enters there, which is also superb, which is also vain and proud.
So, man is falling further and further into the abyss of sin, selfishness, love and self-worship, moving further and further away from the love of God. And even to the point of despising the love of God because of himself, his will and what he wants, the things of this world, the things of this world.
My children, fight this pride, which is very dangerous, first with humility and then by opening your hearts to Agape Love by doing violence to yourselves. So that you can enlarge your hearts more, receive more this love in your heart and thus be love and give love to every man, so that every man believes that God is Love, that the essence of God is Love.
Then the hearts of men will quickly open to this Love, they will accept it, they will have it and finally this Love which is also My Flame of Love will triumph in the whole world.
Keep praying My Rosary every day, through the Rosary prayed with the heart I expand your hearts more and more to Agape Love, Supernatural Love. This Love, which has nothing human, has nothing earthly.
This love that is from Heaven and that makes you not only love God and Me with pure love, without interest. But also love your neighbor without any interest, a pure love that only wants to give itself, sacrifice itself, consume itself for love, for the happiness of the neighbor, of the loved one.
Then you will truly be Love in this loveless world and I will be able to transform this hell of violence, selfishness, hate, dishonesty and total lack of charity into a verdant garden of Love. I will transform the world into a true furnace of love.
Therefore, continue praying My Rosary, through it you will quickly reach Supernatural Love, Agape Love and when that happens My Triumph, My Heart will truly triumph, My Triumph will happen.

To you, My dear son Carlos Tadeu, who today is once again Here in My house and in My presence, I say: I love you very much My beloved son, you cannot imagine the joy that comes to Me by coming here to My House to be With me.
Yes, at this very moment I show My son Mark 358 swords of Pain at My feet, taken by you here this afternoon. Most of these swords were driven mainly by consecrated souls who were loved by God and Me with a love of much greater predilection than others and favored with much greater graces.
And they, who should give us more love and obedience, plunge these swords into Our Hearts with their indifference, with their disobedience, with their life of sin.

You My little child do more than they do and love Me more than they do, so your love takes away from Me all the swords of Pain that they drive. And they even give you great merits in Heaven that will greatly increase your glory, your joy, and your enjoyment of divinity.
Today, I solemnly say to you: On Christmas Eve when I brought the Savior into the world, I cried, I cried a lot, not only for bringing the Savior into the world in so much poverty in the Grotto of Bethlehem. But I cried because at that moment I saw all humanity and all the souls who, despite the sacrifice of My

son born in so much poverty, would not love Him, would not adore Him, nor follow Him, nor serve Him.
And I cried, I cried especially also for the souls that, unlike My Son, would despise holy poverty and seek only the riches, pleasures and perks of this world, despising Him and despising the Cross.
Then My Son Jesus showed Me in vision in the Grotto of Bethlehem to you praying and loving Me so much, loving My Son with so much affection and love. And the vision of your love, of your future obedience, consoled My Heart.

Yes, My son, it consoled My Heart and the Heart of My Son Jesus a lot, who, seeing you in that vision, also stopped crying with Me. My comforter goes on consoling Our Hearts with his love and don't stop for anything.
See now how much I love you? How much do I love you? I gave you the one that I myself chose for you and I embraced it, allowing Me to be photographed and seen by My children throughout the world. This My son, Marcos, whom I embrace with so much Love, who is My consolation, My last hope. The one on which not only My hopes rest, but also the great prophecies of My Heart.
This son who is My consoling Angel on Earth was the one I gave you as a son, truly showing you how much I cherish you, how much I love you and how much I have honored you.
Love, because the precious son I gave you, he loves you very much, you can't imagine. If one day he opened his chest and let the flames of love he has for you out, he would reduce you to ashes in the same instant.
Yes, truly if it were natural fire it would consume you. Let yourself be loved by this Agape love that I myself have placed in it for you, so that you can truly feel My Love. And then, filled with My Love, may I also radiate My Love to all My children who still do not know Me and that is why they suffer while wandering in this world.

I love you so much and for you I do crazy things of love. Do not fear what has happened to you, the accident that has happened to you, this is the work of My enemy's fury. But the Heavenly Mother is attentive to the Saints taking care of you. This has allowed you to see how much he hates you and how much good you are doing, because he only hates those who truly save souls and are destined for Heaven.
So son, go ahead and fear not, I will guard you and defend you much more vehemently than a lioness defends her cub.
I bless you and I bless all My children who have come to console Me today that I love so much from Lourdes, from La Salette and from Jacareí."

(Saint Genesio) : "My beloved brothers, I, Genesio am glad to come with the Mother of God here for the first time today. I love you very much, I keep you and protect you always from all evil.
I protect and defend you from all Satan's snares, so do not be afraid, in the end the Immaculate Heart of the Mother of God will triumph and all the power of hell will finally be broken and destroyed.
Love Love and live this perfect love by giving the Mother of God and the Lord the loving response of your hearts, so that this love will triumph in the world through you.

Love Love by opening your hearts to this Love and letting that Love reign in your hearts. Do not be afraid of the Love of God, neither of being loved by Him nor of loving Him, because this Love that in the beginning really demands: renunciation, conversion, changing many things in your life, finally leads you to true peace and of the heart and to the total sanctification of their souls.
Love Love, without fear, so that this love, which is the Flame of Love of the Mother of God, can finally carry out in your hearts the great transformation that She so much expects from souls full of Eros love, into souls full of Agape Love, that like burning flames of love will set the whole world on fire.
And continue to pray the Rosary every day, because whoever prays it will never, never be defeated by Satan. And the soul that prays the Rosary will never be enslaved by it.
The devil has never been heard to say that he has triumphed over the soul that prays the Rosary and never will be, because when the soul prays the Rosary it makes Satan afraid of it and all hell trembles. Pray it, the more you pray the Rosary, the more you will be loved by the Mother of God and by Us in Heaven.

I bless everyone and especially you My dearest Carlos Tadeu, whom I love so much, and also protect and defend. Don't worry about what happened to you, this was allowed to you as a confirmation that you truly belong to the Immaculate, otherwise the devil wouldn't bother you.
On the contrary, he would do the same as he does with sinners, he would help you, he would favor you, he would make everything easier for you.
But as you are of the Immaculate hates you and sometimes attacks you, but do not fear much more vigilantly than a parent over a child, We of Heaven, I, am with you and will not let any evil prevail over you. You are strong, remain strong in the love of the Immaculate and with her you will always have victory.

I am your protector too, I am your personal guard who, along with the other Saints, will accompany you. Why do you have so many Saints guarding you? Because you are destined for great things and you are the Father of the one who is all the hope of the Blessed Virgin and who is the son of Her prophecies. Therefore, you must have all Our protection so that you can truly carry out such a great mission that will finally overthrow the infernal empire and make the Immaculate Heart triumph.
I love you and I bless you and I also love and bless you My beloved Leandro, I am your Saint protector, I guard you, I never leave you, whatever you need, come to Me, ask Me and I will offer My merits to the Lord for you and to you. I will get all the Graces.
I bless you all with love from Rome, Jerusalem and Jacareí."

(Marcos) : "See you tomorrow, see you soon Mommy. See you soon dear Genesio."

Jacarei, August 13, 2017

(Eternal Father) : "My beloved children, today I, your Father, come to you on the day of My Feast to bless you and to say again: I love you! I love you with all My strength!

I love you with all My strength, that's why I created you, I took man out of nothing, I called him into existence, I gave him all the preternatural and natural Gifts so that he would be happy eternally and inherit My Kingdom, being happy beside Me eternally in Paradise.
But man, through his selfishness and his wickedness, loving himself more than Me and preferring himself to Me, betrayed My Love, denied My Love, despised all that I had done for him and rebelled against Me.
Even though you sinned and became a renegade child, I did not forsake you, but I sent prophet after prophet to call you back to My house, to call you back to Me. But man continued to rebel and refuse to return to Me.
So, finally, I sent My own Son to call them back to Me, but they didn't want to, they despised My Son, they rejected My Son and they crucified Him. There on the Cross I showed you the greatest Love there is: the greatest Agape Love, My Love for you, giving My Son in sacrifice as a ransom for your souls, as payment for the debt that man owed to Me and which he was unable to pay.
Yes, by handing My Son over to death to save you, I have given you the greatest proof of My Love for all of you. Therefore, I say to you: I love you with all My strength and it is in the Cross of My Son that you can see more clearly how great My Love is for you. Because as My most beloved son Marcos Tadeu said so well: Never has it been said that a father would have put his legitimate son to death to save an adopted, disobedient, ungrateful, rebellious and traitorous son.
And yet, I did this with you, with man, delivering My only son to death so that you could live. I gave My Son to the most cruel sufferings to free you from the horrible sufferings of the fires of hell. What greater love could I have for you?
That is why I say to you: I love you with all My strength and what I want from you is a faithful, loyal, pure and true love like that of My servant Job. Yes, he truly loved Me, in his day there was no man like him: obedient, fearful of Me, faithful keeper of My Commandments, blameless, upright, just.
My enemy asked Me for permission to take everything away from him with the certainty that Job would rebel against Me, turn against Me and betray Me too. I allowed it and My enemy took away his possessions, his children, his house, his wealth and eventually even his health.
And while Job's wife was telling him to blaspheme Me, for him to insult Me, for him to really rise up against Me, Job with all patience and love replied, 'Even if he kills me I will trust in the Lord.'
Yes, there has never been a love like that of My servant Job for Me, with the exception of My most beloved Daughter Mary and Joseph, there has never been a love like this. Therefore I say to you: Imitate my servant Job in true love for Me, because it is this love that I want from you.
Yes, a love that for Me suffers everything supports everything, a love that hopes everything believes everything. Job believed My Word, waited for My providence, and at last, when his virtues had all been tested and proved by My enemy, I then returned to Job twice as much possessions as he had, and crowned him anew with glory and victory. .
Because to the just one who suffers everything for Me and who loves Me mainly in penury, in suffering and does not betray My Love, to him I will give not only twice as much as I gave to Job, but 100 times as much as a reward in the Eternal Kingdom that I am preparing for those who love me.

Imitate, My children, the love of Job for Me, so that you can truly have the love I want, pure love, loyal love, faithful love, scorched love, the love that suffers everything, supports everything for Me, the love that waits in Me, the love that never betrays Me.
In the moments of suffering when they say to you: 'If God existed you would not be suffering now' You must say: 'Even if He kills Me I will trust in the Lord.' Imitate Job and you will truly have faithful, loyal love, a firm and true faith which by Me in due time will be rewarded like Job with victory.

Can't you see what I'm doing with My little son Mark? At the beginning of the Apparitions, he was so poor, he was so persecuted, slandered, threatened by priests, by bad people. However, he trusted Me, waited on Me, and as Job remained faithful to Me. And now do I not crown his perseverance with the confirmation of these resounding signs that I produced here with My most beloved Daughter Mary on his behalf?
Am I not showing everyone the truth of My Apparitions Here with My Daughter Maria and all of Heaven and confirming the honesty, sincerity, integrity, virtue of My son Marcos?
This is how I reward the perseverance, constancy and faithfulness of My righteous ones.
Be like this too and in the end you will see how I will justify you, defend you and crown you with victory before all your enemies.
I went on praying the Rosary of Mary, because through the Rosary of My most favorite Daughter you will come to have the same love, the same trust that Job had in Me.
Continue doing My Hour, because through it I will fill your hearts with a great Flame of Love, the Flame of My Agape Love, which will truly transform you into living flames of love.

Beloved son Carlos Tadeu, how happy you make My Heart being here these two days with My most favorite Daughter Mary. I want you to know that when I told Noah that I would send the Flood to the world and Noah began to build the Ark under My orders, know that in the Ark I revealed your existence to Noah with your son Marcos Tadeu.
And he said to Noah: 'Not only because of your faithfulness, not only because of the Mother of My Son who will one day be your descendant. But, also for the sake of these two most favorite children of Mine, I will not exterminate the world once and for all.
But I will still grant mercy, I will cause the waters of the Flood to descend and come out of the Ark, to repopulate the Earth until in the fullness of time I send the Mother of My Son with Him to Earth to redeem humanity. And then, at the end of time, send these two most favorite children of Mine to finish the work of My salvation with the Mother of My Son.'
That's why my son, rejoice your heart because it was also for you and for my son Marcos Tadeu that I didn't exterminate the human race once and for all. Since you are worth so much to Me with your son, since you are so loved by Me, rejoice with joy, live only for Me like Job and in everything and for everything love Me as Job loved Me. And I myself will bless you in a way that you cannot imagine and through you I will do wonders for the salvation of My children, also filling them with My Love and My Graces.

My Beloved Son Marcos, know that because of you I bless this country, I bless the crops and plantations of this country. Yes, truly, the abundance of your country's plantations is due to the fact that you are here in Brazil, that you were born here and that you love Me and My most beloved Daughter Mary here.

Your obedience to Us, your fidelity, your service, your dedication move My Heart and make Me bless this Country so that it may be as prosperous both in plantations and in other human activities.
There are many sins here in this nation, but I have not taken them into account as I should because of you, and the sins of this nation that should ruin the crops, ruin so many things, do not because of your obedience and faithfulness that stops the punishment they deserve.
My son, if this nation is so prosperous in so many things, it is thanks to you, because of you I bless this nation. For your sake also, I bless this city and I bless all who approach you.
It is quite true that My righteous children of this time are tried like Job, but they will never lack My providence if they approach you with true love, if they know how to love Mary Queen and Messenger of Peace with pure, filial love. And if they also know how to understand love and help you in your mission.

So son, know that much of the abundance that exists here in Brazil is because of you that this happens. If you weren't here, if you weren't so dedicated to Maria and Mim, woe to Brazil! It would be a miserable Earth where, in addition to violence, misery and total chaos would reign.
Little son, since you are so loved by Me, continue to love Me and Mary as you have done with this Supernatural and full Love that you have always had for us. Love us with all the strength of your heart, the more you love us, the more this love will fall on you like a rain of burning fire that will burn even more your soul and all who are closest to you.
I do this so that everyone knows how much I am in love with you, how much I love you and how proud I am, how happy I am to be your Father.
Go and continue announcing our messages today, tomorrow and the day after tomorrow, so that soon when I come with My Son to renew and restore all things I can crown you and declare you My Son before all Nations. .
Go My little prophet, My little Moses, speak to the Nations, exalt My Name, I love you, I will always be with you and it will be I who will speak to My children through you.
I embrace everyone today, on My Feast day, and say: 'This sacred place is the last salvation table, the last and last mercy that I have for you. Embrace it if you do not want to sink and perish. Embrace this grace so that you can truly receive from Me through the hands of Mary, My most beloved daughter, the salvation that I offer you and with so much love I come here to provide you.'
I bless you all, I especially bless My daughter Rafaela Bompianni and Renata Bompianni, who gave Me this immense joy today on My Feast day, confirming the sacred face of My Most Holy Daughter and Her Holy Face.
In doing so, they showed the world not only the truth of the Apparitions of My Daughter Mary here, but they also exalted My Name, they glorified Me because it is I who sent Mary here, it was I who created her and sent her to you.

So, in the truth of the Apparitions of My Daughter here I Am for them, I Am for you glorified. And they in doing so gave Me supreme glory. To these daughters I give My blessing, I promise My help and protection and, above all, My paternal assistance with special concern.
I now bless them and all of you with Love and with Mary of Nazareth, Jerusalem and Jacareí."

(Holy Mary) : "Dear children, today, the 13th, when you celebrate My Feast here, I come again from Heaven to say to you: 'I am the Queen of the Rosary, pray the Rosary every day, so that I can always to fill and fill your hearts with love, with grace, with the fullness of My Flame of Love.'
I am the Queen of the Rosary and to everyone who prays it with love I promise salvation and their souls will not be hit by the rays of God's Wrath, but rather, I will pour out on that soul the abundance of the Lord's graces.
I am the Queen of the Rosary, through the Rosary I prevented the Third World War from taking place in the 1980s. And it will be through the Rosary that I will save the world one last time, freeing it from Satan's domination and renewing the entire world in My Flame of love.
Through the Rosary I will spread My Flame of Love over the entire Earth, accept it, receive it, spread it, transmit it through prayer, through the word, through the Cenacles that I asked you to do everywhere . So that, truly, My flame of Love may form citadels, form fortresses of love throughout the Earth that will finally surround the army of My enemy and make his kingdom fall as if by magic to the ground.

The world will be conquered by Love, My enemy will be conquered by Love, the world will be saved by My Motherly Love, by the Love of God, the Agape and Supernatural Love. Accept this Love, transmit this Love, because it will be this Love that will finally crush satan.
When My Son died on the Cross, he gave the world the greatest proof of Agape Love, the Love that gives itself, sacrifices itself and even dies for the loved one.
It was there when it seemed that He was defeated that He conquered satan and hell. And he won by the force of Love, not by weapons, by Love! And this is also how the world will now be saved: by Love! My Rosary is Love, it is Love that ascends to Heaven, it is Love that spreads over the Earth, renewing hearts, converting sinners.
My Rosary is Love that ascends to Heaven and returns as Love in the form of graces. Therefore, pray My Rosary every day so that you can finally make My Love, My Flame of Love, spread on Earth, renew the Earth, and then the Triumph of My Love will be revealed throughout the entire world. !
I am the Queen of the Rosary and what I promised to My son Domingos de Gusmão I promise you again now: Whoever serves Me every day praying My Rosary will not know the flames of Hell, he will be placed in the midst of the Saints in Heaven and will be declared My Son before God, Angels and Saints.
Whoever prays My Rosary will not have a bad death, an unrepentant death, obstinate in sin, because I will obtain for him all the graces for a sincere conversion and in this way, his soul will be saved.

Whoever prays My Rosary will always have maternal assistance and help in life and in death and will be a luminous flower that will adorn My Throne in Heaven.
Pray My Rosary, the secret of salvation for you and humanity is My Rosary! The more you pray it, the more you will grow in true Love and Holiness that pleases God.

Finally, I say: thank you, dearest son Carlos Tadeu, for coming once again to console and praise Me.
Know my son, that when I was with My apostle John in Ephesus, I was suffering a lot to see the suffering of the Apostles preaching everywhere. I saw their persecutions, I saw the bad guys wanting to kill them.
So, crying blood, I cried out to My Son Jesus so that He would not allow His Work, His Church, the Holy Catholic Faith to be exterminated with the death of the Apostles. My Son Jesus immediately descended from Heaven to console Me and then He said to Me: 'My Mother, fear nothing, Your Tears of Blood, Your Supplications and Your Pain have moved My Heart.
Not only will My Faith not be extinguished, but in the future all these sufferings of Mine, Yours and My Apostles will generate great children, great souls who will love Us very much and will help Us to save souls and establish Our Kingdom on Earth, above all, these two servants who see now.'
And then, My Son Jesus showed My Son Marcos and he showed Me to you, you, My son Carlos Tadeu. You cannot imagine the great comfort I felt at that time. And then My Tears of Blood became Tears of Light like translucent gold, like the most brilliant gold. And then My Heart was filled with joy.

My comforter, go ahead taking My Messages and saving all My children, you are the fruit of My Sorrows and the Sorrows of My Apostles. Go ahead and honor the Sorrows that drew you to God, the Sorrows that made you a knight of Mine and a knight of the Lord. The Pains that brought you close to Heaven, to the door of salvation.
Go My son and proclaim My Words without fear! Continue to love your son Marcos with Agape Love, who is the great Gift of My Heart for you. And he will also continue to love you with My Flame of Love, so that in his Love you will feel My Love and how great is the Love of My Son Jesus for you. I place My hope in you.
Go son, I want you to do the Cenacle next Friday in honor of My little daughter Bernadette, so that all My children can not only love Her more, but know Her more and imitate Her virtues. So that, becoming other Bernadettes in Love for Me, I may there, in your city, triumph and do wonders for them as I did through My little daughter Bernadette in Lourdes.
On the last Friday of that month you will rest. I want you to have a day of rest so that you can then with renewed strength attack... truly attack the kingdom of My infernal enemy, overthrow him, recover the souls he took from Me and bring them back to My Heart.
Little son, I love you so much, in the love of My son Marcos, one day you will feel how great is the Flame of My Love for you. For now, keep saying all the Prayers I've given you.
Today, with My Little Shepherds of Fátima here, I bless you and I bless all My children of Fátima, Lourdes and Jacareí."

(Saint Filomena) : “My beloved brothers, I, Filomena, bless you all today and say: Be, be truly topaz, beautiful topaz, brilliant topaz that reflect to the whole world the beauty of the Lord, the beauty of Our Immaculate Queen living in the true love as I have lived so that the whole world will be enchanted by the Lord, love the Lord and truly surrender everything to the Lord.
Be topaz of love, living every day in prayer, in the spiritual meditation that forms, that makes your souls grow, that beautifies your souls. So that everyone, seeing and knowing your spiritual beauty, falls in love with the Lord, who thus beautifies you and forms you, makes you grow in love and with love all surrender their hearts to the Lord and to Our Immaculate Queen.
Be topaz of love, looking every day like me to live only in love for Jesus, dedicate yourself to Jesus, suffer for Jesus, love Jesus with all the strength of your heart.
Living like this, doing like this, you will truly be topazes of love like Me, who with their beauty will enchant souls and make all of them also want to be topaz of love for the glory of the Lord.
Be topaz of love, living every day in holiness, as the Lord wants. Get ready for His return, for He is at the door, it is only half an hour before the Day of the Lord for Him to come and for Him to flood the whole world with His Glory. He will purify the whole world by fire, he will pass all nations and every man through the fire and whoever is not pure gold will be discarded, he will be thrown away.
Therefore, dear brothers, be the pure gold of holiness and love for God, be true topaz of love for God, so that truly in that day you can be accepted in the presence of the Lord to be declared His children by Him.
Keep praying the Rosary every day, don't be afraid of anything, in the end the Heart of Our Most Holy Queen will triumph!

Beloved brother Carlos Tadeu how much I love you!
Know my beloved brother that when I was incarcerated for those 40 days that I was in Prison, when My Most Holy Queen appeared to Me, She also revealed your existence to Me. And she asked Me to firmly endure all the martyrdoms that awaited Me and offer them for the propagation of the Catholic faith, for her victory, for the salvation of souls and especially for you.
My Most Holy Queen declared to Me that I would be your spiritual Mother and that I should have a special care for you and protect you with special care. I accepted and then My Most Holy Queen asked Me to offer the Martyrdom of Arrows especially for you.
When I was shot, although I felt a great pain with the arrows piercing my organs I offered everything for you, everything for your good, for your salvation. And for you to be truly holy, to be filled with all the graces of the Lord and of Our Immaculate Queen.
Know my beloved brother, that I have loved you for thousands of years and in My martyrdoms I have given you My great proof of love for you by accepting the pain of those arrows and offering them all for you.

Since you now know that you are so loved by Me, you must fear nothing because I am truly your friend, your spiritual Mother, your Advocate and with Me always... you will always have protection, consolation and shelter.

Today I bless you with love and I also bless you little Joyce, yesterday Genésio revealed that he was the Saint protector of your uncle Leandro. Today I solemnly reveal: I am your Holy Protector, invoke Me, love Me, always recommend yourself to Me and I will always help you and help you with My Graces of Love.
I am also your Holy Protector, most beloved Djallys, turn to Me, come to Me always and I will always cover you with My Mantle and His Graces of Love.
To all who are here and to these Scapulars of Mine offered to Me with so much Love I now bless from Mugnano, from Rome and from Jacarei."

(Marcos): "Dear Heavenly Mother, can you be kind enough to touch these Scapulars and Rosaries that we made for the protection of Your children?"

Jacarei, August 19, 2017

(Holy Mary) : "Dear children, today, when you rejoice at the result of the analysis of My Holy Face, made by My dearest daughter Rafaela Bompianni, I say to you: My Face is Love and everyone who looks at It will receive little little by little My Flame of Love. Contemplate Her, pray before Her and My Gaze of Love will little by little fill her hearts with Love.
Truly I say: whoever contemplates My Holy Face and who enthrones It in their homes will not be struck by the rays of God's Justice. But first, he will receive divine mercy in abundance.
May this Face be known throughout the world by all My children and may all of them come before My Holy Face to ask for Graces and they will receive them in abundance, above all, Peace.
Keep praying My Rosary every day, with it I will always enkindle you with My Flame of Love. Expand your hearts every day with the Rosary, with works of love, with My Flame of Love so that it grows more and more in your hearts.
Keep praying all the Rosaries that I asked you here, through them I will always give you more graces of love and the Lord's mercy to the world.
I thank My beloved children from Salesópolis who came walking here today, praying and doing penance.
Thank you dear children, thank you for this sacrifice, you saved 289 thousand souls with this sacrifice. Thank you, may you now be blessed with the abundance of graces from My Immaculate Heart.

And on all My beloved children who are here too, I pour out My blessings of Lourdes, Fatima and Jacareí copiously."

(Marcos): "Yes, see you soon. See you soon, Mom."

Jacarei, August 20, 2017

(Mark) : "Forever be praised! Yes, yes I will.
Yes, yes, I will. Yes, I will."

(Holy Mary) : "Dear children, today I call all of you again to Love, to Supernatural Love, seek this Love through deep prayer. Open your hearts to

Supernatural Love through a firm will and a great desire to have this Love, to possess it, to live it and to give it to everyone.
If you have supernatural Love you will supernaturalize all things, you will live Agape Love even in the smallest actions, even in the smallest attitudes of each day. And you will purify everything that you do, everything will be purified and sanctified by Love.
Pray My Rosary every day, because with My Rosary you will truly live Agape Love in all Its fullness. And you will truly give the world the true, perfect example of true love.

I also ask you My children, that you disclose to My children 10 films from the Life of My Son Saint John Maria Vianney.
It is necessary for the world to know, to know the life of My Son. I already asked this this month and I ask you again: That you give 10 films of his life made by My dearest Marcos, who obediently made this film for you. So that My children may know a perfect model of the true Agape Love that they must follow.
I want you to also give 10 films from the life of My Daughter Veronica Giulianni, because in her life too, Agape Love, Supernatural Love shone like never before. And imitating it all of you will be able to live the Agape Love perfectly, and thus, radiate My Flame of Love to all hearts.

When Agape Love, Supernatural Love, Divine Charity enters a heart, it takes it, fills it completely and everything that a person does, he does for love of God and love of neighbor. Your goals and your intentions are above the earth, your goals are like God's, the eternal goals. And everything that person does with a view and with the end in view, the good of the next, the eternal happiness of the next and radiate the Divine Love to the next.
If you have this Love My children, then you will do everything... everything with Supernatural Love and your actions will give glory to God, will give glory to Me and will touch the hearts of your brothers making them know the essence of God which is Love.
Here where I have given My Holy Face to you, I want you to contemplate It many, many times, because through It you will feel My presence, you will feel My Love, you will understand the Agape Love that you must have.
Your hearts will open like flowers to receive the rays of that love and then, truly with this Love, with your hearts full of that Love you will radiate that love to the whole world and the world will believe in the true God who is Love!
I bless you all from Lourdes, from Montichiari and from Jacareí."

(Marcos) : "Dear Heavenly Mother, can you bless these Scapulars that we made for the protection of your children?
Thank you Mom." "See you soon."

Jacarei, August 27, 2017

(Holy Mary) : "Dear children, today I call you all again to Love. You will not be able to feel God, you will not be able to unite with God until you have true Love, Supernatural Love, Agape Love in your heart.

So that you can have that Love, cast out of your hearts all love for worldly things, all inordinate love of yourself and your will, so that you can finally have room and place in hearts for Supernatural Love.
Do not forget, little children, that without prayer you will never be able to feel or have the true Love that is a Gift of God and at the same time a Virtue. Only with prayer will you be able to receive the Gift of Love, of Charity, of Supernatural Love. And only with prayer will you be able to have the strength to practice Love as a Virtue, the Virtue of Charity.
That is why My children, pray, pray, pray until Love is born in your hearts and you are Love, live Love and spread Love to all creatures.

Keep praying My Rosary every day, because through it I will always make this true Love grow in your hearts.
Pray the Rosary so that you can truly convert, because you are in the last half hour of God's day. And soon My Son will come to judge the living and the dead and to give to each one according to his works.
And woe to those who do not have good works in their hands to give in return to the Lord for the many graces He has given you.
Therefore, pray the Rosary, pray a lot so that you can produce fruits of Supernatural Love to give to My Son and thus obtain from Him the possibility of entering His Eternal Kingdom of Glory and Love.
How I want My children to know My Apparitions in Knock, in Genoa and in Vicenza. How many of My children do not know these Apparitions of Mine that My most obedient son Marcos revealed to you, made known to you through the Film Voices from Heaven 9 .
I therefore want you to give 10 of these films to 10 My children who do not know these Apparitions of Mine. So that My children can see how much I have loved the world, how much I have loved My children over the centuries.

How much I have done for them, how many Apparitions I have made on Earth, how many graces I have brought. How many punishments I barred, how many epidemics, how many plagues I annihilated with My Apparitions, saving millions of My children and preventing the human race from being extinct from the face of the Earth.
Yes, I have always shown My Love to My children, especially when they needed Me the most, when they suffered, there I was, appearing on Earth to tell them: Do not be afraid of anything My children, because I will be with you, with you every day and I will protect them.
I want My children to know My Love and thus come to Me to receive My Flame of Love from Me and in this way I transform the entire world into My Maternal Kingdom of grace, beauty, peace and Love.
I bless everyone with Love, especially you Marcos, the most obedient and dedicated of My children and also your Spiritual Father Carlos Tadeu, My most obedient son who has done everything for Me, everything to make Me known and loved and to whom I I love you with all the strength of My Immaculate Heart.
I bless you all with Love from Knock, from Genoa and from Jacareí.”

(Holy Mary) : “As I have already said, wherever these Rosaries, Scapulars and objects arrive there, I will be alive, carrying with great love the greatest graces and blessings of the Lord.
To all I leave My Peace.
Goodnight. Rest in the Peace of the Lord.”

(Marcos) : “See you soon, Mommy”

Jacarei, August 28, 2017

(Saint Jude) : “Beloved brother Carlos Tadeu, today I come again to give you My Message, to bless you, to say to you: I love you with all My Heart, I love you with all the Flame of Love that Jesus and Mary placed in My Heart.
I am your protector, I am your guardian, I am your friend, I am your companion. I miss you, always come before Me to open your heart, to pray, to surrender to Me all your difficulties, sufferings and problems . To also receive from Me all the peace and all the love of Heaven!

I am with you in every moment of your life and I never, never leave you, I never leave you. I wish you to continue to tell all people about the great power that I enjoy with Jesus and Mary in Heaven, so that people can turn to Me with confidence and so they can receive not only great graces from the Lord, but also His Light, Your Holy Spirit, Your Flame of Love.
Beloved brother, know that I once returned to Jerusalem from one of My apostolic missions, was passing through the city when I was appointed as one of the Apostles of the Crucified One.
The enemies of the Christians, the Jews who persecuted Us, surrounded Me with sticks so that they could kill Me. But My Most Holy Queen Mary Most Holy, who knew everything, prayed for Me and then I miraculously disappeared before them and was placed in the Upper Room safe from that rioting mob.
However, at that moment when I was surrounded and I found myself with no way out, My Heart suffered great anguish because I did not fear death, but rather, I feared dying without having finished the mission that the Lord had entrusted to Me. So, I offered to God that suffering of Mine for your intentions so that in the future you would really be the great Saint that the Mother of God desires.
And may all the graces of Heaven be given to you so that you can fulfill your mission with full love and full obedience to the Lord.
You also know that once when I was walking through the cities of Persia preaching the Gospel, certain magicians and sorcerers challenged Me by inviting Me to a feast.

At first, they seemed to want conversion, to want the Gospel of Our Lord Jesus Christ, but what I didn't know is that they had poisoned the food they served Me. And then, when I drank that deadly drink, I knew it was poisoned and so, once again, I begged My Most Holy Queen to help Me.
She came and appeared to Me, giving Me the grace to escape that deadly poison unscathed. This fact caused many who were present at the banquet to be converted.
But those priests remained hardened in their heathenism and hardness of

heart. They then dragged Me out of the place where we were and picked up stones to stone Me.
Some of them actually touched Me causing Me great pain. I was well prepared for Martyrdom and I was offering all this for you when My Most Holy Queen appeared to Me to encourage Me again, to free Me from their hands because I had not yet completed My task, My mission.
I disappeared from before them and was placed safely by Her in another place where I continued My preaching. All this beloved brother, I offered for you that I love more than anything. See how great is My love for you, go ahead, always trusting in the love I have for you and in the power of My merits with the Holy Trinity.

Always invoke him and through these merits I will give you great graces, offer them and ask the Holy Trinity for graces through them and they will be abundantly granted to you.
Above all, go on loving the son that the Queen of Heaven herself gave you and who will be a source of great and limitless graces for you.
Above all, he will be the channel through which your sanctification, your perfection and your salvation will be truly accomplished by the Lord. And you will be great in the Kingdom of Heaven, taking there with you many, many souls converted and sanctified by the Cenacles of Prayer.
Yes, beloved brother, you have the love of the Blessed Virgin, it is yours, you also have the love of your beloved son Marcos, you have My love.
You must therefore feel happy and greatly enriched by the Lord, for to you He has given far more than to many generations of the past, and to you He has favored far more than to many kings and sages of the past.
Rejoice your heart, vibrate with joy because your name is written in Heaven, it is written in the Heart of the Mother of God.
I bless you with great love now and I pour out My graces of love upon you."

(Mark): "See you soon beloved Saint Judas Tadeu."

Jacarei, September 2, 2017

(Marcos) : "Yes, yes I will. I will.
Glad you liked it, next week I'll do the others. Yea."

(Holy Mary) : "Dear children, today again I call all of you to live Supernatural Love. In order for you to have this love in your heart, you must seek ever more intimacy with God in prayer.
The Lord established that all His Graces be given to man through prayer, including the greatest of all: the grace of Love. If you do not pray, you will not be able to have this Supernatural Love in your hearts and therefore your souls will always be far from Love and therefore far from God.
Get closer to God who is Love by praying with the heart, praying the prayer of Love! In this way, you will be able to truly open your hearts to receive in them, the Supernatural Love, the Love of God. And then, God Himself will come to live in your hearts and give the world His Love.

Pray My Rosary every day, because through it more and more, I will fill your hearts with Divine Love, the Love of God. My children, only in the heart that prays can there be Love. Because the human being does not pray, he does not have the Love of God.
Understand that this love will only be born in you when your life is pure prayer, prayer of love. May your hearts have only goodness and love, so that through your goodness and love, My children and the whole world can know and feel My Love.
I wish you to give 10 Hours of Peace 74 and 10 Hours of Peace 75 to My children who do not yet know these Hours of Prayer. It is necessary that My children know the Messages and Meditations recorded by My son Marcos in these Hours of Prayer. Give them to all My children, I ask you!
And in this month of the Anniversary of My Apparition in La Salette, may you all also give 10 films La Salette nº 1, 10 La Salette nº 2, 10 La Salette nº 3 to My children, so that they may know My Apparition, La Salette's Secret.
And so, My children, hasten your conversion, because we are in the last half hour of God's day and now it is no longer possible to sleep in the sleep of indifference and sin. It is necessary for everyone to convert and quickly reform their lives by praying more and living more towards heavenly things and less towards mundane and material things.
I bless everyone with Love and especially you My little son Marcos, who today with the new Rosary of Mercy that you recorded, nº 58, has deeply consoled the Heart of My Son Jesus and My Heart, giving My children to know our Messages and also the life of My son Saint Nicholas.
To you and to My beloved son Carlos Tadeu, who with his Cenacles has continued to remove many thorns from My Immaculate Heart, a son I love with all My Love, with all My maternal affection and I bless all My children now Fatima, Puilaron and Jacareí."

(Marcos) : "Dear Heavenly Mother, can you touch these objects and Rosaries that we made for the prayer and protection of your children?"

Jacarei, August 03, 2017

(Mark) : "Forever be praised!...
Yes... Yes, I will yes... Yes, I will.
And how do you want me to do it?
Yes... I understand...
Yes I will ma'am... Yes... Yes...
You don't need to thank me for all my pleasure and all my joy is doing things for you.
You know how happy I am every time you order me things, because nothing makes me happier. Knowing that I can do something for you, that you suffered so much with Jesus for me, for my salvation and that you were always so kind, so loving to me.
Yes... All my joy has always been to do Your Will.
Yes... I will".

(Holy Mary) : "Dear children, today I call you all again to Supernatural Love.

In order for you to have Supernatural Love, you must not only expand your hearts through prayer, but also through retreat and silence, where God will truly inspire His Grace in you, give you the good desires to practice the virtues. And where He will truly become your intimate Friend who will whisper to your heart through good inspirations about what you should do.

In retreat and recollection, the soul silences the heart, the voices of the world move away from it and the soul then becomes able to hear the voice of God who always speaks softly. And in a way that only those who are silent can hear, that is: Feel His Will, understand His Will, understand His Plan of love.

Make recollection and silence, so that your disordered being returns to order and peace, and is able to hear the Voice of God.

Without peace, no one can feel either God or Me, or know Our Will. And your hearts can only have peace if you get away from the hustle and bustle of the world.

Religious can do this more easily, as their life provides them with many moments of prayer and recollection. For lay people this is already more difficult, because today's world absorbs them, demands and enslaves them a lot. But even they, even you My children at night, when you arrive at your homes, be silent, collect yourselves, so that in silence you can feel the peace that is necessary to be able to understand the Will of God, My Will, and what the Lord want from you.

Only in the silence of prayer and recollection will your disordered heart become orderly and willing like a good land, to listen, that is: to understand what God speaks to you through My Messages and Meditations.

Hasten your conversion, because time is running out! Many think that because I keep repeating that time is running out, that I am just deceiving, or, as you say, deceiving you.
But no My children, I tell you this because a sincere conversion, and a perfected and finished holiness takes time and you continue to sleep in the same mistakes and defects without improving. Try to pray more and truly work in your souls, leading them to holiness and perfection. Only in this way will you be able to be crowned with the Crown of Eternal Life when My Son soon returns to you in glory.

I want you to give all My children Hours of Peace #74 and #75 as I asked yesterday, 10 of each Hour for ten My children.

I also wish you to give this wonderful film of the life of My servant and most favorite son Saint Benedict, whom I loved so much and which I favored so much with Graces. His life is a bright sun in this dark time. His life, so full of prayer, love, and holiness, is a shining example that all young people should follow.
I want you to make My son Benedict better known and loved by everyone, especially by young people, so that, as happened in his time, today too many

young people want to follow him through a life of prayer and total consecration to God in Religious Life.
And so I can have a great following of souls consecrated to God, who with their prayers and their lives totally dedicated to divine service, be the lightning rods of the punishments of God's Justice and the magnets that attract new graces and blessings from God for all.

Yes, every religious soul, every soul consecrated to God in the Religious Life is that. So is My little son Marcos.

It is no wonder that this State of São Paulo, where My son Marcos was born, lives, and where he talks and converses with Me, it is no wonder that this State is so blessed by Me, so enriched with blessings in crops, in business , in industries, and great prosperity is in the cities.

All this, all these blessings from God and Mine are poured out in this State because of My little son Marcos, who has been here for 26 years, loves Me, serves Me, with prayers, sacrifices, work and obedience every day of his life.

Yes, his love attracts these blessings. Every Film, every Rosary, every Chaplet of Mercy, every Hour of Prayer, every Upper Room, every beat of his heart totally dedicated to Me, every day of his life, draws these abundant blessings upon this State, that's why in it there is so much abundance. and so much wealth.

I wish that there are many consecrated souls, who with their lives full of prayer and dedication to the Lord, to Me, attract great graces and blessings to the whole Earth.

Therefore, make the life of My son Benedict known , and many young people have fallen in love with him and through him, for the Consecrated Life, and will give their “yes” to the Lord.

I wish that you all also give 10 Thirds of My Immaculate Conception nº 2 to 10 of My children. In this way My children, they got to know My Messages better, they got to know My Immaculate Heart better, and My Grace will descend upon them and the entire Earth.

Expand your hearts through recollection and silence towards God who is Love, and then your hearts will know Supernatural Love, they will live this Love and they will be able to radiate spreading this great and true Love to others.

Only those who pray deeply, those who meditate, those who collect themselves in silence and in prayer can receive Supernatural Love and then give it to their brothers and sisters.

Be love, live in love!

I bless you all with Love now, and especially you My little son Marcos, who has consoled Me so much with his works, He has consoled Me a lot with the new

Chaplet of Mercy nº 58 that you made for My Son Jesus and for Me. You took out 94,000 thorns that were stuck in the Heart of Jesus and Mine, when you made this Rosary the day before yesterday.

My Son, thank you for that, keep doing these Meditated Rosaries and Hours of Prayer that so please Me and comfort Me.

Yes, you are My comforter and you are not of today. Because at the time of the Presentation when I presented My Son Jesus in the temple and Simeon prophesied that My soul would be pierced by a sword of Sorrow, because My Son would be placed as a sign of contradiction, of salvation, and of ruin for many, and would be dead. My Heart felt such great Pain that if the Most High had not supported Me at that moment, I would have died of Pain.
This Pain was so great and marked Me so deeply, that only in My Assumption into Heaven did it leave My soul definitively. At that moment, Beloved Son Marcos, the Lord showed Me you in a mystical and supernatural vision and your future fidelity, work, service, dedication and love to Me, consoled My Heart and also consoled the Heart of My Divine Son Jesus Christ.
This great consolation followed Me throughout my life and especially on the heights of Calvary, together with the consolation that also gave Me the knowledge of your spiritual father Carlos Tadeu and his fidelity and love for Me. You with your life, your fidelity, was the great consolation I had, the only consolation I had in the midst of so many torments that I suffered with My Son on top of Calvary.

So rejoice and continue to be My comforter!

The sign of My Luminous figure accompanying you in the procession of this Sanctuary, confirmed by My beloved daughter Rafaela. It is consolation for you and a sign of how much I love you, I am grateful to you for everything you suffered and did for Me. And how much in your person, in your work and in your work, I increasingly reflect My great Light and My Flame of Love, which will be all the stronger as darkness and evil envelop all souls and all humanity .

Keep praying My Rosary every day, for it I will triumph in your lives and I will finally give you definitive Peace.

I bless you all with Love from Fátima, from Montichiari, from La Salette and from Jacareí."

(Marcos) : "Dear Heavenly Mother, can you bless and touch these rosaries and objects that we made for the prayer and protection of your children?"

(Our Lady after blessing and touching the Sacramentals) : "As I have already said: Wherever one of these rosaries or pictures arrives, blessed and touched by Me, there I will be, alive, bearing the great Graces of the Lord and pouring out these Graces over all My children.

They will feel Me there alive, showering Graces on them.
I promise to keep your bodies and your homes in the Three Days of Darkness, wherever these rosaries and these paintings touched by Me go.
I bless you all again and leave My Peace.”

Messages communicated in the Apparitions of Jacaré, year 2019

JANUARY

01.01.2019 - Message from Our Lady Queen and Messenger of Peace

“Dear children, today, when you celebrate my feast here as the Mother of God and also celebrate the Day of Peace here, the day of the Universal Confraternity for Peace, I come from Heaven again to say to you: I am the Mother of God! I was chosen to be the Mother of the Savior and, therefore, I was raised to the greatest dignity that exists after being God, that is, the dignity of the Mother of God. Therefore, no creature will ever be able to equal me in glory, in dignity, in holiness, and also can never be equal to me in the degree of love with which God loved me and with which he made me his worthy mother.

I am the Mother of God, and that is why I come from Heaven to say to all of you: Open your hearts to me so that my divine son Jesus Christ can be born in your hearts, because my mission to generate my son Jesus did not end 2000 years ago, it continues today and will continue until the end of the world, because it is my maternal mission to generate my son Jesus mystically in each of my children throughout the world until he grows up and in you the fullness of stature and holiness.

It is my maternal mission to make my son born and grow in all of you, so open the doors of your hearts to me more and more, through prayer, meditation, sacrifice, penance, by your yes to the will of the Lord. and also at my will, that I may guide you every day quickly and surely to holiness.
I am the Mother of God! Therefore, I reign over my son's heart and he cannot deny me anything, absolutely nothing! Therefore, whoever wants holiness, whoever wants to call it love in all its intensity, whoever wants wisdom in all its depth, whoever wants the gift of piety and the fear of God in all your depth, come to me, ask me for all these graces and I will surely obtain from my divine son all these gifts, all these graces.

I am the Mother of God, therefore I reign over my child's heart. I loved God so much that God became my son. I was so united with God and so close to the Lord that he became my son and I became his mother, I became pregnant.
I loved God so much and God loved me so much that he made me his mother. Therefore, where I am, my son Jesus is and where he is always I am also, to make him born and grow until the fullness of holiness in the hearts of my children. So my children, come to me in this new year! Open your hearts to me like never before, so that I can pour out my flame of love on you, because

the time I have now, is more and more scarce, my hour is almost tolling and soon my voice will be silent. , therefore, open your hearts to me... Decide for me, decide for my plan of love while I still have time to guide you along the path of holiness.
Yes, you must re-read all my messages, you must also re-read all my life, re-read Imitation of Christ, re-listen to all the messages I gave you here, re-watch all the videos of messages and of my appearances that my little son Marcos made for you, so that you can truly remember all that I have said to you and put it into practice, now that my great battle against my enemy is going to its final phase.
If soldiers do not continually feed on my word, how will they have the strength to resist in the hour of martyrdom? At the time of the chase? At the time of ordeal? At the time of pain? At the time when all the elements of heaven and earth will be shaken by the punishments that will befall them all? What strength will you have?

So take my messages, watch them, listen to them, read them all over again, take the Rosary and pray, pray, pray! Pray with the heart, pray the mental prayer that ignites your hearts with the flame of divine love and warms you with my own flame of love, fills you with the wisdom and knowledge of the Lord, so that my children, you can truly, in this new year, reach the fullness of holiness that I came here to seek and that the Lord expects from all of you.

Thank you for coming and staying here all night praying, singing, contemplating my life and giving thanks to the Lord with me for the year that has passed and for this year ahead. Pray even more intensely my children, because in this new year I have great graces to give you!
You too will have great trials to face, and those who do not pray will not endure; and because they have not endured and persevered, they will, they will be truly blotted out of the book of life, they will truly be blotted out from the book of life.

Therefore, my children, I ask all of you: Do not be reproved through your fault, do not be reproved by your negligence and laziness. Work intensely for the sanctification of yourselves and of all my children. They go all over the place, doing the cenacles and prayer groups I asked for.
Now, more than ever, I wish that on the 1st of each month, you pray the Rosary of my Immaculate Conception, taking with you my image of wisdom with my son Jesus. Contemplate my divine motherhood, tell all my children about this dogma of mine, this great glory of mine, this great dignity of mine, so that finally my children understand my greatness, my value and how much God loved me, so that May my children be filled with trust in me, turn to me with love so that I can help them with the graces of my love.

I bless you all now, especially you my little son Marcos. Thank you for the sacrifice of your headache offered yesterday, on the last day of the year to me. With that intense headache, you saved 367,519,000 souls, many of them were dying, some were sinners, and still others, my son, were souls who were in purgatory.

Thank you for offering this sacrifice each day. If you hadn't done that, that tsunami this week would have been a lot worse, that tidal wave punishment would have been a lot worse, and a lot more people would have died. Thanks to you, I was able to make it smaller! Continue to offer to lessen the punishment that the world deserves for its crimes and sins and to obtain great graces from the Lord for the world, especially for your homeland.
To you, in whom I always find so much love and docility to my voice, to my will, to you, my son, who with the new Rosary of Mercy and the new Meditated Rosary, also helped me to save so many thousands of souls, and to all my children who work for me and with me, now, I bless with love: from Fátima, from Caravaggio and from Jacareí."

Our Lady after a short pause:

"I am the Mother of God! I reign in heaven! I reign over my son's heart! I was raised to the greatest dignity that can be given to a pure creature, the dignity of the Mother of God.
God loved me so much that he became my son. Therefore, I reign over my son's heart, and under my authority all things are subject, and in a certain way even God himself, for my son does not deny me anything, therefore whoever I want to save and upon whom I set my merciful eyes of love and predilection, this shall be saved!
Happy are those who place themselves under my gaze, those who conquer my heart with works of love, with sacrifices of love, with the yes of love, because I will reach this one from my son and give him Eternal Life!"

Our Lady after touching the religious objects presented to her:

"As I have already said, wherever these rosaries, pictures and holy objects arrive, there I will be alive carrying the great graces of the Lord. I bless you all with love now, once again, so that you may be happy and I leave you all my peace."

Marcos Tadeu: "Yes, I will be my Queen. I will!"
See you soon!

06.01.2019 - Message from Our Lady Queen and Messenger of Peace

“Dear children, I come again today to call you to true love.
Imitate the love of my visionaries and the people of Pontmain, answering “yes” promptly to Me, as they answered, and as my little son Mark explained to them so well.

Oh! If the people of the whole world knew about my appearance of Pontmain and the example of the people of Pontmain... If there were at least one person who spoke about Pontmain, like my little son Mark, in every church, chapel, in every house, well soon regions of the entire earth would be healed spiritually and fall in love with the Lord.
But the true apostles are missing... The true workers are missing, the true souls in love with the Lord and with me, scorched and ignited by the Flame of Love, who bring all this to the knowledge of my children.

Be those apostles, my children! Be you my missionaries of love who carry the truth, taking the knowledge of my apparitions to my children and making everyone truly become flames of love, and the world becomes a furnace of love.
Yes, it is necessary to imitate the love of the people of Pontmain.

The love that is true does not refuse. True love is not denied, on the contrary, it is given! The love that is true doesn't demand, it hurts. The love that is true does not withhold, it surrenders, it gives!
That's what my people of Pontmain did to me. I didn't want to hold back, keep their lives for themselves, but they gave me their lives, generously, to help me save France and the souls of the whole world. That is why the miracle of my merciful and loving heart took place, saving France from war and, even today, saving it from so many evils and dangers and saving so many souls throughout the world.

If you have this love that doesn't withhold, but gives itself... That doesn't keep, but offers itself... That doesn't demand, but gives itself, gives; then you will truly become the powerful instruments of my Immaculate Heart to save souls, like the people of Pontmain. Above all, my children, also imitate the example of fervent prayer of the people of Pontmain. When my visionaries told them that I was sad because they were talking and not praying, they understood immediately and started to pray. And with prayer, all good came to them, all the grace of the Lord. The war was won, peace triumphed and came to all, blessing in abundance!

Little children, imitate this example and pray...pray...pray! And then, all the blessing of the Lord will come upon you. I will bless you, I will bless the world and I will give you all, finally, peace, my peace.
Pray the Rosary every day, which is a sure way to conquer and keep peace.

Always be “yes” as my people of Pontmain were for me. And then, in you, I will be able to do the wonders of my Immaculate Heart and I will transform you into luminous beacons to illuminate the face of the earth.

Go my children! Make the cenacles. Make the prayer groups I asked for, always further away, from house to house, taking my messages to my children who don't know them. Do not stop! Don't stop talking, because good souls, elect souls exist, and only you can bring these chosen souls my love, my grace that will sanctify them and fulfill the Father's plan in them!

Forward! Make the cenacles, especially every 17th. Make a cenacle in honor of my apparition in Pontmain, showing my children the video of my apparition, so beautiful, that my little son Marcos made, so that my children know Pontmain, obey my message from Pontmain, and like the people of Pontmain, may finally receive from me the grace of peace and the Lord's blessing.

Give this video of Pontmain to 18 of my children, so that they know me, love me and through me, know my son Jesus crucified that I brought in Pontmain, and thus, offer your lives to unwrap My son Jesus from the cross , who is crucified every day, every day for so many sins that humanity commits... He is mystically crucified again. And so, the good and generous souls, with their lives full of prayer and love, can untie my son from the Cross, and thus, can give him: Comfort, love, affection and the true devotion that he expects, the true worship he expects from all of you.

I am the Sorrowful Mother who comes from heaven to call you to conversion and to say to you: Convert my children, truly, because when the anger of the Lord, justly inflamed by the sins of the world, falls, it will be without warning!

Like John the Baptist in the desert, like the voice crying in the desert, I say to you: Convert! Convert without delay. So, as in Pontmain, I defeated the mighty enemy army, so too, in the last battle I am fighting against my infernal enemy, only I will come out a seller.
Hope! In the end I will triumph and bring everyone a time of peace. Make yourselves worthy of this new time, living all my messages in holiness.

I bless you all with love, and especially you, my dearest son Marcos.
For every soul that has been touched and will be touched by the video you made of my appearance in Pontmain, for every soul that has converted and will convert and will open its heart to me, so many other crowns of glory I will give you in heaven.

Thank you, little son, for making this appearance of mine known, here in this country, where it was virtually unknown. How many souls turned their hearts to

me for this movie you made! How many prayers were made after him, for those who did not pray. How much hope and comfort I gave to my children's hearts, so that they would persevere and not be discouraged in this time of great tribulation... For all this, you are and will be blessed by me, abundantly. And as many souls as are helped, touched, converted and saved through this video you made, there will be as many crowns of glory and stars that I will give you in Heaven.

I bless you and I bless you too, my dearly beloved son Leandro. Congratulations! You and my son! My favorite son! I chose you from your mother's womb! You are mine!
I love you with all the strength of my Immaculate Heart, and I will never leave you.
Persevere in the path of holiness on which I have placed you, and to which I have called you. Persevere, my son, every day: in love, in obedience, in prayer, in the true fear of God, who is the source of true wisdom. If you persevere, you will be wise. If you persevere, you will be holy. If you persevere, you will be pleasant and beautiful in the eyes of the Lord. Never forget that I am in heaven always praying for you.
And much more, much more than the skin joined to your flesh, I am close to you, always listening to your prayers. Pray, pray, pray. Persevere in the yes and help my son Marcos to raise my sanctuary and make my powerful army here.
You were born for this and that is the purpose of your existence. My enemy tried in many ways to take him away from me, to take him away from me, but I triumphed! And now my son, persevere, persevere together with the privileged soul to whom I appear and to which I entrusted you, I entrusted you to him.

Persevere, so that I can truly crown you with the beautiful crown of glory that I prepare for you every day in heaven. Don't forget: I am your mother and I will never leave you! My Immaculate Heart and this sanctuary will be the luminous road that will lead you to heaven.

I bless you and all my beloved children with love now, from Pontmain, from Pellevoisin and from Jacareí.

Peace Mark! Peace my beloved children! Peace to you too, my beloved son Leandro! Peace! Mom loves you so much, and Mom will never leave you."

Our Lady, after touching the religious objects presented to her:

"As I have already said, wherever any of these holy objects that I have touched, there will be with me the great graces of the Lord. I will be alive and acting powerfully to protect and help my beloved children.

I bless you all again now, so that you may be happy, and I leave you Peace. Hope! In the end my Immaculate Heart will triumph! As I triumphed at Pontmain, I will triumph here, I will triumph all over the world!"

07.01.2019 - Message from the Sacred Heart of Jesus and Our Lady Queen and Messenger of Peace

"My beloved children, I, Jesus, the Sacred Heart, come today with my Most Holy Mother again, to say to you: My Sacred Heart will soon triumph! He will crush my enemy forever and establish my kingdom of love in the world. But until then, you have to fight, you have to fight against all the forces of evil. It is truly necessary to fight the good fight.

Fight the good fight every day with the weapons of faith, love and, above all, trusting prayer. Pray, ask and you will receive. Seek and you will find, knock and it will be opened to you.

Therefore, pray for the conversion of all poor sinners, for only prayer can open the door of mercy for them and close the door of perdition. Only prayer can open the door of salvation for them and close the door of condemnation.
Pray for the conversion of sinners. Oh! If you only knew how many sinners are converted when you pray the Rosary. Yes, a great luminous rain of grace and salvation falls over the whole earth, touching so many hearts hardened and obstinate in sin and opening them to the rays of my love and grace.

You must always pray for the conversion of sinners... You must pray continually, my children, because although many sinners are touched by my grace during the prayer of the Holy Rosary and the Rosary and Holy Hours that my mother taught you here, many sinners later after a time walking in my grace, they fade away; the flame of love in their hearts goes out, their hearts harden, my Holy Spirit goes out and, again, my enemy enters with all his darkness...

Yes, how many souls look back at Sodom and Gomorrah, look back, go back to the world and despise my love again, piercing my heart and my mother's heart with the most painful sword of her ingratitude.
Therefore, it is necessary to pray continually for the conversion of sinners, because many turn back. Only your prayers can bring them back to my flock, to my Sacred Heart, where they will be healed and saved by my merciful love.

Therefore, pray, pray without rest for souls, so that those who have not converted will convert and those who have converted, but have returned to the world, return again to my arms.

Fight the good fight, my children, every day, making sacrifices of love, offering fasting, abstinence from what you love most and, above all, the mortification of your will, renouncing it and doing my will so that you can truly grow in holiness, in true love, be saved and also save many, many souls.

Yes, fight the good fight, making the prayer groups that my mother asked for everywhere, so that my grace and my love can reach all souls and I can truly make them grow every day. days on the path of true holiness and true love that pleases me, my heavenly father, who gives joy to my mother.

Fight the good fight every day, making war on your defects, fighting them and trying to uproot them, one by one, through effort, emulation, asceticism, sacrifice and self-denial, contempt for others. yourselves, the world and your will, in order to finally overcome yourselves, overcome the world and grow in holiness before me.

Fight the good fight now it's time to fight! For only those who fight will be crowned. The lazy, the spiritual vagabonds, the timid, the fearful, the complacent, those who love themselves more than myself, will not receive the crown, for they refused to fight for me and my mother.
Fight the good fight like my true soldiers so that you may be worthy of the crown I prepare for you.
Soon, I will come to an end to this combat, to this war my children! Soon, I will come to give the prize to those who fought and fought for me. But woe to those who are like the barren fig tree where I looked for fruit for so long and did not find it... Truly, I will command my servants, they will cut it down and throw it into the fire that will never be quenched.

Do not be like this barren fig tree! Bear fruit, my children, delicious fruits of conversion and sanctification in your life and in the lives of others, trying to convert them and bring them to me.
Oh yeah! Whoever saves a soul predestines his own! Whoever saves a soul truly predestines his soul to the eternal glory of Heaven!
Oh fight, fight my soldiers and do not hide. Open your heart to my flame of love that must now, through you and your heart, spread from nation to nation. Soon, I will send earthquakes so strong that they will shake the earth in such a way that human beings will wish they were not born to see what will happen.
I say this with tears in my eyes because I don't want to punish humanity. But this one obliges me with its crimes and its daily sins that I can no longer bear: Communism, abortion, murders, injustices, wars, killings, offenses, sins upon sins, adultery, betrayals, fornications... Oh no! ... I will cleanse the land and clean in a way never seen before!

So that you are not affected by the holy wrath of the Lord, you must convert! Be truly converted and make my messages and my mother's messages known to everyone!
Today marks another month of my appearance with my mother here. This time is a time of grace and mercy for you. Take advantage of it, my children, because one day, I say, you will cry tears of blood, wishing that this time would come back to you, but it will never come back. Woe to those who now do not do good works to acquire merit to be worthy to enter heaven. They will want to work to gather merit for themselves, but the time for merit will have passed!
Then I will come and give to each as he deserves for his work. So I worked! Work for me and for my mother, for your salvation, for the salvation of your brothers; work to lay up a treasure in heaven, and I say to you, where your treasure is, there your heart will remain forever.

Work, open your hearts to welcome my love and the love of my mother, which is so great. Oh! If only you could understand the greatness of my love and the love of my mother! If only you could understand what our apparitions here mean to you! What is this love that chose you, that attracted you, that predestined you and that here, fills you with so many blessings and so many graces. Oh if only you could understand... You would cry with joy, day and night, and you would not stop praying to thank me and to thank my mother.

Pray for the light of my Holy Spirit so that you may be able to understand. And then, from your heart, a river of gratitude and love will flow for me and my mother and your hearts will feel the need to love us much more, to console us much more, to make amends for us, much more to repair our sins. and offenses made against us, will feel the need to give themselves more for us, and even to consume their lives for us.
Only prayer can make you love! Only when prayer comes out of your heart and is alive like fire, will your hearts have the feelings and desires of love for me, to love my mother, to love me, and truly, to live in love for me and by my mother.

Pray the Rosary every day. Whoever prays the Rosary is saved, whoever does not pray is condemned.
Pray the Meditated Mercy Chaplet that our beloved Mark makes for you every day, because those who pray this Mercy Chaplet will not be struck by the rays of my Father's wrath due to their sins. But upon them I will pour out the rays of my mercy abundantly like a copious summer rain, during life, and especially at the hour of death.

Truly I say that he who prays the Chaplet of my Meditated Mercy will be guarded by me, my mother and my angels and hell will have no power over him.

Make the apparitions of my mother known to everyone. This month, I want you to give 19 videos of my appearance with my mother in Quito, Ecuador to my daughter, Mother Mariana de Jesus Torres, to make our pains, our painful messages, known to all our children. And also give 22 videos of my mother's apparition in Pontmain to those who don't know her. Yes... I'm still crucified, I'm still nailed to that red cross that my mother held in her hands at Pontmain.

This cross is the cross that men give me every day for their forgetfulness, their ingratitude, their sins and, above all, their omissions, their laziness in doing good, in doing my will and the will of my mother.
Untie me from this cross by working for me, for my mother, and truly giving me the comfort of the balm of your ardent, fervent, constant and laboring love.
I bless you all with love now: from Pontmain, from Dozulé and from Jacareí."

Message from Our Lady Queen and Messenger of Peace

"Dear children, today marks another month of my appearance here with my son Jesus and all of heaven. I am the Queen and Messenger of Peace and everyone who invokes me with this name will receive great graces from me.
Make, every month, together with the Septune that I asked you for many years, a small Septune praying three Hail Marys, invoking me as Queen and Messenger of Peace, drinking water from my Miraculous Fountain, or else, drinking the water that must stay in touch with my Medal of Peace while saying the three Hail Marys; and I promise to grant many healings and many graces to those who do.

I come before my son's coming to say to you: convert without delay, for anyone who is not white as snow, with a purified soul before my son, will not enter the kingdom of heaven.
Accept the sufferings, the crosses and the work of each day and offer them as penance, as reparation and expiation for your own sins, to purify your souls. Thus, you will be yellow roses of penance and reparation that purify the world of sin, purifying first you, and then the souls for which you must also do penance.

Do penance my children, for the punishment is very close! Astro Eros will come and when he approaches Earth, he will influence the behavior of the planet. It will cause many volcanoes to erupt, both old and new, which will appear where you least imagine. He will also cause the Earth to shake with

very strong earthquakes, in fact, as strong as 50 earthquakes combined! It will also influence Earth's gravitational power causing many phenomena. It will make the sky as red as fire, my children, and many will die of fear, of the most horrible fear! Oh yes... The moon will also move and it will influence the Earth.

Yes, there will be many phenomena... The sea will rise in many regions of the Earth... There will be hurricanes, cyclones and tornadoes in many regions that will destroy everything! Added to this, there will also be a great plague of poisonous animals...
Yes... There will be many punishments... All this will be the most terrible that has ever been seen because humanity remains deaf to the messages that I have given it for so many centuries.
Oh yeah! Humanity continually pierces my heart with its disobedience to my messages. How long has my heart been bleeding, because my children are lost every day in greater numbers and there is no one who works to help me save them...
Oh... How many thorns climb to my Immaculate Heart every hour for the sins committed by this humanity rebellious to God...

Oh yes... The tears that fall from my eyes are so voluminous, they are so numerous that there is no container in the world that can contain them! Oh yes... There are so many tears, so many..., that with them I could even fill dams... How many centuries have I cried for my children, for how many centuries have I suffered for them; and they only pay the love of my Immaculate Heart with their ugly ingratitude.

How many despise me, preferring to give their love to creatures and denying their love to me, judging me unworthy of their love... For all this, my heart suffers my children, for all this, my heart bleeds and it is for that my son will do justice to himself and me and will allow the most horrible punishments to humanity. Only penance and prayer can save the world. Do penance! Do penance, which is the only thing that can transform justice into mercy.
Pray my Rosary every day.

How many thousands of times have I told you this, but you don't believe me! When you pray the Rosary my children, the power of Satan diminishes over you, evil and worldly things and even the temptations of Satan weaken in your souls, and you feel good, desires and feelings grow within you. of love for God, of loving God, of serving God, of obeying God, of living in love for God alone and of giving life to God, grow in their hearts.
Pray the Rosary! Pray my Trezena! Pray all the Holy Hours that I have given you, but with your heart! So that truly, these prayers, can make you grow in true love for God.

Renounce every spirit of lukewarmness and torpor in prayer. It is the devil that makes you feel sleepy, tired, hungry and distracted in prayer. Through this he wants to dissipate you in prayer so that you do not receive the light of my heart and of the Holy Spirit that I want to give you. Renounce it! Fight it by praying with your heart.
Without effort, no one can overcome Satan. Without self-effort, no one can beat himself.

Therefore, fight! Fight like my true soldiers, and also, teach and help others to pray from the heart and to be ignited by my flame of love.
My flame must now truly set the whole world on fire. Therefore, my children, transmit my flame of love to all hearts, opening yours first to it, and then, taking it mainly to my children who are farthest from me.

Burn with my flame of love, praying every day with your heart.

Burn with my flame of love, doing penance every day.

Burn with my flame of love, sacrificing yourselves, striving, doing violence against your corrupt and rebellious will, every day, so that you can do the will of God.

Burn with my flame of love, praying ever more deeply and intensely.

Burn with my flame of love, always trying to do more for the Lord, more for me, and thus, forgetting and despising themselves to live only in love for the Lord and for me.

Finally, burn with my flame of love, repeating like me, incessantly, to the Lord, “yes”, your will be done in me! In this way, my children, my powerful flame of love will triumph in you and in the whole world, and then, my son Jesus will establish in the world his kingdom of love and peace.

They go! Take my messages! Give 40 videos of my appearance here that my little son Marcos made for you, which contains my messages and my signs, from the beginning, so that my children who don't know me, know my love, feel my love and surrender to my Immaculate Heart saying: yes!

I bless you all with love now: from Fátima, from Pellevoisin and from Jacareí.”

Our Lady, after touching the religious objects presented to her:

As I have already said, wherever one of these rosaries and holy objects arrive, there I will be alive carrying the great graces of the Lord.

I bless you all, and especially you, my dearest son Marcos. Thanks again for sacrificing your headache from last night. She saved 302,498 dying souls, sinners and souls from purgatory who were freed and flew to eternal bliss, where they will intercede and pray eternally for you!

Thank you my reparative soul, my atoning soul! Thank you for helping me save my children's souls. Oh! How many punishments this sacrifice also removes from the world, how many...

Last week, 9 punishments were prepared to fall on 9 nations. You, my son, canceled these 9 punishments. It is necessary that you continue to offer, because there are many punishments that have already been decreed on the guilty nations. Offer, always offer so that we can reach the grace of forgiveness, mercy and more time for everyone to convert. I bless you and I also bless you, my most beloved son Carlos Tadeu. Today is the day of the month that I give you my special message, here it is:

Message from Our Lady Queen and Messenger of Peace to her favorite son Carlos Tadeu

"Beloved son Carlos Tadeu, today my Immaculate Heart exults with joy and blesses you with love. Thank you little son, for the cenacles you have made for me. They comfort my heart so much, they comfort the Sacred Heart of my son Jesus so much .

You must continue, because these upper rooms, too, give great joy and satisfaction to the Eternal Father. Because of these cenacles, he forgets a multitude of sins which his ungrateful children commit against him.

Keep making these cenacles, my son; and now, this month, tell my children more of my apparitions. If need be, lower the thirds a little and show my children more of the films of my appearances.

Speak, meditate on my appearances with them, help them to understand and correctly interpret my messages, so that, filled with understanding, they can truly bear the fruits of wisdom, which are: prudence, the fear of God, piety, temperance, justice and love.

Thus they will grow in holiness and in favor with the Lord, and they will give the Lord and me great glory, great joy, and great satisfaction for the love of their hearts.

My son, read, read the second book of the Imitation of Christ, because there are great
lights reserved for you. Also, read again, the second volume of my life in Mystique City of God, especially the chapters in which I ran away
to Egypt. There is great light for you my beloved son.

Glad your heart, because I gave you a son who loves you immensely and who suffers for you, every day, in your place, to reach for you the great graces that, truly, are difficult for those who are in the world and who unfortunately he doesn't have much time to pray or to consecrate himself to God.

Yes, he suffers in your place, so that you don't suffer, he suffers in your place so that you do not suffer, and feel in your flesh, that, those pains that you might suffer in the future, but he takes them for himself, because he loves you more than himself.

Therefore, rejoice your heart, because I have truly given you this son who is even willing to give his life for you and has already shown it. So you can feel my love in his love and understand how much I love you and how much I said, that in all your sufferings I would be with you, I would help you and I would never leave you.

Yes, through the love of my son Marcos, you can understand this and feel this, feel how much I am the painful mother who suffers with you, who suffers for you and who in my son Marcos, offers herself, sacrifices herself with him for you, to obtain for you every good and every grace.

You must therefore rejoice, my son! Yes, you should rejoice, because this is love and this is the victory and triumph of my love in your life.

Pray more during this month of January the third of my flame of love. Through him I have great graces to give you. I want to increase my flame of love in you. Above all, pray the prayer that has been given to you to increase my flame of love in your heart, twice a day, and so my son, I want and will much more burn your heart with love.

Do not fear! Mom loves you and Mom is always by your side, covering you with the Lord's mantle of love, peace, grace, tenderness, protection and salvation.

I bless you and love you forever. Now, I pour out on you all the abundance of my maternal graces of love."

13.01.2019 - Message from Our Lady Queen and Messenger of Peace

“Dear children, today I come again from Heaven to tell you: I am the Lady of Hope! I am the Lady of Pontmain!
I come from Heaven to give you hope and to say: my Immaculate Heart will finally triumph! At the end of the great battle that I am fighting against the infernal dragon, my eternal enemy, only I will emerge victorious. So have confidence and hope. Fight with the weapons of faith, love and hope against all forces of evil.

Fight with the weapons of faith, exercising your faith every day, doing many acts of faith in God, also in me, so that we can truly increase the flame of true faith in you.

Above all, in the trials, in the sufferings, in the difficulties of life, exercise faith as I exercised, putting it into practice, trying to put your faith in action, in work, especially when you are tested with the trials of contrary appearances. time, open your hearts, expand your hearts with faith to trust in the Lord, to believe in him and to remain firm and unshakable in your faith in the Lord even in the midst of great tribulations.

Fight with the weapons of love, trying to expand your hearts every day, more and more, serving the Lord more and more, also serving me your mother, helping me in my plans for the salvation of humanity and enlarging, dilating hearts of you, always more, with the prayer that gives you the holy desire for holiness to love God more, to love me more, to love souls more also and to do and suffer everything for their salvation.

Fight with the weapons of love, renouncing yourself, your will, and saying yes to the will of the Lord, and also, yes to my Immaculate Heart to fulfill my plan of love.
Fight with the weapons of love, trying at all times to transmit my love, to give love and to be truly sacrificing love, sacrificial love until the end!

Fight with the weapons of hope, always thinking about Heaven, always thinking about the place that Jesus and I have prepared for you in Heaven and exercising the humble hope of one day reaching it.

Fight with the weapons of hope, expecting everything from God, as if nothing depended on you, and at the same time, doing everything for God, as if nothing depended on him and everything depended on you.

Fight with the weapons of hope, trying every day to lift your hearts, your thoughts to Heaven, your thoughts to me for many meditations, many prayers made with the heart, above all, for the mental prayer that so burns their hearts and makes them desire Heaven, makes them want Heaven, makes them more and more aspire to Heaven and renounce everything in order to reach Heaven.

Fight, my children, with the weapon of perseverance which is also the fruit of holy hope. Whoever waits perseveres in the service of the Lord to reach the crown of eternal life and the heavenly abode that is awaited. Therefore, fight with the weapons of perseverance, so that, persevering in love, always renouncing everything that the world offers you, renouncing all the temptations of the devil, all the will of your corrupt self, you can truly to become worthy of the crown of eternal life and of the abode that my Son prepares for you in Heaven; and so, by perseverance and hope, you achieve the final victory.

Finally, fight with the weapon of self-denial, despising yourself, renouncing yourself, forgetting yourself to give yourself totally to me, totally to the Lord, to help me save souls, and so my children, completely dead to yourselves, completely dead and crucified to this world, you can live the true and only life for God, for me, so that through you I can save many, many souls.
Imitate my children of Pontmain, who gave me their “yes” from the first moment of my appearance, and in that yes, they persevered throughout their lives. Yes, imitate that "yes", imitate that obedience, imitate that loving perseverance in my service and in my love, and through that perseverance of yours, through that "yes" and that love, I will make my flame of love reach so many hearts of so many of my children who need me, who need to know the cause of salvation for the universe, which is me.

With my “yes”, I brought the Savior, I closed the chasm between you, between humanity and the Lord. With my “yes”, I brought the redeemer who, dying on the cross, reconciled everyone with the Father. I am therefore the cause of the salvation of the world.
Therefore, I can and I want to help all my children to reach salvation. If you give me your “yes”, my flame of love will radiate with such power that nothing will be able to stop it, and then I will make my motherly light reach all hearts, even the most distant and hardened in sin; and then it will be the triumph of my Immaculate Heart.
Unfortunately, I cannot do that because so many hearts are closed to my love, they do not accept my flame of love, and that is why my flame of love cannot be transmitted to all souls.

Give me your “yes”, so that I can finally make my flame of love reach all my children, so that everyone can see the light of God and be saved!

Make the secretariats I asked for. Many have not yet done so, because of this, my messages are always repressed with the same people and do not reach my children who are far from me. Make the secretariats. Work in an organized and effective way so that my messages reach all my children to the ends of the world.

I, my children, count on you to make my flame of love finally dethrone Satan from the hearts of so many of my children, where he entered and where he sat as king... I want to dethrone him from the hearts of my children, and only you can help me expel him and regain my throne and my son's throne in the hearts of so many... So many of my children.

So go... Work and take my messages in an effective way, so that while there is still a little time left, my children can be saved by the light of my Immaculate Heart that here I poured, I translated, I materialized, in the words of my messages...

Pontmain is the land of Hope... Yes, my children, there, in that place, I gave you a very strong sign of hope: to console you in the difficult times that were about to arrive for humanity... This 20th century, which spiritually still continues until today...

Yes, you are still suffering the consequences of Russia's mistakes, the diabolical mistakes that my enemy introduced into humanity and spread to all corners of the world. Only with a great power of prayer, with prayer groups and the dissemination of my messages, will my Immaculate Heart be able to triumph.
Therefore, go my children, make the cenacles, make the prayer groups so that my Immaculate Heart may triumph and bring you a time of peace and love, that my Heart and the Heart of Jesus, prepare with affection all the days...

Look at Pontmain in difficult moments and see the woman clothed in the sun, who alone, with the help of tiny children, defeats a great army that was about to take and destroy Pontmain, and be filled with hope my children, because the same mother of the hope that saved Pontmain is here! And she laid out an infallible plan to save each one of you and all of humanity.

In moments of suffering and discouragement, look at Pontmain, look at the woman, the woman clothed with the sun, clothed with stars, crowned with her son Jesus in her hands, who defeats a mighty army alone and with the prayers of little children... And then, you will recover hope, courage and joy.. Because that Lady who defeated a powerful army alone will win this last battle, this last war that she is fighting and that affects all of you. And this same woman, clothed with sun, clothed with stars, will lead all her obedient children to glorious victory! Hope... Prayer... Sacrifice...

Pray my Rosary every day, and with the Rosary, ask for the grace of boundless love for me, for Jesus and for the salvation of souls.

I bless you all with love and especially you, my dearest son Marcos, who obediently made my appearance in Pontmain known to so many of my children who did not know me.
Do you remember, son, when I told you to make a video of my appearance in Pontmain? You didn't even know where Pontmain was, or what Pontmain was and I told you exactly how to spell Pontmain so you could find it..

You made the film of my appearance and oh!... How much you comforted my heart! Yes, you took from my heart 797 thousand swords of pain that were stuck in it by the forgetfulness, contempt and disobedience of humanity to my appearance in Pontmain.
Oh!..You took so many thorns out of my heart... So many my son... So many... And that's why I tell you: for every soul, every soul that converts with this film until the end of their lives, they will be so many other stars of glory that I will place around your head in Heaven... There will be so many other crowns of glory that I will give you in Heaven.

Onward!... Don't stop, my son, because there are so many who still don't know Pontmain.
Go and continue taking to my children this appearance of mine and my message, so small and so great, which can save so many of my children, give hope to so many hearts that have already lost all hope.
Go and don't be discouraged, because all your efforts will one day be rewarded by my son in Heaven, and don't be discouraged by the hard hearts of people who don't accept these movies or the Rosaries, or the Hours of Prayer, because although you don't know and don't even see, in silence and in hiding, I prepare fervent souls, made of pure fire, that when they know these Rosaries, these movies you made, my Hours of Prayer and my Trezens, will turn into incessant flames of love with you here... And then, I will have my Sanctuary,

the Sanctuary more scorched, more on fire and burning in my burning flame of love, and then, I will triumph in Brazil, I will triumph in the whole world.

Forward... Go look for these souls for me and bring them all to me...
I bless you, my tireless warrior, whose love attracts me, consoles me and mystically unites me with you in a single flame of love. One day, one day my children... One day I will triumph and my mystical light that I brought to Pontmain and Jacareí will shine and the whole world will then surrender to my motherly love and proclaim me Queen of the Universe, Queen of the World, Mediatrix, Advocate and Co-Demand of all humanity.

Forward!...I bless you my son and I also bless you, my little son Carlos Tadeu. Thank you for the cenacles you have made... Go on and tell all my children about Pontmain, so that they pray with their hearts, with perseverance and with the hope that the Mother of Heaven will triumph in the lives of all the children who say “yes” to her, the Mother of Heaven will triumph and crush Satan and Brazil and the world will be mine, they will belong to my son Jesus and you will truly know the triumph of my Immaculate Heart...

Onward my faithful servant, my beloved son and my soul hunter... Go with the son I gave you, go with the privileged and industrious soul that I gave you as a son... Go... Go save souls for me, go hunt them and bring them all to my Immaculate Heart...

Forward my son, you are my hope and in you, my gaze rests, my heart rests...
I now bless you and all my beloved children with love: from Pontmain, from Lourdes and from Jacareí.”

Our Lady, after touching the religious objects presented to her:

“As I have already said, wherever one of these rosaries or holy objects arrive, there I will be alive taking great graces from the Lord...
I bless you all again so that you are happy and especially you Marcos... I know you suffer, you are discouraged when you see hard hearts that don't want the Rosaries, don't want the Meditated Rosaries, don't want the Hours of Prayer, don't want the movies or anything you do... I understand, because I also suffer when I see so many souls despising the death of my son... Despising everything he and I suffered for the salvation of all... but I say to you: no be discouraged...I am for you! I and your mother love you! Even when people don't understand you... Even when they don't help you or even when they don't

appreciate what you do to save themselves and their families, don't fear I'll be with you! And in the future, I will even send souls to comfort you, souls on fire with love that will not only comfort you but also

Trust... I and your mother who never, never failed you, I will not fail you and I will send you truly warriors who will help you and with you will truly bring to the Lord, to me, a superabundant harvest...
Forward my warrior, you always fought against everything and everyone, against all hardness of heart and always went over everything like a true warrior... Forward you will not lose the fight and don't even lower your sword! Onward knight... Fight! Fight without ceasing that soon a great army of warriors will arrive and help you to bring to me the souls that I want to save so much...

To all I leave my peace and my maternal blessing now, with my special blessing and indulgence to all my children who help my son Marcos to make my Pontmain appearance known, through the film of my Pontmain appearance. .."

JUNE

2019-06-09 - Message from Our Lady Queen and Messenger of Peace

(Marcos): "Yes, I'll do Mommy... I will...
Yes, it's been a while since I've seen this film by Pontmain and I'd already forgotten how beautiful it is! How good it really is to see the places of the Apparitions of the Lady in the movies... At least for me, it does such a great good, such a great good for my soul.
Yes, I want to, but for that you will have to make my creativity come back and what was blocking it. leaving...
Yes... Yes... Yes I will..."

(Holy Mary): “Dear children, today I come from Heaven to tell you all: The Holy Spirit will come! He will come at a Second Pentecost to renew all things. He will come, not in a spiritual way, but in a truly divine, miraculous and physical way as happened the day I was with the Apostles in prayer in the Upper Room. Our eyes saw him, our ears heard him, we saw the tongues of fire that came out of him and landed on each one. We feel his power filling our whole body, our whole soul with his divine and mighty grace.
In the same way as that time, the Holy Spirit will come again, but this time not to a small group of believers, but to all humanity. To the righteous, he will

come to finally unite with them in a divine and spiritual marriage. He will come to give them the reward for their good works, for their labors and for everything they have done for me in this time while my Apparitions still last.
He will come to finish the work of sanctification begun by me with my extraordinary Apparitions throughout the world and to lead the flock of the faithful that I jealously guard in the fold of my Immaculate Heart, in the fold of my heart to a great holiness for the greater glory of the Father, of my Son Jesus, of the Holy Spirit himself and the triumph of my Immaculate Heart.

To the wicked the Holy Spirit will come to judge and to give them according to their evil works. He will make the wicked see all their lives spent without God, all the time they have wasted in worldly things, in the pursuit of their own will and the satisfaction of their own desires.
It will show each one the darkness that each one has allowed to grow in the heart, and they will experience a remorse of conscience so great that they will say to the Earth: “Swallow us!” And they will say to the mountains, “Fall on us and bury us forever!”
Yes, for those it will be a terrible day, my children! If you don't want to be one of those unfortunate ones, do God's will now. Be generous, renounce your own selfishness and your own will. Offer your lives generously to the Lord, to his service and to me to help me save souls.

Sanctify your time on earth with holy works in the service of the Lord, for on the day of reward, great will be the joy of the righteous when the Holy Spirit gives them the reward for all the works they have done for God, for Me and for salvation. of the brothers.

The Holy Spirit was poured out on all of you in baptism and you all have it and can bear the fruits of its grace. Don't be like the evil servants who bury the talents that the Holy Spirit has given them and don't make them multiply. But be good servants who multiply talents to give the Lord all of them a hundredfold when he comes.
Then your joy will be great, my children. The Holy Spirit with his mighty fire will burn the whole face of the earth, purge all the evil that exists in it: he will purify it, renew it with the mighty breath of his mouth, and then he will make a new heaven, a new earth and a new humanity prepared and formed by me dwell in the world. Then it will be true peace, the peace of God. God will again be served and worshipped.

Pray! Pray the Rosary every day so that you, my children, can be prepared when the Holy Spirit comes.

Create in your hearts docility to me. The Apostles allowed themselves to be docilely guided by me in those days that preceded the descent of the Holy Spirit in the Upper Room. They listened to my advice, did what I recommended and asked them, allowed themselves to be led by me on the path of prayer and the result was that they received the Holy Spirit with a much greater intensity and profusion than if they had waited for him alone without me.
Imitate them in docility to me, letting yourself be guided by me in prayer, doing everything I ask of you with love. Because in this way, you will truly please my Divine Spouse, the Holy Spirit, and you will truly be considered worthy to be inhabited by him in your heart and soul.

Pray, my children! Because the war between me and my enemy will intensify even more. His attacks to weary you, to weary the righteous will increase. But those who are solidly grounded in me, in my messages, will not fall, will not collapse under the crushing weight of the trials that will now come.

Those who are solidly established in my will, doing what I want, doing what I ask, unanimous with me in the love of God, in the love of my Son Jesus, in prayer, in the virtues, will not fall.

Therefore, my children, every day create in your hearts the likeness, the union, the likeness with myself, imitating my virtues and the union with me, trying to have in your hearts my flame of love, my feelings and always renounce your will and docilely do mine.
Only then, when you are unanimous with me in love, in prayer, wanting what I want, doing what I do, feeling what I feel, will you truly be one with me in my flame of love and then nothing can separate us.

Pray! Pray my Rosary! Because the danger of the Third World War has not been removed.

This week pray 9 thirds of the Hail Mary asking for Peace for the whole world.
Give, my children, 10 Chaplets of Mercy Meditated #108 to my children who do not know this wonderful Chaplet. You need to pray it! The meditations contained therein must be known to all my children.

Also give 10 films of my Apparition in Pellevoisin and in Cotignac in France, the film Voices from Heaven nº 18 that my little son Marcos made for me with so much love, for my children who don't know me.

It is urgent that Pellevoisin be known and Cotignac too, and that my children learn to dedicate their lives to me as my daughter Estelle Faguete and my seers did to publish my glory to the whole world.

I also want you to give 8 films of my Apparition to my little daughter Mother Mariana de Jesus Torres to my children. It is necessary that my messages given in Quito are urgently known, above all, by my children farthest from me... And that they pray for 4 days the Hour of Peace 41 and give this Hour of Peace to 6 of my children that I love so much and so much comforts my Heart. A work of art of true love that my little son Marcos, my angel of love on Earth, made for me. In this way, my Heart will triumph in Brazil and throughout the world and I will finally be able to give the world Peace.

Pray! Prepare yourselves with a holy life for the Second Pentecost that is already at the door. A few more seconds of the last half hour of God's day have passed. Hasten conversion, my children, before it is too late! I don't want them to suffer in the future, I don't want to lose them, so: Pray! Pray! And pray!

I bless you all with love, especially you my little son Marcos... Thank you so much for sacrificing your headache every day this week. As you were suffering more, besides physically, morally, psychologically, your sacrifice tripled in value and you saved 900 thousand and 50 souls*. *(Nine hundred and fifty thousand souls)

Yea! And you obtained for my son Carlos Tadeu 229 blessings that throughout this month and next month I will pour out on him and, above all, on the 7th of each month and on the first Saturdays. I bless you with love and never forget: TO SUFFER IS TO LOVE, AND TO LOVE IS ALL BEFORE THE LORD!
I bless you with love and I bless all my beloved children: from Pellevoisin, from Pontmain and from Jacareí.”

(Holy Mary after touching the holy objects): “As I said, wherever one of these rosaries, images arrive, there I will be alive, taking with me the great graces of the Lord.
I bless you all again so that you may be happy and, above all, to you Marcos, who not only with the Hours of the Holy Spirit, but all the Hours of Prayer you made for me, all the Films, Meditated Rosaries and everything you produced for me throughout your life, you have prepared good souls for the Second Pentecost... You have truly prepared the way for the Second Descent of the Holy Spirit, Apostle of the Holy Spirit, temple of the Holy Spirit, knight of the Holy Spirit.

Forward! Never forget: For me and for the elect! Never get discouraged! Always move forward! I will be with you and I will never, ever leave you!
Forward son! There is little left for the descent of the Holy Spirit.
What I said to the Apostles I repeat to you: There are only a few days left for the Descent of the Comforter. Don't be discouraged! Forward! He will come and comfort them.
I repeat the same to you: It is not long before the Consolador comes! Don't be discouraged! Soon the Spouse of his soul will come, he will embrace her and comfort her like his embrace, with his divine kiss of love.

Not long until the Second Pentecost! It's not long before the Consolador comes! Forward! Take comfort in the hope of the Comforter!

I, your Comforting Mother, bless you and all my children and leave my Peace to all."

Jacareí, June 30, 2019 – Message from Our Lady Queen and Messenger of Peace

(Marcos Tadeu): "Yes... I will, Mommy."
"Yes, I will... Yes... As you wish, I will..."
Message from Our Lady Queen and Messenger of Peace
"Dear children, today I invite you all, once again, to the prayer of the heart. Without prayer God's grace cannot rain into your lives...
How necessary prayer is now! In these bad times, when the world has become a great cold desert, without God and without his grace, only prayer can make God's grace rain again on so many souls that have already become arid and icy like a desert. .
The youth has finished turning away from God and hardening their hearts to the Lord; families have ended up moving away from God and sinking into materialism, hedonism, adultery, atheism and so many things that transform families, which were once true gardens of saints, into a barren desert where nothing lives... live for God!
The Church has ended up being obscured by the smoke of Satan who has introduced into her the errors of communism, Protestantism, ecumenism,

transforming the Church, my most beloved daughter, into a leper...

Humanity has ended up sinking into the swamp of sin, of rebellion against God, from hatred of his law, and now she lies dead on the ground, not knowing where to go and what to do to save herself. For this, for this reason, my children, you must multiply the Cenacles of prayer everywhere to make my children pray, for just as breathing is the sign that your body is alive, so also prayer and devotion to me, the Rosary, is the sign that your soul still lives in the grace of God! It is alive for the grace of the Lord!

So go! Make Cenacles everywhere! Make my children pray the Rosary! So that the air of grace can once again penetrate their souls and they can truly live for God in a new life of love with God.
I have multiplied my extraordinary Apparitions throughout the Earth, to make this dead humanity come back to life! And I offered her the safe and quick means to make her relive: prayer, especially the Rosary; the penance, the sacrifice, the practice of my messages that makes the soul in a short time leave death and come back to life.

Go, my children! Go and take my messages to all my children. Do not be discouraged in the face of hard hearts! I said this to my son Marcos this week and I say it again: The ground of this nation is very dry and hard. That's why my son Marcos suffered, suffers and will still suffer a lot to make my messages bear fruit here and become like Medjugorje, like Lourdes, like Lichen... But, one day he will succeed and you who fight with him they will too!

So be persevering! You will be required, as was required of my little son Marcos, great courage, great inner strength, great courage and IRON perseverance to achieve this... But if you have it, you will succeed.
Also ask for the grace of resilience for you, my children, this grace that my little son Marcos has and that if you also have it, you will overcome all the vicissitudes and setbacks of life... And you will know how to overcome everything and keep moving forward despite all. You will truly adapt to difficult situations and you will know how to find a way forward. Therefore, ask for the grace of resilience for you, little children, and also, ask for the grace of final perseverance without which no one can be saved.

I am with you and this war, which has been going on for so long between me and my enemy, where you are continually attacked by him who wants to destroy you, your families and even the world you live in, this war is about to end. Keep praying... Be patient!... It's the last fights now and you can't retreat nor abandon your weapons... because otherwise you will be easily defeated by my enemy and everything you have conquered so far will be lost .

So onward, my children! Forward! Onward in this great battle! The Woman Clothed in the Sun who laid out her infallible plan against the enemy knows the last maneuvers she must make to win the war.

Forward! Go and give five films of my Apparition in Medjugorje, this film Voices from Heaven 12, that my son Marcos made for me and that touches my heart so much and consoles me so much, to five of my children.
Also, I ask you to give five Rosaries of Mercy number 108 and also five Hours of Peace number 47 to my children. May they pray, my children... May they pray! Only these Hours of Prayer can save these children of mine who have already hardened their hearts so much that if it is not a great and intense prayer, they will not be able to pull them out of the darkness where they are...
Go and give all this to my children so that, finally, they can get out of Satan's clutches and all return to my loving arms as a mother who waits for everyone with love... here... to bless them, save them. them and give them to God like a beautiful bouquet of flowers.

Go, my children, and give two thirds touched, blessed by me, to two strangers. I want to save sinners, I want to convert them, and through these rosaries I want to free them from all the influence of Satan.
I bless you all with love and say: The war has already advanced a few more seconds and, in this half of this year, it will advance further! Satan's attacks will increase... But my graces will also increase to defend and support all those who trust and fight for me.

Fight for me and I will fight for you!

I bless you all with love and especially you, my dear son Marcos. Thank you so much for the 30,000 records you recorded for me from my messages, apparitions around the world... from my Rosary, from the Rosary of Mercy, from the Hour of Peace, in short, from all these Hours of Prayer that I love so much. With every record you made, that you recorded for me, a soul was saved and a gold coin was added to your mystical treasure in Heaven.

Rejoice, my little son, because with this you have also obtained 30 thousand graces that you will be able to receive throughout this year and, even, you will be able to make them receive all the people you ask for.
And I already know... I already know what's in your heart... As I already knew what you would ask of me, that soul that you love most in this world, the father I gave you, will also receive a good part these graces and these blessings... I have destined 12 thousand blessings for your father, my son, and all the others if you also want to offer for him, it's up to you.

Help the souls in Purgatory! Help the dying and the sinners with all these graces. It is in your power to help them! Above all, help my servants who throughout the world suffer so much persecution, humiliation and injustice because they spread my messages and are not afraid to proclaim me in public. Help my children and I, my child, tell you that in Heaven you will not only have a treasure in gold coins, but also in thousands of souls who will sing forever with you the glories and thanksgiving to the Lord!

I bless you with love now, my servant, the most obedient of my children, the most dedicated and hardworking of my servants in whom my heart always finds: comfort, fidelity, loyalty, dedication and love... And I bless all my children here: from Lourdes... from Medjugorje... from Lichen... and from Jacareí."

Holy Mary after touching the religious objects that were presented to her:

"As I have already said, wherever one of these rosaries and images arrive, there I will be alive, taking with me the great graces of the Lord. Go in peace, my children! Read the entire book of proverbs and also read all the messages I gave in the year 2005 in this place. Pray! I will always be with you and I will never leave you.
Peace! Go in the peace of the Lord!"

2 7.07.2019 - Message from Our Lady Queen and Messenger of Peace, Saint Anne and Saint Joaquim

Message from Saint Joaquin

"- Marcos, convey this message of mine to all men, to all the children of my daughter Maria.

Imitate my daughter Mary's love for the Lord. She loved God so much that she became His Mother. She loved God so much that she gave birth to Him in her womb. She loved God so much that even the angels of Heaven came from above to learn from her true love for God. Angels descended from Heaven to burn in Mary's love for the Lord.

So should you too. Draw close to my daughter Maria through an intense prayer life made with the heart and also with the desire to truly know her, love her and learn from her the true love that pleases God . Pray with the heart. Truly love Mary and give your hearts and lives to her so that she can lead you on the path of true love. Imitate my daughter Mary's obedience to the Lord so that you can truly grow in the holiness that pleases God.

I love and protect all those who love my daughter Maria and all those who are her true students in her school of holiness and I also love them as if they were my children.

Pray the Rosary every day, because my daughter Maria will never let a true son of hers who loves her Rosary be lost.

I, Joaquim, bless you all with love now from Nazaré, Belém and Jacareí."

Message from Saint Anne, Mother of Our Lady

"My beloved Mark, tell all men that they must convert as soon as possible.

My daughter Maria gave messages in Akita, Japan, but it was of no use to this humanity so hard, unbelieving and rebellious to God. She cried tears in that place more than 100 times, but my daughter Maria's tears fell in the desert and there were almost no generous souls who wanted to comfort, love, obey and also make her known and loved throughout the world. Therefore, a great punishment will come from heaven. The message my daughter Maria gave in Akita was one of the last seals of the Apocalypse opened to alert all humanity. If humanity does not heed the appeal of my daughter Maria, a great punishment will befall her. This punishment has already been made known to many, many Saints, to many, many privileged souls, but, as happened with John the Baptist and also with the Lord Jesus Christ, humanity rejects one by one of the warnings that God sends to try to save it. Now, if humanity does not listen to Akita, if humanity does not listen to the messages that my daughter Maria gives in this place, there will be no more mercy.

Pray, pray the Rosary every day and do penance, because only prayer and penance can save the world.

Read the entire book of Ecclesiastical chapter 3 and try to put the word of the Lord into practice in the lives of all of you. Just as I read to my daughter Maria and explained the scriptures, so I want to teach you to love and fulfill the word of God with love. I taught my daughter Maria to say 'yes' to the Lord and I also want to teach you all to say 'yes' to the will of the Lord which is grace, peace and salvation.

I bless you all with love from Nazareth, from Bethlehem, from Jerusalem and from Jacareí."

Message from Our Lady Queen and Messenger of Peace

"My children, thank you so much to everyone who fasted today as I asked in yesterday's apparition.
Thank you for helping me to save souls.
Thank you for helping me protect world peace and stave off World War III.

Thank you for giving me the possibility of, with this mystical power of fasting, freeing so many souls who are prisoners of Satan, neutralizing his plans and actions, especially here in Brazil.
Thank you for being the children I can always count on.
Keep praying the Holy Rosary all because only through the Rosary can I free Brazil from everything Satan wants to do to make it his property and a land of sin, communism and evil, atheism and hatred of God.

Youth, children, families and the Church itself have ended up being plunged into the smoke of Satan and everywhere there are no longer any flowers, no mystical roses of love for God, of holiness, of goodness, of prayer, of sacrifice, of innocence, to transform this great desert again into a garden of grace, beauty and holiness.
It is now necessary for everyone to go and spread my messages. Make the cenacles everywhere and above all, live all my requests in a holy way.
Pray the Hour of Peace nº 8 for 4 consecutive days and give this Hour to 8 of my children who do not know it so that my children, knowing my glories and my messages, can give me the 'yes' that I so desire their.
Hasten your conversion because the time for change, the turn to God is running out.

Meditate ever more on the virtue of temperance so that by living justly, balancedly and correctly in this life you may truly attain Heaven and the holiness that God desires for you all.

I love you all. I am with all of you on the path that you must now tread, which is one of trial, but also of great graces for those who love My appearances, My messages and put them first.

Live the messages I gave in Beauraing, Belgium. Spread Beauraing so that finally My Heart can triumph and finally I can convert sinners.

I bless you all, love from Beauraing, from Lourdes, from Jacareí.

Peace."

29.07.2019 - Message from Our Lady Queen and Messenger of Peace

"My children, I gave messages in Marienfried to all humanity, but as happened in other places, it was of no use because of the hardness of men's hearts. They despised all my messages and all my warnings, so I come to Jacareí more once to ask: spread and live my messages from Marienfried.
Here, in this appearance of mine, I found in my little son Marcos the most perfect love and obedience. He is my last hope. He has already shared with all of you my messages from Marienfried for a long time, but many of you did not want to hear about them. Because of your spiritual lack of interest, no one wanted to divulge them and so my children are lost in ignorance and sin.

Convert, my children, so that my messages from Marienfried may truly become works in your hearts and so my flame of love through you can reach all my children and bring peace and salvation to all of them.
Open your hearts to my messages from Marienfried and live those messages so that my heart can finally triumph.
I bless you all from Marienfried, from Fátima and from Jacareí."

07.30.2019 - Message from Our Lady Queen and Messenger of Peace

“My children, I also gave messages in Heede , Germany, and as with San Damiano, with Heroldsbach and elsewhere, my messages were not heard and obeyed by my children. Thanks to the spiritual disinterest of many and their lives full of worldly pleasures, men little value, little attention paid to my messages from Heede , so the triumph of my Immaculate Heart was postponed so many times and Satan had more time and freedom to be able to act. In order to put an end to his time more quickly and to overthrow his reign of darkness in the world more quickly, I wish my messages from Heede to be circulated as soon as possible.

Remember, little children, that when you decide for me, you will be stronger than evil and will overcome evil in the world, so decide on my messages, obey them and spread them to everyone so that truly all ill be crushed by the power of my flame of love.

Keep praying the Rosary every day.

Give 10 of my children Hour of Peace nº 15 so that my children can get to know my messages and thus become more and more ignited in my flame of love.

I bless you all with love from Montichiari, Heede and Jacareí. Peace."

07.31.2019 - Message from Our Lady of Queen and Messenger of Peace

"Dear children, once again I come to ask that the message I gave in Heede be spread to the whole world.

Because of people's spiritual disinterest and pleasure-filled lives my messages from Heede were despised, hidden and thrown into oblivion and as As a result, so many punishments have taken place, especially World War II and all other wars.

If my message of Heede is not made known to the world, I will be forced to drop my Son's arm with a formidable punishment on all nations.

It is necessary that the people of the world know my messages and that they

change their lives, otherwise the fire from heaven that I announced Akita will fall on the whole world.

My little son Marcos, who is my last hope, has been disseminating my messages from Heede for several years, but even that has not helped because the hardness of human hearts and spiritual disinterest in everything heavenly has reached such a point that the angels themselves are petrified by such harshness. It is necessary that they help the righteous (my son Marcos). It is necessary that you help the one who works for me so that he can truly make my message of Heede known to the whole world. Therefore, help my son Marcos in this mission and my Son Jesus will reward generously in Heaven to all those who do this.

Keep praying the Holy Rosary every day. And remember little children: I cannot save you if you don't want to. Therefore, say 'yes' to my plan of love and to my Immaculate Heart so that I can truly lead you all to salvation, to Heaven.
Share My tears and messages from Naju.

I bless you all with love now from Fátima, from Montichiari and from Jacareí."

07.08.2019 - Message from Our Lady Queen and Messenger of Peace and from Our Lord Jesus Christ

Message from Our Lord Jesus Christ

"My beloved children, today I, Jesus, come with my Mother to tell you: I love you with all my heart. If you knew how much I love you, you would cry with joy, my children!
Today is also the anniversary of the day I asked you to pray the Hail Mary: 'Holy Mary Mother of God and our Mother.'
Continue to pray like this, my children, always, so that you can truly help me to overcome the evil spirit that tries at all costs to destroy in the hearts of men the love for my Blessed Mother.
Every time you pray: 'Holy Mary, Mother of God and our Mother', a ray of mercy and grace will come out of my Sacred Heart and her Heart and descend upon you.
Yes, continue to pray like this to help me stop all the darkness of the world that wants to obscure the value of my Mother... And not only her divine motherhood, but also her universal motherhood, the motherhood with which she became the Mother of you all, the Mother of all peoples.
Pray like this and teach everyone to pray too.
Continue to pray the Chaplet of Mercy every day... Through it, I will grant great graces to all of you.

Pray, my children, also the Rosary of Love, which is composed of the act of love that I gave to my little daughter Consolata Betrone.
Every time you pray the act of love in the Rosary of Love, you take a thorn from my Sacred Heart.
I now bless you all with all my love: from Dozulé, from Paray-Le-Monial and from Jacareí."

Message from Our Lady Queen and Messenger of Peace

"Dear children, today, when you contemplate the anniversary of my messages from my apparitions here, the monthly anniversary and also the anniversary of the arrival of this Miraculous Image of mine that immediately made the walls of my son Marcos' house pour perfumed oil that so many children He healed, consoled and gave thanks, today I say to all of you:
Pray the Rosary!
With the Rosary you will achieve peace for the world and for your lives.
With the Rosary you will be able to defeat Satan.
With the Rosary you will achieve the conversion of sinners.
With the Rosary you will obtain many graces from God.
With the Rosary you will always be victorious in all the temptations and snares of the enemy.
With the Rosary you will be able to overcome and solve all difficulties.
With the Rosary you will be able to guarantee a future of love and peace for you and your families.
Therefore, little children, pray the Rosary without ceasing! Also pray the Rosary of Peace, the Rosary of Peace!
Pray without ceasing and spread my Rosary prayer groups everywhere.
Now is the time to fill the world with the prayer groups of my Rosary so that more and more souls can find my maternal love that wants to help, console and save everyone.
I now bless you all with love: from Fátima, from Lourdes and from Jacareí."

Message from Our Lady Queen and Messenger of Peace after blessing and touching the religious objects presented to her by the seer Marcos Tadeu

"As I have already said, wherever one of these rosaries, images, books and medals arrive there, I will be alive bearing the graces of the Lord.
I bless you all with love now once more so that you may be happy and I leave you my peace."

Jacareí, August 10, 2019 – Message from Our Lady Queen and Messenger of Peace and from Saint Filomena to the seer Marcos Tadeu Teixeira

(Holy Mary): "Dear children, today I call all of you again to holiness. Holiness is a difficult path, but its end is true, real, glorious.
Follow the path of holiness even if you suffer, even if you have crosses and also have to overcome many obstacles, because the reward that my son prepares for all those who, like my little daughter Saint Filomena, persevere until the end, this reward will be eternal and it will never end.

Live holiness with works of love! You don't have to go out and explain to people, just love God, love me with all your heart. Do works of love, prayers of love, make sacrifices of love and your own life will speak to everyone around you and everyone will then see the light of love in you, understand love and say 'yes' to the eternal love that is the Lord.
Live holiness every day doing good works for the love of God and, above all, patiently accepting the crosses that happen to you and offering to God as my daughter Saint Filomena did.
I will be with you, my children, and I will never, ever leave you! When you suffer I am closer to you and I love you the most.
Do not be afraid! In the end my Immaculate Heart will triumph and I will bring the whole world a time of peace. Until then, pray, pray, pray the Rosary without ceasing, for only with prayer can you protect the peace of yourself and also of those around you.
Pray the Rosary of Tears every day, those who pray this rosary will not know the eternal flames and will have great glory in Heaven.
Imitate my daughter Santa Filomena and give six movies of her life to my children who don't know her. This wonderful film that my son Marcos made has the power, not only to make souls understand the examples of holiness of my daughter Filomena that they must follow, but also, it has the power to make everyone understand the great power that she has in Heaven with my Son Jesus and me.
Truly I say: my daughter Filomena reigns in Heaven over my Heart and I cannot deny her anything. Whatever you ask through her, on her merits, I will grant!
May my children know her life, so that by resorting to her they can receive the great graces of my Immaculate Heart and so, the love of my Son Jesus and his grace can triumph on earth.
I bless you all again: from Mugnano, from Lourdes and from Jacareí."

(Saint Filomena): "My beloved brothers, I, Filomena, rejoice to come today with the Mother of God to bless you and to say to you: Follow me on the path of love, following in my footsteps, opening your your hearts to have a strong and great faith.
For that, pray a lot! I prayed six hours a day to always keep the flame of faith and love in my heart burning, big and burning for the Lord.
Pray at least three hours a day, so that this flame can be lit in your hearts and through your hearts radiate to all the hearts of those around you and also to the whole world.
Follow me along the path of love, renouncing yourself, your will and giving your 'yes' to the Lord and to our Most Holy Queen.
Follow me along the path of love, sacrificing your life for Jesus and Mary as I sacrificed it, giving your life to serve them, love them, console them and also give them joy with your love.
Then, truly, you who will follow the road of love will be love, will live in love and will spread love to all.
Then, everyone will see love, it will be easy to believe in love, in the eternal love that is God and you will not even need to prove or explain anything, because by the very example of your love, everyone will believe. You will then

be the best book where everyone can learn true love, in your example everyone will learn true love.
I love you all and I am close to you in all your sufferings, when you suffer I am closer to you than you can imagine. Turn to me and I will give you my children, my brothers, many, many graces.
I bless you all and especially you, my dearest Marcos! Today, on the day of my feast, which is a day of so many graces in my Shrine in Mugnano, the day when Our Lord pours copious graces, miracles and healings in my Shrine in Mugnano, here is my little Mugnano of Brazil, Our The Lord also granted me great graces to pour out on you, my friend, brother, apostle who made me so much known and loved for these brothers of mine and for so many brothers around the world with the film you made of my life.
You are worthy of these great graces! So today I pour out on you the abundant graces of the Lord and on your father who is the soul you love most in the world, I now pour out 13 thousand blessings that he will receive in the next four years.
Yes, he will receive all these graces and then, truly through him, I will also radiate my grace, my love and my light to all humanity.
Onward Philomeno! Son of the light! Marcos, my beloved brother... go... continue to bring the light of the Lord, the light of our Most Holy Queen, my light to all who are in darkness.
Take them all out of the darkness of ignorance, the darkness of sin, the darkness of the separation from the Lord through your work and your prayers each day and more and more, my dearest brother, make everyone know me, know my life, for through me will come to them all: peace, grace and salvation from the Lord.

I bless you and I also bless you, my beloved brother Carlos Tadeu. As I told you, I offered for you all the martyrdoms I suffered, but especially, I also offered the martyrdom of being thrown into the Tiber River, where I was drowning...
At that moment when I was drowning, I offered all my suffering for your intentions, so that the Lord would convert it into graces for you and for your great mission.
I love you and everything you ask of me that is the will of the Lord, I will always, always reach for you, I will always help you and I will never leave you.
Ask, ask for my martyrdoms for the graces you need and like a shower of graces, they, the blessings, will come from Heaven!

I bless you with love now and to all my brothers: from Mugnano, from Roma and from Jacareí."

(Maria Santíssima): "As I said, wherever one of these rosaries, images arrive there, I will be alive with my daughter Filomena and also with Saint Carlos Borromeu and Saint Beatriz carrying the great graces of the Lord.
I bless you all with love once more so that you may be happy, and I leave you my peace."

Jacareí, August 11, 2019 – Message from God the Father and Our Lady Queen and Messenger of Peace to the seer Marcos Tadeu Teixeira – Feast of God the Father and the Nativity of Our Lady

(God the Father): "My children, I am your Father and I come today with Mary, my most beloved daughter, Mother of my divine Son Jesus Christ, to say to all of you:
I am the Father of all of you! I love you all!
It was I who created you, who took you out of nothing, I gave you existence, I preserved the lives of all of you until today, I did not punish you as your sins deserved. I have always treated you with mercy, kindness and kindness... And although I was pierced many, many times by your sins, my love always forgave you, always sought to lift you from sin and again to draw you to me.
I left no one...
I have denied no one my grace...
To no one I denied my love...
And my Apparitions here with my Son Jesus, with the Mother of my Son and all my Angels and Saints are the greatest sign and the greatest proof of how much I love each of you and how much each of you is for me. valuable, is precious.
Yes, each one of you is worth more than this whole world. And to save you, I sent my son into the world so that by shedding his blood on the cross he could free you from the slavery of sin, pay the debt that all humanity had, that each of you had with my Justice and, thus, reconcile each one of you and all humanity with me.
My love is so great that after almost two thousand years of the death of my Son, of my only son to save you, I sent the Mother of my Son here to tell you all of my love, of my great desire to save you. them, how much I suffer for losing so many of my children to sin and how truly my loving Father's heart wanted to embrace, forgive, and save each one of you.
Yes, I sent my daughter Maria here, so that with words full of love she could reveal to all of you how great my love is for each of you.
Yes, for each of you I would be able to create not just one new world, but up to a thousand worlds if necessary. Yes, my love for you, my children, is so great… it is so great, that if necessary I would send my Son into the world to die for you once again… But this is not possible! The death of my Son two thousand years ago is enough to save not only this world, but all worlds. Therefore, my love has been proved once and for all for all mankind. Yes, the redemption wrought by my Son and my daughter Maria in union with him (Corredemptrix) is sufficient, it is definitive and it is the definitive proof of my Love for you and after which no one can doubt my great love for all of humanity and for each one.

That's why I say to you, my children: open your hearts to my great love, so that I can pour my grace into your hearts and it will truly transform you into the holy children, the holy people that I came here to seek.
I have no need of a nation of sinners, nor of useless children! Therefore, open your hearts to receive my grace in them, so that you can bear the fruit of holiness that I desire, so that this nation, this generation, all mankind, may become the holy nation, the holy children who I wish for my glory.
Open your hearts and accept the Messages of my daughter Maria, my Messages of love. And then, truly, a river of living water, of holiness, of grace and of love will flow from the hearts of all of you that will fill the whole world with my Love.
I cannot give my son to the world one more time, so open your hearts to my Son Jesus, accept his words, accept his Commandments, accept his love... and then truly you will be love like me I am Love.
I am Love, Eternal Love and everyone who loves me hears my voice and lives in me, lives in love and my love lives and reigns in it. Therefore, children, open your hearts to this love, let it flow, grow in your hearts and transform you into the image and likeness of myself.
Yes, I loved my people so much, I brought them out of slavery in Egypt and led them to the promised land. Now, I come again to lead my people through my column of light and fire, which is Mary. Who goes before my children in their Apparitions, leading my people to me, to the Promised Land, the New Heaven and the New Earth that are approaching all of you.

Follow the luminous column that I have placed in front of you in recent times, which is my daughter Maria. Listen to her, listen to her messages and just as I in the old testament guided my people to the Promised Land and they arrived there, you will also arrive in the new world that I am preparing for you and that will be inaugurated in the Triumph of the Immaculate Heart of my daughter Mary.
This triumph will coincide with the triumph of my paternal love, with the triumph of my mercy and my grace and then all humanity will finally be my people, it will finally be my kingdom of love and everyone will adore and praise me!
They go! Spread my Hour to all my children, so that they love me and get to know me, so that they create in their hearts the friendship love, the filial love that I desire from all my children.
Give my Hour #2 to 10 of my children who don't know me so they can finally get to know and love me as I want and desire.
These Hours of Prayer that my little son Marcos, the most obedient and devoted of my children, made for Me, touch... any grace including forgiveness for sinners, peace for nations, prosperity in fields, crops, cities... Prosperity in the affairs of those who pray this Hour with love and, although they have trials and sufferings, my grace is always present in the lives of my children who pray

this Hour and the last word in their trials and difficulties will always be mine. From all suffering I will always take a greater good ahead.
Yea! This Hour of Prayer has the power to wrest from me, to obtain from me mercy for sinners and guilty nations, and to bring peace to the whole world. Therefore, pray it, spread it, so that everyone knows it and does it. And so, all humanity become my kingdom of love, holiness, beauty and peace.
Also, make known to all my children the Apparition of my daughter Maria in Castelpetroso, so that, understanding how she is the Co-Demand of humanity, my children feel the desire to love her, to obey her messages and to live a life of love for her, who suffered so much with my Son Jesus to reconcile you all to me.
Then she will triumph in love and for love's sake! All humanity will recognize her as a co-redeemer and the co-redeemer will bless the world with peace and I will also give the world my divine peace, putting an end to all wars and disorders of humanity and finally my enemy will be crushed under our feet.
Pray the Rosary every day! If everyone prayed the Rosary, it would be the end of Satan, because he cannot bear the power that I put in the angelic salutation, which was the salutation that I, through my messenger Gabriel, addressed to Mary. They were words sent by me, through Gabriel, to her. That is why the angelic greeting has so much power, because you greet Mary with the very words of the Father, the Eternal Father!
If everyone prayed the Rosary, it would be the end of Satan. Therefore, pray the Rosary. Every Hail Mary that you say is truly a very painful blow that you inflict on Satan and all demons.
Yes, pray... Pray the Hail Mary, pray the Rosary and my grace will always be present doing wonders in the lives of all of you.
Convert without delay! Don't hurt my heart as a father who loves you so much. I bless you all with love now: from Jerusalem, from Sinai and from Jacarei."

(Holy Mary): "Dear children, I am the Co-Demand of humanity! That's why I appeared in Castelpetroso as Dolorosa to say to all of you my children:
I am the Co-redemptrix who united the sufferings with those of the Son Jesus to reconcile all of you with the Father!
Go and give it to 15 of my children who don't know this Apparition of mine, this beautiful film that my son Marcos made with so much love, fatigue, work, dedication and effort to make my children finally understand my role as Correspondent, feel in their hearts the duty of gratitude, which they must have towards me, who suffered so much with Jesus to save them. And so, feel the desire to love me, to console me and to live a life of union, of love with me.
Today, when you celebrate the birth of the Mother of Heaven here, I also want to say to you: I am the great sign that God has placed in the fullness of time in the Heaven of humanity. A sign that already announced the dawn of the salvation of the world.

I am the great sign, sent by God before the coming of the Son. Yes, the Lady of all peoples who in the beginning was Mary of Nazareth came first. She came as a sign to prepare the way of the son and the Mistress began to suffer first, before the son, to prepare the way of the Redeemer.
And with her anticipated sufferings, she from her conception truly began to collaborate in the work of the redemption of all humanity.
Yes, all the sufferings of the Son the Lady of all peoples, the Mother of Heaven also suffered and began to suffer before the Son as Co-Demand of the Redeemer, as Co-Savior of the Saviour.
So, my children, all my children will be able to understand through this beautiful film that my son Marcos played my role as Corredentor. And so, to understand that my sufferings were willed by the Father, wanted by the Father and necessary for the salvation of all humanity together with my son Jesus.
When this truth is recognized, I will triumph, and then, the Lady of all Nations who in the beginning was Maria de Ana and Joaquim, will give the blessing to the world and the world will finally have peace, Satan will be definitively defeated and then the world will know a new a time of holiness like never before on earth.
So go, my children, and let my children know this great truth through this beautiful film that my son Marcos made and, above all, also through my Hours of Peace.
Give my children eight Hours of Peace nº 76 so that my children can meditate on my glories, on my maternal love, on my person, my sufferings and in this way, they can understand how much they must love me, so that, accepting me in their lives I can act in them, convert them and transform them into mystical roses of love and lead everyone to Heaven, to the arms of the Father.
Convert, my children, the third message I gave in Akita - Japan to my little daughter Agnes Sassagawa has not yet happened and if humanity does not convert fire will come from the sky and destroy most of humanity.
Only a great force of prayer can produce the volume of conversions necessary to appease the wrath of the heavenly Father, pierced every day by the sins of humanity and who want to put an end to so much disorder, to so much evil.
Therefore, my children, help me with prayers, sacrifices to get more conversions, then converts will pray more and your prayers will produce new conversions. And so, in an ever-increasing cycle, I will obtain the number of souls that is necessary to reach from the Father the great miracle of the Triumph of My Immaculate Heart.
I love you all and I will never, ever leave you! When you are suffering I suffer with you and I am closer to you than ever!
Hasten your conversion, my children, because Gog and Magog are not sleeping. Pray for the conversion of sinners, because only that can stop so much evil and everything that is prepared to exterminate not only you, but also this planet on which you live, because Satan wants the total destruction of

everything... He is hatred, total hatred and doesn't love anyone and nothing and doesn't want to leave a living being on this earth.
Help me stop it with prayers and sacrifices!
Here, where I am truly loved, consoled and glorified by my little son Marcos who has done so many beautiful works of love for me with the Rosaries, Hours of Prayer, the films of my Apparitions, of the lives of the Saints that make me so well known and loved, I will triumph!
After all the trials and sufferings My Immaculate Heart will triumph! Therefore, my children, persevere in prayer, persevere in the cenacles, because only the cenacles of prayer will be able to save the world.
Help my son Marcos, help the righteous to make my word and my maternal love reach all my children and so I can keep them all in the safe refuge of my Immaculate Heart.
I bless you all with love now: from Castelpetroso, from Fátima and from Jacareí."

SEPTEMBER

02.09.2018 - Message from Our Lady

(Holy Mary): "Dear children, today I call you all again to fight with Me for the salvation of humanity.
The war between Me and My adversary is advancing, the bad ones are putting all their forces together with Satan to destroy Brazil and the world.
I count on you, My Apostles, to help Me save the Land of Santa Cruz and the world with more prayer and sacrifice.
Make the Cenacles with renewed ardor, taking My Messages to all My children as quickly as possible, so that they too may join us in My great Army of Prayer and help Me to save the world.
I want you to give 30 Films of My Apparition in La Salette N° 1 to My children who do not know Me. And also 28 of the Discs of My Apparition in Umbe, which My son Marcos made, so that My children know that My Apparition is so important. And so, convert, dry My Tears and draw My swords of Pain with your prayers and your holy life.
I count on you My children, to help Me save more souls.
They go! This month for this great State of São Paulo, which I love so much, which is so dear to My Immaculate Heart.
Go to the cities that have not yet heard My Messages. Disclose them, make the Cenacles there to bring all My children to My Immaculate Heart.
Pray 4 Thirds of My Immaculate Conception for Brazil. And pray 6 Thirds of the Holy Spirit for the conversion of sinners and for My Plans.
Keep praying the Rosary every day. With Rosário I will save the world, I will save Brazil.

My children live the Virtue of the Fortress, being strong in trials, doing great and arduous things for God and enduring with courage, with heroic courage, illness, suffering and ordeal.
Also live the Virtue of Charity, doing everything with Love and being Love.
Create in yourselves a pure heart, that is, a heart that has nothing of worldly things and that is full of heavenly things and riches. So that everyone sees the purity of their hearts and, seeing the beauty of purity, they also want to have in their souls this supernatural beauty, conferred by the Virtue of Purity.
I bless you all with Love now from LA SALETTE, from PELLEVOISIN and from JACAREÍ."

(Saint Judas Tadeu): "Beloved brother Carlos Tadeu, today I come to give My Message which is normally on the 28th, but extraordinarily I wanted to give it to you today, so that you can hear it well bearing in mind how much I love you.
Yes, I love you, dear brother, I love you with all My strength, I always have and I always will.
It is easier for the sea to dry up completely and turn into a dry desert than for My love to disappear for you.
Know that when I was preaching, the impious Alan, not giving up his plans to take My life, seeing that he had not succeeded with the machine of the four winds and also with the machine of the wind passes, invented a new way to take Life me.
Accompanied by other men as evil as he and priests of the pagan gods who were threatened by My Preaching. Together they plotted to take My life.
One day when I was preaching in a village and I had finished speaking the Word of the Lord, they arrested Me in one of the streets of the city, tied Me to an anchor and threw Me into a river of great current to die there. drowned.
The Lord once again sent Saint Michael the Archangel to help Me. He cut the rope and the anchor was stuck at the bottom of the river, while I took it along São Miguel to the bank of the river, even having My clothes miraculously dried.
The unconverted people, seeing that miracle, were immediately converted and believed in My Preaching, giving their 'YES' to the Lord JESUS and His BLESSED MOTHER.
Alan, even more inflamed with hatred against Me, once again trapped Me with his henchmen and sought to end My life, to end My existence. This time, tying My feet and My hands to different horses and ordering them to set off in a wild race, ripping and tearing My limbs apart.
The horses started to run, the pain I felt in My limbs was simply deadly, so great that I cannot describe in words the pain I felt.
But once again My Most Holy Queen sent Saint Michael the Archangel who cut the ropes and the horses fled in a rush. He fell to the ground in great pain. Saint Michael placed His Celestial Mantle over Me and it completely cured the pains of My members.
I got up perfectly healed and the people not yet converted, seeing this miracle, finally converted to the Holy Catholic Faith and believed in Our Lord Jesus Christ.

Those who had already converted were further strengthened in their Faith. All this, dearest brother, I offered for you.
Yes, when I was at the bottom of the river drowning Me, I offered that martyrdom for you. And when I was tied to the horses, feeling the great pain in My limbs for being pulled by them, I also offered for you those excruciating pains that even made Me come close to the thresholds of death.
I always loved you, and I always will!
And the one who suffered so much and offered for you, will never abandon you. He will never leave you, never deny you any favor you want, that you ask for. All that is according to the Holy Will of the Lord will be granted to you.
If you ask Me for these My Pains that I have offered for you. And truly, whatever you ask of the Hearts of Jesus and Mary in the name of My martyrdoms and sufferings, everything will be granted to you if it is the Will of the Lord and the good of souls.
I, Judas Tadeu love you!
I was able to bear being thrown into a river out of love for you. I endured the pain of being pulled by horses and having My limbs disjointed out of Love for you.
I was able to suffer so much for you. I just can't stop loving you.
Therefore, always trust My love more, pray My Rosary always, for it I will grant you great Graces.
Keep praying the Most Holy Rosary of Our Most Holy Queen, every day. For him, always more, you will receive infinite graces from the Sacred Heart of Jesus and Our Most Holy Queen.
Always bring with you, dearest brother, the touched Rosaries, at least one of them, because you will receive great influxes of Graces through them wherever you are. And always try to be with Me in the intimacy of deep prayer, there, I will comfort you and fill you with My Graces of Love.
Next October, speak with renewed love about the Most Holy Rosary of the Mother of God. Talk also about My Life, about the pains that I have revealed to you.
And, above all, also speak deeply about the life of Saint Camillus de Lellis, so that everyone, knowing the life of this One, who loved the Lord so much, may also imitate Him in His Angelic Charity that raised Him to such a great height of Grace and Love of the Sir.
I bless you with Love now generously and on you and on all these My beloved brothers, I pour out My Great Blessings from NAZARETH, JERUSALEM and JACAREÍ."

(Holy Mary): "As I have already said, wherever one of these Rosaries arrives, there I will be alive, bearing the great Graces of the Lord.
I bless you all again and leave My Peace."

09.23.2018 - MESSAGE FROM SÃO GERALDO TO CARLOS TADEU

"I love you, most beloved brother, with all the strength of My soul.
Know that when I was still living in Muro Lucano and I often withdrew to the nearby caves to do My usual penances, I always scourged Me to the point of offering blood for you. He scourged Me 73 times to the point of blood and offered it for you, dearest brother.

Yes, the blood flowed, splashed on the walls and the pain offered it all for you."

24.11.2019 - Message from Our Lady Queen and Messenger of Peace

“Dear children, I am the Virgin of the Golden Heart. I am the Golden House of the Lord, where the Lord has placed all his treasures of grace. Therefore, whoever wants the grace of God, whoever wants any favor from the Lord, whoever wants to possess the treasures of the Heart of my Son, come to me and I will give them, I will give them these treasures.
My son Marcos accurately interpreted the meaning of my Golden Heart in my Apparition in Beauraing. Yes, all the treasures of Heaven are in my Heart, in me is the life, grace and favor of the Lord and those who seek me, surely find me.
I live close to those who love me and bless me with life.
I am close to those who wear themselves out for me, who give themselves for me, who consume themselves for me every day of their lives.
Those who work for me will not sin and those who make me known will have life, eternal life!
I am close to the children who do this and, there, my children can find in me all the treasures and favors of the Lord.
Come and ask as much as you like and you will receive. The measure you receive will be the measure you trust, believe and turn to me with confidence. In other words: the measure of graces will be the measure of the vessel of trust with which they come to me.
Where there is faith that I am the Golden House of the Lord, that I possess all the graces and treasures of the Lord, that I can do everything before him, that I am the Queen of Heaven and Earth, there I will pour out the abundant graces of the Lord. and I will do wonders.
Where it is not believed or trusted that I am the Golden House of the Lord, there I cannot do anything. Ask for my graces, my children, do not allow my fingers to remain more withdrawn without releasing the rays of graces that I so desire to pour out on you and the whole world.
Ask generously and you will also receive generously.
Ask with unlimited trust and, my children, you will receive the graces of my Heart with unlimited abundance.

Pray, pray the Rosary a lot! Whoever prays my Rosary every day will never be devastated by spiritual aridity, by spiritual desertification and if one day he falls into aridity and tepidity, he will quickly leave that unhappy state.
I also promise to everyone who prays my Rosary: that he will have my help in all the struggles, battles and disputes of life and I will give him victory over the evil, over injustices and I will always make him triumph.
I also promise, to those who pray my Rosary every day that they will never be possessed by the devil, will never have the presence of the enemy with the diabolic infestation in their homes and if there is any there, a soon this infestation will end by the power of my Rosary .
I also promise everyone who prays the Rosary of My Tears that they will receive a special blessing from me on the first Saturday of each month.
And those who pray my Rosary of Peace and the Rosary of the Consecrated with confidence will receive on the second Saturday of each month, a particular blessing from my Heart.
Do you love my Son? love me? So sacrifice yourselves for me.
Sacrifice yourselves for me, renouncing the world, everything the world offers you and living a life of total dedication and obedience to me.
Sacrifice yourselves for me, despising yourselves and your will, doing mine and living continuously in correspondence to my maternal grace, to my love, to my will every day of your lives.
Sacrifice yourselves for me, setting aside your plans and desires in order to fulfill my plans and desires. And then, my great plan of love will be carried out in your lives and in all my children's lives for the salvation of humanity.
Sacrifice yourselves for me, doing as my little son Marcos always did: working for me every day, getting tired for me every day, consuming yourself for me every day, for those who work for me will not be wrong, those who make known will have eternal life, and those who live through me will find favor with the Lord.
Do this and my Immaculate Heart will rejoice and be satisfied in you and, then, I will finally receive from my children the true love that I have always looked for, but rarely found and here I found in my little son Marcos, in an unlimited way and also, I hope to receive from all of you this limitless love, my dear children.
Sacrifice yourselves for me by dying to the world, dying to yourselves, dying to self and living only for me and through me for God. And then, verily, I will triumph in you and through you I will triumph in the whole world.
Live my message from Beauraing, make my Apparitions at Beauraing known to all my children and those who make me known and loved will have eternal life.
Pray my Rosary every day!
Pray four thirds for Brazil this week, so that evil does not return and that my Immaculate Heart continues to triumph and free the Land of Santa Cruz from the forces of my enemy.

My dearest Mark, on the Anniversary of my Apparition in Beauraing the 29th I will give you who made my Appearance and my messages from Beauraing known to all my children, I will give you nine special blessings.
And since I know what you want to ask of me, I will give your father Carlos Tadeu 329 special blessings on the day of my Apparition in Beauraing and the next day I will give him 598 more.
So I will shower him with the abundance of graces that the merits of the Beauraing film you made for me entitle you to. And how I know that you give up all graces for him because you love him more than yourself. As I know that you desire to benefit and enrich him more than yourself, and think more of his good and happiness than your own, so I will give him the most graces.
So I know your heart will be satisfied, don't you, my little angel of love? And so that my children also understand the value of any work done out of love for me. My son Jesus will never fail to reward with super-abundant graces the merits of all the works of love done out of love for me.
Thus, the love, mercy and generosity of the Lord always triumph in this world that no longer knows what love is, what charity is, what it is to seek the good of others more than one's own good and what is truly give your life for your brother. So love always triumphs!
Follow me, my children, along the path of love, because with love you will conquer everything, you will conquer the world as my son conquered. And then it will be the triumph of our love over this deserted, frozen and loveless world and finally love will triumph, love will live.
I bless you all with love now from Beauraning, from Banneux and from Jacareí.

(Holy Mary after blessing the holy objects): “As I have already said, wherever one of these rosaries arrives, there I will be alive with the Angels of the Lord carrying the great graces of his love.
Last Sunday, during the apparition, I left imprinted on my little son Marcos' eyes, not only my figure, my silhouette, but also that of one of the Holy Angels who came with me, to indicate to all of you, my children, that where I I am always with me the Angels of the Lord pouring out great graces.
Pray to them, trust their protection, surrender, consecrate yourself to them and let them guide you along the path of prayer, holiness and love.
Pray more every day!
I bless you all with love now, once again, so that you may be happy and I also give you through my Maternal Face present here my blessing and the blessing of my living son Jesus.”

12.13.2019 - Message from Our Lady Queen and Messenger of Peace and from Santa Luzia

“Dear children, I am the Mystic Rose! I wish once more to call you to holiness. May the 'mystical roses' be holy, of prayer, sacrifice and penance.

Pray more and more, sacrifice more and more, do penance by atoning for your own sins and the sins of the whole world more and more!
May the roses be embalmed with love, which every day give the Lord the soft and sweet perfume of true love.
Be the roses embalmed with love, despising worldly things, despising your own will and always doing the will of the Lord who is love, mercy and salvation for you.
May the roses be embalmed with love, seeking more and more to please the Lord, to please my son Jesus with all your strength. Seek more and more intimacy with my son Jesus through the prayer of intimacy, until you and he become one in the flame of love!
Be the roses embalmed with love, dying to yourself and your own will every day and living only for the will of the Lord.
Convert without delay! Pray to ward off the Three Days of Darkness or at least to alleviate them... With prayer they can be alleviated!
Pray to remove the punishment of Astro Eros, with your prayers you can remove it, with prayer and fasting you can cancel any punishment, you can achieve any grace.
Pray for three hours a day. I want those hours of prayer from everyone, from little children to the dying. So that I can truly unite you with the Lord and make him truly live and reign in your hearts.
Pray the Rosary of Tears every day, for great graces I will grant to those who pray this Rosary. My son Jesus cannot resist whoever prays this Rosary and grants everything that is asked of him through it.
Wear the medal that I revealed to my little daughter Pierina in Montichiari, through it I will drive the demons away from you and your homes and every 13th, I will pour out on you through this medal, great graces!
Give five medals that I revealed in Montichiari to five of my children who don't have them. Also, give four films of my Apparition to my little daughter Pierina as Rosa Mystica for four children who don't know him this week. So that I can touch my children's hearts more and more, make them pray more and, in this way, these prayers generate new conversions, which in turn will increase prayers and generate even more conversions. And so, in an ever-increasing cycle, I can more and more crush Satan, save my children and thus lead all humanity to conversion and salvation.
Give also two Thirds of my daughter Luzia meditated to two children who don't know her, above all, the young ones, so that they can get to know her, fall in love with her and through her with my son Jesus and thus, I raise an army of new 'Luzias', of young people made of pure love like her for the triumph of the Lord.
I bless you all with love now: from Montichiari, from Pellevoisin and from Jacareí."

Message from Saint Lucia of Syracuse

"Dear brothers of mine, I, Luzia, come from Heaven to bless you and to say:
Be Luzias, be lights for this world wrapped in darkness!
Be Luzias, lights, for this world wrapped in the darkness of evil and sin. Shine brighter in the midst of darkness each day for a life of intense prayer and love for God!

Be Luzias, lights, despising everything the world offers you, accepting everything that our Most Holy Queen offers you, everything that the Lord gives you. So that, truly, the light of God may shine in you and through you to dispel the darkness of this world.
Be Luzias, lights, having a heart poor in earthly desires, but rich as mine was from the treasures of Heaven. So that, everyone seeing these treasures in you, also see the beauty of holiness, the beauty of love for God and want like you too: to love God, to live in holiness, which is infinitely better and happier than the life of the sin.
Be Luzias, lights, truly living in great intimacy of soul and heart with the Lord and with our Most Holy Queen.
Pray the prayer of intimacy every day, at least a little, so that the seed of supernatural life, grace, love for God and holiness may grow in you, and so, through you, the whole world may know the face of sweet and amiable of the Lord and of our Most Holy Queen and, in this way, everyone surrenders to them with love and for love.
Pray my Rosary every day if possible and if not, at least once a week. I will grant great thanks to all who pray it!
Have my image in your houses, for in the houses where it is, demons will not be able to enter, especially in the Three Days of Darkness, because the Lord has given me the power to expel demons with the power of my merits, virtues and holiness. and where I am, no evil will come there.
Pray the Rosary every day, because through it you will always be more: lights, Luzias of love in this world.
I love this place and especially you, my dear brother Marcos!
Today, on the day of my Feast, you more than all my devotees in the world are entitled to many special graces, for the merits of the film you made of my life that until today, continues to touch, burning hearts with love for Jesus, for our Most Holy Queen and also for me.
Therefore, today I give you 13 special blessings and as I already know what you want, I now give your father Carlos Tadeu 13 thousand blessings that he will receive over the years, one per day.
I can't deny you anything! And whatever you ask me for the merits of the film you made, I will give you as I have given you in the past, stupendous healings and graces!
Always turn to me asking the Sacred Heart of Jesus for my merits and for the merits of the film you made and everything, everything will be given to you.
To you and to all my beloved brothers, above all to you, my dear brother Leandro, whom I also protect and keep as a very special protector. And to all who I cured here, to all to whom I returned health and gave more life and to all who love me, I bless with love.
Especially to you too, my dearest brother Carlos Tadeu. Today you receive the special blessings of the merits of the film that your son made of my life and that touched so many hearts, ignited so many souls of love and truly made so many pray more and decide to follow me on the path of holiness. .
Yes, just as I went to my mother Eutychia because of thanks, for her healing, for her miraculous healing, just as by my merits my mother Eutychia was healed and she was also saved, taken to Heaven, so too, you will receive great graces always on the merits of your child, you will receive great blessings!

You have received great graces in the past until today for his merits. The healing of the hemorrhage you had years ago when drinking the water from the Fountain of our Most Holy Queen was a grace from the Mother of God, but also from the merits of your son as an anticipation of you being destined in the future to be his spiritual father.
So rejoice, because great are the graces that still await you in the future for the merits of your child.
And whatever you ask for the merits of the film he made of my life, which pleased Jesus and Mary so much and which, offered by him, achieved graces (of cures) from even incurable diseases in this place, you will receive everything, everything! And I too, will always be with you protecting you at all times.
I have already revealed to you that when my eyes were plucked out I offered them for you.
Know also, my beloved brother, that when the soldier pierced my neck while still keeping me alive, I offered that cruel pain for you until the moment when I was finally beheaded.
All this, because I love you with all my strength and I will never, never stop loving you. So ask me for anything you want. Ask me and I will give it to you for the greater glory and triumph of the Love of the Lord!
I bless you and all my beloved brothers now: from Catania, from Syracuse and from Jacareí.
Peace!"
(Holy Mary after touching the holy objects): “As I said, wherever one of these Rosaries arrive, there I will be alive with my daughter Luzia and also my son Santo Anselmo, taking with me abundant graces from the Lord.
I bless you all again so that you are happy and I leave you my peace.”

12.15.2019 - Message from Our Lady Queen and Messenger of Peace

“Dear children, today I call you all to be my abodes of love!
Be my abodes of love, giving me place in your hearts, renouncing your will, preferring mine, so that then, truly, I can reign in you and through me my son Jesus can reign.
Be my holy abodes, living every day in continuous prayer, praying at least three hours a day, praying my meditated Rosary and all the prayers I asked you here.
Be my abodes of love, renouncing worldly things and surrendering your hearts entirely to me, so that I can transform them into reflections and living copies of my own Immaculate Heart.
Be my abodes of love, letting my flame of love enter your hearts and act powerfully in them. So that, then, my Immaculate Heart may triumph in you and through you in the whole world, overthrowing the infernal empire and raising up the Eternal Kingdom of the Love of the Lord and of my Heart!

Be my dwellings, my holy houses, as was my house in Loreto. Just as she was humble, simple, yet immaculately clean, so may your souls be: humble, poor, and immaculate.
Therefore, purify souls by prayer, sanctify bodies by sacrifice and penance. Give more and more space to the Holy Spirit to act in your hearts, as I gave in the little house in Nazareth total space so that he could act in me and make the Word incarnate in me and become man.
May you also always be 'yes' to the Holy Spirit and give total freedom so that he can act in your lives, transforming you into the apostles of love that I desire to ignite this world of love.
Go, my children, and carry my flame of love to all my children who still do not know me. Don't give up, because I'm with you! And in Heaven there will be more joy over one soul to whom you transmit my flame of love and conquer for me, than over 99 righteous people who think and think they don't need salvation, nor my flame of love.
They go! Go away! Go to all those who still don't know me and like my little son Marcos does: bring them all to me!
I, the Lady of the Holy House of Loreto, Messenger of Peace, bless you all and say: Pray my Rosary every day with love!
I bless you all and especially you, my dearest son Marcos. Yes, last December 10th, the anniversary of the transfer of my Holy House from Nazareth to Loreto, you received great graces from my heart because of the merits of this beautiful film you made of the transfer of my house.
Yes, you received 10 special blessings and for your father I gave 10 thousand blessings.
And every 10th of every month, because of the merits of this movie you made for me with so much love, he will receive 10,000 blessings from my Immaculate Heart. Not only you, but I also rejoice every time the Lord gives me new blessings to give your father.
Just as it is his pleasure to ask for these blessings for him and to achieve, too, nothing gives me more pleasure than to bless him continually, until his life truly becomes a sea of endless blessings, where he can taste and feel more and more. my motherly love.
Rejoice, my dear son! Rejoice because it was your merits, the effort of your work, that now achieved this new and resounding grace for your father.
On the 10th of each month I will also give you the possibility to choose a person you want to receive one of the 10 blessings I have destined for you.
To you who loved me so much and who propagated existence so much, the truth of the miracle of the translation of my house, to you who work so hard and do so much for me, I now bless you and all my children: from Loreto, from Caravaggio and from Jacareí .”

Holy Mary after blessing the holy objects:

“As I have already said, wherever one of these Rosaries arrives, I will be alive, taking with me the great graces of the Lord.
I bless you all with love again, so that you may be happy, and I leave you my peace.”

(Marcos): “See you soon, Mother.”
